

CONTRA COSTA COUNTY

AGENDA

Illegal Dumping Ad Hoc Committee

Thursday, October 2, 2025

10:30 AM 190 E 4th Street, Pittsburg | 3361 Walnut
Blvd, Suite 140, Brentwood

Zoom: <https://cccounty-us.zoom.us/j/82338224673> | Call in: 1-888-278-0254 Access code: 198675

Supervisor Diane Burgis, Chair
Supervisor Shanelle Scales-Preston

Agenda Items: Items may be taken out of order based on the business of the day and preference of the Committee

1. Roll Call and Introductions
2. RECEIVE and APPROVE the Meeting Minutes for the February 20, 2025, Illegal Dumping Ad Hoc Committee Meeting. [25-3975](#)
Attachments: [Meeting Minutes February 20 2025](#)
3. APPROVE meeting schedule modification from first Thursday in February to the first Thursday in March. No proposed change to the second yearly meeting in September (first Thursday).
4. RECEIVE status update regarding implementation of the Board approved Contra Costa County Illegal Dumping Initiative Strategies and PROVIDE direction to staff as appropriate. [25-3976](#)

Attachments: [CCC Illegal Dumping Initiative Dashboard October 2025](#)
[Attachment 1 - Illegal Dumping Initiative Strategy Table - October 2025 Updates](#)
[Attachment 2 - Request for Illegal Dumping Clean-Up Received by Public Works and CHDC in Jan-July 2025](#)
[Attachment 3 - Request for Illegal Dumping Clean-Up Received Versus Pick-Ups](#)
[Attachment 4 - Montalvin Project](#)
[Attachment 5 - Waste Tire Amnesty](#)
[Attachment 6 - Statewide Illegal Dumping Conference \(IDCON5\)](#)
[Attachment 7 - Budget Update](#)

5. Public comment on any item under the jurisdiction of the Committee and not on this agenda (speakers may be limited to two minutes).
6. The next meeting is currently scheduled for February 5, 2026 at 1:00 p.m. (Proposed to change to March 5, 2026 at 1:00 p.m.).
7. Adjourn

The Committee will provide reasonable accommodations for persons with disabilities planning to attend the Committee meetings. Contact the staff person listed below at least 72 hours before the meeting. Any disclosable public records related to an open session item on a regular meeting agenda and distributed by the County to a majority of members of the Committee less than 96 hours prior to that meeting are available for public inspection at 30 Muir Road in Martinez, during normal business hours. Staff reports related to items on the agenda are also accessible online at www.contracosta.ca.gov. If the Zoom connection malfunctions for any reason, the meeting may be paused while a fix is attempted. If the connection is not reestablished, the committee will continue the meeting in person without remote access. Public comment may be submitted via electronic mail on agenda items at least one full work day prior to the published meeting time.

Agenda #: 2.

ILLEGAL DUMPING AD HOC COMMITTEE

Subject: RECEIVE and APPROVE the Meeting Minutes for the February 20, 2025, Illegal Dumping Ad Hoc Committee Meeting

Background:

County Ordinance requires that each County body keep a record of its meetings. Though the record need not be verbatim, it must accurately reflect the agenda and the decisions made in the meeting.

Attached is the Record of Action for the Meeting Minutes for the February 20, 2025, Ad Hoc Illegal Dumping Committee meeting.

Recommendation(s)/Next Step(s):

RECEIVE and APPROVE the Meeting Minutes for the February 20, 2025, Ad Hoc Illegal Dumping Committee meeting.

CONTRA COSTA COUNTY

Committee Meeting Minutes - Draft

Illegal Dumping Ad Hoc Committee

Thursday, February 20, 2025

11:00 AM 30 Muir Road, Martinez | 3361 Walnut Blvd,
Suite 140, Brentwood

Zoom: <https://cccounty-us.zoom.us/j/82338224673> | Call in: 1-888-278-0254 Access code: 198675

Supervisor Diane Burgis, Chair
Supervisor Shanelle Scales-Preston

Agenda Items: Items may be taken out of order based on the business of the day and preference of the Committee

1. Roll Call and Introductions

Call to Order

Committee Member Burgis called the meeting to order at 11:00am

Also in attendance were Stacey Grassini, District Attorney's Office; Tim Kraus, Environmental Health (EH); Kristian Lucas, EH; Chris Lau, Public Works (PWD); Capt. Craig Brooks, Sheriff's Office (SO); John Kopchik, Conservation and Development (DCD); Deidra Dingman, DCD; David Brockbank, DCD; Joe Losado, DCD; Dylan Chiu, DCD;

Present Diane Burgis, and Shanelle Scales-Preston

2. RECEIVE and APPROVE the Meeting Minutes for the September 12, 2024 Illegal Dumping Ad Hoc Committee Meeting.

Attachments: [Meeting Minutes September 12, 2024](#)

Aye: **Burgis, and Scales-Preston**

Result: **Passed**

3. RECEIVE status update regarding implementation of the illegal dumping strategies and PROVIDE direction to staff as appropriate.

Attachments: [CCC Illegal Dumping Initiative Dashboard February 2025](#)
[Table 1 - Illegal Dumping Initiative Strategy Table - February 2025 Updates](#)

[Attachment 2 - Surveillance Cameras and Fencing](#)

[Table 2 - Requests for Illegal Dumping Clean-up Received versus Pick-Ups in 2024](#)
[Attachment 3 - Budget Tables](#)

[Data, Reports Maps, Metrics](#)

John Kopchik, Conservation and Development Director, mentioned that Supervisor Scales-Preston had received a briefing from various departments to bring her up to date on illegal dumping issues within the County.

