Message Center 360

2 Models:
3' x 6' or 4' x 8' display panel

- Standard messages or create your own
- Display can raise to 11' and rotate 360°
- Strobes available
- Optional traffic data collection and ALPR
- Remote web-based access option

SAM 3

- 18" Amber LEDs with 1000' visibility
- Sign rotates 360°
- Solar and battery powered
- Available in horizontal and vertical configurations
- Collect and analyze traffic data
- Optional ALPR

EZ Speed - NEW

- A mobile version of our PMG "Your Speed" sign
- Optional messaging and animation
- Optional red/blue violator alert strobes
- Traffic data collection
- Wireless connectivity
- Solar power
- Optional ALPR
- Optional 4G with GPS

PMG

Our most versatile traffic safety device, the PMG can function as a radar speed sign, messaging sign, and traffic data collector.

- The only pole-mounted NTCIP compliant speed sign on the market
- 12", 15", and 18" digit height models
- AC, DC, solar, or backpack battery power
- Flexible mounting options

More PMG Options:

Low-Speed Model

- For low-speed, high risk locations where slower detection speeds are required, such as warehouses, supply yards, and boating "no wake" areas

PMG Flood Sensor

- Automatically trigger your PMG to warn drivers of water on the road and signal other PMGs to display alert messages

Traffic Data Collector 2

- Covertly collect traffic data
- Analyze your data via the Web Portal w/ optional 4G, or use Easy Analyst application on your PC
- Runs up to 8 days unattended
- Weatherproof housing
- MIL-STD Drop Tested, IC, and CE.
- Optional solar power

Police Radar

DSR 2X

The most advanced speed enforcement radar on the market today

DSR 2X LCD shown

Two-Zone Directional Radar

When you need the best to keep your streets slow and safe, you need the Stalker DSR 2X.

With its 5-window display, patented Rear Traffic Safety Alert, and your choice of Fast Lock or Instant-On remotes, you can count on Stalker to deliver the features you need in a radar system that will last.

- Accurately tracks vehicles from over a mile away
- Displays speeds from up to 4 moving or stationary targets simultaneously
- Patented Rear Traffic Alert warning keeps you safe as you re-enter traffic after a stop
- Automatic fan noise suppression
- Choose between LCD and LED screen options

DSR 2X LED shown

DSR Moving + Stationary Directional System

- Automatic Same-direction detection
- LED arrows on display indicate if same direction
Stronger and Faster targets are closing or away
- Automatic fan noise suppression

DUAL SL Moving Directional / Stationary Non-Directional

- Moving Mode: Automatically senses if target is moving faster or slower than the patrol vehicle
- Stationary Mode: Displays Fastest speed
- Automatic fan noise suppression

PATROL

Non-Directional Stalker PATROL

- Stalker quality and reliability at an affordable price
- LCD display - easy to read
- K-Band

Choose LED or LCD For the DSR 2X, DSR, and DUAL SL

Stalker II		●	●	●	●		●	

Stalker II

The power of a direction-sensing dash-mount in a hand-held radar gun

CHOOSE:

- MDR - Moving Directional Radar
- SDR - Stationary Directional Radar
- High-capacity Li-Ion rechargeable battery handle
- Versatile use - mount, hand-hold, motorcycle

Police Lidar

Stalker Lidar RLR

Our flagship Lidar gun, the RLR is built to perform under any conditions. Waterproof, dustproof, and the only Lidar gun in the industry to pass the stringent MIL-STD 810H drop test, it can track targets from over a mile away and has a rechargeable battery that can last multiple shifts.

- IP67 waterproof and dustproof
- Intuitive full-character LCD display
- The only Lidar gun in the industry that passed the MIL-STD 810H drop test
- Up to 9,500' (1.2 km) range
- 4 modes increase ease of use and functionality

Stalker Lidar XLR

- Small, lightweight, but full-featured
- High-capacity Li-Ion rechargeable battery handle
- Water resistant design
- Add the optional C-Thru/Auto-Obstruction Mode to decrease interference
- Up to 9,500' (1.2 km) range

Stalker Lidar XS

- Best for urban streets and shorter-range use cases
- Rechargeable battery handle
- Water resistant design
- 2,000' (0.6 km) range
