EDUCATE	EXISTING - NO PROPOSED CHANGES				
	1	Countywide Recycling Hotline & Website - Legal options to discard unwanted items/trash		DCD	<i>(Existing)</i>
	2	Printed Outreach Materials by Franchise Haulers - Annual Mailer/Newsletters, Bill Inserts & Bill Messages.		DCD	<i>(Existing)</i>
	EXPAND - PROPOSED CHANGE TO EXISTING				
	3	Educate persons living or working in the unincorporated area that only hauling companies approved by the County (permitted or franchised) can legally be hired to pick-up trash.		CCEH, DCD	With Contra Costa County Ordinance Chapter 418-3 going into effect on January 1, 2025 Environmental Health has initiated outreach efforts around the new ordinance and it's requirements. The website has been updated with information and updated application materials and an outreach letter has gone out to approximately 30 currently unpermitted businesses advertising junk hauling services in the unincorporated areas of the county to advise them of the changes to the ordinance and what activities now require a permit. Environmental Health is continuing to work on additional outreach to the public and relevant businesses on the new Ordinance requirements, as well as working with the Sheriff's Office on training and reference materials for Sheriff's Deputies. Environmental Health is continuing to accept applications for permits issued under the existing Ordinance Chapter 418-2. As of January 14, 2025, there are no 2025 permits approved with 9 applications in progress.
4	Seek additional opportunities to raise awareness about and increase utilization of the Bulky Item Pick-up services and/or extra waste pick-ups offered upon request at no additional charge for residential customers within the County's unincorporated franchise areas.		DCD	The County's Illegal Dumping Educational Outreach Campaign (see Strategy #5 for details) ran ads linking to the County's Conservation and Development Solid Waste and Recycling website (ccrecycle.org), which provides information on bulky item and extra waste pick-up resources.	

Table 1 - Illegal Dumping Initiative Strategy Table—February 2025 Updates

NEW					
EDUCATE	5	Create <u>public outreach campaign(s)</u> with messaging that is effective for applicable target populations (may need carrot & stick since some respond better to one vs. the other) that can be deployed using these various methods: * Curbside haulers – Mail/Robo-calls/E-Blasts/Direct Face-to-Face or Phone contact * Supervisors’ offices – Newsletters/E-Blasts/Direct Face-to-Face or Phone contact * On-line – Social Media (posts & ads) and Digital (internet ads) * Web/Mobile App - Curbside and local reuse & recycling services/facilities * News Media – Print, Radio & TV * Word-of-Mouth (most effective) – Engage community leaders/members/groups to raise awareness (including Youth – e.g. boy/girl scouts, Seniors, Community based non-profit organizations and Religious & philanthropic groups)		CCEH, PWD, DCD, SO	The County's Illegal Dumping Educational Outreach Campaign ran from September 30th, 2024 to December 13th 2024. The target audience was Contra Costa County Residents, with a focus on those living in zip codes where illegal dumping is most prevalent. The campaign ran Out-Of Home (OOH) advertisements in the form of billboards, bus shelters, and bus benches as well as virtual ads in the form of Google Display Ads, Youtube video ads, Facebook/Instagram reels, Spotify ads, and radio ads on Univision. The ads encouraged residents to call the 1-800-No-Dumping hotline to report illegal dumping for cleanup and directed them to the County's Illegal Dumping webpage (cccrecycle.org/illegaldumping) for additional reporting options and proper waste disposal information The campaign generated over 28 million impressions, with Google Display Ads being the most viewed, accumulating approximately 1.5 million impressions. Requests for illegal dumping pickup via email and phone nearly doubled during October and November, peaking at 84 requests in November. Additionally, the Illegal Dumping webpage received 42,816 visits during the campaign period, compared to just 366 visits in the two months prior.
	EXISTING - NO PROPOSED CHANGES				
PREVENT	6	Fencing off road right-of-way dumping hot spot if/when deemed necessary		PWD	Additional chain link fencing was installed at nine separate locations along Franklin Canyon Road and Crockett Blvd. Other roads being considered for fencing include Cummings Skyway and Alhambra Valley Road, as funding allows.

