Due to the limited number of specialty providers available within the community, CCRMC and Contra Costa Health Centers relies on contractors to provide necessary neurology specialty health services to its patients. Contractor's neurology services will include clinic services, inpatient consultation, training, medical/surgical procedures and on-call coverage. This Contractor has been providing neurology services at CCRMC and Contra Costa Health Centers since April 2025.

This Contract is entered into under and subject to the following legal authorities: California Government Code §§ 26227 and 31000; Health and Safety Code § 1451. Contractor currently cooperates with and participates in CCRMC's Quality Assurance Program which consists of quality improvement activities such as assisting with the completion of CCRMC's annual performance review. Health Services Personnel approved this Contract to ensure no conflicts with labor relations. Per Administrative Bulletin 600.3, CCRMC Physician services are exempt from Solicitation requirements.

On April 28, 2025, the Board of Supervisors approved Contract #76-917 with Jaspreet Kaur Mann, D.O., in an amount not to exceed $1,290,000 for the provision of neurology services at CCRMC and Contra Costa Health Centers, for the period April 1, 2025 through March 31, 2028.

In consideration of the Contractor's agreement to continue providing neurology services and the departments need to increase rates to maintain an adequate network for services at CCRMC and Contra Costa Health Centers, the department and Contractor have agreed to: (1) mutual cancellation of the current Contract in

accordance with General Conditions Paragraph 5 (Termination) of the Contract and Cancellation Agreement #76-917-1 will accomplish this cancellation; and (2) establish a new Contract with the correct terms and conditions for the next two years.

Under new Contract #76-917-2, Contractor will provide neurology services at CCRMC and Contra Costa Health Centers for the period July 1, 2026 through June 30, 2028.

CONSEQUENCE OF NEGATIVE ACTION:
If this Contract is not approved, the necessary specialty neurology services needed for patient care will not be available or will create increased wait times due to the limited number of specialty providers available within the community.

Staff Report

File #: 26-2739 **Agenda Date:** 6/23/2026 **Agenda #:** C.112.

To: Board of Supervisors

From: Dr. Grant Colfax, Health Services Director

Report Title: Contract #74-475-205(2) with Melissa Rossi, LPCC

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Health Services Director, or designee, to execute on behalf of the County Contract #74-475-205(2) with Melissa Rossi, LPCC, an individual, in an amount not to exceed $400,000, to provide Medi-Cal Specialty Mental Health Services (SMHS) to beneficiaries eighteen (18) years of age and older in Contra Costa County for the period July 1, 2026 through June 30, 2028.

FISCAL IMPACT:
Approval of this Contract will result in contractual service expenditures of up to $400,000 over a two-year period and will be funded by 40% Contra Costa Health Plan Enterprise Fund II, 30% Federal Medi-Cal and 30% State Mental Health Realignment.

BACKGROUND:
This Contract meets the social needs of County's population by providing telehealth Medi-Cal SMHS for beneficiaries in Contra Costa County. Telehealth is the delivery of healthcare services remotely through electronic devices. Contractor specializes in the treatment of anger management, psychotic and dissociative behaviors, foster care/child and family services involvement, anxiety, depression, grief/loss, cognitive behavioral therapy, and trauma/post-traumatic stress disorder.

This Contract is entered into under and subject to the following legal authorities: California Government Code §§ 26227 and 31000; Welfare and Institutions Code § 5775 et seq.; Welfare and Institutions Code §§ 14680-14685; California Code of Regulations (CCR), Title 9 § 1810.100 et seq. This Contract was approved by Health Services Personnel to ensure there is no conflict with labor relations. The Behavioral Health's Quality Management, Utilization Management and Contract Monitor staff meet on a regular basis to ensure monitoring and performance measures in the Contract are upheld. Per Administrative Bulletin 600.3, the Department has posted a continuous Request for Qualifications and maintains a current qualified list of vendors at all times.

On April 1, 2025, the Board of Supervisors approved Contract #74-475-205 with Melissa Rossi, LPCC, in an amount not to exceed $270,000, for the provision of Medi-Cal SMHS to members eighteen (18) years and older in Contra Costa County, for the period April 1, 2025 through June 30, 2026.

Approval of Contract #74-475-205(2) will allow the Contractor to continue to provide Medi-Cal SMHS through June 30, 2028.

CONSEQUENCE OF NEGATIVE ACTION:
If this Contract is not approved, there will be fewer mental health services available as the County solicits and engages an alternative Contractor, which could result in increased wait times for services.

Report Title: Contract #24-949-39(24) with A Step Forward Child Abuse Treatment and Training Programs, A Marriage, Family and Child Counseling Corporation

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Health Services Director, or designee, to execute on behalf of the County Contract #24-949-39(24) with A Step Forward Child Abuse Treatment and Training Programs, A Marriage, Family and Child Counseling Corporation, a corporation, in an amount not to exceed $980,000, to provide Medi-Cal Specialty Mental Health Services (SMHS) for beneficiaries in Central Contra Costa County, for the period July 1, 2026 through June 30, 2028.

FISCAL IMPACT:
Approval of this Contract will result in budgeted expenditures of up to $980,000 over a two-year period and will be funded by 40% Contra Costa Health Plan Enterprise Fund II, 30% Federal Medi-Cal and 30% State Mental Health Realignment.

BACKGROUND:
This Contract meets the social needs of County's population by providing Medi-Cal SMHS for beneficiaries of all ages in Contra Costa County by providing assessment, testing, therapy and medication monitoring for the treatment of mental disorders, sexually abused children and sexual perpetrators. This Contractor has been providing these services as part of the Department's Behavioral Health Services Network since 2006.

This Contract is entered into under and subject to the following legal authorities: California Government Code §§ 26227 and 31000; Welfare and Institutions Code § 5775 et seq.; Welfare and Institutions Code §§ 14680-14685; California Code of Regulations (CCR), Title 9 § 1810.100 et seq. This Contract was approved by Health Services Personnel to ensure there is no conflict with labor relations. Per Administrative Bulletin 600.3, the Department has posted a continuous Request for Qualifications and maintains a current qualified list of vendors at all times.

On July 9, 2024, the Board of Supervisors approved Contract #24-949-39(20) with A Step Forward Child Abuse Treatment and Training Programs, A Marriage, Family and Child Counseling Corporation in an amount not to exceed $450,000, to provide Medi-Cal SMHS, for the period from July 1, 2024 through June 30, 2026.

On February 25, 2025, the Board of Supervisors approved Contract Amendment #24-949-39(21) with A Step Forward Child Abuse Treatment and Training Programs, A Marriage, Family and Child Counseling

Corporation, effective February 1, 2025, to increase the payment limit by $400,000 to a new payment limit of $850,000 for additional Medi-Cal SMHS, with no change in the term.

On December 16, 2025, the Board of Supervisors approved Contract Amendment #24-949-39(22) with A Step Forward Child Abuse Treatment and Training Programs, A Marriage, Family and Child Counseling Corporation, effective January 1, 2026, to include additional Medi-Cal SMHS for beneficiaries in Central Contra Costa County, with no change in the payment limit or term.

On May 12, 2026, the Board of Supervisors approved Contract Amendment #24-949-39(23) with A Step Forward Child Abuse Treatment and Training Programs, A Marriage, Family and Child Counseling Corporation, effective May 1, 2026, to increase the payment limit by $130,000, to a new payment limit of $980,000, with no change in the term.

Approval of Contract #24-949-39(24) will allow the Contractor to continue to provide Medi-Cal SMHS services through June 30, 2028.

CONSEQUENCE OF NEGATIVE ACTION:
If this Contract is not approved, there will be fewer mental health services available as the County solicits and engages an alternative Contractor, which could result in increased wait times for services.

Report Title: Interagency Agreement #23-580-4 with San Ramon Valley Fire Protection District

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Health Services Director, or designee, to execute on behalf of the County Interagency Agreement #23-580-4 with San Ramon Valley Fire Protection District (SRVFPD), a government agency, in an amount not to exceed $139,579, for electronic patient care records hosting and support services for the Contra Costa Emergency Medical Services (EMS) system for the period December 16, 2025 through December 15, 2026.

FISCAL IMPACT:
Approval of this Contract will result in annual expenditures of up to $139,579 and will be funded 100% by CSA EM-1 (Measure H).

BACKGROUND:
The purpose of this Interagency Agreement for County is to reimburse SRVFPD for its payments to Definitive Networks, Inc., who will provide electronic patient care records hosting and support services for certain County fire protection agencies. Reimbursements will be made with Measure H funds. SRVFPD has been providing service to County under this contract since December 15, 2015.

This Contract is entered into under and subject to the following legal authorities: California Government Code §§ 26227 and 31000; Health and Safety Code §§ 1797 et seq. EMS's Quality Management, Utilization Management and Contract Monitor Staff meet on a regular basis to ensure monitoring and performance measures in the Contract are upheld. This Contract was approved by Health Services Personnel to ensure there is no conflict with labor relations. Per Administrative Bulletin 600.3, Interagency Agreements are exempt from solicitation requirements

On November 1, 2016, the Board of Supervisors approved Agreement #23-580-1 with SRVFPD for the provision of electronic patient care records hosting and support services for the period December 15, 2016 through December 14, 2019.

On March 26, 2019, the Board of Supervisors approved Amendment Agreement #23-580-2 with SRVFPD, to increase the payment limit by $169,162 to a new payment limit of $464,362 and extend the termination date from December 14, 2019 to December 14, 2022, for additional electronic patient care records hosting and support services for the Contra Costa EMS System.

On November 29, 2022, the Board of Supervisors approved Amendment Agreement #23-580-3 with SRVFPD, to increase the payment limit by $404,000 to a new payment limit of $868,362 and extend the termination date from December 14, 2022 to December 14, 2025, for additional electronic patient care records hosting and support services for the Contra Costa EMS System.

Approval of Interagency Agreement #23-580-4 will allow the Contractor to continue to provide electronic patient care records hosting and support services through December 15, 2026. This Contract is delayed due to extended negotiations between Contractor and the EMS Division.

CONSEQUENCE OF NEGATIVE ACTION:
If this Agreement is not approved, Contra Costa County's EMS Systems will not receive additional enhancements supporting education, training, patients safety and quality improvements for its providers.

From: Dr. Grant Colfax, Health Services Director

Report Title: Contract Amendment/Extension #72-197-3 with FIERCE Advocates (Families and Individuals Equitably Rooted in Collective Empowerment), Inc.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Health Services Director, or designee, to execute on behalf of the County Contract Amendment/Extension #72-197-3 with FIERCE Advocates (Families and Individuals Equitably Rooted in Collective Empowerment), Inc., a non-profit corporation, effective June 30, 2026, to amend Contract #72-197-1 (as amended by Contract Amendment/Extension #72-197-2), to increase the payment limit by $150,000, from $440,000, to a new payment limit of $590,000, and to extend the termination date from June 30, 2026 to September 30, 2026 for additional consultation and technical assistance to assist and support the Doula Program for Contra Costa Health Services (CCHS) Public Health Division's, Family, Maternal & Child Health Programs (FMCH), Perinatal Equity Initiative (PEI) to provide prenatal, birth and postpartum community support for enrolled County participants.

FISCAL IMPACT:
Approval of this Contract Amendment/Extension will result in additional annual expenditures of up to $150,000 and will be funded 100% by Community Development PEI Grant funds. (No rate increase)

BACKGROUND:
PEI aims to improve birth outcomes in African American communities and was established with the passage of California State Legislature's Assembly Bill (AB) 1810. CCHS, FMCH Programs have been funded to accomplish a scope of work which includes conducting an environmental scan, engaging community partners in planning a process to determine needs, gaining a deeper understanding of the African-American community and its infant mortality rate in Contra Costa County, and developing and implementing a public health awareness campaign to raise awareness about pre-term birth and infant mortality. Additionally, we are required to subcontract with community-based organizations for the provision of supportive services to the most impacted populations of perinatal health inequities. County's Public Health Division provides outreach and services to communities that may otherwise not get community support for client referrals/case management in collaboration with PEI.

This Contract is entered into under and subject to the following legal authorities: California Government Code §§ 26227 and 31000; Health and Safety Code § 1451. The Public Health Quality Management, Utilization Management and Contract Monitor Staff meet on a regular basis to ensure monitoring and performance measures in the Contract are upheld. Health Services Personnel approved this Contract to ensure no conflicts

with labor relations. These contracted services were determined to be exempt from Administrative Bulletin 600.3, solicitation requirements by the Public Works Department's Purchasing Division.

On August 12, 2025, the Board of Supervisors approved Contract #72-197-1 with FIERCE Advocates (Families and Individuals Equitably Rooted in Collective Empowerment), Inc, in an amount not to exceed $350,000, to provide consultation and technical assistance to develop a Doula Program to provide community support services for prenatal, birth and postpartum period to enrolled County participants for the period April 1, 2025 through March 31, 2026.

On March 31, 2026, the Board of Supervisors approved Contract Amendment/Extension #72-197-2 with FIERCE Advocates (Families and Individuals Equitably Rooted in Collective Empowerment), Inc., effective March 31, 2026, to increase the payment limit by $90,000 to a new payment limit of $440,000 and to extend the termination date through June 30, 2026 for additional support for the Doula program for prenatal, birth and postpartum community support services.

Approval of Contract Amendment/Extension #72-197-3 will allow the Contractor to provide additional services through September 30, 2026.

CONSEQUENCE OF NEGATIVE ACTION:
If this Contract Amendment/Extension is not approved, referred County participants will not have access to Contractor's additional community support services for the prenatal through postpartum periods.

CHILDREN'S IMPACT STATEMENT:
"The recommendation supports the following children's outcome(s): Families that are Economically Self Sufficient; Families that are Safe, Stable and Nurturing; and Communities that are Safe and Provide a High Quality of Life for Children and Families."

From: Dr. Grant Colfax, Health Services Director

Report Title: Contract Amendment #74-475-185(3) with Jordan House of Umoja

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Health Services Director, or designee, to execute on behalf of the County Contract Amendment #74-475-185(3) with Jordan House of Umoja, a non-profit corporation, effective May 1, 2026, to amend Contract #74-475-185(1), as amended by Contract Amendment #74-475-185(2), to increase the payment limit by $148,531, from $329,110 to a new payment limit of $477,641, for additional Medi-Cal Specialty Mental Health Services (SMHS) for Seriously Emotionally Disturbed (SED) youth in Contra Costa County with no change in the term ending June 30, 2026.

FISCAL IMPACT:
Approval of this Contract Amendment will result in additional annual expenditures of up to $148,531 and funded 50% by Federal Medi-Cal funds and 50% by State Medi-Cal funds. (No Rate Increase)

BACKGROUND:
This Contract meets the social needs of County's population by providing community-based Medi-Cal SMHS to youth with emotional and behavioral problems to improve school performance, reduce unsafe behavioral practices, and reduce the need for out-of-home placements. This Contractor has been providing these services to the County since July 2024.

This Contract is entered into under and subject to the following legal authorities: Welfare and Institution Code, §5600 et seq. (The Bronzan McCorquodale Act); California Code of Regulations ("CCR"), Title 9, § 523 et seq. (Community Mental Health Services) and California Government Code §§ 26227 and 31000. Health Services Personnel approved this Contract to ensure no conflicts with labor relations. Contractor currently cooperates and participates in BHSD's Quality Management Program which consists of quality improvement activities to improve the quality of care, services and member experience. Cooperation includes collection and evaluation of performance measurement data and participation in the organization's clinical and service measure Quality Improvement Programs. Per Administrative Bulletin 600.3, the Department of Public Works has posted a continuous Request for Qualifications and maintains a current qualified list of vendors at all times.

In August 2025, the Purchasing Services Manager approved and executed Contract #74-475-185(1) with Jordan House of Umoja, in an amount not to exceed $190,000 for the provision of Medi-Cal SMHS for SED youth in Contra Costa County for the period July 1, 2025 through June 30, 2026.

On March 17, 2026, the Board of Supervisors approved Contract Amendment #74-475-185(2), effective January 31, 2026, to increase the payment limit by $139,100 to a new payment limit of $329,110 for additional Medi-Cal SMHS for Seriously Emotionally Disturbed youth in Contra Costa County with no change in term ending June 30, 2026.

Approval of Contract Amendment #74-475-185(3) will allow the Contractor to provide additional Medi-Cal SMHS through June 30, 2026. This Contract Amendment was delayed due to lack of real time acknowledgment of expenditures.

CONSEQUENCE OF NEGATIVE ACTION:
If this Contract Amendment is not approved, there will be fewer Medi-Cal SMHS available for SED children in Contra Costa County as the County solicits and engages an alternative Contractor.

CHILDREN'S IMPACT STATEMENT:
The recommendation supports the following children's outcome(s): (1) Children Ready for and Succeeding in School; (2) Children and Youth Healthy and Preparing for Productive Adulthood; (3) Families that are Safe, Stable and Nurturing; and (4) Communities that are Safe and Provide a High Quality of Life for Children and Families.

Report Title: Cancellation Agreement #77-790-1 and Contract #77-790-2 with Lime Ridge Healthcare LLC (dba Concord Post Acute)

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Health Services Director, or designee, to execute on behalf of the County, as follows: (1) Cancellation Agreement #77-790-1 with Lime Ridge Healthcare LLC (dba Concord Post Acute), a limited liability company, effective at the end of business on June 30, 2026; and (2) Contract #77-790-2 with Lime Ridge Healthcare LLC (dba Concord Post Acute), a limited liability company, in an amount not to exceed $24,000,000, to provide Skilled Nursing Facility (SNF) and Sub-Acute Facility (SAF) services for Contra Costa Health Plan (CCHP) members and County recipients for the period July 1, 2026 through June 30, 2029.

FISCAL IMPACT:
Approval of this Contract will result in contractual service expenditures of up to $24,000,000 over a 3-year period and will be funded 100% by CCHP Enterprise Fund II revenues.

BACKGROUND:
CCHP has an obligation to provide certain specialized SNF and SAF health care services for its members under the terms of their Individual and Group Health Plan membership contracts with the County. Members are released from the hospital to recover at an SNF or SAF to receive care for those who no longer meet medical necessities in a hospital setting and until they are well enough to be sent home. These SNF and SAF services include but are not limited to: twenty-four (24) hour medical care, social service and case management coordination, wound care, respiratory therapy, nasogastric and gastric tube feeding, physical and speech therapy services. Contractor's proven track record and established reputation within the medical community mitigates potential risks associated with CCHP's success and patient well-being. This Contractor is part of the CCHP Provider Network and has provided SNF and SAF services while fostering a deep understanding of the CCHP organization's mission, values, and long-term objectives since November 2025.

This Contract is entered into under and subject to the following legal authorities: California Government Code §§ 26227 and 31000; and Health and Safety Code § 1451. Health Services Personnel approved this Contract to ensure no conflicts with labor relations. Contractor currently cooperates with and participates in CCHP's Quality Management Program which consists of quality improvement activities to improve the quality of care and services and member experience. Cooperation includes collection and evaluation of performance measurement data and participation in the organization's clinical and service measure Quality Improvement Programs. The nature of the SNF and SAF services needed is complex and requires seamless coordination,

integration and collaboration with existing programs and systems. These contracted services were determined to be exempt from Administrative Bulletin 600.3 solicitation requirements by the Public Works Department's Purchasing Division.

On November 18, 2025, the Board of Supervisors approved Contract #77-790 with Lime Ridge Healthcare LLC (dba Concord Post Acute), in an amount not to exceed $24,000,000, for the provision of SNF and SAF services for CCHP members and County recipients for the period November 1, 2025 through October 31, 2028.

In consideration of the Contractor's agreement to continue providing SNF and SAF services, both parties have agreed to renegotiate the Contract payment provisions and the term to reflect the intent of the parties. Therefore, the department and Contractor have agreed to (1) mutual cancellation of the current Contract in accordance with General Conditions Paragraph 5 (Termination) of the Contract and Cancellation Agreement #77-790-1 will accomplish this cancellation, and (2) establish a new Contract with the correct terms and conditions for the next three years.

Approval of new Contract #77-790-2 will allow the Contractor to provide SNF and SAF services to CCHP members and County recipients, for the period July 1, 2026 through June 30, 2029.

CONSEQUENCE OF NEGATIVE ACTION:
If this Contract is not approved certain specialized SNF and SAF health care services for CCHP members under the terms of their Individual and Group Health Plan membership contracts with the County will not be provided and may cause a delay in services to CCHP members.

MARTINEZ, CA 94553

CONTRA COSTA COUNTY

Staff Report

File #: 26-2745 **Agenda Date:** 6/23/2026 **Agenda #:** C.118.

To: Board of Supervisors

From: Dr. Grant Colfax, Health Services Director

Report Title: Payment for Products and Services provided by Omnicell, Inc.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Auditor-Controller, or designee, to pay an amount not to exceed $28,805 to Omnicell, Inc. for the lease and service of two Omnicell medication re-packagers located at the Martinez and West County Detention Facilities for the period from March 1, 2026 through May 31, 2026.

FISCAL IMPACT:
Approval of this action will result in a one-time expenditure of up to $28,805 and will be funded by Hospital Enterprise Fund I revenues.

BACKGROUND:
Contra Costa Regional Medical Center has used Omnicell, Inc. since 2005 throughout the continuum of care. The Automated Dispensing Cabinets, (ADC) are integrated with the Pharmacy information system within EPIC, enabling real-time coordination and management of pharmaceutical workflows. They are essential for ensuring safe, accurate, and efficient medication management, reducing medication errors, and maintaining compliance with state and federal regulatory requirements. This existing equipment and associated support services will be upgraded and replaced once the new equipment is installed.

On September10, 2019, the Board of Supervisors approved agenda item C.126 to execute a purchase order #17192 with Med One Capital Funding, LLC, in an amount of $531,827 for the lease of two Yuyama Automated Medication Dispensing Systems including equipment, software service and support for the Martinez Detention Facility (MDF) and West County Detention Facility (WCDF), for the period from July 1, 2019 through June 30, 2024.

On October 22, 2024 the Board of Supervisors approved agenda item C.95 to execute an amendment to purchase order #17192 with Med One Capital Funding, LLC to increase the payment limit by $20,000 to a new amount of $551,827 and extend the term through June 30, 2025 to complete the lease agreement for Omnicell automated medication packagers for MDF and WCDF.

On March 31, 2026, the Board of Supervisors approved agenda item C.62 to execute purchase orders and Lease Supplements with Meridian Leasing Corporation, in an amount of $1,303,307; and a Third Party Financing Letter and Pricing Supplements with Omnicell, Inc. for the lease of two (2) Automated Medication Dispensing Systems including equipment, software, upgrades, services and interface support, for the MDF and WCDF, for

the period March 31, 2026 through March 30, 2031. This action will facilitate the deployment of updated equipment and the upgrade of the system platform interface at both facilities.

Since the expiration of purchase order #17192, the lease and service of two Omnicell medication re-packagers has been invoiced on a month-to-month basis, however delays were encountered due to miscommunication between the department and the vendors resulting in outstanding invoices for the period from March 1, 2026 through May 31, 2026. Therefore, it is necessary to authorize payment to Omnicell, Inc. for leasing services previously rendered. The Inpatient Pharmacy is working with Public Works Purchasing to ensure that a purchase order is in place to cover future invoices of the lease and service of two existing Omnicell medication re-packagers until the replacement system is ready to deploy. Due to this administrative oversight, staff have determined that the vendor is entitled to payment for the reasonable value of the products and services under the equitable relief theory of quantum meruit. The theory provides that where a vendor has been asked to provide products or services without a valid contract, and the vendor does so to the benefit of the County, the vendor is entitled to recover the reasonable value of the products and services.

CONSEQUENCE OF NEGATIVE ACTION:
If this action is not approved, the County will be unable to process payment for products and services already rendered, which are essential for the continued safe and secure operation of medication repackaging systems at detention facilities.

Report Title: Cancellation Agreement #77-506-4 and Contract #77-506-5 with Family Spring Psychology, P.C.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Health Services Director, or designee, to execute on behalf of the County, as follows: (1) Cancellation Agreement #77-506-4 with Family Spring Psychology, P.C., a corporation, effective at the end of business on June 30, 2026; and (2) Contract #77-506-5 with Family Spring Psychology, P.C., a corporation, in an amount not to exceed $500,000, to provide behavioral health psychology therapy treatment services for Contra Costa Health Plan (CCHP) members and County recipients for the period July 1, 2026 through June 30, 2028.

FISCAL IMPACT:
Approval of this Contract will result in contractual service expenditures of up to $500,000 over a 2-year period and will be funded 100% by CCHP Enterprise Fund II revenues.

BACKGROUND:
CCHP has an obligation to provide certain behavioral health psychology therapy treatment services for its members under the terms of their Individual and Group Health Plan membership contracts with the County. This Contractor has been a part of CCHP Provider Network providing behavioral health psychology therapy treatment services and fostering a deep understanding of the CCHP organization's mission, values, and long-term objectives since January 1, 2023.

This Contract is entered into under and subject to the following legal authorities: California Government Code §§ 26227 and 31000; Health and Safety Code § 1451. Health Services Personnel approved this Contract to ensure no conflicts with labor relations. Contractor will cooperate with and participate in CCHP's Quality Management Program which consists of quality improvement activities to improve the quality of care and services and member experience. Cooperation includes collection and evaluation of performance measurement data and participation in the organization's clinical and service measure Quality Improvement Programs. These contracted services were determined to be exempt from Administrative Bulletin 600.3 solicitation requirements by the Public Works Department's Purchasing Division.

On December 17, 2024, the Board of Supervisors approved Contract #77-506-1 with Family Spring Psychology, P.C., in an amount not to exceed $300,000, for the provision of behavioral health psychology therapy treatment services for CCHP members and County recipients, for the period January 1, 2025 through

December 31, 2027.

On October 7, 2025, the Board of Supervisors approved Contract Amendment #77-506-2 with Family Spring Psychology, P.C., effective January 1, 2026, to meet the regulatory mandate of Department of Health Care Services (DHCS) and Center for Medicare and Medicaid Services (CMS), to implement a Dual Eligible Special Needs Plan (D-SNP) with no change in payment limit of $300,000 or term.

On February 10, 2026, the Board of Supervisors approved Contract Amendment #77-506-3 with Family Spring Psychology, P.C., effective February 1, 2026, to increase the payment limit by $120,000 to an amount not to exceed $420,000, for the provision of additional behavioral health psychology therapy treatment services for CCHP members and County recipients, with no change in the term.

In consideration of the Contractor's agreement to continue providing behavioral health psychology therapy treatment services, both parties have agreed to re-negotiate the Contract payment provisions and the term to reflect the intent of the parties. Therefore, the department and Contractor have agreed to (1) mutual cancellation of the current Contract in accordance with General Conditions Paragraph 5 (Termination) of the Contract and Cancellation Agreement #77-506-4 will accomplish this cancellation, and (2) establish a new Contract with the correct terms and conditions for the next two years.

Approval of new Contract #77-506-5 will allow the Contractor to provide behavioral health psychology therapy treatment services to CCHP members and County recipients, for the period July 1, 2026 through June 30, 2028.

CONSEQUENCE OF NEGATIVE ACTION:
If this Contract is not approved certain specialized behavioral health psychology therapy treatment services for CCHP members under the terms of their Individual and Group Health Plan membership contracts with the County will not be provided and may cause a delay in services to CCHP members.

File #: 26-2747 **Agenda Date:** 6/23/2026 **Agenda #:** C.120.

To: Board of Supervisors

From: Dr. Grant Colfax, Health Services Director

Report Title: Extension #23-861-3 with Alvarez & Marsal Healthcare Industry Group, LLC

☐Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Health Services Director, or designee, to execute on behalf of the County Contract Extension #23-861-3 with Alvarez & Marsal Healthcare Industry Group, LLC, a limited liability company, to amend Contract #23-861 (as amended by #23-861-1 and #23-861-2), to extend the termination date from June 30, 2026 to September 30, 2026, to continue providing interim leadership support for essential operational functions within the Health Services Department, including activities aligned with the Chief Operating Officer (COO), with no change in the original payment limit of $8,057,336.

FISCAL IMPACT:
Approval of this Contract Extension will not result in any additional funds. The original contract with a total amount not to exceed $8,057,336 is funded 40% by Hospital Enterprise Fund I and 60% Contra Costa Health Plan Enterprise Fund II.

BACKGROUND:
On September 10, 2024, the Board of Supervisors approved Contract #23-861 with Alvarez & Marsal Healthcare Industry Group, LLC, in an amount not to exceed $6,139,200 to provide interim CFO services, including management of all day-to-day financial operations for the Health Services Department, for the period October 1, 2024 through September 30, 2025. This contract contains special provisions related to indemnification and liability, as follows:

a. The County shall indemnify the Alvarez & Marsal employees acting as officers (Brian Buchanan and Ceci Arriera) to the same extent as the most favorable indemnification it extends to County employees.
b. The County agrees to indemnify and hold harmless each Alvarez & Marsal, its affiliates and their respective shareholders, members, managers, employees, agents, representatives and subcontractors against any and all losses, claims, damages, liabilities, penalties, obligations and expenses, including the costs for counsel or others in investigating, preparing or defending any action or claim, whether or not in connection with litigation in which any Indemnified Party is a party, or enforcing the contract (including these indemnity provisions). This indemnification obligation applies to actions or claims incurred, caused by, relating to, based upon or arising out of (directly or indirectly) Alvarez & Marsal's performance or nonperformance under the Contract, except for such actions or claims that result primarily and directly from Alvarez & Marsal's gross negligence or willful misconduct, as determined by a final court judgment.
c. The County acknowledges that Alvarez & Marsal may utilize the services of third-party service providers

to assist in performing certain services. Under this contract, the County agrees that no Contractor affiliate, subcontractor, nor their respective partners, principals or employees who perform work under the contract will have any liability to County in connection with the services or this contract.
d. The contract limits Alvarez & Marsal's total liability to the fees Alvarez & Marsal receives under the contract. Alvarez & Marsal will also not be liable for any special, consequential, incidental or exemplary damages or loss, or any lost profits, savings, or business opportunity.
e. The contract also requires the County to maintain public officials' errors and omissions liability insurance for Contractor's personnel performing CFO Duties and Deputy CFO Duties services. Such insurance coverage will be primary coverage to any insurance available to these personnel by Alvarez & Marsal.
f. Lastly, under the contract's Business Associate Addendum (BAA), Alvarez & Marsal has no obligation to save, hold harmless, or indemnify the County in the event there is a privacy breach or unauthorized access, use, or disclosure of protected health information by Alvarez & Marsal. The County will be responsible for any penalty or fine assessed against County arising from Alvarez & Marsal's failure to comply with the BAA.

On September 16, 2025, the Board of Supervisors approved Contract Extension #23-861-1 with Alvarez & Marsal Healthcare Industry Group, LLC, to continue to provide temporary CFO/COO roles and continue the recruitment efforts for a permanent CFO through January 31, 2026.

On January 13, 2026, the Board of Supervisors approved Contract Amendment/Extension #23-861-2 with Alvarez & Marsal Healthcare Industry Group, LLC, to increase the payment limited by $1,918,136 to a new amount not to exceed $8,057,336 and extended the term through June 30, 2026 to continue providing temporary CFO/COO role and continue the recruitment efforts for a permanent CFO.

Approval of Contract Extension #23-861-3 will allow Alvarez & Marsal to continue providing interim executive and operational support, including functions aligned with the COO role, through September 30, 2026. This short extension will help maintain continuity and stability in critical operational areas within the Health Services Department and will be achieved without increasing the total contract amount.

CONSEQUENCE OF NEGATIVE ACTION:
If this Contract Extension is not approved, CCHS will lose essential interim executive support during a key period, potentially disrupting operational stability and oversight needed to support hospital, health plan, and systemwide functions.

From: Dr. Grant Colfax, Health Services Director

Report Title: Contract #74-723-3 with A Place to Call Home

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Health Services Director, or designee, to execute on behalf of the County Contract #74-723-3 with A Place to Call Home, a non-profit corporation, in an amount not to exceed $588,993, to provide transitional housing services for homeless adults with serious behavioral conditions and/or Opioid Use Disorder and co-occurring Substance Use Disorder (SUD), for the period July 1, 2026 through June 30, 2029.

FISCAL IMPACT:
Approval of this Contract will result in annual budgeted expenditures of up to $588,993 over a three-year period and will be funded by 60% Behavioral Health Services Act; 30% Behavioral Health Bridge to Housing (BHBH) and 10% Opioid Settlement Funds.

BACKGROUND:
The BHBH program is an initiative of the California Department of Health Care Services to operate housing settings to address the immediate housing needs of people experiencing homelessness with serious behavioral health conditions, including mental illness and/or substance use disorder. The primary focus of the BHBH Program is to help people experiencing homelessness who have serious behavioral health conditions that prevent them from accessing help and moving out of homelessness.

This Contract is entered into under and subject to the following legal authorities: California Government Code §§ 26227 and 31000. Health Services Personnel approved this Contract to ensure no conflicts with labor relations. The Behavioral Health's Quality Management, Utilization Management and Contract Monitor Staff meet on a regular basis to ensure monitoring and performance measures in the Contract are upheld. Per Administrative Bulletin 600.3, the Department has posted a continuous Request for Qualifications and maintains a current qualified list of vendors at all times.

In August 2025, the Purchasing Services Manager executed Contract #74-723-1 with A Place to Call Home, in an amount not to exceed $190,612, for the provision of transitional housing services for homeless adults with serious behavioral conditions and/or Opioid Use Disorder and co-occurring SUD, for the period July 1, 2025 through June 30, 2026.

On January 20, 2026, the Board of Supervisors approved Contract Amendment #74-723-2 with A Place to Call

Home, effective September 1, 2025, to increase the payment limit from $190,612 to a new payment limit of $224,432 for additional transitional housing services, with no change in the term ending June 30, 2026.

Approval of Contract #74-723-3 will allow the Contractor to continue to provide transitional housing services through June 30, 2029.

CONSEQUENCE OF NEGATIVE ACTION:
If this Contract is not approved, homeless adults with serious behavioral conditions and/or Opioid Use Disorder and co-occurring SUD will not have access to the transitional housing services needed to provide them with an opportunity to achieve sobriety and become self-sufficient.

Report Title: Contract #24-681-2(44) with God's Grace Caring Home, Inc.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Health Services Director, or designee, to execute on behalf of the County Contract #24-681-2(44) with God's Grace Caring Home, Inc., a corporation, in an amount not to exceed $491,473, to provide augmented board and care services for adults with mental illnesses for the period July 1, 2026 through June 30, 2027.

FISCAL IMPACT:
Approval of this Contract will result in annual expenditures of up to $491,473 and will be funded as budgeted by the department in FY 2026-27, 100% by Behavioral Health Services Act funds (BHSA). Beginning July 1, 2026, the Mental Health Services Act (MHSA) funding fully transitions to the BHSA to reflect full implementation and oversight required under California Proposition 1, approved by voters in March 2024, which modernizes MHSA by renaming it the BHSA and redirecting funding to support building a comprehensive, integrated, and unified behavioral health system statewide.

BACKGROUND:
This Contract meets the social needs of County's population by providing augmented board and care services including, but not limited to room and board, and twenty-four (24) hour emergency residential care and supervision for adults with mental illnesses. This Contractor has been a part of the Behavioral Health Provider Network providing augmented board and care services and fostering a deep understanding of the County's mission, values, and long-term objectives since September 1, 1995.

This Contract is entered into under and subject to the following legal authorities: California Government Code § 26227; California Code of Regulations, Title 9, Section 523 et seq.; California Welfare and Institutions Code Section 5600 et. seq, known as the Bronzan-McCorquodale Act. Health Services Personnel approved this Contract to ensure no conflicts with labor relations. Contractor currently cooperates and participates in BHSD's Quality Management Program which consists of quality improvement activities to improve the quality of care, services and member experience. Cooperation includes collection and evaluation of performance measurement data and participation in the organization's clinical and service measure Quality Improvement Programs. These contracted services were determined to be exempt from Administrative Bulletin 600.3 solicitation requirements by the Public Works Department's Purchasing Division.

On June 10, 2025, the Board of Supervisors approved Contract #24-681-2(43) with God's Grace Caring Home,

Inc., in an amount not to exceed $481,836, for the provision of augmented board and care services for adults with mental illnesses for the period from July 1, 2025 through June 30, 2026.

Approval of Contract # 24-681-2(44) will allow the Contractor to continue to provide services through June 30, 2027.

CONSEQUENCE OF NEGATIVE ACTION:
If this Contract is not approved, older adults with mental illness needing augmented board and care will not have access to Contractor's services which could result in increased wait times for services.

Report Title: Contract #74-708-3 with Ujima Family Recovery Services

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Health Services Director, or designee, to execute on behalf of the County Contract #74-708-3 with Ujima Family Recovery Services, a non-profit corporation, in an amount not to exceed $1,118,448 to provide on-site childcare services for women receiving perinatal substance use disorder (SUD) outpatient services, for the period July 1, 2026 through June 30, 2029.

FISCAL IMPACT:
Approval of this Contract will result in annual budgeted expenditures of up to $1,118,448 over a three-year period and will be funded 100% by Substance Abuse Prevention and Treatment Block Grant revenues.

BACKGROUND:
The California Department of Health Care Services' (DHCS) Perinatal Practice Guidelines (PPG) state that for women in substance use treatment, lack of access to childcare is a critical factor that may serve as a barrier to a woman's participation in treatment, and SUD providers are encouraged to provide on-site, licensed childcare in accordance with childcare licensing requirements. Contractor will assist the Alcohol and Other Drugs Services (AODS) division by providing on-site, license-exempt childcare through a cooperative arrangement between parents for the care of their children. Contractor has been providing these services since August 2024.

This Contract is entered into under and subject to the following legal authorities: California Government Code §§ 26227 and 31000. This Contract was approved by Health Services Personnel to ensure there is no conflict with labor relations. The Behavioral Health's Quality Management, Utilization Management and Contract Monitor Staff meet on a regular basis to ensure monitoring and performance measures in the Contract are upheld. This Contractor was approved by the Public Works Department's Purchasing Division on April 22, 2026.

On September 9, 2025, the Board of Supervisors approved Contract #74-708-2 with Ujima Family Recovery Services, in an amount no to exceed $372,816, to provide on-site childcare services for women receiving SUD outpatient services, for the period July 1, 2025 through June 30, 2026.

Approval of Contract #74-708-3 will allow the Contractor to continue providing on-site childcare services through June 30, 2029.

CONSEQUENCE OF NEGATIVE ACTION:
If this Contract is not approved, women receiving perinatal SUD outpatient services will not have access to Contractor's on-site childcare services which may serve as a barrier to a woman's participation in treatment.

CHILDREN'S IMPACT STATEMENT:
This Alcohol and Drug Abuse program supports the Board of Supervisors' "Families that are Safe, Stable, and Nurturing" community outcome by providing parenting education, stability, and safety for mothers (and their children) and pregnant women who are alcohol and drug dependent, while they are in substance abuse treatment. Expected outcomes include delivery of drug-free babies, decreased use of alcohol, tobacco and other drugs, reduction in the number of relapses, and creation of a sober social network.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Health Services Director, or designee, to execute on behalf of the County Contract #23-475-14 with Aargon Agency, Inc., a corporation, formally known as K. B. R., Inc. (dba Rash Curtis & Associates), in an amount not to exceed $450,000, to provide debt collection services for unpaid accounts for the Health Services Department (HSD), for the period from July 1, 2026 through June 30, 2027.

FISCAL IMPACT:
Contractor will be paid on a commission basis for debts it actually collects on behalf of the County not to exceed $450,000 and will be funded 100% by Hospital Enterprise Fund I revenues.

BACKGROUND:
This Contract meets the needs of the County by providing collection services for unpaid accounts for services rendered by HSD including sending letters, making phone calls, reporting to credit bureaus on behalf of County, since July 2010. They also provide collection services for non-medical past due accounts for the Environmental Health Division. This Contract is entered into under and subject to the following legal authorities: California Government Code §§ 26227 and 31000. Health Services Personnel approved this Contract to ensure no conflicts with labor relations. The Office of the Director's contract monitoring staff meet on a regular basis to ensure monitoring of performance measures set forth in the Contract are upheld. This Contractor was approved by the Public Works Department's Purchasing Division on June 10, 2026.

On June 10, 2025, the Board of Supervisors approved Contract #23-475-13 with K. B. R., Inc. (dba Rash Curtis & Associates), in an amount not to exceed $450,000, for the provision of debt collection services for unpaid accounts for HSD, for the period July 1, 2025 through June 30, 2026.

Approval of Contract #23-475-14 will allow the Contractor to continue providing debt collection services under their new company name through June 30, 2027.

CONSEQUENCE OF NEGATIVE ACTION:
If this Contract is not approved, the County will not be able to receive payment for unpaid debt collections recovered by Contractor's services.

Report Title: Acceptance of Grant Award #78-019-2 with the California Department of Public Health

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Health Services Director, or designee, to accept grant funding and execute on behalf of the County Grant Award #78-019-2 with the California Department of Public Health (CDPH), to pay the County in an amount not to exceed $2,414,630, for the Sexually Transmitted Disease (STD) Management Program and Collaboration Project, for the period July 1, 2026 through June 30, 2031.

FISCAL IMPACT:
Approval of this Award will result in the County receiving grant funding form the CDPH in an amount up to $2,414,630 over a 5-year period for the STD Management and Collaboration Project. No County match is required.

BACKGROUND:
The purpose of this grant is to improve public health activities to monitor, instigate, and prevent STDs, including Syphilis, Gonorrhea, Chlamydia, and HIV, in Contra Costa County. Grant funds will be used to provide additional staff in each of the three STD clinics to ensure Contra Costa residents have access to necessary care and treatment to reduce the transmission of STDs. This program will conduct regular care collaboration and case conferencing with the Department's Healthcare for the Homeless Program.

On January 28, 2025, the Board of Supervisors approved Grant Award #78-019-1, with CDPH to pay County an amount not to exceed $985,064 for the STD Management Program and Collaboration Project for the period July 1, 2024 through June 30, 2026.

Acceptance of Grant Award #78-019-2 will allow the County to continue receiving funds to provide services under the STD Management and Collaboration Project through June 30, 2031.

CONSEQUENCE OF NEGATIVE ACTION:
If this Grant Award is not accepted, County will not receive the necessary funding to support the reduction in HIV infection in the community.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Health Services Director, or designee, to execute, on behalf of the County Contract #26-306-40 with Per Diem Staffing Systems, Inc., a corporation, in an amount not to exceed $1,500,000, to provide temporary nurses and other medical staffing classifications to provide health care services at Contra Costa Regional Medical Center (CCRMC) and Contra Costa Health Centers for the period July 1, 2026 through June 30, 2027.

FISCAL IMPACT:
Approval of this Contract will result in annual expenditures of up to $1,500,000 and will be funded as budgeted by the Department in FY 26-27 100% by Hospital Enterprise Fund I revenues.

BACKGROUND:
CCRMC and Contra Costa Health Centers have an obligation to provide medical services to patients. Therefore, the County contracts with temporary help firms to ensure patient care is provided during peak loads, temporary absences, vacations and emergency situations where additional staffing is required. County has been using the Contractor's temporary staffing services since July 1, 1997.

This Contract is entered into under and subject to the following legal authorities: California Government Code §§ 26227 and 31000; Health and Safety Code § 1451. CCRMC and Contra Costa Health Center's Quality Management, Utilization Management and Contract Monitor Staff meet on a regular basis to ensure monitoring and performance measures in the Contract are upheld. Health Services Personnel approved this Contract to ensure no conflicts with labor relations. These contracted services were determined to be exempt from Administrative Bulletin 600.3 solicitation requirements by the Public Works Department's Purchasing Division.

On June 10, 2025, the Board of Supervisors approved Contract #26-306-39 with Per Diem Staffing Systems, Inc., in an amount not to exceed $1,500,000 for the provision of temporary nursing and other medical staffing classifications to provide medical health care services during peak loads, temporary absences, vacations and emergency situations where additional staffing is required for the period July 1, 2025 through June 30, 2026.

Approval of Contract #26-306-40 will allow the Contractor to continue providing nurses and other medical staffing classifications at CCRMC and Contra Costa Health Centers through June 30, 2027. This Contract includes services provided by represented classifications and the County has met its obligations with the

respective labor partner(s).

CONSEQUENCE OF NEGATIVE ACTION:
If this Contract is not approved, patient care may be delayed during peak loads, temporary absences, or other situations where additional staffing is required at CCRMC and Contra Costa Health Centers.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Health Services Director, or designee, to execute on behalf of the County Contract #26-347-46 with Cross Country Staffing, Inc., a corporation, in an amount not to exceed $5,500,000, to provide temporary medical and specialty staffing services at Contra Costa Regional Medical Center (CCRMC) and Contra Costa Health Centers, for the period from July 1, 2026 through June 30, 2027.

FISCAL IMPACT:
Approval of this Contract will result in annual contractual expenditures of up to $5,500,000 and is funded 100% by Hospital Enterprise Fund I revenues.

BACKGROUND:
CCRMC and Contra Costa Health Centers have an obligation to provide medical and specialty services to patients. Therefore, the County contracts with temporary medical staff to ensure medical staff in many classifications are available when patient care is needed. Contractor's services include specialized registered nursing services, social workers, and medical cardiology services during peak loads, temporary absences, vacations and emergency situations where additional staffing is required. Contractor continues to be chosen by CCRMC and Contra Costa Health Centers due to its qualified temporary registered nursing services, Sexual Assault Nurse Examiner (SANE) nursing services, Sexual Assault Forensic Examiner (SAFE), diagnostic imaging and other ancillary medical and specialty staffing services. The County has been using the Contractor's temporary staffing services since September 1998.

This Contract is entered into under and subject to the following legal authorities: California Government Code §§ 26227 and 31000. CCRMC and Contra Costa Health Center's Quality Management, Utilization Management and Contract Monitor Staff meet on a regular basis to ensure monitoring and performance measures in the Contract are upheld. Health Services Personnel approved this Contract to ensure no conflicts with labor relations. These contracted services were determined to be exempt from Administrative Bulletin 600.3 solicitation requirements by the Public Works Department's Purchasing Division.

On June 24, 2025, the Board of Supervisors approved Contract #26-347-45 with Cross Country Staffing, Inc., in an amount not to exceed $5,500,000, for the provision of temporary medical and specialty staffing services, at CCRMC and Contra Costa Health Centers for the period July 1, 2025 through June 30, 2026.

Approval of Contract #26-347-46 will allow the Contractor to continue providing temporary medical and specialty staffing services through June 30, 2027. This Contract includes services provided by represented classifications and County has met its obligations with the respective labor partner(s).

CONSEQUENCE OF NEGATIVE ACTION:
If this Contract is not approved, County will not have access to Contractor's temporary medical staffing services during peak workloads, temporary absences and emergency situations which may increase wait time for patients.

Report Title: Contract #74-630-6 with Mental Health Connections

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Health Services Director, or designee, to execute on behalf of the County Contract #74-630-6 with Mental Health Connections, a non-profit corporation, in an amount not to exceed $1,982,187, to provide community-based mental health support services for adults, including Putnam Peer Connection Center, and the Service Provider Individualized Recovery Intensive Training (SPIRIT) program, for the period July 1, 2026 through June 30, 2027.

FISCAL IMPACT:
Approval of this Contract will result in annual expenditures of up to $1,982,187 and will be funded as budgeted by the department in FY 2026-27, 100% by Behavioral Health Services Act (BHSA). Beginning July 1, 2026, the Mental Health Services Act (MHSA) funding fully transitions to the BHSA to reflect full implementation and oversight required under California Proposition 1, approved by voters in March 2024, which modernizes MHSA by renaming it the BHSA and redirecting funding to support building a comprehensive, integrated, and unified behavioral health system statewide.

BACKGROUND:
For a number of years, County contracted with Recovery Innovations, Inc. for the operation of Wellness and Recovery Centers in East, Central and West County, as well as, for the organization and operation of the SPIRIT program to provide training for clients interested in working with in the local mental health service delivery system. Mental Health Connections has provided these community-based mental health services to the County since July 1, 2021. This Contract is entered into under and subject to the following legal authorities: California Government Code §§ 26227 and 31000. Health Services Personnel approved this Contract to ensure no conflicts with labor relations. Contractor currently cooperates and participates in Behavioral Health's Quality Management Program which consists of quality improvement activities to improve the quality of care, services and member experience. This Contractor was selected under the BHSA 2025/2026 update to the BHSA three-year plan, approved by the Board of Supervisors on June 24, 2025.

On July 8, 2025, the Board of Supervisors approved Contract #74-630-5 with Mental Health Connections, in the amount not to exceed $1,982,187, for the provision of community-based mental health support services including operation of Putnam Peer Connection Centers and the SPIRIT program for the period July 1, 2025 through June 30, 2026.

Approval of Contract #74-630-6 will allow Contractor to continue providing community-based mental health support services to adults and the SPIRIT program, through June 30, 2027.

CONSEQUENCE OF NEGATIVE ACTION:
If this Contract is not approved, the County's adult mental health clients will not have access to services provided by this Contractor, leading to reduced levels of mental health support and training services throughout the County.

APPROVE and AUTHORIZE the Health Services Director, or designee, to execute Contract #26-391-40 with Amergis Healthcare Staffing, Inc., a corporation, in an amount not to exceed $1,500,000, to provide temporary medical staffing services at Contra Costa Regional Medical Center (CCRMC) and Contra Costa Health Centers for the period July 1, 2026 through June 30, 2027.

FISCAL IMPACT:
Approval of this Contract will result in annual expenditures of up to $1,500,000 and will be funded as budgeted by the Department 100% by Hospital Enterprise Fund I revenues.

BACKGROUND:
CCRMC and Contra Costa Health Centers have an obligation to provide medical staffing services to patients. Therefore, the County contracts with temporary help firms to ensure patient care is provided during peak loads, temporary absences, vacations and emergency situations where additional staffing is required. The County has been using the Contractor's temporary staffing services since July 1, 2000. This Contract is entered into under and subject to the following legal authorities: California Government Code §§ 26227 and 31000. CCRMC and Contra Costa Health Center's Quality Management, Utilization Management and Contract Monitor Staff meet on a regular basis to ensure monitoring and performance measures in the Contract are upheld. Health Services Personnel approved this Contract to ensure no conflicts with labor relations. These contracted services were determined to be exempt from Administrative Bulletin 600.3 solicitation requirements by the Public Works Department's Purchasing Division.

On June 24, 2025, the Board of Supervisors approved Contract #26-391-39 with Amergis Healthcare Staffing, Inc., in an amount not to exceed $1,500,000 for the provision of temporary medical staffing services for coverage of employee sick leaves, vacations and workers compensation leaves, at CCRMC and Contra Costa Health Centers for the period July 1, 2025 through June 30, 2026.

Approval of Contract #26-391-40 will allow the Contractor to continue providing temporary medical staffing services through June 30, 2027. This Contract includes services provided by represented classifications and the County has met its obligations with the respective labor partner(s).

CONSEQUENCE OF NEGATIVE ACTION:

If this Contract is not approved, County will not have access to Contractor's temporary medical staffing services, which may extend wait times for services to patients.

From: Dr. Grant Colfax, Health Services Director

Report Title: Contract #26-473-36 with SHC Services, Inc. (dba Supplemental Health Care)

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Health Services Director, or designee, to execute on behalf of the County Contract #26-473-36 with SHC Services, Inc. (dba Supplemental Health Care), a corporation, in an amount not to exceed $1,500,000 to provide temporary medical staffing services at Contra Costa Regional Medical Center (CCRMC), Contra Costa Health Centers and County's Detention facilities, for the period July 1, 2026 through June 30, 2027.

FISCAL IMPACT:
Approval of this Contract will result in annual expenditures of up to $1,500,000 and will be funded as budgeted by the Department in FY 2026-2027, 100% by Hospital Enterprise Fund I revenues.

BACKGROUND:
This Contract meets the social needs of County's population by providing temporary medical staffing services for CCRMC, Contra Costa Health Centers and County Detention facilities. Contractor provides staffing coverage during peak workloads, temporary absences and emergency situations at CCRMC, Contra Costa Health Centers and County's Detention facilities and has been contracted with the County since July 1, 2003.

This Contract is entered into under and subject to the following legal authorities: California Government Code §§ 26227 and 31000; Health and Safety Code § 1451. CCRMC and Contra Costa Health Center's Quality Management, Utilization Management and Contract Monitor Staff meet on a regular basis to ensure monitoring and performance measures in the Contract are upheld. As of May 29, 2026, a meet and confer was requested for this Contractor and all unions cleared this Contract for renewal. Health Services Personnel also approved this Contract to ensure no conflicts with labor relations. These contracted services were determined to be exempt from Administrative Bulletin 600.3 solicitation requirements by the Public Works Department's Purchasing Division.

On June 10, 2025, the Board of Supervisors approved Contract #26-473-35 with SHC Services, Inc. (dba Supplemental Health Care), in an amount not to exceed $1,500,000, for the provision of temporary medical staffing services to assist CCRMC, Contra Costa Health Centers and County's Detention facilities during peak workloads, temporary absences and emergency situations for the period July 1, 2025 through June 30, 2026.

Approval of Contract #26-473-36 will allow the Contractor to continue providing temporary medical staffing

services to assist CCRMC, Contra Costa Health Centers and County's Detention facilities through June 30, 2027. This Contract includes services provided by represented classifications and the County has met its obligations with the respective labor partner(s).

CONSEQUENCE OF NEGATIVE ACTION:
If this Contract is not approved, patients at CCRMC, Contra Costa Health Centers and Detention facilities will not have access to Contractor's services and may require a longer wait time.

Report Title: Contract #77-815 with Onestop Aesthetic Travel and Wellness Center Inc

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Health Services Director, or designee, to execute on behalf of the County Contract #77-815 with Onestop Aesthetic Travel and Wellness Center Inc, a corporation, in an amount not to exceed $600,000, to provide primary care physician (PCP) and behavioral health therapy services, for Contra Costa Health Plan (CCHP) members and County recipients, for the period June 1, 2026 through May 31, 2029.

FISCAL IMPACT:
Approval of this Contract will result in contractual service expenditures of up to $600,000 over a three-year period and will be funded 100% by CCHP Enterprise Fund II revenues.

BACKGROUND:
CCHP has an obligation to provide certain specialized PCP and behavioral health therapy services, under the terms of their Individual and Group Health Plan membership contracts with CCHP members. This is a new Contractor who will be part of the CCHP Provider Network providing these services and fostering a deep understanding of the CCHP organization's, mission, values, and long-term objectives starting June 1, 2026.

This Contract is entered into under and subject to the following legal authorities: California Government Code §§ 26227 and 31000. Health Services Personnel approved this Contract to ensure no conflicts with labor relations. Contractor will cooperate with and participate in CCHP's Quality Management Program which consists of quality improvement activities to improve the quality of care and services and member experience. Cooperation includes collection and evaluation of performance measurement data and participation in the organization's clinical and service measure Quality Improvement Programs. These contracted services were determined to be exempt from Administrative Bulletin 600.3 solicitation requirements by the Public Works Department's Purchasing Division.

Approval of new Contract #77-815 will allow the Contractor to provide PCP and behavioral health therapy services to CCHP members and County recipients through May 31, 2029.

CONSEQUENCE OF NEGATIVE ACTION:
If this Contract is not approved, certain specialized PCP and behavioral health therapy services for CCHP members under the terms of their Individual and Group Health Plan membership contracts with the County will not be provided and may cause a delay in services to CCHP members.

Report Title: Participation Agreement #74-672-3 with California Mental Health Services Authority

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Health Services Director, or designee, to execute, on behalf of the County Participation Agreement #74-672-3 with California Mental Health Services Authority (CalMHSA), a government agency, in an amount not to exceed $733,824, for County to participate in the Psychiatric Inpatient Concurrent Review (PICR) project and for CalMHSA to act as the fiscal and administrative agent for the project for the period July 1, 2026 through June 30, 2028.

FISCAL IMPACT:
Approval of this Agreement will result in annual budgeted expenditures of up to $733,824 funded 100% by Proposition 30 funds.

BACKGROUND:
The purpose of this Participation Agreement is to grant CalMHSA the authority to act as the fiscal and administrative agent on behalf of the County as part of the Greater Bay Area Regional Partnership. In order to access the matching funds provided by the State, counties must participate as a regional county partnership with the agreement of providing about 30% matching funds, while the State provides 70% of the funds. Contra Costa Behavioral Health Services, as part of the Greater Bay Area Regional Partnership had communicated its intent to the State in participating in this program prior to the onset of the pandemic along with other Bay Area counties as a manner to amplify educational loan repayment to address workforce needs.

On December 9, 2025, the Board of Supervisors approved Participation Agreement #74-672-2 with CalMHSA, in an amount not to exceed $376,488, for County's participation in PICR project and for Contractor to act as the fiscal and administrative agent for the period July 1, 2025 through June 30, 2026.

Approval of Participation Agreement #74-672-3 will allow County to continue to participate in the PICR project, through June 30, 2028. This Participation Agreement includes a mutual indemnification provision to hold harmless both parties for any claims arising out of the performance of this Agreement.

CONSEQUENCE OF NEGATIVE ACTION:
If this Agreement is not approved, Contra Costa County will not be allowed to participate in the PICR project and subsequently will not have access to review and authorization services administered by CALMHSA which is required for all psychiatric inpatient hospital services and psychiatric health facility services administered by

CALMHSA.

Report Title: Interagency Amendment #74-664-3 with City of Pittsburg

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Health Services Director, or designee, to execute on behalf of the County Interagency Amendment #74-664-3 with City of Pittsburg a government agency, effective July 1, 2026, to amend Interagency Agreement #74-664-2, to increase the payment limit by $60,055, from $543,131 to a new payment limit of $603,186, for additional outreach services for residents of Pittsburg diagnosed with a serious and Persistent mental illness (SPMI) and who have a history of multiple contacts with law enforcement, attempts or acts of physical aggression during encounters with law enforcement or others, domestic violence, firearm use or possession, and/or multiple visits to Psychiatric Emergency Services (PES) for Mental Health Evaluation Team (MHET) Program, with no change in term ending June 30, 2027.

FISCAL IMPACT:
Approval of this Amendment will result in additional annual expenditures of up to $60,055 and funded by 100% 2011 Public Safety Realignment, AB 109. (No Rate Increase)

BACKGROUND:
The purpose of this Interagency Agreement is for Contra Costa County's Health Services (CCHS) to take over administration of this agreement from the County's Probation Department. City of Pittsburg and County have formed a joint outreach program "MHET Program" which focuses on the needs of residents with SPMI by providing joint welfare checks, clinical assessments with recommendations, case management and linkage to appropriate and available community mental health services, which will result in a reduction in the number of physically aggressive and/or negative interactions between residents with SPMI and law enforcement; a reduction in the number of repeat calls for service; a reduction in the number of avoidable visits to PES; a safer, better quality of life for the resident, their family members, and the community at large; and a significant cost savings should be realized by City of Pittsburg and County agencies from a reduction in the time and resources spent to manage this population safely and effectively.

On February 4, 2025, the Board of Supervisors approved Interagency Agreement #74-664-2 with City of Pittsburg, in an amount not to exceed $543,131 for the provision of outreach services to residents who have SPMI and multiple encounters with police under the MHET Program in Contra Costa County for the period July 1, 2024 through June 30, 2027. This Agreement includes mutual indemnification to hold all parties harmless for claims arising from the performance under this Agreement.

Approval of Interagency Amendment #74-664-3 will allow the Agency to provide additional outreach services for the MHET Program through June 30, 2027.

CONSEQUENCE OF NEGATIVE ACTION:
If this Interagency Amendment is not approved, the County will not have the necessary resources for the MHET program and residents with SPMI will not receive additional outreach efforts to access mental health services.

Report Title: Contract #74-545-9 with Optimas Services, Inc.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Health Services Director, or designee, to execute on behalf of the County Contract #74-545-9 with Optimas Services, Inc., a corporation, in an amount not to exceed $374,520, to provide technical support and training to County-designated staff regarding Federal Reimbursement programs including Mental Health Medi-Cal Administrative Activities (MHMAA) and Public Health's Targeted Case Management (TCM) program, for the period July 1, 2026 through June 30, 2029.

FISCAL IMPACT:
Approval of this Contract will result in annual budgeted expenditures of up to $374,520 over a three-year period and will be funded by 65% Federal Med-Cal and 35% Contra Costa Public Health funds.

BACKGROUND:
Contractor will provide training and consulting services on how to report MHMAA, conduct research into TCM specific policy inquiries as they relate to Public Health's TCM program and prepare the claim forms to submit to the State. These services will help increase the amount of federally reimbursed funding to the County and reduce or eliminate any denials of funding from the State Department of Health Care Services.

This Contract is entered into under and subject to the following legal authorities: California Government Code §§ 26227 and 31000. This Contract was approved by Health Services Personnel to ensure there is no conflict with labor relations. The Behavioral Health's Quality Management, Utilization Management and Contract Monitor Staff meet on a regular basis to ensure monitoring and performance measures in the Contract are upheld. Following a Request for Proposal (RFP), this Contract was awarded to Optimas Services, Inc. by Public Works Department on March 10, 2025.

Approval of Contract #74-545-9 will allow the Contractor to continue to provide technical support and training services through June 30, 2029.

CONSEQUENCE OF NEGATIVE ACTION:
If this Contract is not approved, the Behavioral Health Services and Public Health Divisions will not receive the necessary technical support and training needed to provide the best opportunity to receive additional funding from the State.

Report Title: Interagency Amendment #74-700-1 with City of San Pablo

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Health Services Director, or designee, to execute on behalf of the County Interagency Amendment #74-700-1 with City of San Pablo, a government agency, effective July 1, 2026, to amend Agreement #74-700, to increase the payment limit by $77,714, from $571,552 to a new payment limit of $649,266, to provide additional Mental Health Evaluation Team (MHET) Program outreach services for residents of San Pablo who have serious and Persistent mental illness (SPMI) and a history of multiple encounters with law enforcement, with no change in term ending June 30, 2027.

FISCAL IMPACT:
Approval of this Amendment will result in additional annual expenditures of up to $77,714 and funded by 100% 2011 Public Safety Realignment, AB 109. (No Rate Increase)

BACKGROUND:
The purpose of this Interagency Agreement is for Contra Costa County's Health Services (CCHS) to take over administration of this agreement from the County's Probation Department. City of San Pablo and County have formed a joint outreach program "MHET Program" which focuses on the needs of residents with SPMI by providing joint welfare checks, clinical assessments with recommendations, case management and linkage to appropriate and available community mental health services, which will result in a reduction in the number of physically aggressive and/or negative interactions between residents with SPMI and law enforcement; a reduction in the number of repeat calls for service; a reduction in the number of avoidable visits to PES; a safer, better quality of life for the resident, their family members, and the community at large; and a significant cost savings should be realized by City of San Pablo and County agencies from a reduction in the time and resources spent to manage this population safely and effectively.

On March 26, 2024, the Board of Supervisors approved Interagency Agreement #74-700 with City of San Pablo, in an amount not to exceed $571,552 for the provision of MHET Program outreach services to San Pablo residents who have SPMI and multiple encounters with police, for the period March 1, 2024 through June 30, 2027. This Agreement includes mutual indemnification to hold all parties harmless for claims arising from the performance under this Agreement.

Approval of Interagency Amendment #74-700-1 will allow the Agency to provide additional outreach services for the MHET Program through June 30, 2027.

CONSEQUENCE OF NEGATIVE ACTION:
If this Interagency Amendment is not approved, the County will not have the necessary resources for the MHET program and residents with SPMI will not receive additional outreach efforts to access mental health services.

Report Title: Contract #74-475-191(3) with Star View Behavioral Health, Inc.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Health Services Director, or designee, to execute on behalf of the County Contract #74-475-191(3) with Star View Behavioral Health, Inc., a corporation, in an amount not to exceed $780,402, to provide Medi-Cal Specialty Mental Health Services (SMHS) including Short-Term Residential Therapeutic Program (STRTP) services for youth in Contra Costa County, for the period July 1, 2026 through June 30, 2029.

FISCAL IMPACT:
Approval of this Contract will result in contractual service expenditures of up to $780,402 over a 3-year period and will be funded 100% by Federal Medi-Cal revenues.

BACKGROUND:
This Contract meets the social needs of County's population by providing Medi-Cal SMHS for high needs minors who require an increased level of care in an out-of-county residential setting providing acute inpatient psychiatric care, residential care enhanced by intensive mental health services and schooling to youth with severe emotional and behavioral disorders. Contractor provides a secure and structured multidisciplinary treatment program for youth who cannot live safely in family homes or lower-level group care because of the nature and severity of their emotional and behavioral problems. Contractor has been providing these mental health services since August 2024.

This Contract is entered into under and subject to the following legal authorities: Welfare and Institution Code, §5600 et seq. (The Bronzan McCorquodale Act); California Code of Regulations ("CCR"), Title 9, § 523 et seq. (Community Mental Health Services) and California Government Code §§ 26227 and 31000. Health Services Personnel approved this Contract to ensure no conflicts with labor relations. Contractor currently cooperates and participates in the Behavioral Health Services Department's Quality Management Program which consists of quality improvement activities to improve the quality of care, services and member experience. Cooperation includes collection and evaluation of performance measurement data and participation in the organization's clinical and service measure Quality Improvement Programs. These services were determined to be exempt from Administrative Bulletin 600.3 solicitation requirements by the Public Works Department's Purchasing Division.

On January 13, 2026, the Board of Supervisors approved Contract #74-475-191(2) with Star View Behavioral

Health, Inc., in an amount not to exceed $500,000, for the provision of Medi-Cal SMHS for beneficiaries in Contra Costa County, for the period December 1, 2025 through June 30, 2026.

Approval of Contract #74-475-191(3) will allow the Contractor to continue to provide services through June 30, 2029.

CONSEQUENCE OF NEGATIVE ACTION:
If this Contract is not approved, youth requiring Medi-Cal SMHS and STRTP services will not have access to Contractor's services, potentially resulting in placement in higher levels of care as County solicits and engages an alternative Contractor.

CHILDREN'S IMPACT STATEMENT:
The recommendation supports the following children's outcome(s): Children Ready for and Succeeding in School; Children and Youth Healthy and Preparing for Productive Adulthood; and Families that are Safe, Stable and Nurturing.

Report Title: Contract #74-476-13 with Sustainable Wellness Solutions

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Health Services Director, or designee, to execute on behalf of County Contract #74-476-13 with Sustainable Wellness Solutions, a non-profit corporation, in an amount not to exceed $377,191, to provide a Patients' Rights Program, for the period July 1, 2026 through June 30, 2027.

FISCAL IMPACT:
Approval of this Contract will result in annual budgeted expenditures of up to $377,191 and will be funded 100% by Mental Health Realignment Funds revenue.

BACKGROUND:
The services required for Patients' Rights Advocacy demand a high level of specialized expertise, experience and knowledge. These unique skills are possessed by a single provider in the county. Contractor has been a longstanding partner in providing Patients' Rights Advocacy services, fostering a deep understanding of our organization's mission, values, and long-term objectives. Engaging them again will enable knowledge transfer, avoiding knowledge gaps and ensuring continuity in service delivery. The Behavioral Health Services Department has been contracting with Consumers Self-Help Center since October 2014 to provide a State-mandated Patients' Rights Advocacy Program.

This Contract is entered into under and subject to the following legal authorities: California Government Code §§ 26227 and 31000. The Behavioral Health's Quality Management, Utilization Management and Contract Monitor Staff meet on a regular basis to ensure monitoring and performance measures in the Contract are upheld. This Contract was approved by Health Services Personnel to ensure there is no conflict with labor relations. Following a Request for Proposal (RFP), this Contract was awarded to Sustainable Wellness Solutions (dba Consumer Self-Help Center) by the Public Works Department on May 1, 2024.

On June 24, 2025, the Board of Supervisors approved Contract #74-476-12 with Sustainable Wellness Solutions (dba Consumer Self-Help Center) in an amount not to exceed $377,191, for the provision of a Patients' Rights Program for the period July 1, 2025 through June 30, 2026.

Approval of Contract #74-476-13 will allow the Contractor to continue providing a Patients' Rights Program through June 30, 2027.

CONSEQUENCE OF NEGATIVE ACTION:
If this Contract is not approved, County will not have a Patients' Rights Advocacy Program and will be out of compliance with the performance contract with the State Department of Health Care Services, placing funding for the Department's mental health programs at risk.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Health Services Director, or designee, to execute on behalf of the County Contract #74-331-18 with Helios Healthcare, LLC, a limited liability company, in an amount not to exceed $419,020, to provide sub-acute skilled nursing care services for neurobehavioral clients with Serious Mental Illness (SMI), for the period July 1, 2026 through June 30, 2027.

FISCAL IMPACT:
Approval of this Contract will result in annual expenditures of up to $419,020 and will be funded as budgeted by the department 100% by Mental Health Realignment Funds.

BACKGROUND:
The County has been contracting with Helios Healthcare, LLC, since July 2008 to provide sub-acute skilled nursing care services for SMI and neurobehavioral clients. This Contract is entered into under and subject to the following legal authorities: Welfare and Institutions Code §§ 5600, et seq. (The Bronzan-McCorquodale Act); California Code of Regulations ("CCR"), Title 9, §§ 523, et seq. (Community Mental Health Services); California Government Code §§ 26227 and 31000. The Behavioral Health's Quality Management, Utilization Management and Contract Monitor staff meet on a regular basis to ensure monitoring and performance measures in the contract are upheld. This Contract was approved by Health Services Personnel to ensure there is no conflict with labor relations. These contracted services were determined to be exempt from Administrative Bulletin 600.3 solicitation requirements by the Public Works Department's Purchasing Division.

On July 8, 2025, the Board of Supervisors approved Contract #74-331-17 with Helios Healthcare, LLC, in an amount not to exceed $558,012, for the provision of sub-acute skilled nursing care services for neurobehavioral clients with SMI, for the period July 1, 2025 through June 30, 2026.

Approval of Contract #74-331-18 will allow the Contractor to continue providing sub-acute skilled nursing care services through June 30, 2027.

CONSEQUENCE OF NEGATIVE ACTION:
If this Contract is not approved, County clients will not have access to Contractor's sub-acute skilled nursing care services which may result in a reduction of services and placement in higher levels of care.

To: Board of Supervisors

From: Dr. Grant Colfax, Health Services Director

Report Title: Contra Costa Health Plan Onboarding and Compliance Training for Joint Conference Committee and Board of Supervisor Members

☐Recommendation of the County Administrator ☒ Recommendation of Board Committee

RECOMMENDATIONS:
ACCEPT the Onboarding and Compliance Training for Joint Conference Committee and Board of Supervisor Members as recommended by the Contra Costa Health Plan (CCHP) Joint Conference Committee.

FISCAL IMPACT:
There is no fiscal impact for this action.

BACKGROUND:
Joint Conference Committee (JCC) and Board of Supervisors (BOS) members are required to complete Compliance and Fraud, Waste and Abuse (FWA) training. This is because both committee members are ultimately responsible for overseeing Contra Costa Health Plan (CCHP). Both committees make sure Medicare and Medi-Cal funds are used lawfully and appropriately.

Both state and federal regulators require CCHP to maintain an effective compliance program with active governing body oversight. Board training ensures its members understand their oversight role, key regulatory requirements and high-risk areas such as FWA. This is so the Board can ensure appropriate controls are in place to prevent, detect and correct noncompliance.

Attachment A - Onboarding and Compliance Training for JCC and BOS Members is included. Attachment B - Joint Conference Committee Onboarding Guide is also included.

This is required to support regulatory expectations, protect federal funds and ensure effective compliance governance. And the completion of required training demonstrates that the JCC and BOS are committed to compliance oversight, accountability and fulfillment of its fiduciary and regulatory responsibilities.

CONSEQUENCE OF NEGATIVE ACTION:
Both federal and state regulators expect governing body members to actively oversee the organization's compliance program. They expect Board members to understand their responsibilities related to regulatory compliance, program integrity and the protection of Medicare and Medicaid funds.

Failure to accept the Onboarding and Compliance Training for JCC and BOS Members would prevent CCHP

from meeting its contractual obligations with Department of Health Care Services and Centers for Medicare and Medicaid Services and impact CCHP's compliance standing.

To: Joint Conference Committee (JCC) Members

From: Sunny T. Cooper, Chief Compliance Officer, CCHP Compliance Department

Date: June 5, 2026

Report Title: Onboarding and Compliance Training for Joint Conference Committee and Board of Supervisor members

RECOMMENDATIONS

RECOMMEND APPROVAL of the Onboarding and Compliance Training for Joint Conference Committee and Board of Supervisor members and FORWARD both documents to the Contra Costa County Board of Supervisors for approval.

FISCAL IMPACT

N/A

BACKGROUND

Joint Conference Committee (JCC) and Board of Supervisors (BOS) members are required to complete Compliance and Fraud, Waste and Abuse (FWA) training. This is because both committee members are ultimately responsible for overseeing Contra Costa Health Plan (CCHP). Both committees make sure Medicare and Medi-Cal funds are used lawfully and appropriately.

Both state and federal regulators require CCHP to maintain an effective compliance program with active governing body oversight. Board training ensures its members understand their oversight role, key regulatory requirements and high-risk areas such as FWA. This is so the Board can ensure appropriate controls are in place to prevent, detect and correct noncompliance.

In short, Board-level training sets the “tone at the top.” This is required to support regulatory expectations, protect federal funds and ensure effective compliance governance. And the completion of required training demonstrates that the JCC and BOS are committed to compliance oversight, accountability and fulfillment of its fiduciary and regulatory responsibilities.

CONSEQUENCE OF NEGATIVE ACTION

Board members who do not complete required Compliance and FWA training may place the organization at increased regulatory and governance risk. Both federal and state regulators expect governing body members to actively oversee the organization's compliance program. They expect Board members to understand their responsibilities related to regulatory compliance, program integrity and the protection of Medicare and Medicaid funds.

State and federal regulators may see the failure to complete required training as insufficient governing body engagement and a weakness in CCHP's compliance oversight structure. This may contribute to audit findings, corrective action plans, increased regulatory scrutiny or other enforcement actions if broader compliance deficiencies are identified.

In addition, untrained Board members may be less ready to identify emerging compliance risks, ask informed oversight questions or support effective decision-making related to FWA, privacy and operational compliance matters. This may increase CCHP's exposure to financial, operational and reputational harm.

HEALTH

JOINT CONFERENCE COMMITTEE

Onboarding Guide

Contra Costa Health Plan (CCHP) Fundamentals

OUR MISSION

To care for and improve the health of all people in Contra Costa County with special attention to those who are most vulnerable to health problems.

CCHP is the Single Plan model for Managed Medi-Cal in Contra Costa County. At CCHP, we help provide much-needed health care to our members, some of the county's most vulnerable populations.

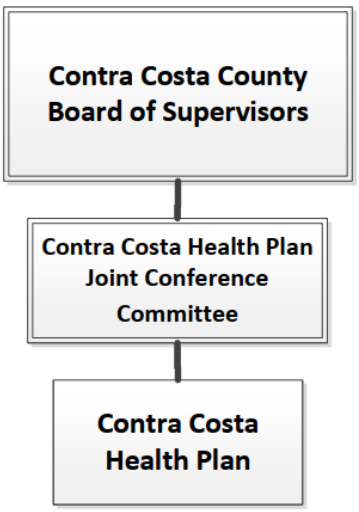
What is CCHP?

We provide managed care health insurance to residents of Contra Costa County. We have three main insurance products at CCHP. Most of our members are part of Medi-Cal, but some have CCHP's commercial insurance product, and some have *both* Medicare and Medi-Cal (often referred to as Medi-Medi or Dual Eligible Special Needs).

- **Medi-Cal**
  California's version of Medicaid. As a Managed Care Organization (MCO), CCHP contracts with the Department of Health Care Services (DHCS) to provide Medicaid health benefits and additional services to our members.
- **CCHP Commercial Insurance**
  Commercial insurance provided to Contra Costa County employees and In-Home Support Services (IHSS) workers.
- **Contra Costa Health Care Plus**
  Often referred to as Medi-Medi Plan or Dual-Eligible Special Needs Plan (D-SNP). As a D-SNP Plan, CCHP provides and coordinates Medicare and Medi-Cal benefits to individuals who are dually eligible for Medicare and Medi-Cal.

Purpose

Contra Costa Health Plan connects county residents to health services they need so that they can live longer, healthier, and well-supported lives. CCHP helps prevent illness through primary care, immunizations, and screenings. When members do become sick, CCHP ensures they receive the high-quality care that they need.



Governance Structure

CCHP operates under multiple layers of oversight:

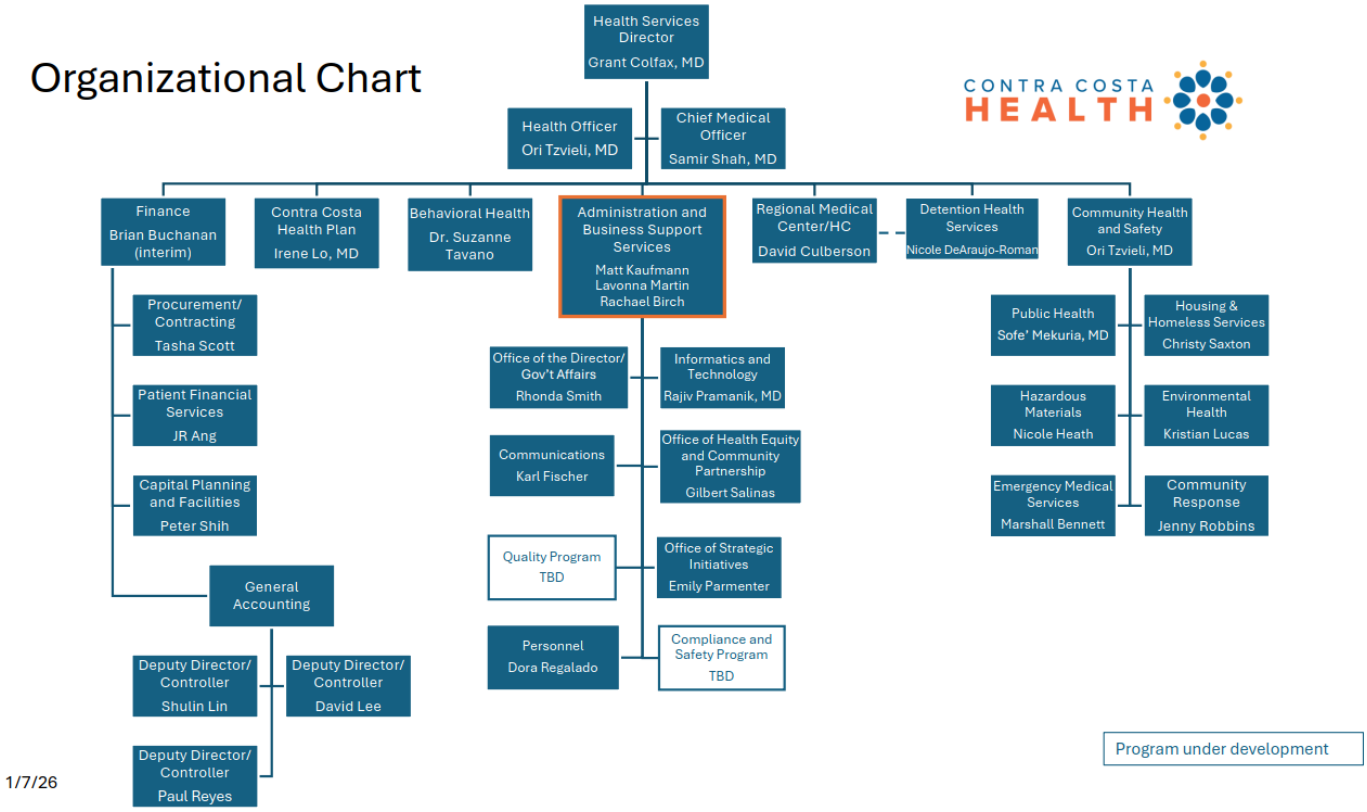
- Contra Costa County Board of Supervisors – governing authority
- CCHP Joint Conference Committee (JCC) – subcommittee of the Contra Costa County Board of Supervisors
- Contra Costa Health Services Director/CEO

The Contra Costa County Board of Supervisors, which is elected through general elections, serves as the governing body of CCHP. The Joint Conference Committee (JCC) was established by the Contra Costa County Board of

Supervisors via Board Order on or about January 21, 1997. Through the JCC, the Board of Supervisors exercises oversight of CCHP activities, including, but not limited to, the Quality program, administration, finance, and strategic planning efforts.

Joint Conference Committee (JCC)

JCC meetings are conducted at least quarterly, four (4) meetings per year, and may be held more frequently, if needed. Through the JCC, CCHP provides updates on regulatory updates, committee meetings and minutes, Quality activities, Compliance activities, administrative updates, programmatic updates, and financial updates.



The JCC will report directly to the Contra Costa County Board of Supervisors. Items that require Board of Supervisors approval will be submitted to the Board of Supervisors as a discussion item or consent agenda item, as appropriate. Recommendations will also be made to the Board to the extent required to ensure proper oversight of CCHP functions, including but not limited to, quality assurance, compliance or as otherwise necessary. The JCC will also report on its activities annually to the Board of Supervisors.

During months when the Joint Conference Committee (JCC) does not convene, CCHP will provide regular updates to JCC members to ensure continuity of oversight and communication. These updates will include progress on key initiatives, emerging priorities, program performance highlights, and any notable operational, regulatory, or clinical developments. Updates may be delivered in writing or through scheduled briefings, as appropriate, to maintain transparency and alignment with the Committee's strategic and governance responsibilities.

Organizational Structure

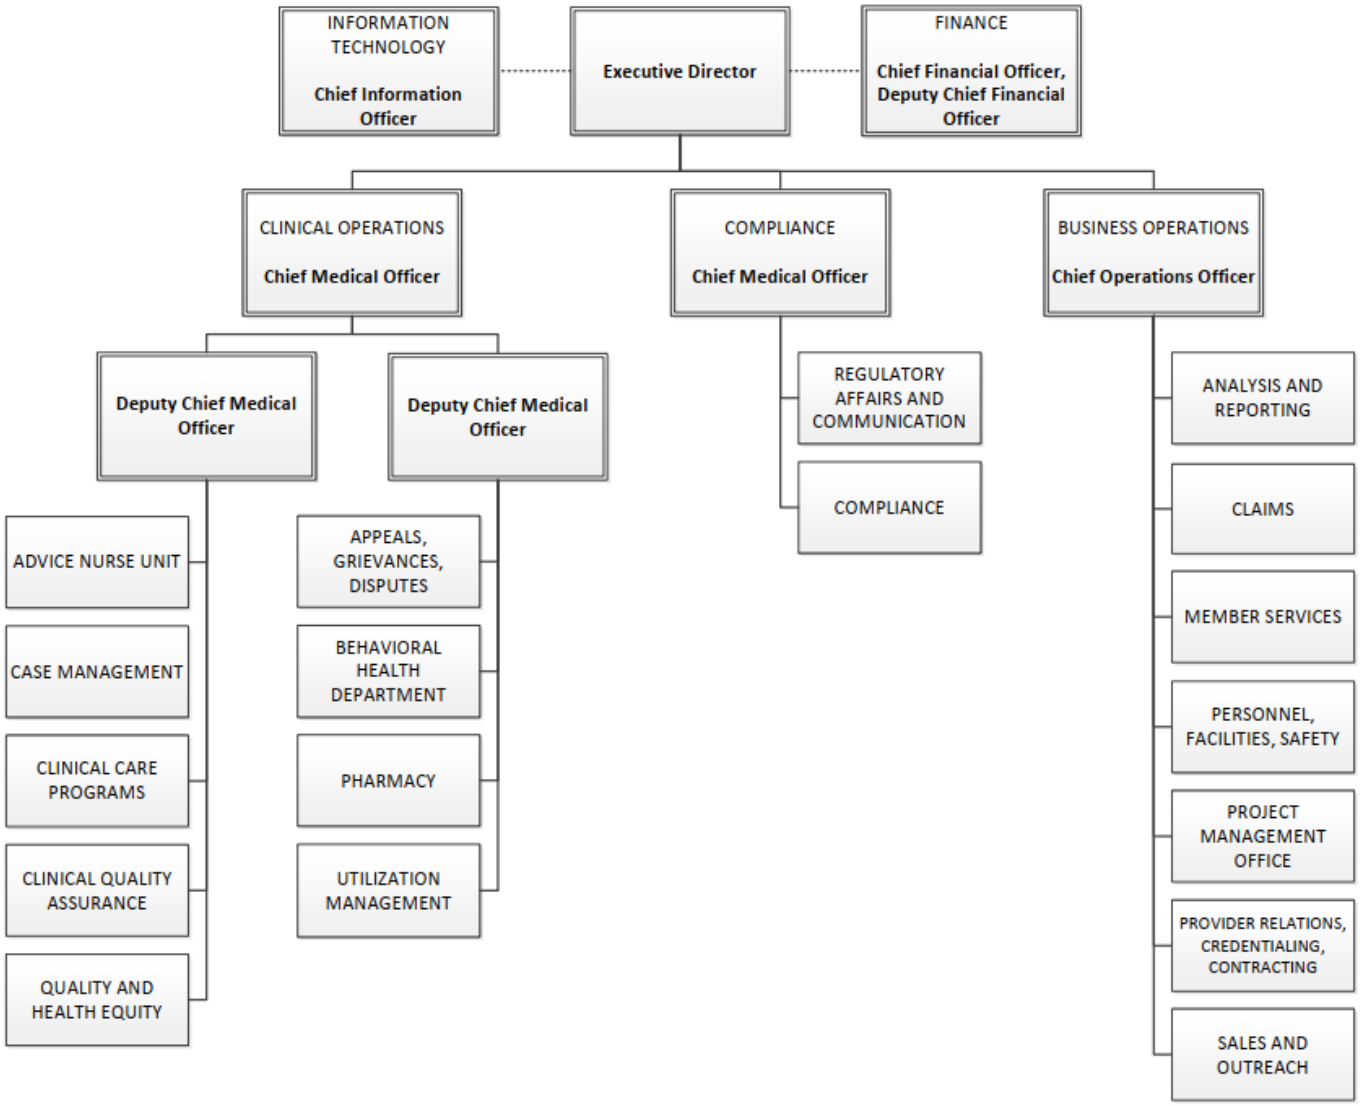
Contra Costa Health Plan (CCHP) operates as part of Contra Costa County's Health Services Department (CCH), which functions as the County's integrated health system.

