Report Title: HEARING on Fiscal Year 2026-2027 Tentative Annual Report for County Service Area L-100; ADOPT resolution confirming the report and levying charges.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:

1. RECEIVE from staff the Fiscal Year 2026-2027 Tentative Annual Report on service charges in County Service Area (CSA) L-100, a copy of which is attached.

2. OPEN the public hearing on the Tentative Annual Report; RECEIVE and CONSIDER all written and oral objections or protests to the Tentative Annual Report; and CLOSE the public hearing.

3. CONSIDER whether to adopt, revise, change, reduce, increase, or modify any estimated service charges set forth in the Tentative Annual Report.

4. APPROVE the estimated service charges set forth in the Tentative Annual Report.

5. ADOPT a Resolution confirming the Tentative Annual Report and levying the charges set forth in the report.

6. DIRECT the Public Works Director or his/her designee to prepare a Fiscal Year 2026-2027 Final Annual Report for CSA L-100 that conforms to the County's official service charge roll for Fiscal Year 2026-2027. (County Service Area L-100 Funds) (Countywide) Project No. 7394-6X5001.

FISCAL IMPACT:

The levy of the annual service charges in CSA L-100 will provide revenues for the continued operation and maintenance of street lighting services. The CSA L-100 total revenue was $2,364,277.39 for Fiscal Year 2025-2026 and is projected to be $2,485,237.97 for Fiscal Year 2026-2027. In Fiscal Year 2025-2026 the basic service charge was $14.94/year per equivalent dwelling unit for a single-family home and will remain the same for Fiscal Year 2026-2027.

BACKGROUND:

As directed by Article 1012-2.602 of the Contra Costa County Ordinance Code, the Public Works Director prepared a Fiscal Year 2026-2027 Tentative Annual Report on service charges in CSA L-100 and filed it with the Clerk of the Board of Supervisors. CSA L-100 provides street lighting services. The Tentative Annual Report contains a description of each parcel of real property receiving services, the basic service charge for CSA L-100 and the estimated amount of the service charge for each parcel for the fiscal year.

Upon the filing of the Tentative Annual Report, the Clerk of the Board of Supervisors fixed a time, date, and place for a Board hearing on the Tentative Annual Report and for filing objections or protests thereto and published a notice of the hearing as provided in Government Code section 6066.

Following the public hearing, the Board may adopt, revise, change, reduce, increase, or modify any estimated service charge, and shall make its determination upon each estimated service charge as described in the Tentative Annual Report. The service charges in the Tentative Annual Report were computed and apportioned according to a formula that fairly distributes the service charge among all subject parcels in proportion to the estimated benefits conferred on each property from the services provided. Staff recommend approval of the service charges in the Tentative Annual Report without modification. The service charge rates are unchanged from the service charge rates levied in CSA L-100 in Fiscal Year 2025-2026.

Adoption of a Resolution confirms the Tentative Annual Report and assesses the service charges set forth therein but does not levy the charges. The levy of the service charges occurs after the preparation of a Final Annual Report that conforms to the official assessor's roll for Fiscal Year 2026-2027. The official assessor's roll will be issued by the County Assessor on or about July 1, 2026.

CONSEQUENCE OF NEGATIVE ACTION:
If the Fiscal Year 2026-2027 Tentative Annual Report for CSA L-100 is not confirmed, either as filed or as modified, the service charges set forth in the Tentative Annual Report may not be levied for Fiscal Year 2026-2027. Street lighting would have to be selectively eliminated throughout the County to meet decreased funding levels.

BACKGROUND INFORMATION

On October 31, 1978, the Board of Supervisors instructed the Public Works Director to develop an alternate means to supplement ad valorem property taxes to fund street lighting in unincorporated areas of the County. This report recommends the levying of a street lighting charge as provided in the County Service Area Law, Government Code, Sections 25210.1 and following, and in accordance with Ordinance No. 79-42, adopted by the Board of Supervisors on March 27, 1979.

County Service Area (CSA) L-100 was formed on September 10, 1986, as a dependent special district of the County and as the consolidation of four street-lighting CSAs. The purpose for consolidating the four CSAs into one district was to provide more efficient and cost-effective street-lighting services throughout the County by having one new county service area with a single management structure and operational area throughout the County and in order to finance the cost of lighting services more equitably by utilizing a common service charge structure.

CSA L-100 provides street lighting operations and maintenance services throughout the County's unincorporated developed areas and pays for utility costs.

CURRENT ANNUAL ADMINISTRATION

Pursuant to County Ordinance Section 1012-2.6, former County Service Area Law (California Government Code Section 25210.77a), and current County Service Area Law (California Government Code Section 24210.3, subd. (d)), the Tentative Annual Report has been filed with the Clerk of the Board of Supervisors, public notice will be completed as required, and the Board will conduct a Public Hearing and will then make a determination on each estimated service charge in the final report. Contra Costa Board of Supervisors reviews the Tentative Annual Report on July 7, 2026 and will conduct a Public Hearing in connection with the proceedings for CSA L-100.

Upon adoption of the Final Annual Report by the Board of Supervisors, the charges contained herein will be collected on the property tax roll of Contra Costa County in the same manner, by the same persons, at the same time as, and together with the County's general taxes.

Legal Authority

As required by County Ordinance Section 1012-2.6, former County Service Area Law (California Government Code Section 25210.77a), and current County Service Area Law (California Government Code Section 24210.3, subd. (d)), the Tentative Annual Report includes the following minimum information as shown in the Service Charge Roll:

1. A description of each parcel of real property receiving the miscellaneous extended service;
2. The basic service charge;
3. The estimated amount of the service charge for each parcel for such year; and
4. A parcel list identifying each parcel receiving services that allows parcel owners to find their property on the list and determine the proposed charge.

This annual report also includes an estimate of the annual costs and the method of apportionment as additional information to allow the reader to better understand what services are being paid for, what is the total annual cost for the services provided, and how the cost of services is spread to each individual parcel.

Streetlight Capital Project Implementation

As of late 2015, Contra Costa County has completed the conversion of County-owned standard streetlights from high-pressure sodium vapor to light-emitting diode (LED) lights.

In Fiscal Year 2022-2023, CSA L-100 established a Streetlight Pole Replacement Program (the "Program") to address the aging infrastructure. The on-going program was created to identify, assess, and replace obsolete, damaged, and leaning streetlight poles. In 2022, CSA L-100 initiated the replacement of streetlight poles and pull boxes along Cummings Highway and Crocket Boulevard in Crocket. The project was completed in 2023 for an estimated cost of $26,000 including labor. In 2024, CSA L-100 replaced 10 shoebox-style street light poles with 10 Caltrans Type 15 poles in the area surrounding Danville Boulevard and Stone Valley Road in Danville at a total cost of $45,000, including labor. In Fiscal Year 2025-2026, the district replaced 550 decorative street light poles in the Alamo Creek area of Danville at a total cost of $500,00, including labor. In Fiscal Year 2026-27, the district plans the replacement of 15 street light poles along the Treat Boulevard median from Buskirk Avenue to just beyond Cherry Lane, up to the Walnut Creek city boundary at an estimated cost of $70,000.

CSA L-100 also manages an active Asset Management System that supports the accounting, inspection, and ongoing maintenance of streetlight assets. This system will be used in conjunction with the Program to analyze the long-term fiscal needs of CSA L-100, ensuring financial stability while maintaining appropriate service levels.

ESTIMATE OF ANNUAL COST

The Fiscal Year 2025-2026 projected and Fiscal Year 2026-2027 proposed revenues and expenditures are shown on the following page. A special fund has been set up for the collection of revenues and coding of expenditures for CSA L-100. The total cost to provide the street lighting services can be recovered from the collection of service charges. Incidental expenses including administration, engineering fees, legal fees, and all other costs associated with the street lighting services may also be included.

When CSA L-100 was formed, a financial analysis was performed to provide the framework for an operating budget for the proposed street lighting operations and maintenance services. Revenues collected from the charge shall be used only for the expenditures represented in this report. Any balance remaining on July 1 at the end of the fiscal year must be carried over to the next fiscal year.

METHOD OF APPORTIONMENT

Special vs. General Benefit

On November 5, 1996, California voters approved Proposition 218 entitled "Right to Vote On Taxes Act" which added Articles XIIIC and XIIID to the California Constitution. While its title refers only to taxes, Proposition 218 establishes new procedural requirements for fees, charges, and benefit assessments.

Although the District's annual service charges are generally collected on the property tax rolls, the District's service charges are not "taxes." Service charges are distinct from the regular one percent (1%) property tax and property tax debt override in that assessment rates are not levied on an ad valorem basis. The service charges contained in this report are considered assessments under Proposition 218.

Proposition 218 procedures stipulate that even if charges or benefit assessments are initially exempt from Proposition 218, future increases in the charges or benefit assessments must comply with the provisions of Proposition 218. However, if the future increase in the charge or benefit assessment were anticipated in the charge or benefit assessment formula when approved by property owners (e.g., consumer price index increases or a predetermined cap), then the future increase in the charge or benefit assessment would be in compliance with the intent and provisions of Proposition 218.

Proposition 218 provides that "only special benefits are assessable" and defines a special benefit as a particular and distinct benefit conferred on real property and not a general benefit received by the public at large. Parcels located within the boundaries of the CSA will be charged for the operation, maintenance, and capital replacement costs associated with street lighting improvements as described herein, if they receive a special and direct benefit from the improvements. Furthermore, the identification and separation of general benefits from the special benefits follows for CSA L-100.

In the absence of the annual service charge, the streetlight improvements within CSA L-100 would not be provided, therefore the enhanced public services provided within CSA L-100 confer a special benefit on the properties within the boundaries of CSA L-100 because only the parcels located within the boundaries of the CSA are served. Without the services, the property located in the unincorporated area would receive no street lighting and no special benefits. Therefore, the services in CSA L-100 are 100 percent special benefit to the parcels within the CSA.

Special benefits conferred on property within the CSA from the public street lighting improvements include:

- Providing for safe vehicular and pedestrian access to property,
- Providing improved livability, appearance, and desirability of property within the CSA, and
- Providing safety and security to property due to enhanced illumination of the property.

Properties outside of CSA L-100 do not enjoy the close proximity to the streetlight improvements provided by the CSA and therefore property outside the boundaries of the CSA do not receive the special benefits. Although these improvements may be available to the public at large, the public street lighting within the CSA was specifically designed, located, and created to provide additional and improved public resources for the direct advantage of property inside the CSA, and not the

public at large. The boundaries of the CSA have been narrowly drawn to include only those parcels that receive a direct advantage from the improvements.

In addition to the special and direct benefits the property owners receive within the CSA from the street lighting improvements, it has been determined that no general benefits are associated with street lighting within CSA L-100. Furthermore, any benefits conferred by the streetlights to the public at large are considered to be incidental, negligible, and non-quantifiable benefits. The streetlight improvements described herein within this report, confer special benefits that affect the assessed property in a way that is distinct from their effects on other parcels and which real property in general and the public at large do not share.

Methodology

The total operation and maintenance costs for the extended public services are apportioned in accordance with the methodology that is consistent with standard practices.

The proper functioning of street lighting is imperative for the welfare and safety of the property owners throughout the County. Proper operation, maintenance, and servicing of a street-lighting system benefits properties by providing increased illumination for ingress and egress, safety for traveling at night, improved security, protection of property and the reduction of traffic accidents.

The degree of benefit is determined by the use of each individual parcel, the intensity of illumination provided, the number of pedestrians generated, and the enhanced security during hours of darkness. The method for distributing the costs to each parcel is based on the Equivalent Dwelling Unit (EDU) factor. The single-family residential parcel is considered one unit of benefit (1.00 EDU). All other land uses have been analyzed to determine the benefit they receive from the intensity of illumination provided, the number of pedestrians generated by their property and the enhanced security to their property during hours of darkness.

The single-family residential parcel has been selected as the basic unit for the calculation of service charge since it represents approximately 72 percent of the parcels within the County. Therefore, the single-family residential parcel is defined as one Equivalent Dwelling Unit (EDU). The methodology used to assign EDUs to the land uses in proportion to the benefit they receive relative to the single-family residential parcel is based on the intensity of the street lighting illumination adjacent to the parcel, the amount of pedestrian traffic generated from the parcel, and the security received from the street lighting to the parcel.

Report Title: HEARING on Fiscal Year 2026-2027 Tentative Annual Report for County Service Area M-28; ADOPT resolution confirming the report and levying charges.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:

1. RECEIVE from staff the Fiscal Year 2026-2027 Tentative Annual Report on service charges in County Service Area (CSA) M-28, a copy of which is attached.

2. OPEN the public hearing on the Tentative Annual Report; RECEIVE and CONSIDER all written and oral objections or protests to the Tentative Annual Report; and CLOSE the public hearing.

3. CONSIDER whether to adopt, revise, change, reduce, increase, or modify any estimated service charges set forth in the Tentative Annual Report.

4. APPROVE the estimated service charges set forth in the Tentative Annual Report.

5. ADOPT a Resolution confirming the Tentative Annual Report and levying the charges set forth in the report.

6. DIRECT the Public Works Director or his/her designee to prepare a Fiscal Year 2026-2027 Final Annual Report for CSA M-28 that conforms to the County's official service charge roll for Fiscal Year 2026-2027. (County Service Area M-28 Funds) (District III) Project No. 7473-6X9E70.

FISCAL IMPACT:

The levy of the annual service charges in CSA M-28 will provide revenues for the continued operation and maintenance of a water supply system. The CSA M-28 annual service charge was $131,068.35 for Fiscal Year 2025-2026 and is projected to be $134,314.81 in Fiscal Year 2026-2027. This increase is based on the change in the Consumers Price Index (CPI) for the San Francisco Bay Area (All Urban Consumers). The annual service charges for CSA M-28 will be levied on one parcel in Fiscal Year 2026-2027.

BACKGROUND:

As directed by Article 1012-2.602 of the Contra Costa County Ordinance Code, the Public Works Director prepared a Fiscal Year 2026-2027 Tentative Annual Report on service charges in CSA M-28 and filed it with the Clerk of the Board of Supervisors. CSA M-28 provides continued operation and maintenance of a water supply system. The Tentative Annual Report contains a description of each parcel of real property receiving services, the basic service charge for CSA M-28, and the estimated amount of the service charge for each parcel for the fiscal year.

Upon the filing of the Tentative Annual Report, the Clerk of the Board of Supervisors fixed a time, date, and place for a Board hearing on the Tentative Annual Report and for filing objections or protests thereto and published a notice of the hearing as provided in Government Code section 6066.

Following the public hearing, the Board may adopt, revise, change, reduce, increase, or modify any estimated service charge, and shall make its determination upon each estimated service charge as described in the Tentative Annual Report. The service charges in the Tentative Annual Report were computed and apportioned according to a formula that fairly distributes the service charge among all subject parcels in proportion to the estimated benefits conferred on each property from the services provided. Staff recommend approval of the rates and service charges in the Tentative Annual Report without modification.

The service charges in the Tentative Annual Report are higher than the charges levied in Fiscal Year 2025-2026 because they incorporate an automatic adjustment approved by the parcel owners in CSA M-28 in 2007. The annual adjustment provision allows for an increase each year based upon the change in the Consumers Price Index (CPI) for the San Francisco Bay Area (All Urban Consumers). For Fiscal Year 2026-2027 the increase is 2.48% over the Fiscal Year 2025-2026 service charge rates. The Board approved this provision on August 7, 2007.

Adoption of Resolution confirms the Tentative Annual Report and assesses the charges set forth therein but does not levy the charges. The levy of the service charges occurs after the preparation of a Final Annual Report that conforms to the official assessor's roll for Fiscal Year 2026-2027. The official assessor roll will be issued by the County Assessor on or about July 1, 2026.

CONSEQUENCE OF NEGATIVE ACTION:
If the Fiscal Year 2026-2027 Tentative Annual Report for CSA M-28 is not confirmed, either as filed or as modified, the service charges set forth in the Tentative Annual Report may not be levied for Fiscal Year 2026-2027. Therefore, the District would be unable to provide continued operation and maintenance of a water supply system, or an alternate source of funding would have to be identified.

BACKGROUND INFORMATION

The Willow Mobile Home Park is located on Bethel Island and consists of one (1) 23-acre parcel that includes 172 mobile homes. In order for safe water services to be provided, it was recommended that a County Service Area (CSA) be formed.

On December 10, 1991, the Contra Costa Board of Supervisors approved County Resolution 91/807 which formed CSA M-28 (Willow Mobile Home Park). CSA M-28 was formed pursuant to the County Service Area Law to ensure the proper flow of funds for the ongoing operation, maintenance, and servicing of community water system services within the Bethel Island Area.

CSA M-28 has been given the power to acquire, construct, operate, replace, maintain, and repair a water supply and distribution system as authorized by California Government Code Section 25210.4(d) and 25120.4a(1). The funding for CSA M-28 comes from service charges which are obtained from the users of the water system, in accordance with former Government Code Section 25210.77a, Government Code Section 25210.9 and County Ordinance Section 1012-2.6.

CSA M-28 owns and operates a well system. Water is pumped from the well and is treated through a chlorination pump system. The treated water is stored in a 20,000 gallon tank. From the tank, the water is supplied via a single point to the Willow Mobile Home Park.

In October 2014, a town hall meeting was held at the Willow Mobile Home Park to discuss the future of CSA M-28. The main issue discussed was that the existing aging RO system was becoming more expensive to maintain and in need of significant capital improvements. The cost of maintaining this system exceeded the annual funding available. Without a major investment, it was anticipated that the RO system could eventually fail. Alternatives were introduced (status quo, increase service charge to pay for the necessary improvements, connect to Diablo Water District, and request State waiver for secondary standards). It appeared that the majority of the residents at the meeting preferred CSA M-28 to move toward reduction in service by requesting a waiver for secondary standards from the State. This alternative included removing the RO system and providing the minimum allowable water treatment.

By removing the RO treatment, the water would only meet the primary standards and would meet most, but not all, of the secondary standards. CSA M-28 would seek a waiver from the State for the secondary standards. Of all the alternatives presented at the town hall meeting, reducing water treatment allows the rate to be the lowest. It will also allow each individual mobile home to decide what type of treatment they prefer. Whereas, maintaining a more expensive community treatment system, such as the RO, forces everyone to pay for the same level of treatment.

Subsequent to the town hall meeting, on December 16, 2014, the Board of Supervisors authorized a vote by the parcel owner. CSA M-28 requested the mobile home park owner, the single rate payer of CSA M-28, to vote if they would be willing to pay a higher rate to fix the existing RO system or reject the rate increase and move toward reduced services. The mobile home park owner informed the County that they took a survey of the mobile home park residents, and the survey indicated the mobile home park residents wanted them to vote against the rate increase. In early 2015, the mobile home park owner submitted the ballot and voted against a rate increase. On March

3, 2015, the ballot was opened and the Board determined that there was a majority protest against a rate increase and directed staff to seek a waiver from the State.

Based on the vote to reject the rate increase, CSA M-28 began the process to move toward reducing the water treatment service. As required by the regulations to obtain the waiver for secondary standards, CSA M-28 contracted with a consultant to provide the necessary report.

In late 2015, when staff visited the CSA M-28's facility to perform a site review and obtain test samples, it was discovered that the RO system was not operating. The previous operator had turned off the RO system without informing CSA M-28 staff. The site review revealed that the water from the well was bypassing the RO system. However, the previous operator installed a chlorination system. Although the water had not gone through the RO system, the water did receive treatment. This revised system was similar to CSA M-28's proposal to the State to replace the RO system.

Despite the fact that the revised system was similar to what the CSA M-28 staff planned to present to the State, the unilateral decision to make the changes and lack of communication by the previous operator were not acceptable to CSA M-28. CSA M-28 staff directed test samples to be taken by the consultant to make sure the water complied with the primary standards. It was anticipated that the water would comply with primary standards because historically the raw water from the well had been compliant. For this reason, a reduced level of service was considered a viable option during the County's meetings with residents in 2014. The consultant subsequently reported that the water under the revised system complied with the primary standards. CSA M-28 staff also replaced the operator. Lastly, CSA M-28 staff communicated with County Environmental Health, the regulatory agency, about the discovery and the actions taken.

Changes at CSA M-28 have resulted in a new system operator and movement toward the same goals as discussed at the town hall meeting:

1) Obtain waiver from regulatory agency,
2) Reduce the level of community water treatment, and
3) Allow each resident to establish the appropriate system at their own mobile home.

In Fiscal Year 2015-2016, CSA M-28 made improvements to the aging system and infrastructure. Some of the improvements completed included the upgrade of the auto-dialer alarm system, installation of a flow-based chlorine injection pump system, and installation of new wiring to the well pump. In Fiscal Year 2016-2017, CSA M-28 also replaced the existing well pump and upgraded its emergency response options by entering into an agreement with a nearby water district and contract with a water delivery/hauling company, to supply water to the Willow Mobile Home Park during emergency events.

In Fiscal Year 2016-2017 a draft study was completed per state requirement in order to obtain a waiver. Some of the tasks completed in this study included; conducting additional water samples and analyzing additional alternatives. Future tasks were to include compiling additional survey data, meeting with the State, and constructing some capital improvements.

In Fiscal Year 2017-2018 task orders were issued to the consultant for the preparation of a design memorandum, which documents the design philosophy for the proposed modifications, and design plans and specifications. The design memorandum was completed in January of 2020.

CSA M-28 implemented several improvements to the facility in Fiscal Years 2018-2019 and 2019-2020 to make operations and maintenance more resilient and sustainable. These improvements included:

- Installation of a double-contained and seismically-restrained sodium hypochlorite tank with a 50-gallon reservoir capacity to assure sustained operation;
- Purchase of a second sodium hypochlorite dispensing pump as a backup;
- Purchase of a spare parts kit for the primary sodium hypochlorite dispensing pump to assure continuous operations and quick repairs;
- Improvements to electrical service to improve operational resilience; and
- Installation of a water flow meter to accurately measure the amount of groundwater pumped.

In late 2019, the COVID-19 pandemic began, but did not have any impact on the operations of CSA M-28.

In Fiscal Year 2020-2021, CSA M-28 installed an emergency generator connection to the aging water treatment system so that a generator can be used to provide electrical power in case of a power outage or emergency. Facility improvements were ongoing and continued in 2021.

In Fiscal Year 2021-2022, CSA M-28 installed new metal doors and a sign identifying the ownership and operation of the facility. By the end of the fiscal year, CSA M-28 installed a new Verbatim auto dialer that improved messaging features and functionality giving the facility a better messaging system to match the needs of the water system and facility.

In Fiscal Year 2022-2023 CSA M-28 replaced a well pump electrical box, disposed of a sulfuric acid tank, and replaced a main system shutoff valve and spool.

In Fiscal Year 2023-2024, CSA M-28 disposed of the sodium hydroxide chemical remnants from the reverse osmosis system disposal and demolished the inoperable reverse osmosis system.

In Fiscal Year 2023-2024, CSA M-28 disposed of the sodium hydroxide chemical remnants from the reverse osmosis system disposal and demolished the inoperable reverse osmosis system.

In Fiscal Year 2024-2025, CSA M-28 completed the demolition and removal of decommissioned air stripper and purchased a camlock for water hauling connection of a water truck to the water tank unit in case of emergencies.

In Fiscal Year 2025-2026, CSA M-28 replaced the safety fence around the perimeter of the facility and the galvanized well blowout pipe, adding a 45-degree elbow and a filtering mesh catch. CSA M-28 also purchased a well control lock box, backup booster pump, chlorine pump, and air compressor.

In 2025, the State Water Resources Control Board, Division of Drinking Water, required all California water systems to prepare and implement a Cross-Connection Control Plan (CCCP) for their facilities. Fluid Resources Management, Inc. provided CSA M-28 with a certified cross-connection control technician who conducted inspections of the water system and prepared the CCCP. The CCCP was submitted to the State by the end of 2025. As part of the CCCP, the hazard assessment process identified the need for CSA M-28 to install a backflow prevention device and hose bib vacuum breakers on all unprotected hose bibs.

In Fiscal Year 2026-2027, CSA M-28 plans to install a backflow prevention device on the supply line of the pneumatic tank as well as the hose bibb vacuum breakers on all unprotected hose bibs throughout the system and per the recommendation of the certified cross-connection control technician from Fluid Resources Management, Inc.

On September 8, 2021, the Contra Costa Local Agency Formation Commission (LAFCO) voted to approve the annexation of the mobile home park to the Contra Costa Water District (CCWD) and the Diablo Water District (DWD). The annexation brought the mobile home park into the service boundaries of both CCWD and DWD and will allow for the eventual extension of municipal water service to the 172 mobile homes. CCWD could provide the wholesale water and DWD could provide treated water to the mobile home park with the extension of the waterline.

DWD is currently evaluating the State Water Resources Control Board grant funding for the design and construction of the water line extension. The mobile home park owner supports the extension of the municipal water service to the mobile home park. On February 18, 2021, the Contra Costa Board of Supervisors submitted a letter supporting the annexation to CCWD and DWD. On August 14, 2024, the County submitted a letter to the State Water Resources Control Board expressing an interest in considering the consolidation in support of DWD's technical assistance request.

Pending connection to the mobile home park by DWD, CSA M-28 will continue to operate the existing water system, provide water service to the mobile home park, and seek a waiver from the State. Future projects at CSA M-28 will include facility upgrades necessary to maintain system operability. These upgrades may include improvements to the treatment system, installation of seismic restraints and piping supports, reservoir stabilization, distribution pump enhancements, blending/bypass systems (as applicable), exterior tank and piping coatings, sealing of abandoned wells, and other miscellaneous plant improvements.

While the consolidation with DWD is currently in progress, the State Water Resources Control Board, Division of Drinking Water, is conducting an internal review to establish the timeline and outline the next steps in the process.

CURRENT ANNUAL ADMINISTRATION

Pursuant to County Ordinance Section 1012-2.6, former County Service Area Law (California Government Code Section 25210.77a), and current County Service Area Law (California Government Code Section 24210.3, subd. (d)), the Tentative Annual Report has been filed with the Clerk of the Board of Supervisors, public notice will be completed as required, and the Board will conduct a Public Hearing and will then make a determination on each estimated service charge in the final report. Contra Costa Board of Supervisors reviews the Tentative Annual Report on July 7, 2026 and will conduct a Public Hearing in connection with the proceedings for CSA M-28.

Upon adoption of the Final Annual Report by the Board of Supervisors, the charges contained herein will be collected on the property tax roll of Contra Costa County in the same manner, by the same persons, at the same time as, and together with the County's property taxes.

Legal Authority

As required by County Ordinance Section 1012-2.6, former County Service Area Law (California Government Code Section 25210.77a), and current County Service Area Law (California Government Code Section 24210.3, subd. (d)), the Tentative Annual Report includes the following minimum information as shown in the Service Charge Roll:

1. A description of each parcel of real property receiving the miscellaneous extended service;
2. The basic service charge;
3. The estimated amount of the service charge for each parcel for such year; and
4. A parcel list identifying each parcel receiving services that allows parcel owners to find their property on the list and determine the proposed charge.

This annual report also includes an estimate of annual costs and the method of apportionment as additional information to allow the reader to better understand what services are being paid for, what is the total annual cost for the services provided, and how the cost of services is spread to each individual parcel.

ESTIMATE OF ANNUAL COST

The Fiscal Year 2025-2026 projected and Fiscal Year 2026-2027 proposed revenues and expenditures for CSA M-28 are shown on the following page. A special fund has been set up for the collection of revenues and coding of expenditures for CSA M-28. The total cost of construction, operation, maintenance, and servicing of the water system can be recovered from the collection of charges. Incidental expenses including administration, engineering fees, legal fees, and all other costs associated with the construction, operation and maintenance, and servicing of the water system may also be included.

When CSA M-28 was formed, a financial analysis was performed to provide the framework for an operating budget for the proposed operation, maintenance, and servicing of extended community water system services. Revenues collected from the charge shall be used only for the expenditures represented in this report. Any balance remaining on July 1 at the end of the fiscal year must be carried over to the next fiscal year.

In Fiscal Year 2026-2027, CSA M-28 plans to continue the efforts to obtain the waiver from the State. Obtaining the waiver from the State is a significant effort that may include taking additional water samples, analyzing additional alternatives, compiling additional survey data, meeting with the State, etc. All the information gathered will be documented in an Engineer's Report and presented to the State.

METHOD OF APPORTIONMENT

Special vs. General Benefit

On November 5, 1996, California voters approved Proposition 218 entitled "Right to Vote On Taxes Act" which added Articles XIIIC and XIIID to the California Constitution. While its title refers only to taxes, Proposition 218 establishes new procedural requirements for fees, charges, and benefit assessments.

Proposition 218 procedures stipulate that even if charges or benefit assessments are initially exempt from Proposition 218, future increases in the charges or benefit assessments must comply with the provisions of Proposition 218. However, if the future increase in the charge or benefit assessment were anticipated in the charge or benefit assessment formula when approved by property owners (e.g., consumer price index increases or a predetermined cap) then the future increase in the charge or benefit assessment would be in compliance with the intent and provisions of Proposition 218.

Proposition 218 provides that “only special benefits are assessable” and defines a special benefit as a particular and distinct benefit conferred on real property and not a general benefit received by the public at large. Parcels located within the boundaries of the CSA will be charged for the operation, maintenance, and capital replacement associated with the water system serving the Bethel Island community, as described herein within the report, if they receive a special and direct benefit from the services. Furthermore, the identification and separation of general benefits from the special benefits follows for CSA M-28.

Special benefits are conferred on property within the CSA from the water system by enhancing the desirability of property within the CSA due to lower costs associated with the treatment of drinking water, removing contaminates from the water being provided to the property, increases in health and wellness, and an improved quality of life.

Properties outside of CSA M-28 are not served by the water system being operated and maintained from service charge revenues, therefore property outside the boundary of the CSA do not receive special benefit. The services within the CSA were specifically designed and created to provide additional and improved public resources for the direct advantage of property inside the CSA, and not the public at large.

In addition to the special and direct benefits the property owners receive within the CSA from the water system, it has been determined that no general benefits are associated with the water system provided within CSA M-28 because the conferred special benefits that are provided to the charged property are not provided to property outside of the CSA or the public at large.

The annual service charges pay for the operation of the water system provided within CSA M-28. The enhanced water system provided to property within CSA M-28 confers a special benefit and only serves those parcels within the boundary of the CSA. Without the services, the property located in the unincorporated area would not have a localized water system to treat their water. Therefore, the services in CSA M-28 are 100% special benefit to the parcels within the CSA.

Methodology

The total operation and maintenance costs for the extended public services are apportioned in accordance with the methodology that is consistent with standard practices.

The maximum charge rate was previously set at $75,300 per parcel (1991 dollars). Since 1991 the Consumer Price Index (CPI) for the San Francisco Bay Area All Urban Consumers and the costs to operate and maintain the improvements increased, however the charge rate remained constant until Fiscal Year 2007-2008. In Fiscal Year 2007-2008 the charge rate was increased to $79,818 per parcel with an allowance for an increase each subsequent year based upon the San Francisco Bay Area – All Urban Consumers commencing with April 2007 (215.842). In Fiscal Year 2008-09 the annual CPI was changed to February for administrative purposes and the annual change in the February CPI has been and shall be used in each subsequent year.

Due to an aging system, the cost of operating and maintaining water facilities continues to increase. It was proposed in Fiscal Year 2010-2011 that the charge rate be increased to $95,500 per parcel (8.5% increase). However, this increase was not supported by the property owner, and therefore the 8.5% increase was not imposed.

A rate increase was proposed again in Fiscal Year 2014-2015, so that the charge rate be increased from $91,937 to $335,939 per parcel. However, this increase was not supported by the property owner, and therefore the increase was not imposed.

Rate

The February 2026 CPI Index is 363.211, therefore the maximum rate for Fiscal Year 20026-2027 can be increased 2.48% to $134,314.81 per parcel. CSA M-28 proposes to levy charges at the maximum rate for Fiscal Year 2026-2027.

In Fiscal Year 2026-2027, it is recommended based upon projected expenditures that the maximum rate of $134,314.81 per parcel be collected. The estimated $134,314.81 in revenue will be needed to provide the services referenced above in Fiscal Year 2026-2027. There is one parcel that is included in the CSA. If the charge of $134,314.81 is divided by one (1) parcel, the service charge per parcel is $134,314.81.

Report Title: HEARING on Fiscal Year 2026-2027 Tentative Annual Report for County Service Area M-30; ADOPT resolution confirming the report and levying charges.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:

1. RECEIVE from staff the Fiscal Year 2026-2027 Tentative Annual Report on service charges in County Service Area (CSA) M-30, a copy of which is attached.

2. OPEN the public hearing on the Tentative Annual Report; RECEIVE and CONSIDER all written and oral objections or protests to the Tentative Annual Report; and CLOSE the public hearing.

3. CONSIDER whether to adopt, revise, change, reduce, increase, or modify any estimated service charges set forth in the Tentative Annual Report.

4. APPROVE the estimated service charges set forth in the Tentative Annual Report.

5. ADOPT a Resolution confirming the Tentative Annual Report and levying the charges set forth in the report.

6. DIRECT the Public Works Director or his/her designee to prepare a Fiscal Year 2026-2027 Final Annual Report for CSA M-30 that conforms to the County's official service charge roll for Fiscal Year 2026-2027. (County Service Area M-30 Funds) (District II) Project No. 7499-6X5491.

FISCAL IMPACT:

The levy of the annual service charges in CSA M-30 will provide revenues for police services, park and roadside landscape maintenance, public street maintenance and street lighting services. The CSA M-30 total annual service charge was $74,051.74 for Fiscal Year 2025-2026 and is projected to be $77,403.90 in Fiscal Year 2026-2027. This increase is based on the approved annual escalator outlined in the CSA M-30 formation documents. The annual escalator is equal to the annual change in the Consumer Price Index (CPI) for the San Francisco Bay Area (All Urban Consumers) plus two (2) percent. There are 41 developed parcels in the CSA. The service charge per parcel for CSA M-30 was $1,806.15 for Fiscal Year 2025-2026 and will be $1,887.91 for Fiscal Year 2026-2027.

BACKGROUND:

As directed by Article 1012-2.602 of the Contra Costa County Ordinance Code, the Public Works Director prepared a Fiscal Year 2026-2027 Tentative Annual Report on service charges in CSA M-30 and filed it with the Clerk of the Board of Supervisors. CSA M-30 provides police services, park and roadside landscape

maintenance, public street maintenance, and street lighting services. The Tentative Annual Report contains a description of each parcel of real property receiving services, the basic service charge for CSA M-30, and the estimated amount of the service charge for each parcel for the fiscal year.

Upon the filing of the Tentative Annual Report, the Clerk of the Board of Supervisors fixed a time, date, and place for a Board hearing on the Tentative Annual Report and for filing objections or protests thereto and published a notice of the hearing as provided in Government Code section 6066.

Following the public hearing, the Board may adopt, revise, change, reduce, increase, or modify any estimated service charge, and shall make its determination upon each estimated service charge as described in the Tentative Annual Report. The service charges in the Tentative Annual Report were computed and apportioned according to a formula that fairly distributes the service charge among all subject parcels in proportion to the estimated benefits conferred on each property from the services provided. Staff recommend approval of the rates and service charges in the Tentative Annual Report without modification.

The service charges in the Tentative Annual Report are higher than the charges levied in Fiscal Year 2025-2026 because they incorporate an automatic adjustment approved by the parcel owners in CSA M-30 in 1997. The adjustment provision allows for an increase each year based upon the Consumer Price Index for the San Francisco-Oakland-San Jose Area (All Urban Consumers) plus two percent (2%). For Fiscal Year 2026-2027 the increase is 2.48%, plus 2% over the Fiscal Year 2026-2027 service charge rates. The Board approved this provision on May 5, 1998.

Adoption of a Resolution confirms the Tentative Annual Report and assesses the charges set forth therein but does not levy the charges. The levy of the service charges occurs after the preparation of a Final Annual Report that conforms to the official assessor's roll for Fiscal Year 2026-2027. The official assessor's roll will be issued by the County Assessor on or about July 1, 2026.

CONSEQUENCE OF NEGATIVE ACTION:
If the Fiscal Year 2026-2027 Tentative Annual Report for CSA M-30 is not confirmed, either as filed or as modified, the service charges set forth in the Tentative Annual Report may not be levied for Fiscal Year 2026-2027. Therefore, the District would be unable to provide police services, park and roadside landscape maintenance, public street maintenance, and street lighting services or an alternate source of funding would have to be identified.

BACKGROUND INFORMATION

In August 1989, the Town of Danville ("Town") and the County of Contra Costa ("County") entered into a Memorandum of Agreement to undertake a joint-jurisdiction General Plan and project review for the Alamo Springs Project ("Project"), which is located north of Interstate 680 off Alamo Springs Drive. The project originally provided for the development of 53 single-family homes, of which 11 were to be located within the Town of Danville and 42 were to remain in the unincorporated portion of Contra Costa County.

After certification of an Environmental Impact Report (EIR) for the Project, the Board of Supervisors on December 8, and 15, 1992, approved the Project. The unincorporated area of the Project was simultaneously rezoned to a planned unit development. On January 23, 1996, the Town and County entered into a new Memorandum of Agreement, superseding the August 1989 Memorandum of Agreement, to establish procedures for joint review and approval of the project.

During the planning process, it was decided that the Town would provide extended services in the form of police, public street maintenance, park and roadside landscape maintenance to the homes in the unincorporated area. Public Street lighting would be provided by Contra Costa County. It was decided that a benefit assessment or service charge collected on the property tax bills via a County Service Area (CSA) was the best funding mechanism to pay for the increased services.

On September 3, 1997, Danville Town Council adopted Resolution No. 124-97, requesting Contra Costa County Local Agency Formation Commission ("LAFCO") approve formation of County Service Area (CSA) M-30. On November 17, 1997, LAFCO approved formation of CSA M-30.

On May 5, 1998, the Board of Supervisors conducted a public hearing and subsequently approved Resolution 1998/235, which authorized the annual levy of service charges on the parcels located within CSA M-30 to fund extended public services.

The services provided by CSA M-30 are:

1. **Police Services.** All police services provided to residents by Town police, including without limitation, community services, crime prevention, investigation, patrol, and traffic enforcement.
2. **Park and Roadside Landscape Services.** All park and roadside landscape services provided to residents including without limitation, maintenance of parks and other public facilities, such as the Danville Library and Community Center, and maintenance of all roadside and median landscaping.
3. **Public Street Maintenance.** All public street maintenance, including without limitation, repair and replacement of asphalt on public streets, crack sealing, and other maintenance measures to protect and prolong the life of the public streets, repair and replacement of street signs, stop signs, etc.
4. **Street Lighting.** The operation, maintenance and servicing of public streetlights and appurtenant facilities as required to provide safe lighting along public streets. Maintenance is provided by Contra Costa County.

There was no impact to the operations of CSA M-30 due to COVID-19.

CURRENT ANNUAL ADMINISTRATION

Pursuant to County Ordinance Section 1012-2.6, former County Service Area Law (California Government Code Section 25210.77a), and current County Service Area Law (California Government Code Section 24210.3, subd. (d)), the Tentative Annual Report has been filed with the Clerk of the Board of Supervisors, public notice will be completed as required, and the Board will conduct a Public Hearing and will then make a determination on each estimated service charge in the final report. Contra Costa Board of Supervisors reviews the Tentative Annual Report on July 7, 2026 and will conduct a Public Hearing in connection with the proceedings for CSA M-30.

Upon adoption of the Final Annual Report by the Board of Supervisors, the charges contained herein will be collected on the property tax roll of Contra Costa County in the same manner, by the same persons, at the same time as, and together with the County's property taxes.

Legal Authority

As required by County Ordinance Section 1012-2.6, former County Service Area Law (California Government Code Section 25210.77a), and current County Service Area Law (California Government Code Section 24210.3, subd. (d)), the Tentative Annual Report includes the following minimum information as shown in the Service Charge Roll:

1. A description of each parcel of real property receiving the miscellaneous extended service;
2. The basic service charge;
3. The estimated amount of the service charge for each parcel for such year; and
4. A parcel list identifying each parcel receiving services that allows parcel owners to find their property on the list and determine the proposed charge.

This annual report also includes an estimate of annual costs and the method of apportionment as additional information to allow the reader to better understand what services are being paid for, what is the total annual cost for the services provided, and how the cost of services is spread to each individual parcel.

ESTIMATE OF ANNUAL COST

The Fiscal Year 2025-2026 projected and Fiscal Year 2026-2027 proposed revenues and expenditures are shown below. A special fund has been set up for the collection of revenues and coding of expenditures for CSA M-30. Incidental expenses including administration, engineering fees, legal fees, and all other costs associated with the extended services may also be included.

When CSA M-30 was formed, a financial analysis was performed to provide the framework for an operating budget for the proposed services. This analysis was based on the estimated expenses for each service component (police, parks, roadside landscape, street maintenance, and street lighting). Revenues collected from the benefit assessment or service charge shall be used only for the expenditures represented in this report. Any balance remaining on July 1 at the end of the fiscal year must be carried over to the next fiscal year.

METHOD OF APPORTIONMENT

Special vs. General Benefit

On November 5, 1996, California voters approved Proposition 218 entitled "Right to Vote On Taxes Act" which added Articles XIIIC and XIIID to the California Constitution. While its title refers only to taxes, Proposition 218 establishes new procedural requirements for fees, charges, and benefit assessments.

Proposition 218 procedures stipulate that even if charges or benefit assessments are initially exempt from Proposition 218, future increases in the charges or benefit assessments must comply with the provisions of Proposition 218. However, if future increases in the charge or benefit assessment were anticipated in the charge or benefit assessment formula when approved by property owners (e.g., consumer price index increases or a predetermined cap) then the future increase in the charge or benefit assessment would be in compliance with the intent and provisions of Proposition 218.

Proposition 218 provides that “only special benefits are assessable” and defines a special benefit as a particular and distinct benefit conferred on real property and not a general benefit received by the public at large. The extended public services provided within CSA M-30 are deemed a special benefit and only serve the parcels located within the boundaries of the District. Without the services, the homes located in the unincorporated area would receive standard County police services, limited park and roadside landscape services, limited public street maintenance, and no County public street lighting. Standard County police services are characterized by 1.1 officers per 1,000 residents, and traffic enforcement would be provided by the California Highway Patrol on an as requested basis. Therefore, the services in CSA M-30 are 100% special benefit to the parcels within the CSA.

Methodology

The total operation and maintenance costs for the extended public services are apportioned in accordance with the methodology that is consistent with standard practices.

Since the service charge is levied on the owners of properties as shown on the tax rolls, the final charges must be assigned by Assessor's Parcel Number. The parcels of the Project that make up CSA M-30 are all designated for residential use. The project’s Covenants, Conditions and Restrictions (CC&R’s) require that most parcels be developed with a main residential unit of at least 3,500 square feet. While the parcel sizes vary, they all have substantially the same size building pads. It is anticipated that homes built on these lots will be similar in size and that the size of families who live in these homes will be similar. For these reasons, the need for, and the use of each of the services (miscellaneous police, park and roadside landscaping maintenance, public street maintenance and County public street lighting) will be substantially the same for each parcel. Therefore, the same service charge will be levied on each developed parcel within CSA M-30. In order for a parcel to be classified as developed, a building permit must be issued prior to April 30.

The methodology for calculating the service charge per parcel for each of the services is similar. In Fiscal Year 1997-98 the service charge per parcel was set at $467.13 per parcel. To determine the cost per parcel, the total budget for providing service to the current service area was divided by the total number of parcels or units within the current service area. Please refer to Contra Costa County Resolution 1998-235 for a detailed report that includes the initial calculation of this service charge.

The maximum service charge may be adjusted annually to reflect the prior year's change in the Consumer Price Index (CPI) for All Urban Consumers for San Francisco-Oakland-San Jose plus two percent (2%). The base CPI index used in annual calculations began with April 1997 (159.6). However, starting in Fiscal Year 2010-2011, the annual CPI was changed to February for administrative purposes and the annual change in the February CPI shall be used in each subsequent year. Any change in the rate per developed parcel, which is the result of the change in the CPI shall not be deemed an increase in the service charge subject to the requirements of Proposition 218.

Rate

For Fiscal Year 2025-2026 the allowed maximum rate was $1,806.15 per developed parcel. The Fiscal Year 2026-2027 rate has been calculated as follows:

$1,806.15 per developed parcel in Fiscal Year 2025-2026
+2.48% CPI increase for Fiscal Year 2026-2027 = $1,850.89
+2.00% increase for Fiscal Year 2026-2027 = $1,887.91.

In Fiscal Year 2026-2027, it has been determined that, based upon projected expenditures, the maximum rate of $1,887.91 is to be collected. It is estimated $77,403.90 in revenue will be needed to provide the services referenced above in Fiscal Year 2026-2027. There are 41 parcels that have had a building permit issued. If you divide $77,403.90 by 41 homes, the service charge per parcel is $1,887.91. The charge per parcel may vary slightly due to rounding adjustments.

FISCAL IMPACT:

The levy of the annual service charges in CSA M-31 will provide revenues for transportation demand management services. The CSA M-31 total annual service charge was $402,516.00 for Fiscal Year 2025-2026 and is projected to be $412,516.84 in Fiscal Year 2026-2027. This increase is based on the change in the Consumer Price Index (CPI) for the San Francisco Bay Area (All Urban Consumers). The service charges for CSA M-31 were $89.19/developed residential unit and $0.1569 per developed commercial square foot in Fiscal Year 2025-2026. The service charges for CSA M-31 are $91.40/developed residential unit and $0.1608 per developed commercial square foot in Fiscal Year 2026-2027.

BACKGROUND:

As directed by Article 1012-2.602 of the Contra Costa County Ordinance Code, the Public Works Director prepared a Fiscal Year 2026-2027 Tentative Annual Report on service charges in CSA M-31 and filed it with the Clerk of the Board of Supervisors. CSA M-31 provides transportation demand management services. The Tentative Annual Report contains a description of each parcel of real property receiving services, the basic

service charge for CSA M-31 and the estimated amount of the service charge for each parcel for the fiscal year.

Upon the filing of the Tentative Annual Report, the Clerk of the Board of Supervisors fixed a time, date, and place for a Board hearing on the Tentative Annual Report and for filing objections or protests thereto and published a notice of the hearing as provided in Government Code section 6066.

Following the public hearing, the Board may adopt, revise, change, reduce, increase, or modify any estimated service charges, and shall make its determination upon each estimated service charge as described in the Tentative Annual Report. The service charges in the Tentative Annual Report were computed and apportioned according to a formula that fairly distributes the service charge among all subject parcels in proportion to the estimated benefits conferred on each property from the services provided. Staff recommend approval of the rates and service charges in the Tentative Annual Report without modification.

The service charges in the Tentative Annual Report are higher than the charges levied in Fiscal Year 2025-2026 because they incorporate an automatic adjustment approved by the parcel owners within CSA M-31 in 2002. The adjustment provision allows for an increase each year based upon the change in the Consumer Price Index (CPI) for the San Francisco Bay Area (All Urban Consumers). For Fiscal Year 2026-2027 the increase is 2.48% over the Fiscal Year 2025-2026 service charge rates. The Board approved this provision in 2002.

Adoption of a Resolution confirms the Tentative Annual Report and assesses the charges set forth therein but does not levy the charges. The levy of the service charges occurs after the preparation of a Final Annual Report that conforms to the official assessor's roll for Fiscal Year 2026-2027. The official assessor's roll will be issued by the County Assessor on or about July 1, 2026.

CONSEQUENCE OF NEGATIVE ACTION:
If the Fiscal Year 2026-2027 Tentative Annual Report for CSA M-31 is not confirmed, either as filed or as modified, the service charges set forth in the Tentative Annual Report may not be levied for Fiscal Year 2026-2027. Therefore, the District would be unable to provide transportation demand management services, or an alternative source of funding would have to be identified.

BACKGROUND INFORMATION

In 2002 it was recognized that the area commonly known as Contra Costa Centre Transit Village, in the unincorporated portion of Contra Costa County, would be redeveloped, creating a need for new transit services. Contra Costa Centre Transit Village is located east of Interstate 680.

The Contra Costa Centre Transit Village benefits residents and employees with a variety of travel mode options. A core element of the travel mode options for residents and employees, and a key traffic mitigation measure in the California Environmental Quality Act (CEQA) documents certified at the time of adoption and amendment of the Contra Costa Centre Transit Village Specific Plan, was the establishment of Transportation Demand Management (TDM) programs. TDM programs include carpooling, vanpooling, ridesharing, flex time, staggered work hours, guaranteed ride home, telecommuting, etc. The property owners within Contra Costa Centre Transit Village collectively had a mandate to achieve at least 30% TDM performance (i.e., 30% or more of the area employees arrive at work via something other than a single-occupied car).

The Contra Costa Centre Transit Village Association is the collective mechanism by which the developer/property owner's obligation for TDM programs is achieved. The Contra Costa Centre Transit Village Association is a private non-profit corporation whose membership consists of the property owners in the area. It has been in existence since the mid-1980s.

On April 23, 2002, the Board of Supervisors approved Resolution Nos. 2002/256 and 2002/257 which recommended to the Local Agency Formation Commission of Contra Costa County (LAFCO) the formation of County Service Area (CSA) M-31, Contra Costa Centre Transit Village.

The properties within CSA M-31 receive a special and distinct benefit over and above the general benefits received by the public at-large in the form of extended TDM services. These extended transportation services consist of the implementation of TDM programs as discussed in this report and in the Plan for Providing Services for CSA M-31, which is on file with LAFCO. Resolution 2002/256 further stated that CSA M-31 services should be supported by a benefit assessment, service charge, or special tax levy on parcels that receive this special and distinct benefit from the CSA M-31 services.

