## Governance Charter

### Article I. Purpose

#### Section 1. Overview

This charter identifies the purpose, composition, responsibilities, and governance of the Contra Costa County Continuum of Care (hereinafter referred to as the CoC).

For the history and evolution of the CoC, including naming conventions, relationships to other bodies, and strategic plans, please refer to the Timeline in the Appendix.

#### Section 2. Background

The U.S. Department of Housing and Urban Development (HUD) sets specific responsibilities for communities that receive funds through the Homeless Continuum of Care Program (“CoC Program”) under the Homeless Emergency Assistance and Rapid Transition to Housing Act (HEARTH Act). HUD’s 2012 HEARTH Interim Rule at 24 C.F.R. Part 578 (Interim Rule) states that the CoC Program is designed to address homelessness through a coordinated community-based process of identifying needs and building a system of housing and services to address those needs. This system must include, at minimum, outreach, engagement and assessment; shelter housing and supportive services; and homelessness prevention strategies.

Under the Interim Rule, the CoC is established as the planning body responsible for meeting the CoC Program goals and ensuring the system includes the necessary resources for the community. The purpose of the CoC Program is to:

- Promote communitywide commitment to the goal of ending homelessness;
- Provide funding for efforts by nonprofit providers, States and local governments to quickly re-house individuals, including unaccompanied youth, and families experiencing homelessness, while minimizing the trauma and dislocation caused to those persons by homelessness;
- Promote access to and the effective use of mainstream programs by individuals and families experiencing homelessness; and
- Optimize self-sufficiency among individuals and families experiencing homelessness.

## Article II. Structure

### Section 1. Contra Costa County Continuum of Care

- A. Contra Costa County provides coordinated housing and services to the community through public-private partnerships and collaborations, which function as a Continuum of Care (CoC). The CoC includes community members, housing and services providers, a governing body (Council on Homelessness), and an administrative entity and staff (Contra Costa Health Services’ Health, Housing, and Homeless Services Division). The CoC in Contra Costa is formally known as the Contra Costa County Continuum of Care.
- B. The CoC has been established and operates in compliance with HUD regulations, including:

- B. Maintains bylaws governing the operation of the CoC;
- C. Maintains a board roster (including Council members’ affiliations/representation(s));

### Section 3. Collaborative Applicant & Administrative Entity

Contra Costa Health, Housing, and Homeless Services, a division of the Contra Costa County Health Services Department (a county governmental entity), is the collaborative applicant for the Contra Costa Continuum of Care (CoC). The collaborative applicant’s role is to:

- A. Function as the Collaborative Applicant and Administrative Entity designated by the CoC to apply for and administer program funds for the CoC;

The Council aims to ensure a diverse population of community members contributes to deliberations and decision-making—including people with lived experience of homelessness. It is the Council's objective to include and engage as broad a representation as possible of people of various abilities, ages, sexual and gender identities, immigration statuses, involvement with the criminal legal system, and racial, ethnic, and cultural backgrounds, and geographical representation within the County. To align with this effort, the Council conducts an annual recruitment effort by advertising open positions. Upon expiration of the term of a Council seat, the seat will be vacated and filled through the annual selection process. Council members whose seats expire are eligible to reapply for the seat they previously filled.

If a seated Council member is unable to complete the two-year term, the Council may invite a replacement member, through the selection process, who shall serve out the remainder of the two-year term for that seat.

As vacancies occur, the Council will fill seats in a way that prioritizes retaining institutional knowledge and representation of lived experience of homelessness.

During a scheduled vacancy (i.e., when a seat term expires), if there is a delay in seating a new member, the Council may decide by majority vote to extend an outgoing member's term until a successor is seated, provided that the outgoing member is agreeable.

### Section 3. Selection Process

The Council will review all eligible applications for open seats annually. The Council will recommend new members through majority vote. This selection process must be reviewed, updated, and approved by the CoC at least once every five (5) years as per 24 C.F.R. §578.7 (a)(3).

### Section 4. Officers

The Council shall elect one Chair and one Vice-Chair to provide for the operation and conduct of business. Terms for the Officers shall be one year. Officers may serve no more than four consecutive terms in the same Council seat. The Council must take action to replace an Officer within three months from the date of vacancy or expiration of term. During the time the Council is acting to replace an Officer in a Council seat that has expired, the Officer may continue to serve in that role until the Council finds a replacement.