Dylan Chiu, Conservation and Development Planner, briefly presented the Illegal Dumping Initiative Dashboard and Strategy Tables, noting that they summarized some of the updates that would be presented verbally later in the meeting.

Dylan then shared Figure 1: “Requests for Illegal Dumping Clean-Up Received by Public Works and CHDC in 2024” with the committee. This map shows where clean-up requests were received in 2024 by Public Works and the Community Housing Development Corporation (CHDC), a nonprofit based in North Richmond. Dylan pointed out that the 2023 and 2024 maps shared similar hotspot dumping locations, including North Richmond, El Sobrante, Bay Point, Bear Creek/Pinole Valley Road, Deer Valley Road, the area south of Brentwood, and Knightsen.

He clarified that the high number of pick-up requests in North Richmond is due to Republic Services being required to maintain a “Hotspot Crew” under a County land use permit. The “Hotspot Crew” consists of a two-man team with a truck that works full time cleaning up illegal dumping in North Richmond. This means they respond not only to pick-up requests but also to illegal dumping they see while driving around.

Dylan also presented Table 2: “Requests for Illegal Dumping Clean-up Received Versus Pick-Ups in 2024,” an updated version of the table shown in the September 2024 meeting. He explained that the top chart shows that countywide requests and pick-ups have increased each year. However, if North Richmond data is excluded, requests went down while pick-ups increased slightly. Supervisor Burgis suggested this could reflect greater awareness about how to report illegal dumping.

Deidra Dingman, Conservation and Development Deputy Director, added that the gap between requests and pick-ups could be due to multiple reports for the same site or situations where the waste was gone when crews arrived. Dylan noted that the bottom chart shows North Richmond data, where requests and pick-ups were kept the same for simplicity, since the Hotspot Crew primarily conducts non-referral pick-ups. He highlighted that North Richmond accounts for 70-80 percent of the County’s total requests and pick-ups. Although pick-ups increased from 2023 to 2024, tonnage decreased because the Hotspot Crew was doing more frequent pick-ups of lighter items, often referred to as “blow-and-flow” litter.

[Public Outreach Campaign - Strategy #5](#)

Dylan shared that the County partnered with Steven Groner Associates (SGA) to run a public outreach campaign from September to December 2024. The campaign focused on how to report illegal dumping and how to properly dispose of waste. It featured both digital and physical ads. Digital ads included YouTube, Spotify, radio, and social media, while physical ads included billboards and bus benches. The bus bench and shelter ads featured QR codes linking directly to the County's Illegal Dumping page and promoted the 1-800-No-Dumping phone number.

Dylan played a sample video ad highlighting the website and phone number. He then presented Google Analytics data showing that traffic to the County's Illegal Dumping page rose significantly during the campaign, with 38,000 active users. He also shared a chart showing the reporting methods used. During the campaign, reports by email and phone nearly doubled compared to previous months.

Derelict RV/Boat/Trailer Abatements - Strategy #40

Joe Losado, Conservation and Development Code Enforcement Manager, presented Figure 2: "RV/Trailer/Boat Abatement Locations in 2024." He noted that most abatements occurred in central County, with fewer in the eastern areas, and thanked the Sheriff's Department for their work. Supervisor Scales-Preston asked about an apparent increase in abatements in Bay Point and District 5. Joe clarified that the numbers had not increased, but that Bay Point typically has a high level of abatements each year. He also explained that derelict vehicles are found more often in cities now as people realize these vehicles in unincorporated areas are being towed. Supervisor Burgis asked whether staff have been coordinating with cities. Joe said he has been in contact with some cities which are exploring funding options. He added that other jurisdictions have expressed interest in the County's abatement program. David Brockbank, Conservation and Development Solid Waste Manager, added that Alameda County is also pursuing abatements. He explained that abandoned vehicles often attract dumpers who fill them with trash.

Supervisor Burgis asked if federal funds were used. John Kopchik responded that the program has been state funded with Measure X and Clean California grant funds.

Waste Tire Amnesty - Strategy #14

Kristian Lucas, Director of Environmental Health, shared that Environmental Health applied for a grant through CalRecycle to be able to support the existing clean-up efforts that are going around the County. Tim Kraus, Environment Health Solid Waste Supervisor, mentioned in the fall of 2024, they hosted 4 waste tire amnesty events in conjunction with community clean-ups in Knightsen, Richmond, Bay Point, and Pacheco. They collected a total of 2,980 tires and about 2,200 of them were from Knightsen alone. For future events, they will be limiting the capacity of receiving tires as staff were overwhelmed at the Knightsen clean-up. Environmental Health plans on having 4 more Tire Amnesty events in

the spring.

Enforcement - Strategy #45

Craig Brooks, Sheriff's Office Captain, shared they are continuing with efforts to combat illegal dumping, but haven't been able to do targeted enforcement with the overtime due to staffing issues. Stacey Grassini, Assistant District Attorney, highlighted that the amount of enforcement done now has increased significantly then what it was 6 years ago and they will continue to move forward. Supervisor Burgis asked how we are holding the illegal dumpers accountable. Stacey responded that it depends on the situation, but he knows there is a lot of effort on the Sheriff's side of things to follow up on these cases and sometimes they can get dumpers to go back and pick up their waste. He further mentioned that if the file case is fairly egregious, they get filed, and it's a matter of leaning on the courts to enact the punishment. Supervisor Scales-Preston asked how many people have been fined for illegal dumping in 2024. Dylan Chiu showed the Contra Costa County Illegal Dumping Dashboard to highlight the stats provided by the Sheriff's and the District Attorney's office. From August 2024 to January 2025, there were 72 Mobile Citizen App reports for clean-up, 36 Litter/Illegal Dumping reports written, 14 Cases submitted to DA for filing, and 6 citation issues. In 2024, there were approximately 36 illegal dumping cases received by the DA for review. Stacey clarified that his office only handles misdemeanor cases, which involve more than one cubic yard of waste. Smaller violations are handled as infractions in Traffic Court.

