CONTRA COSTA COUNTY

Administration Building | 1025 Escobar St., Martinez

AGENDA

Tuesday, July 8, 2025
9:00 AM

BOARD OF SUPERVISORS

Supervisor John Gioia, District I
Supervisor Candace Andersen, District II
Supervisor Diane Burgis, District III
Supervisor Ken Carlson, District IV
Supervisor Shanelle Scales-Preston, District V

Clerk of the Board (925) 655-2000
clerkoftheboard@cob.cccounty.us

The public may attend the Board meeting in person and remotely via call-in or Zoom. Board meetings are televised live on Comcast Cable 27, ATT/U-Verse Channel 99, and WAVE Channel 32, and can be seen live online at www.contracosta.ca.gov. Meetings of the Board are closed-captioned in real time.

Persons who wish to address the Board during public comment or with respect to an item on the agenda may comment in person or may call in during the meeting by dialing 888-278-0254 followed by the access code 843298#. A caller should indicate they wish to speak on an agenda item by pushing "#2" on their phone. Persons who wish to address the Board in person should complete the form provided for that purpose. Access via Zoom is also available using the following link: : https://cccounty-us.zoom.us/j/89586041575. Those participating via Zoom should indicate they wish to speak on an agenda item by using the “raise your hand” feature in the Zoom app. To provide contact information, please contact Clerk of the Board at clerkoftheboard@cob.cccounty.us or call 925-655-2000. A Spanish language interpreter is available to assist Spanish-speaking callers. If the Zoom connection malfunctions for any reason, the meeting may be paused while a fix is attempted. If the connection is not reestablished, the Board will continue the meeting in person without remote access.

Public comments generally will be limited to two minutes per speaker. In the interest of facilitating the business of the Board, the total amount of time that a member of the public may use in addressing the Board on all agenda items is 10 minutes. Your patience is appreciated.

A lunch break or closed session may be called at the discretion of the Board Chair. Staff reports related to open session items on the agenda are also accessible online at www.contracosta.ca.gov.

APPROVE and AUTHORIZE the Purchasing Agent, or designee, to execute, on behalf of the Sheriff-Coroner, a purchase order with VWR International, LLC in an amount not to exceed $53,601 to provide BioHoods and Freezers for forensic evidence processing and storage, for the period January 1, 2025 through December 31, 2025. (100% State) **25-2761**

C.147. APPROVE and AUTHORIZE the Sheriff-Coroner, or designee, to execute a contract with California Commission on Peace Officer Standards and Training, to pay the County an amount up to $232,500 to provide Emergency Vehicle Operations Course instruction for the period July 1, 2025 through June 30, 2026. (100% State) **25-2762**

C.148. APPROVE and AUTHORIZE the Purchasing Agent, or designee, to execute on behalf of the Sheriff-Coroner, a purchase order with EAN Services, LLC in an amount not to exceed $120,000, and accept its subscription and rental agreement to provide car rental services for the Office of the Sheriff Investigations Unit, for the period May 1, 2025 through April 30, 2026. (100% General Fund) **25-2763**

C.149. APPROVE and AUTHORIZE the Purchasing Agent, or designee, to execute on behalf of the Sheriff-Coroner, a purchase order with Equifax Information Services LLC, in an amount not to exceed $15,000, and accept its terms of use for access to credit reports during the background check hiring process, for the period July 1, 2025 through June 30, 2028. (100% General Fund) **25-2764**

Veterans Services

C.150. AUTHORIZE the Veterans Service Officer to submit a grant application to the Veterans Health Administration for the Staff Sergeant Parker Gordon Fox Suicide Prevention Grant Program to pay County in an amount not to exceed $750,000 per year for the period July 1, 2025 through June 30, 2028. (No County match) **25-2749**

GENERAL INFORMATION

The Board meets in all its capacities pursuant to Ordinance Code Section 24-2.402.

Any disclosable public records related to an open session item on a regular meeting agenda and distributed by the Clerk of the Board to a majority of the members of the Board of Supervisors less than 96 hours prior to that meeting are available for public inspection at 1025 Escobar Street, First Floor, Martinez, CA 94553, during normal business hours.

All matters listed under CONSENT ITEMS are considered by the Board to be routine and will be enacted by one motion. There will be no separate discussion of these items unless requested by a member of the Board before the Board votes on the motion to adopt. Each member of the public will be allowed two minutes to comment on the entire consent agenda.

Persons who wish to speak on matters set for PUBLIC HEARINGS will be heard when the Chair calls for public testimony. Each speaker during public testimony will be limited to two minutes. After public testimony, the hearing is closed and the matter is subject to discussion and action by the Board. Comments on matters listed on the agenda or otherwise within the purview of the Board of Supervisors can be submitted to the office of the Clerk of the Board via mail: Board of Supervisors, 1025 Escobar Street, First Floor, Martinez, CA 94553 or to clerkoftheboard@cob.cccounty.us.

In the interest of facilitating the business of the Board, the total amount of time that a member of the public may use in addressing the Board on all agenda items is 10 minutes.

Time limits for public speakers may be adjusted at the discretion of the Chair.

The County will provide reasonable accommodations for persons with disabilities planning to attend Board meetings who contact the Clerk of the Board at least 24 hours before the meeting, at (925) 655-2000.

Anyone desiring to submit an inspirational thought nomination for inclusion on the Board Agenda may contact the Office of the County Administrator or Office of the Clerk of the Board, 1025 Escobar Street, Martinez, California.

Subscribe to receive to the weekly Board Agenda by calling the Office of the Clerk of the Board, (925) 655-2000 or using the County's on line subscription feature at the County's Internet Web Page, where agendas and supporting information may also be viewed:
www.contracosta.ca.gov

DISCLOSURE OF CAMPAIGN CONTRIBUTIONS

Pursuant to Government Code section 84308 (the Levine Act), members of the Board of Supervisors are disqualified and not able to participate in any agenda item involving contracts (except for contracts exempt from the Levine Act under Government Code section 84308(a)), franchises, discretionary land use permits and other entitlements, if the Board member received, within the previous 12 months, more than $500 in campaign contributions from the applicant or contractor, an agent of the applicant or

contractor, or any financially interested participant who actively supports or opposes the County's decision on the agenda item. Members of the Board of Supervisors who have received, and applicants, contractors or their agents who have made, campaign contributions totaling more than $500 to a Board member within the previous 12 months are required to disclose that fact for the official record of the subject proceeding. Disclosures must include the amount of the campaign contribution and identify the recipient Board member, and may be made either in writing to the Clerk of the Board of Supervisors before the subject hearing or by verbal disclosure at the time of the hearing.

CONTRA COSTA COUNTY

Staff Report

File #: 25-2752 **Agenda Date:** 7/8/2025 **Agenda #:** D.1.

To: Board of Supervisors

From: Marla Stuart, Employment and Human Services Director

Report Title: Contra Costa THRIVES Guaranteed Income Program for administration by the Employment and Human Services Department.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE the Contra Costa THRIVES Guaranteed Income Pilot Program for administration by the Employment and Human Services Department for an estimated payment issuance period of January 2026 through December 2027.

FISCAL IMPACT:
This program will be funded by $3,250,000 in Measure X funds, $1,000,000 in AB 109 funds, and $16,200 Voluntary & Emergency Services Team in Action (VESTIA) funds for a total funding amount not to exceed $4,266,200. These funds were allocated one time for the pilot project by the Board on October 22, 2024. It will serve 170 recipients over 18 months. Board approval of this recommendation authorizes the expenditure of these funds.

BACKGROUND:
On August 15, 2023 (D.4), the Employment and Human Services Department made a presentation to the Board of Supervisors titled “Universal Basic Income and Guaranteed Income Pilots”. The Board accepted the report and directed staff to seek income waivers for Guaranteed Income Pilot payment for individuals residing in Contra Costa County and applying for CalFresh.

On April 22, 2024 (D.1), the Board conducted a hearing on the Fiscal Year 2024-2025 Recommended Contra Costa County and Special District Budgets. During this hearing, the Measure X Community Advisory Board (MXCAB) recommended guaranteed income pilots as a funding priority. The Board directed that the Employment and Human Services Department and the Contra Costa Guaranteed Income Coalition report back to the Board.

On October 22, 2024 (D.4), the Board of Supervisors voted to allocate $3.25 million Measure X funds and $1 million AB 109 funds for a Guaranteed Income (GI) Program to be developed and administered by the Employment and Human Services Department (EHSD), serving all or some of the identified target populations: youth transitioning out of foster care, unhoused and unstably housed residents, families with young children experiencing financial hardship, low-income seniors, and individuals returning to the community after incarceration.

CONSEQUENCE OF NEGATIVE ACTION:
There are no federal or state mandates related to this MX funded program which is at the sole discretion of the Board.

CHILDREN'S IMPACT STATEMENT:
This action supports the third of Contra Costa County's community outcomes of the Children's Report Card, "Families that are Economically Self-Sufficient".

EMPLOYMENT & HUMAN SERVICES

Literature Review

Literature Review Key Findings

Category	Research Findings
Populations	• GI reduces recidivism among formerly incarcerated (p. 6) • Growing interest in serving seniors (p. 7)
Payments	• Lump sum payments effective poverty alleviation strategy internationally (p. 11)
Supports	• Case management support essential (p. 8) • Cash payments may or may not be conditioned on attending financial literacy courses. (p. 3)
Evaluation	• Benefits economic well-being while enrolled; lack of studies in US on long-term effects (pp 2, 7-8) • Measures of economic stability are common (pp 4-5)

See Attachment B for complete literature review

CONTRA COSTA COUNTY

EMPLOYMENT & HUMAN SERVICES

Program Design

Goals and Populations

1. Provide consistent, unconditional cash payments to reduce financial volatility and improve participant's ability to meet basic needs.
2. Assist ***youth transitioning from foster care***, ***families with young children***, and ***individuals reentering the community post-incarceration*** in navigating major life transitions with financial stability as a foundation.
3. Help ***housing-insecure older adults*** remain stably housed and/or maintain their homes by assisting with repairs.
4. Leverage existing county programs by selecting participants enrolled in services, increasing engagement with case managers, and reducing barriers to successful outcomes.

General Eligibility Criteria

- Active participant in one of the following County-sponsored programs
  - CalWORKs Welfare-to-Work or Cal-Learn
  - Independent Living Skills Program
  - Adult Protective Services
  - Probation
- Cannot be enrolled in another Guaranteed Income program
- Must not have participated in a prior Guaranteed Income program
- Has legal control of finances

Specific Eligibility Criteria

Youth Transitioning from Foster Care

Engaged Non-minor dependents with CCC

Ages 19-21

Actively participating in Independent Living Skills Program

1 month

Referrals

Families with Young Children

Engaged Welfare-to-Work and Cal-Learn families

Ages 18-26

At least one child ages 0-6

At least 18 months remaining on CalWORKs

Probation Clients

Engaged Probation clients

Released within last 6 months

Ages 18+

Ohio Risk Assessment System results and participation in an activity

Older Adults

Engaged Adult Protective Services (APS) clients

60+ years of age

Identified housing instability

Overview and Timeline

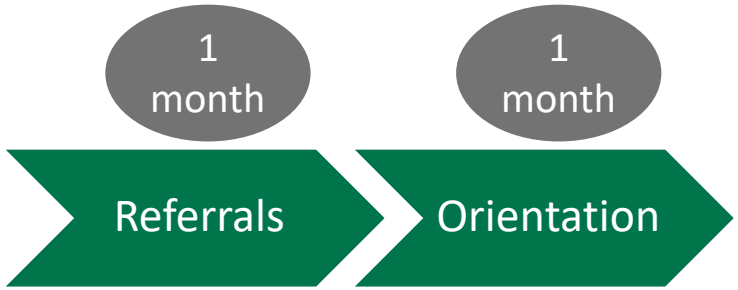

Referral Process

1. **County caseworkers** identify all eligible candidates
2. **County caseworkers** submit all eligible candidates to **Manager** for review and approval
3. **Manager** refers all eligible candidates to **EHSD GI Program Manager**
4. **EHSD GI Manager** invites all eligible candidates to mandatory orientation
5. **EHSD GI Manager** refers all consenting candidates to UC Davis for random assignment to participant or control group

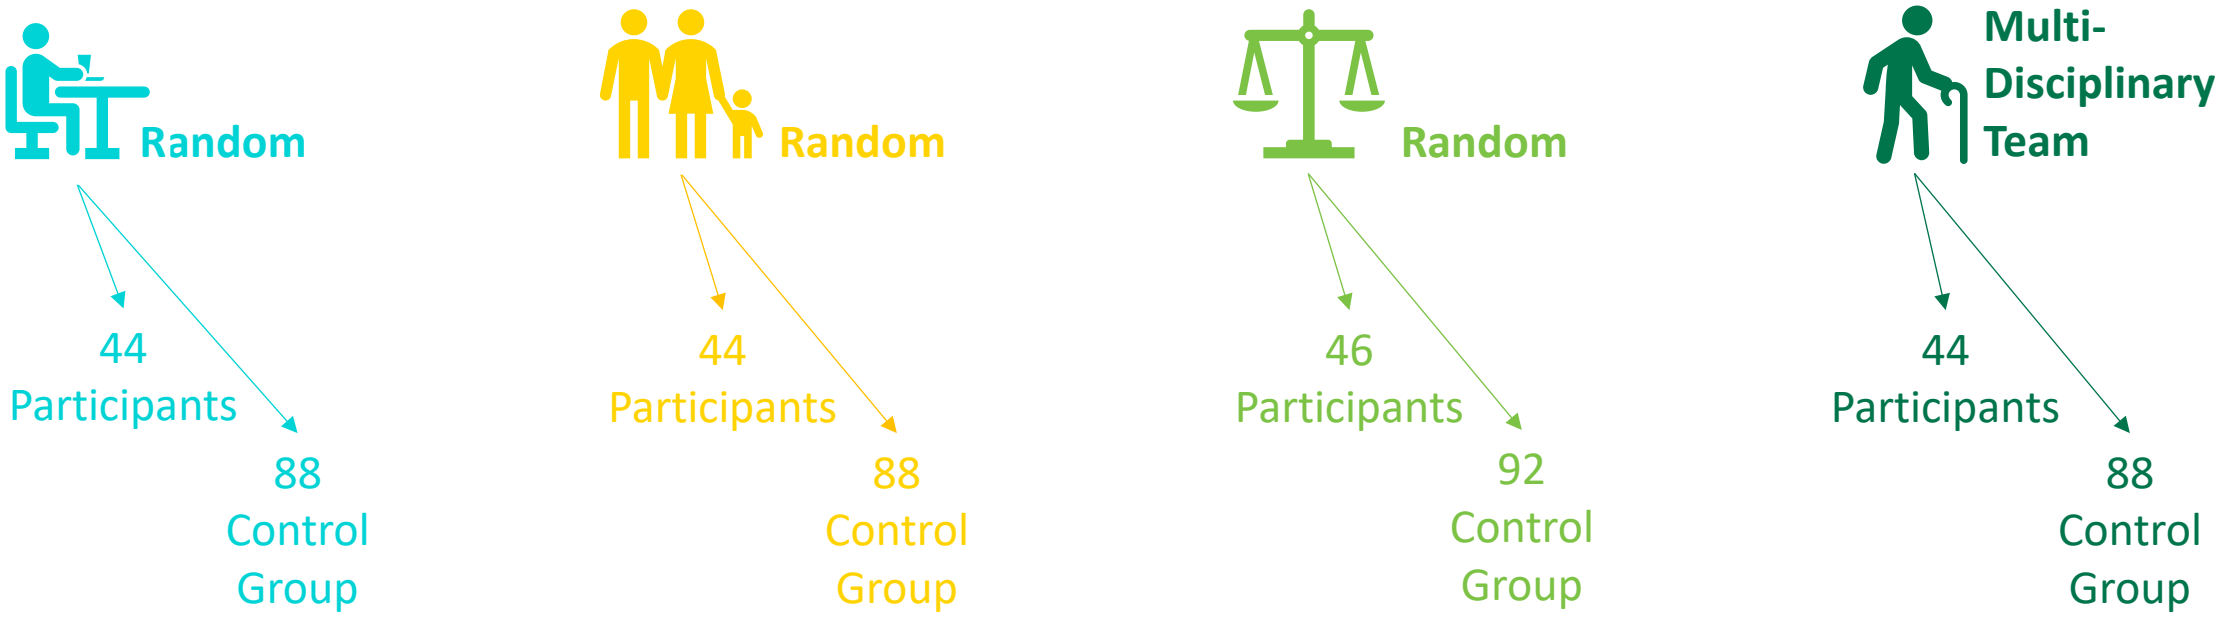

Mandatory Orientation

- **Benefits Counseling** which explains potential GBI impacts to benefits programs including but not limited to: CalFresh, EITC, LIHEAP, SSI, WIC, CFAP, FERA, HDAP, SDI, UI, THP+, transportation discounts, housing subsidies
- **Financial Counseling** which provides tools to manage income and supports goal-aligned financial decisions
- Complete **baseline evaluation** information
- **Consent** to participate

Assignment Process

~44 referrals per population | **~534** Total

~178 Recipients | **~356** Control Group

Implementation

1. Notified of selection
2. Complete baseline evaluation information
3. Select payment option
4. Receive Mastercard debit card and begin receiving payments
5. Receive regular (~monthly) support from case worker
6. Receive optional continued financial support

Payment Options

	Months								
	1	2	3	4	5	6	7	8	9
	10	11	12	13	14	15	16	17	18
Option 1	$1,250	$1,250	$1,250	$1,250	$1,250	$1,250	$1,250	$1,250	$1,250
	$1,250	$1,250	$1,250	$950	$750	$550	$350	$250	$150
Option 2	$4,000	$1,000	$1,000	$1,000	$1,000	$1,000	$1,000	$1,000	$1,000
	$1,000	$1,000	$1,000	$750	$750	$500	$500	$250	$250
Option 3	$750	$750	$1,500	$1,500	$2,500	$2,500	$2,500	$1,500	$1,500
	$1,250	$1,000	$750	$0	$0	$0	$0	$0	$0

Discontinuance Reasons

1. Permanently moves out of the state or country and no longer receiving County supports
2. Becomes incarcerated for more than 90 days
3. Fails to address a Bench Warrant within 90 days
4. Passes away
5. Voluntarily chooses to discontinue

All individuals discontinued within the first 6 months will be replaced with an individual from the control group. After 6 months, no replacements will be selected. The total cash disbursement period will be 24 months.

Longitudinal Evaluation

1. Short term (during program) qualitative feedback to inform county services
2. Long term (annual) quantitative collection of sustainable income and recidivism data
3. Incentives for voluntary participation in research activities for participants and control groups
4. Annual reports to the Family & Human Services Committee and the Community Corrections Partnership with optional referral to the Board of Supervisors

BACKGROUND

Board of Supervisors' Action

On October 22, 2024, the Contra Costa County Board of Supervisors (BOS) voted to allocate $3.25 Million Measure X funds and $1 Million AB 109 funds for a Guaranteed Income (GI) Program to be developed and administered by the Employment and Human Services Department (EHSD), serving all or some of the identified target populations:

- Youth transitioning out of foster care
- Unhoused and unstably housed residents
- Families with young children experiencing financial hardship
- Low-income seniors
- Individuals returning to the community after incarceration

This document presents EHSD's program design for the Guaranteed Basic Income (GBI) program in Contra Costa County.

ACKNOWLEDGEMENTS

VESTIA

EHSD is grateful to VESTIA for their financial contribution to the Contra Costa Thrives program. VESTIA's investment will go towards the direct payments of participants, which will allow them to maintain the same level of CalFresh benefits while receiving GBI payments. Thank you for protecting the benefits of some of Contra Costa County's most vulnerable community members.

Contra Costa Guaranteed Income Coalition (CCGIC)

EHSD would like to acknowledge and thank the CCGIC for their partnership and contribution. Many of the core design elements, including the name, were informed and inspired by the Coalition's work. It is important to note that the CCGIC's proposal outlines design, implementation, and evaluation recommendations specifically for the Measure X-funded pilot, with the expectation that the AB 109-funded pilot follow a separate discovery process, community input strategy, and timeline, and will be developed in collaboration with local experts, regional leaders in reentry-focused initiatives, and individuals with lived experience.

Attachment A presents a comparative chart of the core elements of the program designs developed by the CCGIC and EHSD, highlighting both similarities and differences.

INTRODUCTION

EHSD recommends four key groups for this initiative:

- Foster youth ages 19-21, receiving Independent Living Skills Program case management support;
- CalWORKs families with children under five years of age whose parent(s) is engaged in the Welfare-to-Work or Cal-Learn program;
- Individuals returning to the community after incarceration and on probation; and
- Low-income housing insecure seniors receiving services through Adult Protective Services.

These key groups were thoughtfully and intentionally selected based on the following factors:

- They are engaged in County-sponsored programs and have access to existing case management and supportive services
- They do not need to submit an application or documentation to prove eligibility
- EHSD will lead administrative responsibilities, providing oversight and accountability to streamline operations and ensure program consistency

These populations experience disproportionate barriers to economic stability, social mobility, and wellbeing[1]:

- Foster youth aging out of care are at high risk for homelessness and economic insecurity.
- Families with young children face heightened financial stress that has a spillover effect on their children's lives, imperiling their physical health, academic success, and emotional well-being.
- Individuals returning from incarceration face systemic barriers to employment, housing, and community reintegration.
- Housing insecurity is becoming increasingly urgent among older adults.

The recommended populations are already engaged in County supportive service systems, positioning this program to augment, rather than replace, critical social supports. Guaranteed income's unconditional nature respects recipients' agency and expertise in determining how best to meet their own needs, while case management services provide additional structure, connection, and resources to promote long-term stability. By targeting these populations, Contra Costa Thrives seeks to operationalize a holistic, dignity-centered approach to economic security — one that recognizes both the immediate relief and lasting opportunities that direct, unrestricted cash can offer when coupled with social safety nets.

LITERATURE REVIEW

To inform the design of Contra Costa Thrives, EHSD commissioned UC Davis's Center for Regional Change (CRC) to conduct a literature review that summarizes the evidence on the impacts of basic income and related programs on economic outcomes, focusing on the four priority populations. Additionally, CRC researchers met with Contra Costa County stakeholders who serve community members from each target population. During the meeting, relevant information was gathered concerning programmatic design considerations and data collection strategies. This process facilitated the identification of best practices, highlighted evidence gaps, and outlined important considerations for how guaranteed income could support participants. The information collected during this meeting along with additional feedback from CRC researchers formal review were incorporated into the Contra Costa Thrives program design.

Executive Summary

This narrative review of the literature on cash payment programs implemented in the United States and globally sought to characterize what is known about the effects of cash payments on economic outcomes, identify common measures of economic success and financial wellbeing, and highlight critical research questions that can guide the design and implementation of future cash payment programs to maximize benefits. Key findings in these areas were developed from common themes

[1] Dr. Rachel Rosekind, *Implementing Guaranteed Income in Contra Costa,* pp. 84-94

arising across studies of cash payments. The literature review focuses on four priority populations: low-income families, formerly incarcerated or justice-involved individuals, low-income seniors, and youth transitioning out of foster care. Most of the evidence is from studies of programs for low-income families or low-income households more generally.

Measures of economic wellbeing are frequently collected through self-reports on surveys. Noted is a wide variation in the measures used to evaluate economic wellbeing. However, the most common measures across studies include income, employment, savings (e.g. % with $500 or more in savings), ability to cover an emergency expense (e.g. "unexpected $400 expense") or expenses more generally (e.g. utility bills, mortgage, rely on others for financial support), and subjective measures of satisfaction with one's financial situation.

Across studies, cash payments appear to benefit economic wellbeing among participants while they are enrolled and actively receiving payments. However, impacts are sometimes modest and rarely affect all measures of financial well-being included in a study. Fewer programs provide data on wellbeing after payments have ceased, but those that do raise questions about the ability of short-term (e.g. 2 years) basic income and similar programs to alter participant lives sufficiently to achieve long-term benefits given the structural and environmental factors that impact economic stability.

While few programs with published evaluation results for seniors and youth transitioning out of foster care were identified, there are many new and ongoing basic income programs for these populations that will provide estimates of program impact in the coming months and years.

Finally, there is growing interest in providing cash using mechanisms other than basic income payments, including lump sum payments and baby bonds. While several states and municipalities have implemented such programs, the recipients remain very young, and overall, there is far less evidence on the effectiveness of such alternative structures. The one study identified evaluated the effects of a lump sum payment in Kenya relative to a two-year basic income, finding positive evidence for the comparative effectiveness of the lump sum payment. Attachment B contains a complete literature review.

Evidence-Based Program Design

The chart below highlights key findings from the literature review alongside core components of the Contra Costa Thrives program design, showing how evidence from the literature review directly informed the approach or validated design elements that were developed prior to receiving the literature review.

Category	Literature Review Findings	Contra Costa Thrives Program Design
Evaluation	• Studies prove cash payments benefit economic well-being while enrolled, however, there is a lack of studies in the United States on the long-term effects of GI (pp. 2; 7-8). • Common measures across studies include economic stability (pp. 4-5).	• Contra Costa Thrives will provide cash payments to reduce financial volatility and improve participants' ability to meet basic needs during the program and study the effects 5 years after the program concludes. • Evaluation design will include measuring economic stability.
Populations	• Though varied, results suggest GI helps reduce recidivism among formerly incarcerated individuals (p. 6). • There is a growing interest in GI programs for seniors (p. 7).	• Validates selection of formerly incarcerated individuals and seniors for target populations.
Payments	• Lump sum payments shown to be a poverty alleviation strategy in international GI pilots (p. 11).	• One of the three payment options include a lump sum payment up front.
Supports	• Structural support to facilitate transformation is essential (p. 8). • Guaranteed income may provide cash payments to specific populations with or without the condition of attending financial literacy courses (p. 3).	• Target populations are engaged in County-sponsored programs and have access to existing case management and supportive services. • Prior to random selection, eligible candidates will be required to attend an orientation which will include benefits counseling and a financial support and resources session.

PROGRAM GOALS

Provide consistent, unconditional cash payments to reduce financial volatility and improve participants' ability to meet basic needs.

Assist individuals reentering the community post-incarceration, youth transitioning from foster care, and families with young children in navigating major life transitions with financial stability as a foundation.

Help housing-insecure older adults remain stably housed and/or maintain their homes by assisting with repairs.

Leverage existing county programs by selecting participants enrolled in services, increasing engagement with case managers, and reducing barriers to successful outcomes.

PROGRAM OUTCOMES

- Stability in income after the guaranteed income payments end.
- Reduction in recidivism as it relates to each target population.
- Reduction and prevention of homelessness and increase in the ability to sustain housing for older adults.

PROPOSED PROGRAM DESIGN

Contra Costa Thrives will issue direct payments to approximately 132 individuals funded by Measure X and approximately 46 individuals funded by AB 109.

Eligibility Criteria

The specific target populations mentioned below align with target populations identified in the BOS' action and the CCGIC's recommendation. Individuals must meet general eligibility criteria applicable to all and specific eligibility criteria applicable to each target population.

General Criteria

1. Active participant in one of the following County-sponsored programs:
    a. Welfare-to-Work or Cal-Learn
    b. Independent Living Skills
    c. Adult Protective Services
    d. Probation
2. Cannot be enrolled in another Guaranteed Income pilot
3. Must not have participated in a prior Guaranteed Income pilot
4. Has legal control of their finances

Specific Criteria

The charts below provide specific eligibility criteria for each target population to qualify for participation in Contra Costa Thrives. They also outline the referral and selection process, along with a summary of the existing case management supports.

Transitional-Aged Youth Exiting Foster Care

Eligibility Criteria	Referred By	Selection Process	Existing Case Management
• Approximately 44 engaged non-minor dependents (NMD) with CCC • Ages 19-21* • Actively participating in the Independent Living Skills Program (ILSP)**	• NMD Social Worker • ILSP Specialist • Transitional Housing Program (THP) Case Manager	• Randomized Selection Process	• Assessment • Transitional Independent Living Plan development • Case worker support through plan completion • Regular check-ins • Referrals • Supportive services

**This age group was intentionally selected for foster youth participants, as it was determined that 18-year-olds are often in an active transition period — aging out of care, securing stable housing, and navigating new responsibilities. Introducing a guaranteed income at that stage could add undue complexity and overwhelm youth already managing significant life changes. By focusing on those aged 19 to 21, the program aims to provide financial stability after this initial transition, when young adults are better positioned to engage with supportive resources and make long-term financial decisions.*

***Includes active participation in stable employment for the last 6 months, completion of minimum of two consecutive semesters in college (15-20 units), consistent participation in a vocational program for the last 6 months, or successful engagement in a substance abuse and/or mental health treatment program in the last 6 months.*

Low-Income Families with Young Children

Eligibility Criteria	Referred By	Selection Process	Existing Case Management
• Approximately 44 engaged* Welfare-to-Work or Cal-Learn participant • Ages 18-26** • At least one child aged 6 years or younger • At least 18 months remaining on CalWORKs	• Welfare-to-Work case worker • Cal-Learn case worker	• Randomized Selection Process	• Assessment • Welfare-to-Work/Cal-Learn plan development • Case worker support through plan completion • Regular check-ins Referrals • Supportive services

**Engaged is defined as participating in activities such as employment, job readiness programs, substance abuse or mental health counseling, Family Stabilization services and/or education enrollment.*

*** For participants in Welfare-to-Work and Cal-Learn, the target age group of 18–26 was selected to focus on supporting young families during a critical period of early parenthood. This stage often comes with significant financial strain and competing responsibilities, making guaranteed income especially impactful in promoting family stability and long-term opportunity.*

Individuals Returning to the Community After Incarceration

Eligibility Criteria	Referred By	Selection Process	Existing Case Management
• Approximately 46 engaged probation clients • Released within the last 6 months • 18+ years of age • ORAS needs result of moderate or high* • Participation in an activity**	• Deputy Probation Officer	• Randomized Selection Process	• Regular check-ins • Case management coordination • Referrals

The Probation Department utilizes the Ohio Risk Assessment System (ORAS) to assess a client's risk of recidivism and their rehabilitative needs. There are seven domains assessed during the ORAS. Clients with scores that indicate moderate or high need in the **Education, Employment, and Financial Situation and **Neighborhood Problems** domains would benefit from guaranteed income to improve their outcomes related to environment, education and employment.*

***Includes active participation in substance use disorder or mental health treatment, educational or training program, or Thinking 4 a Change or Seeking Safety behavioral group.*

Low-Income/Housing Insecure Older Adults

Eligibility Criteria	Referred By	Selection Process	Existing Case Management
• Approximately 44 engaged Adult Protective Services (APS) clients • 60+ years of age • Identified housing instability* or transitioning out of Home Safe services	• APS Social Worker • Health, Housing, and Homeless Services (H3) worker	• Multidisciplinary Team	• Assessment • Case management coordination, including Choice in Aging** • Referrals

**Defined by EHSD A&AS as someone who is at risk of homelessness or experiencing unsanitary or unsafe living conditions.*

***Choice in Aging is currently under contract with Aging & Adult Services to provide case management support. Their expertise in working with this population will continue to be imperative and utilized, including Contra Costa Thrives participants.*

Referral & Selection Process

A 30-day referral window will be provided for County case workers to identify and submit referrals for all eligible candidates.

Step 1
- Each County case worker responsible for their assigned target population (e.g., NMD Social Worker, Welfare-to-Work Case Worker, Deputy Probation Officer, APS Social Worker, etc.) will review their active caseload.

Step 2
- Using the established eligibility criteria, each County case worker will be required to refer every individual who meets both the general and specific referral criteria to ensure fair and complete inclusion in the selection process.

Step 3
- County case workers will submit a referral for each eligible candidate to their immediate supervisor/manager for review and verification.

Step 4
- Upon supervisor/manager approval, finalized referrals will be submitted to the EHSD GBI Program Manager.

Step 5
- All eligible candidates will be invited to attend a mandatory orientation to consent to participate in the program, complete benefits and financial counseling, and complete the baseline data collection.

Step 6
- University evaluation partners will utilize stratified randomized sampling to identify the final members of the treatment and the control groups.*

*Participants from three of the four target populations will be selected through a randomized sampling process using a Stratified Random Sampling Tool. Older adults will be selected by a multidisciplinary team (MDT) that will be specifically established for the purpose of identifying participants for the GBI program. The MDT will include representatives from EHSD's Aging and Adult Services Bureau Adult Protective Services, Choice in Aging, and Health, Housing, and Homeless Services.

Older Adults

In alignment with recommendations from the CCGIC, EHSD has included an explicit rationale for using a different selection process for low-income, housing insecure older adults. Due to the unique vulnerability, complexity of needs, and urgency faced by low-income housing insecure older adults, a multidisciplinary (MDT) team will be used for the selection process to ensure that those who can benefit the most are prioritized for participation.

1. Vulnerability and Urgency
   Older adults facing housing instability often have more immediate and severe risks (e.g., eviction, loss of life-sustaining medications, deterioration in health). MDT selection allows the team to prioritize and strategize case management services for those with the most urgent needs and ensure that limited slots go to those who would benefit most critically from financial stabilization.
2. Complex Needs Require Professional Judgment
   Many older adults have multiple, overlapping challenges—medical, cognitive, financial, and housing-related—that a random lottery cannot account for. An MDT process allows

experienced professionals to assess the whole picture and select participants who will both benefit most and be most supported through the program.

3. **Protecting Health and Housing Stability**
   Older adults at risk of homelessness or extreme poverty face higher mortality rates and steeper declines in health than younger populations. Prioritizing via MDT helps mitigate these risks proactively rather than randomly.

Verification Requirements

Participants will not be required to submit additional documentation, as their eligibility will be confirmed through existing documentation in County-sponsored programs.

Orientation

Referrals will enter a pool, with individuals required to complete an orientation prior to random selection. The orientation will provide a comprehensive overview of the program, including program terms, payment options, and available existing case management supports. As part of the orientation, participants will receive mandatory benefits counseling to understand how GBI payments may impact federal, state, and local public assistance programs. Additionally, participants will be provided with financial support and resources which will provide tools for money management success. Participants will be asked to review and sign consent forms and other required documentation confirming their voluntary participation and understanding of the program guidelines. Participants will be randomly assigned to the treatment or control group after the completion of the orientation activities.

Benefits Counseling

Benefits counseling will ensure that participants are fully informed about how GBI payments may affect their eligibility for other public assistance benefits, enabling them to make an informed decision regarding their participation in the program. Completion of benefits counseling is required prior to random selection for participation. This procedure aligns with standard practices in GI pilot initiatives and is incorporated and recommended within the CCGIC program framework[2]. Participants who complete the Contra Costa Thrives program will receive benefits transition counseling towards the end of the program to provide them with the necessary guidance to prepare for the loss of income as the program concludes. EHSD will procure a qualified vendor to deliver this service in accordance with the County's Purchasing Policy and Procedures outlined in Administrative Bulletin Number 600.3.

Financial Support and Resources

This component is designed to offer supportive tools designed to help participants reach their personal financial goals. These sessions aren't about telling people what to do with their money, but about providing practical, judgment-free information and strategies participants can choose to use in ways that work for them.

This element of the program was shaped by both community input and research outcomes from Yolo County's Guaranteed Income pilot, which highlighted the need for financial support for participants managing unrestricted income. Both case managers and clients in the Yolo County Basic Income

[2] Contra Costa Guaranteed Income Coalition, *Contra Costa Thrives: Pilot Proposal,* p. 8

(YoBI) pilot expressed interest in more financial planning and support during the program to navigate YoBI ending. Though financial planning programs were offered to participants, attendance was voluntary and minimal[3].

Additionally, participants in both the treatment and control groups will have access to voluntary, ongoing financial support workshops offered throughout the duration of the program through existing case management supports.

EHSD will build upon its existing financial empowerment partnerships to support this work. For example, EHSD has partnered with 1st Northern California Credit Union for several years to administer the Keeping Employment Equals Your Success (KEYS) Program — a low-interest, affordable payment auto loan program for employed CalWORKs and CalFresh participants with limited access to traditional auto loans. EHSD will engage existing partners to provide financial support services.

Payment Disbursement

Participants, selected by a contracted university partner through stratified randomized sampling, will receive a total of $18,000 distributed over a 12- or 18-month period. Each participant will have the flexibility to choose one of three payment plans based on their individual needs. Based on the CCGIC's recommendation[4], all options include gradually reducing payments towards the end of the program to give participants time to adjust to and budget for the loss of income. Option 2 includes a larger up-front payment to address immediate needs followed by monthly payments. Evidence from GiveDirectly's[5] program in Kenya suggests concentrating payments allows participants to make different kinds of investments. However, research from higher-income countries is needed to understand the potential impacts of lump sum payments in areas more similar to Contra Costa County. For individuals who receive housing vouchers through Foster Youth to Independence (FYI), Family Unification Program (FUP), or Housing and Urban Development (HUD) assisted housing programs, GBI payments may be excluded from the family's rent calculation for the first 12 months and counted as income thereafter. Option 3 offers a payment scale that protects these types of housing benefits and allows participants to receive the full $18,000.

Option 1 – 18 Months w/Gradual Payments Over Final Six Months							Total
Months 1-12	$1,250	$1,250	$1,250	$1,250	$1,250	$1,250	
	$1,250	$1,250	$1,250	$1,250	$1,250	$1,250	
Months 13-18	$950	$750	$550	$350	$250	$150	$18,000

[3] UC Davis Center for Regional Change, *Yolo County Basic Income Evaluation Final Report*, p. 27
[4] Contra Costa Guaranteed Income Coalition, *Contra Costa Thrives: Pilot Proposal,* p. 7
[5] Early findings from the world's largest UBI study | GiveDirectly

Option 2 – 18 Months, Initial Lump-Sum Payment w/Gradual Payments Over Final Six Months							Total
Months 1-12	$3,000 + $1,000	$1,000	$1,000	$1,000	$1,000	$1,000	
	$1,000	$1,000	$1,000	$1,000	$1,000	$1,000	
Months 13-18	$750	$750	$500	$500	$250	$250	$18,000

Option 3 - 12 Months w/Gradual Payments at Start and End							Total
Months 1-6	$750	$750	$1,500	$1,500	$2,500	$2,500	
Months 7-12	$2,500	$1,500	$1,500	$1,250	$1,000	$750	$18,000

Payments from County-sponsored programs are generally disbursed at the beginning of each month. Based on recommendations from the CCGIC, which reflect participant feedback, GBI payments will be issued on the 15th of each month[6].

Payment Disbursement Partner

Payments will be issued via prepaid debit cards to ensure that funds are accessible to all individuals, especially considering those who may not have a bank account or are facing challenges in obtaining one. EHSD recommends utilizing a vendor that offers a prepaid card processing and management platform that supports reloadable prepaid debit cards and provides managed, configurable account and transaction processing, including web and mobile applications for cardholders. EHSD will procure a qualified vendor in accordance with the County's Purchasing Policy and Procedures outlined in Administrative Bulletin Number 600.3.

Case Management Supports

Candidates from the proposed target populations will be enrolled in County-sponsored programs, because they will continue to receive case management support and wrap around services. GBI payment activities and support will be incorporated into existing case management. **Attachment C** describes engagement and other case management components offered.

[6] Contra Costa Guaranteed Income Coalition, *Contra Costa Thrives: Pilot Proposal,* p. 7

Discontinuance Reasons

The following outlines proposed circumstances under which a participant's involvement in the Guaranteed Basic Income program may be discontinued prior to the program ending.

- Voluntarily chooses to discontinue
- Permanently moves out of the state of California or out of the United States of America
    - For foster youth, permanently moves out of California **and** no longer receives EHSD case management supports
- Becomes incarcerated for more than 90 days
- Fails to address a bench warrant within 90 days
- Passes away

Participant Turnover and Alternate Selection

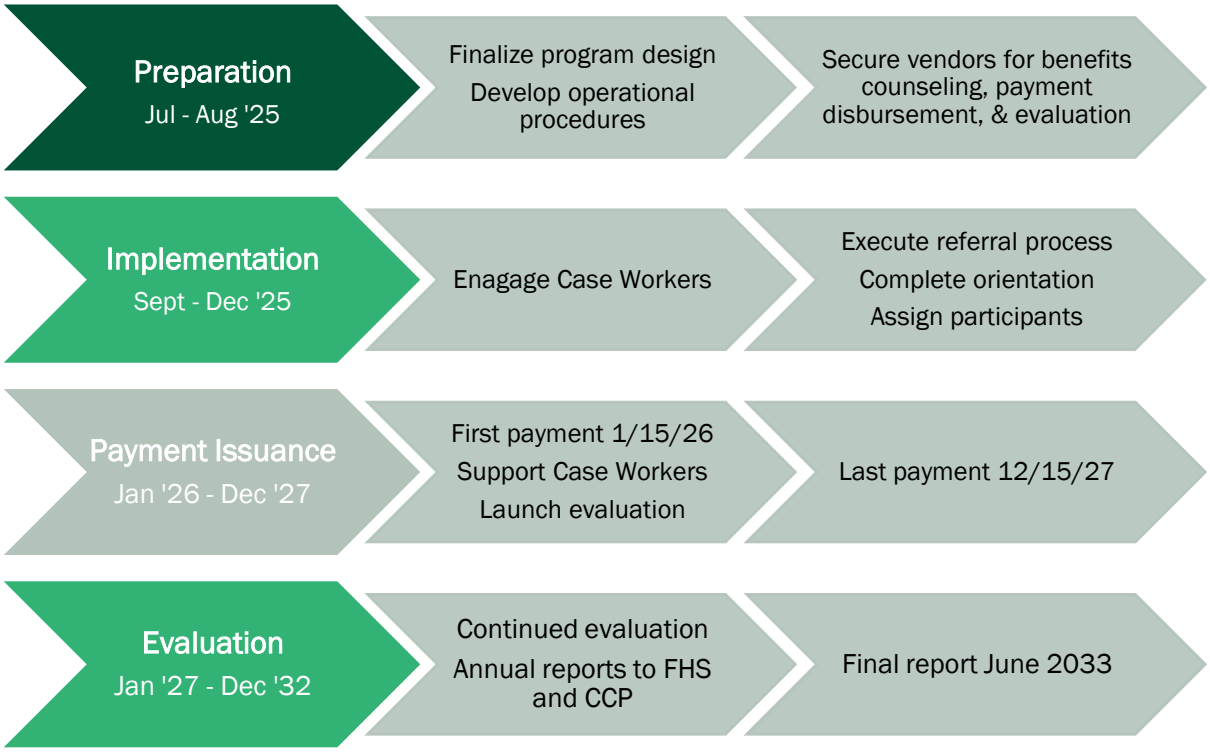

For every two participants who exit the program within the first six months — whether due to the reasons listed above or for any other unforeseen circumstances, including by their choice — one replacement participant will be selected. Limiting replacements to this ratio, and within the first six months of the program, ensures that any replacement participant can still receive the full $18,000 in payments over the intended 18-month period and allows for consistent and reliable data collection to support the program's evaluation goals. When a spot becomes available, a replacement will be randomly selected from the control group of the corresponding target population.

CASE WORKER SUPPORT

A process will be developed to ensure case workers are supported in their role within the Contra Costa Thrives program, enhancing participant engagement and program success. Processes may include but are not limited to:

- **Regular check-in meetings** between Guaranteed Income Program Manager and case workers and EHSD Bureau and Probation Department program liaisons to discuss program updates, participant needs, and important topics.
- **Distribution of ongoing program newsletters** with reminders, success stories, critical updates, program guidelines, and FAQs.
- **Communication** between the Contra Costa Thrives Program Manager and case workers when participants meet discontinuance criteria or encounter urgent issues, e.g. with payments.
- **Case consultation opportunities** for case workers to troubleshoot participant concerns with the Program Manager.

PROGRAM LAUNCH

IMPACTS TO OTHER PUBLIC ASSISTANCE PROGRAMS

Because guaranteed income could potentially affect eligibility or benefits for other public assistance programs, the Contra Costa Thrives program includes benefits counseling as a required component. This counseling will be provided by an experienced organization specializing in public assistance and guaranteed income programs, ensuring participants receive comprehensive information to make informed decisions regarding their participation in the program. The chart below lists federal, state, and local programs that may be impacted by GBI payments[7].

Federal Benefit Programs	State Benefit Programs	Local Benefit Programs
• CalFresh • Child and Adult Food Program (CACFP) • Child Tax Credit & Earned Income Tax Credit (EITC) • Financial Aid (including State financial aid & Federal Pell Grants) • Low Income Home Energy Assistance Program (LIHEAP) • Low Income Household Water Assistance Program (LIHWAP) • Medi-Cal & Children's Health Insurance Program (CHIP) • Social Security Disability Insurance (SSDI) • Supplemental Security Income (SSI) • Social Security Retirement Insurance Benefit • Women, Infants, and Children (WIC)	• California Alternate Rates for Energy (CARE) • California Food Assistance Program (CFAP) • California Lifeline • California Promise Grant (CCPG) • Family Electric Rate Assistance Program (FERA) • Housing and Disability Advocacy Program (HDAP) • State Disability Insurance (including Paid Family Leave) • Unemployment Insurance (UI)	• Housing Subsidies & Home Visitation Services • Transitional Housing Program Plus (THP-Plus) • Transportation discount programs • Utility Discounts

Hold Harmless Fund

A hold harmless fund provides funding to reimburse participants for benefits lost as a result of program enrollment[8]. EHSD does not recommend allocating funds toward the establishment of a hold harmless fund for the following reasons:

1. **Attachment D** provides a list of known Guaranteed Income pilots in **California counties**. Based on available information, none of these pilots appear to have included a hold harmless fund in the program design.

[7] California Department of Social Services (CDSS), *Benefit Impacts for Recipients of the CDSS Guaranteed Income Pilot Program*, 2023
[8] Home Grown, *Thriving Providers Project Benefits Protection Toolkit*, p. 15

2. The Board of Supervisors' policy prohibiting the use of County General Purpose Revenue to backfill State and Federal revenue cuts. This policy was reaffirmed at the Budget Hearing on April 22-23, 2024[9].
3. According to Home Grown's *Thriving Providers Project Benefits Protection Toolkit,* the administration of such funds come with some significant challenges, which include:
    a) The ability to determine the value of the lost benefit. For example, the loss of housing or Medicaid (Medi-Cal), particularly for folks with complex health needs may be irreplaceable with cash.
    b) Planning for a large enough fund to ensure all participants experiencing benefits loss are compensated.
    c) Determining whether payments will trigger other benefits cliffs.

FUNDING SOURCES AND PROPOSED BUDGET

Funding Sources

Contra Costa Thrives will be funded by:

1. Contra Costa County Measure X funds
2. Contra Costa County AB 109 Re-Entry Program funds
3. Volunteer & Emergency Services Team in Action (VESTIA) private funds

Proposed Budget

Expenditures	Measure X	AB 109	VESTIA	Total	% of Total
Direct Payments	$2,376,000	$828,000	$16,200	$3,220,200	75%
Payment Disbursement Vendor	$2,465	$822	$0	$3,287	<1%
Benefits/Financial Counseling	$31,424	$13,744	$0	$45,168	1%
Evaluation	$515,111	$100,000	$0	$615,111	14%
Administrative Costs	$325,000	$57,434	$0	$382,434	9%
Total	**$3,250,000**	**$1,000,000**	**$16,200**	**$4,266,200**	**100%**

**To prevent payments from the Contra Costa Thrives program from negatively impacting participants who are also recipients of CalFresh benefits, a portion of the direct payments must include any amount of non-governmental funds[10].*

[10] California Department of Social Services (CDSS), *CalFresh All County Letter (ACL) 23-60*, p. 2

EVALUATION

EHSD will procure a university partner to conduct the program evaluation in accordance with the County's Purchasing Policy and Procedures outlined in Administrative Bulletin Number 600.3. A 5-year longitudinal study will be conducted to assess the economic impact of the Contra Costa Thrives program. The study will evaluate certain short-term impacts while primarily concentrating on the long-term effects related to participants' financial stability, recidivism rates, and housing security for seniors, while identifying differences in outcomes across the four targeted populations. Evaluation activities performed may include, but are not limited to:

1. **Statistical comparison** of program participant outcomes in relation to control group.
2. **Collect responses to short form surveys** focused on financial stability, recidivism, and housing stability for seniors.
3. **Collect qualitative feedback** through interviews, focus groups, and/or open-ended surveys to inform county services.

By investing in longer-term learning, findings may contribute valuable insights and inform policy, program design, and the case for permanent, scalable cash-based support systems on a national level. The study will also offer recommendations for integrating guaranteed income assistance into broader safety net systems. Deliverables will include annual reports presented to the Family and Human Services Committee and Community Corrections Partnership.

Short-Term Outcomes

As part of the evaluation of short-term outcomes, qualitative feedback will be collected from participants to inform county services and designed to capture participant experiences, perspectives, and recommendations. The program's evaluation will also measure immediate outcomes aligned with the program's targeted interventions. Among the **reentry population**, the evaluation will track recidivism rates during the stipend period. For **low-income, housing insecure older adults**, the evaluation will assess whether guaranteed income reduces or prevents homelessness and increases the ability to sustain housing for older adults. Additionally, the evaluation will monitor program plan completion rates for participants enrolled in **Welfare-to-Work**, **Cal-Learn**, or **Independent Living Skills** programs, assessing whether financial support reduces drop-offs, increases program engagement, and promotes goal plan completion.

Long-Term Outcomes

The program's evaluation will focus on two key outcome areas: **sustainable income and recidivism**. For **sustainable income**, the evaluation will assess whether participants experience stability in income after the guaranteed payments end. **Recidivism** will be evaluated as it relates to each target population to assess whether guaranteed income:

- **Foster youth** - reduces the likelihood reliance on public assistance programs and involvement with the justice system.
- **Welfare-to-Work and Cal-Learn families** - reduces the likelihood of families returning to public assistance programs after discontinuation.
- **Formerly incarcerated individuals** - reduces the likelihood of rearrest or reincarceration and being found guilty of committing a crime.

Control Groups

Both treatment and control group members will receive incentives for participation in research activities. The purpose of control groups in research and evaluation is to provide a comparison group that does not receive the intervention or treatment being studied. This allows researchers to measure the actual impact of the intervention by comparing outcomes between those who received the program (the treatment group) and those who did not (the control group). By isolating the effect of the program, control groups help determine whether observed outcomes can be attributed to the program itself rather than other external factors. As recommended by the CCGIC and UC Davis, the evaluation plan will incorporate control groups. Incentives will continue through the entire evaluation period. The following are examples of Guaranteed Income pilots that utilized control groups and the ways they incentivized participation.

Pilot Name/Description	Treatment Group/Control Group	Research Activities	Incentive Amount
LA Breathe[11] **LA County foster youth**	1,000/2,000	• Online surveys at 6, 12, 18, 24, 36 months; 42 months after enrollment • Interview 2x during course of pilot	• $30/survey • $40/interview
iFoster[12] **Low-income youth transitioning out of extended foster care and pregnant people**	300/300	• Baseline survey • Text survey at 6 & 12 months • Final survey at 18 months	• $20/month for duration of pilot • $25/baseline survey • $10/text survey • $50/final survey
United Way of the Bay Area[13] **Alameda County residents 18+ who received services from specific SparkPoint Centers**	100/100	• Surveys at 0, 6, 12, 18-month mark • Survey 6 months post pilot	• $100 Visa gift card/survey
Oakland Resilient Families[14] **Low-income Oakland residents w/a child younger than 18**	300/360	• 2 interviews • Surveys at baseline and every 6 months throughout pilot • Survey 6 months post pilot	• $40 Target gift card/interview • "Participants were compensated for completing surveys"

This chart presents a comparison of the core elements of the program designs developed by the Contra Costa Guaranteed Income Coalition and EHSD.

GI Pilot Elements	Contra Costa Guaranteed Income Coalition Proposal	Employment and Human Services Department Proposal	Similarities	Differences
Pilot Name	Contra Costa Thrives (CCT)	Contra Costa Thrives (CCT)	EHSD adopted the name suggested by the Contra Costa Guaranteed Income Coalition ("Contra Costa Thrives"), which was approved by the Coalition.	None
1. Goals	**CCT Introduction:** CCT will offer participants choice with regard to payment structure, enrollment in services and supports, and participation in evaluation activities - the latter will be explicitly consent-based and incentive-driven. **Goals (CCT Section 1)** 1. Alleviate financial hardship and economic volatility by providing an income floor to participants for a sustained period of time 2. Promote pathways for economic and social mobility and resilience at the individual, family and community level to ensure diversity does not mean disparity in Contra Costa 3. Increase assets and opportunities for vulnerable, impacted and minoritized populations to build generational wealth 4. Provide flexible resources that fill in the gaps of existing public assistance programs and reveal new ways to continuously improve the local safety net 5. Contribute to the field of practice to move guaranteed income from pilot to policy.	**Within Proposal:** CCT will offer participants choice with regard to payment structure, enrollment in services and participation in evaluation activities - the latter will be explicitly consent-based. Evaluation incentive options TBD. **Goals** 1. Provide consistent, unconditional cash payments to reduce financial volatility and improve participants' ability to meet basic needs 2. Assist individuals reentering the community post-incarceration, youth transitioning from foster care, and families with young children in navigating major life transitions with financial stability as a foundation 3. Help housing-insecure older adults remain stably housed and/or maintain their homes by assisting with repairs 4. Leverage existing county programs by selecting participants enrolled in services, increasing engagement with case managers, and reducing barriers to successful outcomes.	Underlying purpose of both programs is to reduce financial hardship.	EHSD goals are specific to target populations.
2. Intended Outcomes	The evaluation of Contra Costa Thrives will assess how guaranteed income impacts: 1. The self-sufficiency of program participants, including housing stability, financial security and food security 2. The financial health and resiliency of participants, including savings, debt reduction, etc. 3. Participant well-being, such as mental health, physical health, and social connectedness. 4. Education and/or employment status 5. Emergency services utilization.	The evaluation of Contra Costa Thrives will assess: 1. Sustainable income: the program would assess whether participants experience stability in income after the guaranteed income payments end. 2. Recidivism: the program would evaluate recidivism as defined for different target groups. 3. Housing stability: the program will evaluate whether guaranteed income reduces or prevents homelessness and increases the ability to sustain housing for older adults.	Financial stability and housing stability.	EHSD focus is on long-term impacts on financial stability, intergenerational mobility, housing stability for older adults, and recidivism for different target groups.

CONTRA COSTA COUNTY
EMPLOYMENT & HUMAN SERVICES

GI Pilot Elements	Contra Costa Guaranteed Income Coalition Proposal	Employment and Human Services Department Proposal	Similarities	Differences
3 (part a). Priority Populations	1. Youth transitioning out of foster care 2. Seniors, defined as people aged 55 and up 3. Families experiencing significant financial hardship with children ages 0-6. Families are defined as a parental/custodial caregiver for at least one child aged six or under at the time of application.	1. Transitional-aged youth exiting foster care 2. Low-income families with young children 3. Individuals returning to the community after incarceration 4. Low-Income/housing-insecure seniors	Transitional aged youth exiting foster care, low-income families with young children, and older adults.	EHSD - additional target population are individuals returning to the community after incarceration through AB 109 funding.
3 (part b). Eligibility Criteria	Income at or below 250% of Federal Poverty Level (FPL); must be residents of Contra Costa County at time of enrollment; cannot be concurrently participating in another GI program at time of enrollment: participants do not have to be enrolled in public benefits programs.	Individuals in the specific target populations must meet certain eligibility criteria, which include both general criteria applicable to all participants and specific criteria for each distinct target population. General Criteria: 1. Resident of Contra Costa County (Foster youth receiving EHSD case management services may be in non-County locations); 2. Active participant in one of the following County-sponsored programs: CalWORKs, Welfare-to-Work or Cal-Learn; Independent Living Skills; Adult Protective Services; Probation; 3. Cannot be enrolled in another Guaranteed Income pilot; 4. Must not have participated in a prior Guaranteed Income pilot. 5. Has legal control of their finances. (See EHSD Proposed Program Design for detailed criteria for each target population.)	Residents of Contra Costa County; cannot be concurrently enrolled in another GI program.	EHSD eligibility criteria include active participation in a public benefit or other supportive program, such as ILSP for foster youth, Welfare-to-Work for low-income families; Choice in Aging for seniors, Probation for re-entry population. This requirement is based on the idea that these programs have built-in supports and services that can enhance the participants' chance of success. Also, EHSD proposal focuses on lower-income populations, not up to 250% of FPL. Candidates cannot have participated in a prior GI program.

GI Pilot Elements	Contra Costa Guaranteed Income Coalition Proposal	Employment and Human Services Department Proposal	Similarities	Differences
4. Participant Selection	A randomized selection process promotes a sense of fairness and equity when vast need is balanced against limited resources. A lottery system minimizes bias and potential for corruption, both of which could jeopardize resident trust. Randomization also allows researchers to draw conclusions about how the program affects low-income people from diverse backgrounds. It is possible to implement a tier system, whereby a higher proportion of slots could be devoted to people at lower income levels. We could also allocate a specific number of slots to lottery selection and a set number to direct referrals. Referral examples include H3, TAY- or senior-serving agencies, etc.	Eligible candidates will be referred by their County case worker or Deputy Probation Officer and selected by a randomized selection process using a Stratified Random Sampling Tool. For Older Adults: Eligible candidates will be referred by their County case worker or Health, Housing, & Homeless Services (H3) worker and selected by a multidisciplinary team that will be specifically established for the purpose of identifying participants for the GBI program. This is to ensure those who can benefit the most are prioritized for participation.	Randomized selection process, specific number of slots allocated per target population.	All eligible candidates who meet the eligibility criteria will be referred by County case worker. Older adults will be selected by Multidisciplinary Team.
5. Payment Amount	Provide participants with $18,000 over the course of 18 months, averaging out to $1,000/month. (Note: participants may choose a payment structure that is best for them, as described in a subsequent section.) Possible option: participants can choose between a standard monthly payment of $1,000/month or monthly payments of $800 and a large one-time lump sum payment of $8,000. We estimate that the allocated sum of $3.25 million in Measure X dollars will support approximately 150 households.	Provide participants with a total of $18,000 over a 12- or 18-month period, with a choice of up to one of three monthly payment options: **Option 1** $1,250/month for the first 12 months; $950 to $150 over the final 6 months **Option 2** $3,000 upfront lump sum payment; $1,000/month for the first 12 months, $750 to $250 over the final 6 months **Option 3** Months 1-2 $750; Months 3-4 $1,500; Months 5-7 $2,500; Months 8-9 $1,500; Month 10 $1,250; Month 11 $1,000; Month 12 $750	Duration is the same for two options (18 months), and both recommend a choice of payment schedules. Total amount is $18,000.	EHSD proposal defines options more specifically. All options include gradually reducing payments towards the end of the program to give participants time to adjust to and budget for the loss of income from GBI payments. Option 2 also includes an up-front lump sum payment to address immediate needs and stabilize the participant or allow them to use the payment as an investment. Option 3 offers a payment scale and program duration that protects individuals who receive housing subsidies, specifically through HUD.

GI Pilot Elements	Contra Costa Guaranteed Income Coalition Proposal	Employment and Human Services Department Proposal	Similarities	Differences
6. Duration	18 months	18 months	Same	None
7. Payment Disbursement and Cadence	Disbursement on the 15th of the month. Options include prepaid debit cards; direct deposit for participants with bank accounts. Tapered payments toward the end of the program may give participants time to adjust to and budget for the loss of income from GI payments.	Disbursement on the 15th of the month via prepaid debit card.	Disbursement on 15th of the month via prepaid debit cards. Tapered payments towards the end of the program.	EHSD proposes prepaid debit card and does not include bank deposit option. The debit card is more consistent operationally and provides greater flexibility for changes.
8. Launch	6 month period of outreach, eligibility determination, participant enrollment and benefits counseling by pilot partners, county stakeholders and community-based agencies. On site and remote application assistance, ensure language access and equitable geographic representation.	6 month period will include outreach to workers; eligibility determination and participant enrollment; benefits counseling and financial support and resources session by contracted vendor/s.	6 months period of outreach, eligibility determination, participant enrollment, and benefits counseling.	For EHSD pilot, eligibility will be determined by County case workers. Candidates will not have to complete an application or provide proof of eligibility, as eligibility will be confirmed through the County program. Financial supports and resources session will be required as part of orientation along with benefits counseling.
9. Application & Enrollment	Application and surrounding process should be structured to be as accessible as possible. Applicants should be permitted to provide self-attestation of eligibility with deferred document verification. Application should be mobile-friendly. Offer a password-less login (process described in proposal).	County case worker or Deputy Probation Officer will refer eligible candidates who will be selected by a randomized selection process or, for older adults, multidisciplinary team. Referrals will be submitted via secure portal and random selection performed by university contracted to oversee program evaluation and control group.		For EHSD pilot, eligibility will be determined by County case workers. Candidates will not have to complete an application or provide proof of eligibility, as eligibility will be confirmed through the County program.

GI Pilot Elements	Contra Costa Guaranteed Income Coalition Proposal	Employment and Human Services Department Proposal	Similarities	Differences
10. Eligibility Verification	A variety of admissible verification documents will enable households with t more complex identity or income profile to participate. City of Chicago accepted 20 forms of documentation to verify across identity, residency and household income. Enrollment in benefits programs can be furnished as proof of eligibility.	Participants will not be required to submit additional documentation, as their eligibility will be confirmed through existing documentation in County-sponsored programs.		For EHSD pilot, eligibility will be determined by County case workers. Candidates will not have to complete an application or provide proof of eligibility, as eligibility will be confirmed through the County program.
11. Benefits Counseling and Protection	All participants will be **required** to participate in a counseling session to identify potential/estimated impacts of the pilot payments on public benefits. Recommend creation of a Hold Harmless fund which could be used, as needed, to cover gaps and hardships experienced by participants as a result of termination or suspension of social safety net benefits.	Orientation is required for all referred candidates prior to randomized selection/enrollment in the pilot. The orientation will provide a comprehensive overview of the program, including program terms, payment options, and available existing case management supports. As part of the orientation, participants will receive mandatory benefits counseling to understand how GBI payments may impact existing public benefits. Additionally, participants will receive mandatory financial support and resources session education to support informed money management during the pilot period.	Requirement for completion of benefits counseling.	EHSD proposal does not include a Hold Harmless Fund. Based on extensive research detailed in the GBI Program Design, there were no findings that indicate other County-administered GI pilots included a Hold Harmless Fund. In addition, see Contra Costa County Board of Supervisors' policy prohibiting the use of County General Purpose Revenue to backfill State and Federal revenue cuts.

GI Pilot Elements	Contra Costa Guaranteed Income Coalition Proposal	Employment and Human Services Department Proposal	Similarities	Differences
12. Supportive Services and Referral Pathways	Supportive services, navigation and referrals during and after the pilot enhance participants' agency, self-sufficiency and connectedness. These resources can take various forms, e.g., referrals to government social safety net programs, housing and employment assistance, financial coaching, etc. All resources, services and referral pathways are offered as **opt-in**, meaning that participation is not required and that pilot participants continue to receive the guaranteed income cash payments regardless of their decision to utilize additional supports and services.	Participants will be enrolled in County-sponsored programs, ensuring that they will continue to receive case management support and wrap around services, including referral pathways and supportive services.	Referrals for supportive services and resources. All resources, services and referral pathways are offered as opt-in, meaning that participation is not required and that pilot participants continue to receive the guaranteed income cash payments regardless of their decision to utilize additional supports and services.	Participants will be enrolled in EHSD County-sponsored programs, ensuring that they will continue to receive case management support and wrap around services, including referral pathways and supportive services.
13. Evaluation: Metrics and Methods	Propose to use the same set of evaluation parameters for all three priority populations, to be potentially supplemented and/or modified in subsequent discussion with the research partner and other stakeholders. Varying survey instruments allow for data to be captured on participant- and family-level outcomes. Particularly want to elevate the criticality of capturing qualitative data to reflect the lived experience of pilot participants. Obtaining consent to participate in any research endeavor - and not penalizing them or denying the intervention if they refuse to consent - is a key means of elevating equity and agency in the research process.	A 5-year longitudinal study will be conducted. Methods of data collection include surveys via text message or email and interviews at baseline and every 6 months throughout the duration of the pilot and annually thereafter. Collect responses to short form surveys focused on financial stability, recidivism, and housing stability for seniors. Collect qualitative feedback through interviews, focus groups, and/or open-ended surveys to inform county services. Deliverables will include annual reports presented to the Family and Human Services Committee and Community Corrections Partnership.	Utilization of varying survey instruments and discussions with research partner and stakeholders.	EHSD's 5-year longitudinal study would add to existing body of research, which is currently limited in the United States to short-term projects.
14. Pilot Partners	Pilot partners include Contra Costa County's Employment and Human Services Department and contracted entities responsible for implementation, payment disbursement, and evaluation.	Pilot partners include the Contra Costa GI Coalition, contracted entities responsible for implementation, payment disbursement and evaluation.	Same	None

GI Pilot Elements	Contra Costa Guaranteed Income Coalition Proposal	Employment and Human Services Department Proposal	Similarities	Differences
15. Request for Proposals: Structure and Review	Two options proposed. **Option One**: Three implementing organizations with expertise in and aligned with each priority population. One payment distribution partner (who can provide participant choice and flexibility in payment amounts and cadence). One research partner. **Option Two**: One overseeing implementing organization that has strong community relationships and capacity to hold the program and convene a consortium of agencies with deep experience working with one or more of the three priority populations. One disbursement partner (who can provide participant choice and flexibility in payment amounts and cadence). One research partner.	EHSD will administer the pilot except for the following components which will be contracted: 1. Literature review, program design support, and evaluation plan development; 2. Payment disbursement; 3. Benefits counseling and financial support and resources session; 4. Pilot evaluation. EHSD will procure qualified third-party vendors to deliver this service in accordance with the County's Purchasing Policy and Procedures outlined in Administrative Bulletin Number 600.3.	One payment distribution partner, one research/evaluation partner.	EHSD will administer the pilot, including administering the RFP process and managing the contracts for payment disbursement partner, benefits counseling/financial support and resources session, and evaluation partner.
16. Pilot Partners and Responsibilities				
16 a. Implementation Partner	Collaboration can manifest in a variety of ways, including but not limited to: (1) Single agency: Agency manages all aspects of the program, providing one or more supportive services; (2) Partnership for participant referrals: Primary agency manages all aspects of the program and provides supportive services. Secondary agency or a public system of care provides primary agency with participant referrals; (3) Consortium: Lead agency manages core program aspects, including design, recruitment cash disbursement, and reporting, and partner agencies provide a range of support services and/or backend support, e.g., accounting. Coalition proposal lists 22 items in "Scope of Work".	EHSD will administer the pilot except for the following components which will be contracted: 1. Literature review, program design support, and evaluation plan development; 2. Payment disbursement; 3. Benefits counseling and financial support and resources session; 4. Pilot evaluation. EHSD will procure qualified third-party vendors to deliver this service in accordance with the County's Purchasing Policy and Procedures outlined in Administrative Bulletin Number 600.3.		EHSD will administer the pilot, including administering the RFP process and managing the contracts for payment disbursement partner, benefits counseling/ financial support and resources session, and evaluation partner.

GI Pilot Elements	Contra Costa Guaranteed Income Coalition Proposal	Employment and Human Services Department Proposal	Similarities	Differences
16 b. Payment Disbursement Partner	Coalition proposal lists 9 items in "Scope of Work."	EHSD obtained information from Yolo County regarding three potential vendors: 1. Community Financial Resources (will not agree to discontinue payments in the event of EHSD request); 2. Dwolla (only provides ACH transactions from bank to bank - no debit cards); 3. Usio offers a prepaid card processing and management platform. This platform supports reloadable prepaid debit cards and provides managed, configurable account and transaction processing, including web and mobile applications for cardholders. Based on these options, EHSD obtained a quote from Usio.		EHSD leveraged information obtained by Yolo County to justify obtaining a quote and considering partnering with Usio as a payment disbursement partner.
16 c. Research Partner	The research partner's role will be refined via continued collaboration with County and community partners. Pilot participants will be evaluated through the pilot and extending approximately 12 months after the last payment. Evaluation efforts will track both quantitative and qualitative metrics and help inform local policy making, and, more broadly, GI's potential as an anti-poverty policy tool. Coalition lists 15 items in "Scope of Work."	EHSD will procure a qualified university partner to conduct the program evaluation in accordance with the County's Purchasing Policy and Procedures outlined in Administrative Bulletin Number 600.3. The university will have expertise in assessing guaranteed income pilot programs. A 5-year longitudinal study will be conducted. The study will assess the long-term impacts on participants financial stability and identify differences in outcomes across the four targeted populations.	Pilot participants will be evaluated through the pilot and for a period of time after the payments end.	EHSD's 5-year longitudinal study would add to existing body of research, which is currently limited in the United States to short-term projects.
17. Budget	Total allocation of $3.25 million from Measure X. Of this amount: 10% ($325,000) will support EHSD to perform and coordinate community outreach, administer RFP/grants administration and conduct evaluations. $2,925,000 will support pilot implementation, direct cash payments, payment disbursement partner, survey stipends and other program needs.	Total Allocation: $4,266,200 (Measure X: $3,250,000; AB 109: $1,000,000; VESTIA: $16,200. Expenditures and % of total allocation: Direct payments - 75%; Payment disbursement vendor: <1%; Benefits/Financial counseling - 1%; Evaluation (including treatment and control group incentives) - 14%; Administrative costs - 9%.	10% admin costs for EHSD.	EHSD estimates that a higher percentage of budget is projected to go towards direct payments due to a reduced need for contracts. EHSD budget includes AB 109 GI and private funds.

Cash Payments and Economic Outcomes in the United States and Globally: A Narrative Review and Executive Summary

Rose Kagawa, MPH, PhD
Ahna Suleiman, DrPH

Literature Review | Guaranteed Basic Income Pilot | June 2025

Executive Summary

This narrative review of the literature on cash payment programs implemented in the United States and globally sought to characterize what is known about the effects of cash payments on economic outcomes, identify common measures of economic success and financial wellbeing, and highlight critical research questions that can guide the design and implementation of future cash payment programs to maximize benefits. Key findings in these areas were developed from common themes arising across studies of cash payments. We focus on four priority populations: low-income families, formerly incarcerated or justice-involved individuals, low-income seniors, and youth transitioning out of foster care. Most of the evidence is from studies of programs for low-income families or low-income households more generally.

Measures of economic wellbeing are frequently collected through self-reports on surveys. We note wide variation in the measures used to evaluate economic wellbeing. However, the most common measures across studies include income, employment, savings (e.g. % with $500 or more in savings), ability to cover an emergency expense (e.g. "unexpected $400 expense") or expenses more generally (e.g. utility bills, mortgage, rely on others for financial support), and subjective measures of satisfaction with one's financial situation.

Across studies, cash payments appear to benefit economic wellbeing among participants while they are enrolled and actively receiving payments. However, impacts are sometimes modest and rarely affect all measures of financial well-being included in a study. Fewer programs provide data on wellbeing after payments have ceased, but those that do raise questions about the ability of short-term (e.g. 2 years) basic income and similar programs to alter participant lives sufficiently to achieve long-term benefits given the structural and environmental factors that impact economic stability.

While we identified few programs with published evaluation results for seniors and youth transitioning out of foster care, there are many new and ongoing basic income programs for these populations that will provide estimates of program impact in the coming months and years.

Finally, there is growing interest in providing cash using mechanisms other than basic income payments, including lump sum payments and baby bonds. While several states and municipalities have implemented such programs, the recipients remain very young, and overall, there is far less evidence on the effectiveness of such alternative structures. The one study we identified evaluated the effects of a lump sum payment in Kenya relative to a two-year basic income, finding positive evidence for the comparative effectiveness of the lump sum payment.

Approach

We reviewed the existing peer-reviewed and gray (e.g. program reports, research center and program websites) literature to summarize the evidence on the impacts of basic income and related programs on economic outcomes, focusing on the four priority populations of greatest interest to Contra Costa County:

1. Exiting and former foster youth
2. Families with young children in California Work Opportunity and Responsibility for Kids (CalWORKs)
3. Individuals returning to community from incarceration and working with probation
4. Low-income housing insecure seniors

We also included influential basic income programs that supported similar but distinct populations (e.g. new mothers, low-income households) and identified new projects, particularly in the greater Bay Area, that are underway but do not yet have evaluation data available (see Table 1).

Several terms are used to describe programs that provide cash payments to individuals or households. The Stanford Basic Income Lab defines Universal Basic Income (UBI) as cash paid universally and without conditions to individuals on a regular basis. Very few cash programs are universal and instead meet the definition of a Guaranteed Income (GI) program. The Center for Guaranteed Income Research at the University of Pennsylvania defines Guaranteed Income as regular cash payments made without conditions. Unlike UBI, GI provides targeted financial support to specific populations. In practice, these terms are often used interchangeably and many programs termed “basic income” or “guaranteed income” may provide cash payments to specific populations, with or without additional conditions (e.g. attending financial literacy courses, completing job search milestones, maintaining sobriety). Our review considered experimental cash payment programs broadly, including both UBI and GI, cash transfers with or without conditions, and related programs such as lump sum payments and baby bonds, where investments are made on behalf of newborns that can be claimed when they reach adulthood.

Our search included cash programs implemented since 2000 in the United States, and especially those local to the Bay Area or California, as well as cash programs implemented globally. A more robust literature is available for cash transfer and similar programs in the international context due to a longer history of experimentation with cash policies.

We included programs with and without evaluation outcomes, and no minimum parameters were established for the scientific rigor of the evaluation to be included in the review. These choices allowed us to consider the status of the evidence and to provide a broader picture of the landscape

of implemented and evaluated programs rather than focusing on a narrow set of rigorously evaluated programs.

Our guiding questions were:

1) What is known about the effects of cash payments on economic outcomes, during the course of the program and long term?
2) How is economic improvement measured?
3) What are the gaps in the literature and where are new opportunities for learning?

We begin with a review of common measures used to identify effects on financial stability and related outcomes. We then summarize the estimated effects of cash payments on these measures, focusing on effect estimates measured while cash payments are active and separately on the smaller body of literature regarding effect estimates after payments ended. A substantial number of cash payment programs are planned, currently in operation, or have recently ended, for which no outcome evaluations have been published. We summarize these to inform how the program in Contra Costa County fits within the larger landscape of cash payment programs. Finally, we end with a discussion identifying the gaps in the literature, areas of growing interest, and implications for practice and evaluation.

Common Measures of Economic Outcomes

Our review of the evidence identified a wide range of measures related to financial stability. It is important to note that in the US, the University of Pennsylvania Center for Guaranteed Income Research has conducted most of the evaluations, and as a result, the set of indicators they use to measure financial stability is replicated across many studies. The most common measures across studies include income, employment, savings (e.g. % with $500 or more in savings), and ability to cover an emergency expense (e.g. “unexpected $400 expense”). Several programs evaluate impacts on recipients’ ability to cover expenses (e.g. how often rely on others for financial support, ability to financially support family or friends, ability to pay bills or repay debts). Subjective measures of satisfaction with one’s financial situation were also common. Less frequently used outcomes include poverty (relative to an income threshold), ownership of assets or productive assets, consumption, hours worked, and payday loan use. Food and housing insecurity are not direct measures of economic well-being or financial stability but both have been used to proxy economic access and appear in basic income studies with some regularity (Jones et al., 2013).

While most data about economic stability are collected through self-reports in surveys, some basic income programs also leverage administrative data related to receipt of existing benefits (e.g. CalWORKs, CalFresh, Housing Support Services, Emergency Housing Assistance) as indicators of

economic stability (Dworsky, 2025). Additional indicators may be more relevant with different populations and in different contexts (e.g. re-incarceration, educational performance). Due to the complexity of understanding the causal pathways of basic income studies on economic wellbeing, most evaluation studies include mixed methods that include interviews or focus groups with at least a portion of the study sample.

State of the Evidence on Economic Outcomes

Existing literature indicates that guaranteed income provides a critical financial reprieve and important financial resources for participants, and it is normally insufficient for building long-term wealth (Economic Security Project, 2024). Our review of the literature aligns with this general assertion.

A Financial Reprieve

Most evaluations of basic income and related programs find such programs offer recipients a meaningful financial reprieve on at least one measure of financial well-being. However, impacts are sometimes modest and rarely encompass all measures of financial well-being included in a study. Much of this evidence comes from basic income programs implemented among low-income households or families. The evidence base for impacts among seniors, foster youth, and formerly incarcerated individuals is growing but less robust.

Low-Income Families

Most studies of basic income programs serving low-income families show improvements in at least some indicators of financial stablity while payments are ongoing. For example, parents in the Los Angeles BIG:LEAP program showed increased savings and ability to cover a $400 emergency expense while receiving the stipend and sustained this benefit six months after the last payment (Kim et al., 2024). Similarly, participants in the Embrace Mothers intervention in Birmingham, Alamaba reported less utility debt, greater capacity to cover a $400 emergency, and higher contributions to savings after receiving the stipend for six months (Jefferson, et al., 2024).

At times, these improvements are modest or unstable. For example, single parents in the Growing Resilience in Tacoma (GRIT) experienced modest, (although fluxuating and often conflicting), improvements in indicators related to financial health including household income, income volitility, finacial wellbeing, ability to cover an unexpected $400 expense, and savings while they were receiving the payments (Flynn et al., 2024).

The majority of these evaluations were completed by the University of Pennsylvania Center for Guaranteed Income Research Social Policy and Practice Programs, and in these programs, monthly stipends of $375-$1000 (mode=$500) were provided for 12-18 months. However, evidence of similar positive impacts is apparent in several programs using different payment structures or designed more broadly for low-income households in the US and globally (Balakrishnan et al., 2024; Banerjee et al., 2023; McDowell & Ferdosi, 2021; Moore, 2024; Stacia West, 2021; Todeschini & Sabes-Figuera, 2019; West & Castro, 2023).

Formerly Incarcerated Individuals

Basic income programs for formerly incarcerated people have increased, but few provide evaluation results. Of those that do, findings suggest participants experience improved financial wellbeing on at least one measure. For example, stipend recipients in StepUp Durham's Excel program showed higher income than controls while they were receiving the stipend, but there were no significant differences in their ability to cover an unexpected $400 expense or overall financial wellbeing (Couloute, Tandon, West, et al., 2025). Similarly in Gainesville, Florida, the Just Income program for formerly incarcerated individuals showed participants were better able to weather an unexpected $400 emergency expense while receiving payments (Couloute, 2025). There was also some evidence that recipients were able to save money at a greater rate, but estimated effects on income, employment, and ability to contribute financially to families were unclear.

While not the focus of this review, evaluations often measure recidivism, with results suggesting guaranteed income participants were less likely to commit a parole violation and, while effect estimates were sometimes more volatile, less likely to be re-arrested or re-incarcerated (Couloute, 2025; Schwartz, 2025).

Low-Income Seniors and Transitioning Youth

While there are many new and ongoing basic income programs for youth transitioning out of foster care, we did not identify evaluation results indicating the effects of these programs. However, indirect reporting on Santa Clara's basic income program for youth transitioning out of foster care suggest the payments were beneficial to participants' employment, income stability, and housing (County of Santa Clara, 2023). Basic income programs for seniors also appear to be a growing area of interest where there is little current evidence of effectiveness that we were able to summarize. However, Canada's public pension program for low-income seniors appeared to benefit food security (McIntyre et al., 2016). In this program, low-income seniors receive monthly payments, up to

$564.74, with the amount varying depending on income and marital status, beginning at age 65. No economic measures were assessed in this evaluation.

Long Term Financial Impacts

Many programs do not or do not yet report on findings after payments have ended. The programs that do have data beyond the end of the project, illuminate the challenge of basic income programs being sufficient to transform participants' economic status long-term given the structural and environmental factors that impact economic stability. Most of the existing evaluations with "long-term" follow-up were conducted by the University of Pennsylvania Center for Guaranteed Income Research and end six months after participants receive the final stipend.

From the existing long-term data, many of the programs that show economic improvement while participants receive cash payments, face challenges in sustaining these effects once the payments end. For example, six months after receiving the last payment, single parents in the Growing Resilience in Tacoma (GRIT) program showed sustained higher annual income and lower income volitility than comparision families six months after the last payment, but they also showed lower finanical well-being scores, were less likely to be able to cover a $400 emergency expense, and had reduced savings compared to control families (Flynn et al., 2024). Similar patterns were observed in the SEED pilot in Stockton (West & Castro, 2023). In fact, most evaluations with long-term measures indicated early benefits had attenuated or disappeared following the cessation of payments, across all population types (Couloute, Tandon, Patel et al., 2025; DeYoung et al., 2024; Kappil et al., 2024).

In a few cases, there are concerning findings in other domains post-intervention. For example, while the Embrace Mothers intervention in Birmingham, Alamaba did not show sustained economic impacts after the stipends ended, the research found potential iatrogenic effects in that stipend recipients reported less hope for the future and less feelings of mattering than members of the control group at six months after their last stipend payment (Jefferson, et al., 2024). Similarly, fathers in the intervention arm of the CLIMB project reported higher levels of psychological distress than controls throughout the duration of the project (Bervik et al, 2024). However, several studies showed the opposite (e.g. GRIT, SEED, B-Mincome) (Flynn et al., 2024; (Todeschini & Sabes-Figuera, 2019); (West & Castro, 2023).

Qualitative data from several studies offer some insight into the challenge of sustaining benefits of basic income. Throughout the literature across all projects, participants describe basic income funds as a blessing and/or lifesaver and describe how while they were not always able to maintain the long-term financial benefits, the temporary financial stability was incredibly valuable. In

our own research with the Yolo County Basic Income project, we found some outlying participants who received the stipend at a critical inflection point in their lives and were able to establish college savings accounts for children, complete education or training programs, or save for a down payment on a house. Essential in all these stories was the presence of other structural support to facilitate this transformation.

There are a couple of notable exceptions in both the duration of follow-up and the findings, which point to the importance of program design and context. The first is *Oportunidades* in Mexico, a conditional cash transfer program primarily operational in remote rural areas. Recipients of the cash transfer experienced significantly higher agricultural income and increased ownership of productive agricultural assets and non-agricultural businesses (e.g. handcrafts for sale) 18 months into the program (Gertler et al., 2012). Importantly, study findings suggest these early investments resulted in persistent economic benefits as measured by household consumption (a sum of food and nonfood expenditures plus home value) four years later (Gertler et al., 2012).

The second is one of the longest running basic income projects-- the Alaska Permanent Fund--which has provided unrestricted cash payments to low-income Alaskan natives for over four decades. Rather than relying on self-report measures of financial security, the long-term impact of this investment relied on Census data and findings from the Public Use Microdata Samples (PUMS). Based on recent analysis, the Alaska Permanent Fund has been found to significantly reduce poverty rates of rural Indigenous Alaskans – and specifically for children and seniors – although the effects of the program on reducing economic inequality have been more modest (Berman, 2024).

GiveDirectly in Kenya currently has a 12-year program underway which will provide estimates for a long-term program. In all three cases (Mexico, Alaska, Kenya), the programs and not just the follow-up period are long-term, which is distinct from long-term follow-up with participants in a short-term program.

Ongoing Studies

There are many existing cash transfer programs that have launched recently that focus on one or more of the target populations Contra Costa County is including in their project. These programs have various outcomes and will be publishing results during the course of the pilot. In Table 1, we highlight several ongoing basic income evaluations in the state of California.

Table 1 – Cash Transfer programs in surrounding areas in process or awaiting evaluation data

Target Population	Location	Sample size	Project Description
Transition age foster youth	City and County of San Francisco	150 former foster youth	$1,200 monthly payment for 18 months. Match comparison group of youth in other counties. Launched 2024 and completing 2025.
	Ventura County	150 former foster youth	Launched in October 2023. $1,000 monthly payment for 18 months
	Sacramento City Council	100 former foster youth	$1,000 monthly payment for 18 months.
	iFoster (multiple counties across CA including Contra Costa)	300 former foster youth	$750 monthly payment for 18 months with 300 matched controls
	LA County	200 former foster youth	$1,000 monthly payment for 24 months.
Older Adults	Santa Clara County	50 low-income seniors	$1,200 monthly payments for 24 months.
	Santa Monica Housing and Human Services Division		Varying amounts based on income (range $1-$1,643) low-income seniors
	West Hollywood		$1,000 monthly payments for 18 months to seniors over age 50.
	California	TBD	CA Dept of Social Services just closed an RFP process on April 18, 2025 for applications for GI projects serving older adults over 60 years of age. Total investment is $5 million over 5 years. Programs can run 12-24 months. Awards will be announced June 25, 2025. Will serve at least 200 participants.
Re-entry/ Justice involved	Alameda County (Rubicon)	20 people returning home to Alameda County after incarceration	Launched May 2022. Participants receive $1,500 per month for 18 months.

	California	TBD	Statewide program launched 2024 – hub and spoke model with monthly payments operated by partner organizations.
Families with Children	Alameda, Contra Costa, LA, and Riverside Counties	415 pregnant women at risk for preterm birth	Launched in 2024. Provides $600-1000 stipend for 12-18 months. Run by Heluna Health.
	Sonoma County	305 adults with children under the age of 5 or who are pregnant with income less that 185% of FPL	Launched February 2023. Families receive $500 per month for 24 months. Run through First Five Sonoma

Gaps in the Basic Income Literature and Promising New Directions

While not the primary focus of the current literature review, there is growing interest in "baby bonds" and other forms of cash payments in the United States and globally. "Baby bonds" are publicly funded trust accounts issued to babies or children. The owners can access the funds upon reaching adulthood, often after completing a financial literacy course or similar. These funds tend to come with more restrictions on use than basic income funds. As an example, in Connecticut $3,200 is invested for every child born where the birth was covered by Medicaid. The children can claim the accrued funds when they reach 18 years of age, by which time the fund is expected to hold $11,000-$24,000 dollars. This money can only be used for buying a home, starting a business, saving for retirement, or paying for higher education or job training. Similar programs have passed in Washington DC, California (for children who lost a parent to COVID-19), Flint, Michigan and other locations.

There is also growing interest in the effects of providing large sums of money in a single payment, rather than distributed over multiple months or years. For example, United Way Bay Area is experimenting with a program that provides $18,000 over 18 months; the first payment is $3,000, followed by payments of $1,000 which then taper to zero at the end of the program. This program is in its early stages and the effects are unknown.

GiveDirectly has estimated the effects of providing a lump sum payment rather than a guaranteed income in a large-scale program implemented in Kenya (Banerjee et al. 2023). At the time of evaluation, three treatment arms had received approximately the same amount of money

over two years, but with important differences. One arm received the entire amount at the beginning of the program as a lump sum. A second arm (short term) received the same amount of money paid over two years and the third arm (long term) had also received the same amount of money over two years and would continue to receive monthly payments for ten more years. The two-year evaluation found the short-term payments were beneficial but the least effective when compared with the lump sum and long-term arms. The positive effect estimates were largest and most numerous for the lump sum arm, which showed increases in household savings, number of businesses in the village and the net revenue of village businesses, self-employment, income, large purchases, savings, total consumption, and no change in hours worked. Given the vast differences in setting and socioeconomic context, the results from Kenya are not transferable to specific populations in the United States, yet they represent the best evidence to date on the effectiveness of lump sum payments as a poverty alleviation strategy.

Implications for Practice and Evaluation

Given findings on the duration of impacts of short-term guaranteed income programs, it is critically important to think about these projects in context. While they provide some economic reprieve, on their own, they cannot address the complex systemic, structural problems that contribute to poverty and social inequality. Longer-term programs in Alaska and elsewhere show sustained payments may also sustain benefits, suggesting guaranteed income programs operate as a floor, but not necessarily as a springboard to economic success. However, we do not yet know the answer to several important questions: Can a longer-term but still impermanent program (e.g. 2-10 years) act as a springboard to economic success? Do alternative payment structures allow for investments with longer-term benefits to economic wellbeing? What payment designs work best for which populations and at what life stages? Do the benefits from a short-term guaranteed income program reappear later in life, after an initial depression following payment cessation?

While there is less evidence on the effectiveness of alternative payment structures (e.g. lump sum, variable payment sizes), they may influence the ways in which the cash is used. For example, regular monthly payments are often used for regular expenses (e.g. food, rent) or to repay debts, while a lump sum might allow for larger investments (e.g. first and last month rent, down payment, tuition) with different implications for long-term economic success. Evidence from Mexico and Kenya suggest economic success stemming from these programs is rooted in participants' ability to invest

in agriculture or microbusiness, opening the door to longer-term benefits. However, such investments are not easily translated to a more urban environment with a far higher cost of living.

It is also important to consider how cash payments might operate differently for people at varying life stages. Whether immediate needs are large expenses (e.g. first/last rent, down payment, home repair, school tuition) likely depends on life stage. Such expenses may be more relevant for individuals returning to community from a long term in prison and youth exiting foster care, both of whom must make large immediate investments as they (re)enter financial independence, or for seniors in deteriorating housing.

Finally, whether the benefits to economic wellbeing of short-term guaranteed income programs reappear later in life remains an open question. While most evaluations indicated benefits to financial wellbeing ended when payments ended, the period immediately following program end may be a particularly challenging time. The benefit of longer-term investments made while receiving cash payments may take time to appear or may only appear for populations that received the payments at critical stages of their development (e.g. young children).

ATTACHMENT C – EXISTING CASE MANAGEMENT SUPPORT

Benefits Counseling

Benefits counseling ensures participants are fully informed about how GBI payments may affect eligibility for other public assistance programs, enabling them to make an informed decision regarding participation in Contra Costa Thrives. During the final six months of the pilot, participants will also have the option of receiving benefits transition counseling. This will provide participants with the necessary tools to prepare for the loss of income as the program concludes.

Financial Support and Resources

This component is designed to offer optional, supportive tools designed to help participants reach their personal financial goals. These sessions aren't about telling people what to do with their money, but about providing practical, judgment-free information and strategies participants can choose to use in ways that work for them.

Proposed Target Populations	*Welfare-to-Work (WTW) & Cal-Learn (CL) families*	*Non-Minor Dependents (NMDs)*	*Adult Protective Services (APS) clients 60+*	*Adult Probation clients released within the last 6 months*
Assessment	In-depth evaluation of strengths, abilities, interests, and educational and career goals	Independent Living Skills (ILS) Intake Assessment/Casey Life Skills Inventory	Choice in Aging	Ohio Risk Assessment System (ORAS) to assess the risk of reoffending and determine appropriate level of supervision and intervention
Plan Development/Other Case Management	Referrals to activities that support educational and career goals and supportive services necessary for attainment	Transitional Independent Living Plan (TILP)	Choice in Aging	Facilitate referrals, coordinate case management, and encourage utilization of all case management supports
Participant Check-In's/GBI Discussions	Monthly	Monthly	Choice in Aging, EHSD designated project lead and APS SW, when appropriate	Bi-weekly, monthly, or quarterly
Ongoing Financial Counseling (Optional)	Financial Literacy Workshops- Basic Money Management Skills, Budgeting, Career Planning	Financial Literacy Workshops- Basic Money Management Skills, Budgeting, Career Planning	Financial Literacy Workshops- Basic Money Management Skills, Budgeting, Avoiding Scams	Financial Literacy Workshops- Basic Money Management Skills, Budgeting, Career Planning leveraged through other AB 109 resources

NET Growth Movement Guaranteed Income for Foster Youth pilot program	Alameda	$2.8 million	67 participants (Potential cohort size: 85)	Former Non-Minor Dependents who exited the foster system in 2022 or who would have exited in 2022.	Alameda County Social Services budget	Additional philanthropic funds raised for program: Hellman Foundation ($100,000); Walter & Elise Haas Foundation ($100,000); Wells Fargo Foundation ($40,000); Citibank ($5,000). Casey Family Programs has offered concrete support in the form of assistance to parenting participants and hosting support dinners.	Stipends began February 2023; program ends December 2024. Evaluation by Chapin Hall at the University of Chicago.
San Mateo County Guaranteed Income Pilot Program for Transitional Age Foster Youth	San Mateo	$2 million	70	Current and former foster youth ages 18 - 22	Measure K Funds and pool of funds reserved for youth-focused services managed by County's Human Services Agency	Silicon Valley Community Foundation ($100,000)	

County Pilots							
Pilot Name	**County**	**Amount**	**Number of Participants**	**Target Population**	**Funding Sources**		**Status**
					Public	**Private**	
Pathway to Income Equity	Sonoma	$5.4 million	305 families	Families with children under age 6 or pregnant, living on household incomes of 185% or less of the Federal Poverty Limit. Impacted by COVID pandemic.	Sonoma County and cities of Santa Rosa, Petaluma and Healdsburg. More than 90 percent of the pilot project funding is from ARPA funds.	Corazon Healdsburg and First 5 Sonoma County	Payments began February 2023.
Family Income for Empowerment Program	San Diego		408 families as of July 2024	Pilot is based on referrals from San Diego County Child and Family Well-Being Department and is not open to the public. Participants must earn 200 percent of the Federal Poverty Level or less, have at least one child living with them, and be local.			County partnership with Jewish Family Service of San Diego. Participant enrollments underway. August 2024: Initial data reported for March 2023 - July 2024.

If blank, information is unknown.

ATTACHMENT E – COMMUNITY INPUT

Population: All

Contra Costa Guaranteed Income Coalition | April 17, 2025

Funding

1. What is the total project budget?
2. How much is allocated for direct payments to pilot participants?
3. Have you obtained private funding for the CalFresh benefits waiver? If so, from who and for what amount? What will it be used for?

Program Design Elements

4. How many participants across the four priority populations do you intend to serve?
5. What is the payment amount participants will receive and for how long?
6. What types of supports are you wrapping around participants and what outreach are you conducting to ensure that support is relevant to each population?
7. Why is the senior population going to be selected differently than the other populations? Why use a multidisciplinary team?

Community Input

8. Which advisory bodies are you bringing the draft implementation plan to and when?
9. To what extent will you incorporate the GI Coalition's recommendations into the draft implementation plan?
10. When will you submit the draft implementation plan to the GI Coalition for review?
11. When are you planning to present the final plan to the Board, and how do you envision community partners playing a role?

Implementation Partners

12. What other departments, community-based organizations, and community partners is EHSD working with to develop these pilots?
13. Have you discussed design implementation, and evaluation with community partners who have already implemented or are implementing pilots in Contra Costa County?
14. Are you conducting a competitive RFP process for community-based organizations to implement and/or provide supportive services for the pilot populations? If so, how and when will this be conducted and will community members serve on the RFP review panel, as they have been more recently for allocations related to mental health, innovation fund, and youth justice?
15. How are residents with lived experience being meaningfully included in the pilot design process?

Research & Evaluation

16. What type of evaluation are you planning to conduct, e.g., randomized control trial, quasi-experimental, etc.?
17. Will it be a single evaluator/evaluation, or population-specific?
18. Will there be a competitive RFP process?

Population: Youth transitioning out of foster care

Family & Children's Trust Committee (FACT) | May 5, 2025

Eligibility Criteria

1. Can college students qualify?

Enrollment

2. If we do not fill all 40 of our slots, does it roll over to another Bureau/population?

Benefits Protection

3. Would the stipend impact financial aid amounts for college students?

Participation Discontinuance

4. Are there criteria identified to terminate GI payments?
5. If someone is discontinued from receiving the stipend, does the balance roll over to a new recipient or is a new recipient identified to receive the full $18K?

Research and Evaluation

6. Is there any data available currently on local or national GI pilot outcomes?
7. Will the outcomes of this GI pilot be shared publicly or be provided to the community forums you presented to?

Regional Community Partnership | May 13, 2025

Funding

1. With Federal/State budget cuts, will this money be affected?

Eligibility Criteria

2. How do you select?
3. Is this only for the youth?
4. Is it just for Contra Costa residents?
5. Will this be extended to kinship and can the criteria change to help different youth that is under guardianship and probate court?
6. How are youth referred?
7. What other communities will this help?
8. Will it continue beyond 18 months?
9. Is this an 18-month commitment?
10. What happens if they don't want to do the GI program anymore?
11. Can someone else come in if the 18 months is not fulfilled?

Benefits Protection

12. Will this impact families receiving Section 8 housing subsidies?
13. Will this impact seniors with retirement income and social security?
14. Do you only meet one time during the duration of 18 months?

Program Implementation

15. When does it start?

Support

16. What support do they get?

Comprehensive Prevention Planning Team | May 9, 2025

Eligibility Criteria

1. Will eligible youth who are non-minor dependents from other counties but residing in Contra Costa be considered as well?

Population: Families with young children experiencing financial hardship

Economic Opportunity Committee | May 8, 2025

Funding

1. How is this funded?
2. Is the funding solid?

Eligibility Criteria

3. If a client previously participated in a GI pilot, e.g., Elevate Concord with Monument Impact, are they still eligible to participate in this one?
4. What are the criteria?
5. Are we requiring them to take classes and courses?
6. Is this one-time thing?
7. Is this for a year?
8. Who picked the population?

Benefits Protection

9. Does this impact benefits they already receive?
10. Will this (session) be centralized so it is a one-stop shop, and can this be taken advantage of instead setting them up for failure?

Financial Literacy

11. How would they use the money?
12. How would they know how to maximize the money or what best works for them in using the money?

Enrollment

13. Where do they apply?
14. Is there any prescreening?
15. How are we rolling it out?
16. When does it start?

Program Outcomes

17. Are we looking at readiness to move from benefits?
18. What is the goal for this money?
19. How does success look like after having this money?

Miscellaneous

20. Is this the same program Concord is doing? Is this a collaboration?

Workforce Development Board | May 13, 2025

Eligibility Criteria

1. How do you qualify for the plan?
2. What is the eligibility for the payment plan?
3. Does it only have to be for people who are only employed?
4. What does engagement mean?
5. Are Welfare-to-Work clients who are in subsidized employment program eligible?
6. Are clients who receive housing eligible?

Program Implementation

7. What is the timeline for launching?

Benefits Protection

8. Is this income going to impact their CalWORKs and CalFresh?
9. How much (private funding) is targeted to raise so it won't impact CalFresh?
10. Is there a minimum percentage of the direct payment that needs to be private funding for CalFresh?

Head Start Policy Council | May 21, 2025

Selection Process

1. Why are we picking people in a lottery instead of based on need?

Benefits Protection

2. How will this impact cash aid and food stamps?

Population: Probation Clients

AB 109 Realignment CAB | May 8, 2025

Eligibility Criteria

1. What will Ohio Risk Assessment System (ORAS) results need to be to meet eligibility criteria?

Enrollment

2. Will enrollment happen on an ongoing basis? What happens when people drop off?

Payments

3. Will payment options be participants' choice?
4. What will happen to payments if a participant is arrested?

Population: Low-Income, Housing Insecure Older Adults

Advisory Council on Aging | April 16, 2025

Funding

1. Where is the funding for this project coming from?

2. Can there be additional funds allocated so that more seniors can be served?

Program Intent

3. For younger people, a short-term intervention can help with future income – they can get a job. What about seniors who cannot change their circumstances?
4. What is the intention of the BOS for the long-term?

Program Outreach

5. How will the community learn about this project? Antioch always seems to be ignored.

Contra Costa Thrives: Pilot Implementation Plan for Measure X-Funded Populations
By Rachel Rosekind, PhD, MLIS
December 18, 2024

Introduction

Contra Costa Thrives (CCT) centers the U.S. Partnership on Mobility from Poverty's emphasis on increased income and assets, agency, and a sense of connection and community belonging. The pilot's targeted implementation aspires to a universal goal: **All residents should have the resources and opportunities they need to thrive**.

Many Contra Costa residents lack sufficient and flexible financial resources to sustain themselves and their families and are forced to hierarchize basic needs and navigate scarcity. Guaranteed income offers a pathway for local governments to directly support and invest equitably in residents so they can achieve greater economic security and access more opportunities to thrive.

Trust-building is a cornerstone of the guaranteed income movement, and intangible yet invaluable assets like trust and credibility are essential to providing relevant assistance to disfranchised populations and critical resources in disinvested places. Nationwide pilot implementation has elevated the importance of trust in successful outreach, administration, and evaluation. In recognition and response, CCT centers participant agency as a fundamental design principle. At every opportunity, the pilot should ensure that participants can make choices that align with their needs, circumstances, and goals. For example, as described in the relevant section below, CCT will offer participants choice with regard to payment structure, enrollment in services and supports, and participation in evaluation activities—the latter will be explicitly consent-based and incentive-driven.

Contra Costa Thrives will strengthen our county safety net by amplifying and supplementing existing services and benefits. It will also advance and deepen the County's commitment to building a more inclusive and equitable community. Both of these principles are infused into the design outlined in this proposal.

Note that this proposal provides design, implementation, and evaluation recommendations for the pilot program funded through Measure X dollars. We expect the AB 109-funded pilot will have a different discovery process, solicitation of input, and timeline and that it will be developed in consultation with local experts and regional leaders in reentry-focused pilots alongside impacted residents.

Proposal outline

The following items are delineated in this proposal:

1. Goals
2. Intended outcomes
3. Priority populations and eligibility criteria
4. Participant selection
5. Payment amount
6. Duration
7. Payment disbursement and cadence
8. Launch
9. Application and enrollment
10. Eligibility verification
11. Benefits counseling and protection
12. Supportive services and referral pathways
13. Evaluation: Metrics and methods
14. Pilot partners
15. Request for proposals: Structure and review
16. Pilot partners and responsibilities
    - Implementation partner
    - Payment disbursement partner
    - Research partner
17. Budget

1. Goals

Contra Costa Thrives will:

- Alleviate financial hardship and economic volatility by providing an income floor to participants for a sustained period of time
- Promote pathways for economic and social mobility and resilience at the individual, family, and community level to ensure diversity does not mean disparity in Contra Costa
- Increase assets and opportunities for vulnerable, impacted, and minoritized populations to build generational wealth
- Provide flexible resources that fill in the gaps of existing public assistance programs and reveal new ways to continuously improve the local safety net
- Contribute to the field of practice to move guaranteed income from pilot to policy

2. Intended outcomes

The evaluation of Contra Costa Thrives will assess how guaranteed income impacts:

- The self-sufficiency of program participants, including housing stability, financial security, and food security
- The financial health and resiliency of participants, including savings, debt reduction, etc.
- Participant well-being, such as mental health, physical health, and social connectedness
- Education and/or employment status
- Emergency services utilization

3. Priority populations

Our final recommendation for priority populations uplifts guaranteed income as an upstream investment and fuses findings and promising pathways gleaned from nationwide pilots and extensive local data on economic needs, circumstances, and disparities. Contra Costa Thrives will provide unconditional, unrestricted cash payments to populations where small investments at critical life stages or thresholds can make large differences in promoting stability and positive outcomes. The selected populations are:

- Youth transitioning out of foster care
- Seniors, defined as people aged 55 and up
- Families experiencing significant financial hardship with children ages 0–6. Families are defined as a parental/custodial caregiver for at least one child aged six or under at the time of application.