The Chair of the Council shall provide oversight for the operation of the Council. The Chair shall preside over meetings of the Council. The Chair may call for special meetings of the Council or its committees.

If the Chair is absent, or the office is vacant, the Vice-Chair shall assume responsibility for the operation of the Council.

### Section 5. When A Seated Member No Longer Meets the Eligibility Criteria

If a seated Council member no longer meets the eligibility criteria for the seat to which they are appointed, the Council:

- A. May request the Council member to submit a statement of resignation to the Council within 30 days of the change.
- B. May recommend to the Board of Supervisors the removal of the member and the

subsequent appointment of an eligible Candidate selected by the Council.

- C. May, where there is no apparent candidate to fill the seat, continue the seated member's participation, with or without limitation, until an eligible candidate is found.
- D. May, with no less than 10 business days' notice to the Council member at issue, review the Council member's membership status on the Council and vote to limit the Council member from further participation, until the Council member resigns or the Board of Supervisors removes the member.

## Section 6. Meetings and Attendance

The Council will set an annual meeting schedule. The Council will meet monthly, and the full membership of the Continuum of Care will convene quarterly with published agendas.

Two absences, excused or unexcused, from the regularly scheduled Council meeting in any 12-month period will warrant inquiry from the Council as to ability and interest of the individual in continuing as a member. Three unexcused absences within any 12-month period from time of appointment will result in a recommendation to the Board of Supervisors that this member be removed from the Council.

Any Council member unable to attend a meeting should notify the Chair of the Council or its administrative designee to request an excused absence.

The Chair of the Council or its administrative designee will maintain attendance records, and notify the Council when two absences are recorded.

## Section 7. Voting Members

A quorum of a majority of the appointed Council members is required for the conduct of business. Decisions must be made by an affirmative vote of a majority of Council members present during a Council meeting.

## Section 8. Amendment and Review

The Council will review the Governance Charter and Bylaws at least annually and update and approve as needed.

Amendment of the Council on Homelessness Governance Charter and Bylaws requires an affirmative vote of two-thirds majority of current sitting Council members, provided that public notice of the scheduled vote on the amendment was provided at least two weeks prior to that Council meeting. Amendments must be submitted to the Contra Costa County Board of Supervisors for approval, and take effect only upon approval by the Board of Supervisors.

## Section 9. Committee Structure and Operations

### Overview Committees and Working Groups

As per 24 C.F.R. §578.7 (a)(4), the CoC must appoint additional committees, subcommittees or workgroups. The Council will have Standing Committees, Ad-Hoc Committees and Working Groups. All Council members are expected to participate in at least one Committee or Working Group for the calendar year or the duration of the Committee or Working Group, if it is a time limited Committee or Working Group. Each Committee and Working Group will develop its own

strategy and approach to meet goals in alignment with the annual Council Workplan. Each Committee and Working Group will decide whether to designate a chair (who must be a Council member). Contra Costa Health, Housing, and Homeless Services Division (H3) of Contra Costa Health Services and/or their designee will provide support and coordination to all Committees and Working Groups.

All Committees and Working Groups will strive to make decisions through consensus. Committees and Working Groups can independently provide feedback to the Council on Homelessness on the topics they are tasked with focusing on and conduct planning processes (e.g., work planning, establishing goals for an evaluation). All other items (e.g., establishing prioritization, developing or updating policy) must be brought to the Council on Homelessness for a vote.

### **Standing Committees**

Standing Committees meet on a regular, ongoing basis and meetings are open to the public. Only the Council on Homelessness has the authority to create a Standing Committee. The creation, suspension, or dissolution of a Standing Committee does not require a revision to these Bylaws.