Fencing - Strategy #6

Chris Lau, Assistant Public Works Director of the Maintenance Division, shared they installed 4,300 linear feet of fencing along 3 roadways which include San Pabo Dam Road, Frank Canyon Road, and Crockett Blvd. The project cost about \$350,000 and created a physical barrier to prevent dumping.

Surveillance Cameras - Strategy #46

Chris Lau reminded the committee that 10 mobile surveillance units were first deployed in September-October 2024. Most were initially in District 1, with redeployments every 90 days. They are currently in Districts 3 and 5. Each unit has three PTZ cameras monitored 24/7 by a private company using AI to set up alert zones. Units cost \$2,500 per month or \$30,000 annually each.

Chris presented slide of what the video monitoring system looks like and the capabilities to review old footage to gather evidence to send to the Sheriff's Office.

Chris shared three videos with the committee. The first video shared was of a potential illegal dumper pulling into the alert zone and throwing garbage off the side of the road. The second video was of a vehicle pulling over to illegally dump on the side of the road which

led to the agent monitoring the camera to use the loudspeaker function to dissuade the illegal dumper from dumping more trash. The last video showed another vehicle pulling over to dump garbage under a freeway overpass and in this situation the cameras were able to get a license plate. The information was provided to Sergeant Haley with the Sheriff's Office, who was able to contact the perpetrators and have them return to retrieve their items. Supervisor Burgis asked if these cameras have helped with any other type of investigation. Captain Brooks responded that he isn't aware of these cameras helping, but typically all cameras do help when investigating any type of crime. Chris Lau shared that areas where the cameras were deployed showed a significant drop in dumping, but when the cameras were removed the dumping would return.

Budget Reallocation Update

Dylan presented Attachment 3: Budget Tables, outlining a three-part budget change proposal. The first part reallocates about \$200,000 of FY 24/25 Measure X funding from the Sheriff's Overtime strategy to Public Works strategies. The second part prioritizing spending down the remaining General Funds approved in 2019 for the pilot program before Measure X funds. The third part dedicates most of the FY 25/26 Measure X budget to Public Works strategies. Dylan noted that despite these changes, Public Works still faces a shortfall of \$130,000-\$180,000 to fund all their proposed projects. Supervisor Burgis asked if there is a plan to cover it. Dylan replied that options are still being explored. Deidra Dingman added that proposed future projects are conceptual and will not move forward without identified funding.

4. Public comment on any item under the jurisdiction of the Committee and not on this agenda (speakers may be limited to two minutes).

Committee Comments:

Supervisor Burgis stated she is proud of staff and the collaboration among departments in addressing illegal dumping.

5. The next meeting is currently scheduled for September 4, 2025 at 1:00 p.m.
6. Adjourn

The Committee will provide reasonable accommodations for persons with disabilities planning to attend the Committee meetings. Contact the staff person listed below at least 72 hours before the meeting. Any disclosable public records related to an open session item on a regular meeting agenda and distributed by the County to a majority of members of the Committee less than 96 hours prior to that meeting are available for public inspection at 30 Muir Road in Martinez, during normal business hours. Staff reports related to items on the agenda are also accessible online at www.contracosta.ca.gov. If the Zoom connection malfunctions for any reason, the meeting may be paused while a fix is attempted. If the connection is not reestablished, the committee will continue the meeting in person without remote access. Public comment may be submitted via electronic mail on agenda items at least one full work day prior to the published meeting time.

Agenda Date: 10/2/2025

Agenda #: 4.

ILLEGAL DUMPING AD HOC COMMITTEE

Subject: Status update regarding implementation of the illegal dumping strategies

Background:

On June 11, 2019, the County Board of Supervisors received a presentation from the interdepartmental Illegal Dumping Think Tank team and approved a total of fifty-six (56) illegal dumping strategies recommended by the interdepartmental Illegal Dumping Think Tank (one strategy has since been removed). The Board referred implementation of the recommendations to this Ad Hoc Committee.

STRATEGY IMPLEMENTATION UPDATES: At the October 2, 2025, Committee meeting, staff members from the Illegal Dumping Think Tank team will make brief verbal presentations about the following CCC Illegal Dumping Initiative implementation highlights:

- Data, Reports, Maps, Metrics
- Montalvin Project
- Waste Tire Amnesty - Strategy #14
- Enforcement - Strategy #45
- Surveillance Cameras - Strategy #46
- Statewide Illegal Dumping Conference (IDCON5)
- Budget Update

Recommendation(s)/Next Step(s):

RECEIVE status update regarding implementation of the Board approved Contra Costa County Illegal Dumping Initiative Strategies and PROVIDE direction to staff as appropriate.

