(out of the District)

Felonies:

C. Incidents of Interest

- Deputies and Danville PD Officers responded to what was reported as a burglary in progress. Upon arriving on scene, deputies determined a caretaker arriving for his first shift in the community entered the wrong residence, where he was confronted and police were called. Due to the large police response nearby residents were concerned.

D. Volunteers in Policing: 12 hours served by four volunteers. All volunteers provided routine security checks and Vacation House Checks/extra patrol.

E. Items of interest:

- Retirement of Blackhawk Chief Schultz as of March 27th, 2026. Transition includes selection of a replacement. The Chief extends appreciation to be retiring at the end of his tenure with Blackhawk. The community and Advisory Board extends its gratitude to Chief Schultz and wishes him the best in his retirement.

Bruce Gekko asked about longevity expectation for deputies and chief to stay assigned to P2A service area. The Chief advised that there are no formal contracts, and these types of assignments are generally 4 years, but most deputies in BH stay for at least 2 years. Next Chief may have different expectations for his deputies.

Coffee with the Chief will resume in March 18, 2026. New Chief will also attend if timing allows. Send the Chief off with a large participation!

Blackhawk Police Services

Notes from the Chief of Police

- As the new Blackhawk Police Services Chief, I am honored to serve in this role. I look forward to continuing the strong partnerships we have with Blackhawk residents, the P2A Board, the Blackhawk HOA, and the Blackhawk Country Club. I welcome your concerns, feedback, and ideas as we work together to keep our community safe. Thank you for your trust and support.
- While Blackhawk remains one of the safest communities in California, property crimes still occur. Since the beginning of the year, there have been two residential burglaries. Please consider the following steps to help protect your home and family. Set your alarm before leaving, regardless of how long you will be away. Lock all doors and windows. At night, leave lights on or a television running to create the appearance that someone is home. If you have a video surveillance system, consider using cloud storage. In many cases, suspects gain entry by breaking a rear glass door. Additional measures to consider include installing motion-activated lighting, glass-break sensors, and impact-resistant or laminated glass. Any steps taken to better secure and reinforce your home can help reduce the risk of burglary.