1. **Oversight Committee** – The purpose of the Oversight Committee is to oversee the annual monitoring process and review and assess the development, implementation, and improvement of the CoC and Coordinated Entry System.
2. **Funding Committee** – The purpose of the Funding Committee is to direct the community input process for time-sensitive federal and state funding streams, including the CoC/ESG programs administered by HUD.
3. **HMIS Policy Committee** – The purpose of the HMIS Policy Committee is to develop and share updates on the Homeless Management Information System (HMIS), including HMIS policies and practices, compliance, and troubleshooting.
4. **PATH (Plan for Accelerating Transformative Housing) Innovations Committee** – The PATH Innovations Committee is comprised of a diverse group of community stakeholders and CoC partners who commit to leading, monitoring, implementing, and assigning priorities to reduce unsheltered homelessness by 75% by the end of 2024.
5. **Policy Committee** – The purpose of the Policy Committee is to monitor and review local, state, and federal policies that impact housing and homelessness in Contra Costa County.
6. **Equity Committee** – Increase awareness, community dialogue, and lead concrete actions to achieve equity throughout the homeless system of care.

### **Ad-Hoc Committees**

Ad-Hoc Committees meet on an as-needed basis for a time-limited period. Ad-Hoc Committee meetings are open to the public. Only the Council on Homelessness has the authority to create an Ad-Hoc Committee. The creation, suspension, or dissolution of an Ad-Hoc Committee does not require a revision to these Bylaws.

1. **Governance Committee** – The purpose of the Governance Committee is to review and revise the Governance Charter and Bylaws on an annual basis to increase Council

efficiency and impact.

2. Homelessness Awareness Month Committee – The purpose of the Homelessness Awareness Month Committee is to plan annual Homelessness Awareness Month activities.
3. CoC/ESG (Continuum of Care/Emergency Solutions Grant) Committee – The purpose of the CoC/ESG Committee is to support *the preparation and submission of* applications for funds administered by HUD, including the CoC Program.
4. Point in Time (PIT) Count Committee – The purpose of the PIT Count Committee is to oversee the annual Point in Time count of people experiencing homelessness in Contra Costa County.

### **Working Groups**

The Council or Committees may form time-limited Working Groups to focus on specific tasks or projects. Working Groups are comprised of Council members and meetings are open to the public. Working Groups report to the body that formed it – either the full Council or a Committee. The creation, suspension, or dissolution of a Working Group does not require a Bylaws revision.

### **Section 10. Council Staffing and Recordkeeping**

The Council on Homelessness is supported by Contra Costa Health, Housing, and Homeless Services Division (H3) of Contra Costa Health Services as outlined in the Governance Charter. The responsibilities of Contra Costa Health, Housing, and Homeless Services staff to the Council include:

- A. Storage of all Council and committee records, including agendas and minutes for all meetings;
- B. Presentation of annual reports to the Board of Supervisors or reports as called for by the Family and Human Services Committee;
- C. Implementation, administration, and management of the Contra Costa County homelessness response system, including the Coordinated Entry System and Homeless Management Information System;
- D. Serving as the Collaborative Applicant and Administrative Entity designated by the CoC to apply for and administer program funds for the CoC;

All duties identified throughout these Bylaws that may be delegated to an administrative designee.

## **Article V. Conduct & Conflict of Interest**

### **Section 1. Code of Conduct**

Each Council member will uphold certain standards of performance and good conduct and avoid real or apparent conflicts of interest. In order to prevent a conflict of interest, a Council member, chairperson, employee, agent, or consultant of the Council may not:

- A. Influence decisions concerning the selection or award of a grant or other financial benefit to an organization that the Council member, employee, officer, or agent has a financial or other interest in or represents, except for the Council itself.

- B. Solicit and/or accept gifts or gratuities by anyone for their personal benefit in excess of minimal value as defined by the California Fair Political Practices Commission (FPPC).
- C. Engage in any behavior demonstrating an actual conflict of interest or giving the appearance of any such conflict.
- D. Engage in violations of the law or unethical business practices, which includes any payments for illegal acts, indirect contributions, rebates, and bribery.

## **Section 2. Conflict of Interest**

All Council members must file an initial and annual Conflict of Interest statement with the Chair of the Council or its administrative designee. Failure to file such a statement may result in the removal of a member.