Contra Costa County Illegal Dumping Initiative Dashboard – Implementation Updates October 2025

Strategies by Status

55 Approved Strategies by Category

For Full Implementation Updates, See CCCIDI Strategy Table

Strategy #46: Surveillance Monitoring

10 mobile surveillance units are currently deployed. A fourth round of deployments will relocate some cameras to new locations, while keeping others in their existing spots

Strategy #45: Illegal Dumping Deputies

January 2025 – August 2025 Highlights:
94 Mobile Citizen App reports for clean-up
38 Litter/Illegal Dumping reports written
6 Cases submitted to DA for filing
5 Citation issued
16 Dumpers returned to remove waste

Strategy #53: Prosecuting Dumping Crimes

Between 1/1/25 and 9/2/25
approximately **25** cases received by DA for review

Strategy #14: Waste Tire Amnesty

324 Waste Tires collected by CCEH and PW between 1/1/25 and 6/29/25

Strategy #47 Reporting Methods

Between 1/1/25 and 9/23/25 PW received clean-up requests via the following methods:

303: Online Customer Portal
519: Mobile Citizen App
675: Phone/Email

Strategy #40: Derelict RV/Boat/Trailer Abatement

(through 7/31/25)

Attachment 1 - Illegal Dumping Initiative Strategy Table - October 2025 Updates

Educate Prevent Clean-up Enforce	#	CCC Illegal Dumping Initiative Strategies	Only if #	Dept. (Bold = Lead)	Working Updates for October 2025 Meeting <i>(Italicized blue text carried over from past updates)</i> Yellow highlighting denotes new updates
EDUCATE		EXISTING - NO PROPOSED CHANGES			
	1	Countywide Recycling Hotline & Website - Legal options to discard unwanted items/trash		DCD	<i>(Existing)</i>
	2	Printed Outreach Materials by Franchise Haulers - Annual Mailer/Newsletters, Bill Inserts & Bill Messages.		DCD	<i>(Existing)</i>
		EXPAND - PROPOSED CHANGE TO EXISTING			
	3	Educate persons living or working in the unincorporated area that only hauling companies approved by the County (permitted or franchised) can legally be hired to pick-up trash.		CCEH, DCD	Environmental Health has continued working with the Sheriff's Office on training and reference materials for Sheriff's Deputies, with laminated reference cards and online training materials provided for the Sheriff's Deputies. Environmental Health is continuing to accept applications for permits issued under the existing Ordinance Chapter 418-2. As of September 9, 2025, there are 4 permits approved with 5 other applications in progress.
	4	Seek additional opportunities to raise awareness about and increase utilization of the Bulky Item Pick-up services and/or extra waste pick-ups offered upon request at no additional charge for residential customers within the County's unincorporated franchise areas.		DCD	<i>The County's Illegal Dumping Educational Outreach Campaign (see Strategy #5 for details) ran ads linking to the County's Conservation and Development Solid Waste and Recycling website (cccrecycle.org), which provides information on bulky item and extra waste pick-up resources.</i>

PREVENT	EXPAND - PROPOSED CHANGE TO EXISTING				
	14	Seek-grant funding when offered through CalRecycle's waste tire grant program to subsidize Waste Tire Amnesty Day events.		CCEH	Environmental Health, working with Civicorps and with grant funding from CalRecycle, completed 3 waste tire amnesty events in the fall of 2024 in Bay Point, Richmond, and Canyon in conjunction with the community cleanup day events for those respective communities. Overall, a total of 417 tires were collected from the three events. Environmental Health is currently scheduled to collect tires at events in Concord, Richmond, and Byron in fall 2025. In addition, Environmental Health has applied for the next cycle (TA-8) of this grant and requested an increase in funding to \$40,000. The awards for this have not been announced as of 9/9/2025.
	15	Establish and enforce extended producer responsibility ordinances - Require businesses that make/sell items that are commonly dumped or costly and challenging to dispose of properly to accept old items at the end of product life.		CCEH, DCD	There are currently two organizations with approved stewardship plans for drug takeback (Med Project and Inmar), both of which are in compliance with the ordinance.

Attachment 1 - Illegal Dumping Initiative Strategy Table - October 2025 Updates

Educate Prevent Clean-up Enforce	#	CCC Illegal Dumping Initiative Strategies	Only if #	Dept. (Bold = Lead)	Working Updates for October 2025 Meeting <i>(Italicized blue text carried over from past updates)</i> Yellow highlighting denotes new updates
PREVENT	EXPAND - PROPOSED CHANGE TO EXISTING				
	16	Maximize existing creek clean-up and/or community clean-up opportunities - Evaluate existing and past usage of clean-up boxes provided for in the County's Franchises to target usage where need is the greatest for maximum effectiveness.		DCD, PWD	Utilization of community clean-up boxes in 2025 so far: -The Republic/Crockett Franchise includes five 20-cubic yard boxes per year. In 2025 so far, 2 of 5 were used. June 14 - Crockett -The Republic/RSS Franchise includes 16 20-cubic yard boxes per year. In 2025 so far, 6 of 16 were used. April 19 - Verde School Clean-up, September 20 - Coastal Clean-up, September 27 - Spawners Clean-up - The Republic/Allied franchise includes 16 20-cubic yard boxes per year and in 2025 so far, 5 of 16 boxes were used. PREVENT		EXPAND - PROPOSED CHANGE TO EXISTING			
	18	Seek additional free e-waste pick-up options (Curbside Haulers or Free Recyclers) <i>(Future Phase)</i>		DCD	<i>(Future Phase)</i> <i>Minimal e-waste dumping therefore no immediate need warranting action at this time.</i>
		NEW			
	19	Explore amending the County's <u>Mandatory Subscription Ordinance</u> to streamline process for forcing service starts and facilitating lien as means of reimbursing hauler for mandated services without County having to incur cost first.		CCEH	<i>Given the issues with the mandatory subscription ordinance laid out above, this item, if possible, will likely not be addressed until the mandatory subscription ordinance is in the revision process.</i>
	20	Offer option of disposal vouchers in lieu of on-call pick-ups for those who prefer. <i>(Future Phase)</i>		DCD	<i>(Future Phase)</i> <i>Can only be pursued during rate setting time.</i>
	21	Subsidize free disposal vouchers or free disposal day at landfill/transfer station. <i>(Future Phase)</i>		DCD	<i>(Future Phase)</i> <i>Can only be pursued during rate setting time.</i>
	22	Explore switching some on-call pick-ups for extra bagged waste to scheduled clean-up days to increase participation. <i>(Future Phase)</i>		DCD	In the new franchise agreement between County and Richmond Sanitary Service, one of the annual on call pick-ups for extra bagged waste was switched to a scheduled clean-up day .
	23	Seek to identify local disposal option for treated wood self-hauled by the general public; more being dumped since in-County Transfer Stations don't accept it. Closest option for public self-haul is in Livermore.		DCD, CCEH	<i>Three facilities in the County currently accepted treated wood waste. These facilities include the Contra Costa Waste Services transfer station, Keller Canyon Landfill (unavailable to residential customers), and Vasco Road Landfill.</i>