CCH is composed of several key divisions that work collaboratively to protect and promote the health and well-being of Contra Costa residents. These include the Community Health and Safety Branch, Behavioral Health Services, Detention Health, and the Contra Costa Regional Medical Center (CCRMC) along with its network of health centers.

CCHP's structure aligns with its strategic pillars: operational excellence, regulatory compliance, financial sustainability, network growth, and member experience.

Executive Leadership

- Executive Director
  - Oversees all aspects of the health plan's strategy, operations, compliance, and performance.
  - Serves as liaison to the Contra Costa County Board of Supervisors, Contra Costa Health Services Director/CEO, and regulatory agencies.
- Chief Financial Officer (CFO)
  - Provides executive oversight of all financial operations for CCHP and ensures alignment with Contra Costa Health's fiscal strategy and County requirements
  - Leads long-term financial planning, rate and reserve management, compliance, and fiscal stewardship to support the Plan's mission and growth
- Chief Information Officer (CIO)
  - Leads the strategic planning, implementation, and oversight of CCHP's information systems and technology platforms
  - Ensures secure, efficient, and interoperable systems supporting core plan operations, analytics, and regulatory compliance
- Chief Operating Officer (COO)
  - Leads day-to-day operations and performance improvement across business units
  - Oversees Claims; Member Services; Provider Relations, Credentialing, and Contracting; Business Operations; and administrative functions to ensure operational efficiency and service excellence.
- Chief Medical Officer (CMO)
  - Leads day-to-day operations and performance improvement across clinical units
  - Oversees Advice Nurse Unit, Quality and Health Equity, Clinical Quality Auditing, Case Management, Appeals and Grievances, CalAIM Programs, and Utilization Management



- Deputy Chief Financial Officer (CFO)
    - Supports the CFO in managing CCHP's financial operations and leads day-to-day fiscal management and performance monitoring
    - Ensures accurate financial reporting, forecasting, and budget alignment across operational and clinical divisions

Compliance

- Leadership: Senior Director of Compliance, Compliance Officer
- Oversees compliance with all federal, state, and local requirements, including DHCS, DMHC, and CMS audits.
- Leads policy infrastructure, Corrective Action Plan (CAP) management, regulatory affairs, HIPAA programs, and FWA programs to ensure organizational accountability and transparency

Core Operational Divisions

CCHP's structure is organized functionally, with departments aligned to major managed care responsibilities:

Clinical Operations

- **Advice Nurse Unit** – nurse triage, after-hours access, clinical support
- **Appeals, Grievances, and Disputes** – management of member appeals, member grievances, and provider disputes
- **Behavioral Health Department** – integration, access, and coordination of behavioral health services
- **California Advancing and Innovating Medi-Cal (CalAIM) Programs** – ECM and Community Supports implementation
- **Case Management** – complex care, transitions of care, care coordination
- **Clinical Quality Assurance** – management of Potential Quality Issues (PQIs) and Facility Site Reviews (FSRs)
- **Quality and Health Equity** – NCQA, health equity strategy, population health management, health education
- **Pharmacy Services** – Pharmacy Benefits Manager (PBM) oversight, formulary management
- **Utilization Management** – inpatient, outpatient, and long-term care service review.

Business Operations

- **Claims** – claims processing, interest payments
- **Marketing and Sales** – D-SNP brand strategy, broker relations, community engagement, and membership growth
- **Member Services and Outreach** – call center, member experience, outreach, and retention
- **Personnel, Facilities, Safety** – recruitment efforts, coordination of merit increases, union activities, and disciplinary actions, building alterations, and staff member safety
- **Project Management Office** – strategic initiatives, organizational programs, and cross-departmental projects
- **Provider Relations, Credentialing, and Contracting** – network adequacy, contracting, and credentialing

What is Medicaid?

Medicaid is the largest single source of health care coverage in the United States. It is jointly funded by both the state and federal government. It covers primary and acute care services, long-term care services like nursing homes, and community supports for low-income populations (including children, families, seniors, disabled individuals, and pregnant people).

This is insurance coverage for people who otherwise would not be able to afford it and would have little access to medical care. Nationally, Medicaid provides access to care similar to those who have private commercial insurance, while 28% of adults without insurance must delay or go without health care due to cost. In California, the Medicaid program is called Medi-Cal.

Medi-Cal pays for

- Doctor visits
- Lab tests
- Dental services
- Mental health services
- Emergency services
- Hospitalizations
- Prescriptions
- Prenatal and postpartum care
- Transportation
- And even more

Why is it important?

Medi-Cal covers over 14.4 million people, including some of the most vulnerable groups:

- 40% of childbirths
- 43% of California children
- Almost half of adults with disabilities
- Over 60% of Californians who are in nursing homes

Over 1.1 million California senior citizens and people with disabilities rely on Medi-Cal to pay for long-term care and community-based services to provide them help with everyday tasks of living.

In Contra Costa County 41% of the county's children (119,762) are covered by Medi-Cal which is essential to growing up healthy. Studies have shown that kids with Medicaid do better in school, miss fewer days of school, are more likely to graduate from high school, earn more money as adults, and ultimately have fewer ED visits and hospitalizations.

Without Medi-Cal, many Californians would be unable to pay for health care services, and then physicians' offices, hospitals, and nursing homes would be forced to close, resulting in fewer services available to everyone in the state.

What is Managed Care?

A Medicaid Managed Care Organization (MCO) or a Health Maintenance Organization (HMO) is an organization that is contracted by Medi-Cal to provide the Medicaid benefits to a group of members. The organization is paid a set amount per month for each member and then uses the funds to provide efficient and high-quality care for the members.

As an MCO, CCHP contracts with providers and health systems to provide all necessary care to the members. CCHP will also review the services to ensure the member is getting the right level of care, with high quality services, and with timely access. Members will usually start with local providers unless it is determined that they require specialty services from tertiary systems like research universities.

Regulatory Bodies

There are many laws and regulations at both the state and federal level that determine how managed health care insurance functions. CCHP is monitored and regularly audited by the **California Department of Health Care Services (DHCS)**, the **Department of Managed Health Care (DMHC)**, and the **Centers for Medicare and Medicaid Services (CMS)** to ensure it complies with all laws. This is required for CCHP to continue operating.

Contra Costa Health Plan
Plan Year 2026

CONTRA COSTA HEALTH
cchealth.org

Training Requirements

Laws and Regulations, as well as contractual agreements, require Contra Costa Health Plan (CCHP) to train individuals on the following topics upon onboarding and annually thereafter. These requirements apply to all governing board and workforce members.

Required training topics include:

- ✓ General Compliance
- ✓ Fraud, Waste and Abuse (FWA)
- ✓ Code of Conduct
- ✓ Conflict of Interest

This training is designed to provide a general awareness and understanding of the applicable laws, regulations and contractual requirements imposed upon CCHP and Governing Board's oversight roles and responsibilities.

CONTRA COSTA HEALTH

Acronyms

Acronym	Title Text
CFR	Code of Federal Regulations
CMS	Centers for Medicare & Medicaid Services
DHCS	Department of Health Care Services
DMHC	Department of Managed Health Care
DHHS	U.S. Department of Health and Human Services
FDR	First-tier, Downstream and Related Entity
FWA	Fraud, Waste and Abuse
MA	Medicare Advantage
MAO	Medicare Advantage Organization
MA-PD	Medicare Advantage Prescription Drug
OIG	Office of Inspector General
PDP	Prescription Drug Plan

CONTRA COSTA HEALTH

cchealth.org

Training Objectives

01

- Meet the regulatory requirement for training and education

02

- Provide information on the Plan's Compliance Program and the Code of Conduct

03

- Provide information on the scope of fraud, waste, abuse and other compliance topics

04

- Explain everyone's obligation to detect, prevent, and correct compliance concerns

05

- Provide information on how to report compliance concerns

06

- Provide information on laws pertaining to compliance concerns

CONTRA COSTA HEALTH
cchealth.org

General Compliance Overview

Contra Costa Health Plan (CCHP) ensures adherence to laws, regulations, policies and ethical standards when doing business.

✓ We do this by overseeing several key areas, including:

- Member rights and protections
- Privacy and data security (HIPAA)
- Provider contracting and credentialing
- Marketing and enrollment practices
- Quality of care and grievance resolution
- Fraud, Waste & Abuse Prevention Program
- **Code of Conduct: Clear ethical standards and expectations for behavior**
- **Conflict of Interest: Identification and management to maintain integrity**

✓ Importance – Protects beneficiaries, mitigates legal risk, and ensures operational integrity

CONTRA COSTA HEALTH
cchealth.org

Code of Conduct

CCHP has developed a Code of Conduct to provide guidance to CCHP personnel in carrying out their daily work activities in a way that is consistent with the Contra Costa Health System (CCHS) and CCHP Compliance Programs. The Code provides standards that address areas identified as a high priority for Compliance oversight.

- Defines expected ethical behaviors for employees, providers, vendors, and board members
- Emphasizes honesty, integrity, respect, and accountability
- Provides guidelines on confidentiality, fair dealing, and compliance with laws
- Includes procedures for reporting violations without fear of retaliation
- Board responsibility to endorse and model the Code of Conduct
- Located Here: CCHP Code of Conduct (attached herein)

CONTRA COSTA HEALTH
cchealth.org

Conflict of Interest

Definition:
Clear ethical standards and expectations for behavior: A conflict of interest may arise in any situation in which CCHP personnel's external activities or personal interests influence how one handles CCHP business or one's professional conduct

CCHP Workforce & JCC/BOS members shall ensure that their external activities and personal interests do not influence or appear to influence their ability to make objective decisions in their job.

ACTION REQUIRED: Conflict of Interest Attestation is included in this packet, please sign and return within 30 calendar days

Every elected official and public employee who makes or influences governmental decisions (Designated Position) is required to submit a Statement of Economic Interest, also known as the Form 700. The Form 700 provides transparency and ensures accountability in two ways:

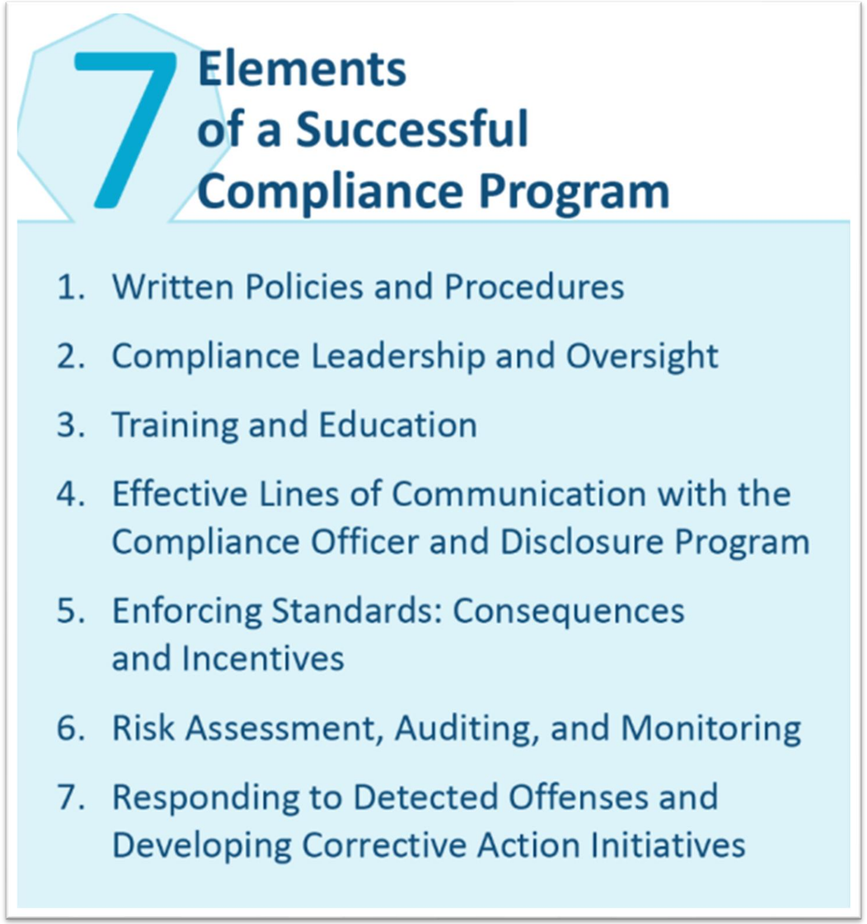
- ✓ It provides necessary information to the public about an official's personal financial interests to ensure that officials are making decisions in the best interest of the public and not enhancing their personal finances.

- ✓ It serves as a reminder to the public official of potential conflicts of interest (attestation attached herein) so the official can abstain from making or participating in governmental decisions that are deemed conflicts of interest.

Citation: Government Code § 1090 & CCR, § 18730. Provisions of Conflict of Interest Codes.

CONTRA COSTA HEALTH
cchealth.org

Conflict of Interest



When completing the conflict-of-interest form, consider:	Situations where personal, financial, or other interests could influence decision-making
	Examples: Relationships with vendors, financial interests in providers, family ties
	Our policies require disclosure, review, and mitigation and/or avoidance of conflicts
	JCC/BOS members must regularly disclose any conflicts and recuse themselves as needed
	Ensures transparency and protects the plan’s reputation and compliance status

CONTRA COSTA HEALTH
cchealth.org

Compliance Program Components

The CCHS and CCHP Compliance Programs are intended to work together to demonstrate the organizations' commitment to the highest ethical standards and compliance with all federal and state laws and regulations. CCHP's Compliance Program is developed utilizing the General Compliance Program Guidance (GCPG) published by the Office of Inspector General (OIG).

GCPG is a reference guide for healthcare compliance. It provides information about relevant federal laws, compliance program infrastructure, OIG resources, and other information useful to understanding health care compliance. GCPG outlines Seven Elements for a Successful Compliance Program.

CONTRA COSTA HEALTH
cchealth.org

Seven Elements of a Successful Compliance Program

- ✓ **Element #1: Written Policies & Procedures:** Code of Conduct, compliance P&Ps, & policy maintenance
  - *CCHP Action:* Commitment to comply with all applicable Federal and State standards and describe compliance expectations according to the Standards of Conduct.
- ✓ **Element #2: Compliance Leadership & Oversight:** Compliance Officer designation, compliance committee, board compliance oversight
  - *CCHP Action:* Must designate a compliance officer and a compliance committee who are accountable and responsible for the activities and status of the compliance program, including issues identified, investigated and resolved by the compliance program.
- ✓ **Element #3: Training & Education:** Establish a multifaceted education and training program and an annual training plan specific to the needs of and risks presented by CCHP.
  - *CCHP Action:* Covers the elements of the compliance plan as well as preventing, detecting and reporting FWA and is tailored to the different employees and their responsibilities and job functions.

CONTRA COSTA HEALTH
cchealth.org

Seven Elements of a Successful Compliance Program

- ✓ **Element #4: Effective Lines of Communication with the Compliance Officer and Disclosure Programs:** Keep an open line of communication between Compliance and CCHP personnel, including contractors and agents. Written confidentiality and nonretaliation policies and broadcast ways, including anonymous methods, to report non-compliance.
  - *CCHP Action:* Make effective lines of communication accessible to all, ensure confidentiality, and provide methods for anonymous and good-faith compliance issues reporting at CCHP and FDR levels.
- ✓ **Element #5: Enforcing Standards - Consequences and Incentives:** Establish and publicize appropriate consequences for instances of noncompliance, as well as incentives for compliance.
  - ✓ *CCHP Action:* Must enforce standards through well-publicized disciplinary guidelines.
- ✓ **Element #6: Risk Assessment, Auditing, and Monitoring:** Perform regular risk assessments. Risk assessment results inform the internal/external audit schedule as well as monitoring of ongoing risks.
  - ✓ *CCHP Action:* Conduct routine monitoring and auditing of CCHP and FDRs' operations to evaluate compliance with state/federal requirements as well as the overall effectiveness of the compliance program.
- ✓ **Element #7: Responding to Detected Offenses and Developing Corrective Action:** Investigation of violations, reporting to the regulators, & implementing corrective action initiatives.
  - ✓ *CCHP Action:* Must use effective measures to respond promptly to non-compliance and undertake appropriate corrective action.

CONTRA COSTA HEALTH
cchealth.org

Compliance Program in a Medicare and Medi-Cal Context

- Addresses vulnerabilities of dual-eligibles and Medi-Cal populations
- Integrates Medicare and Medi-Cal compliance requirements
- Focus on care coordination and regulatory adherence
- Multilingual training and member communication
- Subcontractor and vendor oversight
- The DMHC regulates both Medi-Cal & Commercial lines of business

CONTRA COSTA HEALTH
cchealth.org

Governing Body's Role in Compliance and Oversight

The CCHS/CCHP governing body (e.g., Board of Supervisors & Joint Conference Committee) must exercise reasonable oversight with respect to the implementation and effectiveness of the compliance program. When compliance issues are presented to the governing body, the governing body should make further inquiry and take appropriate action to ensure the issues are resolved.

Reasonable oversight by the governing body includes, but is not limited to:

- ✓ Approving the Code of Conduct
- ✓ Understanding the compliance program structure
- ✓ Remaining informed about the compliance program outcomes, including results of internal and external audits
- ✓ Remaining informed about governmental compliance enforcement activity such as Notices of Non-Compliance, Warning Letters and/or formal sanctions
- ✓ Receiving regularly scheduled, periodic updates from the compliance officer and compliance committee
- ✓ Reviewing the results of performance and effectiveness assessments of the compliance program

CONTRA COSTA HEALTH
cchealth.org

Governing Body's Role in Compliance and Oversight

The following are examples of activities in which the governing body may wish to be involved by delegating the review and approval to the Compliance Committee:

- ✓ Development, implementation and annual review of compliance policies and procedures;
- ✓ Approval of compliance policies and procedures
- ✓ Review and approval of compliance and FWA training
- ✓ Review and approval of compliance risk assessment
- ✓ Review of internal and external audit work plans and audit results
- ✓ Review and approval of corrective action plans resulting from audits
- ✓ Review and approval of appointment of the compliance officer
- ✓ Review and approval of performance goals for the compliance officer
- ✓ Evaluation of the senior management team’s commitment to ethics and the compliance program
- ✓ Review of dashboards, scorecards, self-assessment tools, etc., that reveal compliance issues

CONTRA COSTA HEALTH
cchealth.org

Reporting Fraud, Waste, and Abuse (FWA)

Everyone is required to report suspected instances of fraud, waste, and abuse. Our Code of Conduct clearly states this obligation.

CCHP is required to have a mechanism in place in which potential fraud, waste, or abuse may be reported by the public, board members, employees, first tier, downstream, and related entities and members.

CCHP must be able to accept anonymous reports and cannot retaliate against individuals for reporting concerns.

How to Report FWA Incidents:

California Department of Health Care Services – Fraud Reporting

- ✓ FWA Hotline Number: 1-800-822-6222
- ✓ Email: fraud@dhcs.ca.gov (can report anonymously)
- ✓ Mailing Address:
  Medi-Cal Fraud Complaint - Intake Unit
  Audits and Investigations
  PO Box 997413, MS 2500
  Sacramento, CA 95899-7413
- ✓ Online Reporting: DHCS Fraud Reporting Form: Stop Medi-Cal Fraud
- ✓ Hours of Operation: Available 24/7 for reporting.

Contra Costa Health– Compliance Hotline

- ✓ FWA Hotline Number: 1-800-304-9490 (can report anonymously)
- ✓ Email: compliance@cchealth.org
- ✓ Mailing Address:
  Contra Costa Health Plan Compliance Unit
  595 Center Avenue, Suite 100
  Martinez, CA 94553
- ✓ Hours of Operation: Available 24/7 for reporting.

CONTRA COSTA HEALTH
cchealth.org

Regulatory Reporting Requirements: CMS vs. DHCS

Area	CMS (Medicare D-SNP)	DHCS (Medi-Cal)
Trigger	Credible evidence of fraud	Suspicion or allegation
Substantiation required?	Yes	No
Initial reporting speed	Prompt after confirmation	Within 10 days
Focus	Fraud	Fraud, waste **and** abuse
Law enforcement referral	Expected	Case-by-case
Overpayment recovery	≤ 60 days	Within 60 days (APL 23-011)
Delegates or FDRs	Covered	Explicitly emphasized
Enforcement style	Program integrity	Contract compliance

CONTRA COSTA HEALTH
cchealth.org

Detection and Prevention

How do CCHS and CCHP Prevent and Detect FWA?

- ✓ Predictive analytics & data mining
- ✓ Cross-checking Medicare and Medi-Cal claims
- ✓ Focused provider audits and investigations
- ✓ Member education and outreach in multiple languages
- ✓ Collaboration with CMS, DHCS, and law enforcement
- ✓ Internal auditing, monitoring and reporting by business units on unusual practice operations or patterns
- ✓ Employee, provider, and member education about FWA and how to report suspected FWA

CONTRA COSTA HEALTH

cchealth.org

Consequences of Committing Fraud, Waste and Abuse (FWA)

The following are potential penalties. The actual consequence depends on the violation.

- Civil Money Penalties
- Criminal Conviction/Fines
- Civil Prosecution
- Imprisonment
- Loss of Provider License
- Exclusion from Federal Health Care programs

CONTRA COSTA HEALTH

CONTRA COSTA HEALTH
cchealth.org

Anti-Kickback Statue

PROHIBITS:

Knowingly and willfully soliciting, receiving, offering or paying remuneration (including any kickback, bribe, or rebate) for referrals for services that are paid in whole or in part under a federal health care program (which includes the Medicare program).

42 United States Code §1320a-7b(b)

Anti-Kickback Statute Penalties

Fine of up to $25,000, imprisonment up to five (5) years, or both fine and imprisonment.

CONTRA COSTA HEALTH
cchealth.org

Stark Statute (Physician Self-Referral Law)

Prohibits a physician from making a referral for certain designated health services payable by Medicare to an entity in which the physician (or a member of his or her family) has an ownership/investment interest or with which he or she has a compensation arrangement (exceptions apply).

Prohibits the entity from filing claims with Medicare or billing another individual or entity for any improperly referred designated health services

Citation: 42 United States Code §1395nn

CONTRA COSTA HEALTH
cchealth.org

Stark Statute Damages and Penalties

Medicare claims tainted by an arrangement that does not comply with Stark are not payable. Up to a **$15,000** fine for each service provided. Up to **a $100,000** fine for entering into an arrangement or scheme.

No Federal health care program payment may be made for any item or service furnished, ordered, or prescribed by an individual or entity excluded by the Office of Inspector General.

Any person who is required to report ownership/investment interests or compensation arrangements is subject to a fine up to $10,000 per day for each day that reporting is required but not made

As an individual who has access to protected health care information, you are responsible for adhering to HIPAA

CONTRA COSTA HEALTH
cchealth.org

HIPAA Privacy vs. Security Rules

The HIPAA Privacy Rule

The HIPAA Privacy Rule establishes national standards to protect individuals' medical records and other individually identifiable health information (collectively defined as “protected health information” or PHI) and applies to health plans, health care clearinghouses, and those health care providers that conduct certain health care transactions electronically.

The Rule requires appropriate safeguards to protect the privacy of PHI and sets limits and conditions on the uses and disclosures that may be made of such information without an individual’s authorization. The Rule also gives individuals rights over their PHI, including rights to examine and obtain a copy of their health records, to direct CCHP to transmit to a third party an electronic copy of their PHI in an electronic health record, and to request corrections.

Citation: 45 CFR Part 160 and Subparts A and E of Part 164.

The HIPAA Security Rule

The Security Rule establishes a national set of security standards to protect certain health information that is maintained or transmitted in **electronic form**. The Security Rule sets forth the administrative, physical, and technical safeguards that CCHP and business associates must put in place to secure individuals’ electronic protected health information (ePHI).

The Security Rule complements the Privacy Rule; and the requirements of the Breach Notification Rule, which implements provisions of the HITECH Act that direct CCHP to notify individuals, the Secretary of Health and Human Services (“HHS”), and in some cases, the media when certain information has been acquired, accessed, used or disclosed in a manner not permitted by the Privacy Rule. Together, the Privacy, Security, and Breach Notification Rules help to protect the privacy and security of protected health information (PHI).

Citation: 45 CFR Part 160 and Part 164, Subparts A and C.

Click here to view the combined regulation text of all HIPAA Administrative Simplification Regulations found at 45 CFR 160, 162, and 164.

Working Together to Build a Culture of Compliance and Key Takeaways

Ways CCHP Builds a Culture of Compliance; it takes all of us!

- ✓ Implement 7 Elements of a successful Compliance Program
- ✓ Leadership commitment and clear communication
- ✓ Ongoing training and awareness programs
- ✓ Encouraging ethical behavior with recognition programs
- ✓ Continuous feedback and program adjustments

Key Takeaways for the Board

- ✓ Compliance covers the full spectrum of operational integrity
- ✓ FWA risks pose significant financial and reputational threats
- ✓ Board oversight is essential for effective compliance
- ✓ Understanding Medicare D-SNP & Medi-Cal specifics is critical

CONTRA COSTA HEALTH

This Code of Conduct and its contents is not, and may not be, construed as, a contract of employment or any other type of contract. Employment with Contra Costa Health Plan ("CCHP") at all times is "at will," and either the employee or CCHP has the right to terminate the employment relationship at any time.

This Code applies to all employees, board members, officers, directors, clinical staff, volunteers, vendors, contractors, consultants and agents of CCHP.

MISSION

Contra Costa Health Plan, a division of Contra Costa Health Services, cares for and improves the health of all people in Contra Costa County with special attention to those who are most vulnerable to health problems.

- We provide high quality services with respect and responsiveness to all.
- We are an integrated system of health care services, community health improvement and environmental protection.
- We anticipate community health needs and change to meet those needs.
- We work in partnership with our patients, cities and diverse communities, as well as other health, education and human service agencies.
- We encourage creative, ethical and tenacious leadership to implement effective health policies and programs.

Principles of the Code of Conduct

The following principles are the basis for the CCHP Code of Conduct. All CCHP personnel shall:

1. Treat all members with respect and dignity in an appropriate professional manner without regard to race, language, age, gender, religion, national origin or sexual preference. 2. Follow the Code of Conduct and conduct themselves in an ethical manner.
2. Report any concerns about possible compliance issues to the Compliance Officer or any member of the Compliance Committee. There shall be no retaliation against anyone who reports concerns that he/she believes create compliance issues for the organization. CCHP does not tolerate any acts of intimidation for good faith participation in the compliance program.
3. Communicate their questions or concerns to their immediate supervisor if they require clarification of a procedure, regulation or law related to their duties. Personnel will not be penalized for raising Compliance issues. CCHP expects that all personnel will be actively involved in correcting errors in a timely manner.
4. Obey all laws, rules, regulations, policies and procedures to the very best of their abilities and knowledge.

INTRODUCTION AND PURPOSE

Ethics

At Contra Costa Health Plan ("CCHP"), we are committed to adhering to high ethical standards in our operations. Ethical decision-making is not just about compliance with laws and regulations but about making choices that uphold the trust and respect of our colleagues, members, and stakeholders.

In both personal and professional settings, ethical decision-making involves evaluating choices in a way that considers the potential consequences such as impact on others, the organization, and society as a whole. We encourage all employees and stakeholders to approach decisions with care, seek advice when necessary, and ensure that their actions reflect our shared values of integrity and respect.

It is not possible or practical to list all behaviors that may be considered unacceptable in the workplace. Any seriously inappropriate conduct, as determined by CCHP, may result in consequences up to and including termination for the first offense. If you have questions about a topic or issue, you may go to your supervisor, manager, the Health Services Personnel Office, or the Compliance department.

Unsure of what to do? Try considering the answers to these questions:

Does this decision align with CCHP's core values and principles? Will this choice reflect integrity, honesty, and fairness?

How will this decision affect others? What impact will it have on my colleagues, clients, community, or stakeholders?

Is this decision legal? Does it comply with applicable laws, regulations, and organizational policies?

Am I avoiding conflicts of interest? Is this decision influenced by personal interests, biases, or external pressures?

Would I be comfortable if this decision were made public? How would it look if others, such as my peers or the general public, knew about this decision?

Have I sought advice or consulted others if I'm unsure? Did I reach out to someone for guidance or perspective?

Do you have a question or want to file a report?

If you have questions or concerns about something you hear or observe, but aren't sure if you should speak up, we encourage you to reach out to the Compliance department. Our goal is to prevent unethical or non-compliant activities before they occur.

When you report concerns in good faith, you allow us to address our risks and potentially fix our problems. This ensures that CCHP can continue to provide high-quality, affordable programs, services, and care for all our members. Every member of the CCHP community has a duty to report concerns immediately.

While you can talk to your supervisor or other team leader directly about a concern, we also ensure there are multiple ways to reach us. You may contact our department directly by reaching out to someone you already know, or you can submit a report to our department through any of the methods listed below. CCHP also contracts with an independent hotline that is available 24/7 and accepts anonymous reports.

To make a complaint:

- Contact any member of the compliance department or the Compliance or Privacy Officer
- Call our third-party hotline: 1-800-304-9490; for privacy matters call 1-800-659-4611
- E-mail compliance@cchealth.org
- Fax to 925-523-7092
- Sending mail to: CCHP Compliance Department, c/o Privacy Officer, 597 Center Avenue, Suite 200, Martinez, CA 94553

How Reports are Reviewed

Reports of non-compliance are considered serious matters and all reports are reviewed in a timely manner. The type of complaint that is filed usually determines who reviews or investigates the report. Sometimes, subject matter experts from a certain department are involved.

In order to ensure your complaint can be reviewed thoroughly, reports should include dates, times, names of individuals involved, witnesses, and a detailed description of events.

If asked, all employees must cooperate with our investigation process. Questions should be answered honestly and any documents that are requested should be provided,

unaltered, in a timely manner. Failure to report a violation, refusal to cooperate with, or obstructing a Compliance investigation may lead to disciplinary action.

Confidentiality

Reports may be filed anonymously and are kept confidential to the extent possible. However, please know that in some cases, anonymity may not be guaranteed based on the details of the incident, or when required by law.

Promise of No Retaliation

CCHP has a strict non-retaliation policy. Retaliation against any employee for reporting policy violations in good faith will not be tolerated. Any CCHP employee or agent who attempts to or encourages others to retaliate against an individual who has reported a violation or who fails to cooperate with an investigation will be referred to the Health Services Personnel Office for disciplinary action.

Common Compliance Concerns

Code of Conduct violations

HIPAA violations

Fraud, waste and abuse

Illegal acts such as bribery or theft

Conflicts of interest

BUSINESS PRACTICES

Professional Interactions

All individuals have the right to be treated with dignity, respect and privacy, and members of the CCHP community are no exception. Our goals and values reflect honesty, integrity, adherence to the law, and quality. All members of our community should strive to conduct themselves according to these guiding principles.

As a Health Plan, in order to ensure CCHP provides a high level of service to members, CCHP :

- Must never deny payment of a qualified claim that is authorized for coverage
- Must never delay or deny approval of a medically necessary referral that was submitted timely

- Must ensure our members have access to sufficient providers in our network to meet their needs.

Conflicts of Interest

A conflict of interest is any situation in which your personal interests may influence how you handle CCHP business or your professional conduct. Employees must not engage in any conduct that would create an actual, potential, or perceived conflict of interest. Any potential or actual conflict must be disclosed to Compliance. The following situations are examples of conflicts of interest:

- An employee participates in the selection, award, or administration of a contract or services where a family member, or any person with whom they have a business or personal connection, also has a financial interest.
- An employee discloses or uses confidential CCHP information for personal profit, advantage, or other unauthorized reasons.
- A clinician suggests a certain provider because they receive kickbacks from the provider.
- An employee conducts or accepts outside employment or work, directly or through an intermediary, which can or will adversely affect your work obligations for CCHP. You may engage in work outside your regular work schedule at CCHP if this work does not detract from your job performance, is not harmful to CCHP's best interests, and does not present a conflict of interest with your employment with CCHP.

If you or a family member is an owner, part-owner, employee of, or is receiving money from a company that does business with, proposes to do business with, competes with, solicits employees from, or receives any other remuneration from CCHP, please notify the Compliance department.

CCHP resources are to be used for business purposes and not for personal gain. If you have questions about what constitutes a conflict of interest, please ask your supervisor or Compliance.

Gifts and Tips—Receiving

We serve diverse and vulnerable groups of people. Our members depend on our programs and staff to look out for them and act in their best interests. Accordingly, employees shall not solicit and shall discourage personal gifts from members or their families and friends. Members should be politely thanked and told that CCHP employees are not permitted to

accept gifts or gratuities. Similarly, soliciting or accepting gifts from vendors and service providers is not permitted.

Gifts and Tips—Offering

Employees also must not offer or give anything of value in order to generate business, influence a contract, win an award, or affect legislation. If any individual requests or demands gifts or benefits from CCHP, you should report it immediately to the Compliance department.

Fraud, Waste, and Abuse

As a government-sponsored program, we must steward our resources wisely. By preventing unnecessary costs, we can improve health outcomes and demonstrate the efficacy of our programs. Doing so may ensure that we continue to serve our members for many years to come.

Fraud - Intentional deception or misrepresentation to acquire something.

- Examples include expense account fraud, timesheet fraud, identity theft, embezzlement

Waste - Extravagant, careless, or needless expenditures. Examples of waste include:

- Booking expensive travel options without considering cost effective alternatives
- Paying for unused software subscriptions
- Paying more for goods and services due to lack or price comparisons

Abuse- Wrongful or improper use of CCHP assets that may directly or indirectly result in unnecessary costs. Examples include:

- Using copy machines to print fliers for personal reasons such as a restaurant or school
- Requesting or approving unnecessary overtime

Exclusions

By law, CCHP cannot employ or contract with any person or entity that has been:

- Excluded, suspended, or debarred from participation in federal or state programs
- Convicted of a crime in connection with the delivery or administration of health care services.

Adherence to Other Laws

U.S. False Claims Act (FCA)

The Federal False Claims Act and other similar laws make it a crime to present false claims to the government. All business records, financial records, timecards, and medical records should be accurate and complete. Records should never be falsified or altered to disguise the truth. Employees should also refrain from editorializing in any business records and instead adhere to providing factual information.

U.S. Foreign Corrupt Practices Act (FCPA)

The FCPA prohibits giving money or things of value to a government official to influence their actions or secure business advantages or with the intent of gaining or retaining business.

Stark Law

Stark Law, also known as the Physician Self-Referral Law, prohibits physicians from referring patients for certain health services to entities with which they or their immediate family members have a financial relationship. The law aims to prevent conflicts of interest and overutilization of healthcare services by restricting self-referrals that could result in unnecessary costs to the healthcare system. This often comes up where a physician might order lab work or equipment for a patient and recommend they fill the order at a lab or supplier they co-own. Please notify the Compliance Department if you are aware of any such instances.

Anti-Kickback Laws

Anti-kickback laws impose criminal and civil penalties on individuals and companies who attempt to offer, give, solicit, or accept a kickback. CCHP prohibits making or offering kickbacks to anyone for the purpose of obtaining, retaining, or influencing our business. Kickbacks may include items of value (cash or gifts), promising favors, preferential selection or hiring, business courtesies (free products or services), or waivers of expenses. The Compliance Department should be consulted prior to offering, giving, soliciting, or receiving anything of value that is not fair market value for services or products received.

Anti-Rebate Laws

Anti-rebating laws prohibit any person representing CCHP from offering current or prospective customers a promise of employment, stock, dividends, contracts,

agreements, goods and services, or other in-kind contributions. State and local laws vary, so ensure you contact the Ethics & Compliance or Legal Department for guidance.

Relations with Pharmaceutical Companies

State and federal regulations include guidelines for any compensation received from a drug company. Any direct or indirect compensation creates a potential or an appearance to influence CCHP's business decisions regarding drug coverage and utilization decisions. No employees should engage in activity that may be perceived as compensation with a drug company without counsel from the Health Services Legal Department.

PRIVACY, SECURITY, AND PROTECTION OF ASSETS

CCHP has a variety of assets and property, such as records, emails, laptops, equipment, time, and supplies, under its care. These records and devices must be accurate and complete, and preserved from tampering and retained for the required amounts of time for business reasons including law enforcement purposes, internal investigations, or legal counsel. Care should be used when CCHP assets are used for any type of communication.

Information Security and Data Protection

All employees must abide by the terms of their employee agreements, training courses, and any other similar agreement that protects CCHP's business information. The obligation to keep this information confidential exists both during and after separation from employment. Confidential and proprietary CCHP business information includes all information relating to CCHP's non-public information such as financial affairs, marketing, operational and strategic information, or administration, as well as member records.

In order to ensure that our systems remain functional and we continue to operate efficiently, our Information Security department has developed best practices and acceptable use policies.

Some best practices include:

- Not leaving records or laptops unattended in vehicles. Be sure to report any lost or stolen items immediately.
- Not clicking on any suspicious links. Do not download information from unknown sources.
- Reporting suspicious items or behavior, including unattended items to the Security Department.

- When sending an email with sensitive information, include the word "SECURE" in the subject line.
- Not using another employee's username and password or don't share your username and password.

Privacy and Confidential Information

Each employee is responsible for safeguarding sensitive information and other personal and private information. You may only access and use sensitive information for purposes related to your job duties, and you may only access the minimum amount of information required to perform your duties.

There are multiple federal, state, and local laws that protect sensitive information such as personally identifiable information (PII) and protected health information (PHI). PHI is protected by the California Confidentiality of Medical Information Act (CMIA) and the Federal Health Insurance Portability and Accountability Act (HIPAA). In addition to those laws, CCHP may be a **business associate** of other government agencies and is contractually obligated to protect sensitive information.

PHI access, use, and disclosure are typically limited to others involved in the care and treatment of a member, in the payment for such care and treatment, or in CCHP's internal operations. Written authorization from the member or their legal representative is required in advance of disclosing PHI for any other purpose.

CCHP is accountable for all incidents that involve unauthorized access, use, or disclosure of sensitive information (e.g. PII or PHI). These incidents, or suspected incidents, should be immediately reported to Compliance.

A covered entity is a health care provider, health plan, or health care clearinghouse that is subject to HIPAA.

A business associate is a person or entity that performs certain functions or activities that involve the use or disclosure of protected health information (PHI) on behalf of, or provides services to, a covered entity.

Responsible Use of Artificial Intelligence (AI)

CCHP is committed to responsible and ethical use of technologies that enhance our services, enrich customer experiences, and improve health outcomes.

Any AI use should be thoroughly reviewed to ensure the usage is safe, ethical, and lawful. Users of AI must ensure that any use avoids data breaches or biased decisions.

CAUTION!

Artificial Intelligence can be used to impersonate a real person. Be wary of phone calls or videos that come from trusted colleagues, senior executives, or vendors that include urgent requests or demands for financial transactions

PUBLIC ENGAGEMENT

Media and Speaking Engagements

You may be approached by members of the media, academia, or industry groups to speak on behalf of CCHP or to present CCHP materials or information. If you are approached by the media for interviews or comments, you should not respond; instead, you should immediately contact our Marketing Department. For other speaking engagements such as conferences or teaching settings, you must gain advance approval from the Office of Communications and Media before participating in such activities.

Social Media

CCHP recognizes the value of social media platforms as vital resources to promote the organization's mission and values, operational goals, and marketing activities. CCHP is committed to supporting honest, transparent, and knowledgeable communication through social media.

CCHP supports employees' right to use social media for their own, personal purposes. However, social media use must not interfere with any employee's performance or disrupt the workplace. Whether during work or non-work hours, employees must ensure that their use of social media does not violate the Social Media Policy and/or applicable state and federal laws.

When posting on any public platform, please know that you:

- Must not post any sensitive or confidential information, including member images or information.
- Make clear that you are not representing CCHP, but that your posts and opinions are your personal views.

Political Activity

As a non-profit organization, CCHP is prohibited from directly or indirectly participating in, or intervening in, any political campaign on behalf of (or in opposition to) any candidate for elective public office. Employees may not engage in partisan political activities as an actual or perceived representative of CCHP (e.g., employees should not support or oppose any candidate running for public office on behalf of CCHP). This includes wearing overtly political clothing supporting or campaigning against a person or political party while on duty.

However, we respect your right to participate in political activities as a private citizen and when off duty. Be sure you do not use your CCHP title, email address, letterhead, or department funds for campaigning for or against any political candidate.

WORKPLACE ENVIRONMENT

Drug and Smoke-Free Workplace

While in or around CCHP premises, individuals should refrain from substance misuse or abuse. Unlawful use, manufacture, distribution, dispensation, possession, or sale of illicit and mood-altering substances is strictly prohibited. Accordingly, smoking, including e-cigarettes or similar items, is not permitted in our buildings or closer than 20 feet from CCHP building egresses and ingresses.

Environment and Safety

CCHP is committed to complying with all laws and regulations that govern workplace health and safety, including staff training, the inspection of facilities, investigation of accidents, and communication and observance of safety and health rules. We all play a role in creating a safe, secure, and injury-free workplace.

All employees shall:

- Be aware of emergency and security procedures.
- Comply with all laws and regulations which govern occupational and patient health and safety and to make every reasonable effort to ensure that members/clients, employees, and visitors are protected from undue health risks and unsafe conditions.
- Comply with all applicable environmental laws and regulations.
- Ensure that CCHP has obtained and renews all necessary licenses, permits, and approvals.

- Employ the proper procedures and controls in the identification, handling, storage and disposal of toxic, hazardous, and biohazardous materials and waste to prioritize minimizing exposure. Please see the Employee Handbook for more information about Health and Safety.

No Discrimination, Bullying, Harassment, or Violence

CCHP does not tolerate violent statements, behaviors or actions on workplace premises. Discrimination based on age, gender, gender identity, gender expression, race, color, religion, religious creed, national origin, sex, sexual orientation, citizenship, marital status, mental disability, physical disability, genetic information, military status, veteran status, medical condition, or any additional characteristic protected by law is also not tolerated. People who engage in harassment, threatening, abusive, or violent behavior, whether on or off duty, may be referred to the Health Services Personnel Office for further action including and up to termination.

Non-Solicitation and Distribution

Employees are prohibited from soliciting others, including members and colleagues, during work hours if such solicitation is not part of their job duties. Solicitation includes, but is not limited to, requests for donations, contributions to charities, support for political organizations, requests or encouragement to patronize a particular business, and/or merchandise purchases.

Solicitation by distribution of non-CCHP literature is also prohibited. Distribution includes placing or handing out advertising materials, handbills, and other printed and written literature. Employees may not use CCHP stationery, supplies, computers, or equipment for solicitation or distribution purposes.

Requests from outside people or organizations to sell merchandise, solicit contributions, distribute literature, arrange displays, or use CCHP facilities should be referred to the Health Services Personnel Office, a director, or any supervisor.

Additional Guides and Resources

All members of the CCHP community are expected to behave responsibly and with integrity. Compliance is the responsibility of everyone. This Code does not cover every situation you may encounter but provides the framework that guides our mission and actions.

This Code is supplemented by the **CCHP Policies and Procedures.**

If you have questions, would like to report a violation of the code, or need additional guidance, you may contact your supervisor, manager, or the Compliance department directly.

Revised and Updated November 2025

Contra Costa Health Services

Administration	Conflict of Interest Code/Annual Reporting Requirements	Policy #	104-A
		Original Date:	03/04
		Revised:	04/2018
		Supersedes:	225 04/2013

PURPOSE

The purpose of this policy is to be in compliance with the Political Reform Act and the Fair Political Practices Commission. The Political Reform Act (Gov. Code § 81000, et seq.) requires state and local government agencies to adopt and promulgate conflict of interest codes. The Fair Political Practices Commission has adopted a regulation (2 Cal. Code of Regs. § 18730) which contains the terms of a standard conflict of interest code. After public notice and hearing it may be amended by the Fair Political Practices Commission to conform to amendments in the Political Reform Act. Therefore, the terms of 2 California Code of Regulations Section 18730 and any amendments to it duly adopted by the Fair Political Practices commission are hereby incorporated by reference. This regulation and the attached Appendix designating officials and employees and establishing disclosure categories, shall constitute the conflict of interest code of the Health Services Department of Contra Costa County.

Designated employees shall file their statements with the Health Services Personnel Officer who will make the statements available for public inspection and reproduction. (Gov. Code § 81008.) Statements for all designated employees will be retained by the Health Services Personnel Office of Contra Costa County.

Reference for Conflict of Interest Code – The Fair Political Practices Commission regulation 18730.

The Health Services Director or designee may determine in writing that a consultant is hired to perform a range of duties that is limited in scope and thus is not required to comply with disclosure requirements. The determination shall include the consultant's duties and the reasons for the determination. The written determination is a public record and shall be retained for public inspection.

EXHIBIT "B"

Disclosure Categories

Category "1": **Designated Employees Must Report:**

(a) All investments, interests in real property, and sources of income (including loans and gifts), and any business entity in which the designated employee is a director, officer, partner, trustee, employee, or holds any position of management. These financial interests are reportable only if located within Contra Costa County or if the business entity is doing business, or is planning to do business, in the County (and such plans are known by the designated employee) or has done business within the County at any time during the two years prior to the filing of the statement.

(b) Investments in any business entity, income (including loans and gifts) from any source and status as a director, officer, partner, trustee, employee, or holder of a position of management in any business entity, which has within the last two years contracted or foreseeably may contract with Contra Costa County, or with any public agency within Contra Costa County, to provide services, supplies, materials, machinery or equipment to either party.

Category "2": **Designated Employees Must Report:**

Investments in any business entity, income (including loans and gifts) from any source, and status as a director, officer, partner, trustee, employee, or holder of a position of management in any business entity, which has within the last two years contracted, or foreseeably may contract, with Contra Costa County to provide services, supplies, materials, machinery or equipment to the Health Services Department.

CONTRA COSTA COUNTY

Staff Report

File #: 26-2767 **Agenda Date:** 6/23/2026 **Agenda #:** C.140.

To: Board of Supervisors

From: Dr. Grant Colfax, Health Services Director

Report Title: Approval of Letter of Intent and Allocation to Village of Hope-Pittsburg, LLC

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Health Services Director, or designee, to execute a Letter of Intent, stating the County's intent to allocate $2,250,000 to Village of Hope-Pittsburg, LLC for the development of the "Village of Hope" supportive housing project in Pittsburg, California to permanently set aside five (5) units for transitional age youth who are experiencing homelessness and who are diagnosed with a serious behavioral health condition.

FISCAL IMPACT:
$2,250,000 in Behavioral Health Services Act (BHSA) funds are identified for capital development under the Housing Interventions component of the 3-year Integrated Plan that was approved by the Board on March 17, 2026.

BACKGROUND:
As a result of Proposition 1, Contra Costa Behavioral Health began preparing for the implementation of Behavioral Health Services Act and the preparation of a new 3-year integrated plan by conducting an extensive community outreach and planning process. Among the findings of this community planning effort was the need for additional services for transitional age youth (TAY), particularly housing. Hope Solutions, through their ownership entity, Village of Hope-Pittsburg, LLC, is developing a new permanent supportive housing project will meet this identified community need by creating 15 new permanent supportive housing units in Pittsburg for TAY. As a result of the $2,250,000 funding allocation, 5 units of the development will be set aside on a permanent basis for TAY who are experiencing homelessness and who are diagnosed with a serious behavioral health condition.

CONSEQUENCE OF NEGATIVE ACTION:
If this action is not approved, CCBHS will lose the opportunity to fund a project meeting identified community needs to establish additional dedicated housing for TAY with serious behavioral health conditions who are also experiencing homelessness.

Report Title: Purchase Order with Convergint Technologies LLC

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:

APPROVE and AUTHORIZE the Purchasing Agent, or designee, to execute on behalf of the Health Services Director, a purchase order with Convergint Technologies LLC in an amount not to exceed $268,436 and a Participating Addendum for a metal detector system for the Contra Costa Regional Medical Center (CCRMC) effective upon the date of the final signature through February 18, 2029, subject to approval by the County Administrator and approval as to form by County Counsel.

FISCAL IMPACT:

Approval of this action will result in an expenditure of up to $268,436 and will be funded by Hospital Enterprise Fund I revenues.

BACKGROUND:

Convergint Technologies LLC will supply a metal detector system from Xtract One (US) Technologies Inc., featuring AI-powered solutions to improve safety and operational efficiency. Assembly Bill 2975 requires hospitals to install automated weapons detection devices at entrances.

Convergint is an approved Sourcewell vendor. Sourcewell, a cooperative purchasing organization, competitively awarded Master Agreement #121024-CTL to Convergint Technologies LLC for facility security systems, equipment, and software related services. Xtract One (US) Technologies Inc. is authorized to sell products under this agreement.

CONSEQUENCE OF NEGATIVE ACTION:

If this action is not approved, CCRMC will be unable to purchase a metal detector system to protect staff and patients and will not comply with AB 2975.

To: Board of Supervisors

From: Dr. Grant Colfax, Health Services Director

Report Title: Grant Agreement #78-112 with Advocates for Human Potential, Inc.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Health Services Director, or designee, to execute, on behalf of the County, Program Funding Agreement #78-112 with Advocates for Human Potential, Inc., and any related certification documents as required by the grant, to pay County an amount not to exceed $43,730,635.34 for the development of the Delta Recovery Center, which will be located on the County-owned property located in Antioch between Laurel Road, Neroly Road, Live Oak Avenue and State Route 4 and having Assessor's Parcel Number 053-060-028; and AUTHORIZE the Public Works Director, or designee, to execute a regulatory agreement and declaration of restrictions, and any property related transaction documents, as required by the grant, all subject to final approval by the County Administrator and approval as to form by County Counsel.

FISCAL IMPACT:
Approval of this Program Funding Agreement will result in the County receiving up to $43,730,635.34 in funding from the State Department of Health Care Services through its administrator, Advocates for Human Potential, Inc., under State Prime Contract #24-40117. County match of up to $4,373,063.53 is required and funded 4.7% ($2,061,250) by property equity funds and 5.3% ($2,311,813) by Mental Health Services Act (MHSA) funds.

BACKGROUND:
In March of 2024, California voters approved Proposition 1, a two-bill package amending the Mental Health Services Act (Senate Bill 326) and the Behavioral Health Bond Infrastructure Act of 2024 (Assembly Bill 531) to develop and expand an array of community behavioral health treatment and residential facilities through a competitive grant program administered by the California Department of Health Care Services (DHCS) with up to $4.4 billion dollars available statewide known as the Behavioral Health Continuum Infrastructure Program (BHCIP). On November 12, 2024, the Board of Supervisors approved the Behavioral Health Services Division's request to apply for several projects. In response to the County's application, the County has been awarded up to $43,730,635.34 in grant funds for the construction of the Delta Recovery Center, a sixteen (16)-bed residential facility designated as a Social Rehabilitation Facility for the County, and a sixteen (16)-bed Mental Health Rehabilitation Center. The services to be provided at the recovery center include twenty-four (24)-hour support and intensive therapeutic services for adults struggling with mental health or co-occurring mental health and substance use conditions.

To receive the grant funds, the County is required to enter into Program Funding Agreement #78-112

(Agreement) with Advocates for Human Potential, Inc. (AHP), which is the grant administrator for DHCS for the Agreement. Under the terms of the Agreement, the County:

- Must develop construction plans and specifications, approved by AHP, and provide proof of a construction contract with a General Contractor.
- Is responsible for any cost overages and must return any excess funds upon construction completion.
- Must maintain an ongoing updated project budget.
- Must allow a Regulatory Agreement and Declaration of Restrictions to be recorded against the portion of the County-owned property that will be the site of the recovery center, restricting the use of the site for 30 years.
- Must provide a Phase I environmental study.
- Must indemnify both AHP and DHCS.

Approval of the Agreement will allow the County to receive funds for the construction of the Delta Recovery Center. The term of the Project Funding Agreement begins upon execution of the Agreement and continues through June 30, 2030, by which time the project funds must be expended, and the recovery center must be open and operational. This Agreement includes an indemnification provision requiring the County to indemnify, defend and hold harmless AHP and the State for any claims arising out of County's performance under the Agreement, and for any claims and/or liabilities arising out the County's failure to maintain the contractually required insurance policies, including Builder's Risk Insurance.

CONSEQUENCE OF NEGATIVE ACTION:
If this Grant Agreement is not approved the County will not receive this funding to support the development and construction of the Delta Recovery Center.

CONTRA COSTA COUNTY

Staff Report

File #: 26-2844 **Agenda Date:** 6/23/2026 **Agenda #:** C.143.

To: Board of Supervisors

From: Ann Elliott, Human Resources Director

Report Title: Biometrics4ALL LLC contract extension

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Director of Human Resources, or designee, to execute a contract amendment agreement with Biometrics4ALL LLC, formerly known as Biometrics4ALL, Incorporated, to provide live scan fingerprinting and related services, and to extend the contract term through June 30, 2027, with no change to the payment limit of $628,000.

FISCAL IMPACT:
The fiscal impact of this contract is borne by the hiring departments that utilize the service (100% User Departments).

BACKGROUND:
In 2020, the County approved a contract with Biometrics4All, Incorporated, to provide a technology service platform via ApplicantServices.com that facilitates and streamlines fingerprinting services to hire new candidates and an expanded network of available locations. A subsequent amendment and extension was approved with the contractor in June 2025. The platform allows candidates to directly schedule appointments at various locations throughout the State of California. The contractor collects and retains all completed live scan applications on behalf of the County per the California Department of Justice legal requirements for a period of one year. The service provided by the contractor not only takes the health and safety of the candidates and County staff into consideration; it also brings efficiency and convenience to applicants requiring fingerprinting services.

Biometrics4ALL, Incorporated, converted from a Corporation to a Limited Liability Company in 2024. The LLC is registered with the California Secretary of State as Biometrics4ALL LLC with an initial filing date of August 21, 2024. The amendment reflects the change in name and business entity status.

CONSEQUENCE OF NEGATIVE ACTION:
If this contract amendment is not approved, the County will be unable to offer fingerprinting and related services provided by Biometrics4ALL LLC for new hire candidates, thereby impacting the onboarding processes of County departments.

CONTRA COSTA COUNTY

Staff Report

File #: 26-2834 **Agenda Date:** 6/23/2026 **Agenda #:** C.144.

To: Board of Supervisors

From: Dr. Grant Colfax, Health Services Director

Report Title: Establish the classification of Chief Operating Officer - Exempt, in the Contra Costa Health department

☐Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
ADOPT Position Adjustment Resolution No. 26610 to establish the classification of Chief Operating Officer - Exempt (VAB4) at salary plan and grade B85-1032 ($30,833.10 - $37,477.82) in the Contra Costa Health Department. (Unrepresented)

FISCAL IMPACT:
There is no fiscal impact associated with establishing this classification. If a position in this classification is added in a future action, all costs associated with salary and benefits will be funded by Hospital Enterprise Fund I and will be offset by cancellation of comparable position.

BACKGROUND:
The Department requests to establish this new classification as part of the recent re-organization of Contra Costa Health. This single-position classification will provide executive-level leadership and be accountable for the overall operational and financial performance of all divisions. Establishing this classification strengthens fiscal stewardship, supports long-term planning, and aligns financial management with the Department's broad and complex service responsibilities. County Counsel will amend the Ordinance as required for exempting positions from the merit system, pending Board approval.

CONSEQUENCE OF NEGATIVE ACTION:
If not approved, the Department's ability to effectively manage a large and complex healthcare system serving county residents may be impacted due to the absence of a dedicated executive role responsible for departmentwide operational coordination, executive accountability, and implementation of strategic initiatives.

Contra Costa County **Class Code: XXXX**

Chief Operating Officer, Contra Costa Health

Class specifications are intended to present a descriptive list of the range of duties performed by employees in the class. Class specifications are not intended to reflect all duties performed within the job.

DEFINITION:

Under direction of Contra Costa Health's Director of Health Services, serves as a senior executive responsible for the overall operational performance, administrative functions, and service delivery of Contra Costa Health (CCH). Provides enterprise-wide operational leadership; develops and implements high standards of service excellence; promotes fiscal efficiency; and ensures a clear and consistent focus on improving patient and community health outcomes.

DISTINGUISHING CHARACTERISTICS:

This single-position executive classification is distinguished by its department-wide operational oversight for Contra Costa Health, including Contra Costa Regional Medical Center, affiliated Health Centers, Contra Costa Health Plan, Behavioral Health, and Community Health and Safety divisions such as Public Health and Health, Housing and Homelessness. The incumbent sets clear operational goals, establishes accountability, and ensures effective, efficient delivery of high-quality, cost-conscious public health services.

Reporting to the Director of Health Services, the CCH Chief Operating Officer collaborates with executive leaders to develop strategy, align resources, and enhance organizational effectiveness across Contra Costa Health.

MINIMUM QUALIFICATIONS:

Education: Possession of a master's degree from an accredited college or university in public health, hospital or healthcare administration, business or public administration, social or behavioral sciences, health sciences, social work, or a closely related field.

Experience: Seven (7) years of full-time (or equivalent) progressively responsible professional management experience within a healthcare or human services organization. This experience must include at least three (3) years in an executive-level leadership role within a large, complex, and diverse public or nonprofit organization providing health or human services.

TYPICAL TASKS:

- Partner with the Director of Health Services and executive team to drive the implementation of Contra Costa Health's mission, strategic priorities, and organizational goals

- Serves as the Director of Health Services' designee in their absence, ensuring continuity of executive leadership, decision-making, and operational performance
- Plans, develops, and implements long-term system objectives, including modernization initiatives, service expansion, and strategies to support sustainable organizational growth
- Oversee department-wide operations to improve transparency, reduce duplication, increase efficiency, and implement consistent standards and best practices across the organization
- Develops and maintains collaborative working relationships with other County departments to strengthen coordination, promote innovation, and optimize service delivery
- Leads the adaptation of organizational systems and operations to effectively respond to evolving healthcare delivery models, financing structures, and managed care environments
- Collaborates with the CCH Chief Financial Officer in the financial management of CCH, including long-term budget planning and alignment of operational and fiscal strategy
- Provides oversight to Deputy Directors across all CCH divisions, ensuring alignment with organizational priorities and performance standards
- Oversee executive responses to regulatory and inspection findings, ensuring compliance, accountability, and continuous improvement across the health system
- Performs related executive duties as required to support overall system performance and strategic objectives

KNOWLEDGE, SKILLS, AND ABILITIES:
Knowledge of:

- Principles and practices of public health system organization and administration, including system planning, governance, and service delivery in complex, integrated environments
- Applicable federal, state, and local laws and regulations governing California health systems, including managed care, reimbursement, and compliance requirements
- Performance improvement methodologies, including problem-solving techniques, root-cause analysis, and continuous quality improvement principles
- Core operational functions such as human resources, compliance, information systems, workplace safety, and risk management
- Principles and best practices of public health and healthcare management
- Cost-control and operational efficiency strategies applicable to large, multi-service health systems

Ability to:

- Provide executive leadership and direction across a large, complex, multi-service public health system
- Lead and inspire a diverse workforce, building high-performing teams and engaging effectively with staff at all levels
- Translate organizational mission and strategic priorities into actionable operational plans with measurable outcomes
- Establish accountability, develop and empower leaders, and align team strengths with organizational priorities
- Drive execution across a complex system while maintaining focus on strategic priorities and adapting to evolving operational demands
- Ensure compliance with applicable laws, regulations, accreditation standards, and oversight requirements
- Think strategically and systemically to anticipate emerging trends and risks and position the organization for long-term success
- Exercise sound executive judgment by integrating data, experience, and insight to make timely, effective decisions; take responsibility for mistakes appropriately
- Create accountability mechanisms to mitigate future problems
- Build organizational and workforce capacity through strong systems, processes, and talent development
- Navigate conflict and competing priorities transparently, ensuring stakeholders feel heard and understand decision-making rationale
- Identify operational challenges and develop constructive policies and procedures to address them
- Balance delivery of high-quality care with fiscal responsibility and budgetary constraints
- Stay current on emerging trends, innovations, and policy developments in healthcare administration

From: Dr. Grant Colfax, Health Services Director

Report Title: ADOPT Ordinance 2026-012 amending Section 33-5.313 of the County Ordinance Code to exempt from the merit system the new classification of Chief Operating Officer-Exempt. (No fiscal impact)

☐Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
ADOPT Ordinance 2026-012 amending Section 33-5.313 of the County Ordinance Code to exempt from the merit system the new classification of Chief Operating Officer-Exempt. (No fiscal impact)

FISCAL IMPACT:
There is no fiscal impact for this action. If a position in this classification is added in a future action, all costs associated with salary and benefits will be funded by Hospital Enterprise Fund I and will be offset by cancellation of a comparable position.

BACKGROUND:
The Department is requesting to establish the classification of Chief Operating Officer-Exempt as part of the recent re-organization of Contra Costa Health. This single-position classification will provide executive-level leadership and be accountable for the overall operational and financial performance of all divisions. Establishing this classification strengthens fiscal stewardship, supports long-term planning, and aligns financial management with the Department's broad and complex service responsibilities. County Counsel will amend the Ordinance as required for exempting positions from the merit system, pending Board approval.

CONSEQUENCE OF NEGATIVE ACTION:
If not approved, the Department's ability to effectively manage a large and complex healthcare system serving county residents may be impacted due to the absence of a dedicated executive role responsible for departmentwide operational coordination, executive accountability, and implementation of strategic initiatives.

ORDINANCE NO. 2026-12
(Exclude from the Merit System the new classification of Chief Operating Officer-Exempt)

The Contra Costa County Board of Supervisors ordains as follows (omitting the parenthetical footnotes from the official text of the enacted or amended provisions of the County Ordinance Code):

SECTION I: Section 33-5.313 of the County Ordinance Code is amended to exclude from the merit system the new classification of Chief Operating Officer-Exempt, and to read as follows:

33-5.313 - Health-medical.

(a) Classifications appointed by the Board of Supervisors
- (1) The director of health services is excluded and is appointed by the board.
- (2) The county health officer (Health and Safety Code Section 101000) is excluded and is appointed by the board.
- (3) The county physician (Health and Safety Code Section 1441) is excluded and is appointed by the board.
- (4) The county (local) director of mental health services (Welfare and Institutions Code Section 5607, 9 Cal. Code of Regulations Sections 620 et seq.) is excluded and is appointed by the board.

(b) General Executive and Administrative classifications
- (1) The assistant to the health services director-exempt is excluded and is appointed by the director of health services.
- (2) The assistant directors of health services are excluded and are appointed by the director of health services.
- (3) The health services administrative officer is excluded and is appointed by the director of health services.
- (4) The health services personnel and payroll manager-exempt is excluded and is appointed by the director of health services.
- (5) The chief operations officer-exempt is excluded and is appointed by the director of health services.
- (6) The emergency medical services director-exempt is excluded and is appointed by the director of health services.
- (7) The medical directors are excluded and are appointed by the director of health services.
- (8) The chief deputy public administrator-exempt is excluded and is appointed by the director of health services.
- (9) The county compliance and HIPAA privacy officer-exempt is excluded and is appointed by the director of health services.
- (10) The chief of plant operations-exempt is excluded and is appointed

by the director of health services.

(11) The deputy director of health services-exempt is excluded and is appointed by the director of health services.

(12) The health services chief financial officer-exempt is excluded and is appointed by the director of health services.

(13) The chief operating officer-exempt is excluded and is appointed by the director of health services.

(c) County Hospital and Clinics classifications

(1) The Contra Costa Regional Medical Center chief executive officer-exempt is excluded and is appointed by the director of health services.

(2) The chief medical officer-exempt is excluded and is appointed by the director of health services.

(3) The residency director-exempt is excluded and is appointed by the director of health services.

(4) The associate medical director-exempt is excluded and is appointed by the director of health services.

(5) The chief quality officer-exempt is excluded and is appointed by the director of health services.

(6) The director of patient financial services is excluded and is appointed by the director of health services.

(7) The chief nursing officer-exempt is excluded and is appointed by the director of health services.

(8) Physicians and dentists serving the county (except those in the classifications of assistant health officer, and chief of community health services) are excluded and are appointed by the director of health services.

(d) Contra Costa Health Plan (CCHP) classifications

(1) The chief executive officer, Contra Costa Health Plan-exempt is excluded and is appointed by the director of health services.

(2) The deputy executive director, Contra Costa Health Plan-exempt is excluded and is appointed by the director of health services.

(3) The director of marketing, member services, and public relations-Contra Costa Health Plan is excluded and is appointed by the director of health services.

(4) The health plan services assistant-exempt is excluded and is appointed by the director of health services.

(e) Information Technology classifications

(1) The health services information technology director-exempt is excluded and is appointed by the director of health services.

(2) The assistant health services information technology director-project management-exempt is excluded and is appointed by the director of health services.

(3) The assistant health services information technology director-application development-exempt is excluded and is appointed by the director of health services.
(4) The assistant health services information technology director-customer support-exempt is excluded and is appointed by the director of health services.
(5) The assistant health services information technology director-infrastructure-exempt is excluded and is appointed by the director of health services.
(6) The assistant health services information technology director-information security-exempt is excluded and is appointed by the director of health services.

(f) Environmental & Mental Health classifications
(1) The mental health education liaison-exempt is excluded and is appointed by the director of health services.
(2) The director of environmental health services is excluded and is appointed by the director of health services.
(3) The director of hazardous materials programs-exempt is excluded and is appointed by the director of health services.
(4) The executive assistant to the hazardous materials commission-exempt is excluded and is appointed by the director of health services.

(Ord. Nos. 2026-12 §1, 06-23-2026; 2025-08 §1, 04-1-2025; 2022-26 § 1, 07-26-2022; 2021-15 § 1, 04-27-21; 2019-18 § 1, 06-11-19; 2018-09 § 1, 03-20-18; 2018-02 § 1, 01-09-18; 2017-06 § 1, 6-6-17; 2016-20 § I, 11-8-16; 2016-09 § I, 4-12-16; 2013-04 § I, 3-19-13; 2011-14 § 1, 8-9-11; 2011-06 § 1, 3-22-11; 2010-13 § 1, 9-28-10; 2009-16 § 1, 8-25-09; 2009-09 § 1, 4-28-09; 2008-11 § I, 9-16-08; Ords. 2007-37 § 1; 2005-28 § 1; 2004-11 § 1; 2003-32 § 1; 99-23; 98-11 § 1; 98-5 § 1; 97-25 § 1; 97-13 § 1; 96-31 § 1; 93-3 § 1; 92-2 § 1; 90-124 § 1; 90-55; 86-97; 86-32; 85-50 § 2; 83-9; 1-70 § 2; 81-32 § I[5]; 80-69 § 1; 80-34 § 1; 80-6; 79-29; 79-9 § 3: § 32-2.602 (7, 13, 16): prior code § 2413 (g, n, r): Ords. 69-81, 2030, 471: Bd. Sups. Resol. # 79/201)

Report Title: Execute a Purchase Order with Dell Technologies

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:

APPROVE and AUTHORIZE the Purchasing Agent, on behalf of the Chief Information Officer, to execute a purchase order with Dell Technologies in an amount not to exceed $80,000, subject to Dell's Terms of Sale and National Association of State Procurement Officials contract 23026, for the purchase of Dell equipment and hardware to refresh computer equipment for the Department of Information Technology to ensure technology is current and to maintain a secure environment.

FISCAL IMPACT:

The cost of this product is included in the Department's FY 25-26 budget (100% User Departments).

BACKGROUND:

The Department of Information Technology (DoIT) is committed to keeping technology current to effectively support working. As multiple units within DoIT purchase computer equipment for refresh, it is essential to ensure that all devices remain secure and are not exposed to vulnerabilities. Keeping hardware current also ensures compatibility with supported versions of Windows operating systems, which is critical for receiving security updates, protecting sensitive data, and maintaining a secure computing environment.

The National Association of State Procurement Officials contract 23026 includes a limitation of liability capping Dell's liability to two times the amount paid by County for the products or services given rise to the claim in the 12 months preceding the event.

Dell's Terms of Sale include a mutual indemnity clause between the County and Dell. The terms also include a limitation of liability limiting Dell's liability to amount paid by County to Dell in the 12 months prior to the claim.

This purchase is being made under sole source justification for continuity of service. The sole source was approved by Purchasing on April 8, 2026.

CONSEQUENCE OF NEGATIVE ACTION:

This purchase is an important component of maintaining reliable and secure information technology operations. Without updated computer hardware, DoIT may face challenges in supporting system performance, addressing technical issues, and applying necessary security updates. Over time, this could increase system vulnerability, reduce efficiency, and heighten the risk of downtime, service disruptions, and exposure to security risks that may impact County services.

Report Title: Amendment for the SANS Institute Master Training Services Agreement

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:

APPROVE and AUTHORIZE the Chief Information Officer, or designee, to execute an amendment to the Master Training Services Agreement (MTSA) between the County and Escal Institute of Advanced Technologies, Inc., dba SANS Institute, dated December 17, 2024, modifying the term language from the MTSA automatically terminating at the completion of all existing statements of work subject to the MTSA, to a fixed 12-month term, that will make the current term December 23, 2025 through December 22, 2026, with the 12-month renewal term starting December 23, 2026.

APPROVE and AUTHORIZE future purchase orders for statements of work with SANS Institute issued pursuant to the terms of the MTSA, provided that each such purchase order includes a payment limit of $200,000 or less, and the terms of the MTSA have not substantially changed.

FISCAL IMPACT:

The costs will be borne by each County Department requesting services through SANS.

BACKGROUND:

The Board of Supervisors approved the terms of the Master Training Services Agreement (MTSA) with Escal Institute of Advanced Technologies, Inc., dba SANS Institute (SANS) on December 17, 2024, however the approval was limited to the terms of the purchase order being executed in conjunction with the MTSA. The Department of Information Technology (DoIT) and SANS agree to amend section 5.1 of the MTSA to clarify the term of the agreement. The MTSA would remain in effect until either party requests termination with 60 days' written notice.

The goal of DoIT's security team is to protect the County's digital infrastructure, systems, and sensitive data from cyber threats, ensuring secure, uninterrupted public services. In today's digital landscape, county organizations face an ever-growing array of cybersecurity threats. To effectively safeguard the county systems and data, it is imperative that information technology security staff have the most up-to date skills and training. The MTSA with SANS provides a versatile approach to cybersecurity training, enabling any department within the County to customize their training programs, and ensure that their staff are well-prepared to handle current

and emerging cyber threats.

The SANS MTSA contains a limitation of SANS liability to the total payments received by SANS for products or services under the agreement during the 12-month period immediately preceding the date when cause of action arises, including attorney fees. Under the agreement, the County is obligated to indemnify SANS against third party claims based on County's breach of the terms of the agreement or in performing the agreement.

CONSEQUENCE OF NEGATIVE ACTION:

If not approved, the County may have fewer opportunities to strengthen the advanced skills needed to address evolving cybersecurity threats. Approving SANS training would help enhance the County's ability to protect systems, data, and services while supporting overall security readiness.

From: Marc Shorr, Information Technology Director

Report Title: Contract with Ensono, Inc.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:

APPROVE and AUTHORIZE the Chief Information Officer, or designee, to execute a contract with Ensono, Inc. for mainframe migration and hosted managed services in an amount not to exceed $10,112,687, including $1,700,747 allocated for the mainframe migration and $1,682,388 allocated for the annual hosting fee, for the period of July 1, 2026, through January 31, 2032.

FISCAL IMPACT:

14% General Fund and 86% User Departments, all of which are funded in FY 26-27.

BACKGROUND:

The County currently operates a legacy mainframe system that supports nine critical applications used across multiple departments. As part of the County's broader modernization initiative, these applications must be migrated off the mainframe to ensure continued operational stability, mitigate risk, and reduce technical debt.

To support this transition, the County plans to move the applications to an intern platform that preserves functionality and accessibility. This interim solution will act as a bridge until the applications can be fully modernized, rehosted, on current technology to a modern, cloud-based environment in alignment with the County's long-term information technology (IT) strategy.

To assist with this effort, the County issued Request for Proposal 2411-858 to assess the existing mainframe environment and develop a modernization approach. Ensono was selected as the vendor and completed a mainframe assessment to help define and solidify the County's modernization plan. Under the proposed agreement, Ensono will perform the mainframe migration and provide hosted managed services for the applications being transitioned off the mainframe.

The contract includes a limitation of liability provision that generally caps each party's total aggregate liability arising out of or relating to the agreement at $10,000,000, except for the County's payment obligations and damages resulting from either party's gross negligence or willful misconduct, which are not subject to the cap.

CONSEQUENCE OF NEGATIVE ACTION:
If this is not approved, this could make future modernization efforts more complex and resource-intensive and may slow progress toward the County's long-term IT goals.

From: Marc Shorr, Information Technology Director

Report Title: Contract amendment with AT&T Enterprises LLC

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:

APPROVE and AUTHORIZE the Chief Information Officer, or designee, to execute a contract amendment for contract number 4932100 with AT&T Enterprises LLC, utilizing the California Department of Technology Agreement with AT&T Enterprises LLC, for network engineer support services to increase the payment limit by $3,206,900 to a new payment limit of $12,406,900, and to extend the term from June 30, 2026, to June 30, 2027.

FISCAL IMPACT:

The cost of this product is included in the department's FY 26-27 budget (100% User Departments).

BACKGROUND:

An integral unit within the Department of Information Technology is the Wide Area Network (WAN) group, which functions as the foundational infrastructure through which all County information technology systems are accessed by employees. Several years ago, the Department capitalized on the opportunity to utilize the California Department of Technology's CALNET contract with AT&T to benefit from their extensive expertise in WAN services. This partnership provided the County with access to a team of highly skilled professionals offering continuous, 24/7 monitoring and support, thereby ensuring prompt resolution of network issues and uninterrupted service for critical public safety operations.

The managed WAN services delivered by AT&T under the State of California's pre-competed CALNET contract have consistently met the County's operational needs and performance expectations. Accordingly, the department seeks to extend the use of this contract-available to all local governmental entities in California-for an additional year.

This AT&T contract incorporates by reference the existing CALNET Agreement Number C4-DNCS-19-001-40 between AT&T and the California Department of Technology, which includes predetermined hourly rates for network engineering services. This agreement, awarded to AT&T through a competitive procurement process on April 15, 2020, currently has a not-to-exceed amount of $9,200,000 and remains in effect through June 30, 2026. Pursuant to the proposed amendment, the contract limit will be increased by $3,206,900, resulting in a

new total of $12,406,900, and the term will be extended through June 30, 2027.

CONSEQUENCE OF NEGATIVE ACTION:

If this contract amendment is not approved, the County will be significantly impaired and unable to provide an adequate level of service to any County department.

From: Marc Shorr, Information Technology Director

Report Title: Budget Amendment No. BDA-26-00622

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:

APPROVE Budget Amendment No. BDA-26-00622 authorizing the transfer of appropriations in the amount of $40,000 from the Department of Information Technology (0147) to Public Works Internal Service Fund Fleet Services (0064) for the purchase of one 2026 Toyota Camry Sedan.

FISCAL IMPACT:

The action increases appropriations in the Fleet Internal Service Fund (0064) and reduces appropriations in the Department of Information Technology (0147). (100% User Department)

BACKGROUND:

The Department of Information Technology (DoIT) has four divisions whose staff routinely travel to County facilities throughout the County to support business operations, attend meetings and training, transport equipment, and perform on-site technical work. In particular, DoIT's Network Services staff regularly travel to County offices and facilities to install, maintain, and troubleshoot critical technology and communications infrastructure that supports County departments and operations. At present, employees frequently use their personal vehicles to perform these work-related duties. This practice is not ideal and raises concerns regarding liability, equity, and the appropriate use of personal resources for County business.

To support operational needs and ensure safer, more consistent transportation for staff, DoIT is requesting the purchase of a new departmental vehicle. The Toyota Camry is a mid-size sedan equipped with a hybrid/electric I-4 engine offering improved fuel efficiency, advanced safety and driver-assist features, substantial trunk capacity for transporting equipment and materials, and a range of interior monitoring and safety sensors. These features make it a reliable and cost-effective choice to meet the department’s ongoing transportation requirements.

CONSEQUENCE OF NEGATIVE ACTION:

DoIT staff will continue using personal vehicles for County business travel, limiting the Department's ability to

provide a consistent and efficient transportation option for operational and technical support activities.

To: Board of Supervisors

From: Marc Shorr, Information Technology Director

Report Title: Contract amendment with Carahsoft Technology Corp. for continued professional services provided by Accenture, LLP

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:

APPROVE and AUTHORIZE the Chief Information Officer, or designee, to execute a contract amendment with Carahsoft Technology Corp., providing for an additional four weeks of implementation support for Apptio's Technology Business Management platform and increasing the contract payment limit by $39,000, from $220,000 to $259,000, with no change to the contract term ending September 15, 2026.

FISCAL IMPACT:

The cost of this purchase is included in the department's FY 25-26 budget (100% User Departments).

BACKGROUND:

On October 21, 2025, the Board of Supervisors approved a contract with Carahsoft Technology Corp. for professional services provided by Accenture, LLP to implement Apptio's Technology Business Management (TBM) platform, including the Information Technology (IT) Planning, Cost Transparency, and Billing modules, as well as post-implementation support services.

The Apptio implementation supports the Department of Information Technology's efforts to modernize IT financial management practices by improving budget planning, cost transparency, service costing, and chargeback capabilities.

During implementation, competing organizational priorities impacted the availability of key resources needed to support certain project activities. Additional implementation support is therefore required to complete the remaining project objectives and ensure a successful deployment of the Apptio platform.

The proposed amendment adds a new implementation milestone providing four additional weeks of professional services support and increases the contract payment limit by $39,000 to compensate for the additional work required to complete the project.

The contract is being awarded under the Cloud Solutions National Association of State Procurement Officials

ValuePoint Contract AR2472, which was approved by the Board of Supervisors on May 13, 2025. This procurement vehicle allows the County to leverage competitively bid state cooperative contracts while ensuring compliance with public contracting requirements.

CONSEQUENCE OF NEGATIVE ACTION:

If this contract is not approved, the County may experience delays in implementing the Apptio TBM platform, which supports the modernization of IT financial management practices.

Report Title: Contract Amendment with Guidehouse

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:

APPROVE and AUTHORIZE the Chief Information Officer, or designee, to execute a contract amendment with Guidehouse, Inc., changing the scope of work to allow for additional required Workday optimization support services to the Health Services Department and to increase the total payment limit by $167,384 from $776,000 to a new total amount not to exceed $943,384, with no change to the term through March 16, 2029.

FISCAL IMPACT:

Expenditures will be funded by 100% Hospital Enterprise Fund I.

BACKGROUND:

In April 2023, Contra Costa County successfully launched its Workday Financial Management System, replacing the County's 40-year-old legacy financial system. Since implementation, the County has relied on post-production support to maintain system stability, address production issues, and support continuous improvement.

In 2025, the Department of Information Technology conducted a competitive Request for Proposals for managed Workday post-production services, resulting in the award of Contract #50718 to Guidehouse, Inc. The agreement includes a limitation of liability capping Guidehouse's liability at five million dollars.

As Workday usage expands across County departments, the need has arisen for a contract structure that allows multiple departments, including Health Services Department, to add scopes of work under a shared master agreement.

Approval of the amendment will allow the Contractor to provide additional services including Workday optimization support for the Health Services Department.

CONSEQUENCE OF NEGATIVE ACTION:

If this amendment is not approved, the County will be unable to add separate departmental scopes of work

under the master Guidehouse agreement. Contra Costa Health will not be able to initiate its Workday optimization work, and department-specific production support, reporting improvements, and configuration updates could be delayed.

Report Title: Increase in purchase order with Asana Inc.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:

APPROVE and AUTHORIZE the Purchasing Agent, on behalf of the Chief Information Office, to execute a purchase order amendment with Asana, Inc. to increase the payment limit by $3,000 to $78,000 to add AI Studio Plus Platform to improve the operational efficiency of enterprise applications, with no change to the existing term expiring December 31, 2026.

FISCAL IMPACT:

The cost of this product is included in the Department's FY 25-26 budget (100% User Departments).

BACKGROUND:

The Department of Information Technology (DoIT) uses Asana to collaborate and manage tasks more efficiently. The platform provides intuitive task management features that allow staff to create projects, assign tasks, set due dates, organize work across boards, and track progress in real time. The Department uses Asana to streamline workflows, improve communication, and enhance overall productivity through its flexible project views, integrations, customization options, and user-friendly interface.

AI Studio Plus Platform is designed to assist enterprise applications with interpreting context with a focus on logic, conditions, and dynamic decision making. While Asana Enterprise provides strong governance, security, and reporting capabilities, the additional AI layer will reduce repetitive work and improve speed, standardization, and overall operational efficiency at scale.

The terms and policies under Asana's Public Entity Amendment to Asana Subscriber Terms (Amendment) contain a limitation of liability provision, whereby the County agrees to limit the liability of Asana for any breach of the agreement, as modified by the Amendment, to the total fees paid in 12 months prior to the claim arising.

The current purchase order #33993 was procured per the sole source which was approved by Purchasing on 4/22/2025.

CONSEQUENCE OF NEGATIVE ACTION:

If this is not approved, the Department will have a difficult time managing large scale advantages, particularly as workload complexity continues to grow.

From: Alison McKee, County Librarian

Report Title: Update Library Open Hours for the Pittsburg Library

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
ADOPT a resolution to decrease the Pittsburg Library open hours to 40 hours per week effective August 1, 2026.

FISCAL IMPACT:
No impact to Library fund.

BACKGROUND:
In accordance with the Library Lease and Service Agreement between the County and the City of Pittsburg, the City of Pittsburg informed the County Librarian that due to a structural deficit in the city's budget, the City will not fund any extra hours at the Pittsburg Library starting on August 1, 2026. Since October 3, 2022 the City of Pittsburg has funded twelve (12) additional weekly open hours to supplement the county-provided forty (40) weekly open hours.

