DISCLOSURE OF CAMPAIGN CONTRIBUTIONS

Pursuant to Government Code section 84308, members of the Board of Supervisors are disqualified and not able to participate in any agenda item involving contracts (other than competitively bid, labor, or personal employment contracts), franchises, discretionary land use permits and other entitlements if the Board member received, since January 1, 2023, more than \$250 in campaign contributions from the applicant or contractor, an agent of the applicant or contractor, or any financially interested participant who actively supports or opposes the County's decision on the agenda item. Members of the Board of Supervisors who have received, and applicants, contractors or their agents who have made, campaign contributions totaling more than \$250 to a Board member since January 1, 2023, are required to disclose that fact for the official record of the subject proceeding. Disclosures must include the amount of the campaign contribution and identify the recipient Board member, and may be made either in writing to the Clerk of the Board of Supervisors before the subject hearing or by verbal disclosure at the time of the hearing.
