Staff Report

File #: 24-1391 **Agenda Date:** 5/14/2024 **Agenda #:** C.105.

To: Board of Supervisors

From: Warren Lai, Public Works Director/Chief Engineer

Report Title: APPROVE the plans and RATIFY the Public Works Director's prior instruction to Contra Costa County Public Works Maintenance crews to install approximately 1.2 miles of no passing centerline along Balfour Road from Deer Valley Road to the City of Brentwood limits west of American Avenue and Country Club Drive, Brentwood area.

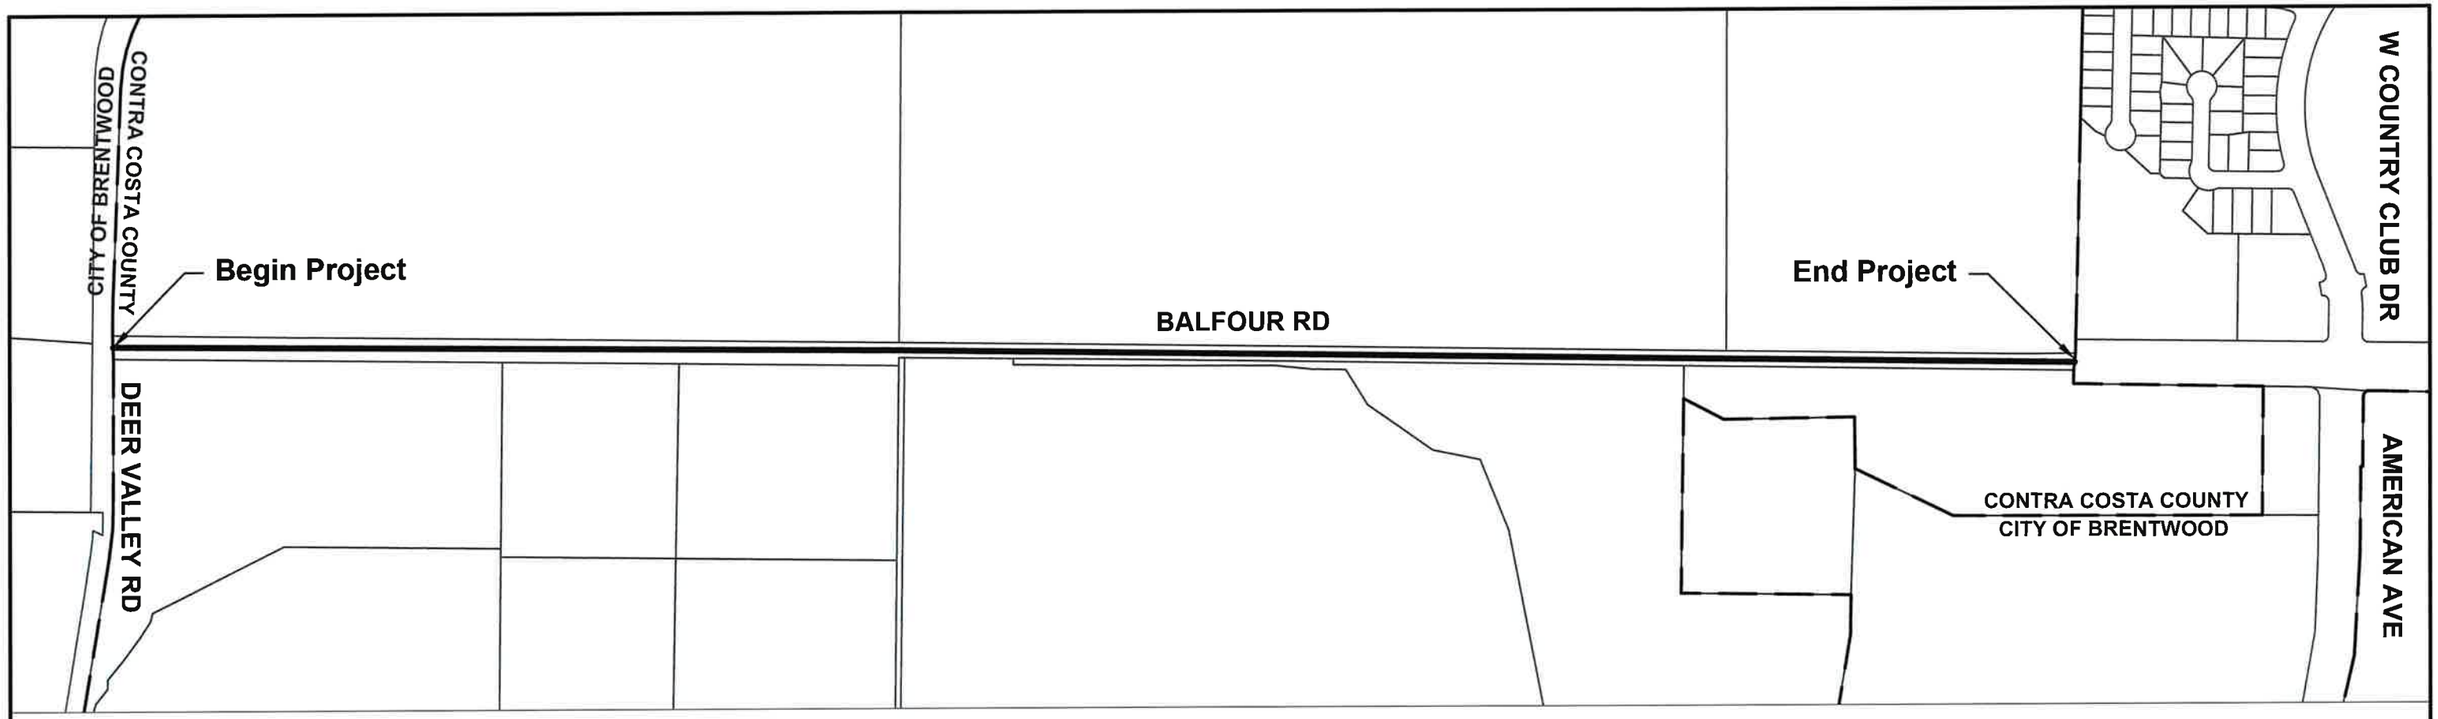
☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE the plans and RATIFY the Public Works Director's prior instruction to Contra Costa County Public Works Maintenance crews to install approximately 1.2 miles of no passing centerline along Balfour Road from Deer Valley Road to the City of Brentwood limits west of American Avenue and Country Club Drive, Brentwood area. (County Project No.: 0672-6U2024) (District III)

FISCAL IMPACT:
100% funded by Local Road Funds.

BACKGROUND:
In the summer of 2023, Contra Costa County Maintenance crews restriped Balfour Road after completing a pavement resurfacing along the road to incorporate a no passing zone. The striping added a double-yellow centerline from Deer Valley Road to the City of Brentwood limits west of American Avenue and Country Club Drive. Approval of the striping plan is needed to formalize the changes to striping along Balfour Road.

CONSEQUENCE OF NEGATIVE ACTION:
Striping to incorporate no passing centerline along Balfour Road from Deer Valley Road to the City of Brentwood limits west of American Avenue and Country Club Drive, would not be approved.



Notes:

1. Replace existing centerline Detail 6 with centerline Detail 22.

2. Conform to existing striping at City of Brentwood limits.

3. For striping details not shown refer to State Standard Plans A20A Detail 22.

Staff Report

File #: RES 2024-179 **Agenda Date:** 5/14/2024 **Agenda #:** C.106.

To: **Board of Supervisors**

From: Warren Lai, Public Works Director/Chief Engineer

Report Title: Approval of Engineer's Report and Resolution declaring the intent to levy annual assessments in Assessment District 1979-3 (LL-2) for Fiscal Year 2024/25, Countywide.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:

1. APPROVE the attached engineer's report for Assessment District 1979-3 (LL-2) for Fiscal Year 2024/25.

2. ADOPT Resolution, declaring the Board's intention to levy and collect assessments in Assessment District 1979-3 (LL-2) in Fiscal Year 2024/25 and fixing a public hearing on the levy of the proposed assessments for July 9, 2024, at 9:00 a.m. in the Board Chambers at 1025 Escobar Street, Martinez, California.

3. DIRECT the Clerk of the Board of Supervisors to give notice of the July 9, 2024, public hearing on the levy of the proposed assessments by publishing the Resolution in accordance with sections 22626, subdivision (a), 22552, and 22553 of the Streets and Highways Code.

FISCAL IMPACT:

Costs associated with the levy of assessments will be funded with Assessment District 1979-3 (LL-2) revenues.

BACKGROUND:

Assessment District 1979-3 (LL-2), also known as the Countywide Landscaping District ("District"), is made up of 32 zones impacting all five supervisorial districts. Within the zones, landscaping, irrigation systems, park and recreational facilities and other improvements have been constructed or installed, many by developers as conditions of approval. Annual assessments are levied each year on parcels in these zones under the Landscaping and Lighting Act of 1972 (Sts. & Hy. Code, div. 15, pt. 2, § 22500 et seq.) (the "Act"), to fund the maintenance and servicing of these facilities and, as the need arises, the installation or construction of new or replacement facilities.

On March 19, 2024, the Board of Supervisors adopted Resolution No. 2024/93, which ordered the preparation and filing of an engineer's report for District assessments to be levied in Fiscal Year 2024/25. The report has been filed and is attached. As indicated in the report, no new improvements, and no significant changes in existing improvements in the District are proposed. The costs of existing improvements are projected to increase due to inflation. In zones where assessments are at their authorized maximums, and cannot be increased without additional assessment ballot proceedings, cost increases may lead to reductions in

maintenance services.

As the Engineer's Report also indicates, no increases in assessments are proposed in Fiscal Year 2024/25. Assessments in Zones 1, 2, 3, 4, 7, 10, 11, 17, 18, 19, 21, 22, 27, 36, 37, 38, 42, 45, 48, 57, 61, 63, 64, and 68 cannot be adjusted without future assessment ballot proceedings. Proposed adjustments of assessments in Zones 5, 35, 54, 69, 70, 71, 74, and 75, where assessments are either below maximum authorized amounts or may be changed in accordance with changes in the applicable Consumer Price Index, were approved when parcel owners voted to approve the assessments in prior years, and are thus not considered to be increases that would trigger the need for additional assessment ballot proceedings.

The Board may approve the engineer's report as filed or modify the engineer's report and approve it as modified. Under the applicable annual assessment levy procedure set forth in the Act, after approval of the engineer's report, the Board must adopt a resolution of intention. (Sts. & Hy. Code, § 22624.) Along with declaring the intention of the Board to levy and collect assessments within the District for Fiscal Year 2024/25, and basic information about the assessment district, the attached Resolution sets a public hearing before the Board regarding the proposed levy for July 9, 2024, at 9:00 a.m. in the Board Chambers at 1025 Escobar Street, Martinez, California.

CONSEQUENCE OF NEGATIVE ACTION:
If the Board does not approve the engineer's report, either as filed or modified, or does not approve the resolution of intention, annual assessments cannot be levied to pay the costs of District improvements in Fiscal Year 2024/25.

THE BOARD OF SUPERVISORS OF CONTRA COSTA COUNTY, CALIFORNIA

and for Special Districts, Agencies and Authorities Governed by the Board

IN THE MATTER OF DECLARING THE INTENTION OF THE BOARD TO LEVY ASSESSMENTS IN ASSESSMENT DISTRICT 1979-3 (LL-2) IN FISCAL YEAR 2024/25 AND FIXING A PUBLIC HEARING ON THE LEVY OF THE PROPOSED ASSESSMENTS

WHEREAS, The Board of Supervisors of Contra Costa County FINDS THAT:

1. Assessment District 1979-3 (LL-2), also known as the Countywide Landscaping District ("District"), was formed under the Landscaping and Lighting Act of 1972 (Sts. & Hy. Code, div. 15, pt. 2, § 22500 et seq.) ("the Act").

2. On March 19, 2024, the Board approved Resolution No. 2024/93, designating the County Public Works Director as engineer for the District for Fiscal Year 2024/25 for the purposes of the Act (the "Engineer of Work") and ordering the Engineer of Work to prepare and file an engineer's report in accordance with Article 4 of Chapter 1 of the Act.

3. Pursuant to Resolution No. 2024/93 and in accordance with section 22623 of the Streets and Highways Code, the Engineer of Work filed the engineer's report with the Clerk of the Board of Supervisors for submission to the Board.

4. On May 14, 2024, the Board approved the engineer's report as filed.

5. Section 22624 of the Streets and Highways Code provides that, under the annual assessment levy procedure set forth in the Act, after approval of the engineer's report, the legislative body must adopt a resolution of intention that (a) declares its intention to levy and collect assessments within the assessment district for the fiscal year; (b) generally describes the existing and proposed improvements and any substantial changes proposed to be made in existing improvements; (c) refers to the assessment district by its distinct designation and indicates the general location of the district; (d) refers to the engineer's report, on file with the clerk, for a full and detailed description of the improvements, the boundaries of the assessment district and its zones, and the proposed assessments upon assessable lots and parcels of land within the district; (e) gives notice of the time and place for a hearing on the levy of the proposed assessment; and (f) states whether the assessment is proposed to increase from the previous year.

NOW, THEREFORE, BE IT RESOLVED THAT:

1. The Board declares its intention to levy and collect District assessments in existing zones for the fiscal year beginning July 1, 2024, and ending June 30, 2025.

2. The District consists of 32 zones located in unincorporated communities in Contra Costa County. In east County, zones are located in Bay Point and Discovery Bay. In central County, zones are located in Alamo, Clyde, Pacheco, and unincorporated areas of Danville, Martinez and Pleasant Hill. In west County, zones are located in Kensington, North Richmond, Rodeo, and unincorporated areas of Pinole and San Pablo.

3. Existing and proposed improvements are generally described as the maintenance of landscaping of street frontages and medians and appurtenant facilities, including irrigation systems and electrical facilities, and the maintenance of park and recreational facilities, including landscaped areas, picnic areas, restrooms, playground equipment, lighting, ballfields, paths and trails, and pedestrian bridges. No substantial changes to existing improvements are planned in the District in Fiscal Year 2024/25.

4. A full and detailed description of the improvements in each zone of the District, the boundaries of the District and each of its zones, and the proposed assessments upon assessable lots and parcels of land with each zone of the District in Fiscal Year 2024/25, are set forth in the engineer's report for the District, on file with the Clerk of the Board of Supervisors.

5. The Board will conduct a public hearing on the levy of the proposed assessments on July 9, 2024, at 9:00 a.m. in the Board Chambers at 1025 Escobar Street, Martinez, California.

6. District assessments are not proposed to increase from the previous year. Adjustments in assessment rates in Zones 5, 35, 54, 69, 70, 71, 74, and 75 in accordance with approvals by parcel owners in previous assessment ballot proceedings are not considered to be increases that would trigger the notice procedures of Government Code section 53753.

SECTION I

INTRODUCTION

CONTRA COSTA COUNTY
ASSESSMENT DISTRICT 1979-3 (LL-2)

FISCAL YEAR 2024-25

To ensure the proper flow of funds for the ongoing operation, maintenance, and servicing of specific existing and proposed improvements within the boundaries of Contra Costa County, the Board of Supervisors, through the Landscaping and Lighting Act of 1972, approved the formation of Assessment District 1979-3 (LL-2) (the "District"). Existing and proposed improvements that may be constructed, operated, maintained, and serviced by the District are generally described as:

> *The maintenance and servicing of landscaping (street frontage and medians) and related appurtenant facilities (including irrigation and electrical facilities). The existing and proposed improvements also include the maintenance of park and recreation improvements (including landscaped areas, picnic areas, open space, playground equipment, lighting, ballfields, paths, trails, and pedestrian bridges).*

Generally, developers, as a part of their conditions permitting the developer to construct new housing or commercial/industrial developments, construct these aforementioned public improvements. However, the ongoing maintenance of these various improvements are financed through the District. The District is composed of "Benefit Zones" to ensure that the maintenance of the improvements are specifically paid for by those property owners who directly benefit from the improvements.

As required by the Landscaping and Lighting Act of 1972, the annual engineer's report must be reviewed by the Board of Supervisors each year and includes: (1) plans and specifications for the improvements, (2) an estimate of the costs of the improvements, (3) a diagram of the assessment district and any associated zones, (4) a description of the method used to apportion costs of the improvements to the benefiting parcels, and (5) a property list which includes the proposed assessments to be levied upon each assessable lot or parcel within the District.

The Contra Costa County Board of Supervisors will hold a Public Hearing, July 9, 2024, regarding the District and proposed Fiscal Year 2024-25 annual assessments to be levied, to provide an opportunity for any interested person to be heard. At the conclusion of the Public Hearing, the Contra Costa County Board of Supervisors may adopt a resolution confirming the levy of assessments as originally proposed or modified. Following the adoption of this resolution, the final Assessor's roll will be prepared and filed with the County Auditor's office to be included on the Fiscal Year 2024-25 tax roll.

Payment of the assessment for each parcel will be made in the same manner and at the same time as payments are made for property taxes. All funds collected through the assessment must be placed in a special fund and can only be used for the purposes stated within this report. In addition to the existing Benefit Zones, new Benefit Zones may be created throughout the fiscal year as development is processed. Table 1 below indicates those Benefit Zones that have been annexed into the District or modified since the prior year's annual report was prepared in Fiscal Year 2023-24.

Table 1 – Benefit Zones modified since Fiscal Year 2023-24

Benefit Zone	Comment
Not Applicable	No new zones of benefit have been created, nor have any parcels been annexed into an existing benefit zone during Fiscal Year 2023-24.

Benefit Zones with Maximum Assessment Rate increases for Fiscal Year 2024-25

Benefit Zones No. 5, 35, 54, 69, 70, 71, 74 and 75 had their maximum assessment rates increased 2.37% over the Fiscal Year 2023-24 rates. These benefit zones can be increased each fiscal year by the annual change in the Consumer Price Index for the San Francisco Bay Area – All Urban Consumers (CPI). For Fiscal Year 2024-25 the CPI increased from 337.173 to 345.151, which equals an increase of 2.37%.

PART B

ESTIMATE OF COST

The Landscaping and Lighting Act of 1972 provides that the total cost of construction, maintenance, and servicing of the public landscaping, lighting (not street lighting except in special cases), and parks and recreation facilities can be recovered by the District. Incidental expenses including administration of the District, engineering fees, legal fees, and all other costs associated with the construction, maintenance, and servicing of the District can also be included.

At the end of Fiscal Year 2024-25 none of the Benefit Zones is anticipated to have a negative fund balance.

The estimated Fiscal Year 2024-25 expenditures and assessment revenue for the proposed District facilities have been provided by the County and are summarized in Table 2 on the following page:

A detailed "Special Districts Worksheet" for each Benefit Zone is shown in Appendix "A" of this report. The worksheets provide actual revenues and estimated expenditures for Fiscal Year 2023-24 and proposed revenue and expenditures for Fiscal Year 2024-25.

Public playground safety and accessibility standards are mandated by two legal requirements. The Americans with Disabilities Act (ADA) of 1990, which became effective in 1992 and required all public facilities (including playgrounds) be free of architectural barriers to access by January 1, 1995. Secondly, California Playground Safety Regulations R-39-97, mandated compliance with federal playground safety standards by the year 2000. This law requires that all playground equipment areas accessible to the public be audited/inspected for safety. These standards are established by the American Society for Testing and Materials (ASTM) in their document "Standard Consumer Safety Performance Specification for Playground Equipment for Public Use", and by the Federal Consumer Products Safety Commission (CPSC) in their document "Public Playground Handbook for Safety". Landscape and lighting zones that have existing playground equipment that does not meet these Federal and state guidelines must either retrofit or replace that equipment.

The Landscaping and Lighting Act of 1972 requires that a special fund be set up for the revenues and expenditures of each Benefit Zone. Funds raised by the assessments shall only be used for the purpose as stated herein. A contribution to each Benefit Zone by Contra Costa County may be made to reduce the assessments, as the Board of Supervisors deems appropriate. Any balance remaining on July 1 at the end of the fiscal year must be carried over to the next fiscal year.

PART D

METHOD OF APPORTIONMENT OF ASSESSMENT

This section explains the benefits to be derived from the improvements and the methodology used to apportion the total assessments to the properties within the District.

The method used for apportioning the assessment is based upon the relative special benefits to be derived by the properties in each Benefit Zone of the District over and above the general benefits conferred on real property or to the public at large. The assessment is apportioned to each parcel in proportion to the relative cost of the special benefits from the improvements.

Discussion of Benefit

Part 2 of Division 15 of the Streets and Highways Code, the Landscaping and Lighting Act of 1972, permits the establishment of assessment districts by agencies for the purpose of providing certain public improvements, which include the maintenance, servicing of landscaping, and parks and recreation improvements.