The number of participants belonging to each population will be percentage-based (e.g., ⅓, ⅓, ⅓) or systemically-informed (e.g., all individuals exiting foster care during a specific time period). This can be iterative and informed by subsequent discussion and refinement of pilot design.

Contra Costa Thrives is an income-based pilot. To be eligible for participation, members of the three named populations must show proof of income at or below 250% of the Federal Poverty Level (FPL). This threshold is generally consistent with other pilot programs' definitions of low- to moderate-income and similar to the Department of Treasury classification of COVID-impacted individuals and congruent with the County's recent expansion of the Basic Healthcare Plan to 300% FPL.

This criteria ensures the inclusion of individuals who have been and continue to be excluded from collective prosperity, public benefits, or other avenues of support. It realistically assesses and addresses the extent and severity of economic hardship among residents and deliberately includes households earning above common benefits thresholds. These individuals' incomes (or assets) render them ineligible for public support but are not high enough to afford essentials in the communities where they live. They are thus forced to make excruciating tradeoffs that often pit one basic need against another and routinely struggle with the reality that the costs of essentials are increasing faster than inflation. For many households, a small, reliable infusion of financial support, even for a limited amount of time, can make the difference between stability and vulnerability.

Additional baseline eligibility criteria for all participants:

- Must be residents of Contra Costa at time of enrollment
- Cannot be concurrently participating in another GI program at time of enrollment

To be eligible to participate in CCT, participants do **not** have to be enrolled in public benefits programs. Public benefits programs are an essential feature of our social safety net. They are also a complex maze of often-conflicting and stringent eligibility and reporting requirements that obstruct access, equity, and dignity. Guaranteed income is a distinct platform and program to support self-determination, pathways to long-term thriving, and trust. It is designed to relieve tension between short-term well-being and long-term goals and provide an expectation that progress will be supported and sustained, not penalized (i.e., via the benefits cliff or abrupt termination of benefits due to a reporting lapse).

As detailed in the report *Implementing Guaranteed Income in Contra Costa*, we recognize housing instability as a primary barrier and basic need in the county. Thus, we recommend using this container as a component of outreach, referrals, and, possibly, eligibility criteria. Regarding the latter, even if not applied explicitly, we believe that the proposed income threshold captures individuals who are significantly impacted by the costs of living in this area and experience unsustainably high housing burdens which place them at disproportionate risk for eviction, homelessness, or displacement.

Contra Costa County has many housing-focused resources and programs to inform CCT's outreach, recruitment, and selection. These include the Coordinated Entry system, the community queue, HousingWORKS!, and our robust network of direct service providers and community partners. Additionally, some Continuum of Care programs may serve as touchpoints to generate a pilot population or eligibility pool from which to randomly select participants, e.g., direct cash support could be used as prevention/diversion and/or additive to support a smooth transition from rapid rehousing to permanent housing.

Contra Costa Thrives can thus be a potent preventative measure to maintain the diversity of our resident population and ensure more equitable and inclusive economic prosperity and supports. This strategy mitigates potential downstream consequences, ranging from emergency services utilization to other negative outcomes related to housing and economic insecurity. We use the following criteria to define literally homeless and housing unstable applicants: (1) living permanently with others without being responsible for rent or mortgage, (2) moving frequently from place to place (i.e., short-term unpredictable stays with others or in hotels/motels), or (3) having recently exited an institution (e.g., jail, foster home, substance use facility, etc.) without stable housing at this time.

Youth transitioning out of foster care

Former foster youth are particularly well-positioned to benefit from a steady stream of financial support. A period of 18 months is enough time to pursue an apprenticeship, finish college, or find housing. Because only a relatively small number of foster youth age out of the system each year in Contra Costa, this pilot could be universally available to a cohort, or structured to prioritize those who are unstably housed, particularly since we know that the housing resources available to youth and young adults in Contra Costa are both absolutely and comparatively few. For reference, the average foster youth exit per year in Contra Costa County from 2014–2023 was 74 individuals. It may also be advisable to use the county's Foster Youth for Independence (FYI) voucher program as a population pool.

Seniors, ages 55 and up

Seniors are a growing population in Contra Costa and overly represented among those experiencing economic hardship and housing instability (e.g., 58% of Contra Costa's seniors are rent-burdened). In recognition of this trend, the California Department of Social Services is currently exploring a small-scale GI pilot focused on seniors, with a projected budget of $5 million. We have chosen seniors, and specifically ages 55 and up, as CCT's eligibility threshold for the following reasons:

- Older adults experiencing chronic economic hardship and/or housing instability have health issues similar to those 20 years older in the general population, including age-related health problems and functional impairments.
- Older adults over the age of 50 experience longer episodes of homelessness compared to younger adults, with many facing barriers such as high housing costs, long waitlists for affordable housing, and discrimination.
- Very few programs serve adults ages 55-62, so there is a distinct benefits gap for this group.

Families with children ages 0–6

The county's high costs of housing, childcare, and other basic needs renders many Contra Costa families financially strapped and chronically stressed. This pervasive insecurity has a spillover effect on children's lives, imperiling their physical health, academic success, and emotional well-being. It is also reflected in the increased numbers of families experiencing homelessness and housing instability. A preponderance of research demonstrates the value of early intervention in promoting health and well-being and the present and future costs—both individual and societal—that accrue with childhood and neighborhood poverty. These related research areas are at the core of a larger movement to advance dual-generation policy design, systems reform, and outcomes evaluation, of which this pilot is a part.

4. Participant selection

A randomized selection process promotes a sense of fairness and equity when vast need is balanced against limited resources, as is the case with Contra Costa Thrives. A lottery system minimizes bias and potential for corruption, both of which could jeopardize resident trust. Randomization also allows researchers to draw conclusions about how the program affects low-income people from diverse backgrounds.

It is possible to implement a tier system, whereby a higher proportion of slots could be devoted to people at lower income levels. We could also allocate a specific number of slots to lottery selection and a set number to direct referrals. Referral examples include H3, TAY- or senior-serving agencies, etc. These specifics can be worked out as the plan is developed and the launch phase is put into motion.

5. Payment amount

Contra Costa Thrives will provide participants with $18,000 over the course of the 18- month pilot, averaging out to $1,000/month. (Note: participants may choose a payment structure that is best for them, as described in a subsequent section). This payment amount has been shown to be a best practice to promote sustained outcomes. The City and County of Alameda, the City and County of Los Angeles, San Mateo County, and Santa Clara County have all implemented pilots using this payment amount. Evaluations from these and other programs evidence the enduring and generational impacts derived from this level of support. We estimate that the allocated sum of $3.25 million in Measure X dollars will support approximately 150 households (see financial modeling in "Budget" section below).

6. Duration

We recommend a program duration of 18 months. Both the recommended payment amount ($1,000 a month, with participant payment structure choice) and duration will afford participating residents an opportunity to create a financial floor that helps them and their families meet present needs while they plan for a better future. When cash payments are provided for 12 months or less, participants are more likely to use the funds for short-term gains or to merely cover basic needs. Knowing that cash payments will continue for a longer period of time allows participants to think about their future and plan proactively. Evidence from other pilots shows that a disbursement period of 18 months or longer encourages and enables people to set aside savings and/or invest in opportunities like further education or training. Our recommendation is aligned with this evidentiary base and best practices in the field.

7. Payment disbursement and cadence

The cash disbursement method/mechanism and payment timing are critical aspects of pilot design. The means through which participants receive their payments must be as accessible as possible, e.g., some participants may be unbanked, in which case direct deposit is not an option, and check issuance can incur check cashing service fees. Prepaid debit cards are an excellent option, whereas some participants may prefer direct deposit, if they have bank accounts, or elect to open one during the pilot. Many payment disbursement partners are knowledgeable about the benefits and downsides of specific disbursement methods/mechanisms and equipped to provide multiple options to participants.

We recommend that payment disbursement take place on the 15th of the month in line with input from participants that many benefits issued at the beginning of the month have dried up by this time.

Since this pilot's objective is to intervene at a critical life threshold or moment of transition, an upfront lump sum may cover costs to foster initial stability, like a security deposit. Alternately, tapered payments toward the end of the program may give participants time to adjust to and budget for the loss of income from GI payments. The selected payment disbursement partner should be capable of flexing payments to participant choice. As an example scenario, the new cohort of In Her Hands (GA) incorporated participant payment choice, i.e., participants can choose between a standard monthly payment of $1000/month or monthly payments of $800 and a large one-time lump sum payment of $8,000. They can also select the timing for receiving

the lump sum. We recommend that the same flexibility and agency is offered to CCT participants.

8. Launch

The launch phase includes a communications campaign to publicize the pilot, reach priority populations, and ensure accessibility and language access. Over a proposed six-month period, pilot partners, county stakeholders, and community-based agencies will conduct outreach to potential participants, determine eligibility through simple self-attestation, enroll participants, and offer optional or mandatory benefits counseling. (Note: There are varying opinions on mandatory v. optional. Our recommendation is to make benefits counseling mandatory for all participants–see justification in "Benefits counseling and protection").

EHSD will perform outreach to and coordination with community partners who can:

- Share information about the pilot opportunity and selection process with their resident base and professional networks
- Provide on-site and remote application assistance
- Ensure language access and equitable geographical representation

Because Contra Costa Thrives is a relatively small pilot, we recommend that outreach and enrollment be driven by strong partnerships with community agencies connected to the priority populations. Robust and targeted outreach will ensure that all priority populations are informed about the pilot opportunity *and* about the mechanics of the selection process.

9. Application and enrollment

Contra Costa Thrives is designed to reduce existing barriers to receiving traditional public benefits. To that end, the application (and surrounding process) should be structured to be as accessible as possible. For example, it should take a minimal amount of time to complete the application, and required information should be streamlined to simplify the process and reduce administrative needs. Applicants should be permitted to provide self-attestation of eligibility with deferred document verification (see "Eligibility verification" section for further details).

The application should be mobile-friendly; offer a password-less login that relies on applicants to authenticate themselves by putting in their email or phone number, receiving a code, then entering code to access their application; and permit applicants to save submitted information and return to their application if necessary or upload additional documents.

The baseline survey for all participants should include the necessary enrollment information for the CCT program along with the demographics of an applicant's household, income, education, employment status, renter or homeownership status, benefits, and other income sources.

Application support will be a critical component of pilot success and an effective and efficient launch. We highly encourage the convening of in-person events and on-site assistance for applicants. In-person help has been found to be especially important for older people.

10. Eligibility verification

A variety of admissible verification documents will enable households with a more complex identity or income profile to participate. Enrollment in benefits programs can be furnished as proof of eligibility (Note: the City of Chicago allowed the benefits receipt or letter to be up to 12 months old). In Chicago, nearly one in five (18%) of applicants used public benefits to verify their eligibility, attesting to the importance of meeting applicants where they are in terms of what they have available. Chicago accepted 20 forms of documentation to verify across identity, residency, and household income. For example, a local housing authority ID was accepted as proof after a negotiated data agreement with the authority ensured that the IDs could be cross-checked w/administration for residence and income verification.

See Appendix B for a list of the documents Chicago accepted for eligibility verification.

11. Benefits counseling and protection

We recommend that all participants be **required** to participate in a counseling session to identify potential/estimated impacts of the pilot payments on public benefits. The information provided during this session will allow participants to make an informed decision and provide informed consent.

Because some participants' benefits may be impacted by enrollment in the pilot, we recommend the creation of a Hold Harmless fund, which could be used, as needed, to cover gaps and hardships experienced by participants as a result of termination or suspension of social safety net benefits, e.g., Section 8 vouchers, if faced with an increase in shared cost for rent.

Please refer to Appendix A: Benefit Impacts for Recipients of the CDSS Guaranteed Income Pilot Program.

12. Supportive services and referral pathways

Supportive services, navigation, and referrals during and after the pilot enhance participants' agency, self-sufficiency, and connectedness. They also provide additional stability mechanisms that help advance participants' goals after the pilot ends. These resources can take various forms, e.g., referrals to government social safety net programs, housing and employment assistance, financial coaching, etc. Incorporating peer mentorship can provide holistic and relevant support for participants who've faced significant trauma and systemic barriers. Lastly, public benefits education that is "wrapped into" the pilot has the capacity to build more interest, trust, and opt-in to Contra Costa's social safety net programs.

All resources, services, and referral pathways are offered as **opt-in**, meaning that participation is not required and that pilot participants continue to receive the guaranteed income cash payments regardless of their decision to utilize additional supports and services. This is both a best practice in the field, including among our regional leaders, and supported by high uptake rates when participants are offered services in ways that honor their agency and dignity.

13. Evaluation metrics and methods

We propose to use the same set of evaluation parameters for all three priority populations (defined in the "Intended outcomes" section above, to be potentially supplemented and/or modified in subsequent discussions with the research partner and other stakeholders). Although we understand that the priority populations may have varying contexts, goals, and needs, their underlying similarities and shared vulnerabilities can serve as a meaningful baseline to measure and quantify improvements and compare outcomes across groups.

Pilot evaluations communicate both the individual outcomes and collective benefits derived from unrestricted, unconditional cash support. Varying survey instruments allow for data to be captured on participant- and family-level outcomes. These gauge quantitative effects, e.g., impact on housing burden or ability to pay bills on time, along with those that are more nuanced, aspirational, or affective, such as hope, belonging, and goal-setting.

We particularly want to elevate the criticality of capturing qualitative data to reflect the lived experience of pilot participants. As reflected in the US Partnership on Mobility from Poverty model, evaluated indicators should account for the ways in which guaranteed income affects feelings of self-determination, agency, and community connectedness. Checkpoint surveys will pose questions about participants' income, benefits and other income sources, employment, food insecurity, housing status and security, child well-being, and mental health. A storytelling

cohort may also be created for participants who wish to share their experience more broadly and/or speak with external stakeholders to help shape the narrative about guaranteed income.

We highlight the integration of an equity lens into the evaluation process and product. The first principle of the Equitable Evaluation Framework requires that all evaluative work should be in service to equity and that the "production, consumption, and management of evaluation and evaluative work should hold at its core a responsibility to advance progress towards equity." Obtaining consent to participate in any research endeavor—and not penalizing them or denying the intervention if they refuse to consent—is a key means of elevating equity and agency in the research process.

Evaluation data gathered from CCT should help foster more authentic and inclusive narratives about economic security, social well-being, and resource distribution. Too often, delivery of public benefits programs and services reinforces stigma and social and economic distinctions. Qualitative data collected through the evaluation will help us improve delivery from the perspective of those who are the beneficiaries and may help to shift some of the harmful narratives around deservedness and dignity.

Contra Costa Thrives is part of a larger project to strengthen our county's social safety net. As such, the evaluation should be conducted so that pilot findings can present avenues where policy and programmatic changes could institutionalize some of the strongest benefits to **all** residents. Specifically, we hope that evaluation questions and results will generate ways to expand accessibility and reduce barriers to public benefits and resources as well as suggest opportunities to reimagine and widen our safety net. This expectation is in line with the recognition that while the number of residents who will be directly impacted by this pilot is relatively small compared to the number of those who would be eligible for it and deserve support, the evaluation should have significant and sustained influence on future program design, policy decisions, and fiscal allocations.

To keep evaluation costs low and to cost-effectively measure improvements and impact, we advise the use of administrative data as appropriate and available, such as tax, health, or census data. For example, data already collected by agencies on child welfare outcomes (i.e., through the Berkeley California Child Welfare Indicators Project and California Department of Social Services) provides accessible current and historical information dating back to 2015 on education, employment, housing arrangements, and other indicators that are congruent with research areas of interest to guaranteed income pilots.

14. Pilot partners

Pilot partners include Contra Costa County's Employment and Human Services Department and contracted entities responsible for implementation, payment disbursement, and evaluation.

Partners are as follows—scope of work and responsibilities are detailed in a subsequent section:

- Government sponsor: County staff will anchor the pilot and provide programmatic oversight and RFP/grants administration and coordinate outreach and evaluation.
- Implementation partner(s): A community agency or agencies with existing ties to the priority population(s) will be responsible for administering the program.
- Payment disbursement partner: This entity is responsible for distributing payments to pilot participants and other duties.
- Research partner: Firms range from university-based research centers to smaller organizations specializing in community data gathering. Some pilots may blend the two: layering a larger institutional evaluation with a community-based research approach.

15. Request for Proposals: Structure and review

We recognize that there are several ways the pilot could be implemented, particularly based on the delineation of three separate priority populations. We offer two possible scenarios for consideration below, both of which could be included in the formal Request for Proposals:

Option One

- Three implementing organizations with expertise in and aligned with each priority population: youth transitioning out of foster care, seniors aged 55 and up, and families experiencing significant financial hardship with children ages 0–6.
- One payment disbursement partner (who can provide participant choice and flexibility in payment amounts and cadence)
- One research partner

Option Two

- One overseeing implementing organization that has strong community relationships and capacity to hold the program and convene a consortium of agencies with deep experience working with one or more of the three priority populations
- One payment disbursement partner (who can provide participant choice and flexibility in payment amounts and cadence)
- One research partner

To ensure transparent and equitable review of submissions, we highlight the importance of creating and communicating evaluation rubrics and processes that align with the pilot's core values and goals. We expect to co-create these in the next phase of work.

16. Pilot partners and responsibilities

All pilot partners should possess the following skills and commitments:

- Skill at facilitation of inclusive, participatory, and transparent processes.
- Capacity to equitably serve underserved and marginalized communities, including identities related to race, ethnicity, immigration status, disability status, gender identity or expression, and sexual orientation.
- Ease and clarity presenting and engaging in discussion with various stakeholder groups, including participants, multidisciplinary workgroups, and boards and commissions.
- A deep and evolving commitment to exploring principles of diversity, equity, inclusion, and belonging and specific practices that support this commitment.
- A strengths-based approach to working with vulnerable populations, including evidence of reaching hard-to-reach individuals and prospective strategy for this context.
- Deep understanding of the unique and intersectional challenges faced in different communities, particularly those who are hardest to reach.
- Expertise with multiple languages.
- Staff should be trained on racial equity, cultural competence, trauma-informed care, working with diverse populations, and any other related principles/practices necessary to serving clients under the agreement.

Implementation partner

Organizations are highly encouraged to leverage partnerships to capitalize on the expertise of peer organizations. Proposals can be collaborative, and consortiums that jointly build a wide safety net of support services and resources for participants are highly encouraged. Collaboration can manifest in a variety of ways, including but not limited to:
(1) Single agency: Agency manages all aspects of the program, providing one or more supportive services;
(2) Partnership for participant referrals: Primary agency manages all aspects of the program and provides supportive services. Secondary agency or a public system of care provides primary agency with participant referrals;

(3) Consortium: Lead agency manages core program aspects, including design, recruitment, cash disbursement, and reporting, and partner agencies provide a range of support services and/or backend support, e.g., accounting.

Scope of work includes (some tasks may be subcontracted or provided in-kind by agencies other than the implementation partner):

- Collaborate with the County to educate residents and priority populations about the pilot and publicize application's availability.
- Partner with front-line social services, nonprofit, faith-based, and other organizations, and conduct focused outreach within communities that include, and/or intersect with the priority populations.
- Support research partner and County staff in development of an online application (that is accessible to a broad audience and include translation into numerous languages).
- Work with County staff to identify physical locations where computer access may be provided during the application period (e.g., County Library branches, senior centers, and other physical locations of community organizations).
- Organize and facilitate recruitment, application, selection, and enrollment process (selection is in collaboration with the research partner)
- Coordinate with research partner to ensure application target is reached.
- Provide onboarding process with verification of applicants' information to align with program criteria and off-boarding at the conclusion of the pilot.
- Conduct a series of orientation sessions that provides a programmatic overview of the pilot and walks participants through paperwork and other elements of onboarding.
- Assist applicants in completing any necessary documentation to be considered as a participant or to participate in the pilot.
- Ensure complete and active consent of pilot participants.
- Work with research partner to ensure pilot design meets all Institutional Review Board requirements.
- Subcontract with additional agencies as needed to provide participants with supportive services and opportunities.
- Provide or coordinate contracting to provide benefits counseling to all participants at the beginning, end, and as needed over the course of the pilot to ensure participants understand how receiving GI will impact benefits they receive, including but not limited to: childcare subsidies, Supplemental Security Income, Social Security Disability Insurance, Medicare, Medicaid, food and housing assistance, and other public benefits.
- Help participants re-enroll in benefits as necessary at the end of the pilot period, and offer available "off-boarding" benefits counseling for at the conclusion of the payment period.

- Based on needs and contexts relevant to each priority population, identify and coordinate optional wrap-around services for program participants.
- Lead effort to create and maintain a website and/or portal to promote the program and serve as a live public dashboard for performance metrics. This website should be compatible with mobile communications devices, and content should be made available in multiple languages.
- Coordinate with payment disbursement partner to help administer funds to participants over the course of the program.
- If the County opts to create a Hold Harmless Fund, the implementation partner will be responsible for coordinating payments to participants.
- In collaboration with the County and payment disbursement partner, troubleshoot any issues that arise regarding participants' payments.
- Identify a cohort of participants who are willing to share their stories and amplify their experiences as recipients of guaranteed income.
- Work with County staff and other pilot partners on communication and advocacy efforts.
- Serve as liaison between the County, pilot participants, and other partners.

Payment disbursement partner

Scope of work includes:

- Securely and efficiently disburse guaranteed income payments according to participants' chosen payment structure.
- Support payment options that ensure inclusion of undocumented and unbanked residents.
- Collect participant data in a secure and reliable way (anonymized spending data to be shared on website and/or included in evaluation report).
- Provide robust customer service support via telephone, text messaging, email, and/or online chat. Support will be available at a minimum in English and Spanish.
- Develop orientation videos and written materials in multiple languages to ensure participants understand their payment disbursement schedule, how they will receive money, how to obtain technical assistance, and other key information.
- Guide participants in opening checking and savings accounts and/or refer them to reputable banking institutions if they wish to establish bank accounts.
- Provide clear and understandable instructions for participants to get the funds from the pre-paid debit card deposited into a bank account.
- Provide ongoing training, troubleshooting, and technical support to participants throughout the duration of the program. Topics may include enrollment, disbursement

issues, system usage, lost or stolen cards, accessing support, and methods of disbursements/payments.
- Respond in a timely manner to requests from County, partners, and participants for support to resolve participant concerns/issues.

Research partner

The research partner's role will be refined via continued collaboration with County and community partners. Pilot participants will be evaluated throughout the pilot and extending approximately 12 months after the last payment. Evaluation efforts will track both quantitative and qualitative metrics and help inform local policy making and, more broadly, GI's potential as an anti-poverty policy tool.

Scope of work includes:

- In collaboration with other partners, design the pilot's research component to evaluate how guaranteed income: (1) contributes to creating financial stability and improving other indicators of health and well-being and (2) broadens understanding of the scope and nature of economic hardship and intersectionality in Contra Costa County.
- Collaborate with pilot partners to develop an online application enrollment process that is as accessible as possible (across populations, platforms, languages, etc.).
- Work with implementation partner to complete participant selection.
- Create and maintain an online dashboard showing anonymized participant demographic and spending data.
- Provide training, as needed, for additional contracted researchers on confidentiality, informed consent, and semi-structured interviewing techniques.
- Employ a combination of well-established and innovative quantitative qualitative methods to capture participant experience and reflect different dimensions of their lives and experiences.
- Design and execute mixed-methods (quantitative and qualitative) research customized to the pilot's income eligibility guidelines and research questions.
- Attend pilot partner meetings, as needed, to discuss the direction, development, and implementation, including recommendations on evaluation metrics to be used by the research partner.
- Develop, in collaboration with the County and community partners, additional research questions and analysis that gauge the pilot's potential effects on participant's mental health, public health, and overall well-being.
- Obtain any necessary Institutional Review Board (IRB) approval for the research study.

- Provide incentives to participants to complete a survey every six months during pilot and 6- and 12-months post-pilot (for a total of five checkpoints).
- Analyze data in accordance with research plan to determine outcomes and trends and produce evaluation reports documenting learning related to research questions after the 6, 12, 18, 24, and 30-month surveys, or as recommended by research partner.
- Provide reports on the qualitative and quantitative analysis of data collected and a final report written for a wide audience, including key findings and graphics.
- Present findings to the Board of Supervisors, other boards or commissions, and/or community partners and other stakeholders as requested.
- Community-based researchers offer unique and often invaluable insights. To ensure community voice and participation in the implementation and evaluation of Contra Costa Thrives, we recommend that the research partner incorporate community-based researchers into their evaluation plan.

17. Budget

A total allocation of $3.25 million from Measure X will be used to fund Contra Costa Thrives. Of this amount:

- 10% ($325,000) will support EHSD to perform and coordinate community outreach, administer RFP/grants administration, and conduct evaluations
- $2,925,000 will support pilot implementation, direct cash payments, payment disbursement partner, survey stipends, and other program needs.

EXPENDITURE	**COST**
Direct payments of $1,000/month to approximately 150 residents for 18 months	$2,700,000
EHSD administration costs	$325,000
Pilot implementation, payment disbursement partner, survey stipends, and other programmatic needs, as determined by the implementation partner	$225,000
TOTAL BUDGET	**$3,250,000**

File #: 25-2800 **Agenda Date:** 7/8/2025 **Agenda #:** D.2.

To: Board of Supervisors

From: Monica Nino, County Administrator

Report Title: FOLLOW UP DISCUSSION ON THE USE OF COVID-19 FEMA RESERVE FUNDS, INCLUDING FUNDING FOR COMMUNITY ENGAGEMENT PROCESSES

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:

1. ALLOCATE funding to each Supervisorial District office to conduct community engagement processes related to the allocation of former COVID-19 FEMA Reserve funds appropriated as Appropriation for Contingencies within the General Fund in fiscal year 2025-26;

2. DETERMINE a date to return to the Board for further discussion about the allocation of funds; and

3. RECEIVE update on outstanding allocations of rapid rehousing, food insecurity and rental assistance.

FISCAL IMPACT:

On June 24, 2025, the Board indicated a desire to allocate $1 million per District from COVID-19 FEMA Reserve funds (now General Fund Appropriation for Contingencies) for direction by each District Supervisor following a community engagement process within each Supervisorial District.

Today's action is seeking allocation of funds for each Supervisorial District to conduct community engagement processes to collect community feedback on the potential allocation of COVID-19 FEMA Reserve funds.

BACKGROUND:

Establishment of the COVID-19 FEMA Reserve

On April 22, 2024 <https://contra-costa.legistar.com/LegislationDetail.aspx?ID=6639234&GUID=5C143422-E0CD-4C15-8BD0-36C645A7A9A6&Options=ID%7CText%7C&Search=FEMA&FullText=1>, the Board of Supervisors directed the County Administrator to claim $37,544,395 in remaining American Rescue Plan Act (ARPA), Coronavirus State and Local Fiscal Recovery Funds (CSLFRF) to offset a portion of the General Fund subsidy to the Hospital Enterprise Fund in FY23-24. In addition, the Board directed the County Administrator to take the following actions:

1. Include a General Fund Assigned Reserve designation in a like amount at the conclusion of FY23-24 in

recognition of FEMA claims that have not yet been obligated or received and to return to the Board at least annually with an update as to the status of COVID-19 era FEMA Public Assistance program claims; and

2. At that time the Board would make determinations as to whether the General Fund Assigned Reserve designation amount should be reduced based on additional revenue received from FEMA.

On April 30, 2024, the County Administrator's Office processed the final CSLFRF claim in the amount of $37,544,395 as directed by the Board and subsequently reported the transaction in the next quarterly report to the United States Treasury Department effectively concluding the County's ARPA CSLFRF program.

On June 4, 2024 <https://contra-costa.legistar.com/LegislationDetail.aspx?ID=6710249&GUID=5271BE5F-4693-4317-BFDD-C612A4C0B957&Options=ID|Text|&Search=FEMA>, the Board authorized a second transaction to draw the full balance of the ARPA Local Assistance and Tribal Consistency Fund (LATCF) in the amount of $100,000 and similarly allocate a like amount to General Fund Assigned Reserve status.

On September 24, 2024 <https://contra-costa.legistar.com/LegislationDetail.aspx?ID=6869480&GUID=4302899F-FFF5-4CA4-9F52-1AF888B7FDAF&Options=ID%7CText%7C&Search=FEMA&FullText=1>, the Board of Supervisors approved the FY24-25 Adopted Budget as Finally Determined, which includes mandatory schedules outlined in the County Budget Act. *Schedule A, titled "Detail of Provisions for Obligated Fund Balances for Fiscal Year 2024-2025 Final Budgets <https://contra-costa.legistar.com/View.ashx?M=F&ID=13319952&GUID=E180B601-6361-453C-8367-36097CE1ACEE>"* includes a provision for the combined $37,644,395 General Fund Assigned Fund Balance (henceforth referred to as the "COVID-19 FEMA Reserve"), in compliance with the direction from the Board on April 22,2024 and June 4, 2024 as outlined above.

FY23-24 Single Audit Review Process

In Winter 2025, the County's external auditor, Macia, Gini & O'Connell (MGO) selected the County's CSLFRF program for examination as part of the County's annual Single Audit process required by 2 C.F.R. § 200 (2024) <https://www.ecfr.gov/current/title-2/subtitle-A/chapter-II/part-200>. On March 28, 2025, the Single Audit Report was released with no findings related to the CSLFRF program, including the final claim transaction of $37,544,395.

Year 1 COVID-19 FEMA Reserve Report

In compliance with the Board's direction from April 22, 2024, the County Administrator returned to the Board of Supervisors on April 28, 2025 to provide a Year 1 report on the status of COVID-19 era FEMA Public Assistance program claims. The report was integrated into the FY25-26 budget hearing process.

Specifically, the County Administrator' s report indicated that, as of April 21, 2025, the County had received $74,003,942, or 89.7% of anticipated COVID-19 FEMA Public Assistance funding across 20 of 23 applications for reimbursement. Of the three (3) projects that the County had not yet received funding for, the California Office of Emergency Services (CalOES) and FEMA had already approved the County's full funding request and the payments were being processed.

Below is a complete reconciliation of projects as provided to the Board at the April 28, 2025 presentation:

= Paid; Project Closed Out = Paid; Pending Closeout = Pending Payment = Pending Payment; Project Closed Out

Based on this status report, the County Administrator recommended to the Board that up to $20,971,026 be reclassified from Assigned fund balance to Unassigned fund balance at the conclusion of FY24-25.

This figure was derived from a calculation taking into account three specific factors:

1. The amount outstanding related to COVID-19 FEMA Public Assistance claim payments not yet received totaling $8,177,747;

2. Retention of 10% of the County's total obligated COVID-19 FEMA claims in case of future audit totaling $8,218,169; and

3. $277,453 related to the County's share of Fair Market Value (FMV) costs related to capital assets procured as part of the County's COVID-19 response efforts.

The table below provides a reconciliation between the original COVID-19 FEMA Reserve amount and the proposed amount for FY25-26:

COVID-19 FEMA General Fund Reserve Calculation		
FY24-25 Beginning Balance ("Assigned" Fund Balance)	**$**	**37,644,395**
Less:		
FEMA Payments Outstanding	$	8,177,747
10% Audit Reserve (3 Years Post Closeout; FY28-29)	$	8,218,169
Project 698619 - County Fair Market Value Share	$	271,453
Project 731586 - County Fair Market Value Share	$	6,000
Recommended for Retention as "Assigned" on 6/30/25	**$**	**16,673,369**
Available for Release to "Unassigned" on 6/30/25	**$**	**20,971,026**

Ultimately, the Board directed the County Administrator to continue to return annually to provide similar updates on the status of the COVID-19 FEMA Reserve and to decrease amount held in the COVID-19 FEMA Reserve fund balance by $20,971,026 from $37,644,395 to $16,673,369 for FY25-26.

Allocation of Released COVID-19 FEMA Reserve - $20,971,026

The reduction of the COVID-19 FEMA Reserve in the amount of $20,971,026 effectively reclassifies that funding amount from Assigned General Fund Balance to Unassigned General Fund Balance.

Following that reclassification, and as part of the FY25-26 budget hearings, the Board allocated $6,241,158 of the released funding to support certain programs and designated the remaining $14,729,868 to be appropriated within the General Fund "Appropriation for Contingencies". Appropriations for Contingencies is a unique cost center within the General Fund containing appropriated funds - typically for use in exigent circumstances - and specifically requires a four-fifths (4/5s) vote of the Board for any transfers from that cost center. .

Below is a reconciliation of allocations of the released $20,971,026 COVID-19 FEMA Reserve:

COVID-19 FEMA General Fund Reserve FY25-26 Allocation of Released Funding		
SAFE Center	$	3,500,000
Stand Together CoCo	$	2,341,158
Refugee Resettlement	$	400,000
Appropriation for Contingencies	$	14,729,868
Total	**$**	**20,971,026**

Update on Status of COVID-19 FEMA Public Assistance Program Claims

Since the adoption of the FY25-26 budget, the County has received the remaining three (3) COVID-19 FEMA Public Assistance program claims anticipated during the April 2025 budget hearings along with an additional

allocation related to a testing claim cumulatively totaling $8,171,950. As of this writing, the County has received $82,175,892, or 99.6% of anticipated funding across all 23 reimbursement requests submitted.

The County continues to work with FEMA and CalOES on formal closeout of three (3) projects and anticipate a final payment to the County of approximately $109,844 at conclusion.

Below is a complete reconciliation of COVID-19 FEMA projects as of June 17, 2025 (the latest update available):

Board Direction on June 24, 2025

On June 24, 2025, the Board provided direction on next steps to staff, including:

1. Indicated a desire to allocate $1 million per District from the General Fund Appropriation for Contingencies for direction by each District Supervisor, requested each Supervisor to conduct a community engagement process within their respective Districts and the County Administrator to

provide a webpage to gain public input on allocations specifically for rapid rehousing, food insecurity and rental assistance;

2. The County Administrator's Office should return to the Board on July 8, 2025 with information to assist the Board in making funding allocations to each District office for cost of conducting community outreach, including town hall meetings in each Supervisorial District, regarding the allocation of funds identified in No. 1 above; and
3. The Board and the County Administrator should return to the August 5, 2025 Board meeting to report on the outcomes of the community engagement processes outlined above and determine whether to make further allocations from the General Fund Appropriation for Contingencies in addition to the $5 million previously identified for District allocations.

Subsequent Direction

Following the Board discussion on June 24, 2025, the County Administrator received subsequent feedback about potentially extending the August 5, 2025 return date to a later date in September to allow for a more robust community engagement process and to allow for a better understanding of the outcome of the State and Federal budget processes.

Staff is requesting that the Board provide direction regarding moving the return date to a future date. For reference, the Board has four meetings in September and October:

- September 9th *(September 11th Remembrance*)
- September 16th
- October 7th
- October 21st *(Sheriff's Oversight Report)*

Conclusion

Today's action provides information for the Board to assist in making allocations to cover the costs of conducting community engagement processes and whether to extend the return date to the Board from August to September following subsequent feedback.

Finally, the County Administratrator's Office has worked with the Health Services, Conservation and Development and Employment and Human Services departments to gain preliminary information on the status of outstanding allocations of funding for rapid rehousing, food insecurity and rental assistance as information to support the decision making of the Board.

CONSEQUENCE OF NEGATIVE ACTION:

Should no action be taken today, the Board will not have made any financial allocations to cover the costs of conducting community engagement processes within Supervisorial Districts and the return date to the Board for further discussion will remain August 5, 2025.

To: Board of Supervisors

From: Monica Nino, County Administrator

Report Title: FOLLOW UP DISCUSSION ON THE USE OF COVID-19 FEMA RESERVE FUNDS, INCLUDING FUNDING FOR COMMUNITY ENGAGEMENT PROCESSES

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

---

RECOMMENDATIONS:

1. ALLOCATE funding to each Supervisorial District office to conduct community engagement processes related to the allocation of former COVID-19 FEMA Reserve funds appropriated as Appropriation for Contingencies within the General Fund in fiscal year 2025-26;

2. DETERMINE a date to return to the Board for further discussion about the allocation of funds; and

3. RECEIVE update on outstanding allocations of rapid rehousing, food insecurity and rental assistance.

FISCAL IMPACT:

On June 24, 2025, the Board indicated a desire to allocate $1 million per District from COVID-19 FEMA Reserve funds (now General Fund Appropriation for Contingencies) for direction by each District Supervisor following a community engagement process within each Supervisorial District.

Today's action is seeking allocation of funds for each Supervisorial District to conduct community engagement processes to collect community feedback on the potential allocation of COVID-19 FEMA Reserve funds.

BACKGROUND:

Establishment of the COVID-19 FEMA Reserve

On April 22, 2024, the Board of Supervisors directed the County Administrator to claim $37,544,395 in remaining American Rescue Plan Act (ARPA), Coronavirus State and Local Fiscal Recovery Funds (CSLFRF) to offset a portion of the General Fund subsidy to the Hospital Enterprise Fund in FY23-24. In addition, the Board directed the County Administrator to take the following actions:

1. Include a General Fund Assigned[1] Reserve designation in a like amount at the conclusion of FY23-24 in recognition of FEMA claims that have not yet been obligated or received and to return to the Board at least annually with an update as to the status of COVID-19 era FEMA Public Assistance program claims; and

2. At that time the Board would make determinations as to whether the General Fund Assigned Reserve designation amount should be reduced based on additional revenue received from FEMA.

On April 30, 2024, the County Administrator's Office processed the final CSLFRF claim in the amount of $37,544,395 as directed by the Board and subsequently reported the transaction in the next quarterly report to the United States Treasury Department effectively concluding the County's ARPA CSLFRF program.

On June 4, 2024, the Board authorized a second transaction to draw the full balance of the ARPA Local Assistance and Tribal Consistency Fund (LATCF) in the amount of $100,000 and similarly allocate a like amount to General Fund Assigned Reserve status.

On September 24, 2024, the Board of Supervisors approved the FY24-25 Adopted Budget as Finally Determined, which includes mandatory schedules outlined in the County Budget Act[2]. Schedule A, titled *"Detail of Provisions for Obligated Fund Balances for Fiscal Year 2024-2025 Final Budgets"* includes a provision for the combined $37,644,395 General Fund Assigned Fund Balance (henceforth referred to as the "COVID-19 FEMA Reserve"), in compliance with the direction from the Board on April 22,2024 and June 4, 2024 as outlined above.

FY23-24 Single Audit Review Process

In Winter 2025, the County's external auditor, Macia, Gini & O'Connell (MGO) selected the County's CSLFRF program for examination as part of the County's annual Single Audit process required by 2 C.F.R. § 200 (2024). On March 28, 2025, the Single Audit Report was released with no findings related to the CSLFRF program, including the final claim transaction of $37,544,395.

Year 1 COVID-19 FEMA Reserve Report

In compliance with the Board's direction from April 22, 2024, the County Administrator returned to the Board of Supervisors on April 28, 2025 to provide a Year 1 report on the status of COVID-19 era FEMA Public Assistance program claims. The report was integrated into the FY25-26 budget hearing process.

[1] GASB Statement No. 54 defines five categories of fund balance, each with different levels of constraint: *nonspendable, restricted, committed, assigned, and unassigned*. Among these, the "assigned" fund balance allows for the most discretion by the governing board. It is used to designate funds for specific purposes that do not meet the stricter criteria of the other categories.
[2] Government Code §§ 29000–29144

Specifically, the County Administrator' s report indicated that, as of April 21, 2025, the County had received $74,003,942, or 89.7% of anticipated COVID-19 FEMA Public Assistance funding across 20 of 23 applications for reimbursement. Of the three (3) projects that the County had not yet received funding for, the California Office of Emergency Services (CalOES) and FEMA had already approved the County's full funding request and the payments were being processed.

Below is a complete reconciliation of projects as provided to the Board at the April 28, 2025 presentation:

= Paid; Project Closed Out = Paid; Pending Closeout = Pending Payment = Pending Payment; Project Closed Out

Based on this status report, the County Administrator recommended to the Board that up to $20,971,026 be reclassified from Assigned fund balance to Unassigned fund balance at the conclusion of FY24-25.

This figure was derived from a calculation taking into account three specific factors:

1. The amount outstanding related to COVID-19 FEMA Public Assistance claim payments not yet received totaling $8,177,747;

2. Retention of 10% of the County's total obligated COVID-19 FEMA claims in case of future audit totaling $8,218,169; and

3. $277,453 related to the County's share of Fair Market Value (FMV) costs related to capital assets procured as part of the County's COVID-19 response efforts.[3]

[3] FEMA may reimburse a portion of the fair market value of capital assets (defined as equipment with a useful life over 1-year and with a per unit cost of over $5,000) purchased for disaster response operations, but only the

The table below provides a reconciliation between the original COVID-19 FEMA Reserve amount and the proposed amount for FY25-26:

COVID-19 FEMA General Fund Reserve Calculation		
FY24-25 Beginning Balance ("Assigned" Fund Balance)	**$**	**37,644,395**
Less:		
FEMA Payments Outstanding	$	8,177,747
10% Audit Reserve (3 Years Post Closeout; FY28-29)	$	8,218,169
Project 698619 - County Fair Market Value Share	$	271,453
Project 731586 - County Fair Market Value Share	$	6,000
Recommended for Retention as "Assigned" on 6/30/25	**$**	**16,673,369**
Available for Release to "Unassigned" on 6/30/25	**$**	**20,971,026**

Ultimately, the Board directed the County Administrator to continue to return annually to provide similar updates on the status of the COVID-19 FEMA Reserve and to decrease amount held in the COVID-19 FEMA Reserve fund balance by $20,971,026 from $37,644,395 to $16,673,369 for FY25-26.

Allocation of Released COVID-19 FEMA Reserve - $20,971,026

The reduction of the COVID-19 FEMA Reserve in the amount of $20,971,026 effectively reclassifies that funding amount from Assigned General Fund Balance to Unassigned General Fund Balance.

Following that reclassification, and as part of the FY25-26 budget hearings, the Board allocated $6,241,158 of the released funding to support certain programs and designated the remaining $14,729,868 to be appropriated within the General Fund "Appropriation for Contingencies"[4]. Appropriations for Contingencies is a unique cost center within the General Fund containing appropriated funds – typically for use in exigent circumstances – and specifically requires a four-fifths (4/5s) vote of the Board for any transfers from that cost center. [5].

depreciated cost allocable to the disaster period is eligible. The balance of costs remain the responsibility of the responding entity, in this case, the County.

[4] Government Code § 29084 authorizes the establishment of an appropriation or appropriations for contingencies in such amounts as the board deems sufficient.

[5] Government Code § 29125(a)(2)

Below is a reconciliation of allocations of the released $20,971,026 COVID-19 FEMA Reserve:

COVID-19 FEMA General Fund Reserve FY25-26 Allocation of Released Funding	
SAFE Center	$ 3,500,000
Stand Together CoCo	$ 2,341,158
Refugee Resettlement	$ 400,000
Appropriation for Contingencies	$ 14,729,868
Total	**$ 20,971,026**

Update on Status of COVID-19 FEMA Public Assistance Program Claims

Since the adoption of the FY25-26 budget, the County has received the remaining three (3) COVID-19 FEMA Public Assistance program claims anticipated during the April 2025 budget hearings along with an additional allocation related to a testing claim cumulatively totaling $8,171,950. As of this writing, the County has received $82,175,892, or 99.6% of anticipated funding across all 23 reimbursement requests submitted.

The County continues to work with FEMA and CalOES on formal closeout of three (3) projects and anticipate a final payment to the County of approximately $109,844 at conclusion.

Below is a complete reconciliation of COVID-19 FEMA projects as of June 17, 2025 (the latest update available):

Board Direction on June 24, 2025

On June 24, 2025, the Board provided direction on next steps to staff, including:

1. Indicated a desire to allocate $1 million per District from the General Fund Appropriation for Contingencies for direction by each District Supervisor, requested each Supervisor to conduct a community engagement process within their respective Districts and the County Administrator to provide a webpage to gain public input on allocations specifically for rapid rehousing, food insecurity and rental assistance;

2. The County Administrator's Office should return to the Board on July 8, 2025 with information to assist the Board in making funding allocations to each District office for cost of conducting community outreach, including town hall meetings in each Supervisorial District, regarding the allocation of funds identified in No. 1 above; and

3. The Board and the County Administrator should return to the August 5, 2025 Board meeting to report on the outcomes of the community engagement processes outlined above and determine whether to make further allocations from the General Fund Appropriation for Contingencies in addition to the $5 million previously identified for District allocations.

Subsequent Direction

Following the Board discussion on June 24, 2025, the County Administrator received subsequent feedback about potentially extending the August 5, 2025 return date to a later date in September to allow for a more robust community engagement process and to allow for a better understanding of the outcome of the State and Federal budget processes.

Staff is requesting that the Board provide direction regarding moving the return date to a future date. For reference, the Board has four meetings in September and October:

- September 9th *(September 11th Remembrance*)
- September 16th
- October 7th
- October 21st *(Sheriff's Oversight Report)*

Conclusion

Today's action provides information for the Board to assist in making allocations to cover the costs of conducting community engagement processes and whether to extend the return date to the Board from August to September following subsequent feedback.

Finally, the County Administratrator's Office has worked with the Health Services, Conservation and Development and Employment and Human Services departments to gain preliminary information on the status of outstanding allocations of funding for rapid rehousing, food insecurity and rental assistance as information to support the decision making of the Board.

CONSEQUENCE OF NEGATIVE ACTION:

Should no action be taken today, the Board will not have made any financial allocations to cover the costs of conducting community engagement processes within Supervisorial Districts and the return date to the Board for further discussion will remain August 5, 2025.

Follow-Up Discussion on COVID-19 FEMA Reserve Allocation

County Administrator's Office

July 8, 2025

Agenda

1. Recap of June 24, 2025 Board Actions
2. Community Engagement Funding Considerations
3. Snapshot of Rapid Rehousing, Food Insecurity and Rental Assistance Allocations and Current Status
4. Requested Actions of the Board
5. Discussion/Questions

Recap of June 24, 2025 Board Actions

1. Allocation: Indicated a desire to allocate $1 million per District from the General Fund Appropriation for Contingencies for direction by each District Supervisor following a community engagement process
2. July 8, 2025 BOS Meeting: The County Administrator's Office should return to the Board on July 8, 2025 with information to assist the Board in making funding allocations to each District office for cost of conducting community outreach
3. August 5, 2025 BOS Meeting: The Board and the County Administrator should return to the August 5, 2025 Board meeting to report on the outcomes of the community engagement processes and make allocations.

Community Engagement Funding Allocation Considerations

- Considerations for the Board is establishing community engagement allocations:
  - Rental Costs
  - Print Materials
  - Video Messaging
  - Website Survey
  - Translation
  - Interpretation (Simultaneous vs. Consecutive)
  - Staff time (if inviting Department staff)
- Depending how each individual Supervisor plans to conduct their Town Hall, estimate at least $2,500-$5,000

Interpretation*:

Language Pair	Half Day (up to 2 hrs)	Full Day (up to 4 hrs)
Spanish < > English	$ 400.00	$ 750.00
Vietnamese, Chinese (Mandarin or Cantonese), Korean < > English	$ 550.00	$ 1050.00
Japanese, Farsi, Tagalog < > English	$ 750.00	$1450.00
ASL Interpreting	$ 550.00	$1050.00
Other languages or regional variants	$ 550 - 750	$ 750 - 1450

*Simultaneous interpretation requires two interpreters

Translation:

Language Pair	Per Word Rate	Minimum Order Value
Spanish < > English	$ 0.16	$ 100.00
Other European, Middle Eastern & Asian Languages < > English (incl. most European languages, Simplified & Traditional Chinese, Korean, Vietnamese, Arabic, Hindi, Urdu, Punjabi, etc.)	$ 0.24	$ 125.00
Cambodian (Khmer) < > English	$ 0.30	$ 125.00
Other languages or regional variants upon request	$ 0.25 - 0.50	$ 100.00 - 150.00

Snapshot of Existing Programs

FEMA COVID-19 Reserve *FY 2024/25 - Period 11 (thru May 31, 2025)*

Survey of Food Insecurity, Rehousing and Rental Assistance Programs

PROGRAM INFORMATION	FINANCIAL INFORMATION			
Program Category	**Total Allocation**	**Amount in Contract**	**Amount Expended**	**Contract Balance**
Rehousing	*$ 28,233,840*	*$ 26,409,886*	*$ 12,408,328*	*$ 14,001,558*
Food Insecurity	*$ 9,397,514*	*$ 8,524,413*	*$ 5,112,959*	*$ 3,411,454*
Rental Assistance	*$ 10,558,692*	*$ 8,513,848*	*$ 4,487,212*	*$ 4,026,636*
	$ 48,190,046	**$ 43,448,148**	**$ 22,008,499**	**$ 21,439,649**
	as %	**90.2%**	**50.7%**	**49.3%**

1. Some housing programs operated by Health Services, include food insecurity and rental assistance components.
2. Additionally, EHSD administers the CalFRESH program in which the State priovides over $244.9 million to eligible Contra Costa residents for food benefits.

Highlights:

1. $48.2 million allocated, with 90% of dollars in Contract
2. Of the Amount in Contract, 50.7% Expended with a Balance of 49.3%
3. The Board has made significant investments each program area with several millions of dollars remaining available.

Requested Actions of the Board

1. ALLOCATE funding to each Supervisorial District office to conduct community engagement processes related to the allocation of former COVID-19 FEMA Reserve.

2. DETERMINE a date to return to the Board for further discussion about the allocation of funds *(September and October Board meetings listed below)*

- *September 9th (September 11th Remembrance)*
- *September 16th*
- *October 7th*
- *October 21st (Sheriff's Oversight Report)*

3. RECEIVE update on outstanding allocations of rapid rehousing, food insecurity and rental assistance.

Questions/Discussion

File #: 25-2753 **Agenda Date:** 7/8/2025 **Agenda #:** D.3.

To: Board of Supervisors

From: Monica Nino, County Administrator

Report Title: Proposed revisions to the Measure X Community Advisory Board Bylaws and direction on future Measure X needs assessments

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:

CONSIDER adoption of proposed revisions to the Measure X Community Advisory Board Bylaws and PROVIDE DIRECTION on future Measure X related needs assessments and unallocated balances.

FISCAL IMPACT:

Administrative action with no specific fiscal impact at this time.

BACKGROUND:

On November 3, 2020, voters in Contra Costa County approved Measure X, a Countywide, 20-year, half-cent sales tax. The ballot measure's stated intent for Measure X was "to keep Contra Costa's regional hospital open and staffed; fund community health centers; provide timely fire and emergency response; support crucial safety -net services; invest in early childhood services; protect vulnerable populations; and for other essential county services." Collection of the tax began on April 1, 2021, with $488.5M in actual revenue received through June 2025. Measure X lifetime allocations through FY25-26 total $631.8M, encompassing 62 projects and fully budgeting all prior revenues and surpluses, including a 1.97% cost of living adjustment for the current fiscal year. There are currently no remaining balances from Measure X available to allocate, and the associated revenue growth for the next few years is unlikely to keep up with the increasing costs for existing service levels.

Measure X Community Advisory Board Formation
On February 2, 2021, the Board of Supervisors approved the creation of a 17-member (+10 alternates) Measure X Community Advisory Board (MXCAB), with bylaws modeled after the County's Community Corrections Partnership and Juvenile Justice Coordinating Council. The original responsibilities of the MXCAB were: 1) to oversee an annual assessment of community needs, focusing primarily on the priority areas identified in the Needs Assessment; 2) creating detailed priority lists of the top ten service gaps (county- and community-provided) based on the results from the needs assessment; 3) using the assessment to make general funding priority recommendations to the Board of Supervisors on 95% of the revenue generated by Measure X; and 4) providing an annual report on the outcomes and impact of allocated funds.

Establishing Measure X Fiscal Oversight
On November 8, 2022, the Board requested that staff develop recommendations for the creation of a separate Measure X oversight body. In response, the County Administrator's Office conducted a review of oversight structures for county sales tax measures, including the counties of Alameda, Marin, San Mateo, Santa Clara, Sonoma, Los Angeles, and the San Francisco Bay Restoration Authority.

The County Administrator's Office presented the comparative analysis at the Board of Supervisors meeting on May 16, 2023, followed by public comment and Board discussion of key considerations about Measure X oversight to improve transparency, mitigate concerns about potential conflicts of interest and incompatible activities, and strengthen accountability and public information. Following the discussion, the Board of Supervisors established the Measure X Community Fiscal Oversight Committee as a 5-member advisory body, responsible for 1) reviewing annual financial audits of Measure X conducted by an external auditor, and 2) verifying conformance with the Measure's ballot language and intent and with the Board's direction for specific allocations. The new advisory body was formed in 2024 and reviewed an external audit of Measure X revenues and expenditures for the period of 4/1/2021 through 6/30/2024 which reported that there were no material errors identified, and the financial reports accurately reflected the allocations and expenditures for the time period in question. The Measure X Community Fiscal Oversight Committee also noted and appreciated improvements to the Measure X website, which it found "comprehensive, fairly easy to navigate and allows taxpayers and community groups to "dig into" the allocations and expenditures so as to feel comfortable about how the tax measure's funds are being utilized in conformance with the will of the voters."

MXCAB Bylaws Change History
Soon after the Measure X Community Advisory Board was created, the Board of Supervisors adopted the MXCAB Bylaws on February 2, 2021, with subsequent round of amendments approved on February 9, 2021 and April 27, 2021 providing more details regarding the process for member appointments. Two years later at the May 16, 2023 meeting, the Board of Supervisors adopted the fourth round of modifications to the MXCAB's bylaws: 1) shifting annual needs assessment to every 3 years, or as needed as determined by the Board of Supervisors; 2) specifying that the MXCAB makes general funding recommendations to the Board, with no specific dollar amounts, prior to budget adoption, on any net revenues available for allocation after cost -of-living adjustments are made for existing allocations; 3) creating a joint session between the Board of Supervisors and MXCAB to receive an annual report from county staff on implementation, milestones, impact, and outcomes of Measure X; plus additional changes related to membership and meeting administration.

Today's item for Board consideration proposes revisions to the MXCAB's bylaws, recognizing that available Measure X funds have been fully allocated, more efficiently focusing resources on future needs assessments, and incorporating feedback from the offices of two Supervisors. The attached redline and clean versions recommend changes to the bylaws as summarized below:

1. <u>MXCAB roles and responsibilities</u>
    a. Advise on community needs and recommended general funding priorities, in alignment with the Measure X ballot language approved by voters
    b. Receive needs assessment reporting to help inform the MXCAB's deliberations and its recommendations for general funding priorities
    c. Eliminate the annual joint meeting of MXCAB and Board of Supervisors

2. Membership composition and eligibility
    a. Reduce the number of alternate member seats from 10 to 5 by eliminating the 5 At-Large Alternate seats, thus reducing the MXCAB from 27 total members to 22
    b. Strengthen language to avoid even the appearance of conflicts of interest and promote transparency and accountability by requiring members to file Form 700 Statements of Economic Interests
    c. Make district seats coterminous with the appointing supervisor
    d. Highlight mandatory trainings and require completion within 90 days of appointment
3. Meetings and administration: deleting language no longer applicable for appointments, setting quarterly meetings, clarifying quorum, aligning policies to the Advisory Body Handbook, providing language interpretation upon request, and adding a sunset provision

In addition to the proposed MXCAB bylaw changes, the County Administrator's Office requests direction from the Board of Supervisors on Measure X administration and needs assessments as listed below:

4. Measure X Allocations Schedule: Accumulate surpluses to aggregate into a meaningful pool (e.g. $5M or more) for allocation by the Board of Supervisors on the needs assessment year of the 3-year review cycle
5. Two-step Measure X allocation process: For emergent needs off-cycle, require that proposed new allocations from Measure X funds be noticed through a Board of Supervisors consent item, followed by a discussion item at the subsequent BOS meeting
6. Needs assessment and program evaluation: Restructure needs assessments to inform Measure X allocations on 3-year cycles with a more analytical process incorporating departmental studies, plus more direct public engagement through community outreach meetings and online surveys. $250k one-time funds have been allocated to support future needs assessments and evaluate the performance and outcomes of Measure X projects.

CONSEQUENCE OF NEGATIVE ACTION:

The Measure X Community Advisory Board's bylaws will remain unchanged.

Measure X Community Advisory Board Proposed Revisions to Bylaws

Adam Nguyen, County Finance Director
County Administrator's Office

July 8, 2025

Agenda

1. Measure X financial summary
2. Overview of Measure X advisory bodies
    a. Measure X Community Advisory Board
    b. Measure X Community Fiscal Oversight Committee
3. Proposed MXCAB Bylaws revisions
4. Board discussion and direction

Measure X financial summary

1. On November 3, 2020, voters in Contra Costa County approved Measure X, a Countywide, 20-year, half-cent sales tax.
2. The intent of Measure X is “to keep Contra Costa’s regional hospital open and staffed; fund community health centers; provide timely fire and emergency response; support crucial safety-net services; invest in early childhood services; protect vulnerable populations; and for other essential county services”
3. Collection of the tax began on April 1, 2021
    a. $488.5M has been collected through June 2025
    b. $631.8M has been allocated through FY25-26 for 62 projects and funding areas
4. All Measure X revenues have been fully budgeted, leaving no remaining balances available to allocate, and the associated revenue growth for the next few years is unlikely to keep up with the increasing costs for existing service levels.

Measure X Community Advisory Board

On February 9, 2021, the Board of Supervisors created the MXCAB to:

1. Oversee an annual assessment of community needs, focusing primarily on the priority areas identified in the Needs Assessment
2. Create a detailed priority list of the top ten service gaps (county- and community-provided) based on the results from the Needs Assessment;
3. Use the Needs Assessment to make general funding priority recommendations to the Board of Supervisors; and
4. Provide an Annual Report on the outcomes and impact of allocated funds.

Establishing Measure X fiscal oversight

1. On November 8, 2022 the Board of Supervisors requested that staff return with recommendations for the creation of a Measure X oversight body to improve transparency, conduct audits, avoid potential conflicts of interest, and ensure accountability
2. CAO presented on oversight structures for county sales tax measures, including Alameda, Marin, San Mateo, Santa Clara, Sonoma, Los Angeles, and the San Francisco Bay Restoration Authority
3. On May 16, 2023, the Board of Supervisors created the Measure X Community Fiscal Oversight Committee
4. In 2024, the advisory body and external auditor reviewed Measure X financial activity and reporting between 4/1/21 and 6/30/24 and reported a clean audit
5. The Fiscal Oversight Committee also noted that the improved Measure X website was comprehensive, easy to navigate and allows taxpayers and community groups to review and feel comfortable about how the funds are being utilized in conformance with the will of the voters

Measure X Community Fiscal Oversight Committee

1. Role and responsibilities
    a. Advises on and reviews financial audits by external auditor
    b. Verifies expenditures align with the Measure's intended purposes and Board of Supervisors direction
    c. Reports annually to the Board and public
2. Membership: 5 Supervisor District appointed seats
3. Meeting Frequency: 3 meetings annually
4. Deliverables: Year-end report, public discussion
5. To avoid even the appearance of conflicts of interest
    a. Members do not make funding recommendations or direct department activities
    b. Members and their affiliated organizations are not eligible to apply for or receive Measure X funded projects

MXCAB's current structure per bylaws

1. Role and responsibilities
    a. Conduct needs assessments every 3 years, or as needed as determined by the Board of Supervisors
    b. Make funding recommendations on any net revenues available for allocation (after cost-of-living adjustments are made for existing allocations)
    c. Receive an annual report on implementation, milestones, impact, and outcomes of Measure X funded programs in a joint session between the Board of Supervisors and MXCAB
    d. Provide an annual self-assessment report on MXCAB effectiveness
2. Membership: 27 total
    a. 10 District appointed members + 5 alternates
    b. 7 At-Large members + 5 alternates
3. Meeting Frequency: Monthly

Proposed changes to the MXCAB bylaws

1. Role and responsibilities
    a. Advise on community needs and recommended general funding priorities, in alignment with the Measure X ballot language approved by voters
    b. Receive needs assessment reporting to help inform the MXCAB's deliberations and its recommendations for general funding priorities.
        i. Restructure needs assessments to 3-year cycles with a more analytical process incorporating departmental studies, plus more direct public engagement through community outreach meetings and online surveys
    c. [Eliminate the annual joint meeting of MXCAB and BOS]
    d. Provide an annual report to the Board of Supervisors on the MXCAB's self-assessment of their effectiveness during the past year, including reporting on the advisory body's activities, accomplishments, work plan, and goals.

Proposed changes to the MXCAB bylaws (continued)

2. Membership composition and eligibility
    a. Reduce the number of alternate member seats from 10 to 5 by eliminating the 5 At-Large Alternate seats, thus reducing the MXCAB from 27 total members to 22
    b. Strengthen language to avoid even the appearance of conflicts of interest and promote transparency and accountability by requiring members to file Form 700 Statements of Economic Interests
    c. Make district seats coterminous with the appointing supervisor
    d. Highlight mandatory trainings and require completion within 90 days of appointment
3. Meetings and administration: deleting language no longer applicable for appointments, setting quarterly meetings, clarifying quorum, aligning policies to the Advisory Body Handbook, providing language interpretation upon request, and adding a sunset provision

CAO recommendations for future allocation processes

1. Measure X Allocations Schedule: Accumulate surpluses to aggregate into a meaningful pool (e.g. $5M or more) for allocation by the Board of Supervisors on the needs assessment year of the 3-year cycle
2. Two-step Measure X allocation process: For emergent needs off-cycle, require that proposed new allocations from Measure X funds be noticed through a Board of Supervisors consent item, followed by a discussion item at the subsequent BOS meeting
3. Measure X Needs Assessment: Restructure needs assessments to inform Measure X allocations on 3-year cycles with a more analytical process, incorporating departmental studies, plus more direct public engagement through community outreach meetings and online surveys. $250k one-time has been allocated to support future needs assessments and evaluate the performance and outcomes of Measure X projects.

CAO recommendations

1. CONSIDER adoption of the proposed changes to the Measure X Community Advisory Board Bylaws
2. PROVIDE DIRECTION on future Measure X related needs assessments and unallocated balances

CONTRA COSTA COUNTY MEASURE X COMMUNITY ADVISORY BOARD BYLAWS

DRAFT July 8, 2025 – REDLINE VERSION

(adopted by the Board of Supervisors on _____ ~~May 16~~, 2025~~3~~)

Article I – Purpose

A. The Measure X Community Advisory Board (the "Advisory Board" or "MXCAB") was established by the Board of Supervisors on February 2, 2021 to advise the Board of Supervisors on the use of Measure X transactions and use tax funds. The main responsibilities of the Advisory Board are:

1. ~~Overseeing regular written assessment of~~Advising the Board of Supervisors on priority, community needs every three years, using as a starting point the priority areas identified in the ~~original (2019) Needs Assessment~~Measure X ballot language: ~~(~~"To keep Contra Costa's regional hospital open and staffed; fund community health centers; provide timely fire and emergency response; support crucial safety-net services; invest in early childhood services; protect vulnerable populations; and for other essential county services."~~emergency response [fire/medical], health care, safety net services, preventative care, affordable housing, and supports for early childhood, youth, families, and seniors), and updating every three years, or as needed, as determined by the Board of Supervisors, with MXCAB being responsible for determining the scope and methodology of the assessment to identify top community priorities and unmet needs;~~

2. Using ~~the~~ needs assessment findings to develop general funding priorities to be recommended to the Board of Supervisors on ~~any~~ Measure X funds~~net revenues~~ available for allocation:~~.~~

    i. Needs assessments will occur during every third year, incorporating community outreach; county departmental analysis, including recent mandated state, federal, and local needs assessments; and analysis of emergent needs identified by the Board of Supervisors. The MXCAB will receive needs assessment reporting to help inform their deliberations and recommended general funding priorities;

    ii. Revenue growth from Measure X shall first be allocated to the cost growth within existing Measure X funded programs;~~.~~

    ~~i.~~iii. The MXCAB shall not make specific dollar amount allocations recommendations, or specific program provider recommendations.~~;~~

~~2. Receiving annual status reports on the implementation, milestones, impact, and outcomes of Measure X funded programs, including whether program goals are being achieved, in a joint presentation to the MXCAB and Board of Supervisors;~~

3. Providing an annual report to the Board of Supervisors on the MXCAB's self-assessment of their effectiveness during the past year~~.~~, including reporting on the advisory body's activities, accomplishments, work plan, and goals.

Article II – Membership

A. Composition:

1. The Advisory Board shall consist of 17 members, composed of 10 Supervisorial District appointees (two (2) per Supervisorial District) and seven (7) At-Large appointees.

2. The Advisory Board shall include ~~ten~~ five (5~~10~~) alternates, one for each Supervisorial District. Alternate members are expected to attend all regular Advisory Board meetings and may participate fully, except that they may not vote unless substituting for an absent member ~~as described below~~. Alternate members may not serve as elected officers but may serve on ad hoc or standing committees of the Advisory Board.

~~a) One (1) alternate shall serve on the Advisory Board for each Supervisorial District appointment for a total of five (5) District alternates. The role of District alternate is fully interchangeable with that of regular District-appointed Advisory Board members. A District alternate may not vote unless substituting for the respective absent District-appointed member.~~

~~b) Five (5) alternates shall serve on the Advisory Board as At-Large alternates. The role of At-Large alternate is fully interchangeable with that of regular At-Large Advisory Board members. At-Large alternates may fully participate and voice opinions but may not vote unless substituting for an absent At-Large member.~~

B. Eligibility:

1. General: The Advisory Board shall be composed of members representing diverse voices, perspectives, and expertise, including but not exclusive to: budget justice advocacy, children's services, community health, consumer advocacy, faith leadership, senior services, fire and public safety protection, housing and homelessness, labor union representation, legal advocacy, local businesses, mental health services, non-partisan civic organizations, policy organizations, public health, racial justice and equity, safety net services, senior services, substance use services, taxpayers, and youth services. Priority will be given to residents who are most impacted by one or more of the community needs identified by MXCAB, including those who have direct lived experience of the harms caused by racial and economic inequities. MXCAB will work with members of the Board of Supervisors to develop and implement strategies to identify and support MXCAB applicants and new members with lived experience.

2. Live/Work Requirement: ~~Committee~~ Mm~~m~~embers shall either live or work in Contra Costa County, with thea ~~a~~ majority being residents of the County. There is no requirement for Supervisorial District seat appointees to live or work within a specific Supervisorial District.

3. No Public Officials: Elected officials and County department heads are not eligible to serve on the Advisory Board.

4. Required Trainings: All members, including alternates, are required to take formal ethics training (AB 1234) and other courses as specified in the Advisory Body Handbook. New members have up to three (3) months to fulfill their obligation. Verification of completion must be provided immediately to Staff. Members not in compliance will be referred to the Board of Supervisors for appropriate action.

5. No Conflicts of Interest: All members should avoid the appearance of a conflict of interest even when the committee's decisions are advisory. Members must recuse themselves from the Advisory Body's deliberations and decisions that would financially benefit oneself; one's employer, affiliated organization, or family. Members and their relatives also may not be associated with a grantee of revenue generated by Measure X, such as an employee, contractor, or organization board member of a grantee or subrecipient.

6. Disclosure of Financial Interests: All members, including alternates, must annually complete and file California Form 700 – Statement of Economic Interests, and also upon leaving the Advisory Body.

C. Terms of Office:

1. Appointments: The members of the Advisory Board and alternates shall serve staggered terms of two or three years.

a) Supervisorial District Appointments: Each of the two (2) Supervisorial District seats and alternates identified in Article II(A) for each Supervisorial District, shall serve a term of two (2) years. The appointment will run in alignment with the term of office of the nominating Supervisor.

b) At-Large Appointments: Each of the seven (7) At-Large seats ~~and alternates~~ identified in Article II(A), shall serve a term of three (3) years.

2. Term Limits: Each member is limited to serving, consecutively, for a maximum of six years.

D. Appointment Process:

~~1. Initial Appointments:~~

~~a) The Clerk of the Board of Supervisors will solicit applications to fill the 17-member Advisory Board through a single recruitment process.~~

~~b) Applications shall be referred to each County Supervisor to select three nominees to serve on the Advisory Board (two nominees plus one stand-by nominee).~~

~~c) Supervisorial District nominees will be transmitted to the Finance Committee of the Board of Supervisors (the "Finance Committee") along with all remaining applications for appointment.~~

~~d) The Finance Committee shall review the Supervisorial District nominations and select nominees for the remaining seven (7) At-Large seats, taking into account the goals identified in Article II(B)(1).~~

~~e) In the case where the same nominee is selected for a Supervisorial District appointment by multiple Supervisors, the Finance Committee shall take into consideration the stand-by nominees recommended by those Supervisors in resolving the conflict and making a final recommendation to the Board of Supervisors.~~

~~f) The Finance Committee shall ultimately make every effort to ensure that there is representation from the broadest cross-section of stakeholders as described in Article II(B)(1) as well as geographic, racial and ethnic representation reflecting the County's diversity.~~

~~2. Subsequent Appointments:~~

1~~a.~~) Supervisorial District Appointments:

a~~1~~) The Clerk of the Board of Supervisors will solicit applications to fill the Supervisorial District Appointments every two (2) years in a single recruitment process. The respective Supervisor, and interested members of MXCAB, shall assist in ensuring that the opportunity to apply is distributed widely to a broad array of county residents and stakeholders, in order to maintain and support diverse representation on MXCAB.

b~~2~~) Applications shall be referred to each County Supervisor to select three nominees to serve on the Advisory Board (two nominees plus one alternate nominee).

c~~3~~) ~~In the case where the same nominee is selected for a Supervisorial District appointment by multiple Supervisors, Supervisors will be notified to allow for modifications to their nominations.~~

~~4) Once conflicts are resolved, n~~Nominations will be submitted directly to the Board of Supervisors.

2~~b.~~) At-Large Appointments:

a~~1~~) The Clerk of the Board of Supervisors will solicit applications to fill the At-Large Appointments every three (3) years in a single recruitment process.

b~~2~~) Applications shall be referred to the Finance Committee to select seven (7) At-Large seats~~ and five (5) At-Large alternates, taking into account the goals identified in Article II(B)(1).~~

c~~3~~) The Finance Committee shall ultimately make every effort to ensure that there is representation from the broadest cross-section of stakeholders as described in Article II(B)(1) as well as geographic, racial and ethnic representation reflecting the County's diversity.

d~~4~~) Final nominations shall be submitted to the full Board of Supervisors for consideration of appointment.

3~~.~~ Unscheduled Vacancies:

a) General: Should an unscheduled vacancy occur during a MXCAB member's term of office, whether by death, resignation or otherwise, the Board of Supervisors and MXCAB Chair shall be notified of the vacancy. The Board of Supervisors shall direct the Clerk of the Board to announce the vacancy and collect applications for appointment.

b) Supervisorial District Vacancy: If the unscheduled vacancy is in a Supervisorial District seat, then the applications seeking appointment will be transmitted by the Clerk of the Board to the Supervisorial District responsible for making nominations for appointment to that seat. The MXCAB will also be notified of the vacancy. The Supervisorial District will then transmit the nomination for appointment to the Board of Supervisors for consideration.

c) At-Large Vacancy: If the unscheduled vacancy is in an At-Large seat, then the applications seeking appointment will be transmitted by the Clerk of the Board to the Finance Committee to consider making nominations for appointment to the vacant seat. The Finance Committee will then transmit the nomination for consideration and appointment to the Board of Supervisors for consideration.

~~d) If a member is absent three or more times in a 12-month period, staff will notify the Finance Committee and MXCAB chair of these absences.~~

~~e) Timeline to Fill Vacancies: The Board of Supervisors will strive to fill vacancies within 60 days of a seat being vacated.~~

~~d~~e) Resignation: Any appointed member may resign by giving written notice to the Clerk of the Board of Supervisors, the appointing Supervisor of the district appointee, and the MXCAB Chair.

Article III. – Advisory Board Structure & Meetings

A. Officers: The Advisory Board shall select a Chair and Vice Chair for purposes of officiating meetings, who shall each serve for a term of one (1) year. The Chair and Vice Chair, respectively, may be elected to successive terms as Chair and Vice Chair by the Advisory Board, and may serve in these capacities until such time as their overall term on the Advisory Board ends. Alternate members may not serve as officers. Election of officers shall be held in April of each year.

B. ~~Regular~~ Meetings: Regular meetings of the Advisory Board shall be held ~~at least~~ quarterly~~, based on a schedule adopted by the Advisory Board~~. Regularly scheduled meetings may be canceled by a majority vote of the Advisory Board or, for lack of business or a quorum, by the Chair.

C. Special Meetings: Special meetings of the Advisory Board or any other committees may be called by the Chair at any time, or by a majority of current Advisory Board members. Such meetings shall be called in accordance with the provisions of the Ralph M. Brown Act and the Contra Costa County Better Government Ordinance regarding member and public notice. The MXCAB Chair shall consult with MXCAB staff to ensure staff capacity to support any such committee meetings.

D. Quorum: A majority of the membership of the Advisory Board shall constitute a quorum for the transaction of business. ~~A "majority of the membership" is defined as a majority of filled seats on the Advisory Board at any given time. For example, if only thirteen (13) seats are filled and four (4) are vacant, then a quorum is established when seven (7) members are present at a meeting. Similarly, if all 17 seats are filled, a~~A quorum is established when nine (9) members are present at a meeting. No action shall be taken by the Advisory Board unless a quorum is present as defined above. Alternate Advisory Board members substituting for members may be counted in determining whether a quorum is established at a meeting.

E. Voting: Each member of the Advisory Board, or the member's alternate when the member is absent, has one vote. A minimum of nine (9) votes of the members present, or alternates when members are absent, are required to pass a motion.

F. Conflict of Interest: ~~As a general rule, a~~A member may not discuss or vote on an agenda item if doing so would constitute a conflict of interest. In such a case, the member shall announce that they

have a conflict of interest, ~~and~~ recuse themselves, and leave the room before the item is presented and considered.

~~G.~~ Meeting Procedure: The Chair shall preside at all meetings, and shall proceed with the business of the Advisory Board in a manner prescribed in these bylaws and in the Advisory Body Handbook. ~~The Chair shall also decide questions of procedure as needed.~~ If the Chair is not present at a meeting, the Vice Chair shall preside.

~~H.~~G. ~~H. MXCAB members and staff shall adhere to their respective roles (as described in these bylaws) in good faith, and shall further amend the bylaws as needed, subject to Board of Supervisors' approval.~~

~~I.~~H. Order of Business: The regular order of business of the Advisory Board shall be at least the following:

1. Call to order
2. Roll call to determine voting eligibility ~~of At-Large alternates. At the start of each meeting, the five (5) At- Large alternates shall be randomly ordered by staff to replace absent At-Large members for purposes of voting.~~
3. Public comment on items not on the agenda
4. Approve Record of Action from prior meeting
5. Consideration and action on agenda items
6. Adjournment

~~J.~~I. Sub-Committees and Ad Hoc Committees: With approval from the MXCAB, the MXCAB Chair may create MXCAB sub-committees and/or ad hoc committees as needed, composed of regular or alternate members who have full voting rights. All such committees are open and accessible to the general public in accordance with the Ralph M. Brown Act and the Contra Costa County Better Government Ordinance. The MXCAB Chair shall consult with MXCAB staff to ensure staff capacity to support any such committee meetings.

~~K.~~J. Public Access: All meetings of the Advisory Board shall be open and accessible to the general public in accordance with the Ralph M. Brown Act and the Contra Costa County Better Government Ordinance. Opportunity for public comment will be included in each agenda item. In the interest of facilitating the business of the Advisory Board, the Chair may set in advance of public comment reasonable time limits for oral presentation.

Article IV~~.~~ – Administration

The Advisory Board shall obtain staff support from the County Administrator's Office or another county office designated by the Board of Supervisors. The staff will be responsible for compiling and distributing Advisory Board meeting notices, agenda packets and records of action~~-~~; ~~arranging for translation into Spanish of MXCAB meeting agendas;~~ upon request 72 hours in advance arranging for simultaneous interpretation (at a minimum in American Sign Language and Spanish) for all MXCAB meetings; posting MXCAB meeting videos on the county website within seven (7) days of the most recent meeting; maintaining the MXCAB member roster and contact list; and ~~maintaining and providing the Chair with a list of current MXCAB vacancies; providing the Chair with an updated MXCAB attendance record for the~~

~~prior quarter;~~ advising the MXCAB Chair and members on questions of procedure~~; and responding to questions and requests from the MXCAB Chair between meetings~~.

Article V~~.~~ – Compensation

Members of the Advisory Board shall serve without compensation and shall not receive reimbursement for any expenses incurred while conducting official business.

Article VI~~.~~ – Changes to Bylaws

The provisions of these Bylaws may be altered, amended or repealed within the limitations imposed by the Brown Act, the Contra Costa County Better Government Ordinance and the policies of the Contra Costa County Board of Supervisors. No such alteration, amendment or repeal shall be effective unless and until the change has been approved by the Board of Supervisors.

Article VII – Dissolution

The Advisory Board shall dissolve after all sales tax revenue pursuant to Measure X is considered collected at the end of the term of Measure X, unless extended by the Board of Supervisors, and a final report is submitted.

CONTRA COSTA COUNTY MEASURE X COMMUNITY ADVISORY BOARD BYLAWS
DRAFT July 8, 2025 – CLEAN VERSION

(adopted by the Board of Supervisors on ____ __, 2025)

Article I – Purpose

A. The Measure X Community Advisory Board (the "Advisory Board" or "MXCAB") was established by the Board of Supervisors on February 2, 2021 to advise the Board of Supervisors on the use of Measure X transactions and use tax funds. The main responsibilities of the Advisory Board are:

1. Advising the Board of Supervisors on priority, community needs every three years, using as a starting point the priority areas identified in the Measure X ballot language: "To keep Contra Costa's regional hospital open and staffed; fund community health centers; provide timely fire and emergency response; support crucial safety-net services; invest in early childhood services; protect vulnerable populations; and for other essential county services."

2. Using needs assessment findings to develop general funding priorities to be recommended to the Board of Supervisors on Measure X funds available for allocation:

   i. Needs assessments will occur during every third year, incorporating community outreach; county departmental analysis, including recent mandated state, federal, and local needs assessments; and analysis of emergent needs identified by the Board of Supervisors. The MXCAB will receive needs assessment reporting to help inform their deliberations and recommended general funding priorities;

   ii. Revenue growth from Measure X shall first be allocated to the cost growth within existing Measure X funded programs;

   iii. The MXCAB shall not make specific dollar amount allocations recommendations, or specific program provider recommendations.

3. Providing an annual report to the Board of Supervisors on the MXCAB's self-assessment of their effectiveness during the past year, including reporting on the advisory body's activities, accomplishments, work plan, and goals.

Article II – Membership

A. <u>Composition</u>:

1. The Advisory Board shall consist of 17 members, composed of 10 Supervisorial District appointees (two (2) per Supervisorial District) and seven (7) At-Large appointees.

2. The Advisory Board shall include five (5) alternates, one for each Supervisorial District. Alternate members are expected to attend all regular Advisory Board meetings and may participate fully, except that they may not vote unless substituting for an absent member. Alternate members may not serve as elected officers but may serve on ad hoc or standing committees of the Advisory Board.

B. Eligibility:

1. General: The Advisory Board shall be composed of members representing diverse voices, perspectives, and expertise, including but not exclusive to: budget justice advocacy, children's services, community health, consumer advocacy, faith leadership, senior services, fire and public safety protection, housing and homelessness, labor union representation, legal advocacy, local businesses, mental health services, non-partisan civic organizations, policy organizations, public health, racial justice and equity, safety net services, senior services, substance use services, taxpayers, and youth services. Priority will be given to residents who are most impacted by one or more of the community needs identified by MXCAB, including those who have direct lived experience of the harms caused by racial and economic inequities. MXCAB will work with members of the Board of Supervisors to develop and implement strategies to identify and support MXCAB applicants and new members with lived experience.

2. Live/Work Requirement: Members shall either live or work in Contra Costa County, with the majority being residents of the County. There is no requirement for Supervisorial District seat appointees to live or work within a specific Supervisorial District.

3. No Public Officials: Elected officials and County department heads are not eligible to serve on the Advisory Board.

4. Required Trainings: All members, including alternates, are required to take formal ethics training (AB 1234) and other courses as specified in the Advisory Body Handbook. New members have up to three (3) months to fulfill their obligation. Verification of completion must be provided immediately to Staff. Members not in compliance will be referred to the Board of Supervisors for appropriate action.

5. No Conflicts of Interest: All members should avoid the appearance of a conflict of interest even when the committee's decisions are advisory. Members must recuse themselves from the Advisory Body's deliberations and decisions that would financially benefit oneself; one's employer, affiliated organization, or family. Members and their relatives also may not be associated with a grantee of revenue generated by Measure X, such as an employee, contractor, or organization board member of a grantee or subrecipient.

6. Disclosure of Financial Interests: All members, including alternates, must annually complete and file California Form 700 – Statement of Economic Interests, and also upon leaving the Advisory Body.

C. Terms of Office:

1. Appointments: The members of the Advisory Board and alternates shall serve staggered terms of two or three years.

a) Supervisorial District Appointments: Each of the two (2) Supervisorial District seats and alternates identified in Article II(A) for each Supervisorial District, shall serve a term of two (2) years. The appointment will run in alignment with the term of office of the nominating Supervisor.

b) At-Large Appointments: Each of the seven (7) At-Large seats identified in Article II(A), shall serve a term of three (3) years.

2. Term Limits: Each member is limited to serving, consecutively, for a maximum of six years.

D. Appointment Process:

1. Supervisorial District Appointments:

a) The Clerk of the Board of Supervisors will solicit applications to fill the Supervisorial District Appointments every two (2) years in a single recruitment process. The respective Supervisor, and interested members of MXCAB, shall assist in ensuring that the opportunity to apply is distributed widely to a broad array of county residents and stakeholders, in order to maintain and support diverse representation on MXCAB.

b) Applications shall be referred to each County Supervisor to select three nominees to serve on the Advisory Board (two nominees plus one alternate nominee).

c) Nominations will be submitted directly to the Board of Supervisors.

2. At-Large Appointments:

a) The Clerk of the Board of Supervisors will solicit applications to fill the At-Large Appointments every three (3) years in a single recruitment process.

b) Applications shall be referred to the Finance Committee to select seven (7) At-Large seats

c) The Finance Committee shall ultimately make every effort to ensure that there is representation from the broadest cross-section of stakeholders as described in Article II(B)(1) as well as geographic, racial and ethnic representation reflecting the County's diversity.

d) Final nominations shall be submitted to the full Board of Supervisors for consideration of appointment.

3. Unscheduled Vacancies:

a) General: Should an unscheduled vacancy occur during a MXCAB member's term of office, whether by death, resignation or otherwise, the Board of Supervisors and MXCAB Chair shall be notified of the vacancy. The Board of Supervisors shall direct the Clerk of the Board to announce the vacancy and collect applications for appointment.

b) Supervisorial District Vacancy: If the unscheduled vacancy is in a Supervisorial District seat, then the applications seeking appointment will be transmitted by the Clerk of the Board to the Supervisorial District responsible for making nominations for appointment to that seat. The MXCAB will also be notified of the vacancy. The Supervisorial District will then transmit the nomination for appointment to the Board of Supervisors for consideration.

c) At-Large Vacancy: If the unscheduled vacancy is in an At-Large seat, then the applications seeking appointment will be transmitted by the Clerk of the Board to the Finance Committee to consider making nominations for appointment to the vacant seat. The Finance Committee will then transmit the nomination for consideration and appointment to the Board of Supervisors for consideration.

d) Resignation: Any appointed member may resign by giving written notice to the Clerk of the Board of Supervisors, the appointing Supervisor of the district appointee, and the MXCAB Chair.

Article III. – Advisory Board Structure & Meetings

A. Officers: The Advisory Board shall select a Chair and Vice Chair for purposes of officiating meetings, who shall each serve for a term of one (1) year. The Chair and Vice Chair, respectively, may be elected to successive terms as Chair and Vice Chair by the Advisory Board, and may serve in these capacities until such time as their overall term on the Advisory Board ends. Alternate members may not serve as officers. Election of officers shall be held in April of each year.

B. Meetings: Regular meetings of the Advisory Board shall be held quarterly. Regularly scheduled meetings may be canceled by a majority vote of the Advisory Board or, for lack of business or a quorum, by the Chair.

C. Special Meetings: Special meetings of the Advisory Board or any other committees may be called by the Chair at any time, or by a majority of current Advisory Board members. Such meetings shall be called in accordance with the provisions of the Ralph M. Brown Act and the Contra Costa County Better Government Ordinance regarding member and public notice. The MXCAB Chair shall consult with MXCAB staff to ensure staff capacity to support any such committee meetings.

D. Quorum: A majority of the membership of the Advisory Board shall constitute a quorum for the transaction of business. A quorum is established when nine (9) members are present at a meeting. No action shall be taken by the Advisory Board unless a quorum is present as defined above. Alternate Advisory Board members substituting for members may be counted in determining whether a quorum is established at a meeting.

E. Voting: Each member of the Advisory Board, or the member's alternate when the member is absent, has one vote. A minimum of nine (9) votes of the members present, or alternates when members are absent, are required to pass a motion.

F. Conflict of Interest: A member may not discuss or vote on an agenda item if doing so would constitute a conflict of interest. In such a case, the member shall announce that they have a conflict of interest, recuse themselves, and leave the room before the item is presented and considered.

G. Meeting Procedure: The Chair shall preside at all meetings, and shall proceed with the business of the Advisory Board in a manner prescribed in these bylaws and in the Advisory Body Handbook. If the Chair is not present at a meeting, the Vice Chair shall preside.

H. Order of Business: The regular order of business of the Advisory Board shall be at least the following:

1. Call to order
2. Roll call to determine voting eligibility
3. Public comment on items not on the agenda
4. Approve Record of Action from prior meeting
5. Consideration and action on agenda items
6. Adjournment

I. Sub-Committees and Ad Hoc Committees: With approval from the MXCAB, the MXCAB Chair may create MXCAB sub-committees and/or ad hoc committees as needed, composed of regular or alternate members who have full voting rights. All such committees are open and accessible to the general public in accordance with the Ralph M. Brown Act and the Contra Costa County Better Government Ordinance. The MXCAB Chair shall consult with MXCAB staff to ensure staff capacity to support any such committee meetings.

J. Public Access: All meetings of the Advisory Board shall be open and accessible to the general public in accordance with the Ralph M. Brown Act and the Contra Costa County Better Government Ordinance. Opportunity for public comment will be included in each agenda item. In the interest of facilitating the business of the Advisory Board, the Chair may set in advance of public comment reasonable time limits for oral presentation.

Article IV – Administration

The Advisory Board shall obtain staff support from the County Administrator's Office or another county office designated by the Board of Supervisors. The staff will be responsible for compiling and distributing Advisory Board meeting notices, agenda packets and records of action; upon request 72 hours in advance arranging for simultaneous interpretation (at a minimum in American Sign Language and Spanish) for all MXCAB meetings; posting MXCAB meeting videos on the county website within seven (7) days of the most recent meeting; maintaining the MXCAB member roster and contact list; and advising the MXCAB Chair and members on questions of procedure.

Article V – Compensation

Members of the Advisory Board shall serve without compensation and shall not receive reimbursement for any expenses incurred while conducting official business.

Article VI – Changes to Bylaws

The provisions of these Bylaws may be altered, amended or repealed within the limitations imposed by the Brown Act, the Contra Costa County Better Government Ordinance and the policies of the Contra Costa County Board of Supervisors. No such alteration, amendment or repeal shall be effective unless and until the change has been approved by the Board of Supervisors.

Article VII – Dissolution

The Advisory Board shall dissolve after all sales tax revenue pursuant to Measure X is considered collected at the end of the term of Measure X, unless extended by the Board of Supervisors, and a final report is submitted.

CONTRA COSTA COUNTY MEASURE X COMMUNITY ADVISORY BOARD BYLAWS

(adopted by the Board of Supervisors on May 16, 2023)

Article I – Purpose

A. The Measure X Community Advisory Board (the "Advisory Board" or "MXCAB") was established by the Board of Supervisors on February 2, 2021 to advise the Board of Supervisors on the use of Measure X transactions and use tax funds. The main responsibilities of the Advisory Board are:

1. Overseeing regular written assessment of community needs, using as a starting point the priority areas identified in the original (2019) Needs Assessment (emergency response [fire/medical], health care, safety net services, preventative care, affordable housing, and supports for early childhood, youth, families, and seniors), and updating every three years, or as needed, as determined by the Board of Supervisors, with MXCAB being responsible for determining the scope and methodology of the assessment to identify top community priorities and unmet needs;

2. Using the assessment findings to develop general funding priorities to be recommended to the Board of Supervisors on any Measure X net revenues available for allocation. Revenue growth from Measure X shall first be allocated to the cost growth within existing Measure X funded programs. The MXCAB shall not make specific dollar amount allocations recommendations;

3. Receiving annual status reports on the implementation, milestones, impact, and outcomes of Measure X funded programs, including whether program goals are being achieved, in a joint presentation to the MXCAB and Board of Supervisors;

4. Providing an annual report to the Board of Supervisors on MXCAB's self-assessment of their effectiveness during the past year.

Article II – Membership

A. Composition:

1. The Advisory Board shall consist of 17 members, composed of 10 Supervisorial District appointees (two (2) per Supervisorial District) and seven (7) At-Large appointees.

2. The Advisory Board shall include ten (10) alternates. Alternate members are expected to attend all regular Advisory Board meetings and may participate fully, except that they may not vote unless substituting for an absent member as described below. Alternate members may not serve as elected officers but may serve on ad hoc or standing committees of the Advisory Board.

a) One (1) alternate shall serve on the Advisory Board for each Supervisorial District appointment for a total of five (5) District alternates. The role of District alternate is fully interchangeable with that of regular District-appointed Advisory Board members. A District alternate may not vote unless substituting for the respective absent District-appointed member.

b) Five (5) alternates shall serve on the Advisory Board as At-Large alternates. The role of At-Large alternate is fully interchangeable with that of regular At-Large Advisory Board members. At-Large alternates may fully participate and voice opinions but may not vote unless substituting for an absent At-Large member.

B. Eligibility:

1. General: The Advisory Board shall be composed of members representing diverse voices, perspectives, and expertise, including but not exclusive to: budget justice advocacy, children's services, community health, consumer advocacy, faith leadership, senior services, fire and public safety protection, housing and homelessness, labor union representation, legal advocacy, local businesses, mental health services, non-partisan civic organizations, policy organizations, public health, racial justice and equity, safety net services, senior services, substance use services, taxpayers, and youth services. Priority will be given to residents who are most impacted by one or more of the community needs identified by MXCAB, including those who have direct lived experience of the harms caused by racial and economic inequities. MXCAB will work with members of the Board of Supervisors to develop and implement strategies to identify and support MXCAB applicants and new members with lived experience.

2. Live/Work Requirement: Committee members shall either live or work in Contra Costa County, with a majority being residents of the County. There is no requirement for Supervisorial District seat appointees to live or work within a specific Supervisorial District.

3. No Public Officials: Elected officials and County department heads are not eligible to serve on the Advisory Board.

C. Terms of Office:

1. Appointments: The members of the Advisory Board and alternates shall serve staggered terms of two or three years.

a) Supervisorial District Appointments: Each of the two (2) Supervisorial District seats and alternates identified in Article II(A) for each Supervisorial District, shall serve a term of two (2) years.

b) At-Large Appointments: Each of the seven (7) At-Large seats and alternates identified in Article II(A), shall serve a term of three (3) years.

2. Term Limits: Each member is limited to serving, consecutively, for a maximum of six years.

D. Appointment Process:

1. Initial Appointments:

a) The Clerk of the Board of Supervisors will solicit applications to fill the 17-member Advisory Board through a single recruitment process.

b) Applications shall be referred to each County Supervisor to select three nominees to serve on the Advisory Board (two nominees plus one stand-by nominee).

c) Supervisorial District nominees will be transmitted to the Finance Committee of the Board of Supervisors (the "Finance Committee") along with all remaining applications for appointment.

d) The Finance Committee shall review the Supervisorial District nominations and select nominees for the remaining seven (7) At-Large seats, taking into account the goals identified in Article II(B)(1).

e) In the case where the same nominee is selected for a Supervisorial District appointment by multiple Supervisors, the Finance Committee shall take into consideration the stand-by nominees recommended by those Supervisors in resolving the conflict and making a final recommendation to the Board of Supervisors.

f) The Finance Committee shall ultimately make every effort to ensure that there is representation from the broadest cross-section of stakeholders as described in Article II(B)(1) as well as geographic, racial and ethnic representation reflecting the County's diversity.

2. Subsequent Appointments:

a) Supervisorial District Appointments:

1) The Clerk of the Board of Supervisors will solicit applications to fill the Supervisorial District Appointments every two (2) years in a single recruitment process. The respective Supervisor, and interested members of MXCAB, shall assist in ensuring that the opportunity to apply is distributed widely to a broad array of county residents and stakeholders, in order to maintain and support diverse representation on MXCAB.

2) Applications shall be referred to each County Supervisor to select three nominees to serve on the Advisory Board (two nominees plus one alternate nominee).

3) In the case where the same nominee is selected for a Supervisorial District appointment by multiple Supervisors, Supervisors will be notified to allow for modifications to their nominations.

4) Once conflicts are resolved, nominations will be submitted directly to the Board of Supervisors.

b) At-Large Appointments:

1) The Clerk of the Board of Supervisors will solicit applications to fill the At-Large Appointments every three (3) years in a single recruitment process.

2) Applications shall be referred to the Finance Committee to select seven (7) At-Large seats and five (5) At-Large alternates, taking into account the goals identified in Article II(B)(1).

3) The Finance Committee shall ultimately make every effort to ensure that there is representation from the broadest cross-section of stakeholders as described in Article II(B)(1) as well as geographic, racial and ethnic representation reflecting the County's diversity.

4) Final nominations shall be submitted to the full Board of Supervisors for consideration of appointment.

3. Unscheduled Vacancies:

a) General: Should an unscheduled vacancy occur during a MXCAB member's term of office, whether by death, resignation or otherwise, the Board of Supervisors and MXCAB Chair shall be notified of the vacancy. The Board of Supervisors shall direct the Clerk of the Board to announce the vacancy and collect applications for appointment.

b) Supervisorial District Vacancy: If the unscheduled vacancy is in a Supervisorial District seat, then the applications seeking appointment will be transmitted by the Clerk of the Board to the Supervisorial District responsible for making nominations for appointment to that seat. The MXCAB will also be notified of the vacancy. The Supervisorial District will then transmit the nomination for appointment to the Board of Supervisors for consideration.

c) At-Large Vacancy: If the unscheduled vacancy is in an At-Large seat, then the applications seeking appointment will be transmitted by the Clerk of the Board to the Finance Committee to consider making nominations for appointment to the vacant seat. The Finance Committee will then transmit the nomination for consideration and appointment to the Board of Supervisors for consideration.

d) If a member is absent three or more times in a 12-month period, staff will notify the Finance Committee and MXCAB chair of these absences.

e) Timeline to Fill Vacancies: The Board of Supervisors will strive to fill vacancies within 60 days of a seat being vacated.

e) Resignation: Any appointed member may resign by giving written notice to the Clerk of the Board of Supervisors and the MXCAB Chair.

Article III. – Advisory Board Structure & Meetings

A. Officers: The Advisory Board shall select a Chair and Vice Chair for purposes of officiating meetings, who shall each serve for a term of one (1) year. The Chair and Vice Chair, respectively, may be elected to successive terms as Chair and Vice Chair by the Advisory Board, and may serve in these capacities until such time as their overall term on the Advisory Board ends. Alternate members may not serve as officers. Election of officers shall be held in April of each year.

B. Regular Meetings: Regular meetings of the Advisory Board shall be held at least quarterly, based on a schedule adopted by the Advisory Board. Regularly scheduled meetings may be canceled by a majority vote of the Advisory Board or, for lack of business or a quorum, by the Chair.

C. Special Meetings: Special meetings of the Advisory Board or any other committees may be called by the Chair at any time, or by a majority of current Advisory Board members. Such meetings shall be called in accordance with the provisions of the Ralph M. Brown Act and the Contra Costa County Better Government Ordinance regarding member and public notice.

D. Quorum: A majority of the membership of the Advisory Board shall constitute a quorum for the transaction of business. A "majority of the membership" is defined as a majority of filled seats on the Advisory Board at any given time. For example, if only thirteen (13) seats are filled and four (4) are vacant, then a quorum is established when seven (7) members are present at a meeting. Similarly, if all 17 seats are filled, a quorum is established when nine (9) members are present at a meeting. No action shall be taken by the Advisory Board unless a quorum is present as defined above. Alternate Advisory Board members substituting for members may be counted in determining whether a quorum is established at a meeting.

E. Voting: Each member of the Advisory Board, or the member's alternate when the member is absent, has one vote. A minimum of nine (9) votes of the members present, or alternates when members are absent, are required to pass a motion.

F. Conflict of Interest: As a general rule, a member may not discuss or vote on an agenda item if doing so would constitute a conflict of interest. In such a case, the member shall announce that they have a conflict of interest, and recuse themselves before the item is presented and considered.

G. Meeting Procedure: The Chair shall preside at all meetings, and shall proceed with the business of the Advisory Board in a manner prescribed in these bylaws. The Chair shall also decide questions of procedure as needed. If the Chair is not present at a meeting, the Vice Chair shall preside.

H. H. MXCAB members and staff shall adhere to their respective roles (as described in these bylaws) in good faith, and shall further amend the bylaws as needed, subject to Board of Supervisors' approval.

I. Order of Business: The regular order of business of the Advisory Board shall be at least the following:

1. Call to order
2. Roll call to determine voting eligibility of At-Large alternates. At the start of each meeting, the five (5) At- Large alternates shall be randomly ordered by staff to replace absent At-Large members for purposes of voting.
3. Public comment on items not on the agenda
4. Approve Record of Action from prior meeting
5. Consideration and action on agenda items
6. Adjournment

J. Sub-Committees and Ad Hoc Committees: With approval from the MXCAB, the MXCAB Chair may create MXCAB sub-committees and/or ad hoc committees as needed, composed of regular or alternate members who have full voting rights. All such committees are open and accessible to the general public in accordance with the Ralph M. Brown Act and the Contra Costa County Better

Government Ordinance. The MXCAB Chair shall consult with MXCAB staff to ensure staff capacity to support any such committee meetings.

K. Public Access: All meetings of the Advisory Board shall be open and accessible to the general public in accordance with the Ralph M. Brown Act and the Contra Costa County Better Government Ordinance. Opportunity for public comment will be included in each agenda item. In the interest of facilitating the business of the Advisory Board, the Chair may set in advance of public comment reasonable time limits for oral presentation.

Article IV. – Administration

The Advisory Board shall obtain staff support from the County Administrator's Office or another county office designated by the Board of Supervisors. The staff will be responsible for compiling and distributing Advisory Board meeting notices, agenda packets and records of action ; arranging for translation into Spanish of MXCAB meeting agendas; arranging for simultaneous interpretation (at a minimum in American Sign Language and Spanish) for all MXCAB meetings; posting MXCAB meeting videos on the county website within seven (7) days of the most recent meeting; maintaining the MXCAB member roster and contact list; maintaining and providing the Chair with a list of current MXCAB vacancies; providing the Chair with an updated MXCAB attendance record for the prior quarter; advising the MXCAB Chair and members on questions of procedure; and responding to questions and requests from the MXCAB Chair between meetings.

Article V. – Compensation

Members of the Advisory Board shall serve without compensation and shall not receive reimbursement for any expenses incurred while conducting official business.

Article VI. – Changes to Bylaws

The provisions of these Bylaws may be altered, amended or repealed within the limitations imposed by the Brown Act, the Contra Costa County Better Government Ordinance and the policies of the Contra Costa County Board of Supervisors. No such alteration, amendment or repeal shall be effective unless and until the change has been approved by the Board of Supervisors.

CONTRA COSTA COUNTY

Staff Report

File #: RES 2025-236 **Agenda Date:** 7/8/2025 **Agenda #:** D.4.

To: **Board of Supervisors**

From: Warren Lai, Public Works Director/Chief Engineer

Report Title: HEARING on Fiscal Year 2025-2026 Tentative Annual Report for County Service Area L-100; ADOPT resolution confirming the report and levying charges.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
1. RECEIVE from staff the Fiscal Year 2025-2026 Tentative Annual Report on service charges in County Service Area (CSA) L-100, a copy of which is attached.

2. OPEN the public hearing on the Tentative Annual Report; RECEIVE and CONSIDER all written and oral objections or protests to the Tentative Annual Report; and CLOSE the public hearing.

3. CONSIDER whether to adopt, revise, change, reduce, increase, or modify any estimated service charges set forth in the Tentative Annual Report.

4. APPROVE the estimated service charges set forth in the Tentative Annual Report.

5. ADOPT a Resolution confirming the Tentative Annual Report and levying the charges set forth in the report.

6. DIRECT the Public Works Director or his/her designee to prepare a Fiscal Year 2025-2026 Final Annual Report for CSA L-100 that conforms to the County's official service charge roll for Fiscal Year 2025-2026. (County Service Area L-100 Funds) (Countywide) Project No. 7394-6X5001.

FISCAL IMPACT:
The levy of the annual service charges in CSA L-100 will provide revenues for the continued operation and maintenance of street lighting services. The CSA L-100 total revenue was $1,992,943.50 for Fiscal Year 2024-2025 and is projected to be $2,031,925.97 for Fiscal Year 2025-2026. In Fiscal Year 2024-2025 the basic service charge was $14.94/year per equivalent dwelling unit for a single-family home and will remain the same for Fiscal Year 2025-2026.

BACKGROUND:
As directed by Article 1012-2.602 of the Contra Costa County Ordinance Code, the Public Works Director prepared a Fiscal Year 2025-2026 Tentative Annual Report on service charges in CSA L-100 and filed it with the Clerk of the Board of Supervisors. CSA L-100 provides street lighting services. The Tentative Annual Report contains a description of each parcel of real property receiving services, the basic service charge for CSA L-100 and the estimated amount of the service charge for each parcel for the fiscal year.

Upon the filing of the Tentative Annual Report, the Clerk of the Board of Supervisors fixed a time, date, and place for a Board hearing on the Tentative Annual Report and for filing objections or protests thereto and published a notice of the hearing as provided in Government Code section 6066.