On June 11, 2002, the Board of Supervisors conducted a public hearing and subsequently approved Resolution 2002/362 which authorized the annual levy of benefit assessments or service charges on the parcels located within CSA M-31 to fund TDM programs.

On July 10, 2002, LAFCO conducted a public hearing and subsequently approved Resolution 02-19 which formed CSA M-31.

Each year since Fiscal Year 2002-2003, benefit assessments or service charges have been levied within CSA M-31.

On June 3, 2008, by Resolution No. 2008/366, the Board of Supervisors approved the annexation of Subdivision 05-8950 (Pleasant Hill BART Redevelopment Property) into CSA M-31. This annexation was subsequently approved by LAFCO Resolution 08-19 on August 13, 2008.

In Fiscal Year 2023-2024, CSA M-31 replaced the TDM program's Nissan Leaf fully electric vehicle with a new electric vehicle and add two new e-bikes to their fleet to replace aging bikes. In addition, CSA M-31 initiated arrangements to discontinue the 10-year-old antiquated Inverse Vehicle Reservation System and replace it with a Smart Mobility Company that will provide IOS/Android application based booking and keyless entry system to manage vehicles and e-bikes.

The following is a list of programs and services that are proposed to be funded in Fiscal Year 2026-2027 by CSA M-31:

1) Transit Subsidy Program: Load on Clipper card $100 value BART fare for $5. Must pledge to take BART to work a minimum of three days per week.
    - 60 participants for twelve months
2) Carpool Incentive Program: Provide two $40 Chevron gas cards per carpool per month for twelve months.
    - 10 participants for twelve months
3) Bus Subsidy Program: Purchase a $60 value monthly County Connection bus pass or reimbursement of other transit bus pass for $5.
    - 10 participants for twelve months
4) Bike/Walk to Work Incentive Program: Bike or walk to work at least three times per week per month, a minimum of 12 times each month, and receive a $25 voucher or gas card.
    - 10 participants for twelve months
5) Guaranteed Ride Home Program: This program is managed by Contra Costa Centre Transit Village. The program is an "insurance policy" against being stranded without a way to get home for commuters who take a commute alternative (carpool, vanpool, public transit, bicycle or walk) to work and have a qualified emergency which does not allow them to use the commute alternative to return home.
6) Mid-Day Shuttle: The mid-day shuttle, a clean air natural gas shuttle, runs from 10:30 a.m. – 2:10 p.m., Monday through Friday, with stops at all Centre buildings between the Contra Costa Centre Transit Village, the Countrywood Shopping Mall and Kohl's, free of charge.
7) Green Fleet Program: The Contra Costa Centre Transit Village (CCCTV) provides employees with access to local vehicles (e.g. bicycles, electric bicycles, electric and hybrid cars) to use through the Contra Costa Centre Transit Village and vicinity during the workday. Employees can check-out vehicles online or electronically at various kiosk locations. The Green Fleet programs are free to CCCTV employees.
8) Marketing Plan: The Contra Costa Centre Transit Village markets the program through newsletters, posters, brochures, and promotional handouts. Additionally, they meet with employers and employees directly, and host events and transportation fairs to ensure CCCTV area workers are informed of the various commute alternatives, subsidies, and incentives available to them through the Contra Costa Centre Transit Village TDM Program.

These TDM services may be amended annually, including the addition or deletion of the services as required to meet the 30% TDM performance goal as determined by Contra Costa County in consultation with the Contra Costa Centre Association or its successor.

CURRENT ANNUAL ADMINISTRATION

Pursuant to County Ordinance Section 1012-2.6, former County Service Area Law (California Government Code Section 25210.77a), and current County Service Area Law (California Government Code Section 24210.3, subd. (d)), the Tentative Annual Report has been filed with the Clerk of the Board of Supervisors, public notice will be completed as required, and the Board will conduct a Public Hearing and will then make a determination on each estimated service charge in the final report. Contra Costa Board of Supervisors reviews the Tentative Annual Report on July 7, 2026 and will conduct a Public Hearing in connection with the proceedings for CSA M-31.

Upon adoption of the Final Annual Report by the Board of Supervisors, the charges contained herein will be collected on the property tax roll of Contra Costa County in the same manner, by the same persons, at the same time as, and together with the County's property taxes.

Legal Authority

As required by County Ordinance Section 1012-2.6, former County Service Area Law (California Government Code Section 25210.77a), and current County Service Area Law (California Government Code Section 24210.3, subd. (d)), the Tentative Annual Report includes the following minimum information as shown in the Service Charge Roll:

1. A description of each parcel of real property receiving the miscellaneous extended service;
2. The basic service charge;
3. The estimated amount of the service charge for each parcel for such year; and
4. A parcel list identifying each parcel receiving services that allows parcel owners to find their property on the list and determine the proposed charge.

This annual report also includes an estimate of annual costs, the method of apportionment as additional information to allow the reader to better understand what services are being paid for, what the total annual cost for the services provided is, and how the cost of services is spread to each individual parcel.

ESTIMATE OF ANNUAL COST

The Fiscal Year 2025-2026 projected and Fiscal Year 2026-2027 proposed revenues and expenditures are shown below. A special fund has been set up for the collection of revenues and the coding of expenditures for CSA M-31. The total cost to provide the TDM services can be recovered from the collection of these service charges. Incidental expenses including administration, engineering fees, legal fees, and all other costs associated with the TDM services may also be included.

When CSA M-31 was formed for the ongoing funding of the Contra Costa Centre Transit Village's TDM Program, a financial analysis was performed to provide the framework for an operating budget for the proposed extended transportation demand management services. This was based on the estimated expenses for each TDM service program component (carpooling, vanpooling, ridesharing, flex time, staggered work hours, guaranteed ride home, telecommuting, etc.). Revenues collected from the benefit assessment or service charge shall be used only for the expenditures represented in this report. Any balance remaining on July 1 at the end of the fiscal year must be carried over to the next fiscal year.

METHOD OF APPORTIONMENT

Special vs. General Benefit

On November 5, 1996, California voters approved Proposition 218 entitled "Right to Vote On Taxes Act" which added Articles XIIIC and XIIID to the California Constitution. While its title refers only to taxes, Proposition 218 establishes new procedural requirements for fees, charges, and benefit assessments.

Proposition 218 procedures stipulate that even if charges or benefit assessments are initially exempt from Proposition 218, future increases in the charges or benefit assessments must comply with the provisions of Proposition 218. However, if the future increase in the charge or benefit assessment were anticipated in the charge or benefit assessment formula when approved by property owners (e.g., consumer price index increases or a predetermined cap) then the future increase in the charge or benefit assessment would be in compliance with the intent and provisions of Proposition 218.

Proposition 218 provides that "only special benefits are assessable" and defines a special benefit as a particular and distinct benefit conferred on real property and not a general benefit received by the public at large. Parcels located within the boundaries of the CSA will be assessed for the operation and services associated with the TDM Program as described herein within the report, if they receive a special and direct benefit from the services. Furthermore, the identification and separation of general benefits from the special benefits follows for CSA M-31.

Special benefits are conferred on property within the CSA from the TDM Program and associated services by enhancing the desirability of property within the CSA due to the additional methods of vehicular and pedestrian access available to property, by increasing access to transit related services, providing economic opportunities, driving community growth and revitalization, and by reducing levels of traffic congestion within the CSA.

Properties outside of CSA M-31 do not enjoy the Transportation Demand Management Program and the associated services by the CSA and therefore property outside the boundaries of the CSA do not receive the special benefits. The services within the CSA were specifically designed and created to provide additional and improved public resources for the direct advantage of property inside the CSA, and not the public at large. The boundaries of the CSA have been narrowly drawn to include only those parcels that receive a direct advantage from the services.

In addition to the special and direct benefits the property owners receive within the CSA from the services, it has been determined that no general benefits are associated with TDM services within CSA M-31 because the conferred special benefits that are provided to the assessed property are not provided to other parcels and which real property in general and the public at large do not share.

The annual service charge pays for the TDM Program and associated services provided within CSA M-31. The enhanced public services provided within CSA M-31 confer a special benefit to property in the CSA. Transportation Demand Management services associated with CSA M-31 are only provided to parcels within the CSA and are not provided to the general public. Without the charges, the parcels located in the unincorporated area would receive no Transportation Demand Management Program services. Therefore, the services provided in CSA M-31 are of 100% special benefit to the parcels within the CSA.

Methodology

The total operation and maintenance costs for the extended public services are apportioned in accordance with the methodology that is consistent with standard practices.

Developed Residential Property: Developed Residential Property consists of property which has had a residential building permit issued prior to April 30 and is classified by the County Assessor's office as single-family residential, multi-family residential, apartment, condominium, townhome, townhouse, co-op, cluster home, or any other type of property which has been developed for residential use for which occupants live and occupy for extended periods of time. Developed Residential Property does not include hotel and motel use.

Developed Commercial Property: Developed Commercial Property consists of property which has had a commercial building permit issued prior to April 30 and is classified by the County Assessor's office as commercial property. Developed Commercial Property includes, but is not limited to, retail stores and shopping centers, office buildings, conference centers, hotels and motels, or any other type of property which has been developed for commercial use.

Exempt Property: Exempt Property consists of property not classified as Developed Residential Property or Developed Commercial Property. However, Exempt Property does include property that has been previously classified as Developed Residential Property or Developed Commercial Property which has subsequently had the building structure located on the parcel demolished prior to April 30. This parcel would then remain as an Exempt Property until such time another building permit is issued prior to April 30 to reclassify the parcel as Developed Residential Property or Developed Commercial Property. Exempt Property also includes parking lots, parking garages, roadways, open space, and undeveloped property for which a building permit has not been issued prior to April 30.

The methodology for calculating the service charge per parcel for the Services is explained below.

Developed Residential Property - It is anticipated that not all TDM programs will be utilized by the Developed Residential Property owners. The most viable programs to reduce the number of single occupied vehicular trips are the Shuttle Program in conjunction with the Marketing Program. The cost to provide these programs to the Developed Residential Property owners at build-out was estimated to be $28,386.36 per year (in Fiscal Year 2007-2008 dollars). Since each residential unit is similar in size and receives the same degree of benefit from the residential TDM programs, each residential unit is charged an equal share of the Residential TDM program costs. It was anticipated that there would be 522 residential units at build-out. Therefore, in Fiscal Year 2007-08 the maximum annual charge was set at $54.38 per residential unit.

Developed Commercial Property - It is anticipated that all TDM programs will be provided to the Developed Commercial Property owners. The cost to provide these TDM services to Developed Commercial Property owners at build-out was estimated to be $238,121.84 per year (in Fiscal Year 2007-08 dollars). For Developed Commercial Property, the amount of building floor area directly correlates to the number of potential employees located on each parcel. These total floor area numbers are used to calculate the proportional special benefit received by each Developed Commercial Parcel within the District. Building floor area is defined by the gross square footage of the buildings exclusive of parking. The building square footage is shown on the Service Charge List in the following pages and serves as the basis for calculation of the annual charges for Developed Commercial Property. It was anticipated that there would be 2,487,190 square feet of commercial development at build-out. Therefore, in Fiscal Year 2007-08 the maximum annual charge rate was set at $0.0957 per square foot.

Service Charge Rate

The maximum charge rates may be adjusted annually to reflect the prior year's change in the Consumer Price Index (CPI) for All Urban Consumers for the Bay Area: San Francisco-Oakland-San Jose. The base CPI used was June 2007 (216.123). Starting in Fiscal Year 2008-2009 the annual CPI was changed to February for administrative purposes and the annual change in the February CPI shall be used in each subsequent year. Any change in the rate which is the result of the change in the CPI shall not be deemed an increase in the service charge subject to the requirements of Proposition 218.

For Fiscal Year 2026-2027 the allowed maximum rate is shown below and has been calculated as follows:

The February 2026 CPI is 363.211, which is a 2.48% increase over the February 2025 CPI.

Developed Residential

$89.19/residential unit in Fiscal Year 2025-2026
+2.48% CPI increase for Fiscal Year 2026-2027 = $91.40

Developed Commercial

$0.1569/square foot in Fiscal Year 2025-2026
+2.48% CPI increase for Fiscal Year 2026-2027 = $0.1608

In Fiscal Year 2026-2027, it has been determined that based upon projected expenditures, the maximum rate of $91.40/residential unit and $0.1608/square foot will need to be collected. It is estimated $412,516.84 in revenue will be necessary to provide the services referenced above in Fiscal Year 2026-2027. The charge per parcel may vary slightly due to rounding adjustments.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:

1. RECEIVE from staff the Fiscal Year 2026-2027 Tentative Annual Report on service charges in County Service Area (CSA) T-1, a copy of which is attached.

2. OPEN the public hearing on the Tentative Annual Report; RECEIVE and CONSIDER all written and oral objections or protests to the Tentative Annual Report; and CLOSE the public hearing.

3. CONSIDER whether to adopt, revise, change, reduce, increase, or modify any estimated service charges set forth in the Tentative Annual Report.

4. APPROVE the estimated service charges set forth in the Tentative Annual Report.

5. ADOPT a Resolution confirming the Tentative Annual Report and levying the charges set forth in the report.

6. DIRECT the Public Works Director or his/her designee to prepare a Fiscal Year 2026-2027 Final Annual Report for CSA T-1 that conforms to the County's official service charge roll for Fiscal Year 2026-2027. (County Service Area T-1 Funds) (District III) Project No. 7480-6X5058.

FISCAL IMPACT:

The levy of the annual service charges in CSA T-1 will provide revenues for public transit services. The CSA T-1 annual total service charge was $728,501.10 for Fiscal Year 2025-2026 and is projected to be $746,547.12 in Fiscal Year 2026-2027. The increase is based on the Consumer Price Index (CPI) for the San Francisco Bay Area (All Urban Consumers). The service charge was $553.89/developed equivalent dwelling unit in Fiscal Year 2025-2026 and will be $567.61/developed equivalent dwelling unit in Fiscal Year 2026-2027. The annual service charges for CSA T-1 will be levied on 1,187 parcels in Fiscal Year 2026-2027.

BACKGROUND:

As directed by Article 1012-2.602 of the Contra Costa County Ordinance Code, the Public Works Director prepared a Fiscal Year 2025-2026 Tentative Annual Report on service charges in CSA T-1 and filed it with the Clerk of the Board of Supervisors. CSA T-1 provides public transit services. The Tentative Annual Report contains a description of each parcel of real property receiving services, the basic service charge for CSA T-1 and the estimated amount of the service charge for each parcel for the fiscal year.

Upon the filing of the Tentative Annual Report, the Clerk of the Board of Supervisors fixed a time, date, and place for a Board hearing on the Tentative Annual Report and for filing objections or protests thereto and published a notice of the hearing as provided in Government Code section 6066.

Following the public charge and the Board may adopt, revise, change, reduce, increase, or modify any estimated service charge, and shall make its determination upon each estimated service charge as described in the Tentative Annual Report. The service charges in the Tentative Annual Report were computed and apportioned according to a formula that fairly distributes the service charge among all subject parcels in proportion to the estimated benefits they will receive from the services provided. Staff recommend approval of the rates and service charges in the Tentative Annual Report without modification.

The service charges in the Tentative Annual Report are higher than the charges levied in Fiscal Year 2025-2026 because they incorporate an automatic adjustment approved by the parcel owners in CSA T-1 in 2006. The adjustment provision allows for an increase each year equal to the greater of the Consumer Price Index (CPI) for the San Francisco Bay Area (All Urban Consumers) or 2%. For Fiscal Year 2026-2027 the increase is 2.48% over the Fiscal Year 2025-2026 service charge rates. The Board approved this provision on January 17, 2006.

Adoption of a Resolution confirms the Tentative Annual Report and assesses the charges set forth therein but does not levy the charges. The levy of the service charges occurs after the preparation of a Final Annual Report that conforms to the official assessor's roll for Fiscal Year 2026-2027. The official assessor's roll will be issued by the County Assessor on or about July 1, 2026.

CONSEQUENCE OF NEGATIVE ACTION:
If the Fiscal Year 2026-2027 Tentative Annual Report for CSA T-1 is not confirmed, either as filed or as modified, the service charges set forth in the Tentative Annual Report may not be levied for Fiscal Year 2026-2027. Therefore, the District would be unable to provide public transit services, or an alternate source of funding would have to be identified.

BACKGROUND INFORMATION

In 2008 a development project commonly known as the Integrated Project ("Project") was permitted in the unincorporated area of Contra Costa County, just east of the Town of Danville. The project is also known as Alamo Creek/Intervening Properties Development and constitutes approximately 767 acres located south of Camino Tassajara between Hansen Lane and Finley Road.

Wilbur Smith Associates (WSA) completed a Transit Improvements Study of the Project in March 2005. The study acknowledged that a limited market for transit services and consequently a limited transit service is offered in the study area. The study concluded that a latent demand for transit could be satisfied if a regular commuter service were provided. Given the size of the Integrated Project and the workplace destination and commuting behavior of the adjacent census tracts as outlined by a census-based demographic analysis, a weekday rush-hour commuter service would provide the greatest benefit of transit services under consideration. Specifically, the report recommended that the proposed transit service include the Walnut Creek Bay Area Rapid Transit (BART) station and Bishop Ranch business park as destinations. The desired level of service was based on an analysis of demand performed by WSA. Based on census information and a rider survey performed by BART in 1998, approximately 77 transit trips per day were expected when the project development was completed. The transit trip total was calculated by WSA as follows:

- As presented in the final Environmental Impact Report (EIR) for the Project, 10,048 daily vehicle trips would be generated at the development;
- Assuming an average vehicle occupancy of 1.05 persons per vehicle and a 92.5% vehicle mode share (automobiles constitute 92.5% of transit trips to and from the households), 13,338 person trips would be generated daily by the development;
- Based on census information, 5.37% of commuter trips to and from adjacent census tracts used public transit (716 trips);
- Approximately 97% of public transit trips used rail (assumed to be exclusive to BART; 694 trips);
- Approximately 7% of BART riders at stations nearest to the project (Dublin/Pleasanton, Walnut Creek, Lafayette) used public transit to travel to and from the station (48 trips);
- Approximately 4% of transit-based commuter trips used bus service as the primary means of transportation (29 trips); and
- Total bus demand (77 trips) includes the sum of transit trips to BART stations (48 trips) and bus trips to work (29 trips).

On June 14, 2005, the Board of Supervisors approved Resolution No. 2005/357 which recommended to Local Agency Formation Commission of Contra Costa County (LAFCO) the formation of County Service Area (CSA) T-1, Public Transit in the Danville Area.

The services provided by CSA T-1 are:

1. Extended public transit services.
2. Implementation of Transportation Demand Management programs as discussed in this report and in the Plan for Providing Services for CSA T-1 which is on file with LAFCO.

On September 14, 2005, LAFCO conducted a public hearing and subsequently approved Resolution 05-15 which formed CSA T-1.
On October 18, 2005, Resolution 2005/674 stated that the transit services should be supported by a benefit assessment or service charge on parcels that receive this special and distinct benefit.

On January 17, 2006, the Board of Supervisors conducted a public hearing and subsequently approved Resolution 2006/21 which authorized the annual levy of assessments or service charges on the parcels located within CSA T-1 to fund extended public transit services.

CURRENT ANNUAL ADMINISTRATION

Pursuant to County Ordinance Section 1012-2.6, former County Service Area Law (California Government Code Section 25210.77a), and current County Service Area Law (California Government Code Section 24210.3, subd. (d)), the Tentative Annual Report has been filed with the Clerk of the Board of Supervisors, public notice will be completed as required, and the Board will conduct a Public Hearing and will then make a determination on each estimated service charge in the final report. Contra Costa Board of Supervisors reviews the Tentative Annual Report on July 15, 2026 and will conduct a Public Hearing in connection with the proceedings for CSA T-1.

Upon adoption of the Final Annual Report by the Board of Supervisors, the charges contained herein will be collected on the property tax roll of Contra Costa County in the same manner, by the same persons, at the same time as, and together with the County's property taxes.

Legal Authority

As required by County Ordinance Section 1012-2.6, former County Service Area Law (California Government Code Section 25210.77a), and current County Service Area Law (California Government Code Section 24210.3, subd. (d)), the Tentative Annual Report includes the following minimum information as shown in the Service Charge Roll:

1. A description of each parcel of real property receiving the miscellaneous extended service;
2. The basic service charge;
3. The estimated amount of the service charge for each parcel for such year; and
4. A parcel list identifying each parcel receiving services that allows parcel owners to find their property on the list and determine the proposed charge.

This annual report also includes an estimate of annual costs and the method of apportionment as additional information to allow the reader to better understand what services are being paid for, what is the total annual cost for the services provided, and how the cost of services is spread to each individual parcel.

Transit Service Implementation

Two transportation studies were previously conducted to understand potential transit usage and travel patterns in CSA T-1. The transportation studies are Alamo Creek/Intervening Properties Transit Improvement Study by WSA in 2005 and Transit Service Survey and Report for CSA T-1 Transit District by DKS Associates in 2010.

Based on these studies, the following transit service plan is to be implemented in three phases as summarized below:

1. Short – Term (completed in 2012): Community Outreach
   The short-term strategy focused on community outreach to educate the residents about existing transportation options in Contra Costa County, and to seek their feedback. The community outreach program involved flyer preparation, flyer distribution, and resident feedback. This outreach effort attempted to identify commuter destinations for potential vanpools, in advance of a vanpool/shuttle transit program.

2. Mid-Term: Vanpool/Shuttle Transit Program

Based on the feedback provided by the residents, the mid-term strategy would involve a vanpool and/or shuttle service since the market for a full-scale fixed route Central Contra Costa Transit Authority (County Connection) bus is not warranted at the time.

CSA T-1's plan is to engage the residents to try public transit and build up the necessary public transit demand for a full-scale fixed bus route. In response to CSA T-1's plan, County Connection agreed to provide a demand response and a flexible shuttle for CSA T-1 residents during the commute hours. The exact routes were to be determined by demand. Riders must be traveling from or to CSA T-1. The service area is limited to the 1.5-mile corridors along Camino Tassajara (between CSA T-1 and I-680) and I-680 (between Walnut Creek and Pleasant Hill BART stations). Riders contact County Connection to request and reserve services. Based on the demand, County Connection will determine the most efficient route for the shuttle.

The table below summarizes the ridership data since the service began on January 24, 2014. With the exception of a decrease in ridership during the COVID-19 pandemic and the modest decrease in average ridership in 2023 compared to 2022, the table shows a constant ridership annually and the positive effect the public transit of CSA T-1 has on removing daily trips during the peak hours from local and regional roadways.

Summary of ridership data per year*

Year of Service	Riders per day	Estimated number of peak hours & daily trips removed from roadways
2014	16	16
2015	17 to 18	17 to 18
2016	19	19
2017	21	21
2018	24	24
2019	25	25
2020	4.5	4.5
2021	1.5	1.5
2022	5.8	5.8
2023	5.5	5.5
2024	5.2	5.2
2025	5.1	5.1

* Ridership data is provided by County Connection.

The riders get picked up from their home in the CSA T-1 service area during the morning period and get picked up from the Walnut Creek BART station during the evening period. The average operating cost per passenger is comparable to the average cost for County Connection's Paratransit (LINK) service. With the exception of the 2020-2022 COVID-19 pandemic, CSA T-1 has observed the ridership increase overtime, as more residents are utilizing the public transit service provided by CSA T-1. However, the ridership demand

has not achieved the level that warrants a full-scale fixed bus route. CSA T-1 will continue this mid-term program to provide the shuttle service until there is enough public transit demand for a full-scale fixed bus route. CSA T-1 has amended the service agreement with County Connection to continue the shuttle service.

In addition to County Connection's shuttle, CSA T-1 also funds another service with the Measure J Traffic Congestion Relief Agency (TRAFFIX). TRAFFIX is a traffic congestion relief program implemented in 2009 and operated cooperatively by Contra Costa County, City of San Ramon, San Ramon Valley Unified School District (SRVUSD), and Town of Danville to reduce traffic congestion caused by children being driven to and from school in the San Ramon area. As mentioned above, although the demand for a full-scale fixed route County Connection bus is not warranted at this time, CSA T-1 recognized there is already a demand for school bus services. While waiting for transit demand to increase, CSA T-1's interim plan is to participate in providing school bus services as an interim method to reduce congestion. TRAFFIX provided data indicating there are approximately 205 students residing within CSA T-1 who attend Monte Vista High School. TRAFFIX considers 50 students as a full bus. If approximately 25 percent of the eligible students participated, the bus would be full. It was anticipated that at least 50 students would participate, resulting in a full bus. This service began in the Fall of 2014 for the 2014-2015 school year. TRAFFIX reported 70 passes were sold for both the 2014-2015 and 2015-2016 school years. This is the equivalent of removing approximately 280 trips from the roadway each school day. In 2017, funds were allocated to fund a second TRAFFIX bus to provide services to the CSA T-1 area. This decision was based on the increased demand for seats on the route. Rider counts by the TRAFFIX show an average of 59 riders in the morning and 95 riders in the evenings per typical bus runs for the period of August 2018 through December 2018. In December 2018, there were approximately 170 riders enrolled on a wait list for the limited number of bus passes. As a result of an increase in demand for services in 2019, the County added a third TRAFFIX bus to provide services to the CSA T-1 area.

In late 2019, the COVID-19 pandemic began. The impacts of the COVID-19 pandemic on CSA T-1 operations follow:

a. Shuttle service ridership was greatly reduced during the 2020-2022 COVID-19 pandemic.

b. Although shuttle service ridership sharply declined during the 2020-2022 COVID-19 pandemic, County Connection shuttle buses continued operating. Based on operations, the County did not expect a significant impact on the County Connection shuttle operations buses during that time; however, some additional costs for PPE were passed on to CSA T-1.

c. During the pandemic in 2020, school buses did not circulate due to the SRVUSD following state guidelines regarding school attendance and the resulting school closures. SRVUSD reported that middle and high schools reopened for attendance on March 17, 2021, and that the TRAFFIX school bus program reopened at full capacity at the same time. Bus pass sales resumed during the week of March 15, 2021, and school bus services resumed in August 2021 when the 2021-2022 academic year began.

d. In 2021, CSA T-1 sent residents informational postcards of the ridership programs to motivate and restore rider confidence. In 2022, informational postcards about the ridership programs were mailed to residents more frequently than in prior years. In addition, CSA T-1 coordinated with the Homeowner Association in Danville to advertise the County Connection shuttle service to residents on their website.

e. The TRAFFIX School Bus Service currently serves 155 passholders on its three routes. In 2024, bus passes for its three routes sold out immediately the day they became available for purchase.

In Fiscal Year 2026-2027, CSA T-1 will continue outreach efforts by advertising through Homeowner Associations and partnering with County Connection on the design and layout of postcards to be mailed to residents of CSA T-1 using Contra Costa County's print and mail services. Furthermore, CSA T-1 will add incentive cards (gift cards, etc.) to reward frequent riders.

3. Current and Long-Term Goals: County Connection Service

The long-term strategy for CSA T-1 involves expanding the vanpool/shuttle service and providing full-scale County Connection bus service if the existing service proves successful and more commuter transit demand is demonstrated. The approximate yearly operating cost of running a full-length bus service with County Connection is estimated to be $204,000 per bus (in 2018 dollars). This estimate is based on $100 per hour for 8 hours a day during morning and evening peak commute hours for 255 days a year.

ESTIMATE OF ANNUAL COST

The Fiscal Year 2025-2026 projected and Fiscal Year 2026-2027 proposed revenues and expenditures are shown on the following page. A special fund has been set up for the collection of revenues and coding of expenditures for CSA T-1. Incidental expenses including administration, engineering fees, legal fees, and all other costs associated with the public transit services may be included.

When CSA T-1 was formed, a financial analysis was performed to provide the framework for an operating budget for the proposed transit service. This was based on the estimated expenses for continuing operations provided by WSA. In preparation of the budget, several factors were considered including:

- Level of transit service
- Phasing of service
- Equal benefit (and equal charge) to residents based on projected resident population

In order to establish a reasonable reserve in the early years following formation of the CSA, revenues have been collected since Fiscal Year 2006-2007.

For Fiscal Year 2026-2027 it is estimated there will be a surplus of funds. These funds are being set aside into Capital Reserves to purchase vehicles.

Revenues collected from the charge shall be used only for the expenditures represented in this report. Any balance remaining on July 1 at the end of the fiscal year must be carried over to the next fiscal year.

BOUNDARY MAP

The general boundaries of the CSA are shown herein. The lines and dimensions of each parcel within the CSA are those lines and dimensions shown on the maps of the Contra Costa County Assessor for the year in which this report was prepared and are incorporated by reference herein and made part of this report.

METHOD OF APPORTIONMENT

Special vs. General Benefit

On November 5, 1996, California voters approved Proposition 218 entitled "Right to Vote On Taxes Act" which added Articles XIIIC and XIIID to the California Constitution. While its title refers only to taxes, Proposition 218 establishes new procedural requirements for fees, charges, and benefit assessments.

Proposition 218 procedures stipulate that even if charges or benefit assessments are initially exempt from Proposition 218, future increases in the charges or benefit assessments must comply with the provisions of Proposition 218. However, if the future increase in the charge or benefit assessment were anticipated in the charge or benefit assessment formula when approved by property owners (e.g., consumer price index increases or a predetermined cap) then the future increase in the charge or benefit assessment would be in compliance with the intent and provisions of Proposition 218.

Proposition 218 provides that “only special benefits are assessable” and defines a special benefit as a particular and distinct benefit conferred on real property and not a general benefit received by the public at large. Parcels located within the boundaries of the CSA will be charged for the operation and services associated with the transit services provided as described herein within the report, if they receive a special and direct benefit from the services. Furthermore, the identification and separation of general benefits from the special benefits follows for CSA T-1.

Special benefits are conferred on property within the CSA from transit services by enhancing the desirability of property within the CSA due to the additional methods of vehicular and pedestrian access available to and from property, by providing increased access to transit related services, providing economic opportunities, driving community growth and revitalization, and by reducing levels of traffic congestion within the CSA.

Properties outside of CSA T-1 in other parts of the County may not enjoy the transit services made available by the CSA and therefore property outside the boundaries of the CSA do not receive the special benefits. The services within the CSA were specifically designed and created to provide additional and improved public resources for the direct advantage of property inside the CSA, and not the public at large.

In addition to the special and direct benefits the property owners receive within the CSA from the services, it has been determined that no general benefits are associated with the transit services provided within CSA T-1 because the conferred special benefits that are provided to the charged property are not provided to the public at large.

The annual service charge pays for the transit related services provided within CSA T-1. The enhanced public services provided within CSA T-1 confer a special benefit and only serve the parcels with the ability to utilize the transit related services provided. Without the services, the property located in the unincorporated area would not receive any transit services. Therefore, the services in CSA T-1 are 100 percent special benefit to the parcels within the CSA.

Methodology

The total operation, maintenance and servicing cost for Public Transit are apportioned in accordance with the methodology that is consistent with standard assessment engineering practices. The method for distributing the costs to each parcel is based on the Equivalent Dwelling Unit (EDU) factor.

Since the service charge is levied on the owners of properties as shown on the tax rolls, the final charges must be assigned by Assessor's Parcel Number. If service charges were to be distributed by parcel, not considering land use, this would not be equitable because a single-family parcel would be paying the same as a 50-unit apartment parcel or a large commercial establishment. Therefore, as previously stated, the total costs are distributed to each parcel of land based on the number of EDUs associated with each particular parcel.

No commercial or industrial parcels are planned to be included within CSA T-1; therefore, a methodology has not been created for those uses.

The methodology used to assign EDUs to other land uses in proportion to the benefit they receive relative to the single-family residential parcel is shown below.

Developed Single Family Residential - The developed single-family parcel has been selected as the basic unit for calculation of the benefit assessments or service charges. This basic unit shall be called an **Equivalent Dwelling Unit (EDU)**. Parcels designated as developed single family residential uses per the Contra Costa County land use code are charged one (**1.00**) EDU. In addition, those parcels that are designated as "vacant" single family residential per the Contra Costa County land use code but have a building permit issued prior to April 30 are charged one (1.00) EDU.

Developed Multiple Residential – The developed multi-family designation includes parcels designated as apartments, townhomes, and condominiums per the Contra Costa County land use code. Apartments are charged a factor of **0.723270448** EDU per dwelling unit. For example, a parcel with a 100-unit apartment would be charged 72.33 EDUs. Townhomes and condominiums are charged a factor of **0.795597484** EDU per dwelling unit. In addition, those parcels that are designated as "vacant" multi-family residential per the Contra Costa County land use code, but have a building permit issued prior to April 30, are charged on a per unit basis as shown above.

Exempt Property - Consists of property not classified as developed residential property and includes commercial, industrial, recreational, and institutional property; parking lots; parking garages; roadways; open space and undeveloped property on which a building permit has not been issued prior to April 30. In addition, Senior Housing is classified as exempt. Residents of Senior Housing will be provided with separate shuttle service not included within the scope of the CSA.

In Fiscal Year 2006-2007 the maximum annual service charge was set at $318.00 per EDU. To determine the cost per parcel, the total budget for providing service to the current total service area was divided by the total number of EDUs within the service area. Please refer to Contra Costa County Resolution 2006-21 for a detailed report that includes the initial calculation of this rate.

The maximum rates may be adjusted annually to reflect 2% or the prior year's change in the Consumer Price Index (CPI) for All Urban Consumers for the Bay Area: San Francisco-Oakland-San Jose, whichever is greater. The base CPI index to be used for future calculations is February

2006 (207.1). Any change in the rate per EDU, which is the result of the change in the CPI shall not be deemed an increase subject to the requirements of Proposition 218.

For Fiscal Year 2026-2027 the allowed maximum rate is $567.61/EDU. This rate has been calculated as follows:

$553.89 per developed EDU in Fiscal Year 2025-2026
+2.48% increase for Fiscal Year 2026-2027 = $567.61

In Fiscal Year 2026-2027, it has been determined that $746,547.12 in revenue will be needed to provide the services referenced above in Fiscal Year 2026-2027. There are 1,315.27 EDUs that have had a building permit issued. If you divide $746,547.12 by 1,315.27 EDUs, the service charge per parcel is $567.61. The charge per parcel may vary slightly due to rounding adjustments.

File #: RES 2026-275 **Agenda Date:** 7/7/2026 **Agenda #:** D.6.

To: **Board of Supervisors**

From: Warren Lai, Public Works Director/Chief Engineer

Report Title: HEARING on levy of proposed Fiscal Year 2026-2027 assessments in Assessment District 1979 -3 (LL-2) and adoption of resolution levying assessments.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
1. OPEN the public hearing, RECEIVE and CONSIDER all written and oral statements and protests, and CLOSE the public hearing.

2. ADOPT resolution, confirming the Assessment District 1979-3 (LL-2) diagram and assessments as set forth in the Fiscal Year 2026/27 engineer's report.

3. DIRECT the Clerk of the Board of Supervisors to file the confirmed diagram and assessments, or certified copy thereof, with the Auditor-Controller, in accordance with Streets and Highways Code section 22641.

4. DIRECT the Auditor-Controller to enter the confirmed assessments on the Fiscal Year 2026/27 assessment roll in accordance with Streets and Highways Code section 22645.

FISCAL IMPACT:
No impact on the General Fund. Costs associated with the levy and collection of assessments will be funded with Assessment District 1979-3 (LL-2) revenues.

BACKGROUND:
Assessment District 1979-3 (LL-2), also known as the Countywide Landscaping District ("District"), is made up of 32 zones in all five supervisorial districts. Within the zones, landscaping, irrigation systems, park and recreational facilities and other improvements have been constructed or installed, many by developers as conditions of approval. Annual assessments are levied each year on parcels in these zones under the Landscaping and Lighting Act of 1972 (Sts. & Hy. Code, div. 15, pt. 2, § 22500 et seq.) (the "Act"), to fund the maintenance and servicing of these facilities and, as the need arises, the installation or construction of new or replacement facilities.

On March 17, 2026, the Board adopted Resolution No. 2026/84, which ordered the preparation and filing of an engineer's report for District assessments to be levied in Fiscal Year 2026/27. On May 12, 2026, the Board received and approved the engineer's report, a copy of which is attached. As indicated in the report, no new improvements, and no significant changes in existing improvements in the Districts are proposed. The costs of existing improvements are projected to increase due to inflation. In zones where assessments are at their authorized maximums, and cannot be increased without additional assessment ballot proceedings, cost

increases may lead to reductions in maintenance services.

As the engineer's report also indicates, the maximum assessments in Zones 1, 2, 3, 4, 7, 10, 11, 17, 18, 19, 21, 27, 36, 37, 42, 45, 48, 57, 61, 63, 64, and 68 cannot be adjusted without assessment ballot proceedings and property owner approval. The maximum assessments in Zones 5, 35, 38, 54, 69, 70, 71, 74, and 75 can be adjusted annually by the change in the applicable Consumer Price Index as approved when parcel owners originally voted to approve the assessments. The proposed Fiscal Year 2026/27 assessment for all Zones is at or below their respective maximum authorized amounts and therefore additional assessment ballot proceedings are not required.

Following its approval of the Fiscal Year 2026/27 engineer's report for the District, the Board adopted Resolution No. 2026/171, declaring the Board's intent to levy and collect District assessments and giving notice of a public hearing on the levy of the proposed assessments on July 7, 2026, at 9:00 a.m. in the Board Chambers at 1025 Escobar Street, Martinez, California. Any person may present written or oral testimony at the hearing regarding the levy of the proposed assessments. Prior to the conclusion of the public hearing, any interested person may file a written protest, stating all grounds for objection. Before making a decision on the levy of the proposed assessments, the Board is required under the Act to consider all oral statements and all written protests made or filed by any interested person. The Act also requires the Board to abandon the proposed levy of an increased assessment in the event of a "majority protest," which is determined based on the tally of ballots submitted in an assessment ballot proceeding. (See Sts. & Hy. Code, § 22630.5 and Gov. Code, § 53753, subd. (e)(4).) Because no assessment ballot proceeding is taking place, the majority protest procedure does not apply at this hearing.

During the public hearing, or upon the conclusion of the public hearing, the Board may order changes in any of the matters contained in the engineer's report, including changes in District improvements, zones, the proposed diagram, or the proposed assessments. Following the hearing, the Board may then adopt the resolution, confirming the District diagram and assessments. Adoption of the resolution constitutes the levy of the assessments.

CONSEQUENCE OF NEGATIVE ACTION:
District assessments could not be levied or collected in Fiscal Year 2026/27.

SECTION I

INTRODUCTION

CONTRA COSTA COUNTY
ASSESSMENT DISTRICT 1979-3 (LL-2)

FISCAL YEAR 2026-27

To ensure the proper flow of funds for the ongoing operation, maintenance, and servicing of specific existing and proposed improvements within the boundaries of Contra Costa County, the Board of Supervisors, through the Landscaping and Lighting Act of 1972, approved the formation of Assessment District 1979-3 (LL-2) (the "District"). Existing and proposed improvements that may be constructed, operated, maintained, and serviced by the District are generally described as:

> *The maintenance and servicing of landscaping (street frontage and medians) and related appurtenant facilities (including irrigation and electrical facilities). The existing and proposed improvements also include the maintenance of park and recreation improvements (including landscaped areas, picnic areas, open space, playground equipment, lighting, ballfields, paths, trails, and pedestrian bridges).*

Generally, developers, as a part of their conditions permitting the developer to construct new housing or commercial/industrial developments, construct these aforementioned public improvements. However, the ongoing maintenance of these various improvements are financed through the District. The District is composed of "Benefit Zones" to ensure that the maintenance of the improvements are specifically paid for by those property owners who directly benefit from the improvements.

As required by the Landscaping and Lighting Act of 1972, the annual engineer's report must be reviewed by the Board of Supervisors each year and includes: (1) plans and specifications for the improvements, (2) an estimate of the costs of the improvements, (3) a diagram of the assessment district and any associated zones, (4) a description of the method used to apportion costs of the improvements to the benefiting parcels, and (5) a property list which includes the proposed assessments to be levied upon each assessable lot or parcel within the District.

The Contra Costa County Board of Supervisors will hold a Public Hearing, July 7, 2026, regarding the District and proposed Fiscal Year 2026-27 annual assessments to be levied, to provide an opportunity for any interested person to be heard. At the conclusion of the Public Hearing, the Contra Costa County Board of Supervisors may adopt a resolution confirming the levy of assessments as originally proposed or modified. Following the adoption of this resolution, the final Assessor's roll will be prepared and filed with the County Auditor's office to be included on the Fiscal Year 2026-27 tax roll.

Payment of the assessment for each parcel will be made in the same manner and at the same time as payments are made for property taxes. All funds collected through the assessment must be placed in a special fund and can only be used for the purposes stated within this report. In addition to the existing Benefit Zones, new Benefit Zones may be created throughout the fiscal year as development is processed. Table 1 below indicates those Benefit Zones that have been annexed into the District or modified since the prior year's annual report was prepared in Fiscal Year 2025-26.

Table 1 – Benefit Zones modified since Fiscal Year 2025-26

Benefit Zone	Comment
Not Applicable	No new zones of benefit have been created, nor have any parcels been annexed into an existing benefit zone during Fiscal Year 2025-26.

Benefit Zones with Maximum Assessment Rate increases for Fiscal Year 2026-27

Benefit Zones No. 5, 35, 54, 69, 70, 71, 74 and 75 had their maximum assessment rates increased 2.48% over the Fiscal Year 2025-26 rates. The maximum assessment rates for these benefit zones can be increased each fiscal year by the annual change in the Consumer Price Index for the San Francisco Bay Area - All Urban Consumers (CPI). For Fiscal Year 2026-27 the CPI increased from 354.432 to 363.211, which equals an increase of 2.48%.

  ***Please Note:** There are parks and landscaping located in the interior of Subdivisions 8967 and 8984 which are owned and maintained by a homeowner's association and therefore the maximum assessment rate did not include these interior areas of maintenance and they are not the responsibility of the District.

PART B

ESTIMATE OF COST

The Landscaping and Lighting Act of 1972 provides that the total cost of construction, maintenance, and servicing of the public landscaping, lighting (not street lighting except in special cases), and parks and recreation facilities can be recovered by the District. Incidental expenses including administration of the District, engineering fees, legal fees, and all other costs associated with the construction, maintenance, and servicing of the District can also be included.

At the end of Fiscal Year 2026-27 none of the Benefit Zones is anticipated to have a negative fund balance.

The estimated Fiscal Year 2026-27 expenditures and assessment revenue for the proposed District facilities have been provided by the County and are summarized in Table 2 on the following page:

A detailed “Special Districts Worksheet” for each Benefit Zone is shown in Appendix “A” of this report. The worksheets provide actual revenues and estimated expenditures for Fiscal Year 2025-26 and proposed revenue and expenditures for Fiscal Year 2026-27.

Public playground safety and accessibility standards are mandated by two legal requirements. The Americans with Disabilities Act (ADA) of 1990, which became effective in 1992 and required all public facilities (including playgrounds) be free of architectural barriers to access by January 1, 1995. Secondly, California Playground Safety Regulations R-39-97, mandated compliance with federal playground safety standards by the year 2000. This law requires that all playground equipment areas accessible to the public be audited/inspected for safety. These standards are established by the American Society for Testing and Materials (ASTM) in their document "Standard Consumer Safety Performance Specification for Playground Equipment for Public Use", and by the Federal Consumer Products Safety Commission (CPSC) in their document "Public Playground Handbook for Safety". Landscape and lighting zones that have existing playground equipment that does not meet these Federal and state guidelines must either retrofit or replace that equipment.

The Landscaping and Lighting Act of 1972 requires that a special fund be set up for the revenues and expenditures of each Benefit Zone. Funds raised by the assessments shall only be used for the purpose as stated herein. A contribution to each Benefit Zone by Contra Costa County may be made to reduce the assessments, as the Board of Supervisors deems appropriate. Any balance remaining on July 1 at the end of the fiscal year must be carried over to the next fiscal year.

PART D

METHOD OF APPORTIONMENT OF ASSESSMENT

This section explains the benefits to be derived from the improvements and the methodology used to apportion the total assessments to the properties within the District.

The method used for apportioning the assessment is based upon the relative special benefits to be derived by the properties in each Benefit Zone of the District over and above the general benefits conferred on real property or to the public at large. The assessment is apportioned to each parcel in proportion to the relative cost of the special benefits from the improvements.

Discussion of Benefit

Part 2 of Division 15 of the Streets and Highways Code, the Landscaping and Lighting Act of 1972, permits the establishment of assessment districts by agencies for the purpose of providing certain public improvements, which include the maintenance, servicing of landscaping, and parks and recreation improvements.

Section 22573 of the Landscaping and Lighting Act of 1972 requires that maintenance assessments must be levied according to benefit rather than according to assessed value. This Section states:

> *"The net amount to be assessed upon lands within an assessment district may be apportioned by any formula or method which fairly distributes the net amount among all assessable lots or parcels in proportion to the estimated benefit to be received by each such lot or parcel from the improvements."*
>
> *"The determination of whether or not a lot or parcel will benefit from the improvements shall be made pursuant to the Improvement Act of 1911 (Division 7 (commencing with Section 5000)) [of the Streets and Highways Code, State of California]."*

In addition, the Landscaping and Lighting Act of 1972 permits the designation of zones of benefit within any individual assessment district if "by reasons or variations in the nature, location, and extent of the improvements, the various areas will receive different degrees of benefit from the improvement" (Sec. 22574). Thus, the Landscaping and Lighting Act of 1972 requires the levy of a true "assessment" rather than a "special tax."

Article XIIID, Section 4(a) of the California Constitution (also known as Proposition 218, approved by the California voters in November 1996) limits the amount of any assessment to the proportional special benefit conferred on the property.

> *"No assessment shall be imposed on any parcel which exceeds the reasonable cost of the proportional special benefit conferred on that parcel."*

In addition, Article XIIID also provides that publicly owned properties must be assessed unless there is clear and convincing evidence that those properties receive no special benefit from the assessment. Exempted from the assessment would be the areas of public streets, public avenues, public lanes, public roads, public drives, public courts, public alleys, public easements and rights-of-ways, public greenbelts and public parkways, and that portion of public property that is not developed and used for business purposes similar to those for private, commercial, industrial, and institutional activities.

Special versus General Benefit

On November 5, 1996, California voters approved Proposition 218 entitled "Right to Vote On Taxes Act" which added Articles XIIIC and XIIID to the California Constitution. While its title refers only to taxes, Proposition 218 establishes new procedural requirements for fees, charges, and benefit assessments.

These new procedures stipulate that even if charges or benefit assessments are initially exempt from Proposition 218, future increases in the charges or benefit assessments must comply with the provisions of Proposition 218. However, if the future increase in the charge or benefit assessment were anticipated in the charge or benefit assessment formula when approved by property owners (e.g., consumer price index increases or a predetermined cap) then the future increase in the charge or benefit assessment would be in compliance with the intent and provisions of Proposition 218.

Proposition 218 provides that “only special benefits are assessable” and defines a special benefit as a particular and distinct benefit conferred on real property and not a general benefit received by the public at large. Parcels located within the boundaries of the District will be assessed for the operation, maintenance and capital replacement costs associated with landscaping and park improvements as described herein, if they receive a special and direct benefit from the improvements. Furthermore, the identification and separation of general benefits from the special benefits follows for the District and the associated Benefit Zones.

In the absence of an annual assessment, the improvements in each Benefit Zone of the District would not be provided, therefore the improvements are “over and above” what is being provided in other portions of the County as part of the Public Works Facilities Division. All assessment proceeds derived from each Benefit Zone are utilized to fund the cost of providing a level of tangible “special benefits” in the form of proximate landscaping and other permanent public improvements. The assessments are also structured to provide specific improvements within each Benefit Zone, further ensuring that the improvements funded by the assessments are of specific and special benefit to property within each Benefit Zone.

Specific benefits conferred on property include:

- Unique proximity to improved landscaped areas;
- Access to improved landscape and park and recreation areas;
- Improved aesthetic views within each Benefit Zone; and
- Extension of a property's outdoor area due to the properties being in close proximity to the landscape and park improvements.

Properties outside the District's Benefit Zones do not enjoy the unique proximity, access, views, and other special benefits described previously. Moreover, many of the homes and other improvements on parcels in the Benefit Zones would not have been built if the assessments were not established, because an assessment for public landscaping and parks and recreation was a condition of approval for the associated developments. Without the annual assessments, the public improvements and annual maintenance provided within the Benefit Zones would not exist and the areas would turn into unmaintained and unusable public improvements and public lands. If this happened, it would create a significant and material negative impact on the desirability, utility, and value of property in the Benefit Zone. The improvements are, therefore, clearly above what otherwise would be provided. In fact, it is reasonable to assume that if assessments were not collected and the improvements were not maintained as a result, properties in the Benefit Zones would decline in desirability, utility, and value by significantly more than the amount of the assessments.

Although these improvements may be available to the public at large, the public landscaping, parks and recreation, and other public improvements in each Benefit Zone of the District were specifically designed, located, and created to provide additional and improved public resources for the direct advantage of property inside each Benefit Zone, and not the public at large. The boundaries of the Benefit Zones have been narrowly drawn to include only those parcels that receive a direct advantage from the improvements.

In addition to the special and direct benefits the property owners receive within each of the Benefit Zones from these enhanced landscaping and park and recreation improvements, there are also some incidental visual benefits received by vehicular and pedestrian traffic, or flow-through traffic which may pass by the landscaping and park and recreation improvements within the District. Even though these are incidental benefits, they must be accounted for and cannot be assessed to the properties within the District and each associated Benefit Zone. Therefore, based on flow-through traffic, it is conservatively estimated that approximately 99% of the annual cost to operate and maintain the landscaping and parks and recreation improvements would be a special and direct benefit to the parcels within the District and one percent of the annual cost to operate and maintain the landscaping and park improvements would be a general benefit.

