I have done community work with groups of all ages, from direct response to child abuse report cases as a case manager, to social work with developmentally disabled adults. While I have done work with older adults including in my current position as Associate Director of Home Match, I have personal ties to the aging community. My parents, both in their 80's, live in the county and struggle to find services or programs that may assist them as they age. With a range of expertise and lived experience I believe I can be an asset to this council.