CONSEQUENCE OF NEGATIVE ACTION:
If library hours are not updated, the Pittsburg Library will remain open for 52 hours per week with the County responsible for the cost of the twelve (12) extra hours.

THE BOARD OF SUPERVISORS OF CONTRA COSTA COUNTY, CALIFORNIA

and for Special Districts, Agencies and Authorities Governed by the Board

IN THE MATTER OF MODIFYING THE OPEN HOURS OF THE LIBRARY

WHEREAS, on June 9, 2026, the Board of Supervisors adopted Resolution No. 2026/206, authorizing a change in open hours for the Library that deviated from the standard operating hours (8am - noon; 1pm - 5pm) set under County Ordinance No. 22-2.202; and

WHEREAS, the Library wishes to continue its practice of offering hours beyond what is prescribed in County Ordinance No. 22-2.202 to better accommodate the needs of the public; and

WHEREAS, Contra Costa cities hosting County Library branches have the option to fund up to sixteen (16) open hours above the forty (40) open hour schedule funded by the County Library; and

WHEREAS, the City of Pittsburg has notified the County that it will eliminate funding for additional hours for the Pittsburg Library beginning August 1, 2026;

NOW, THEREFORE, BE IT RESOLVED that effective August 1, 2026:

1. Contra Costa County Library Hours and Information are hereby modified and approved as shown in Attachment A; and

2. This resolution supersedes and replaces Resolution No. 2026/206, which was adopted by the Board on June 9, 2026.

Report Title: APPROVE and AUTHORIZE the County Librarian, or designee, to close the Antioch Library for renovations on Tuesday, September 1, 2026, and reopen to the public on approximately February 16, 2027.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the County Librarian, or designee, to close the Antioch Library for renovations on Tuesday, September 1, 2026, and reopen to the public on approximately February 16, 2027.

FISCAL IMPACT:
The closure is due to renovations, funded by $591,600 (68%) Measure X Funds, $182,700 (21%) California State Library Building Forward Grant Funds, and $95,700 (11%) Library Funds.

BACKGROUND:
On November 4, 2025, the Board of Supervisors authorized the Public Works Department to award the construction contract for the Antioch Library Electrical System Upgrades Project to Vantis. The project will consist of upgraded electrical and lighting systems and ADA upgrades as triggered and required by the 2022 California Building Code, including parking lot and entryway upgrades. Due to the planned renovations, the library branch will be closed September 1, 2026, through approximately September 16, 2027.

CONSEQUENCE OF NEGATIVE ACTION:

If the branch is not closed, the renovations will not be able to proceed.

Report Title: Accept Friends of the Orinda Library Donation for supporting eBook collections

RECOMMENDATIONS:
APPROVE and AUTHORIZE the County Librarian, or designee, to accept a donation in the amount of $15,000 from Friends of the Orinda Library to support eBook collections.

FISCAL IMPACT:
$15,000 Library Fund. No County match is required.

BACKGROUND:
The Library Department has received a $15,000 donation from Friends of the Orinda Library to augment eBook collections. Per Administrative Bulletin 117.7, Gifts and Bequests to the County, "receipt of each gift or bequest having a value of $10,000 or more requires acceptance or rejection by the Board of Supervisors."

CONSEQUENCE OF NEGATIVE ACTION:
The Library will be unable to receive the donation revenue.

From: Alison McKee, County Librarian

Report Title: Contract amendment no. 2 with Ax9 Security, Inc.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:

APPROVE and AUTHORIZE the County Librarian, or designee, to execute a contract amendment with Ax9 Security, Inc., to increase the payment limit by $210,000 to an amount not to exceed $1,720,000 to add security guard hours at the Walnut Creek Library and self-service Sundays at the Pittsburg and San Pablo libraries, with no change to the term through June 30, 2028.

FISCAL IMPACT:

$193,000 Library Fund; $17,000 City of Walnut Creek.

BACKGROUND:

The County's Public Works Purchasing Department conducted a formal competitive bid process in late 2024 on behalf of the Library Department and awarded the bid to Ax9 Security, Inc.
On May 20, 2025, the Board of Supervisors approved a Contract with Ax9 Security, Inc for unarmed security services on an as-needed basis at the Martinez, Concord, San Pablo, and Walnut Creek Libraries. The Contract term is July 1, 2025, through June 30, 2028, and the payment limit was $1,510,000.

In accordance with the Library Lease and Service Agreement between the County and the City of Walnut Creek, on Friday May 22, 2026, the City of Walnut Creek informed the County Librarian that the City will fund sixteen (16) extra hours at the Walnut Creek Library for fiscal year 2026-2027, which will increase the Walnut Creek Library's weekly open hours from fifty-two (52) to fifty-six (56). This increase in open hours necessitates and amendment to this contract for added security guard services at a cost of $17,000 during the additional 4 weekly open hours, which will be funded by the City of Walnut Creek.

On March 17, 2026, the Board of Supervisors approved an amendment to adjust the Concord Sunday security guard hours, add Sunday security guard hours at San Pablo and Pittsburg libraries, and add a meal penalty rate for Sunday services. The additional $193,000 will fund Self-Service Sundays security services at the Pittsburg and San Pablo Libraries.

Government Code Section 31000 authorizes the County to contract for services including the services that Ax9 Security, Inc. provides.

CONSEQUENCE OF NEGATIVE ACTION:
If the contract is not approved, the security guard services will not be available from 6:00-8:00 p.m. on Wednesday and Thursday evenings at the Walnut Creek Library, and funds will run out for the services before the contact termination date.

Report Title: Contract with Imperial County Office of Education for high-speed networking services through June 30, 2031.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the County Librarian, or designee, to execute a contract with Imperial County Office of Education in an amount not to exceed $151,649 annually to provide county libraries with high-speed networking services for the period of July 1, 2026, through June 30, 2031.

FISCAL IMPACT:
100% Library Fund. The annual payment will be $151,649. Applied e-Rate discounts will reduce the payment by $132,235 to make the annual net cost $19,414.

BACKGROUND:
The Library Department respectfully requests the Board to authorize the County Librarian to execute a contract with Imperial County Office of Education to provide county libraries with high-speed networking services. Imperial County Office of Education provides these services as the Statewide Broadband Aggregator on behalf of the California State Library as part of the California State Library Broadband Services Project, and so this contract is being sought with a sole-source justification.

The terms of the contract include mutual indemnification language which were reviewed by County Counsel.

This contract is entered into under and subject to the following legal authority: California Government Code §31000.

CONSEQUENCE OF NEGATIVE ACTION:
The Library will not be able to provide Internet access in library facilities to the residents of Contra Costa County.

Report Title: Rane Community Development Contract Amendment

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the County Probation Officer, or designee, to execute a contract amendment with Rane Community Development, increasing the payment limit by $77,075 to a new payment limit of $544,075 and to extend the contract term from June 30, 2026 to December 31, 2027, to continue providing consultant services for the restorative justice pilot project.

FISCAL IMPACT:
This contract is funded 100% with Measure X Funds.

BACKGROUND:
The Contra Costa County Probation Department is leading a Restorative Justice initiative that provides alternatives to traditional justice system responses. The initiative supports programs and partnerships that address harm through dialogue and repair, with a focus on youth and others at risk of justice system involvement.

The project includes training for local organizations, the expansion of school-based alternatives to suspension, and the development of a shared framework to support community restorative practices. By involving schools, families, and community leaders, the initiative seeks to reduce conflict, improve safety, and strengthen connections to education, support services, and community resources.

During FY 2024-25, Probation advanced several recommendations from the prior year by: piloting a victim-centered restorative justice project for youth and supporting emerging organizations in applying restorative justice practices. In collaboration with Rane Community Development (RaneCD), Probation procured services to pilot a youth violence prevention project using restorative justice interventions and wraparound support. Following a competitive process, Antioch Unified School District was awarded a two-year, $1.15 million contract, with services set to begin at elementary and middle schools in the 2025-26 academic year. Additionally, Probation and RaneCD launched the East County Restorative Justice Capacity Building Project, awarding five East County youth-serving CBOs $60,000 each to participate in a training cohort. This amendment adds additional trainings to be held by RaneCD.

CONSEQUENCE OF NEGATIVE ACTION:
The Probation Department will be unable to move forward with the community-based restorative pilot program.

Report Title: Inter-County Placement Amendment County of Sonoma

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the County Probation Officer, or designee, to execute a contract amendment with the County of Sonoma for the continued placement of wards in their facility at the increased annual rate of $403 per ward per day for the period July 1, 2026 through June 30, 2027

FISCAL IMPACT:
This is 100% funded by the Juvenile Justice Realignment Block Grant.

BACKGROUND:
With the closure of the Division of Juvenile Justice (DJJ), the responsibility for youth offenders transferred from state to local jurisdictions. DJJ was one of the few facilities in the State that offered Sex Offender Treatment to juveniles. To continue this same specialized treatment, local jurisdictions worked together to develop a regional model for Juvenile Sex Offender Treatment. Sonoma County has been designated as one of the regional locations to provide this program.

The Probation Department has had an agreement with the County of Sonoma since 2021. In the renewal agreement, effective September 1, 2024, the County of Sonoma added language to the contract to allow it to renew in perpetuity with the review of rates each new year. Each renewal will also align with the fiscal year, from July 1st through June 30th.

For Fiscal Year 2026-27, the daily placement rate has increased to $403 per ward per day from $390 of the previous fiscal year. The Department is requesting Board approval of the updated rate and authorization to execute the amendment reflecting the new rate for the period of July 1, 2026, through June 30, 2027, to ensure continued access to specialized juvenile sex offender treatment services.

CONSEQUENCE OF NEGATIVE ACTION:
If unapproved, Probation will be unable to place juvenile sex offenders at the County of Sonoma facility for treatment.

To: Board of Supervisors

From: Warren Lai, Public Works Director/Chief Engineer

Report Title: ADOPT Traffic Resolution No. 2026/4558 for parallel parking only on a segment of Vaqueros Avenue, as recommended by the Public Works Director, Rodeo Area.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
ADOPT Traffic Resolution No. 2026/4558 for parallel parking only on the west side of Vaqueros Avenue (Road No. 1795AA), beginning at the southwest curb of Fourth Street (Road No. 1794B) and extending southerly to the northwest curb of Seventh Street (Road No. 1795A), Rodeo area. (District I)

FISCAL IMPACT:
No fiscal impact.

BACKGROUND:
Traffic Engineering staff were contacted by a resident who resides on Vaqueros Avenue in Rodeo. The resident expressed concern with vehicles that frequently park perpendicularly on the wide dirt shoulder, west of the southbound lane of Vaqueros Avenue. She indicated that this action caused unsafe conditions for motorists traveling southbound on Vaqueros Avenue.

Staff conducted a site visit on 5/27/2026 and observed multiple vehicles parked perpendicularly near the roadway on the west side dirt shoulder. Transportation Engineering staff recommends establishing a parallel parking only restriction on the west side of Vaqueros Avenue.

Based on field observations, staff determined that implementing parallel parking only restrictions in this area would improve sight lines and enhance overall traffic safety for vehicles that are parked in this section to enter southbound Vaqueros Avenue safely.

The parallel parking only restriction will give local authorities the ability to enforce the California Vehicle Code.

CONSEQUENCE OF NEGATIVE ACTION:
Parking will remain unrestricted at this location.

THE BOARD OF SUPERVISORS OF CONTRA COSTA COUNTY, CALIFORNIA

Adopted this Traffic Resolution on June 23, 2026 by the following vote:

AYES:

NOES:

ABSENT:

TRAFFIC RESOLUTION NO. 2026/4558

ABSTAIN: Supervisorial District I

SUBJECT: Parallel parking at all times on a segment of Vaqueros Avenue (Road No. 1795AA), Rodeo area.

The Contra Costa County Board of Supervisors RESOLVES that:

Based on recommendations by the County Public Works Department's Transportation Engineering Division, and pursuant to County Ordinance Code Sections 46-2.002 - 46-2.012, the following traffic regulation is established:

Pursuant to Section 22502 of the California Vehicle Code, parallel parking is hereby declared at all times on the west side of Vaqueros Avenue (Road No. 1795AA), beginning at the southwest curb of Fourth Street (Road No. 1794B) and extending southerly to the northwest curb of Seventh Street (Road No. 1795), Rodeo area.

I hereby certify that this is a true and correct Copy of an action taken and entered on the minutes of the Board of Supervisors on the date shown.

Report Title: Approve to fully close a portion of Lomas Cantadas on July 4, 2026 from 5:00 a.m., through July 5, 2026 5:00 a.m., for the purpose of curbing illegal activity and for fire safety during the July 4th holiday, Orinda area.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
ADOPT resolution approving and authorizing the Public Works Director, or designee, to fully close a portion of Lomas Cantadas, on July 4, 2026, from 5:00 a.m., through July 5, 2026 5:00 a.m., for the purpose of curbing illegal activity and for fire safety during the July 4th holiday, Orinda area. (District II)

FISCAL IMPACT:
None.

BACKGROUND:
As part of a multiagency effort, including the City of Oakland, City of Berkeley, City of Orinda, East Bay Regional Park District and other agencies, the Public Works Department is requesting a road closure on Lomas Cantadas for the July 4th holiday. The road closure is being requested to curb illegal activity and for fire safety in the area.

CONSEQUENCE OF NEGATIVE ACTION:
Public Works Department will be unable to close the road to curb illegal activity and for fire safety during the July 4th holiday.

THE BOARD OF SUPERVISORS OF CONTRA COSTA COUNTY, CALIFORNIA

and for Special Districts, Agencies and Authorities Governed by the Board

IN THE MATTER OF: Approving and Authorizing the Public Works Director, or designee, to fully close a portion of Lomas Cantadas, on July 4, 2026, from 5:00 a.m., through July 5, 2026, 5:00 a.m., for the purpose of curbing illegal activity and for fire safety during the July 4th holiday, Orinda area. (District II)

RC26-34

NOW, THEREFORE, BE IT RESOLVED that permission is granted to the Public Works Department to fully close Lomas Cantadas, except for emergency traffic, local residents, US Postal Service and garbage trucks, on July 4, 2026, for the period of 5:00 a.m., through July 5, 2026 5:00 a.m., subject to the following conditions:

1. Traffic will be detoured via roads identified in a traffic control plan. Emergency vehicles, residents within the event area and essential services will be allowed access as required.

2. All signing to be in accordance with the California Manual on Uniform Traffic Control Devices.

3. Public Works Department shall comply with the requirements of the Ordinance Code of Contra Costa County.

4. Obtain approval for the closure from the Sheriff's Office, the California Highway Patrol and the Fire District.

5. Public Works Department shall maintain a 20-foot wide emergency vehicle lane at all times through the entire length of the closure.

Report Title: Accepting completion of warranty period for the Subdivision Agreement, release of cash deposit, and declaring multiple roads as County Roads, for subdivision SD05-09037, Danville area.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
ADOPT Resolution accepting completion of the warranty period for the Subdivision Agreement, release of cash deposit for faithful performance, and declaring multiple roads as County Roads, subdivision SD05-09037, for a project developed by Shapell Homes, a Division of Shapell Industries, Inc., a Delaware Corporation, as recommended by the Public Works Director, Danville area. (District II)

FISCAL IMPACT:
100% Developer Fees.

BACKGROUND:
The road improvements have met the guaranteed performance standards for the warranty period following completion and acceptance of the improvements. The warranty period was extended and developer ownership was maintained at the developer's request to maintain access control while homes were constructed.

The emergency vehicle access (EVA) between Robert Duchi Way and Connemara Court is not being accepted as a County Road as it was only dedicated for emergency access.

CONSEQUENCE OF NEGATIVE ACTION:
The developer will not receive a refund of the cash deposit, the Subdivision Agreement and performance/maintenance surety bond will not be exonerated.

ABSTAIN:	
RECUSE:	

Resolution No.

IN THE MATTER OF: Accepting completion of the warranty period for the Subdivision Agreement, release of cash deposit for faithful performance, and declaring multiple roads as County Roads, subdivision SD05-09037, for a project developed by Shapell Homes, a Division of Shapell Industries, Inc., a Delaware Corporation, as recommended by the Public Works Director, Danville area. (District II)

WHEREAS, on July 24, 2012, this Board resolved that the improvements in subdivision SD05-09037 were completed as provided in the Subdivision Agreement with Shapell Homes, a Division of Shapell Industries, Inc., a Delaware Corporation and now on the recommendation of the Public Works Director;

The Board hereby FINDS that the improvements have satisfactorily met the guaranteed performance standards for the period following completion and acceptance.

NOW, THEREFORE, BE IT RESOLVED that the Public Works Director is AUTHORIZED to:

REFUND the $42,900.00 cash deposit (Auditor's Deposit Permit No.467242, dated July 13, 2006) plus interest to Shapell Homes, a Division of Shapell Industries, Inc., a Delaware Corporation in accordance with Government Code Section 53079, if appropriate, Ordinance Code Section 94-4.406, and the subdivision agreement.

BE IT FURTHER RESOLVED that the warranty period has been completed and the Subdivision Agreement and surety bond, Bond No. 929532270, dated August 23, 2011, issued by The Continental Insurance Company, are EXONERATED.

BE IT FURTHER RESOLVED that Massara Street, Turanian Court, Robert Duchi Way, Percheron Court, Charbray Street and Connemara Court are ACCEPTED and DECLARED to be a County road as shown and dedicated for public use on the map of subdivision SD05-09037 filed November 14, 2011, in Book 513 of FINAL Maps at page 33, Official Records of Contra Costa County, State of California.

Report Title: 1400 Willow Pass Road, 1410 and 1420 Danzig Plaza Concord - Health Services Department

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:

APPROVE and AUTHORIZE the Public Works Director, or designee, to execute the purchase and sale agreement between the County and 1400 Canzani Commercial LLC, 1410 Canzani Commercial LLC and 1420 Canzani Commercial LLC (together, Sellers) for the County's purchase of three properties located at 1400 Willow Pass Road, 1410 and 1420 Danzig Plaza Concord (collectively, Property) for use by the Health Services Department. The contracted sales price for the Property is $5,950,000. The agreement includes a provision that limits the Sellers' aggregate liability to two percent (2%) of the Purchase Price and provides that the Sellers will not be liable for consequential, punitive, speculative, or lost-profit damages. The agreement also requires the County to indemnify, defend and hold Sellers harmless from and against any and all injuries, damages, claims, costs, expenses or liabilities arising from County or County's designated persons' or agent's entry onto the Property, including but not limited to attorneys' fees and costs.

DETERMINE that the purchase of the Property is not subject to the California Environmental Quality Act (CEQA), pursuant to Article 5, Section 15061(b)(3) of the CEQA Guidelines because it can be seen with certainty that there is no possibility that the acquisition of the property itself may have a significant effect on the environment.

DIRECT the Director of the Department of Conservation and Development (DCD), or designee, to cause a Notice of Exemption (NOE) to be filled with the County Clerk and the State Clearinghouse.

AUTHORIZE the Public Works Director, or designee, to arrange for payment of a $50 fee to the County Clerk for filing the NOE.

ACCEPT the Grant Deed from Sellers for the purchase of the Property.

AUTHORIZE the Auditor-Controller's Office to wire approximately $5,970,000, payable to Old Republic Title Company, 555 12th Street, Suite 200 Oakland, CA 94607, for credit to Escrow Numbers 1117031182-JM, 1117030776-JM, and 1117030777-JM, Attn: Julie Massey, Escrow Officer, which amount is equal to the Purchase Price and estimated closing costs.

DIRECT the Real Estate Division to have this staff report and a certificate of acceptance delivered to Old Republic Title Company for recording in the Office of the County Recorder.

FISCAL IMPACT:
The total purchase price for the acquisition of the properties located at 1400 Willow Pass Road, 1410 Danzig Plaza, and 1420 Danzig Plaza, Concord, is approximately $5,970,000. Funding for the acquisition will be provided entirely through Mental Health Realignment funds.

The acquisition will eliminate approximately $154,000 in annual lease costs currently incurred by the Health Services Department for 1420 Danzig Plaza. Any future capital improvement and renovations associated with these properties will be evaluated separately and brought forward through the appropriate budget and approval processes, as necessary.

BACKGROUND:
The County has operated the Health Services Department's Behavioral Health Central County Adult Clinic at 1420 Danzig Plaza, Concord, under a lease agreement since September 1, 1998. The clinic provides critical behavioral health services to Central County residents and serves as an established access point for ongoing mental health treatment and support services.

The building, along with the adjacent properties located at 1400 Willow Pass Road and 1410 Danzig Plaza, has been listed for sale on the open market. Acquisition of these properties will allow the County to maintain continuity of behavioral health operations at this long-standing service location and avoid the potential risk of displacement and service disruption that could occur if the properties were purchased by a third party. Relocation of the clinic on short notice could negatively impact vulnerable clients who rely on consistent access to care and established service relationships.

In addition to preserving existing services, acquisition of the adjacent properties will provide the Health Services Department with the opportunity to expand and co-locate additional Behavioral Health and other Health Services Department programs in a centralized campus setting. This may improve operational coordination, client access to services, and reduce future leased space needs and associated rental costs. The current action, acquisition of the properties, effectuates a change in the owner of title to the properties only. The use of the property will not be substantially different after the close of escrow. Therefore, staff recommends that the Board determine that the acquisition is not subject to CEQA as it can be seen with certainty that there is no possibility that the acquisition of the property itself may have a significant effect on the environment. The County will evaluate any future improvements in accordance with CEQA Guidelines

A notice of this Board's intention to consider this property acquisition at today's meeting was duly published in the Contra Costa Times in compliance with Government Code Sections 25350 and 6063.

CONSEQUENCE OF NEGATIVE ACTION:
If this acquisition is not approved, the County may lose the ability to continue operating the Behavioral Health Central County Adult Clinic at its current location if the properties are purchased by a third party. This could result in the need to vacate the site on short notice, causing significant disruption to behavioral health services provided to the community, interruption of care for vulnerable clients, and additional costs associated with relocating services. Failure to acquire the adjacent properties would also limit future opportunities to expand and co-locate additional Health Services Department programs in Central County.

PURCHASE AND SALE AGREEMENT BETWEEN CONTRA COSTA COUNTY AND 1400 Canzani Commercial, LLC, 1410 Canzani Commercial, LLC, 1420 Canzani Commercial, LLC

This purchase and sale agreement ("Agreement") is dated June 23rd, 2026, and is between CONTRA COSTA COUNTY, a political subdivision of the State of California, ("Buyer") and 1400 CANZANI COMMERCIAL LLC, 1410 CANZANI COMMERCIAL LLC and 1420 CANZANI COMMERCIAL LLC, each a California Limited Liability Company (collectively, "Seller").

R E C I T A L S

Seller is the owner of the real property located at 1400 Willow Pass Road, a 1.41 acre vacant land parcel, the real property located at 1410 Danzig Plaza, a 1.03 acre parcel improved with a 14,484 square foot office building, and the real property located at 1420 Danzig Plaza, a 0.74 acre parcel improved with a 14,374 square foot office building, all in Concord, California, as more particularly described in Exhibit A attached hereto (collectively, the "Property"). A portion of the Property is currently occupied by STAND! For Families Free of Violence ("Tenant") pursuant to a lease dated June 30, 1967, as amended and modified from time to time.

Buyer wishes to purchase the Property, subject to the terms of this Agreement. Seller desires to sell the Property to Buyer, subject to the terms of this Agreement.

The Effective Date of this Agreement is the date on which it is executed on behalf of the Buyer following final approval of the Agreement by the Contra Costa County Board of Supervisors. If final approval of the Agreement by the Contra Costa County Board of Supervisors is not granted on or before June 23, 2026, Seller shall have the right, in Seller's sole discretion, to terminate this Agreement upon written notice to Buyer, whereupon neither party shall have any further rights or obligations hereunder except those expressly stated to survive termination. On the signing of this Agreement, Seller agrees not to rescind the Agreement until June 24, 2026, in the event that final approval by the Contra Costa County Board of Supervisors is not obtained as described herein.

A G R E E M E N T

NOW THEREFORE, for good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, the parties agree as follows:

1. **Purchase and Sale.** Subject to the terms and conditions in this Agreement, Seller agrees to sell, and Buyer agrees to purchase, the Property.

2. **Purchase Price.** The purchase price for the Property is $5,950,000 ("Purchase Price").

3. **Conditions to Buyer's Performance.** The Buyer's obligation to perform under this Agreement is subject to the following conditions:

   a. Seller's representations and warranties in this Agreement being correct as of the date of this Agreement and as of the Close of Escrow.

   b. Seller's performance of all its obligations under this Agreement.

   c. The vesting of title to the Property in the Buyer by grant deed in fee simple absolute, free and clear of all liens, assessments, leases except as disclosed herein, and taxes, excepting non-monetary easements, matters of survey, standard utility exceptions and those deemed acceptable to Buyer and identified in Section 4(b), below (the "Approved Exceptions").

   d. The Title Company (as defined below) being prepared to issue a CLTA title insurance policy in the full amount of the Purchase Price, subject only to the Approved Exceptions (the "Title Policy").

   e. If the Buyer determines that any of these conditions have not been met, Buyer shall deliver written notice to Seller specifying the condition(s) alleged to be unsatisfied. Seller shall have ten (10) business days after receipt of such notice to cure such condition(s). If Seller fails to cure such condition(s) within such period, Buyer shall have the right to terminate this Agreement by delivering written notice to Seller and, if applicable, the Title Company. Any deposits made into escrow shall be returned to the party making the deposit upon the termination of the Agreement, including but not limited to, any portion of the Purchase Price.

4. **Escrow.** By this Agreement, the parties establish an escrow account with Old Republic Title Company, 555 12th Street, #2000, Oakland, California, ("Title Company"), having Escrow No. 1117031182-JM, 1117030776-JM, and 1117030777-JM ("Escrow").

   a. Fees and Title Insurance. Upon the Close of Escrow, (i) the Buyer shall pay all recording fees to record the Grant Deed, as defined below, the premium charged for the Title Policy, the escrow fees, and (ii) Seller shall pay for any city and county transfer taxes. Buyer and Seller shall share equally all other closing costs incurred in the transaction.

   b. Seller's Deposit into Escrow. On or before the Close of Escrow, Seller will deliver into Escrow the following documents:

      i. A grant deed, in recordable form and properly executed on behalf of Seller in a form approved by Buyer ("Grant Deed") included in Exhibit B conveying to the

Buyer the Property in fee simple absolute, subject only to the Approved Exceptions, as follows:

1400 Willow Pass Road Concord, Approved Exceptions 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, and 24 listed in the preliminary title report, dated April 10, 2026, issued by Old Republic Title Company.

1410 Danzig Plaza Concord, , Approved Exceptions 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25 26, 27, and 28 listed in the preliminary title report, dated January 6, 2026, issued by Old Republic Title Company.

1420 Danzig Plaza Concord, , Approved Exceptions 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, and 24 listed in the preliminary title report, dated January 6, 2026, issued by Old Republic Title Company.

ii. Copies of any effective leases, rental agreements, and any other agreements affecting the Property that the Buyer has agreed in writing are to remain in effect after the Buyer takes title.

iii. Seller's affidavit of nonforeign status as contemplated by Section 1445 of the Internal Revenue Code of 1986, as amended [26 USCA § 1445].

iv. Seller's affidavit as contemplated by the Revenue and Taxation Code §18662.

c. Property Taxes. All ad valorem real property taxes and any penalties and costs thereon, and all instruments of any bond or assessment that constitutes a lien on the Property, are to be cleared and paid by Seller as of the date title vests in the Buyer.

d. Buyer's Deposit into Escrow. On or before the Close of Escrow, Buyer will deposit the Purchase Price into Escrow.

e. Close of Escrow. Escrow shall close upon the conveyance of the Property to the Buyer ("Close of Escrow"), which shall occur on August 31, 2026 or sooner if agreed to by Buyer and Seller. On the closing date, the Title Company shall close Escrow as follows:

i. Record the Grant Deed, marked for return to the Buyer care of Jessica L. Dillingham, Principal Real Property Agent for Contra Costa County, which will be deemed delivery to the Buyer.

ii. Issue the Title Policy, if requested to do so by the Buyer.

iii. Prorate taxes, assessments, rents and other charges as provided in this Agreement.

iv. Disburse to the Seller the Purchase Price, less prorated amounts and charges to be paid by or on behalf of the Seller.

v. Prepare and deliver to both the Buyer and the Seller one signed copy of the Title Company's closing statement showing all receipts and disbursements of the Escrow.

If the Title Company is unable to simultaneously perform all of the instructions set forth above, the Title Company must notify the Seller and the Buyer and retain all funds and documents pending receipt of further instructions from the Buyer.

5. **Seller's Representations and Warranties.** Seller makes the following representations and warranties with the understanding that these representations and warranties are material and are being relied upon by Buyer. Seller represents and warrants to the Buyer that as of the date of this Agreement and as of the Close of Escrow:

a. Marketable Title. Seller is the owner of the Property and has marketable and insurable fee simple title to the Property clear of any liens and subject only to the Approved Exceptions. Except for those items which Seller has already disclosed to Buyer, no leases, licenses, or other agreements allowing any third-party rights to use the Property are or will be in force unless prior consent has been given by the Buyer in writing. Commencing with the full execution of this Agreement by both parties and until the Close of Escrow, Seller may not permit any liens, encumbrances or easements to be placed on the Property other than the Approved Exceptions, nor may Seller enter into any agreement that would affect the Property that would be binding on the Buyer after the Close of Escrow without the prior written consent of the Buyer.

b. Condition of the Property. Seller has disclosed to Buyer all information, records, and studies maintained by Seller in connection with the Property concerning hazardous substances and Seller is not concealing any knowledge of the presence of contamination or hazardous substances on, from, or under the Property. Any information that the Seller has delivered to the Buyer either directly or through Seller's agent is accurate and to Seller's actual knowledge and without independent investigation, Seller has not knowingly concealed any material adverse facts concerning the Property.

c. Other Matters Affecting Property. To the best of Seller's knowledge, there are not presently any actions, suits, or proceedings pending or threatened against or affecting the Property or the interest of Seller in the Property or its use that would affect Seller's ability to consummate the transaction contemplated by this Agreement. Further, there are not any outstanding and unpaid arbitration or judicial awards or judgements affecting title to any portion of the Property. Seller shall promptly notify Buyer of any of these matters arising in the future.

d. Seller's Agency. This Agreement and all other documents delivered prior to or at the Close of Escrow have been authorized, executed, and delivered by Seller, are binding obligations of the Seller, and are collectively sufficient to transfer all of Seller's rights to

the Property. In addition to any other remedies that may be available to the Buyer as the result of a breach of any of the foregoing warranties or representations, Seller agrees to defend and hold the Buyer harmless and reimburse the Buyer for any and all loss, cost, liability, expense, damage, or other injury, including without limitation, attorneys' fees, incurred by reason of, or in any manner resulting from the breach of any of the warranties and representations contained in this Agreement and all third-party claims arising out of or related to any facts or circumstances with respect to the period prior to the Close of Escrow. Seller's aggregate liability shall not exceed two percent (2%) of the Purchase Price. In no event shall Seller be liable for consequential, punitive, speculative, or lost-profit damages.

6. **Buyer's Representations and Warranties.** The Buyer warrants that upon approval of this Agreement by the Buyer's governing body, this Agreement constitutes a binding obligation of the Buyer.

7. **Hazardous Material.** The Seller hereby represents and warrants, to Seller's knowledge and without independent investigation, that during the period of Seller's ownership of the Property, there have been no disposals, releases or threatened releases of hazardous substances or Hazardous Materials on, from, or under the Property. Seller further represents and warrants that Seller has no knowledge of any disposal, release, or threatened release of hazardous substances or Hazardous Materials on, from, or under the Property that may have occurred prior to Seller taking title to the Property. Buyer acknowledges it has had full opportunity to conduct environmental investigations and accepts the Property in As-Is condition except in the event of Seller's actual fraud.

   As used in this Agreement, "**Hazardous Materials"** means any chemical, compound, material, mixture, or substance that is now or may in the future be defined or listed in, or otherwise classified pursuant to any Environmental Laws (defined below) as a "hazardous substance", "hazardous material", "hazardous waste", "extremely hazardous waste", infectious waste", toxic substance", toxic pollutant", or any other formulation intended to define, list or classify substances by reason of deleterious properties such as ignitability, corrosivity, reactivity, carcinogenicity, or toxicity. The term "Hazardous Materials" shall also include asbestos or asbestos-containing materials, radon, chrome and/or chromium, polychlorinated biphenyls, petroleum, petroleum products or by-products, petroleum components, oil, mineral spirits, natural gas, natural gas liquids, liquefied natural gas, and synthetic gas usable as fuel, perchlorate, and methyl tert butyl ether, whether or not defined as a hazardous waste or hazardous substance in the Environmental Laws.

   As used in this Agreement, "**Environmental Laws**" means any and all federal, state and local statutes, ordinances, orders, rules, regulations, guidance documents, judgments, governmental authorizations or directives, or any other requirements of governmental authorities, as may presently exist, or as may be amended or supplemented, or hereafter enacted, relating to the presence, release, generation, use, handling, treatment, storage, transportation or disposal of Hazardous Materials, or the protection of the environment or human, plant or animal health, including, without limitation, the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended by the Superfund Amendments and Reauthorization Act of 1986 (42 U.S.C. § 9601), the Hazardous

Materials Transportation Act (49 U.S.C. § 1801 *et seq*.), the Resource Conservation and Recovery Act (42 U.S.C. § 6901 *et seq*.), the Federal Water Pollution Control Act (33 U.S.C. § 1251 *et seq*.), the Clean Air Act (42 U.S.C. § 7401 *et seq*.), the Toxic Substances Control Act (15 U.S.C. § 2601 *et seq*.), the Oil Pollution Act (33 U.S.C. § 2701 *et seq*.), the Emergency Planning and Community Right-to-Know Act (42 U.S.C. § 11001 *et seq*.), the Porter-Cologne Water Quality Control Act (Cal. Water Code § 13000 *et seq*.), the Toxic Mold Protection Act (Cal. Health & Safety Code § 26100, *et seq*.), the Safe Drinking Water and Toxic Enforcement Act of 1986 (Cal. Health & Safety Code § 25249.5 *et seq*.), the Hazardous Waste Control Act (Cal. Health & Safety Code § 25100 *et seq*.), the Hazardous Materials Release Response Plans & Inventory Act (Cal. Health & Safety Code § 25500 *et seq*.), and the Carpenter-Presley-Tanner Hazardous Substances Account Act (Cal. Health and Safety Code, Section 25300 *et seq*.).

8. **Existing Leases.** The parties acknowledge that Buyer, as tenant, and Seller, as landlord, are parties to that certain Lease dated July 1, 2022 concerning the premises located at 1420 Danzig Plaza, Concord, California (the "Lease"). Pursuant to Section 23 of the Lease, the Lease is currently operating on a month-to-month basis. Notwithstanding anything to the contrary contained in the Lease, the parties agree that the Lease shall automatically terminate as of the Close of Escrow, without any further notice or obligation by either party. In addition, from and after the Effective Date of this Agreement and continuing forever after the Close of Escrow, Buyer and Seller each hereby waive and release any and all rights, claims, obligations, and remedies arising under Section 5(c) of the Lease.

9. **Survival**. All the terms, provisions, representations, warranties, and covenants of the parties under this Agreement shall survive the assignment, expiration, or termination of this Agreement and shall not merge in the deed or other documents following the delivery and recordation of the Grant Deed or other documents. Any claim for breach of any term, provision, representation, warranty or covenant is subject to the applicable statute of limitations.

10. **Right of Entry.** From and after the effective date of this Agreement and at all time until this Agreement is terminated or title vests in the Buyer, the Buyer, its agents, officers, employees, contractors, and affiliates have the right at all reasonable times to enter on the Property for the purposes of the Buyer, to conduct surveys, and studies and other construction pre-planning activities and site visits. Buyer will indemnify, defend and hold Seller harmless from and against any and all injuries, damages, claims, costs, expenses or liabilities arising from Buyer's or Buyer's designated persons' or agent's entry onto the Property, including but not limited to attorneys' fees and costs. Notwithstanding anything to the contrary in this Agreement, Buyer's indemnification obligations set forth in this Section shall survive the Closing, and shall survive the termination of this Agreement and Escrow prior to the Closing.

11. **Possession of the Property.** Subject to the Approved Exceptions and any leases or occupancy rights approved or assumed by Buyer pursuant to this Agreement, Seller shall deliver possession of the Property to Buyer at the Close of Escrow on an as-is, where-is basis. Buyer acknowledges that Seller shall not be deemed in default under this Agreement solely due to a tenant or occupant holdover existing at the Close of Escrow, provided Seller

has not entered into any new lease or occupancy agreement, or extended or amended existing leases, in violation of this Agreement.

12. **Assignment and Successors.** The Buyer has the right to assign all rights and obligations under this Agreement to any party. This Agreement inures to the benefit of and is binding upon the parties to this Agreement and their respective heirs, successors, and assigns. Buyer shall not be released from its obligations under this Agreement due to any assignment, and shall remain jointly and severally liable for the same with an assignee.

13. **Notices.** All notices (including requests, demands, approvals or other communications) under this Agreement shall be in writing. The place for delivery of all notices given under this Agreement is as follows:

    Seller: 1400 Canzani Commercial, LLC, 1410 Canzani Commercial, LLC, and 1420 Canzani Commercial, LLC
    P.O. Box 362
    Knightsen, CA 94548
    Telephone: (925) 783-3299

    Buyer: Real Estate Division/Principal Real Property Agent
    Contra Costa County Public Works Department
    40 Muir Road
    Martinez, CA 94553
    Telephone: (925) 655-3141

    Or to such other addresses as Buyer and Seller may designate by written notice to the other.

14. **Entire Agreement.** This Agreement contains the entire agreement of the parties and supersedes all other prior agreements and all negotiations leading up to the execution of this Agreement, whether oral or in writing, with respect to the Buyer's purchase of the Property. The parties acknowledge that no representations, inducements, promises, or statements, oral or otherwise, have been made that are not embodied or incorporated by reference herein. The parties further agree that no covenant, representation, inducement, promise, or statement not set forth in this Agreement is valid or binding.

15. **Construction.** The section headings and captions of this Agreement are, and the arrangement of this instrument is, for the sole convenience of the parties to this Agreement. The section headings, captions, and arrangement of this instrument do not in any way affect, limit, amplify, or modify the terms and provisions of this Agreement. This Agreement may not be construed as if it had been prepared by one of the parties, but rather as if both parties had prepared it. The parties to this Agreement have read and reviewed this Agreement and agree that any rule of construction to the effect that ambiguities are to be resolved against the drafting party do not apply to the interpretation of this Agreement. The Recitals are enforceable as part of this Agreement.

16. **Further Assistance.** Whenever requested to do so by the other party, each party shall execute acknowledge and deliver all further conveyances, assignments, confirmations, satisfactions, releases, powers of attorney, instruments of further assurance, approvals, consents and all further instruments and documents as may be necessary, expedient, or proper in order to complete all conveyances, transfers, sales, and assignments under this Agreement, and do all other acts and to execute acknowledge, and deliver all documents as requested in order to carry out the intent and purpose of this Agreement, provided such actions do not create additional liability or unreasonable expense to either party.

17. **Waiver.** A waiver or breach of any covenant or provision in this Agreement may not be deemed a waiver of any other covenant or provision in this Agreement, and no waiver is valid unless in writing and executed by the waiving party.

18. **Severability.** If any term or provision of this Agreement is held, to any extent, to be invalid or unenforceable, the remainder of this Agreement will not be affected.

19. **Governing Law.** This Agreement is governed by the laws of the State of California, and venue for any legal action shall be in Contra Costa County.

20. **Extension.** Seller shall have the sole right, in Seller's discretion, to extend the Close of Escrow for up to two (2) additional thirty (30) day periods. Any such extension shall be effective upon written notice from Seller to Buyer prior to the then-scheduled Close of Escrow date.

LEGAL DESCRIPTION

The land referred to herein below is situated in the city of Concord, in the County of Contra Costa, State of California, and is described as follows:

PARCEL ONE: Portion of the Rancho Monte Del Diablo, described as follows:

Beginning on the Northwest line of the parcel of land described in the Deed to V. Earl Mulkins, et ux, recorded September 15,1955 in Book 2610 of Official Records, at Page 293, distant thereon, North 57°17'15" East, 12 feet from the Southwest line of the parcel of land described in the Deed to Peter E. Canzani, recorded April 8,1938, Book 465 of Official Records, at Page 69; thence from said point of beginning, North 57°17'15" East, along the Northwest line of said Mulkins parcel, 205.91 feet to the Northeast line of said Mulkins parcel; thence North 32°42'45" West, along the direct extension, North 32°42'45" West, of said Northeast line, 25 feet; thence North 57°17'15" East, 61.09 feet; thence Northeasterly and Northwesterly, along the arc of a curve to the left with a radius of 75 feet, through a central angle of 96°02'24", an arc distance of 125.72 feet; thence North 38°45'09" West, tangent to the last curve, 96.02 feet to a line drawn parallel with and distant 2 feet Southeasterly, measured at right angles, from the South line of the strip of land described as Parcel One in the deed to Contra Costa County, recorded May 23, 1956, in Book 2772 of Official Records, at Page 598; thence South 51°14'51" West, along said parallel line, 315.33 feet; thence Southwesterly and Southeasterly, along the arc of a curve to the left with a radius of 20 feet, through a central angle of 83°57'36", an arc distance of 29.31 feet to a point which bears North 32°42'45" West, from the point of beginning; thence South 32°42'45" East, 150.31 feet to the point of beginning.

PARCEL TWO:

A right of way (not to be exclusive) for use as a roadway for vehicles of all kinds, pedestrians and animals, for water, gas, oil and sewer pipe lines, and for telephone, television service, electric light and power lines, together with the necessary poles or conduits, as an appurtenance to Parcel One above, over a portion of the Rancho Monte Del Diablo, described as follows: Commencing at the Southwest line of the parcel of land described in the Deed to Peter E. Canzani, recorded April 8, 193$, Book 465, Official Records, Page 69, at the Northwest line of the parcel of land described in the Deed to V. Earl Mulkins, et ux, recorded September 15, 1955, Book 2610, Official Records, Page 293, thence from said point of commencement North 57° 17' 15" East, along said Northwest line, 12 feet to the actual point of beginning of the herein described parcel of land; thence from said point of beginning, North 32° 42' 45" West, parallel with the South West line of said Canzani Parcel, 70 feet; thence Southeasterly arid Easterly along the arc of a curve to left with a radius of 20 feet, through a central angle of 90°, an arc distance of 31.42 feet; thence North 57° 17' 15" East, tangent to the last curve, 247 feet; thence Northeasterly and Northwesterly, along the arc of a curve to the left with a radius of 50 feet, through a central angle of 96° 02' 24", an arc distance of 83.81 feet; thence North 38° 45' 09" West, tangent to the last curve, 61.18 feet; thence Northwesterly and Southwesterly, along the arc of a curve to the left with a radius of 20 feet, tangent to the last course, an arc distance of 29.50 feet; thence South 56° 44' 11" West, tangent to the last curve, 156.11 feet

to line drawn parallel with and distant 2 feet Southeasterly, measured at right angles, from the South line of the strip of land described as Parcel One in the Deed to Contra Costa County, recorded May 23, 1956, Book 2772, Official Records, Page 598; thence North 51° 14' 51" East, along said parallel line, 396.96 feet; thence South 45° 45' 31" West, 156.11 feet; thence Southwesterly and Southeasterly, along the arc of a curve to the left with a radius of 20 feet, through a central angle of 84° 30' 40", an arc distance of 29.50 feet; thence South 38° 45' 09" East, tangent to the last curve, 61.18 feet; thence Southeasterly and Southwesterly, along the arc of a curve to the right with a radius of 100 feet, through a central angle of 96° 02' 24", an arc distance of 167.62 feet; thence South 57° 17' 15" West, tangent to the last curve, 267 feet to the point of beginning.

Excepting from Parcel Two: That portion thereof lying within Parcel One above.

APN:126-380-001-1

PARCEL ONE: Portion of the Rancho Monte Del Diablo, described as follows:

Commencing at the Southwest line of the parcel of land described in the Deed to Peter E. Canzani, recorded April 8, 1938, Book 465, Official Records, Page 69, at the Northwest line of the Parcel of land described in the Deed to V. Earl Mulkins, et ux, recorded September 15, 1955; Book 2610, Official Records, Page 293; thence from said point of commencement, North 57° 17' 15" East, along said Northwest line, 217.91 feet to the Northeast line of said Mulkins Parcel; thence North 32° 42'. 45" West, along the direct extension North 32° 42' 45" West of said Northeast line, 25 feet to the actual point of beginning of the herein described parcel of land; thence from said point of beginning, North 57° 17' 15"West, 61.09 feet; thence Northeasterly, along the arc of a curve to the left with a radius of 75 feet, through a central angle of 43° 46' 55", an arc distance of 57.31 feet; thence South 76° 29' 40" East, 46.12 feet; thence South 32° 42' 45" East, 78 feet; thence South 81° 52' 31" East, 74 feet to the West line of the parcel of land described as Parcel One in the Deed to the State of California, recorded September 17, 1959, Book 3455, Official Records, Page 137; thence South 08° 07' 29" West, along said West line, 545.62 feet to the Southeast line of said Canzani Parcel (465 O.R. 69); thence South 61° 22' 30" West, along said Southeast line, 24.56 feet to the East line of the parcel of land described in the Deed to Max V. Bently, et ux, recorded June 25, 1957, Book 3003, Official Records, Page 465; thence along the exterior line of said Bently Parcel, as follows: North 10° 40' 53" East, 309.47 feet, North 32° 42' 45" West, 100 feet and South 57° 17' 15" West, 32.20 feet, to the Northeast line of said Mulkins Parcel, (2610 O.R. 293); thence North 32° 42' 45" West, along said Northeast line and along the direct extension North 32° 42' 45" West, thereof, 225 feet to the point of beginning.

PARCEL TWO:

A right of way (not to be exclusive) for use as a roadway for vehicles of all kinds, pedestrians and animals, for water, gas, oil and sewer pipe lines, and for telephone, television service, electric light and power lines, together with the necessary poles or conduits, as an appurtenance to Parcel One above, over a portion of the Rancho Monte Del Diablo, described as follows: Commencing at the Southwest line of the parcel of land described in the Deed to Peter E. Canzani, recorded April 8, 1938, Book 465, Official Records, Page 69, at the Northwest line of the parcel of land described in the Deed to V. Earl Mulkins, et ux, recorded September 15, 1955, Book 2610, Official Records,

Page 293, thence from said point of commencement North 57° 17' 15" East, along said Northwest line, 12 feet to the actual point of beginning of the herein described parcel of land; thence from said point of beginning, North 32° 42' 45" West, parallel with the South West line of said Canzani Parcel, 70 feet; thence Southeasterly arid Easterly along the arc of a curve to left with a radius of 20 feet, through a central angle of 90°, an arc distance of 31.42 feet; thence North 57° 17' 15" East, tangent to the last curve, 247 feet; thence Northeasterly and Northwesterly, along the arc of a curve to the left with a radius of 50 feet, through a central angle of 96° 02' 24", an arc distance of 83.81 feet; thence North 38° 45' 09" West, tangent to the last curve, 61.18 feet; thence Northwesterly and Southwesterly, along the arc of a curve to the left with a radius of 20 feet, tangent to the last course, an arc distance of 29.50 feet; thence South 56° 44' 11" West, tangent to the last curve, 156.11 feet to line drawn parallel with and distant 2 feet Southeasterly, measured at right angles, from the South line of the strip of land described as Parcel One in the Deed to Contra Costa County, recorded May 23, 1956, Book 2772, Official Records, Page 598; thence North 51° 14' 51" East, along said parallel line, 396.96 feet; thence South 45° 45' 31" West, 156.11 feet; thence Southwesterly and Southeasterly, along the arc of a curve to the left with a radius of 20 feet, through a central angle of 84° 30' 40", an arc distance of 29.50 feet; thence South 38° 45' 09" East, tangent to the last curve, 61.18 feet; thence Southeasterly and Southwesterly, along the arc of a curve to the right with a radius of 100 feet, through a central angle of 96° 02' 24", an arc distance of 167.62 feet; thence South 57° 17' 15" West, tangent to the last curve, 267 feet to the point of beginning.

Excepting from Parcel Two:

That portion thereof lying within Parcel One above.

PARCEL THREE:

A right of way (not to be exclusive) for use as a roadway for vehicles of all kinds, pedestrians and animals, for water, gas, oil and sewer pipe lines, and for telephone, television service, electric light and power lines, together with the necessary poles or conduits, as an appurtenance to Parcel One above, over a portion of the Rancho Monte Del Diablo, described as follows:

Beginning at the Southwest line of the parcel of land described in the Deed to Peter E. Canzani, recorded April 8, 1938, Book 465, Official Records, Page 69, at the Northwest line of the parcel of land described in the Deed to V. Earl Mulkins, et ux, recorded September 15, 1955, Book 2610, Official Records, Page 293; thence from said point of beginning, North 57° 17' 15" East, along said Northwest line, 12 feet; thence North 32° 42' 45" West, parallel with said Southwest line, 150.31 feet; thence Northwesterly and Northeasterly along the arc of a curve to the right with a radius of 20 feet, through a central angle of 83° 57' 36", an arc distance of 29.31 feet to a line drawn parallel with and distant 2 feet Southeasterly, measured at right angles from the South line of the strip of land described as Parcel One in the Deed to Contra Costa County, recorded May 23, 1956, Book 2772, Official Records, Page 598; thence North 51° 14' 51" East, along said parallel line, 702.14 feet to the West line of the parcel of land described as Parcel One in the Deed to the State of California, recorded September 17, 1959, Book 3455, Official Records, Page 137; thence North 08° 07' 29" East, along said West line, 2.93 feet to the South line of said County parcel, (2772 O.R. 598); thence along said South line and along the Southwest line of said Canzani Parcel, as follows: South 51° 14' 51" West, 716.13 feet; Southwesterly and Southeasterly, along the arc of

a curve to the left with a radius of 20 feet, through a central angle of 83° 57' 36, an arc distance of 29.31 feet and South 32° 42' 45" East, 151.65 feet to the point of beginning.

APN: 126-380-007-8

PARCEL ONE: Portion of the Rancho Monte Del Diablo, described as follows:

Commencing at the southwest line of the parcel of land described in the Deed to Peter E. Canzani, recorded April 8, 1938, in Book 465 of Official Records, at Page 69, at the Northwest line of the parcel of land described in the Deed to V. Earl Mulkins, et ux, recorded September 15, 1955, in Book 2610, Official Records, Page 293; thence from said point of commencement North 57° 17' 15" East along said Northwest line, 217.91 feet to the Northeast line of said Mulkins Parcel; thence North 32° 42' 45" West, along the direct extension North 32° 42' 45" West of said Northeast line, 25 feet; thence North 57° 17' 15" East, 61.09 feet; thence Northeasterly and Northwesterly, along the arc of a curve to the left with a radius of 75 feet through a central angle of 91° 44' 37", an arc distance of 120.09 feet to the actual point of beginning of the herein described parcel of land; thence from said point of beginning Southeasterly and Southwesterly, along the arc of a curve to the right with a radius of 75 feet, through a central angle of 47° 57' 42", an arc distance of 62.78 feet; thence South 76° 29' 40" East, 46.12 feet; thence South 32° 42' 45" East, 78 feet; thence South 81° 52' 31" East, 74 feet to the West line of the parcel of land described as Parcel One in the Deed to the State of California, recorded September 17, 1959, Book 3455, Official Records, Page 137; thence North 08° 07' 29" East, along said West line 285.65 feet to a point which bears North 57° 17' 15" East from the point of beginning; thence South 57° 17' 15" West, 251.62 feet to the point of beginning.

PARCEL TWO:

A right of way (not to be exclusive) for use as a roadway for vehicles of all kinds, pedestrians and animals, for water, gas, oil and sewer pipe lines, and for telephone, television service, electric light and power lines, together with the necessary poles or conduits, as an appurtenance to Parcel One above, over a portion of the Rancho Monte Del Diablo, described as follows:

Commencing at the Southwest line of the parcel of land described in the Deed to Peter E. Canzani, recorded April 8, 193$, Book 465, Official Records, Page 69, at the Northwest line of the parcel of land described in the Deed to V. Earl Mulkins, et ux, recorded September 15, 1955, Book 2610, Official Records, Page 293, thence from said point of commencement North 57° 17' 15" East, along said Northwest line, 12 feet to the actual point of beginning of the herein described parcel of land; thence from said point of beginning, North 32° 42' 45" West, parallel with the South West line of said Canzani Parcel, 70 feet; thence Southeasterly arid Easterly along the arc of a curve to left with a radius of 20 feet, through a central angle of 90°, an arc distance of 31.42 feet; thence North 57° 17' 15" East, tangent to the last curve, 247 feet; thence Northeasterly and Northwesterly, along the arc of a curve to the left with a radius of 50 feet, through a central angle of 96° 02' 24", an arc distance of 83.81 feet; thence North 38° 45' 09" West, tangent to the last curve, 61.18 feet; thence Northwesterly and Southwesterly, along the arc of a curve to the left with a radius of 20 feet, tangent to the last course, an arc distance of 29.50 feet; thence South 56° 44' 11" West, tangent to the last curve, 156.11 feet to line drawn parallel with and distant 2 feet Southeasterly, measured

at right angles, from the South line of the strip of land described as Parcel One in the Deed to Contra Costa County, recorded May 23, 1956, Book 2772, Official Records, Page 598; thence North 51° 14' 51" East, along said parallel line, 396.96 feet; thence South 45° 45' 31" West, 156.11 feet; thence Southwesterly and Southeasterly, along the arc of a curve to the left with a radius of 20 feet, through a central angle of 84° 30' 40", an arc distance of 29.50 feet; thence South 38° 45' 09" East, tangent to the last curve, 61.18 feet; thence Southeasterly and Southwesterly, along the arc of a curve to the right with a radius of 100 feet, through a central angle of 96° 02' 24", an arc distance of 167.62 feet; thence South 57° 17' 15" West, tangent to the last curve, 267 feet to the point of beginning.

Excepting from Parcel Two:

That portion thereof lying within Parcel One above.

PARCEL THREE:

A right of way (not to be exclusive) for use as a roadway for vehicles of all kinds, pedestrians and animals, for water, gas, oil and sewer pipe lines, and for telephone, television service, electric light and power lines, together with the necessary poles or conduits, as an appurtenance to Parcel One above, over a portion of the Rancho Monte Del Diablo, described as follows:

Beginning at the Southwest line of the parcel of land described in the Deed to Peter E. Canzani, recorded April 8, 1938, Book 465, Official Records, Page 69, at the Northwest line of the parcel of land described in the Deed to V. Earl Mulkins, et ux, recorded September 15, 1955, Book 2610, Official Records, Page 293; thence from said point of beginning, North 57° 17' 15" East, along said Northwest line, 12 feet; thence North 32° 42' 45" West, parallel with said Southwest line, 150.31 feet; thence Northwesterly and Northeasterly along the arc of a curve to the right with a radius of 20 feet, through a central angle of 83° 57' 36", an arc distance of 29.31 feet to a line drawn parallel with and distant 2 feet Southeasterly, measured at right angles from the South line of the strip of land described as Parcel One in the Deed to Contra Costa County, recorded May 23, 1956, Book 2772, Official Records, Page 598; thence North 51° 14' 51" East, along said parallel line, 702.14 feet to the West line of the parcel of land described as Parcel One in the Deed to the State of California, recorded September 17, 1959, Book 3455, Official Records, Page 137; thence North 08° 07' 29" East, along said West line, 2.93 feet to the South line of said County parcel, (2772 O.R. 598); thence along said South line and along the Southwest line of said Canzani Parcel, as follows: South 51° 14' 51" West, 716.13 feet; Southwesterly and Southeasterly, along the arc of a curve to the left with a radius of 20 feet, through a central angle of 83° 57' 36, an arc distance of 29.31 feet and South 32° 42' 45" East, 151.65 feet to the point of beginning.

CONTRA COSTA COUNTY

Staff Report

File #: 26-2798 **Agenda Date:** 6/23/2026 **Agenda #:** C.167.

To: Board of Supervisors

From: Warren Lai, Public Works Director/Chief Engineer

Report Title: Agreement between Contra Costa County and the Contra Costa Transportation Authority for the I-80 San Pablo Dam Road Interchange Reconstruction - Phase II Project, San Pablo area.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Public Works Director, or designee, to execute a Funding Exchange Agreement (Agreement) between Contra Costa County and the Contra Costa Transportation Authority (CCTA) for costs pertaining to the I-80 San Pablo Dam Road Reconstruction - Phase II Project (Project), San Pablo area. (District I)

FISCAL IMPACT:
The County will allow CCTA to utilize County's Measure J funds now in exchange for future programming of 2028 State Transportation Improvement Program (STIP) funding. (100% Local Road funds)

BACKGROUND:
The Interstate 80 (I-80) San Pablo Dam Road interchange provides access between residential areas north and east of the interchange and Bay Area employment centers. The interchange currently experiences severe peak hour congestion, resulting in extensive delays. Future traffic forecasts indicate that existing congestion is projected to increase, resulting in further deterioration of traffic operations. The City of San Pablo and CCTA identified the Interstate 80/San Pablo Dam Road Interchange Improvements Project, which would reconstruct the existing I-80 San Pablo Dam Road interchange (including modifications to the El Portal Drive and McBryde Avenue ramps) and provide improved pedestrian and bicycle facilities.

To match available funding, the Interstate 80/San Pablo Dam Road Interchange Improvements Project was designed to be completed in two phases. Phase I relocated the El Portal Drive on-ramp to westbound I-80 to the north, extended the auxiliary lane along westbound I-80 between San Pablo Dam Road off-ramp and El Portal on-ramp, and reconstructed the Riverside Avenue Pedestrian overcrossing. Construction of Phase I was completed in 2017.

Phase II comprises constructing a new connector road on the west side of I-80 to connect San Pablo Dam Road to McBryde Avenue with a new bridge over Wildcat Creek, reconstructing the on- and off-ramps to San Pablo Dam Road, replacing the existing San Pablo Dam Road overcrossing with a six-lane structure, and realigning Amador Street.

The Project is identified as a high-priority Measure J project to the City of San Pablo, the County, and the west

subregion of Contra Costa County. The Project, led by CCTA, has a project cost estimate of $160 million and faces a significant funding shortfall. In the past three years, CCTA was successful in securing $19.7 million for the Project from SB1 - Trade Corridor Enhancement Program (TCEP), but more funding is needed.

CCTA staff intend to submit a State grant application for Senate Bill 1 (SB1) funds in November 2026 to cover the funding shortfall, but a commitment of local matching funds must be demonstrated. CCTA wishes to exchange portions of its share in the 2028 STIP, which may not be used as the local matching funds for the State grant application, with Measure J funds programmed for the County's Pacheco Boulevard Realignment and Widening Project. This Agreement would allow CCTA to demonstrate the local matching of funds needed. Under the terms of the Agreement and contingent upon CCTA successfully securing SB1 funds, CCTA staff will program $9.13 million in 2028 STIP funds for the Pacheco Boulevard Realignment and Widening Project in return for releasing now $8.3 million in Measure J funds that are currently programmed for said project.

CONSEQUENCE OF NEGATIVE ACTION:
If the Public Works Director, or designee, is not authorized to execute the Agreement, a funding exchange would not occur, and CCTA staff would not be able to submit a State grant application due to the inability to demonstrate a commitment of local matching funds. Additionally, the County would not receive an augmentation of funding for the Pacheco Boulevard Realignment and Widening Project.

AGREEMENT NO. 761
BETWEEN
THE CONTRA COSTA TRANSPORTATION AUTHORITY
AND
CONTRA COSTA COUNTY
FOR
THE EXCHANGE OF STATE TRANSPORTATION IMPROVEMENT PROGRAM FUNDS
AND MEASURE J FUNDS

This Agreement No. 761 is made and entered into as of this ___ day of June, 2026 (Agreement), by and between the Contra Costa Transportation Authority, a transportation authority established under Public Utilities Code section 18000 *et seq.*, with its principal place of business at 2999 Oak Road, Suite 100, Walnut Creek, CA 94597 (Authority), and Contra Costa County, a political subdivision of the state of California, with its principal place of business at 1025 Escobar Street, Martinez, CA 94553 (County). The Authority and County are sometimes individually referred to as "Party" and collectively as "Parties" in this Agreement.

RECITALS

A. The I-80 San Pablo Dam Road Interchange Reconstruction Project – Phase II (Project 7002) (hereinafter referred to as "Authority Project") is an identified Measure J project that is a high priority to the City of San Pablo, the County, and the west subregion of Contra Costa County.

B. San Pablo Dam Road is a gateway to the City of San Pablo and a major thoroughfare for the unincorporated area of El Sobrante in Contra Costa County.

C. Interstate I-80 is a major freight route that serves the Bay Area connecting the Port of Oakland and the Sacramento region and beyond.

D. The San Pablo Dam Road overcrossing represents a choke point on I-80 as it does not meet current vertical clearance standards and is the site of major collisions in the region resulting in fatalities and injuries, above the Statewide average.

E. The Authority Project is expected to be ready for construction in June 2027 but requires additional funding to proceed with that phase of the Project.

F. The Authority will apply for State funds from Senate Bill 1 (SB1) in November 2026 and must demonstrate the commitment of local matching funds for the Authority Project to be eligible to apply for and advance the Authority Project to construction.

G. The County wishes to assist the Authority in advancing the construction of the Authority Project due to the significance of this route to the unincorporated area of El Sobrante and overall traffic within and outside of the County.

H. The Pacheco Blvd Realignment and Widening project (Project 24003) ("County Project") has $8.3 million in Measure J funds programmed in FY 2029-30 and FY 2030-31 in the Authority's adopted 2025 Measure J Strategic Plan.

I. The Authority desires to commit to ensuring the California Transportation Commission (CTC) programs $9.13 million of 2028 State Transportation Improvement Program (STIP) funding that Authority would otherwise receive and that County would not otherwise receive, in exchange for $8.3 million of Measure J funds currently programmed for the County Project being reallocated for the Authority Project, as more specifically set forth below.

J. This fund exchange will allow the Authority to demonstrate the commitment of $8.3 million in local matching funds for the Authority Project, while ensuring continued funding for the County Project utilizing the Authority's share of 2028 STIP funds, or such other funds Authority may provide County in the event $9.13 million in STIP funding is not programmed to the County Project in FY 2029-30.

AGREEMENT

NOW, THEREFORE, IT IS AGREED AS FOLLOWS:

SECTION I

The Authority Agrees:

1. To notify the County, in writing, about the outcome of the Authority's application for SB1 funds for the Authority Project within 10 days after receiving a decision on the application, but, in any case, not later than October 31, 2027.

2. If the Authority is successful in securing SB1 funds for the Authority Project, to perform such actions necessary to cause the California Transportation Commission (CTC) to program a total of $9.13 million of the Authority's 2028 STIP funds to the County Project. If the CTC programs less than $9.13 million in 2028 STIP funds to the County Project, Authority shall be responsible for providing the difference in other unrestricted funds to County to ensure a total of $9.13 million is programmed to the County Project.

3. To utilize $8.3 million in Measure J funds previously programmed to the County

Project for the Authority Project, contingent upon the CTC awarding SB1 funds to the construction phase of the Authority Project.

SECTION II

The County Agrees:

1. Authority may utilize $8.3 million in Measure J funds previously programmed in the 2025 Measure J Strategic Plan for the County Project, for the Authority Project provided that the Authority is awarded SB1 funds for the construction phase of the Authority Project.

2. To follow the STIP rules for allocation and expenditure of the STIP funds, as promulgated by the CTC, following the programming of the $9.13 million in 2028 STIP funds for the County Project by the CTC.

SECTION III

It is Mutually Agreed:

1. The term of this Agreement shall commence on June ___, 2026. This Agreement shall terminate: (a) immediately upon written notice from the Authority that it was unsuccessful in securing SB1 funds for the Authority Project, which for purposes of this Agreement means that the Authority receives either no award of SB1 funds or an award of SB1 funds in an amount insufficient to fully fund the Authority Project; or (b) on October 31, 2027, if Authority has not provided any written notice to County regarding the outcome of Authority's SB1 funding application. If the Authority provides timely written notice to County that it was successful in securing SB1 funds, this Agreement shall terminate: (a) on the date on which $9.13 million in 2028 STIP funds are programmed by the CTC for the County Project, or (b) if the amount of 2028 STIP funds programmed by the CTC for the County Project is less than $9.13 million, on the date Authority provides the additional funds to the County required under Section I.2, above.

2. This Agreement shall bind and benefit the Parties hereto and their heirs, successors, and assigns; provided, however, neither Party may assign this Agreement without the advance written approval of the other Party.

3. The Parties agree to do all such things, take all such actions, and make, execute, and deliver such other documents and instruments, as shall be reasonably requested to carry out the provisions, intent and purpose of the Agreement.

4. This Agreement may not be changed, modified, or rescinded except in writing, signed by both Parties hereto, and any attempt at oral modification of this Agreement shall be

void and of no effect.

5. All required or permitted payments, reports, demands and notices may be sent by regular mail or electronic mail. Notices that are mailed by regular mail shall be deemed delivered two business days after deposited in the mail. Notices may be personally delivered and shall be deemed delivered at the time delivered to the appropriate address set forth below. Notices delivered by electronic mail shall be deemed received upon the sender's receipt of an acknowledgment from the intended recipient (such as by the "return receipt requested" function, as available, return electronic mail or other written acknowledgment of receipt); provided that, if such notice is not sent during normal business hours of the recipient, such notice shall be deemed to have been sent at the opening of business on the next business day of the recipient. Unless and until notified otherwise in writing, a Party shall send or deliver all such communications relating to this Agreement to the following addresses:

Hisham Noeimi, Director, Programming
Contra Costa Transportation Authority
2999 Oak Road, Suite 100
Walnut Creek, CA 94597

Stephen Kowalewski, PE, MBA
Chief Deputy Director
Contra Costa County Public Works
255 Glacier Drive
Martinez, CA 94553

6. This Agreement is the entire agreement between the Parties relating to the subject matter of this Agreement. The Parties acknowledge they have not relied upon any promise, representation or warranty not expressly set forth in this Agreement in executing this Agreement.

7. Should any part of this Agreement be declared unconstitutional, invalid, or beyond the authority of the Parties to enter into or carry out, such decision shall not affect the validity of the remainder of this Agreement, which shall continue in full force and effect; provided that the remainder of this Agreement can, absent the excised portion, be reasonably interpreted to give effect to the intentions of the Parties.

8. No waiver by either Party of any default or breach of any covenant by the other Party shall be implied from any omission to take action on account of such default if such default persists or is repeated and no express waiver shall affect any default other than the default

specified in such waiver and then such waiver shall be operative only for the time and to the extent stated in such waiver. Waivers of any covenant, term or condition contained herein shall not be construed as a waiver of any subsequent breach of the same covenant, term or condition. No waiver of any provision under this Agreement shall be effective unless in writing and signed by the waiving Party.

9. The laws of the State of California shall govern all questions with respect to the construction of this Agreement and the rights and liability of the Parties.

10. The Parties' signatories represent and warrant that they are authorized to execute this Agreement.

11. This Agreement may be executed in counterparts each of which shall be deemed an original, and all of which, when taken together, shall constitute one and the same instrument.

Staff Report

File #: 26-2799 **Agenda Date:** 6/23/2026 **Agenda #:** C.168.

To: Board of Supervisors

From: Warren Lai, Public Works Director/Chief Engineer

Report Title: APPROVE and AUTHORIZE the Public Works Director, or designee, to execute a purchase order with ChargePoint, Inc. in an amount not to exceed $28,530 for the purchase of two-year cloud network service renewals necessary to support the operation, monitoring, and management of County-owned ChargePoint electric vehicle charging stations used for County fleet, employee and general public vehicle charging. San Pablo, Concord and Martinez areas.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Public Works Director, or designee, to execute a purchase order with ChargePoint, Inc. in an amount not to exceed $28,530 for the purchase of two-year cloud network service renewals necessary to support the operation, monitoring, and management of County-owned ChargePoint electric vehicle charging stations used for County fleet, employee and general public vehicle charging. San Pablo, Concord and Martinez areas. (Districts I, IV and V)

FISCAL IMPACT:
Approval of this action will result in a total expenditure not to exceed $28,530. The cost will be built in to building occupancy charges.

BACKGROUND:
Contra Costa County owns and operates ChargePoint electric vehicle charging stations at various County facilities to support the charging of County fleet electric vehicles. These chargers are an important component of the County's ongoing transition to a lower-emission fleet and support the County's broader goals related to fleet electrification, operational efficiency, and greenhouse gas emissions reduction.

The County's ChargePoint chargers require active cloud network services in order to maintain full functionality. The ChargePoint cloud network service enables the County to remotely monitor charger status, manage access, review utilization data, troubleshoot operational issues, and support reliable charging for County fleet vehicles. These services also allow County staff to identify outages or charger faults, coordinate maintenance responses, and ensure that charging infrastructure remains available for operational fleet needs.

The current cloud network service terms for the County's ChargePoint chargers are due for renewal. ChargePoint has provided a quote in the amount of $28,530 to renew cloud networking services for a two-year period for all currently owned County ChargePoint chargers. Approval of this purchase order will allow the County to continue operating and managing its existing ChargePoint chargers and will help ensure that County fleet electric vehicles have continued access to reliable charging infrastructure.

The ChargePoint Cloud Subscription Terms and Conditions include an indemnification provision. County Counsel has reviewed and approved the indemnification clause.

CONSEQUENCE OF NEGATIVE ACTION:
If this action is not approved, the County may lose the ability to monitor and manage its ChargePoint chargers, reducing charging reliability and potentially disrupting fleet operations for departments that rely on electric vehicles.

CHARGEPOINT

CLOUD SUBSCRIPTION TERMS AND CONDITIONS

These ChargePoint Cloud Subscription Terms and Conditions ("**Cloud Terms**") and applicable Supplemental Terms are the legal agreement between you or the corporation, partnership or other legal entity you represent ("**Subscriber**") and the applicable ChargePoint entity or entities which can be found in Section 13.4 (individually or collectively referred to as "**ChargePoint**").

IF YOU ARE NOT ELIGIBLE, OR DO NOT AGREE TO THIS AGREEMENT, THEN YOU SHALL NOT USE NOR ACCESS ANY OF THE CHARGEPOINT'S CLOUD SERVICES.

SUBSCRIBER'S USE OR ANY ACCESS OF CHARGEPOINT'S CLOUD SERVICES IS EXPRESSLY CONDITIONED ON SUBSCRIBER'S FULL ACCEPTANCE OF TERMS AND CONDITIONS STATED OR REFERENCED IN THIS AGREEMENT.

This Agreement replace any existing terms and conditions previously agreed between the Parties regarding the provision of Cloud Services. Any conflicting or inconsistent terms and conditions provided by the Subscriber do not apply and notice of objection to them is hereby given. This is the case even if they are referred to or printed on any Subscriber purchase order form or other document issued in connection with a ChargePoint quotation, or otherwise issued in connection with any use, access or provision of the Cloud Services.

Subscriber and ChargePoint are each referred to as a "**Party**" and jointly as the "**Parties**."

1 Definitions

1.1. **Agreement:** means the Cloud Terms and the applicable Supplemental Terms as described herein.

1.2. **ChargePoint Data:** means all data (a) separately or independently collected by ChargePoint; and/or (b) generated in connection with the operation of the Cloud Services. ChargePoint Data does not include Subscriber Data.

1.3. **ChargePoint Network:** means the open-platform network that is operated and maintained by ChargePoint for providing Cloud Services.

1.4. **ChargePoint Marks:** means the various trademarks, service marks, trade names, logos, domain names, and other distinctive brand features and designations used in connection with the Cloud Services, ChargePoint Network, and/or any Hardware, including without limitation, "ChargePoint".

1.5. **ChargePoint Property:** means (i) the ChargePoint Network, (ii) the Cloud Services, (iii) the ChargePoint Data (iv) the ChargePoint Marks, and (v) the Documentation.

1.6 **Charging Services**: means the part of the Cloud Services which consist of providing electricity and associated charging and, as applicable, billing services such as Flex Billing, Public Charging and home reimbursement services.

1.7. **Cloud Services:** means individually or collectively, as applicable, the ChargePoint-provided cloud and software services offered via the internet (including, without limitation, ChargePoint Data, application program interfaces ("API's") and applications, communication and storage services) and made available for subscription and/or use rights by ChargePoint as described further in the applicable Supplemental Terms.

1.8. **Documentation:** means the documentation for Cloud Services, and if applicable, for Hardware, including its usage guides and policies, as updated from time to time, accessible via chargepoint.com or login to the applicable Cloud Services.

1.9. **Effective Date:** the date that Subscriber accepts the Cloud Terms electronically or in writing.

1.10. **Hardware:** means electric vehicle charging stations ("**Charging Station**"), hardware related to Telematics Cloud Services (as defined in Annex C), such as data hub ("**Data Hub**") and/or any hardware devices supplied (directly or indirectly) by ChargePoint or a third party for use with the Cloud Services

1.11. **Internal Use**" means use of the Cloud Services within the Subscriber's and/or Subscriber's affiliates' organization for internal purposes under the direction of the Subscriber and/or Subscriber's affiliates subject to the scope and limitations of the Agreement. Subject to Section 4.2, Internal Use excludes (a) access or use by any third party; and/or (b) access or use for the benefit of any third party.

1.12 **User:** means any person benefiting from the Cloud Services or using the Hardware for which the Cloud Services are provided.

1.13. **Subscriber Data**: means all data provided solely by or on behalf of Subscriber to ChargePoint as part of Subscriber's use of the Cloud Services. Subscriber Data does not include ChargePoint Data.

1.14. **Subscriber Marks** means the various trademarks, service marks, trade names, logos, domain names, and other distinctive brand features and designations used by Subscriber in connection with its business and/or Charging Stations.

1.15 **Subscription(s):** means one or more subscriptions for a Cloud Service offered by ChargePoint and purchased by Subscriber through (a) a quote issued by ChargePoint; (b) purchase order received by ChargePoint that sets out the details and prices for Cloud Services (or a ChargePoint authorized partner); and/or (c) ChargePoint authorized online purchasing portal.

1.16. **Subscription Fees:** means the fees payable by Subscriber for subscribing to any Cloud Services.

1.17. **Taxes:** means all present and future taxes, imposts, levies, assessments, duties or charges of whatsoever nature including without limitation any withholding taxes, sales taxes, use taxes, service taxes, value added or similar taxes at the rate applicable for the time being imposed by any national or local government, taxing authority, regulatory agency or other entity together with any penalty payable in connection with any failure to pay or any delay in paying any of the same and any interest thereon.

2 Applicability

2.2 The Agreement shall apply to all offers made by ChargePoint for the provision of Cloud Services and to the use of any Cloud Services by Subscriber or Subscriber's Service Providers (defined below).

2.3 All use of ChargePoint Property and/or ChargePoint Services by Subscriber, its employees, and agents shall comply with this Agreement and all of the rules, limitations and policies of ChargePoint set forth in the applicable Documentation.

2.4 These Cloud Terms contain the general conditions for the Cloud Services offered by ChargePoint. Depending on specific Cloud Services that Subscriber has purchased a Subscription, or received use rights, the applicable Supplemental Terms, together with these Cloud Terms, form an inseparable part of the Agreement between ChargePoint and Subscriber. Annexes, Special Subscription Terms, and any other addenda to these Cloud Terms are found here: https://www.chargepoint.com/legal/mssa/ ("**Supplemental Terms**"). Cloud Terms and applicable Supplemental Terms shall govern Subscriber's access and use of Cloud Services if Subscriber has purchased a Subscription, or received use rights, for the Cloud Services governed by the applicable Supplemental Terms.

2.5 In the event of any conflict between any terms and conditions of the Cloud Terms and the terms and conditions in any Supplemental Terms, the terms and conditions in the applicable Supplemental Terms will prevail solely for the purpose of the Subscription for the Cloud Service that is governed under such Supplemental Terms. In the event of any conflict between any of the Supplemental Terms, the terms and conditions in the applicable Supplemental Terms will prevail solely for the purpose of the Subscription for the Cloud Service provided under such relevant Supplemental Terms.

3 Provision of Cloud Services

3.1 ChargePoint provides the Cloud Services to Subscriber remotely and via internet or via other network connection, and ChargePoint is responsible for operating, maintaining, administering and supporting the Cloud Services and related infrastructure (excluding Subscriber's hardware, software and the infrastructure, e.g., the wireless and/or cellular infrastructure provided by wireless carriers or internet service providers or utility infrastructure provided by utility operators) for transmitting data from Hardware to ChargePoint.

3.2 ChargePoint may make available other services from time to time and may amend the features or benefits offered with respect to any Cloud Service at any time, provided the core functionality of the Cloud Services as set forth in the applicable Documentation will not be materially reduced as a result of such other services and/or amendments.

4 Use and use restrictions of the Cloud Services

4.1 Subscriber shall only access and use the Cloud Services for its Internal Use. In no event shall Subscriber use or access the Cloud Services on behalf of any third party or grant any third party access or authorize to use any Cloud Services except as set forth below in section 4.2. All use of the Cloud Services or ChargePoint Network by Subscriber, its employees and its Service Providers shall comply with the terms and conditions of the Agreement.

4.2 Subject to the terms and conditions of the Agreement, Subscriber may grant access and authorize use of the Cloud Services to a thirty party for the limited purpose of such third party performing services for or on behalf of Subscriber (e.g., managed service providers) ("**Service Providers**"); provided, however, that Subscriber shall be responsible for any act, fault or omission on the part of any such Service Provider. Non-compliance by a Service Provider in connection with the Agreement shall be regarded as non-compliance by Subscriber itself. Subscriber is responsible for maintaining the security and confidentiality of account details, passwords, keys, etc. that are granted to Subscriber solely for Subscriber's own use (and the use of Subscriber permitted and authorized Service Providers).

4.3 Subscriber shall be solely responsible for all of the following (except as otherwise specifically agreed to by the Parties in writing):

a) site preparation, installation, and activation of the Hardware

b) any unauthorized access to or use of the Cloud Services via Subscriber's Hardware, services account(s) or other equipment. Subscriber shall immediately notify ChargePoint upon becoming aware of any such unauthorized use.

c) keeping Subscriber's contact information, email address for the receipt of notices hereunder, and billing address for invoices both accurate and up to date;

d) to the extent applicable, updating on the Cloud Services, within five (5) business days, the location to which any of Subscriber's Hardware is moved;

e) the maintenance, service, repair and/or replacement of Subscriber's Hardware, including: (i) monitoring the physical condition and security of its Hardware based on the risk and circumstances of such Hardware (e.g., evidence of tampering); (ii) informing ChargePoint of the existence of any Hardware that are non-operational and not intended to be replaced or repaired by Subscriber or that show any evidence of tampering; and

f) the routine backup of its data in accordance with the then-current good industry practice.

4.4 Subscriber shall not access the Cloud Services for any competitive purpose, including, without limitation, in order to build a competitive product or service or copy any features, functions, interface, graphics or "look and feel;

5 Payment Terms

5.1 Subscriber shall pay all Subscription Fees within thirty (30) days from the receipt of invoice. Invoicing shall be in electronic format, to the extent permitted by law. All payments shall be made in the currency of the quotation. Fees payable to ChargePoint do not include any Taxes and other charges imposed by the government, customs charges, and transport, travel, insurance, communication, and installation costs. Subscriber is responsible for any and all such Taxes.

5.2 Except as otherwise agreed to by the Parties, Subscriber shall make all payments due to ChargePoint without discount, offsetting or suspension of Subscriber's obligations.

5.3 If any amount owing by Subscriber under this Agreement is more than thirty (30) days overdue, ChargePoint may, without otherwise limiting ChargePoint's rights or remedies, (a) terminate the Agreement, (b) suspend the use by Subscriber of the Cloud Services until such amounts are paid in full, and/or (c) condition future Cloud Services renewals and other Subscriber purchases on payment terms other than those set forth herein; provided that ChargePoint shall not exercise any such rights if Subscriber has reasonably disputed such charges and is cooperating diligently in good faith to resolve the dispute.

6 Personal Data

The applicable data protection terms for processing personal data (if any) relating to the Cloud Service are included in the applicable Supplemental Terms.

7 Intellectual Property Rights

7.1 ChargePoint retains and reserves all right, title and interest (including all related intellectual property rights) in and to the ChargePoint Property and any improvements and derivative works thereto. No rights are granted to Subscriber in the ChargePoint Property hereunder except as expressly set forth in this Agreement.

7.2 Subscriber retains and reserves all right, title and interest (including all related intellectual property rights) in and to (i) all Subscriber Marks and (ii) all Subscriber Data (collectively, the "Subscriber Property").

7.3 ChargePoint grants Subscriber a royalty-free, non-assignable, non-transferable, and non-exclusive license to use the ChargePoint Property solely in accordance with the terms of this Agreement (including all limitations and restrictions on such use) to the extent necessary for Subscriber to access, use, and receive the Cloud Services as permitted herein.

7.4 Subscriber grants ChargePoint a royalty-free, non-assignable, non-transferable, and non-exclusive license for the term of the applicable Subscription to use the Subscriber Property solely in accordance with the terms of this Agreement to the extent necessary for ChargePoint to provide Cloud Services. If Subscriber provides any feedback related to the Cloud Services, ChargePoint may freely use the feedback provided without restrictions or obligations to Subscriber.

7.5 Additional terms regarding the ChargePoint Marks:

Subscriber shall not use or permit use, by an act or omission, any ChargePoint Marks (or any likeness of a ChargePoint Mark) in any manner that degrades, disparages or reflects adversely on ChargePoint or its business or reputation or that would be detrimental to any of the ChargePoint Marks or their associated goodwill. Excluding

Hardware that ChargePoint provides support services to Subscriber, Subscriber shall not use or display any ChargePoint Marks (or any likeness thereof) on any applicable Hardware (i.e., charging station), after ten (10) days' written notice from ChargePoint, that continues to malfunction or is otherwise improperly maintained in a manner that ChargePoint reasonably determines reflects poorly on ChargePoint or is likely to cause harm to ChargePoint's brand, reputation or business. Excluding Hardware that ChargePoint provides support services to Subscriber, if any such Hardware continues to malfunction or is otherwise improperly maintained as such, in addition to any other remedies available to it under this Agreement or under applicable law, ChargePoint shall have the right to have such Hardware not discoverable or visible by the general public, including but not limited to ChargePoint account holders, on any interface (e.g., mobile application) that accesses the ChargePoint Network. If at any time Subscriber fails to comply with any of the prohibitions set forth in section 7.5 or any restrictions set forth in section 4, ChargePoint shall have the right, in addition to any other remedies available to it under this Agreement or under applicable law, upon five (5) days' written notice to Subscriber, to itself or through a third-party representative, without notice to or additional permission from Subscriber, enter Subscriber's premises for the purpose of removing or covering any or all ChargePoint Marks, which may include covering such Hardware of Subscriber.

Subscriber shall not register for, any ChargePoint Marks or any patent, trademark, service mark, copyright, trade name, domain name or registered design that is substantially or confusingly similar to a ChargePoint Mark or registered design of ChargePoint, or that is licensed to, connected with or derived from confidential, material or proprietary information imparted to or licensed to Subscriber by ChargePoint. At no time will Subscriber challenge or assist others to challenge the ChargePoint Marks (except to the extent such restriction is prohibited by law) or the registration thereof by ChargePoint.

Upon termination of this Agreement, both Parties will discontinue all use and display of all ChargePoint Marks and/or Subscriber Marks, respectively.

8 Warranties for Cloud Services

8.1 ChargePoint warrants that it shall use reasonable efforts to provide the Cloud Services in accordance with the Documentation and that it will use commercially reasonable efforts to make the Cloud Services available to Subscriber 24 hours a day, 7 days a week, except for scheduled maintenance, emergency or other required downtime or any unavailability caused by circumstances beyond ChargePoint's control. Subscriber's exclusive remedies are those described in Section 11 below.

