4. Chief of Police Report:
 - a. 374 Calls for Service: 10 Reports, 1 Felony, 1 Misdemeanor
 - b. Felony:

Residential Burglary – Different from previous burglaries in the community. Suspects gained access through the roof into the attic, then cut a hole in the ceiling and dropped into the primary bedroom. Cash and jewelry were taken from a small safe in the primary closet. A motion alarm in the closet was activated and suspects fled out a window leaving numerous tools and equipment. Deputies arrived within minutes, but suspects had fled the area. Alarm placement and activation mitigated greater loss.
 - c. Misdemeanor
Domestic Battery – Husband struck his wife during an argument. Husband was arrested and booked at the Martinez Detention Facility.
 - d. There were two arrests in May 2025.

One was the misdemeanor listed above, and the other a male was arrested for an outstanding warrant issued from Napa County during a traffic stop.
 - e. Volunteers in Policing: 21 hours served by four volunteers.
 - f. Deputies have been responding to teenaged children riding bikes (usually e-bikes) on the golf courses. The Chief reminded the community that the Golf Courses are Country Club property and that unauthorized access is trespassing. Anyone caught who has caused damage to the course could face vandalism charges. The Chief asks that parents talk to their children and remind them about appropriate places to ride their bikes and potential consequences.
 - g. Coffee with the Chief scheduled for June 18, 2025 (9:00am – 11:00am) at Blackhawk Drive and Blackhawk Meadow Drive.
5. C.H.P. Report:

No crashes inside the gate. A few on Camino Tassajara where drivers appear to be running stop signs. CHP volunteers are driving in the area, hopefully making a difference.
6. Homeowners Association Report:

Court date for delivery driver who was entering the community through the exit lane to avoid being turned away. Nothing additional.
7. Blackhawk Country Club Report: Nothing to report.
8. Old Business:
 - a. Open P2A Position - 1 Alternate.

HOA will send out emails and post to assist with the marketing of the vacant position.

9. New Business:
- a. Update on P2A community outreach to other Blackhawk organizations; increase awareness & educate community about the role & efforts of Blackhawk Police Blackhawk (Women's Group & Blackhawk Choir)
Tabled to the August Meeting.
 - b. Develop plan for Parcel Tax Campaign
 - Next meeting Andy Cohan will distribute the budget projections. Discuss the Goals and Objectives of the Campaign. Carol will provide direction as to Committee's allowed involvement in the Campaign. Committee will be providing recommendations only.
 - Continue to inform and educate the community regarding P2A and services. Perhaps hold a town hall style of meeting to provide information. Combine a training with discussing about the outreach.
 - Create process to understand community's needs & feelings – Town hall might be a good avenue. Also draft a survey.
 - Linda K suggested use of a campaign manager as was done last time.
 - Bruce asked what type of staffing would be needed to have 24-hour coverage of services. Show there will be a value added with additional taxes. Suggested to provide that cost for consideration.
 - Current tax multiplier not keeping up with the cost of inflation and cost to maintain fleets and equipment.
 - c. Linda Kralik – With children out of school, many more e-bikes on the road and not following the rules of the road. Concerned about driving on the wrong side of the street, stop signs, and no helmets. Chief has directed Officers to stop and cite when appropriate.

Adjourned at 6:59pm. Linda Kralik – Motion, Roger Guidi - Second. Motion was approved. The next meeting is currently scheduled for August 12, 2025.