Attachment 1 - Illegal Dumping Initiative Strategy Table - October 2025 Updates

		NEW				
		24	Seek to identify feasible options for proper disposal of unwanted Recreational Vehicles, Trailers & Boats.		DCD, SO	<i>For FY 25/26, this strategy will be funded using unspent FY 24/25 MX funds and remaining General Funds previously allocated to it. As a result, there will be no FY 25/26 MX allocations for this strategy.</i>
		25	Secure commitment(s) to establish <u>free local recycling drop-off sites for mattresses and box springs</u> through participation in the statewide Bye Bye Mattress program - Work with transfer stations and/or other appropriate sites/operators, consistent with neighboring counties.		DCD, PWD	<i>The only facility with a free mattress drop off site is the West County Resource Recovery in North Richmond. Free drop off is only available to residents within certain West County communities.</i>
		26	Install street signs with info about How To Report posted at key entry ways or at/near dumping Hot Spots so people are reminded how to take the desired action. (Initial Phase - 50 signs @ \$200/each)	45	PWD	<i>A list of potential new sign locations is currently being developed.</i>
		27	Identify capital improvements that may be needed, such as street lighting or barricades. Initial Phase - Currently developing initial phase targeting Bay Point, involves 10 street lights in two specific areas.		PWD	Staff has developed a streetlight project along Port Chicago Highway in Bay Point. The streetlight project has a potential to be completed in two phases. The first phase is west of Driftwood Drive to Nichols Road, requesting PGE to install electroliers on existing PGE poles. This phase will move forward in November 2025.

CLEAN-UP	EXPAND - PROPOSED CHANGE TO EXISTING				
	33	Assist with hauling and removal of waste tire piles illegally dumped in the public right-of-way on an as needed basis. CCEH staff will haul away piles of up to 35 waste tires, however they can partner with the local conservation corps to clean-up large waste tire piles (36 waste tires or more) illegally dumped on public lands.		CCEH	CCEH continues to pick up and dispose of illegally dumped tire piles of 35 tires or less. Overall, 324 illegally dumped waste tires were cleaned up between 1/1/2025 and 6/29/2025. Of those, the large majority were picked up by CCEH staff and disposed. The remaining illegally dumped tires that were found by CCEH were removed by local Public Works agencies.
	34	Franchise Hauler provided On-call <u>Right-of-Way Debris Removal</u> : Establish service in the one County Franchise area not currently implemented -and- Increase area (currently in place for three of the County's four Franchises) and potential scope/frequency		DCD	New franchise agreement with Richmond Sanitary Service includes expanded right-of-way pick-up routes.
	35	Public Works: Dumping in creeks, roadways outside County Franchise Areas where hauler provides on-call removal service and hazardous waste or oversized items not serviced by the Franchisees. Potential for increasing removal frequency within the existing budget (\$400K) is dependent upon reducing the area Public Works is responsible for (limit to areas outside County Franchise authority).	34	PWD	<i>Right-of-way pickup services are performed by franchise haulers and PWD maintenance crews. PWD also provides right-of-way pickup through the use of a contractor administered by Contra Costa County Watershed Program. Public Works has received in the past and has applied for a Keller Canyon Mitigation Fund grant from Supervisor Glover's office to fund additional right-of-way cleanups in the Bay Point area. Public Works - Grounds crews perform these additional right-of-way cleanups.</i>

CLEAN-UP	EXPAND - PROPOSED CHANGE TO EXISTING				
	36	Utilize and make available on-line reporting tool to supplement 1-800-No-Dumping tip line to make it easy for people to report illegally dumped waste in the right-of-way, including ability to upload photos and location coordinates.		PWD	<i>Complete</i> PWD has launched "Mobile Citizen", a user-friendly smart phone (Android, iOS) mobile application to help residents "on the go" report non-emergency concerns including illegal dumping in unincorporated communities. With Mobile Citizen, residents can simply select illegal dumping, take a photo, provide comments, details about location and then submit. The submitted request is automatically assigned a unique Work Request number and then sent to the appropriate division of Public Works for follow up. A new "Mobile Citizen" web page has been added to the County's website: https://www.contracosta.ca.gov/7875/Mobile-Citizen
	37	Coordinate/support more volunteer creek clean-ups if needed. (Future Phase)		PWD, DCD	<i>Right-of-way pickup services are performed by franchise haulers and PWD maintenance crews. PWD also provides right-of-way pickup through the use of a contractor administered by Contra Costa County Watershed Program.</i>
	38	Expand the volunteer Adopt-a-Road program to include adopting spots/blocks. (Future Phase)		PWD	<i>(Future Phase)</i> PWD will continue to explore expanding the program to include adopting spots/blocks. We have already done some of this as we have been flexible with adopters who want to adopt a defined area smaller than the program's 2 mile segment minimum. We will continue to meet with MACs and subcommittees as interest dictates.