8.2 EXCEPT AS EXPRESSLY PROVIDED IN SECTION 8.1 ABOVE, CHARGEPOINT DOES NOT MAKE ANY WARRANTY OF ANY KIND, WHETHER EXPRESS, IMPLIED, STATUTORY OR OTHERWISE, AND CHARGEPOINT SPECIFICALLY DISCLAIMS ALL IMPLIED WARRANTIES, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR SATISFACTORY QUALITY, FITNESS FOR A PARTICULAR PURPOSE OR NON-INFRINGEMENT, TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW. IN NO EVENT DOES CHARGEPOINT WARRANT THAT THE CLOUD SERVICES PROVIDED IN CONNECTION WITH THIS AGREEMENT WILL BE ERROR-FREE OR UNINTERRUPTED OR INTEROPERATE WITH HARDWARE AND/OR SOFTWARE NOT SUPPLIED BY CHARGEPOINT OR A CHARGEPOINT AUTHORIZED PARTNER, UNLESS SPECIFIED OTHERWISE IN THE APPLICABLE SUPPLEMENTAL TERMS. ALL CHARGEPOINT DATA OBTAINED THROUGH THE APPLICABLE CLOUD SERVICES IS OBTAINED AT SUBSCRIBER'S OWN DISCRETION AND RISK, AND SUBSCRIBER WILL BE SOLELY RESPONSIBLE FOR ANY DAMAGE TO SUBSCRIBER'S COMPUTER SYSTEM OR OTHER DEVICE, LOSS OF DATA, OR ANY OTHER DAMAGE OR INJURY THAT RESULTS FROM THE DOWNLOAD OR USE OF CHARGEPOINT DATA.

9 Limitation of liability

9.1 REGARDLESS OF WHETHER ANY REMEDY SET FORTH HEREIN FAILS OF ITS ESSENTIAL PURPOSE OR OTHERWISE, IN NO EVENT WILL CHARGEPOINT BE LIABLE FOR ANY SPECIAL, INDIRECT, CONSEQUENTIAL, INCIDENTAL OR PUNITIVE DAMAGES, LOST REVENUE OR PROFIT, LOSS OR DAMAGED DATA, BUSINESS INTERRUPTION OR LOSS OF CAPITAL, HOWEVER CAUSED AND REGARDLESS OF THE THEORY OF LIABILITY OR WHETHER ARISING OUT OF THE USE OF OR INABILITY TO USE THE CHARGEPOINT NETWORK, OR ANY CLOUD SERVICES. IF APPLICABLE LAW DOES NOT ALLOW THE LIMITATION OR EXCLUSION OF CONSEQUENTIAL, INCIDENTAL OR OTHER DAMAGES SET FORTH IN THIS SECTION 9.1, CHARGEPOINT'S LIABILITY IN SUCH CASES SHALL BE LIMITED TO THE MAXIMUM EXTENT PERMITTED BY SUCH APPLICABLE LAW.

9.2 Neither ChargePoint nor Subscriber shall have any liability whatsoever to the other with respect to damages caused by:

a) electrical outages, power surges, brown-outs, utility load management or any other similar electrical service interruptions, whatever the cause;

b) interruptions attributable to unauthorized ChargePoint Network intrusions; or

c) interruptions in services provided by any cellular or Internet service provider.

9.3 Except for any claim for gross negligence, willful misconduct, violation of a party's intellectual property rights, fees owed under this Agreement, or for personal injury or death, both parties' cumulative aggregate liability

under this Agreement shall not exceed the aggregate Subscription Fees paid by Subscriber to ChargePoint in the twelve (12) calendar months prior to the event giving rise to the liability.

10 Indemnification

10.1 ChargePoint Indemnity. Subject to the terms and conditions of the Agreement, ChargePoint hereby agrees to defend Subscriber against any claim, demand, suit or proceeding ("Claim") made or brought against Subscriber by a third party alleging that Subscriber's use of the Cloud Services in accordance with this Agreement infringes or misappropriates such third party's intellectual property rights, and will indemnify Subscriber from any damages, reasonable attorney fees, and costs finally awarded to such third parties as a result of such Claim made in accordance with the terms of section 10.3. The foregoing obligations under this section 10.1 do not apply to any Claim to the extent that it arises from the use of the Cloud Services in combination with any hardware, services, software or other products not provided by ChargePoint.

10.2 Subscriber Indemnity. Subject to the terms and conditions of the Agreement, Subscriber hereby agrees to defend ChargePoint, its officers, directors, agents, affiliates, distribution partners, licensors and suppliers ("ChargePoint Indemnitees") against any Claims made or brought against ChargePoint Indemnitees by a third party arising out of (i) Subscriber's and/or Service Provider's actual or alleged use of the Cloud Services in breach of this Agreement, or (ii) use of Subscriber Property in accordance with this Agreement, and, will indemnify the ChargePoint Indemnitees from any damages, reasonable attorney fees, and costs finally awarded to such third parties as a result of such Claim made in accordance with the terms of section 10.3.

10.3 Indemnification Procedures. Any claim for indemnification hereunder requires that the indemnified party promptly give the indemnifying party (i) written notice of the Claim, provided that a failure to provide such notice shall only relieve the indemnifying party of its indemnity obligations to the extent the indemnifying party is materially prejudiced by such failure; (ii) sole control of the defense and settlement of the Claim, provided that the indemnified party may participate in the defense of the Claim with counsel of its choosing at its own expense and further provided that the indemnified party shall not be responsible for any settlement that it does not approve in writing; and (iii) all reasonable assistance, at indemnifying party's expense.

11 Term and Termination

11.1 These Cloud Terms shall become effective on the Effective Date and shall continue until the expiration of all of Subscriber's Subscriptions, unless terminated earlier as provided herein. Supplemental Terms shall become effective, and shall continue until the expiration and/or termination of the Cloud Service governed by the applicable Supplemental Terms, upon the date when Subscriber purchased of the applicable Subscription, or received use rights, for the Cloud Services governed by the applicable Supplemental Terms.

11.2 This Agreement or any Subscription covered by the applicable Supplemental Term(s) may be terminated by either Party as follows:

a) Either Party may terminate this Agreement, including any Subscriptions hereunder, where the other Party is in material breach of its obligations under this Agreement and has not cured such breach within thirty (30) days (or within five (5) days in the case of any payment default) of receipt of written notice thereof;

b) Subscription: Either party may terminate any Subscription(s) where the other Party is in material breach of its obligations under the applicable Supplemental Terms for such Subscription(s) and has not cured such breach within thirty (30) days (or within five (5) days in the case of any payment default) of receipt of written notice thereof, Unless otherwise provided herein, termination of any Subscription under the applicable Supplemental Terms will not, by itself, result in termination of this Agreement or any other Subscriptions.

11.3 This Agreement, including any Subscriptions hereunder, may be immediately terminated by either Party, if the other Party:

a) becomes or proposes to become the subject of a petition in bankruptcy or any other proceeding related to insolvency, receivership, liquidation or an assignment for the benefit of creditors to the extent permitted under applicable law;

b) upon the determination by any regulatory body that the subject matter is subject to any governmental regulatory authorization or review that imposes additional costs of doing business upon ChargePoint. that prevents ChargePoint from providing the Cloud Services; or

c) as otherwise explicitly provided in this Agreement.

11.4 ChargePoint may in its discretion suspend Subscriber's continuing access to the Cloud Services or any portion thereof if (a) such suspension is required by applicable law, or (b) providing the Cloud Services to Subscriber could create a security or data protection risk or material technical burden as reasonably determined by ChargePoint, insofar as these conditions have not been caused by ChargePoint's act or omission.

11.5 Those provisions dealing with the intellectual property rights of ChargePoint, limitations of liability and disclaimers, restrictions of warranty, applicable law and those other provisions which by their nature or terms are

intended to survive the termination of this Agreement will remain in full force and effect as between the Parties hereto regardless of the termination of the Agreement.

12 Confidentiality

12.1 "**Confidential Information**" means any proprietary information disclosed at any time by one Party (the "Disclosing Party") to the other Party (the "Receiving Party") or otherwise obtained by the Receiving Party, either directly or indirectly, in writing, orally or by inspection of tangible objects, including any information relating to the business or operations of the Disclosing Party. Information will be considered Confidential Information and protected under this Agreement if it is identified as "confidential" or "proprietary" at the time of disclosure or if the information should reasonably be considered to be confidential or proprietary due to its nature or the context of its disclosure. The Receiving Party: (i) will not disclose the Confidential Information to any third party; (ii) will not disclose the Confidential Information to its employees or agents unless the employees or agents have a need to know the Confidential Information for the purpose expressly authorized by Disclosing Party ("**Purpose**"); (iii) will use the Confidential Information only for the Purpose and will not use it for its own or for any third party's benefit; and (iv) will not create any type of derivative works based on the Confidential Information or reverse engineer any of the Confidential Information or products received or disclosed under this Agreement. The Receiving Party may not access or use the Confidential Information for any improper purpose whatsoever, including, without limitation, in order to (A) build a competitive product or service, or (B) copy any features, functions, interface, graphics or "look and feel" of the Disclosing Party's product or Confidential Information. The Receiving Party shall promptly notify the Disclosing Party of any unauthorized use, disclosure, or suspected unauthorized use or disclosure, of the Disclosing Party's Confidential Information of which the Receiving Party becomes aware. The Receiving Party shall be responsible to the Disclosing Party for any disclosure of Confidential Information by any employee or agent of the Receiving Party. The Receiving Party will use the same degree of care to protect the Confidential Information from unauthorized use or disclosure as it would use to protect its own information of a similar nature, but in no event with less than reasonable care. The provisions of this Section 12.1 shall survive the expiration or other termination of this Agreement.

12.2 Notwithstanding anything in this Agreement to the contrary, the Receiving Party may disclose Confidential Information: (i) as required by any court or other governmental body; (ii) as otherwise required by law; (iii) to legal counsel of Receiving Party; (iv) in confidence, to accountants, banks and financing sources, and its advisors (who are bound by terms of confidentiality at least as strict as those set forth in this Agreement); (v) in connection with the performance of this Agreement or rights under this Agreement; or (vi) in confidence, in connection with an actual or proposed merger, acquisition or similar transaction; provided, however, that if the Receiving Party is required to disclose pursuant to clause (i) or (ii), the Receiving Party shall provide prompt prior notice thereof, if possible, to Disclosing Party to enable it at its sole cost to seek a protective order or otherwise prevent or restrict such disclosure.

13 Miscellaneous

13.1 Amendment or Modification. Subject to Section 3.2, ChargePoint may, from time to time, make revisions to or amend this Agreement ("**Revisions**"). Revisions will be effective immediately except that material Revisions will be effective thirty (30) days after notice to Subscriber of the Revisions unless otherwise stated in that notice. ChargePoint may require that Subscriber accept the Revisions in order to continue to use the Cloud Services. If Subscriber does not agree to the Revisions, then Subscriber should discontinue the use of the Cloud Services. Except as expressly permitted in this section, the Agreement may be amended only by a written agreement signed by authorized representatives of the Parties.

13.2 Waiver. The failure of either Party at any time to enforce any provision of this Agreement shall not be construed to be a waiver of the right of such Party to thereafter enforce that provision or any other provision or right.

13.3 Force Majeure. Except with respect to payment obligations, neither ChargePoint nor Subscriber will be liable for failure to perform any of its obligations hereunder due to causes beyond such Party's reasonable control and occurring without its fault or negligence, including but not limited to, strikes, lock outs, epidemics, accidents, war, fire, embargo, floods, earthquake or other natural disaster (irrespective of such Party's condition of any preparedness therefore), instructions or priority request of any governments agencies or an department or agencies thereof, civil or military authority, or acts of omissions of Subscriber. If a force majeure event occurs, the Party claiming the force majeure will promptly give notice to the other Party (stating with reasonable particularity the event of force majeure claimed) and use its commercially reasonable efforts to perform its obligations under this Agreement despite the force majeure event. If a situation of force majeure lasts for longer than three months, both Parties shall be entitled to terminate the Agreement without liability.

13.4 ChargePoint contracting entities, Governing law and Courts. The ChargePoint entity or entities entering into the Agreement, the address to which Subscriber should direct notices under the Agreement, the laws that will apply to any dispute or lawsuit arising out of or in connection with the Agreement (excluding the provisions of the United Nations Convention on Contracts for the International Sale of Goods and any conflict of law provisions that would require application of another choice of law), and the courts that shall have exclusive jurisdiction over any such dispute or lawsuit, depend on where Subscriber is domiciled and are outlined below.

If Subscriber is domiciled in:	The ChargePoint entity entering into this Agreement is:	Notices should be addressed to:	Governing law is:	Place of jurisdiction:	Forum:
The United States of America	ChargePoint, Inc., a Delaware corporation	Attn: Legal Department ChargePoint, Inc. 254 E Hacienda Ave Campbell, CA 95008	California and controlling United States federal law	Santa Clara, California, U.S.A.	Judicial Arbitration and Mediation Services, Inc. (JAMS)
Canada	ChargePoint Canada, Inc., a British Columbia corporation	Attn: Legal Department ChargePoint, Inc. 254 E Hacienda Ave Campbell, CA 95008	British Columbia and controlling Canadian federal law	Vancouver, British Columbia, Canada	ADR Institute of Canada

Except with respect to any matter relating to Subscriber's violation of the intellectual property rights of ChargePoint, any disputes, actions, claims or causes of action arising out of or in connection with this Agreement shall be submitted to and finally settled by arbitration using the English language in accordance with the Arbitration Rules and Procedures of the applicable forum above then in effect, by one or more commercial arbitrator(s) with substantial experience in the industry and in resolving complex commercial contract disputes. Judgment upon the award so rendered may be entered in a court having jurisdiction or application may be made to such court for judicial acceptance of any award and an order of enforcement, as the case may be. All claims shall be brought in the parties' individual capacity, and not as a plaintiff or class member in any purported class or representative proceeding. With respect to any matter relating to the intellectual property rights of ChargePoint, such claim may be litigated in a court of competent jurisdiction. The prevailing party in any dispute arising out of this Agreement shall be entitled to reasonable attorneys' fees and costs.

Notwithstanding the foregoing, each party shall have the right to institute an action in any court of proper jurisdiction for injunctive relief.

13.5 Notices. Other than the notice required in Sections 13.8 and 13.9, any noticed required or permitted by this Agreement shall be sent (except as otherwise required for service of any proceedings or other documents in any legal action or, where applicable, any arbitration or other method of dispute resolution):

13.5.1 if by ChargePoint, via electronic mail to the address indicated by Subscriber in Subscriber's Services account; or

13.5.2 if by Subscriber, via electronic mail to cplegal@chargepoint.com and/or via mail delivery to the respective address as per Article 13.4.

13.6 Assignment. Subscriber may not assign any of its rights or obligations hereunder, whether by (a) any merger, acquisition of substantially all the assets of assignor or similar event; or (b) operation of law or otherwise, without the prior written consent of ChargePoint (not to be unreasonably withheld). In the event of any purported assignment in breach of this section, ChargePoint shall be entitled, at its sole discretion, to terminate this Agreement upon written notice given to Subscriber. Subject to the foregoing, this Agreement shall bind and inure to the benefit of the parties, their respective successors and permitted assigns. ChargePoint may assign its rights and obligations under this Agreement.

13.7 No Agency or Partnership. ChargePoint, in the performance of this Agreement, is an independent contractor. In performing its obligations under this Agreement, ChargePoint shall maintain complete control over its employees, its subcontractors and its operations. No partnership, joint venture or agency relationship is intended by ChargePoint and Subscriber to be created by this Agreement. Neither Party has any right or authority to assume or create any obligations of any kind or to make any representation or warranty on behalf of the other Party, whether express or implied, or to bind the other Party in any respect whatsoever.

13.8 Notice Regarding Claims to Regulatory Compliance Mechanism. The use of certain ChargePoint Charging Stations may be eligible to generate clean fuels credits, low-carbon fuel standard credits, renewable fuels credits, emissions reduction units, carbon offsets, allowances, renewable fuel and/or obligation certificates, or similar regulatory compliance instruments, collectively ("Regulatory Compliance Mechanisms"), used to comply with applicable federal, state, provincial, international or regional emissions, low-carbon fuel, and/or renewable fuel compliance programs. ChargePoint and Subscriber may be eligible to claim title to Regulatory Compliance Mechanisms, however, only one Party can claim title. Should Subscriber choose to claim regulatory title, assuming Subscriber may be eligible to do so, Subscriber must opt-in to the applicable program and fulfill all ongoing

administrative and reporting obligations required of program participants, including recurring verification and/or auditing requirements. ChargePoint intends to claim title to applicable Regulatory Compliance Mechanisms, assuming ChargePoint may be eligible to do so; however, ChargePoint will not claim title to specific Regulatory Compliance Mechanisms that Subscriber has opted to claim. Subscriber agrees that it will provide ChargePoint with written notice of its intent to claim specific Regulatory Compliance Mechanisms within ten (10) days of the Effective Date. If Subscriber does not currently intend to claim regulatory title, but desires to do so at any time in the future, Subscriber may, by providing written notice to ChargePoint, elect to claim title to Regulatory Compliance Mechanisms resulting from the use of ChargePoint Charging Stations thirty (30) days or more after the date of such notice. Subscriber represents and warrants to ChargePoint that, in the absence of providing written notice, Subscriber will not claim any Regulatory Compliance Mechanisms and hereby designates that right to ChargePoint. All notices shall be provided by email to CPI at lcfsnotification@chargepoint.com.

13.9 Notice Regarding RIN Data. For Subscriber's located in the United States, ChargePoint will participate in an application to the U.S. Environmental Protection Agency ("EPA") to permit vehicle charging data ("Charging Data") collected by ChargePoint from centrally networked charging stations to be utilized in a process to generate Renewable Identification Numbers ("RIN)" under the Renewable Fuel Standard. ChargePoint must establish its exclusive right to utilize the Charging Data and the associated environmental attributes underlying the charging events represented by the Charging Data (Charging Data and such environmental attributes referred to collectively as, the "RIN Data") for the purposes of RIN generation. Subscriber confirms that it will not pursue utilizing RIN Data for the purposes of RIN generation and that, as between Subscriber and ChargePoint, ChargePoint has the exclusive right to use the RIN Data for the purpose of RIN generation.

13.10 Invalid Terms. If at any time any term or provision in the Agreement shall be held to be illegal, invalid or unenforceable by any government authority or court of competent jurisdiction, in whole or in part, such term or provision or part shall to that extent be deemed not to form part of the Agreement, but the enforceability of the remainder of the Agreement shall not be affected. In such event the Parties shall negotiate the amendment of any such term or provision in such manner that it becomes legal, valid and enforceable without affecting the original intent or the economic purpose and effect of such term or provision.

CONTRA COSTA COUNTY

Staff Report

File #: 26-2800 **Agenda Date:** 6/23/2026 **Agenda #:** C.169.

To: Board of Supervisors

From: Warren Lai, Public Works Director/Chief Engineer

Report Title: Authorization to Execute the Phase 2 Construction Contract and Establish the Guaranteed Maximum Price (GMP) for the Contra Costa Regional Medical Center Cafeteria Building Upgrades Project

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:

APPROVE the project scope and establish the total budget of $142,000,000.00 for the Contra Costa Regional Medical Center Cafeteria Building Upgrades Project (CBU), which encompasses Phase 1 Preconstruction Services, Phase 2 Construction, and County soft costs.

SPECIFY that the Contra Costa County Public Works Department is the custodian of the documents and other material that constitute the record of proceedings upon which the Board's decision is based, and that the record of proceedings is located at 255 Glacier Drive, Martinez, CA.

DETERMINE that this activity is exempt from the California Environmental Quality Act (CEQA) pursuant to CEQA Guidelines Section 15302(a) and 15303(d).

DIRECT the Director of Department of Conservation and Development (DCD), or designee, to cause a CEQA Notice of Exemption (NOE) to be filed with the County Clerk and State Clearinghouse, and AUTHORIZE the Public Works Director, or designee, to arrange for payment of a $50 fee to the County Clerk for filing the NOE.

AUTHORIZE and APPROVE the Public Works Director, or designee, to execute a Phase 2 Progressive Design-Build Construction contract, approved as to form by County Counsel, with Truebeck Construction, Inc., establishing the Phase 2 Guaranteed Maximum Price (GMP) in an amount not to exceed $105,113,697.

AUTHORIZE the Public Works Director, or designee, to manage and direct the use of the $3,066,936 Owner-Controlled Allowance embedded within the Phase 2 GMP to address unforeseen field conditions, HCAI regulatory requirements, and owner-directed scope enhancements, provided that such authorizations do not increase the total authorized Phase 2 GMP contract amount.

AUTHORIZE the Public Works Director, or designee, to execute changes or additions to the work that increase the total authorized Phase 2 GMP amount, up to the statutory limits set forth in California Public Contract Code Section 20142.

FISCAL IMPACT:

Funding for this project is provided by 56% Measure X and 44% Hospital Enterprise Fund I.

Approval of this action establishes a total project budget of $142,000,000 and executes the Phase 2 Construction Contract to establish the Guaranteed Maximum Price (GMP).

Total Project Budget Breakdown:

- Phase 1 (Preconstruction/Design): **$7,266,080** *(Executed under a separate agreement)*
- Phase 2 Base Construction Cost plus Owner Controlled Allowance: **$105,113,697**
- County Soft Costs: **$29,620,223**
- Total Authorized Project Budget: **$142,000,000**

BACKGROUND:

Regulatory Necessity (SB 1953 Compliance): The Contra Costa Regional Medical Center (CCRMC) is subject to the Alfred E. Alquist Hospital Facilities Seismic Safety Act (SB 1953). Under this law, all acute care hospital buildings must achieve SPC-5 (Structural Performance Category) and NPC-5 (Non-Structural Performance Category) compliance by January 1, 2030. This mandates that critical support services-specifically dietary operations-remain fully operational for 72 hours following a major seismic event. The existing cafeteria does not meet these standards, putting the hospital's operating license at risk.

Located on the CCRMC campus in Martinez, the two-story Cafeteria Building, built in 1952, houses the dietary kitchen which provides 16,200 meals monthly to patients in the 166-bed main hospital.

The Department of Health Care Access and Information (HCAI) classifies this building as a general acute care (GAC) structure due to its function of providing in-patient meals to the hospital, an essential component of the facility's acute care services. All GAC buildings must comply with certain seismic performance standards established by HCAI by January 1, 2030, with interim deadlines of January 1, 2026 for permit submittal, and January 1, 2028 for permit approval. Failure to comply puts the County at risk of incurring financial penalties, of being prevented from obtaining permits for other needed improvements at the facility, and ultimately puts the facility at potential risk of being taken out of service at the State's direction.

Basic hospital services were either found to be non-compliant during the Preconstruction Phase investigations or would be permanently interrupted by this project. Spaces to house the following basic services will be included in this project:

1. Clean Linen Storage
2. Materials Storage
3. Morgue
4. Loading dock for separate clean and soiled streams
5. Staff changing areas

The Dietary Kitchen, Cafeteria, and added Basic Services spaces noted above require two floors, and the connection to the main hospital building for delivery of patient meals must be made at the third floor to avoid the sterile area around the operating rooms on the second floor. A complete third floor will be built around the delivery corridors as an unfinished “shell” space for future expansion as revenue-generating patient services.

The generator supplying required emergency back-up power to the Cafeteria Building must also be brought up to current standards, as it is housed in a non-compliant essential service structure. This project will also resolve these deficiencies.

Solicitation:
In December of 2024, the County began the procurement process for a Design-Build team for this project through the release of a Request for Qualifications (RFQ), resulting in the selection of Truebeck Construction, Inc., whose Phase 1 - Preconstruction/Design Contract for this project was approved by the Board on July 8, 2025.

The approval of this action, including the contract award to begin Phase 2 - Construction, will keep this project on schedule with an estimated completion date of April 2029.

CEQA Exemption: The California Department of Health Care Access and Information (HCAI) requires that all general acute hospital buildings must meet non-structural performance category (NPC) 5 standards by January 1, 2030. The purpose of this project is to comply with NPC-5 standards by replacing the existing two-story cafeteria with a new, more earthquake-resistant, three-story cafeteria at the Contra Costa Regional Medical Center (CCRMC) campus. The project is necessary because the existing Cafeteria and Ward E buildings were built in the early 1950s and do not meet current NPC standards mandated by HCAI. The project proposes to fully demolish the existing Ward E building and partially demolish the existing Cafeteria building, which would remove approximately 25,600 square feet of floor area. The new South Wing Cafeteria building will be constructed on the CCRMC campus, roughly within the footprint of the existing Ward E building and the demolished portion of the existing cafeteria and add approximately 38,200 square feet of floor area. Additional exterior features will include adding pedestrian walkways, landscaping, new specimen trees, bioretention planters, hardscaping, as well as furniture. Associated water, sewer, electrical, steam, storm drain, and telecommunication utility extensions are needed to connect existing utility lines located between the Martinez Health Center building and main CCRMC building to the new South Wing Cafeteria building. Natural gas lines will be omitted from this all-electric building. The project would comply with the current California Green Building Standards (CALGreen) Code as required by HCAI and is anticipated to be on the level of Leadership in Energy and Environmental Design (LEED) Silver standards.

The proposed project is exempt under CEQA Guidelines Section 15302[a] because the proposed cafeteria replacement occurs at an existing hospital campus, on the same site as the existing cafeteria, and the new cafeteria would not result in a substantial increase in capacity (e.g. not more than 50 percent); and 15303(d) because the installation of new utility extensions (water, sewer, electrical, steam, storm drain, and telecommunication) are of reasonable length and only necessary to serve the proposed project. In accordance with CEQA Guidelines Section 15300.2, no exception to the exemptions applies.

CONSEQUENCE OF NEGATIVE ACTION:
Failure to approve this action would leave Public Works without adequate authority to execute the necessary contract required to complete the work necessary to meet State law. This would trigger non-compliance penalties against the County, potentially leading to:

1. Financial penalties assessed by the State;
2. Refusal by HCAI to issue future building permits; and
3. The potential closure of CCRMC's food service facilities, which could ultimately force the termination of general acute care services at the Medical Center.

Description of Nature, Purpose, and Beneficiaries of Project: The California Department of Health Care Access and Information (HCAI) requires that all general acute hospital buildings must meet non-structural performance category (NPC) 5 standards by January 1, 2030. The purpose of this project is to comply with NPC-5 standards by replacing the existing two-story cafeteria with a new, more earthquake-resistant, three-story cafeteria at the Contra Costa Regional Medical Center (CCRMC) campus. The project is necessary because the existing Cafeteria and Ward E buildings were built in the early 1950s and do not meet current NPC standards mandated by HCAI. The project proposes to fully demolish the existing Ward E building and partially demolish the existing Cafeteria building, which would remove approximately 25,600 square feet of floor area. The new South Wing Cafeteria building will be constructed on the CCRMC campus, roughly within the footprint of the existing Ward E building and the demolished portion of the existing cafeteria and add approximately 38,200 square feet of floor area. Additional exterior features will include adding pedestrian walkways, landscaping, new specimen trees, bioretention planters, hardscaping, as well as furniture. Associated water, sewer, electrical, steam, storm drain, and telecommunication utility extensions are needed to connect existing utility lines located between the Martinez Health Center building and main CCRMC building to the new South Wing Cafeteria building. Natural gas lines will be omitted from this all-electric building. Tree and vegetation trimming and removal will be required; the project anticipates removal of approximately 25 landscape trees. A temporary traffic control system will be implemented consisting of valet parking for patients, a shuttle service to off-site parking for hospital staff and construction workers, and traffic control for deliveries to the hospital and construction site. Appropriate Best Management Practices (BMPs) for water pollution control will be implemented during construction. Hazardous materials including asbestos containing materials and lead containing paint and materials have been identified in the existing Ward E building. All hazardous materials will be abated prior to demolition in compliance with applicable regulations. Applicable environmental permits will be obtained, and hazardous building materials will be properly disposed of off-site. The project would comply with the current California Green Building Standards (CALGreen) Code as required by HCAI and is anticipated to achieve Leadership in Energy and Environmental Design (LEED) Silver standards. Construction is anticipated to begin in November 2026 and take approximately 2.5 years.

Name of Public Agency Approving Project: Contra Costa County

Name of Person or Agency Carrying Out Project: Contra Costa County Public Works Department

Exempt Status:

☐ Ministerial Project (Sec. 21080[b][1]; 15268)

☐ Declared Emergency (Sec. 21080[b][3]; 15269[a])

☐ Emergency Project (Sec. 21080[b][4]; 15269[b][c])

☒ Categorical Exemption (Sec. 15302[a] and 15303[d])

☐ General Rule of Applicability (Sec. 15061[b][3])

☐ Other Statutory Exemption (Sec.)

Reason why project is exempt: The proposed project is exempt under CEQA Guidelines Section 15302[a] because the proposed cafeteria replacement occurs at an existing hospital campus, on the same site as the existing cafeteria, and the new cafeteria would not result in a substantial increase in capacity (e.g. not more than 50 percent); and 15303(d) because the installation of new utility extensions (water, sewer, electrical, steam, storm drain, and telecommunication) are of reasonable length and only necessary to serve the proposed project. In accordance with CEQA Guidelines Section 15300.2, no exception to the exemptions applies.

FROM: Paul Hundal, Division Manager, Capital Projects Management Division
DATE: June 16, 2026
SUBJECT: Financial Reconciliation for Attached Truebeck GMP Executive Summary
PROJECT: Contra Costa Regional Medical Center Cafeteria Building Upgrades Project (CBU)

PURPOSE OF ATTACHMENT The attached "Total Project Cost Executive Summary" provided by Truebeck Construction, Inc. outlines the contractor's exact cost breakdown for the Phase 1 (pre-construction) and Phase 2 Guaranteed Maximum Price (GMP). This cover sheet is provided by the Public Works Department to reconcile the contractor-specific totals in the attachment with the overall County project budget outlined in the Board Report.

FINANCIAL RECONCILIATION Please note that the "Total Project Cost" line item in the attached Truebeck summary reflects only the contractor's direct contractual values. It does not encompass the County's complete financial authorization, which includes items such as project management soft costs, specialized third-party testing, state permitting fees, etc.

1. **Phase 1 (Preconstruction) Reconciliation:**
   - Truebeck Summary Value: $6,868,636
   - Board Report Value: $7,266,080
   - Clarification: $397,444 in County-held owner allowances

2. **Phase 2 (Construction GMP) Reconciliation:**
   - Truebeck Summary Value: $105,113,697
   - Board Report Value: $105,113,697
   - Clarification: *No discrepancy.* The attached GMP executive summary exactly matches the Phase 2 Construction Contract authorization requested in the Board Report. This figure explicitly includes the 3% Owner-Controlled Contingency Allowance of $3,066,936.

3. **Total Authorized Project Budget Reconciliation:**
   - Truebeck Summary "Total Project Cost": $111,982,334
   - Board Report "Total Authorized Project Budget": $142,000,000
   - Clarification: To arrive at the County's total project budget of $142,000,000, the Public Works Department carries a balance of $29,620,223 in County Soft Costs. These funds are dedicated to essential project delivery requirements outside of the Truebeck contract, including HCAI permitting fees, engineering services, and County management.

Staff Report

File #: 26-2801 **Agenda Date:** 6/23/2026 **Agenda #:** C.170.

To: Board of Supervisors

From: Warren Lai, Public Works Director/Chief Engineer

Report Title: Participating Addendum with 72 Hour LLC., dba National Auto Fleet Group

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Purchasing Agent, or designee, to execute, on behalf of the Public Works Director, a Participating Addendum with 72 Hour LLC., dba National Auto Fleet Group, in an amount not to exceed $2,500,000, for Class 4-8 Chassis and Cabs with related equipment, accessories, and services for use by Public Works Fleet Services, during the period of June 23, 2026 through July 9, 2028, under the terms of a cooperative purchasing contract awarded by Sourcewell, a State of Minnesota public agency, Countywide.

FISCAL IMPACT:
Product costs paid by the Fleet Internal Service Fund (100% ISF)

BACKGROUND:
Sourcewell is a State of Minnesota public agency that negotiates cooperative purchasing contracts after completing a competitive solicitation. The terms of those contracts are made available to public agencies participating in the Sourcewell cooperative purchasing program. Contra Costa Purchasing Services is requesting approval of a participating addendum for the purchase of Class 4-8 Chassis and Cabs with related equipment, accessories, and services offered through 72 Hour LLC., dba National Auto Fleet Group. The County's participating addendum incorporates terms of a cooperative services contract awarded by Sourcewell, to National Auto Gleet Group (Sourcewell Contract No. 032824-NAF). The participating addendum also makes certain amendments to the cooperative purchasing contract to comply with California law.
Approval of the participating addendum allows the County to obtain guaranteed pricing available through Sourcewell. The purchase will support Public Works Fleet Services with Class 4-8 Chassis and Cabs with related equipment, accessories, and services, required by the department, and provide products and services for discounted prices. This allows Public Works Fleet Services to purchase these products at more favorable pricing and terms than without the Sourcewell cooperative purchasing contract.

CONSEQUENCE OF NEGATIVE ACTION:
Without a participating addendum under the Sourcewell cooperative purchasing contract, the County would need to satisfy purchasing policies and solicitation requirements before making vendor purchases.

DocuSign Envelope ID: 5406FEF8-8848-413A-91A9-D8AB6FD40134

Sourcewell

Solicitation Number: RFP #032824

CONTRACT

This Contract is between Sourcewell, 202 12th Street Northeast, P.O. Box 219, Staples, MN 56479 (Sourcewell) and 72 Hour LLC, dba National Auto Fleet Group, 490 Auto Center Drive, Watsonville, CA 95076 (Supplier).

Sourcewell is a State of Minnesota local government unit and service cooperative created under the laws of the State of Minnesota (Minnesota Statutes Section 123A.21) that offers cooperative procurement solutions to government entities. Participation is open to eligible federal, state/province, and municipal governmental entities, higher education, K-12 education, nonprofit, tribal government, and other public entities located in the United States and Canada. Sourcewell issued a public solicitation for Class 4-8 Chassis and Cabs with Related Equipment, Accessories, and Services from which Supplier was awarded a contract.

Supplier desires to contract with Sourcewell to provide equipment, products, or services to Sourcewell and the entities that access Sourcewell's cooperative purchasing contracts (Participating Entities).

1. TERM OF CONTRACT

A. EFFECTIVE DATE. This Contract is effective upon the date of the final signature below.

EXPIRATION DATE AND EXTENSION. This Contract expires July 9, 2028, unless it is cancelled sooner pursuant to Article 22. This Contract allows up to three additional one-year extensions upon the request of Sourcewell and written agreement by Supplier. Sourcewell retains the right to consider additional extensions beyond seven years as required under exceptional circumstances.

B. SURVIVAL OF TERMS. Notwithstanding any expiration or termination of this Contract, all payment obligations incurred prior to expiration or termination will survive, as will the following: Articles 11 through 14 survive the expiration or cancellation of this Contract. All other rights will cease upon expiration or termination of this Contract.

2. EQUIPMENT, PRODUCTS, OR SERVICES

DocuSign Envelope ID: 5406FEF8-8848-413A-91A9-D8AB6FD40134

A. EQUIPMENT, PRODUCTS, OR SERVICES. Supplier will provide the Equipment, Products, or Services as stated in its Proposal submitted under the Solicitation Number listed above. Supplier's Equipment, Products, or Services Proposal (Proposal) is attached and incorporated into this Contract.

All Equipment and Products provided under this Contract must be new and the current model. Supplier may offer close-out or refurbished Equipment or Products if they are clearly indicated in Supplier's product and pricing list. Unless agreed to by the Participating Entities in advance, Equipment or Products must be delivered as operational to the Participating Entity's site.

This Contract offers an indefinite quantity of sales, and while substantial volume is anticipated, sales and sales volume are not guaranteed.

B. WARRANTY. Supplier warrants that all Equipment, Products, and Services furnished are free from liens and encumbrances, and are free from defects in design, materials, and workmanship. In addition, Supplier warrants the Equipment, Products, and Services are suitable for and will perform in accordance with the ordinary use for which they are intended. Supplier's dealers and distributors must agree to assist the Participating Entity in reaching a resolution in any dispute over warranty terms with the manufacturer. Any manufacturer's warranty that extends beyond the expiration of the Supplier's warranty will be passed on to the Participating Entity.

C. DEALERS, DISTRIBUTORS, AND/OR RESELLERS. Upon Contract execution and throughout the Contract term, Supplier must provide to Sourcewell a current means to validate or authenticate Supplier's authorized dealers, distributors, or resellers relative to the Equipment, Products, and Services offered under this Contract, which will be incorporated into this Contract by reference. It is the Supplier's responsibility to ensure Sourcewell receives the most current information.

3. PRICING

All Equipment, Products, or Services under this Contract will be priced at or below the price stated in Supplier's Proposal.

When providing pricing quotes to Participating Entities, all pricing quoted must reflect a Participating Entity's total cost of acquisition. This means that the quoted cost is for delivered Equipment, Products, and Services that are operational for their intended purpose, and includes all costs to the Participating Entity's requested delivery location.

Regardless of the payment method chosen by the Participating Entity, the total cost associated with any purchase option of the Equipment, Products, or Services must always be disclosed in the pricing quote to the applicable Participating Entity at the time of purchase.

DocuSign Envelope ID: 5406FEF8-8848-413A-91A9-D8AB6FD40134

A. SHIPPING AND SHIPPING COSTS. All delivered Equipment and Products must be properly packaged. Damaged Equipment and Products may be rejected. If the damage is not readily apparent at the time of delivery, Supplier must permit the Equipment and Products to be returned within a reasonable time at no cost to Sourcewell or its Participating Entities. Participating Entities reserve the right to inspect the Equipment and Products at a reasonable time after delivery where circumstances or conditions prevent effective inspection of the Equipment and Products at the time of delivery. In the event of the delivery of nonconforming Equipment and Products, the Participating Entity will notify the Supplier as soon as possible and the Supplier will replace nonconforming Equipment and Products with conforming Equipment and Products that are acceptable to the Participating Entity.

Supplier must arrange for and pay for the return shipment on Equipment and Products that arrive in a defective or inoperable condition.

Sourcewell may declare the Supplier in breach of this Contract if the Supplier intentionally delivers substandard or inferior Equipment or Products.

B. SALES TAX. Each Participating Entity is responsible for supplying the Supplier with valid tax-exemption certification(s). When ordering, a Participating Entity must indicate if it is a tax-exempt entity.

C. HOT LIST PRICING. At any time during this Contract, Supplier may offer a specific selection of Equipment, Products, or Services at discounts greater than those listed in the Contract. When Supplier determines it will offer Hot List Pricing, it must be submitted electronically to Sourcewell in a line-item format. Equipment, Products, or Services may be added or removed from the Hot List at any time through a Sourcewell Price and Product Change Form as defined in Article 4 below.

Hot List program and pricing may also be used to discount and liquidate close-out and discontinued Equipment and Products as long as those close-out and discontinued items are clearly identified as such. Current ordering process and administrative fees apply. Hot List Pricing must be published and made available to all Participating Entities.

4. PRODUCT AND PRICING CHANGE REQUESTS

Supplier may request Equipment, Product, or Service changes, additions, or deletions at any time. All requests must be made in writing by submitting a signed Sourcewell Price and Product Change Request Form to the assigned Sourcewell Supplier Development Administrator. This approved form is available from the assigned Sourcewell Supplier Development Administrator. At a minimum, the request must:

- Identify the applicable Sourcewell contract number;

DocuSign Envelope ID: 5406FEF8-8848-413A-91A9-D8AB6FD40134

- Clearly specify the requested change;
- Provide sufficient detail to justify the requested change;
- Individually list all Equipment, Products, or Services affected by the requested change, along with the requested change (e.g., addition, deletion, price change); and
- Include a complete restatement of pricing documentation in Microsoft Excel with the effective date of the modified pricing, or product addition or deletion. The new pricing restatement must include all Equipment, Products, and Services offered, even for those items where pricing remains unchanged.

A fully executed Sourcewell Price and Product Change Request Form will become an amendment to this Contract and will be incorporated by reference.

5. PARTICIPATION, CONTRACT ACCESS, AND PARTICIPATING ENTITY REQUIREMENTS

A. PARTICIPATION. Sourcewell's cooperative contracts are available and open to public and nonprofit entities across the United States and Canada; such as federal, state/province, municipal, K-12 and higher education, tribal government, and other public entities.

The benefits of this Contract should be available to all Participating Entities that can legally access the Equipment, Products, or Services under this Contract. A Participating Entity's authority to access this Contract is determined through its cooperative purchasing, interlocal, or joint powers laws. Any entity accessing benefits of this Contract will be considered a Service Member of Sourcewell during such time of access. Supplier understands that a Participating Entity's use of this Contract is at the Participating Entity's sole convenience and Participating Entities reserve the right to obtain like Equipment, Products, or Services from any other source.

Supplier is responsible for familiarizing its sales and service forces with Sourcewell contract use eligibility requirements and documentation and will encourage potential participating entities to join Sourcewell. Sourcewell reserves the right to add and remove Participating Entities to its roster during the term of this Contract.

B. PUBLIC FACILITIES. Supplier's employees may be required to perform work at government-owned facilities, including schools. Supplier's employees and agents must conduct themselves in a professional manner while on the premises, and in accordance with Participating Entity policies and procedures, and all applicable laws.

6. PARTICIPATING ENTITY USE AND PURCHASING

A. ORDERS AND PAYMENT. To access the contracted Equipment, Products, or Services under this Contract, a Participating Entity must clearly indicate to Supplier that it intends to access this Contract; however, order flow and procedure will be developed jointly between Sourcewell and Supplier. Typically, a Participating Entity will issue an order directly to Supplier or its authorized

DocuSign Envelope ID: 5406FEF8-8848-413A-91A9-D8AB6FD40134

subsidiary, distributor, dealer, or reseller. If a Participating Entity issues a purchase order, it may use its own forms, but the purchase order should clearly note the applicable Sourcewell contract number. All Participating Entity orders under this Contract must be issued prior to expiration or cancellation of this Contract; however, Supplier performance, Participating Entity payment obligations, and any applicable warranty periods or other Supplier or Participating Entity obligations may extend beyond the term of this Contract.

Supplier's acceptable forms of payment are included in its attached Proposal. Participating Entities will be solely responsible for payment and Sourcewell will have no liability for any unpaid invoice of any Participating Entity.

B. ADDITIONAL TERMS AND CONDITIONS/PARTICIPATING ADDENDUM. Additional terms and conditions to a purchase order, or other required transaction documentation, may be negotiated between a Participating Entity and Supplier, such as job or industry-specific requirements, legal requirements (e.g., affirmative action or immigration status requirements), or specific local policy requirements. Some Participating Entities may require the use of a Participating Addendum, the terms of which will be negotiated directly between the Participating Entity and the Supplier or its authorized dealers, distributors, or resellers, as applicable. Any negotiated additional terms and conditions must never be less favorable to the Participating Entity than what is contained in this Contract.

C. SPECIALIZED SERVICE REQUIREMENTS. In the event that the Participating Entity requires service or specialized performance requirements not addressed in this Contract (such as e-commerce specifications, specialized delivery requirements, or other specifications and requirements), the Participating Entity and the Supplier may enter into a separate, standalone agreement, apart from this Contract. Sourcewell, including its agents and employees, will not be made a party to a claim for breach of such agreement.

D. TERMINATION OF ORDERS. Participating Entities may terminate an order, in whole or in part, immediately upon notice to Supplier in the event of any of the following events:

1. The Participating Entity fails to receive funding or appropriation from its governing body at levels sufficient to pay for the equipment, products, or services to be purchased; or
2. Federal, state, or provincial laws or regulations prohibit the purchase or change the Participating Entity's requirements.

E. GOVERNING LAW AND VENUE. The governing law and venue for any action related to a Participating Entity's order will be determined by the Participating Entity making the purchase.

7. CUSTOMER SERVICE

DocuSign Envelope ID: 5406FEF8-8848-413A-91A9-D8AB6FD40134

A. PRIMARY ACCOUNT REPRESENTATIVE. Supplier will assign an Account Representative to Sourcewell for this Contract and must provide prompt notice to Sourcewell if that person is changed. The Account Representative will be responsible for:

- Maintenance and management of this Contract;
- Timely response to all Sourcewell and Participating Entity inquiries; and
- Business reviews to Sourcewell and Participating Entities, if applicable.

B. BUSINESS REVIEWS. Supplier must perform a minimum of one business review with Sourcewell per contract year. The business review will cover sales to Participating Entities, pricing and contract terms, administrative fees, sales data reports, performance issues, supply issues, customer issues, and any other necessary information.

8. REPORT ON CONTRACT SALES ACTIVITY AND ADMINISTRATIVE FEE PAYMENT

A. CONTRACT SALES ACTIVITY REPORT. Each calendar quarter, Supplier must provide a contract sales activity report (Report) to the Sourcewell Supplier Development Administrator assigned to this Contract. Reports are due no later than 45 days after the end of each calendar quarter. A Report must be provided regardless of the number or amount of sales during that quarter (i.e., if there are no sales, Supplier must submit a report indicating no sales were made).

The Report must contain the following fields:

- Participating Entity Name (e.g., City of Staples Highway Department);
- Participating Entity Physical Street Address;
- Participating Entity City;
- Participating Entity State/Province;
- Participating Entity Zip/Postal Code;
- Participating Entity Contact Name;
- Participating Entity Contact Email Address;
- Participating Entity Contact Telephone Number;
- Sourcewell Assigned Entity/Participating Entity Number;
- Item Purchased Description;
- Item Purchased Price;
- Sourcewell Administrative Fee Applied; and
- Date Purchase was invoiced/sale was recognized as revenue by Supplier.

B. ADMINISTRATIVE FEE. In consideration for the support and services provided by Sourcewell, the Supplier will pay an administrative fee to Sourcewell on all Equipment, Products, and Services provided to Participating Entities. The Administrative Fee must be included in, and not added to, the pricing. Supplier may not charge Participating Entities more than the contracted

DocuSign Envelope ID: 5406FEF8-8848-413A-91A9-D8AB6FD40134

price to offset the Administrative Fee.

The Supplier will submit payment to Sourcewell for the percentage of administrative fee stated in the Proposal multiplied by the total sales of all Equipment, Products, and Services purchased by Participating Entities under this Contract during each calendar quarter. Payments should note the Supplier's name and Sourcewell-assigned contract number in the memo; and must be mailed to the address above "Attn: Accounts Receivable" or remitted electronically to Sourcewell's banking institution per Sourcewell's Finance department instructions. Payments must be received no later than 45 calendar days after the end of each calendar quarter.

Supplier agrees to cooperate with Sourcewell in auditing transactions under this Contract to ensure that the administrative fee is paid on all items purchased under this Contract.

In the event the Supplier is delinquent in any undisputed administrative fees, Sourcewell reserves the right to cancel this Contract and reject any proposal submitted by the Supplier in any subsequent solicitation. In the event this Contract is cancelled by either party prior to the Contract's expiration date, the administrative fee payment will be due no more than 30 days from the cancellation date.

9. AUTHORIZED REPRESENTATIVE

Sourcewell's Authorized Representative is its Chief Procurement Officer.

Supplier's Authorized Representative is the person named in the Supplier's Proposal. If Supplier's Authorized Representative changes at any time during this Contract, Supplier must promptly notify Sourcewell in writing.

10. AUDIT, ASSIGNMENT, AMENDMENTS, WAIVER, AND CONTRACT COMPLETE

A. AUDIT. Pursuant to Minnesota Statutes Section 16C.05, subdivision 5, the books, records, documents, and accounting procedures and practices relevant to this Contract are subject to examination by Sourcewell or the Minnesota State Auditor for a minimum of six years from the end of this Contract. This clause extends to Participating Entities as it relates to business conducted by that Participating Entity under this Contract.

B. ASSIGNMENT. Neither party may assign or otherwise transfer its rights or obligations under this Contract without the prior written consent of the other party and a fully executed assignment agreement. Such consent will not be unreasonably withheld. Any prohibited assignment will be invalid.

C. AMENDMENTS. Any amendment to this Contract must be in writing and will not be effective until it has been duly executed by the parties.

DocuSign Envelope ID: 5406FEF8-8848-413A-91A9-D8AB6FD40134

D. WAIVER. Failure by either party to take action or assert any right under this Contract will not be deemed a waiver of such right in the event of the continuation or repetition of the circumstances giving rise to such right. Any such waiver must be in writing and signed by the parties.

E. CONTRACT COMPLETE. This Contract represents the complete agreement between the parties. No other understanding regarding this Contract, whether written or oral, may be used to bind either party. For any conflict between the attached Proposal and the terms set out in Articles 1-22 of this Contract, the terms of Articles 1-22 will govern.

F. RELATIONSHIP OF THE PARTIES. The relationship of the parties is one of independent contractors, each free to exercise judgment and discretion with regard to the conduct of their respective businesses. This Contract does not create a partnership, joint venture, or any other relationship such as master-servant, or principal-agent.

11. INDEMNITY AND HOLD HARMLESS

Supplier must indemnify, defend, save, and hold Sourcewell and its Participating Entities, including their agents and employees, harmless from any claims or causes of action, including attorneys' fees incurred by Sourcewell or its Participating Entities, arising out of any act or omission in the performance of this Contract by the Supplier or its agents or employees; this indemnification includes injury or death to person(s) or property alleged to have been caused by some defect in the Equipment, Products, or Services under this Contract to the extent the Equipment, Product, or Service has been used according to its specifications. Sourcewell's responsibility will be governed by the State of Minnesota's Tort Liability Act (Minnesota Statutes Chapter 466) and other applicable law.

12. GOVERNMENT DATA PRACTICES

Supplier and Sourcewell must comply with the Minnesota Government Data Practices Act, Minnesota Statutes Chapter 13, as it applies to all data provided by or provided to Sourcewell under this Contract and as it applies to all data created, collected, received, maintained, or disseminated by the Supplier under this Contract.

13. INTELLECTUAL PROPERTY, PUBLICITY, MARKETING, AND ENDORSEMENT

A. INTELLECTUAL PROPERTY

1. *Grant of License.* During the term of this Contract:

    a. Sourcewell grants to Supplier a royalty-free, worldwide, non-exclusive right and license to use the trademark(s) provided to Supplier by Sourcewell in advertising and promotional materials for the purpose of marketing Sourcewell's relationship with Supplier.

DocuSign Envelope ID: 5406FEF8-8848-413A-91A9-D8AB6FD40134

b. Supplier grants to Sourcewell a royalty-free, worldwide, non-exclusive right and license to use Supplier's trademarks in advertising and promotional materials for the purpose of marketing Supplier's relationship with Sourcewell.

2. *Limited Right of Sublicense*. The right and license granted herein includes a limited right of each party to grant sublicenses to their respective subsidiaries, distributors, dealers, resellers, marketing representatives, and agents (collectively "Permitted Sublicensees") in advertising and promotional materials for the purpose of marketing the Parties' relationship to Participating Entities. Any sublicense granted will be subject to the terms and conditions of this Article. Each party will be responsible for any breach of this Article by any of their respective sublicensees.

3. *Use; Quality Control.*

a. Neither party may alter the other party's trademarks from the form provided and must comply with removal requests as to specific uses of its trademarks or logos.

b. Each party agrees to use, and to cause its Permitted Sublicensees to use, the other party's trademarks only in good faith and in a dignified manner consistent with such party's use of the trademarks. Upon written notice to the breaching party, the breaching party has 30 days of the date of the written notice to cure the breach or the license will be terminated.

4. *Termination*. Upon the termination of this Contract for any reason, each party, including Permitted Sublicensees, will have 30 days to remove all Trademarks from signage, websites, and the like bearing the other party's name or logo (excepting Sourcewell's pre-printed catalog of suppliers which may be used until the next printing). Supplier must return all marketing and promotional materials, including signage, provided by Sourcewell, or dispose of it according to Sourcewell's written directions.

B. PUBLICITY. Any publicity regarding the subject matter of this Contract must not be released without prior written approval from the Authorized Representatives. Publicity includes notices, informational pamphlets, press releases, research, reports, signs, and similar public notices prepared by or for the Supplier individually or jointly with others, or any subcontractors, with respect to the program, publications, or services provided resulting from this Contract.

C. MARKETING. Any direct advertising, marketing, or offers with Participating Entities must be approved by Sourcewell. Send all approval requests to the Sourcewell Supplier Development Administrator assigned to this Contract.

D. ENDORSEMENT. The Supplier must not claim that Sourcewell endorses its Equipment, Products, or Services.

DocuSign Envelope ID: 5406FEF8-8848-413A-91A9-D8AB6FD40134

14. GOVERNING LAW, JURISDICTION, AND VENUE

The substantive and procedural laws of the State of Minnesota will govern this Contract. Venue for all legal proceedings arising out of this Contract, or its breach, must be in the appropriate state court in Todd County, Minnesota or federal court in Fergus Falls, Minnesota.

15. FORCE MAJEURE

Neither party to this Contract will be held responsible for delay or default caused by acts of God or other conditions that are beyond that party's reasonable control. A party defaulting under this provision must provide the other party prompt written notice of the default.

16. SEVERABILITY

If any provision of this Contract is found by a court of competent jurisdiction to be illegal, unenforceable, or void then both parties will be relieved from all obligations arising from that provision. If the remainder of this Contract is capable of being performed, it will not be affected by such determination or finding and must be fully performed.

17. PERFORMANCE, DEFAULT, AND REMEDIES

A. PERFORMANCE. During the term of this Contract, the parties will monitor performance and address unresolved contract issues as follows:

1. *Notification.* The parties must promptly notify each other of any known dispute and work in good faith to resolve such dispute within a reasonable period of time. If necessary, Sourcewell and the Supplier will jointly develop a short briefing document that describes the issue(s), relevant impact, and positions of both parties.
2. *Escalation.* If parties are unable to resolve the issue in a timely manner, as specified above, either Sourcewell or Supplier may escalate the resolution of the issue to a higher level of management. The Supplier will have 30 calendar days to cure an outstanding issue.
3. *Performance while Dispute is Pending*. Notwithstanding the existence of a dispute, the Supplier must continue without delay to carry out all of its responsibilities under the Contract that are not affected by the dispute. If the Supplier fails to continue without delay to perform its responsibilities under the Contract, in the accomplishment of all undisputed work, the Supplier will bear any additional costs incurred by Sourcewell and/or its Participating Entities as a result of such failure to proceed.

B. DEFAULT AND REMEDIES. Either of the following constitutes cause to declare this Contract, or any Participating Entity order under this Contract, in default:

1. Nonperformance of contractual requirements, or
2. A material breach of any term or condition of this Contract.

DocuSign Envelope ID: 5406FEF8-8848-413A-91A9-D8AB6FD40134

The party claiming default must provide written notice of the default, with 30 calendar days to cure the default. Time allowed for cure will not diminish or eliminate any liability for liquidated or other damages. If the default remains after the opportunity for cure, the non-defaulting party may:

- Exercise any remedy provided by law or equity, or
- Terminate the Contract or any portion thereof, including any orders issued against the Contract.

18. INSURANCE

A. REQUIREMENTS. At its own expense, Supplier must maintain insurance policy(ies) in effect at all times during the performance of this Contract with insurance company(ies) licensed or authorized to do business in the State of Minnesota having an "AM BEST" rating of A- or better, with coverage and limits of insurance not less than the following:

1. *Workers' Compensation and Employer's Liability.*
Workers' Compensation: As required by any applicable law or regulation.
Employer's Liability Insurance: must be provided in amounts not less than listed below:
Minimum limits:
$500,000 each accident for bodily injury by accident
$500,000 policy limit for bodily injury by disease
$500,000 each employee for bodily injury by disease

2. *Commercial General Liability Insurance.* Supplier will maintain insurance covering its operations, with coverage on an occurrence basis, and must be subject to terms no less broad than the Insurance Services Office ("ISO") Commercial General Liability Form CG0001 (2001 or newer edition), or equivalent. At a minimum, coverage must include liability arising from premises, operations, bodily injury and property damage, independent contractors, products-completed operations including construction defect, contractual liability, blanket contractual liability, and personal injury and advertising injury. All required limits, terms and conditions of coverage must be maintained during the term of this Contract.
Minimum Limits:
$1,000,000 each occurrence Bodily Injury and Property Damage
$1,000,000 Personal and Advertising Injury
$2,000,000 aggregate for products liability-completed operations
$2,000,000 general aggregate

3. *Commercial Automobile Liability Insurance.* During the term of this Contract, Supplier will maintain insurance covering all owned, hired, and non-owned automobiles in limits of liability not less than indicated below. The coverage must be subject to terms

DocuSign Envelope ID: 5406FEF8-8848-413A-91A9-D8AB6FD40134

no less broad than ISO Business Auto Coverage Form CA 0001 (2010 edition or newer), or equivalent.

Minimum Limits:
$1,000,000 each accident, combined single limit

4. *Umbrella Insurance*. During the term of this Contract, Supplier will maintain umbrella coverage over Employer's Liability, Commercial General Liability, and Commercial Automobile.

Minimum Limits:
$2,000,000

5. *Professional/Technical, Errors and Omissions, and/or Miscellaneous Professional Liability*. During the term of this Contract, Supplier will maintain coverage for all claims the Supplier may become legally obligated to pay resulting from any actual or alleged negligent act, error, or omission related to Supplier's professional services required under this Contract.

Minimum Limits:
$2,000,000 per claim or event
$2,000,000 – annual aggregate

6. *Network Security and Privacy Liability Insurance*. During the term of this Contract, Supplier will maintain coverage for network security and privacy liability. The coverage may be endorsed on another form of liability coverage or written on a standalone policy. The insurance must cover claims which may arise from failure of Supplier's security resulting in, but not limited to, computer attacks, unauthorized access, disclosure of not public data – including but not limited to, confidential or private information, transmission of a computer virus, or denial of service.

Minimum limits:
$2,000,000 per occurrence
$2,000,000 annual aggregate

Failure of Supplier to maintain the required insurance will constitute a material breach entitling Sourcewell to immediately terminate this Contract for default.

B. CERTIFICATES OF INSURANCE. Prior to commencing under this Contract, Supplier must furnish to Sourcewell a certificate of insurance, as evidence of the insurance required under this Contract. Prior to expiration of the policy(ies), renewal certificates must be mailed to Sourcewell, 202 12th Street Northeast, P.O. Box 219, Staples, MN 56479 or sent to the Sourcewell Supplier Development Administrator assigned to this Contract. The certificates must be signed by a person authorized by the insurer(s) to bind coverage on their behalf.

DocuSign Envelope ID: 5406FEF8-8848-413A-91A9-D8AB6FD40134

Failure to request certificates of insurance by Sourcewell, or failure of Supplier to provide certificates of insurance, in no way limits or relieves Supplier of its duties and responsibilities in this Contract.

C. ADDITIONAL INSURED ENDORSEMENT AND PRIMARY AND NON-CONTRIBUTORY INSURANCE CLAUSE. Supplier agrees to list Sourcewell and its Participating Entities, including their officers, agents, and employees, as an additional insured under the Supplier's commercial general liability insurance policy with respect to liability arising out of activities, "operations," or "work" performed by or on behalf of Supplier, and products and completed operations of Supplier. The policy provision(s) or endorsement(s) must further provide that coverage is primary and not excess over or contributory with any other valid, applicable, and collectible insurance or self-insurance in force for the additional insureds.

D. WAIVER OF SUBROGATION. Supplier waives and must require (by endorsement or otherwise) all its insurers to waive subrogation rights against Sourcewell and other additional insureds for losses paid under the insurance policies required by this Contract or other insurance applicable to the Supplier or its subcontractors. The waiver must apply to all deductibles and/or self-insured retentions applicable to the required or any other insurance maintained by the Supplier or its subcontractors. Where permitted by law, Supplier must require similar written express waivers of subrogation and insurance clauses from each of its subcontractors.

E. UMBRELLA/EXCESS LIABILITY/SELF-INSURED RETENTION. The limits required by this Contract can be met by either providing a primary policy or in combination with umbrella/excess liability policy(ies), or self-insured retention.

19. COMPLIANCE

A. LAWS AND REGULATIONS. All Equipment, Products, or Services provided under this Contract must comply fully with applicable federal laws and regulations, and with the laws in the states and provinces in which the Equipment, Products, or Services are sold.

B. LICENSES. Supplier must maintain a valid and current status on all required federal, state/provincial, and local licenses, bonds, and permits required for the operation of the business that the Supplier conducts with Sourcewell and Participating Entities.

20. BANKRUPTCY, DEBARMENT, OR SUSPENSION CERTIFICATION

Supplier certifies and warrants that it is not in bankruptcy or that it has previously disclosed in writing certain information to Sourcewell related to bankruptcy actions. If at any time during this Contract Supplier declares bankruptcy, Supplier must immediately notify Sourcewell in writing.

DocuSign Envelope ID: 5406FEF8-8848-413A-91A9-D8AB6FD40134

Supplier certifies and warrants that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from programs operated by the State of Minnesota; the United States federal government or the Canadian government, as applicable; or any Participating Entity. Supplier certifies and warrants that neither it nor its principals have been convicted of a criminal offense related to the subject matter of this Contract. Supplier further warrants that it will provide immediate written notice to Sourcewell if this certification changes at any time.

21. PROVISIONS FOR NON-UNITED STATES FEDERAL ENTITY PROCUREMENTS UNDER UNITED STATES FEDERAL AWARDS OR OTHER AWARDS

Participating Entities that use United States federal grant or FEMA funds to purchase goods or services from this Contract may be subject to additional requirements including the procurement standards of the Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards, 2 C.F.R. § 200. Participating Entities may have additional requirements based on specific funding source terms or conditions. Within this Article, all references to "federal" should be interpreted to mean the United States federal government. The following list only applies when a Participating Entity accesses Supplier's Equipment, Products, or Services with United States federal funds.

A. EQUAL EMPLOYMENT OPPORTUNITY. Except as otherwise provided under 41 C.F.R. § 60, all contracts that meet the definition of "federally assisted construction contract" in 41 C.F.R. § 60-1.3 must include the equal opportunity clause provided under 41 C.F.R. §60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 C.F.R. §, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 C.F.R. § 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor." The equal opportunity clause is incorporated herein by reference.

B. DAVIS-BACON ACT, AS AMENDED (40 U.S.C. § 3141-3148). When required by federal program legislation, all prime construction contracts in excess of $2,000 awarded by non-federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. § 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 C.F.R. § 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-federal entity must report all suspected or reported violations to the federal awarding agency. The contracts must also include a provision for compliance with

DocuSign Envelope ID: 5406FEF8-8848-413A-91A9-D8AB6FD40134

the Copeland "Anti-Kickback" Act (40 U.S.C. § 3145), as supplemented by Department of Labor regulations (29 C.F.R. § 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-federal entity must report all suspected or reported violations to the federal awarding agency. Supplier must be in compliance with all applicable Davis-Bacon Act provisions.

C. CONTRACT WORK HOURS AND SAFETY STANDARDS ACT (40 U.S.C. § 3701-3708). Where applicable, all contracts awarded by the non-federal entity in excess of $100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. §§ 3702 and 3704, as supplemented by Department of Labor regulations (29 C.F.R. § 5). Under 40 U.S.C. § 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. § 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence. This provision is hereby incorporated by reference into this Contract. Supplier certifies that during the term of an award for all contracts by Sourcewell resulting from this procurement process, Supplier must comply with applicable requirements as referenced above.

D. RIGHTS TO INVENTIONS MADE UNDER A CONTRACT OR AGREEMENT. If the federal award meets the definition of "funding agreement" under 37 C.F.R. § 401.2(a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the recipient or subrecipient must comply with the requirements of 37 C.F.R. § 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency. Supplier certifies that during the term of an award for all contracts by Sourcewell resulting from this procurement process, Supplier must comply with applicable requirements as referenced above.

E. CLEAN AIR ACT (42 U.S.C. § 7401-7671Q.) AND THE FEDERAL WATER POLLUTION CONTROL ACT (33 U.S.C. § 1251-1387). Contracts and subgrants of amounts in excess of $150,000 require the non-federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. § 7401- 7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. § 1251- 1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).

DocuSign Envelope ID: 5406FEF8-8848-413A-91A9-D8AB6FD40134

Supplier certifies that during the term of this Contract will comply with applicable requirements as referenced above.

F. DEBARMENT AND SUSPENSION (EXECUTIVE ORDERS 12549 AND 12689). A contract award (see 2 C.F.R. § 180.220) must not be made to parties listed on the government wide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 C.F.R. §180 that implement Executive Orders 12549 (3 C.F.R. § 1986 Comp., p. 189) and 12689 (3 C.F.R. § 1989 Comp., p. 235), "Debarment and Suspension." SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549. Supplier certifies that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation by any federal department or agency.

G. BYRD ANTI-LOBBYING AMENDMENT, AS AMENDED (31 U.S.C. § 1352). Suppliers must file any required certifications. Suppliers must not have used federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any federal contract, grant, or any other award covered by 31 U.S.C. § 1352. Suppliers must disclose any lobbying with non-federal funds that takes place in connection with obtaining any federal award. Such disclosures are forwarded from tier to tier up to the non-federal award. Suppliers must file all certifications and disclosures required by, and otherwise comply with, the Byrd Anti-Lobbying Amendment (31 U.S.C. § 1352).

H. RECORD RETENTION REQUIREMENTS. To the extent applicable, Supplier must comply with the record retention requirements detailed in 2 C.F.R. § 200.333. The Supplier further certifies that it will retain all records as required by 2 C.F.R. § 200.333 for a period of 3 years after grantees or subgrantees submit final expenditure reports or quarterly or annual financial reports, as applicable, and all other pending matters are closed.

I. ENERGY POLICY AND CONSERVATION ACT COMPLIANCE. To the extent applicable, Supplier must comply with the mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act.

J. BUY AMERICAN PROVISIONS COMPLIANCE. To the extent applicable, Supplier must comply with all applicable provisions of the Buy American Act. Purchases made in accordance with the Buy American Act must follow the applicable procurement rules calling for free and open competition.

K. ACCESS TO RECORDS (2 C.F.R. § 200.336). Supplier agrees that duly authorized representatives of a federal agency must have access to any books, documents, papers and

DocuSign Envelope ID: 5406FEF8-8848-413A-91A9-D8AB6FD40134

records of Supplier that are directly pertinent to Supplier's discharge of its obligations under this Contract for the purpose of making audits, examinations, excerpts, and transcriptions. The right also includes timely and reasonable access to Supplier's personnel for the purpose of interview and discussion relating to such documents.

L. PROCUREMENT OF RECOVERED MATERIALS (2 C.F.R. § 200.322). A non-federal entity that is a state agency or agency of a political subdivision of a state and its contractors must comply with Section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 C.F.R. § 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds $10,000 or the value of the quantity acquired during the preceding fiscal year exceeded $10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.

M. FEDERAL SEAL(S), LOGOS, AND FLAGS. The Supplier cannot use the seal(s), logos, crests, or reproductions of flags or likenesses of Federal agency officials without specific pre-approval.

N. NO OBLIGATION BY FEDERAL GOVERNMENT. The U.S. federal government is not a party to this Contract or any purchase by a Participating Entity and is not subject to any obligations or liabilities to the Participating Entity, Supplier, or any other party pertaining to any matter resulting from the Contract or any purchase by an authorized user.

O. PROGRAM FRAUD AND FALSE OR FRAUDULENT STATEMENTS OR RELATED ACTS. The Contractor acknowledges that 31 U.S.C. 38 (Administrative Remedies for False Claims and Statements) applies to the Supplier's actions pertaining to this Contract or any purchase by a Participating Entity.

P. FEDERAL DEBT. The Supplier certifies that it is non-delinquent in its repayment of any federal debt. Examples of relevant debt include delinquent payroll and other taxes, audit disallowance, and benefit overpayments.

Q. CONFLICTS OF INTEREST. The Supplier must notify the U.S. Office of General Services, Sourcewell, and Participating Entity as soon as possible if this Contract or any aspect related to the anticipated work under this Contract raises an actual or potential conflict of interest (as described in 2 C.F.R. Part 200). The Supplier must explain the actual or potential conflict in writing in sufficient detail so that the U.S. Office of General Services, Sourcewell, and Participating Entity are able to assess the actual or potential conflict; and provide any additional information as necessary or requested.

DocuSign Envelope ID: 5406FEF8-8848-413A-91A9-D8AB6FD40134

R. U.S. EXECUTIVE ORDER 13224. The Supplier, and its subcontractors, must comply with U.S. Executive Order 13224 and U.S. Laws that prohibit transactions with and provision of resources and support to individuals and organizations associated with terrorism.

S. PROHIBITION ON CERTAIN TELECOMMUNICATIONS AND VIDEO SURVEILLANCE SERVICES OR EQUIPMENT. To the extent applicable, Supplier certifies that during the term of this Contract it will comply with applicable requirements of 2 C.F.R. § 200.216.

T. DOMESTIC PREFERENCES FOR PROCUREMENTS. To the extent applicable, Supplier certifies that during the term of this Contract will comply with applicable requirements of 2 C.F.R. § 200.322.

22. CANCELLATION

Sourcewell or Supplier may cancel this Contract at any time, with or without cause, upon 60 days' written notice to the other party. However, Sourcewell may cancel this Contract immediately upon discovery of a material defect in any certification made in Supplier's Proposal. Cancellation of this Contract does not relieve either party of financial, product, or service obligations incurred or accrued prior to cancellation.

Table 2: Company Information and Financial Strength

Line Item	Question	Response *	
10	Provide a brief history of your company, including your company's core values, business philosophy, and industry longevity related to the requested equipment, products or services.	National Auto Fleet Group was established in 1987 in Southern California, and boasts a rich history of family-driven success. From humble beginnings with a single dealership, we've grown into a nationwide network of over 15 dealerships, thanks to the dedication and vision of our father. One of our core values has always been fostering a strong company culture, and we achieve this by prioritizing internal growth. We proudly promote from within, leveraging the talent and experience of our dedicated team members. This approach not only ensures continuity and a deep understanding of our values, but also fosters a sense of loyalty and belonging among our employees. This commitment to internal development has been instrumental in our expansion, allowing us to cultivate a leadership team that embodies our core values and drives our continued success. We are proud of the journey we've taken and excited for the future, as we continue to empower our team and provide exceptional service to our customers. For over 35 years, National Auto Fleet Group has remained a family-owned and operated company. The Cooper family has deep roots in the automobile industry, with a passion for exceeding expectations passed down through generations. Today, even our future generations are learning the ropes, ensuring decades more of industry leadership. We aren't just selling vehicles; we're building relationships that last. Our family values of integrity, dedication, and customer service permeate everything we do. This commitment has earned us numerous industry awards and the trust of countless clients. But this is just the beginning. With fresh perspectives from future generations joining the team, we're excited to lead the industry for decades to come. National Auto Fleet Group isn't just about delivering vehicles; it's about delivering peace of mind. Our unwavering commitment to the 4 RIGHTs: delivering the RIGHT vehicle, at the RIGHT time, to the RIGHT place, and at the RIGHT price, ensures our clients experience unmatched satisfaction and success. Since 1987, we've witnessed the auto industry shift gears, evolving from gas-powered machines to the cutting edge of all-electric and fuel cell technology. Through it all, one thing has remained constant: our core values. Even in today's rapidly changing landscape, we hold steadfast to the principles that have guided us for decades. These values – internal growth, customer focus, efficiency, teamwork, accountability and integrity are the engine that powers our growth and fuels our commitment to exceeding expectations. While the vehicles we offer may have changed, our dedication to providing superior customer service remains as strong as ever. We embrace the future with the same passion and determination that fueled our success in the past, ensuring that our customers continue to receive the exceptional service they deserve.	*
11	What are your company's expectations in the event of an award?	Securing another Sourcewell contract would mark our sixth, propelling us to even greater heights by leveraging our proven track record of serving customers nationwide. This expansion fuels our commitment to invest in our divisions, particularly our Partner Program (details in uploaded Zip file). This innovative program empowers members to recommend local upfitters, fostering win-win partnerships and delivering	*
12	Demonstrate your financial strength and stability with meaningful data. This could include such items as financial statements, SEC filings, credit and bond ratings, letters of credit, and detailed reference letters. Upload supporting documents (as applicable) in the document upload section of your response.	We have demonstrated throughout the past 12 years to our financial institutions that we stability in the market place and with this meaning data our bank has provided us with a $ 72,000,000 floor plan limit to help in our growing operations which include Sourcewell Members.	*
13	What is your US market share for the solutions that you are proposing?	Our US market share for the products and models we are offering is roughly 70-80% as represented by the 15 manufacturers.	*
14	What is your Canadian market share for the solutions that you are proposing?	While we haven't yet entered the Canadian market, National Auto Fleet Group's proven track record of success fuels our aggressive expansion plans, with a strong focus on international markets like Canada. We are confident that our expertise and commitment to innovation will allow us to make a significant impact in the near future, expanding our reach and serving customers across new borders.	*
15	Has your business ever petitioned for bankruptcy protection? If so, explain in detail.	No	*
16	How is your organization best described: is it a manufacturer, a distributor/dealer/reseller, or a service provider? Answer whichever question (either a) or b) just below) best applies to your organization. a) If your company is best described as a distributor/dealer/reseller (or similar entity), provide your written authorization to act as a distributor/dealer/reseller for the manufacturer of the products proposed in this RFP. If applicable, is your dealer network independent or company owned? b) If your company is best described as a manufacturer or service provider, describe your relationship with your sales and service force and with your dealer network in delivering the products and services proposed in this RFP. Are these individuals your employees, or the employees of a third party?	A) we are best described as a distributor/dealer/reseller and all our written authorization documents are attached in the Related Certificates section.	*
17	If applicable, provide a detailed explanation outlining the licenses and certifications that are both required to be held, and actually held, by your organization (including third parties and subcontractors that you use) in pursuit of the business contemplated by this RFP.	What is required does vary from state to state however we 72 Hour LLC, do hold all applicable licenses and certifications required by the State of California to sell, service and delivery New/Unused Vehicles we are franchised for and sell, service and delivery any vehicle we are not franchised for through our resellers permit. All our dealer partners across the county have provide us with there dealer certificates and department of motor vehicles certificates to allow NAFG to partner and sell there products. All documents are attached in the Certificates section.	*
18	Provide all "Suspension or Debarment" information that has applied to your organization during the past ten years.	None exist	*

Table 3: Industry Recognition & Marketplace Success

Line Item	Question	Response *
19	Describe any relevant industry awards or recognition that your company has received in the past five years	NAFG has a strong track record of success, consistently ranking among the top dealerships in Government Sales for Ford Motor Company and receiving high recognition from General Motors for its Chevrolet brand. The most prodigious award NAFG has received in the past 5 years would be: Top Placement in Ford Motor Company as a leading dealership in Government Sales followed by our high ranking recognition from General Motors for our Chevrolet brand. Both NAFG has received 4 of the past 5 years
20	What percentage of your sales are to the governmental sector in the past three years	In our division in Fleet, we have sold about 95% to Government accounts
21	What percentage of your sales are to the education sector in the past three years	As a percentage of our sales in the Government, about 20% would be considered to Universities and Unified School Districts.
22	List any state, provincial, or cooperative purchasing contracts that you hold. What is the annual sales volume for each of these contracts over the past three years?	We hold the State of California contract with volumes from 200 to 500 units a year during the past three years. Second, our Sourcewell Contract's 091521 and 060920 which over the past three years LADWP Contracts valued over $ 220,000,000 City of San Diego Contracts valued over $ 120,000,000
23	List any GSA contracts or Standing Offers and Supply Arrangements (SOSA) that you hold. What is the annual sales volume for each of these contracts over the past three years?	NAFG focus is on our Sourcewell Contracts we do not hold any other besides the State of California.

Table 4: References/Testimonials

Line Item 24. Supply reference information from three customers who are eligible to be Sourcewell participating entities.

Entity Name *	Contact Name *	Phone Number *
Port of Los Angeles (CA)	David Comer	310-732-3794
Los Angeles Department of Water & Power (CA)	Philip Ly	818-771-3607
City of Jersey City (NJ)	James Lovero	201-547-4423
Washington Suburban Sanitary Commission (Maryland)	Jarrett Baumgartner	301-206-4226
Town of Hempstead (NY)	Christopher Carter	516-812-3555

Table 5: Top Five Government or Education Customers

Line Item 25. Provide a list of your top five government, education, or non-profit customers (entity name is optional), including entity type, the state or province the entity is located in, scope of the project(s), size of transaction(s), and dollar volumes from the past three years.

Entity Name	Entity Type *	State / Province *	Scope of Work *	Size of Transactions *	Dollar Volume Past Three Years *
Port of Los Angeles Mr. David Comer 310-732-3794	Government	California - CA	Provided New Vehicles with Upfits	Over $1,000,000	Over $ 3,000,000
Los Angeles Department of Water & Power Mr. Philip Ly 818-771-3607	Government	California - CA	Provided New Vehicles with Upfits	Over $ 20,000,000	Over $ 80,000,000
City of Jersey City Mr. James Lovero 201-547-4423	Government	New Jersey - NJ	Provided New Vehicles with Upfits	Over $1,000,000	Over $ 3,000,000

Table 6: Ability to Sell and Deliver Service

Describe your company's capability to meet the needs of Sourcewell participating entities across the US and Canada, as applicable.

Your response should address in detail at least the following areas: locations of your network of sales and service providers, the number of workers (full-time equivalents) involved in each sector, whether these workers are your direct employees (or employees of a third party), and any overlap between the sales and service functions.

Line Item	Question	Response *	
26	Sales force.	National Auto Fleet Group boasts a robust sales force exceeding 100 dedicated personnel. This includes both direct employees and a network of partner dealers, ensuring comprehensive support for dealerships and our dedicated fleet division. Our indirect sales force seamlessly complements our direct team, effectively serving existing member needs. As our member base expands, we're committed to scaling our team accordingly to maintain exceptional service levels.	*
27	Dealer network or other distribution methods.	NAFG leverages an unparalleled franchise network encompassing 15 leading manufacturers. These industry giants, like (Ford Motor Company, General Motors, CDJR, etc..), boast a nationwide presence, ensuring our members receive seamless service and warranty repairs for their vehicles. Historically, auto manufacturers have faced challenges in distributing automobiles and cab chassis. However, the United States boasts the world's most efficient automotive supply chain network, and as franchised dealers of these renowned brands, NAFG capitalizes on this advantage to efficiently ship and supply vehicles to our members nationwide.	*
28	Service force.	Our extensive network of service locations, spanning thousands of facilities across our 15 manufacturers, ensures convenient access for our members. This comprehensive coverage allows them to easily find service stations or warranty repair facilities nearby, minimizing downtime and maximizing convenience. While Alaska and Hawaii may have slightly larger distances between dealerships, our members can still rely on our network for support, potentially with extended lead times.	*
29	Describe the ordering process. If orders will be handled by distributors, dealers or others, explain the respective roles of the Proposer and others.	Members can place orders with NAFG for all products we are offering, we will either place the order with the OEM as we are franchised for or we will provide the order to our partner dealer who was part of the quote generation from the start with the member so we can allow there relationship to maintain while serving the member. NAFG maintains the role of administering and facilitating the transaction between the member and the OEM dealer.	*
30	Describe in detail the process and procedure of your customer service program, if applicable. Include your response-time capabilities and commitments, as well as any incentives that help your providers meet your stated service goals or promises.	I understand that you want me to use the information in your ZIP file, specifically the "Member Walk Through" document, as a reference to explain your Customer Service programs. Here's a breakdown based on the information you provided: Obtaining Quotes Online: ● Members can register on our website (https://www.nationalautofleetgroup.com/) for free. This protects member pricing. ● After registration, they'll receive a welcome email with a demo video explaining the website. ● A secure dashboard keeps all quotes organized. ● Members choose their desired brand, model year, and category (cars, vans, etc.). ● Filters help narrow down options (cab style, drivetrain, bed length). ● All available factory options are displayed for easy selection. ● Sourcewell Price reports show MSRP, member price, and savings (percentage and dollar amount). ● Optional extras include additional keys, manuals, sales tax, and upfits. ● A final, printable quote package includes a unique Sourcewell Quote ID number, description, and specifications. Partnering with Upfitters: ● A dedicated website (https://www.nationalautofleetgroup.com/) connects members with upfitters. ● Upfitters can learn about partnering with NAFG to serve local members. ● This simplifies the process of getting a vehicle upfitted. Tracking Orders: ● Members can track orders directly on the main website using the "Track your order" feature. ● Orders can be tracked by entering the purchase order number, quote ID, upfit quote ID, or VIN. Order Confirmation: ● NAFG sends a courtesy confirmation email to double-check order details (color, quantity, upfit, specifications). ● Title information is requested to expedite paperwork at delivery. Factory Order Cut-Off Notices: ● The website highlights upcoming factory order cut-off dates. ● This information is also printed on the quote cover page (when available). Price Validation Example: ● A sample build process showcases member pricing benefits. ● The example shows the difference between MSRP, member price, and total savings (percentage and dollar amount). (Provide an example with savings %) ● This emphasizes the additional discount offered by NAFG.	*
31	Describe your ability and willingness to provide your products and services to Sourcewell participating entities in the United States.	We have provided a list of our top 1,000 member/clients demonstrating our ability to service all members nationwide. Located in the Marketing Place ZIP file as "NAFG Top 1,000 Member Clients" PDF	*
32	Describe your ability and willingness to provide your products and services to Sourcewell participating entities in Canada.	National Auto Fleet Group is poised to expand into Canada, leveraging our proven business model and expertise. We believe the favorable exchange rate and our competitive pricing structure create an ideal opportunity to partner with Canadian dealer groups, ultimately serving members across North America.	*
33	Identify any geographic areas of the United States or Canada that you will NOT be fully serving through the proposed contract.	We are not serving Canada at this moment.	*
34	Identify any Sourcewell participating entity sectors (i.e., government, education, not-for-profit) that you will NOT be fully serving through the proposed contract. Explain in detail. For example, does your company have only a regional presence, or do other cooperative purchasing contracts limit your ability to promote another contract?	We're happy to service all Sourcewell members through our 24/7 website. We offer government members a specific discount program in recognition of their use of taxpayer funds. For non-profit organizations, we've designed a tailored pricing program to meet their unique needs and budgets. We'll work with each non-profit on a case-by-case basis to ensure they receive the most value from our services.	*
35	Define any specific contract requirements or restrictions that would apply to our participating entities in Hawaii and Alaska and in US Territories.	For members in Alaska, Hawaii, and US Territories, the only membership requirement is the same as for all other members. However, due to logistical shipping constraints in these regions, additional costs may apply. We currently provide members in Alaska with chassis cabs with upfits. In these cases, the member agrees to cover the extra shipping cost, port cost, and driver cost associated with loading and unloading their vehicles from port to port. This additional cost would be clearly outlined in any quote provided to members in these regions.	*

Table 7: Marketing Plan

Line Item	Question	Response *	

36	Describe your marketing strategy for promoting this contract opportunity. Upload representative samples of your marketing materials (if applicable) in the document upload section of your response.	National Auto Fleet Group utilizes a number of outbound strategies to promote the Sourcewell Vehicle contract. National Auto Fleet Group isn't waiting for government agencies to come knocking about the Sourcewell Vehicle contract. Instead, we're proactively hitting the gas pedal with outbound marketing strategies. With outbound marketing, NAFG initiates by pushing the message out to our government agencies. Examples include: . ● Cold Email Campaigns: Tailored messages reaching relevant government agencies directly. Examples include new vehicle pricing availability, in stock units, new website features, holiday themed flyers and vehicle cutoff dates. ● Trade Show Presence: Engaging exhibits and knowledgeable representatives making connections at key events. ● Targeted Content: Creating diverse campaign materials that resonate with different government segments. For example, police vehicle availability flyers for police agencies. ● Data-Driven Decisions: Tracking results and optimizing campaigns for maximum impact such as open rates, click-through rates to gauge the effectiveness of our email campaigns Our use of Campaigner Email Marketing platform service is a CRM database used to monitor, send and track effectiveness of emails and more. This service has assisted in streamlining email flyer messages to many of our government agencies across the United States. Campaigner has been an essential tool in not only creating new campaigns but recurring campaigns to ensure our message is sent to new potential clients. This type of outbound marketing fosters proactive engagement with potential customers, sparking their interest in our products. We invite them to explore the diverse product range showcased on our NAFG website, conveniently accessible through both phone calls and website visits. To further empower their buying journey, we encourage registration. It not only unlocks real-time product availability, but also grants access to our innovative self-quoting system. This intuitive tool empowers customers with the autonomy to create unlimited personalized quotes, tailoring them to their specific needs and budget. By eliminating the wait for traditional quotes, this self-service option streamlines the process, fostering a sense of control and ownership for the customer. Ultimately, this outbound marketing approach, coupled with our user-friendly self-quoting system, empowers potential customers to confidently explore and confidently make informed decisions. Business to Business Marketing: National Auto Fleet Group National Auto Fleet Group (NAFG) acknowledges the importance of building strong relationships with local upfitting body companies. That's why we employ strategic business-to-business (B2B) marketing strategies to attract potential partners and create a mutually beneficial ecosystem. Introducing Our Partner Website: We encourage any body upfitting company to visit our dedicated partner website: www.nafgpartner.com. This platform makes it easy for local upfitting companies to explore the benefits of collaborating with NAFG. Key Perks for Upfitting Body Companies: ● Enhanced Visibility: Get the body company's company profile listed on our website, making them searchable by NAFG's extensive network of government clients. ● Targeted referrals: We actively connect upfitting companies with qualified government clients seeking their specific expertise. ● Profile Customization: Partners are encouraged to create a unique profile showcasing the body company's strengths, experience, and service offerings. ● Geographic Reach: Expand the network by having our partners' contact information and location displayed on our interactive map. By partnering with NAFG, body companies gain access to a vast pool of potential government clients seeking vehicle upfitting services. In turn, the body company helps us fulfill client needs and deliver comprehensive vehicle solutions. National Auto Fleet Group also exercises the use of inbound marketing strategies to promote our Sourcewell Vehicle contract. Our marketing department cultivates a targeted audience by maintaining a database of registered government agencies on our website and nurturing past customers who have experienced the benefits of our offerings. This allows us to deliver relevant content and resources directly to those already interested in our solutions, fostering trust and brand loyalty. Relationship building is another technique used to foster positive relations with clients to become long-term customers. NAFG team provides excellent customer service and support to encourage word of mouth referral. The positive quality of service experienced by customers has led to an increased number of sales through referrals. Our goal is to provide exemplary customer service throughout the entire purchasing process to encourage repeat business and referrals.