Section 22573 of the Landscaping and Lighting Act of 1972 requires that maintenance assessments must be levied according to benefit rather than according to assessed value. This Section states:

> *"The net amount to be assessed upon lands within an assessment district may be apportioned by any formula or method which fairly distributes the net amount among all assessable lots or parcels in proportion to the estimated benefit to be received by each such lot or parcel from the improvements."*
>
> *"The determination of whether or not a lot or parcel will benefit from the improvements shall be made pursuant to the Improvement Act of 1911 (Division 7 (commencing with Section 5000)) [of the Streets and Highways Code, State of California]."*

In addition, the Landscaping and Lighting Act of 1972 permits the designation of zones of benefit within any individual assessment district if "by reasons or variations in the nature, location, and extent of the improvements, the various areas will receive different degrees of benefit from the improvement" (Sec. 22574). Thus, the Landscaping and Lighting Act of 1972 requires the levy of a true "assessment" rather than a "special tax."

Article XIIID, Section 4(a) of the California Constitution (also known as Proposition 218, approved by the California voters in November 1996) limits the amount of any assessment to the proportional special benefit conferred on the property.

> *"No assessment shall be imposed on any parcel which exceeds the reasonable cost of the proportional special benefit conferred on that parcel."*

In addition, Article XIIID also provides that publicly owned properties must be assessed unless there is clear and convincing evidence that those properties receive no special benefit from the assessment. Exempted from the assessment would be the areas of public streets, public avenues, public lanes, public roads, public drives, public courts, public alleys, public easements and rights-of-ways, public greenbelts and public parkways, and that portion of public property that is not developed and used for business purposes similar to those for private, commercial, industrial, and institutional activities.

Special versus General Benefit

On November 5, 1996, California voters approved Proposition 218 entitled "Right to Vote On Taxes Act" which added Articles XIIIC and XIIID to the California Constitution. While its title refers only to taxes, Proposition 218 establishes new procedural requirements for fees, charges, and benefit assessments.

These new procedures stipulate that even if charges or benefit assessments are initially exempt from Proposition 218, future increases in the charges or benefit assessments must comply with the provisions of Proposition 218. However, if the future increase in the charge or benefit assessment were anticipated in the charge or benefit assessment formula when approved by property owners (e.g., consumer price index increases or a predetermined cap) then the future increase in the charge or benefit assessment would be in compliance with the intent and provisions of Proposition 218.

Proposition 218 provides that “only special benefits are assessable” and defines a special benefit as a particular and distinct benefit conferred on real property and not a general benefit received by the public at large. Parcels located within the boundaries of the District will be assessed for the operation, maintenance and capital replacement costs associated with landscaping and park improvements as described herein, if they receive a special and direct benefit from the improvements. Furthermore, the identification and separation of general benefits from the special benefits follows for the District and the associated Benefit Zones.

In the absence of an annual assessment, the improvements in each Benefit Zone of the District would not be provided, therefore the improvements are “over and above” what is being provided in other portions of the County as part of the Public Works Facilities Division. All assessment proceeds derived from each Benefit Zone are utilized to fund the cost of providing a level of tangible “special benefits” in the form of proximate landscaping and other permanent public improvements. The assessments are also structured to provide specific improvements within each Benefit Zone, further ensuring that the improvements funded by the assessments are of specific and special benefit to property within each Benefit Zone.

Specific benefits conferred on property include:

- Unique proximity to improved landscaped areas;
- Access to improved landscape and park and recreation areas;
- Improved aesthetic views within each Benefit Zone; and
- Extension of a property's outdoor area due to the properties being in close proximity to the landscape and park improvements.

Properties outside the District's Benefit Zones do not enjoy the unique proximity, access, views, and other special benefits described previously. Moreover, many of the homes and other improvements on parcels in the Benefit Zones would not have been built if the assessments were not established, because an assessment for public landscaping and parks and recreation was a condition of approval for the associated developments. Without the annual assessments, the public improvements and annual maintenance provided within the Benefit Zones would not exist and the areas would turn into unmaintained and unusable public improvements and public lands. If this happened, it would create a significant and material negative impact on the desirability, utility, and value of property in the Benefit Zone. The improvements are, therefore, clearly above what otherwise would be provided. In fact, it is reasonable to assume that if assessments were not collected and the improvements were not maintained as a result, properties in the Benefit Zones would decline in desirability, utility, and value by significantly more than the amount of the assessments.

Although these improvements may be available to the public at large, the public landscaping, parks and recreation, and other public improvements in each Benefit Zone of the District were specifically designed, located, and created to provide additional and improved public resources for the direct advantage of property inside each Benefit Zone, and not the public at large. The boundaries of the Benefit Zones have been narrowly drawn to include only those parcels that receive a direct advantage from the improvements.

In addition to the special and direct benefits the property owners receive within each of the Benefit Zones from these enhanced landscaping and park and recreation improvements, there are also some incidental visual benefits received by vehicular and pedestrian traffic, or flow-through traffic which may pass by the landscaping and park and recreation improvements within the District. Even though these are incidental benefits, they must be accounted for and cannot be assessed to the properties within the District and each associated Benefit Zone. Therefore, based on flow-through traffic, it is conservatively estimated that approximately 99% of the annual cost to operate and maintain the landscaping and parks and recreation improvements would be a special and direct benefit to the parcels within the District and one percent of the annual cost to operate and maintain the landscaping and park improvements would be a general benefit.

It is therefore concluded that all the landscape improvements funded by the assessments confer special benefits to the identified benefiting properties located within the District and each associated Benefit Zone and that the value of the special benefits from such improvements to property in the Benefit Zones reasonably exceeds the cost of the assessments for every assessed parcel in a Benefit Zone. In other words, as required by

Proposition 218, the reasonable cost of the proportional special benefit conferred on each parcel reasonably exceeds the cost of the assessments.

Furthermore, the County owns, maintains, rehabilitates, and replaces curbs and gutters along the border of each of the Benefit Zone improvements. These curbs and gutters serve to support, contain, retain, manage irrigation flow, and plant growth, and provide a boundary for the improvements. The contribution from the County towards general benefit from the maintenance, rehabilitation and replacement of the curb and gutter is conservatively estimated to be at least one percent.

PARKS AND RECREATION BENEFIT DETERMINATION

The overall quality of life and desirability of an area is enhanced when public parks and recreation facilities are in place, improved, and maintained. Conversely, property desirability decreases when park and recreational facilities are unsafe or destroyed by the elements or vandalism.

Property desirability in an area also increases when there is an increase in the number of parks, recreation centers, and sports facilities. These park and recreational facilities enable property owners to participate in sporting events, leisure activities, picnics, organized social events, and other miscellaneous activities.

Studies in a number of communities, including counties and cities throughout the United States, have indicated that recreation areas and facilities, if well maintained and wisely administered, have caused a marked increase in the property values of parcels in the community. Consequently, such park and recreation facilities have proved to be an important factor in maintaining a sound economic condition and a high standard of livability in the community. These studies confirm the opinion long held by planning authorities as to the economic value of parks and recreational facilities in a community.

> *"The recreation value is realized as a rise in the value of land and other property in or near the recreation area, and is of both private interest to the landowner and others, holding an economic stake in the area, and of public interest to the taxpayers, who have a stake "* (National Recreation and Park Association, June 1985)

> *“Recreation and park amenities are central components in establishing the quality of life in a community… [businesses’] main resource is their employees for whom quality of life is an important issue. The availability and attractiveness of local parks and programs influences some company’s relocation decisions… the presence of a park encourages real estate development around it.”* (California Parks & Recreation, Winter 1997)

The benefit of parks and other recreational facilities to residential and commercial/industrial properties has been summarized by a number of studies. The United States Department of the Interior, National Park Service, in a publication of June 1984, concluded that:

- "Parks and recreation stimulate business and generate tax revenues."
- "Parks and recreation help conserve land, energy, and resources."
- "An investment in parks and recreation helps reduce pollution and noise, makes communities more livable, and increases property values."
- "Public recreation benefits all employers by providing continuing opportunities to maintain a level of fitness throughout one's working life, and through helping individuals cope with the stress of a fast-paced and demanding life."

Proper maintenance and operation of the parks within the District benefits those properties within the service areas of the parks by providing environmental quality and recreational enhancement. The amount of benefit received will vary with the different land use on the property. There are two categories from which the total benefit of a parcel is derived:

1. **Environmental Quality Benefit.** The improvement of the quality of air, visual aesthetics, and attractiveness of the community as a place to live and work and do business.

2. **Recreation Enhancement Benefit.** The availability and access to usable and safe park and recreational facilities.

Recent studies have shown that adequate parks and recreation facilities and recreation programs help to reduce crime and vandalism. This results in savings to property owners and improved property values and promotes the well-being of the community.

LANDSCAPING BENEFIT DETERMINATION

Trees, landscaping, hardscaping, and appurtenant facilities, if well maintained, provide beautification, shade, and enhancement of the desirability of the surroundings. In Parkways and Land Values, written by John Nolan and Henry V. Hubbard in 1937, it is stated:

> *"... there is no lack of opinion, based on general principles and experience and common sense, that parkways do in fact add value to property, even though the amount cannot be determined exactly. Indeed, in most cases where public money has been spent on parkways the assumption has been definitely made that the proposed parkway will show a provable financial profit to the City. It has been believed that the establishment of parkways causes a rise in real estate values throughout the City, or in parts of the City..."*

It should be noted that the definition of "parkways" above may include the roadway as well as the landscaping alongside the roadway.

Proper maintenance and operation of the street landscaping provides beautification and enhancement of the desirability of surroundings. The Benefit Zones in the District enjoy a reputation for beauty, and the landscape improvements along the major thoroughfares in the medians and parkways enhance that reputation and benefit all parcels in each Benefit Zone. These major thoroughfares are the entryways into the various Benefit Zones and as such provide beautification to the entire Benefit Zone.

ASSESSMENT METHODOLOGY

The total operation, maintenance, and servicing cost for the landscaping and public park and recreation facilities are apportioned in accordance with the methodology that is consistent with standard assessment engineering practices. The method for spreading the costs to each parcel is based on the Equivalent Dwelling Unit (EDU) factor, with the exception of Benefit Zone 7 assessments, which are assessed on potential floor area for commercial/industrial parcels and Benefit Zone 35 assessments which are assessed on acreage.

Since the assessment is levied on the owners of properties as shown on the tax rolls, the final charges must be assigned by Assessor's Parcel Number. If assessments were to be distributed by parcel, not considering land use, this would not be equitable because a single-family parcel would be paying the same as a 50-unit apartment parcel or a large commercial establishment. Therefore, as previously stated, the total assessment costs are distributed to each parcel of land based on the number of EDUs associated with each particular parcel.

Commercial and industrial parcels benefit similarly to residential parcels because of increased property values and the ability to have their workers and patrons use the park and recreation facilities. Commercial and industrial parcels are assessed based on their acreage because larger parcels have the ability to generate larger pedestrian flows. The methodology used to assign EDUs to other land uses in proportion to the benefit they receive relative to the single-family residential parcel is shown below.

Developed Single Family Residential - The developed single-family parcel has been selected as the basic unit for calculation of the benefit assessments. This basic unit shall be called an **Equivalent Dwelling Unit (EDU)**. Parcels designated as developed single family residential uses per the Contra Costa County land use code are assessed one (1.00) EDU.

Developed Multiple Residential - The EDUs for land designated as developed multi-family uses which includes townhomes, condominiums, mobile homes, and apartments are assessed a factor of one-half (0.50) EDU per dwelling unit, e.g., a parcel with a 100-unit apartment would be assessed 50 EDUs. Based on data from representative cities in Northern California, the multiple family residential factor of fifty (50) percent is determined by the statistical proportion of relative trips generated from various types of residential uses, in combination with density per unit. Benefit Zones 18, 27, and 45 are assessed as 1.00 EDU per dwelling unit for townhomes and condominiums.

Developed Commercial/Industrial, Recreational, Institutional, and Other Miscellaneous Uses - Developed commercial and industrial properties include commercial, industrial, recreational, institutional, or miscellaneous uses per Contra Costa County land use codes. The parcels are assessed based upon their acreage. The parcels are assessed one (1.00) EDU for the first acre or any portion thereof, one (1.00) EDU/acre for each additional acre up to a maximum of three (3.00) EDUs. The minimum number of EDUs per parcel is one (1.00) EDU.

Commercial, industrial, recreational, institutional, or miscellaneous uses in Benefit Zone 7, both developed and undeveloped per Contra Costa County land use codes, are assessed based upon the potential floor area ratio of the parcel. The minimum rate per parcel will be one single family unit.

Undeveloped Single Family Residential - Parcels defined as undeveloped single-family residential parcels will be assessed at fifty (50) percent of the developed single-family rate or 0.50 EDU's.

Undeveloped Multiple Family Residential - The EDUs for land designated as undeveloped multi-family use which includes undeveloped townhomes, condominiums, mobile homes, and apartments are assessed half of the developed EDU factor per planned dwelling unit. For example, a parcel that is planned for a 100-unit apartment complex would be assessed 25 EDUs. If the number of planned dwelling units are not known, then the rate is 0.50 EDUs/acre with a minimum of 0.50 EDUs and a maximum of 1.50 EDUs.

Undeveloped Non-Single Family Residential - Parcels defined as undeveloped non-single family residential will be assessed at fifty (50) percent of the developed commercial/industrial rate. These parcels include undeveloped commercial/industrial, recreational, institutional, and other miscellaneous parcels. These parcels will be assessed at 0.50 EDUs per acre or any portion thereof, with a minimum of 0.50 EDU per parcel and a maximum of 1.50 EDUs per parcel (3.00 acres). Incremental acreage greater than 3.00 acres is considered to be an open space area and therefore receives no further assessment.

Undeveloped property is described as parcels with no improved structures. Property values increase for undeveloped parcels when public infrastructure improvements are installed and well maintained.

Exempt - Exempted from the assessment would be the areas of all public streets, public avenues, public lanes, public roads, public drives, public courts, public alleys, all easements and rights-of-ways, all public parks, cemeteries, greenbelts, and parkways, and all public school property, other public property, designated open space, and public utilities.

BENEFIT ZONE CLASSIFICATION

As properties develop throughout the County, they are annexed into the District. A specific Benefit Zone may be created for these properties or they may be included within an existing Benefit Zone, which is unique and distinguishable from other Benefit Zones located within the District. Each Benefit Zone is evaluated to determine which improvements are of a specific and direct benefit to the parcels in that Benefit Zone. Once the improvements have been identified, a method of allocating those costs to the benefiting parcels is developed.

The following is a listing of the various Benefit Zones in the District, their corresponding number of parcels/units in each Benefit Zone, and the method of apportioning the costs of the improvements. Some Benefit Zones include an increase each year as allowed by the assessment formula when the Benefit Zone was formed.

The maximum assessment rate for Subzone "A" was set at $32.04 per EDU. Parcels located within Subzone "B" were assessed at 85% of the Subzone "A" maximum assessment rate, since the Subzone "B" parcels have access to a homeowner's association funded park, View Point Park, and thereby reducing the demand on Lefty Gomez picnic and play area. Therefore, parcels in Subzone "B" had a maximum assessment rate set at $27.24. However, as of Fiscal Year 2023-24 the applied rate for Subzone "A" was decreased to $27.24 because the County is no longer obligated to maintain Lefty Gomez Park and the Community Center. (County Project No. 7520 -6B8334) (District IV)

FISCAL IMPACT:
Work performed under this contract will be funded by 100% Flood Control Zone 3B Funds.

BACKGROUND:
The project will remove approximately 115,000 cubic yards of channel material from designated areas of the Walnut Creek Channel in the City of Concord, roughly 2,000 north of Concord Avenue to roughly 3,000 south of Concord Avenue. Without approval from the Board of Supervisors, this Consulting Services Agreement will not be in effect. A delay in construction of the Project will occur, ultimately delaying the completion of the Project. Project delay may also result in substantial additional project costs and jeopardize the funding.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:

Consulting, Inc., effective May 1, 2024, to increase the payment limit by $100,000 to a new payment limit of $400,000, and extend the term through April 30, 2026, for MaintStar Maintenance Software System - Training Configuration Assistance.

FISCAL IMPACT:
100% Local Road and Flood Control District Funds.

BACKGROUND:
Contra Costa County Public Works Maintenance Division maintains over 660 miles of roads, 79 miles of creeks and channels, and 29 detention basins and dams throughout Contra Costa County. The Public Works Department uses MaintStar, a Computerized Maintenance Management Software (CMMS), to track, plan, and administer County road and flood control maintenance work; timesheet billing; and horizontal asset management.

On May 1, 2021, the Public Works Department executed a contract with L.A. Consulting, Inc. to provide professional services to upgrade MaintStar and provide technical training with the goal of enhancing the Public Works Department's utilization of MaintStar. MaintStar Version 15 was implemented in March 2023, and additional services and technical training from L.A. Consulting, Inc. were required as part of the transition to the upgraded system.

On June 13, 2023, the Public Works Department executed Contract Amendment #1 to increase the payment limit on the contract by $100,000 and to extend the contract term through April 30, 2024.

CONSEQUENCE OF NEGATIVE ACTION:
Failure to approve the contract amendment may prevent the Public Works Department from completing routine and emergency road and flood control maintenance work in a timely manner.

Report Title: Execute a contract amendment with Francisco & Associates, Inc., to extend the term to December 31, 2025, to increase payment, and adjust rates paid, Countywide.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
Approve and Authorize the Public Works Director or designee, to execute a contract amendment No. 1 with Francisco & Associates, Inc., to increase the payment limit by $200,000 to a new payment limit of $395,000, adjust the rates paid under the contract and extend the term through December 31, 2025, for continued on-call assessment engineering consulting services, Countywide. (All Districts) (Project No: Various)

FISCAL IMPACT:
100% Special Revenue Funds.

BACKGROUND:
The Public Works Department facilitates the formation, annexation, and administration of assessment districts throughout the County. As part of this regular work, consultant services are required to assist staff with the provision of special technical assistance on an on-call basis. After a solicitation process, Francisco & Associates, Inc. was one of two firms selected to provide assessment engineering services. These services include the preparation of the annual Engineer's Report for the Countywide Lighting and Landscaping Districts (LL-2); the preparation of annual reports for County Service Areas (CSA), and Community Facilities Districts (CFD), the preparation of preliminary and final tax rolls, conducting feasibility, rate, and nexus studies; the preparation of documents for assessment district formation, proceedings, and annexations; and other assessment engineering services as needed.

On January 1, 2022, the Board of Supervisors approved a Consulting Services Agreement with Francisco & Associates, Inc. to provide on-call assessment engineering consulting services. With this amendment, the contractor shall continue to provide special technical assistance to ensure ongoing assessment engineering processes for special districts throughout the County.

CONSEQUENCE OF NEGATIVE ACTION:
Without the approval of the Board of Supervisors, this Consulting Services Agreement amendment would not be executed. This would delay assessment engineering processes for various special districts within the County, interrupting funding, and delivery of public services.

To regain the services of and to enable timely payment to Dillard Trucking, Inc. and C&J Favalora Trucking, Inc., the Public Works Director recommends that the Board approve Contract Amendment No. 1. Report Title: Amendment No. 3 to Consulting Services Agreement with Vanir Construction Management, Inc. for Construction Management Services for Administration Building Demolition and Redevelopment Project, Martinez.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Public Works Director, or designee, to execute a contract amendment with Vanir Construction Management, Inc. (Vanir), effective May 21, 2024, to increase the payment limit by $300,000 to a new payment limit of $4,464,690 and to extend the term from July 31, 2024 through March 31, 2025 to provide extended construction management services for the Administration Building Demolition and Redevelopment Project (ADR) located at 1026 Escobar, Martinez.

FISCAL IMPACT:
100% General Fund Capital Reserves.

BACKGROUND:
On November 17, 2020, the Board of Supervisors approved a Consulting Services Agreement with Vanir in the amount of $3,999,879 through the period of November 17, 2023 to provide construction management services for the Administration Building Demolition and Redevelopment Project.

On October 3, 2023, the Board of Supervisors approved Amendment No. 1 in the amount of $164,811 to a new payment limit of $4,164,690 and with an extended term from November 17, 2023 to July 31, 2024 to provide construction management services for an added communications tower.

Amendment No. 2 is an administrative amendment to implement an increase in billing rates as allowed annually under the terms of the consulting services agreement.

Multiple factors have delayed the projected final completion date of the project. The construction schedule, including project closeout, is now projected to extend at least through November of 2024 with a contingency buffer of four months to March 31, 2025. This amendment is required to provide for continued construction management services through the extended construction schedule.

Vanir has served continuously as construction manager for the Administration Building Demolition and Redevelopment Project since the project began. Therefore, it is recommended that the contract amendment be awarded at this time.

CONSEQUENCE OF NEGATIVE ACTION:
If the contract amendment is not approved, full construction management services needed for successful completion of the Administration Building Demolition and Redevelopment Project will not be provided by Vanir through project completion, and the timing and quality of delivery of the project will be negatively impacted, likely affecting both project cost and schedule.