CLEAN-UP	NEW				
	39	Explore how Franchise Haulers might assist with cleaning up illegal dumping in areas beyond the road right-of-way. <i>(Future Phase)</i>		PWD, DCD	<i>(Future Phase)</i>
	40	Make arrangements with abatement contractors/towing companies for removal of the approximate 48-50 derelict boats/RVs that have been identified by Sherriff’s Office.		CCEH, DCD, PWD, SO	From January 1st to July 31st 2025, 42 RV/Boat/Trailers have been abated for a total cost of \$60,125.
ENFORCE	EXISTING - NO PROPOSED CHANGES				
	41	Regulate Solid Waste Haulers & Facilities: Oversee Non-Franchise Waste Hauler Permitting (County Code Chapter 418-2) and Enforce State Minimum Standards for Solid Waste Facilities: Illegal Transfer Stations. Continue working with potentially interested cities and encourage remaining cities to pursue adoption of model ordinance designating the CCEH as City’s enforcement agency.		CCEH	Environmental Health has continued working with the Sheriff’s Office on training and reference materials for Sheriff’s Deputies, with laminated reference cards and online training materials provided for the Sheriff’s Deputies. Environmental Health is continuing to accept applications for permits issued under the existing Ordinance Chapter 418-2. As of September 9, 2025, there are 4 permits approved with 5 other applications in progress.

ENFORCE	NEW				
	45	Dedicate four per-diem deputies (combined total of 3,600 hours per year; equivalent to approx. 1.73 FTE) to investigating dumping crimes.		SO	The Sheriff's Office recently hired a 2nd per diem deputy assigned to illegal dumping. Both deputies continue to identify problem areas for enforcement and collaborate on camera placements with Deploy Surveillance and Public Works. January 2025 - August 2025 94 Submissions through Mobile Citizen App for clean-up. 38 Litter/Illegal Dumping reports written 6 Cases filed with the D.A.'s office 5 Citations issued 16 Leads contacted and returned and removed trash
	46	Wireless high definition, license plate reader <u>surveillance cameras</u> with night vision, infrared & solar powered. Remote-controlled to zoom and capture evidence – Place at key entry ways or at/near hot spots. <i>PILOT: Initial pilot of surveillance monitoring service for five rental cameras.</i>	45	CCEH, DA, PWD, SO	10 mobile surveillance units are currently deployed on McEwen Road, Avila Road, Riverside Road, Driftwood Drive, Deer Valley Road, Chadbourne Road, Marsh Creek Road, Camino Diablo and Byron Hot Springs Road. A fourth round of deployments will relocate these cameras to new locations throughout the County, while keeping some cameras in their existing locations. New locations will include Franklin Canyon Road and Maylard St/South Broadway Ave.

	NEW				
ENFORCE	47	Establish a well-publicized tip line, mobile app and/or other user-friendly alternative to make it easy for witnesses to report illegal dumping/dumpers and share photographic evidence when applicable. (could be linked to # 36)	45	PWD, SO	In addition to traditional phone and email options, PWD has established two online request options to report illegal dumping. The first option is the Mobile Citizen app. The second option is the PWD Customer Portal found on the PWD website. In 2025 to date, PWD received 519 illegal dumping complaints through the Mobile Citizen app, 303 illegal dumping complaints through the Customer Portal, and 675 illegal dumping complaints from traditional methods.
	48	Utilize centralized database to capture details related to illegal dumping found to contain address containing evidence as a means of identifying patterns and recurrences (unpermitted hauler hired by different persons at different times, same one-time excuse used in the past, etc.) for subsequent/future investigations, stings, camera installation, etc.	45	CCEH, DA, DCD, PWD, SO	<i>Strategy implementation pending the hiring of per diem deputies under Strategy #45</i>
	49	Work through the Board of Supervisors legislative platform process and/or explore partnering with coalition of other governmental agencies in the region to propose/pursue legislation to establish statewide permitting requirements for waste haulers.		BoS	<i>AB 592 was sponsored by the County. AB 592 authorizes counties to adopt ordinances to regulate the transport of solid waste by nonfranchise solid waste haulers on public roads in unincorporated areas of the county. AB 592 was signed into law by the Governor on September 22, 2023.</i>
	50	Explore potential for obtaining legal authority to allow for impoundment and/or seizure of vehicles used to illegally dump.	45	SO, DCD, DA	<i>Strategy removed due to potential implications associated with individual rights and protections afforded under the Constitution.</i>

