Qualifications and Volunteer Experience

Please explain why you would like to serve on this particular board, committee, or commission.

I would like to serve on the Juvenile Justice Coordinating Council, because it is in alignment with my personal and professional goal to invest in the prevention of youth mass incarceration. West and East county are in need of funding for incarceration prevention such as youth employment, diversion programs, and youth mentorships. Serving on this council will give me the opportunity to give input from a system-impacted perspective and leverage my ability engage my community, who has been impacted by incarceration in this process. With the closure of the Division of Juvenile Justice in California and youth being sent to their county's local Juvenile Halls, there is a necessity to strengthen community's resources to guarantee a safe return.

Describe your qualifications for this appointment. (NOTE: you may also include a copy of your resume with this application)

My qualifications for this appointment come from working for 2.5 years with the Young Women's Freedom Center as a Program Manager for system-impacted young women and transgender youth of all genders. I have created curriculums that are designed to resonate and empower those directly or indirectly impacted by mass incarceration. Living in impoverished communities and building relationships with those directly impacted by mass incarceration inform my work to prevent youth being involved with the Juvenile Justice system. Another aspect of my work that qualifies me to serve on this council is building relationships with elected officials to mobilize communities needs and create change.