Following the public hearing, the Board may adopt, revise, change, reduce, increase, or modify any estimated service charge, and shall make its determination upon each estimated service charge as described in the Tentative Annual Report. The service charges in the Tentative Annual Report were computed and apportioned according to a formula that fairly distributes the service charge among all subject parcels in proportion to the estimated benefits conferred on each property from the services provided. Staff recommend approval of the service charges in the Tentative Annual Report without modification. The service charge rates are unchanged from the service charge rates levied in CSA L-100 in Fiscal Year 2024-2025.

Adoption of a Resolution confirms the Tentative Annual Report and assesses the service charges set forth therein but does not levy the charges. The levy of the service charges occurs after the preparation of a Final Annual Report that conforms to the official assessor's roll for Fiscal Year 2025-2026. The official assessor's roll will be issued by the County Assessor on or about July 1, 2025.

CONSEQUENCE OF NEGATIVE ACTION:
If the Fiscal Year 2025-2026 Tentative Annual Report for CSA L-100 is not confirmed, either as filed or as modified, the service charges set forth in the Tentative Annual Report may not be levied for Fiscal Year 2025-2026. Street lighting would have to be selectively eliminated throughout the County to meet decreased funding levels.

THE BOARD OF SUPERVISORS OF CONTRA COSTA COUNTY, CALIFORNIA

and for Special Districts, Agencies and Authorities Governed by the Board

IN THE MATTER OF: Confirmation of the Fiscal Year 2025-2026 Tentative Annual Report for County Service Area L-100 (Countywide Street Lighting);

WHEREAS, the Public Works Director has prepared a Fiscal Year 2025-2026 Tentative Annual Report for County Service Area (CSA) L-100 and filed it with the Clerk of the Board pursuant to Article 1012-2.6 of the Contra Costa County Ordinance Code;

WHEREAS, the Clerk of the Board has fixed a time, date, and place for a public hearing on the Tentative Annual Report and published notice of the hearing as provided in Government Code section 6066;

WHEREAS, the Board conducted the public hearing on July 8, 2025, and considered all written and oral testimony, including any and all objections or protests to the Tentative Annual Report;

WHEREAS, the Tentative Annual Report contains a description of each parcel of real property receiving street lighting services within CSA L-100, the basic service charge for CSA L-100, and the estimated service charge amount for each parcel in Fiscal Year 2025-2026;

WHEREAS, the service charges in the Tentative Annual Report were computed and apportioned by a formula that fairly distributes the service charge among all subject parcels in proportion to the estimated benefits conferred on each property from the street lighting services provided within CSA L-100; and

WHEREAS, the Board finds no cause to revise, change, reduce, increase, or modify any estimated service charge contained in the Tentative Annual Report;

NOW, THEREFORE, BE IT RESOLVED The Board hereby CONFIRMS the Fiscal Year 2025-2026 Tentative Annual Report for CSA L-100 and levies the service charges set forth in the report.

TENTATIVE ANNUAL REPORT
FISCAL YEAR 2025-26

CONTRA COSTA COUNTY SERVICE AREA L-100
(Countywide Street Lighting)

July 8, 2025

Board of Supervisors
John Gioia, District 1
Candace Andersen, District 2
Diane Burgis, District 3
Ken Carlson, District 4
Shanelle Scales-Preston, District 5

Prepared by
Contra Costa County
Public Works Department

BACKGROUND INFORMATION

On October 31, 1978, the Board of Supervisors instructed the Public Works Director to develop an alternate means to supplement ad valorem property taxes to fund street lighting in unincorporated areas of the County. This report recommends the levying of a street lighting charge as provided in the County Service Area Law, Government Code, Sections 25210.1 and following, and in accordance with Ordinance No. 79-42, adopted by the Board of Supervisors on March 27, 1979.

County Service Area (CSA) L-100 was formed on September 10, 1986, as a dependent special district of the County and as the consolidation of four street-lighting CSAs. The purpose for consolidating the four CSAs into one district was to provide more efficient and cost-effective street-lighting services throughout the County by having one new county service area with a single management structure and operational area throughout the County and in order to finance the cost of lighting services more equitably by utilizing a common service charge structure.

CSA L-100 provides street lighting operations and maintenance services throughout the County's unincorporated developed areas and pays for utility costs.

CURRENT ANNUAL ADMINISTRATION

Pursuant to County Ordinance Section 1012-2.6, former County Service Area Law (California Government Code Section 25210.77a), and current County Service Area Law (California Government Code Section 24210.3, subd. (d)), the Tentative Annual Report has been filed with the Clerk of the Board of Supervisors, public notice has been completed as required, and the Board will conduct a Public Hearing and then make a determination on each estimated service charge in the tentative report. Contra Costa Board of Supervisors will review the Tentative Annual Report on July 8, 2025, and conduct a Public Hearing in connection with the proceedings for CSA L-100.

Upon adoption of the Final Annual Report by the Board of Supervisors, the charges contained herein will be collected on the property tax roll of Contra Costa County in the same manner, by the same persons, at the same time as, and together with the County's general taxes.

Legal Authority

As required by County Ordinance Section 1012-2.6, former County Service Area Law (California Government Code Section 25210.77a), and current County Service Area Law (California Government Code Section 24210.3, subd. (d)), the Tentative Annual Report includes the following minimum information as shown in the Service Charge Roll:

1. A description of each parcel of real property receiving the miscellaneous extended service;
2. The basic service charge;
3. The estimated amount of the service charge for each parcel for such year; and
4. A parcel list identifying each parcel receiving services that allows parcel owners to find their property on the list and determine the proposed charge.

This annual report also includes an estimate of the annual costs and the method of apportionment as additional information to allow the reader to better understand what services are being paid for, what is the total annual cost for the services provided, and how the cost of services is spread to each individual parcel.

Streetlight Capital Project Implementation

As of late 2015, Contra Costa County has completed the conversion of County-owned standard streetlights from high-pressure sodium vapor to light-emitting diode (LED) lights.

In Fiscal Year 2022-2023, CSA L-100 established a Streetlight Pole Replacement Program (the "Program") to address the aging infrastructure. The on-going program was created to identify, assess, and replace obsolete, damaged, and leaning streetlight poles. In 2022, CSA L-100 initiated the replacement of streetlight poles and pull boxes along Cummings Highway and Crocket Boulevard in Crocket. The project was completed in 2023 for an estimated cost of $26,000 including labor. In 2024, CSA L-100 replaced 10 shoebox-style street light poles with 10 Caltrans Type 15 poles in the area surrounding Danville Boulevard and Stone Valley Road in Danville. For Fiscal Year 2025–2026, the district plans to replace approximately 550 decorative street light poles in the Alamo Creek area of Danville. Additionally, the replacement of 15 street light poles is anticipated along the Treat Boulevard median, from Buskirk Avenue to just beyond Cherry Lane, up to the Walnut Creek city boundary in Fiscal Year 2025-26.

CSA L-100 also manages an active Asset Management System that supports the accounting, inspection, and ongoing maintenance of streetlight assets. This system will be used in conjunction with the Program to analyze the long-term fiscal needs of CSA L-100, ensuring financial stability while maintaining appropriate service levels.

ESTIMATE OF ANNUAL COST

The Fiscal Year 2024-2025 projected and Fiscal Year 2025-2026 proposed revenues and expenditures are shown on the following page. A special fund has been set up for the collection of revenues and coding of expenditures for CSA L-100. The total cost to provide the street lighting services can be recovered from the collection of service charges. Incidental expenses including administration, engineering fees, legal fees, and all other costs associated with the street lighting services may also be included.

When CSA L-100 was formed, a financial analysis was performed to provide the framework for an operating budget for the proposed street lighting operations and maintenance services. Revenues collected from the charge shall be used only for the expenditures represented in this report. Any balance remaining on July 1 at the end of the fiscal year must be carried over to the next fiscal year.

CSA L-100 Countywide Street Lighting Fund 240100 Org 7394	FY 2024-2025 Est YE Total	FY 2025-2026 Budget (*)
Fund Balance as of June 30:	**$ 8,536,225.08**	**$ 8,952,544.70**

BOUNDARY MAP

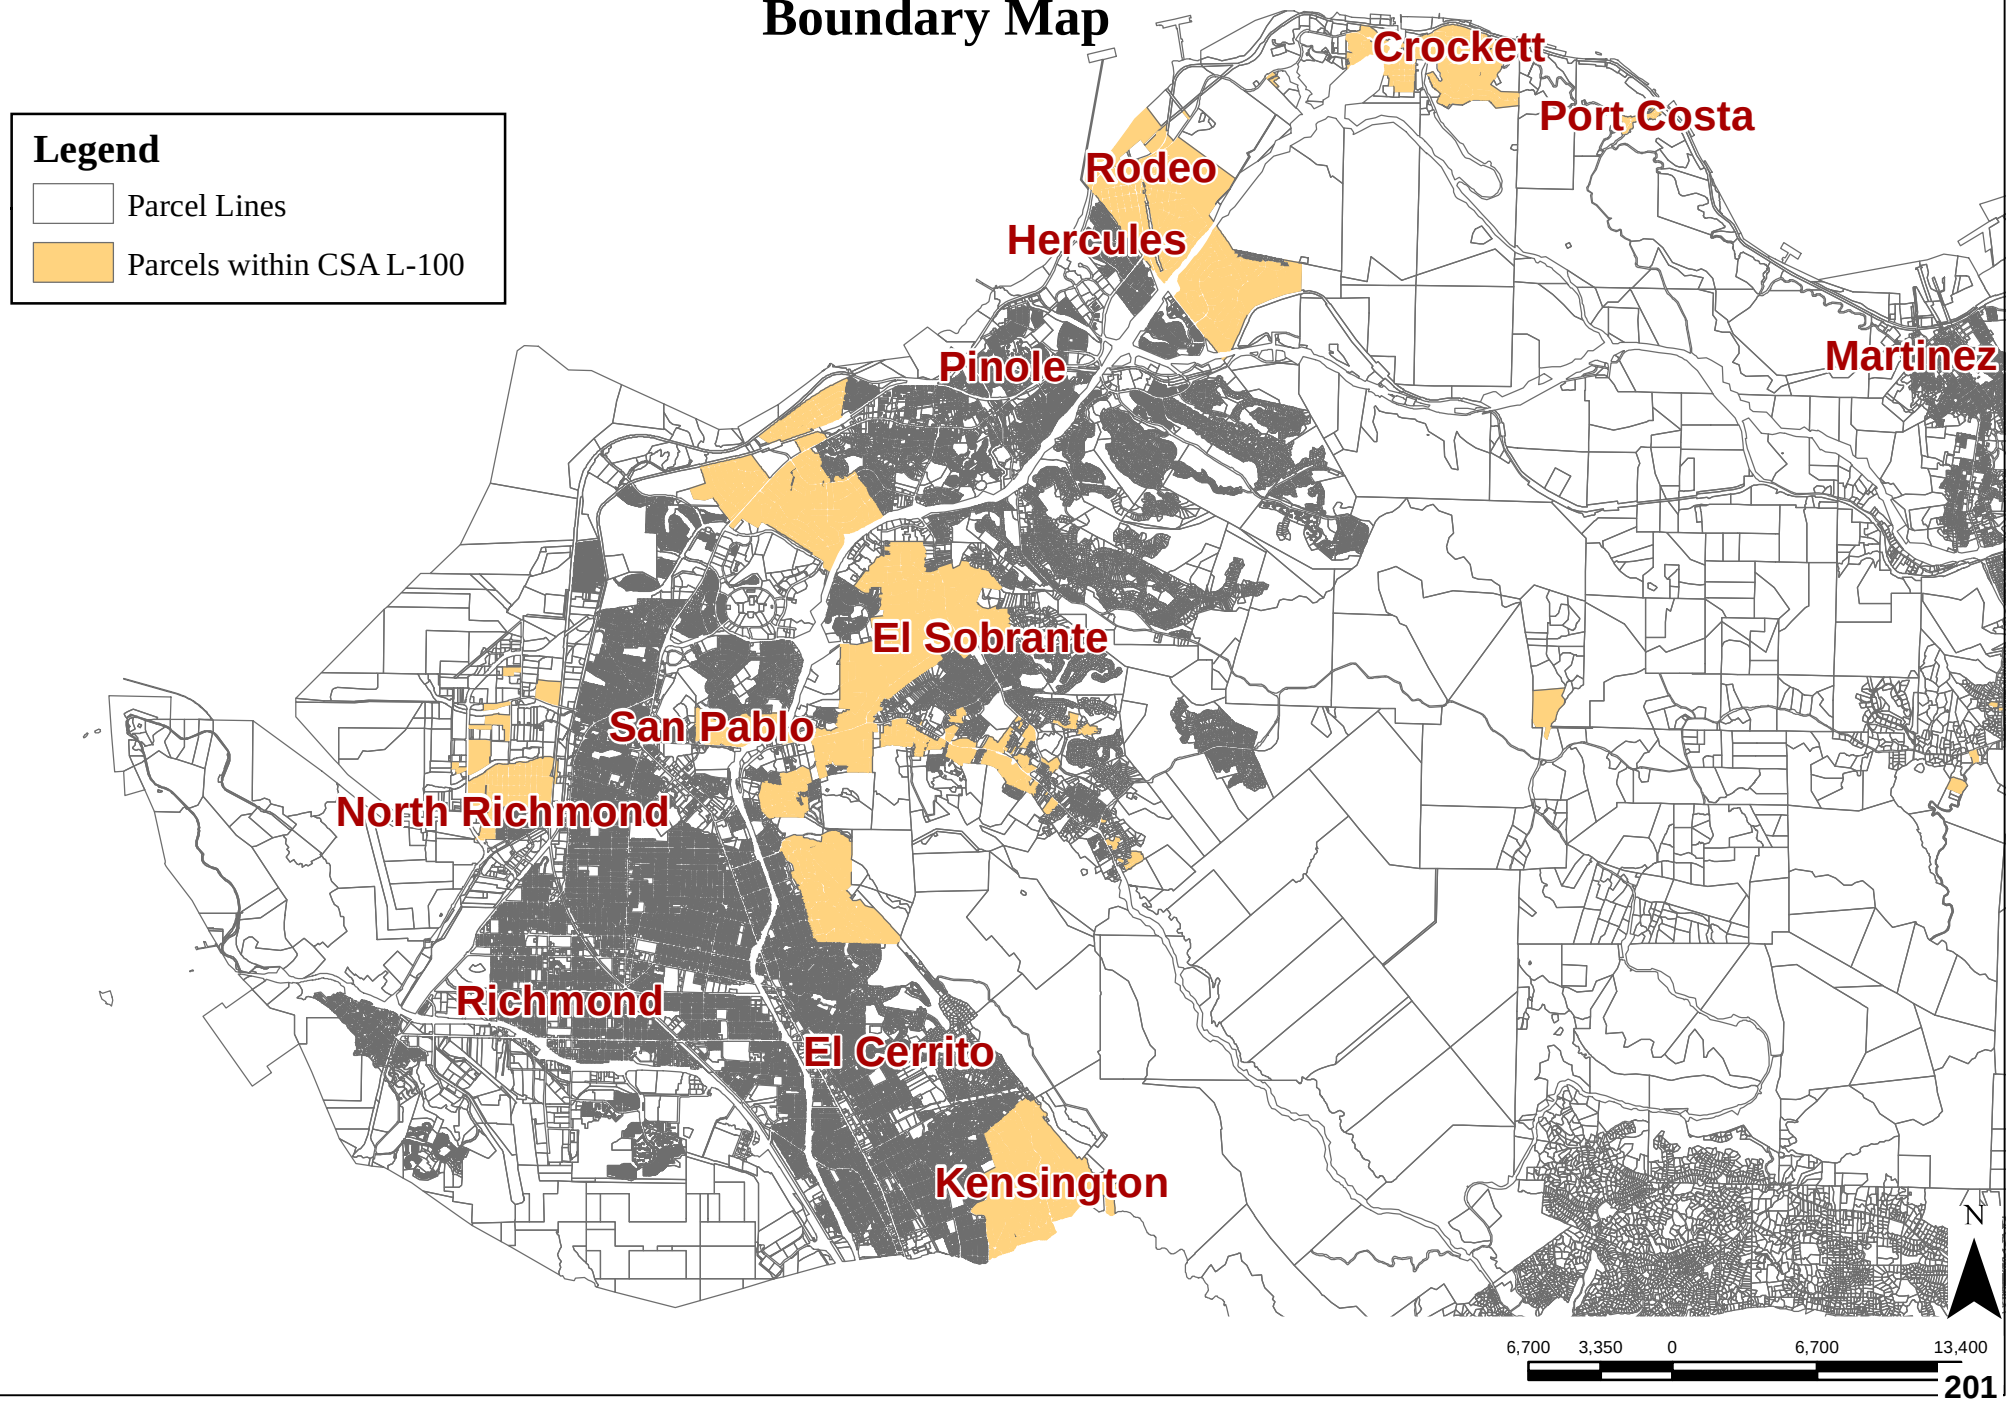

The general boundaries of the CSA are shown herein. The lines and dimensions of each parcel within the CSA are those lines and dimensions shown on the maps of the Contra Costa County Assessor for the year in which this report was prepared and are incorporated by reference herein and made part of this report.

A copy of the Boundary Map is shown on the following pages.

METHOD OF APPORTIONMENT

Special vs. General Benefit

On November 5, 1996, California voters approved Proposition 218 entitled "Right to Vote On Taxes Act" which added Articles XIIIC and XIIID to the California Constitution. While its title refers only to taxes, Proposition 218 establishes new procedural requirements for fees, charges, and benefit assessments.

Although the District's annual service charges are generally collected on the property tax rolls, the District's service charges are not "taxes." Service charges are distinct from the regular one percent (1%) property tax and property tax debt override in that assessment rates are not levied on an ad valorem basis. The service charges contained in this report are considered assessments under Proposition 218.

Proposition 218 procedures stipulate that even if charges or benefit assessments are initially exempt from Proposition 218, future increases in the charges or benefit assessments must comply with the provisions of Proposition 218. However, if the future increase in the charge or benefit assessment were anticipated in the charge or benefit assessment formula when approved by property owners (e.g., consumer price index increases or a predetermined cap), then the future increase in the charge or benefit assessment would be in compliance with the intent and provisions of Proposition 218.

Proposition 218 provides that "only special benefits are assessable" and defines a special benefit as a particular and distinct benefit conferred on real property and not a general benefit received by the public at large. Parcels located within the boundaries of the CSA will be charged for the operation, maintenance, and capital replacement costs associated with street lighting improvements as described herein, if they receive a special and direct benefit from the improvements. Furthermore, the identification and separation of general benefits from the special benefits follows for CSA L-100.

In the absence of the annual service charge, the streetlight improvements within CSA L-100 would not be provided, therefore the enhanced public services provided within CSA L-100 confer a special benefit on the properties within the boundaries of CSA L-100 because only the parcels located within the boundaries of the CSA are served. Without the services, the property located in the unincorporated area would receive no street lighting and no special benefits. Therefore, the services in CSA L-100 are 100 percent special benefit to the parcels within the CSA.

Special benefits conferred on property within the CSA from the public street lighting improvements include:

- Providing for safe vehicular and pedestrian access to property,
- Providing improved livability, appearance, and desirability of property within the CSA, and
- Providing safety and security to property due to enhanced illumination of the property.

Properties outside of CSA L-100 do not enjoy the close proximity to the streetlight improvements provided by the CSA and therefore property outside the boundaries of the CSA do not receive the special benefits. Although these improvements may be available to the public at large, the public street lighting within the CSA was specifically designed, located, and created to provide additional and improved public resources for the direct advantage of property inside the CSA, and not the

public at large. The boundaries of the CSA have been narrowly drawn to include only those parcels that receive a direct advantage from the improvements.

In addition to the special and direct benefits the property owners receive within the CSA from the street lighting improvements, it has been determined that no general benefits are associated with street lighting within CSA L-100. Furthermore, any benefits conferred by the streetlights to the public at large are considered to be incidental, negligible, and non-quantifiable benefits. The streetlight improvements described herein within this report, confer special benefits that affect the assessed property in a way that is distinct from their effects on other parcels and which real property in general and the public at large do not share.

Methodology

The total operation and maintenance costs for the extended public services are apportioned in accordance with the methodology that is consistent with standard practices.

The proper functioning of street lighting is imperative for the welfare and safety of the property owners throughout the County. Proper operation, maintenance, and servicing of a street-lighting system benefits properties by providing increased illumination for ingress and egress, safety for traveling at night, improved security, protection of property and the reduction of traffic accidents.

The degree of benefit is determined by the use of each individual parcel, the intensity of illumination provided, the number of pedestrians generated, and the enhanced security during hours of darkness. The method for distributing the costs to each parcel is based on the Equivalent Dwelling Unit (EDU) factor. The single-family residential parcel is considered one unit of benefit (1.00 EDU). All other land uses have been analyzed to determine the benefit they receive from the intensity of illumination provided, the number of pedestrians generated by their property and the enhanced security to their property during hours of darkness.

The single-family residential parcel has been selected as the basic unit for the calculation of service charge since it represents approximately 72 percent of the parcels within the County. Therefore, the single-family residential parcel is defined as one Equivalent Dwelling Unit (EDU). The methodology used to assign EDUs to the land uses in proportion to the benefit they receive relative to the single-family residential parcel is based on the intensity of the street lighting illumination adjacent to the parcel, the amount of pedestrian traffic generated from the parcel, and the security received from the street lighting to the parcel.

Rate

See Table 1 on the following page for Fiscal Year 2025-2026 Typical Street Lighting Service Charge Rates.

Landuse	Number of Units	Number of EDUs	FY 2025-2026 Charge per EDU	FY 2025-2026 Charge
Single Family	1.00	1.00	$14.94	$14.94
Condominiums	1.00	0.50	$14.94	$7.47
10 unit Apartment	10.00	5.00	$14.94	$74.70
30 unit Apartment	30.00	7.00	$14.94	$104.58
Commercial	N/A	5.00	$14.94	$74.70
Industrial Building	N/A	5.00	$14.94	$74.70
Church	N/A	5.00	$14.94	$74.70
Vacant Land	N/A	0.50	$14.94	$7.47

For a detailed description of the Equivalent Dwelling Unit factors by land use, see Table 2 on the following page.

Table 2 - Recommended Street Lighting EDU's by County Use Code						
Class		**County Use Code**	**Intensity**	**Pedestrian**	**Security**	**Total EDU (Factor)**
1	A. Single Dwelling Unit	11, 12, 13, 14, 19, 61	0.250	0.500	0.250	**1.000**
	B. Condominium	16, 29	0.250	0.125	0.125	**0.500**
2	Multiple Dwelling Units					
	A. Two	21	0.250	1.250	0.500	**2.000**
	B. Three	22, 24	0.250	2.250	0.500	**3.000**
	C. Four	23	0.500	3.000	0.500	**4.000**
	D. 5-12	25	0.500	3.500	1.000	**5.000**
	E. 13-24	26	0.750	4.000	1.250	**6.000**
	F. 25-59	27	0.750	4.500	1.750	**7.000**

CONTRA COSTA COUNTY

Staff Report

File #: RES 2025-237 **Agenda Date:** 7/8/2025 **Agenda #:** D.5.

To: **Board of Supervisors**

From: Warren Lai, Public Works Director/Chief Engineer

Report Title: HEARING on Fiscal Year 2025-2026 Tentative Annual Report for County Service Area M-28; ADOPT resolution confirming the report and levying charges.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
1. RECEIVE from staff the Fiscal Year 2025-2026 Tentative Annual Report on service charges in County Service Area (CSA) M-28, a copy of which is attached.

2. OPEN the public hearing on the Tentative Annual Report; RECEIVE and CONSIDER all written and oral objections or protests to the Tentative Annual Report; and CLOSE the public hearing.

3. CONSIDER whether to adopt, revise, change, reduce, increase, or modify any estimated service charges set forth in the Tentative Annual Report.

4. APPROVE the estimated service charges set forth in the Tentative Annual Report.

5. ADOPT a Resolution confirming the Tentative Annual Report and levying the charges set forth in the report.

6. DIRECT the Public Works Director or his/her designee to prepare a Fiscal Year 2025-2026 Final Annual Report for CSA M-28 that conforms to the County's official service charge roll for Fiscal Year 2025-2026. (County Service Area M-28 Funds) (District III) Project No. 7473-6X9E70.

FISCAL IMPACT:
The levy of the annual service charges in CSA M-28 will provide revenues for the continued operation and maintenance of a water supply system. The CSA M-28 annual service charge was $127,636.24 for Fiscal Year 2024-2025 and is projected to be $131,068.35 in Fiscal Year 2025-2026. This increase is based on the change in the Consumers Price Index (CPI) for the San Francisco Bay Area (All Urban Consumers). The annual service charges for CSA M-28 will be levied on one parcel in Fiscal Year 2025-2026.

BACKGROUND:
As directed by Article 1012-2.602 of the Contra Costa County Ordinance Code, the Public Works Director prepared a Fiscal Year 2025-2026 Tentative Annual Report on service charges in CSA M-28 and filed it with the Clerk of the Board of Supervisors. CSA M-28 provides continued operation and maintenance of a water supply system. The Tentative Annual Report contains a description of each parcel of real property receiving services, the basic service charge for CSA M-28, and the estimated amount of the service charge for each parcel for the fiscal year.

Upon the filing of the Tentative Annual Report, the Clerk of the Board of Supervisors fixed a time, date, and place for a Board hearing on the Tentative Annual Report and for filing objections or protests thereto and published a notice of the hearing as provided in Government Code section 6066.

Following the public hearing, the Board may adopt, revise, change, reduce, increase, or modify any estimated service charge, and shall make its determination upon each estimated service charge as described in the Tentative Annual Report. The service charges in the Tentative Annual Report were computed and apportioned according to a formula that fairly distributes the service charge among all subject parcels in proportion to the estimated benefits conferred on each property from the services provided. Staff recommend approval of the rates and service charges in the Tentative Annual Report without modification.

The service charges in the Tentative Annual Report are higher than the charges levied in Fiscal Year 2024-2025 because they incorporate an automatic adjustment approved by the parcel owners in CSA M-28 in 2007. The annual adjustment provision allows for an increase each year based upon the change in the Consumers Price Index (CPI) for the San Francisco Bay Area (All Urban Consumers). For Fiscal Year 2025-2026 the increase is 2.69% over the Fiscal Year 2024-2025 service charge rates. The Board approved this provision on August 7, 2007.

Adoption of Resolution confirms the Tentative Annual Report and assesses the charges set forth therein but does not levy the charges. The levy of the service charges occurs after the preparation of a Final Annual Report that conforms to the official assessor's roll for Fiscal Year 2025-2026. The official assessor roll will be issued by the County Assessor on or about July 1, 2025.

CONSEQUENCE OF NEGATIVE ACTION:
If the Fiscal Year 2025-2026 Tentative Annual Report for CSA M-28 is not confirmed, either as filed or as modified, the service charges set forth in the Tentative Annual Report may not be levied for Fiscal Year 2025-2026. Therefore, the District would be unable to provide continued operation and maintenance of a water supply system, or an alternate source of funding would have to be identified.

Jocelyn LaRocque - Engineering Services, Diana Oyler- Finance, Rochelle Johnson- Special Districts, Jessi Duffy -Special Districts

THE BOARD OF SUPERVISORS OF CONTRA COSTA COUNTY, CALIFORNIA

and for Special Districts, Agencies and Authorities Governed by the Board

IN THE MATTER OF: Confirmation of the Fiscal Year 2025-2026 Tentative Annual Report for County Service Area M-28 (Willow Mobile Home Park);

WHEREAS, the Public Works Director has prepared a Fiscal Year 2025-2026 Tentative Annual Report for County Service Area (CSA) M-28 and filed it with the Clerk of the Board pursuant to Article 1012-2.6 of the Contra Costa County Ordinance Code;

WHEREAS, the Clerk of the Board has fixed a time, date, and place for a public hearing on the Tentative Annual Report and published notice of the hearing as provided in Government Code section 6066;

WHEREAS, the Board conducted the public hearing on July 8, 2025, and considered all written and oral testimony, including any and all objections or protests to the Tentative Annual Report;

WHEREAS, the Tentative Annual Report contains a description of each parcel of real property receiving water services within CSA M-28, the basic service charge for CSA M-28, and the estimated service charge amount for each parcel in Fiscal Year 2025-2026;

WHEREAS, the service charges in the Tentative Annual Report were computed and apportioned by a formula that fairly distributes the service charge among all subject parcels in proportion to the estimated benefits conferred on each property from the water services provided within CSA M-28; and

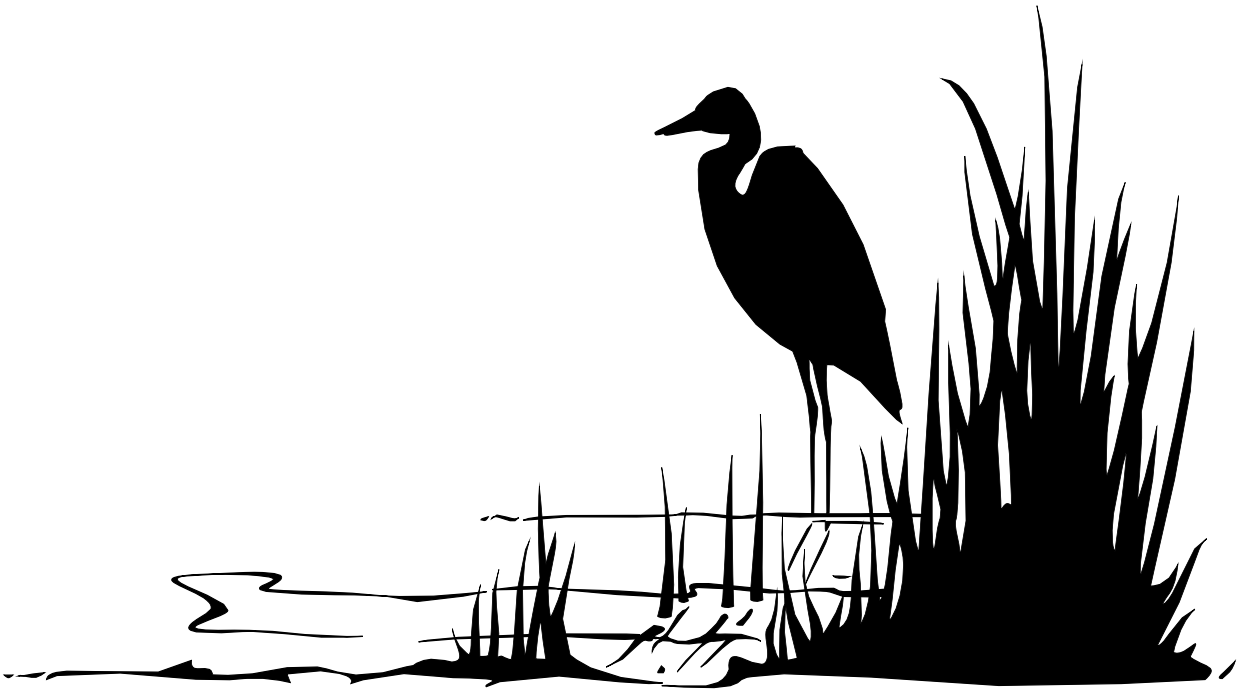

WHEREAS, the Board finds no cause to revise, change, reduce, increase, or modify any estimated service charge contained in the Tentative Annual Report;

NOW, THEREFORE, BE IT RESOLVED: The Board hereby CONFIRMS the Fiscal Year 2025-2026 Tentative Annual Report for CSA M-28 and levies the charges set forth in the report.

TENTATIVE ANNUAL REPORT
FISCAL YEAR 2025-2026

CONTRA COSTA COUNTY SERVICE AREA M-28
(Willow Mobile Home Park)

July 8, 2025

Board of Supervisors
John Gioia, District 1
Candace Andersen, District 2
Diane Burgis, District 3
Ken Carlson, District 4
Shanelle Scales-Preston, District 5

Prepared by
Contra Costa County
Public Works Department

BACKGROUND INFORMATION

The Willow Mobile Home Park is located on Bethel Island and consists of one (1) 23-acre parcel that includes 172 mobile homes. In order for safe water services to be provided, it was recommended that a County Service Area (CSA) be formed.

On December 10, 1991, the Contra Costa Board of Supervisors approved County Resolution 91/807 which formed CSA M-28 (Willow Mobile Home Park). CSA M-28 was formed pursuant to the County Service Area Law to ensure the proper flow of funds for the ongoing operation, maintenance, and servicing of community water system services within the Bethel Island Area.

CSA M-28 has been given the power to acquire, construct, operate, replace, maintain, and repair a water supply and distribution system as authorized by California Government Code Section 25210.4(d) and 25120.4a(1). The funding for CSA M-28 comes from service charges which are obtained from the users of the water system, in accordance with former Government Code Section 25210.77a, Government Code Section 25210.9 and County Ordinance Section 1012-2.6.

CSA M-28 owns and operates a well system. Water is pumped from the well and is treated through a chlorination pump system. The treated water is stored in a 20,000 gallon tank. From the tank, the water is supplied via a single point to the Willow Mobile Home Park.

In October 2014, a town hall meeting was held at the Willow Mobile Home Park to discuss the future of CSA M-28. The main issue discussed was that the existing aging RO system was becoming more expensive to maintain and in need of significant capital improvements. The cost of maintaining this system exceeded the annual funding available. Without a major investment, it was anticipated that the RO system could eventually fail. Alternatives were introduced (status quo, increase service charge to pay for the necessary improvements, connect to Diablo Water District, and request State waiver for secondary standards). It appeared that the majority of the residents at the meeting preferred CSA M-28 to move toward reduction in service by requesting a waiver for secondary standards from the State. This alternative included removing the RO system and providing the minimum allowable water treatment.

By removing the RO treatment, the water would only meet the primary standards and would meet most, but not all, of the secondary standards. CSA M-28 would seek a waiver from the State for the secondary standards. Of all the alternatives presented at the town hall meeting, reducing water treatment allows the rate to be the lowest. It will also allow each individual mobile home to decide what type of treatment they prefer. Whereas, maintaining a more expensive community treatment system, such as the RO, forces everyone to pay for the same level of treatment.

Subsequent to the town hall meeting, on December 16, 2014, the Board of Supervisors authorized a vote by the parcel owner. CSA M-28 requested the mobile home park owner, the single rate payer of CSA M-28, to vote if they would be willing to pay a higher rate to fix the existing RO system or reject the rate increase and move toward reduced services. The mobile home park owner informed the County that they took a survey of the mobile home park residents and the survey indicated the mobile home park residents wanted them to vote against the rate increase. In early 2015, the mobile home park owner submitted the ballot and voted against a rate increase. On March

3, 2015, the ballot was opened and the Board determined that there was a majority protest against a rate increase and directed staff to seek a waiver from the State.

Based on the vote to reject the rate increase, CSA M-28 began the process to move toward reducing the water treatment service. As required by the regulations to obtain the waiver for secondary standards, CSA M-28 contracted with a consultant to provide the necessary report.

In late 2015, when staff visited the CSA M-28's facility to perform a site review and obtain test samples, it was discovered that the RO system was not operating. The previous operator had turned off the RO system without informing CSA M-28 staff. The site review revealed that the water from the well was bypassing the RO system. However, the previous operator did install a chlorination system. Although the water had not gone through the RO system, the water did receive treatment. This revised system was similar to CSA M-28's proposal to the State to replace the RO system.

Despite the fact that the revised system was similar to what the CSA M-28 staff planned to present to the State, the unilateral decision to make the changes and lack of communication by the previous operator were not acceptable to CSA M-28. CSA M-28 staff directed test samples to be taken by the consultant to make sure the water complied with the primary standards. It was anticipated that the water would comply with primary standards because historically the raw water from the well has complied. This is the reason a reduced service was a viable option being considered in 2014 when the County met with the residents. The consultant subsequently reported that the water under the revised system complied with the primary standards. CSA M-28 staff also replaced the operator. Lastly, CSA M-28 staff communicated with County Environmental Health, the regulatory agency, of the discovery and the actions taken.

Changes at CSA M-28 have resulted in a new system operator and movement toward the same goals as discussed at the town hall meeting:

1) Obtain waiver from regulatory agency,
2) Reduce the level of community water treatment, and
3) Allow each resident to establish the appropriate system at their own mobile home.

In Fiscal Year 2015-2016, CSA M-28 made improvements to the aging system and infrastructure. Some of the improvements completed included the upgrade of the auto-dialer alarm system, installation of a flow-based chlorine injection pump system, and installation of new wiring to the well pump. In Fiscal Year 2016-2017, CSA M-28 also replaced the existing well pump and upgraded its emergency response options by entering into an agreement with a nearby water district and contract with a water delivery/hauling company, to supply water to the Willow Mobile Home Park during emergency events.

In Fiscal Year 2016-2017 a draft study was completed per state requirement in order to obtain a waiver. Some of the tasks completed in this study included; conducting additional water samples and analyzing additional alternatives. Future tasks were to include compiling additional survey data, meeting with the State, and constructing some capital improvements.

In Fiscal Year 2017-2018 task orders were issued to the consultant for the preparation of a design memorandum, which documents the design philosophy for the proposed modifications, and design plans and specifications. The design memorandum was completed in January of 2020.

CSA M-28 implemented several improvements to the facility in Fiscal Years 2018-2019 and 2019-2020 to make operations and maintenance more resilient and sustainable. These improvements included:

- Installation of a double-contained and seismically-restrained sodium hypochlorite tank with a 50-gallon reservoir capacity to assure sustained operation;
- Purchase of a second sodium hypochlorite dispensing pump as a backup;
- Purchase of a spare parts kit for the primary sodium hypochlorite dispensing pump to assure continuous operations and quick repairs;
- Improvements to electrical service to improve operational resilience; and
- Installation of a water flow meter to accurately measure the amount of groundwater pumped.

In late 2019, the COVID-19 pandemic began, but did not have any impact on the operations of CSA M-28.

In Fiscal Year 2020-2021, CSA M-28 installed an emergency generator connection to the aging water treatment system so that a generator can be used to provide electrical power in case of a power outage or emergency. Facility improvements were ongoing and continued in 2021.

In Fiscal Year 2021-2022, CSA M-28 installed new metal doors and a sign identifying the ownership and operation of the facility. By the end of the fiscal year, CSA M-28 installed a new Verbatim auto dialer that improved messaging features and functionality giving the facility a better messaging system to match the needs of the water system and facility.

In Fiscal Year 2022-2023 CSA M-28 replaced a well pump electrical box, disposed of a sulfuric acid tank, and replaced a main system shutoff valve and spool.

In Fiscal Year 2023-2024, CSA M-28 disposed of the sodium hydroxide chemical remnants from the reverse osmosis system disposal and demolished the inoperable reverse osmosis system.

In Fiscal Year 2023-2024, CSA M-28 disposed of the sodium hydroxide chemical remnants from the reverse osmosis system disposal and demolished the inoperable reverse osmosis system.

In Fiscal Year 2024-2025, CSA M-28 completed the demolition and removal of decommissioned air stripper and purchased a camlock for water hauling connection of a water truck to the water tank unit in case of emergencies.

In Fiscal Year 2025-2026, CSA M-28 anticipates the purchase of a back-up booster and chlorine pumps and an air compressor.

On September 8, 2021, the Contra Costa Local Agency Formation Commission (LAFCO) voted to approve the annexation of the mobile home park to the Contra Costa Water District (CCWD) and the Diablo Water District (DWD). The annexation brought the mobile home park into the service boundaries of both CCWD and DWD, and will allow for the eventual extension of municipal water service to the 172 mobile homes. CCWD could provide the wholesale water and DWD could provide treated water to the mobile home park with the extension of the waterline.

DWD is currently evaluating the State Water Resources Control Board grant funding for the design and construction of the water line extension. The mobile home park owner supports the extension of the municipal water service to the mobile home park. On February 18, 2021, the Contra Costa Board of Supervisors submitted a letter supporting the annexation to CCWD and DWD. On August 14, 2024, the County submitted a letter to the State Water Resources Control Board expressing an interest in considering the consolidation in support of DWD's technical assistance request.

Pending DWD connection to the mobile home park, CSA M-28 will continue to operate the existing water system, provide water service to the mobile home park, and seek a waiver from the State. Future projects at CSA M-28 will include facility upgrades necessary to maintain system operability. These upgrades may include improvements to the treatment system, installation of seismic restraints and piping supports, reservoir stabilization, distribution pump, blending/ bypass systems (as applicable), exterior tank and piping coatings, sealing of abandoned wells, miscellaneous plant repairs and modifications, instrumentation, and remote monitoring.

While the consolidation with DWD is currently in progress, the State Water Resources Control Board, Division of Drinking Water, is conducting an internal review to establish the timeline and outline the next steps in the process.

CURRENT ANNUAL ADMINISTRATION

Pursuant to County Ordinance Section 1012-2.6, former County Service Area Law (California Government Code Section 25210.77a), and current County Service Area Law (California Government Code Section 24210.3, subd. (d)), the Tentative Annual Report has been filed with the Clerk of the Board of Supervisors, public notice has been completed as required, and the Board will conduct a Public Hearing and then make a determination on each estimated service charge in the tentative report. Contra Costa Board of Supervisors will review the Tentative Annual Report on July 8, 2025, and conduct a Public Hearing in connection with the proceedings for CSA M-28.

Upon adoption of the Final Annual Report by the Board of Supervisors, the charges contained herein will be collected on the property tax roll of Contra Costa County in the same manner, by the same persons, at the same time as, and together with the County's property taxes.

Legal Authority

As required by County Ordinance Section 1012-2.6, former County Service Area Law (California Government Code Section 25210.77a), and current County Service Area Law (California Government Code Section 24210.3, subd. (d)), the Tentative Annual Report includes the following minimum information as shown in the Service Charge Roll:

1. A description of each parcel of real property receiving the miscellaneous extended service;
2. The basic service charge;
3. The estimated amount of the service charge for each parcel for such year; and
4. A parcel list identifying each parcel receiving services that allows parcel owners to find their property on the list and determine the proposed charge.

This annual report also includes an estimate of annual costs and the method of apportionment as additional information to allow the reader to better understand what services are being paid for, what is the total annual cost for the services provided, and how the cost of services is spread to each individual parcel.

ESTIMATE OF ANNUAL COST

The Fiscal Year 2024-2025 projected and Fiscal Year 2025-2026 proposed revenues and expenditures for CSA M-28 are shown on the following page. A special fund has been set up for the collection of revenues and coding of expenditures for CSA M-28. The total cost of construction, operation, maintenance, and servicing of the water system can be recovered from the collection of charges. Incidental expenses including administration, engineering fees, legal fees, and all other costs associated with the construction, operation and maintenance, and servicing of the water system may also be included.

When CSA M-28 was formed, a financial analysis was performed to provide the framework for an operating budget for the proposed operation, maintenance, and servicing of extended community water system services. Revenues collected from the charge shall be used only for the expenditures represented in this report. Any balance remaining on July 1 at the end of the fiscal year must be carried over to the next fiscal year.

In Fiscal Year 2025-2026, CSA M-28 plans to continue the efforts to obtain the waiver from the State. Obtaining the waiver from the State is a significant effort that may include taking additional water samples, analyzing additional alternatives, compiling additional survey data, meeting with the State, etc. All the information gathered will be documented in an Engineer's Report and presented to the State.

BOUNDARY MAP

The general boundaries of the CSA are shown herein. The lines and dimensions of each parcel within the CSA are those lines and dimensions shown on the maps of the Contra Costa County Assessor for the year in which this report was prepared and are incorporated by reference herein and made part of this report.

A copy of the Boundary Map is shown on the following page.

Contra Costa County Service Area (CSA) M-28
(Willow Mobile Home Park Water District)
Boundary Map

METHOD OF APPORTIONMENT

Special vs. General Benefit

On November 5, 1996, California voters approved Proposition 218 entitled "Right to Vote On Taxes Act" which added Articles XIIIC and XIIID to the California Constitution. While its title refers only to taxes, Proposition 218 establishes new procedural requirements for fees, charges, and benefit assessments.

Proposition 218 procedures stipulate that even if charges or benefit assessments are initially exempt from Proposition 218, future increases in the charges or benefit assessments must comply with the provisions of Proposition 218. However, if the future increase in the charge or benefit assessment were anticipated in the charge or benefit assessment formula when approved by property owners (e.g., consumer price index increases or a predetermined cap) then the future increase in the charge or benefit assessment would be in compliance with the intent and provisions of Proposition 218.

Proposition 218 provides that “only special benefits are assessable” and defines a special benefit as a particular and distinct benefit conferred on real property and not a general benefit received by the public at large. Parcels located within the boundaries of the CSA will be charged for the operation, maintenance, and capital replacement associated with the water system serving the Bethel Island community, as described herein within the report, if they receive a special and direct benefit from the services. Furthermore, the identification and separation of general benefits from the special benefits follows for CSA M-28.

Special benefits are conferred on property within the CSA from the water system by enhancing the desirability of property within the CSA due to lower costs associated with the treatment of drinking water, removing contaminates from the water being provided to the property, increases in health and wellness, and an improved quality of life.

Properties outside of CSA M-28 are not served by the water system being operated and maintained from service charge revenues, therefore property outside the boundary of the CSA do not receive special benefit. The services within the CSA were specifically designed and created to provide additional and improved public resources for the direct advantage of property inside the CSA, and not the public at large.

In addition to the special and direct benefits the property owners receive within the CSA from the water system, it has been determined that no general benefits are associated with the water system provided within CSA M-28 because the conferred special benefits that are provided to the charged property are not provided to property outside of the CSA or the public at large.

The annual service charges pay for the operation of the water system provided within CSA M-28. The enhanced water system provided to property within CSA M-28 confers a special benefit and only serves those parcels within the boundary of the CSA. Without the services, the property located in the unincorporated area would not have a localized water system to treat their water. Therefore, the services in CSA M-28 are 100% special benefit to the parcels within the CSA.

Methodology

The total operation and maintenance costs for the extended public services are apportioned in accordance with the methodology that is consistent with standard practices.

The maximum charge rate was previously set at $75,300 per parcel (1991 dollars). Since 1991 the Consumer Price Index (CPI) for the San Francisco Bay Area All Urban Consumers and the costs to operate and maintain the improvements increased, however the charge rate remained constant until Fiscal Year 2007-2008. In Fiscal Year 2007-2008 the charge rate was increased to $79,818 per parcel with an allowance for an increase each subsequent year based upon the San Francisco Bay Area – All Urban Consumers commencing with April 2007 (215.842). In Fiscal Year 2008-09 the annual CPI was changed to February for administrative purposes and the annual change in the February CPI has been, and shall be used in each subsequent year.

Due to an aging system, the cost of operating and maintaining water facilities continues to increase. It was proposed in Fiscal Year 2010-2011 that the charge rate be increased to $95,500 per parcel (8.5% increase). However, this increase was not supported by the property owner, and therefore the 8.5% increase was not imposed.

A rate increase was proposed again in Fiscal Year 2014-2015, so that the charge rate be increased from $91,937 to $335,939 per parcel. However, this increase was not supported by the property owner, and therefore the increase was not imposed.

Rate

The February 2025 CPI Index is 354.432, therefore the maximum rate for Fiscal Year 2025-2026 can be increased 2.69% to $131,068.35 per parcel. CSA M-28 proposes to levy charges at the maximum rate for Fiscal Year 2025-2026.

In Fiscal Year 2025-2026, it is recommended based upon projected expenditures that the maximum rate of $131,068.35 per parcel be collected. The estimated $131,068.35 in revenue will be needed to provide the services referenced above in Fiscal Year 2025-2026. There is one parcel that is included in the CSA. If the charge of $131,068.35 is divided by one (1) parcel, the service charge per parcel is $131,068.35.

SERVICE CHARGE ROLL

A list, which shows the parcel to be charged for Fiscal Year 2025-2026, including a description of the parcel to be charged is shown below.

Parcel Number	Property Address	Proposed Fiscal Year 2025-2026 Amount (*)
029-020-004-7	3656 Willow Rd, Bethel Island	$131,068.35

(*) The charge per parcel may vary slightly due to rounding adjustments.

CONTRA COSTA COUNTY

Staff Report

File #: RES 2025-238 **Agenda Date:** 7/8/2025 **Agenda #:** D.6.

To: **Board of Supervisors**

From: Warren Lai, Public Works Director/Chief Engineer

Report Title: HEARING on Fiscal Year 2025-2026 Tentative Annual Report for County Service area M-30; ADOPT Resolution confirming the report and levying charges.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
1. RECEIVE from staff the Fiscal Year 2025-2026 Tentative Annual Report on service charges in County Service Area (CSA) M-30, a copy of which is attached.

2. OPEN the public hearing on the Tentative Annual Report; RECEIVE and CONSIDER all written and oral objections or protests to the Tentative Annual Report; and CLOSE the public hearing.

3. CONSIDER whether to adopt, revise, change, reduce, increase, or modify any estimated service charges set forth in the Tentative Annual Report.

4. APPROVE the estimated service charges set forth in the Tentative Annual Report.

5. ADOPT a Resolution confirming the Tentative Annual Report and levying the charges set forth in the report.

6. DIRECT the Public Works Director or his/her designee to prepare a Fiscal Year 2025-2026 Final Annual Report for CSA M-30 that conforms to the County's official service charge roll for Fiscal Year 2025-2026. (County Service Area M-30 Funds) (District II) Project No. 7499-6X5491.

FISCAL IMPACT:
The levy of the annual service charges in CSA M-30 will provide revenues for police services, park and roadside landscape maintenance, public street maintenance and street lighting services. The CSA M-30 total annual service charge was $70,698.76 for Fiscal Year 2024-2025 and is projected to be $74,051.74 in Fiscal Year 2025-2026. This increase is based on the approved annual escalator outlined in the CSA M-30 formation documents. The annual escalator is equal to the annual change in the Consumer Price Index (CPI) for the San Francisco Bay Area (All Urban Consumers) plus two (2) percent. There are 41 developed parcels in the CSA. The service charge per parcel for CSA M-30 was $1,724.37 for Fiscal Year 2024-2025 and will be $1,806.15 for Fiscal Year 2025-2026.

BACKGROUND:
As directed by Article 1012-2.602 of the Contra Costa County Ordinance Code, the Public Works Director prepared a Fiscal Year 2025-2026 Tentative Annual Report on service charges in CSA M-30 and filed it with the Clerk of the Board of Supervisors. CSA M-30 provides police services, park and roadside landscape

maintenance, public street maintenance, and street lighting services. The Tentative Annual Report contains a description of each parcel of real property receiving services, the basic service charge for CSA M-30, and the estimated amount of the service charge for each parcel for the fiscal year.

Upon the filing of the Tentative Annual Report, the Clerk of the Board of Supervisors fixed a time, date, and place for a Board hearing on the Tentative Annual Report and for filing objections or protests thereto and published a notice of the hearing as provided in Government Code section 6066.

Following the public hearing, the Board may adopt, revise, change, reduce, increase, or modify any estimated service charge, and shall make its determination upon each estimated service charge as described in the Tentative Annual Report. The service charges in the Tentative Annual Report were computed and apportioned according to a formula that fairly distributes the service charge among all subject parcels in proportion to the estimated benefits conferred on each property from the services provided. Staff recommend approval of the rates and service charges in the Tentative Annual Report without modification.

The service charges in the Tentative Annual Report are higher than the charges levied in Fiscal Year 2024-2025 because they incorporate an automatic adjustment approved by the parcel owners in CSA M-30 in 1997. The adjustment provision allows for an increase each year based upon the Consumer Price Index for the San Francisco-Oakland-San Jose Area (All Urban Consumers) plus two percent (2%). For Fiscal Year 2025-2026 the increase is 2.69%, plus 2% over the Fiscal Year 2024-2025 service charge rates. The Board approved this provision on May 5, 1998.

Adoption of a Resolution confirms the Tentative Annual Report and assesses the charges set forth therein but does not levy the charges. The levy of the service charges occurs after the preparation of a Final Annual Report that conforms to the official assessor's roll for Fiscal Year 2025-2026. The official assessor's roll will be issued by the County Assessor on or about July 1, 2025.

CONSEQUENCE OF NEGATIVE ACTION:
If the Fiscal Year 2025-2026 Tentative Annual Report for CSA M-30 is not confirmed, either as filed or as modified, the service charges set forth in the Tentative Annual Report may not be levied for Fiscal Year 2025-2026. Therefore, the District would be unable to provide police services, park and roadside landscape maintenance, public street maintenance, and street lighting services or an alternate source of funding would have to be identified.

THE BOARD OF SUPERVISORS OF CONTRA COSTA COUNTY, CALIFORNIA

and for Special Districts, Agencies and Authorities Governed by the Board

IN THE MATTER OF: Confirmation of the Fiscal Year 2025-2026 Tentative Annual Report for County Service Area M-30 (Alamo Springs);

WHEREAS, the Public Works Director has prepared a Fiscal Year 2024-2025 Tentative Annual Report for County Service Area (CSA) M-30 and filed it with the Clerk of the Board pursuant to Article 1012-2.6 of the Contra Costa County Ordinance Code;

WHEREAS, the Clerk of the Board has fixed a time, date, and place for a public hearing on the Tentative Annual Report and published notice of the hearing as provided in Government Code section 6066;

WHEREAS, the Board conducted the public hearing on July 8, 2025, and considered all written and oral testimony, including any and all objections or protests to the Tentative Annual Report;

WHEREAS, the Tentative Annual Report contains a description of each parcel of real property receiving police services, park and roadside landscape maintenance, public street maintenance, and street lighting services within CSA M-30, the basic service charge for CSA M-30, and the estimated service charge amount for each parcel in Fiscal Year 2025-2026;

WHEREAS, the service charges in the Tentative Annual Report were computed and apportioned by a formula that fairly distributes the service charge among all subject parcels in proportion to the estimated benefits conferred on each property from the police services, park and roadside landscape maintenance, public street maintenance, and street lighting services provided within CSA M-30; and

WHEREAS, the Board finds no cause to revise, change, reduce, increase, or modify any estimated service charge contained in the Tentative Annual Report;

NOW, THEREFORE, BE IT RESOLVED The Board hereby CONFIRMS the Fiscal Year 2025-2026 Tentative Annual Report for CSA M-30 and levies the charges set forth in the report.

TENTATIVE ANNUAL REPORT
FISCAL YEAR 2025-2026

CONTRA COSTA COUNTY SERVICE AREA M-30
(Alamo Springs)

July 8, 2025

Board of Supervisors
John Gioia, District 1
Candace Andersen, District 2
Diane Burgis, District 3
Ken Carlson, District 4
Shanelle Scales-Preston, District 5

Prepared by
Contra Costa County
Public Works Department

BACKGROUND INFORMATION

In August 1989, the Town of Danville ("Town") and the County of Contra Costa ("County") entered into a Memorandum of Agreement to undertake a joint-jurisdiction General Plan and project review for the Alamo Springs Project ("Project"), which is located north of Interstate 680 off Alamo Springs Drive. The project originally provided for the development of 53 single-family homes, of which 11 were to be located within the Town of Danville and 42 were to remain in the unincorporated portion of Contra Costa County.

After certification of an Environmental Impact Report (EIR) for the Project, the Board of Supervisors on December 8, and 15, 1992, approved the Project. The unincorporated area of the Project was simultaneously rezoned to a planned unit development. On January 23, 1996, the Town and County entered into a new Memorandum of Agreement, superseding the August 1989 Memorandum of Agreement, to establish procedures for joint review and approval of the project.

During the planning process, it was decided that the Town would provide extended services in the form of police, public street maintenance, park and roadside landscape maintenance to the homes in the unincorporated area. Public Street lighting would be provided by Contra Costa County. It was decided that a benefit assessment or service charge collected on the property tax bills via a County Service Area (CSA) was the best funding mechanism to pay for the increased services.

On September 3, 1997, Danville Town Council adopted Resolution No. 124-97, requesting Contra Costa County Local Agency Formation Commission ("LAFCO") approve formation of County Service Area (CSA) M-30. On November 17, 1997, LAFCO approved formation of CSA M-30.

On May 5, 1998, the Board of Supervisors conducted a public hearing and subsequently approved Resolution 1998/235, which authorized the annual levy of service charges on the parcels located within CSA M-30 to fund extended public services.

The services provided by CSA M-30 are:

1. **Police Services.** All police services provided to residents by Town police, including without limitation, community services, crime prevention, investigation, patrol, and traffic enforcement.
2. **Park and Roadside Landscape Services.** All park and roadside landscape services provided to residents including without limitation, maintenance of parks and other public facilities, such as the Danville Library and Community Center, and maintenance of all roadside and median landscaping.
3. **Public Street Maintenance.** All public street maintenance, including without limitation, repair and replacement of asphalt on public streets, crack sealing, and other maintenance measures to protect and prolong the life of the public streets, repair and replacement of street signs, stop signs, etc.
4. **Street Lighting.** The operation, maintenance and servicing of public streetlights and appurtenant facilities as required to provide safe lighting along public streets. Maintenance is provided by Contra Costa County.

There was no impact to the operations of CSA M-30 due to COVID-19.

CURRENT ANNUAL ADMINISTRATION

Pursuant to County Ordinance Section 1012-2.6, former County Service Area Law (California Government Code Section 25210.77a), and current County Service Area Law (California Government Code Section 24210.3, subd. (d)), the Tentative Annual Report has been filed with the Clerk of the Board of Supervisors, public notice has been completed as required, and the Board will conduct a Public Hearing and then make a determination on each estimated service charge in the tentative report. The Board of Supervisors reviewed the Tentative Annual Report on July 8, 2025, and conduct a Public Hearing in connection with the proceedings for CSA M-30.

Upon adoption of the Final Annual Report by the Board of Supervisors, the charges contained herein will be collected on the property tax roll of Contra Costa County in the same manner, by the same persons, at the same time as, and together with the County's property taxes.

Legal Authority

As required by County Ordinance Section 1012-2.6, former County Service Area Law (California Government Code Section 25210.77a), and current County Service Area Law (California Government Code Section 24210.3, subd. (d)), the Tentative Annual Report includes the following minimum information as shown in the Service Charge Roll:

1. A description of each parcel of real property receiving the miscellaneous extended service;
2. The basic service charge;
3. The estimated amount of the service charge for each parcel for such year; and
4. A parcel list identifying each parcel receiving services that allows parcel owners to find their property on the list and determine the proposed charge.

This annual report also includes an estimate of annual costs and the method of apportionment as additional information to allow the reader to better understand what services are being paid for, what is the total annual cost for the services provided, and how the cost of services is spread to each individual parcel.

ESTIMATE OF ANNUAL COST

The Fiscal Year 2024-2025 projected and Fiscal Year 2025-2026 proposed revenues and expenditures are shown below. A special fund has been set up for the collection of revenues and coding of expenditures for CSA M-30. Incidental expenses including administration, engineering fees, legal fees, and all other costs associated with the extended services may also be included.

When CSA M-30 was formed, a financial analysis was performed to provide the framework for an operating budget for the proposed services. This analysis was based on the estimated expenses for each service component (police, parks, roadside landscape, street maintenance, and street lighting). Revenues collected from the benefit assessment or service charge shall be used only for the expenditures represented in this report. Any balance remaining on July 1 at the end of the fiscal year must be carried over to the next fiscal year.

BOUNDARY MAP

The general boundaries of the CSA are shown herein. The lines and dimensions of each parcel within the CSA are those lines and dimensions shown on the maps of the Contra Costa County Assessor for the year in which this report was prepared and are incorporated by reference herein and made part of this report.

A copy of the Boundary Map is shown on the following page.

Contra Costa County Service Area (CSA) M-30
(Alamo Springs)
Boundary Map

METHOD OF APPORTIONMENT

Special vs. General Benefit

On November 5, 1996, California voters approved Proposition 218 entitled "Right to Vote On Taxes Act" which added Articles XIIIC and XIIID to the California Constitution. While its title refers only to taxes, Proposition 218 establishes new procedural requirements for fees, charges, and benefit assessments.

Proposition 218 procedures stipulate that even if charges or benefit assessments are initially exempt from Proposition 218, future increases in the charges or benefit assessments must comply with the provisions of Proposition 218. However, if future increases in the charge or benefit assessment were anticipated in the charge or benefit assessment formula when approved by property owners (e.g., consumer price index increases or a predetermined cap) then the future increase in the charge or benefit assessment would be in compliance with the intent and provisions of Proposition 218.

Proposition 218 provides that “only special benefits are assessable” and defines a special benefit as a particular and distinct benefit conferred on real property and not a general benefit received by the public at large. The extended public services provided within CSA M-30 are deemed a special benefit and only serve the parcels located within the boundaries of the District. Without the services, the homes located in the unincorporated area would receive standard County police services, limited park and roadside landscape services, limited public street maintenance, and no County public street lighting. Standard County police services are characterized by 1.1 officers per 1,000 residents, and traffic enforcement would be provided by the California Highway Patrol on an as requested basis. Therefore, the services in CSA M-30 are 100% special benefit to the parcels within the CSA.

Methodology

The total operation and maintenance costs for the extended public services are apportioned in accordance with the methodology that is consistent with standard practices.

Since the service charge is levied on the owners of properties as shown on the tax rolls, the final charges must be assigned by Assessor's Parcel Number. The parcels of the Project that make up CSA M-30 are all designated for residential use. The project’s Covenants, Conditions and Restrictions (CC&R’s) require that most parcels be developed with a main residential unit of at least 3,500 square feet. While the parcel sizes vary, they all have substantially the same size building pads. It is anticipated that homes built on these lots will be similar in size and that the size of families who live in these homes will be similar. For these reasons, the need for, and the use of each of the services (miscellaneous police, park and roadside landscaping maintenance, public street maintenance and County public street lighting) will be substantially the same for each parcel. Therefore, the same service charge will be levied on each developed parcel within CSA M-30. In order for a parcel to be classified as developed, a building permit must be issued prior to April 30.

The methodology for calculating the service charge per parcel for each of the services is similar. In Fiscal Year 1997-98 the service charge per parcel was set at $467.13 per parcel. To determine the cost per parcel, the total budget for providing service to the current service area was divided by the total number of parcels or units within the current service area. Please refer to Contra Costa County Resolution 1998-235 for a detailed report that includes the initial calculation of this service charge.

The maximum service charge may be adjusted annually to reflect the prior year's change in the Consumer Price Index (CPI) for All Urban Consumers for San Francisco-Oakland-San Jose plus two percent (2%). The base CPI index used in annual calculations began with April 1997 (159.6). However, starting in Fiscal Year 2010-2011, the annual CPI was changed to February for administrative purposes and the annual change in the February CPI shall be used in each subsequent year. Any change in the rate per developed parcel, which is the result of the change in the CPI shall not be deemed an increase in the service charge subject to the requirements of Proposition 218.

Rate

For Fiscal Year 2024-2025 the allowed maximum rate was $1,724.37 per developed parcel. The Fiscal Year 2025-2026 rate has been calculated as follows:

$1,724.37 per developed parcel in Fiscal Year 2024-2025
+2.69% CPI increase for Fiscal Year 2025-2026 = $1,770.74
+2.00% increase for Fiscal Year 2025-2026 = $1,806.15.

In Fiscal Year 2025-2026, it has been determined that, based upon projected expenditures, the maximum rate of $1,806.15 is to be collected. It is estimated $74,051.74 in revenue will be needed to provide the services referenced above in Fiscal Year 2025-2026. There are 41 parcels that have had a building permit issued. If you divide $74,051.74 by 41 homes, the service charge per parcel is $1,806.15. The charge per parcel may vary slightly due to rounding adjustments.

SERVICE CHARGE ROLL

A list of those parcels to be charged for Fiscal Year 2025-2026, including a description of each parcel to be charged is shown on the following page.

SERVICE CHARGE ROLL
FISCAL YEAR 2025-2026

CONTRA COSTA COUNTY

Staff Report

File #: RES 2025-239 **Agenda Date:** 7/8/2025 **Agenda #:** D.7.

To: **Board of Supervisors**

From: Warren Lai, Public Works Director/Chief Engineer

Report Title: HEARING on Fiscal Year 2025-2026 Tentative Annual Report for County Service Area M-31; ADOPT Resolution confirming the report and levying charges.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
1. RECEIVE from staff the Fiscal Year 2025-2026 Tentative Annual Report on service charges in County Service Area (CSA) M-31, a copy of which is attached.

2. OPEN the public hearing on the Tentative Annual Report; RECEIVE and CONSIDER all written and oral objections or protests to the Tentative Annual Report; and CLOSE the public hearing.

3. CONSIDER whether to adopt, revise, change, reduce, increase, or modify any estimated service charges set forth in the Tentative Annual Report.

4. APPROVE the estimated service charges set forth in the Tentative Annual Report.

5. ADOPT a Resolution confirming the Tentative Annual Report and levying the charges set forth in the report.

6. DIRECT the Public Works Director or his/her designee to prepare a Fiscal Year 2025-2026 Final Annual Report for CSA M-31 that conforms to the County's official service charge roll for Fiscal Year 2025-2026. (County Service Area M-31 Funds) (District IV) Project No. 7476-6X5195.

FISCAL IMPACT:
The levy of the annual service charges in CSA M-31 will provide revenues for transportation demand management services. The CSA M-31 total annual service charge was $391,991.92 for Fiscal Year 2024-2025 and is projected to be $402,516.00 in Fiscal Year 2025-2026. This increase is based on the change in the Consumer Price Index (CPI) for the San Francisco Bay Area (All Urban Consumers). The service charges for CSA M-31 were $86.85/developed residential unit and $0.1528 per developed commercial square foot in Fiscal Year 2024-2025. The service charges for CSA M-31 are $89.19/developed residential unit and $0.1569 per developed commercial square foot in Fiscal Year 2025-2026.

BACKGROUND:
As directed by Article 1012-2.602 of the Contra Costa County Ordinance Code, the Public Works Director prepared a Fiscal Year 2024-2025 Tentative Annual Report on service charges in CSA M-31 and filed it with the Clerk of the Board of Supervisors. CSA M-31 provides transportation demand management services. The Tentative Annual Report contains a description of each parcel of real property receiving services, the basic

service charge for CSA M-31 and the estimated amount of the service charge for each parcel for the fiscal year.

Upon the filing of the Tentative Annual Report, the Clerk of the Board of Supervisors fixed a time, date, and place for a Board hearing on the Tentative Annual Report and for filing objections or protests thereto and published a notice of the hearing as provided in Government Code section 6066.

Following the public hearing, the Board may adopt, revise, change, reduce, increase, or modify any estimated service charges, and shall make its determination upon each estimated service charge as described in the Tentative Annual Report. The service charges in the Tentative Annual Report were computed and apportioned according to a formula that fairly distributes the service charge among all subject parcels in proportion to the estimated benefits conferred on each property from the services provided. Staff recommend approval of the rates and service charges in the Tentative Annual Report without modification.

The service charges in the Tentative Annual Report are higher than the charges levied in Fiscal Year 2024-2025 because they incorporate an automatic adjustment approved by the parcel owners within CSA M-31 in 2002. The adjustment provision allows for an increase each year based upon the change in the Consumer Price Index (CPI) for the San Francisco Bay Area (All Urban Consumers). For Fiscal Year 2025-2026 the increase is 2.69% over the Fiscal Year 2024-2025 service charge rates. The Board approved this provision in 2002.

Adoption of a Resolution confirms the Tentative Annual Report and assesses the charges set forth therein but does not levy the charges. The levy of the service charges occurs after the preparation of a Final Annual Report that conforms to the official assessor's roll for Fiscal Year 2025-2026. The official assessor's roll will be issued by the County Assessor on or about July 1, 2025.

CONSEQUENCE OF NEGATIVE ACTION:
If the Fiscal Year 2025-2026 Tentative Annual Report for CSA M-31 is not confirmed, either as filed or as modified, the service charges set forth in the Tentative Annual Report may not be levied for Fiscal Year 2025-2026. Therefore, the District would be unable to provide transportation demand management services, or an alternative source of funding would have to be identified.

THE BOARD OF SUPERVISORS OF CONTRA COSTA COUNTY, CALIFORNIA

and for Special Districts, Agencies and Authorities Governed by the Board

IN THE MATTER OF: Confirmation of the Fiscal Year 2025-2026 Tentative Annual Report for County Service Area M-31 (Contra Costa Centre Transit Village);

WHEREAS, the Public Works Director has prepared a Fiscal Year 2025-2026 Tentative Annual Report for County Service Area (CSA) M-31 and filed it with the Clerk of the Board pursuant to Article 1012-2.6 of the Contra Costa County Ordinance Code;

WHEREAS, the Clerk of the Board has fixed a time, date, and place for a public hearing on the Tentative Annual Report and published notice of the hearing as provided in Government Code section 6066;

WHEREAS, the Board conducted the public hearing on July 8, 2025, and considered all written and oral testimony, including any and all objections or protests to the Tentative Annual Report;

WHEREAS, the Tentative Annual Report contains a description of each parcel of real property receiving transportation demand management services within CSA M-31, the basic service charge for CSA M-31, and the estimated service charge amount for each parcel in Fiscal Year 2025-2026;

WHEREAS, the service charges in the Tentative Annual Report were computed and apportioned by a formula that fairly distributes the service charge among all subject parcels in proportion to the estimated benefits conferred on property from the transportation demand management services provided within CSA M-31; and

WHEREAS, the Board finds no cause to revise, change, reduce, increase, or modify any estimated service charge contained in the Tentative Annual Report;

NOW, THEREFORE, BE IT RESOLVED: The Board hereby CONFIRMS the Fiscal Year 2025-2026 Tentative Annual Report for CSA M-31 and levies the charges set forth in the report.

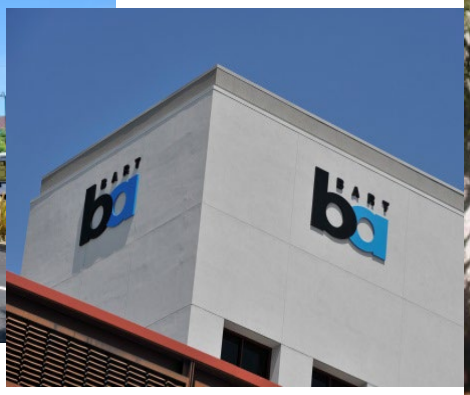

TENTATIVE ANNUAL REPORT
FISCAL YEAR 2025-2026

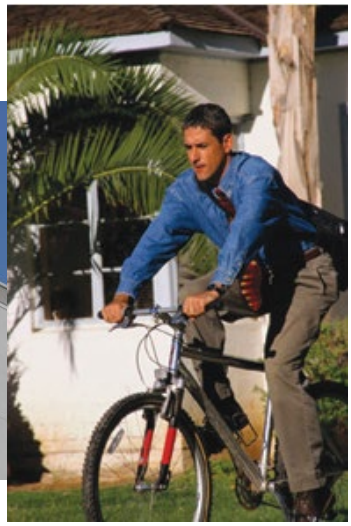

CONTRA COSTA COUNTY SERVICE AREA M-31
(Contra Costa Centre Transit Village)

Transportation Demand Management Services

July 8, 2025

Board of Supervisors
John Gioia, District 1
Candace Andersen, District 2
Diane Burgis, District 3
Ken Carlson, District 4
Shanelle Scales-Preston, District 5

Prepared by
Contra Costa County
Public Works Department

BACKGROUND INFORMATION

In 2002 it was recognized that the area commonly known as Contra Costa Centre Transit Village, in the unincorporated portion of Contra Costa County, would be redeveloped, creating a need for new transit services. Contra Costa Centre Transit Village is located east of Interstate 680.

The Contra Costa Centre Transit Village benefits residents and employees with a variety of travel mode options. A core element of the travel mode options for residents and employees, and a key traffic mitigation measure in the California Environmental Quality Act (CEQA) documents certified at the time of adoption and amendment of the Contra Costa Centre Transit Village Specific Plan, was the establishment of Transportation Demand Management (TDM) programs. TDM programs include carpooling, vanpooling, ridesharing, flex time, staggered work hours, guaranteed ride home, telecommuting, etc. The property owners within Contra Costa Centre Transit Village collectively had a mandate to achieve at least 30% TDM performance (i.e., 30% or more of the area employees arrive at work via something other than a single-occupied car).

The Contra Costa Centre Transit Village Association is the collective mechanism by which the developer/property owner's obligation for TDM programs is achieved. The Contra Costa Centre Transit Village Association is a private non-profit corporation whose membership consists of the property owners in the area. It has been in existence since the mid-1980s.

On April 23, 2002, the Board of Supervisors approved Resolution Nos. 2002/256 and 2002/257 which recommended to the Local Agency Formation Commission of Contra Costa County (LAFCO) the formation of County Service Area (CSA) M-31, Contra Costa Centre Transit Village.

The properties within CSA M-31 receive a special and distinct benefit over and above the general benefits received by the public at-large in the form of extended TDM services. These extended transportation services consist of the implementation of TDM programs as discussed in this report and in the Plan for Providing Services for CSA M-31, which is on file with LAFCO. Resolution 2002/256 further stated that CSA M-31 services should be supported by a benefit assessment, service charge, or special tax levy on parcels that receive this special and distinct benefit from the CSA M-31 services.

On June 11, 2002, the Board of Supervisors conducted a public hearing and subsequently approved Resolution 2002/362 which authorized the annual levy of benefit assessments or service charges on the parcels located within CSA M-31 to fund TDM programs.

On July 10, 2002, LAFCO conducted a public hearing and subsequently approved Resolution 02-19 which formed CSA M-31.

Each year since Fiscal Year 2002-2003, benefit assessments or service charges have been levied within CSA M-31.

On June 3, 2008, by Resolution No. 2008/366, the Board of Supervisors approved the annexation of Subdivision 05-8950 (Pleasant Hill BART Redevelopment Property) into CSA M-31. This annexation was subsequently approved by LAFCO Resolution 08-19 on August 13, 2008.

In Fiscal Year 2023-2024, CSA M-31 replaced the TDM program's Nissan Leaf fully electric vehicle with a new electric vehicle and add two new e-bikes to their fleet to replace aging bikes. In addition, CSA M-31 initiated arrangements to discontinue the 10-year-old antiquated Inverse Vehicle Reservation System and replace it with a Smart Mobility Company that will provide IOS/Android application based booking and keyless entry system to manage vehicles and e-bikes.

The following is a list of programs and services that are proposed to be funded in Fiscal Year 2025-2026 by CSA M-31:

1) Transit Subsidy Program: Load on Clipper card $95 value BART fare for $5. Must pledge to take BART to work a minimum of three days per week.
    - 70 participants for twelve months
2) Carpool Incentive Program: Provide two $35 Chevron gas cards per carpool per month for twelve months.
    - 20 participants for twelve months
3) Bus Subsidy Program: Purchase a $60 value monthly County Connection bus pass or reimbursement of other transit bus pass for $10.
    - 20 participants for twelve months
4) Train Subsidy Program: Purchase a monthly Amtrak train pass and receive a $75 reimbursement.
    - 20 participants for twelve months
5) Bike/Walk to Work Incentive Program: Bike or walk to work at least three times per week per month, a minimum of 12 times each month, and receive a $25 voucher or gas card.
    - 2 participants for twelve months
6) Guaranteed Ride Home Program: This program is managed by Contra Costa Centre Transit Village. The program is an "insurance policy" against being stranded without a way to get home for commuters who take a commute alternative (carpool, vanpool, public transit, bicycle or walk) to work and have a qualified emergency which does not allow them to use the commute alternative to return home.
7) Mid-Day Shuttle: The mid-day shuttle, a clean air natural gas shuttle, runs from 10:30 a.m. – 2:10 p.m., Monday through Friday, with stops at all Centre buildings between the Contra Costa Centre Transit Village, the Countrywood Shopping Mall and Kohl's, free of charge.
8) Green Fleet Program: The Contra Costa Centre Transit Village (CCCTV) provides employees with access to local vehicles (e.g. bicycles, electric bicycles, electric and hybrid cars) to use through the Contra Costa Centre Transit Village and vicinity during the workday. Employees can check-out vehicles online or electronically at various kiosk locations. The Green Fleet programs are free to CCCTV employees.
9) Marketing Plan: The Contra Costa Centre Transit Village markets the program through newsletters, posters, brochures, and promotional handouts. Additionally, they meet with employers and employees directly, and host events and transportation fairs to ensure CCCTV area workers are informed of the various commute alternatives, subsidies, and incentives available to them through the Contra Costa Centre Transit Village TDM Program.

These TDM services may be amended annually, including the addition or deletion of the services as required to meet the 30% TDM performance goal as determined by Contra Costa County in consultation with the Contra Costa Centre Association or its successor.

CURRENT ANNUAL ADMINISTRATION

Pursuant to County Ordinance Section 1012-2.6, former County Service Area Law (California Government Code Section 25210.77a), and current County Service Area Law (California Government Code Section 24210.3, subd. (d)), the Tentative Annual Report has been filed with the Clerk of the Board of Supervisors, public notice has been completed as required, and the Board will conduct a Public Hearing and then make a determination on each estimated service charge in the tentative report. Contra Costa Board of Supervisors will review the Tentative Annual Report on July 8, 2025 and conduct a Public Hearing in connection with the proceedings for CSA M-31.

Upon adoption of the Final Annual Report by the Board of Supervisors, the charges contained herein will be collected on the property tax roll of Contra Costa County in the same manner, by the same persons, at the same time as, and together with the County's property taxes.

Legal Authority

As required by County Ordinance Section 1012-2.6, former County Service Area Law (California Government Code Section 25210.77a), and current County Service Area Law (California Government Code Section 24210.3, subd. (d)), the Tentative Annual Report includes the following minimum information as shown in the Service Charge Roll:

1. A description of each parcel of real property receiving the miscellaneous extended service;
2. The basic service charge;
3. The estimated amount of the service charge for each parcel for such year; and
4. A parcel list identifying each parcel receiving services that allows parcel owners to find their property on the list and determine the proposed charge.

This annual report also includes an estimate of annual costs, the method of apportionment as additional information to allow the reader to better understand what services are being paid for, what is the total annual cost for the services provided, and how the cost of services is spread to each individual parcel.

ESTIMATE OF ANNUAL COST

The Fiscal Year 2024-2025 projected and Fiscal Year 2025-2026 proposed revenues and expenditures are shown below. A special fund has been set up for the collection of revenues and the coding of expenditures for CSA M-31. The total cost to provide the TDM services can be recovered from the collection of these service charges. Incidental expenses including administration, engineering fees, legal fees, and all other costs associated with the TDM services may also be included.

When CSA M-31 was formed for the ongoing funding of the Contra Costa Centre Transit Village's TDM Program, a financial analysis was performed to provide the framework for an operating budget for the proposed extended transportation demand management services. This was based on the estimated expenses for each TDM service program component (carpooling, vanpooling, ridesharing, flex time, staggered work hours, guaranteed ride home, telecommuting, etc.). Revenues collected from the benefit assessment or service charge shall be used only for the expenditures represented in this report. Any balance remaining on July 1 at the end of the fiscal year must be carried over to the next fiscal year.

BOUNDARY MAP

The general boundaries of the CSA are shown herein. The lines and dimensions of each parcel within the CSA are those lines and dimensions shown on the maps of the Contra Costa County Assessor for the year in which this report was prepared and are incorporated by reference herein and made part of this report.

A copy of the Boundary Map is shown on the following page.

Contra Costa County Service Area (CSA) M-31
(Contra Costa Centre Transit Village)
Boundary Map

METHOD OF APPORTIONMENT

Special vs. General Benefit

On November 5, 1996, California voters approved Proposition 218 entitled "Right to Vote On Taxes Act" which added Articles XIIIC and XIIID to the California Constitution. While its title refers only to taxes, Proposition 218 establishes new procedural requirements for fees, charges, and benefit assessments.

Proposition 218 procedures stipulate that even if charges or benefit assessments are initially exempt from Proposition 218, future increases in the charges or benefit assessments must comply with the provisions of Proposition 218. However, if the future increase in the charge or benefit assessment were anticipated in the charge or benefit assessment formula when approved by property owners (e.g., consumer price index increases or a predetermined cap) then the future increase in the charge or benefit assessment would be in compliance with the intent and provisions of Proposition 218.

Proposition 218 provides that "only special benefits are assessable" and defines a special benefit as a particular and distinct benefit conferred on real property and not a general benefit received by the public at large. Parcels located within the boundaries of the CSA will be assessed for the operation and services associated with the TDM Program as described herein within the report, if they receive a special and direct benefit from the services. Furthermore, the identification and separation of general benefits from the special benefits follows for CSA M-31.

Special benefits are conferred on property within the CSA from the TDM Program and associated services by enhancing the desirability of property within the CSA due to the additional methods of vehicular and pedestrian access available to property, by increasing access to transit related services, providing economic opportunities, driving community growth and revitalization, and by reducing levels of traffic congestion within the CSA.

Properties outside of CSA M-31 do not enjoy the Transportation Demand Management Program and the associated services by the CSA and therefore property outside the boundaries of the CSA do not receive the special benefits. The services within the CSA were specifically designed and created to provide additional and improved public resources for the direct advantage of property inside the CSA, and not the public at large. The boundaries of the CSA have been narrowly drawn to include only those parcels that receive a direct advantage from the services.

In addition to the special and direct benefits the property owners receive within the CSA from the services, it has been determined that no general benefits are associated with TDM services within CSA M-31 because the conferred special benefits that are provided to the assessed property are not provided to other parcels and which real property in general and the public at large do not share.

The annual service charge pays for the TDM Program and associated services provided within CSA M-31. The enhanced public services provided within CSA M-31 confer a special benefit to property in the CSA. Transportation Demand Management services associated with CSA M-31 are only provided to parcels within the CSA and are not provided to the general public. Without the charges, the parcels located in the unincorporated area would receive no Transportation Demand Management Program services. Therefore, the services provided in CSA M-31 are of 100% special benefit to the parcels within the CSA.

Methodology

The total operation and maintenance costs for the extended public services are apportioned in accordance with the methodology that is consistent with standard practices.

Developed Residential Property: Developed Residential Property consists of property which has had a residential building permit issued prior to April 30 and is classified by the County Assessor's office as single-family residential, multi-family residential, apartment, condominium, townhome, townhouse, co-op, cluster home, or any other type of property which has been developed for residential use for which occupants live and occupy for extended periods of time. Developed Residential Property does not include hotel and motel use.

Developed Commercial Property: Developed Commercial Property consists of property which has had a commercial building permit issued prior to April 30 and is classified by the County Assessor's office as commercial property. Developed Commercial Property includes, but is not limited to, retail stores and shopping centers, office buildings, conference centers, hotels and motels, or any other type of property which has been developed for commercial use.

Exempt Property: Exempt Property consists of property not classified as Developed Residential Property or Developed Commercial Property. However, Exempt Property does include property that has been previously classified as Developed Residential Property or Developed Commercial Property which has subsequently had the building structure located on the parcel demolished prior to April 30. This parcel would then remain as an Exempt Property until such time another building permit is issued prior to April 30 to reclassify the parcel as Developed Residential Property or Developed Commercial Property. Exempt Property also includes parking lots, parking garages, roadways, open space, and undeveloped property for which a building permit has not been issued prior to April 30.

The methodology for calculating the service charge per parcel for the Services is explained below.

Developed Residential Property - It is anticipated that not all TDM programs will be utilized by the Developed Residential Property owners. The most viable programs to reduce the number of single occupied vehicular trips are the Shuttle Program in conjunction with the Marketing Program. The cost to provide these programs to the Developed Residential Property owners at build-out was estimated to be $28,386.36 per year (in Fiscal Year 2007-2008 dollars). Since each residential unit is similar in size and receives the same degree of benefit from the residential TDM programs, each residential unit is charged an equal share of the Residential TDM program costs. It was anticipated that there would be 522 residential units at build-out. Therefore, in Fiscal Year 2007-08 the maximum annual charge was set at $54.38 per residential unit.

Developed Commercial Property - It is anticipated that all TDM programs will be provided to the Developed Commercial Property owners. The cost to provide these TDM services to Developed Commercial Property owners at build-out was estimated to be $238,121.84 per year (in Fiscal Year 2007-08 dollars). For Developed Commercial Property, the amount of building floor area directly correlates to the number of potential employees located on each parcel. These total floor area numbers are used to calculate the proportional special benefit received by each Developed Commercial Parcel within the District. Building floor area is defined by the gross square footage of the buildings exclusive of parking. The building square footage is shown on the Service Charge List in the following pages and serves as the basis for calculation of the annual charges for Developed Commercial Property. It was anticipated that there would be 2,487,190 square feet of commercial development at build-out. Therefore, in Fiscal Year 2007-08 the maximum annual charge rate was set at $0.0957 per square foot.

Service Charge Rate

The maximum charge rates may be adjusted annually to reflect the prior year's change in the Consumer Price Index (CPI) for All Urban Consumers for the Bay Area: San Francisco-Oakland-San Jose. The base CPI used was June 2007 (216.123). Starting in Fiscal Year 2008-2009 the annual CPI was changed to February for administrative purposes and the annual change in the February CPI shall be used in each subsequent year. Any change in the rate which is the result of the change in the CPI shall not be deemed an increase in the service charge subject to the requirements of Proposition 218.

For Fiscal Year 2025-2026 the allowed maximum rate is shown below and has been calculated as follows:

The February 2025 CPI is 354.432, which is a 2.69% increase over the February 2024 CPI.

Developed Residential

$86.85/residential unit in Fiscal Year 2024-2025
+2.69% CPI increase for Fiscal Year 2025-2026 = $89.19

Developed Commercial

$0.1528/square foot in Fiscal Year 2024-2025
+2.69% CPI increase for Fiscal Year 2025-2026 = $0.1569

In Fiscal Year 2025-2026, it has been determined that based upon projected expenditures, the maximum rate of $89.19/residential unit and $0.1569/square foot will need to be collected. It is estimated $402,516.00 in revenue will be necessary to provide the services referenced above in Fiscal Year 2025-2026. The charge per parcel may vary slightly due to rounding adjustments.

SERVICE CHARGE ROLL

A list of those parcels to be charged for Fiscal Year 2025-2026, including a description of each parcel to be charged is included on the following page.

SERVICE CHARGE ROLL
FISCAL YEAR 2025-2026

CONTRA COSTA COUNTY

Staff Report

File #: RES 2025-240 **Agenda Date:** 7/8/2025 **Agenda #:** D.8.

To: **Board of Supervisors**

From: Warren Lai, Public Works Director/Chief Engineer

Report Title: HEARING on Fiscal Year 2025-2026 Tentative Annual Report for County Service Area T-1; ADOPT resolution confirming the report and levying charges.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:

1. RECEIVE from staff the Fiscal Year 2025-2026 Tentative Annual Report on service charges in County Service Area (CSA) T-1, a copy of which is attached.

2. OPEN the public hearing on the Tentative Annual Report; RECEIVE and CONSIDER all written and oral objections or protests to the Tentative Annual Report; and CLOSE the public hearing.

3. CONSIDER whether to adopt, revise, change, reduce, increase, or modify any estimated service charges set forth in the Tentative Annual Report.

4. APPROVE the estimated service charges set forth in the Tentative Annual Report.

5. ADOPT a Resolution confirming the Tentative Annual Report and levying the charges set forth in the report.

6. DIRECT the Public Works Director or his/her designee to prepare a Fiscal Year 2025-2026 Final Annual Report for CSA T-1 that conforms to the County's official service charge roll for Fiscal Year 2025-2026. (County Service Area T-1 Funds) (District III) Project No. 7480-6X5058.

FISCAL IMPACT:

The levy of the annual service charges in CSA T-1 will provide revenues for public transit services. The CSA T-1 annual total service charge was $709,431.78 for Fiscal Year 2024-2025 and is projected to be $728,501.10 in Fiscal Year 2025-2026. The increase is based on the Consumer Price Index (CPI) for the San Francisco Bay Area (All Urban Consumers). The service charge was $539.39/developed equivalent dwelling unit in Fiscal Year 2024-2025 and will be $553.89/developed equivalent dwelling unit in Fiscal Year 2025-2026. The annual service charges for CSA T-1 will be levied on 1,187 parcels in Fiscal Year 2025-2026.

BACKGROUND:

As directed by Article 1012-2.602 of the Contra Costa County Ordinance Code, the Public Works Director prepared a Fiscal Year 2024-2025 Tentative Annual Report on service charges in CSA T-1 and filed it with the Clerk of the Board of Supervisors. CSA T-1 provides public transit services. The Tentative Annual Report contains a description of each parcel of real property receiving services, the basic service charge for CSA T-1 and the estimated amount of the service charge for each parcel for the fiscal year.

Upon the filing of the Tentative Annual Report, the Clerk of the Board of Supervisors fixed a time, date, and place for a Board hearing on the Tentative Annual Report and for filing objections or protests thereto and published a notice of the hearing as provided in Government Code section 6066.

Following the public charge and the Board may adopt, revise, change, reduce, increase, or modify any estimated service charge, and shall make its determination upon each estimated service charge as described in the Tentative Annual Report. The service charges in the Tentative Annual Report were computed and apportioned according to a formula that fairly distributes the service charge among all subject parcels in proportion to the estimated benefits they will receive from the services provided. Staff recommend approval of the rates and service charges in the Tentative Annual Report without modification.

The service charges in the Tentative Annual Report are higher than the charges levied in Fiscal Year 2024-2025 because they incorporate an automatic adjustment approved by the parcel owners in CSA T-1 in 2006. The adjustment provision allows for an increase each year equal to the greater of the Consumer Price Index (CPI) for the San Francisco Bay Area (All Urban Consumers) or 2%. For Fiscal Year 2025-2026 the increase is 2.69% over the Fiscal Year 2024-2025 service charge rates. The Board approved this provision on January 17, 2006.

Adoption of a Resolution confirms the Tentative Annual Report and assesses the charges set forth therein but does not levy the charges. The levy of the service charges occurs after the preparation of a Final Annual Report that conforms to the official assessor's roll for Fiscal Year 2025-2026. The official assessor's roll will be issued by the County Assessor on or about July 1, 2025.

CONSEQUENCE OF NEGATIVE ACTION:
If the Fiscal Year 2025-2026 Tentative Annual Report for CSA T-1 is not confirmed, either as filed or as modified, the service charges set forth in the Tentative Annual Report may not be levied for Fiscal Year 2025-2026. Therefore, the District would be unable to provide public transit services, or an alternate source of funding would have to be identified.

THE BOARD OF SUPERVISORS OF CONTRA COSTA COUNTY, CALIFORNIA

and for Special Districts, Agencies and Authorities Governed by the Board

IN THE MATTER OF: Confirmation of the Fiscal Year 2025-2026 Tentative Annual Report for County Service Area T-1 (Public Transit);

WHEREAS, WHEREAS, the Public Works Director has prepared a Fiscal Year 2025-2026 Tentative Annual Report for County Service Area (CSA) T-1 and filed it with the Clerk of the Board pursuant to Article 1012-2.6 of the Contra Costa County Ordinance Code;

WHEREAS, the Clerk of the Board has fixed a time, date, and place for a public hearing on the Tentative Annual Report and published notice of the hearing as provided in Government Code section 6066;

WHEREAS, the Board conducted the public hearing on July 8, 2025, and considered all written and oral testimony, including any and all objections or protests to the Tentative Annual Report;

WHEREAS, the Tentative Annual Report contains a description of each parcel of real property receiving public transit services within CSA T-1, the basic service charge for CSA T-1, and the estimated service charge amount for each parcel in Fiscal Year 2025-2026.

WHEREAS, the service charges in the Tentative Annual Report were computed and apportioned by a formula that fairly distributes the service charge among all subject parcels in proportion to the estimated benefits conferred on each property from the public transit services provided within CSA T-1; and

WHEREAS, the Board finds no cause to revise, change, reduce, increase, or modify any estimated service charge contained in the Tentative Annual Report;

NOW, THEREFORE, BE IT RESOLVED: The Board hereby CONFIRMS the Fiscal Year 2025-2026 Tentative Annual Report for CSA T-1 and levies the charges set forth in the report.

Prepared by
Contra Costa County
Public Works Department

BACKGROUND INFORMATION

In 2008 a development project commonly known as the Integrated Project ("Project") was permitted in the unincorporated area of Contra Costa County, just east of the Town of Danville. The project is also known as Alamo Creek/Intervening Properties Development and constitutes approximately 767 acres located south of Camino Tassajara between Hansen Lane and Finley Road.

Wilbur Smith Associates (WSA) completed a Transit Improvements Study of the Project in March 2005. The study acknowledged that a limited market for transit services and consequently a limited transit service is offered in the study area. The study concluded that a latent demand for transit could be satisfied if a regular commuter service were provided. Given the size of the Integrated Project and the workplace destination and commuting behavior of the adjacent census tracts as outlined by a census-based demographic analysis, a weekday rush-hour commuter service would provide the greatest benefit of transit services under consideration. Specifically, the report recommended that the proposed transit service include the Walnut Creek Bay Area Rapid Transit (BART) station and Bishop Ranch business park as destinations. The desired level of service was based on an analysis of demand performed by WSA. Based on census information and a rider survey performed by BART in 1998, approximately 77 transit trips per day were expected when the project development was completed. The transit trip total was calculated by WSA as follows:

- As presented in the final Environmental Impact Report (EIR) for the Project, 10,048 daily vehicle trips would be generated at the development;
- Assuming an average vehicle occupancy of 1.05 persons per vehicle and a 92.5% vehicle mode share (automobiles constitute 92.5% of transit trips to and from the households), 13,338 person trips would be generated daily by the development;
- Based on census information, 5.37% of commuter trips to and from adjacent census tracts used public transit (716 trips);
- Approximately 97% of public transit trips used rail (assumed to be exclusive to BART; 694 trips);
- Approximately 7% of BART riders at stations nearest to the project (Dublin/Pleasanton, Walnut Creek, Lafayette) used public transit to travel to and from the station (48 trips);
- Approximately 4% of transit-based commuter trips used bus service as the primary means of transportation (29 trips); and
- Total bus demand (77 trips) includes the sum of transit trips to BART stations (48 trips) and bus trips to work (29 trips).

On June 14, 2005, the Board of Supervisors approved Resolution No. 2005/357 which recommended to Local Agency Formation Commission of Contra Costa County (LAFCO) the formation of County Service Area (CSA) T-1, Public Transit in the Danville Area.

The services provided by CSA T-1 are:

1. Extended public transit services.
2. Implementation of Transportation Demand Management programs as discussed in this report and in the Plan for Providing Services for CSA T-1 which is on file with LAFCO.

On September 14, 2005, LAFCO conducted a public hearing and subsequently approved Resolution 05-15 which formed CSA T-1.
On October 18, 2005, Resolution 2005/674 stated that the transit services should be supported by a benefit assessment or service charge on parcels that receive this special and distinct benefit.

On January 17, 2006, the Board of Supervisors conducted a public hearing and subsequently approved Resolution 2006/21 which authorized the annual levy of assessments or service charges on the parcels located within CSA T-1 to fund extended public transit services.

CURRENT ANNUAL ADMINISTRATION

Pursuant to County Ordinance Section 1012-2.6, former County Service Area Law (California Government Code Section 25210.77a), and current County Service Area Law (California Government Code Section 24210.3, subd. (d)), the Tentative Annual Report was filed with the Clerk of the Board of Supervisors, public notice has been completed as required, and the Board will conduct a Public Hearing and then make a determination on each estimated service charge in the tentative report. Contra Costa Board of Supervisors will review the Tentative Annual Report on July 8, 2025 and conduct a Public Hearing in connection with the proceedings for CSA T-1.

Upon adoption of the Final Annual Report by the Board of Supervisors, the charges contained herein will be collected on the property tax roll of Contra Costa County in the same manner, by the same persons, at the same time as, and together with the County's property taxes.

Legal Authority

As required by County Ordinance Section 1012-2.6, former County Service Area Law (California Government Code Section 25210.77a), and current County Service Area Law (California Government Code Section 24210.3, subd. (d)), the Tentative Annual Report includes the following minimum information as shown in the Service Charge Roll:

1. A description of each parcel of real property receiving the miscellaneous extended service;
2. The basic service charge;
3. The estimated amount of the service charge for each parcel for such year; and
4. A parcel list identifying each parcel receiving services that allows parcel owners to find their property on the list and determine the proposed charge.

This annual report also includes an estimate of annual costs and the method of apportionment as additional information to allow the reader to better understand what services are being paid for, what is the total annual cost for the services provided, and how the cost of services is spread to each individual parcel.

Transit Service Implementation

Two transportation studies were previously conducted to understand potential transit usage and travel patterns in CSA T-1. The transportation studies are Alamo Creek/Intervening Properties Transit Improvement Study by WSA in 2005 and Transit Service Survey and Report for CSA T-1 Transit District by DKS Associates in 2010.

Based on these studies, the following transit service plan is to be implemented in three phases as summarized below:

1. Short – Term (completed in 2012): Community Outreach
   The short-term strategy focused on community outreach to educate the residents about existing transportation options in Contra Costa County, and to seek their feedback. The community outreach program involved flyer preparation, flyer distribution, and resident feedback. This outreach effort attempted to identify commuter destinations for potential vanpools, in advance of a vanpool/shuttle transit program.

2. Mid-Term: Vanpool/Shuttle Transit Program

Based on the feedback provided by the residents, the mid-term strategy would involve a vanpool and/or shuttle service since the market for a full-scale fixed route Central Contra Costa Transit Authority (County Connection) bus is not warranted at the time.

CSA T-1's plan is to engage the residents to try public transit and build up the necessary public transit demand for a full-scale fixed bus route. In response to CSA T-1's plan, County Connection agreed to provide a demand response and a flexible shuttle for CSA T-1 residents during the commute hours. The exact routes were to be determined by demand. Riders must be traveling from or to CSA T-1. The service area is limited to the 1.5-mile corridors along Camino Tassajara (between CSA T-1 and I-680) and I-680 (between Walnut Creek and Pleasant Hill BART stations). Riders contact County Connection to request and reserve services. Based on the demand, County Connection will determine the most efficient route for the shuttle.

The table below summarizes the ridership data since the service began on January 24, 2014. With the exception of a decrease in ridership during the COVID-19 pandemic and the modest decrease in average ridership in 2023 compared to 2022, the table shows a constant ridership annually and the positive effect the public transit of CSA T-1 has on removing daily trips during the peak hours from local and regional roadways.

Summary of ridership data per year*

Year of Service	Riders per day	Estimated number of peak hours & daily trips removed from roadways
2014	16	16
2015	17 to 18	17 to 18
2016	19	19
2017	21	21
2018	24	24
2019	25	25
2020	4.5	4.5
2021	1.5	1.5
2022	5.8	5.8
2023	5.5	5.5
2024	5.2	5.2

* Ridership data is provided by County Connection.

The riders get picked up from their home in the CSA T-1 service area during the morning period and get picked up from the Walnut Creek BART station during the evening period. The average operating cost per passenger is comparable to the average cost for County Connection's Paratransit (LINK) service. With the exception of the 2020-2022 COVID-19 pandemic, CSA T-1 has observed the ridership increase overtime, as more residents are utilizing the public transit service provided by CSA T-1. However, the ridership demand has not achieved the level that warrants a full-scale fixed bus route. CSA T-1 will continue this mid-term program to provide the shuttle service until there is enough public transit demand for a full-scale fixed bus route. CSA T-1 has amended the service agreement with County Connection to continue the shuttle service.

In addition to County Connection's shuttle, CSA T-1 also funds another service with the Measure J Traffic Congestion Relief Agency (TRAFFIX). TRAFFIX is a traffic congestion relief program implemented in 2009 and operated cooperatively by Contra Costa County, City of San Ramon, San Ramon Valley Unified School District (SRVUSD), and Town of Danville to reduce traffic congestion caused by children being driven to and from school in the San Ramon area. As mentioned above, although the demand for a full-scale fixed route County Connection bus is not warranted at this time, CSA T-1 recognized there is already a demand for school bus services. While waiting for transit demand to increase, CSA T-1's interim plan is to participate in providing school bus services as an interim method to reduce congestion. TRAFFIX provided data indicating there are approximately 205 students residing within CSA T-1 who attend Monte Vista High School. TRAFFIX considers 50 students as a full bus. If approximately 25 percent of the eligible students participated, the bus would be full. It was anticipated that at least 50 students would participate, resulting in a full bus. This service began in the Fall of 2014 for the 2014-2015 school year. TRAFFIX reported 70 passes were sold for both the 2014-2015 and 2015-2016 school years. This is the equivalent of removing approximately 280 trips from the roadway each school day. In 2017, funds were allocated to fund a second TRAFFIX bus to provide services to the CSA T-1 area. This decision was based on the increased demand for seats on the route. Rider counts by the TRAFFIX show an average of 59 riders in the morning and 95 riders in the evenings per typical bus runs for the period of August 2018 through December 2018. In December 2018, there were approximately 170 riders enrolled on a wait list for the limited number of bus passes. As a result of an increase in demand for services in 2019, the County added a third TRAFFIX bus to provide services to the CSA T-1 area.

In late 2019, the COVID-19 pandemic began. The impacts of the COVID-19 pandemic on CSA T-1 operations follow:

a. Shuttle service ridership was greatly reduced during the 2020-2022 COVID-19 pandemic.

b. Although shuttle service ridership sharply declined during the 2020-2022 COVID-19 pandemic, County Connection shuttle buses continued operating. Based on operations, the County did not expect a significant impact on the County Connection shuttle operations buses during that time; however, some additional costs for PPE were passed on to CSA T-1.

c. During the pandemic in 2020, school buses did not circulate due to the SRVUSD following state guidelines regarding school attendance and the resulting school closures. SRVUSD reported that middle and high schools reopened for attendance on March 17, 2021, and that the TRAFFIX school bus program reopened at full capacity at the same time. Bus pass sales resumed during the week of March 15, 2021, and school bus services resumed in August 2021 when the 2021-2022 academic year began.

d. In 2021, CSA T-1 sent residents informational postcards of the ridership programs to motivate and restore rider confidence. In 2022, informational postcards about the ridership programs were mailed to residents more frequently than in prior years. In addition, CSA T-1 coordinated with the Homeowner Association in Danville to advertise the County Connection shuttle service to residents on their website.

e. The TRAFFIX School Bus Service currently serves 155 pass holders on its three routes. In 2024, bus passes for its three routes sold out immediately the day they became available for purchase.

In Fiscal Year 2025-2026, CSA T-1 will continue outreach efforts by advertising through Homeowner Associations and partnering with County Connection on the design and layout of postcards to be mailed to residents of CSA T-1 using Contra Costa County's print and mail services. Furthermore, CSA T-1 will add incentive cards (gift cards, etc.) to reward frequent riders.

