Qualifications and Volunteer Experience

Please explain why you would like to serve on this particular board, committee, or commission.

I have been a proud resident of Danville, CA (Contra Costa County) since August 1991, where I raised my two children and witnessed our town grow into a vibrant and thriving community. Throughout these years, I have remained deeply aware of community issues and needs, and while my professional career limited my availability to volunteer in the past, I am now in a position to give back through meaningful service. My 41-year technical career began in Sunnyvale and spanned decades in Silicon Valley, where I gained extensive leadership and management experience across highly complex projects. I currently run my own business and hold a Master of Science in Telecommunications Management from Golden Gate University and a Bachelor of Science in Electronics Engineering Technology from Cogswell Polytechnical College. In addition, I am PMP and ACP-PMI certified through the Project Management Institute, and I hold an advanced program management certification (SCPM) from Stanford University. With this strong foundation in leadership, strategy, and collaboration, I am eager to apply my skills in service to the community. I am particularly interested in volunteering for the Advisory Board of the African American Holistic Wellness and Resource Hub Transitional Community, where I believe my background in program management and community-focused problem-solving can directly support initiatives that strengthen equity, wellness, and access to resources. Additionally, I would welcome the opportunity to serve on the Advisory Council on Equal Employment Opportunity, the Affordable Housing Finance Committee, and the Advisory Council on Aging. Each of these areas represents critical issues facing Contra Costa County—ensuring fairness in employment, expanding access to affordable housing, and providing vital support for our aging population. I am motivated to contribute my experience, perspective, and dedication to advancing solutions that make a positive impact on individuals, families, and our broader community.

Qualifications and Volunteer Experience

Please explain why you would like to serve on this particular board, committee, or commission.

I was born and raised in Contra Contra County. I have raised my family here, went to school here, attend church here and do not plan to leave. I bring a long career in financing and want to bring this expertise to my community. At Habitat, I interact with our families and hear their stories how they can own a home close to their job. They don't have to worry about relocating their family to own a home. I understand the importance of these type of committees.

Describe your qualifications for this appointment. (NOTE: you may also include a copy of your resume with this application)

I've worked for Habitat for Humanity for almost 7 years as the Homeowner Selection Manager. In my role I complete the loan administration work (underwriting, purchase agreement, closing documents), coordinate with the buyer from time of selection through closing on their home and serve on committees (employment education committee, HOA board, family selection committee, home equity grant). I also manage the homeowners by answering questions, advising on conflicts between neighbors, assist homeowners with HOA conflicts and coordinate the resale of their home. Prior to working for Habitat for Humanity, I was with Wells Fargo Home Mortgage for 14 years as a processor and underwriter. These employment opportunities led me to work with a diverse group of people (volunteers, retirees, donors, low and moderate income homeowners). I have over 20 years experience in lending with the last 6 1/2 in affordable housing (homeownership). While our office is located in Oakland, our organization serves Alameda County, Santa Clara County and Contra Costa County.

Qualifications and Volunteer Experience

Please explain why you would like to serve on this particular board, committee, or commission.

Being a renter for decades before finally purchasing a home for the first time in 2020, I know the struggle to find affordable housing. I consider myself to be civic-minded and want to help out in any way I can, especially helping those who need help the most.

Describe your qualifications for this appointment. (NOTE: you may also include a copy of your resume with this application)

I worked in student affairs in college, teaching student leaders about diversity, equity and inclusion. I am on the board for the Rotary Club of Walnut Creek and want to do as much as I can to help those in need in our community. I volunteer weekly for White Pony Express, helping them with deliveries (and sorting food) and am sworn in as a CASA volunteer for the county, working with a foster child each week, as well.

**Affordable Housing Finance Committee
Supplemental Questionnaire**

Thank you for your interest in the Affordable Housing Finance Committee (AHFC). The County is seeking applicants to fill pending vacancies on the seven-member AHFC.

The primary function of the AHFC is to develop funding recommendations for the Board of Supervisors for the allocation of Community Development Block Grant (CDBG), HOME Investment Partnership Program (HOME) and Housing Opportunities for Persons with AIDS (HOPWA) funds for the development of affordable housing in Contra Costa County. These funds are allocated to the County on annual basis by formula through the U.S. Department of Housing and Urban Development. Potential state or local affordable housing development funds may be considered by the AHFC, as needed. The AHFC typically convenes once annually in the spring to review County staff's recommendations for project funding of applications received through a public Request for Proposals process. Per the AHFC Bylaws approved by the Board of Supervisors on March 2, 2021, members of the AHFC must live in Contra Costa County and have expertise in affordable housing development and the provision of affordable housing for lower-income and special needs households.

1. Please describe any professional past or current experience in areas relevant to affordable housing finance, design, development, or property management.

I am a graduate of the Walnut Creek Chamber of Commerce's Leadership Contra Costa program where one month's session was dedicated to Housing and Transportation. Topics included: Housing Development Process and the Challenges of Affordability, Social Challenges, and the Naval Weapons Station Development. Additionally, I spent 21 years working as a researcher at the law firm of Davis Wright Tremaine, LLP, where I conducted complex business and legal research, often for our real estate and land use attorneys.

2. Please include specific professional positions and for how many years you held the position. (Providing a work resume does not substitute answering this question.)

I spent 25 years as a research librarian - 24 as a law librarian; 5 years spent active duty as an Operations Resource Manager in the United States Air Force, as well

3. In what ways do you feel you can contribute to the AHFC's role in evaluating affordable housing applications for development in Contra Costa County?

I'm an emotionally intelligent and level-headed person. I consider myself a man of integrity who will be objective in evaluating applications. I have no doubt I'll be a valuable asset to this committee.

Please explain why you would like to serve on this particular board, committee, or commission.

The need for affordable housing in our county is great, and it is very difficult to finance and build. I have served since 2018 as the President of the Orinda Senior Village Foundation, which owns and operates the Orinda Senior Village. The Orinda Senior Village is a 150-unit senior low income apartment project. The residents are all low, or very low, income seniors, and since 1982, OSV has served over 1,000 residents. However, the need for senior affordable housing is great, and OSV currently has a five-year waiting list. To my knowledge, most of the other providers of affordable housing in Contra Costa County also have extremely long, many times multiple years long, waiting list. At the same time, we knew that the cost of housing in the San Francisco Bay area is extremely high, and that with every increase, there are more community members who need affordable housing.

Describe your qualifications for this appointment. (NOTE: you may also include a copy of your resume).

In 2018, the Orinda Senior Village, created a sister organization, the Orinda Senior Housing Foundation, to build and operate a second senior affordable housing apartment project, the Vista Verde Community Housing Project. In the six years that I have served as President of OSHF, we have planned the design and construction of the building and grounds, completed design, received City approvals, selected a developer, selected a lender for construction and perm loans, and at this point are planning to break ground in early 2026. My work as President has generally involved working closely with the Project Manager, the Construction Manager, the affordable housing Financing Consultant, the attorneys, architects and contractors, other design professionals, the Asset Manager, and our mission partner, the Orinda Community Church. I have been involved with managing the professionals and consultants, working with the financing consultants to obtain construction and perm loan funding, coordinating with the Church and coordinating with the neighbors. I believe that my experience would be helpful to the Affordable Housing Finance Committee in evaluating requests for the allocation of public funding and development grants and making recommendations to the Board of Supervisors.