Report Title: Amendment No.2 with Stommel Inc. (dba Lehr), Countywide

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Public Works Director, or designee, to execute Amendment No. 2 with Stommel Inc. (dba Lehr), effective May 1, 2024, to increase the hourly labor rate and payment limit by $600,000, from $1,750,000, to a new payment limit of $2,350,000 and extend the term through April 30, 2025 for emergency vehicle outfitting services for various County departments, Countywide.

FISCAL IMPACT:
The cost is to be 100% funded through Fleet Services ISF budget and user departments.
(75% Fleet Internal Service Fund and 25% User Departments)

BACKGROUND:
Public Works Fleet Services Division purchases and outfits all emergency services vehicles for the County. This includes vehicles from the Sheriff, Public Works, Animal Services, Probation, District Attorney and Health Services Departments. The Sheriff's Department vehicles take up the vast majority of the commodity. Outfitting includes: lights, sirens, controllers, electronics, wiring and hard parts, such as partitions, consoles and truck sliders trays.

Originally bid on BidSync #2011-443, Public Works Fleet Services conducted a thorough evaluation and (Stommel Inc. dba Lehr), was the only qualified bidder. The contract has a term of (3) years with the option of two (1) one-year extensions that will be used as-needed with no minimum amount.

Government Code Section 23004 authorizes the County to make contracts, purchases and hold personal property necessary to the exercise of its powers. Fleet services is requesting an Amendment No. 2 with Stommel Inc. (dba Lehr) to be approved for its last (1) year extension.

**Stommel Inc. (dba Lehr) will also be requesting the labor rate increase equal to the current rate of the Consumer Price Index for the San Francisco - Oakland area as published by the Bureau of Labor Statistics, plus two percent on their anniversary date, effective May 1, 2024.

Amendment No. 1 was approved by the Board of Supervisors on May 17, 2023, whereas Fleet Services requested a (1) one term extension by deleting Attachment A-Labor Rates and Parts Pricing List of the Service Plan and replacing it with a 2023 Attachment A -Labor Rates, Parts and Discount Pricing List for the on-call

fully outfitted emergency vehicles, Countywide.

If approved, Amendment No. 2 will extend the term for (1) one additional year through October 31, 2025. All other terms and conditions in the original contract entered into on May 1, 2021, between the County and Contractor, not modified by this Amendment No. 2, shall remain in full force and effect.

CONSEQUENCE OF NEGATIVE ACTION:
If this contract is not approved emergency vehicle outfitting services with Stommel Inc. (dba Lehr) will drastically hinder the Sheriff's office ability to respond to emergency services, Countywide.

Report Title: Amendment No. 7 to CSA with Vanir Construction Management, Inc., for Construction Management Services

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Public Works Director, or designee, to execute a contract amendment with Vanir Construction Management, Inc. (Vanir), effective January 28, 2024, to increase the payment limit by $794,162 to a new payment limit of $13,784,950 and, extend the term through December 31, 2025, for construction management services for the Accessible Room Compliance Project at the West County Detention Facility in Richmond.

FISCAL IMPACT:
The contract amendment amount, not to exceed $794,162, will be paid out of WCDF Building Life Cycle Funds for expenses incurred during the 2023/2024 fiscal year and out of the General Fund for expenses incurred during the 2024/2025 fiscal year.

BACKGROUND:
The County awarded a contract to Vanir Construction Management, Inc., for construction management services for two projects, the New County Administration Building and the New Emergency Operations Center/Public Safety Building, at a total allotted amount of $6,000,000, with a completion date of 3 years from the effective date of May 9, 2017.

Amendment No. 1, increased the payment limit by $4,004,948 from $6,000,000 to a new payment limit of $10,004,948 and extended the term from May 9, 2020 to May 9, 2022 and was approved by the Board of Supervisors on October 17, 2017.

Amendment No. 2 added a subconsultant, Coact Designworks, Inc., with no change to the termination date of May 9, 2022 nor the payment limit of $10,004,948. It was approved by the Board of Supervisors on June 26,2018.

Amendment No. 3 increased the payment limit by $400,000 to $10,404,948 and extended the term from May 9, 2022 to May 9, 2023. It was approved by the Board of Supervisors on July 30, 2019.

Amendment No. 4 increased the payment limit by $845,052 to $11,250,000 with no change to the termination date. It was approved by the Board of Supervisors on October 20,2020.

Amendment No. 5 increased the payment limit by $1,740,788 to $12,990,788 and extended the term from May 9, 2023 to May 31, 2025. It was approved by the Board of Supervisors on November 29, 2022.

Amendment No. 6, with an effective date of January 1, 2024, is an administrative amendment for annual increases to billing rates as permitted under the terms of the existing contract.

This Amendment No. 7 increases the payment limit by $794,162 to a new payment limit of $13,784,950 to cover construction management services for adding 16 ADA accessible beds at the West County Detention Facility. These cells are needed to increase the number of ADA accessible beds to help bring the Contra Costa County Detention System into conformance with the number of accessible beds required by modern code. Vanir is particularly well suited for this work as they have completed similar services for the County as part of the Module M and C remodel project at the Martinez Detention Facility and they are currently assisting with the West County Reentry, Treatment and Housing (WRTH) project also located at the West County Detention Facility.

CONSEQUENCE OF NEGATIVE ACTION:
If the amendment is not approved, the County will be unable to proceed with procuring a design-build entity to construct the new ADA accessible spaces. Consequently, the County will need to extend the timeline for completing the work which will increase the project budget and continue the deficit of ADA accessible beds in the detention system.

Terms and Conditions

POSTAGE METER RENTAL AGREEMENT

1. Postage Meter Rental. In this Postage Meter Rental Agreement (the "Rental Agreement"), the words "You" and "Your" mean the customer named on the Postage Meter Rental Agreement order form ("Order Form"). "We," "Us" and "Our" mean Quadient, Inc. You agree to rent from Us the postage meter identified on the Order Form, as well as any other products listed on the Order Form, together with all existing accessories, embedded software programs, attachments, replacements, additions and repairs, (the "Postage Meter") upon the terms stated herein.

2. Provisions as to Use. You acknowledge that: (i) as required by United States Postal Service regulations, the Postage Meter(s) is being rented to You and that it is Our property; (ii) the Postage Meter will be surrendered by You upon demand by Us; (iii) You are responsible for the control and use of the Postage Meter; (iv) You will comply with all applicable laws regarding Your use or possession of the Postage Meter; (v) the use of the Postage Meter is subject to the conditions established from time to time by the United States Postal Service; and (vi) the Postage Meter is to be used only for generating an indicia to evidence the prepayment of postage and to account for postal funds. It is a violation of Federal law to misuse or tamper with the Postage Meter and, if You do so, We may terminate this Rental Agreement upon notice to You.

3. Rental Fee, Payment and Term. The initial rental term for the Postage Meter is set forth on the Order Form ("Initial Term"). The rental fee for the Initial Term is also set forth on the Order Form. The Initial Term of this Rental Agreement will begin on the earlier of either the date the Postage Meter is installed or five (5) days after the Postage Meter is shipped by Us. You promise to pay to Us the amounts shown on the Order Form in accordance with the payment schedule set forth thereon, plus all other amounts stated on the Order Form or in this Rental Agreement. You shall make all payments to the address indicated on Our invoice within thirty (30) days of the date of Our invoice. A late fee will be charged if the payment is not made within such period and an additional late fee will be charged for each subsequent thirty (30) days that the invoice remains unpaid. You agree to pay Us the then-current fee charged by Our financial institution for checks returned unpaid and for ACH direct debit transactions which are rejected. You also agree to pay all setting fees and charges incurred in connection with the download of funds to the Postage Meter. The Postage Meter rental fee does not include the cost of consumable supplies. This Rental Agreement is NON-CANCELABLE during the Initial Term and any Renewal Period (as defined below). Unless, at least ninety (90) days before the end of the Initial Term, You: (i) notify Us that You intend to return the Postage Meter at the end of the Initial Term by calling 1-800-636-7678; and (ii) send written notice to Us in the manner We instruct You when You call, this Rental Agreement will automatically renew on a quarter-to-quarter basis, except as prohibited by law, at the then-current payment amount for such Postage Meter (each a "Renewal Period"). We will not notify You that the Initial Term or any Renewal Term is ending. You may terminate this Rental Agreement at the conclusion of any Renewal Period by giving Us thirty (30) days prior written notice of Your intent to do so.

4. Return of Postage Meter and Products. Upon the termination of this Rental Agreement, unless directed otherwise by Us, You shall, after receiving an Equipment Return Authorization ("ERA") number from Us, promptly send the Postage Meter and any other products, at Your expense plus shipping and handling costs, to any location(s) that We designate in the contiguous United States. The Postage Meter must be properly packed for shipment with the ERA number clearly visible, freight prepaid and fully insured, and must be received in good condition, less normal wear and tear. Furthermore, You agree that if you fail to return a postage meter within thirty (30) days of receipt of the ERA from Us, then You will pay a postage meter replacement fee of one thousand dollars ($1,000).

5. Postage Meter Maintenance, Inspections, and Location. We will keep the Postage Meter in good working condition during the term of this Rental Agreement. The United States Postal Service regulations may require Us to periodically inspect the Postage Meter. You agree to cooperate with Us regarding such inspections. We may, from time to time, access and download information from Your Postage Meter to provide Us with information about Your postage usage and We may share that information with Our distributors and other third parties and You hereby authorize Us to do so. You agree to promptly update Us whenever there is any change in Your name, address, telephone number, the licensing post office, or the location of the Postage Meter.

6. Loss; Damage; Insurance. You shall: (i) bear the risk of loss and damage to the Postage Meter and shall continue performing all of Your other obligations hereunder even if the Postage Meter becomes damaged or there is a loss, (ii) keep the Postage Meter insured against all risks of loss and damage in an amount at least equal to its full replacement cost.

7. Postage Advances. We do not sell postage. In the event You require an emergency advance for postage, We, at Our sole discretion, may advance You money to reset the Postage Meter. If We do provide such an advance, You agree to repay Us within five (5) days from the time of such advance: (i) the amount of the emergency advance; and (ii) the then-current advance fee.

8. Default. In the event You fail to perform in accordance with the terms set forth in this Rental Agreement, or any other Agreement with Us or any of Our affiliates, including, but not limited to Quadient Finance USA, Inc., then We may, without notice: (i) repossess the Postage Meter(s); (ii) disable the Postage Meter; (iii) immediately terminate this Rental Agreement; and (iv) pursue any remedies available to Us at law or in equity. Furthermore, upon the return of the Postage Meter, You hereby authorize Us to offset any amount of postage remaining in the Postage Meter, prior to any refund to You, against any amount due to Us or any of Our affiliates. You shall also pay all of Our costs in enforcing Our rights under this Rental Agreement, including reasonable attorneys' fees and expenses that We incur to take possession, store, or repair, the Postage Meter, as well as any other expenses that We may incur to collect amounts owed to Us. These remedies shall be cumulative and not exclusive, and shall be in addition to any and all other remedies available to Us.

9. Rate Updates.

A. Maintenance of Postal Rates. It is Your sole responsibility to ensure that correct amounts are applied as payment for mailing and shipping services. We shall not be responsible for returns for delivery delays, refusals, or any other problems caused by applying the incorrect rate to mail or packages.

B. Rate Updates with Online Services. If the Order Form indicates that You are enrolled in Our Online Services program, then We will make available periodic updates for Your covered products and/or Postage Meter, including updates to maintain accurate USPS rates for the USPS services that are compatible with such products or Postage Meter. **The rate updates that are offered with Our Online Services program are only available for products that are Integrated (as defined below) into Your mailing machine.** For the purposes of this section, "Integrated" means that the covered hardware cannot properly operate on a stand-alone basis and it has been incorporated into the mail machine. Products that are not Integrated including, but not limited to,

all Software and scales with "ST-77," or "SE" in the model number will not receive updated rates as part of Our Online Services program (collectively "Excluded Products").

C. Rate Updates with Rate Change Protection and Software Advantage. If You have any of Our Excluded Products, You may have elected to purchase Rate Change Protection ("RCP") from Us for Your hardware products or Software Advantage for Your Software. If the Order Form indicates that You have selected RCP or Software Advantage, We will make available the following updates for Your covered products or Software: (i) updates to maintain accurate rates for the services offered by the USPS and other couriers that are compatible with Your covered product or Software; and (ii) updates for major zip or zone changes that are compatible with Your covered product or Software. If any reprogramming is required because You have moved the products or Postage Meter to a new location, none of the services described in this Section cover the cost to do so. Customers with an outstanding Accounts Receivable balance may not receive a rate update until the open balance is resolved.

10. United States Postal Service Acknowledgement of Deposit Requirement. By signing this Postage Meter Rental Agreement, You acknowledge and agree that You have read the United States Postal Service Acknowledgement of Deposit (the "Acknowledgement") and will comply with its terms and conditions, as it may be amended from time to time.

11. Additional United States Postal Service Terms.

A. By signing this Postage Meter Rental Agreement, You acknowledge that You are also entering into an Agreement with the United States Postal Service ("USPS") in accordance with the Domestic Mail Manual ("DMM") 604.4, Postage Payment Methods, Postage Meters and PC Postage Products (collectively, "Postage Evidencing Systems" or "PES") and accept responsibility for control and use of the PES contained therein.

B. You also acknowledge You have read the DMM 604.4, Postage Payment Methods, Postage Meters and PC Postage Products (Postage Evidencing Systems) and agree to abide by all rules and regulations governing its use.

C. Failure to comply with the rules and regulations contained in the DMM or use of the PES in any fraudulent or unlawful scheme or enterprise may result in the revocation of this Rental Agreement.

D. You further acknowledge that any use of this PES that fraudulently deprives the USPS of revenue can cause You to be subject to civil and criminal penalties applicable to fraud and/or false claims against the United States. The submission of a false, fictitious or fraudulent statement can result in imprisonment of up to five (5) years and fines of up to $10,000 (18 U.S.C. 1001). E. You further understand that the rules and regulations regarding use of this PES as documented in the USPS Domestic Mail Manual may be updated from time to time by the USPS and it is Your obligation to comply with any current or future rules and regulations regarding its use.

F. You are responsible for immediately reporting (within seventy-two hours or less) the theft or loss of the postage meter that is subject to this Rental Agreement. Failure to comply with this notification provision in a timely manner may result in the denial of refund of funds remaining on the postage meter at the time of the loss or theft.

12. Taxes. You agree to pay for all applicable taxes related to the sale or rental of any products or Postage Meter to You, as well as any taxes applicable to Your possession, and/or use of the products and/or Postage Meter. Furthermore, You agree to pay the applicable fee to cover Our expenses associated with the administration, billing and tracking of such charges and taxes.

13. Disclaimer of Warranties. EXCEPT AS EXPRESSLY STATED HEREIN, WE MAKE NO REPRESENTATIONS OR WARRANTIES OF ANY KIND, EXPRESS OR IMPLIED, REGARDING ANY MATTER WHATSOEVER, INCLUDING, BUT NOT LIMITED TO, THE SUITABILITY OF ANY PRODUCTS OR POSTAGE METER, ITS CONDITION, ITS MERCHANTABILITY, ITS FITNESS FOR A PARTICULAR PURPOSE, ITS FREEDOM FROM INFRINGEMENT, OR OTHERWISE.

14. Limitation of Liability. IN NO EVENT SHALL EITHER PARTY BE LIABLE TO THE OTHER PARTY FOR ANY INCIDENTAL, INDIRECT, SPECIAL, CONSEQUENTIAL OR PUNITIVE DAMAGES OF ANY KIND ARISING OUT OF, OR IN CONNECTION WITH, THIS AGREEMENT, WHETHER OR NOT SUCH PARTY WAS ADVISED OF THE POSSIBILITY OF SUCH DAMAGE. NOTWITHSTANDING ANY OTHER PROVISION OF THIS RENTAL AGREEMENT, EXCEPT FOR DIRECT DAMAGES RESULTING FROM PERSONAL INJURY OR DAMAGE TO TANGIBLE PROPERTY CAUSED BY OUR GROSS NEGLIGENCE OR WILLFUL MISCONDUCT, THE MAXIMUM OUR LIABILITY TO YOU FOR DAMAGES HEREUNDER SHALL NOT EXCEED THE TOTAL OF THE AMOUNTS PAID TO US HEREUNDER BY YOU.

15. Assignment. No right or interest in this Rental Agreement may be assigned by You, without Our prior written consent.

16. Notice. **All notices related to this Rental Agreement to Us shall be made by You, or an attorney representing You. Notice of non-renewal of this Rental Agreement shall be made as outlined in Section 3 herein by calling 1-800-636-7678.** All other notices, requests and other communications hereunder shall be in writing, and shall be considered given when: (i) delivered personally, or (ii) sent by commercial overnight courier with written confirmation of delivery. Written notices to Us shall be sent to: Quadient, Inc., 478 Wheelers Farms Road, Milford, CT 06461 ("Notice Address").

17. Integration. This Rental Agreement represents the final and only agreement between You and Us regarding Your acquisition of the Postage Meter and any other products or services. There are no unwritten oral agreements between You and Us. This Rental Agreement can be changed only by a signed, written agreement between You and Us.

18. Severability. In the event any provision of this Rental Agreement shall be deemed to be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby. The parties agree to replace any invalid provision with a valid provision, which most closely approximates the intent and economic effect of the invalid provision.

19. Waiver or Delay. A waiver of any default hereunder or of any term or condition of this Rental Agreement shall not be deemed to be a continuing waiver or a waiver of any other default or any other term or condition, but shall apply solely to the instance to which such waiver is directed. We may accept late payments, partial payments, checks or money orders marked "payment in full," or with a similar notation, without compromising any rights under this Rental Agreement.

20. Choice of Law; Venue; and Attorney's Fees. This Rental Agreement shall be governed under the laws of the State of Connecticut, without regard to conflicts of law, and jurisdiction shall lie exclusively in a court of competent jurisdiction in New Haven County, Connecticut. In any litigation or other proceeding by which one party either seeks to enforce its rights under this Rental Agreement (whether in contract, tort, or both) or seeks a declaration of any rights or obligations under this Rental Agreement, the prevailing party shall be awarded its reasonable attorney fees, and costs and expenses incurred.

POSTAGE FUNDING ACCOUNT AGREEMENT

1. Incorporation of Certain Terms. You acknowledge that You have entered a Postage Meter Rental Agreement with Quadient, Inc. (the "Rental Agreement"). If you have an eligible Postage Meter, then you will have access to a postage funding account and this Postage Funding Account Agreement ("Account Agreement") shall govern Your use of such account. Any defined terms in the Rental Agreement shall have the same meanings in this Account Agreement, except that "We," "Us," and "Our," refer to Quadient Finance USA, Inc., an affiliate of Quadient, Inc. Sections 10 through 19 of the Rental Agreement are hereby incorporated into this Account Agreement except that any reference in those sections to the "Rental Agreement" refers to this Account Agreement.

2. Establishment and Activation of Account. You hereby authorize Us, to establish an account in Your name ("Account") for funding the purchase of postage from the United State Postal Service ("USPS") for use in the Postage Meter. Your Account may also be used to purchase supplies, pay for the Postage Meter rental, and obtain certain other products and services from Quadient Inc. The establishment of Your Account shall be subject to Our approval of Your creditworthiness. Any use of the Account shall constitute Your acceptance of all the terms and conditions of this Account Agreement and all other documents executed or provided in connection with the Account. The Account may not be used for personal, family, or household purposes.

3. Operation of Account. Each time an employee or agent of Yours with the express, implied, or apparent authority to do so (each an "Authorized User") uses the Account to receive a postage meter reset or obtain other products or services that Quadient, Inc. is authorized to provide, Quadient, Inc. will notify Us of the amount to be applied to Your Account balance. If the Account is used to obtain postage, then We will transfer the requested amount of postage to the USPS on Your behalf and Your Account will be charged for the amount of postage requested and any related fees, if applicable. You can continue to pre-pay the USPS for postage and understand that pre-paid postage funds will be used first to pay for my postage meter resets. You further understand that the Account will provide additional available postage funds when Your pre-paid account balance is zero ($0). When You request a Postage Meter reset, if You have the funds on account with the USPS, those funds automatically will be withdrawn first to pay for postage, and any additional amounts due for postage and related fees will be billed through the Account under the terms and conditions of this Account Agreement. If the Account is used to acquire products or services that Quadient Inc. is authorized to provide, then We shall pay the applicable amount to Quadient, Inc. and add such amount to Your Account balance.