37	Describe your use of technology and digital data (e.g., social media, metadata usage) to enhance marketing effectiveness.	The creation of the National Auto Fleet Group app is one way to build a stronger relationship with interested buyers and empower them with the information they need. By downloading our NAFG app, clients are able to: ● Receive instant push notifications on their phones regarding new vehicle availability: Be the first to know when new vehicles arrive on the lot that match your specific needs and preferences. ● Stay informed about crucial cutoff dates: Ensure clients don't miss out on deadlines by having them conveniently delivered straight to your phone. ● View Available In-Stock Units: Scroll through a list of in stock vehicles available on our website. A specific inbound marketing tactic that can significantly boost our online presence is the development of search engine optimization (SEO). By optimizing our website for relevant keywords and user experience, we can attract more qualified visitors organically and establish NAFG as a leading name in its field. Here's how we're actively implementing SEO on the NAFG website: Rewriting the NAFG Story: ● By crafting a compelling and informative webpage that clearly defines who we are, what we do, and how we benefit our audience. ● Included relevant keywords naturally throughout the content, including product names, mission statement, and contract numbers. ● Ensured the page is concise and scannable, breaking up text with headings and bullet points. 2. On-Page Optimization Techniques: ● Title tags: Each page includes a unique and descriptive title tag, under 65 characters, that accurately reflects the content and includes relevant keywords. ● Meta descriptions: Crafting captivating meta descriptions (under 155 characters) that entice users to click and summarize the page's value proposition. ● Header tags: Structured the content with clear headings and subheadings (H1, H2, etc.) to improve readability and search engine crawlability. ● Images: Optimize image file names and alt text with relevant keywords to increase accessibility and image search ranking. ● Internal linking: Connecting related pages within the website using descriptive anchor text ● Social media: Ensure social media profiles and share buttons are linked to our pages. By implementing these actionable SEO strategies, we can significantly improve NAFG's online presence, attract more qualified leads, and establish ourselves as a thought leader in the industry. When the terms “government fleet vehicle purchasing”, “purchasing vehicles for the government”, “government vehicle purchasing”, “how do I purchase vehicles for the government”, “purchasing government fleet”, “government vehicle procurement”, “procuring vehicles for the government”,are entered in the google search button, NAFG is on the top five search results. Social media is a critical part in the way people communicate and connect with each other. Linkedin offers a variety of ways to expand our network by finding and connecting with relevant professionals in the industry. Platforms like LinkedIn offer invaluable tools for professional networking, allowing individuals to expand their network by finding and connecting with relevant professionals and industry leaders. A prime example is National Auto Fleet Group, which effectively utilizes LinkedIn to reach out to current and potential members through personalized messages, fostering stronger relationships and community engagement. Beyond professional connections, social media serves as a powerful bridge between individuals and their governing bodies. By following government pages on Instagram and Twitter, government municipalities can gain valuable insights into pressing issues and important announcements
38	In your view, what is Sourcewell’s role in promoting contracts arising out of this RFP? How will you integrate a Sourcewell-awarded contract into your sales process?	Sourcewell is a trusted brand that government entities can rely on to provide a wide variety of products and services. They aim to simplify the procurement process of government entities. The Sourcewell brand integrates a thorough documentation review of all vendors prior to awarding their cooperative contract to ensure products and services are from reputable vendors. The brand provides a sense of showing legitimacy and verification of our company name and members understand that products and services provided are from reputable vendors. Clients recognize the Sourcewell brand and their vendors as a trusted source that will meet their needs. The main selling point of the brand is the elimination of the need to go out to bid. Sourcewell has done the bidding for the government entities which simplifies the purchasing process. This process not only saves money but valuable time as well. Sourcewell has provided NAFG overwhelming opportunities to work with government agencies across the United States. The Sourcewell name represents a high standard of integrity and ethics and we are proud to be part of this dynamic. Sourcewell members have access to a contract that is more flexible than the standard bidding process. Sourcewell is an organization that aids government entities to stay competitive without the frustrations and issues involved with the traditional bidding process. The Sourcewell contract can be also customized to meet the needs of the client. The sales team has incorporated not only this standard of integrity in their sales practice by ensuring clients we will always assist them with their vehicle purchasing needs. The cost savings and stress free nature of the cooperative contracts favors that of the traditional bidding process. It enables vendors to work with qualifying government entities in a more efficient manner. We vow to maintain these levels of standards across the board throughout all departments within National Auto Fleet Group Sourcewell isn't just a trusted brand; it's a comprehensive solution for government procurement. From vehicles and food to technology and administrative services, they offer a diverse range of high-quality products and services. Partnering with pre-vetted vendors ensures reliability and peace of mind. The flexibility of Sourcewell contracts allows us to tailor our services to a specific need, unlike the one-size-fits-all approach of typical bidding. Government agencies across the United States, like NAFG, have utilized Sourcewell to procure their needs efficiently.

39	Are your products or services available through an e-procurement ordering process? If so, describe your e-procurement system and how governmental and educational customers have used it.	Our website provides a hands-on empowering approach to ordering vehicles online. Clients can search through many vehicle makes and models with the ability to customize a vehicle tailored to the specific needs of their agency. A personalized quote with pricing can be available in as little as 5 minus depending on the complexity of the vehicle. If upfitting is needed, a sales representative can be reached through phone, email, live chat or noted on the self-quoting online system. Once a customized quote is built, clients have the option to finalize the sales transaction by submitting a purchase order to our sales team via email. This gives complete autonomy to the client to purchase vehicles without the need to speak to a sales rep. If assistance is needed, they can contact sales through email, live chat or phone. If support is required to build a quote, our sales reps are available to assist the client step by step. Once the vehicle is built to the client's needs, government agencies are also able to upload a purchase order from their account to purchase a vehicle. NAFG will then process the purchase order and place the vehicle on order with the manufacturer. Government agencies are also able to track the status of their order using the ETA tracking available on the NAFG website. Our website puts the power to order vehicles directly in your hands, with a user-friendly approach that empowers government agencies to choose the perfect solution for their needs. Browse through a comprehensive selection of vehicle makes and models, or customize your ideal vehicle with features tailored to your specific requirements. Get a personalized quote with upfront pricing in as little as 5 minutes, depending on the complexity of your chosen vehicle. Upfitting needed? No problem! Reach out to our dedicated sales team via phone, email, live chat, or simply mention your requirements directly in the self-quoting system. Once a government municipality is ready to purchase, they can simply submit a purchase order through their online account. We offer complete autonomy, allowing buyers to acquire vehicles without needing to speak directly to a sales representative. However, our expert team is always available to assist if they need a helping hand. Our assistance is available via email, live chat, or phone – For government agencies, the process is streamlined even further. They are able to stay informed throughout the entire journey with our convenient ETA tracking system, accessible right on the NAFG website. Experience the convenience and control of online vehicle ordering for government agencies with NAFG. Visit our website today and empower your agency to acquire the perfect vehicle solution. As of today, National Auto Fleet Group has over 8000 members registered on our website and 2400 customers buying from us.	*

Table 8: Value-Added Attributes

Line Item	Question	Response *	
40	Describe any product, equipment, maintenance, or operator training programs that you offer to Sourcewell participating entities. Include details, such as whether training is standard or optional, who provides training, and any costs that apply.	NAFG extends any and all Service Training Programs provided by the Manufacturer. Many of the programs offered are quoted individually by the manufacture based on class size and region of the country. NAFG will pass these quotes onto the member at NAFG cost.	*
41	Describe any technological advances that your proposed products or services offer.	With world leaders in chassis technology like Ford Motor Company, General Motor's and MACK Truck which the member automatically gets the benefit of the latest up to date technology NAFG offers our dealer body to the members for the most leading up to date information.	*
42	Describe any "green" initiatives that relate to your company or to your products or services, and include a list of the certifying agency for each.	NAFG has Partnered to create a 400 US Mayor Drive Climate Mayor Purchasing Collaborative www.Driveevfleet.org to help spread the benefit of members going 100% green. We have 100% Pure Electric vehicles to offer such as the Chevrolet Bolt and Ford Fusion, which are all predecessors to the All New Ford Electric F-150. We are certain over the next few years, Ford and many other manufacturers will be making available 100% pure electric cab chassis for members to select from.	*
43	Identify any third-party issued eco-labels, ratings or certifications that your company has received for the equipment or products included in your Proposal related to energy efficiency or conservation, life-cycle design (cradle-to-cradle), or other green/sustainability factors.	Ford Motor Company and General Motors just to name 2 of the 15 OEM's we are representing have leading edge certifications and rating which provide them the ability to offer there products nationwide.	*
44	Describe any Women or Minority Business Entity (WMBE), Small Business Entity (SBE), or veteran owned business certifications that your company or HUB partners have obtained. Upload documentation of certification (as applicable) in the document upload section of your response.	We hold a Minority Certification through the California Clearing House Authorization	*
45	What unique attributes does your company, your products, or your services offer to Sourcewell participating entities? What makes your proposed solutions unique in your industry as it applies to Sourcewell participating entities?	NAFG's dedication to the member. NAFG has built its division solely for the purpose of serving the members experience from our 24-hour member website or website improvements and capabilities to thinking outside the box to help a member find a solution.	*

Table 9A: Warranty

Describe in detail your manufacturer warranty program, including conditions and requirements to qualify, claims procedure, and overall structure.

You may upload representative samples of your warranty materials (if applicable) in the document upload section of your response in addition to responding to the questions below.

Line Item	Question	Response *	
46	Do your warranties cover all products, parts, and labor?	We have attached all Warranty information provided by all 15 manufacturers offered in our proposal as an added attachment.	*
47	Do your warranties impose usage restrictions or other limitations that adversely affect coverage?	Each manufacturer have there own usage restrictions that a member should be aware of. Such an improper use of a chassis may not allow it to be covered under warranty. For example, a F-250 being used for a police rated pursuit vehicle would void certain warranties. We encourage for each member to contact us for there particular warranty coverage.	*
48	Do your warranties cover the expense of technicians' travel time and mileage to perform warranty repairs?	Yes, in some cases of a breakdown event, manufacturers would tow your vehicle to there nearest warranty repair facility.	*
49	Are there any geographic regions of the United States or Canada (as applicable) for which you cannot provide a certified technician to perform warranty repairs? How will Sourcewell participating entities in these regions be provided service for warranty repair?	Each manufacture is different, and we encourage prior to purchasing a product to call in and ask about your specific region and how it's covered.	*
50	Will you cover warranty service for items made by other manufacturers that are part of your proposal, or are these warranties issues typically passed on to the original equipment manufacturer?	All warranties are passed on to the original equipment manufacturer.	*
51	What are your proposed exchange and return programs and policies?	We offer no exchange, return programs or policies. Once an order is in production with the factory and NAFG can not cancel the order after trying to cancel with the manufacturer, then the order is non-cancellable.	*
52	Describe any service contract options for the items included in your proposal.	We offer any and all manufacturer service contracts to all members. There are several parameters which a customized service contract can be created. NAFG will treat each of these as an added factory option and follow the same discount schedule in the price file.	*

Table 10: Payment Terms and Financing Options

Line Item	Question	Response *	
53	Describe your payment terms and accepted payment methods.	Payment terms are Net 20, with a 10-day grace period.	*
54	Describe any leasing or financing options available for use by educational or governmental entities.	NAFG has partnered with National Cooperative Leasing to offer Sourcewell Contract Lease Terms to all NAFG Quotes for all Sourcewell Members. We have attached a PDF called "NCL Sample Lease" in the Zip File Called "Member Walk Through"	*
55	Describe any standard transaction documents that you propose to use in connection with an awarded contract (order forms, terms and conditions, service level agreements, etc.). Upload a sample of each (as applicable) in the document upload section of your response.	We attached our Standard Documents that all member would see in a typical transaction. Starting with all quotes which contain there unique Quote ID on the top of each quote. A member can then call and help us identify which quote they are inquiring within so we can help hem quicker. Each quote has its list of standard equipment and selected equipment the member has chosen for themselves. Followed by the contract discount on each cover page so the member can easily see there Sourcewell saving. A sample transaction has been attached.	*
56	Do you accept the P-card procurement and payment process? If so, is there any additional cost to Sourcewell participating entities for using this process?	Yes, up to $ 2,500 per vehicle, any amount higher than $ 2,500 would carry a P-card/ Credit Card transaction fee which will be passed onto the member.	*

Table 11: Pricing and Delivery

Provide detailed pricing information in the questions that follow below. Keep in mind that reasonable price and product adjustments can be made during the term of an awarded Contract as described in the RFP, the template Contract, and the Sourcewell Price and Product Change Request Form.

Line Item	Question	Response *	
57	Describe your pricing model (e.g., line-item discounts or product-category discounts). Provide detailed pricing data (including standard or list pricing and the Sourcewell discounted price) on all of the items that you want Sourcewell to consider as part of your RFP response. If applicable, provide a SKU for each item in your proposal. Upload your pricing materials (if applicable) in the document upload section of your response.	NAFG is offering Line Item Discounts Off MSRP for 15 manufacturers detailed in the Price File, NAFG is offering all Upfits to be added to any and all chassis cabs and trucks, details are on the Summary Page in the price file.	*
58	Quantify the pricing discount represented by the pricing proposal in this response. For example, if the pricing in your response represents a percentage discount from MSRP or list, state the percentage or percentage range.	Each Manufacture Product Range is detailed in the tabs below, here is an overview Ford Motor Company from 1.16% to 6.00% RAM Stallantis Company from 4.13% to 4.14% Chevrolet from 6.83% to 6.92% Autocar at 9.00% ISUZU at 5.00% Volvo at 12.00% Freightliner from 4.76% to 15.15% Western Star from 15.00% to 20.00% MACK from 3.00% to 26.36% Kenworth from 13.83% to 32.80% Peterbilt from 10.27% to 31.56% Battle Motors at 25.00% RIZO from 38.25% to 38.46% REE at 7.00% Bollinger Motors at 5.50% Upfits can be added at dealer invoice up to 20%, detailed in the price file.	*
59	Describe any quantity or volume discounts or rebate programs that you offer.	We encourage any and all members to contact us if considering ordering 100 at time of order or more units for an additional discount quote.	*
60	Propose a method of facilitating “sourced” products or related services, which may be referred to as “open market” items or “nonstandard options”. For example, you may supply such items “at cost” or “at cost plus a percentage,” or you may supply a quote for each such request.	Open Market products or Sourced Goods will be treated as any upfit and may be quoted up to a 20% mark-up if applicable.	*
61	Identify any element of the total cost of acquisition that is NOT included in the pricing submitted with your response. This includes all additional charges associated with a purchase that are not directly identified as freight or shipping charges. For example, list costs for items like pre-delivery inspection, installation, set up, mandatory training, or initial inspection. Identify any parties that impose such costs and their relationship to the Proposer.	All considerations have been taken into account in the price file in its entirety. Price Summary Page and Price Tabs contain all costs associated with all quotes. If a member would like a quote for a particular situation and the item needed special training or installation, these charges would be added as part of the upfit and included in the members quote.	*
62	If freight, delivery, or shipping is an additional cost to the Sourcewell participating entity, describe in detail the complete freight, shipping, and delivery program.	All manufacturers charge a standardized “Factory Destination Charge” which is displayed on all window stickers and on all trucks on a dealer’s lot. This is not the needed destination charge that maybe charged to then ship a chassis to and from an installer, these subsequent movements are all added freight charges and will displayed on the members quote.	*
63	Specifically describe freight, shipping, and delivery terms or programs available for Alaska, Hawaii, Canada, or any offshore delivery.	Freight to these regions carry a specific logistical barrier which carry added cost such as ferry, port and driver cost both to and from the mainland. These added costs will be disclosed and added to any quote for the member to review.	*
64	Describe any unique distribution and/or delivery methods or options offered in your proposal.	NAFG will utilize the power and expertise of the already established Automobile Franchise Distribution Network to have members vehicles delivered promptly there destination.	*

Table 12: Pricing Offered

Line Item	The Pricing Offered in this Proposal is: *	Comments
65	c. better than the Proposer typically offers to GPOs, cooperative procurement organizations, or state purchasing departments.	NAFG Offers Members of Sourcewell the very best selection and service for the overall best value we can offer.

Table 13: Audit and Administrative Fee

Line Item	Question	Response *	
66	Specifically describe any self-audit process or program that you plan to employ to verify compliance with your proposed Contract with Sourcewell. This process includes ensuring that Sourcewell participating entities obtain the proper pricing, that the Vendor reports all sales under the Contract each quarter, and that the Vendor remits the proper administrative fee to Sourcewell. Provide sufficient detail to support your ability to report quarterly sales to Sourcewell as described in the Contract template.	We have created a member friendly to build and price there chassis cabs on, the pricing is built directly into the website and is loaded daily by the manufacture MSRP information. Our system will provide an accurate quote 99.99% of the time. We have stream lined how our admin fee is processed to allow a quick 15-30 day turn around on quarterly reports.	*
67	If you are awarded a contract, provide a few examples of internal metrics that will be tracked to measure whether you are having success with the contract.	We have internal charts that track how many members we are serving per month and what regions we need to market into to raise awareness of Sourcewell and our contract. We also track how many vehicles we deliver to members to see if our volume is picking up or where the current market is at as it does fluctuate.	*
68	Identify a proposed administrative fee that you will pay to Sourcewell for facilitating, managing, and promoting the Sourcewell Contract in the event that you are awarded a Contract. This fee is typically calculated as a percentage of Vendor’s sales under the Contract or as a per-unit fee; it is not a line-item addition to the Member’s cost of goods. (See the RFP and template Contract for additional details.)	Our Admin Fee has been streamlined to allow for growth to occur with maintaining a high level of accuracy and reporting. Our proposed admin fee would follow these guidelines: Flat $ 400 per unit for all units excluding Alan Jay Automotive Network in Florida Units sold through Alan Jay Automotive Network in Florida will have a$ 200 flat	*

Table 14A: Depth and Breadth of Offered Equipment Products and Services

Proposers submitting a proposal in Category 1 as defined herein will be submitting in the broad category that includes all types of engines, fuel, and propulsion systems. For example, if a Proposer offers chassis and cabs with Internal Combustion Engines (ICE) as well as chassis and cabs with electric propulsion systems the Proposer should designate it is seeking an award in Category 1 **only**. Proposers seeking an award in Category 2, as defined herein, must include at least one solution offered within the scope of Category 2 for electric propulsion systems **only**.

Line Item	Category Selection *	
69	Category 1: All engines, fuel, and propulsion type chassis and cabs	*

Table 14B: Depth and Breadth of Offered Equipment Products and Services

Line Item	Question	Response *	
70	Provide a detailed description of the equipment, products, and services that you are offering in your proposal.	15 Manufacturers totaling 200 makes and models ranging from Class 4 to Class 8 Cab an Chassis and trucks. With available Upfits to be added ranging from tool boxes to Line Mechanics Bodies. Any and all upfits can be added to our chassis cabs either by our upfit partner supplier or by a members upfit supplier working with NAFG to provide a Turn Key Quote.	*
71	Within this RFP category there may be subcategories of solutions. List subcategory titles that best describe your products and services.	NAFG Lists all makes and models in each ZIP file under ZIP File “All 15 Manufacturers” representing a combined hundred’s makes and model/engine combinations for members to choose from along with a subtitle “Upfits” detailed in the price file.	
72	Describe any manufacturing processes or materials utilized that contribute to chassis strength, cab strength, overall durability, driver safety.	Leading materials are used by the OEM's daily to safely supply all members with the best on the market place for each OEM.	
73	Describe any differentiating serviceability attributes (remote diagnostics, etc.) your proposal offers.	Each OEM has there own unique attribute that all cater and serve the members.	

Table 15: Category 1 - Depth and Breadth of Offered Equipment Products and Services

Indicate below if the listed types or classes of equipment, products, and services are offered within your proposal. Provide additional comments in the text box provided, as necessary.

Proposers submitting a proposal in Category 1 will be submitting in the broad category that includes all types of engines, fuel, and propulsion systems. See RFP Section II. B. 1 for details.

☐ We will not be submitting for Table 15: Category 1 - Depth and Breadth of Offered Equipment Products and Services

Line Item	Category or Type	Offered *	Chassis Type (ICE and/or BEV)	Comments	
74	Class 4 chassis	◉ Yes ○ No	Both Chassis Types (ICE and BEV)	All 15 Manufactures are listed in the price file, along with each OEM's product offering for this class.	*
75	Class 5 chassis	◉ Yes ○ No	Both Chassis Types (ICE and BEV)	All 15 Manufactures are listed in the price file, along with each OEM's product offering for this class.	*
76	Class 6 chassis	◉ Yes ○ No	Both Chassis Types (ICE and BEV)	All 15 Manufactures are listed in the price file, along with each OEM's product offering for this class.	*
77	Class 7 chassis	◉ Yes ○ No	Both Chassis Types (ICE and BEV)	All 15 Manufactures are listed in the price file, along with each OEM's product offering for this class.	*
78	Class 8 chassis	◉ Yes ○ No	Both Chassis Types (ICE and BEV)	All 15 Manufactures are listed in the price file, along with each OEM's product offering for this class.	*
79	Related equipment, accessories, parts, upfitting, services, used chassis and Class 3 chassis	◉ Yes ○ No	Both Chassis Types (ICE and BEV)	All 15 Manufactures are listed in the price file, along with each OEM's product offering for this class. All upfitting is available and outlined in the pricing summary.	

Table 16: Category 2 - Depth and Breadth of Offered Equipment Products and Services

Indicate below if the listed types or classes of equipment, products, and services are offered within your proposal. Provide additional comments in the text box provided, as necessary.

Proposers seeking an award in Category 2, as defined herein, must include at least one solution offered within the scope of Category 2 for electric propulsion systems **only**. See RFP Section II. B. 1 for details.

☑ We will not be submitting for Table 16: Category 2 - Depth and Breadth of Offered Equipment Products and Services

Line Item	Category or Type	Offered *	Comments	
80	Battery Electric Vehicle (BEV) Class 4 Chassis	○ Yes ○ No		*
81	Battery Electric Vehicle (BEV) Class 5 Chassis	○ Yes ○ No		*

84	Battery Electric Vehicle (BEV) Class 8 Chassis	○ Yes ○ No		*
85	Related equipment, accessories, parts, upfitting, services, used chassis and Class 3 chassis	○ Yes ○ No		

Table 17: Exceptions to Terms, Conditions, or Specifications Form

Line Item 86. NOTICE: To identify any exception, or to request any modification, to Sourcewell standard Contract terms, conditions, or specifications, a Proposer must submit the proposed exception(s) or requested modification(s) via redline in the Contract Template provided in the "Bid Documents" section. Proposer must upload the redline in the "Requested Exceptions" upload field. All exceptions and/or proposed modifications are subject to review and approval by Sourcewell and will not automatically be included in the Contract.

Do you have exceptions or modifications to propose?	Acknowledgement *
	○ Yes ◉ No

Documents

Ensure your submission document(s) conforms to the following:

1. Documents in PDF format are preferred. Documents in Word, Excel, or compatible formats may also be provided.

2. Documents should NOT have a security password, as Sourcewell may not be able to open the file. It is your sole responsibility to ensure that the uploaded document(s) are not either defective, corrupted or blank and that the documents can be opened and viewed by Sourcewell.

3. Sourcewell may reject any response where any document(s) cannot be opened and viewed by Sourcewell.

4. If you need to upload more than one (1) document for a single item, you should combine the documents into one zipped file. If the zipped file contains more than one (1) document, ensure each document is named, in relation to the submission format item responding to. For example, if responding to the Marketing Plan category save the document as "Marketing Plan."

Addenda, Terms and Conditions

PROPOSER AFFIDAVIT AND ASSURANCE OF COMPLIANCE

I certify that I am the authorized representative of the Proposer submitting the foregoing Proposal with the legal authority to bind the Proposer to this Affidavit and Assurance of Compliance:

1. The Proposer is submitting this Proposal under its full and complete legal name, and the Proposer legally exists in good standing in the jurisdiction of its residence.
2. The Proposer warrants that the information provided in this Proposal is true, correct, and reliable for purposes of evaluation for contract award.
3. The Proposer, including any person assisting with the creation of this Proposal, has arrived at this Proposal independently and the Proposal has been created without colluding with any other person, company, or parties that have or will submit a proposal under this solicitation; and the Proposal has in all respects been created fairly without any fraud or dishonesty. The Proposer has not directly or indirectly entered into any agreement or arrangement with any person or business in an effort to influence any part of this solicitation or operations of a resulting contract; and the Proposer has not taken any action in restraint of free trade or competitiveness in connection with this solicitation. Additionally, if Proposer has worked with a consultant on the Proposal, the consultant (an individual or a company) has not assisted any other entity that has submitted or will submit a proposal for this solicitation.
4. To the best of its knowledge and belief, and except as otherwise disclosed in the Proposal, there are no relevant facts or circumstances which could give rise to an organizational conflict of interest. An organizational conflict of interest exists when a vendor has an unfair competitive advantage or the vendor's objectivity in performing the contract is, or might be, impaired.
5. The contents of the Proposal have not been communicated by the Proposer or its employees or agents to any person not an employee or legally authorized agent of the Proposer and will not be communicated to any such persons prior to Due Date of this solicitation.
6. If awarded a contract, the Proposer will provide to Sourcewell Participating Entities the equipment, products, and services in accordance with the terms, conditions, and scope of a resulting contract.
7. The Proposer possesses, or will possess before delivering any equipment, products, or services, all applicable licenses or certifications necessary to deliver such equipment, products, or services under any resulting contract.
8. The Proposer agrees to deliver equipment, products, and services through valid contracts, purchase orders, or means that are acceptable to Sourcewell Members. Unless otherwise agreed to, the Proposer must provide only new and first-quality products and related services to Sourcewell Members under an awarded Contract.
9. The Proposer will comply with all applicable provisions of federal, state, and local laws, regulations, rules, and orders.
10. The Proposer understands that Sourcewell will reject RFP proposals that are marked "confidential" (or "nonpublic," etc.), either substantially or in their entirety. Under Minnesota Statutes Section 13.591, subdivision 4, all proposals are considered nonpublic data until the evaluation is complete and a Contract is awarded. At that point, proposals become public data. Minnesota Statutes Section 13.37 permits only certain narrowly defined data to be considered a "trade secret," and thus nonpublic data under Minnesota's Data Practices Act.
11. Proposer its employees, agents, and subcontractors are not:
    1. Included on the "Specially Designated Nationals and Blocked Persons" list maintained by the Office of Foreign Assets Control of the United States Department of the Treasury found at: https://www.treasury.gov/ofac/downloads/sdnlist.pdf;
    2. Included on the government-wide exclusions lists in the United States System for Award Management found at: https://sam.gov/SAM/; or
    3. Presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from programs operated by the State of Minnesota; the United States federal government or the Canadian government, as applicable; or any Participating Entity. Vendor certifies and warrants that neither it nor its principals have been convicted of a criminal offense related to the subject matter of this solicitation.

☑ By checking this box I acknowledge that I am bound by the terms of the Proposer's Affidavit, have the legal authority to submit this Proposal on behalf of the Proposer, and that this electronic acknowledgment has the same legal effect, validity, and enforceability as if I had hand signed the Proposal. This signature will not be denied such legal effect, validity, or enforceability solely because an electronic signature or electronic record was used in its formation. - Jesse Cooper, National Fleet Manager, 72 Hour LLC, DBA National Auto Fleet Group

The Proposer declares that there is an actual or potential Conflict of Interest relating to the preparation of its submission, and/or the Proposer foresees an actual or potential Conflict of Interest in performing the contractual obligations contemplated in the bid.

PARTICIPATING ADDENDUM
for
Class 4-8 Chassis and Cabs with Related Equipment, Accessories, and Services

---

Participating Entity:
CONTRA COSTA COUNTY

Contractor: 72 Hour LLC

This Participating Addendum ("Agreement") is made and entered into as of June 23, 2026 ("Effective Date"), by and between Contra Costa County, a political subdivision of the State of California ("County"), and 72 Hour LLC, a California limited liability company, ("Contractor") whose principal place of business is 490 Auto Center Drive, Watsonville CA 95067. The County and Contractor are sometimes referred to herein together as the "Parties," and each as a "Party."

Recitals

Whereas, the Contractor sells Class 4-8 chassis and cabs, with related equipment, accessories, and services, under a cooperative purchasing agreement, identified as Contract No. 032824-NAF ("Master Contract"), awarded by Sourcewell, a State of Minnesota public agency, following a competitive solicitation.

Whereas, the Master Contract is made available to public agencies nationally for participation. The County has determined that entering into a Participating Addendum that incorporates the Master Contract provides a benefit to the County, but that certain terms and conditions of the Master Contract must be modified to meet legal requirements that apply to the County, a political subdivision of the State of California.

Whereas, the Master Contract and the attachments there to indicate that the Contractor may rely on one or more suppliers, subsidiaries, distributors, or affiliated entities, including but not limited to National Auto Fleet Group, (collectively, "Affiliated Entities" and each an "Affiliated Entity") to satisfy Contractor's obligations hereunder. This Agreement provides that Contractor is solely responsible for ensuring its Affiliated Entities perform in accordance with this Agreement.

Agreement

Now, therefore, for good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, the County and the Contractor agree, as follows:

1. Term. The term of this Agreement begins on the Effective Date, and it expires on July 9, 2028, unless sooner terminated as provided herein. The Parties may amend this Agreement to extend the term by up to three additional one-year extensions, one extension at a time, beyond July 9, 2028, provided that the term of the Master Contract is extended by at least the same amount of time. If the Master Contract is terminated prior to the expiration of the term of this Agreement, or any extension thereof, the Contractor shall continue to perform under this Agreement until the term of this Agreement expires, or until this Agreement is terminated, whichever occurs first.

2. Payment Limit. The County's total payments to Contractor and all Affiliated Entities under this Agreement shall not exceed $2,500,000 ("Payment Limit"). Nothing in this Agreement obligates the County to make any purchases, or any particular volume of purchases, under this Agreement. This Agreement is not exclusive, and the County expressly reserves its right to enter into other contracts for the purchase of the same or similar equipment, supplies, and materials from other

vendors. If the County issues any purchase orders to make purchases under this Agreement, the County will be responsible for ensuring that the sum of all such purchase orders does not exceed the Payment Limit.

3. Changes to the Master Contract. For purposes of this Agreement only, certain terms of the Master Contract are hereby amended, as follows, to satisfy requirements that apply to the County as a California public agency, and to reflect the County as the contracting party under this Agreement:

    a. Each reference in the Master Contract to "Participating Entity" and "Participating Entities" shall mean and include Contra Costa County.

    b. Section 10.A. (Audit) is amended, to read:

    "A. AUDIT. The County reserves the right to review books, records, documents, and accounting procedures and practices of the Contractor relevant to the County's purchases and payments during the term of this Agreement and for three (3) years following its expiration or termination. Following a request for such materials by the County or its auditor, the Contractor shall provide the County and its auditor copies of all requested materials within 30 days at the address designated by the County or its auditor. The requirements of this Section shall survive and remain enforceable for a period of three (3) years following the expiration or termination of this Agreement."

    c. Section 11 (Indemnity and Hold Harmless) is amended to delete the last sentence of that section, and to replace it with the following new sentence, to read:

    "Contractor's obligations under this Section 11 shall survive the expiration or termination of this Contract."

    d. Section 12 (Government Data Practices) is deleted and replaced with new Section 12 (Public Records), to read:

    "**12. PUBLIC RECORDS.** The County is a California public agency that is required to comply with the California Public Records Act (Cal. Gov. Code, § 7920.000, et seq.) and the County's Better Government Ordinance (Contra Costa County Ordinance Code, Division 25), discovery requests, subpoenas, and court orders. Notwithstanding anything to the Contrary in the Master Contract, this Agreement and all materials produced for or provided to the County under this Agreement will be disclosed upon request if the County determines the materials constitute disclosable public records under the California Public Records Act or under the Better Government Ordinance, or if the County determines the materials are responsive to a discovery request, subpoena, or court order."

4. Registration with California Secretary of State. At all times during the term of this Agreement, the Contractor shall remain, and shall require each Affiliated Entity satisfying Contractor's

obligations under this Agreement to remain, in good standing with the California Secretary of State.

5. Insurance. In accordance with Section 18 (Insurance), Subsection C (Additional Insured Endorsement and Primary Non-Contributory Insurance Clause), within 10 days following the Effective Date, contractor shall provide the County's Purchasing Agent a certificate of insurance evidencing Contractor is satisfying all requirements in Section 18, and listing "Contra Costa County, its officers, employees, and agents" as additional insureds under Contractor's general liability insurance policy with respect to liability arising out of activities, "operations," or "work" performed by or on behalf of the Contractor, and products and completed operations of the Contractor.

6. Order of Precedence. If there is any conflict between any terms of this Agreement, the Master Contract, or any purchase order issued under this Agreement to Contractor or any Affiliated Entity, the order of precedence for interpreting the Parties' obligations shall be: first, this Agreement; second, the Master Contract; and, third, any purchase order issued under this Agreement.

7. Termination. Notwithstanding anything to the contrary in the Master Contract, either Party may terminate this Agreement upon 60 days' advance written notice to the other Party.

8. Governing Law. Notwithstanding Section 14 (Governing Law, Jurisdiction, and Venue) of the Master Contract, or any other term of the Master Contract to the contrary, this Agreement shall be governed by and construed in accordance with the laws of the State of California, without regard to conflict of law principles; and any litigation to enforce or interpret this Agreement shall be filed and prosecuted in a state or federal court in California where venue is proper and that has jurisdiction over the parties to and the subject matter of the litigation.

9. No Joint Venture; No Third-Party Beneficiaries. At all times during the term of this Agreement, neither Party will function as or represent it to be the other Party or its agent, and no officer, employee, or agent of one Party shall hold themselves out to be an officer, employee, or agent of the other Party. This Agreement does not create any rights or obligations between the Parties other than those expressly set forth herein; and nothing in this Agreement shall be construed as conferring any rights upon any third parties or any other person or entity other than the County and Contractor.

10. Affiliated Entities. Notwithstanding anything to the contrary in the Master Contract or in this Agreement, if any Affiliated Entity performs any of Contractor's obligations under this Agreement, or if the County issues a purchase order to an Affiliated Entity identifying the purchase is made pursuant to this Agreement, the Contractor shall be solely responsible for ensuring the Affiliated Entity performs in accordance with the terms of this Agreement, and Contractor shall be liable for any failure by the Affiliated Entity to perform in accordance with

the terms of this Agreement. Contractor's obligations under this section shall survive the termination or expiration of this Agreement.

11. Amendment. This Agreement may be amended or modified at any time by mutual agreement of the Parties in writing.

12. Compliance with Laws; No Public Works Permitted. In the performance of its obligations under this Agreement, the Contractor shall comply with all local, State of California, and federal laws and regulations, including State of California wage and hour laws to the extent they are applicable to the work Contractor performs. Nothing in this Agreement authorizes Contractor to perform, and Contractor shall not perform, any services or work that would require formal or informal bidding under the California Public Contract Code. If any services provided by the Contractor require the payment of prevailing wages under the California Labor Code, the Contractor shall be solely responsible for ensuring prevailing wages are paid in accordance with California law, and for satisfying all applicable requirements of the California Department of Industrial Relations.

13. Notices. Notices to the Parties shall be provided to:

Contractor:

Jesse Cooper, National Fleet Manager
490 Auto Center Drive
Watsonville, CA 95076
Telephone : (855) 289-6572
Contact : Jesse Cooper
Email: Jcooper@nationalautofleetgroup.com

County:

Contra Costa County-Purchasing Services
255 Glacie Drive, building 500
Martinez, CA 94553
Telephone: (925) 313-2054
Contact: Cynthia Shehorn, Procurement Services Manager
Email: cindy.shehorn@pw.cccounty.us

All notices shall be in writing and personally delivered, delivered by overnight carrier with delivery charges for next day delivery prepaid by the sending Party, or sent by First Class, certified mail return receipt required, U.S. Mail, with postage prepaid by the sending Party. A courtesy copy of a notice may be given by email, but giving a courtesy copy of a notice by email does not relieve the sending Party of its obligation to give notice to the receiving Party in the manner required by this Section. A notice given in accordance with this Section shall be deemed received by the receiving Party on (a) the same day, if personally delivered, (b) the next business day, if timely deposited with an overnight carrier and with delivery charges prepaid to ensure next day delivery, and (c) on the fifth day after mailing, if mailed by First Class, certified mail, return receipt required, U.S. Mail with postage prepaid. A Party may change its contact listed above by giving written notice to the other Party in any manner authorized by this Section at least five (5) days before the change becomes effective.

14. Successors and Assigns; Assignment. This Agreement shall be binding upon and inure to the benefit of the Parties and their successors and assigns. This Agreement may not be assigned by either Party without the express written permission of the other Party, which shall be within that Party's sole discretion to provide.

IN WITNESS, WHEREOF, the parties have executed this Participating Addendum as of the Effective Date.

CONTRA COSTA COUNTY

Staff Report

File #: 26-2802 **Agenda Date:** 6/23/2026 **Agenda #:** C.171.

To: Board of Supervisors

From: Warren Lai, Public Works Director/Chief Engineer

Report Title: Quitclaim County rights to East Bay Regional Park District, Antioch Area

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
As the governing body of Contra Costa County, Contra Costa County Public Works requests the Board to:

1. APPROVE and AUTHORIZE the Public Works Director, or designee, to execute two quitclaim deeds to quitclaim to the East Bay Regional Park District the future development rights on an area totaling approximately 1,111 acres located westerly of the intersection of Balfour and Deer Valley Roads in the unincorporated Antioch area (APNs 007-010-040, 078-050-009, 075-190-010 (Portion), 075-190-012 (Portion), 075-190-013, 078-050-010, and 057-060-017).

2. DETERMINE that this action is in the public interest and supports the continued conservation of the property, and that the County will no longer retain any present or future rights in the development rights being quitclaimed.

3. DETERMINE that the activity is not subject to the California Environmental Quality Act (CEQA), pursuant to Section 15061(b)(3) of the CEQA Guidelines, as it can be seen with certainty that there is no possibility this activity may have a significant effect on the environment.

FISCAL IMPACT:
There is no fiscal impact.

BACKGROUND:
In 1999, Contra Costa County, along with the Contra Costa County Agricultural Trust and the California Department of Fish and Game (now the California Department of Fish and Wildlife), received certain development rights over property located in the Antioch area to preserve the property for agricultural and conservation purposes. As a condition of approving the former Roddy Ranch Golf Course Project (County File LP98-2030), the County obtained development rights over an area designated for wildlife habitat (totaling approximately 881 acres), as well as the future development rights over the former golf course (approximately 230 acres).

Since 1999, the Roddy Ranch golf course has been abandoned, and the wildlife habitat parcels and the golf course parcel have been conveyed to the East Bay Regional Park District. A recent title review indicates that Contra Costa County still holds an interest in the development rights over these parcels. To clarify the record

and ensure the conservation objectives remain intact, the County will execute quitclaim deeds to quitclaim to the Park District any remaining County interest in the development rights over the combined 1,111 acres that comprises the wildlife habitat area (APNs 007-010-040, 078-050-009, 075-190-010 (Portion), 075-190-012 (Portion), 075-190-013, and 078-050-010) and the former golf course (APN 057-060-017).

The East Bay Regional Park District is the fee owner of the property and will continue to serve as the custodian and long-term steward of the land, subject to the existing conservation restrictions. This action will eliminate any uncertainty in title records and confirm that the County retains no present or future interest in the development rights. Future improvements to or use of the property will be subject to the appropriate environmental review under CEQA.

CONSEQUENCE OF NEGATIVE ACTION:
If not approved, the County may remain listed as holding an interest in the development rights, leading to confusion in title records and potential complications for land management and conservation efforts. Failure to act could delay or interfere with ongoing stewardship of the land.

GRANT DEED OF DEVELOPMENT RIGHTS
(Golf Course)

For value received, **Roddy Ranch Public Financing Authority** hereby grants to the **County of Contra Costa**, a government subdivision of the State of California and its governmental successors, the **Contra Costa County Agricultural Trust** and the **California Department of Fish and Game** (Grantees) the future development rights, as defined herein below, over a portion of that real property situated in the County of Contra Costa, State of California and more particularly described in Exhibit "A" and shown on Exhibit "B".

Development rights are defined to mean and refer to the right to disapprove of any proposed construction, development or improvement, except for the construction of the golf course and ancillary uses permitted under County Land Use Permit LP982030, on the parcel of land described in Exhibit "A" and shown on Exhibit "B". The development rights are and shall be a form of covenant which shall run with the said property and shall bind the current owner and any future owners of all, or any portion, of the said property.

The undersigned executed this instrument on January 5, 1999 (Date).

Roddy Ranch Public Financing Authority,
a joint exercise of powers authority.

By _____
Terrence Bates, Executive Director and Secretary.

Though the data below is not required by law, it may prove valuable to persons relying on the document and could prevent fraudulent re-attachment of this form.

INSTRUCTIONS TO NOTARY

The following information is provided in an effort to expedite processing of the documents.
Signatures required on documents must comply with the following to be acceptable to Contra Costa County.

I. FOR ALL SIGNATURES - The name and interest of the signer should be typed or printed BENEATH the signature. The name must be signed exactly as it is typed or printed.

II. SIGNATURES FOR INDIVIDUALS - The name must be signed exactly as it is printed or typed. The signer's interest in the property must be stated.

III. SIGNATURES FOR PARTNERSHIPS - Signing party must be either a general partner or be authorized in writing to have the authority to sign for and bind the partnership.

IV. SIGNATURES FOR CORPORATIONS
Documents should be signed by two officers, one from each of the following two groups:

GROUP 1.
(a) The Chair of the Board
(b) The President
(c) Any Vice-President

GROUP 2.
(a) The Secretary
(b) An Assistant Secretary
(c) The Chief Financial Officer
(d) The Assistant Treasurer

If signatures of officers from each of the above two groups do not appear on the instrument, a certified copy of a resolution of the Board of Directors authorizing the person signing the instrument to execute instruments of the type in question is required. A currently valid power of attorney, notarized, will suffice.

Notarization of only one corporate signature or signatures from only one group, must contain the following phrase:
"...and acknowledged to me that such corporation executed the within instrument pursuant to its by-laws or a resolution of its Board of Directors".

GRANT DEED OF DEVELOPMENT RIGHTS
(Wildlife Habitat)

For value received, **Roddy Ranch Public Financing Authority** hereby grants to the **County of Contra Costa**, a government subdivision of the State of California and its governmental successors, the **Contra Costa County Agricultural Trust** and the **California Department of Fish and Game** (Grantees) the development rights, as defined herein below, over a portion of that real property situated in the County of Contra Costa, State of California and more particularly described in Exhibit "A" and shown on Exhibit "B".

Development rights are defined to mean and refer to the right to disapprove of any proposed construction, development or improvement on the parcel of land described in Exhibit "A" and shown on Exhibit "B". The development rights are and shall be a form of covenant which shall run with the said property and shall bind the current owner and any future owners of all, or any portion, of the said property.

Development rights are granted for the purpose of maintaining the land in a natural state as a wildlife corridor with no subdivision or grading of land, construction of any structures or facilities, tree removal, improvements or other alterations, except for road maintenance, cattle grazing and such other maintenance as may be required for fire protection or health and human safety.

The following conditions apply:

a. There shall be no exploration for or extraction of minerals, hydrocarbons, soils, or other materials on or below the surface of the deed restricted areas.

b. There shall be no dumping or other disposal of refuse within the deed restricted areas.

c. Rodent and predator control shall be limited and there should be no use of poisons within the deed restricted areas, except with the approval of the California Department of Fish and Game.

d. The California Department of Fish and Game shall be allowed access to the deed restricted areas upon 48-hours notice.

The undersigned executed this instrument on January 5, 1999 (Date).

Roddy Ranch Public Financing Authority,
a joint exercise of powers authority.

SIGNER(S) OTHER THAN NAMED ABOVE

Though the data below is not required by law, it may prove valuable to persons relying on the document and could prevent fraudulent reattachment of this form.

INSTRUCTIONS TO NOTARY

The following information is provided in an effort to expedite processing of the documents.
Signatures required on documents must comply with the following to be acceptable to Contra Costa County.

I. FOR ALL SIGNATURES - The name and interest of the signer should be typed or printed BENEATH the signature. The name must be signed exactly as it is typed or printed.

II. SIGNATURES FOR INDIVIDUALS - The name must be signed exactly as it is printed or typed. The signer's interest in the property must be stated.

III. SIGNATURES FOR PARTNERSHIPS - Signing party must be either a general partner or be authorized in writing to have the authority to sign for and bind the partnership.

IV. SIGNATURES FOR CORPORATIONS
Documents should be signed by two officers, one from each of the following two groups:

GROUP 1.
(a) The Chair of the Board
(b) The President
(c) Any Vice-President

GROUP 2.
(a) The Secretary
(b) An Assistant Secretary
(c) The Chief Financial Officer
(d) The Assistant Treasurer

If signatures of officers from each of the above two groups do not appear on the instrument, a certified copy of a resolution of the Board of Directors authorizing the person signing the instrument to execute instruments of the type in question is required. A currently valid power of attorney, notarized, will suffice.

Notarization of only one corporate signature or signatures from only one group, must contain the following phrase:
"...and acknowledged to me that such corporation executed the within instrument pursuant to its by-laws or a resolution of its Board of Directors".

THE BOARD OF SUPERVISORS OF CONTRA COSTA COUNTY, CALIFORNIA

Adopted this Order on January 26, 1999, by the following vote:

AYES: SUPERVISORS GIOIA, UILKEMA, GERBER, DeSAULNIER AND CANCIAMILLA

NOES: NONE

ABSENT: NONE

ABSTAIN: NONE

RESOLUTION NO.: 99/36

SUBJECT: Authorizing Acceptance of Instruments.

IT IS BY THE BOARD ORDERED that all of the following instruments, for several properties, are hereby ACCEPTED:

INSTRUMENT	REFERENCE	GRANTOR	AREA
Grant Deed of Development Rights (Wildlife Habitat)	LP 982030 and MS 980006	Roddy Ranch, L.L.C.	Antioch

I hereby certify that this is a true and correct copy of an action taken and entered on the minutes of the Board of Supervisors on the date shown.

ATTESTED: January 26, 1999
PHIL BATCHELOR, Clerk of the Board of Supervisors and County Administrator

Staff Report

File #: 26-2803 **Agenda Date:** 6/23/2026 **Agenda #:** C.172.

To: Board of Supervisors

From: Warren Lai, Public Works Director/Chief Engineer

Report Title: Amendment to Consulting Services Agreement with ENGEO Incorporated, Countywide.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Public Works Director, or designee, to execute a Consulting Services Agreement (contract) amendment with ENGEO Incorporated, effective June 20, 2026, to extend the term through June 20, 2027, for on-call geotechnical engineering services, with no change to the payment limit of $800,000, Countywide. (County Project No.: Various) (All Districts)

FISCAL IMPACT:
Work performed under this amendment is funded by local, state and federal funds for local road, flood control, and airport projects. (100% Various Funds)

BACKGROUND:
The Public Works Department is involved in various projects in the County that require geotechnical engineering services for road and flood control projects. ENGEO Incorporated is one of seven firms contracted in 2022 to provide geotechnical engineering services on an "on-call" basis as in-house expertise is not available.

On August 2, 2022, the Board of Supervisors approved an initial contract with ENGEO Incorporated, in the amount of $800,000 for geotechnical engineering services for the Public Works Department. The term of the agreement expires on June 21, 2025.

On July 8, 2025, the Board of Supervisors approved a contract amendment to extend the term through June 20, 2026.

This Amendment will extend the contract term from June 21, 2026, to June 20, 2027, which is necessary for the continuation of on-call geotechnical engineering services through the completion of various projects which ENGEO Incorporated is currently providing geotechnical engineering services under task orders. Geotechnical engineering services for these projects are anticipated to be completed by June 21, 2027.

Government Code Section 31000 and 4525 authorizes the County to contract for services, including the type of geotechnical engineering services that ENGEO Incorporated provides.

CONSEQUENCE OF NEGATIVE ACTION:
Without approval from the Board of Supervisors, the on-going projects that ENGEO Incorporated provides geotechnical engineering services for will experience delays and added costs as the County solicits for new professional services.

To: Board of Supervisors

From: Warren Lai, Public Works Director/Chief Engineer

Report Title: Contract Amendment for On-Call Environmental Consulting Services, Countywide.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Public Works Director, or designee, to execute a contract amendment with FCS International, Inc. dba FirstCarbon Solutions and ICF Environmental, Inc. (formally ICF Jones & Stokes, Inc.), effective June 23, 2026, to increase the payment limit by $600,000 to a new payment limit of $1,300,000 and extend the term through September 18, 2028, for on-call environmental consulting services, Countywide.

FISCAL IMPACT:
Local Road and Flood Control Funds. (100% Various Funds)

BACKGROUND:
The County Public Works Department maintains and improves County-owned infrastructure in unincorporated areas of the County which include roads, bridges, flood control channels and basins, buildings, parks, and two airports. Public agency projects must comply with federal, state, and local environmental regulations including but not limited to the National Environmental Policy Act through federal agencies such as the Federal Highway Administration/California Department of Transportation, Federal Aviation Administration, Federal Emergency Management Agency, and U.S. Army Corps of Engineers when there is a nexus and the California Environmental Quality Act as well as regulatory agency permits, including but not limited to, Department of Fish and Wildlife, Regional Water Quality Control Board, and East Contra Costa County Habitat Conservation/Natural Community Conservation Plan.

The Environmental Services Division of the County Public Works Department ensures Public Works projects comply with applicable environmental regulations and as such requires support from qualified specialists to assess potential project impacts, document the findings and provide measures to avoid, minimize, and mitigate potential impacts as well as provide monitoring of construction sites when required by regulatory agencies. These on-call environmental consulting service contracts will provide those specialists for air quality, biological and cultural resources, hazardous materials/waste, hydrology/water quality, noise, and traffic.

In accordance with Government Code section 4526, the Environmental Services Division solicited Statements of Qualifications from environmental consulting firms. At its September 19, 2023 meeting, the board approved a contract with FCS International, Inc. dba FirstCarbon Solutions and ICF Environmental, Inc. (formally ICF Jones & Stokes, Inc.), in the amount not to exceed $700,000, for the period of September 19, 2023 through September 18, 2026.

This Amendment will increase the payment limit to $1,300,000, and extend the contracts term from September 18, 2026, to September 18, 2028, which is necessary to ensure the County has continued access to the consultant's services.

CONSEQUENCE OF NEGATIVE ACTION:
Without approval from the Board of Supervisors, the Environmental Services Division will not be able to obtain environmental consulting services to comply with regulatory compliance for various Countywide projects.

Staff Report

File #: 26-2805 **Agenda Date:** 6/23/2026 **Agenda #:** C.174.

To: Board of Supervisors

From: Warren Lai, Public Works Director/Chief Engineer

Report Title: Consulting Services Agreement with MNS Engineers, Inc., North Richmond area.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Public Works Director, or designee, to execute a Consulting Services Agreement (contract) with MNS Engineers, Inc. in an amount not to exceed $660,000 for construction management services for the Wildcat Fish Passage Implementation Project, for the period June 15, 2026 through December 31, 2027, North Richmond area. (County Project No.: 7505-6F6101) (District I)

FISCAL IMPACT:
Work performed under this contract will be funded by 39% US Environmental Protection Agency San Francisco Bay Water Quality Improvement Fund, 32% California Department of Water Resources Integrated Water Management, and 29% Local Flood Control District Fund.

BACKGROUND:
The project will replace the existing Wildcat Creek fish ladder with a concrete step pool system, construct a roughened ramp channel with grouted boulders and deflection bollards, desilt and expand the sediment basin, construct RSP training berms with plant tubes, construct access platforms, regrade the basin area, reconstruct a gravel trail, and modify the upstream channel by replacing a grouted rock section with gravel and fines.

MNS Engineers, Inc. was selected to provide construction management services for the project after completing a request for proposal solicitation and technical proposal process. Public Works has successfully negotiated with MNS Engineers, Inc. to provide these construction management services.

CONSEQUENCE OF NEGATIVE ACTION:
Without approval from the Board of Supervisors, this Consulting Services Agreement will not be in effect. A delay in construction of the Project will occur, ultimately delaying the completion of the Project. Project delay may also result in substantial additional project costs.

CONTRA COSTA COUNTY

Staff Report

File #: 26-2806 **Agenda Date:** 6/23/2026 **Agenda #:** C.175.

To: Board of Supervisors

From: Warren Lai, Public Works Director/Chief Engineer

Report Title: Approve a Contract Amendment with Geosyntec Consultants, Inc. for the San Francisco Bay Water Quality Improvement Fund BIL Grant.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Chief Engineer, Flood Control and Water Conservation District, or designee, to execute, on behalf of the Contra Costa Clean Water Program, a contract amendment with Geosyntec Consultants, Inc., to extend the contract termination date from September 30, 2026 to June 30, 2028, with no change to the payment limit for Countywide stormwater quality services necessary to comply with federal and state stormwater permit requirements issued under the National Pollutant Discharge Elimination System Permit, Countywide. (100% Stormwater Utility Assessment Funds)

FISCAL IMPACT:
There is no fiscal impact change associated with this amendment. All costs will continue to not exceed $887,947, funded 100% by the San Francisco Bay Water Quality Improvement Fund BIL grant.

BACKGROUND:
The Contra Costa Clean Water Program ("CCCWP") consists of Contra Costa County, its 19 incorporated cities and towns, and the Contra Costa County Flood Control and Water Conservation District (collectively, "Permittees"). The CCCWP was established in response to federal Clean Water Act amendments requiring municipalities to obtain and implement stormwater permits designed to reduce pollutants discharged into Municipal Separate Storm Sewer Systems (MS4s).
The CCCWP previously contracted with Geosyntec Consultants, Inc. to plan, coordinate, and administer the Clean Watersheds For All Project, which supports countywide implementation of green stormwater infrastructure and other water quality improvement projects, focusing on underserved communities. The Request for Qualifications # 2306-661 was released on June 9, 2023, and awarded to Geosyntec Consultants, Inc. in a competitive bid
The Project will continue to generate stormwater treatment plans, develop prioritized water quality improvement projects, create design concepts, and advance financial and operational systems that enable CCCWP municipalities to collaboratively fund, construct, and maintain these projects. The contract extension is necessary to complete ongoing work under the grant-funded program.

CONSEQUENCE OF NEGATIVE ACTION:
Without the approval of the Board of Supervisors, the CCCWP, 19 Cities and Towns, Contra Costa County, and the Flood Control District will be unable to carry out the requirements of the Clean Watersheds For All project

as set forth by the San Francisco Bay Water Quality Improvement Fund BIL grant.

File #: 26-2807 **Agenda Date:** 6/23/2026 **Agenda #:** C.176.

To: Board of Supervisors

From: Warren Lai, Public Works Director/Chief Engineer

Report Title: Contract with Beltray, Inc. for On-Call Fleet Truck Parts Supply and Support Services, Countywide.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Public Works Director, or designee, to execute a contract with Beltray, Inc., in an amount not to exceed $1,000,000, to provide truck parts supply and support services for the period of June 1, 2026 through May 31, 2029, Countywide.

FISCAL IMPACT:
100% Fleet Internal Service Fund

BACKGROUND:
Public Works Fleet Services oversees maintenance and repair operations for more than 1,700 vehicles. Maintaining an adequate supply of parts for our fleet trucks is critical to the upkeep and repair of County vehicles.

In December 2025, the Public Works Department conducted a formal solicitation for on-call fleet truck parts supply and support services, posting the Request for Proposal on BidNet Direct (RFP_F-Contr-0000000160). Six proposals were received, and Beltray, Inc. d/b/a All Star Ford was among the vendors awarded the contract.

Beltray, Inc. d/b/a All Star Ford provides truck parts on an as-needed basis, supporting both routine stock replenishment and urgent unit-down situations to ensure reliable on-call access to fleet truck parts and related support services for County-owned vehicles and equipment.

Fleet Services is requesting approval of a service contract with Beltray, Inc. d/b/a All Star Ford for the term June 1, 2026 through May 31, 2029 in the amount of $1,000,000.

CONSEQUENCE OF NEGATIVE ACTION:
Without approval of this contract, there will be no vendor available to service and repair the fleet shop's trucks, which would disrupt fleet operations, Countywide.

CONTRA COSTA COUNTY

Staff Report

File #: 26-2808 **Agenda Date:** 6/23/2026 **Agenda #:** C.177.

To: Board of Supervisors

From: Warren Lai, Public Works Director/Chief Engineer

Report Title: APPROVE and AUTHORIZE Advertisement for Painting and Mechanical Bids for Annual Job Order Contracts #001, #002, #003, and #004.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
(1) APPROVE the design and bid documents, including the plans and specifications for typical work, contract, General Conditions, Technical Specifications, and the Construction Task Catalog for Job Order Contracts (JOC) #001 and #002 (Painting) and #003 and #004 (Mechanical).

(2) AUTHORIZE the Public Works Director, or designee, to solicit bids to be received on or about July 28, 2026, and issue bid addenda, as needed, for clarifications of the bid documents, provided the involved changes do not significantly increase the construction cost estimate.

(3) DIRECT the Clerk of the Board to publish, at least 14 calendar days before the bid opening date, the Notice to Contractors in accordance with Public Contract Code Section 22037, inviting bids for this project.

(4) DIRECT the Public Works Director, or designee, to send notices by email or fax and by U.S. Mail to the construction trade journals specified in Public Contract Code Section 22036 at least 15 calendar days before the bid opening.

FISCAL IMPACT:
JOC work orders will only be issued when there is an approved project and funding. The contract value can reach a maximum of $6,210,000. The maximum contract value of $6,210,000 per annual JOC contract is lower than the maximum limit established through Public Contract Code Section 20128.5 (not actual appropriated dollars), and it is possible that the limit may not be reached. Having this limit allows for efficiency and flexibility in accomplishing work up to the maximum statutory limit. JOC contracts #001, #002, #003, and #004 will have a planned maximum contract value of $1,000,000 each.

BACKGROUND:
To enhance efficiency in delivering County projects, the County utilizes several project delivery methods. One such method is authorized under Public Contract Code Section 20128.5, which allows counties to award one or more individual annual contracts for repair, remodeling, or other repetitive work to be done according to unit prices. After an annual contract is awarded, individual projects are executed through written job orders performed at the unit prices included in the contract. Job Order Contracting (JOC) has proven to reduce costs, expedite delivery, and increase productivity for County maintenance and improvement projects.

On March 1, 2024, the County executed a Consulting Services Agreement with The Gordian Group dba The Mellon Group to provide JOC program development and implementation services for various County projects. Under this agreement, Gordian develops and maintains a JOC catalog, also known as a "unit price book", that contains individual construction tasks for repair, remodeling, and other repetitive work such as general conditions, driveways, parking lots, and other facility-related components.

Since November 2015, the Board of Supervisors has awarded JOC contracts to the lowest bidders, roughly on an annual basis, to work on repair, remodeling and maintenance projects countywide. This authorization is to establish JOC contracts focused on painting and mechanical projects, including but not limited to facilities maintenance, improvement, repair, modernization, rehabilitation, and heating, ventilation, and air conditioning (HVAC) installation work.

California Environmental Quality Act (CEQA) requirements will be determined and addressed on a project-by-project basis as projects occur. If annual JOC contracts are awarded under this solicitation, each will carry a 12-month term. The County reserves the right to award one or more of the Job Order Contracts #001, #002, #003, and #004. The County is not required to award all four contracts and is not required to award any contract if the bid pricing is unfavorable.

CONSEQUENCE OF NEGATIVE ACTION:
The JOC program has been a valuable construction project delivery tool for projects. If JOC bid solicitation is not approved and authorized, the County will not have the resources to complete many deferred maintenance projects and other County painting and mechanical projects involving repair, remodeling, and other repetitive work.

MARTINEZ, CA 94553

CONTRA COSTA COUNTY

Staff Report

File #: RES 2026-238 **Agenda Date:** 6/23/2026 **Agenda #:** C.178.

To: **Contra Costa County Flood Control and Water Conservation District**

From: Warren Lai, Public Works Director/Chief Engineer

Report Title: ADOPT Resolution adopting and levying the annual Drainage Area Benefit Assessment (DABA) in Drainage Area 75A (DA 75A) for Fiscal Year 2026-2027, Danville and San Ramon area.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
ADOPT Resolution adopting and levying the annual Drainage Area Benefit Assessment (DABA) in Drainage Area 75A (DA 75A) for Fiscal Year 2026-2027, Danville and San Ramon area.

FISCAL IMPACT:
The proposed annual DABA will provide approximately $14,702 in funding for flood control drainage maintenance activities in DA 75A. (100% Drainage Area Benefit Assessment Funds)

BACKGROUND:
A DABA is a subset of parcels within a defined boundary of a larger drainage area that is assessed to fund flood control infrastructure maintenance that directly benefits the area. Assessments are used to pay for flood control maintenance activities, including complaint investigation, facility inspections, ditch and basin cleaning, maintaining right-of-way access, and additional general or routine drainage maintenance activities. The assessments collected are used only for the maintenance and operation of the flood control facilities within the Contra Costa County Flood Control and Water Conservation District right-of-way limits.

DABAs are established when a development is determined to increase stormwater runoff, inundating existing drainage infrastructure. DABAs are established by agreement with developers or vote by parcel owners. DA 75A was established August 27, 1985, by adoption of Resolution No. 85/514. DA 75A has been assigned a specific number of Impervious Area Units (IAUs), where a single IAU is equal to 1,000 square feet of impervious surface. Parcels within DA 75A are assigned a specific number of IAUs based upon their proportional share of impervious area in accordance with the Benefit Assessment Act of 1982. DA 75A has a total of 14,702 IAUs, where the typical single-family home may pay an assessment amount of $3.12 for Fiscal Year 2026-2027.

To calculate the assessment, the cost of flood control infrastructure maintenance within DA 75A is budgeted. The cost of flood control infrastructure maintenance varies from year-to-year based upon the planned annual costs and unforeseen maintenance needs. The assessment rate/IAU is the quotient of the budgeted maintenance divided by the number of IAUs assigned to DA 75A. The assessment for each parcel is the product of the rate/IAU multiplied by the number of IAUs assigned to the parcel. At the onset of the initial formation, a maximum assessment rate was adopted for the establishment of a reserve fund based on unforeseen costs due to

natural disasters or severe weather events. This maximum assessment rate is adjusted annually to account for inflation using an appropriate construction cost index, as cited in the DA's Engineer's Report upon formation.

Based on the assessment calculation, where DA 75A has 14,702 IAUs and budgeted maintenance of $128,000, the assessment rate for Fiscal Year 2026-2027 is calculated to be $1.00. Unspent assessments from Fiscal Year 2025-2026 shall be carried over to Fiscal Year 2026-2027. Due to an increase in projected maintenance spending, the assessment rate that shall be levied will be less than the calculated rate of $8.71.

CONSEQUENCE OF NEGATIVE ACTION:
If the proposed assessment for DA 75A is not adopted, the proposed assessment will not be levied, and the maintenance of the flood control facilities may not happen.

THE BOARD OF SUPERVISORS OF CONTRA COSTA COUNTY, CALIFORNIA

and for Special Districts, Agencies and Authorities Governed by the Board

IN THE MATTER OF ADOPTING AND LEVYING ASSESSMENTS IN DRAINAGE AREA 75A FOR FISCAL YEAR 2026-2027.

WHEREAS the Board of Supervisors FINDS that:

1. On August 27, 1985, the Board of Supervisors, acting as the governing body of the Contra Costa County Flood Control and Water Conservation District (Flood Control District), adopted Resolution No. 85/514, establishing Drainage Area 75A (DA 75A) and imposing assessments on parcels within the area of benefit pursuant to the Benefit Assessments Act of 1982 (Gov. Code, §54703 et. seq.), following approval by landowners, for the purpose of funding flood control facility maintenance, such as complaint investigation, facility inspections, ditch and basin cleaning, maintaining right-of-way access, and additional general or routine drainage maintenance activities.

2. Under Resolution No. 85/514, assessments were imposed based upon the annual budgeted cost of flood control facility maintenance for DA 75A, the total impervious surface area (described as Impervious Area Units [IAUs], where a single IAU is equal to 1,000 square feet of impervious surface area) assigned to DA 75A, and the number of IAUs attributable to each parcel. In this way, assessment amounts were determined on the basis of proportionate stormwater runoff from each parcel, in accordance with Government Code section 54711.

3. Under Resolution No. 85/514, and as approved by landowners of DA 75A, (a) the annual assessment rate is the quotient of the annual budgeted maintenance cost divided by the number of IAU's assigned to DA 75A; (b) the maximum assessment amount was $20.00/IAU; and (c) the maximum assessment shall be adjusted for annually to account for inflation in accordance with the appropriate construction cost index, cited in the Engineer's Report.

4. As set forth in Exhibit A, attached hereto and incorporated by this reference, the adjusted maximum assessment rate for Fiscal Year 2025-2026 was $80.13/IAU. The change in the construction cost index from December-to-December is 2.9 percent. Pursuant to Resolution No. 85/514, the maximum assessment rate is adjusted upward by 2.9 percent to $82.46/IAU for Fiscal Year 2026-2027.

5. As set forth in Exhibit A, for Fiscal Year 2026-2027, the budgeted maintenance to be funded by DA 75A assessments is $128,000. Anticipated maintenance activities include facility inspections, ditch cleaning, fence repair, and landscape maintenance, among others.

6. Based on the formula set forth in Resolution No. 85/514, the current number of IAUs in DA 75A (14,702,), and budgeted maintenance of $128,000, the assessment rate for Fiscal Year 2026-2027 would be $8.71/IAU.

7. The adjusted annual assessment rate of $8.71 is less than the adjusted maximum rate of $82.46. The annual assessment rate for Fiscal Year 2026-2027 may, therefore, be set at $8.71/IAU.

8. Unspent assessments from Fiscal Year 2025-2026 shall be carried over to the Fiscal Year 2026-2027. As a result, the annual assessment rate that shall be levied will be less than the adjusted annual assessment rate of $8.71.

NOW, THEREFORE, the Board hereby determines and resolves that:

1. The annual budgeted cost of flood control facility maintenance to be financed by DA 75A assessments for Fiscal Year 2026-2027 shall not exceed $128,000.

2. Annual assessments shall be levied in DA 75A for Fiscal Year 2026-2027 at a rate of $1.00/IAU, in the specific amounts shown per parcel on Exhibit B, attached hereto and incorporated herein by this reference.

3. The Drainage Area Benefit Assessment shall be collected in the same manner, and subject to the same penalties and priority of lien as other charges and taxes fixed and collected by, or on behalf of, the Flood Control District, pursuant to Government Code section 54718.

CONTRA COSTA COUNTY

Staff Report

File #: RES 2026-239 **Agenda Date:** 6/23/2026 **Agenda #:** C.179.

To: **Contra Costa County Flood Control and Water Conservation District**

From: Warren Lai, Public Works Director/Chief Engineer

Report Title: Adoption and levy of annual Drainage Area Benefit Assessment in Drainage Area 76A for Fiscal Year 2026-2027. Project No. 7505-6F8167

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
ADOPT Resolution adopting and levying the annual Drainage Area Benefit Assessment (DABA) in Drainage Area 76A (DA 76A) for Fiscal Year 2026-2027, Alamo area.

FISCAL IMPACT:
The proposed annual DABA will provide approximately $1,737 in funding for flood control drainage maintenance activities in DA 76A. (100% Drainage Area Benefit Assessment Funds)

BACKGROUND:
A DABA is a subset of parcels within a defined boundary of a larger drainage area that is assessed to fund flood control infrastructure maintenance that directly benefits the area. Assessments are used to pay for flood control maintenance activities, including complaint investigation, facility inspections, ditch and basin cleaning, maintaining right-of-way access, and additional general or routine drainage maintenance activities. The assessments collected are used only for the maintenance and operation of the flood control facilities within the Contra Costa County Flood Control and Water Conservation District right-of-way limits.

DABAs are established when a development is determined to increase stormwater runoff, inundating existing drainage infrastructure. DABAs are established by agreement with developers or vote by parcel owners. DA 76A was established December 1, 1987, by adoption of Resolution No. 87/726 with subsequent annexations of additional developments in 1989, 1995, and 2000. DA 76A has been assigned a specific number of Impervious Area Units (IAUs), where a single IAU is equal to 1,000 square feet of impervious surface. Parcels within DA 76A are assigned a specific number of IAUs based upon their proportional share of impervious area in accordance with the Benefit Assessment Act of 1982. DA 76A has a total of 1,737 IAUs, where the typical single-family home may pay an assessment amount of $3.12 for Fiscal Year 2026-2027.

To calculate the assessment, the cost of flood control infrastructure maintenance within DA 76A is budgeted. The cost of flood control infrastructure maintenance varies from year-to-year based upon the planned annual costs and unforeseen maintenance needs. The assessment rate/IAU is the quotient of the budgeted maintenance divided by the number of IAUs assigned to DA 76A. The assessment for each parcel is the product of the rate/IAU multiplied by the number of IAUs assigned to the parcel. At the onset of the initial formation, including subsequent annexation, a maximum assessment rate was adopted for the establishment of a reserve

fund based on unforeseen costs due to natural disasters or severe weather events. This maximum annual assessment remains unchanged and is not adjusted annually for inflation.

Based on the assessment calculation, where DA 75A has 1,737 IAUs and budgeted maintenance of $50,000, the assessment rate for Fiscal Year 2026-2027 is calculated to be $28.79. Unspent assessments from Fiscal Year 2025-2026 shall be carried over to Fiscal Year 2026-2027. As a result, the assessment rate that shall be levied will be less than the calculated rate of $28.79.

CONSEQUENCE OF NEGATIVE ACTION:
If the proposed assessment for DA 76A is not adopted, the proposed assessment will not be levied, and the maintenance of the flood control facilities may not happen.

THE BOARD OF SUPERVISORS OF CONTRA COSTA COUNTY, CALIFORNIA

and for Special Districts, Agencies and Authorities Governed by the Board

IN THE MATTER OF ADOPTING AND LEVYING ASSESSMENTS IN DRAINAGE AREA 76A FOR FISCAL YEAR 2026-2027.

WHEREAS the Board of Supervisors FINDS that:

1. On December 1, 1987, the Board of Supervisors, as the governing body of the Contra Costa County Flood Control and Water Conservation District (Flood Control District), adopted Resolution No. 87/726, establishing Drainage Area 76A (DA 76A) and imposing assessments on parcels within the area of benefit pursuant to the Benefit Assessments Act of 1982 (Gov. Code, §54703 et. seq.), following approval by landowners, for the purpose of funding flood control facility maintenance, such as complaint investigation, facility inspections, ditch and basin cleaning, maintaining right-of-way access, and additional general or routine drainage maintenance activities.

2. Under Resolution No. 87/726, assessments were imposed based upon the annual budgeted cost of flood control facility maintenance for DA 76A, the total impervious surface area (described as Impervious Area Units [IAUs] where a single IAU is equal to 1,000 square feet of impervious surface area) assigned to DA 76A, and the number of IAUs attributable to each parcel. In this way, assessment amounts were determined on the basis of proportionate stormwater runoff from each parcel, in accordance with Government Code section 54711.

3. Under Resolution No. 87/726, and as approved by landowners of DA 76A, (a) the annual assessment rate is the quotient of the annual budgeted maintenance cost divided by the number of IAUs assigned to DA 76A; and (b) the maximum assessment amount is $65.07/IAU.

4. As set forth in Exhibit A, attached hereto and incorporated by this reference, the maximum assessment rate for Fiscal Year 2025-2026 was $65.07/IAU and remains unchanged for Fiscal Year 2026-2027.

5. As set forth in Exhibit A, for Fiscal Year 2026-2027, the budgeted maintenance to be funded by DA 76A assessments is $50,000. Anticipated maintenance activities include facility inspections, ditch cleaning, fence repair, and landscape maintenance, among others.

6. Based upon the formula set forth in Resolution No. 87/726, the current number of IAUs in DA 76A (1,569), and budgeted maintenance of $50,000, the adjusted annual assessment rate for Fiscal Year 2026 -2027 would be $28.79/IAU.

7. The annual assessment rate of $28.79 is less than the maximum rate of $65.07. The annual assessment rate for Fiscal Year 2026-2027 may, therefore, be set at $28.79/IAU.

8. Unspent assessments from Fiscal Year 2025-2026 shall be carried over to Fiscal Year 2026-2027. As a result, the annual assessment rate that shall be levied will be less than the adjusted annual assessment rate of $28.79.

NOW, THEREFORE, the Board hereby determines and resolves that:

1. The annual budgeted cost of flood control facility maintenance to be financed by DA 76A assessments for Fiscal Year 2026-2027 shall not exceed $50,000.

2. Annual assessments shall be levied in DA 76A for Fiscal Year 2026-2027 at a rate of $1.00/IAU, in the specific amounts shown per parcel on Exhibit B, attached hereto and incorporated herein by this reference.

3. The Drainage Area Benefit Assessment shall be collected in the same manner, and subject to the same penalties and priority of lien as other charges and taxes fixed and collected by, or on behalf of, the Flood Control District, pursuant to Government Code section 54718.

Report Title: Adoption and levy of annual Drainage Area Benefit Assessment in Drainage Area 520 for Fiscal Year 2026-2027. Project No. 7505-6F8167

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
ADOPT Resolution adopting and levying the annual Drainage Area Benefit Assessment (DABA) in Drainage Area 520 (DA 520) for Fiscal Year 2026-2027, Oakley area.

FISCAL IMPACT:
The proposed annual DABA will provide approximately $55,869 in funding for flood control drainage maintenance activities in DA 520. (100% Drainage Area Benefit Assessment Funds)

BACKGROUND:
A DABA is a subset of parcels within a defined boundary of a larger drainage area that is assessed to fund flood control infrastructure maintenance that directly benefits the area. Assessments are used to pay for flood control maintenance activities, including complaint investigation, facility inspections, ditch and basin cleaning, maintaining right-of-way access, and additional general or routine drainage maintenance activities. The assessments collected are used only for the maintenance and operation of the flood control facilities within the Contra Costa County Flood Control and Water Conservation District right-of-way limits.

DABAs are established when a development is determined to increase stormwater runoff, inundating existing drainage infrastructure. DABAs are established by agreement with developers or vote by parcel owners. DA 520 was established December 1, 1987, by adoption of Resolution No. 87/716 with subsequent annexations of additional developments in 2000 and 2001. DA 520 has been assigned a specific number of Impervious Area Units (IAUs), where a single IAU is equal to 1,000 square feet of impervious surface. Parcels within DA 520 are assigned a specific number of IAUs based upon their proportional share of impervious area in accordance with the Benefit Assessment Act of 1982. DA 520 has a total of 1,569 IAUs, where the typical single-family home may pay an assessment amount of $111.10 for Fiscal Year 2026-2027.

To calculate the assessment, the cost of flood control infrastructure maintenance within DA 520 is budgeted. The cost of flood control infrastructure maintenance varies from year-to-year based upon the planned annual costs and unforeseen maintenance needs. The assessment rate/IAU is the quotient of the budgeted maintenance divided by the number of IAUs assigned to DA 520. The assessment for each parcel is the product of the rate/IAU multiplied by the number of IAUs assigned to the parcel. At the onset of the initial formation, including subsequent annexation, a maximum assessment rate was adopted for the establishment of a reserve

fund based on unforeseen costs due to natural disasters or severe weather events. The subsequent annexations allow for this maximum annual assessment rate to be adjusted annually to account for inflation, while the initial formation does not. Therefore, the maximum annual assessment remains unchanged and is not adjusted annually for inflation.

Based on the assessment calculation, where DA 520 has 1,569 IAUs and budgeted maintenance of $51,000, the assessment rate for Fiscal Year 2026-2027 is calculated to be $29.96. Unspent assessments from Fiscal Year 2025-2026 shall be carried over to Fiscal Year 2026-2027. However, due to an underfunded reserve fund balance for DA 520, the assessment rate that shall be levied will be higher than the calculated rate of $29.96.

CONSEQUENCE OF NEGATIVE ACTION:
If the proposed assessment for DA 520 is not adopted, the proposed assessment will not be levied, and the maintenance of the flood control facilities may not happen.

THE BOARD OF SUPERVISORS OF CONTRA COSTA COUNTY, CALIFORNIA

and for Special Districts, Agencies and Authorities Governed by the Board

IN THE MATTER OF ADOPTING AND LEVYING ASSESSMENTS IN DRAINAGE AREA 520 FOR FISCAL YEAR 2026-2027.

WHEREAS the Board of Supervisors FINDS that:

1. On December 1, 1987, the Board of Supervisors, as the governing body of the Contra Costa County Flood Control and Water Conservation District (Flood Control District), adopted Resolution No. 87/716, establishing Drainage Area 520 (DA 520) and imposing assessments on parcels within the area of benefit pursuant to the Benefit Assessments Act of 1982 (Gov. Code, §54703 et. seq.), following approval by landowners, for the purpose of funding flood control facility maintenance, such as complaint investigation, facility inspections, ditch and basin cleaning, maintaining right-of-way access, and additional general or routine drainage maintenance activities.

2. Under Resolution No. 87/716, assessments were imposed based upon the annual budgeted cost of flood control facility maintenance for DA 520, the total impervious surface area (described as Impervious Area Units [IAUs], where a single IAU is equal to 1,000 square feet of impervious surface area) assigned to DA 520, and the number of IAUs attributable to each parcel. In this way, assessment amounts were determined on the basis of proportionate stormwater runoff from each parcel, in accordance with Government Code section 54711.

3. Under Resolution No. 87/716, and as approved by landowners of DA 520, (a) the annual assessment rate is the quotient of the annual budgeted maintenance cost divided by the number of IAUs assigned to DA 520; and (b) the maximum assessment amount is $35.61/IAU.

4. As set forth in Exhibit A, attached hereto and incorporated by this reference, the maximum assessment rate for Fiscal Year 2025-2026 was $35.61/IAU and remains unchanged for Fiscal Year 2026-2027.

5. As set forth in Exhibit A, for Fiscal Year 2026-2027, the budgeted maintenance to be funded by DA 520 assessments is $47,000. Anticipated maintenance activities include facility inspections, ditch cleaning, fence repair, and landscape maintenance, among others.

6. Based upon the formula set forth in Resolution No. 87/716, the current number of IAUs in DA 520 (1,569), and budgeted maintenance of $47,000, the adjusted annual assessment rate for Fiscal Year 2026 -2027 would be $29.96/IAU.

7. The adjusted annual assessment rate of $29.96 is less than the adjusted maximum rate of $35.61. The annual assessment rate for Fiscal Year 2026-2027 can be set at $29.96.

8. Unspent assessments from Fiscal Year 2025-2026 shall be carried over to Fiscal Year 2026-2027. However, due to an underfunded reserve fund balance for DA 520, the assessment rate that shall be

levied will be higher than the calculated rate of $29.96.

NOW, THEREFORE, the Board hereby determines and resolves that:

1. The annual budgeted cost of flood control facility maintenance to be financed by DA 520 assessments for Fiscal Year 2026-2027 shall not exceed $47,000.

2. Annual assessments shall be levied in DA 520 for Fiscal Year 2026-2027 at a rate of $35.61/IAU, the adjusted maximum annual assessment rate, in the specific amounts shown on Exhibit B attached hereto and incorporated herein by this reference.

3. The Drainage Area Benefit Assessment shall be collected in the same manner, and subject to the same penalties and priority of lien as other charges and taxes fixed and collected by, or on behalf of, the Flood Control District, pursuant to Government Code section 54718.

CONTRA COSTA COUNTY

Staff Report

File #: RES 2026-241 **Agenda Date:** 6/23/2026 **Agenda #:** C.181.

To: **Contra Costa County Flood Control and Water Conservation District**

From: Warren Lai, Public Works Director/Chief Engineer

Report Title: Adoption and levy of annual Drainage Area Benefit Assessment in Drainage Area 910 for Fiscal Year 2026-2027. Project No. 7505-6F8167

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
ADOPT Resolution adopting and levying the annual Drainage Area Benefit Assessment (DABA) in Drainage Area 910 (DA 910) for Fiscal Year 2026-2027, Danville area.

FISCAL IMPACT:
The proposed annual DABA will provide approximately $712 in funding for flood control drainage maintenance activities in DA 910. (100% Drainage Area Benefit Assessment Funds)

BACKGROUND:
A DABA is a subset of parcels within a defined boundary of a larger drainage area that is assessed to fund flood control infrastructure maintenance that directly benefits the area. Assessments are used to pay for flood control maintenance activities, including complaint investigation, facility inspections, ditch and basin cleaning, maintaining right-of-way access, and additional general or routine drainage maintenance activities. The assessments collected are used only for the maintenance and operation of the flood control facilities within the Contra Costa County Flood Control and Water Conservation District right-of-way limits.

DABAs are established when a development is determined to increase stormwater runoff, inundating existing drainage infrastructure. DABAs are established by agreement with developers or vote by parcel owners. DA 910 was established January 23, 1990, by adoption of Resolution No. 90/54. DA 910 has been assigned a specific number of Impervious Area Units (IAUs), where a single IAU is equal to 1,000 square feet of impervious surface. Parcels within DA 910 are assigned a specific number of IAUs based upon their proportional share of impervious area in accordance with the Benefit Assessment Act of 1982. DA 910 has a total of 712 IAUs, where the typical single-family home may pay an assessment amount of $3.12 for Fiscal Year 2026-2027.

