

SAFE Center Board of Supervisors Discussion

4-28-25

What is the SAFE Center?

- ▶ Functions: SAFE Center will fulfill backbone functions needed for effective delivery of resources and sustainability by:
 - Building shared vision
 - Supporting and coordination of aligned activities
 - Building public will
 - Advance policy
 - Mobilize funding

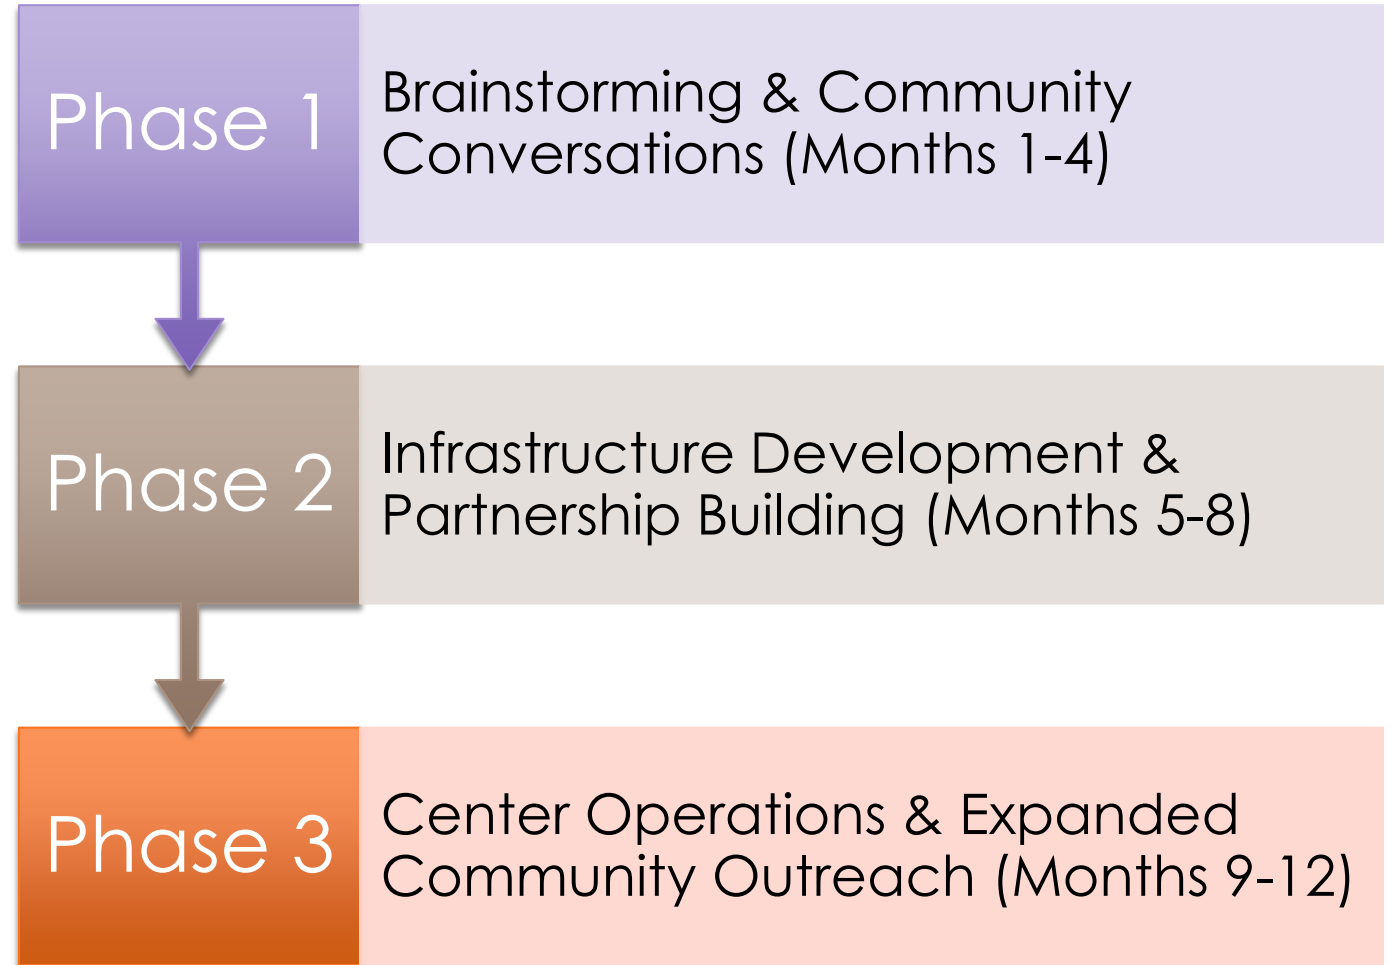

Focus Areas

How

- ▶ Model of Inclusion: Our approach is guided by the values of **belonging**, **inclusion**, and **transparency** in community engagement.
- Building strong relationships with partners and community members
- Ongoing input and feedback from all stakeholders
- A commitment to inclusivity means every voice matters, and decisions are made with transparency.