4. Payment Terms. You will receive a billing statement for each billing cycle in which You have any activity on Your Account. Payments are due on the due date shown on Your billing statement. You may pay the entire balance due or a portion of the balance, provided that You pay at least the minimum payment amount shown on Your statement. However, if You have exceeded the Account Limit, then You must pay the entire amount of any overage, as well as the minimum payment amount shown on Your statement. Whenever there is an unpaid balance outstanding on Your Account which is not paid in full by the due date shown on Your billing statement, We will charge You, and You agree to pay, interest on the unpaid balance of the Account for each day from the date the transaction is posted to Your Account until the date the unpaid balance is paid in full, at the Annual Percentage Rate (as defined below). The Account balance that is subject to a finance charge each day will include outstanding balances, minus any payments and credits received by Us on Your Account that day. The Annual Percentage Rate applicable to Your Account will be equal to the lesser of eighteen percent (18.00%) per annum or the maximum permitted by law. Each payment will be applied to reduce the outstanding balance of Your Account and replenish the amount available to You. We may refuse to extend further credit if the amount of a requested charge plus Your existing balance exceeds Your Account Limit.

5. Account Limit and Account Fees. You agree that We will establish a credit limit on Your Account (the "Account Limit"). The exact amount of the Account Limit will be indicated on Your invoice. We may, in Our sole discretion, allow Your balance to exceed the Account Limit. In the event We do so, You agree to pay Us an additional fee equal to one percent (1%) of the amount by which the Account Limit is exceeded for each transaction that You initiate after Your Account has reached the Account Limit. Such amount will be charged to Your Account on the date that the relevant transaction(s) occurs. Unless prohibited by applicable law, You agree to pay the amounts set forth in this Account Agreement, which may include, without limitation, the amounts specified above, a fee for a late payment, a fee for any checks that are returned as a result of insufficient funds, a fee for any ACH direct debit transactions which are rejected, and an annual account fee. All such fees shall be added to Your Account balance.

6. Cancellation and Suspension. We may at any time close or suspend Your Account or temporarily refuse to allow further charges to Your Account. You can cancel Your Account at any time by notifying Us in writing at the address provided on Your Account statement of Your desire to do so. No cancellation or suspension will affect Your obligation to pay any amounts You then owe under this Account Agreement. We will notify You of the Account balance in the event of any termination and all outstanding obligations will survive the termination of this Account Agreement by either party.

7. Default. We may declare You in default if You: (i) have made any misrepresentations to Us; (ii) at any time, have done or allowed anything that indicates to Us that You may be unable or unwilling to repay the balance of Your Account as required under this Account Agreement; or (iii) are in default under this Account Agreement or any lease, rental, or other agreement with Us, Quadient, Inc., or their affiliates. If You are in default, or upon any cancellation of Your Account, We shall not be obligated to continue to provide the Account service or extend further credit under this Account Agreement. If We are required to take collection action or any other legal action under this Account Agreement, You shall pay upon demand by Us all court and collection costs, along with reasonable attorney's fees. These remedies shall be cumulative and not exclusive, and shall be in addition to any and all other remedies available to Us.

8. Remedies. If We have declared that You are in default under this Account Agreement, then We may: (i) declare all agreements You have with Us in default and due and payable at once without notice or

demand; (ii) refuse to make further advances on Your behalf to reset Your Postage Meter; and (iii) exercise any other rights that We may have. In addition, You agree that any default under this Account Agreement shall constitute a default under any agreement You may have with any of Our affiliates, including, but not limited to, Quadient, Inc., Quadient Leasing USA, Inc.

9. Amendments. We may amend this Account Agreement, or any of its provisions, including without limitation any fees and charges and/or the Annual Percentage Rate, at any time by at least thirty (30) days written notice to You, and such written notice may be included in Your billing statement. Any such amendment will become effective on the date stated in the notice and will apply to any transactions after such date, as well as to any outstanding balance on Your Account.

10. Notice: Any notice required to be given under this Account Agreement by either party hereto shall be given if to You, at the address shown on Your Order Form, and if to Us at 478 Wheelers Farms Road, Milford, CT 06461.

11. Miscellaneous. You understand that We may obtain credit reports in connection with Your Account now and in the future. This Account Agreement shall be governed by and construed in accordance with the laws of the State of Texas, without reference to its conflict-of-laws rules, and any applicable federal laws. The sole jurisdiction and venue for actions related to the subject matter hereof shall be in a State or Federal Court within the State of Texas.

ONLINE SERVICES AND SOFTWARE AGREEMENT

1. Incorporation of Certain Terms. You acknowledge that You have entered a Postage Meter Rental Agreement with Quadient, Inc. (the "Rental Agreement"). Any defined terms in the Rental Agreement shall have the same meanings in this Online Services and Software Agreement ("OSS Agreement"). Sections 12 through 20 of the Rental Agreement are hereby incorporated into this OSS Agreement, except that any reference in those sections to the "Rental Agreement" refers to this OSS Agreement.

2. License Grant and Additional Terms. In exchange for the license fees that are included in Your Rental Payment, We hereby grant to You a nonexclusive, nontransferable license to use the Software products, including related documentation, described on the Order Form solely for Your own use on or with the Postage Meter and other products. Such terms are incorporated herein by this reference and You agree to be bound by such terms as if they were fully stated herein.

3. Software Support. Unless otherwise specified in the applicable Software terms, if You have purchased support for the Software, We will provide the following for a period of one (1) year: (i) software updates and, if applicable, carrier rate updates that keep You current and compliant with supported carrier rates, fees, zone schedules, label, barcode and forms changes; (ii) updates to the Software; (iii) corrective bug fixes as released; and (iv) technical support for the Software (collectively "Software Maintenance"). Staff Report

File #: 24-1404 **Agenda Date:** 5/14/2024 **Agenda #:** C.119.

To: Board of Supervisors

From: Warren Lai, Public Works Director/Chief Engineer

Report Title: Purchase Order with Downtown Ford for the Purchase of Flood Control Equipment.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:

APPROVE and AUTHORIZE the Purchasing Agent, or designee, to execute on behalf of the Public Works Director, a purchase order with Downtown Ford in an amount not to exceed $225,000 for the purchase of a pickup truck with a direct injection spray system for spraying Flood Control District facilities, Countywide.

FISCAL IMPACT:
Fiscal Year 2023/24 Flood Control District Fund 250500 adopted budget (100% Flood Control District Funds)

BACKGROUND:
The Public Works Flood Control District is replacing a F-550 Power Stroke truck, which is being deadlined due to age and cost of service. The equipment is necessary for spraying Flood Control District facilities. The purchase of the equipment was included in the Fiscal Year 2023/24 Flood Control capital budget.

This spray vehicle will be used for the application of herbicides to control the growth of weeds and other invasive plant species along Flood Control District channels, levees, and creeks. The use of herbicides is one of many methods to control vegetation, which also include mowing, manual mowing, goats, etc., and is part of the County's Integrated Pest Management program. Control of weeds and other vegetation is necessary for fire fuel reduction as required by fire district regulations, as well as routine maintenance and inspection of flood protection facilities. Utilization of herbicides provides a cost-efficient method for vegetation management, which otherwise would require other manual methods at a higher expense.

CONSEQUENCE OF NEGATIVE ACTION:
If not approved, the Flood Control Division will not be able to purchase the equipment needed to provide services throughout the County.

Report Title: APPROVE and AUTHORIZE a Participating Addendum with Kimball Midwest

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Purchasing Agent, or designee, to execute, on behalf of the Public Works Director, a Participating Addendum with Kimball Midwest, in an amount not to exceed $500,000, for equipment, parts, hardware, tools and personal protective equipment for use by the Public Works Facilities Division during the period of May 14, 2024 through March 31, 2025.

FISCAL IMPACT:
Product costs paid by Public Works Facilities Division (100% User Departments)

BACKGROUND:
Contra Costa County Purchasing Services is requesting approval of a Participating Addendum for equipment, parts, hardware, tools and personal protective equipment through the vendor Kimball Midwest. Products are guaranteed through the master contract # R192004 awarded by the Region 4 Education Service Center, through the Omnia Cooperative Program. Approval of the addendum between Contra Costa County and Kimball Midwest allows the County to obtain guaranteed pricing available through the Omnia Partners contract. The purchase will support Public Works Facilities with a variety of equipment and supplies and offer discounts on order 25% to 80%, for the products and equipment they currently purchase today.

CONSEQUENCE OF NEGATIVE ACTION:
Without approval the Public Works Facilities Division will ultimately pay more for products and equipment.

PARTICIPATING ADDENDUM
for
Maintenance, Repair, and Operations Supplies and Equipment under Omnia Partners Cooperative Program

---

Participating Entity:
CONTRA COSTA COUNTY

Contractor: Kimball Midwest (Contract #R192004)

This Participating Addendum ("Agreement") is made and entered into as of May, 14, 2024 ("Effective Date"), by and between Contra Costa County, a political subdivision of the State of California, ("County") and Midwest Motor Supply Co., an Ohio corporation, doing business under the trade name Kimball Midwest ("Contractor"). The County and the Contractor are sometimes referred to herein together as the "Parties," and each as a "Party."

Whereas, the Contractor offers maintenance, repair, and operations supplies and equipment under a master contract, Contract No. R192004 ("Master Contract"), awarded by Region 4 Education Service Center, a Texas public agency, after a competitive bid process, and made available to public agencies nationally.

Whereas, the County has determined that entering into a Participating Addendum to participate in the Master Contract under the OMNIA Partners cooperative purchasing program will provide a benefit to the County, but that certain terms and conditions of the Master Contract must be modified to meet legal requirements that apply to the County as a California public agency.

Now, therefore, the County and the Contractor agree as follows:

1. Term. The term of this Agreement begins on the Effective Date, and it expires on March 31, 2025, unless it is sooner terminated. If the Master Contract is terminated prior to the expiration of the term of this Agreement, the Contractor shall continue to perform under this Agreement through the term of this Agreement.

2. Payment Limit. The County's total payments to the Contractor under this Agreement shall not exceed $500,000 ("Payment Limit"). Notwithstanding anything to the contrary herein or in the Master Contract, nothing in this Agreement obligates the County to make any purchases, or any particular volume of purchases, under this Agreement.

3. No Public Work/No Public Project.     a. Parties. Each reference to "Region 4 ESC" in the Master Contract is replaced with "Contra Costa County."

    b. Registration with the Secretary of State. Section 12 (Licenses) of the Master Contract is amended by adding the following sentence:

"Prior to the County's first purchase, the Contractor shall provide the County's Purchasing Agent written confirmation that Contractor has registered with the California Secretary of State and has designated an agent for service of process located in California."

Notwithstanding anything to the contrary in the Master Contract, this Agreement shall be governed by and construed in accordance with the laws of the State of California, without regard to its conflict of laws principles. Any litigation to enforce or interpret this Agreement shall be filed and prosecuted in a state or federal court in California where venue is proper and that has jurisdiction over the parties and the subject matter of the litigation. During the term of this Agreement, the Contractor shall remain registered in good standing with the California Secretary of State and maintain an agent for service of process in California.

At all times during the term of this Agreement, neither party will function as or represent itself to be the other party or its agent, and no officer, employee or agent of one party shall hold himself or herself out to be an officer, employee or agent of the other party. Products & Services Pricing and Market Basket (Appendix E)

Appendix E – Price Sheet for Products/Services/Market Basket/Core List

a. Complete Appendix E – Price Sheet for Products/Services/Market Basket/Core List

Print and digital copies of Appendix E are enclosed.

a) Products and Pricing (RFP pg. 14)

b. Provide details of and propose, special manufacturer's offers, minimum order quantity, free goods program, total annual spend, etc.

If an agency enters into a signed "piggyback" agreement with Kimball Midwest to utilize OMNIA Partners, and the combined spend of accounts under that agreement exceeds $200k in a calendar quarter, accounts under that agreement will receive a 2% discount on all purchases in the following calendar quarter. This discount will be automatically renewed for the duration of the contract while their combined spend continues to exceed $200K (post-discount) per quarter. All Kimball Midwest purchases, including specially sourced non-stock items, are eligible.

c. Contractor(s) shall offer Region 4 ESC and participating agencies any published price reduction during the Contract term.

Published price reductions, such as promotions, will be made available to Region 4 ESC and participating agencies.

d. Region 4 ESC requests pricing be submitted as not to exceed pricing. Unlike fixed pricing, the Contractor can adjust submitted pricing lower if needed but, cannot exceed original pricing submitted. Contractor must allow for lower pricing to be available for similar product and service purchases. Cost plus pricing as a primary pricing structure is not acceptable.

We understand prices proposed in our response are to be price ceilings. Should market conditions warrant price updates, a modification request and supporting justification will be submitted to Region 4 ESC for review. Such items would retain proposal pricing until the modification is authorized by Region 4 ESC.

Midwest Motor Supply Company, Inc. was founded in Columbus, Ohio in 1933 and incorporated in 1955. In 1984, the Company acquired the Kimball Company, founded in Cleveland, Ohio in 1923. Thereafter, the Company has conducted business as Kimball Midwest.

Kimball Midwest is one of the largest distributors in the industrial maintenance aftermarket in the United States, currently ranked 36 in Industrial Distribution's annual publication of "The Big 50" MRO suppliers and 40 in Modern Distribution Management's Top 40 Industrial Distributors list for 2019. Kimball Midwest's sales growth has been very dynamic, increasing from less than $1 million in 1983 to more than $270 million today. Major industries served includes Agriculture, Automotive, Construction, Manufacturing, Oil and Gas, Mining, Wholesale, and Government- including Schools and Institutions of Higher Education.

Government Sales

Kimball Midwest's Sales team is experienced in developing and managing large-scale accounts and contracts for corporate entities, cooperatives, and agencies at all levels of government. They are well-versed in fulfilling reporting and fee obligations on a scheduled basis, including for our current National IPA/OMNIA Partners contract. Since its award in 2015, we are pleased to share this program has continued to set new benchmarks nearly every month, now involves over 1900 accounts nationwide, and has experienced 70% sales growth over last year.

Kimball Midwest also has experience in the federal sector, having maintained a GSA schedule since 2003. The program is run by employees with firsthand knowledge of federal systems and procurement so that they can guide our sales personnel appropriately and develop initiatives to continue growing our federal customer base. Our GSA sales have experienced consistent annual growth, of which 2019 sales have grown 23% over 2018. To support this program, a detailed SOP providing essential knowledge when selling to Federal customers is issued to all Sales Reps using the program. Flyers with contract pricing feature high-demand products and are catered to specific federal department's needs.

Having fulfilled the maintenance supply needs of government agencies for decades, and National IPA participants for nearly 5 years, Kimball Midwest is ready to satisfy the obligations outlined in this proposal from day one.

National Presence

Kimball Midwest has a national Sales and Service team of over 1,000 representatives who provide hands-on support for their accounts. They are backed by a national network of distribution centers in Columbus, OH; Savannah, GA; Reno, NV; and Dallas, TX which are each fully stocked with 100% of Kimball's product line.

Sales Force Education & Training

We have been training our national sales force on leveraging the current agreement through National IPA for close to 5 years. Sales training is performed in multiple formats, each emphasizing the key points that make cooperative purchasing appealing, such as the contract being "competitively solicited and publicly awarded by a lead government agency" and "no cost to participate," as well as covering who can use it. The "who" is a very important topic we explore in-depth, providing multiple examples of agency types, and encouraging Reps to consider the accounts they're already supporting which qualify.

Training is conducted in-person at sales meetings, group webinars, and one-on-one over the phone. We have also composed and issued supporting literature and video.

National Coverage / Delivery

Products ship from one of our full-service distribution centers, which are located in Columbus, Ohio; Reno, Nevada; Dallas, Texas; and Savannah, Georgia. These facilities are each fully stocked with Kimball's entire catalog and average an industry-leading 99+% fill rate. The warehouse whose proximity enables fastest fulfillment is assigned as the customer's primary distribution center. However, in the event a product is unable to ship from that warehouse, another can be alerted to fill the item at no additional charge.

We utilize industry leading parcel carriers. Our proposal includes no-charge standard ground shipping within the continental United States and there is no minimum order requirement to qualify for the free freight. Orders shipping to Alaska, Hawaii, U.S. Territories and Outlying Areas would be subject to an additional charge.

Expedited shipping is available upon request. Freight charges are dependent upon weights, package dimensions, and delivery cut-off times so fees would be quoted at the time of order.

Non-Stock product delivery may require up to 10 business days. Date estimates can be confirmed during the quoting process.

Marketing

Kimball Midwest markets our current contract through a diverse set of tools in print and digital media. Among these are press releases, line cards for customers, SOP guides for Sales Reps, and a dedicated OMNIA Partners page on our website. We also leverage social media to create awareness of Kimball Midwest and our products to generate leads for our sales force. We use email marketing campaigns to nurture those leads and to expose our products and services to our customers. Further details can be found in section 3.3.

Tracking & Reporting

The structure of account set up at Kimball Midwest guarantees price accuracy for contract users, regardless of the ordering system they use. To make a purchase, customers are issued an individual account which they use with any Kimball Midwest ordering method. The contract price book is assigned to their account, ensuring every order has the correct price no matter how they placed it. Additionally, their invoice and packing slip settings change so that the contract number prints on these documents and displays on their quotes- a visual confirmation their order is on contract.

Upon request, we can generate a sales order history report which customers may wish to compare against their own records. Essential fields would include order dates, invoice numbers, part numbers, quantities ordered and shipped, unit price paid and extended price. Additional fields can be provided based on their individual needs.

b. The successful Offeror will be required to sign Appendix D, Exhibit B, OMNIA Partners Administration Agreement prior to Contract award. Offerors should have any reviews required to sign the document prior to submitting a response. Offeror's response should include any proposed exceptions to OMNIA Partners Administration Agreement on Appendix B, Terms and Conditions Acceptance Form.

These are enclosed.

c. Include completed Appendix D, Exhibits F. Federal Funds Certifications and G. New Jersey Business Compliance.

These are enclosed.

d. Describe how Offeror responds to emergency orders.

It is important to note that for customers using our VMI programs, essential products are stored at the customer's site, minimizing the occurrence / necessity of emergency orders. That being said, in the case of an emergency need, every second counts and waiting on backorders is not an option. With an order fill rate exceeding 99%+ and nearly 80% of our inventory dollars going towards product made in the USA, this drastically improves Kimball Midwest's lead times compared to companies which primarily source overseas. Whether expediting orders from suppliers to our own warehouse or arranging direct shipments to a customer's site, we possess an agile pipeline between our purchasing team and domestic supplier partners.

Furthermore, every Kimball Midwest distribution center is fully stocked with our entire catalog, equipping them to swiftly respond to emergency requests, regardless if a customer is outside of their standard geographic distribution area. Such orders are also given highest fulfillment and shipping priority.

e. Describe Offeror's customer service/problem resolution process. Include hours of operation, number of services, etc.

Participating entities can expect prompt and courteous service 8am to 5pm in their time zones, whether through their Kimball Midwest Sales Representative or our Customer Service department. Through support from our corporate office and field Sales Reps, we service all customers according to Kimball Midwest's exceptional standards and practices. This is evidenced by our monthly service goals of not only answering 99% of all calls but 95% of calls being answered within 10 second or less. While these goals are often met, there is a messaging system in place for any missed calls.

Customer satisfaction is a priority for all employees at Kimball Midwest. We strive to handle all problems quickly so that customers will have a positive experience with us. Problem resolution involves actively listening to the customer, identifying a solution, and taking expedient action to correct the situation. Information is passed on to any involved Sales Rep, sales manager, or internal department so that they may take corrective steps where necessary. With a goal to resolve all requests within 1 business day, most are reconciled the same day they're reported.

Preventing problems is equally as important as resolving them. Both the fill rate and accuracy rate of all Kimball Midwest distribution centers exceeds 99%. By establishing proactive checks and measures to sustain these high service rates, customers can trust their orders with Kimball Midwest will be accurate and on-time.

f. Describe Offeror's invoicing process.

Orders are submitted upon the customer's authorization, alerting our distribution centers to fill the order. Our system invoices orders upon shipment and customers are only billed for the items which shipped. E-mail is the preferred method of delivery, but invoices can also be faxed or mailed based on customer preference. Payment is due 30 days following the invoice date and payment terms are 1% 10 days, Net 30.

g. Describe Offeror's contract implementation/customer transition plan. As an example, attach a high-level project schedule, with milestones from each implementation phase. Include training that customer will receive as part of the transition.

As an incumbent vendor, Kimball Midwest's focus will be on building off of our OMNIA Partners program's existing success and continue the rampant program growth seen over the last 5 years. In preparation Kimball is already committed to adding an OMNIA Partners Program Manager in 2020. This individual's attention will be on continuing to drive new business and promoting awareness of this specific agreement. They will present on the contract at sales meetings, ride along with reps to help them speak to customers on co-op purchasing, host training webinars, create company-wide contests around the program, closely monitor sales performance, etc. This is in addition to the processes Kimball has developed to support the OMNIA Partners program over the last several years.

Phase 1: Preparing materials for program launch to the sales force and existing / prospect customers within Kimball's database

Week 1: Update existing literature (SOPs, line cards, internal guidebooks, etc.) and training content with new contract information, including customer's step-by-step instructions on how to register with OMNIA Partners online.