3. Current and Long-Term Goals: County Connection Service

The long-term strategy for CSA T-1 involves expanding the vanpool/shuttle service and providing full-scale County Connection bus service if the existing service proves successful and more commuter transit demand is demonstrated. The approximate yearly operating cost of running a full-length bus service with County Connection is estimated to be $204,000 per bus (in 2018 dollars). This estimate is based on $100 per hour for 8 hours a day during morning and evening peak commute hours for 255 days a year.

ESTIMATE OF ANNUAL COST

The Fiscal Year 2024-2025 projected and Fiscal Year 2025-2026 proposed revenues and expenditures are shown on the following page. A special fund has been set up for the collection of revenues and coding of expenditures for CSA T-1. Incidental expenses including administration, engineering fees, legal fees, and all other costs associated with the public transit services may be included.

When CSA T-1 was formed, a financial analysis was performed to provide the framework for an operating budget for the proposed transit service. This was based on the estimated expenses for continuing operations provided by WSA. In preparation of the budget, several factors were considered including:

- Level of transit service
- Phasing of service
- Equal benefit (and equal charge) to residents based on projected resident population

In order to establish a reasonable reserve in the early years following formation of the CSA, revenues have been collected since Fiscal Year 2006-2007.

For Fiscal Year 2025-2026 it is estimated there will be a surplus of funds. These funds are being set aside into Capital Reserves to purchase vehicles.

Revenues collected from the charge shall be used only for the expenditures represented in this report. Any balance remaining on July 1 at the end of the fiscal year must be carried over to the next fiscal year.

BOUNDARY MAP

The general boundaries of the CSA are shown herein. The lines and dimensions of each parcel within the CSA are those lines and dimensions shown on the maps of the Contra Costa County Assessor for the year in which this report was prepared and are incorporated by reference herein and made part of this report.

A copy of the Boundary Map is shown on the following page.

Contra Costa County Service Area (CSA) T-1
(Public Transit)
Boundary Map

METHOD OF APPORTIONMENT

Special vs. General Benefit

On November 5, 1996, California voters approved Proposition 218 entitled "Right to Vote On Taxes Act" which added Articles XIIIC and XIIID to the California Constitution. While its title refers only to taxes, Proposition 218 establishes new procedural requirements for fees, charges, and benefit assessments.

Proposition 218 procedures stipulate that even if charges or benefit assessments are initially exempt from Proposition 218, future increases in the charges or benefit assessments must comply with the provisions of Proposition 218. However, if the future increase in the charge or benefit assessment were anticipated in the charge or benefit assessment formula when approved by property owners (e.g., consumer price index increases or a predetermined cap) then the future increase in the charge or benefit assessment would be in compliance with the intent and provisions of Proposition 218.

Proposition 218 provides that “only special benefits are assessable” and defines a special benefit as a particular and distinct benefit conferred on real property and not a general benefit received by the public at large. Parcels located within the boundaries of the CSA will be charged for the operation and services associated with the transit services provided as described herein within the report, if they receive a special and direct benefit from the services. Furthermore, the identification and separation of general benefits from the special benefits follows for CSA T-1.

Special benefits are conferred on property within the CSA from transit services by enhancing the desirability of property within the CSA due to the additional methods of vehicular and pedestrian access available to and from property, by providing increased access to transit related services, providing economic opportunities, driving community growth and revitalization, and by reducing levels of traffic congestion within the CSA.

Properties outside of CSA T-1 in other parts of the County may not enjoy the transit services made available by the CSA and therefore property outside the boundaries of the CSA do not receive the special benefits. The services within the CSA were specifically designed and created to provide additional and improved public resources for the direct advantage of property inside the CSA, and not the public at large.

In addition to the special and direct benefits the property owners receive within the CSA from the services, it has been determined that no general benefits are associated with the transit services provided within CSA T-1 because the conferred special benefits that are provided to the charged property are not provided to the public at large.

The annual service charge pays for the transit related services provided within CSA T-1. The enhanced public services provided within CSA T-1 confer a special benefit and only serve the parcels with the ability to utilize the transit related services provided. Without the services, the property located in the unincorporated area would not receive any transit services. Therefore, the services in CSA T-1 are 100 percent special benefit to the parcels within the CSA.

Methodology

The total operation, maintenance and servicing cost for Public Transit are apportioned in accordance with the methodology that is consistent with standard assessment engineering practices. The method for distributing the costs to each parcel is based on the Equivalent Dwelling Unit (EDU) factor.

Since the service charge is levied on the owners of properties as shown on the tax rolls, the final charges must be assigned by Assessor's Parcel Number. If service charges were to be distributed by parcel, not considering land use, this would not be equitable because a single-family parcel would be paying the same as a 50-unit apartment parcel or a large commercial establishment. Therefore, as previously stated, the total costs are distributed to each parcel of land based on the number of EDUs associated with each particular parcel.

No commercial or industrial parcels are planned to be included within CSA T-1; therefore, a methodology has not been created for those uses.

The methodology used to assign EDUs to other land uses in proportion to the benefit they receive relative to the single-family residential parcel is shown below.

Developed Single Family Residential - The developed single-family parcel has been selected as the basic unit for calculation of the benefit assessments or service charges. This basic unit shall be called an **Equivalent Dwelling Unit (EDU)**. Parcels designated as developed single family residential uses per the Contra Costa County land use code are charged one (**1.00**) EDU. In addition, those parcels that are designated as "vacant" single family residential per the Contra Costa County land use code but have a building permit issued prior to April 30 are charged one (1.00) EDU.

Developed Multiple Residential – The developed multi-family designation includes parcels designated as apartments, townhomes, and condominiums per the Contra Costa County land use code. Apartments are charged a factor of **0.723270448** EDU per dwelling unit. For example, a parcel with a 100-unit apartment would be charged 72.33 EDUs. Townhomes and condominiums are charged a factor of **0.795597484** EDU per dwelling unit. In addition, those parcels that are designated as "vacant" multi-family residential per the Contra Costa County land use code, but have a building permit issued prior to April 30, are charged on a per unit basis as shown above.

Exempt Property - Consists of property not classified as developed residential property and includes commercial, industrial, recreational, and institutional property; parking lots; parking garages; roadways; open space and undeveloped property on which a building permit has not been issued prior to April 30. In addition, Senior Housing is classified as exempt. Residents of Senior Housing will be provided with separate shuttle service not included within the scope of the CSA.

In Fiscal Year 2006-2007 the maximum annual service charge was set at $318.00 per EDU. To determine the cost per parcel, the total budget for providing service to the current total service area was divided by the total number of EDUs within the service area. Please refer to Contra Costa County Resolution 2006-21 for a detailed report that includes the initial calculation of this rate.

The maximum rates may be adjusted annually to reflect 2% or the prior year's change in the Consumer Price Index (CPI) for All Urban Consumers for the Bay Area: San Francisco-Oakland-San Jose, whichever is greater. The base CPI index to be used for future calculations is February

2006 (207.1). Any change in the rate per EDU, which is the result of the change in the CPI shall not be deemed an increase subject to the requirements of Proposition 218.

For Fiscal Year 2025-2026 the allowed maximum rate is $553.89/EDU. This rate has been calculated as follows:

$539.39 per developed EDU in Fiscal Year 2024-2025
+2.69% increase for Fiscal Year 2025-2026 = $553.89

In Fiscal Year 2025-2026, it has been determined that $728,501.10 in revenue will be needed to provide the services referenced above in Fiscal Year 2025-2026. There are 1,315.27 EDUs that have had a building permit issued. If you divide $728,501.10 by 1,315.27 EDUs, the service charge per parcel is $553.89. The charge per parcel may vary slightly due to rounding adjustments.

SERVICE CHARGE ROLL

A list of those parcels to be charged for Fiscal Year 2025-2026, including a description of each parcel to be charged is included on the following pages.

Assessor's Parcel Number	Classification	Property Address	Fiscal Year 2025-2026 Service Charge

Staff Report

File #: RES 2025-241 **Agenda Date:** 7/8/2025 **Agenda #:** D.9.

To: **Board of Supervisors**

From: Warren Lai, Public Works Director/Chief Engineer

Report Title: HEARING on Levy of proposed Fiscal Year 2025-2026 assessments in Assessment District 1979-3 (LL-2) and adoption of resolution levying assessments.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:

1. OPEN the public hearing, RECEIVE and CONSIDER all written and oral statements and protests, and CLOSE the public hearing.

2. ADOPT resolution, confirming the Assessment District 1979-3 (LL-2) diagram and assessments as set forth in the Fiscal Year 2025/26 engineer's report.

3. DIRECT the Clerk of the Board of Supervisors to file the confirmed diagram and assessments, or certified copy thereof, with the Auditor-Controller, in accordance with Streets and Highways Code section 22641.

4. DIRECT the Auditor-Controller to enter the confirmed assessments on the Fiscal Year 2025/26 assessment roll in accordance with Streets and Highways Code section 22645.

FISCAL IMPACT:

Costs associated with the levy and collection of assessments will be funded with Assessment District 1979-3 (LL-2) revenues.

BACKGROUND:

Assessment District 1979-3 (LL-2), also known as the Countywide Landscaping District ("District"), is made up of 32 zones in all five supervisorial districts. Within the zones, landscaping, irrigation systems, park and recreational facilities and other improvements have been constructed or installed, many by developers as conditions of approval. Annual assessments are levied each year on parcels in these zones under the Landscaping and Lighting Act of 1972 (Sts. & Hy. Code, div. 15, pt. 2, § 22500 et seq.) (the "Act"), to fund the maintenance and servicing of these facilities and, as the need arises, the installation or construction of new or replacement facilities.

On March 25, 2025, the Board adopted Resolution No. 2025-79, which ordered the preparation and filing of an engineer's report for District assessments to be levied in Fiscal Year 2025/26. On May 13, 2025, the Board received and approved the engineer's report, a copy of which is attached. As indicated in the report, no new improvements, and no significant changes in existing improvements in the Districts are proposed. The costs of existing improvements are projected to increase due to inflation. In zones where assessments are at their authorized maximums, and cannot be increased without additional assessment ballot proceedings, cost

increases may lead to reductions in maintenance services.

As the engineer's report also indicates, assessments in Zones 1, 2, 3, 4, 7, 10, 11, 17, 18, 19, 21, 27, 36, 37, 42, 45, 48, 57, 61, 63, 64, and 68 cannot be adjusted without assessment ballot proceedings and property owner approval. The assessments in Zones 5, 35, 38, 54, 69, 70, 71, 74, and 75 can be adjusted annually by the change in the applicable Consumer Price Index as approved when parcel owners originally voted to approve the assessments. The proposed Fiscal Year 2025/26 assessment for all Zones is at or below their respective maximum authorized amounts and therefore additional assessment ballot proceedings are not required.

Following its approval of the Fiscal Year 2025/26 engineer's report for the District, the Board adopted Resolution No. 2025-139, declaring the Board's intent to levy and collect District assessments and giving notice of a public hearing on the levy of the proposed assessments on July 8, 2025, at 9:00 a.m. in the Board Chambers at 1025 Escobar Street, Martinez, California. Any person may present written or oral testimony at the hearing regarding the levy of the proposed assessments. Prior to the conclusion of the public hearing, any interested person may file a written protest, stating all grounds for objection. Before making a decision on the levy of the proposed assessments, the Board is required under the Act to consider all oral statements and all written protests made or filed by any interested person. The Act also requires the Board to abandon the proposed levy of an increased assessment in the event of a "majority protest," which is determined based on the tally of ballots submitted in an assessment ballot proceeding. (See Sts. & Hy. Code, § 22630.5 and Gov. Code, § 53753, subd. (e)(4).) Because no assessment ballot proceeding is taking place, the majority protest procedure does not apply at this hearing.

During the public hearing, or upon the conclusion of the public hearing, the Board may order changes in any of the matters contained in the engineer's report, including changes in District improvements, zones, the proposed diagram, or the proposed assessments. Following the hearing, the Board may then adopt the resolution, confirming the District diagram and assessments. Adoption of the resolution constitutes the levy of the assessments.

CONSEQUENCE OF NEGATIVE ACTION:
District assessments could not be levied or collected in Fiscal Year 2025/26.

c: Laura Strobel- County Administrator, CAO, Harjit Nahal- Interim Auditor Controller, Thomas L. Geiger - County Counsel, Gus Kramer - County Assessor, Ed Espinoza- Francisco & Associates, Inc. THE BOARD OF SUPERVISORS OF CONTRA COSTA COUNTY, CALIFORNIA

and for Special Districts, Agencies and Authorities Governed by the Board

IN THE MATTER OF LEVYING ANNUAL ASSESSMENTS IN ASSESSMENT DISTRICT 1979-3 (LL-2) IN FISCAL YEAR 2025/26

The Board of Supervisors of Contra Costa County FINDS THAT:

1. Assessment District 1979-3 (LL-2), also known as the Countywide Landscaping District ("District"), was formed under the Landscaping and Lighting Act of 1972 (Sts. & Hy. Code, div. 15, pt. 2, § 22500 et seq.) ("the Act").

2. On March 25, 2025, the Board approved Resolution No. 2025-79, designating the County Public Works Director as engineer for the District for Fiscal Year 2025/26 for the purposes of the Act (the "Engineer of Work") and ordering the Engineer of Work to prepare and file an engineer's report in accordance with Article 4 of Chapter 1 of the Act.

3. Pursuant to Resolution No. 2025-79 and in accordance with section 22623 of the Streets and Highways Code, the Engineer of Work filed the engineer's report with the Clerk of the Board of Supervisors for submission to the Board.

4. On May 13, 2025, the Board approved the engineer's report as filed and, in accordance with section 22624 of the Streets and Highways Code, adopted Resolution No. 2025-139, declaring the Board's intention to levy and collect District assessments in Fiscal Year 2025/26 and setting a public hearing on the levy of the proposed assessments for July 8, 2025, at 9 a.m. in the Board Chambers at 1025 Escobar Street, Martinez, California.

5. Resolution No. 2025-139 was published by the Clerk of the Board of Supervisors in the East Bay Times, as required by Streets and Highways Code sections 22626, subdivision (a), 22552 and 22553 and as directed by the Board.

6. On July 8, 2025, the Board conducted the public hearing on the levy of the proposed assessments in Fiscal Year 2025/26. All interested persons were afforded the opportunity to hear and be heard. The Board received and considered all statements, objections and written protests made or filed by any interested person. No majority protest was filed.

7. Under section 22631 of the Streets and Highways Code, if a majority protest has not been filed, the Board may adopt a resolution confirming the District diagram and assessments. The adoption of this resolution constitutes the levy of the assessments for the fiscal year in question.

NOW, THEREFORE, BE IT RESOLVED THAT:

1. The District diagram and assessments as shown in the Fiscal Year 2025/26 engineer's report are confirmed.

2. By adoption of this resolution, District assessments are hereby levied for Fiscal Year 2025/26.

SECTION I

INTRODUCTION

CONTRA COSTA COUNTY
ASSESSMENT DISTRICT 1979-3 (LL-2)

FISCAL YEAR 2025-26

To ensure the proper flow of funds for the ongoing operation, maintenance, and servicing of specific existing and proposed improvements within the boundaries of Contra Costa County, the Board of Supervisors, through the Landscaping and Lighting Act of 1972, approved the formation of Assessment District 1979-3 (LL-2) (the "District"). Existing and proposed improvements that may be constructed, operated, maintained, and serviced by the District are generally described as:

> *The maintenance and servicing of landscaping (street frontage and medians) and related appurtenant facilities (including irrigation and electrical facilities). The existing and proposed improvements also include the maintenance of park and recreation improvements (including landscaped areas, picnic areas, open space, playground equipment, lighting, ballfields, paths, trails, and pedestrian bridges).*

Generally, developers, as a part of their conditions permitting the developer to construct new housing or commercial/industrial developments, construct these aforementioned public improvements. However, the ongoing maintenance of these various improvements are financed through the District. The District is composed of "Benefit Zones" to ensure that the maintenance of the improvements are specifically paid for by those property owners who directly benefit from the improvements.

As required by the Landscaping and Lighting Act of 1972, the annual engineer's report must be reviewed by the Board of Supervisors each year and includes: (1) plans and specifications for the improvements, (2) an estimate of the costs of the improvements, (3) a diagram of the assessment district and any associated zones, (4) a description of the method used to apportion costs of the improvements to the benefiting parcels, and (5) a property list which includes the proposed assessments to be levied upon each assessable lot or parcel within the District.

The Contra Costa County Board of Supervisors will hold a Public Hearing, July 8, 2025, regarding the District and proposed Fiscal Year 2025-26 annual assessments to be levied, to provide an opportunity for any interested person to be heard. At the conclusion of the Public Hearing, the Contra Costa County Board of Supervisors may adopt a resolution confirming the levy of assessments as originally proposed or modified. Following the adoption of this resolution, the final Assessor's roll will be prepared and filed with the County Auditor's office to be included on the Fiscal Year 2025-26 tax roll.

Payment of the assessment for each parcel will be made in the same manner and at the same time as payments are made for property taxes. All funds collected through the assessment must be placed in a special fund and can only be used for the purposes stated within this report. In addition to the existing Benefit Zones, new Benefit Zones may be created throughout the fiscal year as development is processed. Table 1 below indicates those Benefit Zones that have been annexed into the District or modified since the prior year's annual report was prepared in Fiscal Year 2024-25.

Table 1 – Benefit Zones modified since Fiscal Year 2024-25

Benefit Zone	Comment
Not Applicable	No new zones of benefit have been created, nor have any parcels been annexed into an existing benefit zone during Fiscal Year 2024-25.

Benefit Zones with Maximum Assessment Rate increases for Fiscal Year 2025-26

Benefit Zones No. 5, 35, 54, 69, 70, 71, 74 and 75 had their maximum assessment rates increased 2.69% over the Fiscal Year 2024-25 rates. These benefit zones can be increased each fiscal year by the annual change in the Consumer Price Index for the San Francisco Bay Area – All Urban Consumers (CPI). For Fiscal Year 2025-26 the CPI increased from 345.151 to 354.432, which equals an increase of 2.69%.

SECTION II

ENGINEER'S REPORT PREPARED PURSUANT TO THE PROVISIONS OF THE LANDSCAPING AND LIGHTING ACT OF 1972 SECTIONS 22500 THROUGH 22679 OF THE CALIFORNIA STREETS AND HIGHWAYS CODE

CONTRA COSTA COUNTY ASSESSMENT DISTRICT 1979-3 (LL-2) FISCAL YEAR 2025-26

Pursuant to Part 2 of Division 15 of the Streets and Highways Code of the State of California, and in accordance with the Resolution Ordering the Preparation and Filing of an engineer's report, adopted March 25, 2025, by the Board of Supervisors of Contra Costa County, State of California, in connection with the proceedings for:

CONTRA COSTA COUNTY ASSESSMENT DISTRICT 1979-3 (LL-2) HEREIN AFTER REFERRED TO AS THE "DISTRICT"

I, Jocelyn LaRocque, P.E., the duly appointed ENGINEER OF WORK, submits herewith the "Report" consisting of five (5) parts as follows:

PART A - PLANS AND SPECIFICATIONS

This part describes the improvements to be maintained within the District. Plans and specifications for the improvements are on file in the Public Works Department.

PART B - ESTIMATE OF COST

This part contains an estimate of the cost of the administration, maintenance, operations, and servicing of the improvements in each Benefit Zone as described in Part A (Plans and Specifications). This part includes the projected expenses for Fiscal Year 2024-25 in addition to the proposed cost estimate for Fiscal Year 2025-26 for each of the Benefit Zones. The detailed cost estimate information is on file in the Public Works Department.

PART C - ASSESSMENT DISTRICT DIAGRAM

This part incorporates by reference a diagram of the District showing the exterior boundaries of the District, the boundaries of any Benefit Zones within the District and the lines and dimensions of each lot or parcel of land within the District. The diagram has been prepared by County staff and submitted to the Contra Costa County Clerk of the Board of Supervisors. The lines and dimensions of each lot or parcel within the District are those lines and dimensions shown on the maps of the Contra Costa County Assessor for the year when this report was prepared. The Assessor's maps and records are incorporated by reference herein and made part of this report.

PART D - METHOD OF APPORTIONMENT OF ASSESSMENT

This part contains the method of apportionment of assessments, based upon parcel classification of land within the District, in proportion to the estimated benefits to be received.

PART E - PROPERTY LIST AND ASSESSMENT ROLL

This part contains a list of the parcels and proposed assessment amount on each benefited lot or parcel of land within the District. The list is keyed to the records of the Contra Costa County Assessor, which is incorporated herein by reference and is filed in the Office of the Contra Costa County Clerk of the Board of Supervisors.

PART A

PLANS AND SPECIFICATIONS

The facilities, which have been constructed within each of the Benefit Zones within the District, and those which may be subsequently constructed, will be maintained, and serviced by Contra Costa County.

The existing and proposed improvements in the District are generally described as the maintenance and servicing of landscaping (street frontage and medians) and related appurtenant facilities (including irrigation and electrical facilities). The existing and proposed improvements also include the maintenance of park and recreation improvements (including landscaped areas, picnic areas, open space, playground equipment, lighting, ballfields, paths, trails, and pedestrian bridges). The maintenance and future replacement of retaining walls is not funded by the District.

On the following pages is a detailed description of the improvements that are being operated, maintained, and serviced throughout each Benefit Zone within the District. In addition, Appendix B (Assessment Diagrams), provides a detailed diagram of each Benefit Zone's existing and proposed improvements. The number indicating the improvements listed in each Benefit Zone on the following pages corresponds to the numbers on each Assessment Diagram in Appendix B.

- **Zones 1, 2, and 4 (Lynbrook Development - Bay Point Area)**
  Landscaping, parks and recreation, and related improvements located along the following roadways and within the following parks:
  1. Port Chicago Highway (approximately 1,600 linear feet);
  2. Kevin Drive (approximately 3,600 linear feet on the north side and approximately 2,600 linear feet on the south side);
  3. Lynbrook Street (approximately 1,050 linear feet on the north side and approximately 850 linear feet on the south side);
  4. Willow Pass Road (approximately 900 linear feet); and
  5. Lynbrook Park* (4.13 acres within the Lynbrook development) includes all playground equipment, ambient lighting, and related improvements. Location: Kevin Drive and Port Chicago Highway.

  ***Please note:** Ambrose Recreation & Park District is responsible for the maintenance of Lynbrook Park per the June 26, 2012 Joint Power of Agreement (JEPA) between the County and Ambrose.

- **Zone 3 (Hickory Meadows - Bay Point Area)**
  Landscaping, parks and recreation, and related improvements located within the following parks:
  1. Hickory Meadows Park* (0.37 acres) located at the intersection of Winterbrook Drive and Summerfield Drive.

  ***Please note:** Ambrose Recreation & Park District is responsible for the maintenance of Hickory Meadows Park per the June 26, 2012 Joint Power of Agreement (JEPA) between the County and Ambrose.

- **Zone 5 (Pacheco Beautification Project - Pacheco Area)**
  Landscaping, parks and recreation, and related improvements located within the following roadways and within the following parks:
  1. Pacheco Boulevard median island improvements that were installed as part of the Beautification Project (between Center Avenue and Second Street); and
  2. Pacheco Creekside Park trail (1.61 acres) along Aspen Drive and Grayson Creek.

- **Zone 7 (Pleasant Hill/BART - Contra Costa Centre Area)**
  Landscaping and related improvements located within the following roadways and the following parks:
  1. Various median islands within Las Juntas Way, Coggins Road, Jones Road, Wayne Drive, Treat Boulevard, and Oak Road; and
  2. Fox Creek Park (0.50 acres) located along Anthony Way.

- **Zone 10 (Viewpointe - Bay Point Area)***
  Landscaping, parks and recreation, and related improvements located within the following roadways, parks, and open spaces:
  1. Open Space - Slope easement areas (up to 10 feet);
  2. Paved walking trails (located on Pomo Street and the slope behind Skyharbour Lane);
  3. Viewpointe Park** (a.k.a. Lehman Park – 0.08 acres). Location: Pomo Street and Seacliff Place;
  4. Landscaping at the end of Skyharbour Lane and Waterview Place cul-de-sacs; and
  5. Frontage landscaping on the north side of Evora Road.

  ***Please note:** Ambrose Recreation & Park District is responsible for the maintenance of Viewpointe Park per the June 26, 2012 Joint Power of Agreement (JEPA) between the County and Ambrose.

- **Zone 11 (Hilltop Commons - San Pablo Area)**
  Landscaping and related improvements located along and within the following roadways:
  1. Approximately 2,040 square feet of landscaping along the southeast side frontage along San Pablo Avenue between Kay Road and Crestwood Drive located between the sidewalk and the fence; and
  2. Median along San Pablo Avenue between Kay Road and Crestwood Drive.

- **Zone 17 (Shadow Creek - Danville Area)**
  Landscaping and related improvements located along the following roadways:
  1. Camino Tassajara on the north side, adjacent to the sidewalk areas, and the entry post areas located at Shadow Creek Drive and Knollview Drive.

- **Zone 18 (Pacheco Manor - Pacheco Area)**
  Landscaping and related improvements located along the following roadways:
  1. The frontage next to Pacheco Manor sound wall along west side of Pacheco Boulevard*; and
  2. The frontage next to Pacheco Manor fence along the east side of Temple Drive.

- **Zone 19 (Hidden Pond - Reliez Valley/Martinez Area)**
  Landscaping and related improvements located along the following roadways:
  1. The frontage on the west side of Reliez Valley Road (approximately 1,500 linear feet); and
  2. The frontage on the north and south side of Hidden Pond Road (approximately 1,000 linear feet).

- **Zone 21 (Kensington - Kensington Area)**
  Landscaping and related improvements located along and within the following roadways:
  1. The six (6) roadway medians along Arlington Avenue;
  2. The Colusa Traffic Circle;
  3. The Kensington sign area near Arlington Avenue and Yale Avenue; and
  4. The frontage landscape on both sides of Arlington Avenue between Ardmore Road and Coventry Road.

Zone 22 (Seabreeze - Bay Point Area)

Landscaping, parks and recreation, and related improvements located along the following roadways and open spaces:

1. Landscaping frontage on the north side of Evora Road;
2. Landscaping along the east and west side and median on St. Tropez Drive;
3. Open Space along the perimeter of Seabreeze Subdivision 7152 and Subdivision 8330;
4. Open space on perimeter of Parcel A located at the corner of Evora Road and Mota Drive;
5. Landscaping at the ends of Beaulieu Court and Beaulieu Place;
6. Landscaping at Rapallo Lane at Savona Way entry area; and
7. Landscaping along the south side of Savona Way.

- **Zone 27 (Bettencourt Ranch and Somerset - Danville Area)**
  Landscaping and related improvements located along the following roadways:
  1. Landscaping frontage (from the curb to the sidewalk) situated on the north side of Camino Tassajara, encompassing areas that extend beyond Buckingham Drive and Mansfield Drive; and
  2. Medians in Camino Tassajara between Buckingham Drive and Mansfield Drive.

  In Fiscal Year 2004-05, Zone 27A was established with a lower rate for those homeowners in Subdivision 7763 – due to the fact they are on a private street and have a reduced level of landscaping.

- **Zone 35 (Sandy Cove Shopping Center* - Discovery Bay Area)**
  Landscaping, parks and recreation, and related improvements located within the public right of way and trail easements:
  1. Three (3) Bixler Road median islands adjacent to Sandy Cove Shopping Center north of Highway 4; and
  2. A pedestrian trail between the Sandy Cove Shopping Center and Newport Drive includes two (2) footbridges and necessary appurtenances.

  ***Please note:** Discovery Bay Community Services District is responsible for the maintenance of the landscapes described in this section, per an October 28, 2008 Landscape Maintenance Agreement with Contra Costa County.

- **Zone 36 (Alamo Beautification - Alamo Area)**
  Landscaping, recreation, and related improvements along/within Danville Boulevard, Livorna Road, Miranda Avenue, and Stone Valley Road. These improvements include:
  1. Median islands at the intersection of Stone Valley Road and Green Valley Road;
  2. Trees related to the "Danville Boulevard of Trees" project from Rudgear Road to Leona Court;
  3. Stone Valley Road landscaping. Phase I – North side of Stone Valley Road from Stone Valley Way to Austin Lane. South side from Alamo Ranch Road, approximately 280 linear feet east and south side from High Eagle Road, approximately 760 linear feet West; Phase II – Full responsibility for areas between Austin Lane and St. Paul Drive, excluding the Phase I area described above;
  4. Additional litter pickup and sidewalk and jogging path cleanup along Danville Boulevard, Livorna Road, Miranda Avenue and Stone Valley Road.

- **Zone 37 (Clyde - Clyde Area)**
  Landscaping, parks and recreation, and related improvements within the following parks:
  1. Clyde Park (2.0 acres, located on Norman Avenue);
  2. Marie Porter Park (0.22 acres, located on Kilburn Street and Norman Avenue);
  3. Big Oak Tree Park (0.25 acres, located on Kilburn Street at the intersection of Wellington Avenue); and
  4. Maybeck Park (0.07 acres, located on Medburn Street and Amy Lane).

- **Zone 38 (Rodeo - Rodeo Area)**
  Landscaping and related improvements, including trails and related facilities located at the following roadways, trails, and open space:
  1. Maintenance of the "Rodeo" signboard area at the corner of San Pablo Avenue and Willow Avenue (up to the Hercules city limit);
  2. Parker Avenue trees located in tree wells along the west and east side frontage from First Street south to Sixth Street;
  3. The 3-mile long Rodeo Creek Trail Corridor (from Investment Street south to the footbridge at Mariners Point and Seacliff Court); and
  4. Pedestrian footbridge located at Highway 80 and Willow Avenue.

- **Zone 42 (California Skyline - Bay Point Area)**
  Landscaping, parks and recreation, and related improvements located within the public right-of-way along the following streets and at the following parks and open spaces:
  1. The frontage along the north side of Evora Road;
  2. Boeger Park* (0.57 acres, located on Caskey Street);
  3. The public paths located between lots 40/41, 28/46, 1/Evora Road and 27/Evora Road of Subdivision 7838;
  4. Both sides of Driftwood Drive from Jill Avenue to Coastview Court and within the median islands;
  5. Tradewinds Park* (0.72 acres, located at Tradewinds Court), including the landscape area on the northeast and southwest corner of Coastview and Tradewinds Courts.

  ***Please Note:** Ambrose Recreation & Park District is responsible for the maintenance of Boeger and Tradewinds Parks per the June 26, 2012 Joint Power of Agreement (JEPA) between the County and Ambrose.

- **Zone 45 (Alamo Villas - Alamo Area)**
  Landscaping and related improvements located within the public right-of-way along:
  1. The median island, approximately 120 linear feet along Danville Boulevard by Tract 7559.

- **Zone 48 (Oakgate Drive - Danville Area)**
  Landscaping and related improvements within the public right-of-way along:
  1. Oakgate Drive; and
  2. The north side frontage of Camino Tassajara from 600’ west of Oak Gate Drive to Hansen Lane (approximately 725 linear feet).

- **Zone 54 (Alamo Country - Alamo Area)**
  Landscaping and related improvements located within the public right-of-way along:
  1. Livorna Road and Miranda Avenue, fronting Subdivisions 7601 and 7818, totaling approximately 4,320 linear feet. Landscaping varies in width from 23 feet to 170 feet.

  Zone 54 provides a financial contribution of approximately $871 (93 units * $9.36) for the Zone 36 medians.

- **Zone 57 (Pacific Waterways - Discovery Bay Area)**
  Landscaping, parks and recreation, and related improvements within the public right-of-way, landscape and pedestrian pathway easements, parking parcels, and a park parcel:
  1. Regatta Park (4.83 acres, AKA Tyler Memorial Park, located on Sailboat Drive);
  2. Public right-of-way along Highway 4 and Bixler Road, fronting Subdivisions 7679, 7907, 7908, 7909 and 7881, totaling approximately 3,680 linear feet;
  3. Porthole Drive medians and frontage on both sides of approximately 340 linear feet each (totaling 1,020 linear feet);
  4. Entry area at Bixler Road and Regatta Drive;
  5. Parking bays and associated landscape; and
  6. A short pedestrian path connecting Yacht Drive to Bixler Road.

  ***Please note:** Discovery Bay Community Services District is responsible for the maintenance of the landscapes and Regatta Park as described in this section, per an October 28, 2008 Landscape Maintenance Agreement with Contra Costa County.

- **Zone 61 (Discovery Bay West - Discovery Bay Area)**
  Landscaping, parks and recreation, and related improvements along the following roadways and within the following parks:
  1. The public right-of-way frontage and medians along Newport Drive from Bixler Road to Newport Lane;
  2. The public right-of-way frontage and medians along all of Preston Drive;
  3. Frontage along both sides of Point of Timber Road adjacent to the Discovery Bay West development;
  4. Slifer Park (5.83 acres);
  5. Landscaping associated with the Park-n-Ride Lot located at Bixler Road; and
  6. Frontages along Bixler Road Village I, Bixler Road Village II, Bixler Road Village III, and Bixler Road Village IV.

  ***Please note:** Discovery Bay Community Services District is responsible for the maintenance of the landscapes and Slifer Park as described in this section, per an October 28, 2008 Landscape Maintenance Agreement with Contra Costa County.

- **Zone 63 (Parkway Estates - North Richmond Area)**
  Landscaping, parks and recreation, and related improvements within:
  1. Parkway Estates Park (0.32 acres, located on Malcom Drive).

- **Zone 64 (California Reflections - Pinole Area)**
  Landscaping and related improvements consisting of approximately 231 linear feet located within:
  1. The public right-of-way fronting San Pablo Avenue east of Eire Drive; and
  2. The public right-of-way fronting Eire Drive.

  The landscape improvements vary in width from 15 feet to 30 feet.

- **Zone 68 (Wendt Ranch* - Danville Area)**
  Landscaping and related improvements located within the public right-of-way and medians along:
  1. Camino Tassajara median islands and frontage along the subdivision; and
  2. Creekview Place entry area, including the median island. The Creekview Place and other parkway strips are specifically excluded.

  ***Please Note:** There are parks and landscaping located in the interior sections of this Zone south of the entry area which are owned and maintained by a homeowner's association per conditions of approval and therefore the maximum assessment rate did not include these interior areas of maintenance and they are not the responsibility of the District.

- **Zone 69 (Alamo Creek* - Danville Area)**
  Landscaping and related improvements located within the public right-of-way and medians along:
  1. Camino Tassajara median from Knolls Creek Drive east to soccer field entrance;
  2. Camino Tassajara south side frontage from Knolls Creek Drive east to soccer field entrance;
  3. Charbray Street median and park strips from Camino Tassajara south to the trailhead (including bio filtration strips);
  4. Massara Street median and park strips from Charbray Street to Welshland Street; and
  5. South side of Casablanca Street park strips from Knolls Creek south to Charbray Street.

  ***Please Note:** There are parks and landscaping located in the interior sections of this Zone, which are currently owned and maintained by a homeowner's association per conditions of approval. However, the maximum assessment rate, when established, included these interior areas as being maintained and operated by the District. Therefore, if the homeowner's association fails to maintain these interior sections to County standards, the County may take over maintenance of these areas and increase the assessment to its maximum allowable rate.

- **Zone 70 (Intervening Properties - Danville Area)**
  Landscaping and related improvements located within the public right-of-way and medians along:
  1. South side frontage of Camino Tassajara from Hansen Lane to Alamo Creek;
  2. Monterosso Street west and east side street frontages, and medians from Camino Tassajara south to Casablanca Street;
  3. Casablanca Street frontage from Menton Street east to the Alamo Creek tributary bridge/Wendt Ranch Subdivisions;
  4. Entry monument on Camino Tassajara and Monterosso Street; and
  5. Camino Tassajara median islands from Hansen Lane to Knollview Drive/Creekview Place.

  ***Please Note:** There are parks and landscaping located in the interior sections of this Zone which are owned and maintained by a homeowner's association and therefore the maximum assessment rate did not include these interior areas of maintenance and they are not the responsibility of the District.

- **Zone 71 (Diablo Vista Ballfields* - Danville Area)**
  Landscaping, parks and recreation, and related improvements at:
  1. 15-acre Diablo Vista Ballfield.

  ***Please Note:** Per the December 15, 2009 Joint Exercise of Powers Agreement between the Town of Danville, San Ramon Valley Unified School District (SRVUSD), and Contra Costa County, SRVUSD is responsible for enhanced maintenance of this area.

- **Zone 74 (Bella Flora* - Richmond Area)**
  Landscaping, parks and recreation, and related improvements located within the public right-of-way along:
  1. Martin Drive, east side frontage;
  2. Ellison Lane, south side frontage;
  3. Spears Circle Park (0.50 acre, located at intersection of Malcolm Drive and Spears Circle).

  ***Please Note:** There are parks and landscaping located in the interior of Subdivision 9293 which are planned to be owned and maintained by a homeowner's association and therefore the maximum assessment rate did not include these interior areas of maintenance and they are not the responsibility of the District.

- **Zone 75 (Belmont Terrace* - Pacheco Area)**
  Landscaping and related improvements located within the public right-of-way along:
  1. Pacheco Boulevard frontage from Falling Star Drive to Little Valley Road; and
  2. North side of Pacheco Boulevard frontage fronting Subdivision 8967.

  ***Please Note:** There are parks and landscaping located in the interior of Subdivisions 8967 and 8984 which are owned and maintained by a homeowner's association and therefore the maximum assessment rate did not include these interior areas of maintenance and they are not the responsibility of the District.

PART B

ESTIMATE OF COST

The Landscaping and Lighting Act of 1972 provides that the total cost of construction, maintenance, and servicing of the public landscaping, lighting (not street lighting except in special cases), and parks and recreation facilities can be recovered by the District. Incidental expenses including administration of the District, engineering fees, legal fees, and all other costs associated with the construction, maintenance, and servicing of the District can also be included.

At the end of Fiscal Year 2025-26 none of the Benefit Zones is anticipated to have a negative fund balance.

The estimated Fiscal Year 2025-26 expenditures and assessment revenue for the proposed District facilities have been provided by the County and are summarized in Table 2 on the following page:

Zone	Zone Description	Number of Parcels	June 30, 2025 Projected Fund Balance	Fiscal Year 2025-26 Revenue [1]	Fiscal Year 2025-26 Expenditures	June 30, 2026 Projected Fund Balance [2]	Maintained By
1, 2, 4	Lynbrook Development	684	$36,140.11	$64,964.48	($55,433.00)	$45,671.59	PWGM/Ambrose
3	Hickory Meadows	78	$58,765.31	$14,046.24	($8,813.00)	$63,998.55	Ambrose
5	Pacheco Beautification	916	$214,637.81	$75,157.04	($50,032.60)	$239,762.25	PWGM
7	Pleasant Hill BART	255	$5,062.83	$83,280.04	($77,900.00)	$10,442.87	Contra Costa Centre
10	Viewpointe	119	$445.14	$18,071.34	($16,368.52)	$2,147.96	PWGM/Ambrose
11	Hilltop Commons	1	$44,868.66	$6,000.00	($2,859.69)	$48,008.97	PWGM
17	Shadow Creek	477	$96,472.22	$71,550.00	($70,452.14)	$97,570.08	PWGM
18	Pacheco Manor	22	$7,290.60	$3,870.68	($3,738.82)	$7,422.46	PWGM
19	Hidden Pond	130	$12,994.06	$26,000.00	($26,578.06)	$12,416.00	PWGM
21	Kensington Area	2,257	$30,420.46	$30,689.40	($26,924.95)	$34,184.91	PWGM
22	Seabreeze	154	$742.89	$44,660.00	($43,190.03)	$2,212.86	PWGM
27	Bettencourt Ranch & Somerset	572	$112,237.60	$51,849.30	($46,276.26)	$117,810.64	PWGM
35	Sandy Cove Shopping Center	9	$245,737.90	$33,207.14	($32,152.00)	$246,793.04	Discovery Bay CSD
36	Alamo Beautification	5,525	$39,656.70	$51,632.06	($49,487.00)	$41,801.76	PWGM
37	Clyde Area	286	$2,735.47	$12,072.56	($11,743.10)	$3,064.93	PWGM
38	Rodeo Area	2,567	$87,093.53	$76,996.86	($53,931.95)	$110,158.44	PWGM
42	California Skyline	343	$43,645.99	$72,030.00	($71,218.55)	$44,457.44	PWGM/Ambrose
45	Alamo Villas	10	$2,318.81	$1,200.00	($1,133.50)	$2,385.31	PWGM
48	Mrack Road	72	$27,357.25	$35,280.00	($34,761.20)	$27,876.05	PWGM
54	Alamo Country	93	$52,025.80	$46,918.50	($40,599.53)	$58,344.77	PWGM
57	Pacific Waterways	379	$8,004.18	$87,549.00	($87,472.15)	$8,081.03	Discovery Bay CSD
61	Discovery Bay West	1,926	$750,511.88	$331,817.94	($328,049.65)	$754,280.17	Discovery Bay CSD
63	Parkway Estates	87	$26,118.84	$20,010.00	($19,286.44)	$26,842.40	PWGM
64	California Reflections	31	$66,349.76	$8,500.00	($7,421.74)	$67,428.02	PWGM
68	Wendt Ranch	126	$13,296.54	$631.70	($568.54)	$13,359.70	HOA
69	Alamo Creek	811	$72,356.96	$4,436.60	($2,019.72)	$74,773.84	HOA
70	Intervening Properties	379	$219,772.41	$85,200.00	($81,115.57)	$223,856.84	PWGM
71	Diablo Vista Ballfields	1,059	$48,343.57	$160,319.24	($160,529.28)	$48,133.53	SRVUSD
74	Bella Flora	175	$305,774.20	$63,069.50	($56,501.92)	$312,341.78	PWGM
75	Belmont Terrace	219	$9,886.57	$821.58	($651.15)	$10,057.00	HOA
		19,762	**$2,641,064.05**	**$1,581,831.20**	**($1,467,210.06)**	**$2,755,685.19**	

[1] The Fiscal Year 2025-26 Revenue includes the proposed assessment revenue of $1,572,410.72 and $9,420.48 in other revenues for all associated zones. Other revenues include earnings on investments and interfund transfers for Zones 5, 35, 36, 61, 64, and 74.

[2] The shown Projected Fund Balance as of June 30, 2026 assumes that Operating and Future Maintenance Reserves will not be used in Fiscal Year 2025-26.

Legend: PWGM = Public Works Grounds Maintenance
HOA = Homeowners Association
SRVUSD = San Ramon Valley Unified School District
Ambrose = Ambrose Recreation & Park District
Discovery Bay CSD = Discovery Bay Community Services District

A detailed “Special Districts Worksheet” for each Benefit Zone is shown in Appendix “A” of this report. The worksheets provide actual revenues and estimated expenditures for Fiscal Year 2024-25 and proposed revenue and expenditures for Fiscal Year 2025-26.

Public playground safety and accessibility standards are mandated by two legal requirements. The Americans with Disabilities Act (ADA) of 1990, which became effective in 1992 and required all public facilities (including playgrounds) be free of architectural barriers to access by January 1, 1995. Secondly, California Playground Safety Regulations R-39-97, mandated compliance with federal playground safety standards by the year 2000. This law requires that all playground equipment areas accessible to the public be audited/inspected for safety. These standards are established by the American Society for Testing and Materials (ASTM) in their document "Standard Consumer Safety Performance Specification for Playground Equipment for Public Use", and by the Federal Consumer Products Safety Commission (CPSC) in their document "Public Playground Handbook for Safety". Landscape and lighting zones that have existing playground equipment that does not meet these Federal and state guidelines must either retrofit or replace that equipment.

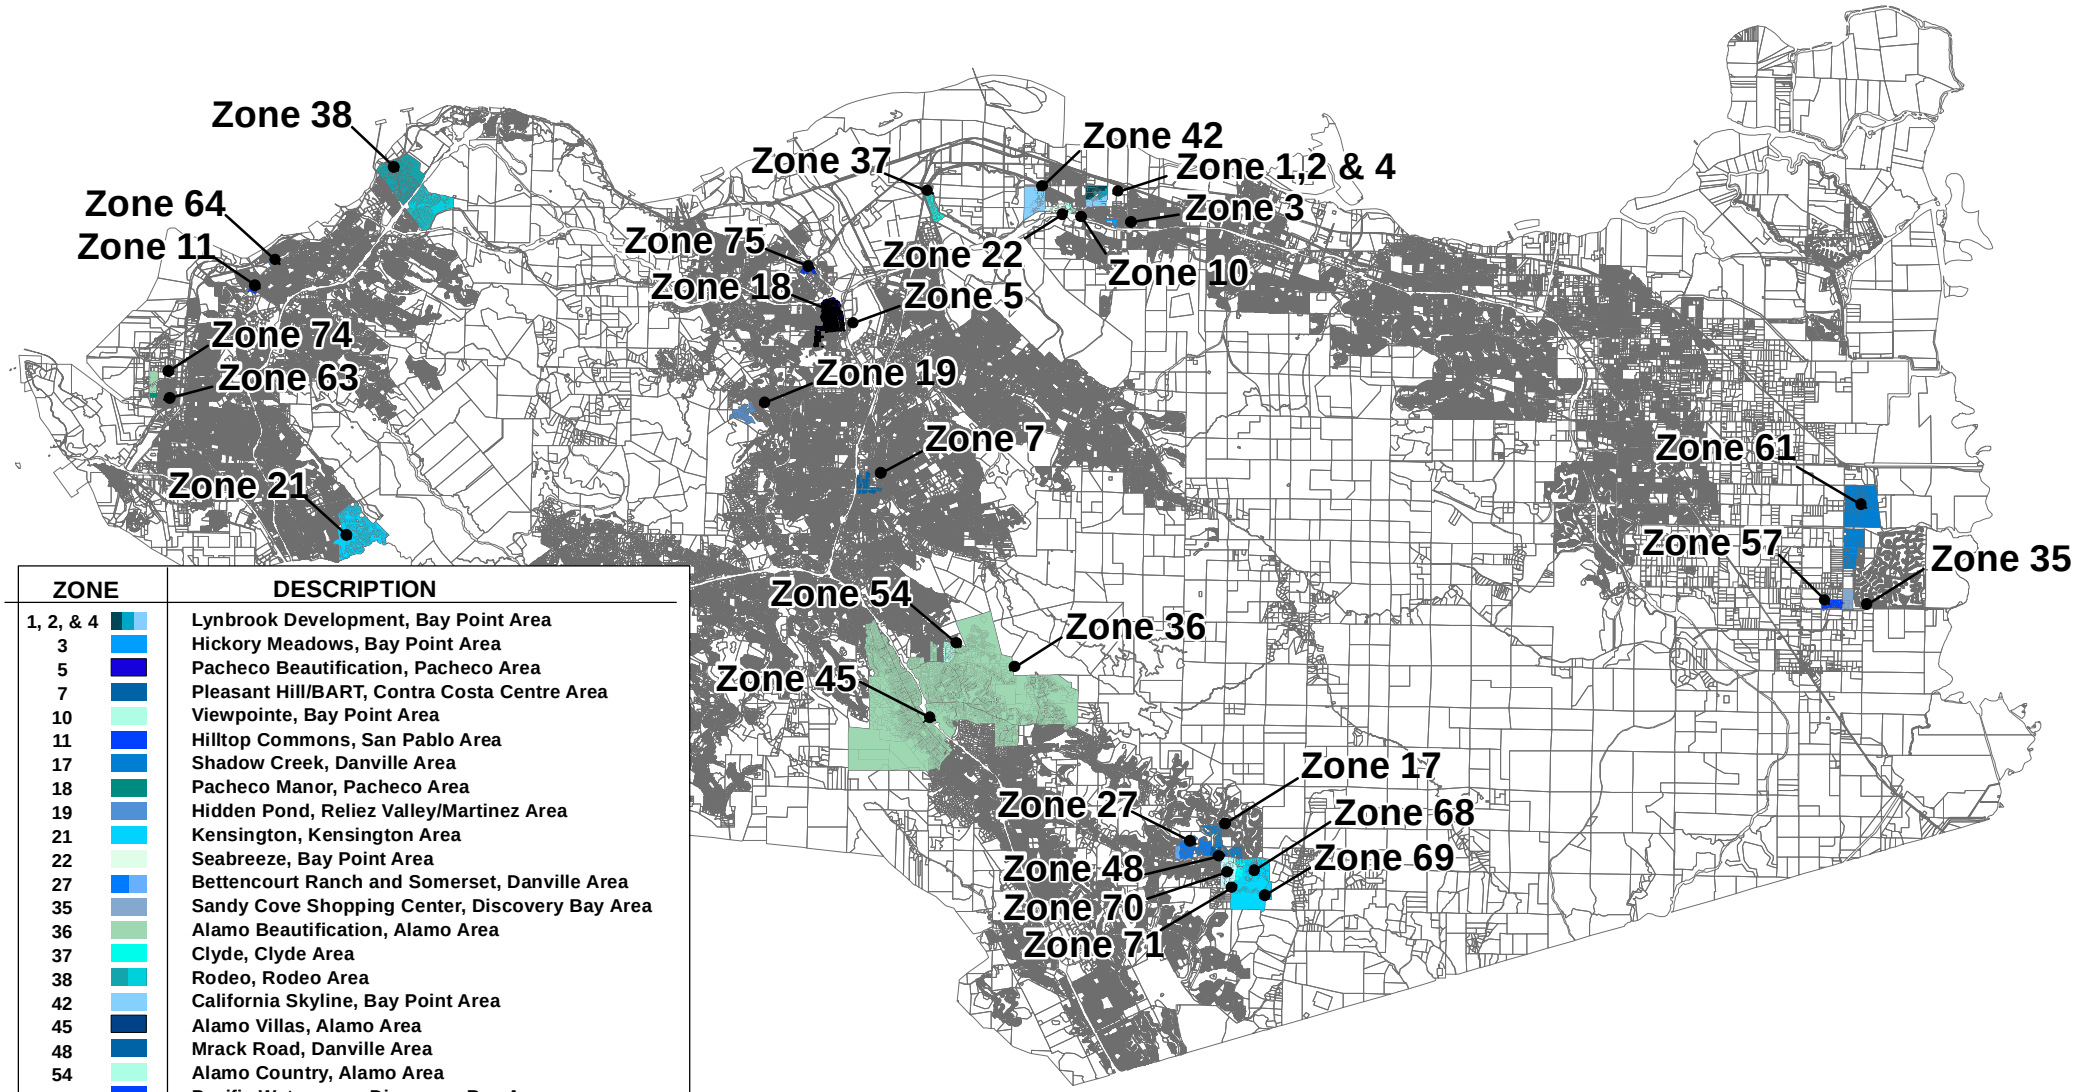

The Landscaping and Lighting Act of 1972 requires that a special fund be set up for the revenues and expenditures of each Benefit Zone. Funds raised by the assessments shall only be used for the purpose as stated herein. A contribution to each Benefit Zone by Contra Costa County may be made to reduce the assessments, as the Board of Supervisors deems appropriate. Any balance remaining on July 1 at the end of the fiscal year must be carried over to the next fiscal year.

PART C

ASSESSMENT DISTRICT DIAGRAM

The boundaries of the Assessment District 1979-3 (LL-2) for Fiscal Year 2025-26 are completely within the boundaries of Contra Costa County. The Assessment Diagram for the Assessment District 1979-3 (LL-2) is on file in the Office of the Contra Costa County Clerk of the Board of Supervisors and the Contra Costa County Public Works Department. The lines and dimensions of each lot or parcel within the District are those lines and dimensions shown on the maps of the Contra Costa County Assessor, for the year when this report was prepared, and are incorporated by reference herein and made part of this report as shown in Appendix “B”.

Contra Costa County
Assessment District 1979-3 (LL-2)

ZONE	DESCRIPTION
1, 2, & 4	Lynbrook Development, Bay Point Area
3	Hickory Meadows, Bay Point Area
5	Pacheco Beautification, Pacheco Area
7	Pleasant Hill/BART, Contra Costa Centre Area
10	Viewpointe, Bay Point Area
11	Hilltop Commons, San Pablo Area
17	Shadow Creek, Danville Area
18	Pacheco Manor, Pacheco Area
19	Hidden Pond, Reliez Valley/Martinez Area
21	Kensington, Kensington Area
22	Seabreeze, Bay Point Area
27	Bettencourt Ranch and Somerset, Danville Area
35	Sandy Cove Shopping Center, Discovery Bay Area
36	Alamo Beautification, Alamo Area
37	Clyde, Clyde Area
38	Rodeo, Rodeo Area
42	California Skyline, Bay Point Area
45	Alamo Villas, Alamo Area
48	Mrack Road, Danville Area
54	Alamo Country, Alamo Area
57	Pacific Waterways, Discovery Bay Area
61	Discovery Bay West, Discovery Bay Area
63	Parkway Estates, North Richmond Area
64	California Reflections, Pinole Area
68	Wendt Ranch, Danville Area
69	Alamo Creek, Danville Area
70	Intervening Properties, Danville Area
71	Diablo Vista Ballfields, Danville Area
74	Bella Flora, Richmond Area
75	Belmont Terrace, Pacheco Area

PART D

METHOD OF APPORTIONMENT OF ASSESSMENT

This section explains the benefits to be derived from the improvements and the methodology used to apportion the total assessments to the properties within the District.

The method used for apportioning the assessment is based upon the relative special benefits to be derived by the properties in each Benefit Zone of the District over and above the general benefits conferred on real property or to the public at large. The assessment is apportioned to each parcel in proportion to the relative cost of the special benefits from the improvements.

Discussion of Benefit

Part 2 of Division 15 of the Streets and Highways Code, the Landscaping and Lighting Act of 1972, permits the establishment of assessment districts by agencies for the purpose of providing certain public improvements, which include the maintenance, servicing of landscaping, and parks and recreation improvements.

Section 22573 of the Landscaping and Lighting Act of 1972 requires that maintenance assessments must be levied according to benefit rather than according to assessed value. This Section states:

> *"The net amount to be assessed upon lands within an assessment district may be apportioned by any formula or method which fairly distributes the net amount among all assessable lots or parcels in proportion to the estimated benefit to be received by each such lot or parcel from the improvements."*
>
> *"The determination of whether or not a lot or parcel will benefit from the improvements shall be made pursuant to the Improvement Act of 1911 (Division 7 (commencing with Section 5000)) [of the Streets and Highways Code, State of California]."*

In addition, the Landscaping and Lighting Act of 1972 permits the designation of zones of benefit within any individual assessment district if "by reasons or variations in the nature, location, and extent of the improvements, the various areas will receive different degrees of benefit from the improvement" (Sec. 22574). Thus, the Landscaping and Lighting Act of 1972 requires the levy of a true "assessment" rather than a "special tax."

Article XIIID, Section 4(a) of the California Constitution (also known as Proposition 218, approved by the California voters in November 1996) limits the amount of any assessment to the proportional special benefit conferred on the property.

> *"No assessment shall be imposed on any parcel which exceeds the reasonable cost of the proportional special benefit conferred on that parcel."*

In addition, Article XIIID also provides that publicly owned properties must be assessed unless there is clear and convincing evidence that those properties receive no special benefit from the assessment. Exempted from the assessment would be the areas of public streets, public avenues, public lanes, public roads, public drives, public courts, public alleys, public easements and rights-of-ways, public greenbelts and public parkways, and that portion of public property that is not developed and used for business purposes similar to those for private, commercial, industrial, and institutional activities.

Special versus General Benefit

On November 5, 1996, California voters approved Proposition 218 entitled "Right to Vote On Taxes Act" which added Articles XIIIC and XIIID to the California Constitution. While its title refers only to taxes, Proposition 218 establishes new procedural requirements for fees, charges, and benefit assessments.

These new procedures stipulate that even if charges or benefit assessments are initially exempt from Proposition 218, future increases in the charges or benefit assessments must comply with the provisions of Proposition 218. However, if the future increase in the charge or benefit assessment were anticipated in the charge or benefit assessment formula when approved by property owners (e.g., consumer price index increases or a predetermined cap) then the future increase in the charge or benefit assessment would be in compliance with the intent and provisions of Proposition 218.

Proposition 218 provides that “only special benefits are assessable” and defines a special benefit as a particular and distinct benefit conferred on real property and not a general benefit received by the public at large. Parcels located within the boundaries of the District will be assessed for the operation, maintenance and capital replacement costs associated with landscaping and park improvements as described herein, if they receive a special and direct benefit from the improvements. Furthermore, the identification and separation of general benefits from the special benefits follows for the District and the associated Benefit Zones.

In the absence of an annual assessment, the improvements in each Benefit Zone of the District would not be provided, therefore the improvements are “over and above” what is being provided in other portions of the County as part of the Public Works Facilities Division. All assessment proceeds derived from each Benefit Zone are utilized to fund the cost of providing a level of tangible “special benefits” in the form of proximate landscaping and other permanent public improvements. The assessments are also structured to provide specific improvements within each Benefit Zone, further ensuring that the improvements funded by the assessments are of specific and special benefit to property within each Benefit Zone.

Specific benefits conferred on property include:

- Unique proximity to improved landscaped areas;
- Access to improved landscape and park and recreation areas;
- Improved aesthetic views within each Benefit Zone; and
- Extension of a property's outdoor area due to the properties being in close proximity to the landscape and park improvements.

Properties outside the District's Benefit Zones do not enjoy the unique proximity, access, views, and other special benefits described previously. Moreover, many of the homes and other improvements on parcels in the Benefit Zones would not have been built if the assessments were not established, because an assessment for public landscaping and parks and recreation was a condition of approval for the associated developments. Without the annual assessments, the public improvements and annual maintenance provided within the Benefit Zones would not exist and the areas would turn into unmaintained and unusable public improvements and public lands. If this happened, it would create a significant and material negative impact on the desirability, utility, and value of property in the Benefit Zone. The improvements are, therefore, clearly above what otherwise would be provided. In fact, it is reasonable to assume that if assessments were not collected and the improvements were not maintained as a result, properties in the Benefit Zones would decline in desirability, utility, and value by significantly more than the amount of the assessments.

Although these improvements may be available to the public at large, the public landscaping, parks and recreation, and other public improvements in each Benefit Zone of the District were specifically designed, located, and created to provide additional and improved public resources for the direct advantage of property inside each Benefit Zone, and not the public at large. The boundaries of the Benefit Zones have been narrowly drawn to include only those parcels that receive a direct advantage from the improvements.

In addition to the special and direct benefits the property owners receive within each of the Benefit Zones from these enhanced landscaping and park and recreation improvements, there are also some incidental visual benefits received by vehicular and pedestrian traffic, or flow-through traffic which may pass by the landscaping and park and recreation improvements within the District. Even though these are incidental benefits, they must be accounted for and cannot be assessed to the properties within the District and each associated Benefit Zone. Therefore, based on flow-through traffic, it is conservatively estimated that approximately 99% of the annual cost to operate and maintain the landscaping and parks and recreation improvements would be a special and direct benefit to the parcels within the District and one percent of the annual cost to operate and maintain the landscaping and park improvements would be a general benefit.

It is therefore concluded that all the landscape improvements funded by the assessments confer special benefits to the identified benefiting properties located within the District and each associated Benefit Zone and that the value of the special benefits from such improvements to property in the Benefit Zones reasonably exceeds the cost of the assessments for every assessed parcel in a Benefit Zone. In other words, as required by

Proposition 218, the reasonable cost of the proportional special benefit conferred on each parcel reasonably exceeds the cost of the assessments.

Furthermore, the County owns, maintains, rehabilitates, and replaces curbs and gutters along the border of each of the Benefit Zone improvements. These curbs and gutters serve to support, contain, retain, manage irrigation flow, and plant growth, and provide a boundary for the improvements. The contribution from the County towards general benefit from the maintenance, rehabilitation and replacement of the curb and gutter is conservatively estimated to be at least one percent.

PARKS AND RECREATION BENEFIT DETERMINATION

The overall quality of life and desirability of an area is enhanced when public parks and recreation facilities are in place, improved, and maintained. Conversely, property desirability decreases when park and recreational facilities are unsafe or destroyed by the elements or vandalism.

Property desirability in an area also increases when there is an increase in the number of parks, recreation centers, and sports facilities. These park and recreational facilities enable property owners to participate in sporting events, leisure activities, picnics, organized social events, and other miscellaneous activities.

Studies in a number of communities, including counties and cities throughout the United States, have indicated that recreation areas and facilities, if well maintained and wisely administered, have caused a marked increase in the property values of parcels in the community. Consequently, such park and recreation facilities have proved to be an important factor in maintaining a sound economic condition and a high standard of livability in the community. These studies confirm the opinion long held by planning authorities as to the economic value of parks and recreational facilities in a community.

> *"The recreation value is realized as a rise in the value of land and other property in or near the recreation area, and is of both private interest to the landowner and others, holding an economic stake in the area, and of public interest to the taxpayers, who have a stake "* (National Recreation and Park Association, June 1985)
>
> *“Recreation and park amenities are central components in establishing the quality of life in a community… [businesses’] main resource is their employees for whom quality of life is an important issue. The availability and attractiveness of local parks and programs influences some company’s relocation decisions… the presence of a park encourages real estate development around it.”* (California Parks & Recreation, Winter 1997)

The benefit of parks and other recreational facilities to residential and commercial/industrial properties has been summarized by a number of studies. The United States Department of the Interior, National Park Service, in a publication of June 1984, concluded that:

- "Parks and recreation stimulate business and generate tax revenues."
- "Parks and recreation help conserve land, energy, and resources."
- "An investment in parks and recreation helps reduce pollution and noise, makes communities more livable, and increases property values."
- "Public recreation benefits all employers by providing continuing opportunities to maintain a level of fitness throughout one's working life, and through helping individuals cope with the stress of a fast-paced and demanding life."

Proper maintenance and operation of the parks within the District benefits those properties within the service areas of the parks by providing environmental quality and recreational enhancement. The amount of benefit received will vary with the different land use on the property. There are two categories from which the total benefit of a parcel is derived:

1. **Environmental Quality Benefit.** The improvement of the quality of air, visual aesthetics, and attractiveness of the community as a place to live and work and do business.

2. **Recreation Enhancement Benefit.** The availability and access to usable and safe park and recreational facilities.

Recent studies have shown that adequate parks and recreation facilities and recreation programs help to reduce crime and vandalism. This results in savings to property owners and improved property values and promotes the well-being of the community.

LANDSCAPING BENEFIT DETERMINATION

Trees, landscaping, hardscaping, and appurtenant facilities, if well maintained, provide beautification, shade, and enhancement of the desirability of the surroundings. In Parkways and Land Values, written by John Nolan and Henry V. Hubbard in 1937, it is stated:

> *"... there is no lack of opinion, based on general principles and experience and common sense, that parkways do in fact add value to property, even though the amount cannot be determined exactly. Indeed, in most cases where public money has been spent on parkways the assumption has been definitely made that the proposed parkway will show a provable financial profit to the City. It has been believed that the establishment of parkways causes a rise in real estate values throughout the City, or in parts of the City..."*

It should be noted that the definition of "parkways" above may include the roadway as well as the landscaping alongside the roadway.

Proper maintenance and operation of the street landscaping provides beautification and enhancement of the desirability of surroundings. The Benefit Zones in the District enjoy a reputation for beauty, and the landscape improvements along the major thoroughfares in the medians and parkways enhance that reputation and benefit all parcels in each Benefit Zone. These major thoroughfares are the entryways into the various Benefit Zones and as such provide beautification to the entire Benefit Zone.

ASSESSMENT METHODOLOGY

The total operation, maintenance, and servicing cost for the landscaping and public park and recreation facilities are apportioned in accordance with the methodology that is consistent with standard assessment engineering practices. The method for spreading the costs to each parcel is based on the Equivalent Dwelling Unit (EDU) factor, with the exception of Benefit Zone 7 assessments, which are assessed on potential floor area for commercial/industrial parcels and Benefit Zone 35 assessments which are assessed on acreage.

Since the assessment is levied on the owners of properties as shown on the tax rolls, the final charges must be assigned by Assessor's Parcel Number. If assessments were to be distributed by parcel, not considering land use, this would not be equitable because a single-family parcel would be paying the same as a 50-unit apartment parcel or a large commercial establishment. Therefore, as previously stated, the total assessment costs are distributed to each parcel of land based on the number of EDUs associated with each particular parcel.

Commercial and industrial parcels benefit similarly to residential parcels because of increased property values and the ability to have their workers and patrons use the park and recreation facilities. Commercial and industrial parcels are assessed based on their acreage because larger parcels have the ability to generate larger pedestrian flows. The methodology used to assign EDUs to other land uses in proportion to the benefit they receive relative to the single-family residential parcel is shown below.

Developed Single Family Residential - The developed single-family parcel has been selected as the basic unit for calculation of the benefit assessments. This basic unit shall be called an **Equivalent Dwelling Unit (EDU)**. Parcels designated as developed single family residential uses per the Contra Costa County land use code are assessed one (1.00) EDU.

Developed Multiple Residential - The EDUs for land designated as developed multi-family uses which includes townhomes, condominiums, mobile homes, and apartments are assessed a factor of one-half (0.50) EDU per dwelling unit, e.g., a parcel with a 100-unit apartment would be assessed 50 EDUs. Based on data from representative cities in Northern California, the multiple family residential factor of fifty (50) percent is determined by the statistical proportion of relative trips generated from various types of residential uses, in combination with density per unit. Benefit Zones 18, 27, and 45 are assessed as 1.00 EDU per dwelling unit for townhomes and condominiums.

Developed Commercial/Industrial, Recreational, Institutional, and Other Miscellaneous Uses - Developed commercial and industrial properties include commercial, industrial, recreational, institutional, or miscellaneous uses per Contra Costa County land use codes. The parcels are assessed based upon their acreage. The parcels are assessed one (1.00) EDU for the first acre or any portion thereof, one (1.00) EDU/acre for each additional acre up to a maximum of three (3.00) EDUs. The minimum number of EDUs per parcel is one (1.00) EDU.

Commercial, industrial, recreational, institutional, or miscellaneous uses in Benefit Zone 7, both developed and undeveloped per Contra Costa County land use codes, are assessed based upon the potential floor area ratio of the parcel. The minimum rate per parcel will be one single family unit.

Undeveloped Single Family Residential - Parcels defined as undeveloped single-family residential parcels will be assessed at fifty (50) percent of the developed single-family rate or 0.50 EDU's.

Undeveloped Multiple Family Residential - The EDUs for land designated as undeveloped multi-family use which includes undeveloped townhomes, condominiums, mobile homes, and apartments are assessed half of the developed EDU factor per planned dwelling unit. For example, a parcel that is planned for a 100-unit apartment complex would be assessed 25 EDUs. If the number of planned dwelling units are not known, then the rate is 0.50 EDUs/acre with a minimum of 0.50 EDUs and a maximum of 1.50 EDUs.

Undeveloped Non-Single Family Residential - Parcels defined as undeveloped non-single family residential will be assessed at fifty (50) percent of the developed commercial/industrial rate. These parcels include undeveloped commercial/industrial, recreational, institutional, and other miscellaneous parcels. These parcels will be assessed at 0.50 EDUs per acre or any portion thereof, with a minimum of 0.50 EDU per parcel and a maximum of 1.50 EDUs per parcel (3.00 acres). Incremental acreage greater than 3.00 acres is considered to be an open space area and therefore receives no further assessment.

Undeveloped property is described as parcels with no improved structures. Property values increase for undeveloped parcels when public infrastructure improvements are installed and well maintained.

Exempt - Exempted from the assessment would be the areas of all public streets, public avenues, public lanes, public roads, public drives, public courts, public alleys, all easements and rights-of-ways, all public parks, cemeteries, greenbelts, and parkways, and all public school property, other public property, designated open space, and public utilities.

BENEFIT ZONE CLASSIFICATION

As properties develop throughout the County, they are annexed into the District. A specific Benefit Zone may be created for these properties or they may be included within an existing Benefit Zone, which is unique and distinguishable from other Benefit Zones located within the District. Each Benefit Zone is evaluated to determine which improvements are of a specific and direct benefit to the parcels in that Benefit Zone. Once the improvements have been identified, a method of allocating those costs to the benefiting parcels is developed.

The following is a listing of the various Benefit Zones in the District, their corresponding number of parcels/units in each Benefit Zone, and the method of apportioning the costs of the improvements. Some Benefit Zones include an increase each year as allowed by the assessment formula when the Benefit Zone was formed.

- **Zones 1, 2, and 4 (Lynbrook Development - Bay Point)** Subdivisions 5354, 5380, 5533, 5534, 5695, 5696 (old 6622), and MS11-84.

  Formed: 1979
  Zone 1: 329 parcels; Zone 2: 127 parcels; Zone 4: 228 parcels

  Single family parcels are assessed 1.00 EDU/parcel and multi-family units are assessed 0.50 EDUs/unit.

  Fiscal Year 2025-26 Maximum Assessment Rate: $76.16 per EDU

- **Zone 3 (Hickory Meadows - Bay Point Area)** - Subdivision 5573

  Formed: September 1979
  78 Parcels

  Single family parcels are assessed 1.00 EDU/parcel and multi-family units are assessed 0.50 EDUs/unit.

  Fiscal Year 2025-26 Maximum Assessment Rate: $180.08 per EDU

- **Zone 5 (Pacheco Beautification Project – Pacheco Area)**

  Formed: June 11, 2002
  916 Parcels

  Zone 5 was formed in Fiscal Year 2002-03 with a maximum rate set at $46.50 per EDU + annual Consumer Price Index (CPI) increases for the San Francisco Bay Area - All Urban Consumers. The CPI starting index is 193.20 for June 30, 2002. The February 2025 CPI Index is 354.432, therefore the maximum rate is $85.32 per EDU.

  Fiscal Year 2025-26 Maximum Assessment Rate: $85.32 per EDU

- **Zone 7 (Pleasant Hill BART – Contra Costa Centre Area)**

Formed: July 30, 1985
255 Parcels

Each of the parcels located within this zone will be assessed based upon their proportional share of benefit as follows:

Residential property is assessed the Fiscal Year 2025-26 maximum assessment rate of $16.12 per unit

Commercial parcels are assessed the Fiscal Year 2025-26 maximum assessment rate of $.0291708 per potential or actual square foot, depending upon which amount is greater

- **Zone 10 (Viewpointe - Bay Point Area)** Subdivision 6484

Formed: March 3, 1987
119 Parcels

Each of the parcels located within this zone will be assessed an equal share of the total assessment. Single family parcels are assessed 1.00 EDU/parcel and multi-family units are assessed 0.50 EDUs/unit.

Fiscal Year 2025-26 Maximum Assessment Rate: $151.86 per EDU

- **Zone 11 (Hilltop Commons - San Pablo Area)** LUP 2042-85

Formed: February 10, 1987
1 Parcel

This zone consists of multiple family residential units and there is one (1) parcel associated with all the residential units. The total assessment for this zone is assessed to the underlying parcel. The maximum assessment is $6,000, and the parcel will be assessed $6,000 for Fiscal Year 2025-26.

Fiscal Year 2025-26 Maximum Assessment Rate: $6,000.00 per parcel

- **Zone 17 (Shadow Creek – Danville Area)** Subdivisions 7279, 7040 and 7041

Formed: April 25, 1989
477 Parcels

Each of the parcels located within this zone will be assessed an equal share of the total assessment.

Fiscal Year 2025-26 Maximum Assessment Rate: $150.00 per EDU

- **Zone 18 (Pacheco Manor – Pacheco Area)** Subdivision 6958

  Formed: June 7, 1988
  22 Parcels

  Each of the parcels located within this zone will be assessed an equal share of the total assessment.

  Fiscal Year 2025-26 Maximum Assessment Rate: $175.94 per EDU

- **Zone 19 (Hidden Pond – Reliez Valley/Martinez Area)** Subdivisions 6769, 7144, 7151, 7820, and 7821.

  Formed: August 7, 1990
  Annexed Tract 7144: January 9, 1996
  130 Parcels

  Each of the parcels located within this zone will be assessed an equal share of the total assessment.

  Fiscal Year 2025-26 Maximum Assessment Rate: $200.00 per EDU

- **Zone 21 (Kensington - Kensington Area)**

  Formed: June 6, 1989
  2,257 Parcels

  Each of the parcels located within this zone will be assessed their proportionate share of the total assessment based upon their land use. Single family residential parcels located within the Kensington area shall be assessed $13.66/EDU. Multi-family/Residential units and Mobile Home units shall be assessed half the single-family rate per unit. Commercial will be assessed three times the single-family rate for each acre.

  Fiscal Year 2025-26 Maximum Assessment Rate: $13.66 per EDU

- **Zone 22 (Seabreeze – Bay Point Area)** Subdivisions 7152 and 8830

  Formed: August 13, 1991
  Subdivision 8830 annexed February 26, 2008 – 17 single family parcels
  154 Total Parcels

  Each of the parcels located within this zone will be assessed an equal share of the total assessment.

  Fiscal Year 2025-26 Maximum Assessment Rate: $290.00 per EDU

- **Zone 27 (Bettencourt Ranch and Somerset – Danville Area)** Subdivisions 7188, 7277, 7278, 7280 and 7763

Formed: August 6, 1991
572 Parcels

Each of the parcels located within this zone will be assessed their proportionate share of the total assessment. In Fiscal Year 2004-05, in order to spread the costs in proportion to the benefit each parcel receives, subzone "A" was developed. Subzone "A" is Tract 7763 which is on a private street and receives a reduced level of landscaping.

Each of the 421 parcels not located within subzone "A" (subdivisions 7188, 7277, 7278 and 7280) have a Fiscal Year 2025-26 Maximum Assessment Rate of **$150.00 per EDU**

Subzone "A"
The 150 condominium parcels and one utility parcel located within subzone "A" (subdivision 7763) have a Maximum Assessment Rate of approximately seventy (70) percent of the full assessment rate of $150.00, which is **$105.68 per EDU.**

However, due to savings attributable to reduced water usage all parcels within Zone 27 will be assessed in Fiscal Year 2025-26 below the Maximum Rate.

Zone 27
Fiscal Year 2025-26 Maximum Assessment Rate: $150.00 per EDU
Fiscal Year 2025-26 Applied Rate: $98.15 per EDU

Zone 27 Subzone "A"
Fiscal Year 2025-26 Maximum Assessment Rate: $105.68 per EDU
Fiscal Year 2025-26 Applied Rate: $ 69.38 per EDU

- **Zone 35 (Sandy Cove Shopping Center – Discovery Bay Area)** MS 39-91, DP 3031-94, and Tract 8456

Formed: May 5, 1998
9 Parcels
Reconfirmed: May 13, 2003

In February 2003, the rate for commercial parcels was re-confirmed based upon their net developable acreage at $1,434.92/acre + CPI increases for the San Francisco Bay Area – All Urban Consumers. The CPI starting index is 197.70 for February 2003. The February 2025 CPI Index is 354.432, therefore the maximum rate is $2,572.45 per acre. The applied assessment rate has been set at $2,209.23 per acre for Fiscal Year 2025-26.

Fiscal Year 2025-26 Maximum Assessment Rate: $2,572.45 per acre
Fiscal Year 2025-26 Applied Rate: $ 2,209.23 per acre

- **Zone 36 (Alamo Beautification - Alamo Area)**

Formed: August 6, 1991
5,525 Parcels

Each of the parcels located within this zone will be assessed an equal share of the total assessment.

Fiscal Year 2025-26 Maximum Assessment Rate: $9.36 per single family parcel

- **Zone 37 (Clyde - Clyde Area)**

Formed: July 23, 1991
286 Parcels

Each of the parcels located in this zone will be assessed an equal share of the total assessment.

Fiscal Year 2025-26 Maximum Assessment Rate: $41.76 per parcel

- **Zone 38 (Rodeo - Rodeo Area)**

Formed: July 23, 1991
2,567 Parcels

Each of the parcels located in this zone will be assessed an equal share of the total assessment. In order to spread the costs in proportion to the benefit, two subzones were developed.

The maximum assessment rate for Subzone "A", which had encompassed the maintenance of the Lefty Gomez ballfield and picnic areas, was set at $32.04 per EDU. As of Fiscal Year 2023-24, the applied rate for Subzone "A" was decreased to $27.24 because the County is no longer obligated to maintain Lefty Gomez ballfield and picnic area. Parcels located within Subzone "B" were assessed at 85% of the Subzone "A" maximum assessment rate, since Subzone "B" parcels have access to a homeowner's association funded park, Viewpoint Park. Therefore, the maximum assessment rate for parcels in Subzone "B" was set at $27.24. As a result, commencing with Fiscal Year 2023-24 all parcels within Benefit Zone 38 will be subject to the same applied Assessment Rate of $27.24 per EDU.

Fiscal Year 2025-26 Maximum Assessment Rate: $32.04 per parcel
Fiscal Year 2025-26 Applied Assessment Rate: $27.24 per parcel

- **Zone 42 (California Skyline – Bay Point Area)** Tracts 7597, 7737 and 7838

  Formed: July 7, 1993; Tract 7838 Annexed June 11, 1996
  343 Parcels

  Each of the parcels located in this zone will be assessed an equal share of the total assessment.

  Fiscal Year 2025-26 Maximum Assessment Rate: $210.00 per EDU

- **Zone 45 (Alamo Villas – Alamo Area)** Tract 7559

  Formed: July 26, 1994
  10 Parcels

  Each of the parcels located within this zone will be assessed an equal share of the total assessment.

  Fiscal Year 2025-26 Maximum Assessment Rate: $120.00 per EDU

- **Zone 48 (Oakgate Drive – Danville Area)** Subdivisions 7613, 7621, 7776, 7777, 7778, 7779, 7780, 8104, and DP03-3009 (4 parcels)

  Formed: July 26, 1994
  DP03-3009 (MS04-0020) annexed July 12, 2005 – 4 parcels
  72 Parcels

  Each of the parcels located within this zone will be assessed an equal share of the total assessment.

  Fiscal Year 2025-26 Maximum Assessment Rate: $490.00 per EDU

- **Zone 54 (Alamo Country – Alamo)** Subdivisions 7601 and 7818

  Formed: December 20, 1994; Rate Increase July 8, 2002
  93 Parcels

  Each of the parcels located within this zone will be assessed an equal share of the total assessment. The maximum rate was increased in Fiscal Year 2002-03 and set at $275.00 per EDU + CPI. The CPI had a starting index of 193.20 as of June 30, 2002. The February 2025 CPI Index is 354.432, therefore the maximum rate is $504.50 per EDU.

  Fiscal Year 2025-26 Maximum Assessment Rate: $504.50 per EDU

- **Zone 57 (Pacific Waterways – Discovery Bay Area)** Subdivisions 7679, 7881, 7907, 7908 and 7909.

  Formed: December 20, 1994
  379 Parcels

  Each of the parcels located within this zone will be assessed an equal share of the total assessment.

  Fiscal Year 2025-26 Maximum Assessment Rate: $231.00 per EDU

- **Zone 61 (Discovery Bay West - Discovery Bay Area)** Tract 7686, 8143, 8166, 8167, 8023, 8428, 8429, 8430, 8431, 8432, 8433, 8570, 8571, 8572, 8577, 8578, 8579, 8580, 8827, 8828, 8892, 8993, and 9067.

  Formed: November 2, 1999
  1,926 parcels

  Each of the parcels at build-out will be assessed an equal share of the total assessment. The maximum rate for this zone was set at $200.00 per EDU. However, the maximum rate was decreased to $190.00 per EDU in Fiscal Year 2001-02 due to the formation of a separate Benefit Parking District.

  Fiscal Year 2025-26 Maximum Assessment Rate: $190.00 per EDU
  Fiscal Year 2025-26 Applied Rate: $170.00 per EDU

- **Zone 63 (Parkway Estates – North Richmond Area)** Tract 7903

  Formed: October 27, 1997
  87 Parcels

  Each of the parcels located within this zone will be assessed an equal share of the total assessment.

  Fiscal Year 2025-26 Maximum Assessment Rate: $230.00 per EDU

- **Zone 64 (California Reflections – Pinole Area)** Tract 7661

  Formed: January 9, 1996
  31 Parcels

  Each of the parcels located within this zone will be assessed an equal share of the total assessment.

  Fiscal Year 2025-26 Maximum Assessment Rate: $300.00 per EDU
  Fiscal Year 2025-26 Applied Rate: $250.00 per EDU

- **Zone 68 (Wendt Ranch – Danville Area)** Tract 8002

Formed: October 10, 2000
Modified: Fiscal Year 2005-06
126 Parcels

Each of the 126 parcels located in this zone will be assessed an equal share of the total assessment. The maximum rate for Fiscal Year 2025-26 is $300.00 per EDU. However, this area is currently maintained by a homeowner's association, so therefore the rate for Fiscal Year 2025-26 has been set at $5.00 per EDU to cover administrative costs.

Fiscal Year 2025-26 Maximum Assessment Rate: $300.00 per EDU
Fiscal Year 2025-26 Applied Rate: $5.00 per EDU

- **Zone 69 (Alamo Creek – Danville Area)** Tract 8382 and 8381

Formed: June 12, 2006
679 single family, 127 townhomes and 120-unit senior housing at build out
and 3 other parcels

Each of the parcels located within this zone is assessed an equal share of the total assessment. Single family parcels are assessed at 1.00 EDU/parcel, townhomes are assessed at 0.50 EDU/parcel and the senior housing is assessed at 0.50 EDU/unit. It is estimated that at build out of the zone the total amount needed to maintain the public improvements for Zone 69 on an annual basis is $853,185.90 (Fiscal Year 2006-07 dollars).

(679 single family units * 1.00 EDU) + (127 townhomes * 0.50) + (120 senior units * 0.50) = 802.50 EDUs

$853,185.90 divided by 802.50 EDUs = $1,063.16/EDU

The maximum assessment rate was set in Fiscal Year 2006-07 at $1,063.16 per EDU with an allowance for a minimum of a 2% or CPI increase (if greater than 2%) each fiscal year which is based upon the San Francisco Bay Area All Urban Consumers as of June 2006 (209.1).

The February 2025 CPI Index is 354.432. Therefore, the maximum rate for Fiscal Year 2025-26 increased by 2.69% and is $1,809.78 per EDU. However, this area is currently maintained by a homeowner's association, so therefore the rate has been set at $5.00 per EDU to cover administrative costs.

Fiscal Year 2025-26 Maximum Assessment Rate: $1,809.78 per EDU
Fiscal Year 2025-26 Applied Rate: $5.00 per EDU

- **Zone 70 (Intervening Properties – Danville Area)** Tract 8331

Formed: October 4, 2005
378 single family parcels and 96 apartment units

Each of the parcels located within this zone is assessed an equal share of the total annual assessment. Single family parcels are assessed at 1.00 EDU/parcel, and the apartment complex is assessed at 0.50 EDU/unit.

The maximum assessment rate was set in Fiscal Year 2005-06 at $315.00 per EDU with an allowance for a minimum of a 2% or CPI increase (if greater than 2%) each fiscal year which is based upon the San Francisco Bay Area All Urban Consumers as of June 2005 (201.20).

The February 2025 CPI Index is 354.432. Therefore, the maximum rate for Fiscal Year 2025-26 increased by 2.69% and is $557.29 per EDU. The rate has been set at $200.00 per EDU.

Fiscal Year 2025-26 Maximum Assessment Rate: $557.29 per EDU
Fiscal Year 2025-26 Applied Rate: $200.00 per EDU

- **Zone 71 (Diablo Vista Ballfields – Danville Area)** Tract 8331, 8381, and 8382

Formed: October 4, 2005
1,059 single family parcels

Each of the parcels located within this zone will be assessed an equal share of the total annual assessment.

Zone 71 was annexed in Fiscal Year 2005-06 and the maximum assessment rate was set at $80.00 per EDU with an allowance for a CPI increase each fiscal year which is based upon the San Francisco Bay Area All Urban Consumers as of June 2005 (201.20). Zone 71 was created per a Settlement Agreement (January 27, 2004) with the Town of Danville, Contra Costa County, the San Ramon Valley Unified School District, and the project developers. Each year the revenue will be collected and used to provide for the enhanced maintenance of the ball fields. Approximately $5.00/EDU each year will be used to cover administrative costs associated with levying the assessment. The February 2025 CPI Index is 354.432, therefore the maximum rate for Fiscal Year 2025-26 is $140.94 per EDU.

Fiscal Year 2025-26 Maximum Assessment Rate: $140.94 per EDU

***Please Note:** Per the December 15, 2009, Joint Exercise of Powers Agreement between the Town of Danville, San Ramon Valley Unified School District (SRVUSD) and Contra Costa County, SRVUSD is responsible for maintenance of this area.

- **Zone 74 (Bella Flora – Richmond Area)** Tract 8755 and 9293

  Formed: June 12, 2006 (Resolution 2006/370)
  173 single family parcels and 2 industrial parcels

  Each of the parcels within this zone is assessed its share of the total assessment for this zone.

  The maximum assessment rate was set at $550.00 per EDU with an allowance for a minimum of a two (2) percent or CPI increase (if greater than 2%) each fiscal year which is based upon the San Francisco Bay Area All Urban Consumers as of June 2006 (209.1). The February 2025 CPI Index is 354.432. Therefore, the maximum rate for Fiscal Year 2025-26 increased by 2.69% and is $936.27 per EDU. The rate has been set at $340.00 per EDU.

  Fiscal Year 2025-26 Maximum Assessment Rate: $936.27 per EDU
  Fiscal Year 2025-26 Applied Rate: $340.00 per EDU

- **Zone 75 (Belmont Terrace – Pacheco Area)** Tract 8984, 8967, and one institutional parcel

Formed: February 27, 2007
Subdivision 8967 annexed May 13, 2008 - 89 Courtyard units and 1 institutional parcel
217 total courtyard units + 1 single family parcel + 1 institutional parcel

Each of the parcels located within this zone will be assessed their benefiting share of the total assessment for this zone. The courtyard homes are classified as townhomes per the County Assessor and parcels are assessed at 0.75 EDU/parcel and single-family parcels are assessed at 1.00 EDU/parcel. The 0.91-acre institutional parcel is assessed 1.00 EDU based on its acreage. It is estimated that at build out of the Zone the total amount needed to maintain the public improvements for Zone 75 on an annual basis is $42,525.88 (Fiscal Year 2008-09 dollars).

(217 courtyard units *0.75 EDU/unit) = 162.75 EDUs

(1 single family parcel *1.00 EDU/parcel) = 1.00 EDU

(0.96 institutional acres) = 1.00 EDU

The maximum assessment rate was set at $254.11 per EDU with an allowance for a minimum of a two (2) percent or CPI increase (if greater than 2%) each fiscal year which is based upon the San Francisco Bay Area All Urban Consumers as of June 2006 (209.1). The February 2025 CPI Index is 354.432. Therefore, the maximum rate for Fiscal Year 2025-26 increased by 2.69% and is $432.54 per EDU. However, this area is currently maintained by a Homeowner's Association, so therefore the rate for Fiscal Year 2025-26 has been set at $5.00 per EDU to cover administrative costs.

Fiscal Year 2025-26 Maximum Assessment Rate: $432.54 per EDU
Fiscal Year 2025-26 Applied Rate: $5.00 per EDU

PART E

PROPERTY LIST AND ASSESSMENT ROLL

The total assessment amount for each Benefit Zone and the proposed assessment amount apportioned to each parcel for Fiscal Year 2025-26, in proportion to the benefit received by each parcel from the improvements, is contained in the Assessment Roll, which is on file in the Office of the Contra Costa County Clerk of the Board of Supervisors, the Contra Costa County Public Works Department, the Contra Costa County Public Works website and shown in Appendix C.

The Assessment Roll includes a list of all parcel numbers within the District that have been updated to match the last equalized Property Tax Roll of the Contra Costa County Assessor, which by reference is hereby made a part of this report. The last equalized Property Tax Roll includes a description of each parcel and shall govern for all details concerning the description of the parcels.

The total proposed assessment for the Fiscal Year 2025-26 is $1,572,410.72.

CONTRA COSTA COUNTY

Staff Report

File #: RES 2025-242 **Agenda Date:** 7/8/2025 **Agenda #:** D.10.

To: **Contra Costa County Flood Control and Water Conservation District**

From: Warren Lai, Public Works Director/Chief Engineer

Report Title: Hearing to Adopt the Stormwater Utility Area Assessment for Fiscal Year 2025-2026, Countywide. Project No. 4500-6X7041

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:

1. OPEN the public hearing on the Engineer's Report and the proposed Stormwater Utility Area (SUA) assessments; RECEIVE and CONSIDER oral and written testimony, including objections and protests; and CLOSE the hearing.

2. DETERMINE that no changes to the SUA assessments or the Engineer's Report will be made in response to any objections or protests.

3. DETERMINE that rates for each SUA for Fiscal Year 2025-2026 are the maximum rates per Equivalent Runoff Unit for each area as shown in the Engineer's Report.

4. ADOPT Resolution confirming the SUA assessments for Fiscal Year 2025-2026.

5. DIRECT the Chief Engineer or designee to provide a certified copy of the Resolution and the roll of confirmed SUA assessments to the County Auditor-Controller before August 10, 2025.

FISCAL IMPACT:

The proposed assessments for SUAs 1 through 18 will provide approximately $15,905,706 in funding for cities and the County for the National Pollutant Discharge Elimination System (NPDES) program and drainage maintenance. (100% Stormwater Utility Area Assessment)

BACKGROUND:

On June 10, 2025, the Board of Supervisors (Board) acknowledged the receipt of resolutions, requesting the adoption of the SUA assessments for Fiscal Year 2025-2026, adopted Resolution No. 2025-201, and directed the Clerk of the Board to fix a public hearing for July 8, 2025, in its chambers to receive and consider oral and written testimony, including objections and protests, on the Engineer's Report and the proposed SUA assessments, as required by the Contra Costa County Flood Control and Water Conservation Act (Act). The majority protest procedure does not apply because the proposed rates for each SUA do not exceed the approved maximum rate for each area and because there has been no change in the methodology for how the assessment

is calculated.

The Act, under the provisions of Section 12.8(a), authorizes the Board of the Contra Costa County Flood Control and Water Conservation District to levy assessments within SUAs. The Board must adopt the Resolution confirming the SUA assessments for the County, and the incorporated cities of Antioch, Clayton, Concord, Danville, El Cerrito, Hercules, Lafayette, Martinez, Moraga, Orinda, Pinole, Pittsburg, Pleasant Hill, San Pablo, San Ramon, Walnut Creek, and Oakley to levy SUA assessments for Fiscal Year 2025-2026. Confirmation of this Board action constitutes the levy of the SUA assessments for Fiscal Year 2025-2026.

CONSEQUENCE OF NEGATIVE ACTION:
If the proposed assessments for Fiscal Year 2025-2026 are not implemented, the program would have to be funded by the general funds or other sources of the cities and County to ensure compliance with NPDES permit requirements.

THE BOARD OF SUPERVISORS OF CONTRA COSTA COUNTY, CALIFORNIA

and for Special Districts, Agencies and Authorities Governed by the Board

IN THE MATTER OF LEVYING THE ANNUAL STORMWATER UTILITY ASSESSMENT FOR FISCAL YEAR 2025-2026, COUNTYWIDE.

The Board of Supervisors of Contra Costa County (Board), as the governing body of the Contra Costa County Flood Control and Water Conservation District (Flood Control District), FINDS that:

WHEREAS, the Contra Costa County Flood Control and Water Conservation Act, under the provisions of Section 12.8(b), authorizes the Board to levy annual assessments within Stormwater Utility Areas (SUAs);

WHEREAS, Contra Costa County and the incorporated cities of Antioch, Clayton, Concord, Danville, El Cerrito, Hercules, Lafayette, Martinez, Moraga, Orinda, Pinole, Pittsburg, Pleasant Hill, San Pablo, San Ramon, Walnut Creek, and Oakley have presented to the Board resolutions determining their respective SUA assessment rates and requesting the Flood Control District to levy assessments in their respective areas;

WHEREAS, a public hearing on the Engineer's Report and the proposed assessments was held on July 8, 2025;

WHEREAS, the rates for each SUA are the maximum rates per Equivalent Runoff Unit for each area as follows: SUA No. 1, Antioch-$25.00; SUA No. 2, Clayton-$29.00; SUA No. 3, Concord-$35.00; SUA No. 4, Danville-$30.00; SUA No. 5, El Cerrito-$38.00; SUA No. 6, Hercules-$35.00; SUA No. 7, Lafayette-$35.00; SUA No. 8, Martinez-$30.00; SUA No. 9, Moraga-$35.00; SUA No. 10, Orinda-$35.00; SUA No. 11, Pinole-$35.00; SUA No. 12, Pittsburg-$30.00; SUA No. 13, Pleasant Hill-$30.00; SUA No. 14, San Pablo-$45.00; SUA No. 15, San Ramon-$35.00; SUA No. 16, Walnut Creek-$35.00; SUA No. 17, Unincorporated County-$30.00; and SUA No. 18, Oakley-$30.00;

WHEREAS, the rates for each SUA does not exceed the maximum rates; therefore, the majority protest procedure does not apply;

NOW, THEREFORE, BE IT RESOLVED, the Board CONFIRMS the SUA assessment for the County, and the incorporated cities of Antioch, Clayton, Concord, Danville, El Cerrito, Hercules, Lafayette, Martinez, Moraga, Orinda, Pinole, Pittsburg, Pleasant Hill, San Pablo, San Ramon, Walnut Creek, and Oakley for Fiscal Year 2025 -2026.

MARTINEZ, CA 94553

CONTRA COSTA COUNTY

Staff Report

File #: 25-2640 **Agenda Date:** 7/8/2025 **Agenda #:** C.1.

To: Board of Supervisors

From: Greg Baer, Director of Airports

Report Title: Approve and Authorize the Director of Airports, or designee, to execute a hangar rental agreement at Buchanan Field Airport

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:

APPROVE and AUTHORIZE the Director of Airports, or designee, to execute a month-to-month hangar rental agreement with Roman Fedorov, for a south-facing T-hangar at Buchanan Field Airport effective June 16, 2025, in the monthly amount of $372.00, Pacheco area (District IV).

FISCAL IMPACT:

The Airport Enterprise Fund will receive $4,464, annually.

BACKGROUND:

On November 14, 2006, the Contra Costa County Board of Supervisors approved the form of the T-Hangar and Shade Hangar Rental Agreement for use with renting the County's t-hangars, shade hangars, medium hangars, and executive hangars at Buchanan Field Airport.

On February 23, 2007, Contra Costa County Board of Supervisors approved the new Large Hangar Rental Agreement for use with the large East Ramp Hangars.

On January 16, 2009, Contra Costa County Board of Supervisors approved an amendment to the T-Hangar and Shade Hangar Rental Agreement and the Large Hangar Rental Agreement (combined "Hangar Rental Agreements"). The Hangar Rental Agreements are the current forms in use for rental of all the County hangars at Buchanan Field Airport.

CONSEQUENCE OF NEGATIVE ACTION:

A negative action will cause a loss of revenue to the Airport Enterprise Fund.

CONTRA COSTA COUNTY - BUCHANAN FIELD AIRPORT

T-HANGAR AND SHADE HANGAR RENTAL AGREEMENT

1. **PARTIES: June 16, 2025,** ("**Effective Date**"), the COUNTY OF CONTRA COSTA, a political subdivision of the State of California ("**Airport**"), and **Roman Fedorov** ("**Renter**"), hereby mutually agree and promise as follows:

2. **RENTER AND AIRCRAFT INFORMATION:** Simultaneous with the execution of this T-Hangar and Shade Hangar Rental Agreement **("Rental Agreement")** by Renter, Renter shall complete the Renter and Aircraft Information Form. A completed copy of the Renter and Aircraft Information Form is attached hereto as Exhibit "A" and incorporated herein. Renter must also provide to Airport at that time, for inspection and copying, (1) the original current Aircraft Registration or, if the aircraft described in Exhibit A is under construction, the plans for and proof of ownership of such aircraft; and (2) the insurance information required by Section 16 below.

3. **PURPOSE:** The purpose of this Rental Agreement is to provide for the rental of a T-Hangar or Shade Hangar space at the Contra Costa County - Buchanan Field Airport for the storage of the aircraft described in the Renter and Aircraft Information Form (**"Renter's Aircraft")**.

4. **PREMISES:** For and in consideration of the rents and faithful performance by Renter of the terms and conditions set forth herein, Airport hereby rents to Renter and Renter hereby rents from Airport that T-Hangar or Shade Hangar shown as # **A-10** on the T-Hangar and Shade Hangar Site Plan, attached hereto as Exhibit B and incorporated herein. This T-Hangar or Shade Hangar is part of the T-Hangar and Shade Hangar Site **("T-Hangar Site")** and shall hereinafter be described as the **"T-Hangar**.**"**

   Renter has inspected the T-Hangar and hereby accepts the T-Hangar in its present condition, as is, without any obligation on the part of Airport to make any alterations, improvements, or repairs in or about the T-Hangar.

5. **USE:** The T-Hangar shall be used exclusively by Renter for the storage of Renter's Aircraft. In addition to the storage of Renter's Aircraft, Renter may use the T-Hangar for (1) the homebuilding, restoration and/or maintenance of Renter's Aircraft, provided that such homebuilding, restoration and/or maintenance is performed by Renter only and in conformance with all applicable statutes, ordinances, resolutions, regulations, orders, circulars (including but not limited to FAA Advisory Circular 20-27) and policies now in existence or adopted from time to time by the United States, the State of California, the County of Contra Costa and other government agencies

with jurisdiction over Buchanan Field Airport; and/or (2) the storage of and materials directly related to the storage, construction of homebuilt planes homebuilding, restoration, and/or maintenance of Renter's Aircraft. The T-Hangar shall not be used for any purpose not expressly set forth in this Section 5. Use.

The use of all or a portion of the T-Hangar for the storage of aircraft not owned or leased by Renter is prohibited. ("Aircraft not owned or leased by Renter" means any aircraft in which Renter does not have an ownership interest or which is not directly leased to Renter). Renter shall present proof of said ownership interest or lease to Airport upon request in addition to that information provided in Exhibit A.

If Renter's Aircraft is or becomes non-operational, it may be stored in the T-Hangar only if it is being homebuilt or restored by Renter. Prior to the commencement of any such homebuilding or restoration, Renter shall provide to Airport (1) a copy of the purchase agreement or (2) a valid federal registration number. If Renter's Aircraft is not registered as of the Effective Date, upon completion of construction, Renter shall register and apply for an airworthiness certificate for Renter's Aircraft in accordance with all applicable federal statutes and regulations and provide the original registration and certification to Airport, for inspection and copying, immediately upon receipt by Renter. On or before January 1 of each year, if the homebuilding or restoration has not been completed, Renter shall provide a written annual report to the Director of Airports that details the homebuilding or restoration activity performed, work still required to be completed and an estimate of time of completion.

6. **TERM**: This Rental Agreement shall be from month to month commencing **June 16, 2025**, and shall continue until terminated. This Rental Agreement may be terminated by any party upon thirty (30) days written notice to the other party.

7. **RENT:**

A. **Monthly Rent and Additional Rent**. Renter shall pay $ **372.00** in rent per month **("Monthly Rent")** due and payable in advance on the first day of each calendar month, beginning on the commencement date of this Rental Agreement. Unless directed to do otherwise by Airport, Renter shall pay rent only in cash or by personal check, certified check, or money order. If the term of this Rental Agreement begins on a day other than the first day of the month, the Monthly Rent stated above for the first month shall be prorated based on a thirty-day month and shall be due and payable at the time the Renter signs this Rental Agreement.

The Monthly Rent shall be adjusted annually by the change in Consumer Price Index **("CPI"),** as defined hereinbelow, for the latest one year period ending December 31 of each year. CPI, as used herein, shall mean the Consumer Price Index for all Urban Consumers, All Items, for the San

Report Title: ADOPT Resolution No. 2025-XXX in honor of Senior Animal Center Technician Alfonso Gonzalez for his 20 years of service.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
ADOPT Resolution No. 2025-XXX recognizing Senior Animal Center Technician Alfonso Gonzalez for his 20 years of service, as recommended by the Animal Services Director.

FISCAL IMPACT:
None.

BACKGROUND:
See attached resolution.

CONSEQUENCE OF NEGATIVE ACTION:
None.

The Board of Supervisors of Contra Costa County, California

IN THE MATTER OF Recognizing Senior Animal Center Technician Alfonso Gonzalez for his 20 years of service to Contra Costa County, as recommended by the Animal Services Director.

WHEREAS, Alfonso Gonzalez began his career with Contra Costa County as an Animal Center Technician for Contra Costa Animal Services on December 7, 2004. Mr. Gonzalez was promoted to a Sr. Animal Center Technician on December 23, 2016; and

WHEREAS, the staff celebrates Mr. Alfonso Gonzalez's contributions to performing his duties in accordance with the values of Contra Costa Animal Services' mission statement through his dedicated work performance and outstanding work ethic; and

WHEREAS, Mr. Alfonso Gonzalez has served in the animal services division, improving the department's operations and service capacity; and

WHEREAS, Mr. Gonzalez is a valued resource, dedicated staff member, and model employee for the Contra Costa Animal Services Department;

WHEREAS, the staff and leadership of Contra Costa Animal Services recognize and commend Alfonso Gonzalez for his years of outstanding service and unwavering commitment to the welfare of animals and the community.

NOW, THEREFORE, BE IT RESOLVED: that the Board of Supervisors does hereby recognize Alfonso Gonzalez for his 20 years of dedicated service to Contra Costa Animal Services and for the high quality of work performed by him during his career.

Report Title: Recognizing Kenneth Dahl for 35 Years of Service to Contra Costa County

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
ADOPT a resolution recognizing Kenneth Dahl for 35 years of service to Contra Costa County, as recommended by the Public Works Director.

FISCAL IMPACT:
None.

BACKGROUND:
Please see the attached resolution.

CONSEQUENCE OF NEGATIVE ACTION:
None.