<b>1986</b>	Concerned community members begin drafting, "A Plan for Dealing with Homelessness in Contra Costa County".	<b>1987</b>	The Task Force on Homelessness reports to the Board of Supervisors on Homelessness in Contra Costa County and includes Recommendations for Action.
<b>1991</b>	A symposium is held to address homelessness in Contra Costa County.	<b>1994</b>	Contra Costa County Board of Supervisors mandates that a comprehensive, integrated plan for homeless services must be developed for the County. In response, the Ad Hoc Homeless Task Force is created to coordinate a countywide planning process and write the county's first official Homeless Plan.
<b>1997</b>	The Board of Supervisors officially establishes the Homeless Continuum of Care Advisory Board (CoCB) under Board Order C.87.	<b>2000</b>	Contra Costa County begins the process of developing a new five-year Homeless Continuum of Care Plan. The CoCB coordinates the planning process.
<b>1999</b>	The CoCB meets to oversee the planning process, to review the original plan, and to update the 2001-2006 Contra Costa Continuum of Care Homeless Plan.	<b>2003</b>	The CoCB adopts by-laws that include assuming all previous functions of the Contra Costa Homeless Advisory Committee and the new responsibilities under federal and state regulation of the Homeless Continuum of Care Boards.
<b>2001</b>	The plan is adopted. The CoCB is the lead agency for the Continuum of Care Planning Process, setting new objectives in response to changing circumstances.	<b>2005</b>	On parallel tracks the CoCB and HIJIDWG continue to work towards ending homelessness, with similar issues and membership.
<b>2004</b>	The Board of Supervisors approves <i>Ending Homelessness in Ten Years: A County-wide Plan for the Communities of Contra Costa County</i> . This plan embraces key concepts of the Five Year Plan but does not replace it. HIJIDWG, a newly formed group, is charged with the implementation of the Ten Year Plan provisions. This group begins meeting regularly.	<b>2008</b>	The CoCB and HIJIDWG merge to become the Contra Costa Interjurisdictional Council on Homelessness (CCICH).
<b>2014</b>	Using the ten-year plan as a foundation, CCICH develops a strategic plan update, <i>Forging Ahead</i> , outlining the guiding principle that homelessness is first a housing issue, and necessary supports and services are critical to help people remain housed.	<b>2015</b>	CCICH rebrands as the Council on Homelessness, adopting new by-laws and governance charter to reflect the role of the CoC and the Council.

What motivates you to work on preventing and ending homelessness?

What brought you to this work?

# CONTRA COSTA HOMELESS SYSTEM OF CARE OVERVIEW

Michele Byrnes, Homebase

# WHAT IS A CONTINUUM OF CARE (CoC) ?

- Group of organizations and agencies that collectively coordinates homeless assistance activities and resources in a community.
- CoC's:
  - Are NOT a legal entity
  - Designate an entity to apply for funding on its behalf (H3)
  - Receive federal CoC funding through an annual competitive process
  - Promote community-wide commitment to ending homelessness
  - Must establish certain community-wide processes:
    - Ex: coordinated way for people to access services (also known as Coordinated Entry)

JJ30 I often say something like:

A CoC is a term used by HUD, our largest funder of homeless housing and services. They require every community that wants HUD CoC Funding to build a "container" called a Continuum of Care. There are currently 44 CoCs in California; typically cover one County [JJ added this]

Jaime Jenett, 11/22/2023

# WHAT ARE SOME OF HUD'S MAIN REQUIREMENTS FOR CoCs?

- CoC Board/Council: collective of individuals designated to provide oversight and governance on behalf of the CoC
- Coordinated Entry: the process established by the CoC to ensure that people experiencing or at risk of homelessness are
  - Prioritized for resources based on severity of need, and
  - Matched to available resources most suitable to meet their needs
- HMIS: data systems that communities use to collect and analyze client, service, and housing data

Update on CoC Notice of Funding Opportunity  
and Funding Committee – Mark Mora, Homebase  
and Jamie Schecter, H3

# UPDATE ON COC NOFO AND FUNDING COMMITTEE

Mark Mora, Homebase  
Jamie Schecter, H3

## BACKGROUND: HUD COC NOFO

- U.S. Department of Housing and Urban Development (HUD) funds the Continuum of Care (CoC) Program
- HUD releases a Notice of Funding Opportunity (NOFO), competition for approximately 450 Continuums of Care
- FY 2024-25 and FY 2025-26 CoC NOFO:
  - First time two-year NOFO cycle (was annual competition)
  - Next competition was set for 2026