To calculate the assessment, the cost of flood control infrastructure maintenance within DA 910 is budgeted. The cost of flood control infrastructure maintenance varies from year-to-year based upon the planned annual costs and unforeseen maintenance needs. The assessment rate/IAU is the quotient of the budgeted maintenance divided by the number of IAUs assigned to DA 910. The assessment for each parcel is the product of the rate/IAU multiplied by the number of IAUs assigned to the parcel. At the onset of the initial formation, a maximum assessment rate was adopted for the establishment of a reserve fund based on unforeseen costs due to

natural disasters or severe weather events. With the establishment of the reserve fund, the initial assessment rate is adjusted annually to account for inflation using the California Construction Cost Index, as cited in the DA's Engineer's Report upon formation.

Based on the assessment calculations, where DA 910 has 712 IAUs and budgeted maintenance of $51,000, the assessment rate for Fiscal Year 2026-2027 is calculated to be $71.60. Unspent assessments from Fiscal Year 2025-2026 shall be carried over to Fiscal Year 2026-2027. As a result, the assessment rate that shall be levied will be less than the calculated rate of $71.60.

CONSEQUENCE OF NEGATIVE ACTION:
If the proposed assessment for DA 910 is not adopted, the proposed assessment will not be levied, and the maintenance of the flood control facilities may not happen.

THE BOARD OF SUPERVISORS OF CONTRA COSTA COUNTY, CALIFORNIA

and for Special Districts, Agencies and Authorities Governed by the Board

IN THE MATTER OF ADOPTING AND LEVYING ASSESSMENTS IN DRAINAGE AREA 910 FOR FISCAL YEAR 2026-2027.

WHEREAS the Board of Supervisors FINDS that:

1. On January 23, 1990, the Board of Supervisors, as the governing body of the Contra Costa County Flood Control and Water Conservation District (Flood Control District), adopted Resolution No. 90/54, establishing Drainage Area 910 (DA 910) and imposing assessments on parcels within the area of benefit pursuant to the Benefit Assessments Act of 1982 (Gov. Code, §54703 et. seq.), following approval by landowners, for the purpose of funding flood control facility maintenance, such as complaint investigation, facility inspections, ditch and basin cleaning, maintaining right-of-way access, and additional general or routine drainage maintenance activities.

2. Under Resolution No. 90/54, assessments were imposed based upon the annual budgeted cost of flood control facility maintenance for DA 910, the total impervious surface area (described as Impervious Area Units [IAUs], where a single IAU is equal to 1,000 square feet of impervious surface area) assigned to DA 910, and the number of IAUs attributable to each parcel. In this way, assessment amounts were determined on the basis of proportionate stormwater runoff from each parcel, in accordance with Government Code section 54711.

3. Under Resolution No. 90/54, and as approved by landowners of DA 910, (a) the annual assessment rate is the quotient of the annual budgeted maintenance cost divided by the number of IAUs assigned to DA 910; (b) the maximum assessment amount was $88.23/IAU; and (c) the maximum assessment shall be adjusted for annually to account for inflation in accordance with the appropriate construction cost index, cited in the Engineer's Report.

4. As set forth in Exhibit A, attached hereto and incorporated by this reference, the adjusted maximum assessment rate for Fiscal Year 2025-2026 was $319.47/IAU. The change in the construction cost index from December-to-December is 2.9 percent. Pursuant to Resolution No. 90/54, the maximum assessment rate is adjusted upward by 2.9 percent to $328.74/IAU for Fiscal Year 2026-2027.

5. As set forth in Exhibit A, for Fiscal Year 2026-2027, the budgeted maintenance to be funded by DA 910 assessments is $51,000. Anticipated maintenance activities include facility inspections, ditch cleaning, fence repair, and landscape maintenance, among others.

6. Based on the formula set forth in Resolution No. 90/54, the current number of IAUs in DA 910 (712), and budgeted maintenance of $51,000, the adjusted annual assessment rate for Fiscal Year 2026-2027

would be $71.60/IAU.

7. The annual assessment rate of $71.60 is less than the adjusted maximum rate of $328.74. The annual assessment rate for Fiscal Year 2026-2027 may, therefore, be set at $71.60.

8. Unspent assessments from Fiscal Year 2025-2026 shall be carried over to Fiscal Year 2026-2027. As a result, the annual assessment rate that shall be levied will be less than the adjusted annual assessment rate of $71.60.

NOW, THEREFORE, the Board hereby determines and resolves that:

1. The annual budgeted cost of flood control facility maintenance to be financed by DA 910 assessments for Fiscal Year 2026-2027 shall not exceed $51,000.

2. Annual assessments shall be levied in DA 910 for Fiscal Year 2026-2027 at a rate of $1.00/IAU, in the specific amounts shown per parcel on Exhibit B, attached hereto and incorporated herein by this reference.

3. The Drainage Area Benefit Assessment shall be collected in the same manner, and subject to the same penalties and priority of lien as other charges and taxes fixed and collected by, or on behalf of, the Flood Control District, pursuant to Government Code section 54718.

CONTRA COSTA COUNTY

Staff Report

File #: RES 2026-242 **Agenda Date:** 6/23/2026 **Agenda #:** C.182.

To: **Contra Costa County Flood Control and Water Conservation District**

From: Warren Lai, Public Works Director/Chief Engineer

Report Title: Adoption and levy of annual Drainage Area Benefit Assessment in Drainage Area 1010 for Fiscal Year 2026-2027. Project No. 7505-6F8167

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
ADOPT Resolution adopting and levying the annual Drainage Area Benefit Assessment (DABA) in Drainage Area 1010 (DA 1010) for Fiscal Year 2026-2027, Danville and San Ramon area.

FISCAL IMPACT:
The proposed annual DABA will provide approximately $180,386 in funding for flood control drainage maintenance activities in DA 1010. (100% Drainage Area Benefit Assessment Funds)

BACKGROUND:
A DABA is a subset of parcels within a defined boundary of a larger drainage area that is assessed to fund flood control infrastructure maintenance that directly benefits the area. Assessments are used to pay for flood control maintenance activities, including complaint investigation, facility inspections, ditch and basin cleaning, maintaining right-of-way access, and additional general or routine drainage maintenance activities. The assessments collected are used only for the maintenance and operation of the flood control facilities within the Contra Costa County Flood Control and Water Conservation District right-of-way limits.

DABAs are established when a development is determined to increase stormwater runoff, inundating existing drainage infrastructure. DABAs are established by agreement with developers or vote by parcel owners. DA 1010 was established May 10, 1988, by adoption of Resolution No. 88/263 with subsequent annexations of additional developments in 2000 and 2005. DA 1010 has been assigned a specific number of Impervious Area Units (IAUs), where a single IAU is equal to 1,000 square feet of impervious surface. Parcels within DA 1010 are assigned a specific number of IAUs based upon their proportional share of impervious area in accordance with the Benefit Assessment Act of 1982. DA 1010 has a total of 11,114 IAUs, where the typical single-family home may pay an assessment amount of $50.64 for Fiscal Year 2026-2027.

To calculate the assessment, the cost of flood control infrastructure maintenance within DA 1010 is budgeted. The cost of flood control infrastructure maintenance varies from year-to-year based upon the planned annual costs and unforeseen maintenance needs. The assessment rate/IAU is the quotient of the budgeted maintenance divided by the number of IAUs assigned to DA 1010. The assessment for each parcel is the product of the rate/IAU multiplied by the number of IAUs assigned to the parcel. At the onset of the initial formation,

including subsequent annexation, a maximum assessment rate was adopted for the establishment of a reserve fund based on unforeseen costs due to natural disasters or severe weather events. This maximum annual assessment rate is adjusted annually to account for inflation using the Construction Cost Index published by the Engineering News Record index for the San Francisco area.

Based on the assessment calculation, where DA 1010 has 11,114 IAUs and budgeted maintenance of $268,017, the assessment rate for Fiscal Year 2026-2027 is calculated to be $16.11. Unspent assessments from Fiscal Year 2025-2026 shall be carried over to Fiscal Year 2026-2027. While budgeted maintenance costs have increased for Fiscal Year 2026-2027, DA 1010 maintained an adequately funded reserve fund balance in the previous fiscal year. As a result, the assessment rate that shall be levied will be marginally higher than the calculated rate of $16.11.

CONSEQUENCE OF NEGATIVE ACTION:
If the proposed assessment for DA 1010 is not adopted, the proposed assessment will not be levied, and the maintenance of the flood control facilities may not happen.

THE BOARD OF SUPERVISORS OF CONTRA COSTA COUNTY, CALIFORNIA

and for Special Districts, Agencies and Authorities Governed by the Board

IN THE MATTER OF ADOPTING AND LEVYING ASSESSMENTS IN DRAINAGE AREA 1010 FOR FISCAL YEAR 2026-2027.

WHEREAS the Board of Supervisors FINDS that:

1. On May 10, 1988, the Board of Supervisors, as the governing body of the Contra Costa County Flood Control and Water Conservation District (Flood Control District), adopted Resolution No. 88/263, establishing Drainage Area 1010 (DA 1010) and imposing assessments on parcels within the area of benefit pursuant to the Benefit Assessments Act of 1982 (Gov. Code, §54703 et. seq.), following approval by landowners, for the purpose of funding flood control facility maintenance, such as complaint investigation, facility inspections, ditch and basin cleaning, maintaining right-of-way access, and additional general or routine drainage maintenance activities.

2. Under Resolution No. 88/263, assessments were imposed based upon the annual budgeted cost of flood control facility maintenance for DA 1010, the total impervious surface area (described as Impervious Area Units [IAUs], where a single IAU is equal to 1,000 square feet of impervious surface area) assigned to DA 1010, and the number of IAUs attributable to each parcel. In this way, assessment amounts were determined on the basis of proportionate stormwater runoff from each parcel, in accordance with Government Code section 54711.

3. Under Resolution No. 88/263, and as approved by landowners of DA 1010, (a) the annual assessment rate is the quotient of the annual budgeted maintenance cost divided by the number of IAUs assigned to DA 1010; (b) the maximum assessment amount was $24.18/IAU; and (c) the maximum assessment shall be adjusted for annually to account for inflation using the construction cost index, cited in the Engineer's Report.

4. As set forth in Exhibit A, attached hereto and incorporated by this reference, the adjusted maximum assessment rate for Fiscal Year 2025-2026 was $46.21/IAU. The change in the appropriate construction cost index from December-to-December is 0.6 percent. Pursuant to Resolution No. 88/263, the maximum assessment rate is adjusted upward by 0.6 percent to $46.49/IAU for Fiscal Year 2026-2027.

5. As set forth in Exhibit A, for Fiscal Year 2026-2027, the budgeted maintenance to be funded by DA 1010 assessments is $268,017. Anticipated maintenance activities include facility inspections, ditch cleaning, fence repair, and landscape maintenance, among others.

6. Based on the formula set forth in Resolution No. 88/263, the current number of IAUs in DA 1010 (11,114), and budgeted maintenance of $268,017, the adjusted annual assessment rate for Fiscal Year 2026-2027 would be $16.11/IAU.

7. The adjusted annual assessment rate of $16.11 is less than the adjusted maximum rate of $46.49. The annual assessment rate for Fiscal Year 2026-2027 may, therefore, be set at $16.11/IAU.

8. Unspent assessments from Fiscal Year 2025-2026 shall be carried over to Fiscal Year 2026-2027. While budgeted maintenance costs have increased for Fiscal Year 2026-2027, DA 1010 maintained an adequately funded reserve fund balance in the previous fiscal year. Accordingly, the annual assessment rate that shall be levied will be marginally higher than the adjusted annual assessment rate of $16.11.

NOW, THEREFORE, the Board hereby determines and resolves that:

1. The annual budgeted cost of flood control facility maintenance to be financed by DA 1010 assessments for Fiscal Year 2026-2027 shall not exceed $268,017.

2. Annual assessments shall be levied in DA 1010 for Fiscal Year 2026-2027 at a rate of $16.23/IAU, in the specific amounts shown per parcel on Exhibit B, attached hereto and incorporated herein by this reference.

3. The Drainage Area Benefit Assessment shall be collected in the same manner, and subject to the same penalties and priority of lien as other charges and taxes fixed and collected by, or on behalf of, the Flood Control District, pursuant to Government Code section 54718.

Report Title: Adoption and levy of annual Drainage Area Benefit Assessment in Drainage Area 1010A for Fiscal Year 2026-2027. Project No. 7505-6F8167

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
ADOPT Resolution adopting and levying the annual Drainage Area Benefit Assessment (DABA) in Drainage Area 1010A (DA 1010A) for Fiscal Year 2026-2027, Danville area.

FISCAL IMPACT:
The proposed annual DABA will provide approximately $112,082 in funding for flood control drainage maintenance activities in DA 1010A. (100% Drainage Area Benefit Assessment Funds)

BACKGROUND:
A DABA is a subset of parcels within a defined boundary of a larger drainage area that is assessed to fund flood control infrastructure maintenance that directly benefits the area. Assessments are used to pay for flood control maintenance activities, including complaint investigation, facility inspections, ditch and basin cleaning, maintaining right-of-way access, and additional general or routine drainage maintenance activities. The assessments collected are used only for the maintenance and operation of the flood control facilities within the Contra Costa County Flood Control and Water Conservation District right-of-way limits.

DABAs are established when a development is determined to increase stormwater runoff, inundating existing drainage infrastructure. DABAs are established by agreement with developers or vote by parcel owners. DA 1010A was established July 12, 1988, by adoption of Resolution 88/432. DA 1010A has been assigned a specific number of Impervious Area Units (IAUs), where a single IAU is equal to 1,000 square feet of impervious surface. Parcels within DA 1010A are assigned a specific number of IAUs based upon their proportional share of impervious area in accordance with the Benefit Assessment Act of 1982. DA 1010A has a total of 1,021 IAUs, where the typical single-family home may pay an assessment amount of $342.08 for Fiscal Year 2026-2027.

To calculate the assessment, the cost of flood control infrastructure maintenance within DA 1010A is budgeted. The cost of flood control infrastructure maintenance varies from year-to-year based upon the planned annual costs and unforeseen maintenance needs. The assessment rate/IAU is the quotient of the budgeted maintenance divided by the number of IAUs assigned to DA 1010A. The assessment for each parcel is the product of the rate/IAU multiplied by the number of IAUs assigned to the parcel. At the onset of the initial formation, including subsequent annexation, a maximum assessment rate was adopted for the establishment of a reserve

fund based on unforeseen costs due to natural disasters or severe weather events. This maximum annual assessment rate is adjusted annually to account for inflation using the Construction Cost Index published by the Engineering News Record index for the San Francisco area.

Based on the assessment calculation, where DA 1010A has 1,022 IAUs and budgeted maintenance of $157,000, the assessment rate for Fiscal Year 2026-2027 is calculated to be $116.50. Unspent assessments from Fiscal Year 2025-2026 shall be carried over to Fiscal Year 2026-2027. Due to an increase in projected spending that surpasses the maximum allowable IAU rate and an underfunded Reserve Fund Balance for DA 1010A, the assessment rate that shall be levied will be equal to the maximum allowable IAU rate of $109.64.

CONSEQUENCE OF NEGATIVE ACTION:
If the proposed assessment for DA 1010A is not adopted, the proposed assessment will not be levied, and the maintenance of the flood control facilities may not happen.

THE BOARD OF SUPERVISORS OF CONTRA COSTA COUNTY, CALIFORNIA

and for Special Districts, Agencies and Authorities Governed by the Board

IN THE MATTER OF ADOPTING AND LEVYING ASSESSMENTS IN DRAINAGE AREA 1010A FOR FISCAL YEAR 2026-2027.

WHEREAS the Board of Supervisors FINDS that:

1. On July 12, 1988, the Board of Supervisors, as the governing body of the Contra Costa County Flood Control and Water Conservation District (Flood Control District), adopted Resolution No. 88/432, establishing Drainage Area 1010A (DA 1010A) and imposing assessments on parcels within the area of benefit pursuant to the Benefit Assessments Act of 1982 (Gov. Code, §54703 et. seq.), following approval by landowners, for the purpose of funding flood control facility maintenance, such as complaint investigation, facility inspections, ditch and basin cleaning, maintaining right-of-way access, and additional general or routine drainage maintenance activities.

2. Under Resolution No. 88/432, assessments were imposed based upon the annual budgeted cost of flood control facility maintenance for DA 1010A, the total impervious surface area (described as Impervious Area Units [IAUs] where a single IAU is equal to 1,000 square feet of impervious surface area) assigned to DA 1010A, and the number of IAUs attributable to each parcel. In this way, assessment amounts were determined on the basis of proportionate stormwater runoff from each parcel, in accordance with Government Code section 54711.

3. Under Resolution No. 88/432, and as approved by landowners of DA 1010A, (a) the annual assessment rate is the quotient of the annual budgeted maintenance cost divided by the number of IAUs assigned to DA 1010A; (b) the maximum assessment amount was $38.64/IAU; and (c) the maximum assessment shall be adjusted for annually to account for inflation using the appropriate construction cost index, cited in the Engineer's Report.

4. As set forth in Exhibit A, attached hereto and incorporated by this reference, the adjusted maximum assessment rate for Fiscal Year 2025-2026 was $108.98/IAU. The change in the construction cost index from December-to-December is 0.6 percent. Pursuant to Resolution No. 88/432, the maximum assessment rate is adjusted downward by 0.6 percent to $109.64/IAU for Fiscal Year 2026-2027.

5. As set forth in Exhibit A, for Fiscal Year 2026-2027, the budgeted maintenance to be funded by DA 1010A assessments is $157,000. Anticipated maintenance activities include facility inspections, ditch cleaning, fence repair, and landscape maintenance, among others.

6. Based on the formula set forth in Resolution No. 88/432, the current number of IAUs in DA 1010A (1,022), and budgeted maintenance of $157,000, the adjusted annual assessment rate for Fiscal Year 2026-2027 would be $153.58/IAU.

7. The adjusted annual assessment rate of $153.58 is more than the maximum allowable rate of $109.64.

Consequently, the annual assessment rate for Fiscal Year 2026-2027 cannot be set at $153.58/IAU. Therefore, the assessment rate will be less than the adjusted annual assessment of $153.58.

8. Unspent assessments from Fiscal Year 2025-2026 shall be carried over to Fiscal Year 2026-2027. Additionally, due to an increase in projected maintenance expenditures for Fiscal Year 2026-2027 and an underfunded Reserve Fund Balance for DA 1010A, the adjusted annual assessment rate exceeds the maximum allowable IAU rate. Therefore, the annual assessment rate shall be levied at the maximum allowable IAU rate of $109.64.

NOW, THEREFORE, the Board hereby determines and resolves that:

1. The annual budgeted cost of flood control facility maintenance to be financed by DA 1010A assessments for Fiscal Year 2026-2027 shall not exceed $157,000.

2. Annual assessments shall be levied in DA 1010A for Fiscal Year 2026-2027 at a rate of $109.64/IAU, in the specific amounts shown per parcel on Exhibit B, attached hereto and incorporated herein by this reference.

3. The Drainage Area Benefit Assessment shall be collected in the same manner, and subject to the same penalties and priority of lien as other charges and taxes fixed and collected by, or on behalf of, the Flood Control District, pursuant to Government Code section 54718.

CONTRA COSTA COUNTY

Staff Report

File #: RES 2026-244 **Agenda Date:** 6/23/2026 **Agenda #:** C.184.

To: Board of Supervisors

From: Warren Lai, Public Works Director/Chief Engineer

Report Title: Vacation of Grant Deed of Development Rights, Antioch

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
Acting as the governing body of the Contra Costa County Flood Control and Water Conservation District:

ADOPT Resolution approving the vacation of a Grant Deed of Development Rights encumbering Assessor's Parcel Numbers, 072-510-005, -006, -007, and -008, near Lone Tree Way and Golf Course Road in Antioch and recorded on September 3, 1998 in the County Clerk Recorder's Office as instrument #98-0213684-00, pursuant to Government Code Section 25367 and Section 31 of the Contra Costa County Flood Contral and Water Conservation District Act.

DETERMINE that this action is in the public interest and that the District will no longer retain any present or future rights in the development rights being vacated.

DETERMINE that the activity is not subject to the California Environmental Quality Act (CEQA), pursuant to Section 15061(b)(3) of the CEQA Guidelines, as it can be seen with certainty that there is no possibility this activity may have a significant effect on the environment.

FISCAL IMPACT:
There is no fiscal impact.

BACKGROUND:
A Grant Deed of Development Rights, recorded on September 3, 1998, as instrument 98-0213684, Encumbers Assessor's Parcel Nos. 072-510-005, -006, -007, and -008 located near Lone Tree Way and Golf Course Road in Antioch. The Grant Deed of Development Rights was recorded to secure the future payment of Drainage Area 55 fees, which are to be paid when the property is developed.

The Drainage Area fee obligation of $278,170.65 was paid to the City of Antioch on March 31, 2026 for parcel 5, 6, 7, and 8. Therefore, the condition required to vacate the Grant Deed of Development Rights has been satisfied, and the encumbrance, as it pertains to these parcels, is no longer required for public use.

Any future improvements or use of the property for land management and conservation efforts will be subject to review under CEQA by the property owner.

CONSEQUENCE OF NEGATIVE ACTION:
Parcels 5, 6, 7, and 8 would retain the encumbrances of the Grant Deed of Development Rights even though the condition for vacating the encumbrances has been satisfied.

Recorded at the request of:
Contra Costa County Flood Control
and Water Conservation District

THE BOARD OF SUPERVISORS OF CONTRA COSTA COUNTY, CALIFORNIA
Adopted this Resolution on _____, by the following vote:

AYES:

NOES:

ABSENT:

ABSTAIN:

RESOLUTION NO. 2026/***
(Government Code § 25367 and Section 31
Of the Contra Costa County Flood Control and Water Conservation Act)

SUBJECT: **ADOPT** Resolution No. 2026-____ approving the vacation of a Grant Deed of Development Rights.
Antioch Area.

The Board of Supervisors acting as the governing body of the Contra Costa County Flood Control and Water Conservation District **RESOLVES THAT:**

This vacation request is for a grant deed of development rights encumbering Assessor's Parcel Numbers 072-510-005, -006, -007, and -008 (together, the "Vacation Area") that is no longer required for public use (Government Code Section 25367 and Section 31 of the Contra Costa County Flood Control and Water Conservation Act). A description of the area to be vacated is described in Exhibit "A" and shown on Exhibit "B" attached hereto.

This Board declares that the Grant Deed of Development Rights covering the proposedVacation Area is **HEREBY ORDERED VACATED** subject to any reservation and exception described in attached Exhibit "A". From and after the date this Resolution is recorded, the vacated areas are no longer subject to the grant deed of development rights recorded in the office of this County's Recorder on September 3, 1998 as instrument No.98-0213684.

The Real Estate Division is **ORDERED** to record a certified copy of this Resolution in the office of the County Clerk-Recorder.

I hereby certify that this is a true and correct copy of an action taken and entered on the minutes of the Board of Supervisors on the date shown.

To: Board of Supervisors

From: Warren Lai, Public Works Director/Chief Engineer

Report Title: APPROVE the Conveyance of three grant of easements to Pacific Gas and Electric Company

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
Acting as the governing body of the Contra Costa County Flood Control and Water Conservation District, APPROVE and AUTHORIZE the Chair, Board of Supervisors, to execute three grant of easements for the relocation of an approximately 6,418 square foot gas pipeline to PACIFIC GAS AND ELECTRIC COMPANY (PG&E) within the District's Davilla Road right of way, North Richmond area pursuant to Government Code Section 25526.6 and Section 31 of the Contra Costa County Flood Control and Water Conservation District. (Project No.: WL72RP, DP 18-3007, CP# 23-23)

DETERMINE that the conveyance of said easements is in the public interest and will not substantially conflict or interfere with the District's use of the property.

DIRECT the Real Estate Division of the Public Works Department to cause said Grant of Easements and a certified copy of this Board Order to be delivered to the grantee for recording in the office of the County Clerk-Recorder.

FISCAL IMPACT:
No fiscal impact.

BACKGROUND:
CenterPoint Properties is building three warehouse buildings on a 31.48 acre site comprised of 19 parcels identified as 506 Brookside Drive (Assessor's Parcel Number 409-300-037 et al) in the unincorporated North Richmond area of Contra Costa County. The development project was approved by the Planning Commission on May 25, 2022 (DP18-3007 and MS19-0009) and is located at the southeastern corner of Fred Jackson Way and Brookside Drive. The project includes various off-site improvements along Fred Jackson Way and Brookside Drive, including roadway improvements, traffic signals, sidewalks, curbs, bioretention swales, and utility connections.

Pacific Gas & Electric requires a Gas Line Easement to accommodate the relocation of an existing line from CenterPoint's property to the District's right of way along Davilla Rd. The relocation of the gas line is needed to continue service to Verde Elementary School and adjacent eastern properties once the CenterPoint Project is completed.

On November 1, 2023, the County determined that the project is not subject to the California Environmental Quality Act (CEQA) pursuant to Categorical Exemption Article 5, Section 15601(b)(3) of the CEQA Statute and Guidelines as it can be seen with certainty that there is no possibility that the activity may have a significant adverse effect on the environment.

CONSEQUENCE OF NEGATIVE ACTION:
If the Easements are not approved, PG&E cannot construct, replace, maintain, inspect, and use equipment for public utility purposes and service to Verde Elementary School and adjacent Easterly properties may lose service.

CALIFORNIA ENVIRONMENTAL QUALITY ACT

Notice of Exemption

☒ County Clerk, County of Contra Costa

Project Title: Gas Line Easement to PG&E for Gas Line Relocation at CenterPoint Properties, Project #: WL72RP, DP 18-3007 CP#: 23-23

Project Applicant: Contra Costa County Public Works Dept., 255 Glacier Drive, Martinez CA 94553 Main: (925) 313-2000, Contact: Sandeep Singh, (925) 313-2022

Project Location: Along Davilla Road in unincorporated North Richmond, Contra Costa County, FCD Fee Titles: 14705 or 758, 14648 or 185, and 14926 or 583

Lead Agency: Department of Conservation and Development, 30 Muir Road, Martinez, CA 94553 Main: (925) 655-2705, Contact: Syd Sotoodeh (925) 655-2877

Project Description: The Contra Costa County Flood Control and Water Conservation District (District) will convey a Gas Line Easement (Easement) to PG&E (Grantee) to accommodate the relocation of an existing gas line from the adjacent property to the right-of-way along Davilla Road owned by the District. The easement is approximately 10 feet wide by 642 feet long along Davilla Road where the new gas line will be relocated to. The adjacent property is being developed for the CenterPoint Properties Warehouse Project, which was approved by the Contra Costa County Planning Commission on May 25, 2022. The relocation of the gas line is needed to continue service to Verde Elementary School and adjacent easterly properties once the CenterPoint project is completed. This CEQA document covers real estate transactions only. The Grantee and/or CenterPoint Properties will be responsible for conducting CEQA review and obtaining any applicable local, state, or federal regulatory permits for subsequent activities.

Exempt Status:

☐ Ministerial Project (Sec. 21080[b][1]; 15268)
☐ Declared Emergency (Sec. 21080[b][3]; 15269[a])
☐ Emergency Project (Sec. 21080[b][4]; 15269[b][c])
☐ Categorical Exemption (Sec.)
☒ General Rule of Applicability (Sec. 15061[b][3])
☐ Other Statutory Exemption (Sec.)

Reasons why project is exempt: The activity consists of a real estate transaction only that will involve issuance of a gas line easement. Therefore, the activity is not subject to CEQA pursuant to Article 5, Section 15601(b)(3) of the CEQA Statute and Guidelines as it can be seen with certainty that there is no possibility that the activity may have a significant adverse effect on the environment.

If filed by applicant:

1. Attach certified document of exemption finding.
2. Has a Notice of Exemption been filed by the public agency approving the project? ☐ Yes ☐ No

EASEMENT DEED

CONTRA COSTA COUNTY FLOOD CONTROL AND WATER CONSERVATION DISTRICT, a flood control district organized under the laws of the State of California,

hereinafter called Grantor, hereby grants to PACIFIC GAS AND ELECTRIC COMPANY, a California corporation, hereinafter called Grantee, the right from time to time to excavate for, construct, reconstruct, replace (of initial or any other size), remove, maintain, inspect, and use facilities and associated equipment for public utility purposes, including, but not limited to electric, gas, and communication facilities, together with a right of way therefor, on, over, and under the easement area as hereinafter set forth, and also ingress thereto and egress therefrom, over and across the lands of Grantor situated in the unincorporated area of the County of Contra Costa, State of California, described as follows:

(Appurtenant to APN 409-300-036)

The parcel of land described in the deed from City of Richmond to Contra Costa County Flood Control and Water Conservation District dated July 27, 1988 and recorded in Book 14705 of Official Records at page 758, Contra Costa County Records.

The easement area is described as follows:

The strip of land described in Exhibit “A” and shown on Exhibit “B” attached hereto and made a part hereof

Grantor further grants to Grantee the right, from time to time, to trim or to cut down, without Grantee paying compensation, any and all trees and brush now or hereafter within said easement area, and shall have the further right, from time to time, to trim and cut down trees and brush along each side of said easement area which now or hereafter in the opinion of Grantee may interfere with or be a hazard to the facilities installed hereunder, or as Grantee deems necessary to comply with applicable state or federal regulations.

Grantor also grants to Grantee the right to use such portion of said lands contiguous to said easement area as may be reasonably necessary in connection with the excavation, construction, reconstruction, replacement, removal, maintenance and inspection of said facilities.

Grantor hereby covenants and agrees not to place or construct, nor allow a third party to place or construct, any building or other structure, or store flammable substances, or drill or operate any well, or construct any reservoir or other obstruction within said easement area, or diminish or substantially add to the ground level within said easement area, or construct any fences that will interfere with the maintenance and operation of said facilities.

Grantor acknowledges that they have read the "Grant of Easement Disclosure Statement", Exhibit "C", attached hereto and made a part hereof.

The provisions hereof shall inure to the benefit of and bind the successors and assigns of the respective parties hereto, and all covenants shall apply to and run with the land.

EASEMENT DEED

CONTRA COSTA COUNTY FLOOD CONTROL AND WATER CONSERVATION DISTRICT, a flood control district organized under the laws of the State of California,

hereinafter called Grantor, hereby grants to PACIFIC GAS AND ELECTRIC COMPANY, a California corporation, hereinafter called Grantee, the right from time to time to excavate for, construct, reconstruct, replace (of initial or any other size), remove, maintain, inspect, and use facilities and associated equipment for public utility purposes, including, but not limited to electric, gas, and communication facilities, together with a right of way therefor, on, over, and under the easement area as hereinafter set forth, and also ingress thereto and egress therefrom, over and across the lands of Grantor situated in the unincorporated area of the County of Contra Costa, State of California, described as follows:

(Appurtenant to APN 409-300-036)

The parcel of land described in the deed from Ninomiya Nursery Company to Contra Costa County Flood Control and Water Conservation District dated June 30, 1988 and recorded in Book 14648 of Official Records at page 185, Contra Costa County Records.

The easement area is described as follows:

The strip of land described in Exhibit “A” and shown on Exhibit “B” attached hereto and made a part hereof

Grantor further grants to Grantee the right, from time to time, to trim or to cut down, without Grantee paying compensation, any and all trees and brush now or hereafter within said easement area, and shall have the further right, from time to time, to trim and cut down trees and brush along each side of said easement area which now or hereafter in the opinion of Grantee may interfere with or be a hazard to the facilities installed hereunder, or as Grantee deems necessary to comply with applicable state or federal regulations.

Grantor also grants to Grantee the right to use such portion of said lands contiguous to said easement area as may be reasonably necessary in connection with the excavation, construction, reconstruction, replacement, removal, maintenance and inspection of said facilities.

Grantor hereby covenants and agrees not to place or construct, nor allow a third party to place or construct, any building or other structure, or store flammable substances, or drill or operate any well, or construct any reservoir or other obstruction within said easement area, or diminish or substantially add to the ground level within said easement area, or construct any fences that will interfere with the maintenance and operation of said facilities.

Grantor acknowledges that they have read the "Grant of Easement Disclosure Statement", Exhibit "C", attached hereto and made a part hereof.

The provisions hereof shall inure to the benefit of and bind the successors and assigns of the respective parties hereto, and all covenants shall apply to and run with the land.

Staff Report

File #: RES 2026-245 **Agenda Date:** 6/23/2026 **Agenda #:** C.186.

To: **Contra Costa County Flood Control and Water Conservation District**

From: Warren Lai, Public Works Director/Chief Engineer

Report Title: Adoption and levy of annual Drainage Area Benefit Assessment in Drainage Area 67A for Fiscal Year 2026-2027. Project No. 7505-6F8167

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
ADOPT Resolution adopting and levying the annual Drainage Area Benefit Assessment (DABA) in Drainage Area 67A (DA 67A) for Fiscal Year 2026-2027, San Ramon area.

FISCAL IMPACT:
The proposed annual DABA will provide approximately $3,427 in funding for flood control drainage maintenance activities in DA 67A. (100% Drainage Area Benefit Assessment Funds)

BACKGROUND:
A DABA is a subset of parcels within a defined boundary of a larger drainage area that is assessed to fund flood control infrastructure maintenance that directly benefits the area. Assessments are used to pay for flood control maintenance activities, including complaint investigation, facility inspections, ditch and basin cleaning, maintaining right-of-way access, and additional general or routine drainage maintenance activities. The assessments collected are used only for the maintenance and operation of the flood control facilities within the Contra Costa County Flood Control and Water Conservation District right-of-way limits.

DABAs are established when a development is determined to increase stormwater runoff, inundating existing drainage infrastructure. DABAs are established by agreement with developers or vote by parcel owners. DA 67A was established June 23, 1987, with subsequent annexations of additional developments in 1989, 1990, 2005, 2016, and 2017. DA 67A has been assigned a specific number of Impervious Area Units (IAUs), where a single IAU is equal to 1,000 square feet of impervious surface. Parcels within DA 67A are assigned a specific number of IAUs based upon their proportional share of impervious area in accordance with the Benefit Assessment Act of 1982. DA 67A has a total of 3,427 IAUs, where the typical single-family home may pay an assessment amount of $3.12 for Fiscal Year 2026-2027.

To calculate the assessment, the cost of flood control infrastructure maintenance within DA 67A is budgeted. The cost of flood control infrastructure maintenance varies from year-to-year based upon the planned annual costs and unforeseen maintenance needs. The assessment rate/IAU is the quotient of the budgeted maintenance divided by the number of IAUs assigned to DA 67A. The assessment for each parcel is the product of the rate/IAU multiplied by the number of IAUs assigned to the parcel. At the onset of the initial formation, including subsequent annexation, a maximum assessment rate was adopted for the establishment of a reserve

fund based on unforeseen costs due to natural disasters or severe weather events. This maximum assessment rate is adjusted annually to account for inflation using the California Construction Cost Index, as cited in the DA's Engineer's Report upon formation.

Based on the assessment calculation, where DA 67A has 3,427 IAUs and budgeted maintenance of $59,000, the assessment rate for Fiscal Year 2026-2027 is calculated to be 17.22. Unspent assessments from Fiscal Year 2025-2026 shall be carried over to Fiscal Year 2026-2027. As a result, the assessment rate that shall be levied will be less than the calculated rate of $17.22.

CONSEQUENCE OF NEGATIVE ACTION:

If the proposed assessment for DA 67A is not adopted, the proposed assessment will not be levied, and the maintenance of the flood control facilities may not happen.

THE BOARD OF SUPERVISORS OF CONTRA COSTA COUNTY, CALIFORNIA

and for Special Districts, Agencies and Authorities Governed by the Board

IN THE MATTER OF ADOPTING AND LEVYING ASSESSMENTS IN DRAINAGE AREA 67A FOR FISCAL YEAR 2026-2027.

WHEREAS the Board of Supervisors FINDS that:

1. On June 23, 1987, the Board of Supervisors, as the governing body of the Contra Costa County Flood Control and Water Conservation District (Flood Control District), adopted Resolution No. 87/391, establishing Drainage Area 67A (DA 67A) and imposing assessments on parcels within the area of benefit pursuant to the Benefit Assessments Act of 1982 (Gov. Code, §54703 et. seq.), following approval by landowners, for the purpose of funding flood control facility maintenance, such as complaint investigation, facility inspections, ditch and basin cleaning, maintaining right-of-way access, and additional general or routine drainage maintenance activities.

2. Under Resolution No. 87/391, assessments were imposed based upon the annual budgeted cost of flood control facility maintenance for DA 67A, the total impervious surface area (described as Impervious Area Units [IAUs], where a single IAU is equal to 1,000 square feet of impervious surface area) assigned to DA 67A, and the number of IAUs attributable to each parcel. In this way, assessment amounts were determined on the basis of proportionate stormwater runoff from each parcel, in accordance with Government Code section 54711.

3. Under Resolution No. 87/391, and as approved by landowners of DA 67A, (a) the annual assessment rate is the quotient of the annual budgeted maintenance cost divided by the number of IAUs assigned to DA 67A; (b) the maximum assessment amount was $50.00/IAU; and (c) the maximum assessment shall be adjusted annually to account for inflation in accordance with the appropriate construction cost index, cited in the Engineer's Report.

4. As set forth in Exhibit A, attached hereto and incorporated by this reference, the adjusted maximum assessment rate for Fiscal Year 2025-2026 was $145.06/IAU. The change in the construction cost index from December-to-December is 2.9 percent. Pursuant to Resolution No. 87/391, the maximum assessment rate is adjusted upward by 2.9 percent to $149.26/IAU for Fiscal Year 2026-2027.

5. As set forth in Exhibit A, for Fiscal Year 2026-2027, the budgeted maintenance to be funded by DA 67A assessments is $59,000. Anticipated maintenance activities include facility inspections, ditch cleaning, fence repair, and landscape maintenance, among others.

6. Based on the formula set forth in Resolution No. 87/397, the current number of IAUs in DA 67A (3,427), and budgeted maintenance of $59,000, the adjusted annual assessment rate for Fiscal Year 2026 -2027 would be $17.22/IAU.

7. The adjusted annual assessment rate of $17.22 is less than the adjusted maximum rate of $149.26. The

annual assessment rate for Fiscal Year 2026-2027 may, therefore, be set at $17.22/IAU.

8. Unspent assessments from Fiscal Year 2025-2026 shall be carried over to Fiscal Year 2026-2027. As a result, the annual assessment rate that shall be levied will be less than the adjusted annual assessment rate of $17.22.

NOW, THEREFORE, the Board hereby determines and resolves that:

1. The annual budgeted cost of flood control facility maintenance to be financed by DA 67A assessments for Fiscal Year 2026-2027 shall not exceed $59,000.

2. Annual assessments shall be levied in DA 67A for Fiscal Year 2026-2027 at a rate of $1.00/IAU, in the specific amounts shown per parcel on Exhibit B, attached hereto and incorporated herein by this reference.

3. The Drainage Area Benefit Assessment shall be collected in the same manner and subject to the same penalties and priority of lien as other charges and taxes fixed and collected by, or on behalf of, the Flood Control District, pursuant to Government Code section 54718.

CONTRA COSTA COUNTY

Staff Report

File #: 26-2810 **Agenda Date:** 6/23/2026 **Agenda #:** C.187.

To: The Contra Costa County Flood Control and Water Conservation District Board of Supervisors

From: Warren Lai, Public Works Director/Chief Engineer

Report Title: Rescind Board Action from April 28, 2026, Pertaining to an Interagency Agreement with Aquatic Science Center; and Approve and Authorize Execution of the Revised Interagency Agreement.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
RESCIND Board action of April 28, 2026 (C.141), which approved execution of an Interagency Agreement with Aquatic Science Center (Agency); and APPROVE and AUTHORIZE the Chief Engineer, Contra Costa County Flood Control and Water Conservation District (Flood Control District) or designee, to execute the revised Interagency Agreement with the Agency, in an amount not to exceed $1,000,000, to synthesize historical maps, reports, photographs, written accounts, field observations, and botanical records to characterize the ecological, hydrologic, and geomorphic conditions of the Walnut Creek Watershed prior to major Euro-American modification. Additionally, a fully illustrated report and GIS database to support a landscape change analysis comparing historical habitat extent and distribution to present-day conditions will be provided. This interagency agreement is from June 23, 2026 through June 22, 2031, and covers portions of Walnut Creek, Concord, Pleasant Hill, Martinez, Lafayette, Moraga, Danville, San Ramon, and unincorporated County areas.

FISCAL IMPACT:
The Project is 100% funded by the Flood Control District Zone 3B funds. Project No. 7520-6B8290

BACKGROUND:
On April 28, 2026, the Board of Supervisors approved an Interagency Agreement with the Agency in an amount not to exceed $1,000,000, for the period of April 28, 2026 through April 27, 2029, to conduct a historical ecology study of the Walnut Creek Watershed that will reconstruct pre-development ecological and hydrological conditions and produce a technical report and GIS-based mapping to support long-term watershed management and multibenefit planning. Following Board approval, the Agency proposed revisions to the agreement, and the Flood Control District determined that addressing these changes, along with anticipated needs for a longer project timeline, would be more appropriately accomplished by rescinding the prior approval and returning with an updated agreement to minimize the number of future amendments.

After Board approval, the Agency reviewed the agreement in more detail and requested several administrative updates, including revised contact information, terminology clarifications, and incorporation of its deliverables schedule. The Agency also indicated that the project is expected to take approximately 3.5 years to complete, which exceeds the original 3-year term. While these revisions do not change the overall scope or cost of work,

Flood Control District staff determined that, given the complexity of the study and the likelihood of unforeseen delays, it would be prudent to restructure the agreement with a maximum 5-year term to reduce the need for multiple amendments over the life of the project.

This staff report seeks Board authorization to rescind the Board action of April 28, 2026, and approve a revised agreement reflecting updated work dates of June 23, 2026 through June 22, 2031.

CONSEQUENCE OF NEGATIVE ACTION:
Without the approval of the Board, the Flood Control District will be unable to execute this interagency agreement and will be required to return to the Board in the future to amend the end date. If an agreement is not executed, the Flood Control District must continue to seek potential mitigation opportunities without the benefit of a comprehensive ecological understanding of watershed functions and processes.

Revised 2002

INTERAGENCY AGREEMENT
(Agency Provides Service)

Number: 7520-6B8290
Fund/Org: 252000
Account #:
Other:

1. **Contract Identification**.
   Department: Public Works
   Subject: Interagency Agreement between Contra Costa County Flood Control and Water Conservation District (District) and Agency named below for the Walnut Creek Historical Ecology Study

2. **Parties**. The Contra Costa County Flood Control and Water Conservation District (District) and the following named Agency mutually agrees and promise as follows:

   Agency: Aquatic Science Center, (hereinafter "Agency")
   Capacity: A public agency
   Address: 4911 Central Ave, Richmond, CA 94804

3. **Term**. The effective date of this Agreement is June 23, 2026, and it terminates on June 22, 2031, unless sooner terminated as provided herein.

4. **Payment Limit**. District's total payments to Agency under this Agreement shall not exceed $1,000,000.

5. **County's Obligations**. District shall pay Agency for its provision of the services as set forth in the attached Payment Provisions which are incorporated herein by reference, subject to all the terms and conditions contained or incorporated herein.

6. **Agency's Obligations**. Agency shall provide those services and carry out that work described in the Service Plan attached hereto which is incorporated herein by reference, subject to all the terms and conditions contained or incorporated herein.

7. **General and Special Conditions**. This Agreement is subject to the General Conditions and Special Conditions (if any) attached hereto, which are incorporated herein by reference.

8. **Project**. This Agreement implements in whole or in part the following described Project, the application and approval documents of which are incorporated herein by reference: 7520-6B8290

9. **Legal Authority**. This Agreement is entered into under and subject to the following legal authorities: Government Code Section 31000.

10. **Signatures**. These signatures attest the parties' agreement hereto:

PAYMENT PROVISIONS
(Fee Basis Contracts - Long and Short Form)

Number

1. **Payment Amounts.** Subject to the Payment Limit of this Contract and subject to the following Payment Provisions, County will pay Contractor the following fee as full compensation for all services, work, expenses or costs provided or incurred by Contractor:

   [Check one alternative only.]

   ☐ a. $ monthly, or

   ☐ b. $ per unit, as defined in the Service Plan, or

   ☐ c. $ after completion of all obligations and conditions herein.

   ☒ d. Other: As set forth in Section IV (Payment Provisions) of the Service Plan.

2. **Payment Demands.** Contractor shall submit written demands for payment on County Demand Form D-15 in the manner and form prescribed by County. Contractor shall submit said demands for payment no later than 30 days from the end of the month in which the contract services upon which such demand is based were actually rendered. Upon approval of payment demands by the head of the County Department for which this Contract is made, or his designee, County will make payments as specified in Paragraph 1. (Payment Amounts) above.

3. **Penalty for Late Submission.** If County is unable to obtain reimbursement from the State of California as a result of Contractor's failure to submit to County a timely demand for payment as specified in Paragraph 2. (Payment Demands) above, County shall not pay Contractor for such services to the extent County's recovery of funding is prejudiced by the delay even though such services were fully provided.

4. **Right to Withhold**. County has the right to withhold payment to Contractor when, in the opinion of County expressed in writing to Contractor, (a) Contractor's performance, in whole or in part, either has not been carried out or is insufficiently documented, (b) Contractor has neglected, failed or refused to furnish information or to cooperate with any inspection, review or audit of its program, work or records, or (c) Contractor has failed to sufficiently itemize or document its demand(s) for payment.

5. **Audit Exceptions.** Contractor agrees to accept responsibility for receiving, replying to, and/or complying with any audit exceptions by appropriate county, state or federal audit agencies resulting from its performance of this Contract. Within 30 days of demand, Contractor shall pay County the full amount of County's obligation, if any, to the state and/or federal government resulting from any audit exceptions, to the extent such are attributable to Contractor's failure to perform properly any of its obligations under this Contract.

SERVICE PLAN

I. INTRODUCTION

A. The Contra Costa County Flood Control and Water Conservation District (referred to herein as "District"; each reference to "County" shall mean "District") is collaborating with the Aquatic Science Center (referred to here, interchangeably as "ASC" and "Agency") to undertake a comprehensive historical ecology study of the Walnut Creek Watershed. To formalize this collaboration, the Flood Control District proposes to enter into a contract with ASC for the development and completion of the study, with a total cost not to exceed $1,000,000.

B. District and ASC have a mutual interest in the Walnut Creek Watershed, which is located in the heart of Contra Costa County, in the San Francisco Bay Area. The geographic focus for this study includes nearly the full extent of the Walnut Creek Watershed, including the Walnut Creek valley floor and upland portions. Areas of the watershed previously mapped in the Lower Walnut Creek Historical Ecology Study and the East Contra Costa County Historical Ecology Study are excluded from the study area.

II. OVERVIEW

The Walnut Creek Watershed Historical Ecology Study shall synthesize diverse historical data to enhance understanding of the ecological, hydrological, and geomorphic conditions of the Walnut Creek Watershed prior to major Euro-American modification. Drawing on sources such as historical maps, landscape and aerial photographs, textual accounts, field observations and botanical records, the study shall reconstruct landscape-scale patterns and environmental variability within the watershed. Synthesis of the historical dataset shall also help inform a landscape change analysis, comparing historical habitat extent and distribution to their present-day state. Findings from the study shall be compiled into an illustrated technical report describing historical conditions and processes and discussing implications for management and restoration. Results shall also be communicated through presentations at community meetings or other venues.

Baseline information about historical landscape patterns and processes shall support Flood Control District in developing multi-benefit approaches for managing the channel network and ecosystems within the Walnut Creek watershed. Findings from the study shall address a variety of scientific questions related to topics such as historical habitat distribution, vegetation community structure and composition, channel and streamflow dynamics, and landscape change over time.

The ASC shall draw on an extensive body of prior research in reconstructing historical ecological conditions for watersheds and landscapes around the Bay Area, including Lower Walnut Creek, the Alameda Creek watershed, Eastern Contra Costa County, and the Peninsula Watershed.

Initials:_____ _____
Agency County Dept.

III. SCOPE OF ASC SERVICES

During the term of this Agreement, ASC shall perform, at District's written request, the following services,

A. Task 1: Data Collection

ASC shall work on acquiring a wide array of historical data sources, as well as selected contemporary data sources needed to fulfill project objectives.

1. 1.1: Develop Workplan and Target Questions

a. Through communications with District, project partners, Tribal representations, and select local experts, ASC shall develop an initial list of target scientific questions for the project. ASC shall provide a draft list of questions to District's Chief Engineer or Designee for review. This document shall help guide data collection and interpretation priorities and facilitate discussion of the project's goals and objectives with technical advisors.

2. 1.2: Historical Data Collection

a. ASC shall identify the historical data sources needed to fulfill project objectives and then acquire historical data from source institutions. To guide data collection efforts, ASC shall develop a comprehensive list of target materials to acquire and institutions to visit.

b. ASC shall recover historical data from a wide variety of sources, including Spanish/Mexican-era materials, early American-era maps and landscape photographs, General Land Office survey notes, and written accounts. In addition, ASC shall review relevant 20th-century sources such as aerial photographs; vegetation maps; soil maps; archaeological, ecological, paleoecological, and water resources reports; and botanical and zoological records.

c. ASC shall collect data from online databases and from source institutions in the Bay Area, Sacramento, and other locations as needed. Institutions visited may include local historical societies, libraries, and museums; county archives; and regional archives such as The Bancroft Library and the California State Library. ASC shall work with libraries and institutions to acquire appropriate permission for use of historical data. It should be noted that copyright or other restrictions may make the acquisition of some historical data difficult and/or prevent the distribution of the actual data. Data collection for the project shall focus on ecological conditions prior to major Euro-American modification (i.e., late 1700s to mid-1800s). Task 1.2 includes budget for at least one day of reconnaissance field work.

3. 1.3: Contemporary Data Collection

a. ASC shall acquire selected contemporary data sources needed to fulfill project objectives, which may include relevant technical reports and GIS layers for habitat distribution, hydrology, geology, soil surveys, DEMs, and contemporary aerial photography.

b. Other

(1) Direct expenses may include the cost of travel to libraries and archival institutions, as well as purchases, scans, or photocopies of relevant source materials.

Initials:_____ _____
Agency County Dept.

Task 1 Deliverables

- Data collection summary memo: ASC shall prepare a 1-2 page list of selected key historical data collected attributed by description and source institution.

B. Task 2: Data Compilation

ASC shall compile the acquired historical data to extract relevant information, develop a geodatabase of spatial data, and facilitate synthesis and analysis of data.

1. 2.1: Georeference Historic Maps

a. ASC shall use appropriate geospatial transformation techniques in ArcGIS Pro to georeference selected historical maps that display spatially-accurate technical detail. Every reasonable effort shall be made to achieve a high level of accuracy.

2. 2.2: Compile Textual and Photographic Data

a. ASC shall compile textual data from historical sources that describe historical conditions into a document, organized geographically and/or thematically, that will support data interpretation and analysis. These sources may include explorer reports, journals and diaries, newspaper articles, surveyor and scientist notes, and other materials. Selected, spatially-explicit textual data may be additionally compiled in the GIS. ASC shall also geolocate selected historical photographs.

C. Task 3: GIS Synthesis

ASC shall synthesize the assembled data to document and reconstruct historical landscape patterns prior to major Euro-American modification.

In valley floor areas, ASC shall create a digital map representing prevailing ecological conditions prior to major Euro-American modifications. Because early data sources may be limited ASC may need to restrict the level of detail and/or certainty that will be achievable in the historical mapping for some areas. ASC shall code all mapped information on a feature-by-feature basis to identify specific sources and certainty levels. ASC shall provide draft valley floor mapping to District as an interim deliverable, and shall deliver final historical mapping GIS layers under Task 5. The resultant mapping shall also be included in the report (see Task 5).

In upland areas, ASC shall develop synthesis methods based on available data and in consultation with technical advisors and District, and may include mapping or other quantitative or qualitative analyses. ASC will likely build on methods piloted in the East Contra Costa Historical Ecology Study (Stanford et al. 2011) and Peninsula Watershed Historical Ecology Study (Baumgarten et al. 2021). Due to limited early data availability, ASC will likely base any mapping developed for upland areas on early 20th century aerial imagery and vegetation mapping and thus reflect later conditions.

Initials:_____ _____
Agency County Dept.

Task Deliverables

- Draft historical habitat and channel mapping for valley floor areas in Digital GIS format, to be transferred to District.

D. Task 4: Interpretation and Analysis

ASC shall interpret the data synthesized and developed in Tasks 1-3 to build an understanding of historical ecological characteristics and landscape changes over time. ASC shall select specific analyses to be conducted, based on the target questions (1.1) and in consultation with District, the Technical Advisory Committee (TAC) (see Task 6.1), and Tribal representatives.

Potential focal topics for detailed analysis may include historical habitat composition, Indigenous land use and Traditional Ecological Knowledge, land use history, hydrologic dynamics, geomorphic patterns, ecological functions, habitat change over time, or other topics. Products from the analyses may be presented in the form of charts, tables, maps, conceptual models, narrative descriptions, or other formats.

Task Deliverables

- Summary of emerging findings: Bullet-point list of key emerging findings (1-2 pages).

E. Task 5: Reporting and Technology Transfer

1. 5.1: Draft Report

a. ASC shall develop a draft report (~60-80 pages) using narrative text, maps, photographs, diagrams, and tables to describe historical conditions in the study area and other findings. The report shall provide a technically accurate and engaging summary of historical characteristics of the area and document major landscape changes.

2. 5.2: Final Report

a. ASC shall submit a final report which addresses TAC and District comments on the draft report. A PDF of the report shall be made available for download via the SFEI website.

3. 5.3: Data Transfer

a. ASC shall provide GIS layers of historical conditions (developed as part of Task 3) through the ASC's website. Data shall be delivered in UTM or other specified projections in ESRI geodatabase or GeoTiff format. All spatial data shall include associated metadata (i.e., a document that describes the characteristics of the data).

4. Other

Direct expenses may include the cost of printing, mailing, presentation travel and permissions for key data sources.

Initials:_____ _____
Agency County Dept.

5. Task Deliverables

- Draft report (PDF).
- Final report (PDF and 25 hardcopies).
- Historical mapping GIS layers posted on SFEI website and incorporated into EcoAtlas.

F. Task 6: Advising, Communication, and Outreach

1. 6.1: Coordinate with Technical Advisory Committee (TAC)

a. ASC, in consultation with District staff, shall recruit and coordinate a Technical Advisory Committee (TAC) of approximately 4 members, with experts from several associated fields such as local history, ecology, botany, and geomorphology. ASC, in consultation with District staff shall also seek the advice of one or more Tribal representatives. The TAC shall provide guidance on data synthesis (Task 3) and interpretation/analysis (Task 4) and provide review comments on the draft report (5.1). ASC shall convene two meetings with the TAC at key project milestones to present key data sources and emerging findings and to solicit feedback and recommendations.

2. 6.2: Communication and Community Outreach

a. ASC shall prepare two presentations during the course of the project to be delivered by ASC at meetings/workshops with community members and project partners to be identified in conjunction with District; presentation venues shall be identified with assistance from District. ASC shall prepare and issue invitations as necessary, in consultation with District.

b. ASC shall engage Tribal representatives in 4-5 meetings throughout the project to seek input on guiding research questions and research methods, discuss findings, incorporate Traditional Ecological Knowledge, and strengthen future partnerships.

c. After District Review, ASC may communicate project findings through other avenues such as social media posts, newsletter blurbs, or briefings for policymakers.

3. Other

Direct expenses may include team meetings and District-approved stipends for TAC members and Tribal partners.

4. Task Deliverables

- PDF copies of presentation slides and meeting summaries from community/partner meetings, to be provided with progress reports.

G. Task 7: Coordination and Administration

1. 7.1: Project Coordination and Team Meetings

a. ASC shall coordinate the project, assign staff resources, monitor the budget and schedule, submit disbursement requests, manage subcontractors, and conduct project meetings. ASC shall coordinate with District to provide regular project status updates.

Initials:_____ _____
Agency County Dept.

2. 7.2: Invoices and Progress Reports

a. ASC shall monitor the budget and submit invoices with written progress reports at least quarterly.

3. Other

Direct expenses may include costs associated with travel to meetings.

4. Task Deliverables

- Invoices and progress reports at least quarterly

H. Schedule of Task 1-7 Deliverables

Task	Task Title	Deliverable	Estimated Completion Dates
1	Data Collection	● Data collection summary memo	12 months NTP
2	Data Compilation	● N/A	20 months NTP
3	GIS Synthesis	● Draft mapping for valley floor.	24 months NTP (for draft valley floor mapping)
4	Interpretation and Analysis	● Summary of emerging findings: Bullet-point list of key emerging findings (1-2 pages).	30 months NTP
5	Reporting and Technology Transfer	1. Draft report (PDF). 2. Final report (PDF and hardcopy). 3. Historical mapping GIS layers posted on SFEI website and incorporated into EcoAtlas.	1. 38 months NTP 2. 42 Months NTP 3. 42 months NTP
6	Advising, Communication, and Outreach	● PDF copies of presentation slides and meeting summaries from community/partner meetings, to be provided with progress reports.	● TBD
7	Coordination and Administration	● Invoices and progress reports	Invoices and progress reports at least quarterly, final due 42 months NTP

IV. PAYMENT PROVISIONS

A. Task Payment Limits.

District shall pay ASC pursuant to this Agreement in accordance with the budget and schedule as set forth in the table below. For the purpose of this Agreement, the budget shall follow District's fiscal year, which runs from July 1 – June 30.

Initials:_____ _____

B. Rates; Invoicing. District shall pay ASC at the hourly rates and for the reimbursables set forth in Attachment A (Personnel Rates and Other Direct Costs) attached hereto and incorporated herein. ASC shall submit a written invoice to the District Project Manager on ASC letterhead for the Services provided under each Task number until District determines the Task work is complete.

1. Invoices must include invoice number, date of invoice, and reference the time period of when services were performed [Example: *Services provided between October 1, 2025, through October 31, 2025:*].
2. Invoices must include a summary of contract charges (see example below):

   Contract payment limit: $_____
   Total previous invoice amounts: $_____
   Remaining Contract Amount: $_____

3. Invoices must specify Task number, Project Name & Number, Task payment limit, list total previous billed amounts, and remaining budget for the task (See example format below):

   Task # (insert): (insert Project Name & Number)
   Task payment limit: $_____
   Total previously billed amounts $_____
   Remaining Task Budget: $_____

4. Invoices must specify employee names, classifications, hours, rates, which shall be consistent with Attachment A and task description of the work performed.
5. Invoices must identify any sub-contractor work, task description of the work performed, and attach sub-contractor invoice, on sub-contractor letterhead, to the ASC's related invoice.

Initials:_____ _____
Agency County Dept.

C. Invoicing Address. ASC shall send all invoices, notices, reports, and correspondence to:
CCC Public Works–Flood Control District
255 Glacier Drive
Martinez, CA 94553

D. Rate Increase. ASC may request up to a five percent (5%) increase in the hourly rates set forth in Attachment A, on an annual basis, on August 1 of each fiscal year during the term of this Agreement, beginning with August 2026. The proposed increase in hourly rates cannot exceed the rate increase (5%) or the actual increase in the hourly rates paid by ASC to its staff and/or subcontractors, whichever is lower. ASC shall provide District with at least 60 days' advance written notice of a proposed increase. Only one (1) request may be granted per calendar year, not to exceed the applicable rate increase of the requested year. The requested increase is only effective 30 days after approved in writing by the District's Chief Engineer, or Designee, and only after the hourly rates in Attachment A have been amended through an administrative amendment to this Agreement. An increase in the rates shall not result in any increase in the Payment Limit specified in Section 4 (Payment Limit) of this Agreement.

SPECIAL CONDITIONS
(Purchase of Services - Long Form)

Agency and District agree that the following Special Conditions modify the General Conditions and are part of the Agreement

"Copyrights, Right in Data, and Works Made for Hire. Paragraph 25 of the General Conditions is hereby deleted in its entirety and replaced with the following paragraph:

25. **Copyrights, Right in Data, and Works Made for Hire.** All right, title and interest of deliverables resulting from services provided under this Agreement shall be owned jointly by the Parties. As appropriate, final deliverables resulting from this Agreement shall be made publicly available and no deliverables will be sold by either party. Notwithstanding the foregoing, County shall not be liable for ASC's use or misuse of the deliverables."

GENERAL CONDITIONS
(Purchase of Services - Long Form)

1. **Compliance with Law**. Contractor is subject to and must comply with all applicable federal, state, and local laws and regulations with respect to its performance under this Contract, including but not limited to, licensing, employment, and purchasing practices; and wages, hours, and conditions of employment, including nondiscrimination.

2. **Inspection**. Contractor's performance, place of business, and records pertaining to this Contract are subject to monitoring, inspection, review and audit by authorized representatives of the County, the State of California, and the United States Government.

3. **Records**. Contractor must keep and make available for inspection and copying by authorized representatives of the County, the State of California, and the United States Government, the Contractor's regular business records and such additional records pertaining to this Contract as may be required by the County.

   a. **Retention of Records**. Contractor must retain all documents pertaining to this Contract for five years from the date of submission of Contractor's final payment demand or final Cost Report; for any further period that is required by law; and until all federal/state audits are complete and exceptions resolved for this Contract's funding period. Upon request, Contractor must make these records available to authorized representatives of the County, the State of California, and the United States Government.

   b. **Access to Books and Records of Contractor, Subcontractor**. Pursuant to Section 1861(v)(1) of the Social Security Act, and any regulations promulgated thereunder, Contractor must, upon written request and until the expiration of five years after the furnishing of services pursuant to this Contract, make available to the County, the Secretary of Health and Human Services, or the Comptroller General, or any of their duly authorized representatives, this Contract and books, documents, and records of Contractor necessary to certify the nature and extent of all costs and charges hereunder.

   Further, if Contractor carries out any of the duties of this Contract through a subcontract with a value or cost of $10,000 or more over a twelve-month period, such subcontract must contain a clause to the effect that upon written request and until the expiration of five years after the furnishing of services pursuant to such subcontract, the subcontractor must make available to the County, the Secretary, the Comptroller General, or any of their duly authorized representatives, the subcontract and books, documents, and records of the subcontractor necessary to verify the nature and extent of all costs and charges thereunder.

   This provision is in addition to any and all other terms regarding the maintenance or retention of records under this Contract and is binding on the heirs, successors, assigns and representatives of Contractor.

4. **Reporting Requirements**. Pursuant to Government Code Section 7550, Contractor must include in all documents and written reports completed and submitted to County in accordance with this Contract, a separate section listing the numbers and dollar amounts of all contracts and subcontracts relating to the preparation of each such document or written report. This section applies only if the Payment Limit of this Contract exceeds $5,000.

5. **Termination and Cancellation**.

   a. **Written Notice**. This Contract may be terminated by either party, in its sole discretion, upon thirty-day advance written notice thereof to the other, and may be cancelled immediately by written mutual consent.

   b. **Failure to Perform**. County, upon written notice to Contractor, may immediately terminate this Contract should Contractor fail to perform properly any of its obligations hereunder. In the event of such termination, County may proceed with the work in any reasonable manner it chooses. The cost to County of completing Contractor's performance will be deducted from any sum due Contractor under this Contract, without prejudice to County's rights to recover damages.

   c. **Cessation of Funding**. Notwithstanding any contrary language in Paragraphs 5 and 11, in the event that federal, state, or other non-County funding for this Contract ceases, this Contract is terminated without notice.

6. **Entire Agreement**. This Contract contains all the terms and conditions agreed upon by the parties. Except as expressly provided herein, no other understanding, oral or otherwise, regarding the subject matter of this Contract will be deemed to exist or to bind any of the parties hereto.

7. **Further Specifications for Operating Procedures**. Detailed specifications of operating procedures and budgets required by this Contract, including but not limited to, monitoring, evaluating, auditing, billing, or regulatory changes, may be clarified in a written letter signed by Contractor and the department head, or designee, of the county department on whose behalf this Contract is made. No written clarification prepared pursuant to this Section will operate as an amendment to, or be considered to be a part of, this Contract.

8. **Modifications and Amendments**.

   a. **General Amendments**. In the event that the total Payment Limit of this Contract is less than $100,000 and this Contract was executed by the County's Purchasing Agent, this Contract may be modified or amended by a written document executed by Contractor and the County's Purchasing Agent or the Contra Costa County Board of Supervisors, subject to any required state or federal approval. In the event that the total Payment Limit of this Contract exceeds $100,000 or this Contract was initially approved by the Board of Supervisors, this Contract may be modified or amended only by a written document executed by Contractor and the Contra Costa County Board of Supervisors or, after Board approval, by its designee, subject to any required state or federal approval.

   b. **Minor Amendments**. The Payment Provisions and the Service Plan may be amended by a written administrative amendment executed by Contractor and the County Administrator (or designee), subject to any required state or federal approval, provided that such administrative amendment may not increase the Payment Limit of this Contract or reduce the services Contractor is obligated to provide pursuant to this Contract.

9. **Disputes**. Disagreements between County and Contractor concerning the meaning, requirements, or performance of this Contract shall be subject to final written determination by the head of the county department for which this Contract is made, or his designee, or in accordance with the applicable procedures (if any) required by the state or federal government.

10. **Choice of Law and Personal Jurisdiction**.

    a. This Contract is made in Contra Costa County and is governed by, and must be construed in accordance with, the laws of the State of California.

    b. Any action relating to this Contract must be instituted and prosecuted in the courts of Contra Costa County, State of California.

11. **Conformance with Federal and State Regulations and Laws**. Should federal or state regulations or laws touching upon the subject of this Contract be adopted or revised during the term hereof, this Contract will be deemed amended to assure conformance with such federal or state requirements.

12. **No Waiver by County**. Subject to Paragraph 9. (Disputes) of these General Conditions, inspections or approvals, or statements by any officer, agent or employee of County indicating Contractor's performance or any part thereof complies with the requirements of this Contract, or acceptance of the whole or any part of said performance, or payments therefor, or any combination of these acts, do not relieve Contractor's obligation to fulfill this Contract as prescribed; nor is the County thereby prevented from bringing any action for damages or enforcement arising from any failure to comply with any of the terms and conditions of this Contract.

13. **Subcontract and Assignment**. This Contract binds the heirs, successors, assigns and representatives of Contractor. Prior written consent of the County Administrator or his designee, subject to any required state or federal approval, is required before the Contractor may enter into subcontracts for any work contemplated under this Contract, or before the Contractor may assign this Contract or monies due or to become due, by operation of law or otherwise.

14. **Independent Contractor Status**. The parties intend that Contractor, in performing the services specified herein, is acting as an independent contractor and that Contractor will control the work and the manner in which it is performed. This Contract is not to be construed to create the relationship between the parties, or between County and any Contractor employee, of agent, servant, employee, partnership, joint venture, or association. Neither Contractor, nor any of its employees, is a County employee. This Contract does not give Contractor, or any of its employees, any right to participate in any pension plan, workers' compensation plan, insurance, bonus, or similar benefits County provides to its employees. In the event that County exercises its right to terminate this Contract, Contractor expressly agrees that it will have no recourse or right of appeal under any rules, regulations, ordinances, or laws applicable to employees.

15. **Conflicts of Interest**. Contractor covenants that it presently has no interest and that it will not acquire any interest, direct or indirect, that represents a financial conflict of interest under state law or that would otherwise conflict in any manner or degree with the performance of its services hereunder. Contractor further covenants that in the performance of this Contract, no person having any such interests will be employed by Contractor. If requested to do so by County, Contractor will complete a "Statement of Economic Interest" form and file it with County and will require any other person doing work under this Contract to complete a "Statement of Economic Interest" form and file it with County. Contractor covenants that Contractor, its employees and officials, are not now employed by County and have not been so employed by County within twelve months immediately preceding this Contract; or, if so employed, did not then and do not now occupy a position that would create a conflict of interest under Government Code section 1090. In

addition to any indemnity provided by Contractor in this Contract, Contractor will indemnify, defend, and hold the County harmless from any and all claims, investigations, liabilities, or damages resulting from or related to any and all alleged conflicts of interest. Contractor warrants that it has not provided, attempted to provide, or offered to provide any money, gift, gratuity, thing of value, or compensation of any kind to obtain this Contract.

16. **Confidentiality**. To the extent allowed under the California Public Records Act, Contractor agrees to comply and to require its officers, partners, associates, agents and employees to comply with all applicable state or federal statutes or regulations respecting confidentiality, including but not limited to, the identity of persons served under this Contract, their records, or services provided them, and assures that no person will publish or disclose or permit or cause to be published or disclosed, any list of persons receiving services, except as may be required in the administration of such service. Contractor agrees to inform all employees, agents and partners of the above provisions, and that any person knowingly and intentionally disclosing such information other than as authorized by law may be guilty of a misdemeanor.

17. **Nondiscriminatory Services**. Contractor agrees that all goods and services under this Contract will be available to all qualified persons regardless of age, gender, race, religion, color, national origin, ethnic background, disability, or sexual orientation, and that none will be used, in whole or in part, for religious worship.

18. **Indemnification**. Contractor will defend, indemnify, save, and hold harmless County and its officers and employees from any and all claims, demands, losses, costs, expenses, and liabilities for any damages, fines, sickness, death, or injury to person(s) or property, including any and all administrative fines, penalties or costs imposed as a result of an administrative or quasi-judicial proceeding, arising directly or indirectly from or connected with the services provided hereunder that are caused, or claimed or alleged to be caused, in whole or in part, by the negligence or willful misconduct of Contractor, its officers, employees, agents, contractors, subcontractors, or any persons under its direction or control. If requested by County, Contractor will defend any such suits at its sole cost and expense. If County elects to provide its own defense, Contractor will reimburse County for any expenditures, including reasonable attorney's fees and costs. Contractor's obligations under this section exist regardless of concurrent negligence or willful misconduct on the part of the County or any other person; provided, however, that Contractor is not required to indemnify County for the proportion of liability a court determines is attributable to the sole negligence or willful misconduct of the County, its officers and employees. This provision will survive the expiration or termination of this Contract.

19. **Insurance**. During the entire term of this Contract and any extension or modification thereof, Contractor shall keep in effect insurance policies meeting the following insurance requirements unless otherwise expressed in the Special Conditions:

    a. **Commercial General Liability Insurance.** For all contracts where the total payment limit of the contract is $500,000 or less, Contractor will provide commercial general liability insurance, including coverage for business losses and for owned and non-owned automobiles, with a minimum combined single limit coverage of $500,000 for all damages, including consequential damages, due to bodily injury, sickness or disease, or death to any person or damage to or destruction of property, including the loss of use thereof, arising from each occurrence. Such insurance must be endorsed to include County and its officers and employees as additional insureds as to all services performed by Contractor under this Contract. Said policies must constitute primary insurance as to County, the state and federal governments, and their officers, agents, and employees, so that other insurance policies held by

them or their self-insurance program(s) will not be required to contribute to any loss covered under Contractor's insurance policy or policies. Contractor must provide County with a copy of the endorsement making the County an additional insured on all commercial general liability policies as required herein no later than the effective date of this Contract. For all contracts where the total payment limit is greater than $500,000, the aforementioned insurance coverage to be provided by Contractor must have a minimum combined single limit coverage of $1,000,000.

b. **Workers' Compensation**. Contractor must provide workers' compensation insurance coverage for its employees.

c. **Certificate of Insurance**. The Contractor must provide County with (a) certificate(s) of insurance evidencing liability and worker's compensation insurance as required herein no later than the effective date of this Contract. If Contractor should renew the insurance policy(ies) or acquire either a new insurance policy(ies) or amend the coverage afforded through an endorsement to the policy at any time during the term of this Contract, then Contractor must provide (a) current certificate(s) of insurance.

d. **Additional Insurance Provisions.** No later than five days after Contractor's receipt of: (i) a notice of cancellation, a notice of an intention to cancel, or a notice of a lapse in any of Contractor's insurance coverage required by this Contract; or (ii) a notice of a material change to Contractor's insurance coverage required by this Contract, Contractor will provide Department a copy of such notice of cancellation, notice of intention to cancel, notice of lapse of coverage, or notice of material change. Contractor's failure to provide Department the notice as required by the preceding sentence is a default under this Contract

20. **Notices**. All notices provided for by this Contract must be in writing and may be delivered by deposit in the United States mail, postage prepaid. Notices to County must be addressed to the head of the county department for which this Contract is made. Notices to Contractor must be addressed to the Contractor's address designated herein. The effective date of notice is the date of deposit in the mails or of other delivery, except that the effective date of notice to County is the date of receipt by the head of the county department for which this Contract is made.

21. **Primacy of General Conditions**. In the event of a conflict between the General Conditions and the Special Conditions, the General Conditions govern unless the Special Conditions or Service Plan expressly provide otherwise.

22. **Nonrenewal**. Contractor understands and agrees that there is no representation, implication, or understanding that the services provided by Contractor under this Contract will be purchased by County under a new contract following expiration or termination of this Contract, and Contractor waives all rights or claims to notice or hearing respecting any failure to continue purchasing all or any such services from Contractor.

23. **Possessory Interest**. If this Contract results in Contractor having possession of, claim or right to the possession of land or improvements, but does not vest ownership of the land or improvements in the same person, or if this Contract results in the placement of taxable improvements on tax exempt land (Revenue & Taxation Code Section 107), such interest or improvements may represent a possessory interest subject to property tax, and Contractor may be subject to the payment of property taxes levied on such interest. Contractor agrees that this provision complies with the notice requirements of Revenue & Taxation Code Section 107.6, and waives all rights to further notice or to damages under that or any comparable statute.

24. **No Third-Party Beneficiaries**. Nothing in this Contract may be construed to create, and the parties do not intend to create, any rights in third parties.

25. **Copyrights, Rights in Data, and Works Made for Hire**. Contractor will not publish or transfer any materials produced or resulting from activities supported by this Contract without the express written consent of the County Administrator. All reports, original drawings, graphics, plans, studies and other data and documents, in whatever form or format, assembled or prepared by Contactor or Contractor's subcontractors, consultants, and other agents in connection with this Contract are "works made for hire" (as defined in the Copyright Act, 17 U.S.C. Section 101 et seq., as amended) for County, and Contractor unconditionally and irrevocably transfers and assigns to Agency all right, title, and interest, including all copyrights and other intellectual property rights, in or to the works made for hire. Unless required by law, Contractor shall not publish, transfer, discuss, or disclose any of the above-described works made for hire or any information gathered, discovered, or generated in any way through this Agreement, without County's prior express written consent. If any of the works made for hire is subject to copyright protection, County reserves the right to copyright such works and Contractor agrees not to copyright such works. If any works made for hire are copyrighted, County reserves a royalty-free, irrevocable license to reproduce, publish, and use the works made for hire, in whole or in part, without restriction or limitation, and to authorize others to do so.

26. **Endorsements**. In its capacity as a contractor with Contra Costa County, Contractor will not publicly endorse or oppose the use of any particular brand name or commercial product without the prior written approval of the Board of Supervisors. In its County-contractor capacity, Contractor will not publicly attribute qualities or lack of qualities to a particular brand name or commercial product in the absence of a well-established and widely accepted scientific basis for such claims or without the prior written approval of the Board of Supervisors. In its County-contractor capacity, Contractor will not participate or appear in any commercially produced advertisements designed to promote a particular brand name or commercial product, even if Contractor is not publicly endorsing a product, as long as the Contractor's presence in the advertisement can reasonably be interpreted as an endorsement of the product by or on behalf of Contra Costa County. Notwithstanding the foregoing, Contractor may express its views on products to other contractors, the Board of Supervisors, County officers, or others who may be authorized by the Board of Supervisors or by law to receive such views.

27. **Required Audit**.

    a. If Contractor expends $750,000 or more in federal grant funds in any fiscal year from any source, Contractor must provide to County, at Contractor's expense, an audit conforming to the requirements set forth in the most current version of Code of Federal Regulations, Title 2, Part 200, Subpart F.

    b. If Contractor expends less than $750,000 in federal grant funds in any fiscal year from any source, but the grant imposes specific audit requirements, Contractor must provide County with an audit conforming to those requirements.

    c. If Contractor expends less than $750,000 in federal grant funds in any fiscal year from any source, Contractor is exempt from federal audit requirements for that year except as required by Code of Federal Regulations, Title 2, Part 200, Subpart F. Contractor shall make its records available for, and an audit may be required by, appropriate officials of the federal awarding agency, the General Accounting Office , the pass-through entity and/or the County. If an audit is required, Contractor must provide County with the audit.

d. With respect to the audits specified in sections (a), (b) and (c) above, Contractor is solely responsible for arranging for the conduct of the audit, and for its cost. County may withhold the estimated cost of the audit or 10 percent of the contract amount, whichever is greater, or the final payment, from Contractor until County receives the audit from Contractor.

28. **Authorization**. Contractor, or the representative(s) signing this Contract on behalf of Contractor, represents and warrants that it has full power and authority to enter into this Contract and to perform the obligations set forth herein.

29. **No Implied Waiver**. The waiver by County of any breach of any term or provision of this Contract will not be deemed to be a waiver of such term or provision or of any subsequent breach of the same or any other term or provision contained herein.

CONTRA COSTA COUNTY

Staff Report

File #: 26-2811 **Agenda Date:** 6/23/2026 **Agenda #:** C.188.

To: The Contra Costa County Flood Control and Water Conservation District Board of Supervisors

From: Warren Lai, Public Works Director/Chief Engineer

Report Title: Interagency Agreement with Contra Costa Resource Conservation District, Countywide.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Chief Engineer, Contra Costa County Flood Control and Water Conservation District (Flood Control District) or designee, to execute an interagency agreement with Contra Costa Resource Conservation District (Agency), in an amount not to exceed $625,000, for the period of July 1, 2026, through June 30, 2029, to coordinate and implement Countywide watershed stewardship activities, including organizing and supporting watershed groups, facilitating stakeholder engagement, and managing volunteer creek-stewardship programs. Under this interagency agreement, the Agency will provide administrative, planning, technical, and outreach services to strengthen watershed health; coordinate hands-on stewardship and educational events; support mitigation monitoring and field activities on Flood Control District facilities; assist with restoration project development and grant-related work; maintain volunteer and compliance records; prepare required reports; and plan major watershed-related public events and forums, including coordination with the Walnut Creek Watershed Council, the Contra Costa Watershed Forum, and the Marsh Creek Watershed Council.

FISCAL IMPACT:
The Agreement will be paid for with 100% Flood Control District Funds. Project No: Various

BACKGROUND:
The Flood Control District and the Agency share a common interest in advancing a sustainable model for watershed stewardship throughout Contra Costa County. The Flood Control District's 50-year watershed plan identifies a long-term vision for implementing flood protection in ways that enhance natural watershed functions and promote environmental sustainability. The Agency is well-positioned to support this vision through its expertise in watershed coordination, community engagement, and stewardship program management.

Over recent years, the Flood Control District and the Agency have collaborated on efforts to support the Walnut Creek Watershed and other County watersheds through cleanup and beautification projects, public education, and community outreach. The Agency has also worked closely with key groups, including the Contra Costa Watershed Forum, the Walnut Creek Watershed Council, the Marsh Creek Watershed Council, and Friends of Marsh Creek, to strengthen watershed awareness and stewardship capacity across the County.

Through this partnership, the Flood Control District and the Agency aim to improve coordination among

municipalities, agencies, nongovernmental organizations, businesses, volunteers, and other stakeholders to promote healthier watershed systems and expand public understanding of watershed issues. The Agency's role in organizing volunteers, facilitating stakeholder dialogue, and coordinating stewardship activities will support the Flood Control District's goal of cultivating a sustainable watershed stewardship framework that enhances flood protection while conserving soil, water, and natural resources, Countywide.

CONSEQUENCE OF NEGATIVE ACTION:
Without the approval of the Board, the Flood Control District will be unable to coordinate with the Agency to continue the development of a sustainable stewardship model for the County's watersheds.

1025 ESCOBAR STREET
MARTINEZ, CA 94553

CONTRA COSTA COUNTY

Staff Report

File #: RES 2026-247 **Agenda Date:** 6/23/2026 **Agenda #:** C.189.

To: **Contra Costa County Flood Control and Water Conservation District**

From: Warren Lai, Public Works Director/Chief Engineer

Report Title: ADOPT Resolution authorizing the Chief Engineer, Contra Costa County Flood Control and Water Conservation District, or designee, to execute the amended Contra Costa County Clean Water Program Inspection Activities Agreements.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
Acting as the governing body of the Contra Costa County Flood Control and Water Conservation District (Flood Control District), ADOPT Resolution authorizing the Chief Engineer, or designee, to execute the amended Contra Costa Clean Water Program (CCCWP) Inspection Activities Agreements (Inspection Agreements) between the cities of Clayton, Concord, Danville, Lafayette, Martinez, Moraga, Orinda, Pleasant Hill, San Ramon, Walnut Creek, El Cerrito, Hercules, San Pablo, Antioch, and Pittsburg and their respective Sanitary Sewer District: Central Contra Costa Sanitary Sewer District, West County Wastewater District, and Delta Diablo Sanitation District; and the Flood Control District, Countywide.

FISCAL IMPACT:
There is no immediate fiscal impact. Costs will be allocated to each participating agency. (100% Stormwater Utility Funds) Project No 7519-6X7612

BACKGROUND:
The CCCWP was established in 1991 to enable Contra Costa County, its cities and towns, and the Flood Control District to jointly comply with stormwater regulations under the National Pollutant Discharge Elimination System (NPDES) stormwater permit. As part of the Municipal Regional Stormwater Permit (MRP), municipalities are required to conduct stormwater inspections of commercial and industrial facilities. The cities contract with their Sanitary Sewer Districts under the CCCWP Inspection Agreement.

The amendment of the CCCWP Inspection Agreement is critical to ensure continued compliance with the MRP 3.0, which became effective on May 11, 2022, and introduced new and enhanced requirements for Provision C.4 - Commercial and Industrial Site Controls. These updates significantly expand inspection obligations for permittees, including the following:

- Inspection Frequency and Coverage: MRP 3.0 requires periodic inspections of commercial and industrial facilities to verify stormwater Best Management Practices (BMPs) and pollutant source controls.
- Enhanced Documentation and Reporting: The permit mandates detailed tracking of inspection findings, corrective actions, and follow-up activities, which must be accurately reported in annual compliance reports.
- Expanded Facility Categories: Additional facility types are now subject to inspection requirements,

increasing both the workload and complexity for individual permittees.

- Integration with Enforcement Protocols: MRP 3.0 emphasizes timely enforcement actions for noncompliance, requiring coordinated efforts and consistent application of enforcement procedures across jurisdictions.

The existing CCCWP Inspection Agreement, which facilitates shared inspection services through Central Contra Costa Sanitary District, West County Wastewater District, and Delta Diablo Sanitation District (Inspection Agencies), has been instrumental in meeting these obligations efficiently and cost-effectively. Without an amended CCCWP Inspection Agreement, individual permittees would face significant challenges in maintaining compliance, including the following:

- Resource Constraints: Many jurisdictions lack the staffing capacity and technical expertise needed to independently carry out the expanded inspection requirements and documentation requirements under MRP 3.0.
- Cost Implications: The shared services model reduces duplication of effort and achieves economies of scale, minimizing overall program costs for participating agencies.
- Continuity of Compliance: The amended CCCWP Inspection Agreement ensures continued inspection activities in compliance with NPDES permit conditions.

The amended CCCWP Inspection Agreements incorporate administrative updates, improvements to the invoicing procedure, backup staffing provisions, and alignment with MRP 3.0 requirements. Together, these updates ensure that the CCCWP Inspection Program remains a robust and collaborative mechanism for compliance. Additionally, a provision allowing the existing CCCWP Inspection Agreement to remain in effect until the amendment is fully executed will safeguard against service interruptions during the transition period.

There are three amended CCCWP Inspection Agreements, one for each of the Inspection Agencies, and two different versions of the CCCWP Inspection Agreement template. A comparison of the two versions, identified as A and B, is summarized in the attached table.

CONSEQUENCE OF NEGATIVE ACTION:
If the County declines to participate in the amended CCCWP Inspection Agreement, Contra Costa municipalities would be responsible for securing independent contracts with the respective sanitary sewer districts and for assuming full compliance responsibilities.