It is therefore concluded that all the landscape improvements funded by the assessments confer special benefits to the identified benefiting properties located within the District and each associated Benefit Zone and that the value of the special benefits from such improvements to property in the Benefit Zones reasonably exceeds the cost of the assessments for every assessed parcel in a Benefit Zone. In other words, as required by

Proposition 218, the reasonable cost of the proportional special benefit conferred on each parcel reasonably exceeds the cost of the assessments.

Furthermore, the County owns, maintains, rehabilitates, and replaces curbs and gutters along the border of each of the Benefit Zone improvements. These curbs and gutters serve to support, contain, retain, manage irrigation flow, and plant growth, and provide a boundary for the improvements. The contribution from the County towards general benefit from the maintenance, rehabilitation and replacement of the curb and gutter is conservatively estimated to be at least one percent.

PARKS AND RECREATION BENEFIT DETERMINATION

The overall quality of life and desirability of an area is enhanced when public parks and recreation facilities are in place, improved, and maintained. Conversely, property desirability decreases when park and recreational facilities are unsafe or destroyed by the elements or vandalism.

Property desirability in an area also increases when there is an increase in the number of parks, recreation centers, and sports facilities. These park and recreational facilities enable property owners to participate in sporting events, leisure activities, picnics, organized social events, and other miscellaneous activities.

Studies in a number of communities, including counties and cities throughout the United States, have indicated that recreation areas and facilities, if well maintained and wisely administered, have caused a marked increase in the property values of parcels in the community. Consequently, such park and recreation facilities have proved to be an important factor in maintaining a sound economic condition and a high standard of livability in the community. These studies confirm the opinion long held by planning authorities as to the economic value of parks and recreational facilities in a community.

> *"The recreation value is realized as a rise in the value of land and other property in or near the recreation area, and is of both private interest to the landowner and others, holding an economic stake in the area, and of public interest to the taxpayers, who have a stake "* (National Recreation and Park Association, June 1985)

> *“Recreation and park amenities are central components in establishing the quality of life in a community… [businesses’] main resource is their employees for whom quality of life is an important issue. The availability and attractiveness of local parks and programs influences some company’s relocation decisions… the presence of a park encourages real estate development around it.”* (California Parks & Recreation, Winter 1997)

The benefit of parks and other recreational facilities to residential and commercial/industrial properties has been summarized by a number of studies. The United States Department of the Interior, National Park Service, in a publication of June 1984, concluded that:

- "Parks and recreation stimulate business and generate tax revenues."
- "Parks and recreation help conserve land, energy, and resources."
- "An investment in parks and recreation helps reduce pollution and noise, makes communities more livable, and increases property values."
- "Public recreation benefits all employers by providing continuing opportunities to maintain a level of fitness throughout one's working life, and through helping individuals cope with the stress of a fast-paced and demanding life."

Proper maintenance and operation of the parks within the District benefits those properties within the service areas of the parks by providing environmental quality and recreational enhancement. The amount of benefit received will vary with the different land use on the property. There are two categories from which the total benefit of a parcel is derived:

1. **Environmental Quality Benefit.** The improvement of the quality of air, visual aesthetics, and attractiveness of the community as a place to live and work and do business.

2. **Recreation Enhancement Benefit.** The availability and access to usable and safe park and recreational facilities.

Recent studies have shown that adequate parks and recreation facilities and recreation programs help to reduce crime and vandalism. This results in savings to property owners and improved property values and promotes the well-being of the community.

LANDSCAPING BENEFIT DETERMINATION

Trees, landscaping, hardscaping, and appurtenant facilities, if well maintained, provide beautification, shade, and enhancement of the desirability of the surroundings. In Parkways and Land Values, written by John Nolan and Henry V. Hubbard in 1937, it is stated:

> *"... there is no lack of opinion, based on general principles and experience and common sense, that parkways do in fact add value to property, even though the amount cannot be determined exactly. Indeed, in most cases where public money has been spent on parkways the assumption has been definitely made that the proposed parkway will show a provable financial profit to the City. It has been believed that the establishment of parkways causes a rise in real estate values throughout the City, or in parts of the City..."*

It should be noted that the definition of "parkways" above may include the roadway as well as the landscaping alongside the roadway.

Proper maintenance and operation of the street landscaping provides beautification and enhancement of the desirability of surroundings. The Benefit Zones in the District enjoy a reputation for beauty, and the landscape improvements along the major thoroughfares in the medians and parkways enhance that reputation and benefit all parcels in each Benefit Zone. These major thoroughfares are the entryways into the various Benefit Zones and as such provide beautification to the entire Benefit Zone.

ASSESSMENT METHODOLOGY

The total operation, maintenance, and servicing cost for the landscaping and public park and recreation facilities are apportioned in accordance with the methodology that is consistent with standard assessment engineering practices. The method for spreading the costs to each parcel is based on the Equivalent Dwelling Unit (EDU) factor, with the exception of Benefit Zone 7 assessments, which are assessed on potential floor area for commercial/industrial parcels and Benefit Zone 35 assessments which are assessed on acreage.

Since the assessment is levied on the owners of properties as shown on the tax rolls, the final charges must be assigned by Assessor's Parcel Number. If assessments were to be distributed by parcel, not considering land use, this would not be equitable because a single-family parcel would be paying the same as a 50-unit apartment parcel or a large commercial establishment. Therefore, as previously stated, the total assessment costs are distributed to each parcel of land based on the number of EDUs associated with each particular parcel.

Commercial and industrial parcels benefit similarly to residential parcels because of increased property values and the ability to have their workers and patrons use the park and recreation facilities. Commercial and industrial parcels are assessed based on their acreage because larger parcels have the ability to generate larger pedestrian flows. The methodology used to assign EDUs to other land uses in proportion to the benefit they receive relative to the single-family residential parcel is shown below.

Developed Single Family Residential - The developed single-family parcel has been selected as the basic unit for calculation of the benefit assessments. This basic unit shall be called an **Equivalent Dwelling Unit (EDU)**. Parcels designated as developed single family residential uses per the Contra Costa County land use code are assessed one (1.00) EDU.

Developed Multiple Residential - The EDUs for land designated as developed multi-family uses which includes townhomes, condominiums, mobile homes, and apartments are assessed a factor of one-half (0.50) EDU per dwelling unit, e.g., a parcel with a 100-unit apartment would be assessed 50 EDUs. Based on data from representative cities in Northern California, the multiple family residential factor of fifty (50) percent is determined by the statistical proportion of relative trips generated from various types of residential uses, in combination with density per unit. Benefit Zones 18, 27, and 45 are assessed as 1.00 EDU per dwelling unit for townhomes and condominiums.

Developed Commercial/Industrial, Recreational, Institutional, and Other Miscellaneous Uses - Developed commercial and industrial properties include commercial, industrial, recreational, institutional, or miscellaneous uses per Contra Costa County land use codes. The parcels are assessed based upon their acreage. The parcels are assessed one (1.00) EDU for the first acre or any portion thereof, one (1.00) EDU/acre for each additional acre up to a maximum of three (3.00) EDUs. The minimum number of EDUs per parcel is one (1.00) EDU.

Commercial, industrial, recreational, institutional, or miscellaneous uses in Benefit Zone 7, both developed and undeveloped per Contra Costa County land use codes, are assessed based upon the potential floor area ratio of the parcel. The minimum rate per parcel will be one single family unit.

Undeveloped Single Family Residential - Parcels defined as undeveloped single-family residential parcels will be assessed at fifty (50) percent of the developed single-family rate or 0.50 EDU's.

Undeveloped Multiple Family Residential - The EDUs for land designated as undeveloped multi-family use which includes undeveloped townhomes, condominiums, mobile homes, and apartments are assessed half of the developed EDU factor per planned dwelling unit. For example, a parcel that is planned for a 100-unit apartment complex would be assessed 25 EDUs. If the number of planned dwelling units are not known, then the rate is 0.50 EDUs/acre with a minimum of 0.50 EDUs and a maximum of 1.50 EDUs.

Undeveloped Non-Single Family Residential - Parcels defined as undeveloped non-single family residential will be assessed at fifty (50) percent of the developed commercial/industrial rate. These parcels include undeveloped commercial/industrial, recreational, institutional, and other miscellaneous parcels. These parcels will be assessed at 0.50 EDUs per acre or any portion thereof, with a minimum of 0.50 EDU per parcel and a maximum of 1.50 EDUs per parcel (3.00 acres). Incremental acreage greater than 3.00 acres is considered to be an open space area and therefore receives no further assessment.

Undeveloped property is described as parcels with no improved structures. Property values increase for undeveloped parcels when public infrastructure improvements are installed and well maintained.

Exempt - Exempted from the assessment would be the areas of all public streets, public avenues, public lanes, public roads, public drives, public courts, public alleys, all easements and rights-of-ways, all public parks, cemeteries, greenbelts, and parkways, and all public school property, other public property, designated open space, and public utilities.

BENEFIT ZONE CLASSIFICATION

As properties develop throughout the County, they are annexed into the District. A specific Benefit Zone may be created for these properties or they may be included within an existing Benefit Zone, which is unique and distinguishable from other Benefit Zones located within the District. Each Benefit Zone is evaluated to determine which improvements are of a specific and direct benefit to the parcels in that Benefit Zone. Once the improvements have been identified, a method of allocating those costs to the benefiting parcels is developed.

The following is a listing of the various Benefit Zones in the District, their corresponding number of parcels/units in each Benefit Zone, and the method of apportioning the costs of the improvements. Some Benefit Zones include an increase each year as allowed by the assessment formula when the Benefit Zone was formed.

- **Zones 1, 2, and 4 (Lynbrook Development - Bay Point)** Subdivisions 5354, 5380, 5533, 5534, 5695, 5696 (old 6622), and MS11-84.

  Formed: 1979
  Zone 1: 329 parcels; Zone 2: 127 parcels; Zone 4: 228 parcels

To: **Board of Supervisors**

From: Monica Nino, County Administrator

Report Title: Resolution Approving Side Letters Providing for MOU Extensions, Wages, and One-Time Lump Sum Payment.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
ADOPT Resolution No. 2026-276 approving the Side Letters between the County of Contra Costa and AFSCME Local 512, AFSCME Local 2700, AFSCME Local One, IFPTE Local 21, SEIU Local 1021, the Deputy District Attorneys Association, the Contra Costa Defenders Association, the District Attorney Investigators Association, and the Western Council of Engineers, providing for MOU extensions, salary increases, and a one-time lump sum payment.

FISCAL IMPACT:
The estimated annual cumulative cost for the negotiated salary increases extensions is $20.6 million for FY 2026/27. The lump sum payment is expected to have a one-time cost of approximately $5.4 million dollars.

Operating departments will be responsible for absorbing the increased personnel costs and will need to monitor expenditures to remain within budget during the fiscal year.

BACKGROUND:
The Side Letters arise out of a formal request to bargain from the Union Coalition, comprised of AFSCME Local 512, AFSCME Local 2700, AFSCME Local One, IFPTE Local 21, SEIU Local 1021, the Deputy District Attorneys Association, the Contra Costa Defenders Association, and the Western Council of Engineers. These employee organizations have contracts expiring on June 30, 2026. The County and Union Coalition agreed to negotiate a one-year extension on the limited subject of salary. Following the tentative agreement with the above unions on May 21, 2026, the District Attorney Investigators Association requested to bargain a similar agreement and the parties reached a tentative agreement on June 2, 2026.

The nine unions immediately began the process of conducting ratification votes, and each tentative agreement has been ratified by their respective memberships as of the date of this action.

In summary, the County and unions agreed to an MOU extension to modify the following provisions in the existing MOUs:

1. Duration of Agreement
    a. The term of the agreements were extended through June 30, 2027.

2. Wages
    a. Effective July 1, 2026, the base rate of pay for classifications represented by the Unions will be increased by three percent (3%).
3. One-Time Lump Sum
    a. Full-time Permanent and Project employees in positions represented by the Union and who are employed by the County on July 1, 2026, will receive a one-time lump sum payment in the amount of one thousand dollars ($1,000) on the August 10, 2026, pay warrant. Part-time Permanent and Project employees who are employed by the County on July 1, 2026, will receive the amount prorated based on the employee's regular position hours. The lump sum will be subject to any required deductions and/or withholdings.
    b. Temporary employees represented by the Union who are employed by the County on July 1, 2026, will receive a one-time lump sum payment in the amount of five hundred dollars ($500) on the August 10, 2026, pay warrant, subject to the following conditions:
        i. The temporary employee worked at least eighty (80) hours between May 1, 2026, and May 31, 2026, and
        ii. The lump sum will be subject to any required deductions and/or withholdings.
        iii. Per Diem and Retiree Temporary employees are not eligible for the lump sum payment.

CONSEQUENCE OF NEGATIVE ACTION:

Represented employees will not receive wages agreed to in the tentative agreements between the Unions and County.

CONTRA COSTA COUNTY

Staff Report

File #: RES 2026-277 **Agenda Date:** 7/7/2026 **Agenda #:** D.8.

To: **Board of Supervisors**

From: Monica Nino, County Administrator

Report Title: Resolution Providing Salary Increases and a One-Time Lump Sum Payment for Specified Management, Exempt, Elected and Unrepresented Employees.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
ADOPT Resolution No. to provide general salary increases and a one-time lump sum payment for specified Management, Exempt, Unrepresented, and Elected classifications, effective July 1, 2026.

FISCAL IMPACT:
The estimated annual cumulative cost for the negotiated salary increases is $3.8 million for FY 2026/27. The lump sum payment is expected to have a one-time cost of approximately $550,000 dollars.

Operating departments will be responsible for absorbing the increased personnel costs and will need to monitor expenditures to remain within budget during the fiscal year.

BACKGROUND:
Historically, the wages and benefits granted by the County to its department heads, managers, and unrepresented employees have closely followed the wages and benefits negotiated by the County with its various labor organizations. The Union Coalition, comprised of several employee groups, recently negotiated contract extensions with salary increases and a one-time lump sum payment. The attached Resolution increases wages and provides a one-time lump sum payment to align unrepresented management with the agreements bargained with the Union Coalition.

The following summarizes the modifications to wages

1. Wages
    a. Effective July 1, 2026, the base rate of pay for classifications listed in Exhibit A will be increased by three percent (3%).
2. One-Time Lump Sum
    a. Full-time Permanent and Project employees in classifications listed in Exhibit A who are employed by the County on July 1, 2026, will receive a one-time lump sum payment in the amount of one thousand dollars ($1,000) on the August 10, 2026, pay warrant. Part-time Permanent and Project employees who are employed by the County on July 1, 2026, will receive the amount prorated based on the employee's regular position hours. The lump sum will be subject to any required deductions and/or withholdings.
    b. Temporary employees in classifications listed in Exhibit A will receive a one-time lump sum payment in the amount of five hundred dollars ($500) on the August 10, 2026, pay warrant,

subject to the following conditions:

i. The temporary employee worked at least eighty (80) hours between May 1, 2026, and May 31, 2026, and

ii. The lump sum will be subject to any required deductions and/or withholdings.

iii. Per Diem and Retiree Temporary employees are not eligible for the lump sum payment.

CONSEQUENCE OF NEGATIVE ACTION:

The County could be detrimentally impacted by difficulty recruiting and retaining qualified personnel.

THE BOARD OF SUPERVISORS OF CONTRA COSTA COUNTY, CALIFORNIA

and for Special Districts, Agencies and Authorities Governed by the Board

The Contra Costa Board of Supervisors, acting in its capacity as the governing board of the County of Contra Costa and the Board of Directors of the Contra Costa County Fire Protection District RESOLVES THAT:

Staff Report

To: **Board of Supervisors**

From: Monica Nino, County Administrator

Report Title: Resolution Providing Salary Increases and a One-Time Lump Sum Payment for IHSS Public Authority Employees.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
ADOPT Resolution No. 2026-278 to provide general salary increases and a one-time lump sum payment for IHSS Public Authority Employees, effective July 1, 2026.

FISCAL IMPACT:
The estimated annual cumulative cost for the negotiated salary increases is $47,000 for FY 2026/27. The lump sum payment is expected to have a one-time cost of approximately $15,000.

Operating departments will be responsible for absorbing the increased personnel costs and will need to monitor expenditures to remain within budget during the fiscal year.

BACKGROUND:
The IHSS-Public Authority employees' wages have historically been linked to the resolution providing benefits and compensation for unrepresented management and exempt employees of Contra Costa County. The attached Resolution provides for the same increases for IHSS/PA employees to maintain alignment between IHSS Public Authority staff wage increases and those of unrepresented County management.

CONSEQUENCE OF NEGATIVE ACTION:
The wages of employees of the IHSS/PA will no longer be consistent with those of management-exempt and unrepresented employees of Contra Costa County.

The Public Authority will implement the following salary increases and one-time lump sum payments for the classifications listed below:

Part-time Permanent and Project employees in classifications listed below who are employed by the Public Authority on July 1, 2026, will receive the amount prorated based on the employee's regular position hours. From: Equity Committee

Report Title: Adoption of Non-Cooperation Policy Limiting Resources for Cooperation with Immigration Authorities

☐Recommendation of the County Administrator ☒ Recommendation of Board Committee

RECOMMENDATIONS:

ADOPT Resolution No. 2026-279 establishing a Non-Cooperation Policy that limits the use of County funds or resources to cooperate with immigration authorities, restricts the use of County-owned or controlled properties by immigration authorities, prohibits County employees from disclosing certain information to immigration authorities unless required by law, addresses access to County services, establishes a Sheriff's Office reporting requirement, and establishes related restrictions; and consider providing direction to staff.

FISCAL IMPACT:

No fiscal impact.

BACKGROUND:

On August 12, 2025, the Board of Supervisors referred to the Equity Committee the matter of guidance on department interactions with immigration enforcement authorities.

On September 22, 2025, the Equity Committee received a report on existing internal County departmental policies that address interactions with federal immigration authorities and provided direction to staff.

On November 17, 2025, the Equity Committee discussed a draft non-cooperation policy/ordinance.

On April 20, 2026, the Equity Committee discussed a draft non-cooperation policy.

On June 15, 2026, the Equity Committee received and discussed a draft non-cooperation policy. After receiving public comment, the Equity Committee moved to refer the draft policy to the Board of Supervisors for review and approval.

The draft policy as referred by the Equity Committee recognizes that immigrants are valuable and essential members of the community and that a relationship of trust between the County and the immigrant community is central to public safety and community well-being. If adopted, the policy would prohibit employees from

providing immigration authorities with access to non-public areas of County property for purposes of immigration enforcement unless pursuant to a judicial warrant or required by law, prohibit departments from responding to administrative warrants from immigration authorities, prevent the use of County properties, including parking lots, vacant lots, and parking garages, for purposes of staging, processing, or establishing an operational base for purposes of immigration enforcement, prevent the provision of County-maintained information to immigration authorities for the purpose of assisting with immigration enforcement, except as required by law, prohibit conditioning the provision of County services and benefits on an individual's citizenship and immigration status, except as required by law, require County personnel to immediately notify their supervisor of a request by an immigration authority to access any non-public area or non-public records, and require monthly reporting from the Sheriff's Office regarding contacts with immigration authorities.

In connection with this referral, the Equity Committee requested a summary of the state and federal laws and regulations that restrict the disclosure of data and information maintained by the County. A non-exhaustive list of the various legal protections that pertain to different categories of records and information is attached to this item. In addition to these protections, the County's standard form contracts require contractors to comply with all applicable laws, and adhere to laws and regulations regarding confidentiality, including maintaining the confidentiality of the identity of persons served under the contract and the services provided to them.

CONSEQUENCE OF NEGATIVE ACTION:

RESOLUTION NO. _____

Contra Costa County
Non-Cooperation Policy

Section 1. Findings.

(b) Immigrants are valuable and essential members of the Contra Costa County community.

(c) A relationship of trust between the County of Contra Costa's immigrant community and the County of Contra Costa, its departments, programs, and personnel is central to the public safety of Contra Costa County residents.

(d) This trust is threatened when state and local agencies are entangled with federal immigration enforcement, with the result that immigrant community members fear seeking basic health services, attending school, or contacting or cooperating with law enforcement when they are victims of or witnesses to crimes, to the detriment of public safety and the well-being of all Californians, including Contra Costa County residents.

(e) Entangling state and local agencies with federal immigration enforcement programs diverts already limited resources and blurs the lines of accountability between local, state, and federal governments.

(f) There are legal concerns with leveraging the County of Contra Costa's resources for federal immigration endeavors, including but not limited to the prospect of Contra Costa County residents being denied due process, detained in violation of the Fourth Amendment of the United States Constitution, or targeted on the basis of race, ethnicity, language, accent, occupation, or presence at certain locations.

(g) This Policy seeks to protect the safety, well-being, and constitutional rights of Contra Costa County residents, and to direct the County's limited resources to matters of greatest concern.

(h) The Board of Supervisors and the public will benefit from receiving monthly reports from the Sheriff's Office regarding any interactions with Immigration Authorities.

(i) Various laws and regulations protect specified data and information that may be maintained by the County, including, among other things, data regarding recipients of social services, juvenile case file information, and protected health information. Contra Costa County's standard form contracts require contractors to comply with all applicable laws, and adhere to laws and regulations regarding confidentiality, including maintaining the confidentiality of the identity of persons served under the contract and the services provided to them.

Section 3. Prohibition on the Use of County Funds or Resources.

Unless required by federal or state law, no County funds or resources, including, but not limited to, County personnel and County property, shall be utilized to:

(a) Assist or cooperate with requests by United States Immigration and Customs Enforcement or other Immigration Authorities, to hold, detain, house, transfer, or otherwise facilitate the investigation, detention, or arrest of any person in the custody of the Contra Costa County Sheriff's Office, or any other County department, unless pursuant to a judicial warrant (as defined in California Government Code § 7284.4(i)) or otherwise required by law.

(b) Provide any Immigration Authority with access to any non-public areas of property owned or controlled by the County, including but not limited to, County jails, stations, conference rooms, and databases, for the purpose of Immigration Enforcement, unless pursuant to a judicial warrant (as defined in California Government Code section 7284.4(i)) or otherwise required by law.

Section 4. Access to County Services.

(a) No County department, officer, or employee who collects information for the purpose of determining eligibility for services or benefits; for seeking reimbursement from federal, state, or third-party payors; or in the course of providing County services to clients shall use any County funds or resources to provide that information to an Immigration Authority for the purpose of assisting with Immigration Enforcement, except as mandated by state or federal law, including but not limited to, 8 U.S.C. § 1373.

(b) No County department, agency, officer, or employee shall condition the provision of County services or benefits on the citizenship or immigration status of the individual except where such conditions are lawfully imposed by federal or state law or local public assistance eligibility criteria.

(c) Nothing in this Policy shall prohibit or otherwise restrict the County from complying with a valid judicial warrant issued by a federal or state judge, or other order evidencing a judicial determination of probable cause. This Policy does not prohibit assistance or cooperation as required by law.

Section 5. Reporting Required.

(a) Beginning _____, 2026, the Sheriff's Office shall monthly report its contact with any Immigration Authority for the purposes of Immigration Enforcement on the regular agenda of the Board of Supervisors as a consent item and post the information on the Sheriff's Office Transparency Portal on the Sheriff's Office's website. (b) If the Sheriff's Office participates in a joint law enforcement task force as described in Government Code section 7284.6(c)(1), and Sheriff's Office personnel assists in any way with Immigration Enforcement as part of its participation in the joint law enforcement task force, the Sheriff's Office shall report the following information to the Board of Supervisors on a bi-annual basis:

1. The purpose of the task force.
2. The federal, state, and local law enforcement agencies involved.
3. The total number of arrests made during the preceding six-month period.
4. The number of people arrested for Immigration Enforcement purposes during the preceding six-month period.
5. The number of Contra Costa County Sheriff sworn personnel assigned to the joint law enforcement task force and a general description of the types of investigations that officers participated in during the preceding six-month period.

The Sheriff's Office shall report this information on the regular agenda of the Board of Supervisors as a consent item and shall post the information on the Sheriff's Office Transparency Portal on the Sheriff's Office's website. If there is no information to report for any six-month period, the Sheriff's Office shall include a statement in this regard on its website and is not required to report any information on the regular agenda of the Board of Supervisors for that six-month period.

(c) Reporting under this Policy does not replace the Sheriff's obligations under the Truth Act and/or other applicable laws.

Section 6. Conflict With Other Policies

In the event of a conflict between this policy and a specific departmental policy that the department maintains pursuant to Government Code section 7284.8 or Health and Safety Code section 24250 et seq., the specific policy shall govern.

A RESOLUTION ADOPTING THE COUNTY OF ALAMEDA POLICY PROHIBITING THE USE OF COUNTY-OWNED OR COUNTY-CONTROLLED PROPERTIES FOR FEDERAL CIVIL IMMIGRATION ENFORCEMENT ACTIVITIES INCLUDING STAGING AREAS, PROCESSING LOCATIONS, OR OPERATIONS BASES

RESOLUTION NUMBER R-2026-47

WHEREAS, in 2016, the Board of Supervisors declared and affirmed that the County of Alameda is a Welcoming County committed to bringing immigrants and refugees and the broader community together to develop policies, programs, and initiatives that build welcoming communities and provide all residents with the knowledge and tools to thrive and fully participate in their communities; and

WHEREAS, the County of Alameda is committed to ensuring the safety, dignity, and human rights of all our residents, regardless of race, religion, immigration status, or national origin; and

WHEREAS, civil immigration enforcement activities have historically undermined community trust, spread fear, and created barriers to refugee and immigrant community members accessing essential County services, seeking basic health services, and reporting crime to local law enforcement, contributed to increased absenteeism from work, and disrupted schooling to the detriment of all County residents; and

WHEREAS, throughout the State and Nation there has been an increase of incidents of arrests of both citizens and non-citizens by masked non-uniformed plain-clothed federal agents. Often these agents will not have visible names, officer identification numbers, or other individually identifying information on their person. This practice causes confusion, fear, and panic because community members have no way of knowing whether these agents are exercising legitimate authority or committing a crime thereby spreading distrust in law enforcement and harming public safety for all County residents; and

WHEREAS, the County of Alameda has long recognized that public safety is best achieved through trust and collaboration between residents and local government, not through the militarization or deputization of County resources in service of civil immigration enforcement; and

WHEREAS, the Alameda County Sheriff's Office General Order 1.24 revised on October 1, 2025 describes the Alameda County Sheriff's Office (ACSO) Zero-Contact policy with immigration officials, except when a criminal warrant has been signed by a judge; and

WHEREAS, in recent months, the County has observed across the country the commandeering of county, and city-owned facilities for immigration enforcement, an activity that is solely the responsibility of the

federal government; and

WHEREAS, the unauthorized use of County resources, property, or personnel to facilitate civil immigration enforcement actions ignores the intended purposes of such assets and interferes with and undermines the County's authority over, and its use of, its own limited resources, property, and personnel; and

WHEREAS, in this time of economic difficulties the County seeks to ensure that the County's resources, property, and personnel are used and expended only in furtherance of the objectives for which they are allocated and not used for the purposes of civil immigration enforcement which would divert County resources from programs beneficial to the County and its residents; and

WHEREAS, the use of County resources, property, or personnel to facilitate civil immigration enforcement actions is inconsistent with, and undermines both the spirit and intent of, the County's Welcoming County policy; and

WHEREAS, such use of County resources further erodes trust between refugee and immigrant communities and local law enforcement, weakening the relationships that are essential to ensuring public safety; and

WHEREAS, consistent with Alameda County's long-standing commitment to equity, inclusion, public safety, and ensuring access to essential services for all residents regardless of immigration status, numerous jurisdictions across the United States have recently adopted, or are actively considering, ICE-Free Zones or similar policies to preserve trust between immigrant communities and local government and to prevent fear from deterring residents from accessing public services, including California jurisdictions such as Santa Clara County, the City and County of San Francisco, Los Angeles County, San Mateo County, and the City of Berkeley; Illinois jurisdictions including the City of Chicago and Cook County; the City of Boston, Massachusetts; New Jersey jurisdictions including Hoboken, Jersey City, Newark, and Paterson; New York jurisdictions including New York City and Rochester; and the cities of Portland, Oregon; Seattle, Washington; Denver, Colorado; and Albuquerque, New Mexico, reflecting a shared commitment to protecting civil rights, promoting community well-being, and ensuring effective and inclusive local governance.

NOW, THEREFORE BE IT RESOLVED, THAT THE BOARD OF SUPERVISORS OF THE COUNTY OF ALAMEDA, does hereby enact the following policy to prohibit the use of county-owned or county-controlled properties, for certain civil immigration enforcement activities.

THE COUNTY OF ALAMEDA POLICY PROHIBITING THE USE OF COUNTY-OWNED OR COUNTY-CONTROLLED PROPERTIES FOR FEDERAL CIVIL IMMIGRATION ENFORCEMENT ACTIVITIES INCLUDING STAGING AREAS, PROCESSING LOCATIONS, OR OPERATIONS BASES

Section 1. Prohibition on Use of County-owned or County-controlled properties.

No County-owned or County-controlled properties, including parking lots, vacant lots, garages, or nonpublic areas of buildings shall be used for staging areas, processing locations, or operations bases for the purpose of civil immigration enforcement.

Section 2. Definitions

"Staging area" means an area that is used to assemble, mobilize, and deploy vehicles, equipment, or materials, and related personnel, for the purpose of carrying out civil immigration enforcement operations.

"Processing location" means an area that is used for activities such as the identification, intake, processing of documentation, detention, arrest, or temporary holding of individuals for the purpose of carrying out civil immigration enforcement operations.

"Operation base" means an area that is used to plan, coordinate, and execute civil immigration enforcement operations.

Section 3. Implementation and Enforcement

The County Administrator or her designee shall identify County-owned or County-controlled properties, including parking lots, vacant lots, garages, or nonpublic areas of buildings that could be used as staging areas, processing locations, or operations bases for the purpose of civil immigration enforcement. The County Administrator or her designee in consultation with the Office of the County Counsel, shall ensure that all County-owned and/or County-controlled parking lots, vacant lots, parking garages, and non-public areas of County-owned and/or County-controlled facilities have clear signage designating that the property is owned and/or controlled by the County and cannot be used for any purpose not expressly authorized by the County.

The County Administrator or her designee shall further ensure that, wherever appropriate, physical barriers such as locked gates are used to limit access to County-owned or County-controlled properties, including parking lots, vacant lots, garages, or nonpublic areas of buildings consistent with this order.

The County Administrator or her designee shall develop the procedures necessary to implement this policy and report progress at the following Alameda County Together for All Ad Hoc Committee meeting. These implementing procedures shall provide a clear reporting policy, consistent with the Response Plan for Immigration Enforcement Activity, for any County employee or contracted security guard who becomes aware of the attempted or actual use of a County-owned or County-controlled property, including a parking lot, vacant lot, garage, or nonpublic area of a building as a staging area, processing location, or operations base, or any other activity for the purpose of civil immigration enforcement. This reporting policy shall ensure that such incidents are communicated to the County Administrator's Office, County Counsel, and Public Safety Offices (Alameda County Sheriff's Office, District Attorney's Office, Public Defender's Office, and Probation Department) to help ensure due process and upholding of relevant laws.

Section 4. Identification of Federal Immigration Officers

The County calls on federal immigration enforcement officers performing official business in the County to identify themselves as federal immigration enforcement officers and to make clear that

they are not officers, agents, or employees of the County, and to comply with all State and Federal legal protections afforded to County residents.

Section 5. Private Property Signage

The County Administrator's office shall design and print standardized signage that property owners and leaseholders may display to delineate the nonpublic areas of the property in which the property owner or leaseholder wishes to restrict activities related to civil immigration enforcement.

The County will make this signage available free of charge to property owners and leaseholders, including, but not limited to, businesses, medical providers, non-profits, and faith-based institutions, that voluntarily decide to so designate their property consistent with their authority over the property and who voluntarily request such signage from the County. Property owners and leaseholders that post this signage do so at their own discretion and assume any legal risk associated therewith.

County agencies and departments shall make available to the public "know your rights" materials regarding the rights of employees, tenants, and security staff regarding entry by federal agents.

Section 6. Scope.

This policy does not apply to property that is subject to an existing lease or concession agreement to which the County is a party. This policy is not intended to, and shall not be interpreted to, interfere with any such lease or agreement.

Nothing in this policy shall be construed as restricting or interfering with the execution of lawful judicial warrants or the enforcement of criminal law, nor as limiting the rights of any person or entity under state or federal law. Nothing in this policy shall be construed as contrary to or in defiance of any Federal or State Law.

This policy does not prohibit the lawful use of County-owned or County-controlled property for purposes other than a staging area, processing location, operations base, or any other activity for the purpose of civil immigration enforcement, nor does it restrict any person or entity from carrying out functions unrelated to those purposes on such property.

Section 7. Severability

If any section, subsection, sentence, clause, phrase, or word of this policy or its application is for any reason held to be invalid or unconstitutional by a decision of any court of competent jurisdiction, such decision shall not affect the validity of the remaining portions of this policy. To this end, the provisions of this policy, and each of them, are severable.

Section 8. Effective Date.

This policy will take effect upon its execution and filing with the Clerk of the Board.

Be it ordained by the People of the City and County of San Francisco:

Section 1. Findings.

As set forth in the preamble to the City Charter, the City's mission is to improve the quality of urban life; to encourage the participation of all persons and all sectors in the affairs of the City; to enable municipal government to meet the needs of the people effectively and efficiently; to provide for accountability and ethics in public service; to foster social harmony and cohesion; and to assure equality of opportunity for every resident.

To further this mission, the City invests in and maintains substantial resources, including real and personal property, to support and administer duly authorized public programs such as health care, education, transportation, emergency response, housing,

public safety, workforce and business development, and other essential municipal services. City facilities are critical access points relied upon by all residents, and preserving their safety, accessibility, and operational continuity, is a matter of practical necessity and fiscal responsibility.

City law has long prohibited City officials from using City resources to assist in the enforcement of federal immigration laws, except in narrowly defined circumstances. Consistent with the City's mission, the purpose of that prohibition is to encourage the participation of all persons in the affairs of the City. To investigate and solve crimes, fight fires, provide emergency assistance, and deliver comprehensive public health programs, among other things, the City needs the cooperation and involvement of all City residents, regardless of citizenship status. If the City were to assist with the enforcement of federal immigration laws, including permitting the use of City property to conduct enforcement, it would unquestionably discourage that critical cooperation and involvement.

Substantial evidence from major cities across the country demonstrates that recent surges in immigration enforcement activity discourage participation in the affairs of those cities, which disrupts municipal operations, creates public health and safety risks, and depresses commercial activity. National surveys conducted by the Urban Institute found that roughly one in six adults in immigrant families avoided public programs or facilities because of immigration-related fears. Community-based organizations in cities experiencing recent immigration raids have reported reduced engagement in public life, with many residents unwilling to access essential services such as health care, libraries, and workforce centers, as well as public events.

In Southern California, following reports of increased immigration enforcement activity near medical sites, health clinics reported no-show rates climbing from approximately 9% to more than 30 % with residents skipping medical appointments, vaccinations, and pharmacy

visits. Los Angeles County's main hospital reported that even threats of enforcement activity near the hospital discouraged access and thereby jeopardized community health. Also in Los Angeles County, St. John's Community Health, a major nonprofit health-care provider, reported that immigration enforcement activity at a mobile clinic site caused immediate service interruptions.

Schools and programs serving youth have recently experienced similar disruptions. In Los Angeles, following reports of increased immigration enforcement near campuses, families avoided school events, including graduation ceremonies. In Chicago, federal activity near public school facilities prompted school lockdowns and the suspension of after-school activities, as families reported fear and confusion about the presence of federal agents on or near school campuses. At Chicago's Funston Elementary School, students on the playground were rushed inside after federal agents deployed tear gas across the street, and recess was canceled for the day.

The Economic Policy Institute reported that intensified immigration enforcement increases workplace disruptions, employee turnover, and uncertainty for employers, with adverse spillover effects on local economies that depend on a stable workforce and consumer spending. A July 2025 study found that in California, recent surges in immigration enforcement had caused a sharper decline in workforce participation than any event in the past 40 years other than the Great Recession of 2008-09 and the COVID-19 pandemic. In Washington, D.C., officials observed that workers in neighborhoods impacted by increased immigration enforcement stopped reporting to job sites, adversely affecting the hospitality industry, tourism, and construction. These burdens translate into lost productivity for workers and businesses, and fiscal strain for local jurisdictions.

Recent increases in enforcement activity also have carried economic and operational consequences for local business owners, and ultimately local governments. News reports

from Chicago's Little Village and Back of the Yards neighborhoods have documented merchants locking their doors and shortening their hours during enforcement sweeps, leading to losses in sales, local tax receipts, and neighborhood vitality. In Los Angeles County, federal immigration actions destabilized businesses and disrupted county service delivery, leading the Board of Supervisors to declare a Local Emergency and to allocate resources to restore community access and economic stability.

Immigration enforcement on City property also generates acute public-safety risks. The City has devoted substantial resources to enhancing public safety and as a result has seen a recent 30% drop in crime. Effective public safety requires the cooperation of all City residents, one third of whom are immigrants. The City's efforts to reduce crime and protect public safety will be undermined if federal officers are operating on City property, blurring the lines between local policing and immigration enforcement, and thereby discouraging cooperation with local law enforcement.

The ordinance is not intended to and does not amend any existing City laws governing permitting or licensing of City property. The ordinance is not intended to and does not interfere with or obstruct lawful immigration enforcement. Federal immigration enforcement officers regularly carry out immigration enforcement in the City. The purpose of this ordinance is to preserve City resources for programs and services that further the City's mission and to ensure that the use of City property does not undermine that mission by discouraging residents' participation in the City's affairs.

City Departments are encouraged to provide training to their employees on the scope and limits of this ordinance.

Section 2. Chapter 4 of the Administrative Code is hereby amended by revising Section 4.19 to read as follows:

SEC. 4.19. USE OF CITY PROPERTY.

(a) No person or entity may use ~~R~~*real* and personal property belonging to, or subject to the control of, any City and County department, board, commission, or *other* authority *(hereinafter "the City") unless the use* ~~*shall only be used to*~~ advance*s* or promote*s* public programs or other purposes *authorized by the City and the City has* ~~*which have been duly*~~ authorized *the use* ~~*by the appropriate public agency*~~.

(b) No City official, employee, department, board, commission, or other authority shall authorize the use of any real or personal property subject to the control or jurisdiction of the City if the use will disrupt City operations or discourage access to City services, unless the use furthers a City purpose.

(c) The use of real or personal property to assist in the enforcement of Federal immigration law is not a City purpose.

(d) The use of real or personal property shall mean the right to occupy or use the property, to the exclusion of others, and shall include but not be limited to a license, permit to enter, use permit, or other similar instrument. It shall not mean non-exclusive access or use of the City's property traditionally open and available to the public where that access or use is on the same terms as members of the public and does not disrupt City operations.

(e) Upon finding that a City and County official or employee has engaged in activities prohibited by this Section *4.19*, that official or employee shall be subject to disciplinary action in accordance with the applicable provisions of the Charter.

(f) Nothing in this Section 4.19 shall be construed to interfere with or inhibit any exercise of the constitutionally protected rights of freedom of speech or assembly or to prevent the use of, or access to, City property as required by law.

(g) The City Attorney is authorized to bring a cause of action against any person or entity that violates this Section 4.19 by using City property for an unlawful or unauthorized purpose.

Section 3. No Conflict with Federal or State Law. Nothing in this ordinance shall be interpreted or applied to create any requirement, power, or duty in conflict with any federal or state law.

Section 4. No Conflict with Existing Property Interest or Agreements. Nothing in this ordinance shall be interpreted or applied to affect or interfere with any property interest or agreement, including but not limited to amendments to those agreements, deeds, easements, leases, licenses, or permits, to occupy or use City real or personal property that is entered into or effective before the effective date of this ordinance.

Section 5. Scope of Ordinance. In enacting this ordinance, the Board of Supervisors intends to amend only those words, phrases, paragraphs, subsections, sections, articles, numbers, punctuation marks, charts, diagrams, or any other constituent parts of the Municipal Code that are explicitly shown in this ordinance as additions, deletions, Board amendment additions, and Board amendment deletions in accordance with the "Note" that appears under the official title of the ordinance.

Section 6. Undertaking for the General Welfare. In enacting and implementing this ordinance, the City is assuming an undertaking only to promote the general welfare. It is not assuming, nor is it imposing on its officers and employees, an obligation for breach of which it is liable in money damages to any person who claims that such breach proximately caused injury.

Section 7. Severability. If any section, subsection, sentence, clause, phrase, or word

of this ordinance, or any application thereof to any person or circumstance, is held to be invalid or unconstitutional by a decision of a court of competent jurisdiction, such decision shall not affect the validity of the remaining portions or applications of the ordinance. The Board of Supervisors hereby declares that it would have passed this ordinance and each and every section, subsection, sentence, clause, phrase, and word not declared invalid or unconstitutional without regard to whether any other portion of this ordinance or application thereof would be subsequently declared invalid or unconstitutional.

Section 8. Effective Date. This ordinance shall become effective 30 days after enactment. Enactment occurs when the Mayor signs the ordinance, the Mayor returns the ordinance unsigned or does not sign the ordinance within ten days of receiving it, or the Board of Supervisors overrides the Mayor's veto of the ordinance.

Exhibit A – Board Policy Manual Section 3.54 Relating to Cooperation with U.S. Immigration and Customs Enforcement

2017574

EXHIBIT A

3.54 COOPERATION WITH U.S. IMMIGRATION AND CUSTOMS ENFORCEMENT

It is the policy of the County of Santa Clara that County officials and employees may cooperate with United States Immigration and Customs Enforcement (ICE) only as follows:

(A) Consistent with longstanding County policy, the California Values Act (Gov. Code, §§ 7284-7284.12), and the Fourth Amendment to the United States Constitution, the County does not, under any circumstances, honor civil detainer requests from ICE by holding inmates on ICE's behalf for additional time after they would otherwise be released from County custody.

(B) It is the policy of the County that the Sheriff may exercise discretion to facilitate the transfer of an adult inmate to ICE custody if an ICE agent presents a valid arrest warrant signed by a federal or state judicial officer, or other signed writ or order from a federal or state judicial officer authorizing ICE's arrest of the inmate. An administrative warrant signed by an agent or official of ICE or of the Department of Homeland Security (such as a Form I-200) is not a judicial warrant and will not be honored. The Sheriff and Chief of Correction shall jointly develop transfer procedures to implement this paragraph.

(C) Except as permitted by this Policy, the County shall not provide assistance or cooperation to ICE in its civil immigration enforcement efforts, including by giving ICE agents access to individuals or allowing them to use County facilities for investigative interviews or other purposes, expending County time or resources responding to ICE inquiries or communicating with ICE regarding individuals' incarceration status or release dates, or otherwise participating in any civil immigration enforcement activities. This Policy does not limit or prohibit giving assistance with the investigative activities of any local, state, or federal law enforcement agency relating to suspected violations of criminal laws.

B – Board Policy Manual Section 3.76 relating to Access to County Services

EXHIBIT A

3.75 LIMITING USE OF COUNTY PROPERTY TO USES THAT FURTHER COUNTY PURPOSES

Board Policy 3.54, Cooperation with U.S. Immigration and Customs Enforcement, provides in subsection (C) that "Except as permitted by this Policy, the County shall not provide assistance or cooperation to ICE in its civil immigration enforcement efforts, including by giving ICE agents access to individuals or allowing them to use County facilities for investigative interviews or other purposes," but that the "Policy does not limit or prohibit giving assistance with the investigative activities of any local, state, or federal law enforcement agency relating to suspected violations of criminal laws." In addition to the limitations set forth in Board Policy 3.54(C), it is the policy of the County of Santa Clara that *all* real property belonging to the County or subject to the County's control shall be used in a manner that furthers County purposes as follows:

(A) No County-owned or County-controlled parking lot, vacant lot, or parking garage shall be used for any purpose not expressly authorized by the County, including, for example, as a staging area, processing location, or operations base for federal civil immigration enforcement activities.

(B) No County department, agency, officer, or employee shall give consent for federal officials to use a County-owned or County-controlled parking lot, vacant lot, or parking garage as a staging area, processing location, or operations base for federal civil immigration enforcement activities, and no such purported consent by a County department, agency, officer, or employee shall be deemed consent by the County for any such use.

(C) No County department, agency, officer, or employee shall give consent for federal officials to access or use non-public areas of County facilities for purposes of civil immigration enforcement without a valid arrest warrant signed by a federal or state judicial officer, or other signed writ or order from a federal or state judicial officer authorizing such access, and no such purported consent by a County department, agency, officer, or employee shall be deemed consent by the County for any such access or use.

(D) The County Executive, in consultation with the Office of the County Counsel, shall ensure that all County-owned and/or County-controlled parking lots, vacant lots, and parking garages, and non-public areas of County-owned and/or County-controlled facilities, have clear signage designating that the property is owned and/or controlled by the County and cannot be used for any purpose not expressly authorized by the County.

(E) The County Executive shall ensure implementation of this policy.

(F) This policy shall not impair any lease, license, or other property interest or contractual restriction in existence prior to December 31, 2025.

(G) Nothing in this policy shall be construed as restricting or interfering with the execution of valid judicial warrants or court orders from federal or state judicial officers or with the enforcement of criminal law, nor as limiting the rights of any person or entity under state or federal law.

EXHIBIT B

3.76 ACCESS TO COUNTY SERVICES

It is the policy of the Board of Supervisors that:

(A) No County department, agency, officer, or employee shall initiate any inquiry or civil enforcement action based solely on a person's actual or suspected immigration status, national origin, race, ethnicity, and/or actual or suspected inability to speak English.

(B) No County department, agency, officer, or employee shall use any County funds, resources, or personnel to investigate, question, apprehend, or arrest an individual solely for an actual or suspected civil violation of federal immigration law.

(C) No County department, agency, officer, or employee shall condition the provision of County services or benefits on the citizenship or immigration status of the individual except where such conditions are lawfully imposed by federal or state law or local public assistance eligibility criteria.

(D) No County department, agency, officer, or employee who collects information for the purpose of determining eligibility for services or benefits; for seeking reimbursement from federal, state, or third-party payors; or in the course of providing County services to clients shall use any County funds or resources to provide that information to U.S. Immigration and Customs Enforcement (ICE) for purpose of assisting in the enforcement of federal civil immigration law, except as mandated by state or federal law, including but not limited to 8 U.S.C. § 1373.

(E) The County calls on ICE agents performing official business in the County to identify themselves as federal immigration officers, to make clear that they are not officers, agents, or employees of the County, and to comply with legal mandates to refrain from racial profiling and to respect the due process rights of county residents, including but not limited to providing all required warnings concerning an individual's right to remain silent, the right not to sign documents they do not understand, and the right to speak with a lawyer.

(F) This Policy does not limit or prohibit any County officer or employee from investigating suspected violations of criminal law.

(G) The County Executive shall ensure implementation of this policy.

ORDINANCE NO._____

AN ORDINANCE OF THE BOARD OF SUPERVISORS OF THE COUNTY OF SONOMA, STATE OF CALIFORNIA, THE BOARD OF DIRECTORS OF THE SONOMA COUNTY WATER AGENCY, THE BOARD OF DIRECTORS OF THE SONOMA COUNTY AGRICULTURAL PRESERVATION AND OPEN SPACE DISTRICT, AND THE BOARD OF COMMISSIONERS OF THE SONOMA COUNTY COMMUNITY DEVELOPMENT COMMISSION TO UPHOLD THE CIVIL RIGHTS, DIGNITY, HEALTH AND SAFETY OF OUR IMMIGRANT POPULATION AND ALL SONOMA COUNTY RESIDENTS

The Board of Supervisors of the County of Sonoma, the Board of Directors of the Sonoma County Water Agency, the Board of Directors of the Sonoma County Agricultural Preservation and Open Space District, and the Board of Commissioners of the Community Development Commission hereby find and declare as follows:

Section 1. Findings.

