Qualifications and Volunteer Experience

Please explain why you would like to serve on this particular board, committee, or commission.

I would like to continue to serve on this particular committee because I am a founding member of the African American Wellness and Holistic Steering Committee. Over the past year, I have given my service wholeheartedly to this work and know that I can continue to be an agent for change. Additionally, I would like to see this service for the African American population in all of Contra Costa County meet its goal. Moreover, it has been my pleasure and absolute honor to provide feedback and assist with what is already being implemented. I intend to keep this well overdue injustice rectified and let the healing begin. It would be a travesty to not see this vision realized, and I am committed to seeing this Hub for the most harmed citizens in CCC realized. I will continue to offer my time, expertise and life experiences to press on to ensure that the AAHW Hub delivers on the promise to bring this vision to reality.

Describe your qualifications for this appointment. (NOTE: you may also include a copy of your resume with this application)

To this appointment I bring over 25 years of service to the communities in Contra Costa County from prenatal-seniors. I have worked as a Community Partnerships Coordinator for over 15 years and have nurtured meaningful partnerships along the way. I am resourceful and very connected to various systems of support throughout the county. Perhaps the most compelling qualification I bring to the table is lived experience as a Black Woman living in Contra Costa County for over 30 years. With this appointment, I bring my professional qualifications working for non-profits since graduating from college, until present working with low-income families throughout Contra Costa County for Head Start. I have over 30 years of volunteering for faith-based organizations in the county as well as the juvenile population and mental health services. I made a personal commitment when I joined the AAHW steering committee one year ago, and will also bring the knowledge gained and continued support I have faithfully given. I intend to be an integral asset to the African American Holistic and Wellness HUB, for as long as it requires.