The Board of Supervisors of Contra Costa County, California

IN THE MATTER OF Recognizing the contributions of Kenneth Dahl on his 35 years of service to Contra Costa County

WHEREAS, Kenneth Dahl began his career with Contra Costa County at the Public Works Department on May 1, 1990, as an Engineering Technician - Entry Level, reporting to the Design Division; and

WHEREAS, in January of 1991, Ken was assigned to the Surveys section in the Design Division; and

WHEREAS, in 1993, Ken was promoted to the position on Engineering Technician-Journey Level in the survey section of the Design Division and assigned Survey Party Chief where he was recognized for his quick study and attention to details; and

WHEREAS, in 1997, Ken was promoted to Engineering Technician-Senior Level and assigned to the Construction Division when the division needed extra assistance to inspect a large number of Construction projects; and

WHEREAS, in 1998, Ken rotated to the Engineering Services Division and then back to the Survey Section in the Design Division in 1999 to provide additional assistance; and

WHEREAS, in May of 2000, Ken rotated back to the Engineering Services Division; and

WHEREAS, in January of 2008, Ken received an Award of Excellence for his continuing dedication to being a team player. Ken staffed the Application and Permit Center when it was located at 651 Pine Street in downtown Martinez. For two weeks he staffed the APC all the while continuing and completing his other work tasks at the Public Works Department office at 255 Glacier Drive. His commitment to completing assigned tasks while taking on additional tasks earned him the Award of Excellence for January of 2008; and

WHEREAS, in January of 2015, Ken was part of a team nominated for the Michael J. Walford Team of the Year award for work on the Livorna Road and Wilson Road Project. The project required a quick design and construction, and his team worked tirelessly to complete and deliver the project in just over a year; and

WHEREAS, in 2019, Ken rotated to the Design/Construction Division to take on handling construction administration for the Construction contracts for the Design/Construction Division; and

WHEREAS, in 2023, Ken was part of a team nominated for the Michael J. Walford Team of the Year Award for his participation and efforts on the 2023 Countywide Surface Treatment Project team; and

WHEREAS, Ken is recognized as a team player willing to take on tasks that help his team, his Division, and Department,

NOW, THEREFORE, BE IT RESOLVED: that the Board of Supervisors does hereby recognize and honor Kenneth Dahl for his 35 years of dedicated service to Contra Costa County and for the high quality of work performed by him during his career

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
ADOPT a resolution recognizing Henry Hussey for 35 years of service to Contra Costa County, as recommended by the Public Works Director.

FISCAL IMPACT:
None.

BACKGROUND:
Please see the attached resolution.

CONSEQUENCE OF NEGATIVE ACTION:
None.

The Board of Supervisors of Contra Costa County, California

IN THE MATTER OF the contributions of Henry Hussey for his 35 years of service to Contra Costa County

WHEREAS, Henry Hussey began his career with Contra Costa County at the Public Works Department on July 16, 1990, as an Engineering Technician - Entry Level, reporting to the Maintenance Division; and

WHEREAS, in July 1991, Henry was recognized as one of a group of employees who participated in the Public Works Employee Appreciation Night at an Oakland Athletics baseball game; and

WHEREAS, in January 1993, Henry was assigned to the Construction Division to work in the Department's Materials & Testing Laboratory; and

WHEREAS, in January 1995, Henry rotated to the Design Division; and

WHERAS, in 1996, Henry was promoted to the Engineering Technician - Journey Level; and

WHEREAS, in August 1996, Henry received an Award of Excellence for his work on the Bay Point Slide Repair project; and

WHEREAS, in February 1998, Henry was promoted to Engineering Technician - Senior Level; and

WHEREAS, in June 1998, Henry received an Award for Excellence for his work on the Hilltop Drive Pedestrian Path-Phase 2; and

WHEREAS, in December 1998, Henry received an Award of Excellence for being an invaluable CAD resource to the Department and an Award of Excellence as part of the team that worked on the Marsh Creek Road Alignment Study; and

WHEREAS, in May of 2000, Henry rotated to the Construction Division and then back to the Design Division in August; and

WHEREAS, in September of 2000, Henry received an Award of Excellence as part of the 2000 Rubberized Asphalt Construction Overlay Project Team; and

WHEREAS, in March 2005, Henry received an Award of Excellence as part of the SR4 Bypass Segment 3 Project Design Team; and

WHEREAS, in July of 2006, Henry received an Award of Excellence for his work manually preparing grid grades for use on the SR4 Bypass project; and

WHEREAS, in October 2014, Henry along with the entire Design team, were awarded a commendation by the Public Works Director for their outstanding efforts in the Division and Department; and

WHEREAS, in 2023, Henry was part of the team nominated for the Michael J. Walford Team of the Year Award for his contributions to the 2023 Countywide Surface Treatment Project, and he was also nominated for the Michael J. Walford Employee of the Year Award in recognition of his continued commitment and dedication to excellence within the Department; and

WHEREAS, Henry is recognized as a team player, and his leadership in maintaining the CAD Design Construction Division website is greatly appreciated,

NOW, THEREFORE, BE IT RESOLVED: that the Board of Supervisors does hereby recognize and honor Henry Hussey for his 35 years of dedicated service to Contra Costa County and for the high quality of work performed by him during his career

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
ADOPT Resolution recognizing Christopher Vine, for his 30 years of service to Contra Costa County, as recommended by the Public Works Director.

FISCAL IMPACT:
No fiscal impact.

BACKGROUND:

CONSEQUENCE OF NEGATIVE ACTION:

The Board of Supervisors of Contra Costa County, California

IN THE MATTER OF RECOGNIZING the contributions of Christopher Vine, on the occasion of his 30 years of service, to Contra Costa County

WHEREAS, in April 1995, Christopher Vine began his career with the General Services Department as a temporary Groundskeeper in the Grounds Division; and

WHEREAS, on March 16, 1998, Christopher became a permanent Groundskeeper in the Grounds Division; and

WHEREAS, on April 3, 2000, Christopher was promoted to the position of Gardner in the Grounds Division; and

WHEREAS, on November 29, 2005, Christopher Vine began his career with the Public Works Department as a Laborer in the Maintenance Division; and

WHEREAS, on November 7, 2007, Christopher received a J. Michael Walford Team of the Year award for his contributions on the Rotomill/Grinding crew; and

WHEREAS, on May 1, 2008, Christopher was promoted to Maintenance Worker II; and

WHEREAS, on November 6, 2008, Christopher received a J. Michael Walford Team of the Year award for his contributions on the Chip Seal crew; and

WHEREAS, on February 1, 2013, Christopher was promoted to Maintenance Worker III; and

WHEREAS, on February 1, 2017, Christopher effectively utilized his skills and knowledge leading to his promotion to a Maintenance Worker IV; and

NOW, THEREFORE BE IT RESOLVED, that the Contra Costa County Board of Supervisors does hereby recognize and honor Christopher Vine for his 30 years of service, and gives it's full appreciation for his dedicated service to the Public Works Department and the people of this County.

Report Title: ADOPT Resolution to recognize July 17th as Port Chicago Remembrance Day, as recommended by Supervisor Scales-Preston.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:

ADOPT Resolution to recognize July 17th as Port Chicago Remembrance Day, as recommended by Supervisor Scales-Preston.

FISCAL IMPACT:

None

BACKGROUND:

The Port Chicago Naval Magazine, located in Contra Costa County, was a critical hub for the U.S. Navy's Pacific operations during World War II, where thousands of African American Sailors were exclusively assigned to the dangerous task of loading explosives onto cargo ships; and on the night of July 17, 1944, a catastrophic explosion resulted in the deadliest home front disaster of the war, killing 320 people and injuring 390 others, and inflicting widespread damage on the nearby town of Port Chicago, California.

CONSEQUENCE OF NEGATIVE ACTION:

None

The Board of Supervisors of Contra Costa County, California

IN THE MATTER OF recognizing July 17th as Port Chicago Remembrance Day

WHEREAS, the Port Chicago Naval Magazine, located in Contra Costa County, was a critical hub for the U.S. Navy's Pacific operations during World War II, where thousands of African American Sailors were exclusively assigned to the dangerous task of loading explosives onto cargo ships; and on the night of July 17, 1944, a catastrophic explosion resulted in the deadliest home front disaster of the war, killing 320 people and injuring 390 others, and inflicting widespread damage on the nearby town of Port Chicago, California; and

WHEREAS, 258 surviving African American Sailors, citing unaddressed safety concerns, protested the order to resume loading ammunition, drawing national attention to racial discrimination and hazardous working conditions in the military, and fifty of those Sailors, known as the Port Chicago 50, were wrongfully charged and convicted of mutiny; and

WHEREAS, on July 17, 2024, following persistent advocacy by the Contra Costa County Board of Supervisors, cities across the county, and other supporters, President Joe Biden authorized Navy Secretary Carlos Del Toro to exonerate the Port Chicago 50 and all 256 Sailors involved, affirming the injustice they suffered and recognizing their actions as a pivotal moment in civil rights and military history; and

WHEREAS, communities throughout Contra Costa County are united in honoring the legacy of the Port Chicago Sailors, and with the continued engagement of community partners like the Port Chicago Alliance and commemorative events such as Port Chicago Weekend, this legacy will be preserved and honored;

NOW, THEREFORE, BE IT RESOLVED that the Board of Supervisors of Contra Costa County hereby proclaims July 17th as *Port Chicago Remembrance Day*, an annual observance to honor the victims of the disaster, recognize the bravery and legacy of the Port Chicago Sailors, and educate future generations about this defining chapter in American history.

Report Title: Recognizing Eric G. Suitos of 20 years of service.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:

ADOPT a resolution recognizing Eric G. Suitos for 20 years of service to Contra Costa County, as recommended by County Counsel.

FISCAL IMPACT:

NA

BACKGROUND:

See resolution below.

CONSEQUENCE OF NEGATIVE ACTION:

NA

The Board of Supervisors of Contra Costa County, California

In the Matter of Recognizing Eric G. Suitos for 20 Years of Service to Contra Costa County

WHEREAS, Eric G. Suitos graduated from the University of California, Berkeley, with a degree in Economics and earned his Master of Business Administration degree with a focus on Operations Management and Finance from the University of Rochester in New York; and

WHEREAS, Eric began his distinguished career with Contra Costa County in the Juvenile Dependency/Conservatorship Division of the County Counsel's Office in December 2004, and was reassigned to the General Law Division in June 2006; and

WHEREAS, on September 1, 2012, Eric was appointed as Executive Secretary to the County Counsel, a role

in which he has demonstrated exceptional professionalism, dedication, and expertise; and
WHEREAS, during his tenure, Eric has served under three County Counsels - Sharon L. Anderson, Mary Ann McNett Mason, and Thomas L. Geiger - providing invaluable support and continuity to the Office; and

WHEREAS, Eric is recognized as the resident expert on the Office's 40-plus-year-old filing system, including the Yellow Dot and Red Dot files, ensuring operational efficiency and the preservation of institutional knowledge; and

WHEREAS, Eric has cultivated strong professional relationships across numerous County departments, fostering collaboration and mutual respect; and

WHEREAS, his deep understanding of the history and traditions of the County Counsel's Office and his professionalism have made him a highly respected and valued colleague; and

WHEREAS, Eric also is a frequent blood donor to the America Red Cross, having donated approximately 230 units of platelets over the past 15 years; and

WHEREAS, we are proud to celebrate this significant professional milestone in Eric's career and thank him for his leadership and dedicated service to Contra Costa County and the County Counsel's Office.

NOW, THEREFORE, BE IT RESOLVED that the Contra Costa County Board of Supervisors congratulates and expresses its sincere gratitude to Eric G. Suitos for 20 years of exemplary service and contributions to Contra Costa County.

Report Title: ACEEO Resignations

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
ACCEPT the resignations of Eric Maldonado, Community Seat #3, and Nicole Billich, Management Seat #1, on the Advisory Council on Equal Employment Opportunity (ACEEO). DECLARE vacancies and DIRECT the Clerk of the Board to post them as recommended by the County's Equal Employment Opportunity (EEO) Officer.

FISCAL IMPACT:

None

BACKGROUND:

The Board of Supervisors makes appointments to two distinct types of seats on its advisory bodies. The following process will be followed for appointments to these two types of seats:

Type 1: Supervisorial District Appointments: Applications may be delivered to either the Clerk of the Board or to the District Supervisor's office. Applications received by a supervisor's office are to be sent to the Clerk of the Board, and a copy is to be retained by the Supervisor's office. The Clerk of the Board will ensure that the Supervisor has a copy of all applications originally filed with the Clerk of the Board.

Type 2: At Large/Countywide Appointments: Applications are sent to the Clerk of the Board. The Clerk of the Board will distribute the applications to the appropriate interviewer. Except for the Planning Commission and the Treasury Oversight Committee, bodies may generally conduct interviews of applicants, unless provided direction by a Board Committee. When an advisory body conducts interviews, the body's recommendation will be provided to a Board Committee for further review, along with all applications received for the applicable seat. In all cases, the Board Committee decides which applicants to nominate for full Board action. The ACEEO falls under Type 2.

CONSEQUENCE OF NEGATIVE ACTION:

The ACEEO will not fulfill its goal of having diverse representations serve on the committee.

Report Title: Appointment to the Emergency Medical Care Committee

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPOINT the following individual to a seat on the Emergency Medical Care Committee (EMCC) for a two-year term with an expiration date of September 30, 2026: B10 Public Managers' Association (PMA) Representative: Regina Rubier, Clayton, CA 94517.

FISCAL IMPACT:
There is no fiscal impact for this action.

BACKGROUND:
The EMCC is a multidisciplinary committee appointed by the County Board of Supervisors, to provide advice and recommendations on EMS-related matters to the Board, Health Services Director, and its EMS Agency. Membership consists of consumer representatives, and representatives of EMS-related organizations and groups.

CONSEQUENCE OF NEGATIVE ACTION:
If this action is not approved, this position on the EMCC will not be filled.

THIS FORM IS A PUBLIC DOCUMENT

Please explain why you would like to serve on this particular board, committee, or commission.

I am seeking a seat on the Emergency Medical Care Committee to contribute my deep understanding of emergency medical services and public administration, particularly within Contra Costa County. My background includes extensive collaboration with the County's Local Emergency Medical Services Agency (LEMSA) and hands-on involvement with the ambulance service contract operated in partnership with the Contra Costa County Fire Protection District (ConFire).

In my previous role as Chief of Administration for ConFire, I gained comprehensive insight into EMS operations, system coordination, and contract management. This position required regular interaction with key stakeholders and decision-makers across the county's emergency care infrastructure, which has given me a well-rounded perspective on the challenges and opportunities within our EMS system.

Currently, as the Assistant City Manager for the City of Clayton, I represent a community with a notably older demographic—one that statistically experiences a higher demand for emergency medical services. I understand firsthand the importance of ensuring responsive, high-quality ambulance and pre-hospital care, especially in communities with vulnerable populations.

I believe that my combined experience in both fire service administration and municipal management makes me uniquely qualified to serve as a knowledgeable and effective member of the committee. I am confident that I can provide valuable insights and contribute meaningfully to the committee's mission of improving emergency medical care across Contra Costa County.

Describe your qualifications for this appointment. (NOTE: you may also include a copy of your resume).

I bring a wealth of experience in government accounting, budgeting, and procurement, having worked extensively in these areas with a strong track record of accuracy, efficiency, and fiscal responsibility. My background has equipped me with a deep understanding of the complexities and nuances of public sector financial management, enabling me to make sound decisions that align with both regulatory requirements and strategic objectives.

In addition to my financial expertise, I possess a solid grasp of human resources laws, particularly as they relate to the unique needs and challenges within the medical and fire service sectors. This knowledge allows me to navigate personnel issues with fairness, compliance, and a keen awareness of sector-specific considerations.

I approach my responsibilities with a broad, strategic perspective—always considering the long-term impacts and systemic implications of policy and operational decisions. My decision-making process is grounded in rationality, integrity, and a commitment to the public good.

Above all, I take this appointment with the utmost seriousness and respect. I recognize the trust that has been placed in me and am dedicated to fulfilling my duties with diligence, accountability, and a genuine commitment to service.

I am including my resume with this application:

Please check one: ☐ Yes ☑ No

Are you currently or have you ever been appointed to a Contra Costa County advisory board?

Please check one: ☐ Yes ☑ No

If Yes, please list the Contra Costa County advisory board(s) on which you are **currently** serving:

If Yes, please also list the Contra Costa County advisory board(s) on which you have **previously** served:

List any volunteer and community experience, including any boards on which you have served.

Do you have a familial relationship with a member of the Board of Supervisors? (Please refer to the relationships listed under the "Important Information" section on page 3 of this application or Resolution No. 2021/234).

Please check one: ☐ Yes ☑ No

If Yes, please identify the nature of the relationship:

Do you have any financial relationships with the county, such as grants, contracts, or other economic relationships?

Please check one: ☐ Yes ☑ No

If Yes, please identify the nature of the relationship:

Report Title: APPOINTMENT TO THE CONTRA COSTA COUNTY LIBRARY COMMISSION

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:

REAPPOINT the following people to the following District II seats of the Contra Costa County Library Commission for a four-year term that expires on June 30, 2029, as recommended by Supervisor Candace Andersen:

District II	District II Alternate
Susan Hildreth	Michael Swernoff
Walnut Creek, CA 94595	Orinda, CA 94563

FISCAL IMPACT:

NONE

BACKGROUND:

The Contra Costa County Library Commission was established by the Contra Costa County Board of Supervisors in March 1991. The Commission was created to serve in an advisory capacity to the Board of Supervisors and the County Librarian. The Library Commission is comprised of 29 members:

• 18 members representing the cities/towns in Contra Costa County - these Commissioners are appointed by the city/town councils
• 5 members represent Contra Costa County - each member of the Board of Supervisors appoints one Commissioner and one Alternate Commissioner
• 5 members represent the Central Labor Council, the Contra Costa Council, the Contra Costa Youth Commission, the Superintendent of Schools, and the Friends Council.

Supervisor Andersen has been pleased with Ms. Hildreth and Mr. Swernoff's participation with the Library Commission and would like them to continue for another term.

CONSEQUENCE OF NEGATIVE ACTION:

The seats will become vacant and District 2 will not be represented.

Report Title: Master Service Agreement with CivicPlus, LLC to provide a cloud-based social media archiving services.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:

APPROVE and AUTHORIZE the Purchasing Agent, or designee, to execute a renewal Statement of Work, subject to the terms of the Master Service Agreement, on behalf of the County with CivicPlus, LLC, and execute a purchase order in an amount not to exceed $7,924.77 to provide a cloud-based platform to automatically and reliably archive social media activity on County social media platforms. (100% Cable Franchise Fees)

FISCAL IMPACT:

Approval of this agreement will result in annual contractual service expenditures up to $7,924.77 and will be funded with cable franchise fees.

BACKGROUND:

CivicPlus a cloud-based platform to automatically and reliably archive social media activity on County social media platforms. This agreement includes mutual indemnification and limited liability language to hold harmless both parties for any claims arising out of the performance of this contract.

CONSEQUENCE OF NEGATIVE ACTION:

If not approved, the County could be out of compliance with records retention laws.

From: John Kopchik, Director, Conservation and Development

Report Title: Solid Waste and Recycling Collection Services in the Unincorporated Central County Areas Served by Allied Waste Systems, Inc. to Extend the Term of the Franchise Agreement

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:

1. APPROVE and AUTHORIZE the Chair of the Board of Supervisors to execute, on behalf of the County, an amendment to a franchise agreement with Allied Waste Systems, Inc. (Allied), to extend the agreement termination date from July 31, 2025, to a new termination date of September 30, 2025, for continued solid waste, recycling, and organics collection in its Central County service area.

2. FIND that the Second Amendment is exempt from the California Environmental Quality Act (CEQA) pursuant to Section 15061 (b)(3) of the CEQA guidelines, as the Second Amendment will not cause potentially significant impacts on the environment.

3. DIRECT the Department of Conservation and Development (DCD) Director or designee to file a CEQA Notice of Exemption with the County Clerk.

4. DIRECT the Director of DCD, or designee, to arrange for payment of the $50 handling fee to the County Clerk for filing the Notice of Exemption.

FISCAL IMPACT:

There is no impact on the County General Fund. The costs for County staff time spent administering the Franchise Agreement with Allied, and any related consulting services are covered by solid waste/recycling collection franchise fees.

BACKGROUND:

In August 1995, the County entered into the Agreement with Allied's predecessor company, Pleasant Hill Bayshore Disposal, Inc. to govern collection services provided in unincorporated Central County areas. The Agreement has been amended once, which was approved by both Parties on or about July 21, 2015.

The Agreement grants Allied the exclusive privilege and duty to collect residential and commercial solid waste and recyclable material (including organics) within the unincorporated service area (Franchise Area). The

Franchise Area covers the following unincorporated communities:

1. Alhambra Valley (portion) - District I
2. Canyon - District II
3. Antioch, unincorporated - District III
4. Morgan Territory - District IV
5. Concord, unincorporated (portion) - District IV
6. Clayton, unincorporated (Marsh Creek) - District IV
7. Pleasant Hill, Unincorporated - District IV
8. Martinez, unincorporated /Pacheco/ Vine Hill - District V
9. Bay Point (Eastern) - District V
10. Cummings Skyway (portion) - District V

The current Franchise Agreement with Allied continues through July 31, 2025. The purpose of this Second Amendment is to extend the term of the Agreement through September 30, 2025. There are no service or rate changes in this Fifth Amendment to the Franchise Agreement.

CONSEQUENCE OF NEGATIVE ACTION:

After July 31, 2025, solid waste, recycling, and organics collection services in the unincorporated Central County area currently served by Allied would no longer be regulated under a franchise agreement as required by County Code Chapter 418-7.

To: Board of Supervisors

From: John Kopchik, Director, Conservation and Development

Report Title: 2025/2026 North Richmond Waste and Recovery Mitigation Fee Expenditure Plan

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE the 2025/2026 North Richmond Waste and Recovery Mitigation Fee Expenditure Plan (Exhibit A), identifying the activities authorized to be funded with Mitigation Fee revenue and respective funding allocations for the period of July 1, 2025 through June 30, 2026, as recommended by the North Richmond Waste and Recovery Mitigation Fee Joint Expenditure Planning Committee.

FISCAL IMPACT:
The proposed action will not have an impact on the County's General Fund. Mitigation Fee revenue is used to cover the costs incurred by the County and City for any activities (Strategies) authorized to be funded under the applicable North Richmond Waste and Recovery Mitigation Fee Expenditure Plan approved by the County and City of Richmond. Each annual Expenditure Plan includes a Contingency line item in the budget to serve as a cushion for potential revenue shortfalls, and staff anticipates that there will be sufficient funding in the Contingency fund for this purpose.

BACKGROUND:
New Expenditure Plans and/or modifications to existing Expenditure Plans (Amended Expenditure Plan) must be approved by both the County Board of Supervisors and Richmond City Council to officially authorize use of North Richmond Waste and Recovery Mitigation Fee funding. The purpose of this North Richmond Mitigation Fee (NRMF) is to mitigate designated impacts resulting from the County and City approved land use permits for the expanded Bulk Material Processing Center (BMPC) located in North Richmond.

Summary of Recommended 2025/2026 Expenditure Plan
At the NRMFC meeting on June 20, 2025, the Committee voted to recommend that the County Board of Supervisors and Richmond City Council approve a 2025/2026 Expenditure Plan that allocates funding from July 1, 2025, through June 30, 2026.
The recommended 2025/2026 Expenditure Plan attached (Exhibit A) incorporated the following changes:

- Increase funding for Strategy 2 - Neighborhood Clean-ups
- Increase funding for Strategy 4.A. - City/County Right-of-Way Pick-ups & Tagging Abatement
- Increase funding for Strategy 11 - North Richmond Green Community Service Programs

- Increase funding for Strategy 12 - North Richmond Green Campaign
- Decrease funding for Strategy 13 - Garden Projects
- Increase contingency funding

All other strategies remained unchanged. Most nonprofits were allocated funding under Strategies 10 and 13 based on a Request for Funding Proposal released by Committee staff on February 9, 2018. One nonprofit within strategy 10 was added per Committee direction at the October 16, 2020 meeting. The nonprofits selected for funding are shown in Attachments 2 and 4 of the Expenditure Plan.
The next NRMFC meeting is planned to be scheduled for October 17, 2025.

CONSEQUENCE OF NEGATIVE ACTION:
Each new Expenditure Plan must receive final approval from the County Board of Supervisors and Richmond City Council. Expenditure Plans and any associated amendments recommended or approved by the NRMFC only take effect if/when approved by the Board of Supervisors and the Richmond City Council. Therefore, if the 2025/2026 Expenditure Plan is not approved by the Board prior to July 1, 2025 the previously approved strategies (activities) could not be funded by NRMF in which case, most if not all, would not continue being implemented without interruption.

North Richmond Waste & Recovery Mitigation Fee
2025/2026 Expenditure Plan

The Waste & Recovery Mitigation Fee was established as a result of the Environmental Impact Report (EIR) certified in July 2004 for the WCCSL Bulk Materials Processing Center (BMPC) and Related Actions (Project). The Project involved new and expanded processing and resource recovery operations on both the incorporated and unincorporated area of the Project site, which the EIR concluded would impact the host community. To mitigate this impact Mitigation Measure 4-5 called for a Mitigation Fee to benefit the host community, described as follows:

> "Mitigation Fee. The facility operator shall pay a Mitigation Fee of an amount to be determined by the applicable permitting authority(ies) ***to defray annual costs associated with collection and disposal of illegally dumped waste and associated impacts in North Richmond and adjacent areas*****.** The mitigation fee should be subject to the joint-control of the City and County and should be collected on all solid waste and processible materials received at the facility consistent with the existing mitigation fee collected at the Central IRRF."

In July 2004, the City of Richmond and Contra Costa County entered into a Memorandum of Understanding (MOU) agreeing to jointly administer Mitigation Fee monies collected from the BMPC for the benefit of the incorporated and unincorporated North Richmond area. This North Richmond Waste & Recovery Mitigation Fee Joint Expenditure Planning Committee (Committee) was formed pursuant to the terms of the MOU for the specific purpose of preparing a recommended Expenditure Plan. This Expenditure Plan provides a means to jointly administer the Mitigation Fee funding for the benefit of the host community, as described in the EIR. The Expenditure Plan is subject to final approval of the Richmond City Council and the Contra Costa County Board of Supervisors.

By approving this Expenditure Plan, the City Council and Board of Supervisors authorize the use of Mitigation Fee funding for only the purposes and in the amounts specified herein. The City and County have each designated their respective staff persons responsible for administering the development and implementation of the approved Expenditure Plan, which includes responsibility for drafting and interpreting Expenditure Plan language. However, the City and County have not delegated to the Committee or to staff the authority to expend funding for purposes not clearly identified in the Expenditure Plan document officially approved by their respective decision-making bodies.

Activities which can be funded in this Expenditure Plan period with the Mitigation Fee amounts specified within this Expenditure Plan are described herein as "Strategies" or "Staff Costs". Strategies are categorized as either "Core Services" or "Supplemental Enhancements". Core Services includes the higher funding priority strategies that most directly address the intended purpose of this City/County approved Mitigation Fee*, "to defray annual costs associated with collection and disposal of illegally dumped waste and associated impacts in North Richmond"*.

All references to the "Mitigation Fee Primary Funding Area" or "Mitigation Fee Funding Area" pertain to the geographic area shown in the attached map (Attachment 5).

Expenditure Plan Period:	July 1, 2025 - June 30, 2026 *(unless otherwise specified herein)*

BUDGET

The funding allocation amounts included in this document apply to the Expenditure Plan Period specified on the first page unless otherwise specified herein. The total amount of funding allocated in the Expenditure Plan Budget is based on revenue projections provided by the BMPC operator, Republic Service, which are dependent upon multiple variables (e.g. number of tons of recovered materials vs. solid waste, per ton gate rate charged and amount of CPI-adjusted per ton Mitigation Fee). Actual Mitigation Fee revenue may deviate from revenue projections provided by Republic and used to prepare this Budget. A "Contingency" line item is included in the Budget to help accommodate variations between projected and actual revenue. Excess funding allocated to strategies and not expended by the end of each Expenditure Plan period is treated as "roll-over" funding for reallocation in a subsequent Expenditure Plan period.

The Budget includes some line items that are based on fixed costs, however there are other line items which are scalable and/or dependent on utilization thereby providing flexibility to reallocate amounts if and when a significant need is identified. Allocated funding may remain unspent due to under-utilization of a particular program. If the amount allocated to a particular line item is determined to exceed needs based upon usage, the remaining funding can only be reallocated by officially amending the Expenditure Plan. This Expenditure Plan may only be adjusted upon official action taken by both the City and County. Although there has been some interest in allowing flexibility for staff to adjust funding allocations under specific circumstances, the authority to approve or modify the Expenditure Plan rests solely with the City Council and Board of Supervisors.

Annual fiscal year Expenditure Plan cycle is expected to reduce margin of error of Mitigation Fee revenue projections, streamline financial reconciliation/budgeting process and minimize need to amend Expenditure Plans mid-cycle. Amending Expenditure Plans involve administrative burden and costs due to the joint approval needed from both the Richmond City Council and County Board of Supervisors. In order to minimize the amount of funding needed to cover staff costs incurred to amend the Expenditure Plan, staff will only recommend changes to the Expenditure Plan when necessary to address a significant or time-sensitive need.

BUDGET TABLE

	#	Expenditure Plan (EP) Strategy	Budget Allocations for 2025/2026
Core Services	1	Bulky Item Pick-ups & Disposal Vouchers	$ 6,500.00
	2	Neighborhood Clean-ups	$ 35,000.00
	3	Prevention Services Coordinator	$ 50,726.75
	4.A.	City/County Right-of-Way Pick-ups & Tagging Abatement	$ 60,000.00
	4.B.	City/County Right-of-Way Pick-ups	$ 5,000.00
	5	Code Enforcement Staff - County	$ 91,850.60
	6	Illegal Dumping Law Enforcement	$ 175,814.30
	7	Surveillance Cameras	$ -
	8	Code Enforcement Staff - City	$ 13,000.00
Supplemental Enhancements	9	Community Services Coordinator	$ 90,909.09
	10	Community Clean-Up Projects (See Attachment 2)	$ 87,000.00
	11	North Richmond Green Community Service Programs	$ 21,042.00
	12	North Richmond Green Campaign	$ 24,500.00
	13	Garden Projects (See Attachment 4)	$ 28,062.13
	14	Mobile Tool Lending Library	$ 35,540.00
		Contingency *(10% of Projected Revenue)*	$ 82,899.82
Subtotal (without Committee Staffing)			$ 807,844.69
	X	Committee Administration/Staffing	$ 90,000.00
Total Projected Revenue in 2025/2026 (July 1, 2025 thru June 30, 2026)			$ 828,998.23
Roll-over Funding from Prior EP Cycle(s)			$ 68,846.46
Total 2025/2026 Expenditure Plan Budget			$ 897,844.69

DESCRIPTION OF STRATEGIES RECOMMENDED FOR FUNDING

Funding allocation amounts for each strategy are specified in the Budget table on page 3. The following Strategies describe the activities allowed to be funded with the amounts allocated to each in the Budget (associated allowable agency staff costs are described in the Staff Costs section). Strategies are grouped based on relative funding priority levels and the "Core Services" category contains higher priority Strategies than the "Supplemental Enhancements" category. Higher funding priority Strategies are those which best address the Fee's intended purpose, ***"to defray annual costs associated with collection and disposal of illegally dumped waste and associated impacts in North Richmond"***).

Level 1 Priority - PRIMARY CORE SERVICES STRATEGIES

- 1 - Bulky Item Pick-ups & Disposal Vouchers
- 2 - Neighborhood Clean-ups
- 4.A. - City/County Right-of-Way Pick-ups & Tagging Abatement
- 4.B. - City/County Right-of-Way Pick-ups
- 5 - Code Enforcement Staff – County
- 6 – Illegal Dumping Law Enforcement
- 8 – Code Enforcement Staff – City

Level 2 Priority - SECONDARY CORE SERVICES STRATEGIES

- 3 - Prevention Services Coordinator
- 7 - Surveillance Cameras

Level 3 Priority - PRIMARY SUPPLEMENTAL ENHANCEMENTS STRATEGIES

- 9 - Community Services Coordinator
- 10 - Community Clean-up Projects
- 11 - North Richmond Green Community Services Programs
- 12 - North Richmond Green Campaign
- 13 - Garden Projects
- 14 - Mobile Tool Lending Library

CORE SERVICES

1. Bulky Item Pick-ups & Disposal Vouchers

Provide residents in the Mitigation Fee Primary Funding Area, who prove eligibility consistent with City/County procedures, with the option of choosing to:

- Request up to one on-call pick-up service per household per calendar year for bulky items that are not accepted in the current on-call clean-ups through Richmond Sanitary Service (RSS), only available to those with an active account with RSS; or
- Request up to twenty four $5 vouchers per household for disposal at Republic's transfer station on Parr Blvd. per calendar year (vouchers expire

after six months, Mitigation Fees only pay for vouchers that are actually redeemed).

[See "Staff Costs" section for agency activities that may also be funded under this Strategy.]

Administering Agency: City of Richmond

Implementing Entity(ies):

Community Housing Development Corporation *(processes requests and issues Disposal Vouchers/arranges Bulky Item Pick-ups)*

Republic Services - Golden Bear Transfer Station & Richmond Sanitary Service *(reimbursed for Disposal Vouchers redeemed and Bulky Item Pick-ups provided)*

Reporting/Payment Requirements: Effective July 1, 2012, CHDC and Republic Services shall provide required data pertinent to Strategy 1 based upon the strategy-specific invoicing/reporting requirements and schedule developed/maintained by Committee Staff in order to receive NRMF-funded payments.

2. Neighborhood Clean-ups

Provide at least one neighborhood and/or creek clean-up event in the Mitigation Fee Funding Area; additional clean-up event may be scheduled as funding allows.
[See "Staff Costs" section for agency activities that may also be funded under this Strategy.]

Administering Agency: City of Richmond

Implementing Entity(ies):

City Manager's Office *(coordinates scheduling of clean-up dates and associated arrangements in conjunction with partner entities)*

Republic Services - Richmond Sanitary Service *(reimbursed for providing/servicing clean-up boxes and disposing of debris placed in clean-up boxes)*

Reporting/Payment Requirements: Effective July 1, 2012, the City Manager's Office and Republic Services shall provide required data pertinent to Strategy 2 based upon the strategy-specific invoicing/reporting requirements and schedule developed/maintained by Committee Staff in order to receive NRMF-funded payments (funding transfers).

3. Prevention Services Coordinator

Fund at least a portion of a Prevention Services Coordinator (PSC) position (including salary/benefits/overhead and administering agency contracting charge[1]) on a contract basis to assist the City and County in implementing Strategy 1 as the point of contact for community members interested in claiming Disposal Vouchers or Bulky-Item Pick ups. Assist community members interested in reporting illegal dumping and seeking referral/resources. Track and report data related to illegally dumped waste collected by Republic Services Hot Spot Crew and handle

[1] Administering agency contracting charge applies ($3,000 per contract)

associated referrals to applicable public agencies, including right-of-way referrals for Strategy 4. The PSC may also assist City and County with administering funding allocated to selected non-profit organizations under Strategies 10 and 13.

[See "Staff Costs" section for agency activities that may also be funded under this Strategy.]

Administering Agency: Contra Costa County

Implementing Entity: Community Housing Development Corporation (CHDC)
(reimbursed actual cost for part-time position that issues Disposal Vouchers/arranges Bulky Item Pick-ups)

Reporting/Payment Requirements: Effective July 1, 2012, CHDC shall provide required data pertinent to Strategy 1 and Strategy 3 based upon the strategy-specific invoicing/reporting requirements and schedule developed/maintained by Committee Staff in order to receive NRMF-funded payments.

4.A. City/County Right-of-Way Pick-ups & Tagging Abatement

Fund consolidated pick-up program (including personnel, mileage, equipment rental and administrative costs) for removal of illegal dumping and tagging abatement in the public right-of-way located within the unincorporated & incorporated Mitigation Fee Primary Funding Area. Additional tasks would include identifying potential sites for Strategy 10 Clean-Up Projects. Funding is intended to pay for removal of illegal dumping that occurs as a result of referrals from the Prevention Services Coordinator for items/debris not collected by the designated Republic Services Hot Spot Route crew.

[See "Staff Costs" section for agency activities that may also be funded under this Strategy.]

Administering Agency: City of Richmond

Implementing Entity: Richmond Public Works Department's Abatement Division

Reporting/Payment Requirements: Effective July 1, 2012, the Richmond Public Works Department's Abatement Division shall provide required data pertinent to Strategy 4.A. based upon the strategy-specific invoicing/reporting requirements and schedule developed/maintained by Committee Staff in order to receive NRMF-funded payments (funding transfers).

4.B. City/County Right-of-Way Pick-ups

Fund consolidated pick-up program (including personnel, mileage, equipment rental and administrative costs) for removal of illegal dumping in the public right-of-way located within the unincorporated & incorporated Mitigation Fee Primary Funding Area. Additional tasks would include identifying potential sites for Strategy 10 Clean-Up Projects. Funding is intended to pay for removal of illegal dumping that occurs as a result of referrals from the Prevention Services Coordinator for items/debris not collected by the designated Republic Services Hot Spot Route crew.

[See "Staff Costs" section for agency activities that may also be funded under this Strategy.]

Administering Agency: Contra Costa County

Implementing Entity: Republic Services

Reporting/Payment Requirements: Effective July 1, 2022, Contra Costa County's Department of Public Works shall provide required data pertinent to Strategy 4.B. based upon the strategy-specific invoicing/reporting requirements and schedule developed/maintained by Committee Staff in order to receive NRMF-funded payments (funding transfers).

5. Code Enforcement Staff - County

Fund at least a portion of County code enforcement position (including salary/benefits and related vehicle and equipment costs), to assist with vacant/ abandoned lot abatements and fencing as well as other health/building/zoning violations related to illegal dumping and blight throughout the unincorporated Mitigation Funding Area. Additional tasks would include identifying potential sites for Strategy 10 Clean-Up Projects.

[See "Staff Costs" section for agency activities that may also be funded under this Strategy.]

Administering Agency: Contra Costa County

Implementing Entity: County Department of Conservation & Development's Building Inspection Division

Reporting/Payment Requirements: Effective July 1, 2012, the County Department of Conservation & Development's Building Inspection Division shall provide required data pertinent to Strategy 5 based upon the strategy-specific invoicing/reporting requirements and schedule developed/maintained by Committee Staff in order to receive NRMF-funded payments (funding transfers).

6. Illegal Dumping Law Enforcement

Fund majority of a full-time Sheriff Deputy (between approximately 90-100% of salary/benefits, overtime, uniform and related cell phone, equipment, and vehicle costs) to assist with law enforcement investigations and patrols to combat illegal dumping within the Mitigation Fee Primary Funding Area. Additional tasks would include identifying potential sites for Strategy 10 Clean-Up Projects.
[See "Staff Costs" section for agency activities that may also be funded under this Strategy.]

Administering Agency: Contra Costa County

Implementing Entity: County Sheriff's Office

Reporting/Payment Requirements: Effective July 1, 2012, the County Sheriff's Office shall provide required data pertinent to this Strategy based upon the

strategy-specific invoicing/reporting requirements and schedule developed/maintained by Committee Staff in order to receive NRMF-funded payments (funding transfers).

7. Surveillance Cameras

Fund the cost of cameras, camera infrastructure, camera signage and costs related to monitoring, maintenance, warranty, repair & relocation of surveillance camera system equipment within the Mitigation Fee Primary Funding Area. Cameras will be used to assist the dedicated Illegal Dumping Law Enforcement officer prevent dumping in targeting specific locations where illegal dumping occurs most regularly.

[See "Staff Costs" section for agency activities that may also be funded under this Strategy.]

Administering Agency: Contra Costa County

Implementing Entity(ies):

Richmond Police Department *(operate, move and maintain eight Pan-Tilt-Zoom wireless video surveillance cameras and associated camera system infrastructure throughout NR -AND- install/clean/move FlashCam cameras located within the incorporated NR area if funding is available)*

County Sheriff's Department *(coordinate monitoring of FlashCams or other camera systems located throughout NR and identify/request relocation of surveillance cameras throughout NR as needed)*

County Public Works Department (*install/clean/move FlashCam or other camera systems cameras located within the unincorporated NR area upon request if funding is available)*

Reporting/Payment Requirements: Effective July 1, 2012, each Implementing Entity shall provide required data pertinent to each entity's applicable Strategy 7 responsibilities based upon the strategy-specific invoicing/reporting requirements and schedule developed/maintained by Committee Staff in order to receive NRMF-funded payments (funding transfers) now or in the future.

8. Code Enforcement Staff - City

Fund at least a portion of City code enforcement position (including salary/benefits and related vehicle and equipment costs), to assist with vacant/ abandoned lot abatements and fencing as well as other health/building/zoning violations related to illegal dumping and blight throughout the incorporated Mitigation Funding Area. Additional tasks would include identifying potential sites for Strategy 10 Clean-Up Projects.

[See "Staff Costs" section for agency activities that may also be funded under this Strategy.]

Administering Agency: City of Richmond

Implementing Entity: City Department of Infrastructure Maintenance & Operations

Reporting/Payment Requirements: Effective July 1, 2020, the City Department of Infrastructure Maintenance & Operations shall provide required data pertinent to Strategy 8 based upon the strategy-specific invoicing/reporting requirements and schedule developed/maintained by Committee Staff in order to receive NRMF-funded payments (funding transfers).

SUPPLEMENTAL ENHANCEMENTS

9. Community Services Coordinator

Fund at least a portion of a Community Services Coordinator (CSC) position to be staffed on a contract basis (including salary/benefits/overhead and administering agency contracting charge[2]). The CSC shall:

- serve as a link between the community of North Richmond, the City of Richmond, and Contra Costa County for issues related to beautification, illegal dumping, and blight using referral process identified by the City and County;
- coordinate outreach activities related to illegal dumping and beautification within the Primary Funding area, as specified by the City/County, including North Richmond Green community service programs and outreach activities described under Strategies 11 & 12; and
- Identifying potential sites for Strategy 10 Clean-Up Projects.
- be bilingual in order to assist with Spanish translation as needed.

[See "Staff Costs" section for agency activities that may also be funded under this Strategy.]

Administering Agency: Contra Costa County

Implementing Entity: Community Housing Development Corporation (CHDC).

Reporting/Payment Requirements: CHDC shall provide required data pertinent to Strategies 9, 11 & 12 based upon the strategy-specific invoicing/reporting requirements and schedule developed/maintained by Committee Staff in order to receive NRMF-funded payments.

10. Community Clean-up Projects

Fund the implementation, oversight and administering agency contracting charges[3] of community clean-up projects with specific focus on reducing blight. Community clean-up projects may involve the removal of debris and/or landscaping maintenance. Sites to be cleaned shall be in the Mitigation Fee Funding area and designated by the Administering Agency. The number of sites to be cleaned will be determined by the amount of funding allocated.

[2] Administering agency contracting charge is $3,000 per contract.

[3] Administering agency contracting charge is $3,000 per contract entered into by the County and up to 20% of the per project funding allocation (as described in the "Administering Agency" section).

A breakdown of contracting costs and amount awarded to the Implementing Entity is contained in the Community Clean-up Project Table included as Attachment 2. Up to 15% of the Implementing Entity's Award Amount in Attachment 2 may be used for a fiscal sponsor or administrative oversight.

[See "Staff Costs" section for agency activities that may also be funded under this Strategy.]

Administering Agency: Contra Costa County. Community Housing Development Corporation (CHDC) may under contract with the County as an Administering Agency, administer Community Clean-Up Project contracts funded under this Strategy. CHDC shall use no more than twenty (20) percent (%) of the total amount awarded to Community Clean-Up Projects (after subtracting City/County contracting cost) listed in Attachment 2 to oversee implementation, including facilitating review/assessment of reports' and deliverables. Payments to Implementing Entities for Community Clean-Up Projects shall not be issued by CHDC without the written approval of City and County Committee Staff.

Implementing Entity: See Community Clean-up Projects Table in Attachment 2

Reporting/Payment Requirements: Any Community Clean-Up Projects shall be subject to the Reporting & Invoicing Requirements specified in the template Memorandum of Understanding included in Attachment 1. Attachment 1 only applies to Community Clean-Up Project contracts with the Implementing Entities. The County will issue advance payments to CHDC, as needed, to ensure there is adequate funding available for payments requested by Implementing Entities if and when authorized by City and County Staff. Additionally, CHDC would be subject to contractual payment and reporting provisions that differ from those in Attachment 1 due to the nature of the services to be provided.

11. North Richmond Green Community Services Programs

Fund the following North Richmond Green programs on a contract basis[4] to the extent the specific details submitted are determined to align with the purpose of the Mitigation Fee and Expenditure Plan:

- *NR Little League Baseball Program* - Includes cost of registration and uniforms with customized North Richmond Green patches for up to 5-6 teams, season kick-off event/parade, equipment, stipends for game monitoring and oversight, food and transportation.
- *NR Youth Twilight Basketball Program* - Includes cost of registration and uniforms with North Richmond Green patches for up to 5-6 teams, equipment, stipends for game monitoring and oversight, food and transportation.
- *NR Eco Workshops & Beautification Projects* – Eco Workshops and Beautification Projects include school gardens, recycling efforts, beach/creek/neighborhood clean-ups and ecological field trips. May fund the cost of materials, transportation and fees associated with pre-approved community beautification projects such landscaping and murals.

[4] Administering agency contracting charge applies ($3,000 per contract)

ee "Staff Costs" section for agency activities that may also be funded under this Strategy.]

Administering Agency: Contra Costa County

Implementing Entity: Community Housing Development Corporation (CHDC)

Reporting/Payment Requirements: CHDC shall provide required data pertinent to Strategies 9, 11 & 12 based upon the strategy-specific invoicing/reporting requirements and schedule developed/maintained by Committee Staff in order to receive NRMF-funded payments.

12. North Richmond Green Campaign

Fund the design, printing and/or distribution of education and outreach materials on a contract basis[5] which must align with the purpose of the Mitigation Fee and Expenditure Plan and be pre-approved by Committee Staff. Outreach materials must include "Jointly funded by City of Richmond & Contra Costa County" unless otherwise specified herein. Outreach materials may be any of the types specified below, however must clearly intend to directly:

- Inform the community about Mitigation Fee funded programs/efforts,
- Increase participation in Mitigation funded programs/efforts,
- Reduce illegal dumping and blight in the Mitigation Fee Funding Area, and/or
- Promote beautification in the Mitigation Fee Funding Area.

The following type of outreach material expenditures may be funded if reviewed and pre-approved by Committee Staff:

- STIPENDS – Pay local community members (youth and adults) to distribute printed outreach materials door-to-door to promote mitigation-funded strategies *(Jointly Funded text not applicable to stipend expenses, only materials)*
- HANDOUTS/MAILERS – Newsletters, flyers, brochures or other documents intended to be handed out or mailed to local residents/organizations.
- T-SHIRTS - Shirts shall include the NRGreen.org website to encourage people to learn more about Mitigation funded programs/efforts *(local phone number should also be included when possible, however inclusion of Jointly Funded text may not be required)*
- NR GREEN FESTIVAL – Event held once per year and generally include information booths to raise awareness about mitigation-funded efforts and other local beautification efforts as well as fun activities for kids and food. Materials promoting the event shall include the NRGreen.org website as well as a local phone number.
- SIGNAGE – Printed or manufactured signage, which includes promotional banners for local events/parades, which should include the NRGreen.org website for Community members to learn more about Mitigation funded programs/efforts. Repair, replacement and removal of NRMF-funded Light Pole Banners.

[5] Administering agency contracting charge applies ($3,000 per contract)

ee "Staff Costs" section for agency activities that may also be funded under this Strategy.]

Administering Agency: Contra Costa County

Implementing Entity: Community Housing Development Corporation (CHDC)

Reporting/Payment Requirements: CHDC shall provide required data pertinent to Strategies 9, 11 & 12 based upon the strategy-specific invoicing/reporting requirements and schedule developed/maintained by Committee Staff in order to receive NRMF-funded payments.

13. Garden Projects

Fund the implementation, oversight and administering agency contracting charges[6] of Garden Projects as further described below.

Community Garden Projects: Fund on-going maintenance and up-keep of existing community gardens within the Primary Funding Area. The projects selected under this Strategy have been funded on an on-going basis.

Details, including recommended allocation amounts, for Projects are included in Attachment 4. Up to 15% of the Non-Profit Implementer Award Amount specified in Attachment 4 may be used for administrative oversite.

[See "Staff Costs" section for agency activities that may also be funded under this Strategy.]

Administering Agencies: Contra Costa County. Community Housing Development Corporation (CHDC) may under contract with the County as the Administering Agency, administer Garden Project contracts funded under this Strategy. CHDC shall use no more than twenty (20) percent (%) of the total amount awarded to Projects (after subtracting City/County contracting cost) to oversee implementation, including facilitating review/assessment of reports and deliverables. Payments to Implementing Entities for Garden Projects shall not be issued by CHDC without the written approval of both City and County Committee Staff.

Implementing Entity: See Garden Projects Table in Attachment 4

Reporting/Payment Requirements: Any Garden Project contracts issued or amended by the City/County shall incorporate Reporting & Invoicing Requirements equivalent with those shown in Attachment 3. Garden Project contracts being administered by CHDC on behalf of the County shall also incorporate Reporting & Invoicing Requirements equivalent with those shown in Attachment 3. Attachment 3 only applies to the Garden Project contracts with the Implementing Entities. CHDC would be subject to contractual payment and reporting provisions that differ

[6] Administering agency contracting charge is $3,000 per contract entered into by the County and up to 20% of the per project funding allocation (as described in the "Administering Agency" section).

from those in Attachment 3 due to the nature of the services to be provided. The County will issue advance payments to CHDC, as needed, to ensure there is adequate funding available to payments requested by Implementing Entities if and when authorized by City and County Staff.

14. Mobile Tool Lending Library

Fund the development, implementation, and on-going maintenance of a mobile tool lending library that is accessible to the public within the Mitigation Fee Primary Funding Area at least once a week. Funding is intended to pay for the purchase of educational material, tools, a cell phone for the library, costs related to the tool lending system & trailer/tool maintenance, and personnel/labor.

Administering Agency: City of Richmond

Implementing Entity: City of Richmond Community Services Department

Reporting/Payment Requirements: Effective July 1, 2020, the City of Richmond Community Services Department shall provide required data pertinent to Strategy 14 based upon the strategy-specific invoicing/reporting requirements and schedule developed/maintained by Committee Staff in order to receive NRMF-funded payments (funding transfers).

STAFF COSTS

Committee Administration/Staffing Funding: The funding allocated for Committee Administration/Staffing may not be adequate to cover the full cost of staff time necessary for jointly staffing the North Richmond Waste & Recovery Mitigation Fee Joint Expenditure Planning Committee as well as developing, administering and overseeing this Expenditure Plan for the specified period. Supplemental funding allocation may be necessary upon determining actual costs exceed the amount budgeted to cover the intended City/County costs for joint staffing.

Strategy-Specific Funding: The cost of City/County staff time spent providing direct implementation assistance and/or coordination for specific Strategies may be covered with a portion of the NRMF funding budgeted for each applicable Strategy. Additionally, a portion of the NRMF funding budgeted for Strategies will be used to pay fixed administering agency contracting charge for each applicable contract (Currently $3,000 per contract. An additional $3,000 may be added to a contract amendment to add additional funding or nonprofits to a contract during an existing contract cycle) unless otherwise specified herein.

TEMPLATE MEMORANDUM OF UNDERSTANDING BETWEEN

_____

AND
COMMUNITY HOUSING DEVELOPMENT CORPORATION

This is an agreement made and executed on _____ between Community Housing Development Corporation (CHDC) and _____ (Contractor). This contract will remain in effect for the time period identified in the TERM section of the agreement.

OVERVIEW:
The _____ North Richmond Mitigation Fee (NRMF) Expenditure Plan approved by the Board of Supervisors in _____ and Richmond City Council in _____ allocates a total of **$_____**to the Contractor for the disbursement of funds within Strategy 10 to complete Clean-Up Project(s) in the North Richmond Mitigation Area.

TERM: The term of this agreement begins on _____ and ends on _____. Contractor will complete all work performed under this agreement not later than _____. Invoices submitted for work performed before or after this specified term and invoices submitted after _____will not be paid.

I. Contractor's Obligations

The Contractor shall administer the _____, as described herein for an amount not to exceed **$_____**involving the following activities:

A. Recruit and Hire up to four (4) workers

1. Contractor will develop and publicize the job announcements. Job announcements shall contain, "Jointly funded by The City of Richmond & Contra Costa County" language.
2. Contractor will interview, select and hire up to four workers.
3. Contractor will host training for new hires that discusses the proper procedures of disposal of hazardous waste (televisions, phones, batteries, tires, paint etc.).

Task A - Deliverables:

1. Documentation of publicized job announcement in English/Spanish with required jointly funded language.
2. Documentation of hiring papers.

B. Clean up to _____(_) North Richmond Sites Approved by the County

1. Contractor shall select North Richmond addresses provided by the County or City to be cleaned during each clean up. Community clean-up projects may involve the removal of debris and/or landscaping maintenance.
    a. Addresses provided by the County or City will include a description of debris for removal and/or landscaping needs.
    b. Addresses provided by the County or City shall only be selected once for clean-up unless directed otherwise by County Staff.
2. Contractor will confirm with the County the address for cleanup one week and provide clear written procedures for the proper disposal of all waste types previously described at each clean-up site, including

waste that is recyclable, hazardous or requires special handling. Procedures shall be submitted and approved by the County before the site is cleaned up.

3. Contractor shall make arrangements in advance with the appropriate partners for the proper removal, recycling, composting or disposal of the debris identified in the area to be cleaned, including materials that require special handling such as tires, hazardous/universal wastes, appliances, and medical sharps/waste.
4. Contractor shall document approximate quantities (count, volume or weight) of each type of material/debris removed from the area during clean-up, using a log or other method agreed upon in advance.
5. Contractor shall demonstrate how the materials/debris removed during the clean-up were transported and where each type was properly recycled, composted or disposed.

Task B - Deliverables:

1. Documentation of disposal procedures approved by the County for each confirmed clean-up address.
2. Before photos of the entire site before the material/debris has been cleaned up.
3. Completed Contractor's Log identifying the types and amount of material/debris removed.
4. After photos of the entire site after it has been cleaned up. Contractor shall strive to take After photos from the same vantage points as the Before photos.
5. Documentation demonstrating that the material/debris removed was properly disposed or recycled. If debris removed during the clean-up is disposed of in existing containers that are routinely serviced by Republic Services, Contractor shall submit copy of an invoice or letter from Republic Services confirming what collection services were being provided at the disposal location during the applicable timeframe. For any in-kind hauling/disposal service offered by partner organizations or agencies, contractor may submit written communication identifying what was picked up by whom and where it was taken (e.g. e-mail message from the Parks District confirming that yard debris that was placed in tarps and set-out at agreed upon location was placed in designated green waste bin on the District's property or transported to a specified compost facility). Alternatively, if disposal services are provided in the form of debris box donation(s) from Republic Services, contractor may submit written communication confirming donation.

C. Attend Community Meetings and Events

1. Attend one North Richmond Green meeting(s) per quarter (quarterly periods end on December 31st, March 31st and June 30th).
    a. No portion of the Quarterly Meeting Attendance budget line item will be paid to Contractor unless Contractor submits written evidence proving Contractor representative attended at least one monthly North Richmond Green Meeting during the applicable quarter.

Task C - Deliverables:

1. Documented attendance via minutes or copies of sign-in sheets of North Richmond Green meetings

D. Reporting & Invoicing

1. Submit invoices and the required supporting documentation (including applicable required Deliverables and completed Progress Reports as specified in Section III. Payment Provisions) for each calendar month, and not later than 30 days after the end of the applicable monthly period. The Reporting and Invoicing budget line items are intended to ensure timely submittal of invoices and required supporting

documentation. No portion of the Invoicing budget line item will be paid to Contractor for invoices submitted late, or without the required documentation or completed Progress Report.

Task D- Deliverables:

1. Complete monthly invoices on time for all tasks completed, accompanied by all required deliverables (including completed Progress Report or Final Progress Report). If Contractor does not provide a timely and complete invoice with all deliverables required for applicable tasks outlined on the invoice, as specified herein, no later than 30 days after the end of the applicable monthly period, the Contractor shall forfeit the $100 allocated for each applicable invoice period. Contractor may not use any funding specifically allocated for Reporting and Invoicing for any other purpose
2. Completed Progress Report addressing activities that occurred during the corresponding invoice period (except for the final invoice) consistent with Section III.3.a.
3. Completed Final Progress Report addressing the entire project to be submitted with the final invoice consistent with Section III.3.a.

E. Eligible Costs:

Eligible costs consistent with the below table can only be reimbursed if included on invoices in conformance with the payment provisions and submitted prior to _____.

Budget Line Items by Task/Deliverable	Quantity	Payment per Unit	Total Payments	Budget Amount
A. Recruit and hire up to four (4) workers				**$ 1,750**
Deliverable 1 - Recruitment Documentation	1 each	$350	$350	
Deliverable 2 - Hiring Documentation	4 each	$350	$1,400	
B. Clean-up up to _____(_) designated locations in the NRMF Funding Area				**$ _____**
Deliverable 1 - Procedures	_ each	$200	$1600-	
Deliverable 2 - Before Photos	_ each	$300	$2,400-	
Deliverable 3 - Contractors Log	_ each	$400	$3,200-	
Deliverable 4 - After Photos	_ each	$300	$2,400-	
Deliverable 5 - Disposal Documentation	_ each	$600	$4,800-	
C. Attend North Richmond Green Meetings				**$ 750**
Deliverable 1 - NR Green Meetings	3 each	$250	$750	
D. Reporting and Invoicing				**$ 2,500**
Deliverable 1 - Timely & Complete Invoice	9 each	$100	$900	
Deliverable 2 - Progress Reports	8 each	$150	$1,200	
Deliverable 3 - Final Progress Report	1 each	$400	$400	
SUBTOTAL				**$ _____**
Fiscal Agent (10% of amount invoiced)			$0	
TOTAL BUDGET & ALLOWABLE PAYMENTS				**$ _____**

II. CHDC's Obligations

Subject to the payment limit of **$_____**CHDC shall reimburse Contractor for eligible costs described in the previous section where such are incurred in the performance of work under the contract, subject to the below Payment Provisions. CHDC will disburse Contractor funds only after receiving written approval by County authorizing the disbursement of the Contractor grant funds based on approved budget, approved advance and request for reimbursement.

III. Payment Provisions

Contractor shall submit invoices and required deliverables on a monthly basis consistent with the amounts and frequency specified in Section I.E -Eligible Costs, which together may not total more than **$_____**. Contractor will only receive payment for eligible costs incurred for work performed during the term of this contract which are itemized on invoices substantiated with adequate supporting documentation. Invoices submitted after July 30, -_____ will not be paid.

1. **Advanced Payments:** In order to receive any potential advance payment, such must be authorized for the specified project in Attachment ____ of the Expenditure Plan approved by the Board of Supervisors and The City of Richmond. Advance payment is limited to no more than ten (10) percent (%) of the approved implemented Entity Award for the Project. Contractor shall submit a written request to CHDC for approval by City and County Committee staff detailing the reason(s) advance payment is necessary and itemizing each specific cost that the requested advance payment amount would pay for and how such costs will aid in the completion of each applicable required task. Advance payment requests must be submitted prior to any other invoice. If an advance payment is issued, Contractor shall not be eligible for an additional payment until enough required deliverables have been approved to offset the amount paid in advance.

2. **Partial Payments:** The Contracting entity (City of County) may authorize partial payment to Contractor for submittal of incomplete deliverables if solely incomplete due to unusual and unforeseen circumstances beyond the control of the Contractor. Contractor must submit written request asking to receive payment for incomplete deliverable containing an explanation as to what factors beyond the Contractor's control specifically precluded the Contractor from submitting the completed deliverable and why such could not have been foreseen or avoided by Contractor.

3. **Invoices:** Invoices shall be submitted monthly, no later than 30 days after the end of the applicable monthly period and contain the following information in sufficient detail and be submitted in a form which adequately demonstrates consistency with this contract. Invoices shall be accompanied by the applicable deliverables.

    a. Itemization of any tasks completed during the applicable calendar month for which completed deliverables are submitted and associated payment is being requested.

4. **Supported Documentation**: The following required supporting documentation must be submitted with invoices when applicable as described below.

a. Every invoice must be accompanied by a Progress Report, with the exception of the final invoice which must be accompanied by a Final Report. Both types of Reports must contain all of the information specified in the City/County provided Report templates, as well as any applicable details specified above in Section I. Contractor's Obligations.

b. All applicable Deliverables associated with the tasks and requested payment amounts itemized on each monthly invoice.

Attachment 2 - Community Clean-up Projects Table (Strategy 10)

2025/26 Expenditure Plan Funding Allocations for Projects
recommended for City/County approval by the North Richmond Mitigation Fee Committee

A total of **$87,000.00 is recommended to be allocated in the 2025/2026 Expenditure Plan for Community Clean-up Projects (Strategy 10)**. Two of the three entities below were previously selected by the Committee based on a Funding Request Proposal process conducted in 2018.[1] The third entity, SOS! Richmond, was added per Committee direction at the October 16, 2020 meeting.

Community Clean-up Projects Recommended for Funding in 2025/2026

Implementing Entity / *Fiscal Sponsor* *(if applicable)*	Project Title	Advance Payment Allowed (Up to 10% of Implementer Award Amount)	Requested Amount	Total Award Amount	County Contracting Costs[2]	CHDC Contracting Cost (20%) to Manage Non-Profits[2]	Non-Profit Implementer Award Amount for Project	Notes
Social Progress Inc.	Brighter Beginnings in North Richmond	Yes	$ 29,999.76	$ 25,250.00	$ 1,000.00	$ 4,850.00	$ 19,400.00	
SOS! Richmond	SOS! Richmond	Yes	$ 75,000.00	$ 36,500.00	$ 1,000.00	$ 7,100.00	$ 28,400.00	
Men & Women of Valor	Community Working Together	Yes	$ 20,000.00	$ 25,250.00	$ 1,000.00	$ 4,850.00	$ 19,400.00	
Total Funding Requested/Allocated			$ 124,999.76	$ 87,000.00	$ 3,000.00	$ 16,800.00	$ 67,200.00	

[1] Funding Request Proposal released on February 9, 2018 by Committee Staff and Proposals submitted by eligible non-profit organizations and Agencies on March 6, 2018. Funding Proposal Application received by Men & Women of Valor was the wrong application. At their meeting on March 23, 2018, the NRMF Committee gave Men & Women of Valor 30 days to re-submit their application to the NRMF Committee using the correct application and submittal requirements. On April 22, Committee staff received the correct Funding Proposal application. The Men & Women of Valor Proposal application was considered at the NRMF Committee Meeting on June 8th and selected for funding.

[2] Costs to have 3rd party organization (CHDC) manage and oversee contracts with Organizations selected for funding is up to twenty (20) percent (%) of award amount after first taking out City/County Contracting cost for $3,000 for City/County to contract directly with CHDC to have CHDC administer non-profit contracts.

Garden Project Reporting and Invoicing Requirements

Substantially equivalent language to be included in all NRMF-funded Community Project Agreements/Amendments

Agreements providing for payments using funding allocated for Community Projects must include provisions that address the requirements contained herein. Contractor shall submit Progress Reports covering each invoice period, using a City/County provided template in conjunction with each monthly invoice in order to be eligible for payment. Contractor shall monitor, document, and report all Project activities associated with the tasks and deliverables described in the agreement and any eligible Project costs for which reimbursement will be requested. Upon completion of work or the end of the contract's term, Contractor shall submit a Final Report, using a City/County provided template similar to the attached, in conjunction with the final invoice.

Task Deliverables

The agreement shall assign a dollar amount for each deliverable within each task. Contractor shall only be paid for completed deliverables submitted with all associated supporting documentation. The agreement may include assignment of one dollar amount to multiple deliverables for a specific task when appropriate to substantiate completion of the required task. The Contracting entity (City of County) may authorize partial payment to Contractor for submittal of incomplete deliverables if solely incomplete due to unusual and unforeseen circumstances beyond the control of the Contractor. Contractor must submit written request asking to receive payment for incomplete deliverable containing an explanation as to what factors beyond the Contractor's control specifically precluded the Contractor from submitting the completed deliverable and why such could not have been foreseen or avoided by Contractor.

Timely Submittal of Invoices

A separate Reporting & Invoicing budget line item shall be included in the agreement to facilitate timely submittal of invoices, progress reports and other deliverables. Submittal of monthly invoices shall be included as a deliverable and the exact amount that is payable upon timely submittal of each invoice complete with all required supporting documentation shall be specified. The agreement shall provide that no portion of the Reporting & Invoicing budget line item be paid to Contractor for invoices submitted beyond 30 days of any monthly invoice period, or without the required documentation including completed Progress Reports.

Pre-approval Required for Supplies and Materials

Unless the exact supplies and materials are specified as preauthorized in the Agreement, Contractor shall obtain pre-approval from the Contracting entity (City or County) prior to incurring supplies and materials expenses for which reimbursement will be requested. To request pre-approval, contractor shall provide written request identifying all proposed supplies and materials as well as an explanation demonstrating its reasonable cost and how said items will aid in the completion of each applicable required task.

Attendance of Community Meetings and Events

Contractor shall attend one North Richmond Green meeting per quarter during the contract period. Documentation substantiating attendance of required meetings shall be included as a deliverable for this task and be included with all applicable monthly invoice(s).

Acknowledgment Required on Outreach & Promotional Materials

Attachment 4 - Garden Projects (Strategy 13)

2025/2026 Funding Allocations for Garden Projects recommended for City/County approval by the North Richmond Mitigation Fee Committee

A total allocation of **$48,179.79 is recommended to be allocated in the 2025/2026 Expenditure Plan for Garden Projects.**The following entities were previously selected by the Committee based on a Funding Request Proposal process conducted in 2018.[1]

Garden Projects Recommended for Funding in 2025/2026								
Implementing Entity / *Fiscal Sponsor* *(if applicable)*	**Project Title**	**Advance Payment Allowed** (Up to 10% of Implementer Award Amount)	**Requested Amount**	**Total Award Amount**	**County Contracting Costs[2]**	**CHDC Contracting Cost (20%) to Manage Non-Profits[2]**	**Non-Profit Implementer Award Amount for Project**	**Notes**
Watershed Project	**Shields Reid Habitat Garden**	**No**	**$ 29,986.25**	**$ 28,062.13**	**$ 3,000.00**	**$ 5,012.43**	**$ 20,049.70**	
Communities United Restoring Mother Earth (CURME) / *Greater Richmond Interfaith Program*	**Lots of Crops**	**No**	**$ 15,092.00**	**$ -**	**$ -**	**$ -**	**$ -**	
Total Funding Requested/Allocation Recommended			**$ 45,078.25**	**$ 28,062.13**	**3,000.00**	**5,012.43**	**$ 20,049.70**

To: **Board of Supervisors**

From: Monica Nino, County Administrator

Report Title: Side Letter Agreement between Contra Costa County and the Deputy Sheriffs Association, Rank and File Unit

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:

ADOPT Resolution No. approving a Side Letter of Agreement between Contra Costa County and the Deputy Sheriffs Association - Rank & File Unit, providing for a hiring incentive for deputy sheriffs and dispatchers through the June 30, 2027, expiration of the current MOU.

FISCAL IMPACT:

BACKGROUND:

Contra Costa County and the Deputy Sheriffs Association - Rank & File Unit are parties to a Side Letter of Agreement that provides the following hiring incentive for certain deputy sheriffs and dispatchers:

A. Entry-Level Recruits
1. Deputy Sheriff-Recruit - Fixed Term (6X7A) hired on or after the effective date of this side letter - Five thousand dollars ($5,000) will be paid in the month following successful completion of the basic academy; Five thousand dollars ($5,000) will be paid in the month following successful completion of probation as a Deputy Sheriff (6XWA).
2. Sheriff's Dispatcher I (64WK) hired on or after the effective date of this side letter - Twenty-five hundred dollars ($2,500) will be paid the month following hire date; Twenty-five hundred dollars ($2,500) will be paid the month following the successful completion of two years as a Sheriff's Dispatcher I/II (64WK/64WM).

B. Experienced Employees Hired from Other Agencies (Lateral Transfers)
1. Deputy Sheriff (6XWA) hired on or after the effective date of this side letter - Seven thousand dollars ($7,000) will be paid the month following hire date; Eight thousand dollars ($8,000) will be paid in the month following the successful completion of two years as a Deputy Sheriff (6XWA).
2. Sheriff's Dispatcher II (64WM) hired on or after the effective date of this side letter - Ten thousand dollars ($10,000) will be paid the month following hire date; ten thousand dollars ($10,000) will be paid

in the month following successful completion of two years as a Sheriff's Dispatcher II/Supervising Sheriff's Dispatcher (64WM/64HD).

The current Side Letter of Agreement is set to expire on June 30, 2025.

Of the 9 Bay Area counties, Alameda, Contra Costa, Marin, Napa, San Mateo, Santa Clara, and Solano all offer hiring incentives for deputy sheriffs or dispatchers. Other law enforcement agencies at Bay Area cities and special districts also offer similar hiring incentives for these classifications.

This Side Letter of Agreement supersedes the Side Letter of Agreement that expires on June 30, 2025. It will enable the Office of the Sheriff of Contra Costa County to remain competitive in recruiting the best qualified candidates to provide law enforcement services to the public.

CONSEQUENCE OF NEGATIVE ACTION:

The Office of the Sheriff of Contra Costa County will be less competitive with other agencies to hire qualified deputy sheriffs and dispatchers, which will reduce coverage and negatively impact operations.

THE BOARD OF SUPERVISORS OF CONTRA COSTA COUNTY, CALIFORNIA

and for Special Districts, Agencies and Authorities Governed by the Board

IN THE MATTER OF: The Side Letter of Agreement between the County of Contra Costa and the Deputy Sheriffs Association - Rank & File Unit, providing for a hiring incentive for certain deputy sheriffs and dispatchers.

The Contra Costa County Board of Supervisors acting in its capacity as the governing board of the County of Contra Costa RESOLVES THAT:

Effective July 1, 2025, the Side Letter of Agreement dated June 16, 2025, between the County of Contra Costa and the Deputy Sheriffs Association - Rank & File Unit, which supersedes Resolution No. 2023/198 regarding hiring incentives for deputy sheriffs and dispatchers, be ADOPTED.

SIDE LETTER AGREEMENT

BETWEEN CONTRA COSTA COUNTY & DEPUTY SHERIFFS ASSOCIATION, RANK & FILE UNIT

This Side Letter is by and between the Deputy Sheriffs Association (DSA), on behalf of its Rank & File Unit, and Contra Costa County (County) and is effective immediately following approval of the Board of Supervisors. The Parties agree to the following terms regarding an incentive plan which includes hiring bonuses for deputy sheriffs and dispatchers as defined below:

A. Entry-Level Recruits
   1. Deputy Sheriff-Recruit – Fixed Term (6X7A) hired on or after the effective date of this side letter - Five thousand dollars ($5,000) will be paid in the month following successful completion of the basic academy; Five thousand dollars ($5,000) will be paid in the month following successful completion of probation as a Deputy Sheriff (6XWA).
   2. Sheriff's Dispatcher I (64WK) hired on or after the effective date of this side letter - Twenty-five hundred dollars ($2,500) will be paid the month following hire date; Twenty-five hundred dollars ($2,500) will be paid the month following the successful completion of two years as a Sheriff's Dispatcher I/II (64WK/64WM).

B. Experienced Employees Hired from Other Agencies (Lateral Transfers)
   1. Deputy Sheriff (6XWA) hired on or after the effective date of this side letter - Seven thousand dollars ($7,000) will be paid the month following hire date; Eight thousand dollars ($8,000) will be paid in the month following the successful completion of two years as a Deputy Sheriff (6XWA).
   2. Sheriff's Dispatcher II (64WM) hired on or after the effective date of this side letter - Ten thousand dollars ($10,000) will be paid the month following hire date; ten thousand dollars ($10,000) will be paid in the month following successful completion of two years as a Sheriff's Dispatcher II/Supervising Sheriff's Dispatcher (64WM/64HD).

This Side Letter Agreement shall immediately upon approval by the Board of Supervisors supersede the current Side Letter Agreement between the County and DSA providing Sheriff's Dispatchers with employment incentives, which is set to expire on June 30, 2025.

This Side Letter Agreement only applies to new employees hired into the County on or after Board of Supervisors' approval of this side letter and will expire on June 30, 2027.

CONTRA COSTA COUNTY

Staff Report

File #: RES 2025-244 **Agenda Date:** 7/8/2025 **Agenda #:** C.19.

To: **Board of Supervisors**

From: Monica Nino, County Administrator

Report Title: Settlement Agreement between Contra Costa County and the Defenders' Association

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
ADOPT a resolution approving a settlement to Grievance No. 022-24, in the amount of $213,326.02

FISCAL IMPACT:
The total cost of the grievance settlement is $213,326.02 and will be paid by operating funds of the Public Defender.

BACKGROUND:
On April 17, 2024, the Defenders' Association filed a grievance regarding the application and enforceability of Section 5.14 (Discretionary Steps) of the Memorandum of Understanding between the Union and County. On June 10, 2025, the parties reached a settlement to pay specified amounts to identified employees in the Defenders' Association, totaling $213,326.02.

CONSEQUENCE OF NEGATIVE ACTION:
The settlement agreement will not be approved and the grievance will not be settled.

THE BOARD OF SUPERVISORS OF CONTRA COSTA COUNTY, CALIFORNIA

and for Special Districts, Agencies and Authorities Governed by the Board

IN THE MATTER OF the settlement for Grievance No. 022-24 between the County of Contra Costa and the Contra Costa County Defenders' Association.

The Contra Costa County Board of Supervisors acting in its capacity as the governing board of Contra Costa County RESOLVES THAT:

The Settlement Agreement for Grievance No. 022-24 between Contra Costa County and the Defenders' Association for the amount of $213,326.02 be ADOPTED.

From: Monica Nino, County Administrator

Report Title: Contract with Euna Solutions, Inc. for County Budget System

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:

APPROVE and AUTHORIZE the County Administrator, or designee, to execute a contract with Euna Solutions Inc. in an amount not to exceed $300,682 to provide software maintenance and support for the County budget preparation system for the period of April 1, 2026 through March 31, 2029.

FISCAL IMPACT:

Payments will be made annually and will not exceed a total of $300,682 for the three-year term. It will be funded 100% by the General Fund.

BACKGROUND:

The County replaced the prior budget system with the Budget Formulation and Management System (Sherpa Government Solutions) in 2016. Sherpa Government Solutions has now merged with and been rebranded as Euna Solutions and the current contract will expire March 31, 2026. The requested action will enable the County to continue to receive software maintenance and support (including cloud-hosting) for the Budget Formulation and Management System through March 31, 2029. The annual cost includes end-user licenses for the reporting module that are utilized by staff in every County department for both budget development as well as ongoing budget monitoring.

CONSEQUENCE OF NEGATIVE ACTION:

If the action is not approved, the County will need to pursue other software options in order to produce an annual budget (including State of California mandated budget schedules).

To: Board of Supervisors

From: Monica Nino, County Administrator

Report Title: Maintenance and Support Contract with LexisNexis for eWarrants System

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the County Administrator to execute, a contract amendment effective December 31, 2025 with LexisNexis Risk Solutions to extend the term from December 31, 2025 through December 31, 2028 and increase the payment limit by $860,700 to a new payment limit of $2,276,700 to provide continued development, support, and maintenance of the countywide warrant management (eWarrants) system.

FISCAL IMPACT:
Approval of this request will result in up to $860,700 in contractual service expenditure over a three-year period and will be funded from the Public Protection Special Revenue Fund (114000). eWarrants is provisioned by State backfill of the Chapter 257, statutes of 2021 (AB 177) repeal of the criminal justice administrative fee (Vehicle Code 40508.5 "Failure to Appear/Failure to Pay") previously designated for the support of countywide warrant systems. AB 177 set aside $25 million in 2021-22 and $50 million in 2022-23 and ongoing to backfill counties for estimated lost revenue. The warrant system is allocated $225,000 annually from the State backfill revenue. To the extent that backfill revenues are insufficient to fund the ongoing costs of the warrant management system, local law enforcement agencies that utilize the system will be billed on an annual basis. Contra Costa County pays only its proportionate share of the net costs of the warrant system for the County departments that utilize the system, which currently include the Sheriff, District Attorney, and Probation departments.

BACKGROUND:
eWarrants is a comprehensive countywide warrant management system serving all law enforcement agencies throughout Contra Costa County. It offers an intuitive web interface that enables authorized users to perform advanced searches, execute all warrant-related actions, and transmit CLETS (California Law Enforcement Telecommunications System) messages via seamless integration with the County's secure law enforcement telecommunications channel.

eWarrants is tightly integrated with law enforcement agency records management systems and computer-aided dispatch platforms to allow rapid inquiries and real-time updates to warrant records. It also connects with the Superior Court's case management system and ARIES (the Automated Regional Information Exchange System managed by the Office of the Sheriff), creating a unified criminal justice information ecosystem that supports timely and accurate data exchange.

As a cornerstone of the County's Law and Justice information infrastructure, eWarrants plays a vital role in enhancing both public and officer safety. A forward-looking roadmap is in place to deliver future enhancements and new capabilities.

CONSEQUENCE OF NEGATIVE ACTION:
Should the Board not approve the recommendation, the County will lose the ability to manage County-issued warrants, which will seriously compromise public and officer safety throughout the Contra Costa County and the Greater Bay Area.

Report Title: Parkworks Mechanical Systems Contract for Installation of EV Chargers

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the County Administrator, or designee, to execute a contract with Parkworks Mechanical System, in an amount not to exceed $18,000, for installation of additional EV chargers in the parking system at 1026 Escobar Street, in Martinez.

FISCAL IMPACT:
Service costs are funded by the Measure X, through the Climate Sustainability Trust allocation.

BACKGROUND:
Parkworks is a qualified contractor from the list maintained by the County pursuant to the Public Contract Code section 22034, whose work and products related to the parking system at 1026 Escobar are proprietary. Parkworks installed the existing parking stacker as part of the 1026 Escobar Street project to increase the amount of off-street, covered parking at the location. The system, as installed, has 10 platforms with EV charging available and as interest in utilizing the stacked parking system has increased from staff, so has the demand for EV chargers. This contract will allow for the installation of 10 additional EV chargers, doubling the charging capacity in the stacked parking system. The Public Works Energy Manager is responsible for the procurement of the EV chargers to be installed.

CONSEQUENCE OF NEGATIVE ACTION:
Not approving this contract will leave the County without a contractor to install the additional EV chargers for this project.

ATTN: Cora Young

RE: Additional Platform EV Prep

This proposal is a lump sum proposal for the sale, fabrication and installation necessary for (10) additional EV prep platforms.

It is important to note that the installation will not affect the two year factory warranty period or the warranty start date of 5/16/2024 as established by Webcor.

Parkworks proposes the supply and installation of the following:

- Furnish and installation of (10) EV charger mounting plates. Dimensions to be determined following coordination with Flowcharger and County.
- Furnish and installation of ⅝"USL580 ultra flex conduit and guiding insulated brackets.
- (10) Dewalt universal retractors *supply only

Assumptions:

- Final and frozen backgrounds for all Architecture and Engineering
- Fully designed, engineered and constructed building by others
- Concrete tolerances will be as follows
  - ¼" in 10ft straight edge for the parking and gate areas
- All entitlements, approvals and permits by others
- All labor will be non-union and prevailing wage (unless add alternate for union labor is selected)
- Coordination and day to day management by others
- Adjacent to property there will be a location to unload 40' open-top containers and a minimum 12' wide pathway from unloading zone to lift-and-slide installation area
- County will provide site map including delivery locations and clear path to bring lift and slide components into building
- County is responsible for providing a safe and secure job site to avoid a loss of PW tools and equipment
- County will provide to PW clean, debris free, swept, dry slabs
  - If any painting or debris producing work is carried out in the environs of the parking system, tarping and/or cleaning will be by others.

- County will ensure that the lift-and-slide components and all surrounding areas stay entirely dry during the duration of installation
- County will coordinate delivery and load-in schedules
- County will provide temporary 110V and 220V power during installation and 480V permanent power no less than 3 months prior to TCO
- County will provide area lighting
- County will provide high-speed internet access during construction period
- County will provide debris box for PW use during installation
- Post-construction, building management will provide a locked area or room on site for the storage of spare parts and specialized tools

Scope Delineation:
For Electrical Wiring Scope - please refer to attached diagram

Following please find a list of inclusions and exclusions to this Supply and Installation Proposal:

Inclusions
- Freight, duty, and logistics, including labor, for devanning and load-in
- All site unloading, laydown and lifting by PW using our own equipment
- 5k Warehouse Forklift during Installation Period
- Structural Engineering of lift-and-slide system, including lateral design and analysis, and anchorage to structure
- Parkworks coordination with SE to ensure that required tolerances are met
- Lift-and-slide and MEPF coordination
- Embed design, manufacture, and supply to jobsite (placement by others)
- QC preceding every lift-and-slide associated concrete pour to verify embed placement and concrete tolerances
- Interface with AHJ and FD as needed
- Measurement of existing conditions, system sizing and layout of systems
- Power units
- Hydraulic oil, concrete anchors, and installation supplies necessary to complete the lift-and-slide system
- Prevailing wage labor
- Touch up of any paint damage
- Electric Gates and Gate Support Structure
- Field Labeling
- Special inspections for concrete anchors and welding
- Teleservice hardware
- Receivers and remotes (1 remote per platform)

Exclusions
- Permit fees of any kind including fees associated with permits for unloading
- Installation of any and all electrical conduit or EMT
- Any and all design and engineering services related to the building (including MEP, Fire Life Safety, Architecture, Landscape, Acoustics, etc.)
- Clash Detection (PW will work with team to clear clashes, but not be tasked with their discovery)
- Building construction

- Exterior Doors and Exterior Door Controls
    - Including RFID and/or Intercom
- Marine delay insurance
- Any extraordinary tariffs
- Lighting design, supply and installation – both interior and exterior
- Signage and Way-finding design and installation – both interior and exterior
- Traffic analysis and EIR studies
- Internet and Wifi
- Temp and Permanent Power
- All Fireproofing and Firestopping, including all floor and wall sleeves and blockouts for conduits
- Ventilation and humidity control of any kind
- Bollards of any kind
- Electrical engineering to size supply circuits, conduits, and wiring
- Design and install of all fixed electrical conduits and raceways
- Cameras, associated wiring, and recording equipment
- Union labor (unless specified)
- OCIP credit, project is bid net of OCIP/CCIP
- Demobilization and remobilization in the event of delay
- Warehouse costs, including transloading and trucking, as the result of project delay that results in our equipment arriving in United States and requiring storage prior to job site load-in
- Cleaning construction dust and debris from lift-and-slide components that collects after installation
- Service Contract for first year of operation
- Service Contract/Extended Warranty - past initial 2 year included Warranty
- Anything not specifically included in deliverables or inclusions
- Monthly reporting including schedule analysis
- User and Service/Maintenance Manuals

The quoted price, stated below, includes system installation, parts and labor. System is under warranty for 24 months assuming that Factory Service is followed. This price is valid for 30 days.

Total Proposed Cost:

Description	Amount in USD ($)
EV Preparation (10) platforms and supply of (10) retractors	$18,000.00

Standard Terms and Conditions

Compensation and Payment Terms. Subject to the fee adjustments described below and to the lump sum limitations (if applicable), compensation shall be at Parkworks' standard hourly rates. If compensation is stated as a lump sum, the lump sum will be applicable only to the Scope of Services included herewith. Compensation for any optional or additional services will be at Parkworks' standard hourly rates plus reimbursable expenses, or a lump sum fee agreed to in writing in advance of performing the work. Client shall pay Parkworks for all services and reimbursable expenses within 30 days of the invoice date, without claim of setoff or deductions. Unless otherwise agreed, Parkworks will invoice every month based either on time expended or, where compensation is stated as a lump sum, based on the percentage of work completed.

Retainer. The retainer amount, as required, shall be paid by Client to Parkworks upon execution of the Agreement.

Late Charges. Interest and administrative charges of 1-1/2% per month will accrue 30 calendar days after the invoice date. Interest and administrative charges shall be in addition to the fees for professional services and reimbursable expenses.

Invoice Approval. Client must notify Parkworks within 14 calendar days of the invoice date if Client objects to any portion of the invoice.

Suspension of Work. Parkworks shall have the right, upon three (3) days prior written notice to Client, and without waiving any claim, to suspend work on the Project until all payments are current. Parkworks does not waive its right to suspend work at any time even if Parkworks previously elected to continue work.

Taxes. If fees or other charges are subject to sales, gross receipt or similar taxes, Client shall be responsible for paying all such taxes.

Mediation/Dispute Resolution. All claims and disputes arising out of or relating to this Agreement shall be resolved by good faith negotiations between the Client and Parkworks. If a good faith negotiation fails to resolve the matter, the Client and Parkworks shall seek a satisfactory resolution using a mutually agreeable independent third-party mediator. The Client and Parkworks agree that all disputes between them arising out of or relating to this Agreement shall be resolved through nonbinding mediation settled in and governed by the State of California unless the parties mutually agree otherwise.

Miscellaneous. This Agreement constitutes the entire Agreement between the parties and supersedes all prior writings, discussions and communications relating to the subject matter hereof. This Agreement can only be modified by a written agreement or amendment signed by both parties. Parkworks shall render its services hereunder in the capacity of an independent contractor and not as an employee. If any provision hereof shall be invalid or unenforceable to any extent, then the remainder of this Agreement shall remain in full force and effect and the invalid or unenforceable provision shall be modified and interpreted in a manner so as to be enforceable to the greatest extent permitted by law. This Agreement shall be governed by and interpreted in accordance with the laws of The State of California.

Access-to-Site. Parking must be provided for Parkworks service vehicles during and after installation. The owners are responsible for keeping the equipment free of dust and debris, oil and grease, they must be cleaned 2 times per year minimum.

Mutual Exclusion of Special, Incidental, Indirect and Consequential Damages. To the fullest extent permitted by law, neither party shall be liable to the other party or anyone claiming by, through or under the other party, for any special, incidental, indirect or consequential damages whatsoever arising out of, resulting from, or in any way related to the Project or to this Agreement.

Termination of Services. This agreement may be terminated by the Client or Parkworks should the other fail to perform its obligations hereunder. In the event of termination, the Client shall pay Parkworks for all services rendered to the date of termination, demobilization time, all reimbursable expenses, and reimbursable termination expenses.

Ownership of Documents. All documents produced by the Parkworks Team under this agreement shall remain the property of Parkworks and may not be used by the Client for any other endeavor without the written consent of Parkworks.

Limitation of Liability. In recognition of the relative risks, rewards and benefits of the project to both the Client and Parkworks, the risks have been allocated such that the Client agrees that, to the fullest extent permitted by law, and not withstanding any other provision of this Agreement, Parkworks' total liability, in the aggregate of the Consultant and the Consultant's officers, directors, partners, employees and subconsultants, and any of them, to the Client and anyone claiming by or through the Client, for any and all claims, losses, costs and damages, including attorney's fees and costs and expert witness fees and costs of any nature whatsoever or claims expenses resulting from or in any way related to the Project or Agreement from any cause or causes shall not exceed the total compensation received by the Consultant under this Agreement. It is intended that this limitation apply to any and all liability or cause of action however alleged or arising, unless otherwise prohibited by law.

Indemnification. The Client shall, to the fullest extent permitted by law, indemnify and hold harmless Parkworks, his or her officers, directors, employees, agents and sub-consultants from and against all damage, liability and cost, including reasonable attorney's fees and defense costs, arising out of or in any way connected with the performance by any of the parties named of the services under this agreement, excepting only those damages, liabilities or costs attributable to the sole negligence or willful misconduct of Parkworks.

CONTRA COSTA COUNTY

Staff Report

File #: 25-2787 **Agenda Date:** 7/8/2025 **Agenda #:** C.23.

To: Board of Supervisors

From: Monica Nino, County Administrator

Report Title: Contract with Independent Counsel, Inc.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the County Administrator, or designee, to execute a contract with Independent Counsel, Inc. in an amount not to exceed $18,000,000 for mandated criminal conflict defense and other non-criminal legal services for the County's conflict program for the period July 1, 2025 through June 30, 2028, with two two-year renewal options, subject to approval by the County Administrator and approval as to form by County Counsel's Office.

FISCAL IMPACT:
Contractual services expenditures of $5,000,000 are included in the FY 2025-26 Conflict Defense services budget, which is administered by the County Administrator's Office. The contract payment limit provides flexibility should additional or infrequent high-cost mandated criminal legal defense services arise, and a budget amendment will be submitted at that time if needed. The proposed initial 3-year contract rates continue to afford an approximate 5% annual increase, due to the high demand and competitive environment of maintaining a robust and experienced panel of conflict defense attorneys.

BACKGROUND:
For over 30 years, the County has contracted the administration of a criminal conflict program for the provision of indigent defense services for clients that cannot be represented by the Public Defender's Office or the Alternate Defender's Office. This has involved several tasks: maintaining a list of qualified, independent attorneys willing to take cases that are referred from the County or the Contra Costa County Superior Court, assigning the cases to each attorney, verifying 'billable hours' and seeing that the individual attorneys are paid pursuant to contracted rates. The County, in turn, reimburses the contractor for its services and those of the independent attorneys.

On May 23, 2025, the County Administrator's Office issued Request for Information #RFI_FORMAL-Contr-0000000006, for Indigent Criminal Defense Services with a closing date of June 13, 2025. Independent Counsel, Inc. was the sole respondent and demonstrated the desired expertise, capacity, and availability to provide high-quality legal defense services for the County's conflict program.

Since 2019, Independent Counsel, Inc. has fulfilled the County's conflict program obligations under the direct oversight of the County Administrator's Office. Their services have been consistent and reliable, all while maintaining professional relations and confidence in the services they provide.

Independent Counsel, Inc. also provided relief to the Public Defender's Office during a period when the department was experiencing a significant increase in new cases (overload cases) that could not be handled due to a lack of attorney case capacity. The County Administrator's Office and the Human Resources Department have worked diligently with the Public Defender's Office to evaluate its staffing needs, which has resulted in salary reallocations and classification series restructuring of its attorney classification, as well as increasing the number of attorney positions. Since October of 2021, the Public Defender's Office has not "overloaded" any cases to the Independent Counsel, Inc. due to lack of capacity.

The County Administrator's Office notified Independent Counsel, Inc. of its intent to award the contract and has been in negotiations for a new three-year contract with the option to renew for two additional two-year periods. The renewal options will ensure continuity of criminal conflict defense and other non-criminal conflict legal services, as well as remove administrative burdens of frequent solicitations in what the RFI outcome demonstrated to be a non-competitive environment. As of July 3, 2025, both parties have agreed on the contractual terms, which have been submitted to County Counsel for review and approval as to form.

CONSEQUENCE OF NEGATIVE ACTION:
If the Board does not approve the recommendation, the County will be left without a conflict defense program. The absence of this service provider compromises the County's ability to meet its legal obligation to provide indigent criminal defense and other mandated non-criminal legal services when the Public Defender or Alternate Defender declares a conflict of interest, or as directed by a judicial officer.

CONTRA COSTA COUNTY

Staff Report

File #: 25-2780 **Agenda Date:** 7/8/2025 **Agenda #:** C.24.

To: Board of Supervisors

From: Monica Nino, County Administrator

Report Title: Approve design contract for East County Service Center (ECSC) Project

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
AUTHORIZE the use of progressive design build procurement process for the East County Service Center (ECSC) Project; APPROVE and AUTHORIZE the County Administrator or designee to execute a contract with Webcor Construction L.P., a Delaware Limited Partnership, in an amount not to exceed $3,100,000 for preconstruction design and services for the ECSC Project in Brentwood, CA 94513; and AUTHORIZE the County Administrator, or designee, to approve final plans, specifications and design documents necessary to implement and construct the ECSC Project. (General Fund Capital Reserve 100%)

FISCAL IMPACT:
The ECSC Project is part of the 20-year Capital Facilities Master Plan approved by the Board of Supervisors in September 2022. The total project budget is currently estimated to be $130,000,000. The design and preconstruction contract is $3,100,000. The project will be funded through General Fund reserves, primarily from the General Fund Capital Reserve, with additional funds pulled from General Fund unassigned fund balance, or other sources, as needed.

BACKGROUND:
The Capital Facilities Master Plan, adopted by the Board of Supervisors on September 20, 2022, calls for the construction of service centers in the three main geographical regions, East, Central and West, of Contra Costa County. Based on the continued rapid population growth and a lack of existing County owned facilities in the area, the East County Service Center (ECSC) was approved as the first of these regional service centers to be constructed.

The project vision is to provide a new integrated County service center for the residents of East County; that is convenient, innovative, accessible and an anchor to the community; by offering a full range of public services in a flexible, safe, and welcoming environment. The County owns six vacant and undeveloped parcels located on Technology Way in the City of Brentwood. Since 2011 these parcels had been identified as a potential location for a regional service center. The County was also able to purchase an adjoining five-acre parcel to increase the project area.

With East County being identified as the fastest growing region, up 25% from 2010-2020 as compared to Central or West County, county residents in this region have the farthest to travel to access County services and often need to visit multiple facilities for these services. Additionally, East County is home to the second largest

population of County staff and has the lowest number of County facilities. East County constituents have been requesting closer and more accessible co-located departments to better serve the communities and constituents. County staff will also be served by the ECSC as it will provide many staff with a work location closer to their residence thereby reducing both commute times and vehicle miles traveled.

With the ECSC, the County hopes to better serve the County's population, increase utilization of real estate, and consolidate County facilities. This will be the first regional service center of its kind for the County, co-locating nine different County Departments in one location. This building will increase resource sharing and collaboration of services between departments to improve service delivery. Key departmental adjacencies will provide for safer public and social
support services and utilization of technology should support both constituents and County staff. The facility will also provide indoor and outdoor spaces for hosting public and community training, events, and the like, bringing life to the building and surrounding neighborhood, creating a true one-stop, all-inclusive service center.

The East County Service Center is envisioned to be a three-story, approximately 120,000 square foot structure, though the design may evolve during the preconstruction design and costing process. Utilizing the Progressive Design-Build delivery method, this project will consist of two phases, a design and costing phase and a construction phase. Today's action is the approval of the design and costing phase. This phase will last approximately six months. At the end of this phase, staff will return to the Board for the approval of the construction contract which will include both the final cost of construction as well as the approval of the overall total budget for the project.

The new County administrative building will house approximately 440 staff and provide services from the following departments:

1. Employment & Human Services Department
2. Contra Costa Health
3. District Attorney
4. Public Defender
5. Probation
6. Clerk Recorder & Registrar of Voters
7. Veteran Services
8. Board of Supervisors, District 3
9. Department of Information Technology

Final numbers of staff and the participating departments may change over the course of the design phase but are not expected to deviate significantly from the above.

Request for Qualifications process:

The Public Works Department released the Request for Qualification (RFQ) on March 17, 2025. The RFQ release was communicated to known contractors, advertised in the Daily Builder, and published in the Contra Costa Times. It was posted to the Public Works Department Plan Room which is accessed via link on the Contra Costa County website under the Public Works Department's Requests for Qualifications and Proposals page. The RFQ required the design-build teams to provide references from past projects. Specific questions requested information on quality of personnel and supervision, adherence to project schedule and budget. The

County received nine responses from Design-Build teams. The project construction management firm Vanir Construction Management, Inc. and three County staff from Public Works, a Deputy Director and two Capital Project Management staff reviewed the information submitted to determine responsiveness and select four teams to be shortlisted for the final selection process. In summary, the qualifications-based evaluation included the following:

1. Evaluation of essential requirements and experience with similar projects for each DBE Team entity, including the General Contractor, Architect, Core Subcontractors and Core Subconsultants
2. Project references
3. DBE's described project approach

The four shortlisted teams then each had two confidential meetings with County staff to help them prepare their final design phase cost and schedule submission. The teams then each had a final presentation and interview with a four-member County selection team. The selection team determined the proposal from Webcor Construction provided the best value to the County for the ECSC Project.

Webcor Construction's fee for the Preconstruction Phase is $3,018,689 (breakdown as follows):

1. Design Services $2,664,414
2. Design Contingency $61,282
3. Plans & Reports $45,295
4. Design Phase Management $247,698

The contractor will be required to enter into a Project Labor Agreement in connection with the services to be performed under the construction phase of the contract.

CONSEQUENCE OF NEGATIVE ACTION:
Failure to approve and award the design phase contract will delay the start of the ECSC Project and ultimately cost the County more money in cost escalation to construct at a future date.

1025 ESCOBAR STREET
MARTINEZ, CA 94553

CONTRA COSTA COUNTY

Staff Report

File #: 25-2651 **Agenda Date:** 7/8/2025 **Agenda #:** C.25.

To: Board of Supervisors

From: Diana Becton, District Attorney

Report Title: Purchase Order and Related Software License Agreement with Jurybox Technologies, LLC

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

---

RECOMMENDATIONS:

APPROVE and AUTHORIZE the Purchasing Agent or designee to execute, on behalf of the District Attorney, a purchase order and related license agreement with Jurybox Technologies, LLC in an amount not to exceed $3,990 for the usage of a digital evidence presentation and case management software, for the period July 1, 2025 through June 30, 2026.

FISCAL IMPACT:

Approval of this action will result in expenditures up to $3,990 which have been included in the Department's FY 25-26 Budget.

BACKGROUND:

The District Attorney's Office uses a digitization and case management software from Jurybox Technologies, LLC to enable prosecutors to organize, display, and annotate exhibits, videos, and other materials during trial. The software is used by District Attorney employees to enhance courtroom efficiency and support effective jury communication.

Approval of the Purchase Order and related Software License Agreement will allow the District Attorney's Office to continue using this tool in support of trail preparation and courtroom presentation. This Software License Agreement includes limitation of liability and indemnification under which the County agrees to hold Jurybox Technologies harmless from any claims arising out of the performance under this agreement.

CONSEQUENCE OF NEGATIVE ACTION:

Without executing the Purchase Order and related Software License Agreement with Jurybox Technologies, LLC, the District Attorney's Office cannot continue to digitize evidence presentation and manage cases effectively to improve courtroom efficiency and support effective jury communication.

To: **Board of Supervisors**

From: Marla Stuart, Employment and Human Services Director

Report Title: Revenue Agreement #29-492-3 (third amendment) with California Department of Aging

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
ADOPT a resolution to approve and authorize the Employment and Human Services Director, or designee, to execute an agreement amendment with the California Department of Aging, to increase the payment limit by $264,902 for a new total not to exceed $1,091,948 for the CalFresh Health Living Supplemental Nutrition Assistance Program - Education in Contra Costa County with no change to term.

FISCAL IMPACT:
$264,902 is 100% funded by Federal funds; all of which will be budgeted in FY 25-26 via Agreement CF-2223-07-A3

BACKGROUND:
Supplemental Nutrition Assistance Program - Education (SNAP-Ed) is part of the CalFresh Healthy Living Program in California which is funded by the U.S. Department of Agriculture to improve the health of low-income persons aged 60 and older by providing evidence-based nutrition education and obesity prevention services. The Area Agency on Aging (AAA), a division of the Employment and Human Services Department (EHSD), implements the program by contracting with a community-based agency to provide services directly to low-income older adults to improve nutritional health, disseminate nutrition education literature and information, and deliver evidence-based activities that improve health. Through this Agreement, low-income older adults in Contra Costa County can continue to receive SNAP-Ed services from October 1, 2022, through September 30, 2025. The original Agreement was approved by the board on November 1, 2022, C.24 for $585,201; the board approved a first amendment on June 13, 2023, C.94 for $16,543; a second amendment was approved on June 25, 2024, C.98 for $225,302. This action is to approve a third amendment to receive additional funds in the amount of $264,902 with no change to the term.

CONSEQUENCE OF NEGATIVE ACTION:
Should the proposed action not be approved by the Board of Supervisors, the County will not be able to provide additional nutritional health and obesity prevention education services for low-income older adults.

CHILDREN'S IMPACT STATEMENT
This Agreement supports one of Contra Costa County's community outcomes of the Children's Report Card (4) "Families that are Safe, Stable and Nurturing."

THE BOARD OF SUPERVISORS OF CONTRA COSTA COUNTY, CALIFORNIA

and for Special Districts, Agencies and Authorities Governed by the Board

IN THE MATTER OF Agreement Number CF-2223-07-A3 between the California Department of Aging and Contra Costa County.

WHEREAS, the Federal Supplemental Nutrition Assistance Program (SNAP), known as CalFresh Healthy Living in California, includes educational services (SNAP-Ed) to deliver evidence-based projects and interventions to assist lower-income individuals on a limited budget access healthy food, live healthier lives, and move towards self-sufficiency, and

WHEREAS the Agency on Aging division in the Employment and Human Services Department administers SNAP-Ed in Contra Costa County by subcontracting the program to a local agency to deliver services directly to eligible persons in the community, and

WHEREAS, on November 1, 2022, the Board of Supervisors adopted Resolution No. 2022-367 authorizing the Employment and Human Services Department Director to sign Agreement CF-2223-07 with the California Department of Aging for $585,201 to deliver SNAP-Ed services in Contra Costa County and provide residents aged 60 years and over an opportunity to participate in evidence-based nutrition education and obesity prevention programs, and

WHEREAS, through Agreement Number CF-2223-07-A1, the County's SNAP-Ed agreement with the California Department of Aging was amended to include a first round of additional funding in the amount of $16,543,

WHEREAS, through Agreement Number CF-2223-07-A2, the County's SNAP-Ed agreement with the California Department of Aging was amended to include a second round of additional funding in the amount of $225,302, and

WHEREAS, through Agreement Number CF-2223-07-A3, the County's SNAP-Ed agreement with the California Department of Aging is amended to include a third round of additional funding in the amount of $264,902 with no change to term October 1, 2022, through September 30, 2025.

NOW, THEREFORE, BE IT RESOLVED the Contra Costa County Board of Supervisors approve and authorize the Employment and Human Services Director, or designee, approved by County Counsel as to form, to sign Agreement Number CF-2223-07-A3 amending County's agreement with the California Department of Aging for SNAP-Ed and accept additional funds of $264,902 for a new agreement payment limit of $1,091,948.

To: Board of Supervisors

From: Marla Stuart, Employment and Human Services Director

Report Title: 40-568-0 Title IIIC-1 Interagency Agreements with City of Oakley

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:

APPROVE and AUTHORIZE the Employment and Human Services Director, or designee, to execute an interagency agreement with City of Oakley, to deliver the Older Americans Act Title IIIC-1 Congregate Meal Program services by hosting and coordinating the Area Agency on Aging's Café Costa meals site for which the County will receive net program income estimated at $2,400 for the period July 1, 2025 through June 30, 2026.

FISCAL IMPACT:

County to receive approximately $2,400 in voluntary contributions collected from Café Costa congregate meal program participants in FY 2025-2026.

BACKGROUND:

On June 4, 2024, the Board of Supervisors approved and authorized Consent Item C.40., allowing Employment and Human Services Director or designee to execute nine interagency agreements with Cities to deliver the Older Americans Act Title IIIC-1 Congregate Meal Program services by hosting and coordinating the Area Agency on Aging's Café Costa meal sites in an amount not to exceed $325,000 for the period July 1, 2024 through June 30, 2026. (100% Program Income).

