

The Great State of New California

November 11, 2024

Kristin Connelly, Clerk Recorder
Registrar of Voters
Contra Costa County Elections Office
555 Escobar Street
Martinez, CA 94553

Dear Madam:

Please be advised that the reporting of the 2024 elections results for Congressional candidates Maher/Costa District 21 and Duarte/Gray District 13 appear to be computer generated in each of the election updates reported on November 7th and on November 9th. The results are consistent with other Congressional candidates reporting patterns in the State of California. It is recommended that the results reported are investigated immediately as the current reporting is following a predictable vote count tabulation pattern that is consistent with an algorithmic result.

Thank you.

Sincerely,

Liz Ritchie