Week 1-2: Creation of content for a digital marketing promotion/campaign

Phase 2: Notification to Kimball's Sales Force and existing OMNIA Partner customers

Week 1: Email Communication to entire Sales Force with announcement of new OMNIA Partners contract award.

Week 2: Send out Digital Marketing campaign to all existing / prospect customers within Kimball's database with announcement of new OMNIA Partners contract award.

Phase 3: Additional Sales Rep training

Months 1-3: The first 3 months of award will be spent traveling to district, regional, and national sales meetings re-introducing Kimball reps and managers to OMNIA Partners and explaining best practices, discussion points, and understanding the do's and don'ts when educating customers on cooperative purchasing. A training video for our Sales Force already exists today which walks them through multiple different scenarios when talking with customers about the program.

Phase 4: Customer Training

Month 1: Kimball will work with our Sales Development training team to include the benefits of OMNIA Partners, Public Sector in our applicable customer-facing presentations.

On-going:

Through continuous education company-wide, our reps, managers and internal staff are well equipped to explain the benefits of cooperative purchasing to eligible customers. We first and foremost promote the value Kimball Midwest can bring to their shop (through shop surveys, product demos, a material management systems presentation, etc.), while also educating key personnel on the benefits of using the contract. This comes in the form of sharing customer facing literature, success stories with similar agencies (customer references), as well as being a true partner and explaining how the customer also benefits from OMNIA Partners, Public Sector's overall portfolio.

Additionally, we have had great success showing customers in-person how easy it is to register, along with issuing step-by-step instructions via e-mail which they can follow at their convenience.

h. Describe the financial condition of Offeror.

As mentioned elsewhere, Kimball has been a healthy and growing company for decades, with sales exceeding $270 million today. Since 2014 Kimball Midwest has regularly engaged Deloitte to perform an outside audit, in which they have consistently issued a clean audit/review opinion.

A copy of our Dun & Bradstreet report is attached.

i. Contractors that have retail stores shall have appropriate procedures in place to ensure contract pricing on all product lines to member agencies. Describe how agencies choosing to pick up orders will receive the correct contract pricing. Indicate how volume will be tracked and reported to OMNIA Partners.

While we do not have retail locations, customers near our warehouses in Columbus, Reno, Dallas, and Savannah can place orders with their Sales Reps or online for pick up from the sales counter later that day.

The nature of account set up at Kimball Midwest guarantees price accuracy for contract users. To make a purchase, customers are issued an individual account which they can use with any Kimball Midwest ordering method. The contract price book is assigned to their account, ensuring every order has the correct price, regardless if they order through their Sales Rep, over the phone, or online. Items restricted on a contract can also be controlled to prevent them from being ordered.

In conjunction with agreements being linked to individual accounts, their usage is also identifiable at the order level. To report volume and sales back to OMNIA Partners we will use the same process we have been using to successfully produce our National IPA reports: a query is run against our sales data which exports the order history of all accounts in our system that are set up on a contract's price book. Their orders placed on contract are easily identified because the order price book's code will be the same code as the contract.

j. Payment terms/options. Include standard payment terms, early payment discounts and forms of payment accepted. Also state the Convenience Fee, if allowable, per the Visa Operating Regulations.

We accept cash, check, and credit cards (including P-Cards), with credit being the preferred method. Cash and check payments made within the first 10 days will receive a 1% discount.

c. Describe Offeror's reputation of products and services in the marketplace

Providing quality products and services are two of the three main elements of Kimball's mission statement. (The third being availability of those products and services.) From the beginning we've known that the quality of our products is important to our customers. We stock in excess of 49,000 superior-quality MRO parts, hardware and shop supply items. Having one of the industry's broadest product lines provides our customers with single-source availability.

Our product lines range from fasteners to chemicals and from electrical items to shop supplies and body shop parts. They are designed specifically for the maintenance aftermarket to prevent or reduce downtime, improve safety, and decrease our customers' overall costs. Many of our products are manufactured to our specifications and are demonstrably superior to commodity products. Every product

in the product line is fully warranted against defect in material or manufacture, a value-added service to our customers.

Additionally, our highly responsive Special Order Department rapidly sources non-cataloged and/or hard-to-find products, giving us access to over 550,000 additional items for our customers.

Kimball Midwest products are selected because they get the job done faster, safer, and more cost effectively. Not every product makes the grade. In fact, fewer than one out of ten items our product experts review makes the cut. Customers know that when they buy from Kimball Midwest, they purchase a product that meets exacting standards on which they can rely.

Coinciding with the emphasis on product is the strong commitment to high quality service. As mentioned as part of Kimball's differentiation, all Kimball sales representatives, regardless of past experience, undergo regimented and measured training that spans on average 12 months. This ensures a standard approach and a quality experience for each of Kimball's customers.

Kimball Midwest also has experience in the federal sector, having maintained a GSA schedule since 2003. The program is run by employees with firsthand knowledge of federal systems and procurement so that they can guide our sales personnel appropriately and develop initiatives to continue growing our federal customer base. Our GSA sales have experienced consistent annual growth, of which 2019 sales have grown 23% over 2018. To support this program, a detailed SOP providing essential knowledge when selling to Federal customers is issued to all Sales Reps using the program. The most applicable experience our team has is our National IPA program around contract R142105. Since its award in 2015, we are pleased to share this program has continued to set new benchmarks nearly every month, now involves over 1900 accounts nationwide, and has experienced 70% sales growth over last year. Value Add

Supplies/Balance of Line

Respondents are encouraged to offer everything in their entire catalogue that falls within the scope of MRO Supplies. Region 4 ESC reserves the right to reject parts of offerings that it deems to fall outside the scope of the RFP. All products offered shall be new, unused and of the latest design and technology.

Kimball Midwest's proposal is for its entire stock catalog. We carry in excess of 49,000 superior-quality MRO parts, hardware and shop supply items and can source over 550,000 non-cataloged and/or hard-to-find products. Having one of the industry's broadest product lines provides our customers with single-source availability.

Our product lines range from fasteners to chemicals and from electrical items to shop supplies and body shop parts. Many of our products are manufactured to our specifications and are demonstrably superior to commodity products. Every product in the product line is fully warranted against defect in material or manufacture, a value-added service to our customers.

Related Services

Respondents should submit auditable pricing for any and all related services offered.

Non-Stock

Kimball Midwest has access to over 550,000 "sourced products" from our existing supplier network. These are items we do not stock in our warehouse, so pricing is obtained from the source upon request. This allows quotes to be market-based which can provide savings against an annually set MSRP. There is no fee for this service and orders are only placed after a customer acknowledges and approves their quote.

Custom Kits

A service Kimball Midwest offers is assembling custom kits comprised of any products in our catalog. An analysis is done on the time and effort taken by the customer to assemble the consumable components necessary to perform a recurring maintenance function. In some cases, it is more operationally efficient for Kimball to utilize its in-house packaging and product resources to pre-assemble the components into a single package solution. The newly created single package item is then maintained in inventory. When put into use by the customer, the time savings created by utilizing a custom kit lowers the customer's overall cost.

New Product Demos

They say a picture is worth a thousand words. In the world of MRO products, a presentation without a demonstration is just a conversation. Our experienced professionals won't just talk about our superior products, they'll take the time to show users. OMNIA Partner's participants can see the results with their own eyes, have the opportunity to ask questions, and even try the product before buying.

Training & Education

The ability to provide on-site and/or online training and education programs/seminars.

Safety Seminars

Kimball Midwest's Sales Reps are equipped to provide superior, on-site training seminars on Hydraulic and Fluid Flow, Cutting Tools, Fasteners, Welding, Abrasives and other MRO product classes encompassed by the contract. Training curriculum stresses best safety practices, which in turn works to minimize operating down time. These seminars convey vital information in an engaging multi-media format: videos, live demonstrations, and printed materials present vivid visual solutions to your safety concerns. These materials are directed toward anyone concerned with on-the-job safety and quality assurance.

All seminars, welding excluded, would be offered at no charge to participants.

Seminar Descriptions

1. General Safety Seminar: With all the safety regulations in effect today, shop safety and a safe working environment is very critical. Increased productivity and reduced downtime are the #1 by-products of a safe work place.
2. Cutting Tool Safety Seminar: Cutting Tools are used in many applications every day. Most cutting tool failures do not result from poor tool design or manufacturing. Where you find cutting tools, you will find tool failure due to improper applications, lost time and products, wasted materials, and unsafe working conditions. This seminar covers the many considerations that must be addressed when choosing the proper cutting tool.
3. Fastener Safety Seminar: Counterfeit, untraceable fasteners are flooding the nations by the millions. The use of these dangerous parts can result in liability concerns due to equipment failure, serious personal injury, or even worse, fatalities. Now, Kimball Midwest shows you ways to minimize your liability risks through management practices.
4. Chemical Safety Seminar: With all the safety regulations in effect today, shop supply items such as maintenance chemicals have become a very critical area. Changing technology and product formulations have made keeping up with the latest in maintenance chemicals a challenging task. Kimball Midwest's Chemical Clinic is designed to offer an overview of the different chemical types available, as well as to provide valuable information on the proper usage, disposal, and storage of those chemicals to minimize waste and dangerous environment conditions.
5. Abrasive Safety Seminar: With the wide range of abrasive products available, selecting the right product for the proper application has become increasingly important. Coupled with the need for maximum productivity and worker safety, the use of today's abrasive technologies presents unique challenges. Kimball Midwest's Abrasives Products Safety Seminar will offer an overview of proper abrasive selection, application, and safety in the workplace.
6. Electrical Safety Seminar: Studies have shown that 60% of unscheduled equipment maintenance is electrical related. The use of dangerous, substandard parts can lead to equipment failure and serious injuries to you and your staff. Let Kimball Midwest show you ways to minimize your risk through sound safety practices.

7. Brass/Hydraulic Safety Seminar: Because it is important to select the right hose and fit ting for the job, Kimball Midwest provides a seminar on hydraulic safety. You will learn the material make-up of hoses, its functions, the problems with ordinary systems and the results you can expect with replacement using appropriate parts.

8. Welding Safety Seminar: Proper welding requires quality products, an informed, knowledgeable welder and the utmost in worker safety. Today's sophisticated equipment utilizing a wide range of metal materials demands more than just a worker who can 'draw a bead between two surfaces.' You can rely on the Kimball Midwest Welding Safety Seminar to offer information, technique, and the latest in safety practices to assist in achieving your welding quality objectives.

Other Services

Other value-add services not included in above categories including trade-ins, leasing, financing and include the pricing structure for each of these items.

Vendor Managed Inventory (VMI)

Kimball Midwest offers VMI solutions for many of our products. In this program a Kimball Midwest Sales Rep acts as an inventory specialist for each set-up to ensure a member's facilities always have the correct amount of stock on hand, giving agencies the convenience and time savings of onsite product access without the overhead of an additional employee. Inventory levels are established with management and are maintained each visit. PO requirements can be accommodated and requests to secure authorization prior to placing re-stock orders are honored.

A well-devised, customized VMI system is designed to eliminate obsolete inventory, standardize product, set appropriate inventory levels, and maximize efficiencies. Kimball Midwest's approach to this vital component of any well-organized shop begins and ends with getting to know each customer and their requirements. When every shop is unique, cookie cutter solutions won't do. Instead, we offer a tailored methodology to meet each agency's individual needs.

Our trained Sales Representatives work closely with customers to identify and ensure they will have the quality parts they need exactly when they need them. They visit sites regularly, meet with team members, and effectively manage inventory- being conscientious of avoiding both overstock and understock problems.

Our Maintenance Efficiency Centers (MECs) are key to preventing time and energy being wasted looking for misplaced product. MECs are convenient setups which organize those nickel-and-dime nuisance items in well-labeled drawers and bins, thus reducing hidden costs of disorderly inventory: equipment downtime, frequency of purchase orders, time spent receiving and putting away orders, emergency pickups, and more.

The "king" of shop organization is Kimball Midwest's exclusive Materials Management System (MMS), a dynamic organizational system ideal for mid-to-large sized shops. The MMS process begins when our experts conduct a no-obligation shop survey to understand the site's specific challenges. We then offer a detailed analysis with recommendations to effectively lower the site's total MRO costs.

A standard part of any Kimball Midwest VMI service is performing an annual inventory analysis and review, along with providing customers usage reports. These reports are mutually valuable as they afford us the opportunity to receive important feedback and learn if there are areas where our services can improve.

We can also review spending habits and make standardization and cost savings recommendations where applicable. Reporting content and scheduled frequency can be tailored to the member's operational needs at any time.

Obsolescence Agreements

This valuable program saves customers from having to write off obsolete merchandise as a total loss when updating their inventory. Through this program, Kimball Midwest offers credit for any overstocked, obsolete or non-usable inventory supplied by the previous vendor we are replacing. We also accept for return any unused, obsolete Kimball Midwest merchandise in exchange for credit. The customer is given a list of each item being returned and the credited value and receives a set discount percentage off their future invoices until the credit is exhausted.

Note: availability is dependent upon compatibility with an agency's inventory disposal regulations.

'True Partners' Work Order Management Software

Kimball Midwest's 'True Partners' is a proprietary work order management system which helps shops monitor the cost of small, consumable items used during repairs. This easy to use, cloud-based system enables customers to easily create work orders and the equipment associated with it. Users can then add items to the order, tracking costs associated with it. Since custom items are easy to create, customers can track all items needed for repair, not just those from Kimball Midwest. This can even include labor rates to capture a fuller view of job/equipment based repair costs.

Professional reports can be run to view costs, or track by item, user, equipment, or shop (and more) over a specified date range. True Partners requires no software downloads as it is accessed entirely online and at no cost.

A video demo of True Partners can be viewed on our website:
https://www.kimballmidwest.com/Services/Value-Added/True-Partners/

Shipping Policy

Prices in our proposal include standard ground shipping within the continental U.S. All orders received before 3pm in the customer's time zone will ship same day and are guaranteed to arrive within 3 business days or less after receipt of order. In fact, 85% of shipments are delivered within 24 hours of leaving our warehouse and 97% are delivered within 48 hours.

Ordering Capabilities

- The successful Offeror shall provide an electronic on-line catalogue and have a fully operational website that enables on-line ordering by the individual member agencies. Features shall include, product lookup that indicates Region 4 contract price; ability to set purchasing authorization limits; ability to download order invoice history reports.

Kimball Midwest's online storefront at www.KimballMidwest.com allows customers to browse our full line of products and make purchases. The site has a multi-dimensional navigation structure and a suggestive search box to make finding the correct parts easy and intuitive. Customers are also able to browse by choosing a specific category and drilling down through additional sub categories. The sub-category hierarchy for each item is listed on their product pages as clickable links. This helps users to

browse related items without searching from square-one and facilitates narrowing down a lengthy list of products to the specific item they're looking for.

Our website site allows users to create a unique profile where, once logged-in, they can view their contract pricing, manage their account and add additional users, add items to their cart, and place orders. Users can view the status of online orders, track shipments, and view their order history. They can also search historical purchases and reorder those items as desired. Additional conveniences include:

- Access invoices and make payments
- View their pricing
- Search PO numbers
- Track Packages
- Create and save personal wish lists
- Preview and print SDS and USDA sheets
- P-Cards are accepted
- Accounts can be designated as "Hold for PO" as a default ordering parameter which will apply to all online orders.

Specific items or product categories can be restricted from online ordering. Restrictions are controlled at the account level and prevent the items from appearing to the logged in user.

Multiple training options are available for users to learn more about using our website. Aside from various literature that highlights features of our site, hands-on training is available with any of our 1,000+ Sales Representatives. Participating Agencies can also contact our e-commerce team by phone for direct support. Group webinars can also be arranged.

• Contractors shall have items either delivered to the customer's jobsite or available for pickup at the closest Supplier Retail location.

The majority of orders are delivered to the customers jobsites, with customers within proximity of our four distribution centers having the option to request an order be held for pick up at the warehouse.

Product/Price Updates

• New products/services may be added during the term of the contract upon written request providing it is within the original scope of this RFP. All requests are subject to review and approval by Region 4 ESC. At no time is the Supplier allowed to unilaterally change products or pricing.

SPECIAL CONDITIONS

The below clauses are applicable to the Offer; by Submitting a Sealed Proposal the Offeror is accepting these Special Conditions:

Conflicts of Interest

No employee, officer, or agent may participate in the selection, award, or administration of a contract supported by a FEMA award if he or she has a real or apparent conflict of interest. Such a conflict would arise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of these parties, has a financial or other interest in or a tangible personal benefit from a firm considered for award. 2 C.F.R. § 200.318(c)(1); See also Standard Form 424D, ¶ 7; Standard Form 424B, ¶ 3.
i. FEMA considers a "financial interest" to be the potential for gain or loss to the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of these parties as a result of the particular procurement. The prohibited financial interest may arise from ownership of certain financial instruments or investments such as stock, bonds, or real estate, or from a salary, indebtedness, job offer, or similar interest that might be affected by the particular procurement. ii. FEMA considers an "apparent" conflict of interest to exist where an actual conflict does not exist, but where a reasonable person with knowledge of the relevant facts would question the impartiality of the employee, officer, or agent participating in the procurement. c. Gifts. The officers, employees, and agents of Region 4 ESC nor the Participating Public Agency ("NFE") must neither solicit nor accept gratuities, favors, or anything of monetary value from contractors or parties to subcontracts. However, NFE's may set standards for situations in which the financial interest is de minimus, not substantial, or the gift is an unsolicited item of nominal value. 2 C.F.R. § 200.318(c)(1). d. Violations. The NFE's written standards of conduct must provide for disciplinary actions to be applied for violations of such standards by officers, employees, or agents of the NFE. 2 C.F.R. § 200.318(c)(1). For example, the penalty for a NFE's employee may be dismissal, and the penalty for a contractor might be the termination of the contract.

Contractor Integrity

A contractor must have a satisfactory record of integrity and business ethics. Contractors that are debarred or suspended as described in Chapter III, ¶ 6.d must be rejected and cannot receive contract awards at any level.

Public Policy

A contractor must comply with the public policies of the Federal Government and state, local government, or tribal government. This includes, among other things, past and current compliance with the:
a. Equal opportunity and nondiscrimination laws
b. Five affirmative steps described at 2 C.F.R. § 200.321(b) for all subcontracting under contracts supported by FEMA financial assistance; and FEMA Procurement Guidance June 21, 2016 Page IV- 7
c. Applicable prevailing wage laws, regulations, and executive orders

Affirmative Steps

For any subcontracting opportunities, Contractor must take the following Affirmative steps:

1. Placing qualified small and minority businesses and women's business enterprises on solicitation lists;
2. Assuring that small and minority businesses, and women's business enterprises are solicited whenever they are potential sources;
3. Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women's business enterprises;
4. Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority businesses, and women's business enterprises; and
5. Using the services and assistance, as appropriate, of such organizations as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce;

Federal Requirements

Services issued under this contract may be in response to an emergency or disaster recovery situation and eligible for federal funding; Services issued in response to an emergency or disaster recovery situation are subject to and must comply with all federal requirements applicable to the funding. The remaining items below, located in this Special Conditions section, are activated and required when federal funding may be utilized.

2 C.F.R. § 200.326 and 2 C.F.R. Part 200, Appendix II, Required Contract Clauses

1. Termination for Convenience:

The right to terminate this Contract for the convenience of Region 4 ESC is retained by Region 4 ESC. In the event of a termination for convenience by Region 4 ESC, Region 4 ESC shall, at least ten (10) calendar days in advance, deliver written notice of the termination for convenience to Contractor. Upon Contractor's receipt of such written notice, Contractor immediately shall cease the performance of the Work and shall take reasonable and appropriate action to secure and protect the Work then in place. Contractor shall then be paid by Region 4 ESC, in accordance with the terms and provisions of the Contract Documents, an amount not to exceed the actual labor costs incurred, the actual cost of all materials installed and the actual cost of all materials stored at the project site or away from the project site, as approved in writing by Region 4 ESC but not yet paid for and which cannot be returned, and actual, reasonable and documented demobilization costs, if any, paid by Contractor and approved by Region 4 ESC in connection with the Scope of Work in place which is completed as of the date of termination by Region 4 ESC and that is in conformance with the Contract Documents, less all amounts previously paid for the Work. No amount ever shall be owed or paid to Contractor for lost or anticipated profits on any part of the Scope of Work not performed or for consequential damages of any kind.

2. Equal Employment Opportunity:

Region 4 ESC highly encourages Contractors to implement Affirmative Action practices in their employment programs. This means Contractor should not discriminate against any employee or applicant for employment because of race, color, religion, sex, pregnancy, sexual orientation, political belief or affiliation, age, disability or genetic information.

During the performance of this contract, the contractor agrees as follows:

(1) The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following: Employment, upgrading, demotion, or transfer, recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the contracting officer setting forth the provisions of this nondiscrimination clause.

(2) The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.

(3) The contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.