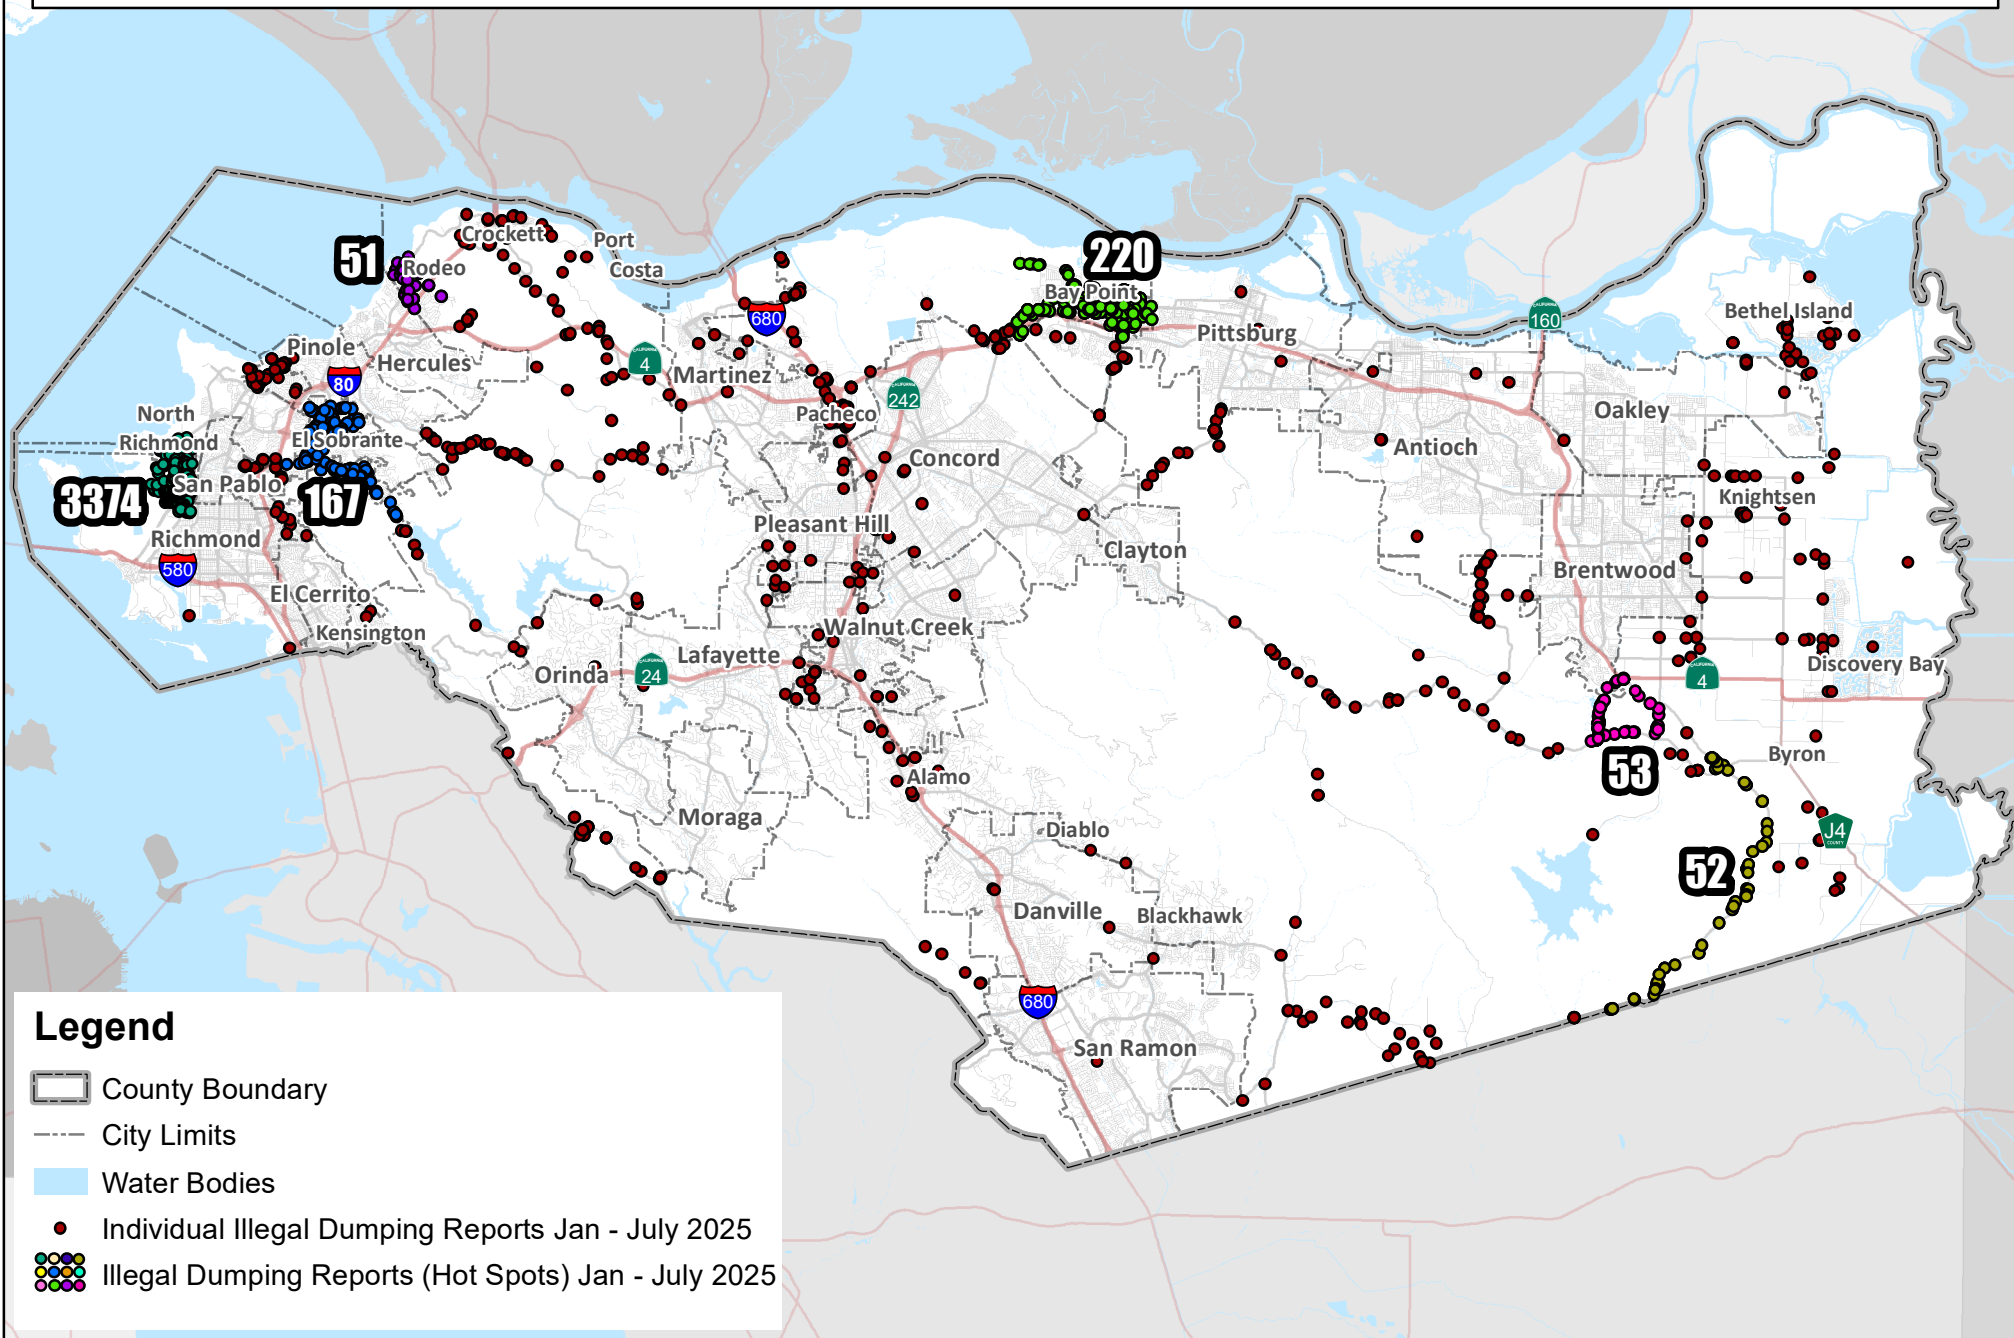

Attachment 1 - Illegal Dumping Initiative Strategy Table - October 2025 Updates

ENFORCE	NEW				
	51	Work through the Board of Supervisors legislative platform process and/or explore partnering with coalition of other governmental agencies in the region to propose/pursue legislation to change illegal dumping of non-commercial quantities (less than 1 cubic yard) from an infraction to a misdemeanor and increased the allowable penalties, including higher fines, mandatory community service time, and/or jail time.	45	BoS	<i>The County's 2025-2026 Adopted State Legislative Platform includes the following: "SUPPORT statewide regulation for hauling solid waste and enforcing increased penalties for illegal dumping."</i>
	52	Request courts to impose appropriate sentences (fines and community service to clean up illegal dumping elsewhere) of people convicted of illegal dumping.	45	DA	<i>The District Attorney's Office is requesting appropriate sentences to include fines and/or community service.</i>
	53	Dedicate prosecutor resources to prosecuting dumping crimes.	45	DA	From 1/1/25 to 9/2/25, approximately 25 illegal dumping cases have been reviewed by the District Attorney's Office with 4 open active cases. There may be additional pending illegal dumping cases that have been submitted but are pending review. In addition, a knowledgeable prosecutor is assigned to review all submitted cases and a Sr. Inspector is available to assist law enforcement in these matters.

Attachment 1 - Illegal Dumping Initiative Strategy Table - October 2025 Updates