The additional execution of an interagency agreement with City of Oakley will allow the city to deliver the Older Americans Act Title IIIC-1 Congregate Meal Program services by hosting and coordinating the Area Agency on Aging's Café Costa meals site in the East County location.

CONSEQUENCE OF NEGATIVE ACTION:

Should the proposed action not be approved by the Board of Supervisors, the County's Title IIIC-1 Congregate Meal services will not be delivered in East Contra Costa County.

CHILDREN'S IMPACT STATEMENT:

This Interagency Agreement supports one of Contra Costa County's community outcomes of the Children's

Report Card: (4) “Families that are Safe, Stable and Nurturing.”

From: Marla Stuart, Employment and Human Services Director

Report Title: Agreement 20-693-0 (Admin) Application Integration Between CalSAWS and Employment and Human Services Help Desk Ticketing System

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:

APPROVE and AUTHORIZE the Employment and Human Services Director, or designee, to execute an agreement with CalSAWS Consortium and Gainwell Technologies LLC, in an amount not to exceed $69,760 for services to create an interface to exchange help desk ticket information for the period July 1, 2025 through June 30, 2026.

FISCAL IMPACT:

100% State; all of which is budgeted in FY 25-26.

BACKGROUND:

The Employment and Human Services Department (EHSD) is in the process of implementing a best-in-class Help Desk Ticketing System using ServiceNow. CalSAWS also uses ServiceNow for its ticketing system. The purpose of this agreement is to create an Application Programming Interface (API) between EHSD's ServiceNow and CalSAWS that will eliminate the current process that manually inputs ticket information into CalSAWS ServiceNow. The API will reduce the six minutes it now takes to enter a ticket to less than a minute. The expected outcome is improved efficiency and accuracy of case ticket information.

CONSEQUENCE OF NEGATIVE ACTION:

EHSD staff will continue the process of manually entering ticket information into the CalSAWS ServiceNow ticketing system with increased inefficiency and incorrect case ticket information.

CHILDREN'S IMPACT STATEMENT:

This agreement supports all five community outcomes established in the Children's Report Card: 1) "Children Ready for and Succeeding in School"; 2) "Children and Youth Healthy and Preparing for Productive Adulthood"; 3) "Families that are Economically Self Sufficient"; 4) Families that are Safe, Stable and Nurturing"; and 5) "Communities that are Safe and Provide a High Quality of Life for Children and Families,"

by supporting staff working directly with families and children.

Report Title: Approve Interagency Agreement # 18-503-0 (WDB) with Contra Costa County Office of Education for Workforce Development Youth Services

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Employment and Human Services Director, or designee, to execute an interagency agreement with Contra Costa County Office of Education in an amount not to exceed $832,000 to provide Workforce Innovation and Opportunity Act (WIOA) Year-Round Youth Workforce Development Services in East and West Contra Costa County for the period July 1, 2025 through June 30, 2026.

FISCAL IMPACT:
Funded with 100% Federal WIOA Youth grant revenues (AL #17.259), all of which is budgeted in FY 25-26.

BACKGROUND:
This agreement was awarded through Request for Proposal #1218 for the provision of comprehensive Workforce Innovation and Opportunity Act Youth Development Services to eligible youth ages 16-24 in Contra Costa County.

Contra Costa County Office of Education will provide a systematic approach that offers eligible in-school and out-of-school youth a broad range of coordinated services. This includes assistance in academic and occupational learning; development of leadership skills; and preparation for further education, additional training, and eventual employment. Programs will provide guidance for youth that is balanced with appropriate consideration of each youth's involvement in his or her training and educational plan.

CONSEQUENCE OF NEGATIVE ACTION:
If not approved, in-school and out-of-school youth in East and West Contra Costa County will not receive assistance in overcoming barriers to employment, job readiness, educational programs, and career building.

CHILDREN'S IMPACT STATEMENT:
The services provided under this agreement support all five of Contra Costa County's community outcomes: (1) "Children Ready for and Succeeding in School"; (2) "Children and Youth Healthy and Preparing for Productive Adulthood"; (3)"Families that are Economically Self-Sufficient"; (4) "Families that are Safe, Stable and Nurturing"; and (5)"Communities that are Safe and Provide a High Quality of Life for Children and Families" by providing training and employment opportunities for in-school and out-of-school youth.

From: Marla Stuart, Employment and Human Services Director

Report Title: Approve Interagency Agreement #18-499-0 (WDB) with Mount Diablo Unified School District for Workforce Development Youth Services

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Employment and Human Services Director, or designee, to execute an agreement with Mount Diablo Unified School District in an amount not to exceed $400,025 to provide Workforce Innovation and Opportunity Act (WIOA) Year-Round Youth Workforce Development Services in Central Contra Costa County for the period July 1, 2025 through June 30, 2026.

FISCAL IMPACT:
Funded with 100% Federal WIOA Youth grant revenues (AL #17.259), all of which is budgeted in FY 25-26.

BACKGROUND:
An award was given to Mt. Diablo Unified School District (MDUSD) through the Request for Proposal (RFP) #1218 for the provision of comprehensive Workforce Innovation and Opportunity Act (WIOA) Youth Development Services to eligible youth ages 16-24 in Contra Costa County. This is the initial award from the RFP.

WIOA defines the nation's job training systems and provides guidance for local workforce development systems designed to increase employment, retention and earnings of participants, and to increase occupational skill attainment by participants. The goals of these efforts are to improve the quality of the workforce, reduce welfare dependency, and enhance productivity and competitiveness of the nation's workforce.

MDUSD will provide eligible in-school and out-of-school youth a broad range of coordinated services. This includes assistance in academic and occupational learning; development of leadership skills; preparation for further education, additional training and eventual employment.

CONSEQUENCE OF NEGATIVE ACTION:
Without this agreement, in-school and out-of-school youth in Central Contra Costa County will not receive assistance in overcoming barriers to employment, job readiness, educational programs and career building.

CHILDREN'S IMPACT STATEMENT:
The services provided under this agreement support all five of Contra Costa County's community outcomes of the Children's Report Card: (1) "Children Ready for and Succeeding in School"; (2) "Children Youth Healthy and Preparing for Productive Adulthood"; (3) "Families that are Economically Self-Sufficient"; (4) "Families

that are Safe, Stable, and Nurturing"; and (5) "Communities that are Safe and Provide a High Quality of Life for Children and Families."

To: Board of Supervisors

From: Marla Stuart, Employment and Human Services Director

Report Title: Contract # 20-695-0 Phamatech, Incorporated (CFS)

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Employment and Human Services Director, or designee, to execute a contract with Phamatech, Incorporated, in an amount not to exceed $1,191,050 to provide court mandated substance abuse testing and related services for Contra Costa County Child Welfare cases for the period July 1, 2025 through June 30, 2028.

FISCAL IMPACT:
100% State funded, of which $377,811 is budgeted in FY 25-26, $396,702 will be budgeted in FY 26-27, and $416,537 will be budgeted in FY 27-28.

BACKGROUND:
Substance abuse can indicate a significant risk of abuse and/or neglect toward any children under the care of the addicted individual. When such a risk is identified, individuals receiving services through Employment and Human Services Department (EHSD) Children and Family Services (CFS) child welfare are required to drug test in order to assure compliance with treatment plans and/or court orders. This Staff Report requests approval to execute a contract for the period July 1, 2025 through June 30, 2028, resulting from Request for Proposal 1214, to provide court mandated substance abuse testing and related services for Contra Cost County child welfare cases.

In October 2024, in alignment with County policy, EHSD CFS issued Request for Proposal #1214, seeking organizations to provide substance abuse testing and related services to EHSD CFS clients. Phamatech, Incorporated (Contractor) is the incumbent provider and was the only qualified vendor to respond. If approved, Contractor will deliver randomized scheduled drug testing, ensure the availability of specimen collection sites, screen test specimens, provide test results, provide “on-demand” sample testing when requested by CFS, and provide monthly statistics and reports to CFS for clients referred for drug testing. Laboratory results are submitted for inclusion in Child Welfare dependency, Family Reunification and Family Maintenance case files.

The Board of Supervisors approved recent prior contracts and amendments for substance abuse testing and supportive services with Phamatech, Incorporated on May 14, 2024 (C.48) for FY 24/25; July 26, 2022 (C.77) for FY 22/24 (amendment); and May 24, 2022 (C.55) for FY 22/24).

CONSEQUENCE OF NEGATIVE ACTION:

County will not be in compliance with mandated court-ordered substance abuse testing requirements for child welfare clients.

CHILDREN'S IMPACT STATEMENT
This contract supports one of Contra Costa County's community outcomes of the Children's Report Card (4) "Families that are Safe, Stable and Nurturing".

Report Title: 20-548-1 (Admin-IT) Global Orphan Project - Care Portal Platform PO

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:

APPROVE and AUTHORIZE the Purchasing Agent, or designee, to execute on behalf of the Employment and Human Services Director, a purchase order and related agreement with The Global Orphan Project, Inc., in an amount not to exceed $75,000 for the purchase of CarePortal, a web based, secure database platform for the period May 1, 2025 through April 30, 2028.

FISCAL IMPACT:

$75,000 - 54% Federal, 38% State, 8% County General Fund; of which $25,000 is budgeted in FY24/25, $25,000 is budgeted in FY 25/26, and the remaining $25,000 will be budgeted in FY26/27.

BACKGROUND:

The Employment and Human Services Department (EHSD), specifically the Children and Family Services (CFS) Bureau seeks to renew the CarePortal, a web-based, secure database platform provided by Global Orphan Project, Inc. (GOPI), to request the fulfillment of specific basic needs for foster youth and caregivers. CarePortal is used to request physical contributions of each good or service to stabilize the home of the child and family. EHSD CFS has the need for a mechanism or platform to connect the specific basic needs of its foster youth and caregivers to the community members (churches, agencies, businesses, and community leaders) that want to help fulfill those needs. This purchase order includes an Access and Use Agreement that includes a limitation of liability clause. The Board initially approved this purchase order on August 13, 2024 (C.36). This vendor was selected per procurement requirements outlined in Administrative Bulletin 600.3.

CONSEQUENCE OF NEGATIVE ACTION:

The County will be limited in facilitating care connections and distribution of content through the platform as well as providing various reporting and analytics services to the public.

CHILDREN'S IMPACT STATEMENT:

This purchase order supports all five of the community outcomes established in the Children's Report Card: (1) "Children Ready for and Succeeding in School"; (2) "Children and Youth Healthy and Preparing for Productive Adulthood";(3) "Families that are Economically Self-Sufficient"; (4) "Families that are Safe, Stable and Nurturing"; and (5) "Communities that are Safe and Provide a High Quality of Life for Children and Families," by supporting staff working directly with families and children.

Report Title: Contract renewal # 20-578-1 Seneca Family of Agencies

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:

APPROVE and AUTHORIZE the Employment and Human Services Director, or designee, to execute a contract with Seneca Family of Agencies, in an amount not to exceed $852,644 to provide wraparound services to youth for the period July 1, 2025 through June 30, 2026.

FISCAL IMPACT:

$852,644 - 68% State, 30 % County General Fund, 2% Federal; all of which is budgeted in FY 25-26.

BACKGROUND:

On July 23, 2024, the Board approved item C.35 authorizing a contract with Seneca Family of Agencies for the term July 1, 2024 to June 30, 2025. This contract will renew the prior approved contract for the term July 1, 2025 to June 30, 2026 to provide wraparound services, alternatives to group home care through expanded family-based services, for youth living with their birth parent, relative, foster parent or guardian.

The Employment and Human Services Department (EHSD), Children and Family Services (CFS) Bureau selected Seneca Family of Agencies (Contractor) from the competitive procurement Request for Proposal (RFP) #1207 in April 2024.

Recent previous agreements for these services with Seneca Family of Agencies were authorized by the Board of Supervisors on May 9, 2023 (C.37) for FY23/24 contract; June 21, 2022 (C. 127) for FY22/23 contract; and June 22, 2021 (C.128) for FY21/22 contract all resulting from RFP 1176.

Contractor will operate a community-based intervention program that provides children with service alternatives to group home care through expanded family-based services. These wraparound services will be provided to children living with their birth parent, relative, foster parent or guardian. These services build on the strengths of each child and family and are tailored to address their unique and changing needs.

CONSEQUENCE OF NEGATIVE ACTION:

Should the proposed action not be approved by the Board of Supervisors, at-risk youth in restrictive group home settings will have fewer opportunities to transition into family-based services and at-risk youth in home settings will have less family-based services which support them remaining in a home setting.

CHILDREN'S IMPACT STATEMENT:

This contract supports all of Contra Costa County's community outcomes of the Children's Report Card", (1) "Children Ready for and Succeeding in School"; (2) "Children and Youth Healthy and Preparing for Productive Adulthood"; (3) "Families that are Economically Self-Sufficient"; (4) "Families that are Safe, Stable and Nurturing"; and (5) "Communities that are Safe and Provide a High Quality of Life for Children and Families".

Report Title: Contract amendment #40-487-4 (AAS) with Meals on Wheels Diablo Region for nutrition services

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Employment and Human Services Director, or designee, to execute a contract amendment with Meals on Wheels Diablo Region, to increase the payment limit by $239,434 to a new amount not to exceed $516,381, to provide additional Supplemental Nutrition Assistance Program - Education nutrition services, with no change to term October 1, 2024 through September 30, 2025

FISCAL IMPACT:
$239,434 Funded 100% by Federal funds, all of which is budgeted in FY 25/26.

BACKGROUND:
Meals on Wheels Diablo Region provides evidence-based SNAP-Ed nutrition education and obesity prevention services to low-income older adults, age 60 or older, at eligible sites. On September 24, 2024 the Board approved consent item C.52, with Meals on Wheels Diablo Region in an amount not to exceed $276,947, for the provision of Supplemental Nutrition Assistance Program - Education (SNAP-Ed) nutrition services for eligible Contra Costa County recipients for the period October 1, 2024 through September 30, 2025. This action is to provide additional funds of $239,434 for the provision of the CalFresh Healthy Living SNAP-Ed program. This contract conforms to procurement guidelines outlined in Administrative Bulletin 600.3.

CONSEQUENCE OF NEGATIVE ACTION:
Should the proposed action not be approved by the Board of Supervisors, the CalFresh Healthy Living SNAP-Ed program will not be delivered in Contra Costa County.

CHILDREN'S IMPACT STATEMENT:
This contract supports the fourth community outcome of Contra Costa County's Children's Report Card: (4) "Families that are Safe, Stable and Nurturing".

Report Title: 20-691-0 (Admin-IT) Oracle Licenses with Mythics, LLC dba Mythics VIII, LLC

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:

APPROVE and AUTHORIZE the Purchasing Agent, or designee, to execute on behalf of the Employment and Human Services Director a purchase order with Mythics, LLC (dba Mythics VIII, LLC), pursuant to the October 22, 2024, Participating Addendum between the County and Mythics for the renewal of the Oracle software support in an amount not to exceed $268,085 for the period May 16, 2025 through May 15, 2028.

FISCAL IMPACT:

$268,085 - 54% Federal, 38% State, 8% County General Fund; of which $89,361.68 is budgeted in FY24/25, $89,361.68 is budgeted in FY25/26 and $89,361.64 will be budgeted in FY26/27.

BACKGROUND:

The Employment and Human Services Department (EHSD) seeks to renew licensing for Oracle Database Enterprise Edition through Mythics LLC, an authorized Oracle integrator and reseller, that is used for Management Reporting by Child and Family Services and Workforce Services. This enables EHSD to keep the database system used for CalSAWS and CWS/CMS data warehouse up to date, in operation, and secure against hacking and malware. This purchase order is pursuant to the Participating Addendum dated October 22, 2024, between the County and Mythics.

CONSEQUENCE OF NEGATIVE ACTION:

The County will be unable to maintain CalSAWS data warehouse, keeping it current, in operation, and protected against hacking and malware.

CHILDREN'S IMPACT STATEMENT:

This purchase order supports all five of the community outcomes established in the Children's Report Card: (1) "Children Ready for and Succeeding in School"; (2) "Children and Youth Healthy and Preparing for Productive Adulthood";(3) "Families that are Economically Self-Sufficient"; (4) "Families that are Safe, Stable and Nurturing"; and (5) "Communities that are Safe and Provide a High Quality of Life for Children and Families,"

Report Title: #20-574-1 Community Violence Solutions Renewal

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:

APPROVE and AUTHORIZE the Employment and Human Services Director, or designee, to execute a contract with Community Violence Solutions in an amount not to exceed $560,130 to provide prevention and intervention services for survivors of interpersonal violence in Contra Costa County for the period July 1, 2025 through June 30, 2027.

FISCAL IMPACT:

$560,130, 100% County; of which $280,065 (50%) is budgeted in FY 25-26 and $280,065 (50%) will be budgeted in FY 26-27.

BACKGROUND:

The Employment and Human Services Department engaged in an RFP solicitation for FY 24/25 and selected Community Violence Solutions (CVS) to provide comprehensive interpersonal violence prevention and intervention services for survivors of sexual assault and human trafficking in Contra Costa County. CVS provides 24/7 crisis support as well as advocacy services for such survivors. CVS also provides healthy relationship workshops to students and adults in Contra Costa County to prevent and interrupt the cycle of dating violence and interpersonal violence.

On September 10, 2024, the Board approved Consent Item C.50. authorizing a contract with CVS for the term July 1, 2024 through June 30, 2025, for an amount not to exceed $280,065. This renewal is for the period July 1, 2025 through June 30, 2027, for an amount not to exceed $560,130 ($280,065 per fiscal year).

CONSEQUENCE OF NEGATIVE ACTION:

Should the proposed action not be approved by the Board of Supervisors, the County will not be able to provide crisis support, advocacy or prevention services to survivors of interpersonal violence.

CHILDREN'S IMPACT STATEMENT:

This contract supports all of Contra Costa County's community outcomes of the Children's Report Card", (1) "Children Ready for and Succeeding in School"; (2) "Children and Youth Healthy and Preparing for Productive Adulthood"; (3) "Families that are Economically Self-Sufficient"; (4) "Families that are Safe, Stable and Nurturing"; and (5) "Communities that are Safe and Provide a High Quality of Life for Children and Families."

To: Board of Supervisors

From: Marla Stuart, Employment and Human Services Director

Report Title: Contract # 20-099-10 (CFS) Contract Renewal with Aspiranet

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:

APPROVE and AUTHORIZE the Employment and Human Services Director, or designee, to execute a contract with Aspiranet in an amount not to exceed $2,910,813, to provide emergency shelter receiving center services for children taken into protective custody or transitioning through foster placements for the period July 1, 2025 through June 30, 2026.

FISCAL IMPACT:

70% 2011 State Realignment and 30% County General funds, all of which is budgeted in FY 25-26.

BACKGROUND:

The Receiving Centers serve as the hub of the Employment and Human Services Department (EHSD) Children and Family Services (CFS) emergency shelter system. Aspiranet provides temporary care at the Receiving Centers to children who have been taken into protective custody and children and youth who are transitioning into resource family (foster) placements. The Receiving Centers offer a homelike setting and are designed to promote stability in placement, focus on the needs of the individual child, minimize move, and support permanence at the early stages of EHSD intervention.

Recent contracts and amendments for these services with the contractor were previously approved by the Board of Supervisors on June 25, 2024 (C.75) for FY 23/25 (amendment), May 16, 2023 (C.40) for FY 23/24, June 21, 2022 (C.89) for FY 22/23, and on June 22, 2021 (C.96) for FY 21/22.

This vendor was selected per procurement requirements outlined in Administrative Bulletin 600.3.

CONSEQUENCE OF NEGATIVE ACTION:

County will not have emergency temporary shelter locations with sufficient, qualified staffing nor availability to temporarily care for children taken into protective custody.

CHILDREN'S IMPACT STATEMENT:

This contract supports all five community outcomes established in the Children's Report Card: 1) "Children Ready for and Succeeding in School"; 2) "Children and Youth Healthy and Preparing for Productive Adulthood"; 3) "Families that are Economically Self Sufficient"; 4) Families that are Safe, Stable and Nurturing"; and 5) "Communities that are Safe and Provide a High Quality of Life for Children and Families," by providing a temporary homelike environment for children entering and within the Child Welfare System.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:

APPROVE and AUTHORIZE the Auditor-Controller, or designee, to pay up to eleven In-Home Supportive Services Public Authority Advisory Council members, $24 per meeting for 21 meetings in the fiscal year 2025-2026 starting July 1, 2025 through June 30, 2026, for a total cost not to exceed $5,550 in stipends, to defray meeting attendance costs, as recommended by the Employment and Human Services Director.

FISCAL IMPACT:

50% Federal, 47% State, 3% County funds; all of which is budgeted in FY 25-26.

BACKGROUND:

The Contra Costa County Board of Supervisors' Ordinance No. 2001-7, Division 55-2.210 established the In-Home Supportive Services (IHSS) Public Authority Advisory Committee. The primary role of IHSS Public Authority Committee is to serve in an advisory capacity to the Public Authority Governing Board (Board of Supervisors), Public Authority staff, and the administrators of IHSS.

The IHSS Public Authority Advisory Council members receive $24 stipends to attend Advisory Council meetings, paid through the Auditor-Controller's office to defray attendance costs of members. The action is recommended by the IHSS Public Authority Advisory Board. Stipends are acceptable Advisory Committee expenditures as outlined in County Fiscal Letter 08/09-10 published by the California Department of Social Services on August 8, 2008. The IHSS Public Authority receives an annual allocation every year to cover the costs of IHSS Public Authority Advisory Committee. The federal and state governments reimburse the expenses quarterly through an established claiming process.

Previous stipends have been authorized by the Board of Supervisors on September 10, 2024 for FY 2024-25 (C.43) and on May 23, 2023 for FY 2023-24 (C.82).

CHILDREN'S IMPACT STATEMENT:

This action supports two of Contra Costa County's community outcomes: (1)"Families that are Economically Self-Sufficient" and (4) "Families that are Safe, Stable and Nurturing".

CONSEQUENCE OF NEGATIVE ACTION:

Without stipends, meeting costs may be prohibitive for Advisory Council members.

Staff Report

File #: 25-2664 **Agenda Date:** 7/8/2025 **Agenda #:** C.39.

To: Board of Supervisors

From: Marla Stuart, Employment and Human Services Director

Report Title: CSB - Contract #38-364-7 One Solution Technology, Inc.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:

APPROVE and AUTHORIZE the Employment and Human Services Director, or designee, to execute a Software and Services Agreement amendment with One Solution Technology, Inc., to increase the payment limit by $484,000 to a new payment limit not to exceed $2,738,400 and extend the term through June 30, 2026, to provide Child Location Observation Utilization Data System software for managing the child and family data management at the County's childcare centers.

FISCAL IMPACT:

68% State, 32% Federal, all of which is budgeted in FY 25-26.

BACKGROUND:

On April 20, 2021, the Board approved a Software and Services Agreement with One Solution Technology, Inc. to provide the Child Location Observation Utilization Data System (CLOUDS) software for managing the child family eligibility determination, enrollment, assessment data, and attendance management solutions with a term of July 1, 2021 through June 30, 2024 and a total payment limit not to exceed $1,584,000. On April 9, 2024, the Board approved item C.45 authorizing an amendment to increase the payment limit by $65,000 to a new payment limit not to exceed $1,649,000 for additional voice message services and short message services with no change to the period July 1, 2021 through June 30, 2024. On June 25, 2024, the Board approved item C.98 to execute an amendment to increase the payment limit by $605,400 to a new payment limit not exceeding $2,254,400 and to extend the term though June 30, 2025. Approval of this action is to amend the agreement by increasing the payment limit by $484,000 to a new payment limit of $2,738,400 and to extend the term through June 30, 2026.

The Employment and Human Services Department (EHSD) is requesting to extend the current child data management system agreement, CLOUDS, from One Solution Technology Inc., for childcare services to continue without interruptions. EHSD is currently in the process of transitioning into a new child data management system that was selected in a public bid announcement. The projected timeline for the new system to begin operation will take place at the beginning of 2026. Additionally, with this extension the County will have the opportunity to migrate data from the current data management system to the new system.

CHILDREN'S IMPACT STATEMENT:

This agreement supports all five of the community outcomes established in the Children's Report Card: (1) "Children Ready for and Succeeding in School"; (2) "Children and Youth Healthy and Preparing for Productive Adulthood";(3)"Families that are Economically Self-Sufficient"; (4) "Families that are Safe, Stable and Nurturing"; and (5) "Communities that are Safe and Provide a High Quality of Life for Children and Families," by supporting staff working directly with families and children.

CONSEQUENCE OF NEGATIVE ACTION:

The County would not effectively administer these childcare programs without a childcare data management system in place.

Report Title: WFS - Contract 19-931-10 Food Bank of Contra Costa and Solano

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:

APPROVE and AUTHORIZE the Employment and Human Services Director, or designee, to execute a contract with Food Bank of Contra Costa and Solano, in an amount not to exceed $675,000 for the provision of CalFresh application assistance and Countywide outreach services for the period July 1, 2025 through June 30, 2030.

FISCAL IMPACT:

50% Federal, 35% State, 15% County General Fund, of which 20% is budgeted in FY 25-26, 20% will be budgeted in FY 26-27, 20% will be budgeted in FY 27-28, 20% will be budgeted in FY 28-29, and 20% will be budgeted in FY 29-30.

BACKGROUND:

Food Bank of Contra Costa and Solano (Contractor) was selected to provide CalFresh program outreach services to Contra Costa County residents for the Employment and Human Services Department (EHSD).

On May 23, 2023, the Board approved item C.34 to execute a contract renewal for the term July 1, 2023 through June 30, 2025. This action is to renew the contract for a new term July 1, 2025 through June 30, 2030.

This Contract will meet the intent of increasing CalFresh participation rates through the services the Food Bank of Contra Costa and Solano will provide. Contractor will provide assistance to CalFresh applicants by maintaining CalFresh Outreach Workers who will support members of the community in the process of applying for CalFresh benefits. Contractor will meet with Employment and Human Services Department to identify ways to increase the percentage of applications approved. The Contractor will develop CalFresh outreach materials for education and awareness of the program.

CHILDREN'S IMPACT STATEMENT:

This contract supports three of the Contra Costa County community outcomes: (2) Children and Youth Healthy and Preparing for Productive Adulthood; (4) Families that are Safe, Stable and Nurturing; and (5) Communities

that are Safe and Provide a High Quality of Life for Children and Families.

CONSEQUENCE OF NEGATIVE ACTION:

The County will be unable to provide CalFresh application assistance, CalFresh outreach and educational material to our vulnerable communities that may not be aware of the CalFresh program.

Report Title: WDB - Contract #20-517-3 Apply for and Accept a High Road Training Partnership Implementation Grant from the California Workforce Development Board

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:

RATIFY the High Road Training Partnership Implementation grant application, and APPROVE and AUTHORIZE the Employment and Human Services Director, or designee, to accept funding in an amount not to exceed $1,800,000, and execute a grant award agreement, including any amendments or extensions thereof, pursuant to the grant guidelines, with the California Workforce Development Board for the period July 1, 2025 through June 30, 2027.

FISCAL IMPACT:

100% State Funds; 50% will be budgeted in FY 25-26, and 50% will be budgeted in FY 26-27, subject to final award and appropriations.

BACKGROUND:

The High Road Training Partnership (HRTP) Initiative, administered by the California Workforce Development Board (CWDB), promotes equity, job quality, and sustainability through industry-based workforce partnerships.

The Workforce Development Board of Contra Costa County (WDBCCC) has successfully participated in earlier phases of this initiative. HRTP1 supported the launch of a healthcare training model focused on expanding access to emergency medical technician pathways for underserved communities. HRTP2 provided planning funds to identify regional training needs, strengthen sector partnerships, and design strategies to elevate frontline healthcare roles.

The proposed HRTP3 Implementation Grant builds on this foundation by funding a County-led effort to upskill 60 incumbent Medical Assistants working in community clinics. The program will deliver training in behavioral health, prenatal care, digital equity, and clinic operations, supporting advancement from MA1 to MA2/MA3. The initiative is designed to improve job quality, wage mobility, and retention among frontline healthcare workers, many of whom come from historically under-represented communities.

This effort strongly aligns WDBCCC's Local Plan priorities by:

- Connecting job seekers to sustainable wage opportunities.
- Prioritizing investments in earn-and-learn models and long-term career development.
- Promoting equity through targeted training reflecting the needs and makeup of our communities.
- Strengthening healthcare sector partnerships to close gaps between high- and low-skilled labor.

The County was selected to move forward through a competitive pre-application screening process conducted by CWDB and is now invited to submit a full application. The final application is due by July 3, 2025, at 5:00 PM (PST). Timely Board approval will authorize EHSD to submit and manage the application and any resulting revenue agreement.
Key project partners include LifeLong Medical, SEIU, and the Alameda County Consortium of Clinics.

CHILDREN'S IMPACT STATEMENT:
The services provided under this Agreement support all five of Contra Costa County's community outcomes: (1) "Children Ready for and Succeeding School"; (2) "Children and Youth Healthy and Preparing for Productive Adulthood"; (3) "Families that are Economically Self-Sufficient"; (4) "Families that are Safe, Stable and Nurturing"; and (5) "Communities that are Safe and Provide a High Quality of Life for Children and Families" by providing training and employment opportunities for in-school and out-of-school youth.

CONSEQUENCE OF NEGATIVE ACTION:

County will forfeit access to HRTP3 funds, jeopardizing years of strategic planning, sector engagement, and partnership development advanced through HRTP1 and HRTP2. This would disrupt efforts to upskill frontline healthcare workers, limit service improvements in safety-net clinics, and diminish the County's ability to attract future state investments in equitable workforce development.

Report Title: Financial Support for Healthcare Literacy Council

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
Acting as the governing board for the Contra Costa County Fire Protection District (District), APPROVE and AUTHORIZE the Fire Chief or his designee to transfer $500,000 from the Fire District Emergency Ambulance Transport Fund to the Health Services Department in support of the Healthcare Literacy Council initiative.

FISCAL IMPACT:
The District's Emergency Ambulance Transport Fund has sufficient revenue in FY 2024-25 to support this initiative and is therefore providing transparency in its intent to support and transfer funding from the Ambulance Transport Fund to the Health Services Department as the lead agency for this initiative. Health Services will be responsible for carrying forward this funding into FY 2025-26 and any future fiscal years where expenditures are anticipated.

BACKGROUND:
A new initiative to reduce demand and impact on emergency departments, the 911 system, and emergency ambulance services was recently launched in combination with Contra Costa Health, Contra Costa County, and Kaiser Permanente. The goal of this three-year program is to improve community health outcomes by increasing healthcare literacy. The pilot phase of the campaign will focus on reaching the incorporated and unincorporated communities of Antioch, Bethel Island, Brentwood, Byron, Discovery Bay, Knightsen, and Oakley with healthcare literacy information and outreach. The program will be expanded to the remainder of the county at a later date. Through education, community engagement and community partnerships, the initiative aims to empower residents to navigate the healthcare system to obtain the services they need, where they need them, without relying on the emergency health systems as a primary means of obtaining care.

The funds from the District will help to support this pilot program with the goal of reducing service demand on the emergency department and 911 response systems for non-emergency healthcare needs and increase the use of appropriate care resources through education, outreach, and collaboration between the founding members of the council.

CONSEQUENCE OF NEGATIVE ACTION:
The District would not be in a position to support this important healthcare service initiative.

Report Title: Deccan International - Contract Payment Increase

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
Acting as the governing board of the Contra Costa County Fire Protection District, APPROVE and AUTHORIZE the Fire Chief, or designee, to execute a contract amendment with Deccan International to increase the payment limit by $301,036 to a new payment limit of $376,295 for ongoing support of dispatch move-up software, including LiveMUM, as well as support for additional units, such as ambulances.

FISCAL IMPACT:
Budgeted. 100% CCCFPD General Operating Fund.

BACKGROUND:
Deccan International currently provides essential support to the Contra Costa Fire Protection District through its software solutions, including ADAM, BARB, LiveMUM, and DIVA. The proposed payment increase to the existing contract is necessary to cover the current overdue invoice and future service needs, ensuring that the Fire District can maintain operational efficiency and effectiveness in its dispatch and emergency response capabilities.

CONSEQUENCE OF NEGATIVE ACTION:
If this request is not approved, service and support from Deccan will be interrupted.

Report Title: East Bay Tire - Service Contract

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
Acting as the governing board of the Contra Costa County Fire Protection District, APPROVE and AUTHORIZE the Fire Chief or designee, to execute a contract with East Bay Tire Co. in an amount not to exceed $750,000 for mobile roadside tire and wheel repair, tire exchange, regular maintenance, repairs, emergency tire needs, and installation services for the period January 1, 2025 through December 31, 2029, with options for two additional one-year extensions.

FISCAL IMPACT:
Budgeted. 100% CCCFPD General Operating Fund

BACKGROUND:
The Contra Costa County Fire Protection District prioritizes the regular maintenance of its emergency vehicles, with tire upkeep being a critical component. East Bay Tire Company provides mobile roadside tire services, including repair, replacement, and installation, specifically for the Contra Costa County Fire Protection District.

East Bay Tire Company has established a vital partnership with the Fire District, ensuring timely responses while firefighters are engaged in incident calls, both during regular hours and after hours, including holidays and weekends. This collaboration is essential for the safety of personnel on-site and the communities served by the Fire District.

Currently, the Fire District holds a blanket purchase order with East Bay Tire as the sole provider of tires. The District seeks to expand this relationship by including a services contract to cover all tire-related repairs-emergency and routine-across its fleet of passenger SUVs, light-duty and heavy-duty fire rigs, as well as off-road vehicles. Services will include, but are not limited to:

- Wheel alignments
- Tire mounting and balancing
- Field repairs of heavy equipment
- Replacement of tires and wheels on off-road equipment and heavy-duty trucks

The Fire District is requesting that the Board approve a service contract with East Bay Tire Company for $750,000 over a four-year period, with options for two additional one-year extensions.

CONSEQUENCE OF NEGATIVE ACTION:
If this contract is not approved, the Fire District may face delays in tire maintenance and emergency services, potentially compromising operational readiness and the safety of personnel and the communities served.

Report Title: Blanket Purchase Order - Bound Tree Medical, LLC.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
Acting as the governing board of the Contra Costa County Fire Protection District, APPROVE and AUTHORIZE the Purchasing Agent, or designee, to execute, on behalf of the Fire Chief, a blanket purchase order with Bound Tree Medical, LLC, in an amount not to exceed $350,000, for pre-hospital emergency medical supplies, first aid supplies, equipment, and pharmaceuticals for the period January 1, 2026, through December 31, 2026 using the Interlocal Participation Agreement with the BuyBoard National Purchasing Cooperative.

FISCAL IMPACT:
100% CCCFPD General Operating Fund

BACKGROUND:
The Contra Costa County Fire Protection District (District) strives to provide timely and efficient first responder emergency medical services (EMS) to residents within the District and to persons who visit, do business in, or travel through its jurisdiction.

The spectrum of EMS responses encompasses an emergency response to single and multi-family homes for people suffering from a medical condition, a vehicle accident requiring patient extrication, a complex technical rescue of a person on a remote hillside, a mass casualty incident involving many patients needing immediate care, and more. To successfully carry out our EMS mission, the District must maintain pre-hospital emergency medical supplies, first aid supplies, equipment, and pharmaceuticals. These are necessary components for protecting public health, safety, and the welfare of District residents, businesses, and visitors.

CONSEQUENCE OF NEGATIVE ACTION:
If this action is not approved, the Fire District will not be able to procure the necessary pre-hospital emergency medical supplies, first aid supplies, equipment, and pharmaceuticals within the desired timeframe, which would affect operational efficiency and could potentially disrupt the District's operations. In addition, the District would not be able to use this purchasing cooperative for any purchases, which may result in increased purchase costs.

Report Title: HERE North America - Service Agreement

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
Acting as the governing board for the Contra Costa County Fire Protection District, APPROVE and AUTHORIZE the Fire Chief, or designee, to execute a service agreement with HERE North America, LLC (HERE) in an amount not to exceed $97,750 for mapping licensing, subject to the terms of HERE's General and Supplemental Licensing Agreements, for the period June 1, 2025 through May 31, 2028.

FISCAL IMPACT:
Budgeted. 100% CCCFPD General Operating Fund.

BACKGROUND:
The Contra Costa County Fire Protection District (CCCFPD) currently manages address and street routing data through a manual process, relying on submissions from individual cities, fire districts, and other local jurisdictions. While this decentralized approach allows for local input, it also introduces inconsistencies in formatting, update frequency, and data standards across agencies.

These inconsistencies often lead to inaccurate address locations, outdated road network information, and routing errors. Such issues can impair CCCFPD's ability to make accurate unit recommendations during emergency dispatches, potentially delaying response times and misallocating resources. Moreover, reconciling this fragmented data manually is labor-intensive and increases the likelihood of errors or missed updates to critical geographic information.

To mitigate these challenges and improve dispatch accuracy, CCCFPD staff evaluated centralized solutions and identified HERE North America, LLC as a leading provider of reliable, high-resolution geographic data. HERE offers validated address points, up-to-date road centerlines, and advanced routing intelligence, which can be seamlessly integrated into CCCFPD's GIS and dispatch systems.

The District will use HERE's data exclusively to enhance unit recommendations, supporting faster and more accurate emergency response while maintaining local control over broader GIS operations. This initiative supports CCCFPD's strategic goals of operational excellence, improved service delivery, and modernized data infrastructure.

The HERE General and Supplemental License Agreements contain an indemnification provision from the

County to HERE and a limitation of HERE's liability, which is capped at twenty-four (24) months of fees paid to HERE by the County. This purchase is being justified via sole source.

CONSEQUENCE OF NEGATIVE ACTION:
If this Agreement is not approved, the result would be continued reliance on manual data management processes, perpetuating inefficiencies and risking delays in emergency response due to outdated or inconsistent data.

Report Title: 2025 Better Together Nature Positive Innovation Grant

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:

Acting as the governing board of the Contra Costa County Fire Protection District, APPROVE and AUTHORIZE the Fire Chief, or designee, to apply for and accept grant funding from Pacific Gas & Electric Company (PG&E) in an amount not to exceed $100,000 to facilitate a countywide fire modeling study.

FISCAL IMPACT:

Applying for the grant does not have a fiscal impact. If awarded, the project would be 100% grant funded with no required matching funds. The District will apply for the 2025 Better Together Nature Positive Innovation Grant in an amount not to exceed $100,000.

BACKGROUND:

The Contra Costa County Fire Protection District aims to optimize existing county funding and resources to achieve effective mitigation outcomes, utilizing science-based modeling. This will further stakeholder transparency through a shared understanding of wildfire risk and future mitigation project implementation.

The Contra Costa County Fire Protection District will be responsible for formulating plans and offering guidance concerning community education and outreach to public and non-profit agencies. Additionally, the District will assist in the adoption of new mitigation efforts and technologies, as well as disseminate information about innovative programs available to residents in support of mitigation and fire-adapted initiatives. Outreach endeavors will also streamline the provision to identify the underserved communities where a resident property is situated in the direct pathway of fire.

CONSEQUENCE OF NEGATIVE ACTION:

If this action is not approved, the District would not apply for this grant funding and miss the opportunity for

this revenue source.

Report Title: Contract Amendment - Service Contract with Powers Forestry for Wildfire Mitigation and for Abatement of Exterior Fire Hazards

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

---

RECOMMENDATIONS:

Acting as the governing board for the Contra Costa County Fire Protection District, APPROVE and AUTHORIZE the Fire Chief, or designee, to execute a contract amendment with Powers Forestry LLC to increase the payment limit by $2,000,000 to a new payment limit of $7,000,000 for wildfire mitigation and hazard abatement of exterior fire hazards, with no change to the term through April 30, 2026 with a one-year extension option to April 30, 2027, subject to approval by the County Administrator and approval as to form by County Counsel's Office.

FISCAL IMPACT:

The additional $2,000,000 for wildfire mitigation and fuel reduction services is funded by Measure X revenue. These funds will be expended in accordance with the existing contract terms, not to exceed a revised total of $7,000,000. Future funding for authorized work will continue to be approved annually as part of the Fire District's budget process.

BACKGROUND:

In 2021, the Contra Costa County Fire Protection District recognized the need to expand its wildland and vegetation management programs into a year-round effort supported by Crew 12. In May 2023, the District entered into a contract with Powers Forestry LLC for wildfire mitigation and hazard abatement services, originally approved in an amount not to exceed $5,000,000.

As interest in and demand for vegetation management programs has increased across the county, additional work has been identified to reduce hazardous fuels, improve defensible space, and support regional fire prevention initiatives. This contract amendment will provide the necessary capacity to continue and expand services aligned with the District's wildfire mitigation strategy and Measure X-funded project scope.

CONSEQUENCE OF NEGATIVE ACTION:

Failure to approve the contract amendment would limit the District's ability to carry out additional wildfire mitigation work already planned or requested by the community. It may delay hazard abatement projects and reduce program effectiveness during the current wildfire season.

Report Title: Freshworks Inc., Terms of Service

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
Acting as the governing board of the Contra Costa County Fire Protection District, APPROVE and AUTHORIZE the Fire Chief or designee to execute a contract with Freshworks Inc., in an amount not to exceed $30,000 to manage various IT support channels and internal operations, subject to the terms of service from Freshworks Inc. for the period December 30, 2024 through December 30, 2028.

FISCAL IMPACT:
Budgeted. 100% CCCFPD General Operating Fund.

BACKGROUND:
The Fire Protection District (District) requires efficient communication and fast response to ensure safety and operational efficiency. Freshservice by Freshworks has significantly enhanced the management of internal operations, IT infrastructure, and support functions, allowing District IT staff to focus on critical tasks. Key benefits include:

1. **Incident Management**: Freshservice intelligently routes incidents, providing technicians with the tools to resolve issues quickly, minimize disruptions, and improve response times.
2. **SLA Management**: It allows the creation of service-level agreements to prioritize urgent issues, ensuring timely resolutions and automating escalation for unresolved tickets.
3. **Problem Management**: Freshservice tracks recurring issues, performs root cause analyses, and minimizes disruptions to ensure continuity in vital operations.
4. **Change Management**: It enables structured control over changes to IT systems or processes, reducing errors and disruptions.
5. **Workload Management**: The tool provides a clear overview of tasks and team member availability, ensuring efficient resource allocation and timely completion of tasks.

With the continued implementation of Freshservice, the District can continue to improve its service delivery, reduce response times, and optimize resource utilization.

Freshworks, Inc.'s Terms and Conditions include an indemnification from the District to Freshworks, as well as

a limitation capping liability at the fees paid over the 12 months preceding the claim.

CONSEQUENCE OF NEGATIVE ACTION:
If this agreement is not approved, the District would have to identify alternative means to track and address IT disruptions and needs.

Report Title: Ambulance Billing, First Responder Billing, and Other Related Professional Services

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
Acting as the governing board of the Contra Costa County Fire Protection District, APPROVE and AUTHORIZE the Fire Chief, or designee, to execute a contract amendment with Advanced Data Processing, Inc., to increase the payment limit by $10,800,000 to a new payment limit of $28,800,000 and extend the term through December 31, 2028, to continue providing billing support and professional services, and add a Refunds section to the Service Plan.

FISCAL IMPACT:
The contract is revenue positive to the Fire District. The District pays the contractor a monthly amount representing fees for billing services. The contractor fee is 2.95% of monies collected on accounts referred by the District. All monies paid to the contractor come from collected accounts.

BACKGROUND:
The Contra Costa County Fire Protection District (District) delivers both emergency and non-emergency medical services within its jurisdiction. These services encompass 911-system emergency ambulance transports, emergency medical services first response, and inter-facility ambulance transports for both residents and visitors. The District assesses charges for the provision of these services, Advanced Data Processing, Inc.

The District began using the services of this contractor on November 17, 2025. The contractor is a full-service ambulance and emergency medical services (EMS) billing agency that works to invoice and collect insurance payments for ambulance transportation services. This contract will allow a qualified and experienced full-service billing agency to continue to provide services for account receivables for the District extending the term through December 31, 2028, and insert new Section B.2.i.F (Refunds) to the Service Plan.

CONSEQUENCE OF NEGATIVE ACTION:

The District will not be able to collect receivables for emergency ambulance transport services provided.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
Acting as the governing board of the Contra Costa County Fire Protection District, APPROVE and AUTHORIZE the Fire Chief, or designee, to execute a contract with MedTel Services, LLC in an amount not to exceed $97,500, subject to the terms of Medtel's Customer Support Agreement, for annual maintenance on business phone software systems, for the period July 1, 2025 through June 30, 2028.

FISCAL IMPACT:
Budgeted. 100% CCCFPD General Operating Fund

BACKGROUND:
MedTel Services, LLC (the successor to Teltronics Inc.) provides comprehensive annual maintenance for the Fire District's switches and phone systems. The maintenance package includes hardware maintenance, remote and on-site technical support, software updates for optimal performance and security, support for specific software modules, and troubleshooting for any issues. These services help the Fire District maintain smooth operations of its technology infrastructure.

MedTel's Customer Support agreement includes a limitation of liability, restricting MedTel's responsibility to the amount the Fire District paid for the service and/or products involved in any damage event. This purchase is made through a sole source procurement for standardization and continuity of support services.

CONSEQUENCE OF NEGATIVE ACTION:
If this Agreement is not approved, CCCFPD would lose its phone systems, which could lead to downtime, reduced performance, and potential compliance risks.

From: Lewis Broschard, Chief, Contra Costa County Fire Protection District

Report Title: Contract with Stryker Sales, LLC for maintenance of LUCAS equipment

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
Acting as the governing board for the Contra Costa County Fire Protection District, APPROVE and AUTHORIZE the Fire Chief, or designee, to execute a contract with Stryker Sales, LLC in an amount not to exceed $10,000, for maintenance of LUCAS equipment, for the period July 15, 2025 through July 15, 2028.

FISCAL IMPACT:
Budgeted. 100% CCCFPD General Operating Fund.

BACKGROUND:
The District uses highly technical emergency medical equipment to provide care on the scene of medical emergencies. Emergency Medical Technicians (EMTs) and Paramedics utilize LUCAS chest compression systems to provide consistent chest compressions to cardiac arrest patients. Maintenance of this equipment is provided by the manufacturer, Stryker Sales, LLC.

The service plan obligates the District to hold Stryker harmless from and indemnify Stryker for any third-party claims, losses, injuries, or death arising from the District's actions in performance under the service agreement.

CONSEQUENCE OF NEGATIVE ACTION:
Without this service contract, the EMS equipment will not receive proper maintenance. The maintenance of this emergency medical equipment is essential to provide proper emergency medical care.

To: Board of Supervisors

From: Lewis Broschard, Chief, Contra Costa County Fire Protection District

Report Title: Contract Amendment with Van Dermyden Makus Law Corporation

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
Acting as the governing Board of the Contra Costa County Fire Protection District, APPROVE and AUTHORIZE the Fire Chief, or designee, to execute a contract amendment with Van Dermyden Makus Law Corporation, to increase the payment limit by $300,000 to a new payment limit of $800,000 and to extend the term end date from August 31, 2025 to August 31, 2028, for internal administrative investigations.

FISCAL IMPACT:
Budgeted. 100% CCCFPD General Operating Fund.

BACKGROUND:
Contra Costa County Fire Protection District has an ongoing need for specialized professional services to conduct internal administrative investigations involving workplace and personnel matters. To fulfill this need, the District engaged Van Dermyden Makus Law Corporation, a firm recognized for its expertise in workplace investigations, employment law, and litigation. Van Dermyden Makus Law's services support the District in navigating complex investigative processes while ensuring compliance with all applicable legal and regulatory requirements, including the Firefighter Bill of Rights.

Since the agreement's inception, the scope of personnel investigations has expanded substantially in both complexity and scale. This unanticipated development has required a greater allocation of time and resources to ensure the matter is addressed in a thorough, objective, and legally compliant manner.

In light of the expanded scope, the District requires continued and enhanced support from Van Dermyden Makus Law. Accordingly, an amendment to the existing contract is necessary to provide for the additional services and associated costs. The District remains committed to utilizing Van Dermyden Makus Law's specialized expertise to ensure the integrity and effectiveness of its internal investigative processes.

CONSEQUENCE OF NEGATIVE ACTION:
If this contract amendment is not approved, the District would have to identify alternate means to complete a complex personnel investigation in a timely and compliant manner, increasing the risk of legal exposure.

CONTRA COSTA COUNTY

Staff Report

File #: 25-2776 **Agenda Date:** 7/8/2025 **Agenda #:** C.54.

To: Board of Supervisors

From: Lewis Broschard, Chief, Contra Costa County Fire Protection District

Report Title: Professional Services Agreement with Sparc Fire Protection Engineering, LLC for Plan Review and Technical Training Services

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
Acting as the governing board for the Contra Costa County Fire Protection District, APPROVE and AUTHORIZE the Fire Chief, or designee, to execute a contract with Sparc Fire Protection Engineering, LLC, in an amount not to exceed $450,000 to provide fire protection engineering consulting services, including plan review and technical training, for the period of July 1, 2025 through June 30, 2028.

FISCAL IMPACT:
100% CCCFPD General Operating Fund.

BACKGROUND:

The Contra Costa County Fire Protection District issued a Request for Proposals (RFP No. RFP_F-CONTR-0000000049) seeking qualified consultants to assist with plan review and technical training services due to increasing permit volume and the need to maintain compliance with applicable fire codes and regulations.

Sparc Fire Protection Engineering, LLC submitted a responsive proposal dated April 22, 2025, outlining its qualifications, experience, and capacity to deliver plan review and technical training services. The firm is composed of licensed fire protection engineers with experience in jurisdictions throughout California, including prior work with CCCFPD and neighboring agencies.

The Contractor's services will help maintain the Fire District's plan review timelines and provide enhanced training opportunities for Fire Prevention staff, which are essential to supporting community fire safety, new construction review, and the professional development of fire inspectors.

Staff recommends entering into a non-exclusive agreement with Sparc Fire Protection Engineering, LLC to provide these services on an as-needed basis. The agreement will ensure timely, code-compliant review of plans and enhance staff capabilities through targeted technical training.

CONSEQUENCE OF NEGATIVE ACTION:

If the Board does not authorize execution of the professional services agreement, the Fire District may experience delays in plan review completion times, potentially impacting construction schedules and public safety. In addition, staff development opportunities for inspectors will be delayed, limiting the District's ability to build internal technical expertise in key fire protection systems and code interpretation.

CONTRA COSTA COUNTY

Staff Report

File #: 25-2668 **Agenda Date:** 7/8/2025 **Agenda #:** C.55.

To: Board of Supervisors

From: Dr. Ori Tzvieli, Interim Health Services Director

Report Title: Purchase Order with Herc Rentals Inc.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Purchasing Agent, or designee, to execute on behalf of the Interim Health Services Director, a purchase order with Herc Rentals Inc. in an amount not to exceed $180,000 and related agreement for the rental of vehicles and equipment, and related services including parts and accessories for Contra Costa Regional Medical Center (CCRMC) for the period of July 1, 2025 through June 30, 2027.

FISCAL IMPACT:
Approval of this action will result in expenditures of up to $180,000 and will be funded by Hospital Enterprise Fund I revenues.

BACKGROUND:
The products and services from Herc Rentals are designed to meet CCRMC's specific needs. These include mobile containment units, power generation, water heating, climate control, and facility support tools. The ICRA-compliant mobile containment units isolate work areas during construction or maintenance near patient zones. They use HEPA filters, have adjustable heights, locking casters, and zippered access. These units prevent dust and contaminants from spreading. The power generation equipment provides backup power during outages or emergencies. Generators range from 20 kW to over 1,000 kW. They include power distribution panels, transformers, and automatic transfer switches. Setup and fuel management are part of the service. The water heating and climate control systems maintain hot water and temperature during equipment failures or maintenance. Options include electric, direct-fired, and hydronic heaters with thermostatic controls and monitoring. Herc Rentals also supplies facility tools and equipment such as air compressors, pumps, earth-moving machines, concrete tools, and electrical contractor tools to support maintenance and emergencies. All equipment is supported by a 24/7 emergency response and on-site technical assistance. Rental terms are flexible to meet CCRMC's operational needs and ensure quick deployment.

The rental agreement with Herc Rentals Inc. requires the County to indemnify, defend, and hold harmless Herc Rentals Inc. from any claims, damages, liabilities, or expenses arising out of the county's rental of the equipment, including reimbursing the vendor for its costs in enforcing the indemnity provision. The vendor's maximum liability under this agreement will not exceed the total amount paid by the County to the vendor. Additionally, the rental agreement provides that the governing law will be either Delaware or Florida. Approval of this purchase would authorize CCRMC to enter into the rental agreement under these terms. It also ensures that CCRMC can proceed with securing the necessary equipment to support critical hospital operations,

including infection control, emergency power, and environmental safety. This purchase order is being justified via sole source.

CONSEQUENCE OF NEGATIVE ACTION:
If this action is not approved, CCRMC may face serious operational challenges, including limited access to emergency backup systems, compromised infection control during maintenance activities, and delays in care delivery, all of which may negatively impact patient outcomes and regulatory compliance.

From: Dr. Ori Tzvieli, Interim Health Services Director

Report Title: Contract #23-873 with Imprivata, Inc.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Interim Health Services Director, or designee, to execute on behalf of the County a Master Cloud Services Agreement with Imprivata, Inc., a corporation, in an amount not to exceed $52,859, for electronic health record threat detection software and services for Contra Costa Health (CCH) for the period from December 1, 2024 through November 30, 2027.

FISCAL IMPACT:
This Contract will result in contractual service expenditures of up to $52,859 over a 3-year period and will be funded 100% by Hospital Enterprise Fund I revenues.

BACKGROUND:
CCH Information Technology unit is further developing the organization from a security perspective to report and respond to unauthorized use of Epic, CCH's electronic health record system. Imprivata's FairWarning Platform is an analytics and insider threat detection platform that provides patient data privacy intelligence and drug diversion analytics that ingests hundreds of data sources and applies data logic and machine learning to identify potential breaches of protected information. CCH has been utilizing this application since 2017 to monitor activities within Epic and generate alerts of suspicious actions that may indicate Health Insurance Probability and Accountability Act of 1996 (HIPAA) violations.

On July 11, 2017, the Board of Supervisors approved a Master Purchase Agreement and related Order Form with FairWarning Inc., in an amount not to exceed $222,637 for the purchase of licenses, software, support, and (on-premises system implementation) for the period from July 11, 2017 through November 30, 2020.

On December 1, 2020, Imprivata Inc., acquired FairWarning, Inc., and the County began issuing Purchase Orders (to Imprivata) through the service period of November 30, 2024 (PO #031042). This Contractor was approved by the Public Works Department's Purchasing Division on November 25, 2024. A summary of service contract deliverables includes County’s access to the cloud hosted Imprivata software and services. This Contract was approved by Health Services Personnel to ensure there is no conflict with labor relations.

Under this Contract #23-873, the parties will execute the Imprivata Master Cloud Services Agreement (MSA) (including the County's (HIPAA) Business Associate Addendum) to migrate from an on-premises application to a cloud/SaaS application. Under the MSA, each party's liability is limited in aggregate to the amount paid to

Imprivata over the twelve (12) month period preceding the claim giving rise to the liability. Under the Contract, the County is obligated to indemnify Imprivata for third-party claims arising out of the County's unauthorized use of the cloud services, infringing a third party's intellectual property rights, and placing County data in Imprivata's cloud system that is violative of any law.

Approval of this new Contract #23-873 allows the Contractor to provide services through November 30, 2027. The division is requesting a retroactive start date due to delays that ensued in November 2024 due to internal process adjustments, staffing changes, and extended contract negotiations critical to securing mutually agreeable terms, safeguarding institutional interests, and ensuring alignment with current operational goals and compliance standards.

CONSEQUENCE OF NEGATIVE ACTION:
If this Contract is not approved, the department will be unable to track potential records misuse and unauthorized access to Protected Health Information that may indicate a HIPAA violation. Violations such as this could be detrimental to the County's operational and financial standing.

To: Board of Supervisors

From: Dr. Ori Tzvieli, Interim Health Services Director

Report Title: Contract Amendment #23-511-7 with Nuance Communications, Inc.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Interim Health Services Director, or designee, to execute on behalf of the County Order Forms (Contract Amendment #23-511-7) with Nuance Communications, Inc., a corporation, effective July 8, 2025, to increase the payment limit by $388,603, from $1,863,385 to a new payment limit of $2,251,988, and extend the termination date from December 6, 2026 to August 30, 2028 for additional software products, services, maintenance, and support for Contra Costa Regional Medical (CCRMC)'s clinical dictation services.

FISCAL IMPACT:
Approval of this Contract Amendment will result in additional annual expenditures of up to $388,603 as budgeted by the department and funded 100% by Hospital Enterprise Fund I. (Rate increase)

BACKGROUND:
This Contract Amendment meets the needs of CCRMC as part of a comprehensive suite of integrated dictation and transcription solutions designed to improve clinical documentation, collaboration, and radiology reporting utilized for diagnostic imaging operations and in support of the medical billing coding and compliance governance conducted by CCRMC. These functions are imperative to the accuracy of the diagnostic reports and for receiving the most appropriate claims for services rendered.

A summary of service contract deliverables, including measurable outcomes required of the vendor to be monitored by the department in compliance with Section III(B)(7) of the Purchasing Policy (AB600.3), includes hosting services, technical support for the County's use of the software under the license grant, and access to maintenance and support. This Contract was approved by Health Services Personnel as a specialized services contract to ensure there is no conflict with labor relations. This Contractor was approved by the Public Works Department's Purchasing Department on February 19, 2025.

On September 7, 2021, the Board of Supervisors approved Contract #23-511-4 with Nuance Communications, Inc., in an amount not to exceed $551,000 for the provision of its medical transcription solution, including Clintegrity and PowerScribe One for use in CCRMC's Radiology department to dictate reports on medical images for the period from August 1, 2020 through September 30, 2024. Contract 23-511-4 included the approval of Nuance's Healthcare Master Agreement with an attached Business Associate Addendum. The Contract provides that County can terminate the agreement for a vendor breach, and in the event the board fails

to appropriate funds for payment of the Contract in any fiscal year and limits Nuance's liability to three times the annual amount paid under the contract except for a data breach claim, which caps Nuance's liability at $2,000,000.00.

On December 7, 2021, the Board of Supervisors approved Contract Amendment #23-511-5 with Nuance Communications, Inc., effective December 7, 2021, to increase the total Contract payment limit by $1,312,385, to a new payment limit of $1,863,385 and to extend the termination date from September 30, 2024 to December 6, 2026 for the provision of its Dragon Medical One and Dragon Ambient eXperience software and services allowing CCRMC to address the needs of staff requests related to compliance with the American Disabilities Act by providing a tool that reduces the need for computer peripherals such as a keyboard and mouse. The Dragon Ambient eXperience tool is a comprehensive artificial intelligence powered voice-enabled solution that listens to clinician-patient conversations while offering workflow and knowledge automation to complement the electronic health record.

Approval of this Contract Amendment Agreement #23-511-7 will allow the execution of Order Forms under the Master Agreement for the Contractor to provide additional software products, maintenance, and support services for CCRMC's clinical dictation needs through August 30, 2028.

CONSEQUENCE OF NEGATIVE ACTION:
If this Contract Amendment is not approved, CCRMC providers and patients will not have access to the latest dictation technology which allows providers to focus more on the patient instead of the keyboard, improving patient experience and provider retention.

MARTINEZ, CA 94553

CONTRA COSTA COUNTY

Staff Report

File #: 25-2671 **Agenda Date:** 7/8/2025 **Agenda #:** C.58.

To: Board of Supervisors

From: Dr. Ori Tzvieli, Interim Health Services Director

Report Title: Contract Amendment #23-625-6 with Solventum Health Information Systems, Inc.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Interim Health Services Director, or designee, to execute on behalf of the County Contract Amendment #23-625-6 with Solventum Health Information Systems, Inc., a corporation, effective, May 1, 2025, to amend Contract #23-625-3 (as amended by County Contract #23-625-5), to increase the payment limit by $285,797, from $333,075 to a new payment limit of $618,872, and extend the termination date from May 1, 2025, to May 1, 2028, and for successive one (1) year term(s) thereafter until terminated, for additional hosted patient classification and claims software system and support services for Contra Costa Health (CCH).

FISCAL IMPACT:
Approval of this Contract Amendment will result in additional expenditures of up to $285,797 over a three-year period and will be funded as budgeted by the department in FY's 2025-28, 100% by Contra Costa Health Plan Enterprise Fund II. (Rate increase)

BACKGROUND:
This Contract meets the needs of the County's patient population by providing a health information system that includes annuity software for performing claims reviews and provider comparisons. Solventum Health Information Systems, Inc's Grouper Plus Content Services (GPCS) system includes GPCS All Patient Refined - Diagnosis Related Groups (APR DRG) Grouper & Reimbursement California (CA) Medicaid a classification system, which will assist the Contra Costa Health Plan (CCHP) to assign patients into meaningful groups necessary for claims reimbursement. Solventum Health Information Systems' APR DRGs classify patients based on clinical similarities and their use of hospital resources. Solventum Health Information Systems' Grouper Plus Content Services provides access to comprehensive grouping, editing, and reimbursement content, utilizing a modern cloud-based service that leverages web services and cloud technology to deliver this content securely. This solution allows for an increasingly complex and dynamic regulatory and payment environment. Solventum Health Information Systems' transaction software allows CCHP to calculate accurate claim pricing and CCH to improve productivity and compliance measures for its Contra Costa Regional Medical Center and Health Clinics. A summary of service contract deliverables, including measurable outcomes required of the Contractor to be monitored by the department, including in compliance with Section III(B) (7) of the Purchasing Policy include optimization of clinical documentation workflows, increased speed of revenue cycle, Health Information Probability and Accountability Act of 1996 (HIPAA), and Regulatory Compliance, and meeting meaningful use and electronic health records requirements.

This Contract obligates the County to indemnify Solventum Health Information Systems, Inc., from any claims or damages arising out of County's use of the deliverables produced by the software and systems. This contract limits the direct damages the County can recover from Solventum Health Information Systems to the amount paid by the County in the twelve months preceding any claim. The County may terminate the contract for an uncured breach by Solventum Health Information Systems and if the County fails to appropriate funds for an electronic patient classification and claims software system. This Contract was approved by Health Services Personnel to ensure there is no conflict with labor relations. This Contract contains mutual indemnification.

On October 12, 2021, the Board of Supervisors approved Master Software and Services Agreement #23-625-3 with 3M Health Information Systems, Inc., in an amount not to exceed $296,277, to implement the hosted patient classification and claims software system for CCH, and for the provision of software license and support services for the period October 5, 2021 through October 4, 2024.

On May 14, 2024, the Board of Supervisors approved Contract #23-625-4 with 3M Health Information Systems, Inc., to correct the termination date (to reflect that of the fully executed agreement) ending May 1, 2025. On May 24, 2024, 3M Health Information Systems, Inc., issued notice that its name changed to Solventum Health Information Systems, Inc.

On January 28, 2025, the Board of Supervisors approved Contract #23-625-5 with Solventum Health Information Systems, Inc., to increase the payment limit by $36,798 to a new payment limit of $333,075, to continue to provide its hosted patient classification and claims software system and support services, for CCH with no change in the term ending May 1, 2025.

Approval of this Contract Amendment will increase the Contract payment limit, clarify that the license term shall automatically renew for successive one-year renewal term(s) until terminated per the terms of the Contract, allowing Contractor to continue to provide its hosted patient classification and claims software system and support services to CCH through May 1, 2028. This contract is delayed due to the Contractor needing to submit required forms to CCH.

CONSEQUENCE OF NEGATIVE ACTION:
If this Contract Amendment is not approved, the payment limit will not be increased, and the Contractor will suspend services; per Section 8.7 (Late Payment/Suspension) of the agreement, thus resulting in a negative effect on patient care and outcomes.

To: Board of Supervisors

From: Dr. Ori Tzvieli, Interim Health Services Director

Report Title: Contract #76-914 with Coviden LP

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Interim Health Services Director, or designee, to execute on behalf of the County Contract #76-914 with Covidien LP, a limited partnership, in an amount not to exceed $67,000 for preventative maintenance services to ventilators at Contra Costa Regional Medical Center (CCRMC) for the period July 1, 2025 through June 30, 2028.

FISCAL IMPACT:
Approval of this Contract will result in contractual service expenditures of up to $67,000 over a three-year period and is funded 100% by Hospital Enterprise Fund I.

BACKGROUND:
CCRMC has an obligation to provide medical equipment to provide health services including ventilators for patients requiring a higher level of care at CCRMC. These ventilators were chosen for purchase by the medical staff during the COVID Pandemic and have been in use since 2019. Contractor was chosen as they are the only service providers available to service these machines. The services were formerly provided under a purchase order but will now be provided pursuant to a Contract.

This Contract is entered into under and subject to the following legal authorities: California Government Code §§ 26227 and 31000. CCRMC's Quality Management, Utilization Management and Contract Monitor staff meet on a regular basis to ensure monitoring and performance measures in the Contract are upheld. Health Services Personnel approved this Contract to ensure no conflicts with labor relations. This Contractor was approved by the Public Works Department's Purchasing Department on February 11, 2025.

Under new Contract #76-914, Contractor will provide preventative maintenance services for medical equipment in use at CCRMC for the period July 1, 2025 through June 30, 2028. This Contract includes a limitation of liability limiting Contractor's liability to County to an amount equal to all fees for any services Contractor fails to provide should Contractor fail to fulfill its obligations under this Contract.

CONSEQUENCE OF NEGATIVE ACTION:
If this Contract is not approved, CCRMC will not have access to preventative maintenance services for vital medical equipment, which may delay services to patients.

To: Board of Supervisors

From: Dr. Ori Tzvieli, Interim Health Services Director

Report Title: Purchase Order with Norix Group, Inc.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Purchasing Agent, or designee, to execute on behalf of the Interim Health Services Director, a one-time purchase order with Norix Group, Inc. in an amount not to exceed $3,678, and ACCEPT terms and conditions for the purchase of furniture for the Contra Costa Regional Medical Center (CCRMC).

FISCAL IMPACT:
Approval of this action will result in a one-time expenditure of up to $3,678 and will be funded by Hospital Enterprise Fund I revenues.

BACKGROUND:
Norix Group, Inc. is a manufacturer that specializes in creating durable and high-performance furniture designed for challenging environments, such as correctional facilities, healthcare, behavioral health, and other public safety and institutional settings. The company's products are engineered to be tamper-resistant, highly durable, and safe, often made with materials that can withstand heavy use and potentially aggressive conditions. Norix is known for providing furniture solutions that address the unique needs of populations in environments where safety and security are critical.

CCRMC is seeking to purchase new furniture for the psychiatric unit to replace existing pieces that are broken, cracked, and significantly worn, rendering them unsafe and no longer suitable for patient use. Replacing the patio furniture is essential to maintaining a safe, therapeutic environment. Providing stable and appropriate seating is critical to supporting patient well-being and preventing potential injuries.

Purchases from Norix Group, Inc. are subject to Norix's Standard Terms and Conditions, which limit Norix's liability to exclude special, consequential, and incidental damages for product defects and late deliveries and non-deliveries of goods. Approval of this request will allow Norix Group, Inc. to provide durable, high-performance furniture designed to meet the specific safety and durability requirements for CCRMC.

CONSEQUENCE OF NEGATIVE ACTION:
If this action is not approved, CCRMC will not be able to procure the necessary furniture to replace the damaged items, which could impact the safety and functionality of the space.

STANDARD TERMS & CONDITIONS, JANUARY 1, 2025

These Terms and Conditions shall be construed, interpreted and enforced under the laws of the State of California, without regard to the conflict of law rules thereof. Venue of any suit brought under these Terms and Conditions,either directly or indirectly, shall be Contra Costa County, California.

ACCEPTANCE

Norix reserves the right to refuse an order, in whole or part, when the type or quantity of goods or credit worthiness of the customer is not satisfactory. Possession of this price list does not constitute a right to purchase Norix products. Prices, terms and conditions of sale are subject to change without notice. All sales will be made at prices prevailing at the time of order. If shipment is delayed at customer request, prices at time of shipment will prevail. A complete order is defined as having no missing information and issued by a bona fide business or facility with good credit.

ACKNOWLEDGMENTS

All orders are manufactured and shipped according to the acknowledgment and its terms and conditions. It is the customer's responsibility to check for and document any discrepancies on the acknowledgment and to notify Norix immediately in writing.

ADA COMPLIANT

Products with this icon meet the Americans with Disabilities Act Accessibility Guidelines as published by the Department of Justice on December 21, 1992 under Proposed Rules for Courthouses (Sections 11) and Detention and Correctional Facilities (Section 12).

CANCELLATION & CHARGES

Cancellations and change orders are subject to Norix approval. A cancellation or change order charge will apply if any cost for material or labor has been incurred prior to notification from the customer. A minimum restocking charge of 25% will apply.

SURCHARGES

A surcharge may be applied on all furniture orders based on market conditions.

STORAGE & HANDLING

All orders are acknowledged with an estimated ship date. Failure to accept delivery of an order based on the estimated ship date will subject your order to warehouse storage and handling charges. Norix will assess storage and handling charges per month if a customer does not accept shipment within 5 days from the acknowledged ship date.

CREDIT & PAYMENT TERMS

For governmental agencies, terms are Net 30 days from invoice ship date. Credit privileges are evaluated on a case by case basis for all other customers. All international sales will require full payment prior to shipment. Past due accounts will be subject to a finance charge of 1.75% per month (prorated at 21% per annum or legal limit) which will be added to the unpaid balance of invoice not paid within 30 days. We accept Visa and MasterCard, fees may apply.

INSPECTION

It is the customer's responsibility and obligation to implement a procedure to conduct regular and timely inspections and maintenance of all Norix products to assure that unsafe conditions do not evolve or exist. Further, it is the customer's responsibility to remove unsafe or defective products from service immediately, including any situations where abuse is suspected or determined to be a potential problem.

RETURNED GOODS

Returns will be allowed for unused products in original packaging only after a Return Good Authorization has been requested by the customer and approved by Norix. Return Goods Authorization requested should be directed to a Norix Customer Service Representative. Custom manufactured products and/or products stored or handled improperly by the customer are not eligible for return. Customer is responsible for all freight charges associated with the order and a minimum 25% restocking charge. After receiving and inspecting the returned goods Norix will issue a product credit to be used by the customer towards future purchases.

LIMITED WARRANTY

Norix warrants, to its original purchaser, all of its products to be free from defects in workmanship and materials for specified periods of time (depending on product) following date of shipment, under normal use and service. Norix makes no other warranty, express or implied, to its customers or any users of the goods, including without limitation any implied warranty of merchantability of the goods or the fitness of the goods for a particular purpose. Norix liability shall be limited to repair or replacement of any defect of work or material for products shipped after January 1, 2025 within the specified warranty period, at the sole discretion of Norix. Norix shall not be liable for consequential or incidental damage arising from any product defect.

All warranty claims must be submitted in writing to Norix' Customer Service department, listing the date of purchase, original invoice number and description of defect(s).

The warranty does not cover:

- Normal wear and tear.
- Product failure due to abuse, misuse, negligence, accident, assembly or installation.
- Alteration or modification of the product in any way.
- Natural variations in color, grain or texture.
- Finishes, fabrics, foam and filling materials.
- Customer Owned Material (COM).
- Freight damage.

Wood is a natural material, with variations in color, grain and texture. Finish colors will vary from product to product and lot to lot. Due to these naturally occurring variations, exact matches to samples or other furniture items ordered at different times cannot be guaranteed. Due to the natural variations of wood materials, some aesthetic differences should be expected when combining laminate tops with natural wood edges and wood veneer surfaces.

Products made using proprietary TruGrain™ aesthetic provides authentic texture and gradation that replicates natural wood. Avoid excessive abrasive scrubbing. Variations in color and finish vary from product to product and lot to lot, just like natural wood. Due to differences in monitors, printers and materials, actual product colors may vary.

Certain molded dining tables require bolt-down or ballasting to validate warranty. Please refer to spec pages for details.

Norix warranties upholstery fabrics against defects and color fading, when cared for according to the specified cleaning and maintenance guidelines, for a period of 3 years. COM is exempt and Norix reserves the option to repair or replace. Because upholstered furniture is made of soft, flexible materials designed for comfort, normal wrinkles and puckers may be present.

Limited warranty does not cover shrinkage, picks, wearing, wrinkling, fading, or pilling. This warranty is not valid where there is evidence of heavy soiling or abuse. Because upholstered furniture is made of soft, flexible materials designed for comfort, normal wrinkles and puckers may be present, particularly in the area where the seat intersects with the seat back.

NORIX FREIGHT INFORMATION

FREIGHT

All shipments are F.O.B. West Chicago IL 60185, unless otherwise specified. Standard delivery is on a dock-to-dock basis utilizing a 53' semi-trailer. Unless arranged for in advanced and included as part of a formal Norix price quote, special requests such as "Lift Gate Trucks", "Exact Day Delivery", will incur additional charges. Special requests, such as those listed above must appear on customer's purchase order. Special delivery requests received after the order is acknowledged will be considered a change order. "Exact Time Delivery" is not available. Deliveries required to be received in less than 53' semi-trailers will incur additional charges and must be requested in advance of shipment. Partial shipments at the customers request will result in additional freight charges. Norix will not in any event be liable to any customer for special, incidental or consequential damages due to late delivery or non-delivery of goods for any reason.

FREIGHT DAMAGE (VISIBLE)

To receive claims consideration, the consignee must inspect the freight for damage and record the specifics of that damage on the bill of lading or delivery receipt. Under National Motor Freight Classification (NMFC) rules, the consignee does not have the right to open and inspect all of the shipping containers prior to signing for the freight. However, if the condition of the shipping package is such that there is good reason to suspect damage, the consignee has the right and should perform an inspection. It is the responsibility of the receiver of the shipment to inspect for item damage within 15 days of receipt of the shipment and report immediately any discrepancies to Norix Customer Service. Norix will not in any event be liable to any customer for special, incidental or consequential damages due to late delivery or non-delivery of goods for any reason.

FREIGHT DAMAGE (CONCEALED)

When damage is discovered after delivery, it should be reported to Norix immediately. The freight and shipping container should be retained until a disposition is given. It is the responsibility of the receiver of the shipment to inspect for item damage within 5 business days of receipt of the shipment and report immediately any discrepancies to Norix customer service.

FREIGHT (REFUSAL)

Customer is liable for all freight charges when refusing to accept delivery of product under terms of acknowledged shipping schedule.

FREIGHT (SHORTAGES)

The Bill of Lading lists the number of cartons, sleeves (of stack chairs) or skids you should expect to receive on each shipment. Any discrepancies must be noted on the delivery receipt. A Packing List is included with every shipment. It is the responsibility of the receiver of the shipment to inspect for item shortages within 15 days of receipt of the shipment and report immediately any discrepancies to Norix customer service.

FORCE MAJEURE

Norix shall not be liable for failure to perform or for delay in performance due to fire, flood, strike, or any other labor difficulty, act of God, act of any governmental authority or of Customer, riot, embargo, fuel or energy shortage, wrecks or delay in transportation, inability to obtain necessary labor, materials, or manufacturing facilities from usual sources, or failure of suppliers to meet their contractual obligations, or due to any cause beyond its reasonable control. In the event of delay in performance due to any such cause, Norix reserves the right to extend the date of delivery or time for completion by a period of time reasonably necessary to overcome the effect of such delay, to allocate any available supply of goods in a manner it deems reasonable, or to cancel any purchase order.

*These goods are sold by Norix for institutional use only and not as consumer products. The design characteristics of these products are not intended to replace or substitute the need for necessary supervision or other necessary protective measures to protect those who may be at risk. Norix warrants the goods to be free from defects in materials and workmanship in normal use and service. It is the customer's responsibility to ensure that products purchased from Norix and installed are suitable for the environment in which they are installed. Norix does not warrant the fitness for use or merchantability of this product. The suitability of this product for any particular purpose is for buyer, in their sole judgment, to determine. Norix is not liable for consequential damages.

Staff Report

File #: 25-2674 **Agenda Date:** 7/8/2025 **Agenda #:** C.61.

To: Board of Supervisors

From: Dr. Ori Tzvieli, Interim Health Services Director

Report Title: Agreement #24-760-31 with the California Department of Rehabilitation

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Interim Health Services Director, or designee, to execute on behalf of the County Standard Agreement #24-760-31 (State #5160-33004) with the California Department of Rehabilitation, to pay the County an amount not to exceed $3,503,232, to provide vocational rehabilitation services for individuals receiving behavioral health and substance use disorder services, upon grantor approval for the period July 1, 2025 through June 30, 2028.

FISCAL IMPACT:
Approval of this Agreement will result in an amount up to $3,503,232 in funding from the California Department of Rehabilitation. No County match is required.

BACKGROUND:
This Agreement between the County and California Department of Rehabilitation will allow the County to receive funding from the State and enable County residents with behavioral health and substance use disorders to participate in comprehensive vocational rehabilitation services that provide them with job skills development, vocational counseling, coaching in job application skills, job development and placement, and follow-up services.

On September 13, 2022, the Board of Supervisors approved Standard Agreement #24-760-30 with the California Department of Rehabilitation, to pay the county $3,503,232 to provide vocational rehabilitation services for individuals with psychiatric disorders for the period from July 1, 2022 through June 30, 2025.

Approval of Standard Agreement #24-760-31 will allow the County to receive funding from the State to provide vocational rehabilitation services for individuals receiving behavioral health and substance use disorder services through June 30, 2028. This Agreement includes County agreeing to indemnify and hold harmless the State for claims arising out of County's performance under this Agreement. This Agreement was approved by Personnel and has met its obligations with the respective labor partner(s).

CONSEQUENCE OF NEGATIVE ACTION:
If this Agreement is not approved, County will not receive funding to support skills development, career counseling, coaching in job application skills, job development and placement, and follow-up services for

residents with behavioral health and substance use disorders.

To: Board of Supervisors

From: Dr. Ori Tzvieli, Interim Health Services Director

Report Title: Application for CalAIM PATH 4 Funding Grant for CalAIM Justice-Involved Initiatives

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Interim Health Services Director, or designee, to submit an applocation for funding in an amount to be determined based on the proposal submitted and approved by the California Department of Health Care Services (DHCS) for the California Advancing and Innovating Medi-Cal (CalAIM) Justice-Involved (JI) PATH Round 4 grant program; and APPROVE and AUTHORIZE the Interim Health Services Director, or designee, to execute the grant agreement and all related certifications, subject to County Counsel approval.

FISCAL IMPACT:
Funds requested from DHCS will support compliance with the State's mandate to implement pre-release Medi-Cal enrollment under CalAIM for eligible justice-involved individuals. No additional County funds are required.

BACKGROUND:
As part of California's CalAIM initiative, counties are required to implement a comprehensive set of pre-release services for justice-involved individuals by October 2026, in alignment with the Section 1115 Medicaid Demonstration Waiver approved by the Centers for Medicare and Medicaid Services (CMS). These services aim to improve care continuity and health outcomes by establishing clinical and care coordination supports that begin during incarceration and continue post-release. Pre-release services include physical and behavioral health care coordination, Medi-Cal eligibility support, clinical consultation, substance use disorder treatment, medication-assisted treatment (MAT), and the provision of durable medical equipment (DME) and medications upon release.

In addition, under AB 133 (Chapter 143, Statutes of 2021), all counties were required to implement pre-release Medi-Cal application and enrollment processes by January 1, 2023, to ensure that eligible individuals are enrolled and able to access covered services immediately upon release from custody.

Contra Costa Health (CCH) has previously applied for and received funding under earlier PATH JI grant rounds to support this work:

PATH JI Round 1 Planning Grant ($175,000) to conduct collaborative planning and identify necessary workflows, protocols, and IT system modifications to implement pre-release enrollment and suspension

processes.

PATH JI Round 2 Implementation Grant ($2,350,000) to implement the plans developed during Round 1.

PATH JI Round 3 Capacity and Implementation Grant ($9,405,038) to support the planning and delivery of targeted pre-release Medi-Cal services for eligible individuals in county jails, juvenile facilities, and state prisons, in accordance with the CalAIM Section 1115 Demonstration approval. This funding also supports CCH's Behavioral Health Services Division (BHSD) in building capacity to provide behavioral health linkages as required under AB 133.

PATH funds may be used for investments in personnel, IT infrastructure, and collaborative implementation activities and are distributed based on achieving performance milestones.

The Contra Costa County Probation Department, Sheriff's Office, Employment and Human Services Department (EHSD), and County's BHSD previously delegated responsibility to CCH to lead the PATH Round 1, 2, and 3 applications on their behalf. CCH will pursue the same approach and serve as the delegated entity to submit a single PATH Round 4 application on behalf of the County to simplify grant administration and project implementation activities. All eligible agencies for PATH Round 4 will collaborate to identify funding needs and develop comprehensive proposals.

All agencies collaborate through the CalAIM Justice-Involved Executive Leadership Committee and the CalAIM JI Pre-Release Workgroup, both facilitated by CCH's Detention Health Services Division and have been meeting regularly since Summer 2022.

CONSEQUENCE OF NEGATIVE ACTION:
Failure to apply for this funding opportunity will result in loss of allocated funding for this new initiative and non-compliance with mandated state law.

Report Title: Contract Amendment #74-143-38 with California Psychiatric Transitions Incorporated

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Interim Health Services Director, or designee, to execute on behalf of the County Contract Amendment #74-143-38 with California Psychiatric Transitions Incorporated, a corporation, effective July 1, 2025, to amend Contract #74-143-37, to increase the payment limit by $380,000, from $2,337,874 to new payment limit of $2,717,874, to provide additional adult residential care and mental health rehabilitation treatment services for adults with mental illness with no change in the original term ending August 31, 2025.

FISCAL IMPACT:
Approval of this Contract Amendment will result in additional expenditures of up to $380,000 and will be funded 100% by Mental Health Realignment revenues. (No rate increase)

BACKGROUND:
The Behavioral Health Services Department (BHSD) has been contracting with California Psychiatric Transitions Incorporated since October 2001 to provide residential care and mental health services to adults. This Contract meets the social needs of county's population by providing a multi-disciplinary treatment program to adults who need active psychiatric treatment, including medication support and individual and group therapy services, as an alternative to hospitalization at a State Hospital.

This Contract is entered into under and subject to the following legal authorities: Welfare and Institutions Code §§ 5600, et seq. (The Bronzan McCorquodale Act); California Code of Regulations ("CCR"), Title 9, §§ 523, et seq. (Community Mental Health Services); California Government Code §§ 26227 and 31000. This Contract was approved by Health Services Personnel to ensure there is no conflict with labor relations.

The Behavioral Health's Quality Management, Utilization Management and Contract Monitor Staff meet on a regular basis to ensure monitoring and performance measures in the Contract are upheld. These contracted services were determined to be exempt from Administrative Bulletin 600.3 solicitation requirements by the Public Works Department's Purchasing Division.

On November 12, 2024, the Board of Supervisors approved Contract #74-143-37 with California Psychiatric Transitions Incorporated, in an amount not to exceed $2,337,874, to provide adult residential care and mental health treatment services for adults with mental illness for the period September 1, 2024 through August 31,

2025.

Approval of Contract Amendment #74-143-38 will allow the Contractor to provide additional services through August 31, 2025.

CONSEQUENCE OF NEGATIVE ACTION:
If this Contract Amendment is not approved, County's seriously mentally ill clients will not receive the additional inpatient psychiatric treatment that they need from this Contractor and may require hospitalization at a State Hospital.

To: Board of Supervisors

From: Dr. Ori Tzvieli, Interim Health Services Director

Report Title: Transportation Vouchers for California Children's Services

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Purchasing Agent, or designee, to purchase on behalf of the Interim Health Services Director, 50 County Connection passes each with a $5 value totaling $250 and 10 Tri-Delta Transit booklets each with a $27.50 value totaling $275, for a total amount not to exceed $525 for medically fragile children served by the California Children's Services (CCS) program, for the period of July 1, 2025 through June 30, 2026.

FISCAL IMPACT:
This $525 expenditure will be funded by 50% State and 50% County revenues, as per California Department of Health Care Services Integrated Systems of Care Division Plan and Fiscal Guidelines (using Cost Center 5890).

BACKGROUND:
CCS provides medical case management, payment authorization, and rehabilitation services for CCS eligible children with significant and chronic physically debilitating medical conditions. The program approves and pays for maintenance and transportation services when the cost to the client or family presents a barrier to access authorized CCS care. As necessary, CCS will coordinate the transportation needs of medically fragile children that have a need for transportation to/from medical appointments.

Health and Safety Code, Section 123800 et seq. is the enabling statute for the CCS program. The explicit legislative intent of the program is to provide necessary medical services for children with CCS medically eligible conditions whose parents are unable to pay for these services, wholly or in part.

The CCS program is mandated by the Welfare and Institutions Code and the California Code of Regulations (Title 22, Section 51013) to act as an "agent of Medi-Cal" for Medi-Cal beneficiaries with CCS medically eligible conditions. Medi-Cal is required to refer all CCS-eligible clients to CCS for case management services and authorization for treatment. The statute also requires all CCS applicants who may be eligible for the Medi-Cal program to apply for Medi-Cal.

CONSEQUENCE OF NEGATIVE ACTION:
If this action is not approved, the CCS program would not be fulfilling the goals outlined by the program policy nor would it be providing services necessary for medically complex needs children to receive health care.

Report Title: Contract Amendment/Extension #74-638-1 with Contra Costa County Office of Education

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Interim Health Services Director, or designee, to execute on behalf of the County Contract Amendment/Extension #74-638-1 with the Contra Costa County Office of Education, an educational institution, effective August 1, 2025, to amend Interagency Agreement #74-638, to increase the payment limit by $3,266,306, from $4,347,281 to a new payment limit of $7,613,587 and to extend the termination date from August 30, 2025 to December 31, 2026, for additional support services for Contra Costa school districts, including high-need and underserved school districts for students with behavioral health concerns in the Contra Costa County Wellness in Schools Program (WISP).

FISCAL IMPACT:
Approval of this Contract Amendment/Extension will result in additional annual expenditures of up to $3,266,306 and will be funded 100% by California's Behavioral Health Services Oversight and Accountability Commission (BHSOAC). (No rate increase)

BACKGROUND:
This Contract is for the Contra Costa County WISP which will enhance existing County partnerships with school-based programs to expand access to mental health services for children and youth, including facilitating campus-based mental health services, linkage, and access to ongoing and sustained services. Contra Costa Behavioral Health child and adolescent mental health services will act as the lead agency in partnership with the Contra Costa County Office of Education and local school districts to implement the program, which will include providing additional staff to support children's mental health needs and create a network of parent peer support providers. This Agency has been contracting with the County for WISP services since September 1, 2021.

This Contract is entered into under and subject to the following legal authorities: California Government Code §§ 26227 and 31000; and all legal authorities cited in the HIPAA Business Associate Addendum. Personnel approved this Contract to ensure no conflicts with labor relations. Per Administrative Bulletin 600.3 educational services are exempt from solicitation requirements.

On December 7, 2021, the Board of Supervisors approved Interagency Agreement #74-638 with the Contra Costa County Office of Education, in an amount not to exceed $4,347,281, to provide implementation and oversight of the Contra Costa County WISP, to provide support to Contra Costa school districts, including high-

need and underserved school districts for students with behavioral health concerns, for the period September 1, 2021 through August 30, 2025.

Approval of Contract Amendment/Extension #74-638-1 will allow the Contractor to continue to provide support services for students with behavioral health concerns in the Contra Costa County's WISP through December 31, 2026.

CONSEQUENCE OF NEGATIVE ACTION:
If this Contract Amendment/Extension is not approved, Contra Costa County schools will not have WISP support services for students with behavioral health concerns.

Report Title: Contract #74-363-16 with La Clinica de La Raza, Inc.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Interim Health Services Director, or designee, to execute on behalf of the County Contract #74-363-16 with La Clinica de La Raza, Inc., a non-profit corporation, in an amount not to exceed $348,170, to provide Mental Health Services Act (MHSA) Prevention and Early Intervention (PEI) services for Latino residents of Central and East Contra Costa County for the period July 1, 2025 through June 30, 2026.

FISCAL IMPACT:
Approval of this Contract will result in annual expenditures of up to $348,170 for FY 2025-26 and will be funded 100% by MHSA PEI revenues.

BACKGROUND:
This Contract meets the social needs of county's population by providing MHSA PEI services to Latino families residing in Central and East Contra Costa. Contractor's services will include but at not limited to behavioral health screenings for risk factors, such as symptoms of depression, anxiety, substance abuse, reactions to trauma, domestic violence, sleep difficulties, and pain. Contractor will also provide education and support to Latino parents and caregivers so that they can support the strong development of their children and youth. This Contractor has been providing MHSA PEI services to the County since July 1, 2009. This Contract is entered into under and subject to the following legal authorities: California Government Code §§ 26227 and 31000. The Behavioral Health's Quality Management, Utilization Management and Contract Monitor Staff meet on a regular basis to ensure monitoring and performance measures in the contract are upheld. This contract was approved by Health Services Personnel to ensure there is no conflict with labor relations.

This contract has direct impact on the health and safety of the community. This provider was selected in collaboration with community stakeholder advisory bodies and was approved as part of the comprehensive MHSA Three-Year Plan as required by State regulation. Providers interested in providing specialized services were invited proactively to participate in program development and offered the opportunity to submit interest at dozens of publicly noticed meetings. The services and vendors were identified in the formal Three-Year plan was approved on the following schedule that was noticed to the public and approved by the Board on August 1, 2023. The Three-Year Plan was posted for public comment from June 5, 2023 through July 5, 2023, and a Public Hearing was held at the Mental Health Commission meeting on July 5, 2023; the plan was approved by the Board of Supervisors on August 1, 2023.

On August 13, 2024, the Board of Supervisors approved Contract #74-363-15 with La Clinica de La Raza, Inc., in an amount not to exceed $331,591, for the provision of MHSA PEI services for Latino families in Central and East County for the period July 1, 2024 through June 30, 2025.

Approval of Contract #74-363-16 will allow the Contractor to continue providing MHSA PEI services through June 30, 2026.

CONSEQUENCE OF NEGATIVE ACTION:
If this MHSA PEI Contract is not approved, county recipients will not have access to Contractor's PEI programs in Central and East Contra Costa County.

CHILDREN'S INPACT STATEMENT:
This MHSA PEI program supports the following Board of Supervisors' community outcomes: "Families that are Safe, Stable, and Nurturing"; and "Communities that are Safe and Provide a High Quality of Life for Children and Families". Expected program outcomes include an increase in positive social and emotional development as measured by the Child and Adolescent Functional Assessment Scale (CAFAS).

Report Title: Grant Award #28-828-4 from the California Department of Public Health

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Interim Health Services Director, or designee, to accept on behalf of the County Grant Award #28-828-4 from the California Department of Public Health (CDPH), to pay County an amount not to exceed $708,043 for the Family Maternal and Child Health, Nurse Family Partnership (NFP) Project through the California Home Visiting Program for the period July 1, 2025 through June 30, 2026.

FISCAL IMPACT:
Acceptance of this Grant Award will result in an amount not to exceed $708,043 from the CDPH for Fiscal Year 2025-26 for the NFP Project. No County match required.

BACKGROUND:
The California Department of Public Health, Maternal, Child and Adolescent Health (CDPH/MCAH) Division, California Home Visiting Program has awarded the County funding to implement the NFP Project. The NFP Project provides pregnant and parenting women with home visits, linkage and referrals to medical and social services and support with the baby until two (2) years of age. This support includes diapers, food, father involvement and quality assurance activities. This program uses evidence-based curriculum and is implemented by nurses in collaboration with mental health professionals for emotional support.

On August 13, 2024, the Board of Supervisors approved Grant Award #28-828-3 with CDPH to pay the County in an amount not to exceed $708,043 for the NFP Project for the period from July 1, 2024 through June 30, 2025.

Approval of Grant Award #28-828-4 will allow the County to continue the NFP Project through June 30, 2026.

CONSEQUENCE OF NEGATIVE ACTION:
If this contract is not approved, the County will not receive the funding necessary to support the goals of the NFP Project home visiting program.

Report Title: Grant Award #28-390-5 with California Department of Public Health

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Interim Health Services Director, or designee, to accept a Grant Award #28-390-5 from the California Department of Public Health (CDPH), to pay the County an amount not to exceed $581,787, for the Perinatal Health Equity Initiative for the period from July 1, 2025 through June 30, 2026.

FISCAL IMPACT:
Approval of this Grant Award will result in an amount not to exceed $581,787 from the CDPH for Fiscal Year 2025-26. No County match is required.

BACKGROUND:
The Perinatal Health Equity Initiative aims to improve birth outcomes in African American communities and was established with the passage of California State Legislature's AB 1810. Contra Costa Health Services - Family, Maternal & Child Health (FMCH) Programs has been funded to accomplish a scope of work which includes conducting an environmental scan, engaging community partners in a planning process to determine needs and gain a deeper understanding of the Black community and its infant mortality rate in Contra Costa County, and developing and implementing a public health awareness campaign to raise awareness about pre-term birth and infant mortality.

On August 13, 2024, the Board of Supervisors approved Grant Award #28-390-4 with California Department of Public Health for the Perinatal Health Equity Initiative, to pay County an amount not to exceed $581,787 for the period from July 1, 2024 through June 30, 2025.

Approval of Grant Award #28-390-5 will allow the County to continue to receive funding from the California Department of Public Health for the Perinatal Health Equity Initiative through June 30, 2026.

CONSEQUENCE OF NEGATIVE ACTION:
If this Award is not approved, the County will not receive funding to support the Perinatal Health Equity Initiative for Contra Costa County residents.

Report Title: Grant Award #28-510-11 with the California Department of Public Health

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Interim Health Services Director, or designee, to accept Grant Award #28-510-11 from the California Department of Public Health (CDPH), to pay the County an amount not to exceed $1,923,000 for the Black Infant Health (BIH) Program for the period from July 1, 2025 through June 30, 2026.

FISCAL IMPACT:
Approval of this Grant Award will result in an amount not to exceed $1,923,000 for FY 2025-26 from CDPH. No County match is required.

BACKGROUND:
The goals of the BIH program are to ensure black women in Contra Costa County are healthy before, during and after pregnancy, that infants are born healthy and thrive in their first years of life, and to reduce infant mortality with a focus on reducing disparities. The BIH Program is a client-centered, strength-based group intervention with 1:1 support that embraces the life course perspective and promotes social support, empowerment, skill building, stress reduction and goal setting. The BIH program works in collaboration with other programs including the Prenatal Care Guidance, Sudden Infant Death Syndrome, Community Oral Health Program, and the Comprehensive Perinatal Services Program. Contra Costa County has been receiving funds from CDPH for the BIH Program since 1991.

On August 13, 2024, the Board of Supervisors approved #28-510-10 with CDPH, to pay County in an amount not to exceed $2,787,687 for the BIH Program, for the period July 1, 2024 through June 30, 2025.

Approval of Grant Award #28-510-11 will allow County to continue to receive funds for the BIH Program through June 30, 2026.

CONSEQUENCE OF NEGATIVE ACTION:
If this Grant Award is not approved, the County will not receive funds to reduce disparities and improve the health of black women and their infants in Contra Costa County.

CHILDREN'S IMPACT STATEMENT:
The recommendation supports the following children's outcome(s): Children Ready for and Succeeding in School; Children and Youth Healthy and Preparing for Productive Adulthood; Families that are Economically

Self Sufficient; Families that are Safe, Stable and Nurturing; and Communities that are Safe and Provide a High Quality of Life for Children and Families.

Report Title: Grant Award #29-265-39 with the California Department of Public Health

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Interim Health Services Director, or designee, to accept Grant Award #29-265-39 from the California Department of Public Health (CDPH), to pay the County an amount not to exceed $150,010 for the Maternal, Child and Adolescent Health (MCAH) Program for the period from July 1, 2025 through June 30, 2026.

FISCAL IMPACT:
Approval of this Grant Award will result in an amount not to exceed $150,010 for Fiscal Year 2025-26 from CDPH. No County match is required.

BACKGROUND:
The goal of MCAH Programs within the Public Health Division of Contra Costa Health Services is to operate evidence-based programs to provide vulnerable women and their children with education, resources, and support during pregnancy and the early years of the child's life. Several of our programs for pregnant women, new mothers and families receive funding specifically to provide education, food and other emergency assistance including transportation and items to care for the women and their families. The MCAH programs encompass many sub programs including Prenatal Care Guidance, Sudden Infant Death Syndrome, Infant Mortality monitoring and support, Community Oral Health Program, and the Comprehensive Perinatal Services Program. Contra Costa County has been receiving funds from CDPH for the MCAH Program since 1985.

On August 13, 2024, the Board of Supervisors approved Grant Award #29-265-38 with CDPH, in an amount of $1,325,837 for the period from July 1, 2024 through June 30, 2025.

Approval of Grant Award #29-265-39 will allow County to continue to receive funds for the MCAH Program through June 30, 2026.

CONSEQUENCE OF NEGATIVE ACTION:
If this Grant Award is not approved, the County will not receive funds to expand support to vulnerable women and their children in Contra Costa County.

CHILDREN'S IMPACT STATEMENT:
The recommendation supports the following children's outcome(s): Children Ready for and Succeeding in

School; Children and Youth Healthy and Preparing for Productive Adulthood; Families that are Economically Self Sufficient; Families that are Safe, Stable and Nurturing; and Communities that are Safe and Provide a High Quality of Life for Children and Families.

To: Board of Supervisors

From: Dr. Ori Tzvieli, Interim Health Services Director

Report Title: Contract #77-231-2 with Horace Beach, Ph.D. California Professional Psychology Corporation

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Interim Health Services Director, or designee, to execute on behalf of the County Contract #77-231-2 with Horace Beach, Ph.D. California Professional Psychology Corporation, in an amount not to exceed $210,000, to provide behavioral health therapy services for Contra Costa Health Plan (CCHP) members for the period July 1, 2025 through June 30, 2028.

FISCAL IMPACT:
Approval of this Contract will result in contractual service expenditures of up to $210,000 over a three-year period and will be funded 100% by CCHP Enterprise Fund III revenues.

BACKGROUND:
CCHP has an obligation to provide certain behavioral health therapy services for its members under the terms of their Individual and Group Health Plan membership Contracts with the County. This Contractor has been part of the CCHP Provider Network providing these services and fostering a deep understanding of the CCHP organizations, mission, values, and long-term objectives since July 1, 2019.

This Contract is entered into under and subject to the following legal authorities: California Government Code §§ 26227 and 31000; Health and Safety Code § 1451. Health Services Personnel approved this Contract to ensure no conflicts with labor relations. Contractor will cooperate with and participate in CCHP's Quality Management Program which consists of quality improvement activities to improve the quality of care and services and member experience. Cooperation includes collection and evaluation of performance measurement data and participation in the organization's clinical and service measure Quality Improvement Programs. These contracted services were determined to be exempt from Administrative Bulletin 600.3 solicitation requirements by the Public Works Department's Purchasing Division.

In July 2022, the County Administrator approved and the Purchasing Services Manager executed Contract #77-231-1 with Horace Beach, Ph.D. California Professional Psychology Corporation, in an amount not to exceed $150,000, for the provision of behavioral health therapy services for CCHP Members, for the period July 1, 2022 through June 30, 2025.

Approval of new Contract #77-231-2 will allow the Contractor to continue to provide behavioral health therapy services for CCHP members through June 30, 2028.

CONSEQUENCE OF NEGATIVE ACTION:
If this Contract is not approved certain specialized behavioral health therapy services for CCHP members under the terms of their Individual and Group Health Plan membership Contracts with the County will not be provided and may cause a delay in services to CCHP members.

Report Title: Contract #74-641-5 with A&A Health Services LLC

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Interim Health Services Director, or designee, to execute on behalf of the County Contract #74-641-5 with A&A Health Services LLC, a limited liability company, in an amount not to exceed $1,909,002 to provide residential and mental health treatment services for adults diagnosed with Serious Mental Illness (SMI) and Severe and Persistent Mental Illness (SPMI), for the period July 1, 2025 through June 30, 2026.

FISCAL IMPACT:
Approval of this Contract will result in budgeted expenditures of up to $1,909,002 and will be funded by 43% Mental Health Realignment funds and 57% State Grant Funds.

BACKGROUND:
This Contract meets the social needs of County's population by providing residential facilities for adults who require support and are being discharged from state hospitals or psychiatric health facilities and require step-down care to transition to community living. Contractor has been providing residential and mental health services to County since January 1, 2022.

This Contract is entered into under and subject to the following legal authorities: Welfare and Institutions Code §§ 5600, et seq. (The Bronzan McCorquodale Act); California Code of Regulations ("CCR"), Title 9, §§ 523, et seq. (Community Mental Health Services); California Government Code §§ 26227 and 31000. This Contract was approved by Health Services Personnel to ensure there is no conflict with labor relations. Contractor shall comply with requirements and procedures established by the County, State and Federal governments for quality assurance and utilization review, including but not limited to, submission to County of periodic quality assurance reports, assignment of staff for utilization review coordination duties, use of standardized case record and treatment planning forms, and utilization of peer review. These contracted services were determined to be exempt from Administrative Bulletin 600.3 solicitation requirements by the Public Works Department's Purchasing Division

On July 9, 2024, the Board of Supervisors approved Contract #74-641-3 with A&A Health Services LLC, in an amount not to exceed $1,266,915, for the provision of residential and mental health treatment services for adults diagnosed with SMI and SPMI, for the period July 1, 2024 through June 30, 2025.

On December 3, 2024, the Board of Supervisors approved Contract Amendment #74-641-4 with A&A Health Services LLC, effective December 1, 2024, to increase the payment limit by $52,364 to a new payment limit of $1,319,279, for additional residential and mental health treatment services with no change in the term.

Approval of Contract #74-641-5 will allow Contractor to continue to provide services through June 30, 2026.

CONSEQUENCE OF NEGATIVE ACTION:
If this Contract is not approved, County clients in need of crisis residential or step-down care will not have access to Contractor's services possibly resulting in higher levels of placement, including hospitalization.

Report Title: Gift Cards for Clients of the Tobacco Prevention Coalition

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Purchasing Agent, or designee, to purchase on behalf of the Interim Health Services Director, up to 300 Target gift cards each with a $5 value for a total amount not to exceed $1,500 for community members who actively engage in Tobacco Prevention Coalition meetings, work groups, and related efforts for the period from July 1, 2025 through June 30, 2026.