(4) The contractor will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice to be provided by the agency contracting officer, advising the labor union or workers' representative of the contractor's commitments under section 202 of Executive Order 11246 of September 24, 1965, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(5) The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

(6) The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by the rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the contracting agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

(7) In the event of the contractor's non-compliance with the nondiscrimination clauses of this contract or with any of such rules, regulations, or orders, this contract may be canceled, terminated or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

(8) The contractor will include the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as may be directed by the Secretary of Labor as a means of enforcing such provisions including sanctions for noncompliance: *Provided,* however, that in the event the contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction, the contractor may request the United States to enter into such litigation to protect the interests of the United States.

3. "During the performance of this contract, the contractor agrees as follows:

(1) The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, or national origin. Such action shall include, but not be limited to the following: Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

(2) The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive considerations for employment without regard to race, color, religion, sex, or national origin.

(3) The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(4) The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

(5) The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

(6) In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions as may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

(7) The contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (7) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance: Provided, however, That in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency the contractor may request the United States to enter into such litigation to protect the interests of the United States."

4. Davis Bacon Act and Copeland Anti-Kickback Act.

a. Applicability of Davis-Bacon Act. The Davis-Bacon Act only applies to the emergency Management Preparedness Grant Program, Homeland Security Grant Program, Nonprofit Security Grant Program, Tribal Homeland Security Grant Program, Port Security Grant Program, and Transit Security Grant Program. **It does not apply to other FEMA grant and cooperative agreement programs, including the Public Assistance Program**.

b. All prime construction contracts in excess of $2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. §§ 3141-3144 and 3146-3148) as supplemented by Department of Labor regulations at 29 C.F.R. Part 5 (Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction)). See 2 C.F.R. Part 200, Appendix II, ¶ D.

c. In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week.

d. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.

e. In contracts subject to the Davis-Bacon Act, the contracts must also include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. § 3145), as supplemented by Department of Labor regulations at 29 C.F.R. Part 3 (Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States). The Copeland Anti-Kickback Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to FEMA.

f. The regulation at 29 C.F.R. § 5.5(a) does provide the required contract clause that applies to compliance with both the Davis-Bacon and Copeland Acts. However, as discussed in the previous subsection, the Davis-Bacon Act does not apply to Public Assistance recipients and subrecipients. **In situations where the Davis-Bacon Act does not apply, neither does the Copeland "Anti-Kickback Act.**" However, for purposes of grant programs where both clauses do apply, FEMA requires the following contract clause:

"Compliance with the Copeland "Anti-Kickback" Act.

(1) Contractor. The contractor shall comply with 18 U.S.C. § 874, 40U.S.C. § 3145, and the requirements of 29 C.F.R. pt. 3 as may be applicable, which are incorporated by reference into this contract.

(2) Subcontracts. The contractor or subcontractor shall insert in any subcontracts the clause above and such other clauses as the FEMA may by appropriate instructions require, and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all of these contract clauses

(3) Breach. A breach of the contract clauses above may be grounds for termination of the contract, and for debarment as a contractor and subcontractor as provided in 29 C.F.R. § 5.12."

5. Contract Work Hours and Safety Standards Act.

a. Applicability: This requirement applies to all FEMA grant and cooperative agreement programs.

b. Where applicable (see 40 U.S.C. § 3701), all contracts awarded by the non-Federal entity in excess of $100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. §§ 3702 and 3704, as supplemented by Department of Labor regulations at 29 C.F.R. Part 5. See 2 C.F.R. Part 200, Appendix II, ¶ E.

c. Under 40 U.S.C. § 3702, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the workweek.

d. The requirements of 40 U.S.C. § 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or

transmission of intelligence.

e. The regulation at 29 C.F.R. § 5.5(b) provides the required contract clause concerning compliance with the Contract Work Hours and Safety Standards Act:

"Compliance with the Contract Work Hours and Safety Standards Act.

(1) Overtime requirements. No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek.

(2) Violation; liability for unpaid wages; liquidated damages. In the event of any violation of the clause set forth in paragraph (1) of this section the contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph (1) of this section, in the sum of $10 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in paragraph (1) of this section.

(3) Withholding for unpaid wages and liquidated damages. The (write in the name of the Federal agency or the loan or grant recipient) shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the contractor or subcontractor under any such contract or any other Federal contract with the same prime contractor, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime contractor, such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in paragraph (2) of this section.

(4) Subcontracts. The contractor or subcontractor shall insert in any subcontracts the clauses set forth in paragraph (1) through (4) of this section and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in paragraphs (1) through (4) of this section."

6. Rights to Inventions Made Under a Contract or Agreement.

a. Stafford Act Disaster Grants. This requirement **does not apply to the Public Assistance**, Hazard Mitigation Grant Program, Fire Management Assistance Grant Program, Crisis Counseling Assistance and Training Grant Program, Disaster Case Management Grant Program, and Federal Assistance to Individuals and Households – Other Needs Assistance Grant Program, as

FEMA awards under these programs do not meet the definition of "funding agreement."

b. If the FEMA award meets the definition of "funding agreement" under 37 C.F.R. § 401.2(a) and the non-Federal entity wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the non-Federal entity must comply with the requirements of 37 C.F.R. Part 401 (Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements), and any implementing regulations issued by FEMA. See 2 C.F.R. Part 200, Appendix II, ¶ F.

c. The regulation at 37 C.F.R. § 401.2(a) currently defines "funding agreement" as any contract, grant, or cooperative agreement entered into between any Federal agency, other than the Tennessee Valley Authority, and any contractor for the performance of experimental, developmental, or research work funded in whole or in part by the Federal government. This term also includes any assignment, substitution of parties, or subcontract of any type entered into for the performance of experimental, developmental, or research work under a funding agreement as defined in the first sentence of this paragraph.

7. Clean Air Act and the Federal Water Pollution Control Act. Contracts of amounts in excess of $150,000 must contain a provision that requires the contractor to agree to comply with all applicable standards, orders, or regulations issued pursuant to the Clean Air Act (42 U.S.C. §§ 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. §§ 1251-1387). Violations must be reported to FEMA and the Regional Office of the Environmental Protection Agency. See 2 C.F.R. Part 200, Appendix II, ¶ G.

a. The following provides a sample contract clause concerning compliance for contracts of amounts in excess of $150,000:

"Clean Air Act

(1) The contractor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act, as amended, 42 U.S.C. § 7401 et seq.

(2) The contractor agrees to report each violation to the (name of the state agency or local or Indian tribal government) and understands and agrees that the (name of the state agency or local or Indian tribal government) will, in turn, report each violation as required to assure notification to the (name of recipient), Federal Emergency Management Agency, and the appropriate Environmental Protection Agency Regional Office.

(3) The contractor agrees to include these requirements in each subcontract exceeding $150,000 financed in whole or in part with Federal assistance provided by FEMA.

Federal Water Pollution Control Act

(1) The contractor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Federal Water Pollution Control Act, as amended, 33 U.S.C. 1251 et seq.

(2) The contractor agrees to report each violation to the (name of the state agency or local or Indian tribal government) and understands and agrees that the (name of the state agency or local or Indian tribal government) will, in turn, report each violation as required to assure notification to the (name of recipient), Federal Emergency Management Agency, and the appropriate Environmental Protection Agency Regional Office.

(3) The contractor agrees to include these requirements in each subcontract exceeding $150,000 financed in whole or in part with Federal assistance provided by FEMA."

8. Debarment and Suspension.

a. Applicability: This requirement applies to all FEMA grant and cooperative agreement programs.

b. Non-federal entities and contractors are subject to the debarment and suspension regulations implementing Executive Order 12549, *Debarment and Suspension* (1986) and Executive Order 12689, *Debarment and Suspension* (1989) at 2 C.F.R. Part 180 and the Department of Homeland Security's regulations at 2 C.F.R. Part 3000 (Non procurement Debarment and Suspension).

c. These regulations restrict awards, subawards, and contracts with certain parties that are debarred, suspended, or otherwise excluded from or ineligible for participation in Federal assistance programs and activities. See 2 C.F.R. Part 200, Appendix II, ¶ H; and *Procurement Guidance for Recipients and Subrecipients Under 2 C.F.R. Part 200 (Uniform Rules): Supplement to the Public Assistance Procurement Disaster Assistance Team (PDAT) Field Manual* Chapter IV, ¶ 6.d, and Appendix C, ¶ 2 [hereinafter *PDAT Supplement*]. A contract award must not be made to parties listed in the SAM Exclusions. SAM Exclusions is the list maintained by the General Services Administration that contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549. SAM exclusions can be accessed at www.sam.gov. See 2 C.F.R. § 180.530; *PDAT Supplement,* Chapter IV, ¶ 6.d and Appendix C, ¶ 2.

d. In general, an "excluded" party cannot receive a Federal grant award or a contract within the meaning of a "covered transaction," to include subawards and subcontracts. This includes parties that receive Federal funding indirectly, such as contractors to recipients and subrecipients. The key to the exclusion is whether there is a "covered transaction," which is any non-procurement transaction (unless excepted) at either a "primary" or "secondary" tier. Although "covered transactions" do not include contracts awarded by the Federal Government for purposes of the non-procurement common rule and DHS's implementing regulations, it does include some contracts awarded by recipients and subrecipient.

e. Specifically, a covered transaction includes the following contracts for goods or services:

(1) The contract is awarded by a recipient or subrecipient in the amount of at least $25,000.

(2) The contract requires the approval of FEMA, regardless of amount.

(3) The contract is for federally required audit services.

(4) A subcontract is also a covered transaction if it is awarded by the contractor of a recipient or subrecipient and requires either the approval of FEMA or is in excess of $25,000.

d. The following provides a debarment and suspension clause. It incorporates an optional method of verifying that contractors are not excluded or disqualified:

"Suspension and Debarment

(1) This contract is a covered transaction for purposes of 2 C.F.R. pt. 180 and 2 C.F.R. pt. 3000. As such the contractor is required to verify that none of

the contractor, its principals (defined at 2 C.F.R. § 180.995), or its affiliates (defined at 2 C.F.R. § 180.905) are excluded (defined at 2 C.F.R. § 180.940) or disqualified (defined at 2 C.F.R. § 180.935).

(2) The contractor must comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C and must include a requirement to comply with these regulations in any lower tier covered transaction it enters into.

(3) This certification is a material representation of fact relied upon by (insert name of subrecipient). If it is later determined that the contractor did not comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C, in addition to remedies available to (name of state agency serving as recipient and name of subrecipient), the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment.

(4) The bidder or proposer agrees to comply with the requirements of 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C while this offer is valid and throughout the period of any contract that may arise from this offer. The bidder or proposer further agrees to include a provision requiring such compliance in its lower tier covered transactions."

9. Byrd Anti-Lobbying Amendment.

   a. Applicability: This requirement applies to all FEMA grant and cooperative agreement programs.

   b. Contractors that apply or bid for an award of $100,000 or more must file the required certification. See 2 C.F.R. Part 200, Appendix II, ¶ I; 44 C.F.R. Part 18; *PDAT Supplement*, Chapter IV, 6.c; Appendix C, ¶ 4.

   c. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. § 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award. See *PDAT Supplement*, Chapter IV, ¶ 6.c and Appendix C, ¶ 4.

   d. The following provides a Byrd Anti-Lobbying contract clause:

"Byrd Anti-Lobbying Amendment, 31 U.S.C. § 1352 (as amended)

Contractors who apply or bid for an award of $100,000 or more shall file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant, or any other award covered by 31 U.S.C. § 1352. Each tier shall also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the recipient."

APPENDIX A, 44 C.F.R. PART 18 – CERTIFICATION REGARDING LOBBYING

Certification for Contracts, Grants, Loans, and Cooperative Agreements (To be

submitted with each bid or offer exceeding $100,000)

The undersigned [Contractor] certifies, to the best of his or her knowledge, that:

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

3. The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by 31, U.S.C. § 1352 (as amended by the Lobbying Disclosure Act of 1995). Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

The Contractor, Midwest Motor Supply Co. Inc., dba Kimball Midwest, certifies or affirms the truthfulness and accuracy of each statement of its certification and disclosure, if any. In addition, the Contractor understands and agrees that the provisions of 31 U.S.C. § 3801 *et seq.*, apply to this certification and disclosure, if any.

10. Procurement of Recovered Materials.

a. Applicability: This requirement applies to all FEMA grant and cooperative agreement programs.

b. A non-Federal entity that is a state agency or agency of a political subdivision of a

state and its contractors must comply with Section 6002 of the Solid Waste Disposal Act, Pub. L. No. 89-272 (1965) (codified as amended by the Resource Conservation and Recovery Act at 42 U.S.C. § 6962). See 2 C.F.R. Part 200, Appendix II, ¶ J; 2 C.F.R. § 200.322; *PDAT Supplement*, Chapter V, ¶ 7.

c. The requirements of Section 6002 include procuring only items designated in guidelines of the EPA at 40 C.F.R. 11. Additional FEMA Requirements.

To be eligible for FEMA assistance under the non-Federal entity's FEMA grant or cooperative agreement, the cost of the change, modification, change order, or constructive change must be allowable, allocable, within the scope of its grant or cooperative agreement, and reasonable for the completion of project scope. FEMA recommends, therefore, that a non-Federal entity include a changes clause in its contract that describes how, if at all, changes can be made by either party to alter the method, price, or schedule of the work without breaching the contract. The language of the clause may differ depending on the nature of the contract and the end-item procured.

c. Access to Records.

All non-Federal entities must place into their contracts a provision that all contractors and their successors, transferees, assignees, and subcontractors acknowledge and

(2) The Contractor agrees to permit any of the foregoing parties to reproduce by any means whatsoever or to copy excerpts and transcriptions as reasonably needed.

(3) The contractor agrees to provide the FEMA Administrator or his authorized representatives access to construction or other work sites pertaining to the work being completed under the contract."

12. DHS Seal, Logo, and Flags.

a. All non-Federal entities must place in their contracts a provision that a contractor shall not use the DHS seal(s), logos, crests, or reproductions of flags or likenesses of DHS agency officials without specific FEMA pre-approval. See DHS Standard Terms and Conditions, v 3.0, ¶ XXV (2013).

b. The following provides a contract clause regarding DHS Seal, Logo, and Flags: "The contractor shall not use the DHS seal(s), logos, crests, or reproductions of flags or likenesses of DHS agency officials without specific FEMA pre- approval."

13. Compliance with Federal Law, Regulations, and Executive Orders.

a. All non-Federal entities must place into their contracts an acknowledgement that FEMA financial assistance will be used to fund the contract along with the requirement that the contractor will comply with all applicable federal law, regulations, executive orders, and FEMA policies, procedures, and directives.

b. The following provides a contract clause regarding Compliance with Federal Law, Regulations, and Executive Orders: "This is an acknowledgement that FEMA financial assistance will be used to fund the contract only. The contractor will comply will all applicable federal law, regulations, executive orders, FEMA policies, procedures, and directives."

14. No Obligation by Federal Government.

a. The non-Federal entity must include a provision in its contract that states that the Federal Government is not a party to the contract and is not subject to any obligations or liabilities to the non-Federal entity, contractor, or any other party pertaining to any matter resulting from the contract.

b. The following provides a contract clause regarding no obligation by the Federal Government: "The Federal Government is not a party to this contract and is not subject to any obligations or liabilities to the non-Federal entity, contractor, or any other party pertaining to any matter resulting from the contract."

For applicable construction/reconstruction/renovation and related services: A payment and performance bond are both required for 100 percent of the contract price. Midwest Motor Supply Company, Inc. was founded in Columbus, Ohio in 1933 and incorporated in 1955. In 1984, the Company acquired the Kimball Company, founded in Cleveland, Ohio in 1923. A core value of Kimball Midwest, one that permeates all our activities and interactions, is the concept of continuous improvement. Never satisfied, we are focused on cultivating an environment that is green and growing, not ripe and rotting. We always want to do it right, and do it right the first time, for our valued customers.

The recurring principle resonating throughout our business is an unmistakable focus on quality and it is woven through all we do. From day one, all customers are treated to the Kimball Midwest Experience: an approach to overall quality we have implemented to establish trust and reinforce our commitment to them. As a Kimball Midwest customer, OMNIA Partners participants witness this quality commitment in the high level of service they receive, the top-notch products they purchase, and the incomparable overall value they enjoy that effectively lowers their maintenance, repair, and operations (MRO) costs.

F. Describe any green or environmental initiatives or policies.

As a distributor, our ability to make an environmental impact centers around recycling at our distribution centers and being conscientious of the policies under which we do business.

Each of Kimball Midwest's facilities has a "green initiative" in their yearly Corporate Plans that involves recycling and reduction of utility consumption (electric and gas) and must report the results each quarter. The business's steady growth has afforded the opportunity to expand and remodel our facilities with focus on reducing our company's energy and water consumption.

Eco-conscientious practices we've adopted include:

- Converting to LED lighting inside and out at facilities
- Installing lighting occupancy sensors within our offices and warehouses
- Hands-free and low-flow restroom fixtures to reduce water consumption
- Materials we actively recycle include: corrugated cardboard, office paper, stretch wrap, cans, bottles, plastic barrels, pallets, batteries, and electronics
- Bottle and can recycling bins within the cafeteria and throughout the building

- Office-wide paper recycling for non-sensitive documents

G. Describe any diversity programs or partners supplier does business with and how Participating Agencies may use diverse partners through the Master Agreement. Indicate how, if at all, pricing changes when using the diversity program.

Kimball understands the importance of supporting small/disadvantaged businesses and currently partners with GT Industrial Supply (GTI) to enhance procurement opportunities for them within our customer base. By working with a complementary business, such as GTI, we assist customers with reaching their pre-determined diversity goals. Markup is determined based on service provided and level of involvement, but the customers are informed of the exact markup prior to using their service.

All products supplied by Kimball Midwest are made available as an extension to our MBE partner's product line. Products available for purchase from our MBE include, but are not limited to, Abrasives, Janitorial Supplies, Packaging, Safety Supplies, Electric, Paints & Chemicals, Fasteners and Pipe Fittings.

Depending on state requirements, our MBE partner(s) may need to register in that state and/or obtain a required business license before being able to conduct business.

H. Describe any historically underutilized business certifications supplier holds and the certifying agency. This may include business enterprises such as minority and women owned, small or disadvantaged, disable veterans, etc.

Kimball Midwest does not hold any historically underutilized business certifications. That said, Kimball Midwest recognizes the importance of supporting historically disadvantaged businesses and is dedicated to growing our existing partnerships with suppliers. We strive to create an environment in which we can develop sales and purchasing opportunities where we are able to utilize ESB/MBE/WBE capabilities. Our suppliers understand the mission of Kimball Midwest and together we evaluate areas where we can increase the number of products available to our customers.

We encourage potential ESB/MBE/WBE suppliers and partners to contact us through our website on our "Supplier Diversity Program" page: https://www.kimballmidwest.com/About-Us/Supplier-Diversity/

I. Describe how supplier differentiates itself from its competitors.

Our business model is the key factor which differentiates Kimball Midwest from its competitors. At Kimball, our Sales Reps do more than fill orders for their customers; they strive to be product experts and service the full spectrum of materials management: from determining need based on usage, to putting away inventory and maintaining order in their serviced area. They understand the importance of value versus price and carry this value-driven mindset throughout our business operations by carrying superior products at competitive prices. We train our sales force so they can work with each customer to find their perfect balance between price and quality.

Quality Commitment

Kimball Midwest products are designed, first and foremost, to be synonymous with Quality and Value. They are designed to be value-added solutions that will provide superior value – products that will help lower overall operating costs and increase operating efficiency.

When we look for additions to our line of 49,000+ very high quality products we are very discriminating regarding what we will allow to carry the Kimball Midwest brand. Products that can simply get the job done, eventually, are not what we are all about. Kimball Midwest products need to provide features and benefits well beyond the conventional, everyday products most of us encounter on a daily basis.

To be included in the Kimball Midwest family of products we look for superior solutions to the challenges faced in demanding operations. We know that if these products can handle the toughest applications, they'll make every job faster and easier.

These products need to provide:

1. Longer service life
2. Superior performance
3. Faster job completion
4. Reduced labor cost
5. Reduced equipment downtime
6. Increased user safety
7. The ability to make tough jobs easier

While there may be lower cost products that are designed for similar tasks as our products – and there is always a lower cost option available by giving up performance, service life and safety – our products are designed to provide a superior value.

Service Representatives

Further setting us apart is our quality control approach to maintaining an industry-leading service level exceeding 99%. This is achieved through the training, tenure, and product knowledge of our service reps, superior products, delivery reliability, and a structured review process- both in-house and with our customers.

Kimball Midwest takes a leading approach to the marketplace in terms of representative training, experience level, and additional support layers. All our sales representatives, regardless of past experience, undergo regimented multi-phase training lasting on average 12 months. Additionally, these representatives are backed up by a local, regional, and national sales management structure. The average tenure of our service reps is 7 years, a testament to the foundations built and maintained through training and company culture.