WHEREAS, Sonoma County is home to persons and families of diverse racial, ethnic, and national backgrounds, including a large immigrant population; and

WHEREAS, all Sonoma County immigrant residents, whether they are U.S. citizens, permanent residents, undocumented residents, refugees, or residents with any other immigration status, are valued and integral members of our social, cultural, and economic fabric; and

WHEREAS, a significant number of immigrants are working people and the primary breadwinners of their families, and many are at risk of losing employment and the ability to provide for their families due to detention or deportation; and,

WHEREAS, about half of all children in California have at least one immigrant parent, and stabilizing and improving the experience of all families, including households with undocumented and mixed immigration statuses, is an investment in our community's long-term future; and

WHEREAS, many immigrants have created deep and long-term ties in Sonoma County, which they have cultivated for themselves, their families, and their communities, and immigrants are integral to the culture, workforce, economic success, and ongoing prosperity of our county; and

WHEREAS, the County of Sonoma assures its support to communities experiencing vulnerabilities and will strive to maintain and improve their dignity and quality of life, and will not tolerate acts of hate, discrimination, bullying, or harassment; and

WHEREAS, the Sonoma County Board of Supervisors desires to make Sonoma County a safe place for everyone, including, but not limited to, immigrants from all countries, people of color, people of all religions, gender identity, sexual orientation, people with disabilities, and all communities experiencing vulnerabilities; and

WHEREAS, it is the Board's desire to ensure that its immigrant residents are able to participate in civic life and daily activities, and receive essential government services without fear of being detained by, or reported to federal immigration authorities based solely on immigration status; the languages they speak, or the color of their skin; and

WHEREAS, the national rhetoric regarding immigration during and since the 2024 National Presidential Election has resulted in concerns and uncertainty among many, including but not limited to immigrants, members of the LGBTQIA+ community, and individuals and families experiencing vulnerabilities in our community, across our State, and across our nation; and

WHEREAS, on January 10, 2025 the Board of Supervisors adopted that certain "Resolution to Uphold the Civil Rights, Dignity, Health and Safety of Our Immigrant Population and All Sonoma County Residents"; and

WHEREAS, the statewide TRUST Act (AB 4) California Trust Act limits the circumstances under which local law enforcement can detain individuals on behalf of federal immigration authorities; and

WHEREAS, the statewide TRUTH Act (AB 2792) California TRUTH Act increases transparency and oversight regarding local law enforcement's communication with federal immigration authorities; and

WHEREAS, the statewide VALUES Act (SB 54) California Values Act limits the circumstances under which local law enforcement may use funds or personnel to support immigration enforcement, and authorizes localities in California to establish further restrictions in local policies. It also prevents police and sheriff's deputies from asking about an individual's immigration status or from sharing a person's sensitive personal information with immigration authorities, unless otherwise required or permitted by law, or from arresting anyone only for having a deportation removal order or for most other immigration related violations; and

WHEREAS, the California Education Code § 234.7 prohibits schools from adopting policies or practices and discriminate against or hinder access to school services based on immigration status, and restricts schools from collecting or sharing information about immigration status; and

WHEREAS, the above referenced laws have been enacted statewide as a declaration that California recognizes and values the contributions of immigrants in our communities. While the County acknowledges the federal government's extensive legislation related to immigration regulation and enforcement, consistent with these state laws, the County declines to participate in federal efforts to enforce such federal laws in our communities; and

WHEREAS, in a letter to the community in November 2024, the Sonoma County Law Enforcement Chiefs Association reaffirmed local police and sheriff's commitment to the above-mentioned state laws, and acknowledged that "participating in federal immigration

enforcement undermines the trust and cooperation necessary for effective policing" in our community; and

WHEREAS, the Sonoma County Board of Supervisors continues to welcome opportunities to partner with the Legislature, other jurisdictions, local organizations, and businesses that support and defend these populations.

Staff Report

File #: 26-2981 **Agenda Date:** 7/7/2026 **Agenda #:** C.1.

To: Board of Supervisors

From: Greg Baer, Director of Airports

Report Title: Approve and Authorize the Director of Airports, or designee, to execute a Lease Agreement at Buchanan Field Airport

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Director of Airports, or designee, to execute a lease between the County, as Lessor, and the Federal Aviation Administration, as Tenant, for the existing Airport Traffic Control Tower located at 201 John Glenn Drive, Concord, for a term of 20 years, at an initial rate of $5,932 (rent and operating costs) per month, and 15% rent escalations for each 5-year term beginning in 2030. (100% Airport Enterprise Fund)

FISCAL IMPACT:
The Airport Enterprise Fund will receive annual lease revenue totaling $71,184 during the first 5-year term which includes $65,424 for reimbursement of airport-funded maintenance costs over the last several years.

BACKGROUND:
The Buchanan Field Airport Traffic Control Tower (Tower) is located at 201 John Glenn Drive and is staffed and operated by the Federal Aviation Administration (FAA). This County owned facility was built in 1961, and given its age, requires significant maintenance efforts. Historically there's been a lease agreement between the County and the FAA detailing items such as its use and maintenance obligations. The operative lease has been in hold-over status for approximately 18 years, and the annual rent revenue does not cover the Airport's costs. With respect to the Airport's ongoing maintenance and operating costs, the attached new lease will, 1) double the current annual rent revenue, 2) reimburse the Airport for major maintenance performed over the last several years, and 3) require the FAA to reimburse the Airport for any "major maintenance" costing more than $1,000. As detailed on page 2 of the agreement, the reimbursement of previous work will be paid-off during the first 5-year term, thus the annual Base Rent amount will be eliminated during the remainder of the lease term. Also, at the beginning of each subsequent 5-year term, the operating cost revenue will increase by 15%.
Because the relationship between the FAA and the Airports Division is so important, staff from both entities spent a significant amount of time crafting this lease that was agreeable to both entities.

CONSEQUENCE OF NEGATIVE ACTION:
The Airport Enterprise Fund would not realize the anticipated increase in operating cost revenue and would not be reimbursed for past maintenance costs.

In absence of a health or safety concern, any major maintenance or replacement, including the cost to evaluate the issues and secure bids, in excess of $1,000 must provide the Government 90 days from the date the LESSOR requests project and funding approval.

The LESSOR will provide copies of paperwork which illustrates the different bids and the final contract to complete the replacement. The determination as to if the equipment or elements need to be replaced will be at LESSOR'S discretion, however LESSOR will make a reasonable determination based on the condition and effectiveness of the equipment or elements that may need replacing, and/or based on future repairs within the next three years costing more than new equipment or new building components of the subject Tower. In the event LESSOR determines new equipment or elements are needed, LESSOR will discuss the matter with the FAA (including the Real Estate Contracting Officer and the Oakland/Golden Gate SSC Manager at ((510) 383-9835) and the LESSOR will select the best valued installation of the equipment or elements, based on a reasonable combination of quality and cost, from several bidders .The installation will be after the LESSOR obtains the Real Estate Contracting Officer's written approval (such approval shall not be unreasonably withheld) and an mutually signed Supplemental Lease is executed with a not to exceed cost and method of repayment.

B. PAYMENT OF MAJOR MAINTENANCE OR REPLACEMENTS

In the event a major replacement is required and approved by the Real Estate Contracting Officer in writing, as provided above, the FAA will pay the cost as an additional major maintenance/repair cost as agreed between both parties in a one-time lump sum or payment or as amortized over the current 5- year term of the lease as shown in Article 9.

The LESSOR and GOVERNMENT mutually agree that all major maintenance or replacements will only be commenced once both parties have executed an FAA prepared Supplemental Lease Agreement (SLA) for the major maintenance or replacement of facility equipment, or faulty building component. After the project has been completed and the work accepted by the GOVERNMENT, the LESSOR shall provide the GOVERNMENT with copies of the final billings or invoices Subject to appropriations, the GOVERNMENT agrees to reimburse the LESSOR in one lump sum or supplement the lease to amortize the cost as described above upon mutual agreement between GOVERNMENT and LESSOR within thirty (30) business days after the work is accepted by the GOVERNMENT and the LESSOR has provided the GOVERNMENT with copies of the final billings or invoices for the major replacement work.

C. Lessor's Recovery of Major Maintenance or Replacement in the Event of Termination

Should the Government opt to amortize the major maintenance/replacement and subsequently terminate the lease, subject to available appropriations, the Lessor shall recover the unamortized balance of the tenant improvement cost, effective on the date of termination. The Lessor shall amortize the actual cost of the tenant improvements over a 5-year term of the lease. The Lessor shall make a disclosure of all tenant improvement costs to the Government after all tenant improvement costs have been accounted for; such disclosure shall include a monthly payment schedule of said tenant improvement costs and balance remaining each month. In the event that the Government terminates this Lease, the Government agrees that it shall make a one-time, lump sum payment to the Lessor for the remaining unamortized principal balance of tenant improvement costs in their entirety. Lessor agrees that such payment shall release the Government from all present and future liability under this clause.

11. **Termination for Convenience (07/2023) 6.2.5-1** The Government may terminate this contract at any time, in whole or in part, if the Contracting Officer (CO) determines that a termination is in the best interest of the Government. The CO shall terminate by delivering to the Contractor a written notice specifying the effective date of the termination. The termination notice shall be issued 90 days before the effective termination date. After termination, the Contractor may submit a final termination settlement proposal to the CO in the form and with the certification prescribed by the CO. The proposal must include all documentation necessary to validate the proposal.
The Contractor must submit the proposal no later than one (1) year from the effective date of termination unless the submission deadline is extended in writing by the CO upon written request of the contractor within this one (1) year period. However, if the CO determines that the facts justify it, a termination settlement proposal may be received and acted on after one (1) year or any extension. If the Contractor fails to submit the proposal within the time allowed, the CO may determine, on the basis of information available, the amount, if any, due the Contractor because of the termination and shall pay the amount so determined.
After submission of final termination settlement proposal, the Contractor and the Contracting Officer may agree upon the whole or any part of the amount to be paid because of the termination.
If the Contractor and the CO fail to agree, the Government will pay the Contractor the amounts determined by the CO as follows:
1) The contract price for any unpaid rents;
2) The remaining principle balance of Tenant Improvement allowance as described in the clause titled “Lessor’s Recovery of Tenant Improvement Allowance in the Event of Termination” within this contract; and
3) Reasonable costs associated with termination.

If the termination is partial, the Contractor may file a proposal with the CO for an equitable adjustment of the price(s) of the continued portion of the contract. If agreed upon, the CO may make the equitable adjustment. Any proposal by the Contractor for an equitable adjustment under this clause must be requested within 90 days from the effective date of termination unless extended in writing by the CO.

The Contractor may file a claim with the Federal Aviation Administration Office of Dispute Resolution for Acquisition based on any determination made by the CO pursuant to this clause. Nothing in this clause will obligate the government to spend in excess of available appropriations.

12. **Termination for Default (09/2021) 6.2.5-2**

A. Subject to the provision of notice of default to the Lessor, and the provision of reasonable opportunity for the Lessor to cure the default, the following conditions constitute default by the Lessor:
i. Prior to Acceptance of the Premises. Failure by the Lessor to perform all obligations required for acceptance of the space, to include, but are not limited to, all obligations included within the statement of work and lease clauses, within the times specified, without such failure in performance being affirmatively excused, in writing, by the RECO.
ii. After Acceptance of the Premises. Failure by the Lessor to perform any service, or to make progress in the work so as to endanger performance; the failure to make any item; or the failure to satisfy any requirement of

this Lease, without such failure being affirmatively excused, in writing, by the RECO.
B. Grounds for Termination. The Government may terminate the Lease, in whole or in part, if:
i. after given notice and reasonable opportunity to cure by the Government, the Lessor's default persists; or
ii. the Lessor fails to take such actions as necessary to prevent the recurrence of default conditions, and such conditions substantially impair the Government's use or occupancy of the Premises, as determined by the Government.
C. The rights and remedies specified in this clause are in addition to all remedies to which the Government may be entitled to as a matter of law.

13. **Excuse (09/2021) 6.2.5-3**

A. The Lessor will not be in default because of any failure to perform the requirements of this Lease under its terms if the failure arises from causes beyond the control and without the fault or negligence of the Lessor.
B. Permissible causes for excuse are:
i. acts of God (e.g., fires, floods, pandemics, epidemics, unusually severe weather, etc.),
ii. acts of the public enemy,
iii. acts of the Government in either its sovereign or contractual capacity,
iv. pandemic, epidemic, or quarantine restrictions,
v. strikes, and
vi. freight embargoes. In each instance, the failure to perform must be beyond the control and without the fault or negligence of the Lessor.
C. Excuse will not be granted when:
i. the Lessor had actual or constructive knowledge prior to the Lease Award Date that he/she could not perform in accordance with the requirements of the Lease contract;
ii. the conditions of the property prevent performance;
iii. the Lessor, its employees, agents or contractors, by error or omission, fails to perform; or
iv. the Lessor is unable to obtain sufficient financial resources to perform its obligations.
D. The RECO will ascertain the facts and extent of the failure. If the RECO determines that any failure to perform is excusable, the RECO will revise the delivery schedule subject to the rights of the Government under the default and termination clauses of this contract.

14. **Binding Effect (09/2021) 6.2.6** The provisions of this contract and the conditions herein shall be binding upon, and for the benefit of, the parties and their successors and assigns. In the event of any sale or transfer of ownership of the property or any portion thereof, the Government will be deemed to have attorned to any purchaser, successor, assign, or transferee. The succeeding owner will be deemed to have assumed all rights and obligations of the Contractor under this contract establishing direct privity of estate and contract between the Government and said succeeding owner, with the same force, effect, and relative priority in time and right as if the contract had initially been entered into between such succeeding owner and the Government.

15. **Holdover (07/2023) 6.2.12** If after the expiration of the Lease, the Government shall retain possession of the premises, the Lease shall continue in full force and effect on a month-to-month basis. Payment shall be made in accordance with the Consideration clause of the Lease at the rate paid during the Lease term. In the event that the Contractor requested changes or improvements interferes with the technical and/or operational characteristics of the FAA's facility, the Contractor will immediately correct the interference issues at the Contractor's expense. Any FAA requested relocation, replacement, or modifications shall be at the FAA's expense. In the event such relocations, replacements, or modifications are necessary due to causes not attributable to either the Contractor or the FAA, funding responsibility shall be determined by mutual agreement between the parties, and memorialized in a Supplemental Agreement.

18. **Accessibility (Modified)** The building and the leased premises must be accessible to persons with disabilities pursuant to the Architectural Barriers Act and Rehabilitation Act as detailed in the Architectural Barriers Act Accessibility Standards (ABAAS) 41 CFR Parts 102-71, 102-72, et al, and all applicable state and local accessibility laws and regulations. ABAAS is available at www.access-board.gov.

    Subject to the exception set forth herein, separate ABAAS compliant restroom facilities for men and women must be provided on each floor where the Government leases space. Separate ABAAS compliant restroom facilities must not be required if due to the age of the building, design layout, or other structural requirements, it is technically infeasible to do so. In the event the Lessor determines that it is technically infeasible to provide separate ABAAS compliant restroom facilities, the Lessor must provide the basis for the determination of technical infeasibility in writing to the RECO, together with all supporting documentation.

    With respect to all restrooms, water closets, and urinals, they must not be visible when the exterior door is open.     In addition, compliant accessible parking spaces must be provided in accordance with the ABAAS requirements as detailed in 42 U.S.C. 4151 and as set forth in the ABAAS Scoping Requirements.

    However, the LESSOR DOES NOT warrant compliance with the Architectural Barriers Act and Rehabilitation Act as detailed in the Architectural Barriers Act Accessibility Standards (ABAAS) 41 CFR Parts 102-71, 102-72, et al. All monitoring and associated costs with compliance shall be the responsibility of the FAA. Should compliance be required in the future, the Federal Government is required to comply with all aspects of the Architectural Barriers Act Accessibility Standards (ABAAS) 41 CFR Parts 102-71, 102-72, et al. Any Cost associated with compliance with ABAAS will paid by the Government as an additional major maintenance/repair cost in the same manner as stated in Article 10.

19. **Changes (Modified) 6.3.8**

    A. The RECO may at any time, by written order, and mutually agreed to by both parties, via Supplemental Agreement, make changes within the general scope of this Lease in any one or more of the following:

i. Work or services;
ii. Facilities or space layout;
iii. Amount of space/land;
iv. Any other change made within the scope of this lease.
B. If any such change causes an increase or decrease in the Lessor's cost or time required for performance under this lease, the RECO will modify this Lease to provide one or more of the following:
i. An equitable adjustment in the rental rate;
ii. A lump sum equitable adjustment;
iii. An equitable adjustment of the annual operating costs per rentable square foot; or
iv. An adjustment to the delivery date.
C. The Lessor must assert its right to an adjustment by written proposal under this clause within thirty (30) days from the date of receipt of the change order. Lessor's request must include all documentation necessary to validate his/her right to an adjustment. Failure to reach agreement on any adjustment constitutes grounds for dispute under the Contract Disputes clause.
D. Nothing in this clause excuses the Lessor from proceeding with the change as directed.
E. Absent written supplemental agreement the Government is not liable to the Lessor under this clause.

20. **Failure in Performance (Modified) 6.3.16** In the event the Contractor fails to perform a mutually agreed upon service, provide an item, or satisfy a requirement under this Contract, in accordance with items in Section 10 and/or required items in Section 55, the Government may:
A. perform the service, provide the item, or satisfy the requirement itself, and abate the rent by its actual costs (including administrative costs) incurred in doing so,
B. not correct the Contractor's performance and abate the rent by an amount reasonably calculated to approximate the decreased value of the Contract arising from the Contractor's failure to perform, except for repairs done in accordance with Section 10 or
C. pursue termination of the contract under the "Termination" clause(s) in this Contract.

21. **No Waiver (09/2021) 6.3.17** No failure by the Government to insist upon strict performance of any provision of this Contract or failure to exercise any right, or remedy consequent to a breach thereof, will constitute a waiver of any such breach in the future.

22. **Non-Restoration (09/2021) 6.3.18** It is hereby agreed between the parties that, upon termination of its occupancy, including any holdover period, the Government shall have no obligation to restore and/or rehabilitate, either wholly or partially, the property that is the subject of this contract. It is further agreed that the Government may abandon in place any or all of the structures and equipment installed in or located upon said property by the Government during its tenure. Such abandoned equipment shall become the property of the Contractor.

23. **Quiet Enjoyment (09/2021) 6.3.25** The Contractor warrants that they have good and valid title to the premises, and rights of ingress and egress, and warrants and covenants to defend the Government's use and enjoyment of said premises against third party claims.

24. **Damage by Fire or Other Casualty or Environmental Hazards (09/2021) 6.3.26** If the premises is partially or totally destroyed or damaged by fire or other casualty or if environmentally hazardous conditions are found to exist so that the premises is untenantable as determined by the Government, the Government may agree to allow restoration/reconstruction, or may elect to terminate the contract, in whole or in part, immediately by giving written notice to the Contractor and no further rental will be due. The Government shall have no duty to pay rent while the premises are unoccupied.

25. **Delivery and Condition (09/2021) 6.3.27** Unless the Government elects to have the space occupied in increments, the space must be delivered ready for occupancy as a complete unit by the agreed upon occupancy date. The Government reserves the right to determine when the space is ready to occupy, and to assess damages in the event the occupancy date is not met.

26. **Interference (09/2021) 6.3.28** In the event that FAA operations interfere with the Contractor's facility, the Contractor must immediately notify the RECO. The FAA will begin assessment of interference immediately upon notification.
    If the Contractor or its facility interferes with the FAA's equipment and the Contractor either knows of, or is notified by the FAA, of the interference, the Contractor will immediately remediate the interference at its own cost.
    Notification under this clause must include the following information, if known:
    A. type of interference,
    B. the commencement date of the interference, and
    C. the root cause of the interference.

27. **Alterations (Modified) 6.3.29** The Government shall have the right during the term of this Lease, including any extensions thereof, to make alterations, attach fixtures, and erect structures or signs in or upon the premises hereby leased, which fixtures, alterations or structures so placed in, on, upon, or attached to the said premises shall be and remain the property of the Government and may be removed or otherwise disposed of by the Government. The Government will provide written notice to the Contractor within thirty (30) days of any alteration, change of fixtures, and/or erection of structures or signs. The Government will assume maintenance responsibility of any of the fixtures, alterations or structures if placed in, on, upon or attached to said premises throughout the Lease term. The parties hereto mutually agree and understand, that no restoration rights shall accrue to the Lessor for any alterations or removal of alterations to the leased premises under this Lease, and that the Government shall have the option of abandoning alterations in place, when terminating the Lease, at no additional cost.

28. **Hold Harmless (01/2024) 6.3.30** In accordance with and subject to the conditions, limitations and exceptions set forth in the Federal Tort Claims Act, 28 U.S.C. Ch. 17, the Government will be liable to persons damaged by any personal injury, death or injury to or loss of property, which is caused by a negligent or wrongful act or omission of an employee of the Government while acting within the scope of his office or employment under circumstances where a private person would be liable in accordance with the law of the place where the act or omission occurred. The foregoing shall not be deemed to extend the Government's liability beyond that existing under the Act at the time of such act or omission or to preclude the Government from using any defense available in law or equity.

29. **Compliance with Applicable Laws (09/2021) 6.3.31** The Lessor shall comply with all federal, state and local laws applicable to the Lessor as owner or Lessor, or both, of building or premises, including, without limitation, laws applicable to the construction, ownership, alteration or operation of both or either thereof, and will obtain all necessary permits, licenses and similar items at Lessor's expense. This Lease shall be governed by federal law.

    The Government will comply with all federal, state, and local laws applicable to and enforceable against it as a tenant under this lease, provided that nothing in this lease shall be construed as a waiver of the sovereign immunity of the Government.

30. **Examination of Records (09/2021) 6.3.32** The Comptroller General of the United States, the Administrator of FAA or a duly authorized representative of either shall, until three (3) years after final payment under this contract, have access to and the right to examine any of the Lessor's directly pertinent books, documents, paper, or other records involving transactions related to this contract.

31. **Subordination, Nondisturbance and Attornment (09/2021) 6.3.33**

    A. The Government agrees, in consideration of the warranties and conditions set forth in this clause, that this contract is subject and subordinate to any and all recorded mortgages, deeds of trust and other liens now or hereafter existing or imposed upon the premises, and to any renewal, modification or extension thereof. It is the intention of the parties that this provision shall be self-operative and that no further instrument shall be required to effect the present or subsequent subordination of this contract. Based on a written demand received by the

RECO, the Government will review and, if acceptable, execute such instruments as the Contractor may reasonably request to evidence further the subordination of this contract to any existing or future mortgage, deed of trust or other security interest pertaining to the premises, and to any water, sewer or access easement necessary or desirable to serve the premises or adjoining property owned in whole or in part by the Contractor if such easement does not interfere with the full enjoyment of any right granted the Government under this contract.

B. No such subordination, to either existing or future mortgages, deeds of trust or other lien or security instrument shall operate to affect adversely any right of the Government under this contract so long as the Government is not in default under this contract. Contractor will include in any future mortgage, deed of trust or other security instrument to which this contract becomes subordinate, or in a separate non-disturbance agreement, a provision to the foregoing effect. Contractor warrants that the holders of all notes or other obligations secured by existing mortgages, deeds of trust or other security instruments have consented to the provisions of this clause, and agrees to provide true copies of all such consents to the RECO promptly upon demand.

C. In the event of any sale of the premises or any portion thereof by foreclosure of the lien of any such mortgage, deed of trust or other security instrument, or the giving of a deed in lieu of foreclosure, the Government will be deemed to have attorned to any purchaser, purchasers, transferee or transferees of the premises or any portion thereof and its or their successors and assigns, and any such purchasers and transferees will be deemed to have assumed all obligations of the Contractor under this contract, so as to establish direct privity of estate and contract between Government and such purchasers or transferees, with the same force, effect and relative priority in time and right as if the contract had initially been entered into between such purchasers or transferees and the Government; provided, further, that the RECO and such purchasers or transferees shall, with reasonable promptness following any such sale or deed delivery in lieu of foreclosure, execute all such revisions to this contract, or other writings, as shall be necessary to document the foregoing relationship.

D. None of the foregoing provisions may be deemed or construed to imply a waiver of the Government's rights as a sovereign.

32. **Change of Ownership/Novation (07/2023) 6.3.34-1**

A. If during the term of the Lease, title to the Property is transferred or the Lessor changes its legal name, the Lessor shall notify the Government within five days of the transfer of title/change of name.

B. The Government and the Lessor must execute a Supplemental Agreement acknowledging the transfer of title or name change.

C. If title to the Property is transferred, the Government, the original Lessor (Transferor), and the new owner or assignee (Transferee) shall execute a Novation Agreement providing for the transfer of Transferor's rights and obligations under the Lease to the Transferee. When executed on behalf of the Government, a Novation Agreement will be made part of the Lease via Supplemental Agreement.

D. The RECO may request additional information (e.g., copy of the deed, bill of sale, certificate of merger, contract, court decree, articles of incorporation, operation agreement, partnership certificate of good standing, etc.) from the Transferor or Transferee to verify the parties' representations regarding the transfer.

E. If the RECO determines that recognizing the Transferee as the Lessor will not be in the Government's interest, the Transferor shall remain fully liable to the Government for the Transferee's performance of obligations under the Lease, notwithstanding the transfer. Under no condition shall the Government be obligated to release the Transferor of obligations prior to (a) the rent commencement date; and (b) any amounts due and owing to the Government under the Lease that have been paid in full or completely set off against the rental payments due under the Lease.

F. As a condition for being recognized as the Lessor and entitlement to receiving rent, the Transferee must register in the System for Award Management (SAM) for purposes of “All Awards”, and complete all required representations and certifications within SAM and the “Representation Regarding Certain Telecommunications and Video Surveillance Services or Equipment” in this contract.

G. If title to the Property is transferred, rent shall continue to be paid to the original Lessor, subject to the Government's rights as provided for in this Lease. The Government's obligation to pay rent to the Transferee

shall commence on the effective date of the Supplemental Agreement incorporating the Novation Agreement. The Supplemental Agreement will not be issued until the Government has received all information reasonably required by the RECO, the Government has determined that recognizing the Transferee as the Lessor is in the Government's interest (which determination will be prompt and not unreasonably withheld), and the Transferee has met all conditions specified in sub-paragraph F.

33. **Integrated Agreement (09/2021) 6.3.36** This Contract, upon execution, contains the entire agreement of the parties, and no prior written or oral agreement, express or implied shall be admissible to contradict the provisions of this Contract.

34. **Unauthorized Negotiating (09/2021) 6.3.37** In no event shall the Contractor enter into negotiations concerning the premises with anyone other than the RECO or his/her designee.

35. **Inspection of Leased Premises (09/2021) 6.3.38** To ensure a safe and healthy work environment for government employees, agents, and assigns, and to ensure the Contractor's performance under this contract, the Government at all times and places during the term of the contract has the right to:
A. inspect the leased premises and all other areas of the building to which access is necessary,
B. test all performance requirements under the contract, and
C. perform any necessary sampling and evaluation to ensure contract compliance.
If inspection reveals a contractual non-conformance, then the Government may require the Contractor to perform in accordance with the contract requirements at no increase in contract amount or the Government, in its sole discretion, may perform the work itself in accordance with the "Failure in Performance" clause of this Contract.

    The presence or absence of a government inspection does not relieve the Contractor from any contract requirement, nor is the inspector authorized to change any term or condition of the contract without the RECO's written authorization.

36. **Contract Disputes (09/2021) 6.3.39**

    A. All contract disputes arising under or related to this contract shall be resolved through the Federal Aviation Administration (FAA) dispute resolution system at the Office of Dispute Resolution for Acquisition (ODRA) and shall be governed by the procedures set forth in 14 C.F.R. Parts 14 and 17, which are hereby incorporated by reference. Judicial review, where available, will be in accordance with 49 U.S.C. 46110 and shall apply only to final agency decisions. A contractor may seek review of a final FAA decision only after its administrative remedies have been exhausted.
    B. The filing of a contract dispute with the ODRA may be accomplished by mail, overnight delivery, hand delivery, or by facsimile, or if permitted by Order of the ODRA, by electronic filing. A contract dispute is considered to be filed on the date it is received by the ODRA during normal business hours. The ODRA's normal business hours are from 8:30 am to 5:00 pm Eastern Time.

    iv. All information establishing that the contract dispute was timely filed;
    v. A request for a specific remedy, and if a monetary remedy is requested, a sum certain must be specified and pertinent cost information and documentation (e.g., invoices and terminated checks) attached, broken down by individual claim item and summarized; and
    vi. The signature of a duly authorized representative of the initiating party
    D. Contract disputes shall be filed at the following address:

E. A contract dispute against the FAA shall be filed with the ODRA within two (2) years of the accrual of the contract claim involved. A contract dispute by the FAA against a contractor (excluding contract disputes alleging warranty issues, fraud or latent defects) likewise shall be filed within two (2) years after the accrual of the contract claim. If an underlying contract entered into prior to the effective date of this part provides for time limitations for filing of contract disputes with the ODRA which differ from the aforesaid two (2) year period, the limitation periods in the contract shall control over the limitation period of this section. In no event will either party be permitted to file with the ODRA a contract dispute seeking an equitable adjustment or other damages after the contractor has accepted final contract payment, with the exception of FAA claims related to warranty issues, gross mistakes amounting to fraud or latent defects. FAA claims against the contractor based on warranty issues must be filed within the time specified under applicable contract warranty provisions. Any FAA claims against the contractor based on gross mistakes amounting to fraud or latent defects shall be filed with the ODRA within two (2) years of the date on which the FAA knew or should have known of the presence of the fraud or latent defect.

G. After filing the contract dispute, the contractor should seek informal resolution with the Contracting Officer.
H. The FAA requires continued performance with respect to contract disputes arising under this contract, in accordance with the provisions of the contract, pending a final FAA decision.
I. The FAA will pay interest on the amount found due and unpaid from (1) the date the Contracting Officer receives the contract dispute, or (2) the date payment otherwise would be due, if that date is later, until the date of payment. Simple interest on contract disputes shall be paid at the rate fixed by the Secretary of the Treasury that is applicable on the date the Contracting Officer receives the contract dispute and then at the rate applicable for each 6-month period as fixed by the Treasury Secretary until payment is made. Interest will not accrue for more than one year.
J. Additional information and guidance about the ODRA dispute resolution process for contract disputes can be found on the ODRA website at http://www.faa.gov.

37. **Organizational Conflict of Interest (01/2023) 6.3.47**

A. The offeror or Contractor warrants that, to the best of the Contractor's knowledge and belief, there are no relevant facts or circumstances which could give rise to an organizational conflict of interest (OCI), as defined in the FAA Acquisition Management System, "Organizational Conflicts of Interest (T3.1.7)", or that the Contractor has disclosed all such relevant information.

B. The offeror or Contractor agrees that if an actual or potential OCI is discovered after award, the Contractor

must make a full disclosure in writing to the Contracting Officer. The disclosure must include a mitigation plan describing actions the Contractor has taken or proposes to take to avoid, mitigate, or neutralize the actual or potential conflict. Changes in the Contractor's relationships due to mergers, consolidations or any unanticipated circumstances may create an unacceptable organizational conflict of interest which may necessitate disclosure.

C. The FAA reserves the right to review and audit OCI mitigation plans as needed after award, and to reject mitigation plans if the OCI, in the opinion of the Contracting Officer, cannot be avoided, or mitigated.

D. The Contracting Officer may terminate this contract for convenience in whole or in part, if it deems such termination necessary to avoid an OCI. If the Contractor was aware of a potential OCI prior to award or discovered an actual or potential conflict after award and did not disclose or misrepresented relevant information to the Contracting Officer, the Government may terminate this contract for default, debar the Contractor from government contracting, or pursue such other remedies as may be permitted by law or this contract.

E. The Contractor further agrees to insert provisions which must conform substantially to the language of this clause including this paragraph (d) in any subcontract or consultant agreement hereunder.

38. **System for Award Management - Real Property (04/2022) 6.4.1-1**

(a) Definitions. As used in this clause:
"Registered in the SAM database" means that the Contractor has entered all mandatory information, including the Unique Entity Identifier (UEI) or the Electronic Funds Transfer indicator, into the SAM database.
"System for Award Management (SAM) Database" means the primary Government repository for Contractor information required for the conduct of business with the Government.
“Unique Entity Identifier (UEI)” (also known as the Unique Entity ID) means a number or other identifier used to identify a specific commercial, nonprofit, or Government entity. See www.sam.gov for the designated entity for establishing Unique Entity Identifiers.
“Electronic Funds Transfer indicator” means a 4-characher suffix to the Unique Entity Identifier. This 4-character suffix may be assigned at the discretion of the business concern to establish additional SAM records for identifying alternative Electronic Funds Transfer (EFT) accounts for the same parent concern.
“Contractor” is synonymous with “Offeror” “Lessor” or “Grantor” for real property leases, easements, or other contracts.

(b)(1) By submission of an offer, the Contractor acknowledges the requirement that
a prospective awardee will be registered in the SAM database prior to award, during performance, and through final payment of any contract.
(2) The Contractor must enter, in the space below, the contractor's UEI that identifies the Contractor's name and address exactly as stated in the offer. The UEI will be used by the RECO to verify that the Contractor is registered in the SAM database.
UEI: _____
(c) If the Contractor does not have a UEI, it should contact www.sam.gov directly to obtain one.
The Contractor should be prepared to provide the following information:
(1) Company* legal business name.
(2) Tradestyle, doing business, or other name by which your entity is commonly recognized.
(3) Company Physical Street Address, City, State, and Zip Code.
(4) Company Mailing Address, City, State and Zip Code (if separate from physical).
(5) Company Telephone Number.
(6) Date the company was started.
(7) Number of employees at your location.

(9) Line of business (industry).
(10) Company Headquarters name and address (reporting relationship within your entity).

* Individual (non-corporate) lessors/grantors of real property that are not normally in the business of leasing real property should consider leasing to the Government as a separate business (usually a sole proprietorship) then provide the pertinent ownership information as a sole proprietor when providing this information to www.sam.gov.

(d) If the offeror does not become registered in the SAM database in the time prescribed by the RECO, the RECO may proceed to award to the next otherwise successful registered offeror.

(e) Processing time should be taken into consideration when registering. Offerors who are not registered should consider applying for registration immediately upon receipt of the solicitation.

(f) The Contractor is responsible for the accuracy and completeness of the data within the SAM database, and for any liability resulting from the Government's reliance on inaccurate or incomplete data. To remain registered in the SAM database after initial registration, the Contractor is required to review and update, on an annual basis from the date of initial registration or subsequent updates, its information in the SAM database to ensure it is current, accurate and complete. Updating information in the SAM does not alter the terms and conditions of this contract and is not a substitute for a properly executed contractual document.

(g)(1)(i)If a Contractor has legally changed its business name, “doing business as” name, or division name (whichever is shown on the contract), or has transferred the assets used in performing the contract, but has not completed the necessary requirements regarding novation and change-of-name agreements in AMS Procurement Guidance, the Contractor must provide the responsible RECO a minimum of one business day's written notification of its intention to:

(A) Change the name in the SAM database;
(B) Comply with the requirements of AMS regarding novation and change-of-name agreements; and

(ii) If the Contractor fails to comply with the requirements of paragraph (g)(1)(i) of this clause, or fails to perform the agreement at paragraph (g)(1)(i)(C) of this clause, and, in the absence of a properly executed novation or change-of-name agreement/supplemental agreement, the SAM information that shows the Contractor to be other than the Contractor indicated in the contract will be considered to be incorrect information within the meaning of the "Suspension of Payment" paragraph of the Payment by Electronic Funds Transfer- System for Award Management clause of this contract.

(2) The Contractor must not change the name or address for EFT payments or manual payments, as appropriate, in the SAM record to reflect an assignee for the purpose of assignment of claims. Assignees must be separately registered in the SAM database. Information provided to the Contractor's SAM record that indicates payments, including those made by EFT, to an ultimate recipient other than that Contractor will be considered to be incorrect information within the meaning of the "Suspension of payment" paragraph of the Payment by Electronic Funds Transfer- System for Award Management clause of this contract.
(h) Contractors may obtain information on registration and annual confirmation requirements via the internet at http://www.sam.gov or by calling 866-606-8220.

39. **Payment by Electronic Funds Transfer- System for Award Management (09/2021) 6.4.2-1**

A. Method of payment.
i. Unless waived by the RECO, all payments by the Government under this contract will be made by electronic funds transfer (EFT), except as provided in paragraph (A)(ii) of this clause. As used in this clause, the term "EFT" refers to the funds transfer and may also include the payment information transfer.

ii. In the event the Government is unable to release one or more payments by EFT, the Contractor agrees to either:
a. Accept payment by check or some other mutually agreeable method of payment; or
b. Request the Government to extend the payment due date until such time as the Government can make payment by EFT (but see paragraph (D) of this clause).
B. Contractor's EFT information. The Government will make payment to the Contractor using the EFT information contained in the System for Award Management (SAM) database. In the event that the EFT information changes, the Contractor must be responsible for providing the updated information to the SAM database.
C. Mechanisms for EFT payment. The Government may make payment by EFT through either the Automated Clearing House (ACH) network, subject to the rules of the National Automated Clearing House Association, or the Fedwire Transfer System. The rules governing Federal payments through the ACH are contained in 31 CFR Part 210.
D. Suspension of payment. If the Contractor's EFT information in the SAM database is incorrect, then the Government need not make payment to the Contractor under this contract until correct EFT information is entered into the SAM database; and any invoice or contract financing request will be deemed not to be a proper invoice for the purpose of prompt payment under this contract. The prompt payment terms of the contract regarding notice of an improper invoice and delays in accrual of interest penalties apply.
E. Liability for uncompleted or erroneous transfers.
i. If an uncompleted or erroneous transfer occurs because the Government used the Contractor's EFT information incorrectly, the Government remains responsible for
a. Making a correct payment;
b. Paying any prompt payment penalty due; and
c. Recovering any erroneously directed funds.
ii. If an uncompleted or erroneous transfer occurs because the Contractor's EFT information was incorrect, or was revised within 30 days of Government release of the EFT payment transaction instruction to the Federal Reserve System, and
a. If the funds are no longer under the control of the payment office, the Government is deemed to have made payment and the Contractor is responsible for recovery of any erroneously directed funds; or
b. If the funds remain under the control of the payment office, the Government will not make payment, and the provisions of paragraph (D) of this clause will apply.
F. EFT and prompt payment. A payment will be deemed to have been made in a timely manner in accordance with the prompt payment terms of this contract if, in the EFT payment transaction instruction released to the Federal Reserve System, the date specified for settlement of the payment is on or before the prompt payment due date, provided the specified payment date is a valid date under the rules of the Federal Reserve System.
G. EFT and assignment of claims. If the Contractor assigns the proceeds of this contract as provided for in the assignment of claims terms of this contract, the Contractor must require as a condition of any such assignment, that the assignee must register separately in the SAM database and will be paid by EFT in accordance with the terms of this clause. Notwithstanding any other requirement of this contract, payment to an ultimate recipient other than the Contractor, or a financial institution properly recognized under an assignment of claims, is not permitted. In all respects, the requirements of this clause will apply to the assignee as if it were the Contractor. EFT information that shows the ultimate recipient of the transfer to be other than the Contractor, in the absence of a proper assignment of claims acceptable to the Government, is incorrect EFT information within the meaning of paragraph (d) of this clause.
H. Liability for change of EFT information by financial agent. The Government is not liable for errors resulting from changes to EFT information made by the Contractor's financial agent.
I. Payment information. The payment or disbursing office will forward to the Contractor available payment information that is suitable for transmission as of the date of release of the EFT instruction to the Federal Reserve System. The Government may request the Contractor to designate a desired format and method(s) for delivery of payment information from a list of formats and methods the payment office is capable of executing. However, the Government does not guarantee that any particular format or method of delivery is available at any particular payment office and retains the latitude to use the format and delivery method most convenient to

the Government. If the Government makes payment by check in accordance with paragraph (A) of this clause, the Government will mail the payment information to the remittance address contained in the SAM database.

and Placards, American National Standards Institute (ANSI) Standard Z535.4, Product Safety Signs and Labels, and FAA-G-2100H, Electronic Equipment, General Requirements, Section 3.3.5.4.

62. **Recycling (09/2021) 6.8.6** Where state or local law, code, or ordinance requires recycling programs (including those for mercury containing lamps) for the space, the Contractor shall comply with state and/or local law, code, or ordinance. In all other cases, the Contractor must establish a recycling program for paper, corrugated cardboard, glass, plastics, and metals to the extent practicable and where local markets for those recovered materials exist. The Contractor agrees, upon request, to provide the Government with additional information concerning recycling programs maintained in the building and in the space after lease execution.

63. **Indoor Air Quality (Modified) 6.8.7** The Contractor must control contaminants at the source and/or operate the space in such a manner that the indicator levels are not exceeded for carbon monoxide (CO), carbon dioxide (CO2), and formaldehyde (CH2O). The indicator levels for office area are as follows: CO less than 5 parts per million (PPM); CO2 - 700 PPM above outdoor air; CH2O - 0.027 PPM. All indoor air contaminant levels in the space must be kept below appropriate OSHA regulations or OSHA required consensus standards. Air quality systems cleaning is required to prevent the growth of mold, mildew and bacteria. Any visual evidence of these will require immediate sampling and remediation. Moisture/standing water must be controlled to prevent the growth of these.
During working hours, ventilation must be provided in accordance with the latest edition of ANSI/American Society of Heating, Refrigerating, and Air-Conditioning Engineers (ASHRAE) Standard 62, Ventilation for Acceptable Indoor Air Quality and ASHRAE Standard 55, Thermal Environmental Conditions for Human Occupancy.

    The Contractor must investigate indoor air quality (IAQ) complaints immediately and must implement controls including alteration of building operating procedures (e.g., adjusting air intakes, adjusting air distribution, cleaning and maintaining heating, ventilation and air conditioning (HVAC) systems, etc.). The Government is responsible for addressing IAQ problems resulting from its own activities.

    The Contractor must provide SDS to FAA facility management for all chemicals and cleaning solutions at least 72 hours prior to their use in the FAA spaces or other areas of the buildings that might affect air quality in the FAA space(s). Materials should contain low or no Volatile Organic Compounds (VOC) and additional ventilation may be required when using chemicals and cleaning solutions.

    Notwithstanding anything to the contrary in this Lease, the GOVERNMENT hereby agrees that the LESSOR shall have no obligation to comply with the terms and conditions of this Article 63. However, as stated in Article 11 Termination for Convenience above, the GOVERNMENT reserves the right to terminate the Lease upon the notice to LESSOR in the event the Building is found to be unsafe for FAA occupancy. Such determination shall be made by an independent California licensed Heating, Refrigerating, and Air-Conditioning Engineer who provides a written report, which is stamped with such California licensed engineer's professional stamp, stating that the Building is unsafe for FAA occupancy (the "Engineer's Report"). GOVERNMENT shall provide a copy of the Engineer's Report to LESSOR at such time as GOVERNMENT elects to exercise its cancellation rights under Article 11, above.

64. **Mold Growth Identification and Control (09/2021) 6.8.8** The contractor must prevent mold growth and excessive levels of moisture and humidity. Adequate air quality, moisture control and facility cleaning are required to prevent the growth of mold, mildew, and bacteria. Any visual evidence of mold requires immediate sampling and remediation by the contractor.

    Following a water-intrusion event, the contractor must identify the water source and immediately implement water extraction and drying efforts. Once the water source is identified, the contractor must take action to prevent additional water damage and ensure that permanent fixes are in place prior to build-back and restoring building materials. Within 24-48 hours of water damage from clean water sources (e.g., water supply lines,

rainwater, and snowmelt from rooftops), all building materials must be dried to a moisture level that will prevent mold growth.

All porous materials contaminated with sewage or other Category 2 (e.g., washing machine overflows, toilet overflows, and non-feces waters) or Category 3 (sewage backups and overflows from beyond toilet traps, feces, floodwaters, and groundwater intrusion) water sources must be discarded. All non-porous material must be cleaned and disinfected.

Mold remediation and cleaning must be conducted using recognized industry methods and practices (e.g. Institute of Inspection, Cleaning and Restoration Certification (IICRC) S500 Standard and Reference Guide for Professional Water Damage Restoration, IICRC-S520 Standard and Reference Guide for Professional Mold Remediation, 2008, and National Air Duct Cleaners Association (NADCA): Assessment, Cleaning and Restoration of HVAC Systems, ACR 2006). State requirements concerning mold remediation, contractors training and licensing must be followed.

The contractor must coordinate with the FAA facility management and RECO regarding all mold remediation operations. The FAA must be afforded the opportunity to provide input in the mold remediation process. Biocides must be used cautiously and in accordance with EPA requirements. A Certified Industrial Hygienist (CIH) must pre-approve the use of EPA-approved biocides in air conveyance systems.

65. **Drinking Water (09/2021) 6.8.9** The contractor must provide drinking water in the space that meets the standards prescribed in the Safe Drinking Water Act, 42 U.S.C. 300. Acceptable potable water must meet EPA's primary drinking water standards with contaminants being less than established Maximum Contaminant Levels (MCLs) and action levels. In cases where state and/or local authorities have their own standards, potable water must meet those or federal standards, whichever is more stringent.

    The contractor must test the sources of drinking water in the space (faucets, drinking water fountains, ice machines, etc.) on a periodic basis, but no less than every three (3) years, to ensure water quality (e.g., lead, copper, total coliforms). If the contractor performs plumbing and/or renovation work in the space that impacts the drinking water (i.e., replacement of water lines), the contractor must test the drinking water in the system affected by the plumbing and/or renovation work. If at any time, the FAA or contractor's drinking water test results are not acceptable under the EPA's primary drinking water, and/or state and local authorities' standards as described above, the Lessor must immediately correct the deficiencies. The contractor must notify the Government prior to performing all tests and provide a copy of any test report to the RECO and facility management or their designee.

66. **Halon (09/2021) 6.8.10** Halon may not be used in any FAA space.

67. **Radon Air Levels (09/2021) 6.8.11** Contractor must provide the FAA with a Radon Evaluation Report for the facility when requested. Radon air levels in FAA premises must not exceed the level of 4.0 picocuries per liter (pCi/L). If radon levels are found to be at or above 4.0 pCi/L, the contractor must immediately notify the RECO and FAA facility management of its finding and its plan of corrective action, including testing, to ensure radon air levels are maintained below 4.0 pCi/L at all times. Radon testing shall be done by a radon professional certified according to state and local requirements using US EPA approved testing methods.

68. **Asbestos (Modified) 6.8.12** The contractor must ensure that FAA personnel are protected from asbestos hazards, in accordance with:

    A. 29 CFR 1910.1001, Asbestos (General Industry)
    B. 29 CFR 1926.1101, Asbestos (Construction)
    C. 40 CFR 763, Subpart E, Asbestos Containing Materials in Schools, Asbestos Hazard Emergency Response Act (AHERA)
    D. 40 CFR 61, Subpart M, National Emissions Standards for Hazardous Air Pollutants (NESHAP)
    E. State and local asbestos regulations

The contractor warrants that, notwithstanding inspection and acceptance by the Government or any provision concerning the conclusiveness thereof, all space under this contract, including, but not limited to; space above suspended ceilings in the leased space, air plenums elsewhere in the building that service the leased space, engineering spaces in the same ventilation zone as the leased space, public spaces in the same ventilation zone as the leased space, and public spaces and common use spaces (e.g., lobbies, hallways) will, at the time of acceptance and during the term of this Lease, including all extensions thereof, comply with asbestos regulatory requirements.

All facilities are required to have a current asbestos building survey or an asbestos free certification (in accordance with federal, state or local regulations, and including sampling of all materials that have the potential to contain asbestos) conducted by a qualified inspector, including a visual examination and sampling of building materials. All asbestos identification survey reports must be sent to the RECO and FAA facility management.

The RECO must notify the contractor in writing of any failure to comply with asbestos requirements, within five (5) days after the discovery thereof. If Asbestos Containing Materials (ACMs) are found to be in the leased space, either prior to acceptance or during the course of the lease agreement, the Government reserves the right to require the contractor, at no cost to the Government, to take corrective action as required by OSHA, EPA, state and local requirements. In accordance with these regulations, the contractor must post asbestos warning labels and signs in accordance with OSHA regulations.

In addition, all construction by the contractor is required to comply with OSHA, EPA, state and local requirements for asbestos. Prior to the start of any construction, renovation or maintenance activities that impact the building, the contractor must determine whether ACM will or could be released as part of the work. If ACM will or could be released, the contractor must notify the FAA and take corrective actions to prevent FAA employees from exposure to asbestos fibers. Corrective actions must be coordinated with the FAA at least 30 days prior to the start of any construction, renovation or maintenance activities that impact the building.

After ACM remediation is performed, the contractor must adhere to regulatory required post-asbestos abatement air monitoring requirements. As a part of this process, the contractor must provide the RECO and the FAA facility manager with an asbestos re-inspection report indicating the location and condition of all remaining ACM in the FAA leased areas and common areas of the facility. If the contractor supplies the janitorial or maintenance contracts, those employees must also be informed of the presence and location of asbestos at the facility.
"Corrective Action", as used in this clause, means the removal, encapsulation or enclosure of ACM. All corrective actions must be conducted by licensed asbestos abatement contractors in accordance with OSHA, EPA, state, local and FAA requirements.

The Asbestos Operation and Management Plan conducted by the Government dated January 2011 and reviewed February 2020 has been provided to the Lessor in addition to the most recent Asbestos Air Monitoring results provided by the Government dated January 18, 2023.

69. **Warranty of Space (Modified) 6.8.13** The Contractor warrants that all space leased to the Government under this contract complies with federal, state, and local regulations that were in effect at the time that the Government first took occupancy. The space is not limited to that set forth in this contract, but also includes space above suspended ceilings in the leased space, air plenums elsewhere in the building that service the leased space, engineering spaces in the same ventilation zone as the leased space, public spaces in the same ventilation zone as the leased space, and public spaces and common use spaces (e.g., lobbies, hallways).

70. **Electrical Safety (09/2021) 6.8.14** The Contractor must ensure electrical safety requirements are met, including grounding, bonding, shielding, control of electrostatic discharge (ESD), and lightning protection requirements,

in accordance with:

A. 29 CFR 1910, Subpart S, Electrical
B. FAA Standard HF-STD-001, Human Factors Design Standard, Chapter 12.4, Electrical Hazards
C. DOT Specification FAA-G-2100H, Electronic Equipment, General Requirements
D. National Fire Protection Association (NFPA) 70, National Electrical Code
E. NFPA 70E, Electrical Safety in the Workplace
F. American National Standards Institute/Institute of Electrical and Electronics Engineers (ANSI/IEEE) Standard 1100-2005, Recommended Practice for Powering and Grounding Electrical Equipment
G. DOT Standard FAA-STD-019F, Lightning and Surge Protection, Grounding, Bonding and Shielding Requirements for Facilities and Equipment

The Contractor must ensure that electrical equipment and infrastructure meets minimum clear working space requirements in accordance with 29 CFR 1910.303 and NFPA 70 Article 110.26, and is maintained and documented in accordance with NFPA 70E. Any change in the electrical equipment requires review of the current arc flash warning labels to determine if the arc flash warning labels posted meet the current safety requirements.

