Qualifications and Volunteer Experience

Please explain why you would like to serve on this particular board, committee, or commission.

As the Librarian III for Youth Services for Contra Costa County Library I am very interested in early care and education. Before children ever attend school they need to practice good early literacy skills with trusted adults in order to be ready for school and their futures. Early care with well-trained, adequately paid and caring adults is crucial for the future of the county where I work, live and raise my children.

Describe your qualifications for this appointment. (NOTE: you may also include a copy of your resume with this application)

I have worked as a Librarian specializing in youth services in Contra Costa County for over twenty years and in my current position I am responsible for coordinating all of the services and programs for children and families at the county level. I have a Masters in Library Science and my expertise lies in early literacy practices for children 0-3rd grade. I am raising my two sons in Martinez and they attend public schools in the Mount Diablo School District. One of my sons is neuro-divergent and receives special education services. I care deeply about education in this county for professional and personal reasons and I believe the work of the LPC helps to promote and support early care and education for the kids in our county of the greatest need.