FISCAL IMPACT:
The $1,500 expenditure will be funded by the California Department of Public Health, Local Lead Agencies (CDPH, LLA) Grant proceeds for the Tobacco Prevention Program during Fiscal Year 2025-26. There will be no impact to the County General Fund.

BACKGROUND:
Contra Costa Health's (CCH) Tobacco Prevention Program has consistently thrived through active community participation. The program's strength lies in its collaborative nature, where community efforts drive forward key policy campaigns aimed at reducing tobacco-related harm. Community members provide valuable insights and support that help shape local tobacco policies, ensuring they reflect the needs and concerns of those most affected. The success of the program is deeply rooted in this partnership between CCH and the public, as community engagement continues to be a critical element in influencing policy changes and educational initiatives. In the past, gift cards have been used to thank participants for their time and input, and moving forward, they will continue to serve a dual purpose. By providing gift cards, the program expresses gratitude to community members whose involvement is crucial to its success, while also acting as an incentive to encourage greater participation in surveys, meetings, and other coalition activities. These efforts help gather opinions on tobacco-related policies, which play a key role in informing educational campaigns and shaping policy efforts.

CONSEQUENCE OF NEGATIVE ACTION:
If this action is not approved, the grant funding would go unspent, and the funds would return to the funder.

Report Title: Contract #74-360-16 with Jewish Family and Community Services East Bay

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Interim Health Services Director, or designee, to execute on behalf of the County Contract #74-360-16 with Jewish Family and Community Services East Bay, a non-profit corporation, in an amount not to exceed $210,226 to provide Mental Health Services Act (MHSA) Prevention and Early Intervention (PEI) services underserved communities for the period July 1, 2025 through June 30, 2026.

FISCAL IMPACT:
Approval of this Contract will result in an annual expenditure of up to $210,226 for FY 2025-26 and will be funded 100% MHSA PEI revenues.

BACKGROUND:
This Contract meets the social needs of County's population by providing MHSA PEI services to the underserved communities in Contra Costa County. These services are aimed at supporting adults and their families by strengthening their communication and positively impacting the health and mental health of program participants. The Contractor has been providing these services since July 2009.

This Contract is entered into under and subject to the following legal authorities: California Government Code §§ 26227 and 31000. The Behavioral Health's Quality Management, Utilization Management and Contract Monitor Staff meet on a regular basis to ensure monitoring and performance measures in the contract are upheld. This Contract was approved by Health Services Personnel to ensure there is no conflict with labor relations.

This provider was selected in collaboration with community stakeholder advisory bodies and was approved as part of the comprehensive MHSA Three-Year Plan as required by State regulation. Providers interested in providing specialized services were invited proactively to participate in program development and offered the opportunity to submit interest at dozens of publicly noticed meetings. The services and vendors were identified in the formal Three-Year plan was approved on the following schedule that was noticed to the public and approved by the Board on August 1, 2023. The Three-Year Plan was posted for public comment from June 5, 2023 through July 5, 2023, there was a Public Hearing at the Mental Health Commission meeting on July 5, 2023, and it was approved by the Board of Supervisors on August 1, 2023.

On August 13, 2024, the Board of Supervisors approved Contract #74-360-15 with Jewish Family and

Community Services East Bay, in an amount not to exceed $200,216, to provide MHSA PEI services for the period July 1, 2024 through June 30, 2025.

Approval of Contract #74-360-16 will allow the Contractor to continue providing MHSA PEI services through June 30, 2026.

CONSEQUENCE OF NEGATIVE ACTION:
If this Contract is not approved, the necessary MHSA PEI services and support programs needed for patient care will not be available or will create increased wait times.

Report Title: Contract #74-331-17 with Helios Healthcare, LLC

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Interim Health Services Director, or designee, to execute on behalf of the County Contract #74-331-17 with Helios Healthcare, LLC, a limited liability company, in an amount not to exceed $558,012, to provide sub-acute skilled nursing care services for neurobehavioral clients with Serious Mental Illness (SMI), for the period July 1, 2025 through June 30, 2026.

FISCAL IMPACT:
Approval of this Contract will result in annual budgeted expenditures of up to $558,012 and will be funded 100% by Mental Health Realignment Funds.

BACKGROUND:
The County has been contracting with Helios Healthcare, LLC, since July 2008 to provide sub-acute skilled nursing care services for SMI and neurobehavioral clients. This Contract is entered into under and subject to the following legal authorities: Welfare and Institutions Code §§ 5600, et seq. (The Bronzan-McCorquodale Act); California Code of Regulations ("CCR"), Title 9, §§ 523, et seq. (Community Mental Health Services); California Government Code §§ 26227 and 31000. The Behavioral Health's Quality Management, Utilization Management and Contract Monitor staff meet on a regular basis to ensure monitoring and performance measures in the contract are upheld. This Contract was approved by Health Services Personnel to ensure there is no conflict with labor relations. These contracted services were determined to be exempt from Administrative Bulletin 600.3 solicitation requirements by the Public Works Department's Purchasing Division.

On August 13, 2024, the Board of Supervisors approved Contract #74-331-16 with Helios Healthcare, LLC, in an amount not to exceed $531,440, for the provision of sub-acute skilled nursing care services for neurobehavioral clients with SMI, for the period July 1, 2024 through June 30, 2025.

Approval of Contract #74-331-17 will allow the Contractor to continue providing sub-acute skilled nursing care services through June 30, 2026.

CONSEQUENCE OF NEGATIVE ACTION:
If this Contract is not approved, County clients will not have access to Contractor's sub-acute skilled nursing care services which may result in a reduction of services and placement in higher levels of care.

Report Title: Contract #74-271-65(16) with Judith McIntyre, MFT

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Interim Health Services Director, or designee, to execute on behalf of the County Contract #74-271-65(16) with Judith McIntyre, MFT, an individual, in an amount not to exceed $360,000, to provide Medi-Cal mental health services for beneficiaries in East Contra Costa County the period from July 1, 2025 through June 30, 2027.

FISCAL IMPACT:
Approval of this Contract will result in budgeted expenditures of up to $360,000 over a two-year period and will be funded 30% Federal Medi-Cal, 30% State Mental Health Realignment and 40% Contra Costa Health Plan Enterprise Fund II.

BACKGROUND:
On January 14, 1997, the Board of Supervisors adopted Resolution #97/17, authorizing the Health Services Director to contract with the State Department of Mental Health, (now known as the Department of Health Care Services) to assume responsibility for Medi-Cal specialty mental health services. Responsibility for outpatient specialty mental health services involves contracts with individual, group and organizational providers to deliver these services. This Contractor has provided Medi-Cal specialty mental health services to Contra Costa County beneficiaries since 2007.

This Contract is entered into under and subject to the following legal authorities: California Government Code §§ 26227 and 31000; Welfare and Institutions Code § 5775 et seq.; Welfare and Institutions Code §§ 14680-14685; California Code of Regulations (CCR), Title 9 § 1810.100 et seq. This Contract was approved by Health Services Personnel to ensure there is no conflict with labor relations. The Behavioral Health's Quality Management, Utilization Management and Contract Monitor Staff meet on a regular basis to ensure monitoring and performance measures in the Contract are upheld. Per Administrative Bulletin 600.3 the Department has posted a continuous Request for Qualifications and maintains a current qualified list of vendors at all times.

On June 13, 2023, the Board of Supervisors approved Contract #74-271-65(14) with Judith McIntyre, MFT, in the amount of $375,000 to provide Medi-Cal specialty mental health services, for the period from July 1, 2023 through June 30, 2025.

Approval of Contract #74-271-65(16) will allow Contractor to continue providing mental health services

through June 30, 2027.

CONSEQUENCE OF NEGATIVE ACTION:
If this Contract is not approved, services provided to Contra Costa Mental Health Plan Medi-Cal beneficiaries could be negatively impacted, including access to services, choice of providers, cultural competency, language capacity, geographical locations of service providers, and waiting lists.

Report Title: Contract #74-271-19(21) with Ena Rios Corp

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Health Services Director, or designee, to execute on behalf of the County Contract #74-271-19(21) with Ena Rios Corp, a corporation, in an amount not to exceed $330,000, to provide Medi-Cal specialty mental health services for beneficiaries in Contra Costa County, for the period July 1, 2025 through June 30, 2027.

FISCAL IMPACT:
Approval of this Contract will result in budgeted expenditures of up to $330,000 over a two-year period and will be funded 30% by Federal Medi-Cal, 30% State Mental Health Realignment, and 40% Contra Costa Health Plan Enterprise Fund II.

BACKGROUND:
This Contract meets the social needs of County's population by providing Medi-Cal specialty mental health services for members in Contra Costa County by providing assessment, testing, therapy and medication monitoring for treatment of anxiety, bipolar, depression, grief/loss, personality disorders, substance related disorders, and sexual and gender identity disorders. This Contractor has been providing these services as part of the Department's Behavioral Health Services Network since 2006.

This Contract is entered into under and subject to the following legal authorities: California Government Code §§ 26227 and 31000; Welfare and Institutions Code § 5775 et seq.; Welfare and Institutions Code §§ 14680-14685; California Code of Regulations (CCR), Title 9 § 1810.100 et seq. Division Contract monitoring staff meet on a regular basis to ensure monitoring of performance measures set forth in the Contract are upheld. This Contract was approved by Health Services Personnel to ensure there is no conflict with labor relations. The Behavioral Health's Quality Management, Utilization Management and Contract Monitor Staff meet on a regular basis to ensure monitoring and performance measures in the Contract are upheld. Per Administrative Bulletin 600.3 the Department has posted a continuous Request for Qualifications and maintains a current qualified list of vendors at all times.

In March 2024, the County Administrator approved and the Purchasing Services Manager executed Contract #74-271-19(18) with Ena Rios Corp, in an amount not to exceed $140,000 for the provision of Medi-Cal specialty mental health services for the period March 8, 2024 through June 30, 2025.

On September 24, 2024, the Board of Supervisors approved Contract Amendment #74-271-19(19) with Ena Rios Corp, effective March 8, 2024, to increase the payment limit by $80,000 to a new payment limit of $220,000 for additional Medi-Cal mental health services with no change in the term.

On February 25, 2025, the Board of Supervisors approved Contract Amendment #74-271-19(20) with Ena Rios Corp, effective March 1, 2025, to increase the payment limit by $100,000 to a new payment limit of $320,000 for additional Medi-Cal mental health services with no change in the term.

Approval of Contract #74-271-19(21) will allow the Contractor to provide additional Medi-Cal specialty mental health services, through June 30, 2027.

CONSEQUENCE OF NEGATIVE ACTION:
If this Contract is not approved, there will be fewer mental health services available as the County solicits and engages an alternative Contractor, which could result in increased wait times for services.

Report Title: Contract #74-405-15 with Lao Family Community Development Inc.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Interim Health Services Director, or designee, to execute on behalf of the County Contract #74-405-15 with Lao Family Community Development Inc., a non-profit corporation, in an amount not to exceed $236,304, to provide Mental Health Services Act (MHSA) Prevention and Early Intervention (PEI) services for diverse refugee, immigrant, limited English and low income U.S. born community members in Contra Costa County for the period from July 1, 2025 through June 30, 2026.

FISCAL IMPACT:
Approval of this Contract will result in budgeted expenditures of up to $236,304 for FY 2025-26 and will be funded 100% by MHSA revenues.

BACKGROUND:
This Contract meets the social needs of County's population by providing MHSA PEI services to the underserved Asian and Southeast Asian immigrant and refugee population in Contra Costa County. These services are aimed to help support older adults and their families by strengthening their communication and positively impacting the health and mental health of program participants. The Contractor has been providing these MHSA PEI services since July 2010.

This Contract is entered into under and subject to the following legal authorities: California Government Code §§ 26227 and 31000. This Contract was approved by Health Services Personnel to ensure there is no conflict with labor relations. The Behavioral Health's Quality Management, Utilization Management and Contract Monitor Staff meet on a regular basis to ensure monitoring and performance measures in the Contract are upheld. This provider was selected in collaboration with community stakeholder advisory bodies and was approved as part of the comprehensive MHSA Three-Year Plan as required by State regulation. Providers interested in providing specialized services were invited proactively to participate in program development and offered the opportunity to submit interest at dozens of publicly noticed meetings. The services and vendors were identified in the formal Three-Year plan that was approved on the following schedule that was noticed to the public. The Three-Year Plan was posted for public comment from June 5, 2023 through July 5, 2023, there was a Public Hearing at the Mental Health Commission meeting on July 5, 2023, and it was approved by the Board of Supervisors on August 1, 2023.

On July 23, 2024, the Board of Supervisors approved Contract #74-405-14 with Lao Family Community

Development Inc., in an amount not to exceed $225,051, for the provision of MHSA PEI services to underserved Asian and Southeast Asian older adults and families in Contra Costa County for the period from July 1, 2024 through June 30, 2025.

Approval of Contract #74-405-15 will allow the Contractor to continue providing MHSA PEI services through June 30, 2026.

CONSEQUENCE OF NEGATIVE ACTION:
If this Contract is not approved, MHSA PEI services and support programs will be delayed leading to reduced level of services for County's mental health clients.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Interim Health Services Director, or designee, to execute on behalf of the County Contract #74-475-133(5) with Maya Deshe Drori (dba Maya Drori Therapy), an individual, in an amount not to exceed $225,000, to provide Medi-Cal specialty mental health services for beneficiaries in West Contra Costa County ages thirteen (13) years and older, for the period from July 1, 2025 through June 30, 2027.

FISCAL IMPACT:
Approval of this Contract will result in budgeted expenditures of up to $225,000 over a two-year period and will be funded 30% Federal Medi-Cal, 30% State Mental Health Realignment and 40% Contra Costa Health Plan Enterprise Fund II.

BACKGROUND:
On January 14, 1997, the Board of Supervisors adopted Resolution #97/17, authorizing the Health Services Director to contract with the State Department of Mental Health, (now known as the Department of Health Care Services) to assume responsibility for Medi-Cal specialty mental health services. Responsibility for outpatient specialty mental health services involves contracts with individual, group and organizational providers to deliver these services. This Contractor has provided Medi-Cal specialty mental health services to Contra Costa County beneficiaries since September of 2020.

This Contract is entered into under and subject to the following legal authorities: California Government Code §§ 26227 and 31000; Welfare and Institutions Code § 5775 et seq.; Welfare and Institutions Code §§ 14680-14685; California Code of Regulations (CCR), Title 9 § 1810.100 et seq. Division Contract monitoring staff meet on a regular basis to ensure monitoring of performance measures set forth in the Contract are upheld. This Contract was approved by Health Services Personnel to ensure there is no conflict with labor relations. The Behavioral Health's Quality Management, Utilization Management and Contract Monitor Staff meet on a regular basis to ensure monitoring and performance measures in the Contract are upheld. Per Administrative Bulletin 600.3 the Department has posted a continuous Request for Qualifications and maintains a current qualified list of vendors at all times.

On June 13, 2023 the Board of Supervisors approved Contract #74-475-133(3) with Maya Drori, MFT (dba Maya Drori Therapy) in an amount not to exceed $210,000, to provide Medi-Cal specialty mental health services for beneficiaries ages thirteen (13) and older in West County for the period July 1, 2023 through June

30, 2025.

Approval of Contract #74-475-133(5) will allow Contractor to continue providing Medi-Cal specialty mental health services through June 30, 2027.

CONSEQUENCE OF NEGATIVE ACTION:
If this Contract is not approved, services provided to Contra Costa Mental Health Plan Medi-Cal beneficiaries could be negatively impacted, including access to services, choice of providers, cultural competency, language capacity, geographical locations of service providers, and waiting lists.

CHILDREN'S IMPACT STATEMENT:
The recommendation supports the following children's outcomes: (1) Families that are Safe, Stable and Nurturing; and (2) Communities that are Safe and Provide a High Quality of Life for Children and Families.

Report Title: 72-086-11 Contract with SPG Therapy & Education, PC

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Interim Health Services Director, or designee, to execute on behalf of the County Contract #72-086-11 with SPG Therapy & Education, PC, a professional corporation, in an amount not to exceed $600,000, to provide temporary staffing services for medically necessary occupational therapy (OT) and physical therapy (PT) for children eligible for the California Children's Services (CCS) Medical Therapy Program, for the period July 1, 2025 through June 30, 2028.

FISCAL IMPACT:
Approval of this Contract will result in budgeted expenditures of up to $600,000 over a three-year period and is funded by 50% State of California Children's Services and 50% County Children's Services.

BACKGROUND:
The CCS program provides medically necessary OT and PT services to children eligible for the CCS Medical Therapy Program. These services are mandated by the State of California. Physicians determine the need for therapy and prescribe the frequency and volume of services the child is to receive. In accordance with the Medical Treatment Utilization Schedule (MTUS), County is obligated to fulfill the prescriptions by providing the necessary staffing to provide services to children. This Contract will allow access to qualified registry staff to fill vacancies until it is possible to hire permanent employees or until a permanent employee returns to work. Contractor has been contracting with the County to provide these services since November 2015.

This Contract is entered into under and subject to the following legal authorities: California Government Code §§ 26227 and 31000. Public Health and Contra Costa Health Center's Quality Management, Utilization Management and Contract Monitor Staff meet on a regular basis to ensure monitoring and performance measures in the Contract are upheld. Health Services Personnel approved this Contract to ensure no conflicts with labor relations. These contracted services were determined to be exempt from Administrative Bulletin 600.3 Solicitation Requirements by the Public Works Department's Purchasing Division.

On May 17, 2022, the Board of Supervisors approved Contract #72-086-10 with The Speech Pathology Group, Inc., (now known as SPG Therapy & Education, PC) in an amount not to exceed $600,000, to provide temporary medically necessary OT and PT staffing services to children eligible for the California Children's Services (CCS) Medical Therapy Program, for the period July 1, 2022 through June 30, 2025.

Approval of Contract #72-086-11 will allow Contractor to continue providing medically necessary OT and PT staffing services to children eligible for the CCS Medical Therapy Program through June 30, 2028.

CONSEQUENCE OF NEGATIVE ACTION:
If this Contract is not approved, clients will not receive occupational therapy and physical therapy services to children eligible for the CCS Medical Therapy Program.

CHILDREN'S IMPACT STATEMENT:
This program supports the following Board of Supervisors' community outcomes: "Children Ready For and Succeeding in School"; "Families that are Safe, Stable, and Nurturing"; and "Communities that are Safe and Provide a High Quality of Life for Children and Families". Expected program outcomes include an increase in positive social and emotional development as measured by the Child and Adolescent Functional Assessment Scale (CAFAS).

Staff Report

File #: 25-2695 **Agenda Date:** 7/8/2025 **Agenda #:** C.82.

To: Board of Supervisors

From: Dr. Ori Tzvieli, Interim Health Services Director

Report Title: Agreement #28-956-4 with the Contra Costa County Office of Education

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Interim Health Services Director, or designee, to execute on behalf of the County Agreement #28-956-4 with the Contra Costa County Office of Education, an educational institution, to pay County an amount not to exceed $145,133 to employ a substance abuse counselor to screen incarcerated persons at West County Detention Facility for Substance Use (SU) treatment, for the period July 1, 2025 through June 30, 2026.

FISCAL IMPACT:
Approval of this Agreement will result in payments to the County of up to $145,133 from the Contra Costa County Office of Education. No County match is required.

BACKGROUND:
Over the last few years, Game Plan for Success (GPS) has collected a significant amount of data resulting from the Risk Needs Responsivity scores highlighting the prevalence of behavioral health needs for both mental health and SU disorders. Unfortunately, besides the Deuce program which includes light SU education, there is no SU treatment in any of the detention facilities. Furthermore, the National Institute on Health and Drug Abuse indicate that providing substance abuse treatment for those incarcerated in the detention facilities improves outcomes and increases public safety. The counselor will become part of the GPS team at West County Detention Facility and will screen individuals for SU severity following Diagnostic and Statistical Manual of Mental Disorders and American Society of Addiction Medicine criteria, coordinate transition to SU treatment upon discharge, gather data to demonstrate GPS program effectiveness, and arrange or provide transportation to SU programs through the reentry success center.

On September 24, 2024, the Board of Supervisors approved Agreement #28-956-3 with the Contra Costa County Office of Education, in an amount not to exceed $129,156, for a substance abuse counselor to screen incarcerated persons at West County Detention Facility for substance use treatment, for the period from July 1, 2024 through June 30, 2025.

Approval of Agreement #28-956-4 will allow the County's Alcohol and Other Drugs (AODS) Division to employ a substance abuse counselor to screen and support incarcerated persons through June 30, 2026. This Agreement obligates County to defend, indemnify, save and hold harmless the County Superintendent and his/her officers and employees from all claims and liabilities arising from County's services under the contract,

except claims arising from the sole negligence or willful misconduct of the County Superintendent or his/her officers or employees.

CONSEQUENCE OF NEGATIVE ACTION:
If this Agreement is not approved, inmates at West County jail will not receive SU treatment to improve outcome and increase public safety.

Report Title: Contract #74-575-15 with Lincoln

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Interim Health Services Director, or designee, to execute on behalf of the County Contract #74-575-15 with Lincoln, a non-profit corporation, in an amount not to exceed $624,200, to provide multi-dimensional family therapy (MDFT) for eligible adolescents ages 11-19 and their families who have mental health issues or co-occurring issues with substance abuse associated with mental health and behavioral problems, for the period July 1, 2025 through June 30, 2026.

FISCAL IMPACT:
Approval of this Contract will result in annual budgeted expenditures of up to $624,200 as budgeted by the department for FY 2025-26 and will be funded 100% by Mental Health Services Act revenue.

BACKGROUND:
This Contract meets the social needs of the County's population by providing MDFT for eligible adolescents, and their families, who have mental health issues or co-occurring issues with substance abuse associated with mental health and behavioral problems and who are on probation or referred by County's Mental Health Children's System of Care. The Behavioral Health Services Division has been contracting with Lincoln since July 2018.

This Contract is entered into under and subject to the following legal authorities: Welfare and Institutions Code §§ 5600, et seq. (The Bronzan McCorquodale Act); California Code of Regulations ("CCR"), Title 9, §§ 523, et seq. (Community Mental Health Services); California Government Code §§ 26227 and 31000. The Behavioral Health's Quality Management, Utilization Management and Contract Monitor Staff meet on a regular basis to ensure monitoring and performance measures in the contract are upheld. This contract was approved by Health Services Personnel to ensure there is no conflict with labor relations.

This Contractor was selected in collaboration with community stakeholder advisory bodies and was approved as part of the comprehensive Mental Health Services Act Three-Year Plan as required by State regulation. Providers interested in providing specialized services were invited proactively to participate in program development and offered the opportunity to submit interest at dozens of publicly noticed meetings. The services and vendors were identified in the formal Three-Year plan was approved on the following schedule that was noticed to the public and approved by the Board on August 1, 2023. The Three-Year Plan was posted for public comment from June 5, 2023 through July 5, 2023, and a Public Hearing was held at the Mental

Health Commission meeting on July 5, 2023. The plan was approved by the Board of Supervisors on August 1, 2023.
On September 10, 2024, the Board of Supervisors approved Contract #74-575-14 with Lincoln, in an amount not to exceed $594,447, to provide MDFT adolescents and their families, for the period July 1, 2024 through June 30, 2025.

Approval of Contract #74-575-15 will allow the Contractor to continue providing services through June 30, 2026.

CONSEQUENCE OF NEGATIVE ACTION:
If this Contract is not approved, adolescents and their families may experience reduced or discontinued behavioral health services.

CHILDREN'S IMPACT STATEMENT
This Contract supports the following Board of Supervisors' community outcomes: "Children Ready for and Succeeding in School"; "Families that are Safe, Stable, and Nurturing"; and "Communities that are Safe and Provide a High Quality of Life for Children and Families". Expected program outcomes include an increase in positive social and emotional development as measured by the Child and Adolescent Functional Assessment Scale (CAFAS) and placement at discharge to a lower level of care.

From: Dr. Ori Tzvieli, Interim Health Services Director

Report Title: Contract #24-933-50 with Crestwood Behavioral Health, Inc.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Interim Health Services Director, or designee, to execute on behalf of the County Contract #24-933-50 with Crestwood Behavioral Health, Inc., a corporation, in an amount not to exceed $5,925,000, to provide subacute skilled nursing care services for clients with Severe and Persistent Mental Illness (SPMI) and neurobehavioral disorders for the period July 1, 2025 through June 30, 2026.

FISCAL IMPACT:
Approval of this Contract will result in annual budgeted expenditures of up to $5,925,000 and will be funded 100% by Mental Health Realignment revenues.

BACKGROUND:
The Behavioral Health Services Department has been contracting with Crestwood Behavioral Health, Inc., since July 1997 to provide sub-acute skilled nursing care for County clients with SPMI and neurobehavioral disorders. This Contractor has been a longstanding partner since January 1998 in treating Contra Costa clients, fostering a deep understanding of the County's mission, values and long-term objectives.

This Contract is entered into under and subject to the following legal authorities: Welfare and Institutions Code, § 5600 et seq. (The Bronzan McCorquodale Act); California Code of Regulations ("CCR"), Title 9, § 523 et seq. (Community Mental Health Services) and California Government Code §§ 26227 and 31000. The Behavioral Health's Quality Management, Utilization Management and Contract Monitor Staff meet on a regular basis to ensure monitoring and performance measures in the contract are upheld. This Contract was approved by Health Services Personnel to ensure there is no conflict with labor relations. Per Administrative Bulletin 600.3 the Department has posted a continuous Request for Qualifications and maintains a current qualified list of vendors at all times.

On September 10, 2024, the Board of Supervisors approved Contract #24-933-49 with Crestwood Behavioral Health, Inc., in an amount not to exceed $4,647,844, to provide subacute skilled nursing care for clients with SPMI and neurobehavioral disorders for the period from July 1, 2024 through June 30, 2025.

Approval of Contract #24-933-50 will allow the Contractor to continue providing services through June 30, 2026. This Contract includes mutual indemnification to defend, indemnify, save and hold harmless each party for claims arising under this Contract.

CONSEQUENCE OF NEGATIVE ACTION:
If the Contract is not approved, a significant number of clients with SPMI and neurobehavioral disorders may be displaced to the community without the mental health services they require.

Report Title: Contract Amendment #76-701-6 with EKB Podiatry Inc.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Interim Health Services Director, or designee, to execute on behalf of the County, Contract Amendment #76-701-6 with EKB Podiatry Inc., a corporation, effective July 1, 2025, to amend Contract #76-701-4, to include twenty-four hour on-call services at Contra Costa Regional Medical Center (CCRMC) and Contra Costa Health Centers with no change in the payment limit of $1,050,000 or term ending July 31, 2025.

FISCAL IMPACT:
Approval of this Contract Amendment will not impact the payment limit of $1,050,000 funded 100% by Hospital Enterprise Fund I revenues.

BACKGROUND:
Due to the limited number of specialty providers available within the community, CCRMC and Health Centers rely on contracts to provide necessary specialty health services to their patients. This Contractor has been a part of the CCRMC Provider Network providing podiatry services and fostering a deep understanding of the CCRMC organizations mission, values, and long-term objectives since August 2020.

This Contract is entered into under and subject to the following legal authorities: California Government Code §§ 26227 and 31000; Health and Safety Code § 1451. Health Services Personnel approved this Contract to ensure no conflicts with labor relations. CCRMC's Quality Management, Utilization Management and Contract Monitor Staff meet on a regular basis to ensure monitoring and performance measures in the Contract are upheld. Per Administrative Bulletin 600.3, CCRMC Physician services are exempt from Solicitation requirements.

On July 12, 2022, the Board of Supervisors approved Contract #76-701-4 with EKB Podiatry Inc., in an amount not to exceed $1,050,000 for the provision of podiatry services at CCRMC and Contra Costa Health Centers, for the period from August 1, 2022 through July 31, 2025.

Approval of Contract Amendment #76-701-6 will allow the Contractor to provide twenty-four hour on-call podiatry services with no change in the payment limit or term ending July 31, 2025.

CONSEQUENCE OF NEGATIVE ACTION:

If this Contract is not approved twenty-four hour on-call for podiatry services will not be provided by this Contractor which can have a significant negative impacts for CCRMC patients seeking podiatric care.

Report Title: Contract #74-341-93(12) with Allison Smith, MFT

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Interim Health Services Director, or designee, to execute on behalf of the County Contract #74-341-93(12) with Allison Smith, MFT, an individual, in an amount not to exceed $310,000, to provide Medi-Cal specialty mental health services for beneficiaries ages 11 years and older in East and Central Contra Costa County, for the period from July 1, 2025 through June 30, 2027.

FISCAL IMPACT:
Approval of this Contract will result in budgeted expenditures of up to $310,000 over a two-year period and will be funded 30% Federal Medi-Cal, 30% State Mental Health Realignment, and 40% Contra Costa Health Plan Enterprise Fund II.

BACKGROUND:
On January 14, 1997, the Board of Supervisors adopted Resolution #97/17, authorizing the Health Services Director to contract with the State Department of Mental Health, (now known as the Department of Health Care Services) to assume responsibility for Medi-Cal specialty mental health services. Responsibility for outpatient specialty mental health services involves contracts with individual, group and organizational providers to deliver these services. This Contractor has provided Medi-Cal specialty mental health services to Contra Costa County beneficiaries since November of 2011.

This Contract is entered into under and subject to the following legal authorities: California Government Code §§ 26227 and 31000; Welfare and Institutions Code § 5775 et seq.; Welfare and Institutions Code §§ 14680-14685; California Code of Regulations (CCR), Title 9 § 1810.100 et seq. This Contract was approved by Health Services Personnel to ensure there is no conflict with labor relations. The Behavioral Health's Quality Management, Utilization Management and Contract Monitor Staff meet on a regular basis to ensure monitoring and performance measures in the Contract are upheld. Per Administrative Bulletin 600.3 the Department has posted a continuous Request for Qualifications and maintains a current qualified list of vendors at all times.

On June 13, 2023, the Board of Supervisors approved Contract #74-341-93(10) with Allison Smith, MFT, in an amount not to exceed $330,000, to provide Medi-Cal specialty mental health services for beneficiaries ages 11 years and older in East and Central Contra Costa County, for the period of July 1, 2023 through June 30, 2025.

Approval of Contract #74-341-93(12) will allow Contractor to continue providing Medi-Cal specialty mental

health services through June 30, 2027.

CONSEQUENCE OF NEGATIVE ACTION:
If this Contract is not approved, services provided to Contra Costa Mental Health Plan Medi-Cal beneficiaries could be negatively impacted, including access to services, choice of providers, cultural competency, language capacity, geographical locations of service providers, and waiting lists.

CHILDREN'S IMPACT STATEMENT:
The recommendation supports the following children's outcomes: (1) Families that are Safe, Stable and Nurturing; and (2) Communities that are Safe and Provide a High Quality of Life for Children and Families.

Report Title: Contract #74-475-86(10) with Allied Medical and Consultation Services, P.C.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Interim Health Services Director, or designee, to execute on behalf of the County Contract #74-475-86(10) with Allied Medical and Consultation Services, P.C., a corporation, in an amount not to exceed $900,000, to provide Medi-Cal specialty mental health services to members in East Contra Costa County, for the period July 1, 2025 through June 30, 2026.

FISCAL IMPACT:
Approval of this Contract will result in expenditures of up to $900,000 will be funded by 30% Federal Medi-Cal, 30% State Mental Health Realignment, and 40% Contra Costa Health Plan Enterprise Fund II.

BACKGROUND:
This Contract meets the social needs of County's population by providing Medi-Cal specialty mental health services for members of all ages in East Contra Costa County by providing assessment, testing, therapy and medication monitoring for treatment of anxiety, bipolar, depression, grief/loss, personality disorders, substance related disorders, and sexual and gender identity disorders. This Contractor has been providing these services as part of the Department's Behavioral Health Services Network since 2018.

This Contract is entered into under and subject to the following legal authorities: California Government Code §§ 26227 and 31000; Welfare and Institutions Code § 5775 et seq.; Welfare and Institutions Code §§ 14680-14685; California Code of Regulations (CCR), Title 9 § 1810.100 et seq. This Contract was approved by Health Services Personnel to ensure there is no conflict with labor relations. The Behavioral Health's Quality Management, Utilization Management and Contract Monitor Staff meet on a regular basis to ensure monitoring and performance measures in the Contract are upheld. Per Administrative Bulletin 600.3 the Department has posted a continuous Request for Qualifications and maintains a current qualified list of vendors at all times.

On July 9, 2024, the Board of Supervisors approved Contract #74-475-86(9) with Allied Medical and Consultation Services, P.C. in an amount not to exceed $1,000,000, to provide Medi-Cal specialty mental health services, for the period from July 1, 2024 through June 30, 2025.

Approval of Contract #74-475-86(10) will allow the Contractor to continue providing Medi-Cal specialty mental health services, through June 30, 2026.

CONSEQUENCE OF NEGATIVE ACTION:
If this Contract is not approved, there will be fewer mental health services available as the County solicits and engages an alternative Contractor, which could result in increased wait times for services.

Report Title: Contract #26-378-17 with Concord Yellow Cab, Inc.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Interim Health Service Director, or designee, to execute on behalf of the County Contract #26-378-17 with Concord Yellow Cab, Inc., a corporation, in an amount not to exceed $250,000, to provide non-emergency taxicab transportation services for patients at Contra Costa Regional Medical Center (CCRMC) and Contra Costa Health Centers for the period July 1, 2025 through June 30, 2026.

FISCAL IMPACT:
Approval of this Contract will result in annual expenditures of up to $250,000 and will be funded as budgeted by the department in FY 2025-26, 100% by Hospital Enterprise Fund I revenues.

BACKGROUND:
CCRMC and Contra Costa Health Centers have an obligation to provide non-emergency taxicab transportation services to patients. The County has been contracting with Concord Yellow Cab since July 2022 to provide non -emergency transport services to patients unable to transport themselves to medical appointments due to medical conditions, including verifiable seizure disorders or other physical disabilities which make it unsafe for patients to travel on public transportation, or may have been prescribed medication which has or could, impair patient mobility. This Contract is entered into under and subject to the following legal authorities: California Government Code §§ 31000. Health Services Personnel approved this Contract to ensure no conflicts with labor relations. CCRMC's Quality Management, Utilization Management and Contract Monitor Staff meet on a regular basis to ensure monitoring and performance measures in the contract are upheld. This Contractor was approved by the Public Works Department's Purchasing Division on March 31, 2025.

On July 18, 2023, the Board of Supervisors approved Contract #26-378-16 with Concord Yellow Cab, Inc., in the amount not to exceed $720,000, for the provision of non-emergency taxicab transportation to patients at CCRMC and Contra Costa Health Centers, for the period July 1, 2023 through June 30, 2025.

Approval of Contract #26-378-17 will allow the Contractor to continue providing non-emergency taxicab transportation services through June 30, 2026.

CONSEQUENCE OF NEGATIVE ACTION:
If this Contract is not approved, patients requiring non-emergency taxicab transportation services will not receive services from the Contractor.

Report Title: Contract #24-680-45 with Telecare Corporation

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Interim Health Services Director, or designee, to execute on behalf of the County Contract #24-680-45 with Telecare Corporation, a corporation, in an amount not to exceed $1,492,648, to provide gero-psychiatric and subacute mental health care services for County residents with Severe and Persistent Mental Illness (SPMI), for the period July 1, 2025 through June 30, 2026.

FISCAL IMPACT:
Approval of this Contract will result in annual budgeted expenditures of up to $1,492,648 and will be funded by 76% Behavioral Health Realignment Funds, 16% Hospital Enterprise Fund I, and 8% Federal County General Fund revenues.

BACKGROUND:
The County has been contracting with Telecare Corporation since July 1997 to provide gero-psychiatric services and subacute care for SPMI County residents at Contractor's Garfield Neuro-Behavioral Center, and Morton Bakar Center. This Contract is part of the Department's cost saving plan to reduce the number of high-cost State Hospital beds by developing alternative placements.

This Contract is entered into under and subject to the following legal authorities: California Government Code §§ 26227 and 31000. Health Services Personnel approved this Contract to ensure no conflicts with labor relations. Contractor currently cooperates and participates in BHSD's Quality Management Program which consists of quality improvement activities to improve the quality of care, services and member experience. These contracted services were determined to be exempt from Administrative Bulletin 600.3 solicitation requirements by the Public Works Department's Purchasing Division.

On August 13, 2024, the Board of Supervisors approved Contract #24-680-44 with Telecare Corporation, in an amount not to exceed $1,421,569, for the provision of gero-psychiatric and subacute mental health care services for SPMI County residents, for the period July 1, 2024 through June 30, 2025.

Approval of Contract #24-680-45 will allow the Contractor to continue providing gero-psychiatric and subacute mental health care services through June 30, 2026.

CONSEQUENCE OF NEGATIVE ACTION:
If this Contract is not approved, County's SPMI adults will not have access to Contractor's gero-psychiatric and subacute care services which may result in a reduction of services and placement in higher levels of care.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Interim Health Services Director, or designee, to execute on behalf of the County Contract #74-475-140(6) with Stewart Solutions, a nonprofit corporation, in an amount not to exceed $240,000, to provide Medi-Cal specialty mental health services to members in Central Contra Costa County, for the period July 1, 2025 through June 30, 2027.

FISCAL IMPACT:
Approval of this Contract will result in budgeted expenditures of up to $240,000 over a two-year period and will be funded 30% Federal Medi-Cal, 30% State Mental Health Realignment, and 40% Contra Costa Health Plan Enterprise Fund II.

BACKGROUND:
This Contract meets the social needs of County's population by providing Medi-Cal specialty mental health services for members of all ages in East Contra Costa County by providing assessment, testing, therapy and medication monitoring for treatment of anxiety, bipolar, depression, grief/loss, personality disorders, substance related disorders, and sexual and gender identity disorders. This Contractor has been providing these services as part of the Department's Behavioral Health Services Network since 2021.

This Contract is entered into under and subject to the following legal authorities: California Government Code §§ 26227 and 31000; Welfare and Institutions Code § 5775 et seq.; Welfare and Institutions Code §§ 14680-14685; California Code of Regulations (CCR), Title 9 § 1810.100 et seq. This Contract was approved by Health Services Personnel to ensure there is no conflict with labor relations. The Behavioral Health's Quality Management, Utilization Management and Contract Monitor Staff meet on a regular basis to ensure monitoring and performance measures in the Contract are upheld. Per Administrative Bulletin 600.3 the Department has posted a continuous Request for Qualifications and maintains a current qualified list of vendors at all times.

In July of 2023, the County Administrator approved, and the Purchasing Services Manager executed Contract #74-475-140(3) with Stewart Solutions in an amount not to exceed $140,000 to provide Medi-Cal specialty mental health services, for the period July 1, 2023 through June 30, 2025.

In March of 2025, the Purchasing Services Manager executed Contract Amendment #74-475-140(4) with Stewart Solutions, effective March 1, 2025, to increase the payment limit by $35,000 to a new payment limit of

$175,000 for additional Medi-Cal specialty mental health services with no change in the term.

Approval of Contract #74-475-140(6) will allow the Contractor to continue providing Medi-Cal specialty mental health services through June 30, 2027.

CONSEQUENCE OF NEGATIVE ACTION:
If this Contract is not approved, there will be fewer mental health services available as the County solicits and engages an alternative Contractor, which could result in increased wait times for services.

Report Title: Interagency Agreement #28-343-7 with West Contra Costa Unified School District

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Interim Health Services Director, or designee, to execute on behalf of the County Interagency Agreement #28-343-7 with West Contra Costa Unified School District, a government agency, to provide school-based mobile clinic services, for the period from July 1, 2025 through June 30, 2030.

FISCAL IMPACT:
This is a non-financial agreement.

BACKGROUND:
This Agreement meets the social needs of County's population by providing mobile clinic services, including comprehensive physical exams, immunizations, Tuberculosis (TB) testing, sports physicals, and well-child care to low-income and disadvantaged school children and youth within the District.

This Agreement is entered into under and subject to the following legal authorities: California Government Code § 26227. Health Services Personnel approved this Contract to ensure no conflicts with labor relations. The Public Health's Quality Management, Utilization Management and Contract Monitor Staff meet on a regular basis to ensure monitoring and performance measures in the Contract are upheld. Per Administrative Bulletin 600.3, Intergovernmental Agreements are exempt from the solicitation requirements.

On November 3, 2020, the Board of Supervisors approved Interagency Agreement #28-343-6 with West Contra Costa Unified School District for the provision of school-based mobile clinic services to children and youth within the District for the period July 1, 2020 through June 30, 2025.

Approval of Interagency Agreement #28-343-7 will allow the Agency to continue providing school-based mobile clinic services through June 30, 2030. This Agreement includes County agreeing to defend, indemnify and hold harmless the District, its agents, officers and employees from any claims arising out of the perfomance under this Agreement.

CONSEQUENCE OF NEGATIVE ACTION:
If this Agreement is not approved, low-income and disadvantaged school children and youth in West Contra Costa County will not receive preventive health screenings, well-child examinations, and primary health care services from County's mobile clinics.

CHILDREN'S IMPACT STATEMENT:
This program supports the following Board of Supervisors' community outcomes: "Children Ready For and Succeeding in School" and "Communities that are Safe and Provide a High Quality of Life for Children and Families". Expected program outcomes include an increase in the number of healthy children within the District.

To: Board of Supervisors

From: Dr. Ori Tzvieli, Interim Health Services Director

Report Title: Contract #74-475-78(11) with Remarkable Marriage and Family Institute

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Interim Health Services Director, or designee, to execute on behalf of Contract #74-475-78(11) with Remarkable Marriage and Family Institute, a non-profit corporation, in an amount not to exceed $1,500,000, to provide Medi-Cal specialty mental health services to members in East Contra Costa County, for the period July 1, 2025 through June 30, 2026.

FISCAL IMPACT:
Approval of this Contract will result in annual expenditures of up to $1,500,000 and will be funded by 30% Federal Medi-Cal, 30% State Mental Health Realignment, and 40% Contra Costa Health Plan Enterprise Fund II.

BACKGROUND:
This Contract meets the social needs of County's population by providing Medi-Cal specialty mental health services for members of all ages in East Contra Costa County by providing assessment, testing, therapy and medication monitoring for treatment of anxiety, bipolar, depression, grief/loss, personality disorders, substance related disorders, and sexual and gender identity disorders. This Contractor has been providing these services as part of the Department's Behavioral Health Services Network since 2018.

This Contract is entered into under and subject to the following legal authorities: California Government Code §§ 26227 and 31000; Welfare and Institutions Code § 5775 et seq.; Welfare and Institutions Code §§ 14680-14685; California Code of Regulations (CCR), Title 9 § 1810.100 et seq. This Contract was approved by Health Services Personnel to ensure there is no conflict with labor relations. The Behavioral Health's Quality Management, Utilization Management and Contract Monitor staff meet on a regular basis to ensure monitoring and performance measures in the Contract are upheld. Per Administrative Bulletin 600.3 the Department has posted a continuous Request for Qualifications and maintains a current qualified list of vendors at all times.

On July 9, 2024, the Board of Supervisors approved Contract #74-475-78(8) with Remarkable Marriage and Family Institute, in an amount not to exceed $600,000, to provide Medi-Cal specialty mental health services, for the period from July 1, 2024 through June 30, 2025.

On February 25, 2025, the Board of Supervisors approved Contract Amendment #74-475-78(9) with Remarkable Marriage and Family Institute, effective March 1, 2025, to increase the payment limit by $250,000,

from $600,000 to a new payment limit of $850,000 to provide additional Medi-Cal specialty mental health services with no change in the term.
On April 28, 2025, the Board of Supervisors approved Contract Amendment #74-475-78(10) with Remarkable Marriage and Family Institute, effective April 1, 2025, to increase the payment limit by $484,000, from $850,000 to a new payment limit of $1,334,000 to provide additional Medi-Cal specialty mental health services with no change in the term.

Approval of Contract #74-475-78(11) will allow the Contractor to continue providing Medi-Cal specialty mental health services, through June 30, 2026.

CONSEQUENCE OF NEGATIVE ACTION:
If this Contract is not approved, there will be fewer mental health services available as the County solicits and engages an alternative Contractor, which could result in increased wait times for services.

Report Title: Contract #74-475-162(3) with Ricky Morris, LMFT

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Interim Health Services Director, or designee, to execute on behalf of the County Contract 74-475-162(3) with Ricky Morris LMFT, an individual, in an amount not to exceed $250,000, to provide Medi-Cal specialty mental health services for beneficiaries in East Costa County ages 16 years and older, for the period from July 1, 2025 through June 30, 2027.

FISCAL IMPACT:
Approval of this Contract will result in budgeted expenditures of up to $250,000 over a two-year period and will be funded by 30% Federal Medi-Cal, 30% State Mental Health Realignment, and 40% Contra Costa Health Plan Enterprise Fund II.

BACKGROUND:
On January 14, 1997, the Board of Supervisors adopted Resolution #97/17, authorizing the Health Services Director to contract with the State Department of Mental Health, (now known as the Department of Health Care Services) to assume responsibility for Medi-Cal specialty mental health services. Responsibility for outpatient specialty mental health services involves Contracts with individual, group and organizational providers to deliver these services. This Contractor has provided Medi-Cal specialty mental health services to Contra Costa County beneficiaries since September 1, 2022.

This Contract is entered into under and subject to the following legal authorities: California Government Code §§ 26227 and 31000; Welfare and Institutions Code § 5775 et seq.; Welfare and Institutions Code §§ 14680-14685; California Code of Regulations (CCR), Title 9 § 1810.100 et seq. This Contract was approved by Health Services Personnel to ensure there is no conflict with labor relations. The Behavioral Health's Quality Management, Utilization Management and Contract Monitor Staff meet on a regular basis to ensure monitoring and performance measures in the Contract are upheld. Per Administrative Bulletin 600.3 the Department has posted a continuous Request for Qualifications and maintains a current qualified list of vendors at all times.

On June 13, 2023, the Board of Supervisors approved Contract #74-475-162(1) with Ricky Morris, LMFT, in an amount not to exceed $250,000, to provide Medi-Cal specialty mental health services for beneficiaries in East Contra Costa County ages 16 years and older, for the period of July 1, 2023 through June 30, 2025.

Approval of Contract #74-475-162(3) will allow the Contractor to continue providing Medi-Cal specialty

mental health services through June 30, 2027.

CONSEQUENCE OF NEGATIVE ACTION:
If this Contract is not approved, there will be fewer mental health services available as the County solicits and engages an alternative Contractor, which could result in increased wait times for services.

CHILDREN'S IMPACT STATEMENT:
The recommendation supports the following children's outcomes: (1) Families that are Safe, Stable and Nurturing; and (2) Communities that are Safe and Provide a High Quality of Life for Children and Families.

Report Title: Contract #74-554-10 with NAMI Contra Costa

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Interim Health Services Director, or designee, to execute on behalf of the County Contract #74-554-10 with NAMI Contra Costa, a non-profit corporation, in an amount not to exceed $744,591, to provide a Family Volunteer Network Program to support families in Contra Costa County, who have loved ones with Severe and Persistent Mental Illness (SPMI), for the period July 1, 2025 through June 30, 2026.

FISCAL IMPACT:
Approval of this Contract will result in annual expenditures of up to $744,591 and will be funded as budgeted by the department in FY 2025-26, 100% by Mental Health Services Act (MHSA).

BACKGROUND:
The Behavioral Health Services Department has been contracting with NAMI Contra Costa since January 2018 to develop and implement a Family Volunteer Network Program which will provide consultation and support to families in Contra Costa County who have loved ones with SPMI. This program will address the unique needs of the participants in developing coping strategies and handling challenges posed by mental illness within their families. This Contract is entered into under and subject to the following legal authorities: California Government Code § 26227. Health Services Personnel approved this contract to ensure no conflicts with labor relations. Contractor has been a longstanding partner in treating Contra Costa clients, fostering a deep understanding of our organization's mission, values and long-term objectives. They possess unmatched expertise in a highly specialized area of Prevention and Early Intervention (PEI) services, essential for achieving optimal results and ensuring the highest level of client care.

This provider was selected in collaboration with community stakeholder advisory bodies and was approved as part of the comprehensive Mental Health Services Act Three-Year Plan as required by State regulation. Providers interested in providing specialized services were invited proactively to participate in program development and offered the opportunity to submit interest at dozens of publicly noticed meetings. The services and vendors were identified in the formal Three-Year plan was approved on the following schedule that was noticed to the public and approved by the Board on August 1, 2023. The Three-Year Plan was posted for public comment from June 5, 2023 through July 5, 2023, there was a Public Hearing at the Mental Health Commission meeting on July 5, 2023, and it was approved by the Board of Supervisors on August 1, 2023.

On July 23, 2024, the Board of Supervisors approved Contract #74-554-9 with NAMI Contra Costa, in an amount not to exceed $709,135, for the provision of support to the County's Family Volunteer Network Program for the period July 1, 2024 through June 30, 2025.

Approval of Contract #74-554-10 will allow the Contractor to continue providing services through June 30, 2026.

CONSEQUENCE OF NEGATIVE ACTION:
If this Contract is not approved, families will not receive the support they need from this provider to support loves ones with SPMI.

Report Title: Contract #74-630-5 with Mental Health Connections

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Interim Health Services Director, or designee, to execute on behalf of the County Contract #74-630-5 with Mental Health Connections, a non-profit corporation, in an amount not to exceed $1,982,187, to provide community-based mental health support services to adults, including Putnam Peer Connection Center and Service Provider Individualized Recovery Intensive Training (SPIRIT) program, for the period July 1, 2025 through June 30, 2026.

FISCAL IMPACT:
Approval of this Contract will result in annual expenditures of up to $1,982,187 and will be funded as budgeted by the department in FY 2025-26, 100% by Mental Health Services Act (MHSA).

BACKGROUND:
For a number of years, County contracted with Recovery Innovations, Inc. for the operation of Wellness and Recovery Centers in East, Central and West County, as well as, for the organization and operation of the SPIRIT program to provide training to clients interested in working with in the local mental health service delivery system. Mental Health Connections has provided these community-based mental health services to the County since July 1, 2021. This Contract is entered into under and subject to the following legal authorities: California Government Code §§ 26227 and 31000. Health Services Personnel approved this Contract to ensure no conflicts with labor relations. Contractor currently cooperates and participates in Behavioral Health's Quality Management Program which consists of quality improvement activities to improve the quality of care, services and member experience.

This provider was selected in collaboration with community stakeholder advisory bodies and was approved as part of the comprehensive Mental Health Services Act Three-Year Plan as required by State regulation. Providers interested in providing specialized services were invited proactively to participate in program development and offered the opportunity to submit interest at dozens of publicly noticed meetings. The services and vendors were identified in the formal Three-Year plan was approved on the following schedule that was noticed to the public and approved by the Board on August 1, 2023. The Three-Year Plan was posted for public comment from June 5, 2023 through July 5, 2023, and a Public Hearing was held at the Mental Health Commission meeting on July 5, 2023. The plan was approved by the Board of Supervisors on August 1, 2023.

On September 10, 2024, the Board of Supervisors approved Contract #74-630-4 with Mental Health Connections, in the amount not to exceed $1,887,838, for the provision of community-based mental health support services including operation of Putnam Peer Connection Centers and the SPIRIT program for the period July 1, 2024 through June 30, 2025.

Approval of Contract #74-630-5 will allow Contractor to continue providing community-based mental health support services to adults and the SPIRIT program, through June 30, 2026.

CONSEQUENCE OF NEGATIVE ACTION:
If this Contract is not approved, the County's adult mental health clients will not have access to services provided by this Contractor, leading to reduced levels of mental health support and training services throughout the County.

Report Title: Contract #74-676-2 with Seneca Family of Agencies

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Interim Health Services Director, or designee, to execute on behalf of the County Contract #74-676-2 with Seneca Family of Agencies, a non-profit corporation, in an amount not to exceed $773,964, to provide Mental Health Services Act (MHSA) Full Service Partnership (FSP) program services to non-Medi-Cal children and their families with Serious Emotional Disturbance (SED) and or Serious Mental Illness (SMI), for the period July 1, 2025 through June 30, 2026.

FISCAL IMPACT:
Approval of this Contract will result in annual expenditures of up to $773,964 and will be funded as budgeted by the department in FY 2025-26, 100% by MHSA revenues.

BACKGROUND:
This Contract meets the social needs of County's population by providing a FSP Program funded by the MHSA, providing a comprehensive range of mental health services and supports in West, Central and East Contra Costa County to non-Medi-Cal youth and their families with serious emotional disturbance, SMI and who are likely to exhibit co-occurring disorders with severe life stressors and from an underserved population. This Contractor has been providing MHSA FSP services to the County since July 1, 2023.

This Contract is entered into under and subject to the following legal authorities: Welfare and Institutions Code, § 5600 et seq. (The Bronzan-McCorquodale Act); California Code of Regulations ("CCR"), Title 9, § 523 et seq. (Community Mental Health Services) and California Government Code §§ 26227 and 31000. This Contract was approved by Health Services Personnel to ensure there is no conflict with labor relations. The Behavioral Health's Quality Management, Utilization Management and Contract Monitor Staff meet on a regular basis to ensure monitoring and performance measures in the Contract are upheld.

This provider was selected in collaboration with community stakeholder advisory bodies and was approved as part of the comprehensive Mental Health Services Act Three-Year Plan as required by State regulation. Providers interested in providing specialized services were invited proactively to participate in program development and offered the opportunity to submit interest at dozens of publicly noticed meetings. The services and vendors were identified in the formal Three-Year plan was approved on the following schedule that was noticed to the public and approved by the Board on August 1, 2023. The Three-Year Plan was posted for public comment from June 5, 2023 through July 5, 2023, there was a Public Hearing at the Mental Health

Commission meeting on July 5, 2023, and it was approved by the Board of Supervisors on August 1, 2023.

On September 10, 2024, the Board of Supervisors approved Contract #74-676-1 with Seneca Family of Agencies, in an amount not to exceed $737,109, to provide MHSA FSP program services to non-Medi-Cal children and their families with SED and or SMI, for the period July 1, 2024 through June 30, 2025.

Approval of Contract #74-676-2 will allow Contractor to continue providing MHSA FSP program services through June 30, 2026.

CONSEQUENCE OF NEGATIVE ACTION:
If this Contract is not approved, SED and SMI youth requiring MHSA FSP program services will not have access to Contractor's mental health services, leading to reduced levels of service to the community and potential placement in higher levels of care.

CHILDREN'S IMPACT STATEMENT:
This Contract supports the following Board of Supervisors' community outcomes: "Families that are Safe, Stable, and Nurturing" and "Communities that are Safe and Provide a High Quality of Life for Children and Families". Expected program outcomes include increases in social connectedness, communication skills, parenting skills, and knowledge of the human service system in Contra Costa County.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Interim Health Services Director, or designee, to execute on behalf of the County Contract #24-717-14 with Portia Bell Hume Behavioral Health and Training Center, a non-profit corporation, in an amount not to exceed $3,176,962, to provide Mental Health Services Act (MHSA) Full Service Partnership (FSP) program services to non-Medi-Cal adults with Serious Emotional Disturbance (SED) and or Serious Mental Illness (SMI) who are homeless or at serious risk of homelessness, for the period July 1, 2025 through June 30, 2026.

FISCAL IMPACT:
Approval of this Contract will result in annual expenditures of up to $3,176,962 and will be funded as budgeted by the department in FY 2025-26, 100% by MHSA.

BACKGROUND:
This Contract meets the social needs of County's population by providing FSP Program services funded by the MHSA, providing a comprehensive range of services and supports in West, Central and East Contra Costa County including case management, mental health services, medication support, and crisis intervention to non-Medi-Cal adults with SED and or SMI who are homeless or at serious risk of homelessness. Contractor has been providing MHSA FSP program services to the County since March 2014.

This Contract is entered into under and subject to the following legal authorities: Welfare and Institutions Code §§ 5600, et seq. (The Bronzan-McCorquodale Act); California Code of Regulations ("CCR"), Title 9, §§ 523, et seq. (Community Mental Health Services); California Government Code §§ 26227 and 31000. Health Services Personnel approved this contract to ensure no conflicts with labor relations. The Behavioral Health's Quality Management, Utilization Management and Contract Monitor Staff meet on a regular basis to ensure monitoring and performance measures in the contract are upheld. This Contract was approved by Health Services Personnel to ensure there is no conflict with labor relations.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Interim Health Services Director, or designee, to execute on behalf of the County Contract #74-475-178(2) with Discover Me | Us Marriage and Family Therapy Prof. Corp. (dba Discover Me Us Counseling Services), a professional corporation, in an amount not to exceed $220,000, to provide Medi-Cal specialty mental health services to beneficiaries in Contra Costa County, for the period July 1, 2025 through June 30, 2027.

FISCAL IMPACT:
Approval of this Contract will result in budgeted expenditures of up to $220,000 over a two-year period and will be funded by 30% Federal Medi-Cal, 30% State Mental Health Realignment, and 40% Contra Costa Health Plan Enterprise Fund II.

BACKGROUND:
On January 14, 1997, the Board of Supervisors adopted Resolution #97/17, authorizing the Health Services Director to contract with the State Department of Mental Health, (now known as the Department of Health Care Services) to assume responsibility for Medi-Cal specialty mental health services. Responsibility for outpatient specialty mental health services involves Contracts with individual, group and organizational providers to deliver these services. This Contractor has provided Medi-Cal specialty mental health services to Contra Costa County beneficiaries since April 1, 2024.

This Contract is entered into under and subject to the following legal authorities: California Government Code §§ 26227 and 31000; Welfare and Institutions Code § 5775 et seq.; Welfare and Institutions Code §§ 14680-14685; California Code of Regulations (CCR), Title 9 § 1810.100 et seq. This Contract was approved by Health Services Personnel to ensure there is no conflict with labor relations. The Behavioral Health's Quality Management, Utilization Management and Contract Monitor Staff meet on a regular basis to ensure monitoring and performance measures in the Contract are upheld. Per Administrative Bulletin 600.3 the Department has posted a continuous Request for Qualifications and maintains a current qualified list of vendors at all times.

On April 9, 2024, the Board of Supervisors approved Contract #74-475-178 with Discover Me | Us Marriage and Family Therapy Prof. Corp. (dba Discover Me Us Counseling Services), in an amount not to exceed $650,000, to provide Medi-Cal specialty mental health services for beneficiaries in Contra Costa County, for

the period of April 1, 2024 through June 30, 2025.

Approval of Contract #74-475-178(2) will allow the Contractor to continue providing Medi-Cal specialty mental health services through June 30, 2027.

CONSEQUENCE OF NEGATIVE ACTION:
If this Contract is not approved, there will be fewer mental health services available as the County solicits and engages an alternative contractor, which could result in increased wait times for services.

Report Title: Application #78-050-2 to the California Conference of Directors of Environmental Health

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Interim Health Services Director, or designee (Deputy Director of Health Services, Director of Environmental Health, or Assistant Director of Environmental Health), to submit Grant Application #78-050-2 to the California Conference of Directors of Environmental Health, to apply for an award in an amount not to exceed $20,000 for the Micro Enterprise Home Kitchen Operation (MEHKO) Assistance Program.

FISCAL IMPACT:
Approval of this Application may result in an amount not to exceed $20,000 from the California Conference of Directors of Environmental Health. (No County match required)

BACKGROUND:
Assembly Bill (AB) 626, enacted in 2019, amended the California Health and Safety Code to create a MEHKOs, as a new type of retail food facility that allows an individual to operate a restaurant within their private residence. Since the state established MEHKOs in 2019, eight Counties have authorized MEHKOs. In addition, three Counties have temporarily authorized MEHKO pilot programs. Combined, there are over 200 permitted MEHKOs across the state as of the end of 2022.

On December 12, 2023, the Board of Supervisors approved submission of Application #78-050 to the California Conference of Directors of Environmental Health for the MENKO Assistance Program for an award amount up to $2,612,000.

On April 9, 2024, the Board of Supervisors approved Grant Award #78-050-1 to allow County to accept funds for the MEHKO Assistance Program in an amount not to exceed $110,722, to be distributed on May 31, 2025.

Approval to submit Application #78-050-2 will allow County to apply for funds for the MEHKO Assistance Program in an amount not to exceed $20,000 to be distributed on September 30, 2025.

CONSEQUENCE OF NEGATIVE ACTION:
If this Application is not approved, the County will not apply for funds to support program development activities provided by the Environmental Health Division staff.

Report Title: Contract #74-341-32(15) with Aurora Mandy, MFT

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Interim Health Services Director, or designee, to execute on behalf of the County Contract #74-341-32(15) with Aurora Mandy, MFT, an individual, in an amount not to exceed $220,000, to provide Medi-Cal specialty mental health services to members in East Contra Costa County, for the period July 1, 2025 through June 30, 2027.

FISCAL IMPACT:
Approval of this Contract will result in budgeted expenditures of up to $220,000 over a two-year period and will be funded 30% Federal Medi-Cal, 30% State Mental Health Realignment, and 40% Contra Costa Health Plan Enterprise Fund II.

BACKGROUND:
This Contract meets the social needs of County's population by providing Medi-Cal specialty mental health services for members of all ages in East Contra Costa County by providing assessment, testing, therapy and medication monitoring for treatment of anxiety, bipolar, depression, grief/loss, personality disorders, substance related disorders, and sexual and gender identity disorders. This Contractor has been providing these services as part of the Department's Behavioral Health Services Network since 2009.

This Contract is entered into under and subject to the following legal authorities: California Government Code §§ 26227 and 31000; Welfare and Institutions Code § 5775 et seq.; Welfare and Institutions Code §§ 14680-14685; California Code of Regulations (CCR), Title 9 § 1810.100 et seq. This Contract was approved by Health Services Personnel to ensure there is no conflict with labor relations. The Behavioral Health's Quality Management, Utilization Management and Contract Monitor Staff meet on a regular basis to ensure monitoring and performance measures in the Contract are upheld. Per Administrative Bulletin 600.3 the Department has posted a continuous Request for Qualifications and maintains a current qualified list of vendors at all times.

In June of 2023, the County Administrator approved, and the Purchasing Services Manager executed Contract #74-341-32(12) with Aurora Mandy, MFT in an amount not to exceed $150,000 to provide Medi-Cal specialty mental health services, for the period July 1, 2023 through June 30, 2025.

In July of 2023, the Purchasing Services Manager executed Contract Amendment #74-341-32(13) with Aurora Mandy, MFT, effective October 1, 2024, to increase the payment limit by $25,000 to a new payment limit of

$175,000 with no change in the term for additional Medi-Cal specialty mental health services, through June 30 2025.

Approval of Contract #74-341-32(15) will allow the Contractor to continue providing Medi-Cal specialty mental health services, through June 30, 2027.

CONSEQUENCE OF NEGATIVE ACTION:
If this Contract is not approved, there will be fewer mental health services available as the County solicits and engages an alternative Contractor, which could result in increased wait times for services.

CHILDREN'S IMPACT STATEMENT:
The recommendation supports the following children's outcomes: (1) Families that are Safe, Stable and Nurturing; and (2) Communities that are Safe and Provide a High Quality of Life for Children and Families.

Report Title: Contract #74-452-19 with La Clinica De La Raza, Inc.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Interim Health Services Director, or designee, to execute on behalf of the County Contract #74-452-19 with La Clinica De La Raza, Inc., a non-profit corporation, in an amount not to exceed $800,000, to provide Medi-Cal specialty mental health services for Seriously Emotionally Disturbed (SED) minority children and their families in East and West Contra Costa County for the period from July 1, 2025 through June 30, 2026.

FISCAL IMPACT:
Approval of this Contract will result in annual budgeted expenditures of up to $800,000 for FY 2025-26 and will be funded 100% by Federal Medi-Cal revenues.

BACKGROUND:
Behavioral Health Services Division (BHSD)/Mental Health has an obligation to provide certain Medi-Cal specialty mental health services, for its members under the terms of their Individual and Group Health Plan membership Contracts with the County. This Contract meets the social needs of County's population by providing community-based mental health services focusing on SED children, adolescents and their families which will result in positive social and emotional development at home, in the community and greater school success. This Contractor has been providing these mental health services while fostering a deep understanding of the BHSD organizations mission, values, and long-term objectives since October 2012.

This Contract is entered into under and subject to the following legal authorities: Welfare and Institution Code, §5600 et seq. (The Bronzan McCorquodale Act); California Code of Regulations ("CCR"), Title 9, § 523 et seq. (Community Mental Health Services) and California Government Code §§ 26227 and 31000. Health Services Personnel approved this Contract to ensure no conflicts with labor relations. Contractor currently cooperates and participates in BHSD's Quality Management Program which consists of quality improvement activities to improve the quality of care, services and member experience. Cooperation includes collection and evaluation of performance measurement data and participation in the organization's clinical and service measure Quality Improvement Programs. Per Administrative Bulletin 600.3 the Department has posted a continuous Request for Qualifications and maintains a current qualified list of vendors at all times.

On August 6, 2024, the Board of Supervisors approved Contract #74-452-17 with La Clinica De La Raza, Inc., in an amount not to exceed $800,000, for the provision of Medi-Cal specialty mental health services for SED

children and their families in East and West Contra Costa County, for the period from July 1, 2024 through June 30, 2025.

Approval of Contract #74-452-19 will allow the Contractor to continue to provide Medi-Cal specialty mental health services for SED children and families through June 30, 2026.

CONSEQUENCE OF NEGATIVE ACTION:
If this Contract is not approved, there will be fewer Medi-Cal specialty mental health services available for SED children in East Contra Costa County as the County solicits and engages an alternative contractor.

CHILDREN'S IMPACT STATEMENT:
This Early and Periodic Screening, Diagnostic, and Treatment (EPSDT) program supports the following Board of Supervisors' community outcomes: "Children Ready For and Succeeding in School"; "Families that are Safe, Stable, and Nurturing"; and "Communities that are Safe and Provide a High Quality of Life for Children and Families". Expected program outcomes include an increase in positive social and emotional development as measured by the Child and Adolescent Functional Assessment Scale (CAFAS).

Report Title: Contract #74-517-16 with The Child Therapy Institute of Marin

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Interim Health Services Director, or designee, to execute on behalf of the County Contract #74-517-16 with The Child Therapy Institute of Marin, a non-profit corporation, in an amount not to exceed $1,241,608, to provide Medi-Cal Specialty mental health services for Seriously Emotionally Disturbed (SED) children and their families in East and West Contra Costa County for the period from July 1, 2025 through June 30, 2026.

FISCAL IMPACT:
Approval of this Contract will result in budgeted expenditures of up to $1,241,608 for FY 2025-26 and will be funded 100% by Federal Medi-Cal revenues.

BACKGROUND:
Behavioral Health Services Division (BHSD)/Mental Health has an obligation to provide certain Medi-Cal specialty mental health services, for its members under the terms of their Individual and Group Health Plan membership Contracts with the County. This Contract meets the social needs of County's population by providing community-based mental health services focusing on SED children, adolescents and their families which will result in positive social and emotional development at home, in the community and greater school success. Cooperation includes collection and evaluation of performance measurement data and participation in the organization's clinical and service measure Quality Improvement Programs. Per Administrative Bulletin 600.3 the Department has posted a continuous Request for Qualifications and maintains a current qualified list of vendors at all times.

On July 9, 2024, the Board of Supervisors approved Contract #74-517-14 with Child Therapy Institute of Marin, in an amount not to exceed $1,646,600 for the provision of Medi-Cal Specialty mental health services

for SED children and their families in East and West Contra Costa County, for the period from July 1, 2024 through June 30, 2025.

Approval of Contract #74-517-16 will allow the Contractor to continue to provide Medi-Cal Specialty mental health services for SED children and families through June 30, 2026.

CONSEQUENCE OF NEGATIVE ACTION:
If this Contract is not approved, there will be fewer Medi-Cal Specialty mental health services available for SED children in East and West Contra Costa County as the County solicits and engages an alternative Contractor.

From: Dr. Ori Tzvieli, Interim Health Services Director

Report Title: Contract Amendment/Extension #23-590-6 with Ivanti, Inc.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Interim Health Services Director, or designee, to execute on behalf of the County Contract Amendment/Extension #23-590-6 with Ivanti, Inc., a corporation, effective June 30, 2025, to increase the payment limit by $34,399, from $101,655 to a new payment limit of $136,054 and to extend the termination date from June 30, 2025 to June 30, 2026 for additional information systems incident management software, and software maintenance and support.

FISCAL IMPACT:
Approval of this Contract Amendment/Extension will result in additional annual expenditures of up to $34,399 and will be funded as budgeted by the department in FY 2025-26, by 100% Hospital Enterprise Fund I revenues. (No rate increase).

BACKGROUND:
This Contract Amendment/Extension meets the needs of the County by providing the Health Services Department's Information Unit renewal of its license to use and receive maintenance for Contractors' software applications. These applications afford the ability to electronically manage Information Systems incidents and licensing while providing easy access to administer data, scheduling, and running reports.

On March 8, 2016, the Board of Supervisors approved Contract #23-590 with Heat Software USA, Inc., in an amount not to exceed $494,643 for the implementation of the Contractors' Heat Software application, and provision of software and services for service requests and incident management administration within the IT Unit for the period from March 30, 2016 through March 29, 2019.

On September 13, 2016, the Board of Supervisors approved Contract Amendment #23-590-1, with Heat Software USA, Inc., effective September 13, 2016, to extend the termination date from March 29, 2019 through June 29, 2019 with no change in the original payment limit of $500,000 for the continued provision of software services, including annual licensing, maintenance and support.

Effective July 1, 2017, under Contract #23-590-2 in accordance with Paragraph 13. (Subcontract and Assignment) of the General Conditions of the agreement, the parties executed an assignment that assigned the Contract to Ivanti, Inc.

On May 7, 2019, the Board of Supervisors approved Contract Amendment #23-590-3 with Ivanti, Inc., effective June 29, 2019, to extend the termination date from June 29, 2019 to June 30, 2022 with no change in the payment limit of $500,000 for the continued provision of software services, including annual licensing, maintenance and support.

On September 13, 2022, the Board of Supervisors approved Contract #23-590-5, with Ivanti, Inc., in an amount not to exceed $101,655 for the period from July 1, 2022 through June 30, 2025 for the continued provision of software and support services concerning service requests and incident management administration within the Contra Costa Health Information Technology Unit (CCH IT). Under Contract #23-590-5 the parties executed a new End User License Agreement (EULA) providing the County with a license for the Ivanti Service Desk incident management software application. Under EULA, the Contractor's liability to the County is limited to the amounts paid by the County under the Contract, except for the Contractor's indemnification obligations under the Contract.

Approval of this Contract Amendment #23-590-6 will allow the Contractor to provide software services to include annual license, hosting and support to CCH IT, though June 30, 2026. The division is requesting a retroactive renewal due to delays caused after CCH IT received an amendment request from its stakeholder on February 20, 2025. The process experienced delays due to staff transitions and timing issues related to the completion of required information and follow-up communications.

CONSEQUENCE OF NEGATIVE ACTION:
If this Contract Amendment/Extension is not approved, the Ivanti Service Manager (ITSM) solution currently deployed at CCH IT used to support core IT functions, including incident management, self-service, license management, data access, report creation and scheduling, ease of administration, and technical support will not be discontinued. Ivanti's ITSM solution is essential to the daily operations of CCH IT help desk, which serves multiple Contra Costa Health divisions. Without this solution, the CCH IT help desk will lose its ability to process incident management, requests negatively affecting essential Contra Costa Health operations.

Report Title: Contract #24-927-38 with Community Health for Asian Americans

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Interim Health Services Director, or designee, to execute on behalf of the County Contract #24-927-38 with Community Health for Asian Americans, a non-profit corporation, in an amount not to exceed $1,293,622, to provide school and community based Medi-Cal specialty mental health services to children and families in East and West Contra Costa County for the period July 1, 2025 through June 30, 2026.

FISCAL IMPACT:
Approval of this Contract will result in annual budgeted expenditures of up to $1,293,622 for FY 2025-26 and will be funded 100% by Federal Medi-Cal revenues.

BACKGROUND:
Behavioral Health Services Division (BHSD)/Mental Health has an obligation to provide certain school and community based Medi-Cal specialty mental health services including but not limited to: wraparound and outpatient treatment, individual, group and family evaluations and therapy, plan development, rehabilitation support services, medication support services, crisis intervention services and linkage/advocacy services for its members under the terms of their Individual and Group Health Plan membership contracts with the County. This Contract meets the social needs of County's population by providing community-based mental health services focusing on the underserved Asian population in East and West Contra Costa which will result in positive social and emotional development at home, in the community and greater school success. This Contractor has been providing these Medi-Cal specialty mental health services while fostering a deep understanding of the BHSD organizations mission, values, and long-term objectives since December 1997.

This Contract is entered into under and subject to the following legal authorities: Welfare and Institution Code, §5600 et seq. (The Bronzan McCorquodale Act); California Code of Regulations ("CCR"), Title 9, § 523 et seq. (Community Mental Health Services) and California Government Code §§ 26227 and 31000. Health Services Personnel approved this Contract to ensure no conflicts with labor relations. Contractor currently cooperates and participates in BHSD's Quality Management Program which consists of quality improvement activities to improve the quality of care, services and member experience. Cooperation includes collection and evaluation of performance measurement data and participation in the organization's clinical and service measure Quality Improvement Programs. Per Administrative Bulletin 600.3 the Department has posted a continuous Request for Qualifications and maintains a current qualified list of vendors at all times.

On September 10, 2024, the Board of Supervisors approved Contract #24-927-37 with Community Health for Asian Americans, in an amount not to exceed $3,547,983, for the provision of school and community based Medi-Cal specialty mental health services to children and families in East and West Contra Costa, for the period from July 1, 2024 through June 30, 2025.

Approval of Contract #24-927-38 will allow the Contractor to continue to provide school and community based Medi-Cal specialty mental health services for children and families in East and West Contra Costa through June 30, 2026.

CONSEQUENCE OF NEGATIVE ACTION:
If this Contract is not approved, there will be fewer Medi-Cal specialty mental health services available for Asian American and other ethnic groups receiving services at our programs in East and West Contra Costa and will have reduced access to treatment services in school, drug court and clinic settings.

CHILDREN'S IMPACT STATEMENT:
This Early and Periodic Screening, Diagnostic, and Treatment (EPSDT) program supports the following Board of Supervisors' community outcomes: "Children Ready For and Succeeding in School"; "Families that are Safe, Stable, and Nurturing"; and "Communities that are Safe and Provide a High Quality of Life for Children and Families". Expected program outcomes include an increase in positive social and emotional development as measured by the Child and Adolescent Functional Assessment Scale (CAFAS).

Report Title: Contract #26-602-22 with Traditions Psychiatry Group, P.C. (dba Traditions Behavioral Health)

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Interim Health Services Director, or designee, to execute on behalf of the County Contract #26-602-22 with Traditions Psychiatry Group, P.C. (dba Traditions Behavioral Health), a professional corporation, in an amount not to exceed $55,600,000, to provide physician management and psychiatric staffing for the Inpatient Psychiatric Crisis Stabilization Unit at Contra Costa Regional Medical Center (CCRMC), the County's Main Detention Facilities and Mental Health Clinics, for the period June 1, 2025 through May 31, 2027.

FISCAL IMPACT:
Approval of this Contract will result in contractual service expenditures of up to $55,600,000 over a two-year period and will be funded 100% by Hospital Enterprise Fund I revenues.

BACKGROUND:
This Contractor has provided staffing and medical staff leadership of the Inpatient Psychiatric and Crisis and Stabilization Units, George and Cynthia Miller Wellness Center at CCRMC and Contra Costa Health Centers, the Main Detention Facilities and Mental Health Clinics including, but not limited to, providing the required number of psychiatrists necessary for clinical coverage of patients twenty-four hours a day, seven days a week, a lead psychiatrist to direct administrative and clinical supervision and supervision of all non-clinical areas related to the medical staff of the Department of Psychiatry, since 2007.

This Contract is entered into under and subject to the following legal authorities: California Government Code §§ 26227 and 31000, and Health and Safety Code § 1451. This Contract was approved by Health Services Personnel to ensure there is no conflict with labor relations. CCRMC's Quality Management, Utilization Management, and monitoring staff meet regularly to ensure monitoring and performance measures in the Contract are upheld. Per Administrative Bulletin 600.3 CCRMC Physician services are exempt from solicitation requirements.

On June 27, 2023, the Board of Supervisors approved Contract #26-602-19 with Traditions Psychology Group, P.C. (dba Traditions Behavioral Health), formally known as Traditions Psychology Group, Inc. (dba Traditions Behavioral Health), in an amount not to exceed $39,500,000, to provide physician management and psychiatric staffing for the Inpatient Psychiatric Crisis Stabilization Unit at CCRMC, the County's Main Detention Facilities and Mental Health Clinics for the period June 1, 2023 through May 31, 2025.

On March 25, 2025, the Board of Supervisors approved Contract Amendment #26-602-21 with Traditions Psychology Group, P.C. (dba Traditions Behavioral Health), effective October 28, 2024, to amend Contract #26 -602-19, to increase the payment limit by $3,100,000, to a new payment limit of $42,600,000, for additional inpatient psychiatric services at County's Youth Crisis Stabilization Unit (CSU) with no change in the term through May 31, 2025.

Approval of Contract #26-602-22 will allow the Contractor to continue providing physician management and psychiatric staffing services through May 31, 2027. This Contract includes services provided by represented classifications and the County has met its obligations with the respective labor partner(s). This Contract delay was due to extended negotiations between County and Contractor.

CONSEQUENCE OF NEGATIVE ACTION:
If this Contract is not approved, CCRMC will not have adequate psychiatric coverage and quality and performance compliance in the County's Inpatient Psychiatric and Crisis Stabilization Units at CCRMC and Health Centers, the County's Main Detention Facilities and Mental Health Clinics.

Report Title: Contra Costa Health Plan Compliance Unit 2025-2026 Work Plan

☐Recommendation of the County Administrator ☒ Recommendation of Board Committee

RECOMMENDATIONS:
ACCEPT the Contra Costa Health Plan (CCHP) 2025 - 2026 Compliance Unit Work Plan as recommended by the CCHP Joint Conference Committee (JCC).

FISCAL IMPACT:
There is no fiscal impact for this action.

BACKGROUND:
To promote transparency and accountability, CCHP annually submits the Compliance workplan for review by the governing body.

The CCHP 2025-2026 Compliance workplan was reviewed by the CCHP JCC on June 6, 2025. An accompanying staff report is included for reference.

CONSEQUENCE OF NEGATIVE ACTION:
If this action is not accepted, it could lead to noncompliance under the federal and state regulations.

Introduction

For over 52 years, the Contra Costa County Medical Service DBA Contra Costa Health Plan ("CCHP") has demonstrated a culture of caring for our most vulnerable members as part of an integrated delivery system. As the Safety Net provider in Contra Costa County, we endeavor to continue this legacy. In service of our members, CCHP is strongly committed to meeting ethical standards, contractual obligations, and all applicable statutes, regulations, and rules governing all programs we offer, including our Medicaid (Medi-Cal) and Medicare Advantage and Medicare Prescription Drug programs. We design and monitor our programs to ensure our services support the needs of the populations in Contra Costa County.

To this end, CCHP maintains a Compliance Program that includes the seven elements of an effective Compliance Program as recommended by the Department of Health and Human Services (DHHS) Office of Inspector General (OIG) as outlined below to ensure all members receive high-quality care. The Compliance Program includes: 1) the Compliance Plan, 2) the Code of Conduct, and 3) Policies and Procedures. CCHP's Compliance Program applies to all employees, the Board of Supervisors ("BOS") via members of the Joint Conference Committee ("JCC"), and all first-tier, downstream, and related entities (FDRs). Compliance is everyone's responsibility and together we play a critical role in the successful execution of our Compliance Program. CCHP's Compliance Department promotes compliance guidelines and ensures that all employees, BOS/JCC members, delegates, and providers understand their compliance responsibilities and applicable requirements.

The Compliance Plan

CCHP maintains a comprehensive Compliance Plan that describes the standards and activities for the prevention, detection, and correction of compliance issues applicable to all lines of business.

The Compliance Plan, in conjunction with our Code of Conduct and Policies and Procedures, constitutes our Compliance Program and incorporates the seven elements of an effective Compliance Program as recommended by the Department of Health and Human Services (DHHS) Office of Inspector General (OIG) to meet the Medicare and Medi-Cal regulations. The seven elements include:

1. Standard Policies and Procedures
2. Oversight
3. Performance of due diligence
4. Education and Communications
5. Internal Monitoring and Auditing
6. Incentives and Enforcements
7. Response to incidents

CCHP's Compliance Plan is dynamic and regularly updated to meet the changing needs of CCHP, its members, and regulatory mandates. CCHP requires its BOS/JCC members, employees, and FDRs to review and maintain an understanding of the Plan.

FDRs may follow their own Compliance Program if approved by CCHP. Alternatively, FDRs may adopt CCHP's Compliance Program. FDRs must attest that they have reviewed the CCHP Compliance Program or their approved equivalent.

I. Code of Conduct, Written Policies and Procedures

a) Code of Conduct

To maintain the high standard of conduct expected and deserved by CCHP members, employees, BOS/JCC members, and FDRs, and to enable the organization to continue to offer services required by those in need, CCHP maintains a Code of Conduct that is available on our website at http://www.cchealth.org. The Code of Conduct describes the standards and practices that all employees, BOS/JCC members, and FDRs must follow. It requires that all BOS/JCC members, employees, and FDRs ethically conduct themselves, that they report non-compliance and potential FWA through appropriate mechanisms, and that reported issues will be addressed and corrected. The Code of Conduct is updated to incorporate changes to applicable requirements and is reviewed and approved by the full Governing Board.

Violation of the Code of Conduct may result in disciplinary action. Each misconduct case is addressed by CCHP and forwarded to the Compliance Committee as appropriate.

b) Policies and Procedures

CCHP maintains written policies and procedures that address specific areas of operations, implementation of the Compliance Program, and fraud, waste, and abuse prevention, detection, and remediation. These policies and procedures serve to guide BOS/JCC members, employees, FDRs, and providers in adhering to all contractual, statutory, and regulatory

requirements and outline processes to identify, report, investigate, and resolve suspected, detected, or reported compliance issues. We expect BOS/JCC members, employees, FDRs, and providers to review and remain up to date with the policies and procedures pertinent to their respective roles and responsibilities; likewise, we expect them to perform their responsibilities in compliance with ethical standards, contractual obligations, and applicable law.

CCHP policies and procedures are reviewed annually and updated as necessary to address state and federal regulatory changes and operational changes. The Compliance Committee reviews and approves proposed changes to non-clinical policies and procedures, while the Quality Review Committee reviews and approves changes to clinical policies.

BOS/JCC members, employees, FDRs, and providers receive notice of updated policies and procedures via a monthly memorandum. All CCHP policies and procedures are available to BOS/JCC members, employees, FDRs, and providers through the Plan's website.

c) Distribution of the Compliance Plan, Policies & Procedures, and the Code of Conduct

Compliance policies and procedures and the Code of Conduct are distributed to employees within 90 days of hire when there are policy updates and annually thereafter. CCHP distributes the Code of Conduct and Compliance policies and procedures to its FDR's employees. Alternatively, CCHP may ensure that all FDRs maintain and distribute a comparable Code of Conduct and Compliance policies and procedures to its employees. The Compliance Officer (CO) informs BOS/JCC members, employees, and FDRs of applicable policy requirements and that such dissemination of information is documented and retained, in accordance with applicable record retention standards.

CCHP reviews its Compliance Plan annually and makes modifications as appropriate. CCHP also reviews its Compliance Plan if regulatory or operational changes may necessitate modifications. The Compliance Plan is submitted to the BOS/JCC annually for review and approval. After approval from the BOS/JCC, it is published on CCHP's website and discussed internally at the next Compliance Committee meeting.

II. Compliance Officer, Compliance Committee, and Oversight

a) Governing Body

The Board of Supervisors, through the Joint Conference Committee, as the governing authority, is responsible for overseeing the Compliance Program, including Compliance Program approval, implementation, and ongoing monitoring. The BOS/JCC is accountable for ensuring the effectiveness of the Compliance Program within CCHP.

The BOS/JCC is tasked with:

- Approving the Code of Conduct and Compliance Plan;
- Understanding the Compliance Program structure;
- Remaining informed about the compliance program outcomes, including results of internal and external audits;
- Remaining informed about governmental compliance enforcement activity such as Notices of Non-Compliance, Warning Letters, and/or more formal sanctions;
- Receiving regularly scheduled, periodic updates from the CO and Compliance Committee; and
- Reviewing the results of performance and effectiveness assessments of the compliance program.

The BOS/JCC reviews data to evaluate and ensure that the Compliance Program detects and prevents non-compliance promptly and reduces risks through effective prevention activities. In particular, the BOS/JCC reviews performance indicators of compliance with requirements across key operational areas and FDRs, status and trends associated with findings and Corrective Action Plans (CAPs), timeliness of regulatory implementation, timeliness of remediation, FWA trends, grievances trends, and more to oversee risk areas and monitor effectiveness.

CCHP will timely inform Board members of any implementation dates that require their review or input, and ensure citations to the relevant regulations and/or contract section(s) are clearly noted.

b) Compliance Officer

The CO is a full-time, senior management position responsible for implementing the Compliance Program and its day-to-day activities. The position is independent and does not serve in operational areas. The CO provides reports directly to the CEO, and provides reports directly, or via the compliance infrastructure, to the BOS/JCC on the Compliance Program's activities and status.

The CO interacts with the BOS/JCC, CEO, executive staff, departmental management, county legal counsel, state and federal representatives, and others as required. In addition, the CO leads the Compliance Department which includes compliance professionals with expertise and responsibilities for the following areas: Medi-Cal, Medicare, Medicare Advantage and Medicare Prescription Drug

Program, Regulatory Affairs & Compliance, FWA, Privacy, Internal Auditing and Monitoring, Policies and Procedures, and training on compliance activities.

The CO's responsibilities include, but are not limited to:

- Ensuring compliance reports are provided regularly to the CEO, BOS/JCC, and Compliance Committee. Reports address compliance program implementation, the identification and resolution of suspected, detected, or reported non-compliance, and oversight and audit activities;
- Being aware of daily business activity;
- Creating and coordinating educational training programs ensuring CCHP's employees, BOS/JCC, and FDRs are knowledgeable about the Compliance Program, Code of Conduct, policies and procedures, and applicable regulations and requirements relevant to their role;
- Developing and implementing methods and programs that encourage managers and employees to report non-compliance and potential FWA without fear of retaliation;
- Maintaining the compliance reporting mechanism and closely coordinating with the internal audit department and the FWA committee, where applicable;
- Responding to reports of potential FWA, including the coordination of internal investigations with the FWA Committee or internal audit department and developing appropriate corrective or disciplinary actions, if necessary. The CO may design and coordinate internal investigations;
- Ensuring that the U.S. Department of Health and Human Services (DHHS) Office of Inspector General (OIG) List of Excluded Individuals/Entities (LEIE) and U.S. General Services Administration's (GSA) Unique Identity Number (SAM) formerly known as DUNS exclusion lists have been checked for all employees, BOS/JCC members, and FDRs monthly and coordinating any resulting personnel issues with CCHP's Human Resources, Security, Legal or other departments as appropriate;
- Maintaining documentation for each report of potential non-compliance or potential FWA received from any source through any reporting method (e.g., hotline, mail, or in-person);
- Overseeing the development and monitoring of the implementation of corrective action plans;
- Coordinating potential fraud investigations/referrals with the FWA Committee, where applicable, and the appropriate NBI MEDIC including facilitation of any documentation or procedural requests that the NBI MEDIC makes of CCHP.

The CO collaborates with other health plans, regulatory entities, law enforcement, and other organizations, where appropriate, upon discovery of a potential FWA issue involving multiple parties and has the authority to:

- Interview or delegate the responsibility to interview the sponsor's employees and other relevant individuals regarding compliance issues;
- Review CCHP contracts and other documents pertinent to Medicare, Medicaid, and Commercial programs;
- Review or delegate the responsibility to review the submission of data to regulators ensuring that it is accurate and in compliance with reporting requirements;
- Independently seek advice from County legal counsel;

- Report potential FWA to its regulators, including CMS, its designee, or law enforcement;
- Conduct and/or direct audits and investigations of any FDRs;
- Conduct and/or direct audits of any area or function; and
- Recommend policy, procedure, and process changes.

c) Compliance Committee

The Compliance Committee is tasked with operational oversight of the compliance plan. The committee is chaired by the Compliance Officer and comprises CCHP's executive staff, including the CEO, Chief Operating Officer (COO), Chief Medical Officer (CMO), and Chief Financial Officer (CFO). The Compliance Committee is also comprised of clinical and operational subject matter experts from business areas across the organization who understand the compliance considerations within their respective areas of expertise. The Compliance Committee is accountable to the BOS/JCC and reports regularly to the BOS/JCC and the CEO. The role of the Compliance Committee is to oversee and continuously monitor the implementation of the Compliance Program and to participate in conducting the provisions of this Compliance Plan. The Compliance Committee serves to advise the CO. The Compliance Committee meets at least quarterly and will hold off-cycle meetings to address priority issues. Collectively, Compliance Committee meetings enable oversight activities such as implementation and monitoring of corrective actions. The Compliance Committee records minutes of its meetings.

The Compliance Committee is responsible for:

- Developing strategies to promote compliance and the detection of any potential violations;
- Reviewing and approving compliance and FWA training, and ensuring that training and education are effective and appropriately completed;
- Assisting with the creation and implementation of the compliance risk assessment and of the compliance monitoring and auditing work plan;
- Assisting in the creation, implementation, and monitoring of effective corrective actions;
- Developing innovative ways to implement appropriate corrective and preventative action;
- Reviewing effectiveness of the system of internal controls designed to ensure compliance with Medicare regulations in daily operations;
- Supporting the CCO's needs for sufficient staff and resources to perform their duties;
- Ensuring that CCHP has appropriate, up-to-date compliance policies and procedures;
- Ensuring that CCHP has a system for employees and FDRs to ask compliance questions and report potential instances of non-compliance and potential FWA confidentially or anonymously (if desired) without fear of retaliation;
- Ensuring that CCHP has a method for enrollees to report potential FWA
- Reviewing and addressing reports of monitoring and auditing of areas in which CCHP is at risk for non-compliance or potential FWA and ensuring that corrective action plans are implemented and monitored for effectiveness; and
- Providing regular and ad hoc reports on the status of compliance with recommendations to the BOS/JCC.

d) Delegation Oversight Committee

The Delegation Oversight Committee ("DOC") is responsible for developing, maintaining, and overseeing agreements and monitoring performance between CCHP and its delegates. The DOC is chaired by the CO or Director of Compliance and reports to the Compliance Committee. The DOC is comprised of CCHP's executive staff, including the CEO, Chief Operating Officer (COO), Chief Medical Officer (CMO), and Chief Financial Officer (CFO). The DOC comprises clinical and operational subject matter experts from business areas across the organization who understand the DOC compliance considerations within their respective areas of expertise.

The DOC is accountable to the BOS/JCC, reporting quarterly to both the BOS/JCC and the CEO. The DOC's responsibilities include reviewing and approving potential delegates through pre-delegation audits, conducting annual surveys, and overseeing performance metrics to ensure compliance with CCHP, DHCS, and applicable standards such as NCQA and URAC. Upon identifying opportunities for improvement, the DOC ensures delegates implement mandated corrective action plans. Additionally, the DOC oversees the implementation of the Compliance Program, ensuring that all health plan functions delegated to subcontracted entities meet CCHP's contractual obligations with DHCS. Delegated functions may include network management, utilization management, credentialing, and re-credentialing, which CCHP may delegate to qualified entities to maintain efficient and lawful service delivery to members.

The DOC reviews and approves potential delegates by performing pre-delegation audits and maintaining oversight by conducting annual surveys, and overseeing performance metrics related to delegated functions to ensure compliance with CCHP and DHCS requirements as well as the relevant NCQA, URAC, or other applicable standards. If opportunities for improvement are identified through the oversight process, the DOC ensures stakeholders appropriately implement interventions of recommended corrective actions.

The Delegation Oversight Committee hold responsibility to:

- Review all delegate financial and operational performance.
- Review delegation arrangements to ensure CCHP meets objectives to provide access to the full scope of services, including but not limited to medically necessary physical and behavioral health services, and transportation.
- Maintain a reporting matrix that itemizes delegate reports, tracks reporting frequency, and ensures timeliness of report submissions.
- Review delegates' reports to ensure compliance with delegation agreement, the compliance plan, and identify potential areas for improvement.
- Implement interventions or recommend corrective action plans to remediate identified compliance issues.
- Evaluate CCHP's compliance with applicable regulatory, accreditation, and contractual standards relevant to delegation.
- Oversee the delegates' financial and operational performance of contractual obligations, their development and administration of relevant policies and procedures, their administrative capacity, performance improvement plans, and any instances of sub-delegation arrangements.
- Conduct annual surveys of each delegate; upon successful completion of each survey, the delegate's agreement will be eligible for renewal and voted on by the DOC.

III. Training and Education

Training and education are important and essential to CCHP's overall Compliance Program. The following trainings must be completed by BOS/JCC members, employees, and FDRs within ninety (90) calendar days of hire, appointment, or commencement of the contract, as applicable, and annually after that:

- Code of Conduct
- General Compliance
- Fraud, Waste, and Abuse
- HIPAA Privacy Compliance

Adherence to the Compliance Program requirements, including training requirements, shall be a condition of employment and a factor in each employee's annual performance.

Individuals are assigned specialized education courses based on their respective roles or positions within or with CCHP's departments and its programs. Examples include the fundamentals of managing Seniors and People with Disabilities (SPD) and cultural competency, Contra Costa Health Plan's Five Star Orientation, and special state, county, or CMS trainings.

CCHP ensures that FDRs receive Compliance Training annually. First-tier, downstream, and related entities that have met the fraud, waste, and abuse certification requirements through enrollment into the Medicare program or accreditation as Durable Medical Equipment, Prosthetics, Orthotics, and Supplies (DMEPOS) are deemed to have met the training and educational requirements for fraud, waste, and abuse.

The CO is responsible for ensuring that BOS/JCC members, employees, and FDRs complete training annually. The CO coordinates compliance education and ensures that completion is tracked, documented, and maintained, via sign-in sheets, attestation, or electronic certifications as applicable. CCHP's Human Resources Department utilizes state-of-the-art web-based training courses that emphasize our commitment to the Compliance Program. We update courses regularly, ensuring employees are kept fully informed about any changes in procedures, regulations, and requirements.

Contra Costra Costa Health Plan aims to keep its employees, FDRs, and Board members informed about the latest, relevant, and required trainings and educational opportunities that impact the duties of the health plan. CCHP will endeavor to remain on the forefront of technology, implementing updated applications, systems, and other technologies to help maintain efficient and modern operations.

IV. Effective Lines of Communication – Reporting of Non-Compliance

CCHP is committed to effective communication processes regarding compliance with regulatory requirements and reinforcement of ethical and lawful behavior. CCHP shall maintain systems for receiving, recording, responding, and tracking questions or reports of suspected or detected non-compliance from BOS/JCC members, employees, and FDRs acting on behalf of the organization.

a) Compliance Hotline, Website, Email, and Mail Address

CCHP's Fraud, Waste, and Abuse hotline is a toll-free confidential resource available to CCHP employees, contract employees, agents of Contra Costa Health Services, and the general public

24 hours a day, 7 days a week. The hotline is for reporting or raising questions/concerns related to non-compliance, unethical behavior, and suspected FWA.

CCHP's Fraud, Waste, and Abuse Hotline Number: **1-800-304-9490**

Website: https://www.cchealth.org/health-insurance/my-contra-costa-health-plan/file-a-complaint
Email: Compliance@cchealth.org

Mail Address:

Contra Costa Health Plan
Compliance Department
595 Center Ave., Suite 200
Martinez, CA 94553

CCHP's hotline and online "Member Grievance/Appeals form" can be completed anonymously without the fear of intimidation or retaliation. The lines of communication are confidential and never traced.

Additionally, reports of suspected or confirmed non-compliance may be made to direct managers, Compliance leaders, or staff. The CO and their designees are available to answer questions concerning adherence to the law and to this Program.

Reporters are encouraged to provide as much detailed information as possible, including:

- Names and contact information of individuals or organizations involved.
- Description of the alleged fraudulent activity or abuse.
- Dates and locations where the suspected activity occurred.
- Any supporting documentation or evidence.

b) Non-Retaliation and Confidentiality

We have designed CCHP's communication channels, ensuring accessibility to everyone within the organization and encouraging individuals to report potential compliance issues in good faith without fear of retaliation. We publicize our reporting channels and non- retaliation policies throughout CCHP. This approach helps us promptly identify and address compliance matters, supporting our mission to uphold ethical and legal standards across all levels of CCHP. Accessibility and ease of use are key to our reporting mechanisms, which are available 24 hours a day and 7 days per week. Reports can be anonymous, and we protect confidentiality to the extent law allows. CCHP keeps all information reported confidential to the extent that privacy is possible throughout any resulting investigation; however, there may be a point where an employee's identity may become known or revealed in certain instances.

V. Enforcement and Disciplinary Standards

CCHP is committed to ensuring that all employees, BOS/JCC members, and FDRs abide by applicable laws, policies, and regulations that guide our operations. To support this, CCHP has established a clear Code of Conduct and encourages good faith participation from all our employees, BOS/JCC members,

and FDRs to ensure that our organization remains within legal compliance and ethical standards. Violation of the Code of Conduct and CCHP's Compliance Program may be subject to disciplinary action.

CCHP maintains well-publicized disciplinary standards that include County Employee Handbooks, Administrative Bulletins and CCHP Employee Operating manuals. Contra Costa Health Plan maintains a zero-tolerance policy toward any unethical or illegal conduct performed by the organization. CCHP facilitates our disciplinary guidelines to staff through training upon orientation and periodically after that, in addition to annual training, documents and signage posted and distributed by our organization.

Our Code of Conduct and relevant policies are easily accessible to all staff and frequently updated to reflect CCHP's commitment to assuring compliance and ethical standards. CCHP enforces these standards through appropriate disciplinary actions. Any violation of applicable laws and regulations, even unintentional, could potentially subject individuals, entities, or CCHP to civil, criminal, or administrative sanctions or penalties. Employees and staff are subject to discipline, up to and including termination, depending on the nature and severity of the conduct or behavior. CCHP takes appropriate disciplinary measures on a case-by- case basis per this Program and related policies and procedures.

Any identified incidents or potential risks promptly trigger appropriate training and education to correct identified problems or behaviors. Individual records of violations are maintained for ten years, capturing the date the violation was reported, description of the violation, date of investigation, summary of findings, disciplinary action, and the date it was taken.

VI. Effective System for Routine Monitoring, Auditing, and Identification of Compliance Risks

a) Risk Assessment

CCHP performs a risk assessment at least annually to identify and evaluate compliance and FWA risk areas. Risk assessments consider all business operational areas.

Areas of focus include but are not limited to:

- Marketing
- Credentialing
- Quality
- Appeals and Grievances
- Utilization Management
- Claims
- Provider Disputes
- FDR oversight and monitoring of delegated functions

The risk assessment process, overseen by the CO and presented to the Compliance Committee for review and approval, is a flexible and adaptable system. Risks are identified through several means, including reviewing regulatory audit findings, the OIG work plan, internal and first-tier entity auditing and monitoring results, complex business processes, and operational or regulatory change areas. This adaptability ensures that the system can manage changes in the business environment and regulatory landscape. Risks are ranked and prioritized based on impact and addressed

accordingly through oversight and remediation activities. The risk assessment is updated as appropriate.

CCHP's risk assessment includes risks associated with FDRs and delegated functions. It also considers any previously identified issues, such as corrective actions and at-risk service level performance.

b) Routine Auditing & Monitoring

After completing the risk assessment, CCHP develops a monitoring and auditing work plan (Work Plan).

The Work Plan includes, but is not limited to, the following elements:

- Audits to be performed for the calendar year, including estimated time frames
- Audit methodologies
- Necessary resources
- Person(s) responsible
- Final audit reports and recommendations
- Follow-up reviews from findings, including CAPs (when applicable)

The Work Plan includes monitoring and auditing activities for internal CCHP operational areas and FDRs.

Per the Work Plan, CCHP conducts routine monitoring and auditing to evaluate and confirm compliance with regulations, including but not limited to sub-regulatory guidance, contractual agreements, all applicable federal and state laws, and internal policies and procedures, to protect against non-compliance and potential fraud, waste, and abuse. The Work Plan is updated as needed to address additional areas of focus. We report the results of monitoring and auditing activities to senior leaders and the Compliance Committee.

c) Audit of Compliance Program

CCHP undergoes an audit annually to assess the effectiveness of the compliance program, and results are shared with the BOS/JCC.

To ensure objectivity and avoid self-policing, the Compliance staff entrust the annual audit assessing the effectiveness of the compliance program to external auditors. This decision is a testament to the trust and confidence we have in their expertise and impartiality.

While the Compliance Department does not conduct the formal audit of the compliance program, it performs other internal self-assessments and utilizes dashboards, reports, and other measures to monitor program effectiveness.

d) Delegation Oversight

CCHP maintains appropriate oversight of delegated functions to first-tier, downstream, and related entities (FDRs). CCHP conducts routine oversight and monitoring of its delegates to ensure compliance with applicable regulatory rules, contractual obligations, policies and procedures, the

Compliance Plan, and state and federal laws as applicable. FDRs may also be referred to as a Subcontractor or Downstream Subcontractor.

Before delegating a function to a Subcontractor, CCHP performs a pre-delegation assessment and review. Upon completion of the pre-delegation assessment, the potential delegate may be issued a Delegation Agreement. Delegation Agreements are reviewed at least annually and may be renewed at the recommendation of the Compliance Department after completing either a pre-delegation assessment or an annual audit. A Subcontractor must receive a passing score in their individual audit area for CCHP to delegate that audit function.

Additionally, Subcontractors and Downstream Subcontractors are subject to unannounced audits to assess their compliance with requirements outlined in the Medi-Cal managed care contract related to delegated functions. All CCHP Subcontractors are subject to the oversight and monitoring mechanisms of the Delegation Oversight Committee (DOC). Delegated functions may include pharmacy benefit management. Other functions not listed above may be delegated to a potential Subcontractor following a pre-delegation assessment or review and a recommendation by the COMPLIANCE Department to the DOC. The DOC reviews data reported to CCHP by its Subcontractors.