71. **Facility Security (01/2024) 6.9.1** Security requirements for Government occupied space must meet the baseline level of protection security countermeasures based upon the facility security level (FSL) and type of facility covered by this Lease. The security countermeasures for each FSL and type are identified in FAA Order 1600.69 FAA Facility Security Management Program (as amended). The security countermeasures identified below are tailored specifically for the type of facility covered by this Lease. The Lessor shall provide or make accommodation to provide for all the security countermeasures required for the leased premises covered by this Lease agreement:

    None

    The local Servicing Security Element (SSE) will determine the security countermeasures that are required for the leased space and shall conduct a final security assessment of the building. If that assessment indicates that additional security countermeasures are required to the Premises, those countermeasures shall be contracted and paid for under separate contract at the Government's expense and subject to the availability of funds. The Lessor shall provide maintenance services to the security upgrades installed by the Lessor within the leased premises and covered under this Lease.

72. **Foreign Nationals as Contractor Employees (04/2022) 6.9.2** a) Definition. "Foreign National" is any citizen or national of a country other than the United States who has not immigrated to the United States and is not a Legal Permanent Resident (LPR) of the United States.
    b) Each contractor or subcontractor employee under this contract, having access to FAA facilities, sensitive information, or resources must be a citizen of the United States, or a foreign national who has been lawfully admitted for permanent residence as evidenced by a Permanent Resident CardI-551, or who presents other evidence from the U.S. Citizenship and Immigration Service that employment must not affect his/her immigration status.
    c) Foreign Nationals proposed under this contract must meet the following conditions in accordance with FAA Order 1600.1F, chapter 8, paragraph 10:
    (1) Must have resided within the United States for a minimum of the last three (3) years unless a waiver of this requirement is requested and approved in accordance with the requirements stated in FAA Order 1600.1F, chapter 8, paragraph 10;
    (2) A risk or sensitivity level designation can be made for the position; and
    (3) The appropriate security-related background investigation can be adequately conducted, as determined by the Office of Security and Hazardous Materials (ASH) Office of Personnel Security (AXP).
    d) Foreign Nationals proposed under this contract must meet the following additional conditions:
    (1) Provide a current unexpired passport and their place of birth in order to begin the background investigation

process in accordance with FAA Order 1600.1F, Personnel Security Program; and,
(2) Successfully pass an export control review as outlined in FAA Order 1240.13 FAA Export Control Compliance.
e) Interim suitability requirements may not be applied unless the position is low/moderate in risk, and/or temporary, and/or is not in a critical area position.

73. **Real Estate Contractor Personnel Suitability Requirements (01/2024) 6.9.3**
1. No contractor employee, subcontractor, or consultant will be allowed

unescorted access to any FAA facility;
access to FAA classified information;
access to FAA *Sensitive Unclassified Information (SUI); or
access to FAA systems or resources

unless they have been authorized by the FAA Office of Personnel Security (AXP).

*SUI is defined as unclassified information, in any form including print, electronic, visual, or aural forms, which is protected from uncontrolled release to persons outside the FAA and indiscriminate dissemination within the FAA. It includes aviation security, homeland security, and protected critical infrastructure information. SUI may include information that may qualify for withholding from the public under the Freedom of Information Act (FOIA).

The Lessor, employee, consultant, contractor or subcontractor may be required to sign a Non-Disclosure Agreement (NDA) prior to being allowed access to SUI and other information of a confidential nature that is owned by, produced by or otherwise under the control of the Unites States Government. The NDA establishes a recipient's responsibilities with respect to safeguarding sensitive information from being shared with unauthorized parties and the possible consequences of a recipient's failure to do so.

2. Consistent with FAA Order 1600.1F, AXP must approve designated risk levels for the positions under the contract, to be determined by the FAA Operating Office (the organization with the requirement) in coordination with the Contracting Officer (CO) or designee, using the OPM Position Designation Automated Tool (PD Tool).

3. For all contractor employees, subcontractors, or consultants requiring access to FAA facilities, classified information, sensitive unclassified information, systems, or resources, the prime contractor must submit to their responsible AXP office and CO or their designee, a point of contact (POC) who will be responsible for entering all contractor applicant data, to include subcontractor data, into the Vendor Applicant Portal (VAP) system (AXP will provide the user with access to the VAP) for security processing. The contractor must not enter contractor employees in VAP unless they have a legitimate need for unescorted access to FAA facilities, classified information, sensitive unclassified information and/or systems according to the terms of the contract. Contractor employees who will not require the aforementioned types of access or who would be under escort of other badged personnel are not to be entered in VAP.

4. If an applicant has had a previous US Government conducted background investigation, which meets the investigative requirements for the position and meets established reciprocity guidelines, it will be accepted by the FAA. The FAA reserves the right to conduct further investigations, including requesting additional information from the applicant, if necessary.

5. If no previous investigation exists, or if the previous investigation does not meet investigative requirements for the position, AXP will:

Send the applicant an e-mail (this step may be delegated to VAP POC) with instructions for completing investigative requirements;

Instruct the applicant how to enter and complete a background investigation questionnaire through the electronic Questionnaires for Investigation Processing (eQIP) or successor system;

Provide where to upload, or send/fax applicable forms; and

Provide instructions regarding fingerprinting (any fees associated with obtaining fingerprints are not the responsibility of the FAA).

The contractor employee must complete the investigative requirements and submit required material within 15-calendar days of receiving the e-mail from AXP. All items submitted directly to AXP must reference the contract number.

6. No contract employee, subcontractor, or consultant, identified as requiring a background investigation under the contract will be granted unescorted access to FAA occupied space unless AXP has authorized them. Authorization will be in the form of an Interim or Final Suitability email notification from AXP to the VAP POC and CO.

7. No contract employees, subcontractor, or consultant will be issued a FAA Personal Identity Verification (PIV) card, or other FAA issued ID card, unless they have been granted a favorable Interim or Final suitability determination from AXP.

8. The Contractor VAP POC must inform the CO or their designee and submit a VAP removal record in VAP within twenty-four (24) hours after any contractor employee resigns, is terminated, transferred, or otherwise removed from the contract. If the FAA issued the contract employee a PIV card, or other ID card, the contractor must collect the card within twenty-four hours, and return it to AXP no later than five business-days after the employee's termination or transfer.

9. The CO or their designee will provide notice to the contractor within 24 hours after receipt of a determination that the contractor or its employee has not complied with security-related contract requirements, security-related FAA Orders, or if a contractor employee's conduct is objectionable or contrary to the public interest, or inconsistent with the best interest of national security. The notice will instruct the contractor to remove its employee's access to FAA premises or networks, or otherwise remedy the contractor's performance. The FAA Facility Manager has authority to remove a contractor employee’s access to FAA occupied space when the Facility Manager determines a contractor employee’s conduct is objectionable or contrary to the public interest. The Facility Manager must notify the CO within 24-hours of such removal.

10. The contractor must immediately comply with the CO or their designee's direction to remedy its security performance at the contractor's expense, including removing the employee from FAA premises and networks. If the contractor employee is working under an interim suitability authorization, the contractor must take appropriate action, including the removal of the contractor

employee's access, at their own expense. Once action has been taken, the contractor must report the action via the VAP within the timeframe prescribed in this clause.

11. After coordination with AXP, the CO or the FAA Facility Manager or their designee may require contractor employees to submit any other security information deemed reasonably necessary to protect the interests of the FAA. This includes submitting to additional fingerprinting, responding to letters of inquiry, and background reinvestigations required under Federal Investigative Standards. In this event, the contractor must provide, or cause each of its employees to provide, such security information to AXP. Failure to cooperate with security processing will result in an unfavorable suitability determination.

12. The contractor must retrieve a current roster report through VAP on a quarterly basis to ensure the roster is accurate, and immediately correct any discrepancies with the responsible AXP office. The prime contractor is responsible for the accuracy of their subcontractors' rosters as well.

13. Contractor employees subject to the requirements of this clause must take the FAA Security Awareness Virtual Initiative (SAVI) training within 90 days of reporting to work and annually thereafter. This training is available on the FAA's Electronic Learning Management System (eLMS). Contractor employees without access to eLMS must contact the FAA Facility Manager for a copy of the training.

14. The prime contractor must contact the CO or their designee, and AXP within one business-day in the event an employee (who has been cleared for FAA access by AXP) is arrested (i.e., taken into custody by law enforcement for any offenses, other than minor traffic offenses) or is involved in theft of government property or the Contractor becomes aware of any information that may raise a question about the suitability of a contractor or subcontractor employee.

15. Failure to submit information required by this clause within the time required may result in suspension or revoked access to FAA assets for the contractor's employee, which may be determined by the CO to be a material breach of the contract.

16. If subsequent to the effective date of this contract, the security classification or security requirements under this contract are changed by the Government and if the changes cause an increase or decrease in direct contract costs or otherwise affect any other term or condition of this contract, the contract will be subject to an equitable adjustment.

17. The contractor agrees to insert terms that conform substantially to the language of this clause, excluding any reference to the Changes clause of this contract, in all subcontracts under this contract that involve access and where the exceptions under FAA Order 1600.1F do not apply.

74. **Access to FAA Systems and Government Issued Keys and Personal Identification Verification (PIV) Cards (01/2024) 6.9.4**

1. It may become necessary for the Government to grant access to FAA systems or issue Government property, to include FAA-issued ID cards, or sensitive unclassified information (SUI), to contractor employees. The FAA shall have the authority to restrict or deny, unescorted access into leased space to anyone. The FAA shall also have the authority to determine the number of PIV cards to be issued to contractor personnel and subcontractors, based on operational necessity. Individuals requiring non-routine access for maintenance purposes shall be escorted by FAA personnel and be

issued appropriate FAA visitor badges. Prior to or upon completion or termination of the work under the contract, the contractor must return all such Government property and SUI to FAA's Facility Manager or their designee.

2. Improper use, possession or alteration of Government property is subject to penalties under Title 18, USC 499, 506, 701, and 1030.

3. In the event such Government property is lost, stolen, or not returned, the contractor understands and agrees that the Government may, in addition to any other withholding provision of the contract, withhold the value of the asset for each item of Government property not returned. If the Government property, to include FAA-issued ID cards, or SUI is not returned within 30-calendar-days from the date the withholding action was initiated, any amount so withheld is forfeited by the contractor. Regarding FAA Personally Identifiable Information (PII) contained within portable devices that are lost, stolen, or not returned, the contractor must additionally report such a loss, theft, or non-return within one (1) hour to the FAA Security Operations Center (phone (866)-580-1852 (Option 1) or email 9-AWA-SOC@faa.gov).

4. Access to aircraft ramp/hangar areas is authorized only to those persons displaying a flight line identification card and for vehicles, with a current ramp permit issued pursuant to Title 49, Part 1542, Code of Federal Regulations.

5. The Government retains the right to inspect inventory, or audit Government property or sensitive information issued to the contractor in connection with the contract and do so at the convenience of the Government. Any items not accounted for, to the satisfaction of the Government, will be assumed to be lost and the provisions of section (3) of this clause apply.

6. The issuance of Government property, to include SUI, to a Contractor must be approved by FAA's Facility Manager or designee who will require the Contractor's employee to sign a receipt for each item. Lost or stolen Government property or SUI must immediately be reported to the Contracting Officer (CO), Contracting Officer's Representative (COR), or FAA's facility manager or designee (as applicable) and the FAA SOC at the telephone number and email address listed under section (3) above.

7. Each Contract employee, during all times of on-site performance at an FAA facility, must prominently display his/her current and valid FAA PIV card, or other FAA issued ID card, on the front portion of his/her body between the neck and waist. Each FAA ID cardholder must not affix pins, stickers, or other item to the card.

8. Prior to any contractor employee obtaining a FAA ID Card or other government property, in accordance with FAA Order 1600.78 the contractor is required to:

a. Enter data for each employee into the VAP as described in the "Real Estate Contractor Personnel Suitability Requirements" clause.

b. The Office of Personnel Security (AXP) will determine whether a favorable interim and/or final suitability determination can be granted to:

i. Exercise reciprocity when applicable.:

ii. Initiate the contractor applicant into the electronic Questionnaires for Investigations Processing (eQIP), or subsequent system, so that the applicant can complete the investigative forms.

c. Interim suitability cannot be granted until all background investigation forms are completed, and fingerprints and signature pages are submitted to AXP.

d. Authorization for the contractor employee to begin work on the FAA contract will be an Interim or Final Suitability notification from AXP.

9. To obtain a FAA PIV card, in accordance with FAA Order 1600.78, the contractor employee will be provided instructions by AXP for obtaining an FAA PIV or other ID card upon being granted authorization to begin work. a. The instructions will include how to submit an identification Card Application (DOT 1681) online at https://idms.faa.gov/1681, accessible only from within an FAA facility. The application must be approved by the CO or COR.

b. The contractor employee will be notified when the identification card application has been approved and is ready for processing by the FAA Identification Card issuer (e.g., Trusted Agent).

10. Off-Boarding. The contractor is responsible for ensuring final off-boarding is accomplished for all departing contractor employees. This includes termination, resignation, retirement, death, change of employment status (i.e., transferring from a contractor to a FAA employee), transfer to another FAA contract, and (with CO approval) extended leave of absence. The Contractor may appoint an off-boarding coordinator to oversee the off-boarding process.

a. For each departing employee having access to FAA facilities and/or Information Technology (IT) systems, the Contractor must submit a completely filled out and signed "FAA Contractor Employee Off-Boarding Checklist" (located in FAA Procurement Forms) to the Facility Manager or their designee no later than thirty (30) calendar days after the employee's departure. The Contractor must ensure that the Checklist confirms that all applicable Government property (including FAA-issued ID cards) and sensitive information (including Classified National Security Information (CNSI) has been collected and access to all FAA assets has been terminated.

b. When the Contractor is not collocated or within local driving distance of the responsible AXP office, the Contractor must collect the PIV Card or other FAA issued ID card, and any other tokens and provide to the CO or COR within one (1) business day of receiving the card/tokens from the departing employee.

c. In event that the Contractor employee departs without completing the Checklist, the Contractor is responsible for completing and submitting the Checklist on the employee's behalf. If the departing Contractor employee served as the Property Custodian for the FAA contract, the Contractor must designate a new Property Custodian and ensure accountability of all property under the contract, or within fourteen calendar days with the CO's approval, provide to the CO the results of the associated inventory/property accountability.

d. The designated VAP POC must submit a VAP removal record for the departing employee within twenty-four (24) hours.

e. The Contractor must also comply with any local Employee Off-Boarding Checklists in use at FAA Facilities.

11. All contractors and subcontractor employees with access to FAA systems must have a FAA-issued PIV card and must use the PIV card to authenticate to the FAA system. Approved contactor equipment or software in accordance with clause 3.14-13 "Use of Contractor Equipment or Software - Permitted" that connects to FAA systems must be configured to accept and use FAA-issued PIV cards. The contractor must provide the appropriate equipment for the PIV card, while the FAA will furnish and configure the PIV software.

12. The contractor must insert this clause in all subcontracts under the contract.

78. **Cooperation with Defensive Counterintelligence Program Requirements (DCIP) (09/2021) 6.9.6**

a. The FAA's Defensive Counterintelligence Program (DCIP) (AXI-310) detects, deters, and denies illicit human and technical intelligence collection activities as well as addressing other national security concerns. Such activities and concerns include, but are not limited to, activities conducted by, on behalf of, or otherwise supporting, foreign governments or elements thereof; entities or individuals that meet the

definition of “foreign power” or “agent of a foreign power” in 50 U.S.C. § 1801; foreign organizations; foreign persons; international terrorist organizations or activities; or agents of any of the foregoing; or any other individuals or entities acting on behalf of, or otherwise in support of, any of the foregoing, against the FAA, its employees, facilities, equipment, systems, networks, operations, and information.
b. Consistent with FAA Order 1600.84 FAA Defensive Counterintelligence Program, the contractor is required to cooperate to the fullest extent possible in the following requirements:

1) Any authorized DCIP inquiry or Counterintelligence (CI) investigation connected with this contract requested by the FAA Office of Security and Hazardous Materials Safety (ASH) to include granting authorized ASH or outside investigative department or agency personnel access to contract information, records or contractor personnel;
2) All applicable FAA security requirements as required under the contract consistent with FAA policy and applicable Federal law;
3) When requested by the DCIP, and necessary to protect Controlled National Security Information (CNSI), Sensitive Unclassified Information (SUI), or otherwise protected information, contractor employees must sign a Defensive Counterintelligence Program Non-Disclosure Agreement (NDA) prior to being briefed on any information pertaining to a DCIP inquiry, CI investigation by another Department or Agency, or any other matter related to the DCIP. The NDA is located in Appendix C of the Order and in AMS Procurement Forms. Contractor employees are exempt from acknowledging any language in the NDA associated with unauthorized disclosure of received information that subjects FAA employees to personnel actions specified in the Human Resources Policy Manual (HRPM) Volume 4: Employee Relations ER-4.1 (4) and applicable collective bargaining agreements.
4) Contractors must first coordinate with the DCIP at ASH-CI-Notify@faa.gov before contacting any law enforcement or investigative agencies on any known or suspected counterintelligence or other national security concern described in Paragraph 1 of FAA Order 1600.84.
5) Contractors must notify the DCIP as soon as possible if any law enforcement or investigative agency contacts them directly on any matter covered by FAA Order 1600.84. If an employee receives a direct request from an outside law enforcement or investigative agency for evidence related to a counterintelligence or other national security concern as described in Paragraph 1 of FAA Order 1600.84, the employee will refer the law enforcement or investigative agency to AXI-310.
6) Contractors must immediately notify the DCIP at ASH-CI-Notify@faa.gov, and the CO or their designee if their employees observe any of the following-
a) Suspected or known acts of foreign intelligence collection activity against the FAA or its employees, systems, networks, operations, facilities, equipment, or information;
b) Suspected or known espionage (See Appendix A of FAA Order 1600.84 for definition);
c) Suspected or known unauthorized disclosure of CNSI, SUI, or otherwise protected information in the possession of the FAA by a FAA employee to a foreign government or element thereof, a foreign organization, an entity or individual that meets the definition of “foreign power” or “agent of a foreign power” in 50 U.S.C. § 1801, a foreign person, an international terrorist organization or activity, an agent of any of the foregoing, or any other individual or entity acting on behalf of or otherwise supporting any of the foregoing; or
d) Suspected or known theft, unauthorized disclosure, or unauthorized amassing of CNSI, SUI, or otherwise protected information in the possession of the FAA known or suspected to be for the purpose of conveying it to a foreign government or element thereof, an entity or individual that meets the definition of “foreign power” or “agent of a foreign power” in 50 U.S.C. § 1801, a foreign organization, a foreign person, an international terrorist organization or activity, an agent of any of the foregoing, any other individual or entity acting on behalf of or otherwise supporting any of the foregoing, or an unknown recipient, or statements of intent by an FAA employee to engage in any such actions. SUI or otherwise protected unclassified information whose theft, unauthorized disclosure, or unauthorized amassing, for the purposes described in the preceding sentence, is of concern includes, but is not limited to:
i. Non-public information from an official FAA data network or information;
ii. Imagery;

iii. Technical specifications;
iv. Trade secrets;
v. Proprietary information;
vi. Sensitive Security Information (SSI); and
vii. Any other SUI
e) Activities similar to those described in paragraphs b(6)(a)-(d) by, on behalf of, or otherwise supporting, potential lone wolf actors, malicious insiders, or transnational organizations of a national security concern.

If notification of the CO or their designee is not feasible owing to the CO and/or their designee being one of the suspicious actor(s), the contractor must notify the DCIP directly at the above email address if they observe any of the above activities.
7) Elicitation attempts. Elicitation is the strategic use of conversation to extract information from people without giving them the feeling they are being interrogated. It is a technique used to discreetly gather information. It is a conversation with a specific purpose: collect information that is not readily available and do so without raising suspicion that specific facts are being sought. The conversation can be in person, over the phone, or in writing.

Contractors must immediately notify the DCIP at ASH-CI-Notify@faa.gov, and the CO and/or their designee if their employees experience any known or suspected direct (e.g., personal encounter or telephone) or indirect (e.g., electronic or written communication) elicitation or attempted elicitation of CNSI, SUI, or otherwise protected information in the possession of the FAA by any suspicious entity or person, regardless of ethnicity, nationality, or FAA employment status, as soon as possible, but no later than 12 hours after the time of the incident, initial detection, or receipt of report, as applicable, or the next business day if the incident, initial detection, or receipt of report, as applicable, occurs on a weekend or holiday. Contractors must report these incidents regardless of where, when, or how the contact took place, or whether the employee was on or off duty. Suspicious activities include, but are not limited to:
a) Direct or indirect contact or communication with a known or suspected foreign or foreign-affiliated person, or an unknown or unfamiliar person, seeking access to or disclosure of any CNSI, SUI, or otherwise protected information in the possession of the FAA for which such person does not meet the applicable access requirements, or that is outside the scope of their official duties;
b) Direct or indirect contact or communication with a known or suspected foreign or foreign-affiliated person, or an unknown or unfamiliar person, seeking specific information about an FAA employee's official duty responsibilities, work projects, access to information, security clearance, travel plans, coworkers' identities, or Information Technology (IT) system credentials for which such person does not meet the applicable access requirements, or that is outside the scope of their official duties;
c) Direct or indirect contact, communication, or observance of a known or suspected foreign or foreign-affiliated person, or an unknown or unfamiliar person, seeking unauthorized access to FAA employees, equipment, operations, systems, information, facilities, or networks, including through a Personal Electronic Device (PED);
d) Direct or indirect contact, communication, or observance of a known or suspected foreign or foreign-affiliated person, or an unknown or unfamiliar person, introducing, or seeking to introduce, unauthorized digital media or software into any FAA equipment, facilities, systems, or networks, including through a PED;
e) Offers of compensation, gifts, or favors in exchange for FAA information or access to such information, regardless of medium; or access to FAA employees, equipment, operations, facilities, systems, or networks;
f) Threats, attempts to coerce, or attempts to exploit any FAA employee by a known or suspected foreign or foreign-affiliated person, or by an unknown or unfamiliar person, in order to illicitly acquire FAA information or access to FAA employees, equipment, operations, facilities, systems, information, or networks;
g) Solicitation by any person of FAA information for which they do not meet the applicable access requirements or that is outside the scope of their official duties;
h) A request by any person for access to FAA employees, facilities, equipment, operations, systems,

information, or networks for which they do not meet the applicable access requirements or that is outside the scope of their official duties; and
i) Suspicious or unexplained contact by any person with an FAA employee, where the person has suspicious or unexplained knowledge of the employee.

Unless requested by ASH, contractors must not disclose an elicitation attempt of the nature described above, in any other manner than to report the attempt to the CO or their designee and request that they report it to the DCIP. If that is not feasible, or if the CO or their designee are the suspicious actor(s), contractors may make these reports directly to the DCIP at the above email address. Contractors must not take any actions on their own initiative, as doing so may interfere with a DCIP inquiry or CI investigation.
c. Failure to cooperate with any of the activities under section (b) above may be considered by the FAA to be a material breach of the contract.
d. The Contractor is responsible for ensuring that the provisions of this clause flow down to its subsidiaries, subcontractors, and consultants performing this contract.

Report Title: Service Agreement with IEH Analytical Laboratories for honey testing.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:

APPROVE and AUTHORIZE the Agricultural Commissioner, or designee, to execute a service agreement with IEH Analytical Laboratories in an amount not to exceed $20,000 for laboratory testing of honey from Contra Costa County for the period of June 1, 2026, through May 31, 2028.

FISCAL IMPACT:

Costs for the service agreement are budgeted in the Agriculture Department's General Fund allocation. 100% General Fund.

BACKGROUND:

The Department of Agriculture/Weights and Measures is responsible for enforcing certain provisions of the California Food and Agricultural Code related to honey production, labeling, and quality standards. Recent enforcement matters have identified the need for specialized laboratory testing to investigate potential violations of these statutes. The selected laboratory has the capability to perform all required analytical testing and maintain a documented chain of custody for samples, ensuring that test results are legally defensible and suitable for administrative or enforcement actions. This agreement has a mutual indemnification provision which provides that each party will defend and indemnify the other for injuries or losses arising out of the performance of the agreement.

CONSEQUENCE OF NEGATIVE ACTION:

A negative action will prevent the Department from enforcing provisions of the Food and Agricultural code as well as allowing businesses to cause harm to consumers.

African American Holistic Wellness and Resource Hub
Ad Hoc Transitional Community Advisory Body (T-CAB)
BYLAWS

I. NAME

The name of this committee is the Contra Costa County African American Holistic Wellness and Resource Hub Feasibility Study Ad Hoc Transitional Community Advisory Body ("T-CAB"). The T-CAB is governed by the California Ralph M. Brown Act ("Brown Act") and the Contra Costa County Better Government ordinance ("BGO").

II. AUTHORITY

The T-CAB was established by the Contra Costa County Board of Supervisors ("Board") on August 12, 2025 and is governed by these bylaws. The purpose and function of these bylaws are to provide structure and consistency around governance of its members and the regulation of its affairs.

III. PURPOSE

The purpose of the T-CAB is to carry out the following tasks related to the establishment of the African American Holistic Wellness and Resource Hub:

a. Review and provide feedback on eligibility and selection criteria for Implementation Lead entity. The entity will coordinate the establishment of the African American Holistic Wellness and Resource Hub, a network of service provider partners.
b. Review and provide feedback on eligibility and selection criteria for the Executive Director of the African American Wellness and Resource Hub. The Executive Director will report to the Board of Directors and work closely with the Community Council (see below).
c. Review and provide feedback on eligibility and selection criteria for Board of Directors of the African American Holistic Wellness and Resource Hub. It is anticipated that the Board of Directors will be composed of thirteen (13) seats: six institutional seats and seven community seats, with Directors committing to serve at least one two-year term.

d. Review and provide feedback on eligibility and selection criteria for Community Council. The Community Council will be an advisory body to the Board of Directors and AAHWRH leadership on ongoing concerns and issues within the local Black community and provide guidance around community engagement, improved service delivery, and innovative partnership opportunities.
e. Review and provide feedback on eligibility and selection criteria for rapid response service providers. Rapid response service providers will deliver direct services in collaboration with County services, while receiving coordination support, technical assistance, and capacity building opportunities from the contracted lead entity. Services will aim to expand access to effective health and social service opportunities, strengthen navigation and service linkage processes, and improve health and well-being in African American and other vulnerable communities.
f. Support outreach and recruitment efforts for interested and qualified candidates for all positions/roles described above

The T-CAB is a temporary advisory body with an anticipated timeline through August 2026. The Equity Committee may make recommendations to extend the timeline for this body's work. It is intended that the T-CAB will sunset once the Implementation Lead Entity is established and the Board of Directors and Community Council are established.

IV. MEMBERSHIP

The T-CAB will be composed of thirteen (13) members that each possess personal and professional lived experiences that reflect the needs, concerns and priorities of vulnerable African Americans in Contra Costa County. If the Chair is not present at a meeting, the Vice Chair shall preside.

The T-CAB shall also have three (3) Alternate Members. Alternate Members are non-voting members of the T-CAB appointed by the Board of Supervisors that have all the duties, rights, and responsibilities of other Appointed Members, except voting privileges and they do not count towards a quorum. The Chair may designate an

The Alternate Member's designation to represent an absent Member shall apply only for the duration of the specific T-CAB meeting in which such designation occurs. In filling an unscheduled vacancy of a Member, preference shall be given to any Alternate Member with a consistent record of meeting attendance and participation.

The T-CAB may establish volunteer ad hoc working groups, comprised of fewer members than a quorum, in order to secure specific areas of expertise necessary to meet the objectives of the T-CAB.

V. CONFLICT OF INTEREST

To ensure there are no conflicts of interest, T-CAB members cannot have professional affiliations or close personal relationships with, or financial interests in any organizations or persons applying for and/or serving in any of the following capacities for the African American Holistic Wellness and Resource Hub: Implementation Lead Entity, Executive Director, Board of Directors and Community Council. No member shall participate as a member in any discussion or voting if doing so would constitute a perceived or actual conflict of interest, and in accordance with the California Political Reform Act of 1974 and Government Code section 1090 et seq.

Whenever a member has a personal or financial interest in any matter coming before the T-CAB, the member shall ensure that:

VI. QUORUM, VOTING AND DECISION-MAKING

All members will have an equal voice in the decision-making process. Each member is entitled to one vote.

a. A quorum is established when seven (7) of the thirteen (13) T-CAB members are present.
b. A vote of action approved by a majority of the T-CAB members present, unless otherwise specified herein, is required for the adoption of any option, resolution or order and to take any other action deemed appropriate to carry forward the objectives of the T-CAB.

VII. RESIGNATION

A member may resign from the T-CAB at any time by submitting written notice to the County staff ("Staff") at the Office of Racial Equity and Social Justice, which has been appointed by the Board to manage and support the T-CAB. The resignation will be effective upon receipt of the written request. Staff shall notify the Board as soon as possible regarding the vacancy.

VIII. FILLING VACANCIES

Vacancies will be filled as soon as practicable in accordance with Contra Costa County policies and procedures regarding filling commission vacancies.

a. In the case of resignations and vacancies, the T-CAB is able to continue in its role and function as long as a quorum of seven (7) members is met; staff will work with all due diligence to fill the vacancy as soon as possible by working with the Equity Committee and the Board in identifying a replacement, while keeping the T-CAB apprised of progress with regular updates.

IX. MEETINGS AND ATTENDANCE

Members of the T-CAB shall attempt with all due diligence to attend all meetings. If any member of the Committee is unable to attend, they must make reasonable efforts to notify Staff prior to the meeting.

If a quorum is not available for a regular meeting, Staff may approve the cancellation of that meeting.
b. Additional remote meeting locations throughout the County may be designated, as permitted by the Brown Act and approved by the Board. Regardless of the number of locations for any given meeting, a quorum of the T-CAB (i.e., 7 members) must participate at all meeting locations in accordance with applicable state law.

c. The Brown Act permits individual members of the T-CAB to participate in committee meetings by teleconference for "just cause" or due to "emergency circumstances" when certain requirements are met. If any member must attend a meeting virtually (i.e., via Zoom) for a "just cause" or "emergency circumstance" reason, that member must notify Staff prior to the meeting. Members can use this option up to two times throughout the year. If a committee meeting takes place at multiple locations and less than quorum (i.e., 7 members) is at a single location, then no member will be able to use "just cause" or "emergency circumstance" and participate virtually.

To: Board of Supervisors

From: John Kopchik, Director, Conservation and Development

Report Title: Memorandum of Understanding with Knightsen Elementary School District for expanded playground improvements at Old River Elementary School.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:

APPROVE and AUTHORIZE the Conservation and Development Director, or designee, to execute a memorandum of understanding with Knightsen Elementary School District to contribute $110,100 of County Park Dedication fee funds for new play structures at Old River Elementary School for the period June 23, 2026 through December 31, 2026. (100% Park Fees)

FISCAL IMPACT:

100% Park Dedication Fees

BACKGROUND:

Project Description

The park fees are being requested to help fund the installation of a new community playground climbing apparatus and installation of an ADA ramp and new playground surfacing at Old River Elementary School in the unincorporated community of Knightsen. The tasks associated with the improvements include:

- Remove existing turf
- Purchase and install new playground climbing structures
- Install 10’ x 4’ walkway and concrete curbs
- Install ADA Ramp
- Install wood fiber surfacing

The total project will cost an estimated $110,100.

Park Fund Background

The County imposes fees on residential development to fund park and recreational facilities under both the County's Park Dedication Ordinance and the County's Park Impact Fee Ordinance.

Park Dedication Fees are assessed on projects requiring approval of a subdivision or development plan and can be used to develop new or rehabilitate existing parks or recreational facilities.

Park Impact Fees are assessed on residential development and can be used to fund the expansion or acquisition of new facilities, infrastructure, and equipment. Park Impact Fees must be spent on parks identified in the Park Capital Improvement Plan.

Both funds must be spent on facilities that serve the residents where the fee originates. Funds from these fees are deposited into accounts associated with the community where the residential development occurs to ensure the funds are directed to park and recreational facilities which serve the residents affected by the development.

The following table outlines the Knightsen park fund accounts, the amounts associated with the Old River Elementary School playground project, and the remaining funds in the accounts.

Account Number	**Current Balance**	**Old River Element School Allocation**	**Remaining Balance**
PD2000027 - Knightsen Park Dedication	$112,885.13	$110,100	$ 2,885.13
PI2000027 - Knightsen Park Impact	$107,159.39	$ -	$107,159.39
Total	**$220,044.52**	**$110,100**	**$110,044.52**

Use of the park fees identified are reasonably related to proposed improvements at Old River Elementary School playground and are consistent with government code section 66001(a)(3)-(4), because the proposed park improvements will serve the Knightsen community, the community from which the proposed expenditures were collected.

Applicable General Plan Goal and Policies

The overarching goal for parks in the Public Facilities and Services Element of the County's General Plan is to create and maintain an easily accessible, integrated system of high-quality parks and trails to meet the needs of all residents (Goal PFS-8).

The Old River Elementary Play Structure project helps to implement this goal through the following General Plan policies:

- Support development of a variety of local amenities that meet a diverse range of recreational needs, such as ballfields, all abilities playgrounds, tot lots, spraygrounds, adult fitness courses, gymnasiums, swimming pools, sport courts, passive parks, pocket parks, urban gardens, and trails. (PFS-P8.1)
- Support expanded access to recreation opportunities by working with other agencies to co-locate parks and trails with public facilities, such as schools and utility easements, prioritizing Impacted

Communities. (PFS-P8.6)

Parks Capital Improvement Plan Consistency

Old River Elementary School Play Structure project is consistent with the County's Parks Capital Improvement Plan supporting the Knightsen community.

California Environmental Quality Act (CEQA)

Knightsen Elementary School District filed a Notice of Exemption on June 4, 2026. The project is example as exempt from the California Environmental Quality Act (CEQA) per the following:

- Class 3, Section 15303: Categorial exemption due to small scale construction, installation, and conversion that are deemed to have no significant impacts.
- Class 14, Section 15314: Categorial Exemption for minor additions to existing schools within existing school ground with strict limits on student capacity increases.

CONSEQUENCE OF NEGATIVE ACTION:

If the funds are not authorized, it is likely the School District will not be able to complete the project.

Report Title: Dispute Resolution Program Contracts with Center for Human Development and Congress of Neutrals

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the County Administrator, or designee, to execute contracts with Center for Human Development and The Congress of Neutrals in an aggregate amount not to exceed $250,000 to provide mediation services under the County Dispute Resolution Program for the period of July 1, 2026, to June 30, 2027.

FISCAL IMPACT:
The aggregate cost of the programs contracts is $250,000. 100% Restricted Dispute Resolution funds. No net County cost. Program costs are offset by the $8.00 court filing fee on civil actions filed in the Superior Court.

Contract with Center for Human Development: $85,000
Contract with the Congress of Neutrals: $165,000

BACKGROUND:

The Dispute Resolution Programs Act of 1986 (Business and Professional Code Sections 465, et seq.) provided for the establishment and funding, at County option, of local dispute resolution services as an alternative to formal court proceedings. The Act authorized participating counties to increase Superior, Municipal and Justice Courts filing fees from one to three dollars for the purpose of funding local dispute resolution programs.

On January 1, 1987, the Board approved the County's participation in the program and authorized a three dollar increase in court filing fees. The Dispute Resolution Advisory Committee was created by the Board to consider implementation strategies and funding guidelines appropriate for Contra Costa County.

From 1989 through 1998, the Advisory Committee solicited proposals for funding under the Dispute Resolution Programs Act of 1986. The purpose of the funding is to encourage the establishment and use of local dispute resolution services as an alternative to formal Court
proceedings. The program operates under the provisions of the Dispute Resolution Programs Act.

In 1998, the State updated the California Dispute Resolution Programs Act and authorized counties to allocate up to $8.00 from filing fees to generate new revenues for these local programs. Effective January 1, 1999, the

dispute resolution portion of the civil filing fee in Contra Costa County increased from $3.00 to $8.00. The increase was approved by the Board of Supervisors pursuant to a request by the Superior Court.

A Request for Proposals (RFP) for the Dispute Resolution Program was completed in July 2023. Contracts with Center for Human Development and The Congress of Neutrals have been in place since then and extend annually for up to four additional periods, adjusted for projected revenues. The anticipated court filing fee revenue budgeted for FY 2023/24 is $250,000.

Center for Human Development - $85,000:
Guardianship Mediation provides mediation services with a panel of two mediators to clients referred by the Courts for resolution of child custody and visitation issues in Guardianship Matters. Mediations are being held in the A.F. Bray Courthouse in Martinez. Services include referral, telephone conciliation, and mediation.

General Dispute Resolution - Community Mediation services provide mediation and conciliation to landlords and tenants, consumers and merchants, neighbors, public agencies, citizen groups, families, animal disputes, family transition, and organizations. Specialty services include
group facilitation, mediator training, real estate mediation, conflict resolution skills training for agencies, and business mediation and consultation.

The Congress of Neutrals - $165,000:
Small Claims/Civil Harassment/Unlawful Detainer Mediation for all branches of the Superior Court: to improve court efficiency; assist court staff and reduce court caseload. Introduce disputants to the principles of conciliation and negotiated settlement; mediations will be done at the court, prior to the court hearing and/or on the day of the court hearing. The Congress will recruit and train community volunteers, certified law students and attorneys as mediators. This project continues the Superior Court’s high quality Alternative Dispute Resolution ("ADR") and conflict management programs.

Family Law Contempt for the Martinez Division of the Superior Court: to improve court efficiency, assist bench officers and court staff; to support the District Attorney, the Public Defender and other agencies of Contra Costa County involved with cases where failure to pay family support becomes a contempt proceeding against the payor in default. To provide mediation and facilitated negotiation; to reduce court caseloads; introduce disputants to the principles of conciliation and negotiated settlement; mediations to be done on the day of the court hearing; to recruit and train community volunteers, law students, attorneys as mediators; to serve all areas of Contra Costa County; and to continue Contra Costa County's high-quality ADR and conflict management programs.

Both contracts contain special conditions to the Standard Terms and Conditions.

CONSEQUENCE OF NEGATIVE ACTION:

The County Dispute Resolution Program will experience a disruption in mediation services for the citizens of Contra Costa County.

Report Title: Contract Extension with Sloan Sakai Yeung & Wong for Labor Relations Negotiations and Consulting Services

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:

APPROVE and AUTHORIZE the County Administrator, or designee, to execute a contract amendment with Sloan Sakai Yeung & Wong, LLC, to increase the payment limit by $170,000 for a new payment limit of $670,000 and extend the term through June 30, 2028, to serve as labor negotiators and to provide consulting services regarding labor relations.

FISCAL IMPACT:

The contract provides for billing on an hourly basis, with a total contract amount not to exceed $670,000 through June 30, 2028, and will be funded initially by the General Fund and subsequently spread to other funds through the Cost Plan.

BACKGROUND:

The County Administrator's Office is requesting to enter a contract extension with Sloan Sakai Yeung & Wong to serve as labor negotiators and to provide consulting services regarding labor relations to augment the services provided by the County's labor relations staff, through June 30, 2028. Sloan Sakai Yeung & Wong is one of the preeminent public employment law firms in California and has provided labor negotiations and labor relations support services to public agencies for over 20 years.

The County is continuing to bargain with the California Nurses Association and Teamsters Local 856. Contracts with other bargaining units come open in 2027. A continuation of this contract is required to avoid a disruption in bargaining.

CONSEQUENCE OF NEGATIVE ACTION:

If this action is not approved, the County's ability to negotiate with our recognized employee organizations will be significantly impaired.

BACKGROUND:
The District Attorney's Office has identified the need for amendments to the FY 2025-26 budget to better align with the actual expenditures. Report Title: FY 2025-26 Budget Amendments

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
Approve Budget Amendment No. BDA-26-00628 authorizing an adjustment to Employment and Human Services Department (EHSD), Administrative Bureau (0501), Children and Family Services Bureau (0502), Aging and Adult Services Bureau (0503), Workforce Services Bureau (0504), Workforce Development Board (0583), Alliance to End Abuse (0581) and Community Services Bureau (0588 and 0589) expenditure and revenue budgets as part of the EHSD's FY 2025/26 Budget Rebalance (Mid-Year Adjustment) as recommended by the Employment and Human Services Director.

FISCAL IMPACT:
The Employment and Human Services Department, as part of the FY 2025/26 budget rebalancing, has identified the need for updates to the FY 2025/26 budget to better align the revenue and expenditure expectations for FY 2025/26. There is a redistribution in the expenditure and revenue budgets within each bureau; Administrative Bureau (0501) at $3,455,993, Children and Family Services Bureau (0502) at $6,207,362, Aging and Adult Services Bureau (0503) at $3,638,000, Workforce Services Bureau (0504) at $10,583,100, Alliance to End Abuse (0581) at $2,020,862, Workforce Development Board (0583) at $4,471,500, and Community Services Bureau (0588 and 0589) at $11,181,405 with a total rebalance between the revenue and expenditure budgets of $41,568,222 for EHSD. There is no change to the net county cost for FY 2025/26.

BACKGROUND:
This action is to adjust the revenue and expenditure budgets to more accurately reflect budgetary requirements for the Administrative Bureau (0501), Children and Family Services Bureau (0502), Aging and Adult Services Bureau (0503), Workforce Services Bureau (0504), Alliance to End Abuse (0581), Workforce Development Board (0583) and Community Services Bureau (0588 and 0589) for FY 2025/26. The Employment and Human Services Department, as part of the FY 2025/26 budget rebalancing, has identified the need for updates to the FY 2025/26 budget to better align the revenue and expenditure expectations for FY 2025/26.

CONSEQUENCE OF NEGATIVE ACTION:
Appropriations will not be properly reflected in the FY 2025/26 budget.

CHILDREN'S IMPACT STATEMENT:
The Employment and Human Services Department supports all five of the community outcomes established in the Children's Report Card: (1) "Children Ready for and Succeeding in School"; (2) "Children and Youth Healthy and Preparing for Productive Adulthood";(3)"Families that are Economically Self-Sufficient"; (4) "Families that are Safe, Stable and Nurturing"; and (5) "Communities that are Safe and Provide a High Quality of Life for Children and Families," by effectively managing the budgets for each bureau within EHSD.

CONTRA COSTA COUNTY

Staff Report

File #: 26-2980 **Agenda Date:** 7/7/2026 **Agenda #:** C.23.

To: Board of Supervisors

From: Marla Stuart, Employment and Human Services Director

Report Title: Deep Freeze and Spirion Maintenance Renewal with R-Computer

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:

APPROVE and AUTHORIZE the Purchasing Agent, or designee, to execute on behalf of the Employment and Human Services Director a purchase order with R-Computer to purchase Deep Freeze Maintenance Renewal, a computer system restore and protection software, in an amount not to exceed $9,420 and to purchase Spirion Support and Maintenance Renewal, in an amount not to exceed $9,220, for the period July 1, 2026, through June 30, 2029.

FISCAL IMPACT:

54% Federal, 38% State, 8% County General Fund: 33.34% of which is budgeted in FY 26/27, 33.33% will be budgeted in FY 27/28, and 33.33% will be budgeted in FY 28/29.

BACKGROUND:

The Employment and Human Services Department (EHSD) needs to renew software and subscriptions to continue to protect the department and the County from risk of data breaches and to comply with state and federal privacy regulations. Deep Freeze Maintenance is a computer system restore and protection software that will enable EHSD to lock down public computer hard disk images and allow for restart and restore to a fresh image. The software will also reduce troubleshooting and repair time for computers that have errors or other performance failures. This enables EHSD to ensure privacy of client information entered while submitting job application.

Spirion Support and Maintenance Renewal, is a data security monitoring software, also known as arcTIS, that will enable the department to identify what is classically categorized as personally identifiable information such as credit card, date of birth, Social Security numbers, and other sensitive data embedded within documents and folder structures. This allows EHSD to identify sensitive data so that communications and coordination can be sent to staff to further secure, delete, or move to a more appropriate storage location.

This vendor was selected per procurement requirements outlined in Administrative Bulletin 600.3.

CHILDREN'S IMPACT STATEMENT:

This agreement/contract supports all five of the community outcomes established in the Children's Report Card: (1) "Children Ready for and Succeeding in School"; (2) "Children and Youth Healthy and Preparing for Productive Adulthood"; (3)"Families that are Economically Self-Sufficient"; (4) "Families that are Safe, Stable and Nurturing"; and (5) "Communities that are Safe and Provide a High Quality of Life for Children and Families," by supporting staff working directly with families and children.

CONSEQUENCE OF NEGATIVE ACTION:

The County will be at risk for increased risk of data breaches and non-compliance and could have client-access computers face security risks, software issues, and increased downtime, reducing reliability for job searches and other services.

Report Title: Anaconda Networks - Blanket Purchase Order amendment and extension

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
Acting as the governing board of the Contra Costa County Fire Protection District, APPROVE and AUTHORIZE the Purchasing Agent to execute, on behalf of the Fire Chief, a purchase order amendment with Anaconda Networks, to increase the payment limit by $150,000 to a new payment limit of $305,000, and extend the term through December 31, 2029, for the purchase of modems, routers, and net cloud service plans.

FISCAL IMPACT:
Budgeted. 100% CCCFPD General Operating Fund

BACKGROUND:

Anaconda Networks serves as the Fire District's regional vendor for mobile data and Automatic Vehicle Location (AVL) equipment operating on the Cradlepoint platform. These systems integrate directly with Contra Costa County's existing communications infrastructure and subscriber units, as well as with regional public safety partner agencies. Maintaining this compatibility is essential to ensuring uninterrupted interoperability and coordinated emergency response operations.

Anaconda Networks provides the Cradlepoint hardware, licensing, and technical support necessary to sustain reliable mobile connectivity and real-time vehicle tracking across the District's fleet. These capabilities are critical to operational readiness, incident coordination, and firefighter safety. The District's established relationship with Anaconda Networks supports continuity of service, minimizes operational risk, and avoids potential disruptions that could result from transitioning to a new vendor or platform.

From a fiscal perspective, continuation of services with Anaconda Networks is the most cost-effective option. Transitioning to an alternate vendor would likely require replacing compatible equipment, reconfiguring systems, obtaining additional licensing, and retraining staff, resulting in increased costs and potential service interruptions. Retaining the current vendor preserves the District's prior investment in infrastructure and training while maintaining system reliability.

In March 2025, the Purchasing Department approved a blanket purchase order with Anaconda Networks, an authorized sole-source provider, for $155,000, in accordance with District procurement regulations. Due to ongoing operational needs, equipment lifecycle replacements, and continued licensing and support requirements, the District requests Board approval to increase the payment limit by $150,000, for a revised not-to-exceed amount of $305,000. The District also requests approval to extend the blanket purchase order term

through December 31, 2029, to ensure continuity of services and budget stability.

The End User Agreement contains standard limitations of liability and indemnification provisions consistent with industry practices.

CONSEQUENCE OF NEGATIVE ACTION:
Without this approval, the District will have to identify alternative products and network services it requires to operate effectively. This could come with increased cost.

Report Title: Cisco User Protection Advantage Bundle for Communication Remodel

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
Acting as the governing board of the Contra Costa County Fire Protection District, APPROVE and AUTHORIZE the Purchasing Agent, or designee, to execute on behalf of the Fire Chief, a purchase order with CDW-G in an amount not to exceed $685,266.17 for the purchase of Cisco User Protection Advantage Bundle for the communication building remodel project.

FISCAL IMPACT:
Budgeted. 100% CCCFPD EMS Transport Fund

BACKGROUND:
The Cisco User Protection Advantage bundle provides a consolidated, AI-driven security solution designed to protect hybrid workforces by securing identities, devices, and applications from a single, integrated platform. By combining robust phishing-resistant authentication (Duo Advantage), advanced email threat detection, and comprehensive endpoint security (Secure Endpoint) with Cisco Secure Access (SSE), this suite enables us to move away from patchwork security, drastically reducing the attack surface while streamlining IT operations. This strategic investment strengthens our security posture against modern ransomware and phishing threats, directly aligning with Zero Trust goals to protect data without compromising employee productivity or experience.

This request includes approval for procurement to utilize a participating addendum with OMNIA Mesa 2024056-01 (2024056-01) for Information Technology Solutions Products and Services, and to be conducted via CDW-Government LLC, an approved reseller of the required materials.

This purchase is directly related to the communications center remodel and new server room/data center.

CONSEQUENCE OF NEGATIVE ACTION:
Non approval of this item leaves the District vulnerable to fragmented security gaps, increasing the risk of breach or ransomware attack. This could lead to financial loss, operational downtime that impacts emergency

response services.

Report Title: Amendment to Board Order 24-0642.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
Acting as the governing board of the Contra Costa County Fire Protection District, APPROVE and AUTHORIZE the Purchasing Agent, on behalf of the Fire Chief, to execute a purchase order amendment with William E. Munson Company, to increase the payment amount by $107,186.18 for a revised total of $1,000,000. To include costs of outfitting a 32-foot boat for the Contra Costa County Fire Protection Maritime Response Team.

FISCAL IMPACT:
The requested purchase will be funded 100% by the EMS Transport Fund.

BACKGROUND:
In July 2023, the Fire District Board of Directors authorized this purchase in the amount of $825,000.

In March 2024, the Fire District Board of Directors authorized this purchase with a ceiling not to exceed $860,000 to include additional funding for previously unaccounted taxes and $35,000 for contingency.