THE BOARD OF SUPERVISORS OF CONTRA COSTA COUNTY, CALIFORNIA

and for Special Districts, Agencies and Authorities Governed by the Board

IN THE MATTER OF approving amended Contra Costa Clean Water Program (CCCWP) Inspection Activities Agreements (Inspection Agreements) between the cities of Clayton, Concord, Danville, Lafayette, Martinez, Moraga, Orinda, Pleasant Hill, San Ramon, Walnut Creek, El Cerrito, Hercules, San Pablo, Antioch, and Pittsburg and their respective Sanitary Sewer Districts: Central Contra Costa Sanitary Sewer District, West County Wastewater District, and Delta Diablo Sanitation District; and the Contra Costa County Flood Control and Water Conservation District (Permittees).

The Board of Supervisors of Contra Costa County RESOLVES THAT;

WHEREAS, the Municipal Regional Stormwater National Pollutant Discharge Elimination System (NPDES) Permit, NPDES Permit No. CAS612008 issued by the San Francisco Bay Regional Water Quality Control Board (Municipal Regional Permit), requires Permittees to conduct inspections of certain industrial and commercial businesses as part of their municipal stormwater program;

WHEREAS, Central Contra Costa Sanitary Sewer District, West County Wastewater District, and Delta Diablo Sanitation District (each an Inspection Agency) also conduct inspections of certain industrial and commercial businesses as part of its wastewater regulatory obligations;

WHEREAS, efficiencies can be achieved by having the Inspection Agency conduct stormwater inspections on behalf of the Permittees concurrently with Inspection Agency's wastewater inspections, which benefits the cities of Clayton, Concord, Danville, Lafayette, Martinez, Moraga, Orinda, Pleasant Hill, San Ramon, Walnut Creek, El Cerrito, Hercules, San Pablo, Antioch, and Pittsburg and their regulated businesses;

WHEREAS, the Contra Costa County Flood Control and Water Conservation District (Flood Control District) provides administrative support and funding for the inspections;

WHEREAS, the Flood Control District, the Inspection Agency, and cities of Clayton, Concord, Danville, Lafayette, Martinez, Moraga, Orinda, Pleasant Hill, San Ramon, Walnut Creek, El Cerrito, Hercules, San Pablo, Antioch, and Pittsburg have been coordinating inspections in a similar manner since 2009; and

WHEREAS, the Contra Costa County Board of Supervisors desires to continue the inspection program with the Flood Control District and the Inspection Agency under an amended CCCWP Inspection Agreement among the three parties.

NOW, THEREFORE BE IT RESOLVED, that the County Board of Supervisors does resolve, declare, determine, and order as follows:

Section 1. The County Board of Supervisors hereby approves the amended CCCWP Inspection Agreements between the Flood Control District, the Inspection Agency, and the cities/towns of Clayton, Concord, Danville, Lafayette, Martinez, Moraga, Orinda, Pleasant Hill, San Ramon, Walnut Creek, El Cerrito, Hercules, San Pablo,

Antioch, and Pittsburg.

Section 2. The Board of Supervisors of Contra Costa County hereby authorizes and directs the Chief Engineer, Flood Control District, or designee, to execute the amended CCCWP Inspection Agreements.

Sanitation District	**Central Contra Costa Sanitary District**	**Delta Diablo**	**West County Wastewater District**
Covered Agencies	Clayton, Concord, Danville, Lafayette, Martinez, Moraga, Orinda, Pinole, Pleasant Hill, San Ramon, and Walnut Creek	Antioch and Pittsburg	El Cerrito, Hercules, and San Pablo
Key Provisions Comparison	**Version A (CCCSD and Delta Diablo)**		**Version B (WCWD)**
Effective Date & Term	July 1, 2026. Continues until terminated; explicitly supersedes the 2009 Agreement.		July 1, 2026. Term runs from Effective Date until termination. Does not explicitly reference supersession of 2009 Agreement
Termination notice (Agency/District/City)	180 / 180 / 90 days; City **may temporarily suspend**; details state enforcement tasks continue during suspension.		180 / 180 / 90 days; City may **temporarily suspend** inspections.
Effect of termination	Adds **meet-and-confer** to assign responsibility for **in-process code enforcement/reports**; Agency continues until City assumes.		Agency stops MS4 inspections; District pays for work performed; no extra detail on **ongoing enforcement handoff**.
Corrective orders authority	City **delegates authority** but **retains** ability to issue (non-duplicative) orders; same next-day notice.		City **delegates all** authority to Agency to issue notices & orders; prompt email notice to City & District by close of next business day.
Insurance	**GL = $2,000,000** per occurrence (double aggregate); Auto $1,000,000; E&O $1,000,000; detailed primary/non-contributory language.		**GL & Auto = $1,000,000** per occurrence; endorsements add City & District as additional insureds; self-insurance notification rules.
Dispute resolution	**Mediation only**; court petition to select mediator if no agreement in **30 days**; each pays share.		**Mediation or non-binding arbitration**; if no agreement on neutral within **30 days**, **random draw** selection.
Audit rights	**Yes** — during term + **3 years** after; production of copies within **30 days**; costs paid by requester.		Not specified

CONTRA COSTA CLEAN WATER PROGRAM
INSPECTION ACTIVITIES AGREEMENT
AMONG
CONTRA COSTA COUNTY FLOOD CONTROL AND WATER CONSERVATION DISTRICT,
CENTRAL CONTRA COSTA SANITARY DISTRICT,
AND THE
CITY OF CLAYTON

This Contra Costa Clean Water Program Inspection Activities Agreement ("Agreement"), is entered into as of July 1, 2026 (“Effective Date”), by and among the Contra Costa County Flood Control and Water Conservation District ("District"), the Central Contra Costa Sanitary District (“Inspection Agency”), and the City of Clayton (“City”). The District, the Inspection Agency, and the City are sometimes referred to herein together as the “Parties,” and each individually as a “Party.”

RECITALS

A. The County of Contra Costa ("County"), the District, and the 19 incorporated cities and towns in the County have joined together to form the Contra Costa Clean Water Program (the "Program"), pursuant to the Contra Costa Clean Water Program Agreement, dated July 1, 2010, and as amended from time to time (the "Program Agreement"). The parties to the Program Agreement are the County, the District, and the cities of Antioch, Brentwood, Clayton, Concord, Danville, El Cerrito, Hercules, Lafayette, Martinez, Moraga, Oakley, Orinda, Pinole, Pittsburg, Pleasant Hill, Richmond, San Pablo, San Ramon and Walnut Creek (the "Program Members").

B. Through the Program, the Program Members jointly implement some of their obligations under the Municipal Regional Stormwater NPDES Permit, NPDES Permit No. CAS612008, as may be amended or re-issued from time to time (“Municipal Regional Permit”). The San Francisco Regional Water Quality Control Board (“Regional Board”) most recently re-issued the Municipal Regional Permit on May 11, 2022.

C. District provides administrative support services to the Program, including collecting and distributing funds that pay for Program responsibilities under the Municipal Regional Permit.

D. The Municipal Regional Permit requires Program Members, which operate municipal separate storm sewer systems (MS4s), to effectively prohibit the discharge of non-stormwater into storm drain systems and watercourses.

E. Among other things, the Municipal Regional Permit requires the Program Members to conduct inspections of certain industrial and commercial businesses, as specified in Provision C.4 of the Municipal Regional Permit, and illicit discharge control activities, as specified in Provision C.5. of the Municipal Regional Permit, as those provisions may be amended from time to time in the Municipal Regional Permit (collectively, the “MS4 Inspections”). MS4 Inspections include, but are not limited, to inspection, investigation, reporting, and related obligations under the Municipal Regional Permit and as further directed by District.

F. The Municipal Regional Permit directs Program Members to effectively prohibit all non-stormwater discharges (i.e., materials other than stormwater) into municipal storm drains and creeks; conduct inspections of industrial and commercial stormwater facilities; control illicit discharges by conducting field surveys of the storm drainage conveyance system and identifying and eliminating the sources of non-stormwater discharges; and prohibit illicit connections and discharges resulting from inappropriate or illegal processes, activities, or housekeeping practices. The MS4 Inspections, carried out by the Inspection Agency on behalf of the City, further the City’s compliance with the Municipal Regional Permit.

G. Independent of City’s obligations under the Municipal Regional Permit, Inspection Agency also conducts inspections of certain industrial and commercial businesses as part of its wastewater regulatory obligations (“Wastewater Inspections”). District, Inspection Agency, and City believe that efficiencies can be achieved by having Inspection Agency conduct MS4 Inspections on behalf o

concurrently with Inspection Agency's Wastewater Inspections, which benefit the Parties and regulated businesses. Inspection Agency desires to provide MS4 Inspections on behalf of the City under the terms set forth herein

H. District, Inspection Agency, and City, as well as the other Program Members and sanitation districts previously entered into a prior inspection agreement dated October 26, 2009 ("2009 Agreement"). This Agreement supersedes and replaces the 2009 Agreement.

AGREEMENT

NOW, THEREFORE, for good and valuable consideration, the sufficiency of which is hereby acknowledged, the Parties to this Agreement agree as follows:

1. Term. The term of this Agreement begins on the Effective Date, and this Agreement shall remain in effect until it is terminated pursuant to Section 2 below. Commencing on the Effective Date, the 2009 Agreement is terminated and superseded by this Agreement and is no longer of any force or effect.

2. Termination.

A. Inspection Agency Termination. Inspection Agency, at its sole discretion, may terminate this Agreement by giving written notice to District and City at least 180 days prior to the effective date of the termination.

B. District Termination. District, at its sole discretion, may terminate this Agreement by giving written notice to Inspection Agency and City at least 180 days prior to the effective date of the termination. Notwithstanding the foregoing, District may terminate this Agreement by giving written notice to Inspection Agency and City at least 30 days prior to the effective date of the termination if City is in breach of the Stormwater Utility Area Agreement described in Section 3.

C. City Termination. City, at its sole discretion, may terminate this Agreement by giving written notice to Inspection Agency and District at least 90 days prior to the effective date of the termination. Alternatively, City may temporarily suspend receiving MS4 Inspections by Inspection Agency pursuant to this Agreement, at its sole discretion, upon giving the District and Inspection Agency at least 90 days written notice. In the event that City suspends receiving MS4 Inspections, such suspension shall not affect enforcement activities relating to any MS4 Inspection initiated prior to the suspension. Inspection Agency shall be compensated for such work.

D. Mutual Termination. This Agreement may be terminated by mutual written agreement of the District, Inspection Agency, and City.

E. Effect of Termination. Upon the effective date of any termination of this Agreement, Inspection Agency shall cease performing MS4 Inspections. District shall compensate Inspection Agency for all services performed prior to such effective date in accordance with Section 8. If the Inspection Agency is in default upon the effective date of any termination of this Agreement, then District shall compensate Inspection Agency for services not affected by the default. Inspection Agency and City shall meet and confer about responsibility for any previously initiated code enforcement actions or reports that are then in the process of being drafted. Inspection Agency shall continue to prosecute such actions and prepare such reports until City assumes responsibility. Inspection Agency shall be compensated for such work.

3. Stormwater Utility Area Agreement. City has executed a separate Stormwater Utility Area Agreement with the District that, among other things, provides for the invoicing from, and payment to, Inspection Agency for MS4 Inspection costs on behalf of City.

4. Responsibilities of Inspection Agency. On behalf of City, Inspection Agency will perform all the following services in accordance with the Municipal Regional Permit and applicable laws and regulations:

A. Conduct MS4 Inspections, including illicit discharge control inspection activities, of industrial and commercial facilities and the exterior of residential properties to determine the regulated facility's compliance with the Municipal Regional Permit and applicable law. MS4 Inspections may hav

educational component, as directed by District. The location and frequency (i.e., bi-annual, annual, semi-annual, etc.) of an inspection, investigation, or educational effort shall be at the direction of District, as approved by the City, and shall take place between 7:30 a.m. and 4:00 p.m. Pacific Standard Time, Monday through Friday, excluding holidays ("Normal Working Hours").

B. Perform MS4 Inspections outside of Normal Working Hours if mutually agreed to by District, City, and Inspection Agency or if directed by District due to an emergency. In the event of an emergency, Inspection Agency will be compensated for any applicable overtime pay actually incurred by Inspection Agency.

C. Prepare inspection and investigation reports for each MS4 Inspection.

D. Issue notices of violation, warning notices, and compliance orders (collectively, “Corrective Orders”) to owners or operators of regulated facilities on behalf of City where Inspection Agency determines that violations or potential violations of the Municipal Regional Permit or applicable laws or regulations have occurred or may occur. City hereby delegates to Inspection Agency authority to issue Corrective Orders on its behalf in connection with MS4 Inspections. For the avoidance of doubt, City retains the authority to issue Corrective Orders, provided such Corrective Orders are not duplicative of Corrective Orders issued by Inspection Agency. Inspection Agency has developed, or shall develop, a standardized approach to recommending and documenting corrective actions taken by operators of regulated facilities in order to address a Corrective Order issued by Inspection Agency. Inspection Agency shall promptly notify City and District’s representatives identified in Section 7 of any Corrective Order issued by Inspection Agency, by email at the address below, by the close of the business day following the date of issuance.

E. Inspection Agency will cooperate with City if City elects to utilize its civil or criminal code enforcement authority to address a Corrective Order directly with the owner or operator of a regulated facility. Such cooperation includes documentation of violations, preparation of documents for use in complaints and at hearings, and assistance in hearing preparation (i.e., preparing declarations, interviews with legal counsel, etc.) and presentation (i.e., provision of witness testimony as requested). If Inspection Agency’s performance of such enforcement services would result in an unreasonable expenditure of resources, then Inspection Agency will notify City and District, and Inspection Agency’s further involvement in such enforcement services shall be agreed upon by the Parties.

F. At the Direction of City, Inspection Agency will also refer Corrective Orders and related investigations and reports to appropriate enforcing entities, such as the District Attorney.

G. Retain all records relating to inspection activities and completed investigations through the latest of: the term of this Agreement, three years in accordance with City’s retention schedule, or the retention period set forth in the Municipal Regional Permit, whichever is longer, as evidence of City’s compliance with the Municipal Regional Permit. These records shall become property of City upon termination of this Agreement, at which time Inspection Agency shall promptly deliver them to City. These records shall be made available for inspection by City or District during normal business hours.

H. Train, supervise and manage its staff and contractors necessary to conduct MS4 Inspections in a consistent and lawful manner.

I. Provide advice and comments to District regarding District's preparation of educational materials for distribution to owners and operators of regulated facilities and the public. Inspection Agency shall also provide advice and comments to District regarding the Contra Costa County Green Business Program, as requested by District.

J. Provide comments to City and District regarding ordinances and policies necessary to conduct MS4 Inspections and carry out enforcement activities.

K. Purchase, operate, and maintain, at Inspection Agency’s own cost, all equipment necessary to conduct MS4 Inspections. Such capital and maintenance costs may be invoiced to District pursuant to Section 8 of this Agreement if the equipment is solely intended for MS4 Inspections and not Wastewater Inspections.

L. Provide quarterly reports to District, which describe all MS4 Inspections and Corrective Orders during the prior quarter, concurrently with the quarterly invoices specified in Section 8.C below. The final report of the fiscal year (fourth quarter) will include a status report to City of Corrective Orders initiated by Inspection Agency by owner or operator name. The final report will also include a hard or electronic copy of the Inspection Agency's databases of regulated facilities.

M. Utilize reasonable efforts to conduct MS4 Inspections fairly and in a uniform manner.

N. In accordance with Section 8.D below, provide an annual fiscal year budget to District that estimates the cost of performing the MS4 Inspections and other requirements of this Section 4 ("Annual Budget").

5. Responsibilities of District. District will perform the following services in accordance with the Municipal Regional Permit and applicable laws and regulations:

A. Recommend revisions to City's ordinances and regulations, as may be necessary, to allow Inspection Agency to lawfully perform MS4 Inspections and issue Corrective Orders.

B. Authorize and prioritize inspections and investigations, with direction from City and Inspection Agency.

C. Provide timely input on the scope of the next fiscal year's MS4 Inspections during Inspection Agency's budget process and approve Inspection Agency's Annual Budget in accordance with Section 8.D.

D. Reimburse Inspection Agency for authorized costs in accordance with Section 8.

E. Recommend remedial actions to City and Inspection Agency in order to correct an owner or operator's violation of the Municipal Regional Permit or other applicable laws.

F. Provide educational materials for distribution to owners and operators of regulated facilities and the public.

G. Provide comments to Inspection Agency regarding the format of MS4 Inspections, Corrective Orders, and reports.

H. Perform other responsibilities as agreed to in writing between the District, Inspection Agency, and City.

I. Notify City of issues affecting its compliance with the Municipal Regional Permit in a timely manner.

J. Provide City with quarterly reports regarding MS4 Inspections and budget summaries.

6. Responsibilities of City. City will perform the following obligations in accordance with the Municipal Regional Permit and applicable laws and regulations:

A. Provide Inspection Agency with a current roster, and future updates to that roster, of employees responsible for carrying out the stormwater program and related enforcement activities, including phone numbers and email addresses.

B. In accordance with Section 4.E., provide direction to Inspection Agency regarding enforcement actions.

C. Cooperate with City and District to carry out their respective obligations under this Agreement.

7. Agency Representative. Each Party shall designate in writing to each other an MS4 Inspections program coordinator and an alternate coordinator. The purpose of designating an MS4 Inspections program coordinator is to facilitate communication between the Parties. Each Party shall direct

matters such as complaints, claims, legal challenges, and other disputes regarding the MS4 Inspections to its MS4 Inspections program coordinator who will transmit the matter to the District for resolution.

8. Financial.

A. District shall reimburse Inspection Agency for all authorized expenditures in furtherance of its obligations under Section 4 above, including the Inspection Agency's actual costs for performing inspections and related administrative activities. The costs eligible for reimbursement include, but are not necessarily limited to, labor, benefits, overhead, supplies, equipment, vehicle, laboratory, consultant, and legal fees and costs. However, Inspection Agency, as practicable, shall promptly notify the District if it believes that legal costs will be incurred in connection with the MS4 Inspections or Corrective Orders so that the Parties may reach an agreement regarding the cost of legal services, if desired. Inspection Agency shall not mark up any costs it incurs in providing any of the required services in the invoice.

B. Inspection Agency's labor costs shall be itemized at base cost per individual for time spent plus an overhead multiplier for benefits, administrative overhead, supplies, equipment and insurance. Inspection Agency's overhead multiplier for the following fiscal year shall be submitted to the District as part of Inspection Agency's Annual Budget and approved by District annually.

C. Inspection Agency shall submit quarterly invoices to the District for services performed under Section 4 of this Agreement. Each invoice shall include an itemized accounting of the total cost of all services performed under Section 4. Inspection Agency shall submit each quarterly invoice according to the following schedule for each fiscal year (each July 1-June 30): (i) First Quarter (July 1-Sept. 30) – by October 31; (ii) Second Quarter (Oct. 1-Dec. 31) – by January 31; (iii) Third Quarter (Jan. 1-Mar. 31) – by April 30; and (iv) Fourth Quarter (Apr. 1-June 30) – by July 31. District will pay each undisputed invoice within 45 days of receipt. In the event that District disputes the amounts stated on any invoice, within 30 days District shall submit to Inspection Agency a written notice of dispute and the basis for the dispute. The Parties shall endeavor to resolve any such disputes within a reasonable time after District's receipt of a notice of dispute. Any dispute that is not resolved within five (5) business days shall be referred to the Parties' respective managers for resolution.

D. Prior to the beginning of each fiscal year, District shall approve Inspection Agency's Annual Budget. City shall also review and approve the Annual Budget prior to District's final approval. Discussions for the annual budget shall begin in January prior to the upcoming fiscal year. Inspection Agency shall submit its Annual Budget by March 31st of each year and District shall act on such Annual Budget by April 30th of each year. If District does not approve the Inspection Agency's budget by April 30th, then Inspection Agency may terminate this Agreement in accordance with Section 2.B., except that such termination shall take effect as of July 1st of such year. Inspection Agency shall not exceed its City and District-approved written Annual Budget without first obtaining advance written approval of City and District.

9. Insurance. During the term of this Agreement, Inspection Agency shall carry insurance in the amounts, and in accordance with the provisions, set forth in Exhibit A.

10. Indemnification.

A. District Indemnity. District shall indemnify, defend and hold harmless Inspection Agency and City and each of them and their elected officials, officers, directors, agents, and employees from and against all suits, actions, legal or administrative proceedings, claims, demands, damages, consequential damages, liabilities, and expenses (collectively "Claims") that arise out of or relate to the District's willful misconduct or the negligent acts, errors or omissions of the District in the performance of this Agreement, except that City shall be solely liable for any fines resulting from its sole violations of the Municipal Regional Permit.

B. Inspection Agency Indemnity. Inspection Agency shall indemnify, defend and hold harmless District and City, and their respective elected officials, officers, directors, agents and employees from and against all Claims that arise out of or relate to Inspection Agency's willful misconduct or the negligent acts or errors or omissions in the performance of its obligations under this Agreement, inclusive of Claims involving search and seizure without required warrants (except in those situations where Inspection Agency has reasonably relied on City's determination or representation as to whether a warrant is required), and trespassing (except in those situations where Inspection Agency has reasonably relied on City's

representation as to whether consent has been obtained), except that City shall be solely liable for any fines resulting from its violations of the Municipal Regional Permit.

C. City Indemnity. City shall indemnify, defend and hold harmless the Inspection Agency and District and each of them and their officers, directors, agents, and employees from and against all Claims that arise out of or relate to the City's willful misconduct or the negligent acts, errors or omissions of the City in the performance of this Agreement. City shall also indemnify, defend and hold harmless Inspection Agency, and their respective officers, directors, agents, and employees from and against all Claims which are not covered by Section 10.B, inclusive of those that are based on the constitutionality or legality of the MS4 Inspection program and the rules and regulations it is intended to enforce, inverse condemnation claims and petitions for writ of mandate.

D. Survival. The obligations in this Section 10 shall survive the termination or expiration of this Agreement.

11. Notices. Notices required or permitted under this Agreement shall be in writing and personally delivered, sent by overnight carrier with delivery charges prepaid for next day delivery, or sent by First Class U.S. Mail with postage prepaid, and addressed as follows:

If to District, to:
Joe Smithonic
Senior Civil Engineer
Contra Costa County Flood Control & Water Conservation District
255 Glacier Drive, Martinez, CA 94553

If to Inspection Agency, to:
Colleen Henry
Environmental Compliance Program Administrator
CCCSD Environmental & Regulatory Compliance
5019 Imhoff Place, Martinez, CA 94553

If to City, to: Public Works Director
City of Clayton

A notice shall be deemed given on the same day it is personally delivered, on the business day following the date it is deposited with an overnight carrier for next day delivery, and on the third day after the postmark date if it is sent by First Class U.S. Mail. A courtesy copy of any notice may be sent concurrently by email, but emailing a courtesy copy of any notice does not substitute for providing notice in accordance with this section. A Party may change its address for notices by providing written notice to the other Parties in accordance with this section at least five days before the new address becomes effective.

12. Dispute Resolution. In the event of a dispute arising under this Agreement, the Parties may jointly agree to submit the dispute to mediation before an agreed-upon mediator. If the Parties cannot agree to a mediator within 30 days after a Party makes a written request for mediation to the other Parties, a mediator may be selected by petition of any Party to the Superior Court of the County of Contra Costa. Each Party shall be responsible for paying a proportional share of the fees and expenses incurred in connection with any mediation. Each Party shall pay its own costs, expenses, and attorney's fees incurred in connection with any mediation under this section.

13. Audits. During the term of this Agreement, and for three years following its expiration or termination, in order to make audits each Party shall have the right to access any other Party's books, documents, papers, and other records related to the performance of this Agreement. If any Party requests copies of another Party's records pertinent to the performance of this Agreement, copies of those records shall be delivered to the requesting Party within 30 days following a request for such records. The requirements of this Section shall survive for three years following the expiration or termination of this Agreement.

14. Amendments. This Agreement may only be amended by written mutual agreement of all Parties hereto.

15. **Governing Law.** This Agreement is made and will be performed in the State of California, County of Contra Costa, and is governed by California law.

16. **Severability.** If any one or more of the terms, provisions, promises, covenants, or conditions of this Agreement are, to any extent, adjudged invalid, unenforceable, void, or voidable for any reason whatsoever by a court of competent jurisdiction, each and all of the remaining terms, provisions, priorities, covenants, and conditions of this Agreement shall not be affected and shall be valid and enforceable to the fullest extent permitted by law.

17. **Assignment.** No Party may assign any of its right, title, or interest under this Agreement without the prior written consent of the other Parties hereto. Any purported assignment of any Party's rights under this Agreement without the prior written consent of the other Parties shall be deemed void and without effect.

18. **Entire Agreement; Construction.** This Agreement contains the entire agreement among the Parties and all prior understandings or agreements, oral or written, regarding this matter are superseded. The section headings and captions of this Agreement are, and the arrangement of this Agreement is, for the sole convenience of the Parties to this Agreement. The section headings, captions, and arrangement of this Agreement do not in any way affect, limit, amplify, or modify the terms and provisions of this Agreement. This Agreement shall not be construed as if it had been prepared by one of the Parties, but rather as if all Parties have prepared it. The Parties to this Agreement and their attorneys have read and reviewed this Agreement and agree that any rule of construction to the effect that ambiguities are to be resolved against the drafting party shall not apply to the interpretation of this Agreement. The recitals of this Agreement are, and shall be enforceable as, a part of this Agreement.

19. **No Third-Party Beneficiaries.** Nothing in this Agreement, express or implied, is intended to confer on any person, other than the Parties and their successors and assigns, any rights or remedies by reason of this Agreement.

20. **Waiver.** A waiver of breach of any covenant or provision in this Agreement shall not be deemed a waiver of breach of any other covenant or provision in this Agreement, and no waiver shall be valid unless in writing and executed by the waiving Party.

21. **Counterparts.** This Agreement may be executed in counterparts, each of which shall be deemed an original, and all of which together constitute one and the same instrument.

EXHIBIT A
INSURANCE REQUIREMENTS

Inspection Agency shall procure and maintain at its sole cost for the duration of this Agreement the following insurance:

a. Minimum Scope of Insurance. Coverage shall be at least as broad as:

(1) Insurance Services Office Commercial General Liability coverage ("occurrence" form CG 0001).

(2) Insurance Services Office form number CA 0001 covering Automobile Liability, code 1 (any auto).

(3) Workers' Compensation insurance as required by the Labor Code of the State of California and Employers Liability insurance.

(4) Errors and omissions/Professional liability insurance for all design professionals such as architects, landscape architects or engineers.

b. Minimum Limits of Insurance. Inspection Agency shall maintain policy limits of no less than:

(1) General Liability: $2,000,000 combined single limit per occurrence for bodily injury, personal injury and property damage. If Commercial General Liability Insurance or other form with a general aggregate limit is used, the general aggregate limit shall be double the combined single limit, with completed operations coverage.

(2) Automobile Liability: $1,000,000 combined single limit per accident for bodily injury and property damage.

(3) Worker's Compensation and Employers Liability: Worker's Compensation limits as required by the Labor Code and Employers Liability limits of $1,000,000 per accident.

(4) Errors and Omissions/Professional Liability: $1,000,000 per claim and annual aggregate. If Inspection Agency maintains higher limits than the minimum required by this Agreement, the City requires and shall be entitled to coverage for the higher limits maintained by the Inspection Agency.

c. Deductibles and Self-Insured Retention. Any deductibles or self-insured retention must be declared to and approved by the City. At the option of the City, either: the insurer shall reduce or eliminate such deductibles or self-insured retention as respects the City, its officers, officials, employees and volunteers; or Inspection Agency shall procure a bond guaranteeing payment of losses and related investigations, claim administration and defense expenses.

d. Other Insurance Provisions. The policies shall contain, or be endorsed to contain, the following provisions:

(1) General Liability and Automobile Liability Coverage.

(a) The City, its officers, officials, employees, agents and volunteers are to be covered as additional insured as respects: liability arising out of activities performed by or on behalf of Inspection Agency; products and completed operations of Inspection Agency; premises owned, occupied or used by Inspection Agency; or automobiles owned, leased or borrowed by Inspection Agency. The coverage shall contain no special limitations on the scope of protection afforded to the City, its officers, officials, employees, agents or volunteers.

(b) Inspection Agency's insurance coverage shall be primary insurance as respects the City, its officers, officials, employees and volunteers. Any insurance or self-insurance maintained by the City, its officers, officials, employees, agents or volunteers shall be excess of Inspection Agency's insurance and shall not contribute with it.

(c) Any failure to comply with reporting provisions of the policies shall not affect coverage provided to the City, its officers, officials, employees, agents or volunteers.

(d) Inspection Agency's insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.

(2) Worker's Compensation and Employers Liability Coverage. The insurer shall agree to waive all rights of subrogation against the City, its officers, officials, employees and volunteers for losses arising from work performed by Inspection Agency for the City.

(3) Errors and Omissions/Professional Liability Coverage. Inspection Agency's insurance shall include minimum Extended Reporting Period Coverage of three years.

e. Acceptability of Insurers. Insurance is to be placed with insurers with a Best's rating of no less than A: VII.

f. Verification of Coverage. Inspection Agency shall furnish the City with certificates of insurance and with original endorsements effecting coverage required by this clause. All certificates and endorsements are to be received and approved by the City before work commences. The City reserves the right to require complete certified copies of all required insurance policies, at any time.

CONTRA COSTA CLEAN WATER PROGRAM
INSPECTION ACTIVITIES AGREEMENT
AMONG
CONTRA COSTA COUNTY FLOOD CONTROL AND WATER CONSERVATION DISTRICT,
DELTA DIABLO,
AND THE
CITIES OF ANTIOCH AND PITTSBURG

This Contra Costa Clean Water Program Inspection Activities Agreement ("Agreement"), is entered into as of July 1, 2026 (“Effective Date”), by and among the Contra Costa County Flood Control and Water Conservation District ("District"), Delta Diablo (“Inspection Agency”), and the Cities of Antioch and Pittsburg (“City”). The District, the Inspection Agency, and the City are sometimes referred to herein together as the “Parties,” and each individually as a “Party.”

RECITALS

A. The County of Contra Costa ("County"), the District, and the 19 incorporated cities and towns in the County have joined together to form the Contra Costa Clean Water Program (the "Program"), pursuant to the Contra Costa Clean Water Program Agreement, dated July 1, 2010, and as amended from time to time (the "Program Agreement"). The parties to the Program Agreement are the County, the District, and the cities of Antioch, Brentwood, Clayton, Concord, Danville, El Cerrito, Hercules, Lafayette, Martinez, Moraga, Oakley, Orinda, Pinole, Pittsburg, Pleasant Hill, Richmond, San Pablo, San Ramon and Walnut Creek (the "Program Members").

B. Through the Program, the Program Members jointly implement some of their obligations under the Municipal Regional Stormwater NPDES Permit, NPDES Permit No. CAS612008, as may be amended or re-issued from time to time (“Municipal Regional Permit”). The San Francisco Regional Water Quality Control Board (“Regional Board”) most recently re-issued the Municipal Regional Permit on May 11, 2022.

C. District provides administrative support services to the Program, including collecting and distributing funds that pay for Program responsibilities under the Municipal Regional Permit.

D. The Municipal Regional Permit requires Program Members, which operate municipal separate storm sewer systems (MS4s), to effectively prohibit the discharge of non-stormwater into storm drain systems and watercourses.

E. Among other things, the Municipal Regional Permit requires the Program Members to conduct inspections of certain industrial and commercial businesses, as specified in Provision C.4 of the Municipal Regional Permit, and illicit discharge control activities, as specified in Provision C.5. of the Municipal Regional Permit, as those provisions may be amended from time to time in the Municipal Regional Permit (collectively, the “MS4 Inspections”). MS4 Inspections include, but are not limited, to inspection, investigation, reporting, and related obligations under the Municipal Regional Permit and as further directed by District.

F. The Municipal Regional Permit directs Program Members to effectively prohibit all non-stormwater discharges (i.e., materials other than stormwater) into municipal storm drains and creeks; conduct inspections of industrial and commercial stormwater facilities; control illicit discharges by conducting field surveys of the storm drainage conveyance system and identifying and eliminating the sources of non-stormwater discharges; and prohibit illicit connections and discharges resulting from inappropriate or illegal processes, activities, or housekeeping practices. The MS4 Inspections, carried out by the Inspection Agency on behalf of the City, further the City’s compliance with the Municipal Regional Permit.

G. Independent of City’s obligations under the Municipal Regional Permit, Inspection Agency also conducts inspections of certain industrial and commercial businesses as part of its wastewater regulatory obligations (“Wastewater Inspections”). District, Inspection Agency, and City believe that efficiencies can be achieved by having Inspection Agency conduct MS4 Inspections on behalf of City concurrently with Inspection Agency’s Wastewater Inspections, which benefit the Parties and

regulated businesses. Inspection Agency desires to provide MS4 Inspections on behalf of the City under the terms set forth herein

H. District, Inspection Agency, and City, as well as the other Program Members and sanitation districts previously entered into a prior inspection agreement dated October 26, 2009 ("2009 Agreement"). This Agreement supersedes and replaces the 2009 Agreement.

AGREEMENT

NOW, THEREFORE, for good and valuable consideration, the sufficiency of which is hereby acknowledged, the Parties to this Agreement agree as follows:

1. Term. The term of this Agreement begins on the Effective Date, and this Agreement shall remain in effect until it is terminated pursuant to Section 2 below. Commencing on the Effective Date, the 2009 Agreement is terminated and superseded by this Agreement and is no longer of any force or effect.

2. Termination.

A. Inspection Agency Termination. Inspection Agency, at its sole discretion, may terminate this Agreement by giving written notice to District and City at least 180 days prior to the effective date of the termination.

B. District Termination. District, at its sole discretion, may terminate this Agreement by giving written notice to Inspection Agency and City at least 180 days prior to the effective date of the termination. Notwithstanding the foregoing, District may terminate this Agreement by giving written notice to Inspection Agency and City at least 30 days prior to the effective date of the termination if City is in breach of the Stormwater Utility Area Agreement described in Section 3.

C. City Termination. City, at its sole discretion, may terminate this Agreement by giving written notice to Inspection Agency and District at least 90 days prior to the effective date of the termination. Alternatively, City may temporarily suspend receiving MS4 Inspections by Inspection Agency pursuant to this Agreement, at its sole discretion, upon giving the District and Inspection Agency at least 90 days written notice. In the event that City suspends receiving MS4 Inspections, such suspension shall not affect enforcement activities relating to any MS4 Inspection initiated prior to the suspension. Inspection Agency shall be compensated for such work.

D. Mutual Termination. This Agreement may be terminated by mutual written agreement of the District, Inspection Agency, and City.

E. Effect of Termination. Upon the effective date of any termination of this Agreement, Inspection Agency shall cease performing MS4 Inspections. District shall compensate Inspection Agency for all services performed prior to such effective date in accordance with Section 8. If the Inspection Agency is in default upon the effective date of any termination of this Agreement, then District shall compensate Inspection Agency for services not affected by the default. Inspection Agency and City shall meet and confer about responsibility for any previously initiated code enforcement actions or reports that are then in the process of being drafted. Inspection Agency shall continue to prosecute such actions and prepare such reports until City assumes responsibility. Inspection Agency shall be compensated for such work.

3. Stormwater Utility Area Agreement. City has executed a separate Stormwater Utility Area Agreement with the District that, among other things, provides for the invoicing from, and payment to, Inspection Agency for MS4 Inspection costs on behalf of City.

4. Responsibilities of Inspection Agency. On behalf of City, Inspection Agency will perform all the following services in accordance with the Municipal Regional Permit and applicable laws and regulations:

A. Conduct MS4 Inspections, including illicit discharge control inspection activities, of industrial and commercial facilities and the exterior of residential properties to determine the regulated facility's compliance with the Municipal Regional Permit and applicable law. MS4 Inspections may have an

educational component, as directed by District. The location and frequency (i.e., bi-annual, annual, semi-annual, etc.) of an inspection, investigation, or educational effort shall be at the direction of District, as approved by the City, and shall take place between 7:30 a.m. and 4:00 p.m. Pacific Standard Time, Monday through Friday, excluding holidays ("Normal Working Hours").

B. Perform MS4 Inspections outside of Normal Working Hours if mutually agreed to by District, City, and Inspection Agency or if directed by District due to an emergency. In the event of an emergency, Inspection Agency will be compensated for any applicable overtime pay actually incurred by Inspection Agency.

C. Prepare inspection and investigation reports for each MS4 Inspection.

D. Issue notices of violation, warning notices, and compliance orders (collectively, "Corrective Orders") to owners or operators of regulated facilities on behalf of City where Inspection Agency determines that violations or potential violations of the Municipal Regional Permit or applicable laws or regulations have occurred or may occur. City hereby delegates to Inspection Agency authority to issue Corrective Orders on its behalf in connection with MS4 Inspections. For the avoidance of doubt, City retains the authority to issue Corrective Orders, provided such Corrective Orders are not duplicative of Corrective Orders issued by Inspection Agency. Inspection Agency has developed, or shall develop, a standardized approach to recommending and documenting corrective actions taken by operators of regulated facilities in order to address a Corrective Order issued by Inspection Agency. Inspection Agency shall promptly notify City and District's representatives identified in Section 7 of any Corrective Order issued by Inspection Agency, by email at the address below, by the close of the business day following the date of issuance.

E. Inspection Agency will cooperate with City if City elects to utilize its civil or criminal code enforcement authority to address a Corrective Order directly with the owner or operator of a regulated facility. Such cooperation includes documentation of violations, preparation of documents for use in complaints and at hearings, and assistance in hearing preparation (i.e., preparing declarations, interviews with legal counsel, etc.) and presentation (i.e., provision of witness testimony as requested). If Inspection Agency's performance of such enforcement services would result in an unreasonable expenditure of resources, then Inspection Agency will notify City and District, and Inspection Agency's further involvement in such enforcement services shall be agreed upon by the Parties.

F. At the Direction of City, Inspection Agency will also refer Corrective Orders and related investigations and reports to appropriate enforcing entities, such as the District Attorney.

G. Retain all records relating to inspection activities and completed investigations through the latest of: the term of this Agreement, three years in accordance with City's retention schedule, or the retention period set forth in the Municipal Regional Permit, whichever is longer, as evidence of City's compliance with the Municipal Regional Permit. These records shall become property of City upon termination of this Agreement, at which time Inspection Agency shall promptly deliver them to City. These records shall be made available for inspection by City or District during normal business hours.

H. Train, supervise and manage its staff and contractors necessary to conduct MS4 Inspections in a consistent and lawful manner.

I. Provide advice and comments to District regarding District's preparation of educational materials for distribution to owners and operators of regulated facilities and the public. Inspection Agency shall also provide advice and comments to District regarding the Contra Costa County Green Business Program, as requested by District.

J. Provide comments to City and District regarding ordinances and policies necessary to conduct MS4 Inspections and carry out enforcement activities.

K. Purchase, operate, and maintain, at Inspection Agency's own cost, all equipment necessary to conduct MS4 Inspections. Such capital and maintenance costs may be invoiced to District pursuant to Section 8 of this Agreement if the equipment is solely intended for MS4 Inspections and not Wastewater Inspections.

L. Provide quarterly reports to District, which describe all MS4 Inspections and Corrective Orders during the prior quarter, concurrently with the quarterly invoices specified in Section 8.C below. The final report of the fiscal year (fourth quarter) will include a status report to City of Corrective Orders initiated by Inspection Agency by owner or operator name. The final report will also include a hard or electronic copy of the Inspection Agency's databases of regulated facilities.

M. Utilize reasonable efforts to conduct MS4 Inspections fairly and in a uniform manner.

N. In accordance with Section 8.D below, provide an annual fiscal year budget to District that estimates the cost of performing the MS4 Inspections and other requirements of this Section 4 ("Annual Budget").

5. Responsibilities of District. District will perform the following services in accordance with the Municipal Regional Permit and applicable laws and regulations:

A. Recommend revisions to City's ordinances and regulations, as may be necessary, to allow Inspection Agency to lawfully perform MS4 Inspections and issue Corrective Orders.

B. Authorize and prioritize inspections and investigations, with direction from City and Inspection Agency.

C. Provide timely input on the scope of the next fiscal year's MS4 Inspections during Inspection Agency's budget process and approve Inspection Agency's Annual Budget in accordance with Section 8.D.

D. Reimburse Inspection Agency for authorized costs in accordance with Section 8.

E. Recommend remedial actions to City and Inspection Agency in order to correct an owner or operator's violation of the Municipal Regional Permit or other applicable laws.

F. Provide educational materials for distribution to owners and operators of regulated facilities and the public.

G. Provide comments to Inspection Agency regarding the format of MS4 Inspections, Corrective Orders, and reports.

H. Perform other responsibilities as agreed to in writing between the District, Inspection Agency, and City.

I. Notify City of issues affecting its compliance with the Municipal Regional Permit in a timely manner.

J. Provide City with quarterly reports regarding MS4 Inspections and budget summaries.

6. Responsibilities of City. City will perform the following obligations in accordance with the Municipal Regional Permit and applicable laws and regulations:

A. Provide Inspection Agency with a current roster, and future updates to that roster, of employees responsible for carrying out the stormwater program and related enforcement activities, including phone numbers and email addresses.

B. In accordance with Section 4.E., provide direction to Inspection Agency regarding enforcement actions within 30 calendar days.

C. Cooperate with City and District to carry out their respective obligations under this Agreement.

7. Agency Representative. Each Party shall designate in writing to each other an MS4 Inspections program coordinator and an alternate coordinator. The purpose of designating an MS4 Inspections program coordinator is to facilitate communication between the Parties. Each Party shall direct

matters such as complaints, claims, legal challenges, and other disputes regarding the MS4 Inspections to its MS4 Inspections program coordinator who will transmit the matter to the District for resolution.

8. Financial.

A. District shall reimburse Inspection Agency for all authorized expenditures in furtherance of its obligations under Section 4 above, including the Inspection Agency's actual costs for performing inspections and related administrative activities. The costs eligible for reimbursement include, but are not necessarily limited to, labor, benefits, overhead, supplies, equipment, vehicle, laboratory, consultant, and legal fees and costs. However, Inspection Agency, as practicable, shall promptly notify the District if it believes that legal costs will be incurred in connection with the MS4 Inspections or Corrective Orders so that the Parties may reach an agreement regarding the cost of legal services, if desired. Inspection Agency shall not mark up any costs it incurs in providing any of the required services in the invoice.

B. Inspection Agency's labor costs shall be itemized at base cost per individual for time spent plus an overhead multiplier for benefits, administrative overhead, supplies, equipment and insurance. Inspection Agency's overhead multiplier for the following fiscal year shall be submitted to the District as part of Inspection Agency's Annual Budget and approved by District annually.

C. Inspection Agency shall submit quarterly invoices to the District for services performed under Section 4 of this Agreement. Each invoice shall include an itemized accounting of the total cost of all services performed under Section 4. Inspection Agency shall submit each quarterly invoice according to the following schedule for each fiscal year (each July 1-June 30): (i) First Quarter (July 1-Sept. 30) – by October 31; (ii) Second Quarter (Oct. 1-Dec. 31) – by January 31; (iii) Third Quarter (Jan. 1-Mar. 31) – by April 30; and (iv) Fourth Quarter (Apr. 1-June 30) – by July 31. District will pay each undisputed invoice within 45 days of receipt. In the event that District disputes the amounts stated on any invoice, within 30 days of receipt of the invoice District shall submit to Inspection Agency a written notice of dispute and the basis for the dispute. The Parties shall endeavor to resolve any such disputes within a reasonable time after District's receipt of a notice of dispute. Any dispute that is not resolved within five (5) business days shall be referred to the Parties' respective managers for resolution.

D. Prior to the beginning of each fiscal year, District shall approve Inspection Agency's Annual Budget. City shall also review and approve the Annual Budget prior to District's final approval. Discussions for the annual budget shall begin in January prior to the upcoming fiscal year. Inspection Agency shall submit its Annual Budget by March 31st of each year and District shall act on such Annual Budget by April 30th of each year. If District does not approve the Inspection Agency's budget by April 30th, then Inspection Agency may terminate this Agreement in accordance with Section 2.B., except that such termination shall take effect as of July 1st of such year. Inspection Agency shall not exceed its City and District-approved written Annual Budget without first obtaining advance written approval of City and District.

9. Insurance. During the term of this Agreement, Inspection Agency shall carry insurance in the amounts, and in accordance with the provisions, set forth in Exhibit A.

10. Indemnification.

A. District Indemnity. District shall indemnify, defend and hold harmless Inspection Agency and City and each of them and their elected officials, officers, directors, agents, and employees from and against all suits, actions, legal or administrative proceedings, claims, demands, damages, consequential damages, liabilities, and expenses (collectively "Claims") that arise out of or relate to the District's willful misconduct or the negligent acts, errors or omissions of the District in the performance of this Agreement, except that City shall be solely liable for any fines resulting from its sole violations of the Municipal Regional Permit.

B. Inspection Agency Indemnity. Inspection Agency shall indemnify, defend and hold harmless District and City, and their respective elected officials, officers, directors, agents and employees from and against all Claims that arise out of or relate to Inspection Agency's willful misconduct or the negligent acts or errors or omissions in the performance of its obligations under this Agreement, inclusive of Claims involving search and seizure without required warrants (except in those situations where Inspection Agency has reasonably relied on City's determination or representation as to whether a warrant is required),

and trespassing (except in those situations where Inspection Agency has reasonably relied on City's representation as to whether consent has been obtained), except that City shall be solely liable for any fines resulting from its violations of the Municipal Regional Permit.

C. City Indemnity. City shall indemnify, defend and hold harmless the Inspection Agency and District and each of them and their officers, directors, agents, and employees from and against all Claims that arise out of or relate to the City's willful misconduct or the negligent acts, errors or omissions of the City in the performance of this Agreement. City shall also indemnify, defend and hold harmless Inspection Agency, and their respective officers, directors, agents, and employees from and against all Claims which are not covered by Section 10.B, inclusive of those that are based on the constitutionality or legality of the MS4 Inspection program and the rules and regulations it is intended to enforce, inverse condemnation claims and petitions for writ of mandate.

D. Survival. The obligations in this Section 10 shall survive the termination or expiration of this Agreement.

11. Notices. Notices required or permitted under this Agreement shall be in writing and personally delivered, sent by overnight carrier with delivery charges prepaid for next day delivery, or sent by First Class U.S. Mail with postage prepaid, and addressed as follows:

If to District, to:
Joe Smithonic
Senior Civil Engineer
Contra Costa County Flood Control & Water Conservation District
255 Glacier Drive
Martinez, CA 94553

If to Inspection Agency, to:
Vince De Lange
General Manager
Delta Diablo
2500 Pittsburg-Antioch Hwy
Antioch, CA 94509

With a copy to:
Rebecca J. Hooley
Legal Counsel
Rebecca.hooley@cc.cccounty.us

If to City, to:
Carlos Zepeda
Deputy Public Works Director
City of Antioch
P.O. Box 5007
Antioch, CA 94531

Jolan Longway
Clean Water Program Coordinator
City of Pittsburg
65 Civic Avenue
Pittsburg, CA 94565

A notice shall be deemed given on the same day it is personally delivered, on the business day following the date it is deposited with an overnight carrier for next day delivery, and on the third day after the postmark date if it is sent by First Class U.S. Mail. A courtesy copy of any notice may be sent concurrently by email, but emailing a courtesy copy of any notice does not substitute for providing notice in accordance with this section. A Party may change its address for notices by providing written notice to the other Parties in accordance with this section at least five days before the new address becomes effective.

12. Dispute Resolution. In the event of a dispute arising under this Agreement, the Parties may jointly agree to submit the dispute to mediation before an agreed-upon mediator. If the Parties cannot agree

to a mediator within 30 days after a Party makes a written request for mediation to the other Parties, a mediator may be selected by petition of any Party to the Superior Court of the County of Contra Costa. Each Party shall be responsible for paying a proportional share of the fees and expenses incurred in connection with any mediation. Each Party shall pay its own costs, expenses, and attorney's fees incurred in connection with any mediation under this section.

13. Audits. During the term of this Agreement, and for three years following its expiration or termination, in order to make audits each Party shall have the right to access any other Party's books, documents, papers, and other records related to the performance of this Agreement. If any Party requests copies of another Party's records pertinent to the performance of this Agreement, copies of those records shall be delivered to the requesting Party within 30 days following a request for such records. The requesting party shall pay for all reasonable costs of gathering and copying the requested records. The requirements of this Section shall survive for three years following the expiration or termination of this Agreement.

14. Amendments. This Agreement may only be amended by written mutual agreement of all Parties hereto.

15. Governing Law. This Agreement is made and will be performed in the State of California, County of Contra Costa, and is governed by California law.

16. Severability. If any one or more of the terms, provisions, promises, covenants, or conditions of this Agreement are, to any extent, adjudged invalid, unenforceable, void, or voidable for any reason whatsoever by a court of competent jurisdiction, each and all of the remaining terms, provisions, priorities, covenants, and conditions of this Agreement shall not be affected and shall be valid and enforceable to the fullest extent permitted by law.

17. Assignment. No Party may assign any of its right, title, or interest under this Agreement without the prior written consent of the other Parties hereto. Any purported assignment of any Party's rights under this Agreement without the prior written consent of the other Parties shall be deemed void and without effect.

18. Entire Agreement; Construction. This Agreement contains the entire agreement among the Parties and all prior understandings or agreements, oral or written, regarding this matter are superseded. The section headings and captions of this Agreement are, and the arrangement of this Agreement is, for the sole convenience of the Parties to this Agreement. The section headings, captions, and arrangement of this Agreement do not in any way affect, limit, amplify, or modify the terms and provisions of this Agreement. This Agreement shall not be construed as if it had been prepared by one of the Parties, but rather as if all Parties have prepared it. The Parties to this Agreement and their attorneys have read and reviewed this Agreement and agree that any rule of construction to the effect that ambiguities are to be resolved against the drafting party shall not apply to the interpretation of this Agreement. The recitals of this Agreement are, and shall be enforceable as, a part of this Agreement.

19. No Third-Party Beneficiaries. Nothing in this Agreement, express or implied, is intended to confer on any person, other than the Parties and their successors and assigns, any rights or remedies by reason of this Agreement.

20. Waiver. A waiver of breach of any covenant or provision in this Agreement shall not be deemed a waiver of breach of any other covenant or provision in this Agreement, and no waiver shall be valid unless in writing and executed by the waiving Party.

21. Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed an original, and all of which together constitute one and the same instrument.

[SIGNATURES ON FOLLOWING PAGE]

EXHIBIT A
INSURANCE REQUIREMENTS

Inspection Agency shall procure and maintain at its sole cost for the duration of this Agreement the following insurance:

a. Minimum Scope of Insurance. Coverage shall be at least as broad as:

(1) Insurance Services Office Commercial General Liability coverage ("occurrence" form CG 0001).

(2) Insurance Services Office form number CA 0001 covering Automobile Liability, code 1 (any auto).

(3) Workers' Compensation insurance as required by the Labor Code of the State of California and Employers Liability insurance.

(4) Errors and omissions/Professional liability insurance for all design professionals such as architects, landscape architects or engineers.

b. Minimum Limits of Insurance. Inspection Agency shall maintain policy limits of no less than:

(1) General Liability: $2,000,000 combined single limit per occurrence for bodily injury, personal injury and property damage. If Commercial General Liability Insurance or other form with a general aggregate limit is used, the general aggregate limit shall be double the combined single limit, with completed operations coverage.

(2) Automobile Liability: $1,000,000 combined single limit per accident for bodily injury and property damage.

(3) Worker's Compensation and Employers Liability: Worker's Compensation limits as required by the Labor Code and Employers Liability limits of $1,000,000 per accident.

(4) Errors and Omissions/Professional Liability: $1,000,000 per claim and annual aggregate. If Inspection Agency maintains higher limits than the minimum required by this Agreement, the City requires and shall be entitled to coverage for the higher limits maintained by the Inspection Agency.

c.

d. Other Insurance Provisions. The policies shall contain, or be endorsed to contain, the following provisions:

(1) General Liability and Automobile Liability Coverage.

(a)

i. The City, its officers, officials, employees, agents and volunteers are to be covered as additional insured under Inspection Agency's General Liability and Automobile Liability Coverage.. The coverage shall contain no special limitations on the scope of protection afforded to the City, its officers, officials, employees, agents or volunteers.

ii. The Inspection Agency, its officers, officials, employees, agents and volunteers are to be covered as additional insured under City's General Liability and Automobile Coverage. The coverage shall contain no special limitations on the scope of protection afforded to the Inspection Agency, its officers, officials, employees, agents or volunteers.

(b)

i. Inspection Agency's insurance coverage shall be primary insurance with respect to the Inspection Agency's indemnification obligations under Section 10.B. Any insurance or self-insurance maintained by the City, its officers, officials, employees, agents or volunteers shall be excess of

Inspection Agency's insurance with respect to the Inspection Agency's indemnification obligations and shall not contribute with it.

ii. City's insurance coverage shall be primary insurance with respect to the City's indemnification obligations under Section 10.C. Any insurance or self-insurance maintained by the Inspection Agency, its officers, officials, employees, agents or volunteers shall be excess of City's insurance with respect to the City's indemnification obligations and shall not contribute with it.

(c) Any failure to comply with reporting provisions of the policies shall not affect coverage provided to the City, Inspection Agency, or their officers, officials, employees, agents or volunteers.

(d) City and Inspection Agency's insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.

(2)

e.

f. Verification of Coverage.

i. Inspection Agency shall furnish the City with certificates of insurance and with original endorsements effecting coverage required by this clause. All certificates and endorsements are to be received and approved by the City before work commences. The City reserves the right to require complete certified copies of all required insurance policies, at any time.

ii. City shall furnish the Inspection Agency with certificates of insurance for those types of insurance set forth in paragraph b.

CONTRA COSTA CLEAN WATER PROGRAM
INSPECTION ACTIVITIES AGREEMENT
BETWEEN
CONTRA COSTA COUNTY FLOOD CONTROL AND WATER CONSERVATION DISTRICT,
WEST COUNTY WASTEWATER DISTRICT,
AND
CITIES OF EL CERRITO, HERCULES, AND SAN PABLO

This Contra Costa Clean Water Program Inspection Activities Agreement ("Agreement"), is entered into by and among the Contra Costa County Flood Control and Water Conservation District ("District"), West County Wastewater District (“Inspection Agency”), and the Cities of El Cerrito, Hercules, and San Pablo (“City”) is made and effective as of July 1, 2026 ("Effective Date").

RECITALS

WHEREAS, the County of Contra Costa ("County"), the District, and the 19 incorporated cities and towns in the County have joined together to form the Contra Costa Clean Water Program (the "Program"), pursuant to the Contra Costa Clean Water Program Agreement (2026 - 2041), dated July 1, 2026 (the "Program Agreement"). The parties to the Program Agreement are the County, the District, and the cities of Antioch, Brentwood, Clayton, Concord, Danville, El Cerrito, Hercules, Lafayette, Martinez, Moraga, Oakley, Orinda, Pinole, Pittsburg, Pleasant Hill, Richmond, San Pablo, San Ramon and Walnut Creek (the "Program Members"); and

WHEREAS, through the Program, the Program Members jointly implement some of their obligations under the Municipal Regional Stormwater NPDES Permit, NPDES Permit No. CAS612008, as may be amended or re-issued from time to time (“Municipal Regional Permit”). The San Francisco Regional Water Quality Control Board (“Regional Board”) most recently re-issued the Municipal Regional Permit on May 11, 2022.

WHEREAS, District provides administrative support services to the Program, including collecting and distributing funds that pay for Program responsibilities under the Municipal Regional Permit.

WHEREAS, among other things, the Municipal Regional Permit requires the Program Members to conduct inspections of certain industrial and commercial businesses as specified in Provision C.4. and illicit discharge control activities specified Provision C.5., as those provisions may be amended from time to time in the Municipal Regional Permit (collectively, “MS4 Inspections”). MS4 Inspections include, but are not limited, to all inspection, investigation, reporting, and related obligations under the Municipal Regional Permit and as further directed by District.

WHEREAS, the Municipal Regional Permit identifies long-term goals of: eliminating non-stormwater discharges into municipal storm drains and creeks; conducting stormwater inspections of industrial and commercial facilities; controlling illicit discharges by conducting field surveys of the storm drainage conveyance system and identifying and eliminating the sources of non-stormwater discharges; and eliminating illicit connections and discharges resulting from inappropriate or illegal processes, activities or housekeeping practices; and

WHEREAS, such goals are furthered by Inspection Agency carrying out MS4 Inspections on City’s behalf; and

WHEREAS, in addition to performing inspections to fulfill City’s obligations under the Municipal Regional Permit, Inspection Agency also conducts inspections of certain industrial and commercial businesses as part of its wastewater regulatory obligations (“Wastewater Inspections”); and

WHEREAS, District, Inspection Agency, and City believe that efficiencies can be achieved by having Inspection Agency conduct MS4 Inspections on behalf City concurrently with Inspection Agency’s Wastewater Inspections, which benefit the parties and regulated businesses.

WHEREAS, District, Inspection Agency, and City, as well as the other Program Members and sanitation districts previously entered into a prior inspection agreement dated October 26, 2009; and

WHEREAS, Inspection Agency desires to provide MS4 Inspections on behalf of the City under the terms set forth herein.

AGREEMENT

NOW, THEREFORE, for good and valuable consideration, the sufficiency of which is hereby acknowledged, the parties to this Agreement agree as follows:

1. Term. The term of this Agreement is from the Effective Date of this Agreement until it is terminated pursuant to Section 2 below.

2. Termination.

A. Inspection Agency Termination. Inspection Agency may terminate this Agreement at its sole discretion by giving written notice to District and City at least 180 days prior to the effective date of the termination.

B. District Termination. District may terminate this Agreement at its sole discretion by giving written notice to Inspection Agency and City at least 180 days prior to the effective date of the termination. Notwithstanding the foregoing, District may terminate this Agreement by giving written notice to Inspection Agency and City at least 30 days prior to the effective date of the termination if City is in breach of the Stormwater Utility Area Agreement described in Section 3.

C. City Termination. City may terminate this Agreement at its sole discretion by giving written notice to Inspection Agency and District at least 90 days prior to the effective date of the termination. Alternatively, City may temporarily suspend receiving MS4 Inspections by Inspection Agency pursuant to this Agreement, at its sole discretion, upon giving the District and Inspection Agency at least 90 days prior written notice.

D. Individual Party and Mutual Termination. Any termination completed pursuant to sections 2.A through 2.C above effectively terminates this Agreement in its entirety and as to all Parties. In addition and notwithstanding the foregoing, this Agreement may also be terminated by mutual written agreement of the District, Inspection Agency, and City.

E. Effect of Termination. Upon the effective date of any termination of this Agreement, Inspection Agency shall cease performing MS4 Inspections. Provided Inspection Agency is not then in default, District shall compensate Inspection Agency for all services performed prior to such effective date in accordance with Section 8.

3. Stormwater Utility Area Agreement. City has executed a separate Stormwater Utility Area Agreement with the District that, among other things, provides for the invoicing from, and payment to, Inspection Agency for MS4 Inspection costs on behalf of City.

4. Responsibilities of Inspection Agency. On behalf of City, Inspection Agency will perform all the following services in accordance with the Municipal Regional Permit and applicable law:

A. Conduct MS4 Inspections, including illicit discharge control inspection activities, of industrial and commercial facilities and the exterior of residential properties to determine the regulated facility's compliance with the Municipal Regional Permit and applicable law. MS4 Inspections may have an educational component, as directed by District. The location and frequency of an inspection, investigation, or educational effort shall be at the direction of District in coordination with City and shall take place between 7:30 a.m. and 4:00 p.m. Monday through Friday, excluding holidays ("Normal Working Hours").

B. Perform MS4 Inspections outside of Normal Working Hours if mutually agreed to by District, City, and Inspection Agency, or if directed by District due to an emergency. In the event of an emergency, Inspection Agency will be compensated for any applicable overtime pay actually incurred by Inspection Agency.

C. Prepare inspection and investigation reports for each MS4 Inspection in accordance with the Municipal Regional Permit and applicable law,

D. Issue notices of violation, warning notices, and compliance orders (collectively, "Corrective Orders") to owners or operators of regulated facilities on behalf of City where Inspection Agency determines that violations or potential violations of the Municipal Regional Permit or applicable law have occurred or may occur. City hereby delegates to Inspection Agency all such authority to issue Corrective Orders on City's behalf in connection with MS4 Inspections. Inspection Agency has developed, or shall develop, a standardized approach to recommending and documenting corrective actions taken by operators of regulated facilities in order to address a Corrective Order issued by Inspection Agency. Inspection Agency shall promptly notify City and District's representative identified in accordance with Section 7 of any Corrective Order issued by Inspection Agency, by email at the address below, by the close of the business day following issuance.

E. Inspection Agency shall cooperate with City if City elects to utilize its civil or criminal code enforcement authority to address a Corrective Order directly with the owner or operator of a regulated facility. Such cooperation includes documentation of violations, preparation of documents for use in complaints and at hearings, and assistance in hearing preparation and presentation, including provision of testimony as requested. If Inspection Agency's performance of such enforcement services would result in an unreasonable expenditure of resources, then Inspection Agency shall notify City and District, and Inspection Agency's further involvement in such enforcement services shall be agreed upon by the parties.

F. At the Direction of City, Inspection Agency shall also refer Corrective Orders and related investigations and reports to appropriate enforcing entities, such as the District Attorney.

G. Retain all records through the later of: the term of this Agreement, the retention period outlined in Inspection Agency's retention schedule, or the retention period set forth in the Municipal Regional Permit, whichever is longer, as evidence of City's compliance with the Municipal Regional Permit. These records shall become property of City upon termination of this Agreement, at which time Inspection Agency shall promptly deliver them to City. These records shall be made available for inspection by City or District during normal business hours.

H. Train, supervise and manage its staff and contractors necessary to conduct MS4 Inspections in a consistent and lawful manner.

I. Provide advice and comments to District regarding District's preparation of educational materials for distribution to owners and operators of regulated facilities and the public. Inspection Agency shall also provide advice and comments to District regarding the Contra Costa County Green Business Program, as requested by District.

J. Provide comments to City and District regarding ordinances and policies necessary to conduct MS4 Inspections and carry out enforcement activities.

K. Purchase, operate, and maintain all equipment necessary to conduct MS4 Inspections, at Inspection Agency's own cost. Such capital and maintenance costs may be invoiced to District pursuant to Section 8 of this Agreement if the equipment is solely intended for MS4 Inspections and not Wastewater Inspections.

L. Provide quarterly reports to District, which describe all MS4 Inspections and Corrective Orders during the prior quarter, concurrently with the quarterly invoices specified in Section 8.C below. The final report of the fiscal year (fourth quarter) shall include a status report to City of Corrective Orders initiated by Inspection Agency by owner or operator name. The final report shall also include a hard or electronic copy of the Inspection Agency's databases of regulated facilities.

M. Utilize reasonable efforts to conduct MS4 Inspections fairly and in a uniform manner.

N. In accordance with Section 8.D below, provide an annual fiscal year budget to District that estimates the cost of performing the MS4 Inspections and other requirements of this Section 5 ("Annual Budget").

5. **Responsibilities of District.** District will perform the following services:

A. Recommend revisions to City's ordinances and regulations as are necessary to allow Inspection Agency to lawfully perform MS4 Inspections and issue Corrective Orders.

B. Authorize and prioritize inspections and investigations, with direction from City and Inspection Agency.

C. Provide timely input on the scope of the following fiscal year MS4 Inspections during Inspection Agency's budget process and approve Inspection Agency's Annual Budget in accordance with Section 8.D.

D. Reimburse Inspection Agency for authorized costs in accordance with Section 8.

E. Recommend remedial actions to City and Inspection Agency in order correct an owner or operator's violation of the Municipal Regional Permit or other applicable laws.

F. Provide educational materials for distribution to owners and operators of regulated facilities and the public.

G. Provide comments to Inspection Agency regarding the format of MS4 Inspections, Corrective Orders, and reports.

H. Perform other responsibilities as agreed to in writing among the District, Inspection Agency, and City.

I. Notify City of issues affecting their compliance with the Municipal Regional Permit in a timely manner.

J. Provide quarterly reports regarding MS4 Inspections and budget summaries to City.

6. **Responsibilities of City.** City will perform the following obligations:

A. Provide Inspection Agency with current roster of City employees responsible for carrying out the stormwater program and related enforcement activities, including phone numbers and email addresses.

B. Provide direction to Inspection Agency regarding enforcement actions.

C. Cooperate with Inspection Agency and District to carry out their respective obligations under this Agreement.

7. **Agency Representative.** Each party shall designate in writing to each other an MS4 Inspections program coordinator and an alternate coordinator. The purpose of designating an MS4 Inspections program coordinator is to facilitate communication between the parties. Each party shall direct matters such as complaints, claims, legal challenges, and other disputes regarding the MS4 Inspections to its MS4 Inspections program coordinator who will transmit the matter to the District for resolution.

8. **Financial.**

A. District shall reimburse Inspection Agency for all authorized expenditures in furtherance of its obligations under Section 4 above, including the actual inspections and related administrative costs.. The costs eligible for reimbursement include, but are not necessarily limited to, labor, benefits, overhead, supplies, equipment, vehicle, laboratory, consultant, and insurance costs. Inspection Agency shall promptly notify the District if it believes that legal costs will be incurred in connection with the MS4 Inspections or Corrective Orders so that the parties may reach an agreement regarding the cost of legal services, if desired. Inspection Agency shall not mark up any costs it incurs in providing any of the required services.

B. Inspection Agency's labor costs shall be itemized at base cost per individual for time spent, plus an overhead multiplier for benefits, administrative overhead, supplies, equipment and insurance

Inspection Agency's overhead multiplier for the following fiscal year shall be submitted to the District as part of Inspection Agency's Annual Budget and approved by District annually.

C. Inspection Agency shall submit quarterly invoices to the District for services performed under Section 4 of this Agreement. Each invoice shall include an itemized accounting of the total cost of all services performed under Section 4. Inspection Agency shall submit each quarterly invoice according to the following schedule: (i) First Quarter - October 30; (ii) Second Quarter - January 30; (iii) Third Quarter - April 30; and (v) Fourth Quarter - July 30 of each fiscal year (July 1-June 30). District will pay each undisputed invoice within 45 days of receipt. In the event that District disputes the amounts stated on any invoice, within 30 days of receipt of the invoice District shall submit to Inspection Agency a written notice of dispute and the basis for the dispute. The parties shall endeavor to resolve any such disputes within a reasonable time after District's giving of a notice of dispute. Any dispute that is not resolved within five (5) business days shall be referred to the parties' respective managers for resolution.

D. In accordance with Sections 4.N, prior to the beginning of each fiscal year, District shall approve Inspection Agency's Annual Budget. City shall also review and approve the Annual Budget prior to District's final approval. Discussions for the annual budget shall begin in January prior to the upcoming fiscal year. Inspection Agency shall submit its Annual Budget by March 31, and District shall act on such Annual Budget by May 1. Inspection Agency shall not exceed its approved written Annual Budget, absent advance written consent of City and District.

9. Insurance. During the term of this Agreement, Inspection Agency shall carry Workers' Compensation and Employers' Liability Insurance as required by law, and General Liability and Automobile Liability insurance in the amount of at least $1,000,000 per occurrence. Inspection Agency shall submit endorsements to City and District naming them and their officers, employees, and agents as additional insureds under such policies. If Inspection Agency is self-insured, written notification of the self-insurance program shall be made to the other parties to this Agreement within 30 days after the execution of this Agreement. Any change to self-insured status by Inspection Agency shall be reported to the District in writing within 30 days of such change.

10. Indemnification.

A. District Indemnity. District shall indemnify, defend and hold harmless Inspection Agency and City and each of them and their elected officials, officers, directors, agents, and employees from and against all suits, actions, legal or administrative proceedings, claims, demands, damages, consequential damages, liabilities, and expenses, arising out of or related to the District's willful misconduct or the negligent acts, errors or omissions of the District in the performance of this Agreement, except that City shall be solely liable for any fines resulting from its sole violations of the Municipal Regional Permit. The requirements of this Section 10.A. shall survive the termination or expiration of this Agreement.

B. Inspection Agency Indemnity. Inspection Agency shall indemnify, defend and hold harmless the District and City, and their respective elected officials, officers, directors, agents and employees from and against all suits, actions, legal or administrative proceedings, claims, demands, damages, consequential damages, liabilities and expenses, inclusive of constitutional or property rights claims, arising out of or related to Inspection Agency's willful misconduct or the negligent acts, errors or omissions of Inspection Agency in the performance of this Agreement, except that City shall be solely liable for any fines resulting from its sole violations of the Municipal Regional Permit. The requirements of this Section 10.B. shall survive the termination or expiration of this Agreement.

C. City Indemnity. City shall indemnify, defend and hold harmless the Inspection Agency and District and each of them and their officers, directors, agents, and employees from and against all suits, actions, legal or administrative proceedings, claims, demands, damages, consequential damages, liabilities, and expenses, arising out of or related to the City's willful misconduct or the negligent acts, errors or omissions of the City in the performance of this Agreement. The requirements of this Section 10.C. shall survive the termination or expiration of this Agreement.

11. Notices. Notices required or permitted under this Agreement shall be in writing and made as follows:

If to District, to:

Joe Smithonic
Senior Civil Engineer
Contra Costa County Flood Control & Water Conservation District
255 Glacier Drive, Martinez, CA 94553

If to Inspection Agency, to:

Joe Neugebauer
Environmental Services Manager
West County Wastewater District
2910 Hilltop Drive, Richmond, CA 94806

If to City, to:

Stephen Pree
Environmental Programs Manager
City of El Cerrito
10890 San Pablo Avenue, El Cerrito, CA 94530

Glenn Dombeck
Public Works Director/City Engineer
City of Hercules
111 Civic Drive, Hercules, CA 94547

Amanda Booth
Environmental Programs Manager
City of San Pablo
1000 Gateway Avenue, San Pablo, CA 94806

12. Dispute Resolution. In the event of a dispute arising under this Agreement, the parties may jointly agree to submit the dispute to non-binding arbitration or mediation before a mutually agreed upon mediator or arbitrator. In the event the parties cannot agree to a mediator or an arbitrator within 30 days after a party requests arbitration by written notice to the other parties, the mediator or arbitrator may be selected by random draw, with each Party submitting one name of that party's preferred mediator or arbitrator.

13. Amendments. This Agreement may only be amended by written mutual agreement of the each of the parties hereto.

14. Governing Law. This Agreement is made and will be performed in the State of California, County of Contra Costa, and is governed by California law.

15. Severability. If any one or more of the terms, provisions, promises, covenants, or conditions of this Agreement were, to any extent, adjudged invalid, unenforceable, void, or voidable for any reason whatsoever by a court of competent jurisdiction, each and all of the remaining terms, provisions, priorities, covenants, and conditions of this Agreement shall not be affected and shall be valid and enforceable to the fullest extent permitted by law.

16. Assignment. No party shall assign any of its right, title or interest under this Agreement without the prior written consent of the other parties. Any purported assignment of any party's rights under this Agreement without written consent is void and without effect.

17. Entire Agreement. This Agreement contains the entire agreement between the parties and all prior understandings or agreements, oral or written, regarding this matter are superseded.

IN WITNESS WHEREOF, the parties have executed this Agreement as follows:

CONTRA COSTA COUNTY

Staff Report

File #: RES 2026-246 **Agenda Date:** 6/23/2026 **Agenda #:** C.190.

To: Board of Supervisors

From: Warren Lai, Public Works Director/Chief Engineer

Report Title: California New Motor Vehicle Board ZEV Readiness Award Recognition.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
ACCEPT the California New Motor Vehicle Board's Zero-Emission Vehicle Readiness Award recognizing Contra Costa County's Public Works team for leadership in advancing zero-emission vehicle readiness, transportation electrification, fleet electrification planning, and regional coordination.

FISCAL IMPACT:
No fiscal impact.

BACKGROUND:
The California New Motor Vehicle Board has selected Contra Costa County to receive its Zero-Emission Vehicle Readiness Award, recognizing the County's leadership in preparing for a cleaner transportation future and advancing zero-emission vehicle readiness.

The County has demonstrated this leadership through its Climate Emergency Declaration, Diesel Free by '33 pledge, fleet electrification planning, and efforts to expand charging infrastructure. A key example is the County's California Energy Commission grant, which will support Level 2 and DC fast charging infrastructure at County vehicle domicile locations to help electrify the County fleet.

Contra Costa County has also served as a regional convener by bringing together cities and public agencies across the county to coordinate transportation electrification, share lessons learned, and identify common infrastructure needs. The County has pursued additional community-serving charging opportunities, including the EV-4-All grant concept for public library sites, which has been awarded but not yet allocated.

This award recognizes the County's commitment to climate action, equity, public agency coordination, and the long-term work required to make Contra Costa County ZEV-ready.

This action supports the County's efforts to reduce transportation-related emissions and improve air quality, which benefits children and families throughout Contra Costa County.

CONSEQUENCE OF NEGATIVE ACTION:
If the Board does not accept the award, the County would not formally recognize the California New Motor Vehicle Board's acknowledgement of the County's leadership in zero-emission vehicle readiness.

To: Board of Directors

From: Warren Lai, Public Works Director/Chief Engineer

Report Title: Purchase of 2.78 acres of District-owned property near Laurel Road in the Antioch area

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:

Acting as the governing body of Contra Costa County:

APPROVE and AUTHORIZE the payment of $1,181,500 to the Contra Costa County Flood Control and Water Conservation District ("District") for the purchase of 2.78 acres of District property located in Antioch between Laurel Road, Neroly Road, Live Oak Avenue and State Route 4 and having Assessor's Parcel Number 053-060-028 (the "Property") in accordance with the Option Agreement, dated and approved by the Board of Supervisors on October 21, 2025.

AUTHORIZE the Auditor-Controller to issue a check payable to WFG National Title Insurance Company, 21060 Redwood Road, Suite 110, Castro Valley, CA 94546, for credit to Escrow Number 26-169165, Attn: Sean Hamilton, Escrow Officer, for estimated costs of $6,525 related to close of escrow and title insurance.

APPROVE and AUTHORIZE the Public Works Director, or designee, to execute an agreement with the District dedicating an easement of up to 2.07 acres and in an amount not to exceed $425,000 for access to the Property, subject to the approval of the County Administrator and approval as to form by County Counsel.

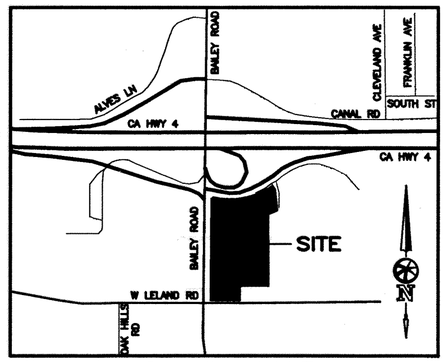
Acting as the governing body of Contra Costa County Flood Control and Water Conservation District:

APPROVE and AUTHORIZE the Chief Engineer, or designee, to execute an agreement with the County dedicating an easement of up to 2.07 acres and in an amount not to exceed $425,000 for access to the Property, subject to the approval of the County Administrator and approval as to form by County Counsel.

FISCAL IMPACT:
The purchase price and title insurance costs will be paid using funds from the Mental Health Services Act. The County will pay the District $425,000 per acre for the Subject Property for a total of $1,181,500.

BACKGROUND:
On October 21, 2025, Acting as the governing body of the County and the District, the board approved an Option Agreement between the District and County that permits the County to purchase up to five acres of District-owned property for up to $425,000 per acre, for use in the Health Department's Behavioral Health

Continuum Infrastructure Program (BHCIP).



The County has determined the need for 2.78 acres to construct two mental health facilities, a 16-bed mental health rehabilitation center, and a 16-bed adult residential treatment facility, as part of a project being considered by the State Department of Health Care Services and the BHCIP. On November 12, 2024, the governing Board for the County approved the County's application for up to $100,000,000 of funds from the BHCIP program for the construction of these facilities. If constructed, this project will be known as the Delta Recovery Center.

CONSEQUENCE OF NEGATIVE ACTION:
If the purchase price is not approved, the County will need to gain site control of the subject property through another means.

OWNER'S STATEMENT

WE HEREBY STATE THAT WE ARE THE OWNERS OF OR HAVE SOME RIGHT, TITLE OR INTEREST IN AND TO THE REAL PROPERTY INCLUDED WITHIN THE SUBDIVISION SHOWN ON THE MAP; THAT WE ARE THE ONLY PERSONS WHOSE CONSENT IS NECESSARY TO PASS A CLEAR TITLE TO SAID REAL PROPERTY; THAT WE HEREBY CONSENT TO THE MAKING OF SAID MAP AND SUBDIVISION AS SHOWN WITHIN THE DISTINCTIVE BORDER LINE.

THE REAL PROPERTY DESCRIBED BELOW IS DEDICATED IN FEE TO CONTRA COSTA COUNTY FOR PUBLIC PURPOSES:

THE AREAS DESIGNATED AS MAYLARD STREET (FORMERLY MAY STREET), MEMORIAL WAY AND SOUTH BROADWAY AVENUE AS SHOWN ON SAID MAP AS PUBLIC STREETS.

THE REAL PROPERTY DESCRIBED BELOW IS DEDICATED AS AN EASEMENT FOR PUBLIC PURPOSES:

THE AREAS DESIGNATED AS PUBLIC UTILITY EASEMENT (PUE), AS SHOWN UPON SAID MAP, TOGETHER WITH THE RIGHT TO ENTER UPON SAID AREAS FOR THE PURPOSES OF CONSTRUCTING, RECONSTRUCTING, MAINTAINING, OR REPAIRING SAID PUBLIC UTILITIES AND APPURTENANCES THERETO.

THE AREA DESIGNATED AS SANITARY SEWER EASEMENT (SSE), IS OFFERED FOR DEDICATION TO DELTA DIABLO OR ITS SUCCESSORS OR ASSIGNS IN GROSS, AS AN EXCLUSIVE SUBSURFACE EASEMENT (OR AS A NON-EXCLUSIVE SUBSURFACE EASEMENT, WHERE INDICATED) AND NON-EXCLUSIVE SURFACE EASEMENT FOR THE RIGHT TO CONSTRUCT, RECONSTRUCT, RENEW, ALTER, OPERATE, MAINTAIN, REPLACE (WITH THE INITIAL OR OTHER SIZE) AND REPAIR SUCH LINE OR LINES AS DELTA DIABLO SHALL FROM TIME TO TIME ELECT FOR CONVEYING SEWAGE OR RECYCLED WATER, AND ALL NECESSARY MAINTENANCE ACCESS STRUCTURES, LATERALS AND APPURTENANCES THERETO, OVER AND WITHIN SUCH EASEMENT AREA, TOGETHER WITH THE FREE RIGHT OF INGRESS, EGRESS, AND EMERGENCY ACCESS TO SAID EASEMENT OVER AND ACROSS THE REMAINING PORTION OF THE OWNER'S PROPERTY, PROVIDED THAT SAID RIGHTS OF INGRESS, EGRESS AND EMERGENCY ACCESS SHALL BE LIMITED TO ESTABLISHED ROADWAYS, PATHWAYS, AVENUES OR OTHER ROUTES TO THE EXTENT POSSIBLE AND AS REASONABLY NECESSARY FOR THE PROPER USE OF THE RIGHTS GRANTED HEREIN. THIS OFFER OF DEDICATION ALSO INCLUDES THE RIGHT TO CLEAR OBSTRUCTIONS AND VEGETATION FROM THE EASEMENT AS MAY BE REQUIRED FOR THE PROPER USE OF THE OTHER RIGHTS GRANTED HEREIN.

THE OWNER RESERVES THE RIGHT TO LANDSCAPE OR MAKE SUCH OTHER USE OF THE LANDS INCLUDED WITHIN THE EASEMENTS WHICH ARE CONSISTENT WITH DELTA DIABLO'S USE; HOWEVER, SUCH USE BY THE OWNER SHALL NOT INCLUDE THE PLANTING OF TREES OR CONSTRUCTION OF PERMANENT STRUCTURES, INCLUDING BUT NOT LIMITED TO HOUSES, GARAGES, OUTBUILDINGS, SWIMMING POOLS, TENNIS COURTS, RETAINING WALLS, DECKS, PATIOS, ENGINEERED DRAINAGE FACILITIES (BIO-SWALES) OR OTHER ACTIVITY WHICH MAY INTERFERE WITH DELTA DIABLO'S ENJOYMENT OF THE EASEMENT RIGHTS GRANTED HEREIN.

MAINTENANCE ACCESS STRUCTURES (MANHOLES, RODDING INLETS, ETC.) CONSTRUCTED WITHIN THE EASEMENT SHALL NOT BE COVERED BY EARTH OR OTHER MATERIAL AND SHALL REMAIN IN AN EXPOSED AND ACCESSIBLE CONDITION AT ALL TIMES FOR ROUTINE AND/OR EMERGENCY MAINTENANCE THAT MAY BE DEEMED NECESSARY BY DELTA DIABLO FROM TIME TO TIME.

DELTA DIABLO, AND ITS SUCCESSORS OR ASSIGNS, SHALL INCUR NO LIABILITY WITH RESPECT TO SUCH OFFER OF DEDICATION, AND SHALL NOT ASSUME ANY RESPONSIBILITY FOR THE OFFERED EASEMENTS OR ANY IMPROVEMENTS THEREON OR THEREIN, UNTIL SUCH OFFER HAS BEEN ACCEPTED BY THE APPROPRIATE ACTION OF DELTA DIABLO, OR ITS SUCCESSORS OR ASSIGNS. FURTHER, THE OWNER SHALL INDEMNIFY, DEFEND, SAVE, AND HOLD HARMLESS DELTA DIABLO FROM ANY LIABILITY WITH RESPECT TO THE EASEMENTS, PRIOR TO THE FORMAL ACCEPTANCE OF SAID EASEMENTS BY APPROPRIATE ACTION OF DELTA DIABLO.

THE AREA DESIGNATED AS TRAIL EASEMENT (TE), AS SHOWN UPON SAID MAP, IS DEDICATED TO THE COUNTY OF CONTRA COSTA, TOGETHER WITH THE RIGHT TO ENTER UPON SAID AREA FOR THE PURPOSES OF CONSTRUCTING, RECONSTRUCTING, MAINTAINING, OR REPAIRING SAID TRAIL AND APPURTENANCES THERETO.

THE UNDERSIGNED FURTHER RELINQUISHES ALL ABUTTER'S RIGHTS OF ACCESS TO PARCEL A AND PARCEL B AS DEPICTED HEREON BY THE SYMBOL THUS //////.

THE AREA DESIGNATED AS PRIVATE ACCESS EASEMENT (PRAE), AS SHOWN UPON SAID MAP, IS NOT DEDICATED FOR USE BY THE GENERAL PUBLIC BUT IS FOR THE USE OF THE OWNER(S) OF PARCEL "D" OF SUBDIVISION MS 21-00005 FOR, BUT NOT LIMITED TO, ACCESS, RECREATION, UTILITIES, DRAINAGE, IRRIGATION, INGRESS AND EGRESS TO AND FROM SAID PARCELS. MAINTENANCE OF THE ROADWAY FACILITIES SHALL BE THE RESPONSIBILITY OF THE OWNERS OF SAID PARCEL "D". SAID EASEMENT IS NOT OFFERED, NOR IS IT ACCEPTED FOR DEDICATION BY THE COUNTY OF CONTRA COSTA.

THIS MAP SHOWS ALL OF THE EASEMENTS ON THE PREMISES OR OF RECORD.

AS OWNER: CONTRA COSTA COUNTY, A POLITICAL SUBDIVISION OF THE STATE OF CALIFORNIA, AS SUCCESSOR TO AND WHICH ACQUIRED TITLE AS CONTRA COSTA COUNTY REDEVELOPMENT AGENCY, A BODY CORPORATE AND POLITIC EXISTING UNDER THE LAWS OF THE STATE OF CALIFORNIA, PURSUANT TO THE PROVISIONS OF ABX1-26 OF THE STATUTES OF 2011, SUBJECT TO ITEM #15.

