RE: November 5, 2024 General Election  
Insufficient Nominees for the Castle Rock County Water District

Dear Mr. Schimmel,

According to our records, the Castle Rock County Water District had three full-term positions up for election on November 5, 2024. However, no individuals filed the necessary paperwork to be nominated as qualified candidates.

As per Election Code 10515, if by 5:00 pm on the 83rd day before the election, there are fewer candidates than vacancies, it is necessary to request the board to take action to recommend a person or persons to be appointed for the seats without a nominee.

Please indicate your recommendation no later than Friday, September 27, 2024. Our office will submit the recommended name(s) to the Board of Supervisors for approval of the appointments to the seats.

If you have any questions, please contact me directly at (925) 335-7867.

Respectfully,

Jacob Stull

Their names and Board of Director positions are as follows:

Jerome Dermon	Director of Maintenance and Repairs
Benjamin Kronick	Director of Maintenance and Repairs
Daniel Moylan	Secretary

Good afternoon Olga,

I came into the elections office this morning to file our Board of Directors election papers and had the due date for them completely wrong! Thankfully all of the positions are all uncontested divisions, but since the date was missed, your very nice employee said we just need to send you an email letting you know our selections for those divisions up for election.

Division No. 2 would be Mark S. Dwelley, current Incumbent  
Division No. 3 would be Glenn Stonebarger, current incumbent  
Division No. 5 would be George S. Nunn Jr., current incumbent

Please let me know if you have any questions or need anything further! Again, sorry for the delay!

Good afternoon,

Thank you for the call and introduction. I am happy to answer questions regarding elections and appointments. You can also email my staff at [Candidate.Services@vote.cccounty.us](mailto:Candidate.Services@vote.cccounty.us).

Here is the letter we sent out early last week, and as stated over the phone, I will send a physical copy to you as well. Again, we need the name and residential address of the nominee to confirm they live in the district and are eligible to serve on the board. How the district selects the nominee is primarily up to them, but we ask that we get notified by

September 27, 2024. A physical letter is preferred; however, you can inform us by email if you would like, as long as the email comes from the district.

Thank you,
