VI. CONFLICT OF INTEREST

- A. General Board Policy. The Board of Supervisors has adopted a policy for Board appointees concerning conflicts of interest. The policy is set forth in Resolution No. 2002/376, which applies to the Commission and requires as follows:
 - 1. Statutes on Conflicts. Officials, Commissioners, and Committee members appointed by the Board shall adhere to the principles and rules of the Political Reform Act of 1974 (Gov. Code, § 81000 et seq.), including the following:
 - (a) Local government should serve the needs and respond to the wishes of all citizens equally, without regard to their wealth. (Gov. Code, § 81001 (a).)
 - (b) Public officials should perform their duties in an impartial manner, free from bias caused by financial interests of themselves or their supporters. (Gov. Code, § 81001 (b).)
 - (c) Public officials should disclose assets and income which may be materially affected by their official actions, and in appropriate circumstances they should be disqualified from acting, in order to avoid conflicts of interest. (Gov. Code, § 81002 (c).)
 - 2. Common Law Policy on Conflicts. All officials should so conduct the public business as to avoid even any appearance of conflict of interest. (See, e.g., Kimura v. Roberts [1979] 89 Cal.App.3d 871.)

- B. Board Policy for Hazardous Materials Commission. Consistent with Resolution No. 2002/376 and Health and Safety Code section 25135.2, the Board hereby declares, as a matter of legislative determination, that members of the Hazardous Materials Commission are intended to represent and further the interest of specified industries and groups responsible for their nomination. Accordingly, the Board of Supervisors hereby finds that for purposes of members of the Commission nominated by a trade, industrial or professional group, such trade, industrial or professional group constitutes a significant segment of the public within the meaning of Government Code section 87103.

By this policy, the Board does not find or imply that members of the Hazardous Materials Commission are public officials within the meaning of Government Code section 87100 (Political Reform Act). This declaration of policy is only to clarify the application of the Board's general policy on conflict of interest to the Hazardous Materials Commission.