[Note: If Subdivider is a corporation, two officers must sign. The first must be the chairman of the board, president or any vice president; the second must be the secretary, assistant secretary, chief financial officer or any assistant treasurer. (Corp. Code, § 313; Civ. Code, § 1190.) If Subdivider is a limited liability company, Subdivider shall sign in the manner required of corporations, or by two managers, or by one manager, pursuant to the articles of organization (see Corp. Code, §§ 17151, 17154, 17157.) If Subdivider is a partnership, any authorized partner may sign. Signatures by Subdivider must be notarized.]

---

1. PARTIES & DATE. Effective on the above date, the County of Contra Costa, California (hereinafter "County"), and the above-mentioned Subdivider mutually promise and agree as follows concerning this Subdivision:

2. IMPROVEMENTS. Subdivider agrees to install certain road improvements (both public and private), drainage improvements, signs, street lights, fire hydrants, landscaping and such other improvements (including appurtenant equipment) as required in the improvement plans for this Subdivision as reviewed and on file with the Contra Costa County Public Works Department, as required by the Conditions of Approval for this Subdivision, and in conformance with the Contra Costa County Ordinance Code, including future amendments thereto (hereinafter "Ordinance Code").

Subdivider shall complete said improvements (hereinafter "Work") within the above completion period from date hereof, as required by the California Subdivision Map Act (Gov. Code, §§ 66410 et. seq.) in a good workmanlike manner, in accordance with accepted construction practices and in a manner equal or superior to the requirements of the Ordinance Code and rulings made thereunder; and where there is a conflict among the improvement plans, the Conditions of Approval and the Ordinance Code, the stricter requirements shall govern.

3. IMPROVEMENTS SECURITY. Upon executing this Agreement, the Subdivider shall, pursuant to Gov. Code § 66499 and the County Ordinance Code, provide as security to the County:

A. For Performance and Guarantee: $ 82,760.00 cash, plus additional security, in the amount of $ 8,193,220, which together total one hundred percent (100%) of the estimated cost of the Work. Such additional security is presented in the form of:

_____ Cash, certified check or cashier's check.
X Acceptable corporate surety bond.
_____ Acceptable irrevocable letter of credit.

With this security, Subdivider guarantees performance under this Agreement and maintenance of the Work for one year after its completion and acceptance against any defective workmanship or materials or any unsatisfactory performance.

B. For Payment: Security in the amount: $ 4,137,990.00, which is fifty percent (50%) of the estimated cost of the Work. Such security is presented in the form of:

_____ Cash, certified check, or cashier's check
X Acceptable corporate surety bond.
_____ Acceptable irrevocable letter of credit.

With this security, Subdivider guarantees payment to the contractor, to its subcontractors and to persons renting equipment or furnishing labor or materials to them or to the Subdivider.

Upon acceptance of the Work as complete by the Board of Supervisors and upon request of Subdivider, the amounts held as security may be reduced in accordance with Sections 94-4.406 and 94-4.408 of the Ordinance Code.

4. GUARANTEE AND WARRANTY OF WORK. Subdivider guarantees that the Work shall be free from defects in material or workmanship and shall perform satisfactorily for a period of one (1) year from and after the Board of Supervisors accepts the Work as complete in accordance with Article 96-4.6, "Acceptance," of the Ordinance Code. Subdivider agrees to correct, repair, or replace, at Subdivider's expense, any defects in said Work.

The guarantee period does not apply to road improvements for private roads that are not to be accepted into the County road system.

5. PLANT ESTABLISHMENT WORK. Subdivider agrees to perform plant establishment work for landscaping installed under this Agreement. Said plant establishment work shall consist of adequately watering plants, replacing unsuitable plants, doing weed, rodent and other pest control and other work determined by the Public Works Department to be necessary to ensure establishment of plants. Said plant establishment work shall be performed for a period of one (1) year from and after the Board of Supervisors accepts the Work as complete.

6. IMPROVEMENT PLAN WARRANTY. Subdivider warrants the improvement plans for the Work are adequate to accomplish the Work as promised in Section 2 and as required by the Conditions of Approval for the Subdivision. If, at any time before the Board of Supervisors accepts the Work as complete or during the one year guarantee period, said improvement plans prove to be inadequate in any respect, Subdivider shall make whatever changes are necessary to accomplish the Work as promised.

7. NO WAIVER BY COUNTY. Inspection of the Work and/or materials, or approval of the Work and/or materials or statement by any officer, agent or employee of the County indicating the Work or any part thereof complies with the requirements of this Agreement, or acceptance of the whole or any part of said Work and/or materials, or payments therefor, or any combination or all of these acts, shall not relieve the Subdivider of its obligation to fulfill this Agreement as prescribed; nor shall the County be thereby stopped from bringing any action for damages arising from the failure to comply with any of the terms and conditions hereof.

8. INDEMNITY. Subdivider shall defend, hold harmless and indemnify the indemnitees from the liabilities as defined in this section:

A. The indemnitees benefitted and protected by this promise are the County and its special districts, elective and appointive boards, commissions, officers, agents and employees.

B. The liabilities protected against are any liability or claim for damage of any kind allegedly suffered, incurred or threatened because of actions defined below, and including personal injury, death, property damage, inverse condemnation, or any combination of these, and regardless of whether or not such liability, claim or damage was unforeseeable at any time before County reviewed said improvement plans or accepted the Work as complete, and including the defense of any suit(s), action(s), or other proceeding(s) concerning said liabilities and claims.

C. The actions causing liability are any act or omission (negligent or non-negligent) in connection with the matters covered by this Agreement and attributable to Subdivider, contractor, subcontractor, or any officer, agent, or employee of one or more of them.

D. Non-Conditions. The promise and agreement in this section are not conditioned or dependent on whether or not any indemnitee has prepared, supplied, or approved any plan(s) or specification(s) in connection with this Work or Subdivision, or has insurance or other indemnification covering any of these matters, or that the alleged damage resulted partly from any negligent or willful misconduct of any indemnitee.

9. COSTS. Subdivider shall pay, when due, all the costs of the Work, including but not limited to the costs of relocations of existing utilities required thereby; inspections; material checks and tests; and other costs incurred by County staff arising from or related to the Work, and prior to acceptance of the Work as complete or expiration of any applicable warranty periods, whichever is later.

10. SURVEYS. Subdivider shall set and establish survey monuments in accordance with the filed map and to the satisfaction of the County Road Commissioner-Surveyor before acceptance of the Work as complete by the Board of Supervisors.

11. NON-PERFORMANCE AND COSTS. If Subdivider fails to complete the Work within the time specified in this Agreement, and subsequent extensions, or fails to maintain the Work, County may proceed to complete and/or maintain the Work by contract or otherwise and Subdivider agrees to pay all costs and charges incurred by County (including, but not limited to, engineering, inspection, surveys, contract, overhead, etc.) immediately upon demand.

Once action is taken by County to complete or maintain the Work, Subdivider agrees to pay all costs incurred by County, even if Subdivider subsequently completes the Work.

Should County sue to compel performance under this Agreement or to recover costs incurred in completing or maintaining the Work, Subdivider agrees to pay all attorney's fees, staff costs and all other expenses of litigation incurred by County in connection therewith, even if Subdivider subsequently proceeds to complete the Work.

12. INCORPORATION/ANNEXATION. If, before the Board of Supervisors accepts the Work as complete, the Subdivision is included in territory incorporated as a city or is annexed to an existing city, except as provided in this paragraph, County's rights under this Agreement and/or any deposit, bond, or letter of credit securing said rights shall be transferred to the new or annexing city. Such city shall have all the rights of a third party beneficiary against Subdivider, who shall fulfill all the terms of this Agreement as though Subdivider had contracted with the city originally. The provisions of paragraph 8 (Indemnity) shall continue to apply in favor of the indemnitees listed in paragraph 8.A. upon any such incorporation or annexation.

13. RECORD MAP. In consideration hereof, County shall allow Subdivider to file and record the final map or parcel map for said Subdivision.

14. RIGHT OF ENTRY. Subdivider hereby consents to entry onto the Subdivision property, and onto any other property over which Subdivider has land rights and upon which any portion of the Work is to be installed pursuant to the improvement plans, by County and its forces, including contractors, for the purpose of inspection, and, in the event of non-performance of this Agreement by Subdivider, completion and/or maintenance of the Work.

STATE OF IDAHO
MY COMMISSION EXPIRES 07/08/2027

Subdivision: MS21-00005

Bond No.: 800189637

Premium: $81,932.00

Any claim under this Bond should be sent to the following address:

Atlantic Specialty Insurance Company
605 Highway 169 North, Suite 800
Plymouth, MN 55441

IMPROVEMENT SECURITY BOND
FOR SUBDIVISION AGREEMENT
(Performance, Guarantee and Payment)
(Gov. Code, §§ 66499-66499.10)

1. **RECITAL OF SUBDIVISION AGREEMENT.** The Principal has executed an agreement with the County of Contra Costa (hereinafter "County") to install and pay for street, drainage and other improvements in Subdivision MS21-00005 as specified in the Subdivision Agreement, and to complete said work within the time specified for completion in the Subdivision Agreement, all in accordance with State and local laws and rulings thereunder in order to satisfy conditions for filing of the Final Map or Parcel Map for said subdivision. Under the terms of the Subdivision Agreement, Principal is required to furnish a bond to secure the faithful performance of the Subdivision Agreement and payment to laborers and materialmen.

2. **OBLIGATION.** Bay Point Pacific Assoicates, LP, as Principal, and Atlantic Specialty Insurance Company, a corporation organized and existing under the laws of the State of New York and authorized to transact surety business in California, as Surety, hereby jointly and severally bind ourselves, our heirs, executors, administrators, successors and assigns to the County of Contra Costa, California to pay it:

(A. Performance and Guarantee) Eight Million One Hundred Ninety Three Thousand Two Hundred Twenty and XX/100 Dollars ($ 8,193,220.00) for itself or any city assignee under the above Subdivision Agreement.

(B. Payment) Four Million One Hundred Thirty Seven Thousand Nine Hundred Ninety and XX/100 Dollars ($ 4,137,990.00) to secure the claims to which reference is made in Title XV (commencing with Section 3082) of Part 4 of Division III of the Civil Code of the State of California.

3. **CONDITION.** This obligation is subject to the following condition.

A. The condition of this obligation as to Section 2.(A) above is such that if the above bounded Principal, his or its heirs, executors, administrators, successors or assigns, shall in all things stand to and abide by, and well and truly keep and perform the covenants, conditions and provisions in the said agreement and any alteration thereof made as therein provided, on his or their part, to be kept and performed at the time and in the manner therein specified, and in all respects according to their true intent and meaning, and shall indemnify and save harmless the County of Contra Costa (or city assignee), its officers, agents and employees, as therein stipulated, then this obligation shall become null and void; otherwise it shall be and remain in full force and effect.

As part of the obligation secured hereby and in addition to the face amount specified therefor, there shall be included costs and reasonable expenses and fees, including reasonable attorney's fees, incurred by the County of Contra Costa (or city assignee) in successfully enforcing such obligation, and to be taxed as costs and included in any judgment rendered.

B. The condition of this obligation, as to Section 2.(B) above, is such that said Principal and the undersigned as corporate surety are held firmly bound unto the County of Contra Costa and all contractors, subcontractors, laborers, materialmen and other persons employed in the performance of the aforesaid Subdivision Agreement and referred to in the aforesaid Civil Code for materials furnished or labor thereon of any kind, or for amounts due under the Unemployment Insurance Act with respect to this work or labor, and that the Surety will pay the same in an amount not exceeding the amount hereinabove set forth, and also in case suit is brought upon this bond, will pay, in addition to the face amount thereof, costs and reasonable expenses and fees, including reasonable attorney's fees, incurred by the County of Contra Costa (or city assignee) in successfully enforcing such obligation, to be awarded and fixed by the court, and to be taxed as costs and to be included in the judgment therein rendered.

It is hereby expressly stipulated and agreed that this bond shall inure to the benefit of any and all persons, companies, and corporations entitled to file claims under Title 15 (commencing with Section 3082) of Part 4 of Division 3 of the Civil Code, so as to give a right of action to them or their assigns in any suit brought upon this bond.

Should the condition of this bond be fully performed, then this obligation shall become null and void; otherwise it shall be and remain in full force and effect.

C. No change, extension of time, alteration, or addition to the terms of said Subdivision Agreement or the work to be performed thereunder or any plan or specifications of said work, agreed to by the Principal and the County of Contra Costa (or city assignee) shall relieve any Surety from liability on this bond; and consent is hereby given to make such change, extension of time, alteration or addition without further notice to or consent by Surety; and Surety hereby waives the provisions of Civil Code Section 2819 and holds itself bound without regard to and independently of any action against the Principal whenever taken.

SIGNED AND SEALED on March 10, 20 26.

Power of Attorney

KNOW ALL MEN BY THESE PRESENTS, that ATLANTIC SPECIALTY INSURANCE COMPANY, a New York corporation with its principal office in Plymouth, Minnesota, does hereby constitute and appoint: **Allison McClintock, Amber Engel, Anna Smith, Brandon Akers, Debbie Lindstrom, Holly E. Ulfers, Jamie Armfield, Kathleen M. Mitchell, Kathy Nye, Kristine Santamaria, Laura Kovarik, Marina Matyunin, Roxana Palacios, Scott Alderman, Tara Koloski**, each individually if there be more than one named, its true and lawful Attorney-in-Fact, to make, execute, seal and deliver, for and on its behalf as surety, any and all bonds, recognizances, contracts of indemnity, and all other writings obligatory in the nature thereof; provided that no bond or undertaking executed under this authority shall exceed in amount the sum of: **unlimited** and the execution of such bonds, recognizances, contracts of indemnity, and all other writings obligatory in the nature thereof in pursuance of these presents, shall be as binding upon said Company as if they had been fully signed by an authorized officer of the Company and sealed with the Company seal. This Power of Attorney is made and executed by authority of the following resolutions adopted by the Board of Directors of ATLANTIC SPECIALTY INSURANCE COMPANY on the twenty-fifth day of September, 2012:

Resolved: That the President, any Senior Vice President or Vice-President (each an "Authorized Officer") may execute for and in behalf of the Company any and all bonds, recognizances, contracts of indemnity, and all other writings obligatory in the nature thereof, and affix the seal of the Company thereto; and that the Authorized Officer may appoint and authorize an Attorney-in-Fact to execute on behalf of the Company any and all such instruments and to affix the Company seal thereto; and that the Authorized Officer may at any time remove any such Attorney-in-Fact and revoke all power and authority given to any such Attorney-in-Fact.

Resolved: That the Attorney-in-Fact may be given full power and authority to execute for and in the name and on behalf of the Company any and all bonds, recognizances, contracts of indemnity, and all other writings obligatory in the nature thereof, and any such instrument executed by any such Attorney-in-Fact shall be as binding upon the Company as if signed and sealed by an Authorized Officer and, further, the Attorney-in-Fact is hereby authorized to verify any affidavit required to be attached to bonds, recognizances, contracts of indemnity, and all other writings obligatory in the nature thereof.

This power of attorney is signed and sealed by facsimile under the authority of the following Resolution adopted by the Board of Directors of ATLANTIC SPECIALTY INSURANCE COMPANY on the twenty-fifth day of September, 2012:

Resolved: That the signature of an Authorized Officer, the signature of the Secretary or the Assistant Secretary, and the Company seal may be affixed by facsimile to any power of attorney or to any certificate relating thereto appointing an Attorney-in-Fact for purposes only of executing and sealing any bond, undertaking, recognizance or other written obligation in the nature thereof, and any such signature and seal where so used, being hereby adopted by the Company as the original signature of such officer and the original seal of the Company, to be valid and binding upon the Company with the same force and effect as though manually affixed.

IN WITNESS WHEREOF, ATLANTIC SPECIALTY INSURANCE COMPANY has caused these presents to be signed by an Authorized Officer and the seal of the Company to be affixed this first day of January, 2023.

CONTRA COSTA COUNTY

Staff Report

File #: 26-2814 **Agenda Date:** 6/23/2026 **Agenda #:** C.192.

To: Board of Supervisors

From: Warren Lai, Public Works Director/Chief Engineer

Report Title: Construction Contract for the Piper Road Sinkhole and Culvert Repair.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:

(1) APPROVE plans, specifications, and design for the Piper Road Sinkhole and Culvert Repair. (County Project No. 0672-6U6243, Federal Project No. 720809-DR4683CA) (District III)

(2) DETERMINE that the bid submitted by Kerex Engineering, Inc. ("Kerex"), has complied with the requirements of the County's Outreach Program and has exceeded the Mandatory Subcontracting Minimum for this project, as provided in the project specifications; and FURTHER DETERMINE that Kerex has submitted the lowest responsive and responsible bid for the project.

(3) AWARD the construction contract for the above project to Kerex in the listed amount ($344,400.00) and the unit prices submitted in the bid, and DIRECT that Kerex shall present two good and sufficient surety bonds, as indicated below, and that the Public Works Director, or designee, shall prepare the contract.

(4) ORDER that, after the contractor has signed the contract and returned it, together with the bonds as noted below and any required certificates of insurance or other required documents, and the Public Works Director has reviewed and found them to be sufficient, the Public Works Director, or designee, is authorized to sign the contract for this Board.

(5) ORDER that, in accordance with the project specifications and/or upon signature of the contract by the Public Works Director, or designee, bid bonds posted by the bidders are to be exonerated and any checks or cash submitted for security shall be returned.

(6) ORDER that, the Public Works Director, or designee, is authorized to sign any escrow agreements prepared for this project to permit the direct payment of retentions into escrow or the substitution of securities for moneys withheld by the County to ensure performance under the contract, pursuant to Public Contract Code Section 22300.

(7) AUTHORIZE the Public Works Director, or designee, to order changes or additions to the work pursuant to Public Contract Code section 20142.

(8) DELEGATE, pursuant to Public Contract Code Section 4114, to the Public Works Director, or designee, the

Board's functions under Public Contract Code Sections 4107 and 4110.

(9) DELEGATE, pursuant to Labor Code Section 6705, to the Public Works Director, or to any registered civil or structural engineer employed by the County, the authority to accept detailed plans showing the design of shoring, bracing, sloping, or other provisions to be made for worker protection during trench excavation covered by that section.

(10) DECLARE that, should the award of the contract to Kerex be invalidated for any reason, the Board would not in any event have awarded the contract to any other bidder, but instead would have exercised its discretion to reject all of the bids received. Nothing in this Board Order shall prevent the Board from re-awarding the contract to another bidder in cases where the successful bidder establishes a mistake, refuses to sign the contract, or fails to furnish required bonds or insurance (see Public Contract Code Sections 5100-5107).

FISCAL IMPACT:
The Project will be funded by 75% FEMA Funds, 25% Local Road Funds.

BACKGROUND:
The above project was previously approved by the Board of Supervisors, plans and specifications were filed with the Board, and bids were invited by the Public Works Director. On May 26, 2026 the Public Works Department received bids from the following contractors:

BIDDER, TOTAL AMOUNT, BOND AMOUNTS

Kerex Engineering, Inc.: $344,400.00; Payment: $344,400.00; Performance: $344,400.00

W R Forde Associates, Inc: $386,219.00

The Public Works Director has reported that Kerex documented an adequate good faith effort to comply with the requirements of the County's Outreach Program and exceeded the Mandatory Subcontracting Minimum, and the Public Works Director recommends that the construction contract be awarded to Kerex.

The Public Works Director recommends that the bid submitted by Kerex is the lowest responsive and responsible bid, which is $41,819.00 less than the next lowest bid, and this Board concurs and so finds.

The Board of Supervisors previously determined that the project is exempt from the California Environmental Quality Act (CEQA) as a Class 1(c) Categorical Exemption, pursuant to Section 15301(c) of the CEQA Guidelines, and a Notice of Exemption was filed with the County Clerk on March 27, 2025.

The general prevailing rates of wages, which shall be the minimum rates paid on this project, have been filed with the Clerk of the Board, and copies will be made available to any party upon request.

CONSEQUENCE OF NEGATIVE ACTION:
Construction of the project would be delayed, and the project might not be built.

1025 ESCOBAR STREET
MARTINEZ, CA 94553

CONTRA COSTA COUNTY

Staff Report

File #: RES 2026-249 **Agenda Date:** 6/23/2026 **Agenda #:** C.193.

To: **Board of Supervisors**

From: Susan Brajkovic, Director of Risk Management

Report Title: Authorize the Contra Costa County In-Home Supportive Services Public Authority to join the Golden State Risk Management Authority Insurance Pooling Program and withdraw from the Public Risk Innovation, Solutions, and Management Joint Powers Authority GL 1 Insurance Pooling Program.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:

Acting in its capacity as the governing board of the Contra Costa County In-Home Supportive Services Public Authority (IHSS PA), ADOPT Resolution to approve and authorize the Director of Risk Management, or designee, to execute on behalf of the IHSS PA the Joint Exercise of Powers Agreement, the Agreement for Admission of New Member and all agreements and related documents necessary for the IHSS PA to secure coverage from and effectuate membership in the Golden State Risk Management Authority (GSRMA) insurance pooling program effective July 1, 2026; and to withdraw the IHSS PA from the Public Risk Innovation, Solutions, and Management Joint powers Authority GL1 (PRISM GL 1) insurance pooling program, effective July 1, 2026.

FISCAL IMPACT:

There is no impact to the County General Fund. Costs will be funded through the Risk Management Internal Service Funds.

The deductible structure under GSRMA is substantially more favorable than the PRISM GL1 deductible structure, which will increase from $10,000 to $100,000, reducing exposure to uninsured losses and providing greater cost stability. For comparison, the renewal premium for the existing PRISM GL1 program at a $100,000 self-insured retention in $137,000, whereas the premium for the GSRMA program at a $0 deductible/self-insured retention is $155,961.

BACKGROUND:

The purpose of this item is to authorize the IHSS PA to change its risk financing program from participation in the PRISM GL 1 general liability insurance pool to participation in the GSRMA Joint Protection Program general liability insurance pool, effective July 1, 2026.

The IHSS PA was recently notified that the PRISM GL1 program deductible will increase from 10,000 to

$100,000, effective July 1, 2026. Following a comprehensive review of risk management strategies, financial efficiencies, and alternative coverage options, the Risk Management Director recommends terminating the IHSS PA's membership in the PRISM GL 1 program. The Risk Management Department evaluated alternative public entity risk programs and determined that participation in GSRMA's program will provide more favorable deductible terms, stable pooled funding, and strong public agency governance while maintaining comparable excess insurance protection.

As a condition of membership, GSRMA requires adoption of its Joint Exercise of Powers Agreement and Bylaws, and the execution of membership documents, GSRMA is a California joint powers authority organized pursuant to Government Code sections 6500 et seq, and operates as a public entity separate from its member agencies for the purpose of providing risk financing and claims administration services.

GSRMA is governed by a seven-member Board of Directors consisting of elected or appointed representatives from member agencies. GSRMA conducts its business in compliance with the Ralph M. Brown Act and operates under established governance and financial oversight procedures.

The transition is limited to changing the pooled risk program administration from PRISM's GL1 program to GSRMA's joint protection program, and does not impact excess insurance carriers for the IHSS PA.

PRISM has confirmed that all claims with dates of loss occurring prior to July 1, 2026, will remain the responsibility of PRISM GL 1. Claims with dates of loss on or after July 1, 2026, will be administered through GSRMA. To ensure a seamless transition and meet the program's withdrawal notification conditions, a Board vote is required to authorize the withdrawal from the PRISM GL 1 program. IHSS PA must provide official notice to withdraw before June 30, 2026.

Approval of the recommended actions will allow IHSS PA to become a member of GSRMA effective July 1, 2026, and ensure continuity of liability coverage while avoiding the substantial deductible increase associated with continued participation in the PRISM GL1 program.

CONSEQUENCE OF NEGATIVE ACTION:

Negative action would increase the IHSS PA's financial risk exposure and limit IHSS PA's financial risk exposure and limit IHSS PA's ability to implement the recommended risk financing strategy for Fiscal Year 2026-27.

THE BOARD OF SUPERVISORS OF CONTRA COSTA COUNTY, CALIFORNIA

and for Special Districts, Agencies and Authorities Governed by the Board

RESOLUTION OF THE CONTRA COSTA COUTY IN-HOME SUPPORTIVE SERVICES PUBLIC AUTHORITY TO JOIN THE GOLDEN STATE RISK MANAGEMENT AUTHORITY INSURANCE POOLING PROGRAM AND WITHDRAW FROM THE PUBLIC RISK INNOVATION, SOLUTIONS, AND MANAGEMENT GL 1 INSURANCE

POOLING PROGRAM

WHEREAS, the Contra Costa County In-Home Supportive Services Public Authority ("IHSS PA") currently participates in the Public Risk Innovation, Solutions, and Management ("PRISM") GL1 pooled liability program; and

WHEREAS, PRISM announced an increase in the program deductible effective July 1, 2026, resulting in a substantial increase in the retained risk exposure for IHSS PA; and

WHEREAS, Contra Costa County Risk Management evaluated alternative public agency risk financing programs and determined participation in the Golden State Risk Management Authority ("GSRMA") Joint Protection Program provides a cost-effective and fiscally prudent alternative while maintaining comparable excess insurance protection; and

WHEREAS, enrollment in GSRMA requires adoption of the GSRMA Joint Exercise of Powers Agreement and Bylaws, which establish the governance structure, membership requirements, and operating procedures of the GSRMA; and

WHEREAS, participation in GSRMA will allow IHSS PA to continue receiving liability protection and claims administration services through a public entity risk-sharing program; and

WHEREAS, the Board of Supervisors acting in its capacity as the governing board of the IHSS PA finds that membership in the GSRMA program and withdrawal from the PRISM GL 1 program is in the best interests of the IHSS PA.

NOW, THEREFORE, THE BOARD OF SUPERVISORS ACTING IN ITS CAPACITY AS THE GOVERNING BOARD OF THE IHSS PA DOES HEREBY RESOLVE, ORDER AND DETERMINE AS FOLLOWS:

SECTION 1: The Board approves and authorizes the Director of Risk Management, or designee, to execute on behalf of the IHSS PA the Joint Exercise of Powers Agreement, the Agreement for Admission of New Member, and all agreements and related documents necessary for the IHSS PA to secure coverage from and effectuate membership in the GSRMA insurance pooling program, effective July 1, 2026.

SECTION 2: The Board approves and directs the withdrawal of the IHSS PA from the PRISM GL 1 insurance pooling program, effective July 1, 2026, in accordance with applicable withdrawal provisions.

SECTION 3: The Director of Risk Management is authorized to take all actions necessary to ensure there is no lapse in primary liability coverage for the IHSS PA and to take any additional actions and execute any documents necessary to carry out the intent of this Resolution.

ARTICLE I.
DEFINITIONS

A. Unless the context otherwise requires, the designated terms in the Joint Powers Agreement and Bylaws have the following definitions:

1. "Authority" means the Golden State Risk Management Authority.

2. "Basic Risk Coverages" shall mean the protection package offered to all Member Agencies, consisting of protection for risks related to General Liability, Workers' Compensation, Property, and Miscellaneous exposures, unless an exception has been made by the Board.

3. "Board" or "Governing Board" shall mean the governing board of the Authority;

4 "Certificate of Coverage" or "COC" is the document issued by the Authority to Member Agencies specifying the scope and amount of pooled protection provided to each Member Agency by the Authority.

5. "City" shall include cities, towns, and villages, whether incorporated or not. City does not include a County.

6. "Claim" shall mean any demand, action, suit or proceeding against a Member Agency arising out of an occurrence that falls within the Authority's Joint Protection Program.

7. "County" shall mean a political subdivision of the State of California or any other State of the United States of America. County does not include a City.

8. "Covered Loss" is a loss resulting from a Claim against a Member Agency, in excess of the Member Agency's deductible, retained limit or self-insured retention that falls within the Joint Protection Program, as prescribed by the pertinent Memorandum of Coverage and Certificate of Coverage.

9. "Excess Coverage" shall mean that coverage afforded by commercial insurance or any pooling arrangement purchased by the Authority to cover losses in excess of the Authority's own deductible, retained limit or self-insured retention.

10. "Fiscal Year" is the period from the first day of July of each year to and including the thirtieth day of June of the following year.

11. "Incurred Loss" is the sum of moneys paid and reserved by the Authority that is necessary to investigate and defend a Claim and to satisfy a Covered Loss sustained by a Member Agency.

12. “Joint Protection Program” or “Program” shall mean the operation of the Authority under which the Member Agencies are protected against designated losses, through pooling of self-insured funds, joint purchase of commercial insurance, or any combination as determined by the Board.

13. "Member" means a member of the Board.

14. “Member Agency” means any public agency that is a party to this Agreement.

15. “Memorandum of Coverage” or “MOC” is the document issued by the Authority to Member Agencies specifying the limits of liability of the coverage provided to each Member Agency, including the Authority’s deductible or retention amount and Excess Coverage limits.

16. “Special District” shall mean special districts created pursuant to the law of the State of California or of any other state which provides any governmental service. Special Districts shall be treated as Member Agencies except that Special Districts governed through the Board of Supervisors of a County shall be represented on the Board by that County in accordance with Article III hereof.

ARTICLE II.
OFFICES

The Authority’s principal office for the transaction of business is located at 243 West Sycamore Street, Willows, California. The Governing Board may change the location of the principal office from time to time.

ARTICLE III.
GOVERNING BOARD

A. GOVERNING BOARD

The Authority shall be governed by a Board composed of seven (7) Members, all of whom shall be elected or appointed Members of the governing boards of Member Agencies. The Members of the Board shall be composed of: (1) two Members from the boards of supervisors of County Member Agencies; (2) one Member from the city council of a City Member Agency; (3) one Member from the board of trustees of a school district Member Agency; (4) one Member from the board of directors of a cemetery district Member Agency; (5) one Member from the board of directors of a fire protection district Member Agency; and (6) one member from the board of directors of a Special District Member Agency.

B. ELECTION OF BOARD MEMBERS

1. Annual elections are to be held to fill vacating positions on the Governing Board as described herein. The election process shall include the use of the Board Member Election Timeline. The Timeline shall be updated and approved by the Board annually. The Board Member Election Timeline shall be maintained as a separate document.

2. Vacancies for the Board alternate with representatives for cemetery districts, cities and school districts opening in even numbered years and representatives for fire districts and special districts opening in odd numbered years. Currently, two county representatives are appointed by the Glenn County Board of Supervisors on their own appointment schedule.

   Districts in the above member groups will be invited to nominate themselves. The nomination will be for a particular district not for an individual person. If elected, the chosen district shall: (a) appoint a member of their governing board to serve on the Board, and also (b) appoint a second member of their governing board to serve as an alternate Board Member. In the absence of the appointed representative due to (a) resignation, or (b) inability to attend any Board meetings, the alternate representative shall (a) substitute for and replace the resigned representative, or (b) attend board meetings in the place and stead of the absent representative. If no nominations are received for a particular group, the Board shall appoint an individual meeting all requirements for representing that group to fill the opening for the duration of the term.

   Once the nomination period has closed and the slate of nominated districts is approved by the Board, an election will be conducted. If a member is the only district nominated for a group, no election voting shall be held for that group and that district will be the considered the winner of the election.

   During this election period, nominated districts may contact districts in their peer group to promote their desire to appoint a representative to the Board.

   Each district will get one vote each. The vote will either be by board action or by the district representative (usually the district manager or primary contact) as authorized by the district board.

   All communication to members will be through their preferred method of communication (email or USPS). Members may vote either electronically or via USPS or fax.

   Vote count will not be disclosed to any party prior to the results being presented to the Board.

   Election winners are determined by a simple majority of the votes cast. In case of a tie among those receiving the most votes, the winner will be decided by random selection from those candidates that are tied.

   If a seated board member is no longer a member of their represented District's governing board, the governing board of that district shall appoint another representative from their governing board. If that board does not appoint a

member by the next meeting of the Board, the Board shall appoint an individual meeting all requirements for representing that group for the duration of the term.

If a chosen district has determined to and acted to withdraw from GSRMA, then: (a) when a withdrawal occurs before the term of the appointed representative begins, then the next highest vote getter shall be the chosen district in that member group; or (b) if the withdrawal occurs after the term has begun, the Board shall fill this vacancy by appointing another member agency in that member group to act as a chosen district and to appoint a member of their governing board to serve on the Board for the duration of the term.

C. TERMS OF OFFICE

1. The term of each Member shall be two years.

2. Each Member serves at the pleasure of his or her respective appointing governing body and may be replaced at any time. The County Members shall also represent all special districts that are governed by County boards of supervisors. No person who is an employee of any Member Agency shall be appointed to serve on the Governing Board.

D. VOTING AND COMPENSATION

1. Each Member has one vote.

2. Each district represented by a board member shall be entitled to $5,000 per member per year of service on the Board. In addition, Members shall be entitled to reimbursement for transportation expenses incurred in connection with performance of duties as a Member pursuant to the Internal Revenue Service's established allowance. The Board may authorize additional reimbursement for other expenses incurred in connection with duties as a Member.

E. POWERS OF THE BOARD

The Board, consistent with the purposes of the Agreement and these Bylaws, has the power to:

1. Adopt and amend the Authority's Bylaws;

2. Adopt an Annual Operating Budget.

3. Approve or reject agencies applying to become Member Agencies;

4. Elect and remove the risk manager and officers of the Authority;

5. Establish an executive committee or any other committees and delegate to them functions not otherwise reserved to the Board;

6. Contract with consultants and other professional persons or firms, as it considers necessary to carry out the purposes of the Agreement;

7. Authorize risk management audits to review the participation of each Member Agency in the Program;

8. Authorize any officer, staff member, or agent of the Authority to execute any contract in the name of and on behalf of the Authority, and such authorization may be general or specific in nature; however, unless so authorized, no officer, staff member or agent shall have any power to bind the Authority by contract;

9. Approve loss analysis controls by use of statistical analysis, data processing, record and file keeping services in order to help identify high exposure operations and evaluate proper levels of self-retention and possible deductibles;

10. Approve plans to assist Member Agencies in maintaining current, complete, and accurate building and contents values by location for insured properties;

11. Conduct all necessary actions in concluding and dissolving the business affairs of the Authority, including determining the distributions to Member Agencies upon termination of the Authority;

12. Approve specific risks for which the Authority intends to provide protection;

13. Determine the necessity for and amount of any contribution surcharge that may be imposed because of circumstances described in Article X.C.1. and 2. of these Bylaws; and

14. Act in furtherance of the Agreement and these Bylaws.

F. ADDITIONAL DUTIES OF THE BOARD

In addition to duties specifically expressed in the Agreement or in the Bylaws, the Board shall:

1. Maintain membership in at least one (1) public risk management association.
2. Assign at least one (1) Member to attend an annual risk management conference.

ARTICLE IV.
OFFICERS

A. PRESIDENT AND VICE-PRESIDENT

The Board shall elect a president and vice-president from among its Members at its first meeting each calendar year. Thereafter, at its first meeting in each succeeding calendar year, the Board

shall elect a president and vice-president. The term of office of the president and vice president shall be for one (1) year. If either the president or vice-president ceases to be a Member, the resulting vacancy shall be filled at the next regular meeting of the Board which is held after the vacancy occurs. The president shall preside at and conduct all meetings of the Board. In the absence or inability of the president to act, the vice president acts as president. The president also serves as the treasurer of the Authority.

B. RISK MANAGER

The risk manager shall be selected and appointed by the Board. The position includes the functions of secretary, chief administrative officer of the Authority, and auditor. The risk manager shall be responsible to the Board for the performance of all functions of the Authority as provided in the Agreement and these Bylaws. In the absence of both the president and vice-president, the risk manager shall preside at and conduct meetings of the Board.

C. TREASURER AND AUDITOR

Other than prescribed above, the Board may appoint one of the Authority's officers or employees to serve in the position of either treasurer or auditor, or both of such positions. These offices may be held by separate officers or employees or combined and held by one officer or employee. Such person or persons appointed shall have the powers, duties, and responsibilities as set forth in Government Code Sections 6505, 6505.5 and 6505.6, including the duty to cause an independent annual audit to be made in compliance with Government Code Section 6505.

1. The treasurer shall:

    a. Have the custody of the Authority's funds;

    b. Disburse the Authority's funds pursuant to the Board's authority;

    c. Invest and reinvest the Authority's funds in accordance with state law.

2. The auditor shall:

    a. Draw warrants to pay demands against the Authority. The warrants drawn by the auditor shall be reviewed by the Board and approved and ratified at the first meeting of the Board following the draft of the warrants;

    b. Establish and maintain the funds and accounts in accordance with acceptable accounting practices and shall maintain such other records as the Board requires;

    c. Within one hundred twenty (120) days after the close of each Fiscal Year, give a complete written report of all financial activities for that Fiscal Year to the Authority for the annual audit by a certified public accountant.

D. ASSUMPTION OF DUTIES

Each officer shall assume the duties of his office upon election or appointment, unless otherwise declared by the Board.

E. OFFICIAL BOND

The Board shall require the risk manager, treasurer, and auditor to cause to be filed with the Authority an official bond in an amount to be fixed by the Board, but not less than $500,000. The Authority shall pay the cost of the premiums for each bond required by it. In the alternative, the Authority may utilize and participate in bond coverage by means of a master bond jointly purchased by public agencies.

F. REMOVAL AND VACANCIES

The Board may remove an officer at any time. A vacancy in an officer position, because of death, resignation, removal, disqualification, or any other cause, shall be filled by election of the Board.

ARTICLE V.
LIABILITY OF GOVERNING BOARD, OFFICERS, COMMITTEE MEMBERS AND LEGAL ADVISORS

A. Members, officers, committee members, and legal advisors to the Board or any committees of the Authority shall use ordinary care and reasonable diligence in the exercise of their powers and in the performance of their duties pursuant to the Agreement and Bylaws. They shall not be liable for any mistake of judgment or any other action made, taken or omitted by them in good faith, nor for any action taken or omitted by any agent, employee or independent contractor selected with reasonable care, nor for loss incurred through investment of Authority funds, or failure to invest.

B. No Member, officer, committee member, or legal advisor to the Board or any committee shall be responsible for any action taken or omitted by any other Member, officer, committee member, or legal advisor to the Board or any committee. No Member, officer, committee member, or legal advisor to the Board or any committee shall be required to give a bond or other security to guarantee the faithful performance of their duties pursuant to the Agreement and Bylaws.

C. The Authority shall investigate and defend actions against, and pay on behalf of the Authority, the Board, the individual Members, the officers of the Authority, any committee, the individual committee members and any legal advisor to the Board within the scope of their assigned duties pursuant to Article IV, subject to a limit of liability within the discretion of the Board, all sums that they or any of them become legally obligated to pay as damages because of any act or omission in the performance of their respective duties as provided in the Agreement and in these Bylaws. This coverage shall not apply to intentionally dishonest or fraudulent acts,

or to punitive damages, penalties or sanctions. In the alternative, the Authority may purchase insurance coverage for these exposures, to the extent allowed by law.

D. The risk manager shall contract for all necessary investigation and shall select defense counsel under this Article.

ARTICLE VI.
BOARD MEETINGS

A. REGULAR MEETINGS

1. The Board shall hold bi-monthly meetings. Unless otherwise notified pursuant to the Ralph M. Brown Act, these meetings shall be held at 6:00 p.m. on the second Wednesday of every other month (i.e. July, September, November, January, March, and May, or as determined by the Board. The Board may change the meeting date to accommodate any calendar conflicts or cancel a meeting if it's not needed.

2. Written notice of each regular meeting of the Board shall be delivered to each Member and/or alternate Member at least seven (7) days in advance of the meeting. The notice shall specify:

   a. The place, date and hour of the meeting,
   b. Those matters which are intended to be presented for action by the Board,
   c. The general nature of any proposal for action by the Board concerning a change in the Agreement or these Bylaws, a change in the membership of the Authority, or any other matter substantially affecting the rights and obligations of the Member Agencies.

B. SPECIAL MEETINGS

1. A special meeting of the Board may be called at any time by the president of the Board, or by a majority of the Members or by the risk manager subject to the requirements for 24-hour written notice to the members and to requesting representatives of the media provided in Section 54956 of the California Government Code.

2. The notice of a special meeting shall specify the time and place of the meeting and the business to be transacted. No other business shall be considered at the meeting.

C. RALPH M. BROWN ACT AND CLOSED SESSIONS

1. Each meeting of the Board, including, without limitation, regular, adjourned regular and special meetings, including any closed session, shall be called,

noticed, held, and conducted in accordance with the Ralph M. Brown Act (Section 54950 et. seq. of the Government Code).

2. Closed sessions for pending litigation shall not be semi-closed. Interested members of the public shall not be admitted to a closed session. Closed sessions for pending litigation shall only be attended by Members, legal counsel to the Board, and necessary Authority staff. Persons without an official role in the meeting shall not be present.

3. The risk manager, or his alternate, shall attend closed sessions as the sole necessary or required member of the Authority staff.

D. PLACE OF MEETINGS

Each regular or special meeting of the Board shall be held at a place within the State of California designated by the Board at its preceding meeting or, if no such designation is made, as designated by the risk manager or the president of the Board.

E. RULES OF ORDER AND MINUTES

1. The risk manager shall keep minutes of all regular, adjourned regular and special meetings. Within sixty (60) days after the adoption of the minutes of a meeting, the risk manager shall have a copy of the adopted minutes made available online in the Authority's website accessible by each Member and by each Member Agency through their respective accounts. Alternatively, if a Member or a Member Agency has no internet access, the Authority shall provide a copy of said minutes to the Member or Member Agency upon written request.

2. All meetings of the Board, and of any committees of the Authority, shall be conducted in accordance with Robert's Rules of Order, provided that in the event of a conflict, such rules shall be superseded by the Agreement, these Bylaws, and California law.

F. QUORUM

No business may be transacted without a quorum of the Members being present. A quorum shall consist of four (4) Members. Four Members must vote in favor of a motion to approve it. The Board shall adopt appropriate rules, not inconsistent herewith, for the orderly transaction of its business.

G. ADJOURNED MEETINGS

1. The Board may adjourn any regular or special meeting to a time and place specified in the order of adjournment, whether or not a quorum has been

established. If a quorum is not established, no business other than adjournment may be conducted.

2. A copy of the order for adjournment shall be posted as required by Section 54955 of the California Government Code. No other notice of an adjourned meeting shall be necessary, unless the transacted adjournment is for a period of thirty (30) days or more, in which case notice of the adjourned meeting shall be given in the same manner as notice of the original meeting.

ARTICLE VII.
MEMBERSHIP

A. NEW MEMBER AGENCIES

1. Public entities that have applied for membership may be approved by the Board and may be admitted to the Program at any time. The Board shall have the sole discretion to admit or reject new Member Agencies. In and through their application for, and acceptance of membership, new Member Agencies shall agree to accept, comply with, and be bound by all the provisions of the Agreement and Bylaws.

2. The agency requesting membership shall supply all loss experience and risk exposure data together with any other relevant information requested by the risk manager.

B. CANCELLATION

The Authority shall have the right to cancel any Member Agency's participation in the Program upon two-thirds vote of the Board. Any Member Agency so canceled shall, on the effective date of the cancellation, be treated the same as if the Member Agency had voluntarily withdrawn from the Program.

C. WITHDRAWAL

1. A Member Agency may withdraw only at the end of a Fiscal Year of the Authority, provided it has given the Authority a twelve-month written notice of its intent to withdraw from this Agreement and the Program, except as otherwise permitted by the Board.

2. Any Member Agency that withdraws as a party to this Agreement pursuant to this Article shall not be reconsidered for new membership until the expiration of five years from the Member Agency's withdrawal. However, the Board in its discretion may approve an exception to this rule for a particular applicant.

D. EFFECT OF WITHDRAWAL

1. The withdrawal of any Member Agency from this Agreement shall not terminate this Agreement and no Member Agency, by withdrawing, shall be entitled to payment or return of any contribution, consideration, or property paid or donated by the Member Agency to the Authority, or to any distribution of assets.

2. The withdrawal of any Member Agency after the effective date of the Program shall not terminate its responsibility to contribute its share of contributions to the program until all claims, or other unpaid liabilities, covering the period the Member Agency was signatory hereto have been finally resolved and a determination of the final amount of payments due by the Member Agency or credits to the Member Agency for the period of its membership has been made by the Board. In connection with this determination, the Board may exercise similar powers to those provided for in Article 10 (Termination) of the Agreement.

ARTICLE VIII.
ACCOUNTS, RECORDS, AND AUDITS

A. ACCESSIBILITY OF BOOKS AND RECORDS

Books and records of the Authority in the possession of the auditor shall be open to inspection at all reasonable times by designated representatives of the Member Agencies.

B. AUDITS

1. The Authority shall contract with a certified public accountant for an annual audit of the accounts and records of the Authority at the end of each Fiscal Year. The minimum requirements of the audit shall be those prescribed by the State Controller under Government Code Section 26909 and shall conform to generally accepted auditing standards.

2. Within six months after Board approval, the risk manager shall have a copy of the audit report accessible online in the Authority's website by Member Agencies through their accounts. Alternatively, if a Member Agency has no internet access, the Authority shall provide a copy of said Board-approved audit report to Member Agencies who request so in writing.

3. The Authority shall bear the costs of the audit. These costs are a charge against the operating funds of the Authority.

C. AUTHORIZATION OF PAYMENTS

Before payment by the treasurer of any invoices, billings, and claims for payment of losses, such documents must be approved and signed by the president, vice president, or the risk manager or his or her designee.

ARTICLE IX.
NOTICES

A. Notice to a Member Agency under this Agreement and Bylaws shall be sufficient if made available online in the Authority's website accessible through the Member Agency's online account, or electronically mailed to the Member Agency's designated primary contact, or mailed to the office of the Governing Board of the Member Agency.

B. Notice to the Authority shall be sufficient if mailed to the office of the risk manager.

ARTICLE X.
CONTRIBUTIONS

A. CONTRIBUTION CHARGE

1. The risk manager shall calculate annually the amount of the contribution charge for each Member Agency's Basic Risk Coverages. The risk manager may seek the assistance of an actuary, risk management consultant or other qualified person, in calculating the contribution charge for each Member Agency's Basic Risk Coverages. The risk manager shall make estimated calculations, obtain approval of the Board, and shall distribute the contribution charge bills at least thirty (30) days before the end of the Fiscal Year preceding the year for which the annual contribution charges apply.

2. The risk manager shall determine the annual contribution charge for each Member Agency for each type of coverage under Basic Risk Coverages upon the basis of a cost allocation plan and rating formula developed and approved by the Board. The annual contribution charge for each Member Agency shall include that Member Agency's prorated share of excess insurance contribution or premium and/or reinsurance costs; charge for pooled risk, recognizing the deductible selected and including a margin for contingencies as determined by the Board; claims adjusting and legal cost; and administrative costs and other costs to operate the Authority. The risk manager shall also consider each Member Agency's loss history and loss exposure together with the performance of each Program (coverage) in making the calculations of the annual contribution for each Member Agency.

B REBATES

The Board shall have the authority to rebate the proportionate shares of any surplus funds in a Fiscal Year to that Fiscal Year's Member Agencies. The Board may require that any such rebates be applied in reduction of future contributions.

C. CONTRIBUTION SURCHARGE

1. If the Authority experiences unusually severe losses or an unusually large number of losses under any part of the Program in a Fiscal Year, such that notwithstanding reinsurance coverage for large individual losses, the Authority's insurance funds for that part of the Program may be exhausted before the next annual contributions are due, the Board may, upon consultation with an actuary, impose contribution surcharges on all participating Member Agencies.

2. If it is determined by the Board, upon consultation with an actuary, that the Authority's insurance funds for a part of the Program are insufficient to (a) pay losses, (b) fund known estimated losses, and (c) fund estimated losses which have been incurred but not reported, the Board may impose a surcharge on all participating Member Agencies.

3. Contribution surcharges imposed pursuant to (1) and (2) above shall be in an amount which will assure adequate funds for the part(s) of the Program to be actuarially sound; provided that the contribution surcharge to any participating Member Agency shall not exceed an amount equal to three (3) times the Member Agency's annual contribution for that Fiscal Year, unless otherwise determined by the Board. No contribution surcharge in excess of three times the Member Agency's annual contribution for that Fiscal Year may be assessed, unless ninety days (90) prior to the Board taking action to determine the amount of the surcharge, the Authority provides notice pursuant to the Bylaws to each participating Member Agency of its recommendations regarding its intent to assess a contribution surcharge and the amount recommended to be assessed each Member Agency. The Authority shall, upon request by a Member Agency, provide the requesting Member Agency a copy of the actuarial study upon which the recommended contribution surcharge is based.

4. A Member Agency which has withdrawn or has been terminated at the time a contribution surcharge is assessed, but which was a participating Member Agency during the Fiscal Year(s) for which the contribution surcharge is being assessed, shall pay such contribution surcharges as it would have otherwise been assessed in accordance with the provisions of (1), (2) and (3) above.

D. INSTALLMENT PLANS

Member Agencies shall be permitted to pay their respective annual contribution charge in periodic installments consistent with Board-approved policy.

E. TIMELINESS OF PAYMENTS

1. A Member Agency's payment for the annual contribution charge is due and payable on or by July 1 of the Fiscal Year for which the Authority is providing Basic Risk Coverages. Unless the Board has authorized installment payments, failure of a Member Agency to pay its annual contribution charge in full by August 1 shall constitute sufficient grounds for the Board to immediately cancel the Member Agency's certificate of protection.

2. Any bill other than for the annual contribution charge is due to be paid within thirty (30) days from the date when said bill was mailed to the Member Agency.

3. The Board may adopt a penalty policy for any late payment of any bill, including, but not limited to, for contribution charges, contribution surcharges, and any adjustment. For the Authority to be able to impose a late-payment penalty against a Member Agency, the Authority, at least thirty (30) days prior to a bill's payment due date, must have provided notice of the adopted penalty policy to the Member Agency pursuant to the notice provisions in the Agreement and Bylaws. Any penalty policy adopted by the Board may be applied against a Member Agency, whether active, terminated or withdrawn.

4. Any and all costs and attorney's fees incurred by the Authority associated, in any way whatsoever, with the collection of contribution charges, contribution surcharges, adjustments, penalties, or any other bill shall be recoverable by the Authority. Upon approval by the Board, if a Member Agency does not pay a bill past due for at least ninety (90) days, the Authority may offset the amount due, in whole or in part, against one or more reimbursement requests submitted by the Member Agency.

ARTICLE XI.
COVERAGES

A. BASIC RISK COVERAGES

The Basic Risk Coverages contribution charge referred to in Article X above is payment for the coverage provided by the Authority to each Member Agency for the Basic Risk Coverages specified in the Memoranda of Coverage and Certificates of Coverage. The Board may, but is not required, to use standard form policies. The scope of Basic Risk Coverages in the pool shall be determined by the Board. Each Member Agency by the act of paying the contribution charge accepts the Basic Risk Coverages provided by the Authority.

B. PROPERTY COVERAGE

In case of property coverage, such as fire, the policy limits shall be at or greater than the amount of the insurable replacement value of all the property of each of the Member Agencies which the

Member Agencies and Authority agree to be covered. The agreed valuation shall be updated annually according to the revised values to be furnished by each Member Agency, which have been obtained as prescribed in Article 9.A.6. of the JPA Agreement.

C. EFFECTIVE DATE

Pursuant to the payment of contributions by each Member Agency to the Authority, the Authority shall issue to each Member Agency a COC and MOC, indicating the coverage provided to the Member Agency by the Authority. The coverage provided by the policy begins for each Member Agency on such date as set forth in the MOC and shall expire at the end of each Fiscal Year of the Authority.

D. SUBROGATION

The Authority shall have the first right to any subrogation recovery. Each subrogation action shall be brought on behalf of both the Member Agency and the Authority. The Authority may pursue subrogation only as respects a Covered Loss.

E. SPECIAL COVERAGES

The Board may, from time to time, adopt special changes to cover additional or lesser risks. A reasonable surcharge may be imposed when the activities of a Member Agency increases the risk to the membership pool. A special change could also be made by the Board upon the request of one or more Member Agencies for additional coverage with the cost of such additional coverage to be paid by the requesting Member Agencies.

F. ADDITIONAL INSURANCE COVERAGES

The Authority shall have the power and authority to establish and offer to all public agencies, whether a Member Agency or not, programs consisting of additional insurance coverages, which may, but are not required to, involve employee fringe benefit plans. Participation in any proffered program of additional insurance coverage shall be voluntary on the part of any Member Agency and shall not affect their participation in the Basic Risk Coverages provided. Selection of particular programs or plans to be offered shall be made by the Governing Board. The Board shall establish the contribution charges including administration costs, method of payments of contributions, and manner and method of administering each such plan or program.

G. WORKERS' COMPENSATION PENALTIES

Any and all penalties assessed against the Authority by the Division of Workers' Compensation shall be paid as follows:

1. Penalties assessed due to the failure of a Member Agency (Employer) to comply with the time requirements or reporting requirements as stated in the Workers' Compensation law shall be paid by the Member Agency (Employer).

2. Penalties assessed due to the failure of the Authority (Insurer) to comply with the time requirements or reporting requirements as stated in the Workers' Compensation law shall be paid by the Authority.

ARTICLE XII.
SETTLEMENT AUTHORITY

A. The Authority shall have the power and authority to negotiate the settlement of any Claim against a Member Agency involving public entity liability or workers' compensation without the consent of the Member Agency, except that consent shall be necessary only if the settlement amount will exceed the Authority's limit of liability.

B. Affected Member Agencies shall have the right to provide the Board with any input or information desired on any pending Claim at any time. The Board shall consider this input in making its decisions on settlements.

ARTICLE XIII.
DISPUTE RESOLUTION

A. NEGOTIATION

The risk manager shall investigate the facts of the dispute and, if necessary, obtain a legal opinion from the Authority's counsel on any legal issues. The Member Agency may submit a factual statement and a legal opinion, together with any substantiation thereof, to the risk manager. The risk manager shall then attempt to negotiate a resolution of the dispute. Any negotiated resolution shall be taken to the Board for confirmation and approval. If negotiation fails, and the disputed matter is within the authority of the risk manager, the risk manager shall decide the matter in the best interests of the Authority.

B. APPEAL TO THE BOARD

1. If the Member Agency is dissatisfied with the decision of the risk manager, or if the dispute is unresolved because negotiation failed, the Member Agency may appeal in writing to the Board. This appeal shall be requested by the Member Agency within thirty (30) days of the date of the Risk Manger's decision, or of the date on which the risk manager notifies the Member Agency of the determination that negotiation had failed. Upon receipt of the appeal, the matter shall be set for hearing by the Board at the next available regular Board meeting.

2. The risk manager and the Member Agency shall each submit in writing, at least ten (10) days in advance of the Board meeting, a description of the dispute and any additional relevant facts, a factual and/or legal argument, and the desired resolution. The Board shall consider all information provided, including any oral presentations, in making its decision. The Board may require the Member Agency and/or the risk manager to provide additional information and, as necessary, may continue the hearing. Any Board member that is a member of the governing board of the appealing Member Agency shall be disqualified from participating in

the appeal. The Board shall direct that written notice of its decision be prepared and served by mail on the appealing member agency within ten (10) working days.

C. RECONSIDERATION

Within ten (10) days after notice of the decision by the Board, the Member Agency may request a hearing by the Board to reconsider its decision. This request for reconsideration shall be in writing and must be based solely upon newly discovered facts or other information not previously considered. The Member Agency shall submit this newly discovered information in writing for consideration by the Board at its next available Board meeting. The Board may allow oral presentations at the hearing. Any Board member that is a member of the governing board of the appealing Member Agency shall be disqualified from participating in the request for reconsideration.

D. ARBITRATION OR MEDIATION

If the Member Agency is not satisfied with the Board's decision on appeal, it may pursue arbitration or mediation. By means of mutual agreement between the Member Agency and the risk manager, the parties may select binding or non-binding arbitration, mediation, use of counsel in the proceedings, and other procedural matters. The cost of arbitration or mediation shall be borne equally by the Member Agency and the Authority, and each party shall be responsible for its own attorney(s) fees, if attorneys are utilized. Any decision in binding arbitration shall be final and complied with by the parties. Should the parties desire to submit the matter to mediation, the mediation shall be conducted as if court-ordered pursuant to California Code of Civil Procedure Section 1775, *et seq*. (without any monetary limitation). Should the parties desire that the matter be submitted to arbitration, the arbitration shall be conducted pursuant to the rules of the American Arbitration Association.

E. LITIGATION

If the Member Agency or the risk manager is not satisfied with the result in non-binding arbitration, or if mediation fails to produce a mutually satisfactory resolution of the dispute, either party may pursue litigation to resolve the dispute. The risk manager may not commence litigation without the approval of the Board. Any litigation shall be subject to the applicable claims and limitations requirements of the Tort Claims Act. The prevailing party in any such litigation shall be entitled to their reasonable attorney(s) fees and costs from the losing party.

ARTICLE XIV.
AMENDMENTS

These Bylaws may be amended at any time by a majority vote of the Governing Board. Within thirty (30) days following adoption of amendments, the risk manager shall prepare a copy of the amended Bylaws and make it available pursuant to approved notice provisions.

APPENDIX A		
	JOINT POWER AGREEMENT MEMBER AGENCIES	

JOINT EXERCISE OF POWERS AGREEMENT FOR PROVIDING LIABILITY, WORKERS' COMPENSATION, PROPERTY AND OTHER COVERAGES

* * *

THIS AGREEMENT is dated, for convenience, July 1, 1979, as the date the Agreement was initially entered into among certain public agencies within the County of Glenn. Thereafter, this Agreement has been amended to include Public Agencies within or without the State of California. These public agencies are hereafter referred to as "Member Agencies" and listed in Appendix "A", which may be amended from time to time.

PREAMBLE

Golden State Risk Management Authority is established for the purpose of providing services and other functions necessary and appropriate for the creation, operation, and maintenance of liability, workers' compensation, property and other risk pooling and coverage plans for the Member Agencies that are parties hereof, and to provide a forum for discussion, study, development and implementation of recommendations of mutual interest regarding risk pooling and insured programs.

R E C I T A L S

This Agreement is predicated upon the following facts:

1. WHEREAS the Member Agencies are public agencies organized and operating under the laws of the State of California or other states of the United States;

2. WHEREAS, the following California state laws, among others, authorize the Member Agencies to enter into this agreement:

a. Labor Code Section 3700(c) allowing a local public entity to fund its own worker's compensation Claims;

b. Government Code Sections 989 and 990, *et seq.* and Education Code Sections 17566 and 17567 permitting a local public entity to insure itself against liability and other losses;

c. Government Code Section 990.4 permitting a local public entity to provide insurance and self-insurance in any desired combination;

d. Government Code Section 990.8 permitting two or more local public entities to enter into an agreement to jointly fund such expenditures under the authority of Government Code Sections 6500 *et seq*.;

e. Government Code Sections 6500, *et seq*. permitting two or more local public entities (including public agencies located outside the State of California) to jointly exercise under an agreement any power which is common to each of them.

3. WHEREAS, each of the parties to this Agreement desires to join together with the other parties for the purpose of developing an effective risk management program to reduce the amount and frequency of their losses, pooling their self-insured losses, and jointly purchasing excess insurance and administrative services in connection with a joint program for said parties; and

4. WHEREAS, a feasibility study has shown that it is economically feasible and practical for the parties to this Agreement to do so;

5. WHEREAS, this Authority was originally created and was known as the "Glenn County Joint Powers Authority",

NOW, THEREFORE, for and in consideration of all of the mutual benefits, covenants and agreements contained herein, the parties hereto agree as follows:

ARTICLE 1
PURPOSES

This Agreement is entered into by Member Agencies pursuant to the provisions of California Government Code sections 990, 990.4, 990.8 and 6500 *et seq*. in order to develop an effective risk management program: (a) to reduce the amount and frequency of their losses, (b) to pool their self-insured losses, and (c) to jointly purchase excess insurance and administrative services in connection with a joint protection program for the Member Agencies.

These purposes shall be accomplished through the exercise of the powers of Member Agencies jointly in the creation of a separate entity, now know as "Golden State Risk Management Authority", to administer a joint protection program wherein Member Agencies will pool their losses and Claims, jointly purchase excess insurance and administrative and other services, including Claims adjusting, data processing, risk management, loss prevention, legal and related services.

It is also the purpose of this Agreement to provide, to the extent permitted by law, for the inclusion at a subsequent date of such additional public agencies organized and existing under the laws of the State of California or of any other state of the United States as may desire to

become parties to this Agreement and members of the Authority, subject to approval by the Board.

ARTICLE 2
RULES OF CONSTRUCTION

A. The following rules of construction apply:

1. The present tense includes the past or future tense; the future tense includes the present tense.

2. The singular includes the plural and the plural includes the singular.

3. "Shall" is mandatory and "may" is permissive.

4. The masculine gender includes the feminine and neuter.

ARTICLE 3
PARTIES TO AGREEMENT

Each party to this Agreement certifies that it intends to, and does contract with, all other parties who are signatories of this Agreement and, in addition, with such other parties as may later be added as parties to, and signatories of, this Agreement. Each party to this Agreement also certifies that the deletion of any party from this Agreement, by cancellation or withdrawal, shall not affect this Agreement nor the remaining parties' intent to contract as described above with the other parties to the Agreement then remaining.

ARTICLE 4
CREATION OF AUTHORITY

Pursuant to Section 6500 *et seq*. of the Government Code, the Authority, a public entity, separate and apart from the parties to this Agreement, is hereby created. The creation of a separate public entity is intended by this Agreement pursuant to Government Code Section 6507. The Authority shall be known as the Golden State Risk Management Authority. The Authority shall be governed by a Board whose composition, powers and duties are set forth in the Bylaws.

ARTICLE 5
TERM OF AGREEMENT

This Agreement is effective July 1, 1979, and continues until terminated as hereafter provided.

ARTICLE 6
BYLAWS

This Agreement fully incorporates the Bylaws, as adopted and which may be amended from time to time consistent with this Agreement, by the Board.

ARTICLE 7
POWERS OF THE AUTHORITY

A. The Authority is authorized, in its own name, to do all acts necessary for the exercise of those powers referred to in Recital 2 including, but not limited to each of the following:

1. Make and enter into contracts;

2. Incur debts, liabilities, and obligations; but no debt, liability, or obligation of the Authority is a debt, liability, or obligation of any Member Agency which is a party to this Agreement, except as otherwise provided in Article 8 herein and in Article IV of the Bylaws;

3. Acquire, hold or dispose of real and personal property;

4. Receive contributions and donations of property, funds, services, and other forms of assistance from any source;

5. Sue and be sued in its name;

6. Employ agents and employees;

7. Acquire, construct, manage, and maintain buildings;

8. Lease real or personal property including that of a Member Agency;

9. Receive, collect, invest, and disburse moneys; and

10. All other powers described in Government Code Sections 6508 and 6509.5 which sections are incorporated by reference.

These powers shall be exercised in the manner provided by law, and, except as expressly set forth in this Agreement, subject only to those restrictions upon the manner of exercising the powers which are imposed upon the County of Glenn in the exercise of similar powers.

ARTICLE 8
AUTHORITY FUNCTIONS AND RESPONSIBILITIES

A. The Authority shall perform the following functions in discharging its responsibilities under this Agreement:

1. Adopt an annual budget;

2. Establish such funds and accounts as required for efficient operation of the Authority and good accounting practices;

3. Maintain or have maintained accurate loss records for all covered risks, for all Claims paid, and for such other losses as the Board requires or directs be maintained;

4. Acquire protection against risks, as authorized by the Board, that may include, but are not limited to, general liability, public officials' errors and omissions liability, employment practices liability, pollution liability, automobile liability, watercraft liability, workers' compensation, property, and equipment breakdown, through, but not limited to, self-insurance funding, risk pooling and/or commercial insurance, for primary, excess and/or umbrella insurance coverage, by negotiation, bid, or purchase;

5. Provide loss prevention, safety and loss control services;

6. Provide Claims management services for covered risks;

7. Provide Claims recovery and subrogation services to investigate, pursue, and collect for damages resulting from Covered Losses that are caused, partly or totally, by the acts of others;

8. Select and retain legal counsel and Claims legal defense counsel;

9. Perform other functions for the purpose of accomplishing the goals of this Agreement.

ARTICLE 9
MEMBER AGENCY RESPONSIBILITIES

A. Each Member Agency has the following responsibilities:

1. Designate a primary contact for the Authority;

2. Pursuant to the procedures set forth in the Bylaws, appoint representatives to the Authority Board;

3. Pay timely all contribution charges, contribution surcharges, adjustments or any other fees or charges.

4. Notify and cooperate fully with the Authority in all matters relating to any and all Claims;

5. Provide annually all information required or requested by the Authority in order for the Authority to properly calculate contributions and to carry out the Joint Protection Program under this Agreement;

6. Provide annually current, complete, and accurate information of the values of buildings and contents covered by the Authority;

7. Maintain loss prevention and risk management policies that can reasonably be expected to reduce, or minimize, the Member Agency's losses;

8. Such other responsibilities as are provided elsewhere in this Agreement and as are established by the Board in order to carry out the purposes of this Agreement.

ARTICLE 10
TERMINATION

A. This Agreement may be terminated at any time by the written consent of three-fourths of the Member Agencies, provided, however, that this Agreement and the Authority shall continue to exist for the purpose of disposing of all Claims, distribution of assets and all other functions necessary to wind up the affairs of the Authority.

B. Upon termination of this Agreement, all assets of the Authority shall be distributed only among the parties that have been Member Agencies in the joint protection program, including any of those parties which previously withdrew, in accordance with and proportionate to their contribution payments made during the term of this Agreement. The Board shall determine such distribution within six months after the last pending Claim or loss covered by this Agreement has been finally adjusted, resolved and concluded.

C. The Board is vested with all powers for the purpose of concluding and dissolving the business affairs of the Authority. These powers shall include the power to assess current and former Member Agencies (Member Agencies at the time existing unpaid Claims arose or losses incurred), to pay any additional amounts necessary for the final disposition of all Claims and

losses covered by this Agreement. A Member Agency's share of such additional contribution shall be determined on the same basis as that provided for in Paragraph B. of this Article.

D. Termination of any Member Agency shall not be construed as a completion of the purpose of this Agreement and shall not require the repayment or return to any terminating Member Agency of all or any part of any contributions, payments or advances made until the Agreement is rescinded or terminated as to all parties.

E. The decision of the Board under this Article shall be final.

ARTICLE 11
PROHIBITION AGAINST ASSIGNMENT

No Member Agency may assign any right, claim, or interest it may have under this Agreement, and no creditor, assignee, or their party beneficiary of any Member Agency shall have any right, claim, or title to any part, share, interest, fund, contribution, or asset of the Authority.

ARTICLE 12
AMENDMENTS

This Agreement may be amended from time to time by an affirmative vote of more than 50% of the Member Agencies.

ARTICLE 13
ENFORCEMENT

The Authority is hereby granted the authority to enforce this Agreement. In the event any action is instituted concerning a dispute involving any provision of this Agreement, the prevailing party in such action shall be entitled to such sums as the court may fix as attorneys fees and costs.

ARTICLE 14
COUNTERPARTS

This Agreement may be executed in one or more counterparts and shall be as fully effective as though executed in one document.

ARTICLE 15
COMPLETE AGREEMENT

The foregoing constitutes the full and complete Agreement of the parties. There are no oral understandings or agreements not set forth in writing herein.

ARTICLE 16
FILING WITH SECRETARY OF STATE

The Risk Manager shall file a notice of this Agreement with the office of California Secretary of State within thirty (30) days of its effective date, as required by the Government Code section 6503.5 and within seventy (70) days of its effective date as required by Government Code section 53051.

SIGNATORIES

The original signatures for the Member Agencies are set forth in the original Joint Powers Agreement. The necessary signatures for Amendments to this Agreement are set forth with each Amended Agreement.

Report Title: Final Settlement of Claim, Adelma Anicete vs. Contra Costa County

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:

RECEIVE this report concerning the final settlement of Adelma Anicete and AUTHORIZE payment from the Workers' Compensation Internal Service Fund in an amount not to exceed $90,000.

FISCAL IMPACT:

100% Workers' Compensation Internal Service Fund.

BACKGROUND:

Attorney Leslie A. Leyton, defense counsel for the County, has advised the County Administrator that within authorization an agreement has been reached settling the workers' compensation claim of Adelma Anicete v. Contra Costa County. The Board's June 9, 2026, closed session vote was: Supervisors Gioia, Andersen, Burgis, Carlson and Scales-Preston - Yes. This action is taken so that the terms of this final settlement and the earlier June 9, 2026, closed session vote of this Board authorizing its negotiated settlement are known publicly.

CONSEQUENCE OF NEGATIVE ACTION:

Case will not be settled.

Report Title: Donor Network West

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Sheriff-Coroner, or designee, to enter into a contract with Donor Network West, for the provision of organ procurement services, at no cost, for the period May 1, 2026 through April 30, 2028.

FISCAL IMPACT:
There is no fiscal impact.

BACKGROUND:
Donor Network West is the third largest federally designated organ procurement organization and one of the largest tissue recovery organizations. During the normal course of the Office of the Sheriff-Coroner's business, the County has access to potential eye, organ and tissue donors that could potentially be used for transplantation. The County and the Donor Network West seek to continue to work in a cooperative relationship to ensure the timely retrieval, processing, preservation, storage and distribution of various eye, organ, and tissue donations.

CONSEQUENCE OF NEGATIVE ACTION:
If the Board does not approve, the Office of the Sheriff would be prevented from having an agreement in place to comply with the Uniform Anatomical Gift Act (Health and Safety Code Section 7150 et seq.).

Report Title: POST Emergency Vehicle Operations Course Contract

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Sheriff-Coroner, or designee, to execute a contract with California Commission on Peace Officer Standards and Training (POST), to pay the County an amount not to exceed $262,500 to provide POST Basic Academy Emergency Vehicle Operations Course (Learning Domain 19) for the period July 1, 2026 through June 30, 2027.

FISCAL IMPACT:
Approval of this request will result in the Office of the Sheriff receiving up to $262,500 in revenue from the State of California. This is fully budgeted in Fiscal Year 2026/27 with expenditures being fully offset by the costs recovered from the per student fee. There is no County cost.

BACKGROUND:
The Office of the Sheriff's Law Enforcement Training Center provides State Commission on POST approved Emergency Vehicle Operations Course (EVOC), required by POST, for qualified law enforcement personnel. POST provides funding on an annual basis for agencies that present this training. The contract allows the Office of the Sheriff's Law Enforcement Training Center to initially train 175 students at an initial cost of $1,500 per student. This contract includes full indemnification of the State of California.

CONSEQUENCE OF NEGATIVE ACTION:
If the Board does not approve, the Office of the Sheriff will not be able to provide or be reimbursed for services outlined in the contract.

Report Title: Forensic Technology, Inc.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Sheriff-Coroner, or designee, to execute, a contract amendment with Forensic Technology, Inc., to increase the payment limit by $29,000, to a new payment limit of $94,330 to provide preventive maintenance and service on the IBIS BrassTraxx Acquisition and IBIS Matchpoint Systems for the Office of the Sheriff Forensic Services Division, for the period October 15, 2024 through October 14, 2026.

FISCAL IMPACT:
Approval of this request will result in up to $94,330 in expenditure and will be funded 100% by the County General Fund.

BACKGROUND:
Forensic Technology, Inc. (FTI) manufactures the IBIS BRASSTRAX Acquisition and IBIS MATCHPOINT systems. This equipment allows the Office of the Sheriff Forensic Services Division crime laboratory to capture images of firearms evidence and search the images in ATF's National Integrated Ballistic Identification Network (NIBIN) to determine if evidence is associated with other incidents. FTI is the only company approved to manufacture or provide service to equipment on ATF's NIBIN network. They also ensure on-going compliance with ATF and DOJ security regulations.

The Terms and Conditions include indemnification and limitation of liability provisions.

CONSEQUENCE OF NEGATIVE ACTION:
If the Board does not approve, the Office of the Sheriff Forensic Services Division crime laboratory will be unable to process firearms related evidence, which would result in suspension of entries into NIBIN.

1025 ESCOBAR STREET

Report Title: Interagency Agreement with San Mateo County

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Sheriff-Coroner, or designee, to execute a Memorandum of Understanding Amendment with the County of San Mateo's Northern California Regional Intelligence Center to extend the term through July 31, 2026, to share information regarding narcotics trafficking, organized crime and terrorism related activities.

FISCAL IMPACT:
There is no fiscal impact.

BACKGROUND:
The Sheriff of the County of San Mateo is requesting Contra Costa County Office of the Sheriff's participation in supporting the Northern California Regional Intelligence Center (NCRIC). NCRIC is a multi-jurisdictional public safety information fusion center compromised on the Northern California High Intensity Drug Trafficking Area. NCRIC was created to assist local, state, federal and tribal public safety agencies and critical infrastructure locations with the collection, analysis and dissemination of all crime threat information. It is the mission of the NCRIC to protect the citizens of the counties within its area of responsibility from the threat of narcotics trafficking; organized crime; and international, domestic and street terrorism related activities through information sharing and technical operation support to public safety agencies.

The agreement has an indemnification provision which provides that San Mateo County will defend and indemnify Contra Costa County for injuries or losses arising from the performance of the agreement.

On February 25, 2025, the Board approved and authorized the execution of a Memorandum of Understanding with the County of San Mateo's Northern California Regional Intelligence Center to share information regarding narcotics trafficking, organized crime and terrorism related activities, for the term of November 1, 2024 through December 31, 2025. The amendment will allow for the continued sharing of information with local state and federal agencies.

CONSEQUENCE OF NEGATIVE ACTION:

If the Board does not approve, the Northern California Regional Intelligence Center (NCRIC) will remain unsupported, and the County's information sharing partnership with local state and federal agencies, which is paramount in identifying, preventing and responding to all regional hazards, will be diminished.

1025 ESCOBAR STREET

Report Title: Peace Officers Research Association of California (PORAC) and 911 Media

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Sheriff-Coroner, or designee, to execute a contract with Peace Officers Research Association of California (PORAC) and 911Media, in an amount not to exceed $30,255 to provide recruiting advertisement opportunities for the Office of the Sheriff, for the period August 31, 2026 through August 31, 2027.

FISCAL IMPACT:
Approval of this request will result in up to $30,255 in contractual service expenditures over a one-year period and will be funded 100% by the General Fund.

BACKGROUND:
Law Enforcement News is the official monthly magazine of Peace Officers Research Association of California (PORAC) and 911Media. PORAC and 911Media provide printed publication and advertising to over 75,000 subscribers on a monthly basis, covering the latest association events and providing critical information about benefits, legal and labor issues, legislation, finances, public safety trends, training and employment. This distribution provides the Recruiting Unit of the Office of the Sheriff the opportunity to convey their hiring benefits and advantages to a large number of qualified and potential applicants.

The Terms and Conditions include indemnification from the County to PORAC and 911Media.

CONSEQUENCE OF NEGATIVE ACTION:
If the Board does not approve, the Office of the Sheriff would not be able to include recruiting advertisements in the Law Enforcement News. Hiring qualified candidates for law enforcement is an extremely competitive market. With virtually every agency hiring, keeping the Contra Costa County Office of the Sheriff in the forefront of the most recognized law enforcement magazine in the State of California should be a priority.

To: Board of Supervisors

From: David O. Livingston, Sheriff-Coroner

Report Title: APPROVE Budget Amendment No. BDA-26-00623

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE Budget Amendment No. BDA-26-00623 authorizing the appropriation of fund balance in the amount of $65,000 for the purchase of forty less lethal launchers and ammunition for the Sheriff's Office Patrol Division.

This equipment qualifies as "military equipment" as defined in Government Code 7070 and, in compliance with AB 481, will be maintained in the annual Office of the Sheriff Military Equipment Inventory if approved.

FISCAL IMPACT:
This action increases revenue and appropriations by $65,000 and is funded 100% by Fund 114200 Sheriff Forfeiture-Fed-DOJ Fund. The $65,000 expenditure includes costs for the less lethal launchers, munitions, and related accessories.

BACKGROUND:
Under the Equitable Sharing Program of the Department of Justice, the Office of the Sheriff receives an equitable portion, or share, of proceeds awarded based on an agency's direct participation in an investigation that results in the forfeiture of a federally seized asset per 21 U.S.C § 881(e)(3). The general guidance for use of funds is restricted to law enforcement purposes only.

On September 30, 2021, Governor Newsom signed Assembly Bill 481 (AB 481) into law, effective January 1, 2022. This bill added Sections 7070-7075 to the Government Code, regulating local law enforcement's funding, acquisition, and use of defined "military equipment." Following AB 481, in May 2022, the Contra Costa County Office of the Sheriff received the Board of Supervisors' approval for using existing qualifying equipment and acquiring additional equipment. On July 26, 2022, the Sheriff's Office requested the Board adopt an ordinance as required by AB 481. Consequently, on August 2, 2022, the Board of Supervisors adopted Ordinance No. 2022-29, approving the Office's Government Code 7070 Defined Equipment Policy and making findings in line with AB 481. The less lethal launchers are military equipment pursuant to Government Code Section 7070(c)(2), a category of equipment which was previously authorized by the Board of Supervisors for Sheriff's Office use. The intended uses of the less lethal launchers are consistent with the Sheriff's Office's policy and inventory, previously approved by the Board.

On July 23, 2024, the Board of Supervisors approved the 2024 Government Code Section 7070 Defined

Equipment Policy and projected equipment purchases for the Contra Costa County Office of the Sheriff, and renewed the ordinance as required by AB 481. At that time, the Office did not anticipate the need to purchase less lethal launchers, so it was not included in the projected acquisitions. The Sheriff's Office is finalizing its 2025 Government Code Section 7070 annual report, with projected military equipment purchases for 2026. This acquisition of less lethal launchers will be included in the annual report. The Sheriff's Office will update the equipment inventory accordingly and provide it to the Board of Supervisors as part of the annual review process.

The Sheriff's Office Patrol Division currently has fifteen 40mm less lethal launchers distributed throughout the county, primarily assigned to sergeant vehicles. Funding will be used to purchase forty additional 40mm less lethal launchers and associated munitions, enabling patrol deputies to carry a less lethal option while responding to incidents.

Providing deputies with direct access to these tools will eliminate delays associated with waiting for a less-lethal launcher to be brought to the scene. This capability will enhance deputy safety and expand the range of options available to de-escalate situations and resolve incidents effectively.

CONSEQUENCE OF NEGATIVE ACTION:
If the Board does not approve this request, the Sheriff's Office will be unable to purchase the 40mm less lethal launchers and munitions needed to expand its less lethal response capabilities. As a result, deputies will have fewer options available when responding to critical incidents, which may limit their ability to safely and effectively manage encounters and resolve situations using less-lethal alternatives.

CONTRA COSTA COUNTY

Staff Report

File #: 26-2824 **Agenda Date:** 6/23/2026 **Agenda #:** C.203.

To: Board of Supervisors

From: David O. Livingston, Sheriff-Coroner

Report Title: Randox Laboratories Ltd.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Purchasing Agent, or designee, to execute on behalf of the Sheriff-Coroner, a purchase order with Randox Laboratories Ltd., in an amount not to exceed $9,500, and ACCEPT Terms of the Agreement for preventative maintenance, extended warranty and repairs of the Randox Evidence Investigator at the Office of the Sheriff Forensics Division, for the period July 1, 2026 through June 30, 2027.

FISCAL IMPACT:
Approval of this request will result in up to $9,500 in contractual service expenditure over a 1-year period and will be funded 100% by the General Fund.

BACKGROUND:
Randox manufacturers the Evidence Investigator that screens biological samples for the presence of drugs. Randox provides qualified field service engineers to perform the preventative maintenance and repairs. Instruments must be maintained, serviced and calibrated on a regularly scheduled basis to meet accreditation requirements.

The Terms of the Agreement includes limitation of liability from the County to Randox Laboratories Ltd.

CONSEQUENCE OF NEGATIVE ACTION:
If the Board does not approve, the laboratory will be out of compliance with maintenance of this equipment, which will result in the inability to provide timely Toxicology services of forensic samples.

To: Board of Supervisors

From: David O. Livingston, Sheriff-Coroner

Report Title: Dispatch Services for the City of Oakley

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
RESCIND prior Board action (26-2139) from May 19, 2026, which approved and authorized the Sheriff-Coroner, or designee, to execute a contract renewal with the City of Oakley to pay the County an amount not to exceed $820,000, for police dispatching services for the period May 1, 2026 through April 30, 2027.

APPROVE and AUTHORIZE the Sheriff-Coroner, or designee, to execute a contract renewal with the City of Oakley to pay the County an amount not to exceed $820,000, for police dispatching services for the period May 1, 2026, through June 30, 2027.

FISCAL IMPACT:
Approval of this request will result in $820,000 in revenue over a 14-months period. There is no County cost.

BACKGROUND:
The Office of the Sheriff will continue to provide police dispatching services, limited to law enforcement activity, for the City of Oakley. Services will include dispatching, call-taking, sending and receiving voice and data traffic, answering emergency (911) calls and warrant checks to aid the City of Oakley's Police Department.

The term date has been extended by two-months to meet the end of the fiscal year.

CONSEQUENCE OF NEGATIVE ACTION:
If the Board does not approve, the Office of the Sheriff would not be able to provide the City of Oakley with adequate 911 dispatcher services, resulting in a safety concern for the community and reduced revenue for the Office of the Sheriff and the County General Fund.

CONTRA COSTA COUNTY

Staff Report

File #: RES 2026-248 **Agenda Date:** 6/23/2026 **Agenda #:** C.205.

To: Board of Supervisors

From: Joshua Zebley, County Veterans Services Officer

Report Title: Subvention Authorizations

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:

AUTHORIZE the Chair of the Board of Supervisors to sign the County Subvention Program Certificates of Compliance for the County Subvention and Medi-Cal Cost Avoidance Programs administered by the California Department of Veterans Affairs (CDVA), as recommended by the Veterans Service Officer.

FISCAL IMPACT:

For FY 2023-24, the County received $386,137 in Subvention; $8,583 in Medi-Cal Cost Avoidance; and $15710 in Veterans Service Officer Funds per the Military and Veterans Code of California, sections 972, 972.1 and 972.5. In FY 2024-25 the County received $386,041 in Subvention; $6,923 in Medi-Cal Cost Avoidance; and $17,910 in Veterans Service Officer Funds.

It is anticipated that in FY 2025-26, the County will receive $397,810 in Subvention funds, $4,837 in Medi-Cal Cost Avoidance and $19,332 in Veterans Service Officer funds.

BACKGROUND:

The California Department of Veterans Affairs (CDVA) administers the above three revenue programs per California Code of Regulations, Title 12, Subchapter 4. CDVA conducts annual audits of these program operations to determine whether the workload and staffing needs are consistent with the reported workload activity.

CONSEQUENCE OF NEGATIVE ACTION:
The County would not be able to receive Subvention and Medi-Cal Cost Avoidance revenue.

CALIFORNIA DEPARTMENT OF VETERANS AFFAIRS

MEDI-CAL CERTIFICATE OF COMPLIANCE

FISCAL YEAR 2026

CONTRA COSTA COUNTY

MEDI-CAL COST AVOIDANCE PROGRAM

I certify that Contra Costa County has appointed a County Veterans Service Officer (CVSO) in compliance with California Code of Regulations, Title 12, Subchapter 4. Please consider this as our application to participate in the Medi-Cal Cost Avoidance Program authorized by Military and Veterans Code Section 972.5.

I understand and will comply with the following:

1. All activities of the CVSO for which payment is made by the CDVA under this agreement will reasonably benefit the Department of Health Services (DHS) or realize cost avoidance to the Medi-Cal program. All County Eligibility Workers who generate a Form CW-5 (Veterans Benefits Referral) will be instructed to indicate the applicant's Welfare Aid Code on the face of the form.

2. All monies received under this agreement will be allocated to and spent on the salaries and expenses of the CVSO.

3. This agreement is binding only if federal funds are available to the CDVA from the DHS.

4. The CVSO is responsible for administering this program according to the California Code of Regulations, Title 12, Subchapter 4.