As of June 2, 2026, a fire district requested change order in the amount of $44,555 is necessary to address changes to outfitting, lighting, navigation electronics, propulsion, and the fire system. The total for all anticipated costs is now $937,368.82.

The new, not-to-exceed cost of $1,000,000 contains approximately $62,631 of contingency budget for unforeseen needs during the construction or delivery.

Summary of Costs	Original Amount	$825,000.00
	Taxes	$67,813.82
	Change Order	$44,555.00
	Contingency	$62,631.18
	Total	$1,000,000.00

The Contra Costa County Fire Protection District (District) Maritime Response Team responds to

medical emergencies, fires, spills, and rescues on 30 miles of navigable waterways with multiple high -value target hazards.

Following the annexation of the former East Contra Costa Fire Protection District, the marine response program needs to develop assets for responses to emergencies in the far east end of the County. The proposed rescue/fire boat would be based in the Discovery Bay Marina for rapid response in the far reaches of the County.

The 32-foot Munson fire boat offers a large working deck with an enclosed cabin, a landing craft style bow door, quick response capability, and low maintenance costs. The versatility and dependability of this platform will allow the District to respond in an “All Hazards” manner to protect lives, property, and the environment for many years. This would be the sister vessel to another identical vessel owned and operated by the Fire District and based in Pittsburg.

This vessel is being acquired under Federal General Services Administration (GSA) contract number 47QSWA22D006M. This system allows state and local government agencies to procure goods and services under the federal bid and contract award process.

CONSEQUENCE OF NEGATIVE ACTION:
If this action is not approved, the District would not receive a vessel with all the necessary equipment for successful operations in the Delta.

Report Title: Contract between CCCFPD and Silicon Valley Paving, Inc. for Wood & Iron Fence Installation and Repair

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
Acting as the governing board of the Contra Costa County Fire Protection District, APPROVE and AUTHORIZE the Fire Chief, or designee, to execute a contract with Silicon Valley Paving, Inc. in an amount not to exceed $300,000.00 for wood and iron fence installation and repair for the period July 1, 2026 through June 30, 2029.

FISCAL IMPACT:
Budgeted: 100% CCCFPD General Operating Fund

BACKGROUND:
The District operates numerous facilities throughout Contra Costa County that rely on fencing, gates, and access control infrastructure to protect personnel, equipment, vehicles, and critical public safety assets. Over time, these systems require repair, replacement, and upgrades due to age, weather exposure, operational use, vandalism, accidents, and changing security requirements. The District requires a qualified contractor capable of providing timely installation, maintenance, fabrication, and emergency repair services to maintain secure and operational facilities and minimize disruptions to emergency response operations.

Silicon Valley Paving, Inc. was selected through a formal Request for Proposal process and was awarded by the Fire District on May 8, 2026. This agreement represents the District's initial contract with the vendor. Prevailing wages shall apply to this contract.

CONSEQUENCE OF NEGATIVE ACTION:
If this contract is not approved, the District may experience delayed repairs and replacement of damaged fencing, gates, and access control infrastructure throughout District facilities. Without an on-call contractor capable of providing routine and emergency services, the District may experience prolonged security vulnerabilities, reduced control of facility access, increased risk of unauthorized entry, and potential impacts to the protection of personnel, apparatus, equipment, and other District assets.

Acting as the governing board of the Contra Costa County Fire Protection District, APPROVE and AUTHORIZE the Fire Chief, or designee, to amend and extend the contract with SHI International, Corp., in an amount not to exceed $1,350,500, for the continued use of Google Workspace email licenses and related web-hosted services, and to add additional licenses to support the District's continued growth, with a contract extension effective June 2, 2027, and the additional licenses to be approved effective July 7, 2026, upon approval of this Board, for the period June 2, 2027, through June 1, 2030.

FISCAL IMPACT:
Budgeted. 100% CCCFPD General Operating Fund.

BACKGROUND:
The District has over 650 employees, and effective digital communication and collaboration are critical to its operations and organizational effectiveness. Before implementing Google Workspace, the District experienced challenges with its prior email software that contributed to duplicate work and inefficient use of staff hours.

Google Workspace has improved communications and collaboration across field operations, training, fire prevention, Emergency Medical Services, the Contra Costa Regional Fire Communications Center, and other critical administrative personnel. The collaborative features of Google Workspace support more streamlined internal processes, while reliable cloud storage provides secure, scalable access to District data from anywhere, at any time. Compared to predecessor solutions, Google Workspace reduces reliance on physical storage devices and helps mitigate the risk of data loss.

In addition, Google Workspace offers priority security features, including two-factor authentication, encryption, and enhanced data protection, to help protect sensitive information. Google Workspace also supports HIPAA-related requirements and compliance expectations where applicable to District operations and the handling of protected health information.

This staff report recommends Board action to amend and extend the District's contract with SHI International, Corp. for the continued use of Google Workspace email licenses and related web-hosted services, and to add additional licenses to support District growth. The District is requesting additional licenses due to the past

acquisition of Rodeo-Hercules and the Health Services Hazmat teams, which increased the number of staff and operational users requiring access to consistent, secure, and reliable communications and collaboration tools.

The proposed amendment provides for a contract extension effective as of June 2, 2027, through June 1, 2030, and includes additional licenses approved effective July 7, 2026, upon approval by this Board. The total contract amount for the period of performance is not to exceed $1,350,500.

CONSEQUENCE OF NEGATIVE ACTION:
If this agreement is not approved, the District will be required to identify alternative means of accessing its primary source of electronic communication.

Acting as the governing board of the Contra Costa County Fire Protection District, APPROVE and AUTHORIZE the Auditor-Controller, or designee, to pay CrossFit, LLC in an amount not to exceed $7,650.00 for a recruitment vendor booth at the 2026 CrossFit Games Finals for the period July 24, 2026 through July 26, 2026.

FISCAL IMPACT:

Budgeted. 100% CCCFPD General Operating Fund

BACKGROUND:

CCCFPD has established a robust Outreach and Recruitment program in an effort to attract a diverse pool of public safety ready candidates. By hosting a recruitment and outreach booth at the 2026 CrossFit Games Finals, CCCFPD intends to interact with athletes and spectators from across the county in an effort to educate them about a career in the fire service.

The Agreement between CCCFPD and CrossFit, LLC contains modified terms and conditions that include both limitation of liability and indemnification language.

CONSEQUENCE OF NEGATIVE ACTION:

By not attending this event, CCCFPD will miss out on an important opportunity to conduct outreach and recruitment activities with talented athletes and spectators.

Report Title: Delta Valley Health Club Contract - Gym Memberships

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
Acting as the governing board of the Contra Costa County Fire Protection District, APPROVE and AUTHORIZE the Fire Chief, or designee, to execute a contract with Delta Valley Health Club in an amount not to exceed $15,000 for gym memberships for the period July 1, 2026 through June 30, 2029.

FISCAL IMPACT:
Budgeted. 100% CCCFPD General Operating Fund.

BACKGROUND:
Fire Station 92 currently faces gym access challenges due to its smaller fitness facility and increased staffing levels resulting from structural modifications supporting two full crews in a space originally designed for one crew. To support operational effectiveness and promote firefighter fitness, the Fire District is establishing an agreement with Delta Valley Health Club to obtain gym memberships until the ladder truck company is relocated to the future Fire Station 90.

After evaluating local gym options, Delta Valley Health Club in Brentwood was identified as a suitable partner willing to meet County terms. The proposed arrangement includes four rotating daily memberships, alternating between engine and ladder truck crews, improving fitness access while maintaining readiness in a high-call volume area.

The value of the Delta Valley Health Club agreement falls below the $25,000 threshold requiring a sole source justification or additional quotes. This agreement represents the District's second contract with the vendor. Renewal of the agreement beyond its current term shall be contingent upon an evaluation of its cost-effectiveness, accessibility, and continued necessity

The agreement between CCCFPD and Delta Valley Health Club contains both limitation of liability and indemnification langue.

CONSEQUENCE OF NEGATIVE ACTION:

If this agreement is not approved, the Fire District will be unable to provide the firefighters at Fire Station 92 with appropriate physical fitness accommodations.

Report Title: Reimbursement Agreement with PG&E for Aerial Firefighting Costs

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
Acting as the governing board of the Contra Costa County Fire Protection District, APPROVE and AUTHORIZE the Fire Chief or designee to execute a reimbursement agreement with Pacific Gas and Electric Company (PG&E) for up to $1,000,000 in recovery costs for contracted aerial firefighting helicopter services during the 2026 fire season.

FISCAL IMPACT:
This agreement will generate up to $1,000,000 for the CCCFPD general fund to offset the costs of contracting for helicopter firefighting services.

BACKGROUND:
Pacific Gas and Electric Company has partnered with local government agencies in multiple areas of its service territory to provide funding for aerial firefighting capabilities. In 2024, the Fire District operated under a similar agreement for 60 days as a trial program. In 2025 the program was expanded to cover the majority of the traditional wildland firefighting season. Given the success of this program and the threats of wildland fire facing our County, the District now endeavors to continue the services of a firefighting helicopter for the duration of the 2026 wildland season, and PGE will again partner with the District.

PG&E supports these programs to mitigate wildland fires that cause significant damage to utility infrastructure, incurring major costs to repair and rebuild it. We have worked with PG&E to develop a plan to bring aerial firefighting capabilities to the County for our exclusive use during the 2026 fire season.

The reimbursement agreement with PG&E will include terms similar to those in our 2025 agreement. These terms include the following:

- Terms requiring aircraft and pilots to meet regulatory requirements.
- Terms regarding the operation, management, and maintenance of the aircraft.
- Reimburse up to $1,000,000 of the Fire District’s costs.
- A requirement that the Fire District indemnify PG&E and its officers, directors, employees, agents, affiliates, representatives, related entities, successors, and assigns (indemnitees) from liabilities that arise from the Fire District's negligence or willful misconduct or the Fire District’s selection or use of any fire-retardant substance.

CONSEQUENCE OF NEGATIVE ACTION:
The District would not be able to receive these revenues to offset costs associated with contracted aerial firefighting services.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
Acting as the governing board of the Contra Costa County Fire Protection District, APPROVE and AUTHORIZE the Fire Chief, or designee, to execute a contract amendment with Townsend Pubic Affairs to increase the payment limit by $60,000, to a new payment limit of $240,000, and extend the term from June 30, 2026 through June 30 2027, for continued state and legislative advocacy and grant writing services for Contra Costa County Fire Prevention District.

FISCAL IMPACT:
Budgeted, 100% General Operating Fund.

BACKGROUND:
The Contra Costa County Fire Protection District (District) seeks to continue strengthening its state and federal legislative advocacy efforts and expanding opportunities to secure external funding in support of District operations, programs, and capital priorities. To support these objectives, the District proposes extending its agreement with Townsend Public Affairs, Inc. for continued legislative advocacy and grant writing services.

Under the extended agreement, Townsend Public Affairs will continue assisting the District with development of legislative priorities, monitoring and analysis of legislation affecting fire districts, advocacy before state and federal agencies and legislative bodies, and coordination with partner organizations and stakeholders. The consultant will also continue identifying and pursuing grant funding opportunities, developing and submitting grant applications, providing strategic funding support, and assisting with post-award compliance and reporting, as needed. These services are intended to enhance the District's ability to advocate for its interests and secure additional funding resources to support fire protection and emergency response services.

CONSEQUENCE OF NEGATIVE ACTION:
If this agreement is not approved the District will no longer benefit from state and legislative advocacy and grant writing services provided by Townsend Public Affairs, Inc.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:

Acting as the governing board of the Contra Costa County Fire Protection District, APPROVE and AUTHORIZE the Fire Chief, or designee, to execute an MOU with East Bay Municipal Utility District (EBMUD) to formalize the requirements and responsibilities for Contra Costa County Fire Protection District (CCCFPD) to utilize certain public fire hydrants to fill and operate temporary water supply reservoirs (Helo Pods) to be placed at the urban wildland interface for the use by fire agencies during wildland fire suppression, effective upon the execution of the MOU for a 20-year period.

FISCAL IMPACT:

No fiscal impact considering the District's need to place Helo Pods in useful areas and the benefits of conducting limited site preparation (grading or gravel foundation for access, drainage, or tank foundation), as needed for Helo Pod placement

BACKGROUND:

The fire district has purchased six (6) portable water tanks that are marketed as helicopter dip tanks for wildland fire suppression. The intent is to distribute these tanks throughout the county to supplement water availability in high fire severity areas. A requirement for efficient use of the dip tanks is a readily available municipal water supply to refill the tank during periods of use. This agreement between CCCFPD and EBMUD allows for municipal hydrant usage during fire suppression activities.

CONSEQUENCE OF NEGATIVE ACTION:

Without this MOU the fire district could not deploy temporary water tanks to areas serviced by EBMUD.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:

APPROVE and AUTHORIZE the Fire Chief or designee to execute an agreement to exchange services with East Bay Municipal Utility District (EBMUD) to relocate a hydrant to better service a temporary helicopter dip site.

FISCAL IMPACT:
Six days of wildfire mitigation work (i.e. fuel break maintenance work and pile burning, as coordinated with EBMUD Watershed staff) by Contra Costa County Fire Protection District (CCCFPD) crews within CCCFPD and EBMUD common service area within 90 days of the start of the AGREEMENT.

BACKGROUND:
The fire district has identified a preferable location within a high fire hazard severity zone in Lafayette to deploy a helo pod temporary water tank for fire suppression. The available municipal water source is on the opposite side of the street and requires moving to provide optimal efficiency for use of the helo pod on the identified site. EBMUD agreed to move the hydrant in exchange for fuels mitigation work on mutually beneficial areas within our common service areas.

CONSEQUENCE OF NEGATIVE ACTION:
The temporary water source will need to be located at an alternate location that will not be as effective.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:

Acting as the governing board of the Contra Costa County Fire Protection District, APPROVE and AUTHORIZE the Fire Chief, or designee, to apply for and accept Proposition 4 California Climate Bond Department of Forestry and Fire Protection FY 2025-26 Wildfire Prevention Grant funding, in an amount not to exceed $950,000 for the creation of a shaded fuel break.

FISCAL IMPACT:

The grant request will not exceed $950,000. Although there is no local agency cost sharing requirement, staff time and hand crew participation in the project is considered an in-kind match for the grant application.

BACKGROUND:

Proposition 4 California Climate Bond Department of Forestry and Fire Protection Wildfire Prevention Program Grant supports projects that focus on hazardous fuels reduction, wildfire prevention planning, and wildfire prevention education. The Contra Costa County Fire Protection District (District) is requesting approval to apply for and accept this grant in order to implement a shaded fuel break in Concord and Clayton. This Concord / Clayton Shaded Fuel Break (Project) will result in the collective protection of over 9,000 residents in Concord and Clayton by creating a shaded fuel break approximately five miles in length.

The Project will significantly reduce the threat of uncontrolled wildfire and associated greenhouse gas emissions by reducing high fuel concentrations and disrupting the horizontal and vertical continuity of fuel beds. The tree canopy formed by healthy mature trees will remain largely intact to reduce the future growth of brush and understory vegetation and to preserve sequestered carbon in existing trees. The desired result is to restore fuel loading to more natural levels that can be maintained by the periodic introduction of prescribed fire or goat grazing.

Expected outcomes include reduction of biomass of woody and vegetative material available for combustion; significant reduction in the probability of uncontrolled wildfires from starting or entering the area; increasing

the effectiveness of defensible space surrounding residential structures in the area; decreasing the amount of woody and vegetative material that is available for conversion to greenhouse gases by unplanned wildfire; and providing for a safer community.

The Project is a fuels reduction effort that will involve the use of goat grazing, hand crews, chippers and medium duty excavators equipped with forestry rotary brush cutters on articulating arms. The excavators will work from existing fire trails or roads to reduce soil disturbance and will focus on removing ladder fuels and accumulated ground fuels within mechanical reach of a fire trail or road. In areas that the excavators cannot reach, work will be accomplished using hand crews, chippers, and pile burning.

Once awarded the grant, the District will initiate a public outreach campaign to community stakeholders and environmental advocacy groups to build momentum and support for the project. The District will begin scheduling work units, depending on time of year and weather conditions. All project and activity work related to the grant will be completed by 2029, three years from the 2026 award date, in accordance with grant program requirements.

CONSEQUENCE OF NEGATIVE ACTION:

If this action is not approved, the District will not be able to apply for this grant and will need to find an alternate source of revenue to fund this Project.

Report Title: Approve Inclusion of Specifications Requiring the Use of Plymovent Vehicle Exhaust Removal Systems, Sargent Door Hardware, and Phoenix G2 US Digital Designs Station Alerting Systems in the Request for Proposals for Fire Station 9

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
Acting as the governing board of the Contra Costa County Fire Protection District, REVIEW and APPROVE, pursuant to California Public Contract Code section 3400(c)(2), the inclusion of specifications in the forthcoming Request for Proposals (RFP) for the design-build construction of Fire Station 9 requiring the use of Plymovent Vehicle Exhaust Removal Systems, Sargent Door Hardware, and Phoenix G2 US Digital Designs Station Alerting Systems, based on the finding that the specified products are necessary to match products currently in use throughout the Contra Costa County Fire Protection District.

FISCAL IMPACT:
100% CCCFPD Capital Construction Fund.

BACKGROUND:
The Contra Costa County Fire Protection District (District) intends to issue a Request for Proposals (RFP) for the selection of a design-build entity to construct Fire Station 9, located at 209 Center Avenue in Pacheco.

The construction of Fire Station 9 will be conducted in accordance with applicable provisions of the California Public Contract Code. Public Contract Code section 3400(c)(2) permits an awarding authority to specify a designated material, product, thing, or service by brand or trade name when the awarding authority finds that the purpose of the specification is to match other products in use on a particular public improvement, either completed or in the course of completion.
To ensure consistency, interoperability, maintainability, operational efficiency, and compatibility with existing District infrastructure, the District proposes to include specifications in the Fire Station 9 RFP requiring the use of the following products:

Plymovent Vehicle Exhaust Removal Systems
Plymovent vehicle exhaust removal systems are currently installed and operating in District fire stations. These systems connect directly to fire apparatus and remove diesel exhaust emissions from the station environment, reducing personnel exposure to hazardous contaminants and supporting firefighter health and safety.

Standardization of vehicle exhaust removal equipment across District facilities ensures compatibility with existing apparatus and maintenance practices. Accordingly, the District finds that specifying Plymovent Vehicle Exhaust Removal Systems is necessary to match products currently in use.

Sargent Door Hardware

The District utilizes Sargent Door Hardware as part of its districtwide master key system. Standardizing door hardware allows for consistent security protocols, efficient key control, and authorized personnel access across multiple facilities. Continued use of Sargent Door Hardware at Fire Station 9 will maintain compatibility with the District's existing access control and key management systems. Accordingly, the District finds that specifying Sargent Door Hardware is necessary to match products currently in use.

Phoenix G2 US Digital Designs Station Alerting Systems

The District is transitioning from its legacy station alerting platform to the Phoenix G2 Station Alerting System manufactured by US Digital Designs (USDD). The USDD system is fully integrated with the District's CentralSquare Computer-Aided Dispatch (CAD) system, and the required infrastructure and hardware have already been implemented. Standardizing on the USDD platform ensures seamless communication between dispatch and fire stations, improves response efficiency, reduces maintenance and training requirements, and supports consistent operations throughout the District. Accordingly, the District finds that specifying the Phoenix G2 US Digital Designs Station Alerting System is necessary to match products currently in use and currently being implemented throughout District facilities.

Based on these findings, staff recommends approval of the inclusion of these specifications in the Fire Station 9 RFP pursuant to Public Contract Code section 3400(c)(2).

CONSEQUENCE OF NEGATIVE ACTION:

If this action is not approved, the District would be unable to include specifications requiring the use of Plymovent Vehicle Exhaust Removal Systems, Sargent Door Hardware, and Phoenix G2 US Digital Designs Station Alerting Systems in the Fire Station 9 RFP. As a result, Fire Station 9 could be constructed using products that are incompatible with existing District infrastructure and systems, reducing standardization, increasing maintenance and training requirements, and negatively impacting operational efficiency, interoperability, facility access, and emergency response operations.

Report Title: FY 25 Assistance to Firefighters Grant

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
Acting as the governing board of the Contra Costa County Fire Protection District, RATIFY the Fire District's grant application; and APPROVE and AUTHORIZE the Fire Chief, or designee, to apply, accept, and execute a grant agreement, including amendments, with the U.S. Department of Homeland Security, Federal Emergency Management Agency, Assistance to Firefighters Grant Program, in an amount not to exceed $975,000, for the purchase of a decontamination system.

FISCAL IMPACT:
The total grant application is for an amount of up to $975,000, which includes a 10% local agency cost sharing requirement. FEMA develops the mathematical formula to support grant recipients in determining the appropriate minimum amount of cost share required for the awarded items they receive. The District's share would be $88,636, and the federal share would be $886,364.

The grant award may be lower than the amount requested. Due to changing conditions in manufacturing, supply, and tariffs, the total cost of the project is currently an estimate. If awarded, a subsequent approval will be requested of the Board for purchasing authority with the actual costs of the decontamination system.

BACKGROUND:
Contra Costa County Fire Protection District is requesting Assistance to Firefighters Grant funding in the amount of $975,000 to purchase and implement a Liquid Carbon Dioxide (LCO_2) Personal Protective Equipment (PPE) Decontamination System as part of a comprehensive firefighter cancer prevention initiative. The requested system will serve approximately 450 firefighters assigned to 35 fire stations and 42 fire companies operating throughout Contra Costa County. The District is currently repurposing an existing fire station into a centralized PPE cleaning and decontamination center that will serve as the hub for turnout gear cleaning, inspection, drying, storage, and advanced decontamination operations. The proposed LCO_2 system will become the cornerstone of this facility and provide a level of turnout gear decontamination currently unavailable within the region.

Contra Costa County firefighters routinely respond to structure fires, vehicle fires, vegetation fires, hazardous materials incidents, technical rescues, and emergency medical incidents. During these operations, turnout gear becomes contaminated with products of combustion, carcinogens, toxic particulates, heavy metals, biological

contaminants, and other hazardous substances that can remain embedded within protective equipment long after an incident has been concluded. While the District currently utilizes industry-standard extraction and drying practices, research continues to demonstrate that traditional aqueous cleaning methods may not fully remove deeply embedded contaminants located within turnout gear moisture barriers and inner protective layers. The requested LCO_2 system will provide advanced decontamination capabilities designed to remove contaminants not effectively addressed through conventional cleaning processes.

To the best of the District's knowledge, no comparable firefighter-specific LCO_2 turnout gear decontamination system currently exists within Northern California. The District is committed to implementing emerging technologies that reduce occupational cancer risk and improve firefighter health outcomes. This project directly supports firefighter health and safety by reducing occupational exposure to known carcinogens and other hazardous contaminants. The system will be utilized year-round and will support a comprehensive Districtwide effort to improve firefighter health outcomes, reduce occupational cancer risk, and provide cleaner, safer PPE for the firefighters who protect the residents of Contra Costa County.

CONSEQUENCE OF NEGATIVE ACTION:
Without this grant funding, the District will continue to rely on traditional PPE extraction and decontamination methods and will be unable to implement advanced LCO_2 decontamination technology designed to further reduce firefighter exposure to carcinogens and other hazardous contaminants.

Report Title: California Health & Human Services Data Exchange Framework Data Sharing Agreement and the Emergency Medical Services Authority Intermediary Data Sharing Agreement

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:

Acting as the governing board of the Contra Costa County Fire Protection District, RATIFY the Fire Chief's execution of the California Health & Human Services Data Exchange Framework Data Sharing Agreement and the Emergency Medical Services Authority Intermediary Data Sharing Agreement, as required by SB 660 and Health and Safety Code Section 13290(f). These agreements are also required as a condition for contracting for health care services with the Department of Health Care Services, the Public Employees' Retirement System, and the California Health Benefit Exchange.

FISCAL IMPACT:

There is no direct fiscal impact associated with ratification of the agreements. Compliance with the Data Exchange Framework may require ongoing administrative and operational efforts to meet applicable data-sharing, privacy, and security requirements; however, these activities are expected to be accommodated within existing resources. Execution of the agreements preserves the District's eligibility to contract with state health care programs and payers, thereby helping to protect existing and future revenue opportunities.

BACKGROUND:

Senate Bill 660 established the California Health & Human Services Data Exchange Framework (DxF) to improve the secure exchange of health and social services information among health care entities, government agencies, and other participating organizations. California Health and Safety Code Section 13290(f) requires applicable entities to execute and maintain the Data Sharing Agreement (DSA) developed under the DxF.

As a provider of emergency medical services and participant in the health care delivery system, the Fire District is required to execute the California Health & Human Services Data Exchange Framework Data Sharing Agreement and the Emergency Medical Services Authority (EMSA) Intermediary Data Sharing Agreement. These agreements establish the legal and operational framework for the secure exchange of health information and define the responsibilities of participating entities regarding privacy, security, and data governance.

To ensure compliance with state law and applicable contracting requirements, the Fire Chief executed the agreements on behalf of the District. Board ratification is requested to formally acknowledge and approve the execution of the agreements.

CONSEQUENCE OF NEGATIVE ACTION:
If the Board does not ratify the Fire Chief's execution of the California Health & Human Services Data Exchange Framework Data Sharing Agreement and the EMSA Intermediary Data Sharing Agreement, the District may be deemed noncompliant with state data-sharing requirements established under SB 660 and Health and Safety Code Section 13290(f).

Additionally, the District's ability to contract for health care services with the Department of Health Care Services, CalPERS, and Covered California could be adversely affected, potentially impacting participation in certain health care programs, reimbursement opportunities, and the exchange of health information necessary to support patient care and operational effectiveness.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Health Officer, or designee, to apply for and accept on behalf of the County Grant Allocation #28-640-18, and ADOPT a Resolution authorizing the County to request an allocation from Metropolitan Transportation Commission, to pay an amount not to exceed $55,000 for the County's Bicycle and Pedestrian Safety Project for the period July 1, 2026 through June 30, 2027.

FISCAL IMPACT:
Acceptance of this Agreement will result in a total Grant of $55,000 for FY 2026-27 from Metropolitan Transportation Commission. (No County match required)

BACKGROUND:
Article 3 of the Transportation Development Act (TDA), Public Utilities Code (PUC) Section 99200 et seq., authorizes the submission of claims to a regional transportation planning agency for the funding of projects exclusively for the benefit and/or use of pedestrian and bicyclists. The Metropolitan Transportation Commission (MTC), as the regional transportation planning agency of the San Francisco Bay region, has adopted MTC Resolution No. 875, which delineates procedures and criteria for submission of requests for the allocations of TDA Article 3 countywide coordinated claim is required to submit a resolution from its governing body to MTC requesting an allocation of TDA Article 3 funds.

The County's Bicycle and Pedestrian Safety Project goal is to provide safe walking and biking education by providing classroom education; assemblies, information tables, and school events; bicycle helmet distribution; educational materials; and facilitated bicycling and walking events.

Contra Costa County has been applying for and receiving funds for this Grant since 1999. On March 11, 2025, the Board of Supervisors approved Grant Agreement #28-640-16 with Metropolitan Transportation Commission, in an amount of $50,000 for the Bicycle Pedestrian Safety Project, for the period July 1, 2025 through June 30, 2026.

Approval of the Grant Agreement #28-640-18 will allow the County to continue providing bicycle and pedestrian education services through June 30, 2027.

CONSEQUENCE OF NEGATIVE ACTION:

If this Grant Agreement is not accepted, additional bicycle and pedestrian safety projects would be delayed or not carried out.

CHILDREN'S IMPACT STATEMENT:
The recommendation supports the following children's outcome(s): (1) Children Ready for and Succeeding in School; (2) Children and Youth Healthy and Preparing for Productive Adulthood; (3) Families that are Safe, Stable and Nurturing; and (4) Communities that are Safe and Provide a High Quality of Life for Children and Families.

BACKGROUND:
CCRMC has been contracting with GE Precision Healthcare LLC, since January 2020 to provide maintenance and repair services to various medical imaging equipment and systems located at CCRMC and Contra Costa Health Centers. Ninety (90%) percent of the imaging equipment/systems are manufactured by General Electric Healthcare. Contractor has a large workforce which enables them to provide timely and efficient service support.

This Contract is entered into under and subject to the following legal authorities: California Government Code §§ 26227 and 31000. CCRMC's Quality Management, Utilization Management and Contractor Monitor Staff meet on a regular basis to ensure monitoring and performance measures in the Contract are upheld. Report Title: Interagency Agreement #26-658-12 with the County of Santa Clara for its Santa Clara Valley Medical Center

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Health Services Director, or designee, to execute on behalf of the County, Interagency Agreement #26-658-12 with the County of Santa Clara (for its Santa Clara Valley Medical Center), a political subdivision of the State of California, in an amount not to exceed $50,000, for the provision of outside laboratory testing services for Contra Costa Regional Medical Center (CCRMC), for the period from July 1, 2026 through June 30, 2029.

FISCAL IMPACT:
Approval of this contract will result in contractual expenditures of up to $50,000 over a three-year period and will be funded as budgeted by the department for Fiscal Years (FYs) 2026-2029 by 100% Hospital Enterprise Fund I.

BACKGROUND:
CCRMC has an obligation to provide health care services, including specialized laboratory testing services that may require special equipment which CCRMC may not have onsite. County contracts with outside laboratories that have the required equipment for these specific testing services. Contractor has been providing outside clinical laboratory testing services for CCRMC since July 1, 2010.

This Contract is entered into under and subject to the following legal authorities: California Government Code §§ 26227 and 31000; Health and Safety Code § 1451. Per Administrative Bulletin 600.3, intergovernmental agreements are exempt from solicitation requirements. CCRMC's Quality Management, Utilization Management and Contract Monitor Staff meet on a regular basis to ensure monitoring and performance measures in the Contract are upheld. This Contract was approved by Health Services Personnel to ensure there is no conflict with labor relations.

On July 11, 2023, the Board of Supervisors approved agenda item C.59 to execute Interagency Agreement #26-658-10 with the County of Santa Clara (for its Santa Clara Valley Medical Center), in the amount not to exceed $50,000, to provide neonatal urine toxicology laboratory testing services twenty-four hours a day/seven days a week for at risk newborns at CCRMC, for the period July 1, 2023 through June 30, 2026.

Approval of Interagency Agreement #26-658-12 will allow the Contractor to continue providing outside

laboratory testing services through June 30, 2029. This agreement contains a mutual indemnification provision that requires the parties to indemnify, defend, and hold harmless the other party for claims arising from the negligent or intentional acts of the indemnifying party.

CONSEQUENCE OF NEGATIVE ACTION:
Failure to approve this Interagency Agreement will result in the loss of specialized outside laboratory testing services for CCRMC, including neonatal urine toxicology testing available 24 hours a day, seven days a week and CCRMC will be unable to fulfill its obligation to provide timely, specialized diagnostic testing for at-risk patients, including newborns, potentially compromising patient safety and the quality of care delivered at the facility.

Report Title: Amendment to Purchase Order with Kainos Dental Technologies, LLC

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Purchasing Agent, or designee, to execute on behalf of the Health Services Director, an amendment to purchase order #30519 with Kainos Dental Technologies, LLC to increase the payment limit by $200,000 to an amount not to exceed $400,000 to purchase additional dental prosthetics for patients in the Contra Costa Health Services Department's Dental Clinics with no change in the original term of June 1, 2024 through May 31, 2027.

FISCAL IMPACT:
This purchase order will result in additional expenditures of up to $200,000 over the three-year period and will be funded by Hospital Enterprise Fund I revenues.

BACKGROUND:
Kainos Dental Technologies, LLC is a full-service dental laboratory that manufactures and customizes a variety of dental prosthetics, including crowns and dentures, for Contra Costa Health Services Department's Dental Clinics. Over the past year, Kainos Dental Technologies has demonstrated consistent reliability and quality, providing the dental clinics with the prosthetics necessary to deliver high-quality patient care and achieve excellent clinical outcomes.

Contra Costa Health Services Department's Dental Clinics previously utilized two dental laboratories for prosthetic services; however, one laboratory ceased operations over a year ago, leaving Kainos Dental Technologies as the sole provider of dental prosthetics for the clinics. As a result, the volume of prosthetics manufactured by Kainos has increased significantly, leading to a corresponding increase in costs.

On June 21, 2024 the Purchasing Agent issued purchase order #30519 with Kainos Dental Health Technologies, LLC in the amount of $100,000 and a subsequent amendment increasing the total payment limit to $200,000 to purchase dental prosthetics as needed for the Contra Costa Health Services Department's Dental Clinics for the period of June 1, 2024 through May 31, 2027. On August 25, 2025 the Purchasing Agent approved the use of Kainos Dental Technologies, LLC for this purchase order.

Approval of this action will allow the Contra Costa Health Services Department's Dental Clinics to continue to purchase dental prosthetics through May 31, 2027.

CONSEQUENCE OF NEGATIVE ACTION:
If this purchase order is not approved, Contra Costa Health Services Department's Dental Clinics will be unable to provide dental prosthetics to patients. Appointments will be cancelled, leaving edentulous and partially edentulous patients without access to essential services critical to their oral function, nutrition, and overall health. Dental Clinics will be forced to indefinitely suspend scheduling for affected patients, disproportionately impacting vulnerable populations who rely on timely prosthetic care to maintain their health, function, and dignity.

Report Title: Amendment Purchase Order #23253 with Abbott Laboratories

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Purchasing Agent, or designee, to execute on behalf of the Health Services Director, an amendment to purchase order #23253 with Abbott Laboratories to increase the payment limit by $300,000 to a new amount not to exceed $600,000 to purchase additional lactic acid cartridges as required by the Clinical Laboratory at Contra Costa Regional Medical Center (CCRMC), with no change to the original term from September 1, 2021 through November 18, 2027.

FISCAL IMPACT:
Approval of this action will result in additional expenditures of up to $300,000 through November 18, 2027 and will be funded by Hospital Enterprise Fund I revenues.

BACKGROUND:
Abbott Laboratories has served as CCRMC's primary supplier for the cartridges for point of care lactic acid and Traumatic Brain Injury (TBI) testing. Abbott Laboratories is also the sole manufacturer and distributor of the I-Stat Alinity Analyzer reagents used for TBI testing. Lactic acid testing is a critical clinical tool for the early identification of sepsis, which is a mandatory indicator required by The Joint Commission and California Department of Public Health.

On August 31, 2021, the Purchasing Agent executed purchase order #23253 with Abbott Laboratories in the amount of $150,000 for the purchase of lactic acid testing cartridges for the period from September 1, 2021 through August 31, 2024.

On October 22, 2024 the Board of Supervisors approved agenda item C.98 to execute an amendment to purchase order #23253 to increase the amount by $150,000 to a new payment limit of $300,000 and extend the term through November 18, 2027 to purchase reagents and supplies needed for the I-Stat and I-Stat Alinity Handheld Analyzers. On May 18, 2026 the Purchasing Agent approved the continued use of Abbott Laboratories.

Patient testing volumes for lactic acid have increased substantially, driving a corresponding increase in cartridge consumption and associated costs. Point-of-care TBI testing was recently implemented at CCRMC and the expanded screening for TBI, combined with rising lactic acid testing volumes, has exceeded the funding projected under the current purchase order. Because no other vendor manufactures or is authorized to

distribute these proprietary reagents and supplies, the Clinical Laboratory is requesting additional funding to ensure uninterrupted delivery of these critical diagnostic services in the Emergency Department.

Approval of this action will allow CCRMC Clinical Laboratory to purchase additional lactic acid cartridges from Abbott Laboratories through November 18, 2027.

CONSEQUENCE OF NEGATIVE ACTION:
If this action is not approved, the Clinical Laboratory will be unable to report whole blood lactic acid tests or diagnose TBI, significantly impacting CCRMC's capacity to deliver rapid triage care. Furthermore, the CCRMC Clinical Laboratory will be unable to acquire I-STAT reagents, leading to delays in patient care.

Report Title: Contract #24-681-20(32) with Frederick Williams (dba Williams Board and Care Home)

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Health Services Director, or designee, to execute on behalf of the County Contract #24-681-20(32) with Frederick Williams (dba Williams Board and Care Home), an individual, in an amount not to exceed $207,303 to provide augmented board and care services for older adults with mental illness for the period from July 1, 2026 through June 30, 2027.

FISCAL IMPACT:
Approval of this Contract will result in contractual service expenditures of up to $207,303 and will be funded by 100% Behavioral Health Service Act (BHSA) funds. Beginning July 1, 2026, the Mental Health Services Act (MHSA) funding fully transitions to the BHSA to reflect full implementation and oversight required under California Proposition 1, approved by voters in March 2024, which modernizes MHSA by renaming it the BHSA and redirecting funding to support building a comprehensive, integrated, and unified behavioral health system statewide.

BACKGROUND:
This Contract meets the social needs of the County's population by augmenting room and board and providing twenty-four-hour emergency residential care and supervision to eligible adults with mental illness, who are discharged from hospitals and mental health rehabilitation centers requiring one on one supervision. This Contractor has been a part of the Behavioral Health Provider Network providing augmented board and care services and fostering a deep understanding of the County's mission, values, and long-term objectives since July 1, 1998.

The Behavioral Health's Quality Management, Utilization Management and Contract Monitor staff meet on regular basis to ensure monitoring and performance measures in the Contract are upheld. This Contract was approved by Health Services Personnel to ensure there is no conflict with labor relations. This Contract is entered into under and subject to the following legal authorities: California Government Code §§ 26227; California Code of Regulations, Title 9, Section 523 et seq.; California Welfare and Institutions Code Section 5600 et. Seq (known as The Bronzan-McCorquodale Act). These contracted services were determined to be exempt from Administrative Bulletin 600.3 solicitation requirements by the Public Works Department's Purchasing Division.

On May 13, 2025, the Board of Supervisors approved Contract 24-681-20(31) with Frederick Williams (dba

Williams Board and Care Home) in an amount not to exceed $203,238 to provide augmented board and care services for older adults with mental illness, for the period from July 1, 2025 through June 30, 2026.

Approval of Contract #24-681-20(32) will allow Contractor to continue providing augmented board and care services to older adults with mental illness through June 30, 2027.

CONSEQUENCE OF NEGATIVE ACTION:
If this Contract is not approved, older adults with mental illness needing augmented board and care will not have access to Contractor's services which could result in higher levels of care.

Report Title: Certification and Indemnification Agreement #78-115 with the Department of Housing and Community Development

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Health Services Director, or designee, to execute the following: (1) a Certification Regarding Non-Application of Relocation Benefits with the California Department of Housing and Community Development (HCD) for Sherman Terrace, a Homekey+ grant program at 2025 Sherman Drive in Pleasant Hill to develop 5 units of permanent supportive housing, certifying that there are no residents, businesses, or farm operations on the property and therefore no residents requiring relocation assistance; and (2) an Indemnification Agreement with HCD to hold HCD harmless for all potential legal costs and liabilities arising from HCD's acceptance of the County's Certification Regarding Non-Application of Relocation Benefits.

FISCAL IMPACT:
No fiscal impact.

BACKGROUND:
On January 7, 2026 the County received a Notice of Conditional Award from HCD for $1,500,000 for the development of 5 units of permanent supportive housing at Sherman Terrace, a vacant, County-owned property located at 2025 Sherman Drive in Pleasant Hill.

The Homekey+ project includes a requirement that relocation assistance be provided to any persons, businesses, or farm operations located on any property to be developed with Homekey+ funds that would be displaced as a result of the project to be developed. If there are no persons, businesses, or farm operations on the property to be displaced, the Homekey+ grant program includes a requirement that grantees submit a Certification Regarding Non-Application of Relocation Benefits certifying that there are no persons, businesses, or farm operations to be displaced as a result of the Homekey+ funded housing development and therefore no relocation benefits to be provided.

Contra Costa's Homekey+ application for Sherman Terrace included a Relocation Narrative, attached, as required by the Request for Applications stating that: "No persons, businesses, or farm operations will be displaced, either temporarily or permanently, as a result of the proposed development." The parcel is a County-owned lot with two vacant, boarded up structures and no existing tenants or operations. The existing structures are not within the footprint of the proposed permanent supportive housing units and are to be demolished as

part of a BCHIP funded Social Rehabilitation project at this location.

As part of the contracting process, the County must certify that the new housing being developed with Homekey+ funding is not displacing any persons, businesses, or farm operations and therefore no relocation benefits are required.

This Agreement incorporates an Indemnification Agreement which requires County to indemnify, save and hold harmless DHCD from any and all claims, liabilities, damages, losses, attorney fees, expenses, costs, actions, or proceedings threatened, asserted, or brought against any of the foregoing individuals or entities related to or arising from Relocation Law with respect to the Project. Given that there are no persons, businesses, or farm operations on the property, there is minimal risk with executing this Indemnification Agreement.

CONSEQUENCE OF NEGATIVE ACTION:
County would not be able to complete the contracting process for Homekey+ and would not receive the conditionally awarded funds.

Report Title: Payment for Services for Stericycle, Inc.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Auditor-Controller, or designee, to pay Stericycle, Inc. an amount not to exceed $412,092 for bio-hazardous waste management removal services provided at Contra Costa Regional Medical Center (CCRMC) and Contra Costa Health Centers, for the period January 1, 2025 through May 31, 2026, as recommended by the Health Services Director.

FISCAL IMPACT:
Approval of this payment will result in a one-time expenditure of up to $412,092 and will be funded 100% by Hospital Enterprise Fund I revenues.

BACKGROUND:
Contra Costa County has been contracting with Stericycle, Inc. since April 2002 to provide hazardous waste management services to CCRMC and various Health Center locations within the County including pick-up of filled waste containers and delivery of empty, clean containers, on the dates, at the times, and at the designated pick-up sites in each facility.

This Contract is entered into under and subject to the following legal authorities: California Government Code §§ 26227 and 31000. This Contract was approved by Health Services Personnel to ensure there is no conflict with labor relations. CCRMC's Quality Management, Utilization Management, and monitoring staff meet regularly to ensure monitoring and performance measures in the Contract are upheld. Following a Request for Proposal (RFP), this Contract was awarded to Stericycle, Inc. by Public Works on November 8, 2024.

On April 28, 2025, the Board of Supervisors approved Contact #26-437-17 with Stericycle, Inc., in an amount not to exceed $250,000, for the provision of bio-hazardous waste management removal services for CCRMC and Health Center locations, for the period July 1, 2024 through April 30, 2025.

The Contractor is entitled to payment for the reasonable value of its services under the equitable relief theory of quantum meruit. That theory provides that where a contractor has been asked to provide services without a valid contract, and the contractor does so to the benefit of the County, the Contractor is entitled to recover the reasonable value of those services. The Contractor has provided services at the request of the County while contract terms are negotiated and agreed upon by both parties. As such, the Department recommends that the Board authorize the Auditor-Controller to issue a one-time payment to Stericycle, Inc. in an amount not to

exceed $412,092.

CONSEQUENCE OF NEGATIVE ACTION:
If this payment is not approved, the Contractor will not be paid for services requested by County staff and provided by Contractor in good faith.

Report Title: Gift Cards for Clients with Opioid Use Disorder

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Purchasing Agent, or designee, to purchase on behalf of the Health Services Director, up to 500 Clipper Cards each with a $23 value totaling $11,500 and 100 Walmart gift cards each with a $25 value totaling $2,500, plus applicable shipping up to $30, for a total amount not to exceed $14,030 to be distributed to individuals with Opioid Use Disorder (OUD)/Substance Use Disorder (SUD) who are in treatment and living at recovery residences and have difficulty securing transportation and personal items needed for seeking employment, attending court appointments, applying for benefits, and other activities related to employment.

FISCAL IMPACT:
This $14,030 expenditure will be entirely funded by Opioid Settlement Funds (OSF).

BACKGROUND:
On July 21, 2021, California Attorney General Rob Bonta announced the final settlement agreements with Janssen Pharmaceuticals and major pharmaceutical distributors McKesson, Cardinal Health, and AmerisourceBergen (the Janssen and Distributors, or J&D Settlement), marking a pivotal step in addressing the opioid epidemic. These were the first of several opioid settlements that will provide substantial funds for the remediation of the opioid epidemic in California. These settlements are part of a broader national effort to rectify the damage caused by opioid manufacturers and distributors, with California securing up to $2.2 billion for the remediation efforts.

Recovery residences are short-term alcohol-free and drug-free environments that support stability and long-term recovery while clients continue outpatient treatment. While residing at recovery residences, clients must create an employment and housing plan, so that upon completion they become gainfully employed and achieve stable housing. These concrete outcomes increase the likelihood of long-term recovery and self-sufficiency. While transportation support through the managed care plan is exclusively for medical reasons, this request will support client's efforts to achieve employment.

Transportation is an allowable use of Opioid Settlement Funds (OSF) under Exhibit E of the National Opioid Settlement Agreements, which states it is acceptable to use OSF to provide or support transportation to treatment or recovery programs or services for clients with OUD and any co-occurring SUD or mental health conditions. The distribution of Walmart vouchers falls under acceptable uses of opioid funding for recovery

services, as clients with opioid use disorder will use the vouchers to purchase items related to employment-seeking efforts, such as clothing, boots, and grooming products. Alcohol and Other Drugs (AODS) employees will create a system and criteria to manage the distribution and audit of Clipper Cards and Walmart vouchers.

CONSEQUENCE OF NEGATIVE ACTION:
If this action is not approved, AODS would not be able to fulfill the goals to address the opioid crisis, the health and well-being of the clients enrolled in the program would be impacted and they will be ill-prepared to achieve and assume employment responsibilities.

BACKGROUND:
This Contract Amendment/Extension meets the needs of the County by providing Contra Costa Health's Information Systems Unit renewal of its license to use and receive maintenance for Contractors' software applications. These applications afford the ability to electronically manage Information Systems incidents and licensing while providing easy access to administer data, scheduling, and running reports.

On September 13, 2022, the Board of Supervisors approved Contract #23-590-5 with Ivanti Inc., in an amount not to exceed $101,655, for the implementation of the Contractors' Heat Software application, and provision of software and services for service requests and incident management administration within the Information Systems Unit for the period from July 1, 2022 through June 30, 2025.

Under Contract #23-590-5, the parties executed an End User License Agreement (EULA) providing the County with a license for the Ivanti Service Desk incident management software application, to reflect the continued provision of software maintenance and support. Under EULA, the contractor's liability to the County is limited to the amounts paid by the county under the agreement, except for the contractor's indemnification obligations under the agreement.

On July 8, 2025, the Board of Supervisors approved Contract Amendment/Extension #23-590-6, to increase the payment limit by $34,399 to an amount not to exceed $136,054 and to extend the termination date through June

30, 2026, for additional information systems incident management software and software maintenance.

Approval of this Amendment No. 2 (Contract Amendment/Extension #23-590-7) allows the Contractor to continue providing software maintenance and support services through June 30, 2027.

CONSEQUENCE OF NEGATIVE ACTION:
If this Contract Amendment/Extension is not approved the Contra Costa Health's Information Unit's Service Desk will lose access to the ticketing systems used for support tracking, which may cause disruption to staff providing services and ultimately patient care.

Report Title: Grant Agreement #78-114 with the Kaiser Foundation Hospitals

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Health Services Director, or designee, to accept grant funding and execute on behalf of the County Grant Agreement #78-114 with the Kaiser Foundation Hospitals, to pay the County in an amount not to exceed $25,000, for the development of the Youth Violence Prevention Ambassador Program: Empowering Young Leaders Across Contra Costa County, for the period July 1, 2026 through June 30, 2027.

FISCAL IMPACT:
Approval of this Grant Agreement will result in the County receiving an amount up to $25,000 for the Youth Violence Prevention Ambassador Program: Empowering Young Leaders Across Contra Costa County. (No County match)

BACKGROUND:
Contra Costa Health, through its violence prevention program in the Public Health Division, will use these funds to recruit, train, and compensate up to ten (10) young leaders from Antioch, Pittsburg, and Richmond to serve as peer educator and community voices for violence prevention across Contra Costa County. The Youth Violence Prevention Ambassador Program advances Contra Costa Health's Public Health approach to gun violence reduction by elevating youth voices, supporting community-led prevention, and building pipelines from lived experience into the violence prevention workforce.

This Award aligns with the County's broader investment in coordinated upstream gun violence prevention, including it's $5,087,000 California Violence Intervention & Prevention (CalVIP) Cohort 5 Grant from the Board of the State and Community corrections (BSCC) and its partnership with the District Attorney's Office, The Family Justice Center, The Alliance to End Abuse, and the Cities of Antioch, Pittsburg and Richmond.

Acceptance of this Grant does not require County to match funds and does not commit the County to ongoing General Fund support beyond the Grant term. The Grant is fully funded by Kaiser Foundation Hospitals as an unconditional charitable contribution to support the Public Health Division's goals described above.

Approval of Grant Agreement #78-114 will allow the County to receive funds to provide services under the Youth Violence Prevention Ambassador Program for the period July 1, 2026 through June 30, 2027. This Agreement includes mutual indemnification to defend, indemnify and hold harmless the other party from any claims arising out of the performance of this Agreement. This Agreement also includes a prevailing party

attorney's fees provision that allows the prevailing party to recover all costs and reasonable attorney's fees in the event that any suit or action is commenced concerning the Agreement.

CONSEQUENCE OF NEGATIVE ACTION:
If this Grant Agreement is not accepted, County will not receive the necessary funding to support the Program services needed for the community.

Report Title: Purchase Order with Computacenter United States Inc.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Purchasing Agent, or designee, to execute on behalf of the Health Services Director, a one-time purchase order with Computacenter United States Inc., in an amount not to exceed $976,208 to purchase Cisco network switches, related hardware, and accessories.