American-Made Commitment

Participants following "Buy America" provisions know they can save time and money when they're able to find the qualifying items they need from one source. Kimball Midwest is committed to its own "Buy American" policy. With 80% of our inventory dollars going to product made in the U.S.A., the long lead times with overseas sources are avoided for many high demand products. This focus allows traceability to the source of manufacture helping eliminate the possibility of substandard, misrepresented, mismarked, or counterfeit products being put into the supply chain. We believe in the American workforce and we're committed to providing superior quality products that are backed up by superior workmanship.

J. Describe any present or past litigation, bankruptcy or reorganization involving supplier.

Kimball Midwest is involved in various small pieces of commercial litigation as arise in the ordinary course of business. It has never filed bankruptcy or for reorganization, and no present or past litigation impacts Kimball Midwest's ability to perform under this contract.

K. Felony Conviction Notice: Indicate if the supplier

a. is a publicly held corporation and this reporting requirement is not applicable;

b. is not owned or operated by anyone who has been convicted of a felony; or

c. is owned or operated by and individual(s) who has been convicted of a felony and provide the names and convictions.

N/A - Kimball Midwest is privately owned and operated by no individuals convicted of a felony.

B. Describe how supplier proposes to distribute the products/service nationwide. Include any states where products and services will not be offered under the Master Agreement, including U.S. Territories and Outlying Areas.

Kimball Midwest employs over 1,000 Sales Representatives within the continental U.S. For customers in an area without a field Sales Rep, our Inside Sales staff is happy to provide support until a Rep is assigned to their area.

Products ship from one of our full-service distribution centers, which are located in Columbus, Ohio; Reno, Nevada; Dallas, Texas; and Savannah, Georgia. These facilities are each fully stocked with Kimball's entire catalog and average an industry-leading 99+% fill rate. The warehouse whose proximity enables fastest fulfillment is assigned as the customer's primary distribution center. However, in the

event a product is unable to ship from that warehouse, another can be alerted to fill the item at no additional charge.

We utilize industry leading parcel carriers. Our proposal includes no-charge standard ground shipping within the continental United States and there is no minimum order requirement to qualify for the free freight. Orders shipping to Alaska, Hawaii, U.S. Territories and Outlying Areas would be subject to an additional charge.

Expedited shipping is available upon request. Freight charges are dependent upon weights, package dimensions, and delivery cut-off times so fees would be quoted at the time of order.

Non-Stock product delivery may require up to 10 business days. Date estimates can be confirmed during the quoting process.

C. Describe how Participating Agencies are ensure they will receive the Master Agreement pricing; include all distribution channels such as direct ordering, retail or in-store locations, through distributors, etc. Describe how Participating Agencies verify and audit pricing to ensure its compliance with the Master Agreement.

The structure of account set up at Kimball Midwest guarantees price accuracy for contract users, regardless of the ordering system they use. To make a purchase, customers are issued an individual account which they use with any Kimball Midwest ordering method. The contract price book is assigned to their account, ensuring every order has the correct price no matter how they placed it. Additionally, their invoice and packing slip settings change so that the contract number prints on these documents and displays on their quotes- a visual confirmation their order is on contract.

Upon request, we can generate a sales order history report which customers may wish to compare against their own records. Essential fields would include order dates, invoice numbers, part numbers, quantities ordered and shipped, unit price paid and extended price. Additional fields can be provided based on their individual needs.

D. Identify all other companies that will be involved in processing, handling or shipping the products/service to the end user.

Product will be shipped directly to the account from one of Kimball Midwest's distribution centers. For users taking advantaged of our Vendor Managed Inventory services, their Sales Rep will oversee putting the product away and keeping stock. Kimball utilizes industry leading parcel carriers for the majority of shipments. Freight carriers for palletized shipments will vary based on delivery location and handling requirements.

E. Provide the number, size and location of Supplier's distribution facilities, warehouses and retail network as applicable.

We have 4 distribution centers strategically located nationwide and each is fully supplied with 100% of Kimball's stocked catalog. We do not have retail stores but customers near our distribution centers may place orders through their Sales Rep or our website and request pick up at the front counter.

C. Describe how Supplier will transition any existing Public Agency customers' accounts to the Master Agreement available nationally through OMNIA Partners, Public Sector. Include a list of current cooperative contracts (regional and national) Supplier holds and describe how the Master Agreement will be positioned among the other cooperative agreements.

Our National IPA program is our leading program for State and Local governments. If awarded, we would continue to market it accordingly. We would maintain co-branded fliers which highlight the positive points of interest in doing business with Kimball Midwest through OMNIA Partners, Public Sector. It would also maintain prominence in sales presentations and training sessions with our Sales Reps.

Our current account transition process is (1) the customer or their Sales Rep requests that their account be set up on Master Agreement pricing (2) the participation ID is obtained and verified through the OMNIA Partners, Public Sector's participation list (3) the contract's price book is applied to the account (4) their invoice and packing slip settings are updated so that the contract number prints on them going forward and (5) e-mail confirmation is sent to the requestor for their own records.

We presently hold cooperative contracts with BuyBoard, Kentucky Purchasing Cooperative, and our State of Ohio Term Schedule. This diverse portfolio enables us to do business with customers who do not otherwise use OMNIA Partners.

D. Acknowledge Supplier agrees to provide its logo(s) to OMNIA Partners, Public Sector and agrees to provide permission for reproduction of such logo in marketing communications and promotions. Acknowledge that use of OMNIA Partners, Public Sector logo will require permission for reproduction, as well.

Should our proposal be accepted, we agree to permitting our company logo to be used in co-branded marketing communications and promotions. We also understand that use of OMNIA Partners, Public Sector logo will require permission for reproduction.

E. Confirm Supplier will be proactive in direct sales of Supplier's goods and services to Public Agencies nationwide and the timely follow up to leads established by OMNIA Partners, Public Sector. All sales

materials are to use the OMNIA Partners, Public Sector logo. At a minimum, the Supplier's sales initiatives should communicate:

i. Master Agreement was competitively solicited and publicly awarded by a Principal Procurement Agency
ii. Best government pricing
iii. No cost to participate
iv. Non-exclusive

We are conscientious of the key points and phrases used in all presentations, announcements, and marketing literature for our current National IPA program, and would continue to do so. Through repetition and consistent phrasing in all our communications, these terms become second nature to our sales force when they introduce customers to the program.

An example of this action is on the line card for the program, which our Reps give to customers. The verbiage, first reviewed and approved by OMNIA Partners prior to publishing, informs the reader the contract was "competitively solicited and awarded" and that there are "no fees, minimums, or obligations to participate."

Proactive measures we take, and would continue to perform, includes equipping every new sales Rep with an OMNIA Partners quote account and, upon passing certain milestones in their standard training, all Sales Reps are issued an "Intro to National IPA and OMNIA Partners, Public Sector" packet which includes the SOP, a set of line cards, a list of eligible agencies they are already calling on, and key in-house contacts. Follow up calls are conducted to provide further support and feedback

F. Confirm Supplier will train its national sales force on the Master Agreement. At a minimum, sales training should include:
i. Key features of Master Agreement
ii. Working knowledge of the solicitation process
iii. Awareness of the range of Public Agencies that can utilize the Master Agreement through OMNIA Partners, Public Sector
iv. Knowledge of benefits of the use of cooperative contracts

Sales training is performed in multiple formats, each emphasizing the key points that make cooperative purchasing appealing, such as the contract being "competitively solicited and publicly awarded by a lead government agency" and "no cost to participate," as well as covering who can use it. The "who" is a very important topic we explore in-depth, providing multiple examples of agency types, and encouraging Reps to consider the accounts they're already supporting which qualify.

Training is conducted in-person at sales meetings, group webinars, and one-on-one over the phone. We have also composed and issued supporting literature and video. Specifically:

- Standard Operating Procedures (SOPs) which educate employees on agreement obligations, features and talking points, identifying eligible agencies, and in-house support contacts.
- Targeted marketing tools Reps give to customers, such as co-branded sales cards or flyers which bullet out key benefits.
- The program is featured in presentations at major corporate events, such as national sales meetings and regional conferences.

- An in-house video demonstrating conversations introducing the cooperative to eligible customers.
- Our Strategic Sales team offers ongoing, on-call support through the phone and e-mail.

H. Describe in detail how Supplier's national sales force is structured, including contact information for the highest-level executive in charge of the sales team.

Kimball Midwest has over 1,000 Sales Reps across the continental United States. This sales force is managed by a team of 96 Area Managers, 25 District Managers, 15 Regional Managers, and 6 Division Managers. This network is overseen by Patrick McCurdy, Vice President of Sales.

Patrick McCurdy
Vice President of Sales
614-951-2530

patrick.mccurdy@kimballmidwest.com

I. Explain in detail how the sales teams will work with the OMNIA Partners, Public Sector team to implement, grow and service the national program.

The Kimball Strategic Sales team will look to build off the success we had with the OMNIA team since 2018. We saw great value in working with Jim Walters and the Regional Managers to help grow our program. We conducted training events for Kimball's top contract sales performers to further expand their knowledge on the program through firsthand accounts from OMNIA team members on the value the contract can bring to eligible agencies. We also worked closely with Kelsey and the OMNIA training team and conducted webinars with our sales team on the basics of the contract. The information learned between these support avenues allowed our Strategic Sales team to take that information and spread it across the rest of our sales organization and grow program sales 70%+ the prior year.

I. Explain in detail how Supplier will manage the overall national program throughout the term of the Master Agreement, including ongoing coordination of marketing and sales efforts, timely new Participating Public Agency account set-up, timely contract administration, etc.

Program Management

When executing programs of this nature Kimball Midwest utilizes a streamlined hierarchical approach; leveraging our multi-tiered field sales network of more than 1,000 sales professionals. This provides customers with a primary contact for any inquiries related to the contract.

Further support comes from our Strategic Sales Department. Each of our Strategic Sales Specialists has designated territories they support across the country are trained on the OMNIA Partners program to field all basic contract questions.

Within the Strategic Sales team, there are 20+ outside Key Account Executives and 7 Government Account Executives that are fully trained on the OMNIA Partners program. They work with field sales managers to support our Sales Representatives at the account level, particularly on larger opportunities.

An OMNIA Partners Program Manager will be added in 2020 with the goal of bringing additional awareness to the program and drive new business. They will present on the contract at sales meetings, ride along with reps to help them speak to customers on co-op purchasing, host training webinars, organize company-wide contests around the program, closely monitor sales performance, etc. In turn, the Strategic Sales Manager monitors the contract's progress so as to appoint additional program administrators as sales growth permits.

As the Executive Sponsor, Tyler Wooddell is responsible for promoting, and upholding successful adoption by a field sales network comprised of 6 Division Managers, 15 Regional Managers, and 25 District Managers, all who are active participants in continuous roll-out. He also guarantees priority is given to any technological projects and initiatives that promote the agreement's success.

Contract Administration

The program has a primary point of contact assigned as an administrator to manage reporting, fees, and monitor contractual obligations. The administrator coordinates with other departments to ensure all duties are met at implementation and through the life of an agreement. They operate as a knowledgeable resource of the contract's finer details for all staff, ensuring consistency of communication within our company. This person is also responsible for contract updates, supplying punctual and accurate sales

reports and fee remittance, negotiating and executing participating addendums, and promptly addressing any inquiries surrounding the contract.

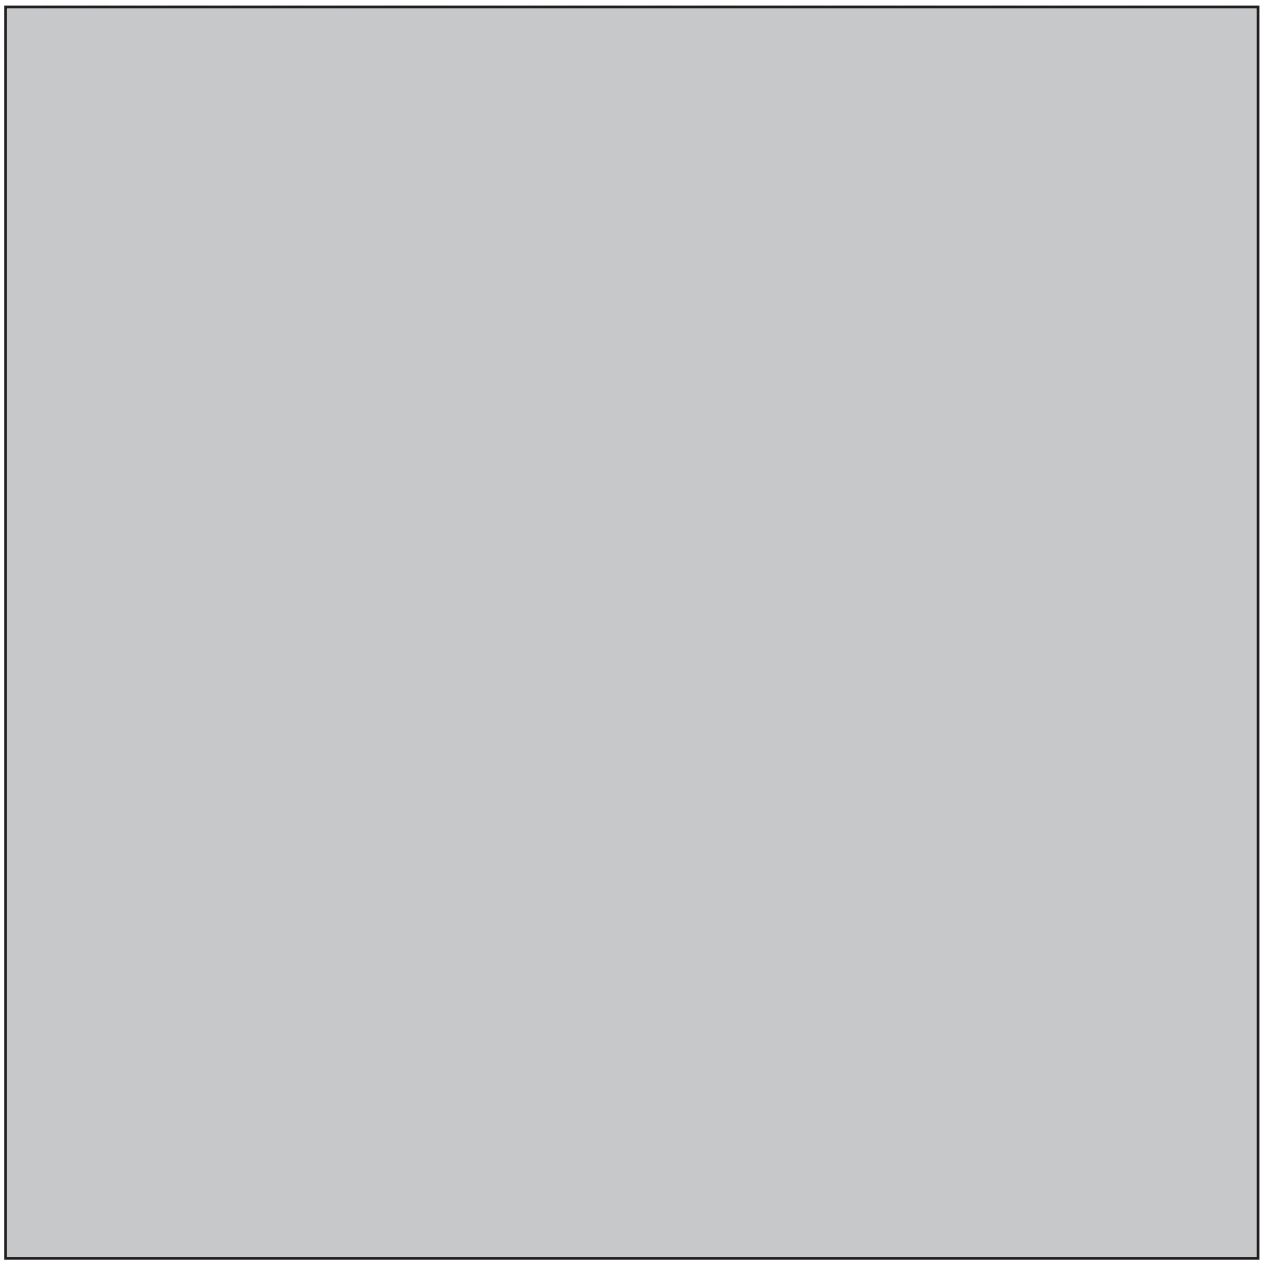
LeAnna Toebbe has nearly 5 years' experience administering our current contract and will continue if we are re-awarded.

Account Setup

In most situations, contract pricing can be activated on a Participating Agency's account the same day it's requested. Our current process is (1) the customer or their Sales Rep requests that their account be set up on Master Agreement pricing (2) the participation ID is obtained and verified through the OMNIA Partners, Public Sector's participation list (3) the contract's price book is applied to the account (4) their invoice and packing slip settings are updated so that the contract number prints on them going forward and (5) e-mail confirmation is sent to the requestor for their own records. Using this method, nearly 1500 existing Kimball Midwest customers have been introduced to and utilized the program since it's inception 5 years ago.

J. State the amount of Supplier's Public Agency sales for the previous fiscal year. Provide a list of Supplier's top 10 Public Agency customers, the total purchases for each for the previous fiscal year along with a key contact for each.

Our non-Federal, public sector sales topped $11.5m in 2018.



Sales Rep Tools

Each Kimball Midwest Sales Representative utilizes multiple order entry tools while personally serving his/her accounts. Chief among these tools is our custom developed mobile application through which they can complete dozens of functions, including creating and submitting orders from the field. Through 2019, the vast majority of our orders were submitted from this mobile application with each order being processed and fulfilled at one of our four warehouse locations. Additionally, each of our end user customers may use our website to create and submit orders.

Web Ordering

Our online Storefront allows customers to b74rowse our full line of products and make purchases. The site has a multi-dimensional navigation structure and suggestive search to make finding the correct parts

easy and intuitive. Item attributes enable users to filter a lengthy list of products down to the specific item one is looking for. All items are uploaded to the site with a full description and product specifications, and one can even view and print the Safety Data Sheets (SDS) from the 'Documentation' tab of a product's page. A login is not required to browse our catalog or to download SDS. Logged-in customers can manage their account, add users, add items to their cart, place orders and make payments.

In-House

Our customer service team utilizes proprietary in-house software to answer account questions, add special notes to accounts with unique requirements, process and check orders, arrange returns, and more. They can also assist putting customers in contact with their nearest Kimball Midwest Sales Rep.

Data Security

Kimball Midwest utilizes industry leading security products to prevent, detect and mitigate security threats to all data including customer information. To ensure an end to end secure connection from the user to the server, all website traffic is utilizing SHA2 2048-bit SSL certificate encryption. The utilization of SHA2 2048-bit encryption meets recognized industry standards and is the strongest encryption available for securing user to server communications. Data and information security obligations are of utmost concern to Kimball Midwest. Electronic information is stored at rest in a dedicated database setup with the principle of "least privilege" access to prevent unauthorized access. Security is only assigned on a per user basis with access to only information required by each user account.

L. Provide the Contract Sales (as defined in Section 10 of the OMNIA Partners, Public Sector Administration Agreement) that Supplier will guarantee each year under the Master Agreement for the initial three years of the Master Agreement ("Guaranteed Contract Sales").

Having grown the program rapidly by 829% over the last 4 years, we project continued double digit sales growth by executing the initiatives that have driven its success to-date.

$_____.00 in year one

$_____.00 in year two

$_____.00 in year three

To the extent Supplier guarantees minimum Contract Sales, the administration fee shall be calculated based on the greater of the actual Contract Sales and the Guaranteed Contract Sales.

M. Even though it is anticipated many Public Agencies will be able to utilize the Master Agreement without further formal solicitation, there may be circumstances where Public Agencies will issue their own solicitations. The following options are available when responding to a solicitation for Products covered under the Master Agreement.

i. Respond with Master Agreement pricing (Contract Sales reported to OMNIA Partners, Public Sector).

ii. If competitive conditions require pricing lower than the standard Master Agreement not-to-exceed pricing, Supplier may respond with lower pricing through the Master Agreement. If Supplier is awarded the contract, the sales are reported as Contract Sales to OMNIA Partners, Public Sector under the Master Agreement.

iii. Respond with pricing higher than Master Agreement only in the unlikely event that the Public Agency refuses to utilize Master Agreement (Contract Sales are not reported to OMNIA Partners, Public Sector).

iv. If alternative or multiple proposals are permitted, respond with pricing higher than Master Agreement, and include Master Agreement as the alternate or additional proposal.

Detail Supplier's strategies under these options when responding to a solicitation.

Option i

For any competitive solicitation, providing our best possible offer is always first and foremost on our mind. We anticipate that the Master Agreement would be just that for most state and local government solicitations. As such, the vast majority of bids we respond to would be with Master Agreement pricing.