ENFORCE	NEW				
	54	Use mapping (GIS) to track dumping hot spots to target use of enforcement tools/investigative resources.	45	PWD, DCD	<i>Public Works logs each illegal dumping complaint into their maintenance management system, MaintStar. Each complaint is turned into a work request, which identifies the location of the illegal dump. MaintStar is able to map each of the work requests and can be seen graphically on a map to identify hot spots. DCD also works with PW in developing mapping to track dumping hot spots.</i>
	55	Use sting operations targeting specific types of dumping crimes/violations or locations/days & times of day.	45	SO	Deputies assigned to the stationhouses continue to enforce and investigate illegal dumping violations as part of their regular patrol duties. No targeted illegal dumping operations have been scheduled.
OTHER	56	Continue holding interdepartmental "Think Tank" team coordination meetings quarterly, as needed. On-going coordination with cities to facilitate information sharing and collaboration opportunities (e.g. maintain/utilize countywide e-mail list, convene meetings as needed, etc.)		CCEH, DA, DCD, PWD, SO	<i>The interdepartmental team consistently participates in Regional Illegal Dumping Taskforce Meetings hosted by Alameda County and the CalRecycle Illegal Dumping Technical Advisory Committee. These engagements aim to promote ongoing coordination with cities and counties throughout California, facilitating information sharing and collaboration opportunities.</i>