FISCAL IMPACT:
This one-time purchase order will result in expenditures of up to $976,208 and will be funded by Hospital Enterprise Fund I revenues.

BACKGROUND:
The County's network infrastructure relies on a large inventory of switches that support critical systems and daily operations across all departments. Approximately 100 of these switches are aging and approaching their last day of support from Cisco, which means they will no longer receive firmware updates, security patches, or code maintenance. To reduce security risks and maintain consistent hardware refresh cycles, the County conducts annual bulk purchases of replacement switches.

On June 11, 2026, the County issued Invitation for Bid #IFB-CONTR-0000000041, and Computacenter, an authorized and Cisco reseller, was selected as the awarded vendor based on offering the lowest price.

This purchase will be governed by the Letter Agreement dated January 28, 2025, between Cisco Systems, Inc. and Contra Costa County, as well as the Master Products and Services Agreement dated November 14, 2023, between Computacenter United States Inc. and Contra Costa County, as amended by Amendment No. 1 dated May 21, 2024. This action supports the County's lifecycle replacement plan, enhances network security, and ensures reliable operational continuity.

CONSEQUENCE OF NEGATIVE ACTION:
Failure to approve this request will leave the County operating with unsupported network switches, increasing vulnerability to security exploits and zero-day attacks that could compromise systems and disrupt essential services. It will also prevent the County from maintaining its annual bulk replacement cycle, leading to higher long-term costs, inconsistent refresh schedules, and greater risk of network instability and service outages.

Report Title: User Agreement #72-299 with American Type Culture Collection (ATCC)

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Health Services Director, or designee, to execute User Agreement (UA) #72-299 with American Type Culture Collection (ATCC), a corporation, for the provision of Influenza Reagents Resource (IRR) testing reagents and supplies for the County's Public Health Laboratory to conduct influenza diagnostic testing and surveillances efforts, effective upon the date of final signature until terminated by either party.

FISCAL IMPACT:
This is a non-financial agreement. There is no cost to the County.

BACKGROUND:
The Centers for Disease Control and Prevention (CDC) works year-round to improve and enhance international influenza surveillance efforts and to build global laboratory capacity in preparation for a future pandemic. In September 2008, CDC's Influenza Division contracted with The American Type Culture Collection to implement the IRR. The IRR, funded by the CDC, is a biological reagent repository established to provide free access to influenza virus strains and research reagents. The UA establishes the formal structure and operational parameters while permitting the County's Public Health Laboratory to retain and continue receiving reagents and supplies for Influenza diagnostic testing and surveillance efforts in the event of an outbreak, pandemic, or seasonal testing while supporting emergency preparedness. The Public Health Laboratory routinely uses CDC Influenza test kits for Influenza subtyping (H1N1, H3, etc.) to evaluate circulating infection in the community and solely uses CDC kits for the detection of possible avian influenza, H5N1.

The UA provides the terms, conditions, and limitations concerning the Public Health Laboratory's responsibility to properly handle, use and dispose of IRR materials consistent with applicable Federal and State law and regulations.

Approval of new UA #72-299 will allow the County's Public Health Laboratory to continue receiving, at no cost, CDC influenza and related emerging threat test reagents. This UA includes a limitation of liability provision which states that in no event will ATCC, U.S. government, or individual contributors who provide material to ATCC be liable for any special, incidental, or consequential damages arising out of this UA.

CONSEQUENCE OF NEGATIVE ACTION:

If this UA is not approved, the County Public Health Laboratory will be out of compliance with CDC IRR requirements and will have to pay out of pocket for additional influenza supplies ordered and received. Additionally, the public health laboratory will no longer be able to order proficiency tests through IRR. Patient specimens suspected of having avian influenza, novel influenza, or other emerging pathogens will be shipped to another laboratory for initial screening.

FISCAL IMPACT:
Approval of this Contract will result in annual expenditures up to $375,000 and will be funded 100% by Behavioral Health Service Act (BHSA) revenues. Beginning July 1, 2026, the Mental Health Services Act (MHSA) funding fully transitions to the BHSA to reflect full implementation and oversight required under California Proposition 1, approved by voters in March 2024, which modernizes MHSA by renaming it the BHSA and redirecting funding to support building a comprehensive, integrated, and unified behavioral health system statewide.

Acting as a Mental Health Plan designated by Department of Health Care Services (DHCS) Contra Costa Behavioral Health is required to meet federal and state network adequacy standards to ensure that all Medi-Cal managed care covered services are available and accessible to beneficiaries in accordance with timely access and time and distance standards. Contractor currently cooperates with and participates in BHSD's Quality Management Program which consists of quality improvement activities to improve the quality of care and services and member experience. ☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Health Services Director, or designee, to execute on behalf of the County Contract #76-817-1 with Royal Ambulance, LLC, a limited liability company, in an amount not to exceed $2,130,000, to provide ambulance transportation services for patients at Contra Costa Regional Medical Center (CCRMC) and Contra Costa Health Centers for the period from July 1, 2026 through June 30, 2029.

FISCAL IMPACT:
This contract will result in contractual service expenditures of up to $2,130,000 over a 3-year period and will be funded 100% by Hospital Enterprise Fund I revenues.

BACKGROUND:
Due to ongoing staffing shortages among other ambulance providers, CCRMC has been unable to secure alternative transportation resources capable of meeting the higher-acuity needs of our patients who require assisted transport between their homes and CCRMC. This Contractor is the only provider currently able to deliver the specialized, timely, and continuity-focused transport services necessary to support patient care across both CCRMC and Contra Costa Health Centers. As a result, their services are considered unique and essential, This Contractor was approved by the Public Works Department's Purchasing Division on March 23, 2026 as a sole-source provider.

This Contract is entered into under and subject to the following legal authorities: California Government Code §§ 26227 and 31000. CCRMC's Quality Management, Utilization Management and Contract Monitor Staff meet on a regular basis to ensure monitoring and performance measures in the Contract are upheld. This Contract was approved by Health Services Personnel to ensure there is no conflict with labor relations.

On July 11, 2023, the Board of Supervisors approved Contract #76-817 with Royal Ambulance, Inc., in an amount not to exceed $2,130,000, for the provision of ambulance transportation services for patients at CCRMC and Contra Costa Health Centers for the period July 1, 2023 through June 30, 2026.

Approval of Contract #76-817-1 will allow the Contractor to continue to provide ambulance transportation services for patients at CCRMC and Contra Costa Health Centers through June 30, 2029.

CONSEQUENCE OF NEGATIVE ACTION:

If this Contract is not approved, the necessary ambulance services needed to transfer patients to other hospitals for important treatments or care that CCRMC and Contra Costa Health Centers cannot provide will not be available or will create increased wait times due to a limited number of ambulance providers within the community.

FISCAL IMPACT:
Approval of this action will result in expenditures of up to $59,000 and will be funded by Hospital Enterprise Fund I revenues.

BACKGROUND:
Contra Costa Health's Community Education and Information program utilizes Canva to create digital and print communications materials that support public information, community outreach, employee communications, health education and emergency communications activities.

Canva Enterprise provides a centralized design platform that enables staff to create, manage, and share branded communications materials while maintaining accessibility, consistency, and compliance with organizational standards. The agreement includes 150 user licenses and enhanced onboarding services to support implementation, account configuration, training, and brand management.

Approval of this agreement will allow Contra Costa Health to use Canva Enterprise as a standardized communications platform and provide staff with access to design, collaboration, and content management tools necessary to support departmental communications activities. The Department procured three competitive bids for these services to ensure fair pricing and compliance with County procurement requirements.

Canva is not liable for infringement claims arising from: (i) misuse of Licensed Content (ii) unauthorized combinations or modifications, (iii) disregarding Canva's stop-use instructions, (iv) infringing Input or Output, (v) intentional infringement with AI, or (vi) Service misuse or agreement violations. Report Title: Continue extension of emergency declaration regarding homelessness

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
CONTINUE the emergency action originally taken by the Board of Supervisors on November 16, 1999 regarding the issue of homelessness in Contra Costa County.

FISCAL IMPACT:
There is no fiscal impact for this action.

BACKGROUND:
On November 16, 1999, the Board of Supervisors declared a local emergency, pursuant to the provisions of Government Code Section 8630 on homelessness in Contra Costa County. Government Code Section 8630 requires that, for a body that meets weekly, the need to continue the emergency declaration be reviewed at least every 60 days until the local emergency is terminated. The Board of Supervisors last reviewed and continued the emergency declaration on May 12, 2026.

With the continuing high number of homeless individuals and insufficient funding available to assist in sheltering all homeless individuals and families, the emergency situation still exists and it is, therefore, appropriate for the Board to continue the declaration of a local emergency regarding homelessness.

CONSEQUENCE OF NEGATIVE ACTION:
If this action is not taken, there will not be as much public awareness with regard to the issue of homelessness in Contra Costa County.

Report Title: Add Three Social Worker positions to the Employment and Human Services Department Workforce Services Bureau.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
ADOPT Position Adjustment Resolution No. 26614 to add three (3) Social Worker (X0VC) (represented) positions at Salary Plan and Grade 255-1434 ($7,045.94-$8,564.38) to the Employment and Human Services Department Workforce Services Bureau.

FISCAL IMPACT:
Approval of this action will result in annual salary and benefits cost of $414,177 for FY 2026-2027. (100% State SAMHWORKs funding).

BACKGROUND:
The Workforce Services Bureau will assume oversight of the Substance Abuse and Mental Health California Work Opportunity and Responsibility to Kids (SAMHWORKs) program from Health Services effective July 1, 2026. Transitioning the program to Workforce Services will better align SAMHWORKs functions with existing employment and supportive service activities, resulting in more streamlined assessments, referrals, and overall service coordination.

The three Social Worker positions associated with this program are essential to ensuring that SAMHWORKs customers are timely assessed and referred to the appropriate service providers. Currently, the SAMHWORKs allocation funds three full-time equivalent (FTE) positions through a contract with Health Services. That contract expires on June 30, 2026.

To ensure continuity of services and avoid any interruption for SAMHWORKs customers during the transition, the same funding allocation will be used to establish three Social Worker FTE positions within EHSD effective July 1, 2026, the same date that program oversight transfers from Health Services to Workforce Services.

CONSEQUENCE OF NEGATIVE ACTION:
Should the proposed action not be approved by the County Administrator's Office, the County will not have the desired staffing levels to maintain operational efficiency.

CHILDREN'S IMPACT STATEMENT:

This position adjustment supports three of Contra Costa County's community outcomes of the Children's Report Card: (2) "Children and Youth Healthy and Preparing for Productive Adulthood"; (4) "Families that are Safe, Stable and Nurturing"; and (5) "Communities that are Safe and Provide a High Quality of Life for Children and Families."

Report Title: eSkill Corporation purchase order

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Purchasing Agent, or designee, to execute, on behalf of Human Resources, a purchase order and Terms of Use agreement with eSkill Corporation, subject to eSkill's Terms of use for a hosted applicant assessment and scoring system, in an amount not to exceed $60,000.00, for the term July 1, 2026, through June 30, 2028.

FISCAL IMPACT:
The cost for the term of the agreement is within the Human Resources Department FY 26-27 budget and will be budgeted for future fiscal years. (100% General Fund)

BACKGROUND:
The County has contracted with eSkill Corporation since 2019 to provide virtual applicant assessments for the purpose of employee recruitment. The applicant assessment and scoring system will be hosted on the internet by the vendor. The agreement obligates the vendor to limit its liability to the County from any and all causes, including negligence and indemnity, to the total fees paid by the County to the vendor during the twelve (12)-month period preceding the claim. The agreement obligates the County to indemnify the vendor for third-party losses arising out of the County's negligence or willful misconduct in performing the agreement.

CONSEQUENCE OF NEGATIVE ACTION:
If the agreement is not approved, we will not be able to access the vendor's applicant assessment and scoring system, which would significantly hinder the County's recruitment process.

Report Title: Purchase Order with Ironwall 360

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:

APPROVE and AUTHORIZE the Purchasing Agent, or designee, to execute on behalf of the Chief Information Officer a purchase order with Ironwall 360 in an amount not to exceed $12,000, subject to the terms of Ironwall 360's Service Agreement, for the purchase of IronWall Signature Online Privacy Service, a web-based service to protect the personally identifiable information of employees and their families for the period of July 15, 2026, through July 14, 2027.

FISCAL IMPACT:

The cost of this product is included in the Department's FY 26-27 budget (100% User Departments).

BACKGROUND:

As a request submitted by the County Administrator's Office and the Board of Supervisors, this renewal supports elected and appointed officials who are at heightened risk of being targeted online or in person due to their job responsibilities. The substantial amount of personally identifiable information (PII) available online can pose safety risks for these employees. It is essential that their identities remain protected to reduce the likelihood of threats, retaliation, or the inappropriate use of their information by individuals who may have concerns related to the nature of the employees' work.

360 Civic's IronWall Online Privacy Service has a proven ability at finding and removing PII from online databases, and to maintain that protection on an ongoing basis. Privacy status reports are updated in real-time and available 24/7 via their custom and secure online portal. A detailed onboarding process, including training on how to use and tailor the portal to the specific employee and their family, is provided, as well as ongoing support. A total of 100 employees and their families are protected from improper use of their PII.

Ironwall's Terms of Service include a limitation of liability as well as an indemnification provision from the County to Ironwall for claims arising from the County's use of Ironwall's service.

CONSEQUENCE OF NEGATIVE ACTION:

If this request is not approved, the County's elected officials may be exposed to unnecessary risk due to the potential availability of PII to the public.

- $30,000 for grant ebooks and audiobooks
- $20,000 for children and teens library collections

BACKGROUND:
The Library Department has received two donations totaling $50,000 from the Friends of the Danville Library to be allocated as follows: $30,000 towards systemwide eBooks and eAudiobooks, and $20,000 to augment Danville Library's materials collections. Per Administrative bulletin 117.7, Gifts and Bequests to the County, "receipt of each gift or bequest having a value of $10,000 or more requires acceptance or rejection by the Board of Supervisors."

RECOMMENDATIONS:
APPROVE and AUTHORIZE the County Librarian, or designee, to execute a contract with the Lawrence Hall of Science to provide the "Lawrence on the Go" program to youth and family library patrons at the Antioch Library on July 28, 2026.

FISCAL IMPACT:
No fiscal impact.

BACKGROUND:
The Antioch Library will partner with the Lawerence Hall of Science to have a "Lawrence on the Go" program at the Antioch Library for one day at no cost to the Library Department. This program provides families with young children the opportunity to experience hands-on science learning at the Library for the program "Phenomenal Physics." It also brings new families to the library where staff can connect adult family members with essential resources and services.

The contract includes mutual indemnification language.

Report Title: Interagency Agreement with the Contra Costa County Office of Education

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the County Probation Officer, or designee, to execute an interagency agreement with the Contra Costa County Office of Education, in an amount not to exceed $473,986 to provide educational programs for youth enrolled in the Briones Youth Academy for the period July 1, 2026 through June 30, 2027.

FISCAL IMPACT:
This contract is 100% funded by the Juvenile Justice Realignment Block Grant.

BACKGROUND:
Since July 2021, the Contra Costa County Office of Education has provided educational services for youth enrolled in the Briones Youth Academy at Juvenile Hall. These services support youth in pursuing post-secondary education and career readiness opportunities while in custody.

The Probation Department is requesting approval to renew its agreement with the Contra Costa County Office of Education to continue providing post-high school educational services. Under the renewed agreement, the Office of Education will provide access to a comprehensive range of college-level and career technical education opportunities, including, but not limited to, general education community college coursework, computer science programming, vocational training, and social-emotional learning programs. These services are designed to support youths educational advancement, workforce development, and successful reentry into the community.

CONSEQUENCE OF NEGATIVE ACTION:
If unapproved, youth in the Briones Youth Academy will lose access to post-high school educational and career readiness services, limiting opportunities for college coursework, vocational training, and successful community reentry.

Report Title: ADOPT Traffic Resolution No. 2026/4559 to prohibit stopping, standing, or parking on a portion of Kendall Avenue, as recommended by the Public Works Director, Crockett area.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
ADOPT Traffic Resolution No. 2026/4559 to prohibit stopping, standing, or parking at all times on the north side of Kendall Avenue (Road No. 2295B), beginning at 153 feet west of the west curb edge of Virginia Street (Road No. 2295F) and extending westerly a distance of 30 feet, Crockett area.

FISCAL IMPACT:
No fiscal impact.

BACKGROUND:
The Transportation Engineering Division received a report from a Crockett resident regarding difficulty for vehicles navigating the hairpin curve from Columbus Avenue to Kendall Avenue. The resident indicated that multiple vehicles have been parking long-term along the curb on Kendall Avenue, requiring drivers to make several backing maneuvers to complete the turn. They also noted that the Sheriff's Office has previously issued citations and warnings to vehicles parked in this area.

County Traffic Engineering staff conducted a site visit and observed multiple vehicles parked along the north side of Kendall Avenue at Columbus Avenue. These parked vehicles were found to obstruct the turning path for vehicles traveling from Columbus Avenue onto eastbound Kendall Avenue.

Staff also contacted the Sheriff's Parking Enforcement Unit to verify prior service calls. The Sheriff's office confirmed repeated parking issues at this location and requested that the County consider restricting parking to improve access for emergency vehicles through the hairpin turn and reduce future service calls.

Based on staff observations and input from the Sheriff's Office, the Transportation Engineering Division recommends prohibiting parking at this location to improve overall traffic safety.

Implementing a parking prohibition in this area will remove existing obstructions and support local law enforcement in enforcing any future parking violations.

CONSEQUENCE OF NEGATIVE ACTION:
Parking will remain unrestricted at this location.

Pursuant to Section 22507 of the California Vehicle Code, stopping, standing, or parking is hereby declared to be prohibited at all times north side of Kendall Avenue (Road No. 2295B), beginning at 153 feet west of the west curb edge of Virginia Street (Road No. 2295F) and extending westerly a distance of 30 feet, Crockett area.

Report Title: County-Owned Property at 968 23rd Street in Richmond

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Public Works Director, or designee, to execute a license agreement with Weigh of Life (WOL), a nonprofit corporation, for the management and use of the County-owned property located at 968 23rd Street in Richmond (the Property), beginning July 1, 2026, and continuing through June 30, 2027, for the purpose of providing activities related to health, wellness, education and social support to residents of West Contra Costa County.

FISCAL IMPACT:
No fiscal impact.

BACKGROUND:
The subject property is the site of the Richmond Veterans Hall. The 14,920-square-foot building was constructed in 1955 and operated as a grocery store for many years. The County acquired the property in 1973. Over the years, various veterans' organizations have used the building for meetings, and the facility has also been rented for community events.

WOL is a nonprofit corporation that has provided exercise classes, nutrition education, and social support services in West County since 2006. Under the proposed License Agreement, WOL will have non-exclusive use of the Property, at no cost, to provide operational oversight of the building and to conduct exercise and nutrition classes and provide social support services. In addition, WOL will be responsible for scheduling and coordinating third-party use of the facility for community events and other authorized activities.

CONSEQUENCE OF NEGATIVE ACTION:
Failure to approve the license agreement will result in County staff having to manage the day-to-day operation of the building. Failure to approve the license agreement with WOL for use of the building could limit WOL's ability to make exercise and nutrition classes available to residents of West County.

LICENSE AGREEMENT

This license agreement ("**Agreement**") is dated as of July 1, 2026, and is between CONTRA COSTA COUNTY, a political subdivision of the State of California (the "**County**") and WEIGH OF LIFE, a California nonprofit public benefit corporation ("**Licensee**").

RECITALS

A. The County is the owner of the real property located at 968 23rd Street, Richmond, California, (the "**Property**"). The Property has been improved with a building known as the Veterans Memorial Hall (the "**Building**") and adjacent on-site parking. A floorplan of the Building is attached as Exhibit A.

B. The County licensed a portion of the Building to the Licensee pursuant to a license agreement dated January 1, 2025 (the "**2025 License**"), which is associated with a separate service contract for the management of the Building (the "**Service Contract**"). The initial term of the 2025 License and the Service Contract will both expire on June 30, 2026.

C. The Building serves as a community resource and event center. In recent years, the Building has been used primarily by local veterans and community groups for events and meetings and by Licensee. Licensee operates fitness, health, and nutrition classes and social support services at the Building (these and related activities are hereafter referred to as the "**Community Activities**") and provides management and operational oversight of the Building, including coordination of third-party use consistent with its community purpose and in accordance with the Service Contract.

D. As of the effective date of this Agreement, the 2025 License and Service Contract expired by their terms and are being replaced with this Agreement.

The parties therefore agree as follows:

AGREEMENT

1. **Grant of License; Use**. Subject to the terms and conditions of this Agreement, the County hereby grants to Licensee a nonexclusive, revocable license to enter the Building to do the following:

   a. Perform Community Activities.

   b. Manage and operate the Building on behalf of the County, including but not limited to marketing, publicizing, scheduling and coordinating use of the Building, facilitating third-party use, opening and closing the Building, and providing day-to-day operational oversight.

All uses of the Building must be consistent with the Building's function as a community resource and event center and must not interfere with County use or the rights of other authorized users.

No other activities are permitted without the County's prior written consent.

2. **Limitations on Use**. Licensee's use of the Property and Building is subject to the following limitations:

   a. The second floor (mezzanine) of the Building is not to be used under any circumstances.
   b. The kitchen should only be used for food warming or serving. It is not equipped or approved for commercial food preparation and is not to be used for that purpose. Licensee and any authorized third parties will be expected to leave the kitchen in the same condition in which it was found. Licensee is solely liable for any and all damages or claims arising from the use of the kitchen.
   c. All parties reserving space in the Building for an event must provide proof of insurance prior to the event.
   d. No alcohol may be served on the Property unless evidence of a valid liquor license is provided prior to the event.

3. **Term**. The initial term of this Agreement is one year, beginning July 1, 2026, and ending June 30, 2027. Following the initial term, this Agreement will be month-to-month; provided, however, throughout the initial term and any subsequent term, the County and Licensee each have the right to terminate this Agreement at any time, for any reason, or for no reason, with 90 days' advance written notice, and provided further that the County may terminate this Agreement on ten days' advance written notice if Licensee violates any term or condition of this Agreement.

4. **License Fee**. As consideration for this Agreement, Licensee agrees to (i) provide the Community Activities to the public, (ii) market, publicize, operate, maintain, and manage the Building in accordance with this Agreement, and (iii) assume responsibility for all utilities and certain operating and maintenance costs as set forth herein.

5. **Use of Revenue**. Licensee may charge reasonable fees for the use of the Building by third parties. All revenue generated from such use may be retained by Licensee and shall be used solely to offset the costs of operating, maintaining, and managing the Building and providing the Community Activities.

6. **Utilities, Operating, and Maintenance Costs**. Licensee shall be responsible, at its sole cost, for all utilities serving the Building, including but not limited to electricity, water, gas, trash, pest control, telephone and internet services. Licensee shall also be responsible for routine operating costs associated with the management of the Building, including management staff time, janitorial services, and minor maintenance. Minor maintenance includes but is not limited to replacing light bulbs, fixing leaky faucets or minor

plumbing drips, repairing small electrical outlets or switches, caulking or patching minor wall damage, and changing batteries in smoke or carbon monoxide detectors.

Licensee shall perform regular inspections of the Building and Property to identify repair and maintenance needs and perform such repairs and maintenance. Licensee is solely responsible for responding to and addressing urgent maintenance issues that arise during regular business hours (8 a.m. to 5:00 p.m.) or after-hours (from 5:00 p.m. to 8 a.m.). In the event that the County is required to respond to and resolve urgent maintenance issues resulting from the Licensee's use of the Premises, or caused by, in whole or in part, the negligence of the Licensee, its employees, agents, invitees, guests, or authorized renters, the Licensee shall reimburse County for all costs incurred.

The County shall remain responsible for structural repairs and major capital improvements unless otherwise agreed to by the parties in writing.

7. **Recordkeeping Requirements**. Throughout the term of this Agreement, Licensee shall:

   a. Maintain records and, if requested by County, prepare reports on Building use, revenue, and expenses.
   b. Licensee shall maintain a spreadsheet of all rental activity that includes: (i) renter information, (ii) details about the rental activity, including date(s), time(s), and purpose, and (iii) amounts paid by renter to Licensee.
   c. Licensee shall maintain records relating to any and all expenditures relating to utilities, operating and maintenance costs.
   d. Licensee shall maintain accurate financial records of all such revenue and expenditures, and upon reasonable request by the County, provide a summary of revenues and expenditures related to the Building.

8. **County Use of Building**. The County reserves the right to use the Building for elections, including but not limited to polling, ballot processing, and related purposes, as well as for other County-sponsored events or governmental purposes. The County shall provide reasonable notice to Licensee of such use and shall use reasonable efforts to minimize disruption to Licensee's operations.

9. **Improvements to the Premises.**

   a. Licensee may not construct any improvements on the Building without prior written consent from the County. For the purposes of this Agreement, any equipment Licensee is permitted to install on the Building is not considered to be an improvement to the Property or the Building and must be removed by Licensee, at its sole cost, upon the termination of this Agreement.

   b. Any improvements to the Building by Licensee (with or without the consent of the County) must be removed by Licensee, at its sole cost, except those improvements that the County and Licensee agree are not required to be removed upon the

termination of this Agreement. Licensee shall repair, at its sole cost, any damage caused by the removal of its improvements or equipment.

c. If Licensee fails to remove any improvements or equipment it is required to remove, the County may remove them at Licensee's expense, and Licensee shall immediately reimburse the County upon Licensee's receipt of an invoice from the County.

10. **Permits and Approvals**. Licensee is responsible for obtaining any permits or approvals from any agency having jurisdiction over Licensee's activities. Licensee shall comply with all rules, regulations, and laws applicable to such permits or approvals. This Agreement does not constitute governmental approval by Contra Costa County of this use.

11. **Nonexclusive Right of Use**. This Agreement is nonexclusive. The County reserves the right to issue licenses, easements and permits to others that could affect the Property or the Building.

12. **Existing Facilities**. It is understood and agreed that the County may have leases, licenses, and/or easements with others for all or a portion of the Property. The holders of the leases, licenses, and/or easements granted by the County have the right to enter on the Property and maintain their facilities. Licensee will not be compensated for damage resulting from such maintenance.

13. **Hold Harmless**. Licensee shall defend, indemnify, save, and keep harmless the County, its officers, agents, and employees against all liabilities, judgments, costs, and expenses that may in any way accrue against the County or its agents as a result of Licensee's use of the Property or the Building, including third party rentals, save and except claims or litigation arising from the sole negligence or sole willful misconduct of the County.

14. **Insurance.** During the entire term of this Agreement and any extension or modification thereof, Licensee shall keep in effect insurance policies meeting the following insurance requirements:

a. Commercial General Liability Insurance. For all agreements where the total payment limit of the agreement is $500,000 or less, Licensee will provide commercial general liability insurance, including coverage for business losses and for owned and non-owned automobiles, with a minimum combined single limit coverage of $500,000 for all damages, including consequential damages, due to bodily injury, sickness or disease, or death to any person or damage to or destruction of property, including the loss of use thereof, arising from each occurrence. Such insurance must be endorsed to include County and its officers and employees as additional insureds as to all services performed by Licensee under this Agreement. Said policies must constitute primary insurance as to County, the state and federal governments, and their officers, agents, and employees, so that other insurance policies held by them or their self-insurance program(s) will not be required to contribute to any loss covered under Licensee's insurance policy or policies. Licensee must provide County with a copy of the endorsement making the County an

additional insured on all commercial general liability policies as required herein no later than the effective date of this Agreement. For all agreements where the total payment limit is greater than $500,000, the aforementioned insurance coverage to be provided by Licensee must have a minimum combined single limit coverage of $1,000,000.

b. Workers' Compensation. Licensee must provide workers' compensation insurance coverage for its employees.

c. Certificate of Insurance. The Licensee must provide County with (a) certificate(s) of insurance evidencing liability and worker's compensation insurance as required herein no later than the effective date of this Agreement. If Licensee should renew the insurance policy(ies) or acquire either a new insurance policy(ies) or amend the coverage afforded through an endorsement to the policy at any time during the term of this Agreement, then Licensee must provide (a) current certificate(s) of insurance.

d. Additional Insurance Provisions. No later than five days after Licensee's receipt of: (i) a notice of cancellation, a notice of an intention to cancel, or a notice of a lapse in any of Licensee's insurance coverage required by this Agreement; or (ii) a notice of a material change to Licensee's insurance coverage required by this Agreement, Licensee will provide County a copy of such notice of cancellation, notice of intention to cancel, notice of lapse of coverage, or notice of material change. Licensee's failure to provide County the notice as required by the preceding sentence is a default under this Agreement.

e. Professional Liability Insurance. Throughout the term of this Agreement, Licensee shall maintain all necessary insurance for services to be provided by Licensee hereunder, including but not limited to professional malpractice or Errors and Omissions liability coverage. Malpractice or Errors and Omissions liability insurance shall be in an amount no less than $1,000,000 per claim and $1,000,000 annual aggregate and shall be from a reputable insurance company acceptable to the County. Licensee shall provide the County with a valid certificate of insurance evidencing the coverage required by this clause and shall promptly advise County of any and all claims paid by the insurer(s) under said insurance.

f. Cyber Liability Insurance. Licensee shall procure and maintain Cyber Liability Insurance, with limits not less than $2,000,000 per occurrence or claim, $2,000,000 aggregate. Coverage shall be sufficiently broad to respond to the duties and obligations undertaken by Licensee in this Agreement and shall include, but not be limited to, claims involving security breach, system failure, data recovery, business interruption, cyber extortion, social engineering, infringement of intellectual property, including but not limited to infringement of copyright, trademark, trade dress, invasion of privacy violations, information theft, damage to or destruction of electronic information, release of private information, and alteration of electronic information. The policy shall provide coverage for data breach response costs, regulatory fines, and penalties as well as credit monitoring expenses.

15. **Assignment**. Licensee may not assign its rights under this Agreement.

16. **County's Title**. Licensee hereby acknowledges County's fee title in and to the Property and agrees never to assail or to resist the County's title. Licensee agrees that it has not, and never will, acquire any rights or interest in the Property as a result of this Agreement, and that Licensee has not, and will not, obtain any right or claim to the use of the Property beyond that specifically granted in this Agreement. Construction of any improvements by Licensee on or about the Property does not give rise to an agreement coupled with an interest. The foregoing does not preclude Licensee from purchasing the Property under a separate agreement with the County.

17. **Notices.** Notices under this Agreement must be in writing and will be effective either when delivered in person or deposited as certified mail, postage prepaid, return receipt requested, or sent by a recognized overnight courier service, and directed to the other party at its address as stated below, or to such other address as the party may designate by written notice.

Report Title: Contract with BrandSafway Services, LLC for On-Call Scaffolding Services, Countywide.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Public Works Director, or designee, to execute a contract with BrandSafway Services, LLC in an amount not to exceed $2,000,000, to provide on-call scaffolding services at various County sites and facilities, for the period of July 1, 2026 through May 31, 2031, Countywide.

FISCAL IMPACT:
Costs are initially charged to the Facilities Budget and then recovered through charge outs depending on the funding source for the building.

BACKGROUND:
The Public Works Department, Facilities Services, is responsible for the maintenance and repair of all County buildings and facilities. Government Code Section 25358 authorizes the County to contract for the maintenance and upkeep of County facilities. Scaffolding services are necessary for certain types of County maintenance.

The Public Works Department recently conducted a formal solicitation for on-call scaffolding services in November of 2025. The intent was to find a contractor to provide scaffolding services in compliance with applicable codes and standards for the design, erection, inspection, maintenance, and dismantling of scaffolding at multiple facilities and buildings across the County. Scaffolding, particularly for projects over 36 feet (three stories), requires a Cal/OSHA permit and must be built to rigorous engineered standards.

The Request for Proposal was originally bid on Bidnet Direct #RFP_F-CONTR-0000000143. After thorough evaluation of the bids received, BrandSafway Services, LLC was the only contractor awarded for these services. This contract will have a term of five (5) years. The contract payment limit will be $2,000,000.

Staff Report

To: Board of Supervisors

From: Warren Lai, Public Works Director/Chief Engineer

Report Title: Lease of 1850 Gateway Boulevard, Suite 800, Concord

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Public Works Director, or designee, to execute a lease between the County, as lessee, and SPPI Commercial, LLC, as lessor, on behalf of the Employment and Human Services Department, for approximately 34,639 square feet of office space located at 1850 Gateway Boulevard, Suite 800 in Concord for a 10-year term at an initial annual rent of $997,603 with annual rent escalations thereafter, and with two five-year renewal options.

FISCAL IMPACT:
54% Federal, 38% State, 8% County General Fund

BACKGROUND:
The Employment and Human Services Department (EHSD) has long faced space limitations affecting its Information and Systems Policy and Planning team, prompting the County to secure temporary space at 1850 Gateway Boulevard to consolidate operations and improve workflow until the team's permanent office in Suite 800 is completed. At the same time, persistent HVAC and elevator issues at 1470 Civic Court in Concord led EHSD to forgo its lease renewal and relocate the Community Services Bureau (CSB) to Suite 800, where it will share space with the Information and Systems Policy and Planning team. To further support departmental space needs and accommodate additional relocations, EHSD will also move its Contracts unit, and its Workforce Services (WFS) and Work Participation Rate (WPR) units from various locations across Contra Costa County into Suite 800.

CONSEQUENCE OF NEGATIVE ACTION:
Failure to relocate these units would prolong operational inefficiencies, negatively impact service delivery, and result in reduced capacity to meet departmental space needs.

LEASE

County of Contra Costa
Employment and Human Services Department
1850 Gateway Blvd, Ste 800
Concord, California

This lease is dated _____ and is between SPPI Commercial, LLC, a Delaware limited liability company ("**Lessor**") and the County of Contra Costa, a political subdivision of the State of California ("**County**").

Recitals

A. Lessor is the owner of the building located at 1850 Gateway Boulevard, Concord (the "**Building**").

B. Lessor desires to lease to County and County desires to lease from Lessor a portion of the Building consisting of approximately 34,639 square feet of office space which will be known as Suite 800 (the "**Premises**"), as shown in the floor plan attached as Exhibit A.

C. Simultaneous with the execution of this lease, Lessor and County are entering into a work letter that sets forth how tenant improvements in the Premises are to be constructed, who will undertake the construction of the tenant improvements, who will pay for the construction of the tenant improvements, and the time schedule for completion of the construction of the tenant improvements (the "**Work Letter**"). The Work Letter is part of this lease.

The parties therefore agree as follows:

Agreement

1. Lease of Premises. In consideration of the rents and subject to the terms of this lease, Lessor hereby leases to County and County hereby leases from Lessor, the Premises.

2. Term**.** The "**Term**" of this lease is comprised of an Initial Term and, at County's election, Renewal Terms, each as defined below.

   a. Initial Term. The "**Initial Term**" is 10 years, commencing on the Commencement Date, as defined in the Work Letter.

   b. Renewal Terms. County has two options to renew this lease for a term of five years for each option (each, a "**Renewal Term**") upon all the terms and conditions set forth in this lease.

i. County will provide Lessor with written notice of its election to renew the lease no later than 180 days prior to the end of the Term. However, if County fails to provide such notice, its right to renew the lease will not expire until 15 working days after the County's receipt of Lessor's written demand that the County exercise or forfeit the option to renew.

ii. Upon the commencement of a Renewal Term, all references to the Term of this lease will be deemed to mean the Term as extended pursuant to this Section.

3. Rent. County shall pay rent ("**Rent**") to Lessor monthly in advance beginning on the Commencement Date. Rent is payable on the tenth day of each month during the Initial Term and, if applicable, the Renewal Terms, in the amounts set forth below:

a. Initial Term

Period	**Monthly Rent**
Months 1-12	$83,133.60
Months 13-24	$85,627.61

Months 61-72	$96,374.63
Months 73-84	$99,265.87
Months 85-96	$102,243.84
Months 97-108	$105,311.16
Months 109-120	$108,470.49

b. Renewal Term. Rent during the Renewal Term will be at the then-fair market rental value of the Premises. The fair market rental value of the Premises will be established by the mutual agreement of the parties. The parties shall use good faith efforts to establish the fair market value of the rent for the Renewal Term not less than 18 months prior to the commencement of the Renewal Term. If the parties fail to agree on the fair market rental value of the Premises by the date that is 12 months prior to the commencement of the Renewal Term, the parties will engage an M.A.I real estate appraiser with at least 10 years' experience and knowledge of the commercial real estate market in the area to determine the fair market value of the Premises. The parties shall each bear one-half the cost of the appraiser.

c. Rent for any fractional month will be prorated and computed on a daily basis with each day's rent equal to one-thirtieth (1/30) of the monthly Rent.

4. Use. County may use the Premises for the purpose of conducting various office functions of County.

5. Full Service Lease. Subject to Section 9 – Maintenance and Repairs, this is a full service lease. Lessor shall pay all of the Building's operating costs, including, but not limited to, all maintenance and repairs, real estate taxes, and building insurance. Lessor shall pay for all utilities, including but not limited to, gas and electric service, water, and sewer. In addition, Lessor shall pay for all pest control, janitorial, and refuse collection services provided to the Premises.

6. HVAC Hours. HVAC will be on during Building hours, which are 7:00 a.m. to 6:00 p.m., Monday through Friday, except for nationally recognized holidays. If County needs HVAC turned on outside of those hours, the cost to County will be $70 per hour.

7. Parking. County will be given the use of 183 parking passes for spaces in the garage, of which 79 may be designated by Lessor on the upper floors of the garage and may be self-parking, valet, or valet-assist. County's parking passes shall be for the exclusive use of County's employees and shall give County the non-exclusive right to park in spaces in the Building's parking facilities. County agrees that Lessor assumes no responsibility of any kind whatsoever in reference to said automobile parking facilities or the use thereof by County, or any County party, or by anyone else. County may park up to 20 County-owned vehicles in the parking structure overnight, as needed. Lessor may designate an area where overnight parking is allowed. Additionally, County will have the exclusive use of 1 parking space on the first level for a County-owned van.

8. Access Badges/Cell Phone App. Access badges for the Building and parking garage, and/or an access application for cell phones allowing the same, will be provided by Lessor to County at no cost.

9. Maintenance and Repairs.

   a. Janitorial Services. Janitorial services are to be provided to the Premises Monday through Friday, with the exception of generally recognized holidays. Minimum janitorial services to be provided by Lessor are set forth in Exhibit B. If County requires janitorial services not included in Exhibit B, the County is responsible for the cost of such services.

   b. Roof and Exterior of Premises. Lessor shall keep the roof and exterior of the Premises in good order, condition, and repair, and shall maintain the structural integrity of the Building, including the exterior doors and their fixtures, closers and hinges, exterior windows, glass and glazing, used in the Premises.

   c. Fire Extinguishers; Smoke Detectors; Strobe Alarms. Lessor shall provide fire extinguishers, smoke detectors, sprinklers, and strobe alarms in the Premises as required by current laws, regulations, and the Fire Marshall. Lessor shall maintain, repair and replace the fire extinguishers, smoke detectors, sprinklers, and strobe alarms as needed.

d. Interior of Premises. Subject to Lessor's obligation to provide janitorial services, County shall keep and maintain the interior of the Premises in good order, condition, and repair, but Lessor shall repair damage to the interior caused by its failure to maintain the exterior in good repair, including damage to the interior caused by roof leaks and/or interior and exterior wall leaks. The County shall maintain all locks and key systems used in the Premises. The County may install and maintain an alarm system, if deemed necessary by County.

e. Utility System. Lessor shall repair and maintain the electrical, lighting, water and plumbing systems in good order, condition and repair.

f. HVAC. Except as per Section 9.g. below, Lessor shall maintain and repair the heating, ventilating, and air-conditioning (HVAC) systems.

g. Server Room HVAC. County shall repair and maintain the supplemental HVAC system in the Server Room. In addition, electricity for the Server Room HVAC will be metered separately, and the charges for that electricity will be invoiced separately to the County.

h. Parking; Exterior Lighting; Landscaping. Lessor shall maintain the parking structure, exterior lighting system, and landscaping in good order, condition and repair.

i. Services by Lessor. If County determines that the Premises need maintenance, construction, remodeling or similar work that is beyond Lessor's responsibilities under this lease, at County's request, Lessor shall perform the work at County's expense. In performing the work, Lessor shall consult with County and use either licensed insured contractors or employees of Lessor. Lessor shall obtain County's prior written approval of the scope, terms, and cost of any contracts. County may, by giving Lessor 30 days prior written notice, change the scope of work, terminate any or all work, or require that work be performed by a different contractor.

10. Quiet Enjoyment. Provided County complies with the material terms of this lease, Lessor shall warrant and defend County in the quiet enjoyment and possession of the Premises during the Term.

11. Subordination, Non-Disturbance and Attornment. If at any time Lessor has a loan that is secured by a lien of a mortgage or deed of trust encumbering the Building, Lessor shall request the lender(s) holding the lien to execute and deliver to County a Subordination, Non-Disturbance and Attornment Agreement that is in substantial conformity with Exhibit C or other mutually agreeable form to be approved as to form by County Counsel.

12. Alterations; Fixtures and Signs**.** County may (i) make any lawful and proper minor alterations to the Premises and (ii) attach fixtures ("**County Fixtures**") within the Premises that do not affect the building systems in a location to be determined. Any

County Fixtures will remain the property of County and may be removed from the Premises by County at any time during the Term. County is responsible for the cost of all alterations and County Fixtures. All alterations and County Fixtures are subject to Lessor's approval and must comply with existing code requirements and are to be removed by County at the expiration of the Term and any damage repaired.

13. Prior Possession. Approximately 60 days prior to the Commencement Date, County has the right to install fixtures, telephones, alarm systems, and other items required to prepare the Premises for County's occupancy and to store furniture, supplies and equipment, provided such work and storage and can be done without unduly interfering with Lessor's completion of any tenant improvements subject to County providing the self-insurance letter described below.

14. Insurance.

    a. Liability Insurance. Throughout the Term, County shall maintain in full force and effect, at its sole expense, a general self-insurance program covering bodily injury (including death), personal injury, and property damage, including loss of use. County shall provide Lessor with a letter of self-insurance affirming the existence of the self-insurance program and naming Lessor as an additional insured.

    b. Self-Insurance Exclusion. County's self-insurance does not provide coverage for (i) areas to be maintained by Lessor under this lease, or (ii) negligence, willful misconduct, or other intentional act, error or omission of Lessor, its officers, agents, or employees.

15. Surrender of Premises. On the last day of the Term, or sooner termination of this lease, County shall peaceably and quietly leave and surrender to Lessor the Premises, along with appurtenances and fixtures at the Premises (except County Fixtures), all in good condition, ordinary wear and tear, damage by casualty, condemnation, acts of God and Lessor's failure to make repairs required of Lessor excepted. County is not responsible for painting or for repairing or replacing any floor coverings in the Premises upon the expiration or earlier termination of this lease.

16. Waste, Nuisance. County may not commit, or suffer to be committed, any waste upon the Premises, or any nuisance or other act or thing that may disturb the quiet enjoyment of any other occupant of the Building.

17. Inspection. Lessor, or its proper representative or contractor, may enter the Premises at any time in the case of an emergency, and otherwise by prior appointment during normal business hours to determine that (i) the Premises is being reasonably cared for, (ii) no waste is being made and that all actions affecting the Premises are done in the manner best calculated to preserve the Premises, and (iii) County is in compliance with the terms and conditions of this lease. If there are HIPPA or other confidentiality considerations in the suite, Lessor may be required to be accompanied by County staff during inspections.

18. Perilous Conditions. If the County's Director of Public Works becomes aware of a perilous condition on the Premises that, in his or her opinion, substantially and significantly threatens the health and safety of County employees and/or invitees (a "**Perilous Condition**"), the Director of Public Works, or his or her designee, will immediately notify Lessor of the Perilous Condition and Lessor shall use best efforts to immediately eliminate the Perilous Condition.

Lessor shall immediately address any condition reasonably constituting an emergency, whether Lessor learns of the condition through County or otherwise.

If Lessor fails to address a Perilous Condition within 24 hours after County's notice or to immediately address an emergency, County may attempt to resolve the Perilous Condition or emergency. Lessor shall reimburse County for the reasonable costs incurred by County in addressing the Perilous Condition or emergency promptly upon receipt of County's invoice.

19. Destruction. If damage occurs that causes a partial destruction of the Premises during the Term from any cause and repairs can be made within 120 days from the date of the damage under the applicable laws and regulations of government authorities, Lessor shall repair the damage promptly. Such partial destruction will not void this lease, except that County will be entitled to a proportionate reduction in Rent while the repairs are being made. The proportionate reduction in Rent will be calculated by multiplying Rent by a fraction, the numerator of which is the number of square feet that are unusable by County and the denominator of which is the total number of square feet in the Premises.

If repairs cannot be made in 120 days, County will have the option to terminate the lease or request that Lessor make the repairs within a reasonable time, in which case, Lessor will make the repairs and Rent will be proportionately reduced as provided in the previous paragraph.

This lease will terminate in the event of the total destruction of the Premises.

20. Hazardous Material. Lessor warrants to County that Lessor does not have any knowledge of the presence of Hazardous Material (as defined below) or contamination of the Building or Premises in violation of environmental laws. Lessor shall defend, save, protect and hold County harmless from any loss arising out of the presence of any Hazardous Material on the Premises that was not brought to the Premises by or at the request of County, its agents, contractors, invitees or employees. Lessor acknowledges and agrees that County has no obligation to clean up or remediate or contribute to the cost of cleanup or remediation, of any Hazardous Material unless such Hazardous Material is released, discharged or spilled on or about the Premises by County or any of its agents, employees, contractors, invitees or other representatives. The obligations of this Section shall survive the expiration or earlier termination of this lease.

"Hazardous Material" means any substance, material or waste, including lead-based paint, asbestos and petroleum (including crude oil or any fraction thereof), that is or

becomes designated as a hazardous substance, hazardous waste, hazardous material, toxic substance, or toxic material under any federal, state or local law, regulation, or ordinance.

21. Indemnification.

a. County. County shall defend, indemnify and hold Lessor and Lessor's officers, directors, shareholders, affiliates, employees and agents harmless from County's share of any and all claims, costs and liability for any damage, injury or death of or to any person or the property of any person, including attorneys' fees, caused by the willful misconduct or the negligent acts, errors, or omissions of County, its officers, agents or employees in using the Premises pursuant to this lease, or the County's performance under this lease, except to the extent caused or contributed to by (i) the structural, mechanical, or other failure of the Building, and/or (ii) the negligent acts, errors, or omissions of Lessor, its officers, agents, or employees.

b. Lessor. Lessor shall defend, indemnify and hold County harmless from Lessor's share of any and all claims, costs and liability for any damage, injury or death of or to any person or the property of any person, including attorneys' fees, caused by the willful misconduct or the negligent acts, errors or omissions of Lessor, its officers, agents, employees, with respect to the Premises, or Lessor's performance under this lease, or the Lessor's performance, delivery or supervision of services at the Premises, or by the structural, mechanical or other failure of the Building, except to the extent caused or contributed to by (i) the negligent acts, errors, or omissions of County, its officers, agents, or employees, and/or (ii) the unauthorized or criminal entry of third parties into the Premises, Building, garage, or real property.

22. Default.

The occurrence of any of the following events is a default under this lease:

a. County.

i. County's failure to pay Rent within ten business days after receipt of a written notice of failure (a "**Notice**") from Lessor to County; provided, however, that County will have additional time if its failure to pay Rent is due to circumstances beyond its reasonable control, including, without limitation, failure of the County's Board of Supervisors to adopt a budget. In no event may such additional time exceed 75 days from receipt of a Notice.

ii. County's failure to comply with any other material term or provision of this lease if the failure is not remedied within 30 days after receipt of a Notice from Lessor to County specifying the nature of the breach in reasonably sufficient detail; provided, however, if the failure cannot reasonably be remedied within the 30-day period, then a default will not be deemed to occur until the occurrence of County's failure to comply within a reasonable period of time, up to an aggregate of 90 days, provided County commences the

remedy within the 30-day period and thereafter diligently proceeds to complete it.

b. Lessor. Lessor's failure to perform any obligation under this lease if the failure is not remedied within 30 days after receipt of a Notice from County to Lessor specifying the nature of the breach in reasonably sufficient detail; provided, however, if Lessor's failure is the failure to maintain or to make repairs that are unrelated to a Perilous Condition and the remedy cannot reasonably be completed within the 30-day period, then a default will not be deemed to occur until the occurrence of Lessor's failure to complete the remedy within a reasonable period of time, up to an aggregate of 90 days, provided Lessor commences the remedy within the 30-day period and thereafter diligently proceeds to complete it.

23. Remedies.

a. Lessor. Upon the occurrence of a default by County, Lessor may, after giving County written notice of the default, and in accordance with due process of law, reenter and repossess the Premises and remove all persons and property from the Premises in addition to any and all other remedies available to Lessor at law or in equity.

b. County. Upon the occurrence of a default by Lessor, County may terminate this lease by giving written notice to Lessor and quit the Premises without further cost or obligation to County; provided, however, if the breach is caused by Lessor's failure to maintain or make repairs, the County may elect to terminate this lease or to correct the failure; provided, further, if the County elects to correct the failure, the County may either (i) deduct the cost from Rent, or (ii) invoice Lessor for the cost, which invoice Lessor shall pay promptly upon receipt.

24. Survival. Lessor's and County's obligation to pay amounts due to the other party under to this lease, including, but not limited to, amounts due pursuant to Section 18 - Perilous Conditions and Section 23 - Remedies, shall survive the expiration or termination of this lease.

