Qualifications and Volunteer Experience

Please explain why you would like to serve on this particular board, committee, or commission.

I have previous community board service in Concord, where I served on the Pleasant Hill and Concord Healthcare District Commission where we granted nonprofits to meet the health equity needs in Concord and Pleasant Hill. I am interested in serving on this Board because I am a mother of two kids, 6 and 2 years old. I am deeply interested in the planning for early care and education as our country continues to grapple with incredibly expensive childcare needs.

Describe your qualifications for this appointment. (NOTE: you may also include a copy of your resume with this application)

I have lived in Contra Costa county nearly my entire life and have gone through the public education system at MDUSD. I have also fostered kiddos and supported and advocated for their educational resources as I am now doing for my own children. In addition to these lived experiences, I worked in schools for a majority of my career before stepping into my role leadership role at IGNITE. I have deep understanding of systems and the barriers that we face in serving our children. I hope to bring my lens and expertise to the commission as we navigate the current landscape of education.
