Qualifications and Volunteer Experience

Please explain why you would like to serve on this particular board, commitee, or commission.

I would like to continue to serve on this particular committee because it is directly related to my work. I have been serving the 0-5 population for over a decade. I continue to set forth a high standard of service delivery for the families I serve on a daily basis. I am passionate and motivated to be part of a team dedicated to improve the overall outcomes of our children. This committee has afforded me several opportunities to create, support and enhance the services our children and families receive in the educational system. Furthermore, being part of such a talented and multidimensional team, has been inspiring and uplifting as I continue the important work that our children and families deserve.

Describe your qualifications for this appointment. (NOTE: you may also include a copy of your resume with this application)

I am qualified for this appointment as evidenced by my employment and volunteering history. I created and implemented a program to assist students for MDUSD and Families first. This program was designed to support children with a 504 plan and partnering with a multidisciplinary team and I led this team for a decade. I also worked at a level-14 group home with an educational component to ensure foster children and their guardians advocated for their children's education rights. I currently supervise a team of four Family Advocates and seven Home Visitors that serve children and families prenatal-age five. Additionally, I also occupy a seat on the African American Holistic Wellness Hub steering committee as the primary voice for families with children preschool-high school aged. My past experience and appointment on the LPC have been rewarding and motivational as I continue this difficult but rewarding work.

FAMILY & HUMAN SERVICES COMMITTEE

Meeting Date: February 10, 2025

Subject: Appointments to the Advisory Council on Aging

Submitted For: Marla Stuart, Director

Department: Employment and Human Services

Referral No: N/A

Referral Name: Appointments to Advisory Bodies

Presenter: Tracy Murray, Aging and Adult Services Director

Contact: Tracy Murray, (925) 608-4805

Referral History:

On January 7, 2020, the Board of Supervisors adopted Resolution No. 2020/1 adopting policy amendments governing appointments to boards, committees, and commissions that are advisory to the Board of Supervisors. Included in this resolution was a requirement that applications for at-large/countywide seats be reviewed by a Board of Supervisors committee.

The Advisory Council on Aging (ACOA) provides a means for county-wide planning, cooperation and coordination for individuals and groups interested in improving and developing services and opportunities for the older residents of this County. The Council provides leadership and advocacy on behalf of older persons and serves as a channel of communication and information on aging.

The Advisory Council on Aging consists of 40 members serving 2-year staggered terms, each ending on September 30. The Council consists of representatives of the target population and the general public, including older low-income and military persons; at least one-half of the membership must be made up of actual consumers of services under the Area Plan. The Council includes: 19 representatives recommended from each Local Committee on Aging, 1 representative from the Nutrition Project Council, 1 Retired Senior Volunteer Program, and 19 Members at-Large.

Pursuant to the ACOA Bylaws, the ACOA may recommend for appointment up to four (4) alternate Member-at-Large (MAL) members, who shall serve and vote in place of members (City or MAL) who are absent from, or who are disqualifying themselves from participating in a meeting of the ACOA.

The Area Agency on Aging, the ACOA and the Clerk of the Board, using Contra Costa TV (CCTV), assisted with recruitment. Area Agency on Aging staff has encouraged interested individuals including minorities to apply through announcements provided at the Senior Coalition meetings and at the regular monthly meetings of the ACOA. The Contra Costa County Employment and Human Services Department (EHSD) website contains dedicated web content where interested members of the public are encouraged to apply. The website provides

access to the Board of Supervisors' official application with instructions on whom to contact for ACOA related inquiries, including application procedures.

Referral Update:

Chalo Buckman submitted an application for ACOA membership. The City of Oakley recommended Chalo Buckman to serve as the ACOA's City of Oakley's representative on January 14, 2025.

FAMILY & HUMAN SERVICES COMMITTEE

Meeting Date: February 10, 2025

Subject: Council on Homelessness 2024 Quarter 4 Report

Submitted For: Anna Roth, Health Services Director

Department: Health Services

Referral No: 5

Referral Name: Homeless Continuum of Care - Quarterly Report

Presenter: Jaime Jenett, Health Services Community Engagement Specialist

Contact: Danielle Fokkema, (925) 655-2047

Referral History:

In November 2014, the Board approved "Forging Ahead Towards Preventing and Ending Homelessness: An Update to Contra Costa's 2004 Strategic Plan", that renewed the County's 2004 plan with the latest data, best practices, and community feedback and reaffirmed the County's commitment to the Housing First approach. As such, "Forging Ahead" establishes this guiding principle:

"Homelessness is first a housing issue, and necessary supports and services are critical to help people remain housed. Our system must be nimble and flexible enough to respond through shared responsibility, accountability, and transparency of the community."