25. Notices. Any notice required or permitted under this lease must be in writing and sent by overnight delivery service or registered or certified mail, postage prepaid and directed as follows:

26. Successors and Assigns. This lease binds and inures to the benefit of the heirs, successors, and assigns of the parties hereto.

27. Holding Over. Any holding over after the Term of this lease is a tenancy from month to month and is subject to the terms of this lease.

28. Time is of the Essence. In fulfilling all terms and conditions of this lease, time is of the essence.

29. Governing Law. The laws of the State of California govern all matters arising out of this lease.

30. Severability. In the event that any provision of this lease is held to be invalid or unenforceable in any respect, the validity and enforceability of the remaining provisions of this lease will not in any way be affected or impaired.

31. Recording. If requested by County, the parties shall execute and record a Memorandum of Lease in substantial conformity with Exhibit D, in lieu of recording the entire lease. Upon the expiration or earlier termination of this lease, County shall execute a Memorandum of Lease Termination or Quitclaim Deed discharging any recording made pursuant to this Section 31.

32. Real Estate Commission. In negotiating this lease, Lessor is represented by Colliers International and the County represents itself. Lessor shall pay a real estate commission to Colliers International pursuant to a separate written agreement. Lessor recognizes and acknowledges that the County is entitled to a real estate commission when it represents itself. The County warrants to Lessor that the County's contact with Lessor in connection with this lease has been directly with Colliers International.

Lessor shall pay to the County a real estate commission of 3% of the amount of rent due during the first five years of the Term ($158,892.33), and 1.5% of the amount of rent due during the subsequent five years of the Term ($92,099.88), for a total commission of

$250,992.21 (the "**County Commission**"). Lessor shall pay one-half of the County Commission upon the execution of this lease and the remainder on the Commencement Date.

Lessor and County warrant that no other broker or finder, other than Colliers International. and the County, can properly claim a right to a leasing commission or a finder's fee based upon contacts with the County with respect to the Property. 33. Force Majeure. Whenever a day is appointed under this Lease on which a period of time is appointed within which either party to this lease is required to do or complete any act, matter or thing, other than the payment of money on or after the Commencement Date, the time for doing or completing the act, matter or thing will be extended by a period of time equal to the number of days that the party required to act is prevented from doing or completing the act, matter or thing (or its ability to do or complete the act, matter or thing, is unreasonably interfered with) because of strikes, lock-outs, embargoes, unavailability of labor, materials or utilities, wars, insurrections, rebellions, civil disorder, declaration of national emergencies, governmental orders or mandates, terrorist attacks, acts of God, or other causes beyond such party's reasonable control (financial inability excepted); provided, however, nothing contained in this section excuses County from the prompt payment of any Rent or other charges required of County under this Lease; and furthermore provided nothing contained in this section affects County's right to address Perilous Conditions as described in Section 18 – Perilous Conditions.

34. Estoppel Certificate. Within 20 days after a written request from Lessor, County's Director of Public Works or his designee shall execute and deliver to Lessor a written statement certifying: (a) that this lease is unmodified and in full force and effect, or is in full force and effect as modified and stating the modifications; (b) the amount of Rent and the date to which Rent and additional rent, if any, have been paid in advance; and (c) that Lessor is not in default under this lease or, if Lessor is claimed to be in default, stating the nature of any claimed default. A purchaser, assignee or lender may rely upon such statement.

35. Liens. County shall keep the Building and the Property free from any liens arising out of the work performed, materials furnished, or obligations incurred by County or County's parties. County further covenants and agrees that should any mechanic's lien be filed against the Building or the Real Property for work claimed to have been done for, or materials claimed to have been furnished to the County, the lien will be discharged by the County, by bond or otherwise, within 30 days after the filing thereof, at the cost and expense of County.

36. Sale or Transfer by Lessor. In the event of any transfer or transfers of Lessor's interest in the Property, other than a transfer for security purposes only, the transferor shall automatically be relieved of any and all obligations and liabilities on the part of the transferor accruing from and after the date of such transfer; provided, however, that any funds in the hands of Lessor in which County has an interest, at the time of such transfer, shall be turned over to the transferee and upon such transfer, Lessor shall be discharged from any further liability with reference to such funds.

37. Interest on Past Due Obligations. Except as otherwise expressly provided in this lease, any amount due from County to Lessor under this lease that is not paid when due will bear interest at the rate of five percent (5%) per annum from the date due until the date paid. This section does not alter the terms and conditions set forth in Section 22 – Default.

38. Miscellaneous. To Lessor's actual knowledge, the Building has not undergone inspection by a Certified Access Specialist (CASp). The foregoing disclosure does not affect Lessor's or County's respective responsibilities for compliance of construction-related accessibility standards as provided under this lease. A CASp can inspect the Building and determine whether the Building complies with all of the applicable construction-related accessibility standards under state law. Although state law does not require a CASp inspection of the Building, Lessor may not prohibit County from obtaining a CASp inspection of the Building for the occupancy or potential occupancy of County, if requested by County. The parties shall mutually agree on the arrangements for the time and manner of the CASp inspection, the payment of the fee for the CASp inspection, and the cost of making any repairs necessary to correct violations of construction-related accessibility standards within the Building.

39. Entire Agreement; Construction; Modification. Neither party has relied on any promise or representation not contained in this lease or the Improvement Agreement. All previous conversations, negotiations, and understandings are of no further force or effect. This lease is not to be construed as if it had been prepared by one of the parties, but rather as if both parties have prepared it. This lease may be modified only by a writing signed by both parties.

The parties are executing this lease on the date set forth in the introductory paragraph.

LEGAL DESCRIPTION OF THE PROPERTY

CONCORD GATEWAY I
(1850 Gateway Blvd, Concord, CA)

Real property in the City of Concord, County of Contra Costa, State of California, described as follows:

PARCEL "A," AS SHOWN ON THE PARCEL MAP, FILED OCTOBER 8, 1985, IN BOOK 118 OF PARCEL MAPS, PAGE 46, CONTRA COSTA COUNTY RECORDS.

APN: 126-342-008

WORK LETTER

County of Contra Costa
Employment and Human Services Department
1850 Gateway Blvd, Ste 800
Concord, California

_____, 2026

This work letter ("**Work Letter**") is part of the lease being executed concurrently between SPPI Commercial, LLC, as landlord ("**Lessor**"), and the County of Contra Costa, as tenant ("**County**"), under which the County is leasing approximately 34,639 square feet of space in the building (the "**Building**") located at 1850 Gateway Boulevard, Concord, as more particularly described in the lease.

Lessor and County mutually agree as follows:

1. Terms. All capitalized terms not defined herein have the meanings ascribed to them in the lease. The provisions of this Work Letter supplement the lease and are specifically subject to the provisions of the lease. If there is a conflict between the provisions of the lease and the provisions of this Work Letter, the provisions of the lease control. Whenever the approval of County is required hereunder, approval is required of the County's Director of Public Works or her designee (the "**County Representative**").

2. Lessor's Representation and Warranties. Lessor represents and warrants to County that Lessor is the owner of the Building, and the Building is presently zoned to permit its use for the purposes contemplated by this Work Letter and the lease and is free of any covenants, restrictions and other encumbrances. In addition, Lessor represents and warrants that the individuals signing this Work Letter on behalf of Lessor are authorized to do so.

   Lessor covenants and agrees that it will cause the Substantial Completion Date, as defined below, to occur no later than December 31, 2026.

3. Base Building Work. Lessor, at Lessor's cost and expense, has constructed the Building shell and core (collectively, the "**Base Building Work**"). The Base Building Work includes, but is not limited to, the following elements of the Building: (a) concrete floors (without floor coverings), (b) finished perimeter walls (including windows, window frames, window blinds, and doors), (c) finished ceilings, including lights and light fixtures, (d) finished restrooms, (e) closets for telephone and electrical systems (but not the telephone systems themselves), (f) Building mechanical, electrical, and plumbing systems within the Building core only, (g) interior core walls, (h) fire alarms and fire suppression systems on each floor of the Building, (i) all items necessary for the Building

to satisfy the provisions of the Americans with Disabilities Act, including, without limitation, washrooms, elevators, drinking fountains, and the parking area, (j) all code-required items relating to the other elements of the Base Building Work, such as exit signs, speakers, fire doors, and any other life-safety support system for each floor, and (k) dry wall and tape of interior columns.

4. Tenant Improvements. Subject to the conditions set forth below, Lessor, at its sole cost and expense, shall construct and install the improvements to the Premises that are described on Schedule 1 attached hereto and incorporated herein (the "**Tenant Improvements**") in accordance with (i) the Space Plans, as defined below, (ii) the Construction Schedule, attached hereto as Schedule 3 – Construction Schedule, and (iii) the Final Plans, as defined below. Any other work on the Premises is to be performed at County's expense by County, or, if requested by County, Lessor ("**Tenant's Work**"). The Lessor may not charge an administrative fee in connection with Tenant's Work.

For purposes of this Work Letter, "**Construction Schedule**" means the schedule that (i) has been agreed upon by Lessor and County, (ii) identifies the work to be accomplished to complete the Tenant Improvements and the sequence of that work, and (iii) sets forth the dates by which certain components of the work must be completed.

5. Plans.

a. Except as otherwise provided in this Section 5, prior to the execution of the lease, Lessor and County approved in writing space plans for the build-out of the Tenant Improvements for the Premises that were prepared by Lessor or Lessor's designated architect (the "**Space Plans**"). A copy of the Space Plans is attached hereto as Schedule 2.

b. If Lessor and County enter into the lease prior to reaching agreement on the Space Plans, Lessor and County shall cooperate in good faith to finalize the Space Plans without delay. County shall fully cooperate by providing Lessor, its architects, engineers, and contractors with timely information and approvals of plans, drawings, and specifications. Upon agreement by Lessor and County on the Space Plans, a true and correct copy will be attached to this Work Letter as Schedule 2.

c. Lessor shall pay for all architectural and engineering fees and costs incurred in connection with the Tenant Improvements depicted on the Final Plans, as defined below, including architectural plans required to depict accessibility routes for the Building in general. Any and all architectural and engineering fees and related construction costs incurred as a result of changes in the Final Plans requested by County will be County's sole responsibility and paid for by County as additional rent within 45 days after receipt of invoices from Lessor showing that the additional fees or costs have been incurred.

6. Modifications to the Plans.

a. Lessor and County acknowledge that the Space Plans may not depict certain structural elements of the Building and/or various elements of the Building systems that may necessitate modifications to the Space Plans and specifications for the Tenant Improvements (collectively "**Structural Modifications**"). Furthermore, any final plans and specifications for the construction of the Tenant Improvements may require modification to account for Applicable Laws and Restrictions. "**Applicable Laws and Restrictions**" means all laws (including, without limitation, the Americans with Disabilities Act), building codes, ordinances, regulations, title covenants, conditions, and restrictions, and casualty underwriters' requirements applicable to the Premises and the Tenant Improvements. Within 30 days after the date of the lease, Lessor shall cause final plans and specifications to be prepared in substantial conformity with the Space Plans, taking into account (i) Structural Modifications, (ii) the requirements of the Applicable Laws and Restrictions, (iii) other modifications resulting from physical constraints of the Premises, and (iv) modifications requested by County and consented to by Lessor, which consent may not be unreasonably withheld (the "**Final Plans**"). "). A withholding of consent will not be deemed unreasonable if the County-requested modifications would cause an increase in the amount of time required to complete the Work or an increase in the cost of the Work. Once completed, the Final Plans will be attached to this Work Letter as Schedule 4.

b. Any and all modifications of, or amendments to, the Space Plans and the Final Plans (including all working drawings and other supplements thereto, but excluding immaterial field changes and Structural Modifications), are subject to the prior written approval of County. Material "or equal" items or substitute items provided for in the specifications forming part of the Final Plans are subject to the prior written approval of County, which approval may not be unreasonably withheld or delayed. Samples of such "or equal" or substitute materials, together with any additional supplemental information that may be necessary for County's review, are to be submitted to County in a timely manner.

7. Delay. The Commencement Date will be delayed by one day for each day of delay in the design or completion, of the Tenant Improvements that is caused by a Lessor Delay, as defined below. The Commencement Date will not be delayed due to a County Delay, as defined below. No Lessor Delay, or County Delay will be deemed to have occurred unless and until the party claiming the delay provides written notice to the other party specifying the action or inaction that constitutes a Lessor Delay, or County Delay, as applicable. If such action or inaction is not cured within one day after receipt of the notice, then a Lessor Delay, or County Delay, as set forth in the notice, will be deemed to have occurred commencing as of the date the notice is received and continuing for the number days the design or Substantial Completion Date of the Tenant Improvements is in fact delayed as a direct result of such action, inaction or event.

a. The term "**Lessor Delay**" means any actual delay in the design of the Final Plans or in the completion of Tenant Improvements that is caused solely by any of the following: (i) Lessor not responding to requests for authorization or approval within the time period provided for a response to such request or, if no such time is stated, beyond a reasonable time therefor, and (ii) the acts or failures to act, whether willful, negligent, or otherwise, of Lessor, its agents, or contractors, to the extent contrary to the terms hereof.

b. The term "**County Delay**" means any actual delay in the design and/or completion of Tenant Improvements that is caused by any of the following: (i) changes in the Space Plans or the Final Plans requested by County, (ii) the County not furnishing information or giving any approvals or authorizations within the time limits set forth for such performance in this Work Letter, or if no time is set forth for such performance in this Work Letter, then a reasonable time therefor, and (iii) the acts or failures to act, whether willful, negligent, or otherwise, of County, its agents, or contractors, to the extent contrary to the terms hereof.

8. Inspections. The County and its representatives may enter the Premises at all reasonable times for the purpose of inspecting the progress of construction of the Tenant Improvements.

9. Compliance with Laws; Standards of Performance. Lessor, at its expense, shall (i) obtain all approvals, permits and other consents required to commence, perform and complete the Tenant Improvements, and, if applicable, shall deliver a certificate of occupancy to County, and (ii) cause the Tenant Improvements to be constructed in accordance with the following performance standards: the Tenant Improvements are to be constructed by well-trained, adequately supervised workers, in good and workmanlike manner, free from design, material and workmanship defects in accordance with the Final Plans and all Applicable Laws and Restrictions (the "**Performance Standards**"). Lessor warrants that all Tenant Improvements shall be constructed in accordance with the Performance Standards. Notwithstanding anything to the contrary in the lease or this Work Letter, County's acceptance of possession of the Premises does not waive this warranty and Lessor shall promptly remedy all violations of the warranty at its sole cost and expense.

10. Completion Notice; Inspection; Substantial Completion Date.

a. When Lessor deems construction of the Tenant Improvements to be Substantially Complete, as defined below, Lessor shall tender delivery to County by delivering a "**Completion Notice**" in substantial conformity with Schedule 5. For purposes of this Work Letter, the phrase "**Substantially Complete**" means (i) construction of the Tenant Improvements has been substantially completed in accordance with the Performance Standards, (ii) there is no incomplete or defective work that unreasonably interferes with County's use of the Premises, (iii) all necessary government approvals for legal occupancy of the Tenant Improvements have been

obtained (including, if applicable, a Certificate of Occupancy), and (iv) all utilities are hooked up and available for use by County in the Premises.

b. Upon receipt of the Completion Notice, a representative of the County, a representative of Lessor, and the architect will immediately inspect the Tenant Improvements for the purpose of establishing that the Tenant Improvements are Substantially Complete. Once County and the architect are satisfied that the Tenant Improvements appear to be Substantially Complete, both shall so indicate by countersigning the Completion Notice. The Premises will be deemed delivered to County on the day that both County and the architect have countersigned the Completion Notice (the "**Commencement Date**" and the "**Substantial Completion Date**").

11. Punchlist. County has 60 days from the Substantial Completion Date to provide Lessor with a written list of any items that are defective, incomplete, or do not conform to the Final Plans or to Applicable Laws and Restrictions (a "**Punchlis**t"). County may augment the Punchlist at any time within this 60-day period. County's failure to specify any item on the Punchlist, however, does not waive Lessor's obligation to construct the Tenant Improvements in accordance with this Work Letter. Lessor shall remedy all items on the Punchlist as soon as practicable and in any event within 30 days of Lessor receiving the Punchlist. If Lessor fails to remedy all items on the Punchlist within the 30-day period (exempt as to items, if any, that require more than 30 days to complete), then County may, upon 20 days prior notice to Lessor, complete any Punchlist items and deduct the cost of such work from the Rent next coming due under the lease in an amount not to exceed 25% of the Rent per month for a period not to exceed six months.

12. Tenant's Work.

a. Any item of work not shown in the Final Plans, including, for example, telephone and data service or furnishings ("**Tenant's Work**"), may be performed by County through contractors selected by County and approved by Lessor, which approval may not be unreasonably withheld or delayed. Upon a timely request by County, Lessor shall perform the Tenant's Work through contractors selected by Lessor and approved by County. If Lessor performs the Tenant's Work, County shall reimburse Lessor for the full cost of the work upon receipt by County of receipted invoices for work performed or materials supplied. If County performs all or any portion of the Tenant's Work, Lessor shall allow County prompt and reasonable access to the Premises, provided, in Lessor's reasonable opinion, the Tenant's Work can be performed by County without undue interference with the completion of the Tenant Improvements.

b. Lessor shall furnish water, electricity, adequate elevator service and HVAC to the Premises during the performance of any of Tenant's Work during normal working hours of the Tenant Improvement project, without charge to County.

13. County's Right to Terminate. County may terminate the lease and this Work Letter by delivering a written termination notice to Lessor upon the occurrence of any of the following events:

a. A permit required for construction of the Tenant Improvements has not been issued on or before the last day for issuance of the permits specified in the Construction Schedule.

b. Lessor fails to execute a construction contract with a general contractor on or before 60 days after the lease is approved by the Board of Supervisors.

c. Lessor fails to cause construction of the Tenant Improvements to commence on or before 75 days after the lease is approved by the Board of Supervisors

d. The Substantial Completion Date does not occur on or before the Scheduled Completion Date (as the same may be adjusted for County Delays and Force Majeure in accordance with this Work Letter) and Lessor fails to Substantially Complete the Tenant Improvements on or before the fifth day after written notice by County to Lessor of its intent to terminate pursuant to this section.

14. Construction Period Insurance.

a. Throughout the performance of the Tenant Improvements and the Tenant's Work, if the Tenant's Work is performed by Lessor, Lessor shall carry and shall cause all contractors and their subcontractors to carry the insurance set forth below covering all occurrences in or about the Building, and County shall be named as a party assured, together with the Lessor, contractor or subcontractor, as the case may be:

i. Workers' compensation insurance in statutory limits.

ii. Lessor: Commercial general liability insurance, including contractual liability, owners and contractors protective liability for a period of one year after substantial completion, with limits of not less than $2,000,000 per occurrence.

iii. Contractors and Subcontractors: Commercial general liability insurance, including contractual liability, owners and contractors protective liability for a period of one year after substantial completion, with limits of not less than $1,000,000 per person and $1,000,000 per occurrence.

iv. Comprehensive automobile liability in minimum limits of $500,000 for bodily injury or death to one person and $1,000,000 for bodily injury or death in any one occurrence and $500,000 per occurrence for property damage.

v. Employer's liability insurance in minimum limits of $1,000,000 per occurrence for bodily injury or disease.

vi. Excess liability insurance over the insurance required by subsections (ii), (iii), (iv), and (v) of this section with combined, minimum coverage of $2,000,000.

b. If Tenant's Work is performed by County, County shall carry and shall cause all contractors and their subcontractors to carry the insurance set forth below covering all occurrences in or about the Building and Property, and Lessor shall be named as an additional insured, together with the County, contractor or subcontractor, as the case may be:

i. Workers' compensation insurance in statutory limits;

ii. County: Commercial general liability insurance, including contractual liability, owners and contractors protective liability for a period of one year after substantial completion, with limits of not less than $2,000,000 per occurrence;

iii. Contractors and Subcontractors: Commercial general liability insurance, including contractual liability, owners and contractors protective liability for a period of one year after substantial completion, with limits of not less than $1,000,000 per person and $1,000,000 per occurrence;

iv. Comprehensive automobile liability in minimum limits of $500,000 for bodily injury or death to one person and $1,000,000 for bodily injury or death in any one occurrence and $500,000 per occurrence for property damage;

v. Employer's liability insurance in minimum limits of $1,000,000 per occurrence for bodily injury or disease; and

vi. Excess liability insurance over the insurance required by subsections (ii), (iii), (iv), and (v) of this section with combined, minimum coverage of $2,000,000.

c. All insurance required by this Section 14 may be carried in whole or in part under a blanket policy (or policies). Lessor and County agree to require each contractor and subcontractor to furnish Lessor with evidence reasonably satisfactory to Lessor of the maintenance of the required insurance coverage, with assurances that it will not be cancelled without 15 days advance written notice to Lessor, and, in the case of blanket insurance, setting forth that the Building and the work on the Building are covered by the blanket policy and specifying the amount of coverage relating thereto. Upon the request of the County Representative, Lessor shall provide to the County Representative evidence of the required insurance coverage that is reasonably satisfactory to the County Representative.

15. Risk of Loss.

a. If the Premises or any portion of the Tenant Improvements or Tenant's Work is damaged or destroyed prior to the Substantial Completion Date, County may terminate the lease if, in the reasonable opinion of Lessor and the architect, the Building cannot be restored and the Tenant Improvements Substantially Completed

prior to 90 days after the Scheduled Completion Date. If the lease is terminated pursuant to this section, Lessor shall cause its insurance to pay County an amount that is equal to the cost of constructing the Tenant's Work paid by County prior to the casualty.

b. If the Premises or the Tenant Improvements are damaged or destroyed prior to the Substantial Completion Date and the lease is not terminated pursuant to this section, Lessor shall promptly and diligently cause its contractor to restore the Premises and complete construction of the Tenant Improvements.

16. Pre-Move-In Cleaning. Lessor shall clean and ventilate the Premises immediately prior to County moving into the Premises.

17. Move-In. Lessor shall make available to County on any weekday between the hours of 8:00 a.m. and 6:00 p.m. and, in addition, at County's request either on any three weekends between the hours of 6:00 p.m. on Friday and 8:00 a.m. on Monday or, in lieu of any one weekend, any four nights between the hours of 7:00 p.m. and 8:00 a.m., and the electricity and HVAC that County may reasonably require in connection with County's moving into the Premises. Report Title: Construction Contract for the Springbrook Road Culvert and Sinkhole Repair.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:

(1) APPROVE plans, specifications, and design for the Springbrook Road Culvert and Sinkhole Repair Project. (County Project No. 0672-6U6252, Federal Project No. ER-15J7(188)) (District IV)

(2) DETERMINE, from among the complete and proper bids timely submitted, which Contractor has submitted the lowest responsive and responsible bid for the project and FURTHER DETERMINE that the lowest responsive and responsible bid submitted has complied with the requirements of the County's Disadvantaged Business Enterprise ("DBE") Program, as provided in the project specifications..

(3) PROVIDE for any protests to be filed within three (3) calendar days of the bid opening in accordance with the protest provisions set forth in the project specifications.

(4) AUTHORIZE the Public Works Director to AWARD the construction contract for the above project to the Contractor determined to have submitted the lowest responsive and responsible bid in an amount not to exceed $690,000.00 and that has complied with the requirements of the County's Disadvantaged Business Enterprise ("DBE") Program, and DIRECT that Contractor to whom the award is granted shall present two good and sufficient surety bonds, as indicated below, and that the Public Works Director, or designee, shall prepare the contract.

(5) ORDER that, after the contractor has signed the contract and returned it, together with the bonds as noted herein and any required certificates of insurance or other required documents, and the Public Works Director has reviewed and found them to be sufficient, the Public Works Director, or designee, is authorized to sign the contract for this Board.

(6) ORDER that, in accordance with the project specifications and/or upon signature of the contract by the Public Works Director, or designee, bid bonds posted by the bidders are to be exonerated and any checks or cash submitted for security shall be returned.

(7) ORDER that, the Public Works Director, or designee, is authorized to sign any escrow agreements prepared for this project to permit the direct payment of retentions into escrow or the substitution of securities for

moneys withheld by the County to ensure performance under the contract, pursuant to Public Contract Code Section 22300.

(8) AUTHORIZE the Public Works Director, or designee, to order changes or additions to the work pursuant to Public Contract Code section 20142.

(9) DELEGATE, pursuant to Public Contract Code Section 4114, to the Public Works Director, or designee, the Board's functions under Public Contract Code Sections 4107 and 4110.

(10) DELEGATE, pursuant to Labor Code Section 6705, to the Public Works Director, or to any registered civil or structural engineer employed by the County, the authority to accept detailed plans showing the design of shoring, bracing, sloping, or other provisions to be made for worker protection during trench excavation covered by that section.

(11) DECLARE that, should the award of the contract to ("Contractor") be invalidated for any reason, the Board would not in any event have awarded the contract to any other bidder, but instead would have exercised its discretion to reject all of the bids received. Nothing in this Board Order shall prevent the Board from re-awarding the contract to another bidder in cases where the successful bidder establishes a mistake, refuses to sign the contract, or fails to furnish required bonds or insurance (see Public Contract Code Sections 5100-5107).

FISCAL IMPACT:
The Project will be funded by 88.53% Federal Emergency Relief Funds, 11.47% Local Road Funds

BACKGROUND:
The Public Works Department is requesting approval of the above project, and for the authority to award the contract for the project to the lowest responsible and responsive bid that has fully complied with the requirements of the County's DBE Program for this project, and that is below the not to exceed amount of $690,000.00.

Public works projects are often schedule-sensitive, particularly when tied to seasonal constraints. By initiating the Board approval process in advance, the County can reduce the lag between bid opening and contract award. This enables construction to begin earlier, which is especially critical to avoid delays caused by inclement weather and shortened construction windows. Delaying construction into adverse weather conditions can lead to extended project duration, increased costs due to weather protection measures, and higher risk of damage to partially completed work. Advancing the award timeline helps ensure work begins under optimal conditions, protecting both schedule and budget.

Providing delegated authority to the Public Works Director to award construction contracts within established monetary thresholds would allow contracts to be awarded immediately following bid evaluation. This approach would reduce administrative delays, accelerate project delivery, and improve the County's ability to maximize available construction seasons, particularly for roadway, flood control, and facility improvement projects.

This project is a storm damage repair project and federally funded. The County has complied with all funding

requirements for the project and is currently awaiting funding approval from the granting authority. The project is dependent on seasonal weather and once approved for funding, advertising and awarding the project quickly will allow construction activities to begin and take advantage of favorable weather.

Once awarded, the Public Works Director will report back to the Board with the Contractor that was awarded the contract, confirm that the Contractor complied with the requirements of the County's DBE Program for this project, and the amount of the contract.

The Board of Supervisors previously determined that the project is exempt from the California Environmental Quality Act (CEQA), pursuant to Section 15301(c) AND Section 15302(c) of the CEQA Guidelines, and a Notice of Exemption was filed with the County Clerk on February 27, 2025

The general prevailing rates of wages, which shall be the minimum rates paid on this project, have been filed with the Clerk of the Board, and copies will be made available to any party upon request.

CONSEQUENCE OF NEGATIVE ACTION:
Construction of the project would be delayed, and the project might not be built.

Report Title: APPROVE and AUTHORIZE the Public Works Director, or designee, to execute a Project Baseline Agreement between Contra Costa County, the California Transportation Commission and the California Department of Transportation to document the project cost, schedule, scope and benefits for the San Pablo Avenue Complete Streets/Bay Trail Gap Closure Project, Rodeo Crockett area. (47.5% Active Transportation Program (ATP), 4.5% Congressionally Directed Spending, 48% Local Road Funds)

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Public Works Director, or designee, to execute a Project Baseline Agreement between Contra Costa County, the California Transportation Commission (CTC) and the California Department of Transportation (Caltrans) to document the project cost, schedule, scope and benefits for the San Pablo Avenue Complete Streets/Bay Trail Gap Closure Project (Project No. 0662-6R4163), Rodeo Crockett area. (District V)

FISCAL IMPACT:
47.5% Active Transportation Program (ATP) Funds, 4.5% Congressionally Directed Spending Funds, 48% Local Road Funds

BACKGROUND:
The project implements the 2017 Board-approved San Pablo Avenue Complete Streets Study, which established the need and feasibility to incorporate pedestrian and bike infrastructure along the San Pablo Avenue corridor between Pacific Avenue in unincorporated Rodeo and Pomona Street in unincorporated Crockett. The project proposes to restripe the vehicular travel lanes and construct approximately 13,700 linear feet of a separated shared use path between California Street and Pomona Street. Currently, there are not any existing pedestrian and bike infrastructure along this 3-mile segment of San Pablo Avenue.

The project also includes the construction of 2,150 linear feet of new Class II bike lanes between Rodeo Avenue and Parker Avenue. These new bike lanes will involve pavement widening and striping to allow for parallel parking, existing drainage inlet modification/relocation, and curb ramp construction. The project will construct approximately 2,440 linear feet of sidewalk along the north side of San Pablo Avenue between Parker Avenue and California Street. Intersection upgrades may include striping, pavement markings, traffic signal timing optimization, curb ramp construction/reconstruction, Rectangular Rapid-Flashing Beacon and Pedestrian Hybrid Beacon installation, and concrete passageway (refuge island) modifications. The project will install 110 new streetlights along San Pablo Avenue. Construction is anticipated to occur in 2028 and take approximately twelve months to complete.

The project consists of the minor alteration of existing pedestrian and bicycle facilities and construction of new pedestrian and bicycle facilities that do not create additional automobile lanes pursuant to Article 19, Sections 15301 and 15303 of the CEQA Guidelines.

CONSEQUENCE OF NEGATIVE ACTION:
Delay in approving the project will result in a delay of the design, construction, and may jeopardize funding. This project will serve the communities of Rodeo and Crockett as it incorporates non-vehicular modes of transportation along San Pablo Avenue.

Report Title: Construction Contract for the Countywide Guardrail Upgrades Phase II.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:

(1) APPROVE plans, specifications, and design for the Countywide Guardrail Upgrades Phase II Project. (County Project No. 0662-6R4169, State Project No. HSIPSL-5928(189)) (District I, II, IV, V)

(2) DETERMINE that the bid submitted by Midstate Barrier, Inc. ("Midstate Barrier"), has complied with the requirements of the County's Outreach Program and has exceeded the Mandatory Subcontracting Minimum for this project, as provided in the project specifications; and FURTHER DETERMINE that Midstate Barrier has submitted the lowest responsive and responsible bid for the project.

(3) AWARD the construction contract for the above project to Midstate Barrier in the listed amount ($1,428,778.00) and the unit prices submitted in the bid, and DIRECT that Midstate Barrier shall present two good and sufficient surety bonds, as indicated below, and that the Public Works Director, or designee, shall prepare the contract.

(4) ORDER that, after the contractor has signed the contract and returned it, together with the bonds as noted below and any required certificates of insurance or other required documents, and the Public Works Director has reviewed and found them to be sufficient, the Public Works Director, or designee, is authorized to sign the contract for this Board.

(5) ORDER that, in accordance with the project specifications and/or upon signature of the contract by the Public Works Director, or designee, bid bonds posted by the bidders are to be exonerated and any checks or cash submitted for security shall be returned.

(6) ORDER that, the Public Works Director, or designee, is authorized to sign any escrow agreements prepared for this project to permit the direct payment of retentions into escrow or the substitution of securities for moneys withheld by the County to ensure performance under the contract, pursuant to Public Contract Code Section 22300.

(7) AUTHORIZE the Public Works Director, or designee, to order changes or additions to the work pursuant to Public Contract Code section 20142.

(8) DELEGATE, pursuant to Public Contract Code Section 4114, to the Public Works Director, or designee, the Board's functions under Public Contract Code Sections 4107 and 4110.

(9) DELEGATE, pursuant to Labor Code Section 6705, to the Public Works Director, or to any registered civil or structural engineer employed by the County, the authority to accept detailed plans showing the design of shoring, bracing, sloping, or other provisions to be made for worker protection during trench excavation covered by that section.

(10) DECLARE that, should the award of the contract to Midstate Barrier be invalidated for any reason, the Board would not in any event have awarded the contract to any other bidder, but instead would have exercised its discretion to reject all of the bids received. Nothing in this Board Order shall prevent the Board from re-awarding the contract to another bidder in cases where the successful bidder establishes a mistake, refuses to sign the contract, or fails to furnish required bonds or insurance (see Public Contract Code Sections 5100-5107).

FISCAL IMPACT:
The Project will be funded by 33% Highway Safety Improvement Program State Funds, 67% Local Road Funds.

BACKGROUND:
The above project was previously approved by the Board of Supervisors, plans and specifications were filed with the Board, and bids were invited by the Public Works Director. On June 9, 2026 the Public Works Department received bids from the following contractors:

BIDDER, TOTAL AMOUNT, BOND AMOUNTS

Midstate Barrier, Inc.: $1,428,778.00; Payment: $1,428,778.00; Performance: $1,428,778.00

Dirt and Aggregate Interchange, Inc.: $1,465,231.40

Coral Construction Company: $1,575,757.00

Highway Specialty Company, Inc.: $2,383,634.50

The bidder listed above, Midstate Barrier, Inc., submitted the lowest responsive and responsible bid.

The Public Works Director has reported that Midstate Barrier documented an adequate good faith effort to comply with the requirements of the County's Outreach Program and exceeded the Mandatory Subcontracting Minimum, and the Public Works Director recommends that the construction contract be awarded to Midstate Barrier.

The Public Works Director recommends that the bid submitted by Midstate Barrier is the lowest responsive and responsible bid, which is $36,453.40 less than the next lowest bid, and this Board concurs and so finds.

The Board of Supervisors previously determined that the project is exempt from the California Environmental

Quality Act (CEQA), pursuant to Section 15302(c) AND Section 15303(d) of the CEQA Guidelines, and a Notice of Exemption was filed with the County Clerk on August 6, 2025.

The general prevailing rates of wages, which shall be the minimum rates paid on this project, have been filed with the Clerk of the Board, and copies will be made available to any party upon request.

CONSEQUENCE OF NEGATIVE ACTION:
Construction of the project would be delayed, and the project might not be built.

(6) DETERMINE that Mitchells Transport LLC ("Mitchells Transport"), the fifth lowest monetary bidder, has complied with the requirements of the project specifications and has submitted the fourth lowest responsive and responsible bid for the project.

(7) AWARD on-call contracts to the following four contractors in the following priority for Job Orders, as provided in the project specifications:

(A) Sky Rock, in a not to exceed amount ($900,000) and the unit prices submitted in the bid ($320.00 Total

Unit Price).

(B) USA Trucking, in a not to exceed amount ($900,000) and the unit prices submitted in the bid ($323.00 Total Unit Price).

(C) 4 Brothers, in a not to exceed amount ($900,000) and the unit prices submitted in the bid ($345.00 Total Unit Price).

(D) Mitchells Transport, in a not to exceed amount ($900,000) and the unit prices submitted in the bid ($409.50 Total Unit Price).

(8) DIRECT that the Public Works Director, or designee, shall prepare the contracts.

(9) ORDER that, after the contractors have signed the contracts and returned them, together with any required certificates of insurance and other required documents, and the Public Works Director has reviewed and found them to be sufficient, the Public Works Director, or designee, is authorized to sign the contracts for this Board.

(10) ORDER that, the Public Works Director, or designee, is authorized to sign any escrow agreements prepared for this project to permit the direct payment of retentions into escrow or the substitution of securities for moneys withheld by the County to ensure performance under the contract, pursuant to Public Contract Code Section 22300.

(11) DELEGATE, pursuant to Public Contract Code Section 4114, to the Public Works Director, or designee, the Board's functions under Public Contract Code Sections 4107 and 4110.

(12) DECLARE that, should the award of the contract to Sky Rock, USA Trucking, 4 Brothers, or Mitchells Transport be invalidated for any reason, the Board would not in any event have awarded the invalidated contract(s) to any other bidder, but instead would have exercised its discretion to reject other bids received. Nothing in this Board Order shall prevent the Board from re-awarding the contract to another bidder in cases where the successful bidder establishes a mistake, refuses to sign the contract, or fails to furnish required bonds or insurance (see Public Contract Code Sections 5100-5107).

FISCAL IMPACT:

The contracts, each for a maximum amount of $900,000, will be funded by 100% Local Road Funds.

BACKGROUND:

The above project was previously approved by the Board of Supervisors, plans and specifications were filed with the Board, and bids were invited by the Public Works Director. On June 9, 2026 the Public Works Department received bids from the following contractors:

BIDDER, TOTAL UNIT AMOUNT

Sky Rock Inc., $320.00 Total Unit Price

USA Trucking Inc., $323.00 Total Unit Price

4 Brothers Trucking LLC, $345.00 Total Unit Price

Destination Anywhere Inc., $369.50 Total Unit Price

Mitchells Transport LLC. $409.50 Total Unit Price

Central Trucking Inc., $418.00 Total Unit Price

Cowan and Thompson Construction, $554.85 Total Unit Price

The Public Works Director has determined that Destination Anywhere submitted an incomplete, unsigned, and non-responsive bid by failing to complete, sign, and submit the signature page of the bid form, as provided in the project specifications, and the Public Works Director recommends rejection of the bid submitted by Destination Anywhere.

On June 16, 2026, Destination Anywhere was notified in writing of the above determination. A copy of the letter listing the deficiencies is attached to this Staff Report (see Attachment A). No appeal was filed of that determination.

The Public Works Director has determined and reported as follows:

Sky Rock submitted the lowest responsive and responsible bid, which is $3.00 (Total Unit Price) less than the next lowest bid.

USA Trucking submitted the second lowest responsive and responsible bid, which is $22.00 (Total Unit Price) less than the next lowest bid.

4 Brothers submitted the third lowest responsive and responsible bid, which is $64.50 (Total Unit Price) less than the next lowest bid.

Mitchells Transport submitted the fourth lowest responsive and responsible bid, which is $8.50 (Total Unit Price) less than the next lowest bid.

The Public Works Director has reported that the bids submitted by Sky Rock, USA Trucking, 4 Brothers, and Mitchells Transport comply with the requirements of the project specifications and are the lowest responsive and responsible bids and recommends that the Board so concur and find and that contracts be awarded to Sky Rock, U.S.A. Trucking, 4 Brothers, and Mitchells Transport in that order. As provided in the project specifications, the four on-call contracts would be awarded in the following priority for Job Orders: (1) Sky Rock; (2) USA Trucking, (3) 4 Brothers, and (4) Mitchells Transport. The contracts will be for a one-year period, with the option of two one-year extensions.

The general prevailing rates of wages, which shall be the minimum rates paid on this project, have been filed

with the Clerk of the Board, and copies will be made available to any party upon request.

CONSEQUENCE OF NEGATIVE ACTION:

The Public Works Department may be unable to complete routine road maintenance work in a timely manner.

Re: 2026 On-Call Trucking Services Contract(s)
for Various Road and Flood Control Maintenance Work
Project No.: 7520-6B9385-26

Dear Mr. Mann,

Our office has reviewed your bid submission, and we have determined that your firm's bid was incomplete and unsigned, in that you failed to complete, sign, and submit page 10 of the bid form (Signature of Bidder). As stated in the project specifications, failure to submit the forms and information as specified may result in a nonresponsive bid and, to qualify for contract award, the Bidder must comply with all requirements prescribed in the call for bids (see Sections 2-1.33A and 3-1.04). Since your firm submitted an incomplete and unsigned bid form and did not comply with all the requirements in the call for bids, we plan to recommend that your firm's bid be rejected as non-responsive.

Should your firm disagree with our determination, you may appeal it in writing to the Public Works Director at 255 Glacier Drive, Martinez, CA 94553 (see Section 2-1.12A(6)). Your firm's appeal must be received at that address no later than 5:00 p.m. on June 22, 2026, and must describe in detail all facts and arguments on which your firm relies.

It is anticipated that the Board of Supervisors will award contracts to the lowest responsible bidders, Sky Rock Inc, U.S.A. Trucking Inc., 4 Brothers Trucking LLC, and Mitchells Transport LLC, who have complied with the contract requirements, at the Board meeting on July 7, 2026, which begins at 9:00 a.m.

If you wish, you may appear at the Board meeting to comment on this matter. Any comments to the Board will be limited to the facts and arguments set forth in your firm's appeal.

Sincerely,

Adelina Huerta

Report Title: FY 2026 Paul Coverdell Forensic Science Improvement Grants Program

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
ADOPT a Resolution approving and authorizing the Sheriff-Coroner, or designee, to apply for, accept, and execute a grant award agreement, including any modifications or extensions thereof, pursuant to the grant guidelines, with the Governor's Office of Emergency Services as fiscal agent, for the FY 2026 Paul Coverdell Forensic Services Improvement Grant, in an initial amount of up to $61,960 for support of forensic training, for the initial period of July 1, 2026 through June 30, 2027.

FISCAL IMPACT:
Approval of this request will result in an initial grant amount of $61,960 for the Office of the Sheriff. No County match is required.

BACKGROUND:
The purpose of the Paul Coverdell Forensic Services Grant Program is to improve the quality and timelines of forensic science services over current operations. The non-competitive funds are available for distribution during the initial period beginning July 1, 2026 through June 30, 2027. The Office of the Sheriff's Forensic Services Division is an ANAB (ANSI-ASQ National Accreditation Board) accredited laboratory that has on-going training requirements to fulfill accreditation criteria. This grant provides funding for crime laboratory equipment and annual training of forensic staff.

CONSEQUENCE OF NEGATIVE ACTION:
If the Board does not approve, the County will not receive grant funding for training necessary to retain ANAB accreditation.

THE BOARD OF SUPERVISORS OF CONTRA COSTA COUNTY, CALIFORNIA

and for Special Districts, Agencies and Authorities Governed by the Board

IN THE MATTER OF Applying for and accepting the FY 2026 Paul Coverdell Forensic Science Improvement Grants Program.

Report Title: 2025 Urban Area Security Initiative Grant

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Sheriff-Coroner, or designee, to apply for and accept grant funding, including modifications and extensions thereof, subject to compliance with certifications, with the City and County of San Francisco for the 2025 U.S. Department of Homeland Security, Urban Area Security Initiative (UASI) Grant, in an initial amount of $590,588, for Homeland Security-related projects within the County, for the initial period of November 1, 2025 through December 31, 2026.

FISCAL IMPACT:
Approval of this request will result in an initial revenue of $590,588 and will be funded 100% by the 2025 Urban Area Security Initiative Grant from the City and County of San Francisco acting as fiscal agent for the Bay Area Urban Area Security Initiative. (CFDA/AL #97.067)

BACKGROUND:
The U.S. Department of Homeland Security Urban Area Security Initiative Grant Program funds high-threat, high-density urban areas' unique planning, equipment, training and exercise needs. This grant assists designated regions in building an enhanced and sustainable capacity to prevent, protect against, respond to and recover from acts of terrorism. California is home to five of these urban areas, and the U.S. Department of Homeland Security designated the City and County of San Francisco as the fiscal agent for the Bay Area Urban Area Security Initiative (UASI).

The projects included in this grant are the Helicopter and Accusense Device projects.

CONSEQUENCE OF NEGATIVE ACTION:
If the Board does not approve of the Office of the Sheriff entering into this agreement, the County will not receive its share of the 2025 UASI Grant funds. Risk management and planning to increase regional response capability will need to be either funded through another source or will not be performed.

Report Title: APPROVE appropriation adjustment No. BDA-26-00625 for Motorola Radios.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE Budget Amendment No. BDA-26-00625, authorizing new revenue in the amount of $115,000 from Fund 105600 (County Law Enforcement Capital Project Fund) Org 0129 and appropriating it to Fund 100300 (General Fund) Org 2512 Sheriff County Info Services for the purchase of Motorola radios for the Office of the Sheriff.

FISCAL IMPACT:
This action increases revenues and appropriations by $115,000 in the Sheriff's Office General Fund department and is funded 100% by Fund 105600 County Law Enforcement Capital Project Fund.

BACKGROUND:
The Sheriff-Coroner utilizes the Special Weapons and Tactics (SWAT) and Hostage Negotiation Team (HNT), which are comprised of deputies working in an ancillary capacity. During previous SWAT and HNT deployments during critical incidents, deputy response and preparedness were delayed due to radio shortages caused by radio age and damage. To improve response times and public safety, the Sheriff-Coroner requires the purchase of 10 new Motorola portable radios to be issued to the SWAT and HNT personnel.

CONSEQUENCE OF NEGATIVE ACTION:
If the Board does not approve, the Contra Costa County Office of the Sheriff SWAT and HNT teams may continue to experience delayed response times during critical incidents, negatively impacting public safety.

Report Title: Meridian Vehicle Barrier Kit and Trailer from Bay Area UASI Grant

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Sheriff-Coroner, or designee, to execute a property transfer agreement with Bay Area Urban Areas Security Initiative (UASI)/City and County of San Francisco to accept the Meridian Vehicle Barrier Kit and Trailer with an estimated value of $96,159 to support services rendered by the Office of the Sheriff, for the period of July 24, 2026 through the life of the equipment.

FISCAL IMPACT:
No direct fiscal impact. The barrier kit and trailer provided has an estimated value of approximately $96,159 and will support services rendered by the Office of the Sheriff. In future years, the equipment will require maintenance and insurance costs from Public Works which is estimated at $588 annually and would be covered with existing appropriations from the Sheriff's General Fund budget.

BACKGROUND:
The Bay Area Urban Areas Security Initiative was allocated funding to improve election security, which was utilized to acquire multiple vehicle barrier systems and trailers. While the primary objective of these barriers is to support election security, they are also available for law enforcement use and may be deployed as temporary vehicle access controls when necessary. Such deployments can serve to protect critical infrastructure, secure large public events, assist emergency response operations, or maintain public safety and order.

The Bay Area UASI offered each county in the operations area at least one vehicle barrier system and a trailer at no cost, a proposal already approved by the board (26-1205 on 3/31/2026). This additional barrier kit and trailer have already been purchased by the Bay Area UASI, and they would like to provide this additional vehicle barrier system and trailer to us at no charge. This board action allows the Office of the Sheriff to execute the property transfer agreement and accept the transfer of this equipment.

CONSEQUENCE OF NEGATIVE ACTION:
If the Board does not approve this action, the Office of the Sheriff will be unable to accept vital protective equipment at no cost.

Report Title: HID Global Corporation

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Sheriff-Coroner, or designee, to execute a contract with HID Global Corporation, in an amount not to exceed $67,550 for a multi-factor authentication software, for the period May 1, 2026 through April 30, 2027.

FISCAL IMPACT:
Approval of this request will result in up to $67,5500 in contractual service expenditures and will be funded 100% by the General Fund.

BACKGROUND:
The Office of the Sheriff must implement an MFA (Multi-Factor Authentication) solution per the DOJ (Department of Justice) to meet CJIS (Criminal Justice Information Systems) compliance. The Office of the Sheriff currently uses Imprivata for MFA, but since it is tailored to the medical industry and is designed for worker mobility, it does not offer the capabilities needed to meet the MFA requirements for CJIS. The software will be used department wide in the Sheriff's Office and will include all workstations, remote laptops and patrol car computers.

The HID DigitalPersona solution was selected due to its focus on law enforcement agencies and the features required to meet CJIS requirements. HID DigitalPersona is an industry-leading MFA solution that provides passwordless desktop authentication that is easy to deploy, adopt, and manage, enabling rapid and secure log-in to Windows, networks, and applications via biometrics, mobile devices, physical access badges, smart cards, and security keys. Combining security and usability, HID DigitalPersona employs one of the widest arrays of authentication methods and form factors in the industry, enabling a Zero Trust security approach that evolves with security standards, technologies and industry regulations.

The Terms and Conditions and End User License Agreement includes County indemnity and a limitation of liability, and payments for this contract are to be made payable to CSSA's third party seller, Paragon Micro.

CONSEQUENCE OF NEGATIVE ACTION:
If the Board does not approve, the Office of the Sheriff will lose access to DOJ systems and information. The

Office of the Sheriff is currently operating under a provisional agreement until this system is implemented. Failure to implement would affect multiple entities within the county, including other police departments and first responders.

Report Title: Summit Food Service, LLC

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Sheriff -Coroner, or designee, to execute, a contract amendment with Summit Food Service, LLC., to increase the payment limit by $2,000,000, to a new payment limit of $11,000,000 to provide food service at the Sheriff's West County Detention Facility, Martinez Detention Facility and Marsh Creek Detention Facility, for the period July 01, 2023 through June 30, 2026, plus two optional one-year term extensions.

FISCAL IMPACT:
Approval of this request will result in an additional $2,000,000 in expenditure and will be funded 100% by the department's County General Fund allocation.

BACKGROUND:
Summit Food Service provides food procurement, menu planning and nutritional review of inmate meals per the Title 15 Minimum Standards for Local Detention Facilities, which requires a minimum diet based on specific caloric requirements and necessitates an annual review by a registered dietician. The current inmate menu has not been adequately updated by a registered dietician to reflect contemporary needs, especially as it relates to medical diets. Additionally, with the rising cost of food, contracting for procurement allows the County to access price discounts otherwise unavailable to us. This contract went out to bid on December 2022 with three companies bidding. After review, Summit Food Service was ultimately awarded the bid.

Due to rising cost of food and demand, the contract payment limit estimate from 2023 is insufficient to cover the full costs through the contract term. This request is to increase the payment limit to cover all food service provided by this vendor.

CONSEQUENCE OF NEGATIVE ACTION:
If this contract is not approved, our inmate menu may be subject to scrutiny as it has had limited updates, particularly as it relates to the medical diets prescribed by the Detention Medical Staff, and in some cases, may not be compliant with Title 15 Minimum Standards. Additionally, our current method of food procurement and preparation does not adequately address emergency food contingencies such as natural disasters or staffing

crises.