# 2025 CoC NOFO

- 11/13/25 - 2025 NOFO was released with a deadline to submit applications to HUD by January 14, 2026 (60-day window)
- 12/8/25 - HUD withdrew NOFO with intent to revise and re-issue it
- 12/12/25 - The CoC paused the local competition
- 12/19/25 – HUD re-issued the 2025 NOFO
- 12/23/25 – Court order granted the States and NAEH's request for preliminary relief effectively blocking the 2025 NOFO until further notice, HUD was ordered to take steps to process renewals for FY 2025 (but order does not require HUD to award/obligate funds yet)

# HUD's Plan to Implement FY 24-25 NOFO

- **1/6/26** – HUD will reopen and post the FY 24-25 CoC NOFO with an extended deadline to allow for all eligible renewals and reallocations
- **2/19/26** – HUD will close the application window
- **May 2026** – anticipated award date, barring government shutdowns or other disruptions
- However, HUD reserves the right to implement a new NOFO if/when a court order does not preclude it from doing so

### 5) Continuum of Care Notice of Funding Opportunity Update

---

#### A. Update on CoC NOFO and Funding Committee

Speaker: Mark Mora and Jamie Schechter, *Homebase*

Mark and Jamie provided an overview of the 2025 HUD Continuum of Care (CoC) Notice of Funding Opportunity (NOFO), which was released on November 13, 2025. The consolidated application is due to HUD by January 14, 2026. Contra Costa County received approximately \$22.3 million in CoC funding in FY 2024. Key changes in the 2025 NOFO include a cap limiting permanent housing funding (Permanent Supportive Housing and Rapid Rehousing) to no more than 30% of the CoC's Annual Renewal Demand (ARD), representing a significant shift from prior years. Tier 1 funding has also been reduced to 30% of ARD, compared to approximately 90% in previous years, meaning more projects will fall into Tier 2, which is nationally competitive. Additional changes include newly eligible project types (Transitional Housing, Supportive Services Only, and Street Outreach), higher scoring for projects with service participation requirements, and new restrictions related to harm reduction practices, definitions of sex and gender, and activities perceived as facilitating racial preferences. Mark and Jamie shared that CoC-funded renewal projects have been coordinating with H3 to come up with a shortlist of permanent housing projects to be included in Tier 1 within the new permanent housing funding cap.

#### Discussion:

- Council members expressed concern about the potential loss of CoC subsidies for permanent housing projects as grants expire over the coming year. Staff noted that while impacts will occur on a rolling basis based on circumstances for each project, nonetheless a significant number of households may be affected. Staff emphasized ongoing collaboration between the county and providers to identify alternative funding sources, temporary subsidy options, and cross-system strategies to help residents remain housed.
- A Council member with lived experience shared personal concern about being directly impacted by potential policy changes. Another Council member acknowledged the emotional weight of the discussion and emphasized the importance of centering lived experience voices, particularly given the uncertainty created by the policy changes.
- Discussion also included how HUD Opportunity Zones factor into application scoring and concerns regarding how geographic boundaries may disadvantage certain communities.

## **Funding Committee**

- The purpose of the Funding Committee is to direct the community input process for several time-sensitive federal and state funding streams, including updating materials and preparing for the bi-annual Continuum of Care Notice of Funding Opportunity (CoC NOFO) competition.
- The FY 2025 CoC NOFO was released on November 13 including several significant program changes and a shorter window (60 days) to complete the competition. To meet this expedited timeline, the Funding Committee met on December 1 and 2 to finalize revisions to the scoring tools and competition policies. However, on December 8 HUD withdrew the 2025 CoC NOFO with the intention of revising and reissuing it at some point. Because of this, the CoC decided on December 12 to pause the local competition until further notice.
- On December 23, a Court order was released granting the States and NAEH'S request for preliminary relief. This means that the FY 2025 CoC NOFO is blocked until further notice. HUD cannot take action on the NOFO released December 19 (version 2), nor can HUD release another version of the NOFO, create new NOFO deadlines, or accept applications in a new NOFO. The Court ordered HUD to take steps to process renewals for FY 2025 CoC funding and to inform CoC program recipients of steps towards processing renewals within 14 days (January 6, 2026). However, it's important to note that this order does not require HUD to award or obligate funds yet.