The Strategic Plan Update identifies two goals:

- 1) Decrease the length of time people experience homelessness by focusing on providing Permanent Housing and Services; and
- 2) Decrease the percentage of people who become homeless by providing Prevention activities.

To achieve these goals, three strategies emerged:

- Implement a coordinated entry/assessment system to streamline access to housing and services while addressing barriers, getting the right resources to the right people at the right time; and
- Use best, promising, and most effective practices to give the consumer the best possible experience through the strategic use of resources; and
- Develop the most effective platforms to provide access, support advocacy, and connect to the community about homelessness and available resources.

The Contra Costa Council on Homelessness (COH), a Board of Supervisors appointed body, provides advice and input on the operations of homeless services, program operations, and program development efforts in the County. The COH establishes the local process for applying, reviewing and prioritizing project applications for funding in the HUD Homeless Assistance Grant Competitions, including the Continuum of Care (CoC) Program and the Emergency Solutions Grant Program.

File #: 25-443 Agenda Date: 2/10/2025 Agenda #: 6.

The County Health, Housing and Homeless Services Division (H3) of the Health Services Department partners with the COH to develop and carry out an annual action plan that identifies the objectives and benchmarks related to each of the goals and strategies of Forging Ahead. Further, H3 incorporates the strategic plan goals into its own delivery system of comprehensive services, interim housing and permanent supportive housing as well as contracting with community agencies to provide additional homeless services and housing with the goal of ending homelessness in our community.

The Council submitted its last quarterly report (2024-Q3) to the Family and Human Services Committee on November 25, 2024, which was later approved and accepted by the Board of Supervisors at their December 17, 2024 meeting.

Referral Update:

Please see the attached Council on Homelessness Quarter 4 report for updates.

Recommendation(s)/Next Step(s):

ACCEPT the Council on Homelessness 2024 Quarter 4 report, and DIRECT staff to forward the report to the Board of Supervisors for their information.

Fiscal Impact (if any):

There is no fiscal impact.

Contra Costa County Homeless System of Care Quarterly Report for Quarter 4, 2024 (October – December)

INTRODUCTION

The Contra Costa Council on Homelessness (CoH) is the governing and oversight body for the County homeless Continuum of Care (CoC) and is appointed by the Board of Supervisors. The Council provides advice and input to the Board of Supervisors on the operations of homeless services, program operations, and program development efforts in Contra Costa County. The Contra Costa Council on Homelessness is the governing body for the Contra Costa County Continuum of Care (CoC).

The Contra Costa CoC is comprised of multiple partners, including service providers, members of faith communities, local businesses, private and public funders, community members, education systems and law enforcement, and others who are working collaboratively to end homelessness. The COH and COC are supported by Contra Costa Health - Health, Housing & Homeless Services (H3) Division. H3 functions as the CoC administrative entity and collaborative applicant, CoC Lead Agency and Homeless Management Information System (HMIS database) Lead Agency.

The purpose of this report is to share information about the CoC and COH activities with the Contra Costa County Board of Supervisors and to provide recommendations from the COH to the County Board of Supervisors on long range planning and policy formulation that would support the county homeless CoC. This report includes information on system data, funding and policy activities, and CoC initiatives. All information will reflect activities and data for the prior quarter.

This report was produced on behalf of the CoH by H3 in collaboration with the CoH and CoC partners.

SYSTEM FUNDING

This quarter the CoC continued to evaluate the system of care and pursued funding opportunities to address the gaps in Contra Costa's homeless system, including our largest source of funding, the Housing and Urban Development (HUD) Continuum of Care (CoC) Notice of Funding Opportunity (NOFO).

FEDERAL

HUD NOFO: In this quarter, the CoC completed on-time submission to the FY 2024 Continuum of Care competition. Providers worked collaboratively with the CoC to ensure an on-time submission. Council on Homelessness members served as the CoC's Review and Rank panel to create and approve the Priority Listing that was approved by the Council on October 3,

2024. (See Appendix C for 2024 CoC Priority Listing). <u>HUD released the first round of award</u> decisions in early 2025.

