Numbers from Jan 1st to today 158 misdemeanor arrests with 124 of those being DUIs (most on the freeway and on weekends), 21 felonies to date. Some accidents on Camino Tassajara, but not in this area. CHP volunteers are driving in the area, hopefully making a difference. Glad for CHP presence!

6. Homeowner Association Report

Nothing to report. Does the gate track those required to U-Turn when they are not valid visitors. The repeat offenders and those who “sneak” in through the out gate instead of making the U-Turn, license plates are collected and trespass reports and/or citations are issued as appropriate.

7. Blackhawk Country Club Report

Not present.

8. Old Business

a. Open P2A Position - 1 Alternate; Please reach out and submit applications and/or encourage others to do so.

b. Parcel Tax Increase - tabled for next 3 months

9. New Business

a. P2A Community Outreach - presentation/proposal for implementation: Motion for the P2A Committee approve the Outreach Sub-Committee to make contact and work with other Blackhawk CC groups, beginning with the Blackhawk Women’s Group.

Robert Durr- Motion, Roger Guidi- Second

Chair Andy Cohan asked for any additional public comment.

Dinesh Vajaj – Mr. Vajaj was wondering about the burglaries occurring inside the Blackhawk gates. Any new information or follow-up. Chief will follow-up and find out what is happening. Chief advised trail cameras are placed to view open space

and BH Officers are making patrols in the area. Chief asking if residents see something or people in the open space, report it.

Linda Kralik– Inquired about a Ring system? Could those assist? Good resource, but not the end all/be all. They do provide some of a deterrence factor. Most suspects are pretty well covered up and difficult to identify them even with the cameras.

Next meeting scheduled for April 8, 2025 @6:00pm.

10. Adjournment @6:28pm

Linda Kralik- Motion, Linda Vaughn- Second