Option ii

If using this option, we would create a custom price book for that contract so that any products awarded lower than the Master Agreement would match the price that entity awarded, while all others would match the Master Agreement, and all sales would be accounted for and reportable back to OMNIA Partners, Public Sector.

Option iii

We have not encountered this situation yet but, should it arise, we would be able to comply.

Option iv

For the last option, we have not yet seen a need to submit more than one proposal to a single solicitation, but if the situation arose the direction provided here is very straightforward and easy to follow.

(2) The cost-reimbursement contract under the Federal Acquisition Regulations that a non–Federal entity receives directly from a Federal awarding agency or indirectly from a pass-through entity, as described in § 200.101 Applicability.

(b) The instrument setting forth the terms and conditions. The instrument is the grant agreement, cooperative agreement, other agreement for assistance covered in paragraph (b) of § 200.40 Federal financial assistance, or the cost-reimbursement contract awarded under the Federal Acquisition Regulations.

(c) Federal award does not include other contracts that a Federal agency uses to buy goods or services from a contractor or a contract to operate Federal government owned, contractor operated facilities (GOCOs).

(d) See also definitions of Federal financial assistance, grant agreement, and cooperative agreement.

Non–Federal entities adopt small purchase procedures in order to expedite the purchase of items costing less than the simplified acquisition threshold. The simplified acquisition threshold is set by the Federal Acquisition Regulation at 48 CFR Subpart 2.1 (Definitions) and in accordance with 41 U.S.C. 1908. As of the publication of this part, the simplified acquisition threshold is $150,000, but this threshold is periodically adjusted for inflation. (Also see definition of § 200.67 Micro-purchase.)

Subaward means an award provided by a pass-through entity to a subrecipient for the subrecipient to carry out part of a Federal award received by the pass-through entity. It does not include payments to a contractor or payments to an individual that is a beneficiary of a Federal program. A subaward may be provided through any form of legal agreement, including an agreement that the pass-through entity considers a contract.

Subrecipient means a non–Federal entity that receives a subaward from a pass-through entity to carry out part of a Federal program; but does not include an individual that is a beneficiary of such program. A subrecipient may also be a recipient of other Federal awards directly from a Federal awarding agency.

The contractor or subcontractor, where applicable, will not discriminate against any employee or applicant for employment because of age, race, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation. The contractor will take affirmative action to ensure that such applicants are recruited and employed, and that employees are treated during employment, without regard to their age, race, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation. Such action shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor or subcontractor agrees to inform in writing appropriate recruitment agencies in the area, including employment agencies, placement bureaus, colleges, universities, labor unions, that it does not discriminate on the basis of age, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation, and that it will discontinue the use of any recruitment agency which engages in direct or indirect discriminatory practices.

The contractor or subcontractor agrees to revise any of it testing procedures, if necessary, to assure that all personnel testing conforms with the principles of job-related testing, as established by the statutes and court decisions of the state of New Jersey and as established by applicable Federal law and applicable Federal court decisions.

The contractor or subcontractor agrees to review all procedures relating to transfer, upgrading, downgrading and lay-off to ensure that all such actions are taken without regard to age, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation, and conform with the applicable employment goals, consistent with the statutes and court decisions of the State of New Jersey, and applicable Federal law and applicable Federal court decisions.

Report Title: Purchase of Real Property located at 2555 El Portal Drive, San Pablo

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
DECLARE that a notice of intention to purchase the Real Property located at 2555 El Portal Drive, San Pablo, California, having Assessor's Parcel Number 416-140-047-0 (Property), was duly published in the Contra Costa Times, as required by Government Code section 25350 and in compliance with Government Code section 6063.
DECLARE that this Board hereby consummates the purchase of the Property according to the terms and conditions of the Purchase and Sale Agreement between the County and Seller dated February 1, 2022.
ACCEPT the grant deed from Clarence Perry, LLC (Seller), for the purchase of the Property.
APPROVE the purchase price of $21,320,000 (Purchase Price) and AUTHORIZE the Auditor-Controller to wire approximately $5,345,400, payable to WFG National Title Insurance Company (Title Company), 4160 Dublin Blvd., Suite 410, Dublin, CA 94568, ABA No.: 121000248, Account No.: 4943546242, Escrow Number 24-108434, Attn: Evelyn Bowens, Escrow Officer, (925) 847-9570, which amount is equal to the Purchase Price and estimated closing costs, less $16,000,000 of Homekey grant funds being deposited into escrow by the State.
DIRECT the Real Property Division to have the declaration of restrictive covenants required by the California Department of Housing and Community Development (HCD), restricting the use of the Property to providing permanent supportive housing for persons experiencing, or at risk of experiencing, homelessness, delivered to the Title Company for recording in the Office of the County Recorder.

FISCAL IMPACT:
The purchase of the Property will be funded through (i) a grant of $16,000,000 from the State's Homekey Program, (ii) a grant of $2,048,505 from the State's Whole Person Care program, and (iii) a one-time allocation of Measure X funds approved by the Board on November 16, 2021. Measure X funds in the amount of $3,261,495 will be used for the property acquisition and a further $1,938,505 will be used to fund closing costs, landscaping, furniture, and operating reserves for the housing program.

BACKGROUND:
On August 9, 2019, the County received a notice from the California Department of Health Care Services informing the County that it had been awarded $2,048,505 in one-time funds for use in Whole Person Care pilot programs that provide housing services to individuals experiencing homelessness or who are at risk of

homelessness.

On November 16, 2021, this Board approved an allocation of $5,200,000 of one-time Measure X funds to be used toward the purchase of the Property, subject to supplemental funds for the purchase being made available through the Homekey Program.

On December 14, 2021, this Board authorized the Health Services Director to apply to HCD for up to $32,400,000 of grant funding from the Homekey Program to purchase the Property. The County's application to HCD proposed the acquisition of the Property and the renovation of the existing two-story building on the Property to create 54 studio apartments for use as permanent supportive housing for persons experiencing, or at risk of experiencing, homelessness.

On February 1, 2022, in support of the County's application to HCD for Homekey funding, this Board authorized the Public Works Director to enter into a lease with the Property owner, under which the owner would construct tenant improvements specified by the County to renovate the building, and a Purchase and Sale Agreement (PSA), governing the County's purchase of the Property. The Board action taken on February 1, 2022, stipulated that acceptance of the grant deed formalizing the County's purchase of the Property would be the subject of a subsequent Board action.

On November 21, 2023, the County received a letter from HCD notifying the County that it had been awarded $16,000,000 of Homekey Program grant funds for the purchase of the Property.

Under the PSA, the term "Base Price" means the result obtained by subtracting from $19,106,987, or adding to $19,106,987, as applicable, the sum of certain variables described in the Work Letter that is part of the lease between the County and the Seller. The PSA limits the purchase price of the Property to an amount that does not exceed the sum of the "Base Price" and the "Change Order Component". By applying the variables in the Work Letter and based on the purchase price limit in the PSA, the purchase price is $21,320,000.

In accordance with the County's application for Homekey funds and the award letter, the Property will be used by the County to provide permanent supportive housing for qualifying individuals.

CONSEQUENCE OF NEGATIVE ACTION:
If the County does not purchase the Property upon the completion of the building renovations, the County will be required to begin making monthly lease payments to the owner in the amount of $86,400 per month for the first year, increasing annually thereafter.

Report Title: Construction Contract for the Walnut Boulevard Bikeway Gap Closure Project

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:

(1) APPROVE plans, specifications, and design for the Walnut Boulevard Bikeway Gap Closure Project. (County Project No. 0662-6R4118, State project No. HSIPSL 5928(172)) (District III)

(2) DETERMINE that Granite Rock Company ("Granite Rock") the lowest monetary bidder, has complied with the requirements of the County's Outreach Program and has exceeded the Mandatory Subcontracting Minimum for this project, as provided in the project specifications; and FURTHER DETERMINE that Granite Rock has submitted the lowest responsive and responsible bid for the project.

(3) AWARD the construction contract for the above project to Granite Rock in the listed amount ($537,746.00) and the unit prices submitted in the bid, and DIRECT that Granite Rock shall present two good and sufficient surety bonds, as indicated below, and that the Public Works Director, or designee, shall prepare the contract.

(4) ORDER that, after the contractor has signed the contract and returned it, together with the bonds as noted below and any required certificates of insurance or other required documents, and the Public Works Director has reviewed and found them to be sufficient, the Public Works Director, or designee, is authorized to sign the contract for this Board.

(5) ORDER that, in accordance with the project specifications and/or upon signature of the contract by the Public Works Director, or designee, bid bonds posted by the bidders are to be exonerated and any checks or cash submitted for security shall be returned.

(6) ORDER that, the Public Works Director, or designee, is authorized to sign any escrow agreements prepared for this project to permit the direct payment of retentions into escrow or the substitution of securities for moneys withheld by the County to ensure performance under the contract, pursuant to Public Contract Code Section 22300.

(7) AUTHORIZE the Public Works Director, or designee, to order changes or additions to the work pursuant to Public Contract Code section 20142.

(8) DELEGATE, pursuant to Public Contract Code Section 4114, to the Public Works Director, or designee, the Board's functions under Public Contract Code Sections 4107 and 4110.

(9) DELEGATE, pursuant to Labor Code Section 6705, to the Public Works Director, or to any registered civil or structural engineer employed by the County, the authority to accept detailed plans showing the design of shoring, bracing, sloping, or other provisions to be made for worker protection during trench excavation covered by that section.

(10) DECLARE that, should the award of the contract to Granite Rock be invalidated for any reason, the Board would not in any event have awarded the contract to any other bidder, but instead would have exercised its discretion to reject all of the bids received. Nothing in this Staff Report shall prevent the Board from re-awarding the contract to another bidder in cases where the successful bidder establishes a mistake, refuses to sign the contract, or fails to furnish required bonds or insurance (see Public Contract Code Sections 5100-5107).

FISCAL IMPACT:
The Project will be funded by 18% State Highway Safety Improvement Program (HSIP) Funds, 5% Transportation Development Act (TDA) Funds, and 77% Discovery Bay West Mitigation Funds.

BACKGROUND:
The above project was previously approved by the Board of Supervisors, plans and specifications were filed with the Board, and bids were invited by the Public Works Director. On April 23, 2024 the Public Works Department received bids from the following contractors:

BIDDERS, TOTAL AMOUNT, BOND AMOUNTS

Granite Rock Company.: $537,746.00; Payment: $537,746.00; Performance: $537,746.00

Ghilotti Bros. Inc.: $ 669,297.00

McGuire and Hester.: $ 678,910.00

Kerex Engineering, Inc.: $ 769,055.00

The bidder listed above, Granite Rock, submitted the lowest responsive and responsible bid.

The Public Works Director has reported that Granite Rock documented an adequate good faith effort to comply with the requirements of the County's Outreach Program and exceeded the Mandatory Subcontracting Minimum, and the Public Works Director recommends that the construction contract be awarded to Granite

Rock.

The Public Works Director recommends that the bid submitted by Granite Rock is the lowest responsive and responsible bid, which is $131,551.00 less than the next lowest bid, and this Board concurs and so finds.

The Board of Supervisors previously adopted the Categorical Exemption in compliance with the California Environmental Quality Act (CEQA) and a Notice of Exemption was filed with the County Clerk on January 21, 2016.

The general prevailing rates of wages, which shall be the minimum rates paid on this project, have been filed with the Clerk of the Board, and copies will be made available to any party upon request.

CONSEQUENCE OF NEGATIVE ACTION:
Construction of the project would be delayed, and the project might not be built.

Report Title: Approve a Right-of-Way contract and Accept TCEs from Rodeo Parker, SC LLC, Rodeo area.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
Acting as the governing body of the Contra Costa County Flood Control and Water Conservation District (District), APPROVE and AUTHORIZE the Chief Engineer, or designee, to execute a right-of-way contract with Rodeo Parker SC, LLC, to acquire approximately 15,923 square feet of Temporary Construction Easements (TCE) within Assessor's Parcel Nos. 357-132-017 and 357-132-019, with a six-month term commencing July 1, 2025, for payment of $18,400, in connection with the District's Rodeo Creek Bank Erosion Repair Project (Project No. 7531-6D9N04). (100% Local Flood Control District Funds). (DCD-CP#21-35).

ACCEPT the TCEs on behalf of the District.

AUTHORIZE the Auditor-Controller to issue a check in the amount of $18,400, payable to Rodeo Parker SC, LLC. a California limited liability company, to be forwarded to the Real Estate Division for delivery.

DIRECT the Real Estate Division of the Public Works Department, on behalf of the District, to deliver the check to Rodeo Parker SC, LLC.

FISCAL IMPACT:
100% Local Flood Control District Funds.

BACKGROUND:
The Contra Costa County Flood Control and Water Conservation District's ("District") Rodeo Creek Bank Erosion Repair Project ("Project") includes repairing two embankment areas adjacent to, and removing accumulated sediment from within Rodeo Creek, between 4th and 7th Streets in the Rodeo area. The Project includes removing failed bank material within the eroded areas, reconstructing the embankments, and installing slope protection, among other Project-related work and improvements. The repairs are needed so that the channel can carry out its intended function of providing flood control safety to the public. Based on the current Project schedule, construction is expected to begin in July, 2025.

In order to construct the Project, as planned, the County requires approximately 15,923 square feet of TCEs within two adjacent parcels of property commonly identified as Assessor's Parcel Nos. 357-132-017 and 357-132-019. The easements will have a six-month term, from July 1, 2025, through December 31, 2025. The TCEs will be used for construction staging and ingress and egress. The TCEs are consistent with the approved plans and specifications for the Project. Rodeo Parker SC, LLC, the owner of the subject property, has agreed

to sell the TCEs to the District for $18,400. Real Estate Division staff recommends the Board approve this acquisition to ensure the District possesses the property rights it needs for the Project.
On August 1, 2023, the Board of Supervisors, acting as the District's Board of Directors, approved the Project and determined the Project was exempt from review under the California Environmental Quality Act (CEQA) pursuant to CEQA Guidelines section 15301(d) (CP# 21-35).

CONSEQUENCE OF NEGATIVE ACTION:

The project will not have sufficient land rights to allow construction in accordance with the approved plans and specifications.

Project Description: The purpose of the project is to repair two bank failures along the west side of Rodeo Creek at 4th and 7th Streets and to remove accumulated sediment within the channel adjacent to the 7th Street bank failure and under the 7th Street bridge. The 4th Street bank failure is approximately 30 feet long and 15 feet wide. The 7th Street bank failure, approximately three blocks to the south, is approximately 50 feet long by 15 feet wide. At each site, the project consists of removing the failed bank material within the eroded area by excavating a keyway trench at the toe of the embankment with intermittent benches as the excavation progresses up slope. The bank will then be reconstructed by backfilling with suitable material. Rock slope protection will be placed to protect against erosion; the rock voids will be filled with native soil and a native seed mix. The adjacent access road and trail will be repaved. A temporary water diversion system will be used to dewater the work area. Construction depths will vary among project elements; the maximum depth of excavation will be approximately 5 feet for installation of the keyway. The 4th Street repair will extend approximately 70 feet long and the 7th Street repair will extend approximately 60 feet long in order to transition the bank failure repair area to the adjacent channel slopes. At the 7th Street repair site, a layer of deposited sediment in the streambed will be removed adjacent to the bank failure and under the 7th Street bridge to restore drainage capacity. Therefore, including sediment removal activities, the entire work limit along the 7th Street site is approximately 200 feet long. The existing curb, guardrail, and fence along the site will be removed and replaced. Tree and vegetation trimming and removal will be necessary to accommodate the project. Real Estate transactions, including temporary construction easements, will be necessary. Construction is anticipated to occur in 2024. Work will take place during the dry season and is anticipated to be completed in approximately 35 working days. The adjacent trails will be closed to the public during the entire period of construction. Temporary traffic control will be required. Appropriate best management practices for water pollution control will be implemented to protect the creek. Applicable regulatory permits will be obtained before construction.

Exempt Status:

Report Title: Interagency Agreement with San Mateo County

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Sheriff-Coroner, or designee, to execute a Memorandum of Understanding with the County of San Mateo's Northern California Regional Intelligence Center to share information regarding narcotics trafficking, organized crime and terrorism related activities, for the term of November 1, 2023 through December 31, 2024.

FISCAL IMPACT:
There is no fiscal impact.

BACKGROUND:
The Sheriff of the County of San Mateo is requesting Contra Costa County Office of the Sheriff's participation in supporting the Northern California Regional Intelligence Center (NCRIC). NCRIC is a multi-jurisdictional public safety information fusion center compromised on the Northern California High Intensity Drug Trafficking Area. NCRIC was created to assist local, state, federal and tribal public safety agencies and critical infrastructure locations with the collection, analysis and dissemination of all crime threat information. It is the mission of the NCRIC to protect the citizens of the counties within its area of responsibility from the threat of narcotics trafficking; organized crime; and international, domestic and street terrorism related activities through information sharing and technical operation support to public safety agencies. The agreement has an indemnification provision which provides that San Mateo County will defend and indemnify Contra Costa County for injuries or losses arising from the performance of the agreement.

CONSEQUENCE OF NEGATIVE ACTION:
If unapproved, the Northern California Regional Intelligence Center (NCRIC) will remain unsupported, and the County's information sharing partnership with local state and federal agencies, which is paramount in identifying, preventing and responding to all regional hazards, will be diminished.

Report Title: Sheriff's Work Alternative Program (SWAP)

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Sheriff-Coroner, or designee, to execute contracts with the following agencies for County's placement of participants in the Sheriff's Work Alternative Program (SWAP), for the term July 1, 2024 through June 30, 2026: City of Antioch, City of Brentwood, City of Clayton, City of Concord, Town of Danville, East Bay Regional Park District, Ephesians Community Development Center, City of Pittsburg, Contra Costa County Public Works Department, City of San Pablo and State of California Department of Transportation.

FISCAL IMPACT:
There is no fiscal impact.

BACKGROUND:
Since the early 1980s, work alternative or work-for-credit programs have been utilized in county jails to provide work experience, inmate rehabilitation and community restitution for the societal costs of criminal activity. Specifically, Penal Code section 4024.2 provides for a work release program, which our County has operated since 1983. Inmates accepted into the program provide public service labor at no cost to the County while relieving housing costs associated with incarceration. Assigned inmates report to work sites, perform tasks that might not otherwise be funded and satisfy court judgments.

CONSEQUENCE OF NEGATIVE ACTION:
The consequence of a negative action on this request would reduce the number of approved work sites by approximately 75 percent.

Report Title: Budget Adjustment - Office of the Sheriff MDF

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
Plant Acquisition (0111)/ Custody Services Bureau (0300): APPROVE Budget Adjustment BDA-24-00222, appropriating $25,000 from the Martinez Detention Facility (MDF) fund (0300/2578) to the Plant Acquisition-Sheriff Detention Facilities account (0111/4411) to complete the security camera capital project at MDF.

FISCAL IMPACT:
Approval of this request will result in the transfer of $25,000 budgeted General Fund allocations from the Sheriff-Coroner agency to a County detention facilities capital projects account.

BACKGROUND:
On June 24, 2023, the Board of Supervisors approved Budget Adjustment No. BDA-23-00142 to appropriate funding for various capital projects within the Office of the Sheriff. One of the projects involved the replacement of an outdated set of security cameras operating on a 16-year-old analog system.

During the construction phase, the Office of the Sheriff's Detention Facilities team determined it was necessary to have additional equipment, or "spare parts," on hand to maintain operational safety if any new security equipment is damaged or malfunctions. The equipment "spare parts" will allow the facilities team to immediately address malfunctions and avoid a loss of security coverage or extended outage. The ability to immediately fix malfunctions with the equipment on hand will increase operational safety within the detention facilities. The additional equipment costs were not covered in the original scope of work. This budget adjustment will supplement the project budget for this out-of-scope expense.

CONSEQUENCE OF NEGATIVE ACTION:
The Office of the Sheriff will not be able to cover the additional out-of-scope costs.

Report Title: Change Order - LC Action Police Supply

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Purchasing Agent to execute, on behalf of the Sheriff-Coroner, a purchase order amendment with LC Action Police Supply, to increase the payment limit by $60,000 to a new payment limit of $310,000 to replace the existing firearm platform for the sworn peace officer employees in the training unit of the Office of the Sheriff. (100% General Fund)

FISCAL IMPACT:
$60,000. 100% County General Fund; Budgeted

BACKGROUND:
In 2023, the Office of the Sheriff submitted a Board Order to request a new purchase order with LC Action to replace the existing Sig Sauer Firearm platform with Glock pistols for the sworn peace officer employees. The Board Order was approved on 09/12/23.

A purchase order amendment to add $60,000 is necessary to meet additional training and duty weapon needs as the Office of the Sheriff had less Sig Sauer firearms available for exchange than anticipated and additional Glock Pistols are needed.

CONSEQUENCE OF NEGATIVE ACTION:
The Office of the Sheriff would be unable to provide the required firearms to sworn personnel, which could impact the ability to ensure public safety.