CLEAN-UP	EXPAND - PROPOSED CHANGE TO EXISTING				
	33	Assist with hauling and removal of waste tire piles illegally dumped in the public right-of-way on an as needed basis. CCEH staff will haul away piles of up to 35 waste tires, however they can partner with the local conservation corps to clean-up large waste tire piles (36 waste tires or more) illegally dumped on public lands.		CCEH	CCEH continues to pick up and dispose of illegally dumped tire piles of 35 tires or less. Overall, 1,774 illegally dumped waste tires were cleaned up between 7/1/2024 and 12/31/2024. Of those, 338 illegally dumped tires were picked up by CCEH staff and disposed. CCEH worked with CivicCorps to dispose of 1,336. The remaining illegally dumped tires that were found by CCEH were removed by local Public Works agencies.
	34	Franchise Hauler provided On-call <u>Right-of-Way Debris Removal</u> : Establish service in the one County Franchise area not currently implemented -and- Increase area (currently in place for three of the County's four Franchises) and potential scope/frequency		DCD	<i>Complete</i>
35	Public Works: Dumping in creeks, roadways outside County Franchise Areas where hauler provides on-call removal service and hazardous waste or oversized items not serviced by the Franchisees. Potential for increasing removal frequency within the existing budget (\$400K) is dependent upon reducing the area Public Works is responsible for (limit to areas outside County Franchise authority).	34	PWD	<i>Right-of-way pickup services are performed by franchise haulers and PWD maintenance crews. PWD also provides right-of-way pickup through the use of a contractor administered by Contra Costa County Watershed Program. Public Works has received in the past and has applied for a Keller Canyon Mitigation Fund grant from Supervisor Glover's office to fund additional right-of-way cleanups in the Bay Point area. Public Works - Grounds crews perform these additional right-of-way cleanups.</i>

ENFORCE	NEW				
	45	Dedicate four per-diem deputies (combined total of 3,600 hours per year; equivalent to approx. 1.73 FTE) to investigating dumping crimes.		SO	The Sheriff's Office has one per diem deputy assigned to illegal dumping. This deputy continues to identify problem areas for enforcement and collaborate on camera placements with Deploy Surveillance. Overtime for supplemental enforcement has been temporarily paused. August 2024 – January 2025 72 Submissions through Mobile Citizen App. for clean-up 36 Litter/ Illegal Dumping reports written 14 cases filed with the DA's office 6 citations written
46	Wireless high definition, license plate reader <u>surveillance cameras</u> with night vision, infrared & solar powered. Remote-controlled to zoom and capture evidence – Place at key entry ways or at/near hot spots. PILOT: <i>Initial pilot of surveillance monitoring service for five rental cameras.</i>	45	CCEH, DA, PWD, SO	10 mobile surveillance units (MSUs) were deployed in September 2024 and surveillance services began in October 2024. Four MSUs were deployed in North Richmond, three on San Pablo Dam Road and three on Alhambra Valley Road. MSUs in North Richmond experienced vandalism and 3 of 4 MSUs were removed to prevent further damage. On San Pablo Dam Road and Alhambra Valley Road, there were at least three instances of illegal dumping that were investigated and follow up performed by the Sheriff's Office. In one case, prevention of further dumping occurred when the talk-down speakers were employed by the surveillance monitoring service. In general, where cameras were deployed, it appears cases of illegal dumping has been prevented or reduced. The 10 MSUs were relocated and redeployed in mid-January. One MSU was relocated to Cummings Skyway, one on McEwen Road, one at Parker Avenue/San Pablo Avenue, four in Bay Point and three on Marsh Creek Road/Camino Diablo. Redeployment of MSUs will occur every 90 days, or as needed at a cost.
