4. RECEIVE Staff Report on the 25-27 Los Medanos Grant Program [25-1672](#)

The county administrator's office provided feedback that, based on legislation, we would not be able to use the review panel as previously approved by this committee. Creating this subcommittee represents a process change that would require formal approval by the Board of Supervisors.

Supervisor Scales-Preston expressed support for the creation of the subcommittee but emphasized that the current grant contracts should not be delayed. She recommended using the new review structure in the next grant cycle. Supervisor Carlson agreed and stated that the subcommittee should be implemented in the next grant cycle to avoid current delays. Both supervisors agree that the process should move forward utilizing the original proposed plan with the full committee reviewing all proposals. This will move the process forward as quickly as possible.

Staff was directed to share this information with Los Medanos Health Advisory Committee

at a special meeting on May 13, 2025.

**This Discussion Item was received.**

The next meeting is currently scheduled for June 6th at 9:30 a.m.

### Information:

The Los Medanos Health Advisory Committee is tasked with soliciting proposals from service providers that are interested in participating in the Los Medanos Area Health Plan Grant Program (the "Grant Program") and are capable of addressing the priorities outlined in the adopted plan. Funding for grants will be provided from (i) a special fund established by the Auditor Controller, at the direction of the Board of Supervisors, that is used to segregate the property tax revenue received by the County as a result of the dissolution of the District, and (ii) any other funds made available to the grant program (e.g. through restricted donations, grants, etc.).

- 5) Provide substance use awareness, education, and prevention programs (alcohol, drugs and tobacco).