CoCBuilds NOFO: On July 19, 2024, the Department of Housing and Urban Development (HUD) released the Continuum of Care Builds (CoCBuilds) NOFO to fund acquisition, rehab, or new construction of permanent supportive housing. After conducting a letter of interest, the CoC worked collaboratively with Hope Solutions to submit an application for \$5 million in funding to develop 15 units of permanent supportive housing for transition aged youth called Hope Village in Pittsburg. It is unclear if or when HUD will announce awards under this NOFO.

SYSTEM INITIATIVES

The CoC regularly engages in multiple activities, partnerships, evaluations, and improvement that are designed to improve services to clients and achieve various system goals.

Equity: Progress this quarter included developing and approving a Work Plan for 2025 with the following priorities:

- 1. Monitor metrics related to equity in the CoC
- 2. Provide input to CoC policies and procedures
- 3. Learn about topics and programs impacting equity in homelessness response program
- 4. Develop equity dashboard
- 5. Leverage partnerships to increase participation in Equity Committee, particularly PWLE.
- 6. Develop projects and recommend priorities within CoC to address root causes of racial disparities in homeless system of care

Engagement of People with Lived Experience of Homelessness (PWLE):

- Of the 31 applications we received for open seats on the Council on Homelessness, 19 had a lived experience of homelessness.
- The Youth Action Board, a group of transition aged youth with a lived experience of homelessness, spoke at a panel discussion for Homelessness Awareness month.
- PWLE were deeply involved in planning for Homelessness Awareness Month activities.
- Housing Needs Assessment Process: hosted input session with Youth Action Board and group of system utilizers, HNA reDesign Steering Committee includes 3 PWLE

Homelessness Awareness Month: <u>Recognitions:</u> Hosted a well-attended reception to honor those nominated for outstanding work to address homelessness. <u>Panel:</u> Successful panel discussion on youth and young adult homelessness co-hosted by Contra Costa College, Youth Action Board and Council. Video of the event can be seen here:

https://youtu.be/U6 AquHLHpM. Presentation: The Council Chair presented to the Board of Supervisors, and solicited 2 resolutions of support, on November 12th. Memorial: A memorial

event, cohosted by the Contra Costa Crisis Center, SoS Richmond, NAMI Contra Costa, Loves and Fishes and the Council on Homelessness was held on 12/20 at the Walnut Creek Library.

Point in Time Count (PIT): Methods for the PIT were approved by the Council and planning and volunteer recruitment took place throughout the whole quarter. More than 150 volunteers and staff will be trained in Q1, 2025 to support the community observational count portion of the PIT that will be held on the morning of Thursday, January 30, 2025.

Youth and Young Adult Homelessness

On October 29th, HUD announced the recipients of the FY 2023 Youth Homelessness Demonstration Program (YHDP). While our CoC was not selected, H3 and the Youth Action Board (YAB) remained actively engaged in advancing our youth and young adult homelessness response.

- On Oct. 30th, a total of 23 partners, including 8 YAB members, convened to review and plan for the <u>Youth and Young Adult 6 Month Priority Strategies 2024.docx</u>, a roadmap for action in 2025.
- On November 14th, as part of Homeless Awareness Month and in collaboration with the Council on Homelessness and Contra Costa College, the YAB hosted the Youth and Young Adult Panel on Homelessness. The hybrid event brought together 47 community members and was featured in the Contra Costa Pulse article, <u>Youth Affected by Homelessness Want to Help Solve 'Crisis.'</u> The full recording of the event is available here: <u>Youth and Young Adult Panel Discussion (11/14/24)</u>.
- On November 22nd, 5 YAB members participated in a regional convening hosted by Tipping Point Community, bringing together YABs from Alameda, Contra Costa, Marin, San Francisco, San Mateo, and Santa Clara Counties. The event featured workshops on Understanding the Federal Funding and Policy Landscape and Working with Local Government and a Youth Panel Developing Actionable Strategies.
- Throughout Q4, YAB members participated in multiple CoC initiatives including the
 Housing Needs Assessment Redesign Steering Committee, Consolidated Housing and
 Homelessness Funding RFP Panel, and the PIT Committee Meetings. Additionally, the
 YAB held eight meetings focused on developing YAB bylaws, electing core leadership,
 and planning for Homeless Awareness Month.

GOVERNANCE/REPORTING

- The Brown Act requirement for in person attendance continues to create barriers to participation for a number of members in seats that require lived experience.
- In November, the Family and Human Services Committee approved 9 proposed member recommendations, expiration date adjustment and received the Council's Q3 report. They were approved by the Board of Supervisors in December.

Polls conducted at the beginning of each Council on Homelessness regular meetings capture data on # of Council meetings previously attended, lived experience of homelessness and race/ethnicity of attendees. Overall, since Quarter 1, we've seen an increase in first time attendance (from 7% to 12%), an increase in people attending who are currently experiencing homelessness (from 4% to 9% of attendees), and increase in Black/African American attendees (16% to 19%) and Multi-racial attendees (7% to 11%) (See Appendix B for Q4 averages.)

2024 for the following referrals:

- Referral #25 Office of Education Child Care Planning
- Referral #56 East Bay Stand Downs for Homeless Veterans / Stand Down on the Delta

Dr. Marla Stuart recommends that the committee terminate the following referrals:

- Referral #44 Challenges for EHSD/Including Continuum of Care Reform Report The Continuum of Care Reform legislation was signed into law on October 11, 2015. The reform has been fully implemented and there is nothing new to report.
- Referral #78 Community Services Bureau/Head Start Oversight Now that there is a Head Start Board Committee, most of the Community Services Bureau (CSB) is covered by that committee. The remaining CSB programs can be addressed in the annual Child Welfare Report.
- Referral #110 Innovative Community Partnerships Most of new Innovative Community Partnerships are Measure X funded projects. EHSD already reports to the Board on these projects so reporting to the Family and Human Services Committee would be a duplication of efforts.

Dr. Suzanne Tavano recommends that the committee terminate Referral #115 - Child and Adolescent Mental Health. This information is included in the annual report for Referral #116 - Public Mental Health Care System so reporting to the Family and Human Services Committee would be a duplication of efforts.

The Office of Education recommends that the committee terminate Referral #25 - Office of Education Child Care Planning. The Office of Education has nothing new to report on this item.

Referral Update:

The Committee members have selected the second Monday of each month at 10:30 a.m. as the standing meeting date/time for 2025.

The proposed meeting dates are:

February 10, March 10, April 14, May 12, June 9, July 14, August 11, September 8, October 13, November 10 and December 8, 2025. Family and Human Services Staff recommend cancelling the August 11 and December 8, 2025 meeting dates. **Attachment A** contains the draft workplan for 2025.

Effective March 1, 2023, the Board's standing committees have been directed by the Board to use a hybrid meeting format that will enable the public to continue to participate in meetings electronically from remote locations. Additionally, the Brown Act and County's Better Government Ordinance permits remote participation of a Committee member under these rules:

- At least a quorum of the Committee (one member) must participate from a location in the county.
- Each telephone conference location and the meeting location must be shown on the agenda for the meeting. In addition, the agenda must provide an opportunity for members of the public to give public comment from each teleconference location.
- In addition to the usual agenda-posting agenda locations and the County website, an agenda must be posted at each teleconference location 96 hours in advance of the meeting.
- Each teleconference location must be open and accessible to members of the public.
- All votes taken during a teleconference meeting must be by roll call.

File #: 25-444 Agenda Date: 2/10/2025 Agenda #: 7.

It is recommended that the Committee members meet remotely from their supervisorial offices using the Zoom platform. The public and staff are now accustomed to this format, and it provides convenient online access to the meeting as well as two physical meeting locations within the county.

Recommendation(s)/Next Step(s):

- 1. APPROVE the proposed 2025 Committee meeting schedule and meeting format or provide direction to staff regarding any changes thereto.
- 2. TERMINATE the following referrals: (44) Challenges for EHSD/Including Continuum of Care Reform Report, (78) Community Services Bureau/Head Start Oversight, (110) Innovative Community Partnerships, (115) Child and Adolescent Mental Health and (25) Office of Education Child Care Planning.

Fiscal Impact (if any):

There is no fiscal impact.