The Director of Compliance (or the Director's designee) chairs the DOC, which reports to the Compliance Committee. The DOC maintains a platform for communicating general audit findings and results, new audit standards, audit schedules, general subcontractor performance updates, and developing new agreements. As a committee that reports to the Compliance Committee, the DOC will refer matters as necessary for consideration by the Compliance Committee.

e) Preclusion List Monitoring

CCHP implements safeguards to identify excluded providers and entities. CCHP reviews the DHHS OIG List of Excluded Individuals and Entities (LEIE list) and the GSA Excluded Parties Lists System (EPLS) before the hiring or contracting of any new employee, temporary employee, volunteer, consultant, BOS/JCC member, or FDR, and monthly thereafter, to ensure that none of these persons or entities are excluded or become excluded from participation in federal programs.

We screen entities against the entire LEIE and EPLS at the time of hire or contracting. CCHP reviews the LEIE supplement file provided each month, which lists the entities added to the list that month and reviews the EPLS updates provided during the specified monthly timeframe.

CCHP does not make payment for any items or services furnished or prescribed by an excluded provider or entity.

VII. Procedures and Systems for Prompt Response to Compliance Issues

CCHP takes immediate action when there is a suspected, detected, or reported incident of non-compliance. All issues of non-compliance, including FWA, are investigated and resolved in accordance with regulatory guidelines.

Each confirmed incident of non-compliance will be documented and include a description of the allegation and a referral, including contact information, a summary of the issues, specific statutes and allegations, background information, and an ongoing data log containing any relevant information about the case.

Upon confirmation of a non-compliance issue, we address it by developing a root cause analysis and corrective action plan (CAP). The CAP promotes the correction of the identified issue in a timely and well-documented manner. Corrective actions may include revising processes, updating policies or procedures, retraining staff, and any other necessary actions, depending on the extent of the identified incident. The CO identifies and implements a documented corrective action plan and preventative measures. The Compliance Department drives timely completion of the root cause analyses and CAPs and tracks the status of all open corrective action plans. Upon closure, we may refer the issue for ongoing monitoring or auditing. We report the status of CAPs to the Compliance Committee. If a first-tier entity does not remediate a non-compliance matter as appropriate, CCHP may pursue further action, including contract termination.

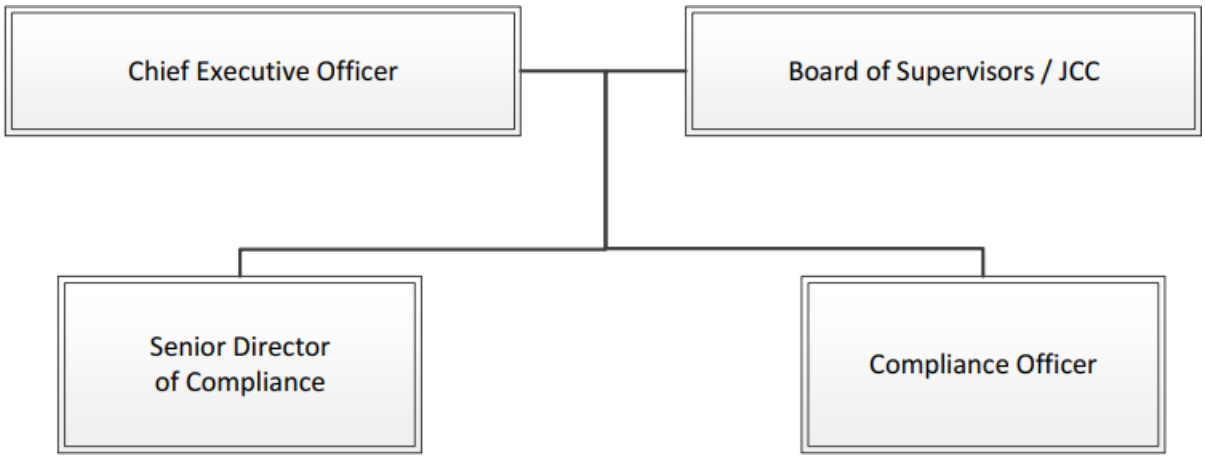

When appropriate, CCHP reports all necessary information to internal and external stakeholders to promote transparency, meet regulatory requirements, and sustain a culture of compliance within CCHP. Per applicable reporting procedures, CCHP reports violations of requirements to regulatory and enforcement agencies, such as the Medicare Drug Integrity Contractor (MEDIC) and law enforcement agencies, as applicable.

VIII. Prevention and Detection of Fraud, Waste, and Abuse (FWA)

CCHP maintains an FWA program to identify, investigate, and address FWA associated with any CCHP programs within the Plan or at the FDR. All staff should report potential or suspected fraud cases using the mechanisms outlined in section IV of this Compliance Plan. CCHP maintains the confidentiality of the individual reporting the suspected issue. CCHP also proactively monitors FWA using data analytics, such as comparing claim information against other data (e.g., provider, drug or medical service provided, diagnoses, or beneficiaries) to identify unusual patterns.

When a potential case is reported or identified, CCHP documents and evaluates the reported incident for validity. Based upon the supporting documentation, The Plan either closes the case or refers it for further investigation. CCHP communicates cases referred to the applicable government agency. CCHP refers suspected, detected, or reported cases of illegal drug activity, including drug diversion, to the NBI MEDIC and/or law enforcement and conducts case development and support activities for NBI MEDIC and law enforcement investigations.

IX. Compliance Reporting Structure and Independence

CCHP's Compliance Program acts independently of operational and program areas. To ensure that the functions of the Compliance Program are conducted without fear of repercussions for uncovering deficiencies and noncompliance, key compliance personnel maintain a direct line of communication and reporting to the health plan's governing board as reflected in the above reporting structure.

cchealth.org

To: Joint Conference Committee (JCC) Members

From: Irene Lo, MD FACS; Chief Executive Officer (Interim)
Chanda Gonzales, Compliance Officer
Date: June 6, 2025

Subject: Compliance Work Plan for year 2025-2026

Background

The Compliance Department submits the revised Compliance Plan for review and approval by the JCC. The Compliance Plan is part of the overall Compliance Program and is required, by state and federal regulations, to be reviewed and approved by the health plan's governing body.

Summary and Purpose

The submitted Compliance Plan outlines the core elements of a Compliance Program with details about roles, responsibilities, and requirements. The Compliance Plan reflects CCHP's aim and goal of conducting ethical, transparent actions that reflect compliance with all state and federal regulations and ultimately creating a more efficient and trustworthy organization for our health plan members, providers, community partners, and our workforce.

The Compliance Plan addresses the following:

I. Code of Conduct, Written Policies and Procedures
   - Purpose, maintenance, and distribution of these documents

II. Compliance Officer, Compliance Committee, and Oversight
   - Criteria, roles, and responsibilities of these key entities

III. Training and Education
   - Required training for staff, board members, and contractors

IV. Effective Lines of Communication – Reporting of Non-Compliance
   - System to ensure regulatory requirements and reinforcement of ethical and lawful behavior

V. Enforcement and Disciplinary Standards
   - Enforcement of the Code of Conduct and maintaining a zero-tolerance policy toward any unethical or illegal conduct performed by the organization

VI. Effective System for Routine Monitoring, Auditing, and Identification of Compliance Risks
- Annual risk assessment to identify and evaluate compliance and FWA risk areas

VII. Procedures and Systems for Prompt Response to Compliance Issues
- Investigation, resolution, and reporting of potential non-compliance

VIII. Prevention and Detection of Fraud, Waste, and Abuse (FWA)
- Proactive monitoring for FWA

IX. Compliance Reporting Structure and Independence
- Maintaining independence of Compliance Program from operational functions

MARTINEZ, CA 94553

CONTRA COSTA COUNTY

Staff Report

File #: 25-2720 **Agenda Date:** 7/8/2025 **Agenda #:** C.107.

To: Board of Supervisors

From: Dr. Ori Tzvieli, Interim Health Services Director

Report Title: Contra Costa Health Plan Code of Conduct

☐Recommendation of the County Administrator ☒ Recommendation of Board Committee

RECOMMENDATIONS:
ACCEPT the Contra Costa Health Plan (CCHP) Code of Conduct, as recommended by the CCHP Joint Conference Committee (JCC).

FISCAL IMPACT:
There is no fiscal impact for this action.

BACKGROUND:
The Code of Conduct provides standards for staff and contractors to follow as they execute their daily work activities. These standards focus on the expectations regarding ethical treatment of plan members. CCHP annually submits the Code of Conduct for review by the governing body.

The CCHP Code of Conduct was reviewed by the CCHP JCC on June 6, 2025. An accompanying staff report is included for reference.

CONSEQUENCE OF NEGATIVE ACTION:
If this action is not accepted, CCHP may be found noncompliant under federal and state regulations.

CONTRA COSTA HEALTH PLAN
CODE OF CONDUCT

I. Organizational Mission and Code of Conduct

A. Contra Costa Health Plan Mission Statement

Contra Costa Health Plan, a division of Contra Costa Health Services, cares for and improves the health of all people in Contra Costa County with special attention to those who are most vulnerable to health problems.

- We provide high quality services with respect and responsiveness to all.
- We are an integrated system of health care services, community health improvement and environmental protection.
- We anticipate community health needs and change to meet those needs.
- We work in partnership with our patients, cities and diverse communities, as well as other health, education and human service agencies.
- We encourage creative, ethical and tenacious leadership to implement effective health policies and programs.

B. Purpose of the Code of Conduct

Contra Costa Health Services (CCHS) and Contra Costa Health Plan (CCHP) have developed this Code of Conduct (hereinafter the "Code") to provide guidance to personnel in carrying out their daily work activities in a way that is consistent with the CCHS and CCHP Compliance Programs. The Code provides standards that address areas identified as a high priority for Compliance oversight. These standards are intended to communicate policies that are comprehensive and easily understood. However, because these topics are complex, CCHP encourages all personnel who have questions or concerns to seek clarification and advice from their immediate supervisor, Senior Management or the Compliance Officer. While the Code of Conduct may also reference other personnel matters such as sexual harassment and discrimination, County policies exist which address those topics, and it is not the purpose of the Code to reiterate those policies.

The Compliance Program was developed to ensure that all CCHP personnel understand what commitment to ethical behavior is and are clear on how to meet its requirements. CCHP expects that all personnel conduct themselves in an ethical manner. This means that the ideals reflected in the Mission Statement and in this Code must be reflected not only in words, but also in our actions. Likewise, we expect that everyone will be guided by a sense of shared values for high ethical standards.

The CCHP Code of Conduct also encourages the implementation of effective

communication that ensures confidentiality between the Compliance Officer, members of the CCHP Compliance Committee, CCHP Personnel and CCHS Senior Staff and Administration. CCHP also ensures this communication and confidentiality to be available to subcontracted entities to allow them to report with the same anonymity available to CCHP Personnel.

C. Principles of the Code of Conduct

The following principles are the basis for the CCHP Code of Conduct. All CCHP personnel shall:

1. Treat all members with respect and dignity in an appropriate professional manner without regard to race, language, age, gender, religion, national origin or sexual preference.

2. Follow the Code of Conduct and conduct themselves in an ethical manner.

3. Report any concerns about possible compliance issues to the Compliance Officer or any member of the Compliance Committee. There shall be no retaliation against anyone who reports concerns that he/she believes create compliance issues for the organization. CCHP does not tolerate any acts of intimidation for good faith participation in the compliance program.

4. Communicate their questions or concerns to their immediate supervisor if they require clarification of a procedure, regulation or law related to their duties. Personnel will not be penalized for raising Compliance issues. CCHP expects that all personnel will be actively involved in correcting errors in a timely manner.

5. Obey all laws, rules, regulations, policies and procedures to the very best of their abilities and knowledge.

II. Commitment to Members, Payers and Regulators

CCHP provides a variety of health care services throughout Contra Costa County, and in some cases, beyond the boundaries of the County. These services are necessary to the health and well-being of Contra Costa County's residents and institutions, and generally may be provided only pursuant to Federal, State, and local laws and regulations. Any person suspecting a violation of this Code of Conduct should immediately report such to a supervisor, a member of Senior Management, the Compliance Officer, or the Compliance information hot line.

A. Patient/Client/Member Care and Rights

Patients, clients, and members have the right to be treated with dignity, respect and privacy. All CCHP personnel will treat all members with the dignity and respect they deserve regardless of their ability to pay. CCHP is proud of its record of quality care and

its consistent uniformity of care for all who enter its doors. To the extent possible, CCHP will involve patients/members and their families in the decisions made about the care being delivered to them. We recognize and honor the right of patients, clients and members to make choices about their own care, and will seek to provide information to patients, clients and members about the therapeutic risks involved. CCHP personnel will obtain the consent of the patient/client/member or their family member for the performance of all services and procedures. We will strive to provide care that is sensitive, compassionate, promptly delivered and cost effective.

Patients or members are informed of their right to make advance directives. These directives will be followed according to law and the organization's mission, philosophy, and capabilities.

Patients or members will be given the appropriate level of confidentiality, privacy, security and protective services. They will be given an opportunity to have their complaints resolved in a timely manner.

B. Confidentiality of Patient Information

CCHP collects information about the patient's medical condition, history, medication and family history of illnesses in order to provide the best care possible. We recognize the sensitive nature of the information we receive from patients and are committed to maintaining its confidentiality. Patient- specific information will not be released to others unless it either benefits the patient, is requested by the patient, or is required by law.

CCHP staff should never disclose confidential information that violates the rights of our patients/clients/members. No CCHP staff shall access any patient/member information that is not necessary to perform their job.

Patients/clients/members can rely on the fact that their privacy will be protected. We will not sell patient/member lists or specific patient/member information.

C. Health Insurance Portability and Accountability Act of 1996 (HIPAA)

CCHS and CCHP have processes and procedures that address HIPAA. Hence, confidentiality, privacy, security of patient information, and the requirements of HIPAA are coordinated with the requirements of CCHS and CCHP's Compliance Program in order to prevent duplication and inconsistencies in policies and procedures. Where possible, the HIPAA Coordinator and the Compliance Officer collaborate and facilitate implementation of both programs.

D. Contract Physicians

Any business arrangement with a community provider must be structured to ensure compliance with legal requirements. Such arrangements shall be in writing and approved

by County Counsel and the Board of Supervisors.

CCHP does not pay for referrals. Patient referrals and admissions are based solely on the patient's clinical needs and CCHP's ability to provide the appropriate service. Violation of this policy may have grave consequences for the organization. If an individual violates this requirement, the individual involved will be subjected to disciplinary action, or if applicable, contract termination.

CCHP does not accept payments for referrals that we make. No person acting on behalf of the organization is permitted to solicit or receive anything of value, directly or indirectly, in exchange for the referral of patients. Likewise, when making patient referrals to another health care provider, no consideration will be given to the value of referrals made to CCHP.

E. Agreement with Other Health Care Providers and Management/Marketing Companies

Agreements between CCHP and other health care providers in a position to take referrals from CCHP (i.e. other hospitals, nursing homes, home health agencies, ambulance services, clinical laboratories, pharmaceutical vendors, etc.), and agreements with companies providing significant management and/or marketing services must be in writing and in a form approved by County Counsel prior to initiation of the activity. Only those authorized may negotiate such agreements. The financial and other terms of these agreements will be commercially reasonable and based on the fair market value of the items or services actually provided, which are reasonably necessary, for legitimate business purposes, and appropriately documented. Again, compensation pursuant to these agreements shall be provided without regard to the volume or value of referrals made to or from CCHP.

F. Accrediting Bodies

CCHP will treat all members of an accrediting team such as URAC for Advice Nurse Unit and NCQA for the Health Plan, in a direct, open and honest manner. No efforts will be made to mislead accrediting bodies or their survey teams, directly or indirectly.

Accreditation is an important privilege bestowed upon CCHP's entities and as such, our standards will be adhered to with the best of our abilities.

G. Contracting and Bidding Process

CCHP is committed to managing contractor and vendor relationships in a fair and equitable manner consistent with all applicable laws. Selection of a vendor or contractor will be made based on objective criteria including quality, service, and adequate maintenance of services and supplies. For service providers, we will ensure that the agreement requires that they conduct themselves in compliance with all Federal and State laws and regulations and that they have an active compliance program or participate in

the compliance program at CCHS or CCHP. Where appropriate, they will be requested to provide documentation that supports the existence of their compliance program.

H. Marketing Practices

CCHP may use marketing and advertising to educate the public, provide information to the community, increase awareness of services and to conduct recruitment. We will present only truthful, informative and non-deceptive information in our marketing materials. No government payer will inappropriately bear the costs of such activities since marketing is not an allowable cost for government sponsored insurance programs. Wherever appropriate, CCHP will also follow state or federal guidelines on marketing, as appropriate for different product lines.

I. Antitrust

Antitrust laws are designed to create a competitive marketplace. We will not entertain discussions with competitors regarding setting our prices, carving up markets among competitors, or refusing to deal with a targeted vendor.

III. Compliance – Financial Matters

A. Waivers of Copayments and Deductibles

CCHP will not routinely waive insurance copayments or deductibles or provide other incentives to induce patients/members to receive services from CCHP, except where it is deemed reasonable to do so and the action is not in violation of the law.

B. Coding and Third-Party Billing

CCHP will exercise the utmost care in ensuring that bills submitted to government and private insurance payors are accurate and are in compliance with federal and state laws and regulations.

Care will be taken to verify that claims are submitted only for services actually provided and that services are billed as provided. All personnel are prohibited from intentionally presenting or causing to be presented claims for payment or approval that are false, fictitious or fraudulent. Oversight and monitoring systems will be developed to ensure accuracy in documentation of services. CCHP will also ensure that all current and new employees are trained regarding the false claims act.

Contractors engaged to perform services that impact CCHP's coding or billing process must have the necessary skills and procedures in place to ensure that claims submitted to the government and commercial insurance payors are accurate and complete. CCHP will require in the written agreement with the contractor that they have a compliance program in place and will comply with all federal and state laws and regulations.

C. Cost Reports

CCHP receives reimbursement from government sponsored insurance programs. As a result of participation in these programs, CCHP is required to report our costs of operations. CCHP will comply with Federal and State laws relating to all cost reports. These laws and regulations specify what costs are allowable and define the appropriate method to use when claiming reimbursement for the cost of services provided to program beneficiaries. Because of the complexity of the cost reporting process, all issues related to the CCHP completion or settlement filing of cost reports is coordinated by the CCHP Finance Department. CCHP personnel will deal with auditors in an open and honest manner.

D. Third Party Payers

CCHP will operate oversight systems in order to verify that claims are submitted only for services actually provided. Our emphasis will focus on the importance of complete and accurate documentation of services provided. Accordingly, we will maintain current and accurate medical records to the best of our abilities.

E. Response to Inquiries

CCHP will expeditiously respond to any billing inquiries. Requests for information will be coordinated by CCHP Business Services, and will be answered with complete, factual, and accurate information. Cooperation and courtesy to all government regulators will be the standard for our actions in dealing with regulators or government representatives.

CCHP staff shall never conceal, destroy or alter any documents, lie, or make misleading statements to a government representative.

IV. Business Information and Management Information Systems

A. Accuracy

Each employee at CCHP is responsible for the integrity and accuracy of the organization's documents and records, and for ensuring their compliance with regulatory and legal requirements.

B. Retention

Medical and business records will be retained in accordance with the law and CCHP's record retention policy.

C. Confidential Information

Confidential information about patients or the organization will be protected and not shared with those that are not authorized or required to have such information. Confidential information may include personnel data, patient and clinical information, pricing and cost data, financial data, strategic plans, vendor and contractor information, and any information defined as confidential under the HIPAA guidelines.

D. Electronic Media

All communication systems, electronic mail, intranet, internet access and voicemail are the property of CCHP. Limited reasonable personal use of the communications system is permitted; however, employees should assume that these communications are not private. Patient or confidential information should not be sent via email or the internet unless confidentiality can be assured.

E. Financial Reporting and Records

CCHP strive to ensure a high standard of accuracy and completeness of its financial records since they serve as the basis for managing our financial and budgetary obligations to our stakeholders. We will strive to ensure that all financial information reflects actual transactions and conforms to generally accepted accounting principles. CCHP maintains a system of internal financial controls to ensure appropriate processes in all transactions executed.

V. Workplace Conduct

A. Conflict of Interest and Business Courtesies

CCHP staff shall ensure that their outside activities and personal interests do not influence or appear to influence their ability to make objective decisions in their job. Other conflicts of interest may occur when the demands of outside activities detract from work performance, or if CCHP resources are used in meeting those outside activities. Each employee is responsible for avoiding conflicts of interest in the performance of their duties.

CCHP, in its operations and activities, shall not induce any person to make, solicit, or receive entertainment or gifts. Personnel may never accept cash or cash equivalents, such as gift certificates, nor may personnel solicit gifts.

B. Copyrights

CCHP staff shall ensure that they comply with the law when making copies of copyrighted materials.

C. Personal Use of CCHP Resources

Each CCHP employee is responsible for preserving the assets of the organization, which include time, materials, supplies and information. The organization's assets are to be

maintained for business related purposes. Personal use of CCHP assets is prohibited, as well as the use of resources for personal financial gain.

D. Prohibited Conduct

CCHP is part a fully integrated health services system including providers and payors. As such, personnel are informed about and instructed that they are prohibited from engaging and participating in any of the following:

A. Improper Claims

Presenting or causing to be presented to the federal or state government or any other healthcare payor:

1. A Claim for an Item or Service Not Provided as Claimed

A claim for a medical service or other item or service that such person knows or should know was not provided as claimed, including a pattern or practice of presenting or causing to be presented a claim for an item or service that is based on a code that such person knows or should know will result in a greater payment to CCHP than the code such person knows or should know is applicable to the item or service actually provided.

2. A False Claim

A claim for a medical service or other item or service that such person knows or should know is false or fraudulent.

3. Services by Unlicensed Physicians

A claim for a physician's service (or an item or service incident to a physician's service) when such person knows or should know that the individual who furnished (or supervised the furnishing of) the service:

a. was not a licensed physician;
b. was licensed as a physician, but such license had been obtained through a misrepresentation of material facts (including cheating on an examination required for licensing); or
c. represented to the patient at the time the service was furnished that the physician was certified in a medical specialty by a medical specialty board when the individual was not so certified.

4. Claims From an Excluded Provider

A claim for a medical service or other item or service furnished during a period in which such person knows or should know that the provider who furnished the services was excluded from the program under which the claim was made.

5. Claims for Services That Are Not Medically Necessary

A claim for a medical service or other item or service that the person knows or should know is not medically necessary, that is, items or services which are not warranted by the patient's current and documented medical condition.

B. False Statement in Determining Rights to Benefits

Making, using, or causing to be made or used any false record, statement, or representation of a material fact for use in determining rights to any benefit or payment under any healthcare program.

C. Conspiracy to Defraud

Conspiring to defraud the federal or state government or any other healthcare payer by getting a false claim allowed or paid.

D. Patient Dumping (EMTALA: Emergency Medical Treatment and Active Labor Act)

Refusing to treat, transferring, or discharging any individual who comes to receive emergency services, and on whose behalf a request is made for treatment or examination, without first providing for an appropriate medical screening examination to determine whether or not such individual has an emergency medical condition, *and,* if such individual has such a condition, stabilizing that condition or appropriately transferring such individual to another hospital in compliance with the requirements of the law.

E. Healthcare Fraud/False Statements Relating to Healthcare Matters

Executing or attempting to execute a scheme to defraud any healthcare benefit program or to obtain, by means of false, fictitious, or fraudulent pretenses, representations or promises, any of the money or property owned by, or under the custody or control of, any healthcare benefit program.

F. Prohibited Referrals

Presenting or causing to be presented a claim for reimbursement to any individual, third-party payer, or other entity for items or services that were furnished pursuant to a referral by a physician to an entity with which the physician has a financial relationship except as permitted by law.

G. Kickbacks

Knowingly and willfully:

1. soliciting or receiving any remuneration (including any kickback, bribe, or rebate) directly or indirectly, overtly or covertly, in cash or in kind either:

a. in return for referring an individual to a person for the furnishing or arranging for the furnishing of any item or service for which payment may be made in whole or in part under a federal healthcare program; or

b. in return for purchasing, leasing, ordering, or arranging for or recommending purchasing, leasing, or ordering any good, facility, service, or item for which payment may be made in whole or in part under a federal healthcare program; or

2. offering or paying any remuneration (including any kickback, bribe, or rebate) directly or indirectly, overtly or covertly, in cash or in kind to any person to induce such person either:

a. to refer an individual to a person for the furnishing or arranging for the furnishing of any item or service for which payment may be made in whole or in part under a federal healthcare program; or

b. to purchase, lease, order, or arrange for or recommend purchasing, leasing, or ordering any good, facility, service or item for which payment may be made in whole or in part under a federal healthcare program.

H. Failure to Report Known Violations to Compliance Office

All employees are expected to promptly report any instance of noncompliant conduct to the Compliance Officer.

VI. CCHS and CCHP Compliance Programs

The CCHS and CCHP Compliance Programs are intended to work together with both demonstrating the organizations' commitment to the highest ethical standards and compliance with all federal and state laws and regulations. This commitment is exhibited at all levels of the organizations.

For information about CCHP's Compliance Program you may contact the CCHP Compliance Office via e-mail at **compliance@cchealth.org** or by direct mail at the following address:

Compliance Office
Contra Costa Health Plan
595 Center Ave. Ste. 200
Martinez, CA 94533

To anonymously report potential compliance or privacy issues, you can also contact the Contra Costa Health Services 24-hour Compliance Hotline at **1-800-659-4611**.

Whenever possible, issues should be addressed with your immediate supervisor. When that is

not possible or the individual feels that another course of action is required, contacting a member of Senior Management or the Compliance Officer directly is also an option. The confidentiality of the identity of any individual who files a report will be maintained unless disclosure of their identity is mandated by law or County policy. CCHP's Compliance Officer is vested with day-top-day operations of the Health Plan Compliance Program. CCHP's Compliance Manager is full-time employee of the CCHP division and is always available to you for matters pertaining specifically to CCHP.

a. Personal Obligation to Report

CCHS and CCHP are committed to ethical and legal conduct in compliance with all relevant laws and regulations. To that end, every person is obligated to report and correct wrongdoing whenever it may occur in the organization. This commitment also extends to self-reporting any potential fraud or misconduct related to Medicare Part C and Part D Programs. The safeguard of the integrity of these programs requires open communication and the ability to self-report any potential fraud or misconduct to the proper entity within the CMS Division of Plan Oversight and Accountability within the Center of Program Integrity.

b. Internal Investigations of Reports

All potential compliance issues will be investigated promptly and confidentially to the extent possible. Either the CCHS Compliance Officer or CCHP Compliance Officer will coordinate all investigations and initiate corrective action. All CCHS and CCHP staff are expected to cooperate with investigations.

c. Corrective Action

Where an internal investigation substantiates a reported violation, corrective action is expected. Corrective action includes making prompt restitution of any overpayments, disclosure to the appropriate governmental agency, and instituting disciplinary action where needed.

d. Discipline

Violations of the Compliance Program policies shall be addressed pursuant to disciplinary procedures outlined in County policies and union contracts.

e. Internal Auditing and Monitoring

CCHP is committed to proactive monitoring of its compliance with federal and state laws and regulations. An internal monitoring system is in place that will be used to provide routine audits of specific areas that are deemed "high risk" by the Office of Inspector General or for areas of operational concern as identified by regulators such as DMHC, CMS, or DHCS.

CCHP's Compliance program works in conjunction with the overall Health Services Compliance Program. The CCHP Compliance Officer reports directly to the CEO of CCHP and the Contra Costa County Board of Supervisors (via the Joint Conference Committee "JCC"). The CCHP Compliance Office also maintains direct communication with the CCHS Compliance Office.

The Contra Costa County Board of Supervisors (hereinafter the "Board") is the designated governing body responsible for the supervision of the compliance efforts of CCHS and CCHP. The Board or appropriate subcommittees such as the CCHP Joint Conference Committee, CCHP's Compliance Committee, and key leadership will oversee CCHP's compliance efforts, consult with advisors it deems necessary, receive periodic reports from the Health Services Director or the CCHS or CCHP Compliance Officer, and take any actions it deems appropriate and necessary to ensure that CCHS and CCHP conduct their activities according to federal, state and local laws and regulations.

A copy of the minutes of all Board or subcommittee meetings reflecting reports on Compliance matters, as well as the decisions made by the Board or subcommittees may be reviewed upon request.

f. Acknowledgement Process

CCHP personnel will be required to sign an acknowledgement indicating that they have received the Code of Conduct and understand that it represents a mandatory policy of CCHP.

g. Role of Department Managers

All CCHP managers are responsible for ensuring their staff receive Compliance training. All new employees shall be exposed to the Compliance Program through the orientation process. For current employees, each department manager will schedule initial Compliance training with the Compliance Officer and document accordingly in the department personnel records. Subsequent review of the Compliance Program will occur during each employee's annual evaluation. Employees working in high-risk areas (as defined by the OIG) will receive specialized training as appropriate on an annual basis. These special training programs will include but not be limited to: (1) the content and procedures of the Compliance Program; (2) that cooperation with the Compliance Program is an expectation of management, (3) that CCHS will take appropriate disciplinary action, up to and including termination of employment, in a manner consistent with our policies and union contracts for violations of Federal and State laws and regulations. Accordingly, the Compliance Program will be a formal program of CCHS and as such, will require adherence by all employees.

h. Special Provision for Entities Meeting FWA Certification Through Enrollment into the Medicare Program or Accreditation as Durable Medical Equipment, Prosthetics, Orthotics and Supplies Providers.

CCHP recognizes an entity who enrolls into the Medicare program as a provider or who meets accreditation as a Durable Medical Equipment, Prosthetics, Orthotics, and Supplies (DMEPOS), as entities deemed to have met the training and educational requirements for fraud, waste and abuse.

To: Joint Conference Committee (JCC) Members

From: Irene Lo, MD FACS; Chief Executive Officer (Interim)
Chanda Gonzales, Compliance Officer
Date: June 6, 2025

Subject: Code of Conduct

Background

The Compliance Department submits the revised Code of Conduct for review and approval by the JCC. The Code of Conduct is part of the overall Compliance Program and is required, by state and federal regulations, to be reviewed and approved by the health plan's governing body.

Summary and Purpose

The submitted Code of Conduct provides guidance to staff and contractors for carrying out their daily work activities in a way that is consistent with the Contra Costa Health Services (CCHS) and CCHP Compliance Programs. The Code of Conduct provides standards that address areas identified as a high priority for Compliance oversight. These standards are intended to communicate policies that are comprehensive and easily understood.

The Code of Conduct states CCHP's expectations regarding ethical treatment of plan members, interactions with business partners, and workplace conduct. The Code addresses the duty to report any compliance issues and the multiple ways to do so.

The Code of Conduct also encourages the implementation of effective communication that ensures confidentiality between the Compliance Officer, members of the CCHP Compliance Committee, CCHP Personnel and CCHS Senior Staff and Administration.

1025 ESCOBAR STREET
MARTINEZ, CA 94553

CONTRA COSTA COUNTY

Staff Report

File #: 25-2721 **Agenda Date:** 7/8/2025 **Agenda #:** C.108.

To: Board of Supervisors

From: Dr. Ori Tzvieli, Interim Health Services Director

Report Title: Annual Update of the Contra Costa Health Plan Quality Improvement and Health Equity Transformation Program

☐Recommendation of the County Administrator ☒ Recommendation of Board Committee

RECOMMENDATIONS:
ACCEPT the Contra Costa Health Plan (CCHP) 2024 Quality Program Evaluation, 2025 Program Description, and 2025 Work Plan of the Quality Improvement and Health Equity Transformation Program (QIHETP), as recommended by the CCHP Joint Conference Committee (JCC); and

AUTHORIZE and DIRECT the Chair of the Board of Supervisors to accept the above three documents, which have been included as attachments, and provide an authorizing signature on the accompanying signature page.

FISCAL IMPACT:
There is no fiscal impact for this action.

BACKGROUND:
To maintain compliance with the California Department of Health Care Services (DHCS) contract requirements for Medi-Cal managed care plans, CCHP must submit an annual program evaluation, program description, and work plan of the QIHETP, approved and signed by the governing body.

The above-mentioned documents were reviewed by the CCHP JCC on June 6, 2025. An accompanying staff report is included for reference.

CONSEQUENCE OF NEGATIVE ACTION:
If this action is not accepted, CCHP will not be in compliance with the DHCS contract. Noncompliance can lead to audit findings, fines, and, ultimately, loss of funding.

13 2024 QUALITY WORK PLAN AND EVALUATION OF ACTIVITIES 49

2 INTRODUCTION

The 2024 Annual Evaluation assesses Contra Costa Health Plan's (CCHP) Quality Improvement Program. It examines the effectiveness of initiatives implemented across CCHP departments in 2024, identifying successes, areas for improvement, and potential program modifications for the following year. The evaluation reviews committee and subcommittee structures, resource adequacy, internal and external reporting, practitioner participation, leadership involvement, and quantitative and qualitative data to assess program outcomes.

The Quality and Health Equity Department leads the evaluation, gathering input from stakeholders, including committees, departments, content experts, data analysts, and work plans. The assessment involves analyzing qualitative and quantitative data, identifying barriers, evaluating interventions, and determining opportunities for improvement. Findings inform next steps for program development.

2.1 MAJOR ACCOMPLISHMENTS

In 2024, CCHP Quality and Health Equity Department led a number of initiatives with notable successes:

- In NCQA's Annual Health Plan Rating, CCHP ranked with 4.5 stars (out of 5). These ratings evaluate health plans on the quality-of-care patients receive, how satisfied patients are with their care, and health plans' efforts to keep improving.
- CCHP exceeded the 90th percentile nationally for 17 MCAS measures, including Well-Child Visits in the First 30 Months of Life (31d-15m), Prenatal and Postpartum Care, Breast and Cervical Cancer Screenings, Childhood Immunization Status- Combo 10, and Diabetes Hemoglobin Poor Control (>9.0%), demonstrating CCHP's commitment to high quality patient care.
- CCHP implemented a Value Based Payments (VBP) program to incentivize and reward providers for providing high quality, efficient care.
- CCHP developed reporting and automatic authorization for care management services from Admission, Discharge, and Transfer Feeds to allow for better real time identification of member discharges.
- Provider empanelment reports, gap in care lists, and members due for lead screening reports are now available on demand through the secure CCHP Provider Portal, ensuring that providers are able to access real time patient level data in a HIPAA compliant fashion.

- CCHP launched a maternal health redesign project to ensure comprehensive and equitable maternal health services. CCHP hosted kick off summit with representation from providers, doulas, public health, WIC, and other community partners that lead to a significant increase in the number of doula services provided.
- The Health Education team expanded to include one additional Senior Health Education Specialist and a Heath Education Specialist. The Health Education team began efforts to enhance relationships with network providers and other important community groups.
- CCHP enrolled 7,706 members in Enhanced Care Management, of which 1,916 were Adults at Risk for Avoidable Hospital or Emergency Department (ED) Utilization. CCHP is one of the highest amongst all health plans in the state in the provision of ECM according to overall membership size.
- CCHP provided Community Supports to 5,664 members, with 3,384 receiving medically tailored meals and 2,110 members receiving housing transition/navigation services.
- CCHP partnered with its largest provider group to implement an outreach project to reengage members into care. CCHP outreach staff were able to contact and directly schedule appointments for over 500 CCHP members who had been out of care for at least 12 months.
- CCHP engaged in a wide array of performance improvement projects, including activities aimed to address well care visits, colorectal cancer screening, lead screening in children, topical fluoride application, and improve follow-up care after emergency department visits for substance use.

3 Program Purpose, Goals, and Scope

CCHP is a federally qualified, licensed, county sponsored Health Maintenance Organization serving Contra Costa County. In 1973, CCHP became the first county sponsored HMO in the United States.

Contra Costa County is located in the East Bay of the San Francisco Bay Area. In 2024, according to the American Community Survey 1-year estimate from the United States Census Bureau, the county population was 1.146 million residents. Contra Costa Health Plan serves more than 262,000 Medi-Cal members, providing health insurance to nearly one-quarter of the county population. CCHP also administers a commercial product for County employees and In-Home Support Services (IHSS) caregivers. It serves more than 6,000 commercial members.

The CCHP provider network consists of Contra Costa Regional Medical Center and the Community Provider Network (Federally Qualified Community Health Centers and contracted provider groups, and private practices). The Quality Program collaborates with internal departments, provider networks, and community-based organizations to facilitate safe, effective, cost-efficient, equitable, and timely care to members.

The Quality Council, a physician committee consisting of plan and network physicians, and the Equity Council, a multidisciplinary group including providers, community organizations, and public health, oversee the development, implementation, and evaluation of the Quality Program. The Joint Conference Committee was delegated by the Board of Supervisors to oversee the quality and health equity programs for CCHP. CCHP's quality program is designed to support its purpose and goals to improve the quality, safety, and equity of care and services provided to members. CCHP is committed to continuous quality improvement for both the health plan and its care delivery system.

CCHP's quality and health equity program is designed to measure, monitor, evaluate, and improve the quality, safety, and equity of care and services provided to members. CCHP's overarching quality goals are to achieve better health outcomes, refine population health management, promote health equity, ensure patient safety, improve member experience, avoid unnecessary ED and hospital utilization, stabilize or reduce healthcare costs, and enhance provider experience. To achieve these goals, CCHP utilizes data analysis, solicits input from providers and members through committees, collaborates with community-based organizations, sets aims, measures, and improvement teams for Performance Improvement Projects (PIPs), leverages technology for early identification, and continuously monitors and sustains performance.

The Quality Program encompasses clinical care and services for all Medi-Cal and Commercial members, involving partnerships with various entities. The scope includes access to care, care coordination, population health strategy, utilization evaluation, patient safety standards compliance, health education, cultural and linguistic services, addressing health disparities, managing clinical services usage, member appeals, grievances, and accreditation compliance. CCHP ensures accessibility to all members, regardless of demographics or health status, complying with applicable civil rights laws.

In 2024, there was a substantial change made to the overarching purpose, goals, and scope of the quality program to ensure the inclusion of health equity in all program aspects. The current framework now effectively addresses the outlined goals, demonstrating the program's stability and effectiveness. Looking ahead to 2025, CCHP is working to achieve National Committee on Quality Assurance (NCQA) accreditation in Health Equity and Health Plan reaccreditation.

4 Program Structure and Governance

4.1 Overview

The Quality Council is the principal committee for directing and overseeing quality and patient safety operations and activities for CCHP. It plays a crucial role in directing clinical and service-related performance improvement projects, access to care studies, member grievances, potential quality issues, utilization management, and other programs requiring quality oversight. The Equity Council is the committee responsible for addressing health equity, including reviewing discrimination grievances, identifying health inequities, and promoting interventions to reduce disparities in care and outcomes. The Quality and Equity Councils' recommendations to the Joint Conference Committee contribute to the approval process for the Quality Program by the Contra Costa County Board of Supervisors.

4.2 Quality Department Structure

Quality staff at CCHP play a vital role in implementing and monitoring quality projects and improvement activities, supporting CCHP leadership in strategic priorities, and collaborating with CCHP providers to ensure quality care for members. Led by the Chief Medical Officer, staff include directors, managers, analysts, health educators, and administrative support.

The Quality and Health Equity Department continues to lead ongoing initiatives, including quality measurement, access and availability monitoring, member and provider experience, PIPs, population health management, provider engagement, and NCQA accreditation oversight. With an increased focus on equity in 2024, the department was renamed to the Quality and Health Equity Department and assumed responsibility for ensuring health equity is prioritized through marketing strategy, policies, member and provider outreach, quality improvement activities, grievance and appeals, and utilization management. In recognition of the importance of primary and secondary prevention in improving member outcomes and reducing long-term healthcare costs, CCHP hired a Senior Health Education Specialist and a Health Education Specialist. These roles will focus on promoting preventive services, chronic disease management, wellness initiatives, and member outreach. Their expertise will enhance member engagement, support health literacy, and ensure our members have access to critical health education resources.

4.3 Governing Body – Joint Conference Committee

The Joint Conference Committee (JCC) is one of the mechanisms by which the Contra Costa County Board of Supervisors provides oversight of CCHP, including quality operations and

activities. With two Board of Supervisors members assigned to the JCC, it operates transparently under the Brown Act, ensuring accessibility to the public. The JCC meets quarterly, and its responsibilities include promoting communication between the Board of Supervisors, Quality and Equity Councils, and CCHP administration; assessing and monitoring the overall performance of CCHP and its contracted providers, including, but not limited to, the quality of care and services provided to members; reviewing, evaluating, and making recommendations regarding modifications to the Annual Quality Program Description, Annual Quality Program Evaluation, and Quality Work Plan; and reviewing, evaluating, and acting on quarterly reports on quality and health equity from CCHP's Quality Director and Chief Medical Officer.

Throughout 2024, the JCC actively engaged in activities aimed at overseeing and improving the quality of CCHP's operations. At each meeting, a comprehensive quality report was presented, facilitating a continuous assessment of the health plan's performance. The JCC approved essential program documents, including the Annual Quality Program Description, Quality Evaluation, and Quality Work Plan. The committee also conducted a detailed review and discussion of access and availability, evaluating the effectiveness of CCHP's strategies in ensuring timely access to care. Another focal point was the assessment of population health management, evaluating the overall effectiveness of CCHP's strategies in addressing broader health trends and enhancing the well-being of the population. The JCC reviewed CCHP's Healthcare Effectiveness Data and Information Set (HEDIS) and Consumer Assessment of Healthcare Providers and Systems (CAHPS) results, involving a thorough examination of CCHP's performance against key quality measures in accordance with national standards.

4.4 Quality Improvement and Health Equity Committee (QIHEC)

The Quality Improvement and Health Equity Committee (QIHEC) is a requirement outlined by the California Department of Health Care Services (DHCS) for all Medi-Cal managed care plans. DHCS mandates that health plans establish a QIHEC to oversee the integration of quality improvement and health equity initiatives. At CCHP, this requirement is met through the collaboration of two distinct but complementary committees: the Quality Council and the Equity Council. These councils work together to ensure the ongoing development, implementation, and evaluation of quality and health equity programs. The Quality Council, clinically focused, includes providers across various specialties and monitors clinical care, performance improvement projects, and member outcomes. The Equity Council, which includes community organizations, addresses issues of health disparities, discrimination grievances, and the promotion of equitable care across the plan's member population. While the councils have distinct memberships, there is overlapping representation between the two, ensuring alignment and coordination of

efforts to improve both quality and equity in care delivery. In 2024, two Quality Councils and one Equity Council meeting were held each quarter.

4.4.1 Quality Council

The Quality Council is responsible for reviewing and acting on subcommittee reports, approving program documents, and providing recommendations to governing bodies. Chaired by the Chief Medical Officer and co-chaired by the Quality and Health Equity Director, the Council is comprised of a multi-specialty group of clinicians who meet eight times per year. Voting members, including the Chief Medical Officer and network clinicians, represent specialties essential to the Medi-Cal population.

Subcommittees that report to the Quality Council, such as the Pharmacy and Therapeutics (P&T) Advisory Committee, Peer Review and Credentialing Committee (PRCC), Utilization Management (UM) Committee, and Potential Quality Issues (PQIs) Committee play key roles in pharmaceutical management, credentialing, overseeing outpatient and inpatient utilization management, and patient safety. These committees report regularly to the Quality Council for oversight.

Throughout 2024, the Quality Council's effectiveness and member participation were evaluated through feedback from members and a review of past meeting agendas and minutes. The assessment indicated consistent attendance from providers. Updates from the Quality Council focused on CCHP's transition to a Single Plan Model, expanded provider networks, and improvements in access to care, including behavioral health and specialty services. Key initiatives in 2024 emphasized clinical quality, equity, and care coordination, with notable progress in HEDIS, performance improvement projects, and policy updates aimed at supporting maternal health and value-based payments. Surveys on member and provider experience identified strengths in access but highlighted areas for improvement in communication and follow-up. Additional updates covered long-term care quality monitoring, behavioral health utilization changes, and preparations for the D-SNP launch in 2026, reinforcing CCHP's commitment to continuous quality improvement.

4.4.2 Equity Council

In 2024, one meeting per quarter was dedicated to overseeing equity-focused initiatives, engaging a broader group of stakeholders, including community-based organizations, homeless services, public health, and other community health advocacy groups. These meetings centered on advancing health equity within the system, including efforts to achieve NCQA Health Equity Accreditation. Key initiatives included the launch of Diversity, Equity, and Inclusion (DEI) and Transgender, Gender Diverse, and Intersex (TGI) training

programs, the development of performance measures, and outreach and education for non-specialty mental health services.

4.5 The Community Advisory Committee

CCHP established the Community Advisory Committee (CAC) to ensure meaningful member input into CCHP's policies and decision-making processes and to promote member engagement as partners in the delivery of Medi-Cal Covered Services. The CAC focuses on cultural and linguistic services, health education, and health equity, fostering community participation and advocacy. With a commitment to addressing health disparities, CAC members contribute to discussions on preventive care practices, while CCHP's integration strategy enhances services with cultural and linguistic appropriateness.

In 2024, CCHP successfully relaunched the Community Advisory Committee, holding four meetings that addressed health equity, Performance Improvement Projects (PIPs), health education priorities, member satisfaction survey results, culturally appropriate services, and plan marketing materials and campaigns.

4.6 Quality Program Planning

CCHP employs a systematic documentation cycle for quality program planning, including the Quality Program Description, Quality Work Plan, and Quality Program Evaluation. These documents, along with the Quality Council charter, are reviewed annually by the Quality Council and Equity Council.

No major changes were made to the process in 2024. The process involved collaboration across departments to capture a comprehensive view of quality across CCHP. Additionally, the refined quality framework was shared with provider groups to encourage collaborative engagement in quality initiatives. Periodic reviews of the quality plan ensured that activities remained on track and met established deliverables. The evaluation provided a framework for developing the subsequent year's quality plan and overall program description. A new addition in 2024 was the creation of quarterly activity reports, which were presented to the Quality Council and also posted on CCHP's website to increase transparency and engagement.

5 NCQA Accreditation

The Quality and Health Equity Department plays a central role in interpreting standards, identifying gaps, collaborating with other department functions to address deficiencies,

ensuring the submission of appropriate and timely documentation, and maintaining oversight of the NCQA health plan accreditation status.

In 2024, CCHP undertook efforts to ensure survey readiness for the Health Plan and Health Equity Accreditations, both to take place in 2025. The HEDIS and Accreditation manager established a structure to ensure annual deliverables are met and a framework has been set for ongoing meetings with relevant stakeholders. By the end of the year, all expected deliverables had been requested and received.

6 Measurement, Analytics, Reporting, and Data Sharing

CCHP, in collaboration with Contra Costa Health's centralized IT department, boasts a robust technology infrastructure and data analytics capabilities that support quality management and improvement activities. As an integrated health system, the centralized data infrastructure collects, analyzes, and integrates health plan data with clinical delivery system data and social services data to bolster quality initiatives. This integrated data warehouse enables the comprehensive collection of all quality performance data across the health plan and delivery system.

6.1 Healthcare Effectiveness Data and Information Set (HEDIS)

The Quality and Health Equity Department collaborates with the CCH Business Intelligence team to annually collect HEDIS data. Medi-Cal Managed Care plans are mandated by both the DHCS, the Department of Managed Health Care (DMHC) and NCQA to report annually on three distinct sets of measures. DHCS requires Medi-Cal Managed Care plans to report annually on a set of quality measures, known as the Medi-Cal Managed Care Accountability Set (MCAS). DMHC requires health plan reported on a set of stratified measures called the Health Equity Quality Measure Set (HEQMS), while NCQA requires health plans report on a set of Health Plan Accreditation measures. In sum, this encompasses over 70 measures spanning clinical effectiveness, clinical resource utilization, access and availability, and member experience with care. CCHP utilizes a certified HEDIS benefits engine for reporting and undergoes compliance audits to ensure the certification of all measures by June 15 each year. In June 2024, CCHP reported 2023 measurement year data.

The MCAS measures are comprised of various health-related outcomes, HEDIS measures, and Center for Medicaid and Medicare (CMS) Core Measures. DHCS establishes the targets, or Minimum Performance Level (MPL), on qualifying measures based on the NCQA national

Medicaid 50th percentile benchmark. CCHP's performance on Measurement Year (MY) 2023 MCAS measures and their trends over time are illustrated in Table 1.

Table 1. Summary Performance in MCAS Measures Overall MY 2019-2023

Measures	MY 2019	MY 2020	MY 2021	MY 2022	MY 2023	Trend	National Percentile
Adults' Access to Preventive/Ambulatory Health Services	-	-	-	69.75	71.99		25th ☆
Ambulatory Care - Emergency Dept Visits/1000 MM	634.80	437.40	483.24	563.04	563.33		90th ★

CCHP improved performance in several key MCAS measures in MY 2023. CCHP accomplished this through data improvements, performance improvement initiatives, and increased collaboration with contracted providers. CCHP has nearly doubled the number of MCAS measures at the High-Performance Level (HPL) from nine in MY 2022 to 17 in MY 2023. Additionally, CCHP achieved the 75th percentile for 9 measures and the 50th

percentile for another 6 measures. CCHP was under the 50th percentile for 7 measures, 3 of which were target measures (Follow-Up After Emergency Department Visit for Substance Use, Lead Screening in Children, and Topical Fluoride for Children).

CCHP has seen notable improvement in pediatric well care visit metrics. For Well-Child Visits in the First 30 Months of Life (31d-15m), CCHP performed in the 90th percentile and surpassed pre-pandemic visit completion rates. In the Well-Child Visits in the First 30 Months of Life (15m-30m) measure, CCHP performed in the 75th percentile and has increased rates by 10 percentage points since MY 2021. CCHP also performed in the 75th percentile for Child and Adolescent Well Care Visits in MY2023.

For Lead Screening in Children (LSC), Follow-Up after ED for SUD – 30 Days (FUA-30), and Topical Fluoride Varnish (TFL), which were below the MPL, rates in MY 2023 increased compared to MY 2022. To ensure that CCHP exceeds the MPL for FUA-30, CCHP had instigated a Performance Improvement Project (PIP) for the 2023-2026 improvement cycle. This project focuses on connecting CCHP members who present to the ED with a SUD or mental health concern to care management. CCHP also continued improvement activities to address Lead Screening in Children. These efforts include targeted provider education and gap in care lists and are more detailed in 7.2.

6.2 Member Experience

Each year, CCHP surveys our members to help measure member satisfaction, access to services, and member experience with cultural and linguistic services. We also conduct a thorough analysis of member grievances to obtain a comprehensive understanding of the member experience and identify any opportunity for improvement.

The survey process encompasses three distinct instruments tailored to capture various aspects of the member experience. The CAHPS survey offers a comprehensive evaluation of overall experience and access to care. Additionally, the Experiences of Care and Health Outcomes (ECHO) survey specifically targets individuals receiving behavioral health services, aiming to delve deeper into their unique needs and experiences. Lastly, a specialized survey is administered to non-English speaking members, focusing on assessing the adequacy of language access services provided by CCHP.

By systematically gathering feedback through these surveys, CCHP gains valuable insights into members' perspectives, identifies areas for improvement, and aims to tailor services to better meet the diverse needs of its enrollees. This commitment to continuous assessment and enhancement underscores CCHP's dedication to providing accessible, culturally competent, and high-quality care to all members of the community.

The CAHPS survey is administered yearly and the data from the Adult Medi-Cal population in RY 2024 are presented in Table 2.

Table 2 CAHPS Results RY 2023-2024

Measure	RY 2023	RY 2024	Percent Change	Percentile
Overall Ratings				
Rating of all health care	78.2%	83.4%	6.6%	95th ▲
Rating of personal doctor	80.8%	84.3%	4.3%	66th ▲
Rating of specialist talked to most often	79.2%	88.1%	11.2%	95th ▲
Rating of health plan	79.6%	79.1%	-0.6%	50th ▲
Composite Scores				
Getting Needed Care	79.1%	80.8%	2.1%	33rd ▲
Getting Care Quickly	79.4%	75.2%	-5.3%	10th ▼
Communication	92.8%	91.4%	-1.5%	25th ▼
Customer Service	85.2%	87.9%	3.2%	10th ▼
Effectiveness of Care				
Advising Smokers to Quit	80.4%	88.5%	8.1%	95th ▬
Discussing Cessation Medications	63.0%	61.5%	-1.5%	90th ▼
Discussing Cessation Strategies	70.5%	52.0%	-18.5%	75th ▼

In RY 2024, CCHP improved in national percentile rankings in all four of the Overall Ratings and performed at the 95th percentile for Rating of All Health Care and for the Specialist Talked to Most Often. While CCHP saw improvement in the overall Composite Scores for Customer Service compared to the prior year, performance in the national percentile ranking decreased. CCHP also saw decreases in the overall Composite Scores for Getting Care Quickly and Communication, as well as decreases in national percentile rankings. Under the Effectiveness of Care domain, CCHP improved overall performance in Advising Smokers to Quit, but saw some decreases in both overall scores and national percentile rankings for Discussing Cessation Medications and Discussing Cessation Strategies.

In 2024, CCHP administered the ECHO survey to members who had utilized behavioral health services; this time through a vendor to allow for more robust and generalizable results. Overall results demonstrated high satisfaction with communication from behavioral health providers and ratings of counseling and treatment. Members' perceived improvement increased in 2024 compared to the 2023 administration, demonstrating the importance of connecting members to care. While more members responded positively to being able to see a provider as soon as they wanted in 2024 compared to 2023, the Getting Treatment Quickly domain is an opportunity for improvement.

The 2024 Language Access Survey results offer critical insights into member experiences with interpreter services, health promotion and communication efforts. This year's survey highlights significant opportunities for improvement, as seen by the decreases in member's

ability to get an interpreter and increase in members' reliance on their family for interpreter services.

In 2024, to assess additional improvement opportunities, CCHP created a new member survey to gather information on the clarity of materials and members' understanding of the health plan's policies and procedures, particularly those centered around navigating the health system to get desired care and services. This survey demonstrated that while redesigned new member materials were easy to understand, there were opportunities for improvement with regards to educating members on how to access their benefits, support services, and membership information. CCHP utilized this feedback to redesign the new member orientation and will report on the impact of this intervention in 2025.

More information about the ways in which CCHP evaluates the member experience can be found in the forthcoming 2024 Member Experience Report.

CCHP will work to improve member experience by garnering further input from members through the CAC. The CAC can provide valuable input on how to improve members' experiences by offering diverse perspective, insights, and recommendations that are informed by community needs and experiences. The CAC may offer some insights into the underlying factors contributing to areas with low scores and potential strategies for improvement, as well as identifying priority areas that warrant focused attention.

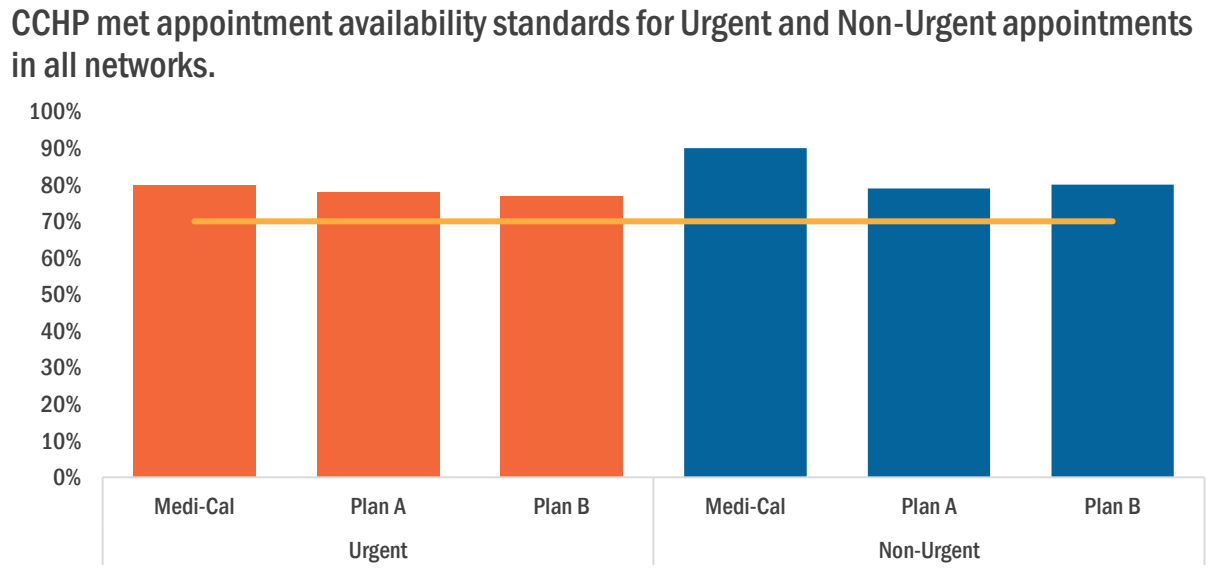

6.3 Network Adequacy

Effective healthcare delivery relies on the accessibility and availability of services when needed. CCHP adheres to access and availability standards as required by DMHC, DHCS, and NCQA. Through analysis of provider appointment availability, enrollee experience, provider satisfaction, and other key metrics, such as initial prenatal appointment availability, Initial Health Appointment (IHA) rates, in-office wait times, and others, CCHP assesses its performance in meeting regulatory standards while ensuring quality and timely service for its members.

The Provider Appointment Availability Survey (PAAS) assesses the readiness of network providers to deliver timely appointments to enrollees. The standard is that 70% of providers within the CCHP network must meet the standards for urgent and non-urgent appointments, and 80% meet standards for non-physician mental health follow-up appointments.

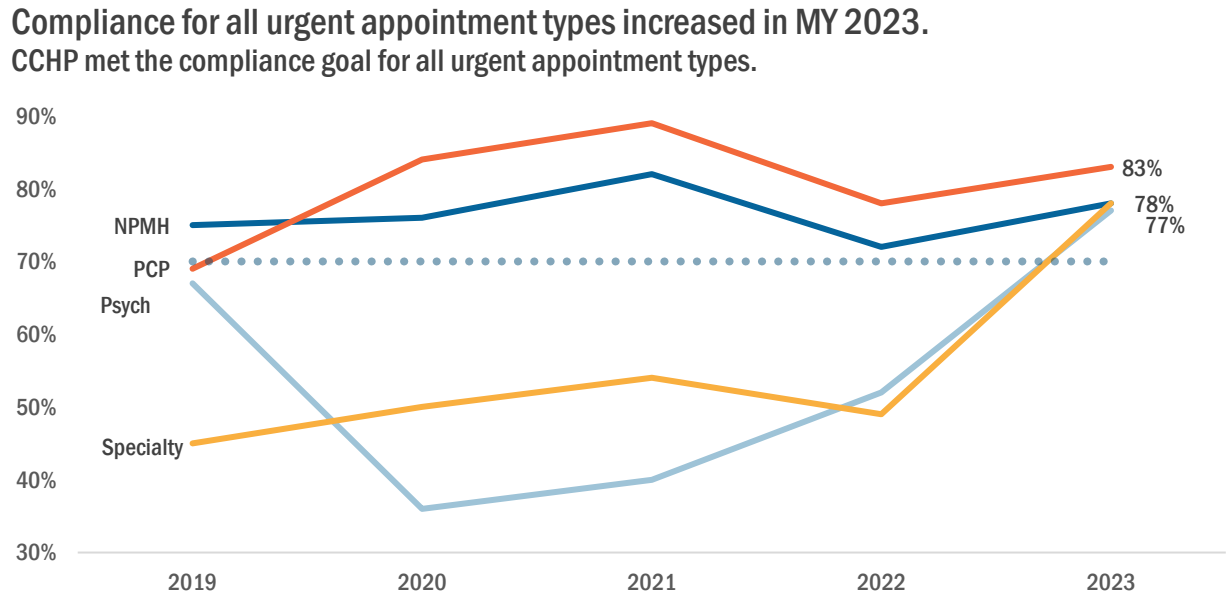

In 2024, CCHP met the standards for both urgent and non-urgent appointments.

Figure 1. PAAS Compliance Rates for Urgent and Non-Urgent Appointments by Line of Business

When stratifying urgent appointments by provider type, CCHP saw a universal increase across all provider types, with primary care, specialty, non-physician mental health, and psychiatry all exceeding the threshold. Notably, the rate for urgent psychiatry appointments meeting the standards increased from 52% to 77% between 2022 and 2023, and the rate for specialty urgent appointments increased from 49% to 78% between 2022 and 2023.

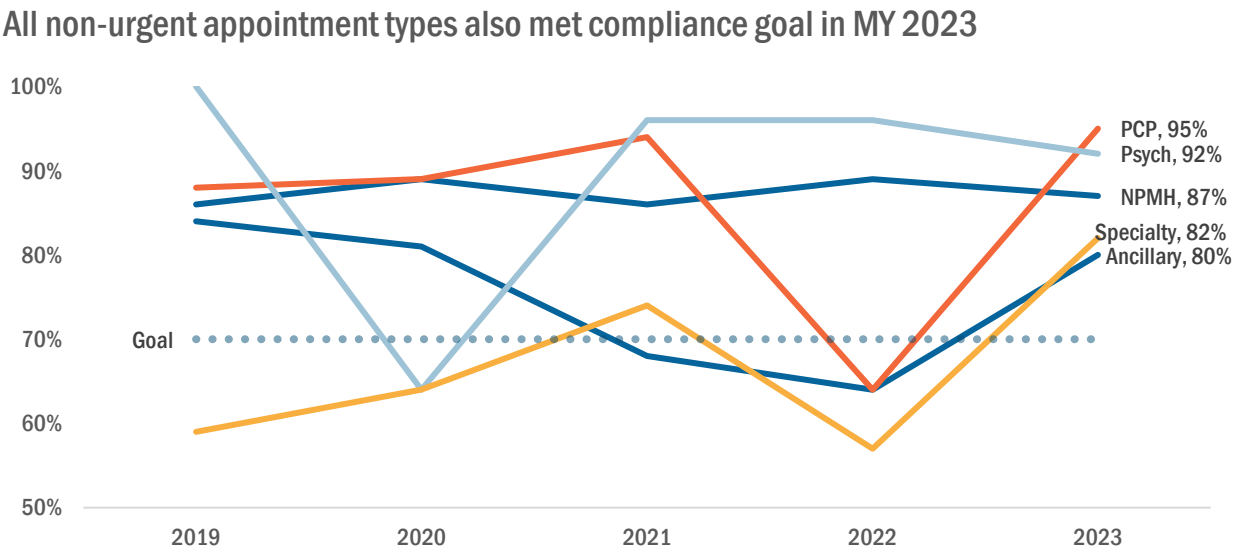

Figure 2. PAAS Urgent Appointment Compliance Over Time

Similarly, non-urgent appointments saw an increase across several provider types in 2023 compared to 2022. Notably, routine primary care appointments increased from 64% to

95%, specialty appointments increased from 57% to 82%, and ancillary care increased from 64% to 80%. Psychiatry appointments increased from 52% to 77%

Figure 3. PAAS Non-Urgent Appointment Compliance Over Time

CCHP implemented several targeted interventions based on the opportunities for improvement identified in the MY 2022 Access and Availability Report. The three main priorities were expanding the psychiatry network, improving provider education on appointment standards, and increasing the specialty network. More comprehensive information about how CCHP assesses its network adequacy can be found in the 2023 Annual Report on Access and Availability.

6.4 Long Term Care and Long-Term Support Services

Following state guidelines, CCHP developed a comprehensive Quality Assurance Performance Improvement Program (QAPI) to ensure members receiving care in Skilled Nursing Facilities (SNF) Long Term Care (LTC) receive high quality services. This report, developed in 2024, analyzes quality data from 2023, reviewing primary and secondary sources to present a comprehensive picture of SNF quality. In 2023, CCHP had 1,882 members placed during the reporting period, for a total of 2,139 facility placements. Of these, 1,750 members were placed into an in-network SNF, and 168 members were placed out-of-network.

In 2023, amongst the 26 SNP facilities with more than 20 CCHP members placed, CCHP identified that 13.8% of our facilities had survey deficiencies above the state average and approximately 5.2% were significantly above average (more than 50% above the state average). Three of our highest volume SNF had higher than average survey deficiencies.

For complaints and facility reported incidents, 20.7% of CCHP facilities were above average and approximately 5.2% were significantly above average. Five of our highest volume SNF had complaints and facility reported incidents above the state average. CCHP reviewed each SNF's data on the CMS Care compare website and recorded the ratings for each facility in the overall, health inspections, staffing, and quality measures categories. The average overall SNF rating was 3.94 which is higher than the state average of 3.2. There was a total of eight facilities (13.8%) with an overall 1- and 2-star rating and two of CCHP's high volume SNF had a 2-star rating. When looking at the individual quality measures, CCHP was above the state average in 8 of the 11 measures but fell below in two measures related to emergency department visits, and one related to antipsychotics.

CCHP also reported on three MCAS measures specific to long term care facilities:

- Healthcare-Associated Infections Requiring Hospitalization (HAI)
- Number of Out-patient ED Visits per 1,000 Long Stay Resident Days (OED)
- Potentially Preventable 30-day Post-Discharge Readmission (PPR)

Table 3. Comparison of LTC MCAS Measures to State and National Average.

	LTC-HAI	LTC-OED*	LTC-PPR
CCHP Rate	5.45%	1.86	0.77%
CA	NA	1.38	NA
National Average	6.9%	1.65	10.5%

*Lower is better

The report presents strengths and areas for improvement within the SNFs that serve CCHP members. The data shows CCHP has a strong in-network placements, ensuring continuity of care, improved health outcomes, and closer alignment with quality oversight activities. However, the evaluation also revealed a subset of facilities deviate from state and national averages in survey deficiencies, complaints, and CMS Care Compare ratings. More detailed information is presented in the 2023 Long Term Care Quality Assurance and Performance Improvement Report.

6.5 Other Quality Measurement Activities

In 2023, CCHP successfully completed a number of other quality reporting activities including DHCS encounter data validation, a provider satisfaction survey, and comprehensive reporting on CalAIM requirements, including Enhanced Care Management and Community Supports monitoring reports, and Incentive Payment Program reports.

A noteworthy achievement in 2024 was the improvement of sharing quality information with network providers. CCHP moved from sharing provider empanelment reports, lead

screening reports, and gap in care reports via SharePoint and encrypted emails to a more secure pathway through the CCHP Provider Portal. Primary Care Providers are now able to access these reports on-demand, in a more secure fashion. This demonstrates CCHP's commitment to patient privacy while maintaining real-time feedback loops with network providers.

7 Performance Improvement Projects

The Quality Program at CCHP is dedicated to enhancing care and services for members through continuous evaluation and improvement, utilizing the Model for Improvement and Plan-Do-Study-Act (PDSA) cycles. Goals focus on improving health outcomes, member experience, health equity, and cost efficiency. Project prioritization considers regulatory requirements from DHCS, DMHC, and NCQA, along with insights from HEDIS and other quality metrics, findings from the Population Needs Assessment, PQIs, member grievances, member and provider experience surveys, and access studies.

CCHP identifies additional performance improvements through annual reviews of quality metric data. This analysis assesses areas needing improvement, leading to the development of projects added to the work plan. Monthly reviews allow for timely adjustments to the work plan, addressing areas of declining performance or those falling below desired quality targets. Quality staff conduct root cause analyses and formulate plans for implementing performance improvement projects.

7.1 DHCS Performance Improvement Projects

CMS and DHCS requires CCHP to conduct a minimum of two Performance Improvement Projects annually as part of External Quality Review (EQR). CCHP has at least two active DHCS statewide performance improvement projects and, if needed, smaller mandated pilot projects for measures below the state's minimum performance level.

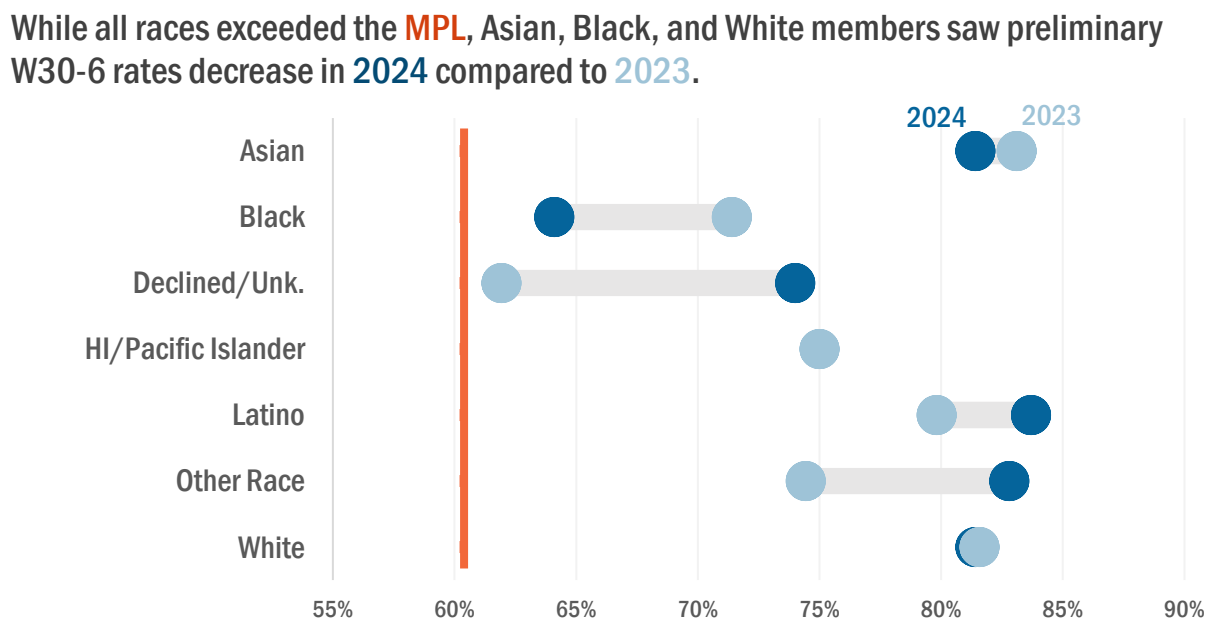

In 2024, CCHP submitted baseline MY2023 data and a summary of implemented interventions for the 2023-2026 DHCS PIPs. Both PIPs met 100% of evaluation elements and received high confidence ratings. The clinical PIP, Improving W30-6 Measure Rate Among Black Members, focuses on reducing disparities in well care visit rates between Black/African American children and children of other races. CCHP's non-clinical PIP, Improving the Percentage of Members Enrolled in Care Management Within 14 Days of SMH/SUD Diagnosis, focuses on connecting members with Case Management (CM) services after an ED visit for mental health or substance use diagnoses.

7.1.1 Improving W30-6 Measure Rate Among Black Members

In 2023, CCHP achieved the 90th percentile for the W30-6 measure, with 73.2% of continuously enrolled patients completing at least 6 well care visits with a PCP by 15 months of age. CCHP has demonstrated marked improvement in this measure since 2021, with 2023 rates exceeding the rates achieved prior to the COVID-19 pandemic.

However, despite CCHPs performance, disparities in WCV completion rates exist between racial categories. In MY 2023, Asian members had a W30-6 completion rate of 83.1%, compared to only 71.6% of Black/African American members. If the completion rate for Black members was the same as for Asian, 10 additional Black members would have been compliant with the measure. This equates to lost opportunities for vaccinations and important screenings, like lead and anemia, which has further downstream effects. Despite the 11.5%-point gap in the W30-6 rate, the rate for Black/African American members achieved 90th percentile of all Medicaid HMOs.

Figure 4. W30-6 Rates by Race, 2023-2024.

To achieve the DHCS' Bold Goal of reducing the disparities seen amongst well child visits between races, CCHP conducted outreach to members ages 0-15 months who were overdue for a well care visit, with a particular focus on Black/African American members, members with a declined/unknown race, and Hawaiian/Pacific Islander members. For patients within the Regional Medical Center (RMC) network, CCHP staff offered to directly book appointments for patients and offered caregivers an incentive to complete the appointment. For patients in the Community Provider Network (CPN), CCHP staff informed caregivers about the child's overdue well care visit and offered them the phone number of

the appointment scheduling unit for their child's PCP. If a caregiver was not reached, they were eligible for an additional phone call seven days after the first.

CCHP health education staff placed 117 calls to 101 members, including 70 (69.3%) within the RMC network and 31 (30.7%) in CPN. A total of 59 calls were made to 45 Black/African American members (1.3 calls/member) and 18 members with declined/unknown race and one Hawaiian/Pacific Islander member received 1 phone call each. Contact information was missing or invalid for 13.9% of members but was much higher at 20.0% for Black/African American members. Only 11.1% of members with declined/unknown race had missing or invalid contact information. Contact was made with a caregiver for 41 (40.6%) members, but only for 6 (33.3%) members with declined/unknown race. Despite the higher percentage of missing/invalid contact information, CCHP successfully contacted caregivers for 18 (40.0%) Black members. Of the 70 RMC patients who were outreached, 7 (10.0%) completed appointments, including 3 (7.9%) Black/African American children. For members who had a successful contact upon outreach, 17.1% of members, including 16.7% of Black/African American members, completed an appointment. Of the 31 CPN patients, 13 (41.9%) had a claim for a well care visit within 2-90 days of the outreach attempt. The average age at outreach was 8.3 months, so this intervention is predicted to have more of an impact in 2025 as these members turn 15 months old. Health education staff reported that about 10% of patients had moved out of the service area and that approximately another 10% had health insurance other than CCHP.

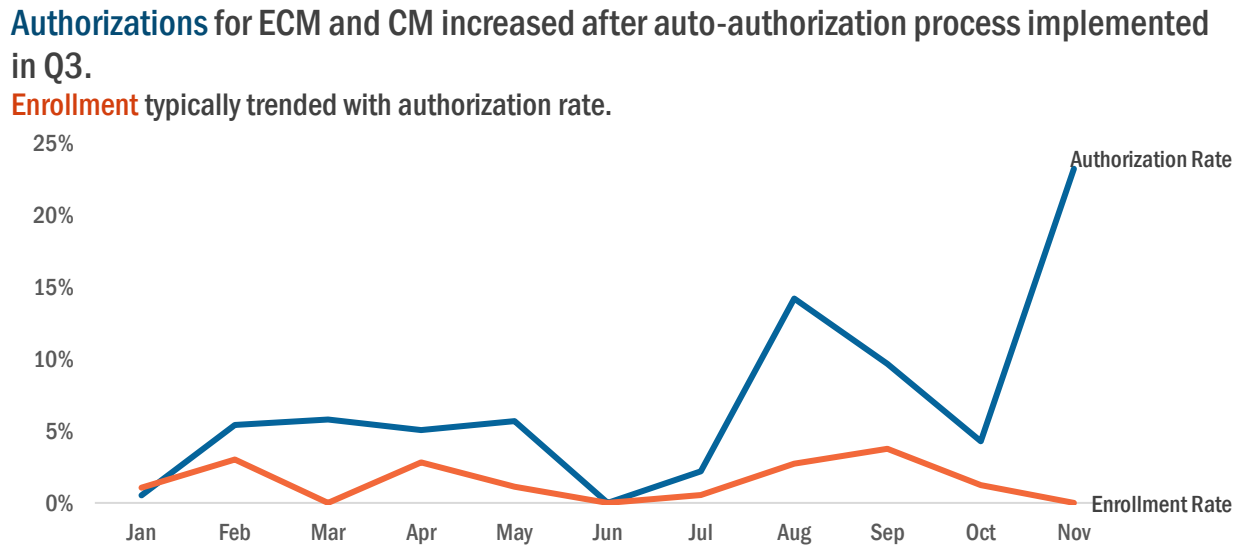

7.1.2 Improving the Percentage of Members Enrolled in Care Management within 14 Days of SMH/SUD Diagnosis

CCHP's non-clinical PIP is focused on improving enrollment in case management following an emergency department visit for mental health or substance use. Previous data analysis demonstrated that members who were previously enrolled in Enhanced Care Management (ECM) or Complex Case Management (CCM) were more likely than members not enrolled in care management (CM) to receive a clinical follow up visit after their ED visit for mental health or substance use.

According to baseline data, between 0-10% of members are authorized for case management within 14 days of an emergency department visit for behavioral health. One reason for this is claims lag, which prevents CCHP from identifying individuals for case management in a timely fashion and establishing workflows to trigger authorizations for needed services. In Q3 2024, CCHP implemented an automated process to authorize and triage potentially eligible members from Admit, Discharge, and Transfer (ADT) feeds. After implementation, the authorization rate ranged as high as 23.2%, with an average authorization rate of 6.7% in 2024, +3.1%-points (+86.1%) over 2023. Enrollment in ECM

and CM within 14 days of the ED visit increased from 0.9% in 2023 to a preliminary rate of 1.5% in 2024, an increase of 0.6%-points (+66.7%). This initiative, launched at the end of the year, was initially implemented at a gradual pace to ensure a measured approach. As the process matures and gains traction, enrollment rates are anticipated to increase progressively throughout 2025. Ongoing efforts will be directed toward optimizing the initiative's reach and impact.

Figure 5. The Authorization and Enrollment Rates for ECM and CM Servies in 2024.

7.2 PIPs for Low Performing MCAS Measurement

CCHP regularly monitors HEDIS and MCAS measures and develops improvement plans based on low performing measures. In MY 2023 (reported in 2024) CCHP identified lead screening, follow-up for ED visits for substance use, and topical fluoride application as low performing measures.

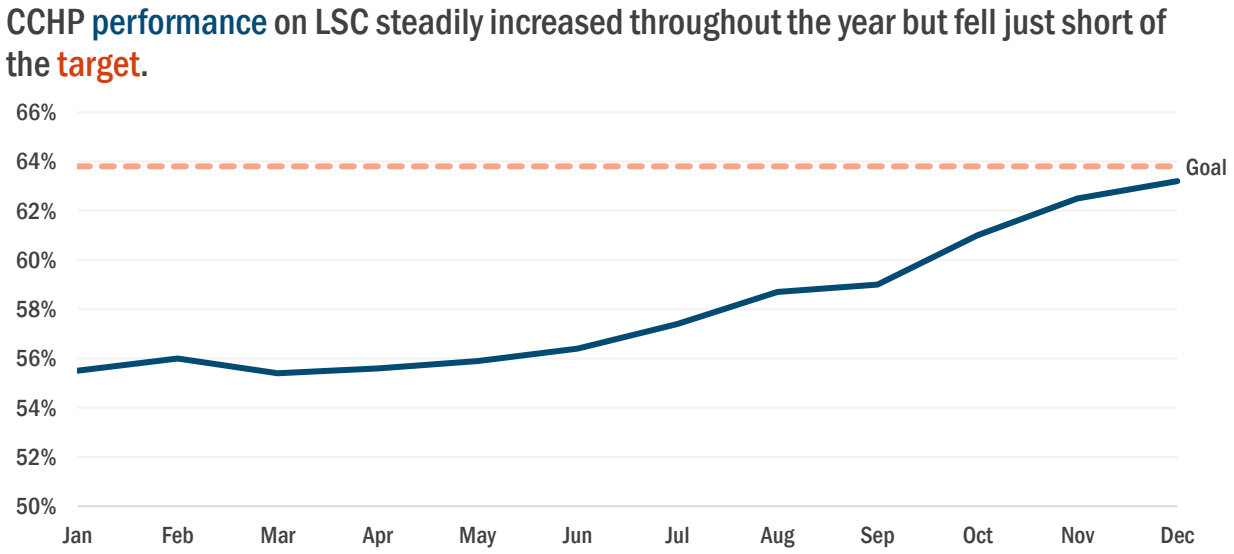

7.2.1 Lead Screening in Children

Lead Screening in Children (LSC) is a measure that CCHP must perform at the 50th percentile or better when compared to other HMO Medicaid plans. While LSC rates increased from 51.51% in MY 2022 to 52.81% in MY 2023, CCHP was at the 25th percentile nationally and therefore, did not meet the MPL. As part of CCHP's efforts to increase LSC in 2024, CCHP implemented an outreach campaign. Health education staff outreached caregivers of non-compliant members approaching their second birthday to inform them of the importance of lead screening and where to get screened. A total of 1,149 calls were made to 547 members' caregivers (avg. 2.1 calls/person) and a caregiver was reached for 397 (72.6%) of members. Ultimately, 109 (19.9%) of members who were outreached had a

lead test that was collected within two weeks of outreach. In total, 211 (38.6%) members in this population had a lead screening by the end of 2024, with 136 of these screenings occurring before the member's second birthday. In addition to the outreach calls, CCHP conducted a mailing campaign to 330 members in September 2024. Members were eligible for a mailer if they were overdue for a lead screen and their second birthday was in Q4 2024. Of the 330 members mailed a letter, 26 (7.9%) had a lead screen by the end of 2024, with 16 of those screenings occurring before the member's second birthday. The mailing was repeated in November for birthdays in the first quarter of 2025. To fulfill the DHCS requirement for MCPs to collaborate with a Local Health Jurisdiction (LHJ), CCHP, Contra Costa Health Public Health, and Kaiser Permanente jointly developed an informational flyer to educate members about the harms of lead on young children, where lead is found, and testing recommendations. These flyers were distributed to PCPs and were included in the mailers to members overdue for lead screening. CCHP also continued the partnership with the Contra Costa Lead Poisoning Prevention Program and posted social media messages during Lead Poisoning Prevention Week.

Preliminary MY 2024 HEDIS results for CCHP demonstrate increased improvement in LSC to 63.2%, which corresponds to 33rd percentile nationally. This is still below the MPL; however, claims lag and/or hybrid chart review may result in this rate reaching the target.

Figure 6. Lead Screening Rate by Month in 2024.

7.2.2 Follow-Up After Emergency Department Visit for Substance Use (FUA)

While CCHP has improved performance on the FUA measure, from 26.61% in MY 2022 to 32.31% in MY 2023, and exceeded the MPL in MY2022, the target increased in 2023 and CCHP was in the 25th percentile nationally. To further increase performance on this

measure, CCHP partnered with Contra Costa Behavioral Health Services to conduct a Performance Improvement Project. In coordination with the Access Line, the coordinated entry point for Specialty and Non-Specialty Mental Health Services and Substance Use Treatment services, a workflow was developed to connect patients that had presented to the ED with a substance use diagnosis to mental health services. During Access Line business hours, ED social workers, discharge planners, or navigators call the Access Line on behalf of the patient to conduct a warm handoff. If a patient leaves the ED during non-business hours, the Access Line will outreach patients directly during normal business hours. In 2024, there were 1,316 calls made for mental health and substance use linkages, 81 (6.2% of calls) were inbound calls and 1,237 were outbound calls after the patient was discharged. Of these calls, 189 (14.4%) members were reached and connected to specialty mental health, non-specialty mental health, or substance use treatment. Additionally, 121 (9.2%) of patients on the list to receive calls were already connected to services. The current estimate for MY 2024 FUA-30 is 41.4%, which would put CCHP above the MPL. Additionally, CCHP conducted in-service education events for local emergency departments to inform providers about the Access Line and how to connect their patients to mental health and substance use services, so people can leave the Emergency Department with a follow-up behavioral health appointment. CCHP and Behavioral Health staff conducted in-services at Sutter Delta Medical Center, Kaiser Richmond, Kaiser Walnut Creek, and John Muir Health Walnut Creek and Concord Emergency Department. In sum over 70 ED staff from 5 hospitals attended. These in-services had positive feedback from attendees and increased awareness of the Access Line referral process while people are still in the Emergency Department.

7.2.3 Topical Fluoride Varnish

While CCHP increased performance on TFL from 12.73% in MY 2022 to 15.21% in MY 2023, CCHP was in the 10th percentile nationally for this measure and anticipates marginal improvements in MY 2024 rates. In order to improve TFL rates and meet the MPL, CCHP implemented an outreach campaign to members ages 0-20, with a specific focus on members ages 6-20 who are only eligible for fluoride varnish at a dental visit. CCHP placed 55 calls to 52 caregivers and members to educate them about their dental benefits, as well as to inform them of dental providers in their area who are accepting Smile, California dental insurance. Contact was made to 38 members (73.1%) and all contacted members were receptive to receiving the dental information. Dental services are a carved-out benefit and CCHP does not control the dental network, so education and outreach is one of the few activities CCHP can engage in to address this rate.

7.3 Institute for Healthcare Improvement Projects

In March 2024, DCHS announced a partnership with the Institute for Healthcare Improvement (IHI) to implement two improvement projects for all Medi-Cal Managed Care plans. Through a series of biweekly coaching calls, IHI committed to supporting Medi-Cal plans through the implementation evidence-based interventions to address pediatric well care visit completion rates and behavioral health follow-up visit rates. Critical elements to achieve this goal include effective team-based care, automation and effective use of technology, including Electronic Health Records, population health management, and addressing social drivers of health

7.3.1 Child Health Equity

To improve health equity in the pediatric domain, CCHP partnered with Brighter Beginnings, a provider group with 3 locations throughout the county. CCHP and Brighter Beginnings conducted a thorough data analysis and together decided to focus on improving the Well Care Visit rate for members ages 18-21. After selecting the measure, CCHP conducted patient interviews with Brighter Beginnings members in the target population, as well as Brighter Beginnings staff, to determine possible areas for intervention. After reviewing the journey map, Brighter Beginnings and CCHP then decided to implement a PDSA of conducting Saturday morning clinics for pediatric patients at two different clinic locations. CCHP conducted outreach to patients due for well care visits and offered health education, transportation support, and direct appointment scheduling. The clinics were held in early Q4 and while there was a high no-show rate, Brighter Beginnings learned that appointment times later in the morning worked better for teens and young adults, while the early morning appointments were best suited for young children. At the end of 2024, preliminary data showed that Brighter Beginnings increased their WCV rate for 18–21-year-olds by 63.8%, though there is still work to be done to ensure that this age group meets the WCV MPL. CCHP and Brighter Beginnings will continue to partner together through Q1 2025 to further work on this goal.

7.3.2 Behavioral Health

CCHP partnered with Contra Costa Health Behavioral Health Services (CCBHS), the specialty mental health and Drug Medi-Cal-Organized Delivery System plan in Contra Costa, to increase the follow-up visits for behavioral health by 5% from baseline for HEDIS FUM and FUA measures. The main intervention for this project was enhancing an existing dashboard to allow for more timely identification of patients who had been in the emergency department for behavioral health diagnoses. The previous dashboard had been a retrospective review of patients once the 30-days after the ED visit had elapsed, which

did not allow for the identification of members who still needed a follow-up visit. Additionally, the index ED visits were identified based on claims, but with claims lag this limited the plan's ability to do improvement work as we needed more timely notification of ED visits. CCHP decided to utilize ADT feeds, electronic messages that provide updates on patient movements within healthcare facilities. These ADT feeds are about the exchanges of data, and are not fundamentally about notifications, so CCHP underwent an extensive project to develop and validate notifications based on these feeds. CCHP then implemented a report based on these visits for outreach by the Access Line and auto referrals to ECM and CCM, detailed above in 7.2.2.

7.3.3 Assigned Not Seen Project

In Q2, CCHP partnered with the largest provider group within its network to engage CCHP patients who had been continuously enrolled and assigned to the provider group but had not completed a visit within the past 12 months. Pediatric members, especially Black/African American, Spanish speaking, Hawaiian/Pacific Islander, and non-English speaking members were prioritized for outreach. The goal was for 10% of outreached patients to complete a visit by the end of 2024. Over 12 weeks, 7 CCHP staff outreached to caregivers of members and offered direct appointment booking with the provider group. CCHP staff also informed caregivers that if the member completed the WCV, they would receive an incentive from the health center. The outreach results are summarized in the table below. CCHP exceeded the goal of engaging 10% of this population into care.

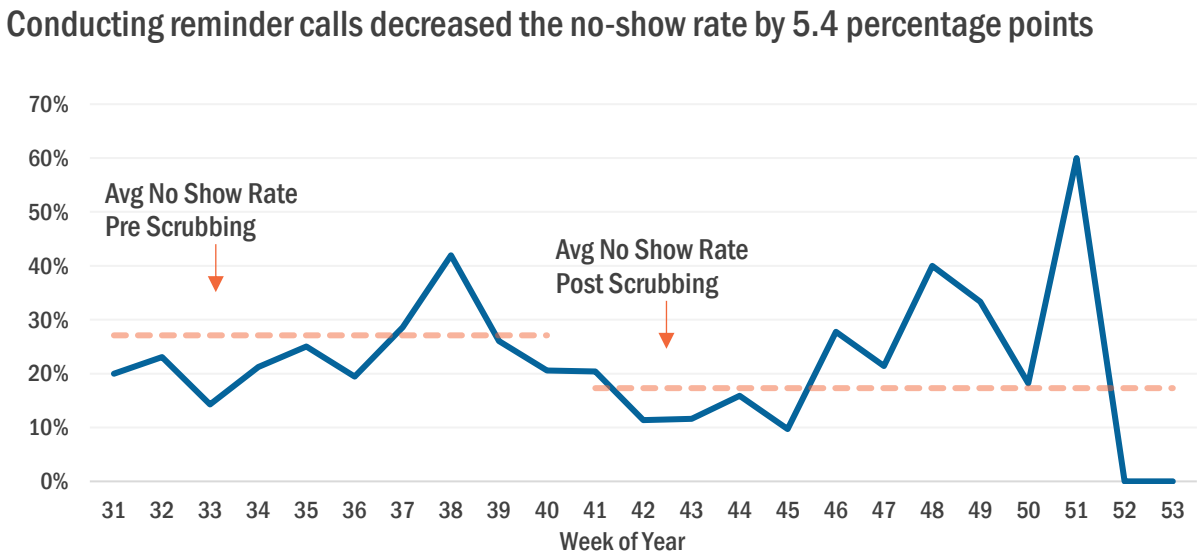

Table 4. Outreach Results by Population of Focus.

Population	Black/ African American	Spanish Speaking	Other Lang.	Hawaiian/ Pacific Islander	All
Number of People	1,007	1,764	306	120	3,380
Number of Calls	1,690	2,570	458	180	5,098
Calls/Person	1.7	1.5	1.5	1.5	1.5
Ever Reached %	34.4%	41.2%	30.7%	34.2%	37.7%
Percentage w/ Appt Scheduled	16.7%	23.7%	15.4%	25.0%	20.5%
Number of Completed Appts	106	341	38	20	532
Successful Engagment	10.5%	19.3%	12.4%	16.7%	15.7%
Overall No Show Rate	36.9%	18.4%	19.1%	33.3%	23.3%
No Show Rate w/o Scrubbing	39.5%	18.8%	26.3%	30.8%	25.3%
No Show Rate w/ Scrubbing	29.5%	17.7%	14.3%	35.3%	19.9%

After appointment no-show rates started increasing, CCHP outreach staff implemented reminder calls (also called scrubbing calls) to the caregivers two days before the scheduled

appointment. The overall no-show rate was 25.3% before the reminder calls were implemented, which decreased to 19.9% after. A total of 318 patients received reminder calls, and of those patients, 73.3% completed the appointment and 9.4% of patients canceled the appointment, allowing other members to access that appointment slot.

Figure 7. The Effects of Reminder Calls on the No-Show Rate.

8 Population Health Management

Population Health Management (PHM) at CCHP is dedicated to maximizing health by collaboratively designing services with members and providers. This involves delivering primary and secondary evidence-based interventions for illness prevention and management within our assigned population.

In 2024, CCHP continued our work to enhance the PHM program. This involved a comprehensive series of meetings engaging key CCHP leadership and collaborating with provider, county, and community partners. The ongoing collaboration with stakeholders demonstrates CCHP's dedication to advancing population health initiatives and adapting to the evolving landscape of healthcare services.

8.1 Population Needs Assessment, Strategy, and Impact Report

Annually, CCHP conducts a Population Needs Assessment, leveraging diverse data sources to identify disparities and trends. The outcomes guide the formulation of the Population Health Management Strategy—an annual document approved by the Quality Council, delineating the programs CCHP will implement to address population needs. Concurrently,

CCHP conducts an annual Population Health Impact report to evaluate the effectiveness of the implemented programs.

Utilizing these various data sources, CCHP responded proactively to population needs, expanding programs for patients with complex needs (patients experiencing homelessness, patients with avoidable emergency room and hospitalizations, patients with experience of incarceration, and members with substance use and severe mental health), diabetes management, and asthma services. Furthermore, CCHP bolstered programs in homeless services, long term support services, doula services, and behavioral health.

As part of continuous improvement, CCHP acknowledges the complexity of evaluating these programs due to regression to the mean and is actively developing a framework and evaluation methodology for program impact assessment. Propensity score matching and other methodologies are being explored to comprehensively assess program effectiveness, ensuring a data-driven approach to population health management.

In addition to CCHP efforts, collaborative efforts with the Public Health Department's epidemiologist and quality team were initiated to align with Contra Costa's Community Health Assessment (CHA) and Community Health Improvement Plan (CHIP). CCHP is an active stakeholder in Contra Costa County's next CHA, scheduled to begin planning in 2025, and has been a key participant in the CHA steering committee. CCHP also collaborated with Kaiser Permanente and Contra Costa Public Health on the shared DHCS Population Health Strategy goal to create lead education collateral for Contra Costa residents.

8.2 Improved Member Information

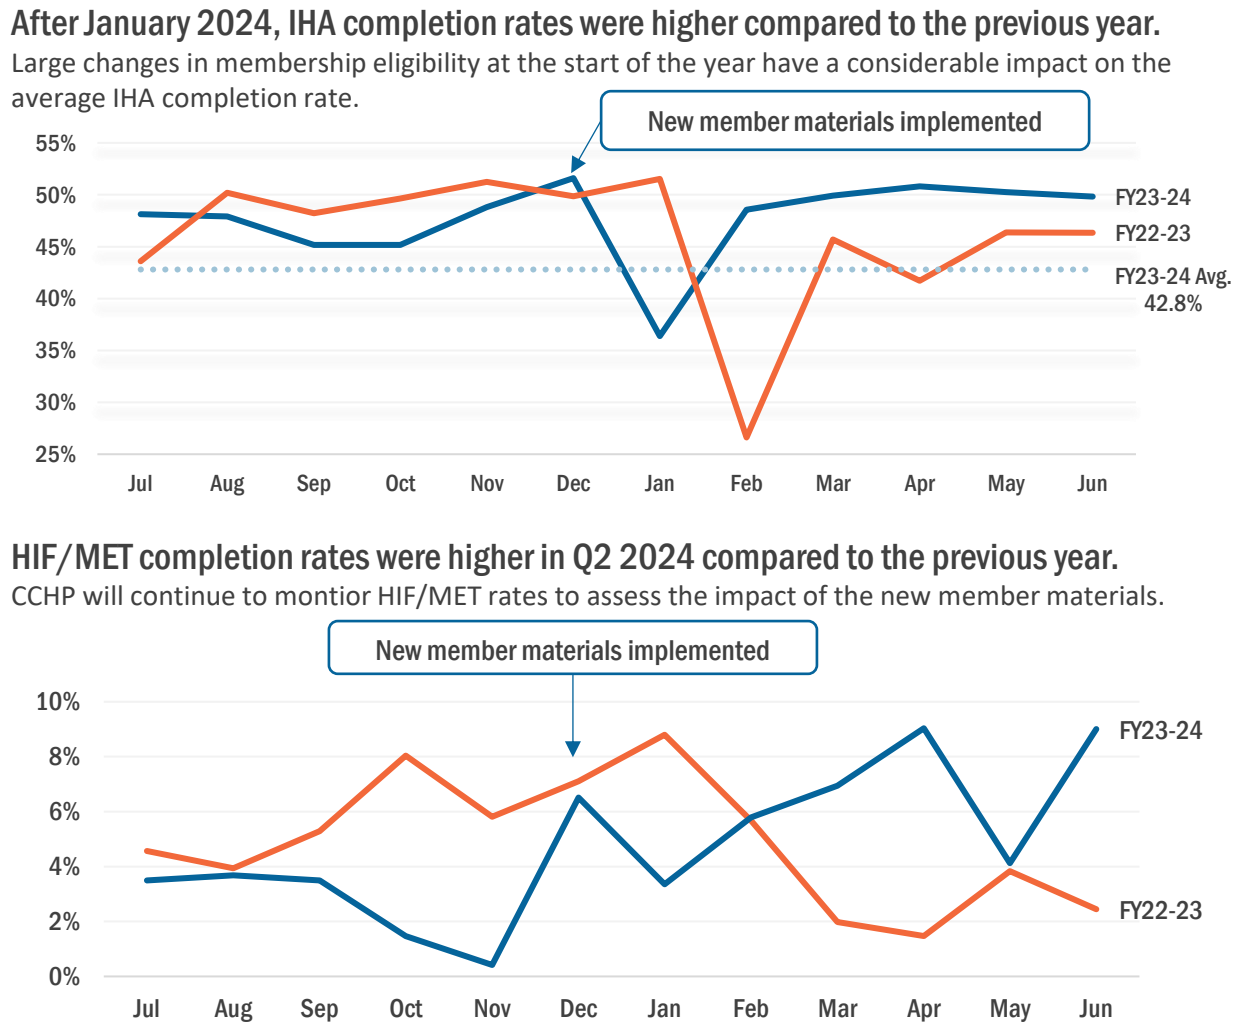

Leveraging its integration within the county delivery system, CCHP utilizes comprehensive data systems, centralizing data from claims, clinical data, detention health, EMS, social services, homeless systems, and public health into one unified member record. While CCHP's data infrastructure is robust, initial new member screening and assessment processes presented an area of improvement.

To address this opportunity, CCHP initiated a comprehensive overhaul of the new member workflow, streamlining activities for improved alignment. A revamped Health Insurance Form/Medical Evaluation Tool (HIF/MET) and Health Risk Assessment (HRA) were designed, featuring specific questions tailored for adults, children, seniors, and persons with disabilities. Questions were aligned with standard queries available in the Electronic Health Record (EHR) to enhance interoperability.

These screenings were seamlessly integrated with the Race, Ethnicity, Age, and Language (REAL) data collection survey, Primary Care Physician (PCP) assignment letter, and a reminder to schedule an Initial Health Appointment. The information from these screenings was incorporated into the electronic health records, ensuring accessibility for all providers on the Epic platform through CareEverywhere and the provider portal.

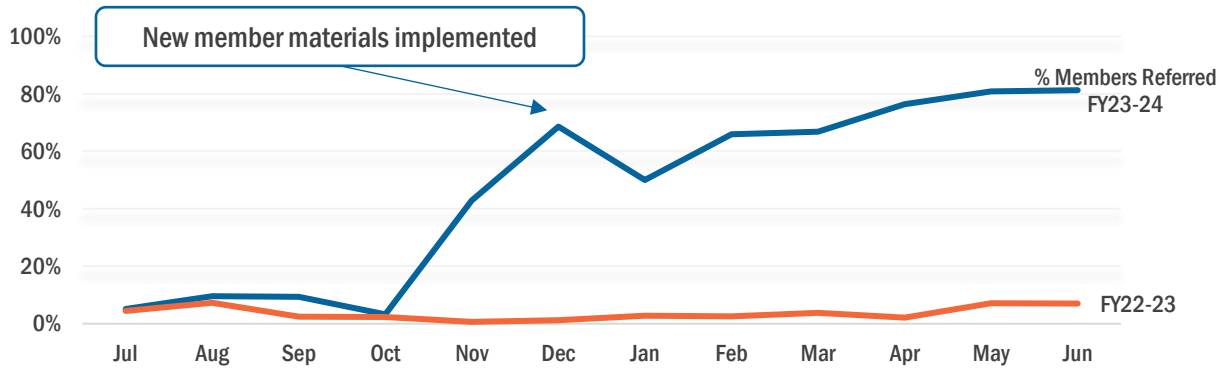

This refined process was implemented in December 2023, and its impact is demonstrated in the figures below. While the IHA rate in FY 23-24 was slightly lower compared to the previous year, CCHP saw an influx of nearly ten times the average amount of new members in January 2024 after the Single Plan Model was in effect. Excluding January 2024 from FY23-24 data increases the IHA completion rate to 48.6%, an increase of 12.8% compared to FY22-23.

Figure 8. The impact of new member materials on IHA, HIF/MET, and referral rates.

Streamlined member information processes allowed for better identification of member needs & connections to resources.

56.1% of members who completed a HIF/MET in FY23-24 received a referral for care coordination

CCHP also noted that the percentage of the population with declined/unknown race decreased from 16.2% of the population to 10.4% (-5.8%-point [-35.8% change]) and unknown language decreased from 1.7% of members to 0.8% (-0.9%-point [-52.9% difference]) as of December 2024. In Q4 2024, CCHP updated the REAL forms to include Sexual Orientation and Gender Identity (SOGI) questions to further health equity.

8.3 Risk Stratification, Segmentation and Tiering

CCHP employs a comprehensive approach to risk stratification, segmentation, and tiering by harnessing data from diverse sources. Utilizing claims and encounter data, DHCS-provided data, screening and assessments, electronic health records, referral and authorization data, behavioral health data, pharmacy data, utilization data, and social services data including homelessness data, criminal justice data CCHP establishes the foundational data for its risk stratification and tiering methodologies.

This dataset enables CCHP to create individual member records based on risk, segmenting them into different risk categories and tiering based on acuity. Beyond classification, CCHP leverages this data to generate automatic referrals, proactively directing members to appropriate services and programs for which they may qualify. This ensures that individuals not only receive accurate risk assessment but are also seamlessly connected to the care and support they need. The incorporation of a broad range of data points facilitates the identification of interventions and eligibility criteria, allowing for the triaging of individuals to services.

In 2024, significant work was done to create an infrastructure to utilize ADT feeds for risk identification and program eligibility, combining both risk tiering with program eligibility and exclusion data. These data have then been leveraged to automatically identify and refer

people to services, without the need of a practitioner referrals. In Q3, CCHP was able to implement auto authorizations to ECM for serious mental illness or substance use, as well as identify and refer patients to CM who are high risk and had a recent hospital admission.

8.4 SERVICES

CCHP has introduced programs to cater to the diverse health needs of its members. These initiatives aim to maintain the well-being of individuals already in good health, offer self-management resources to those with well-controlled chronic conditions, extend specialized services to members dealing with poorly controlled chronic diseases, and provide case management services. These include Enhanced Care Management for individuals with the most complex needs, Complex Case Management for those requiring ongoing support for chronic conditions, and Transitional Care Services for individuals in need of assistance during care transitions. Additionally, basic population health management services have been implemented to provide health education, wellness programs, and preventive services accessible to all members.

8.4.1 Basic Population Health Management Services

Basic population health management ensures timely access to essential programs and services for all members, irrespective of their risk tier. Unlike care management, which targets populations with specific needs, basic population health management is provided to all members, emphasizing equity. It encompasses primary care access, care coordination, navigation, cultural and linguistic services, and referrals across health and social services. The program includes services by community health workers, wellness and prevention, chronic disease management, maternal health programs, and services covered for children under early and periodic screening, diagnostic, and treatment (EPSDT).

The evaluation of basic population health management primarily relies on HEDIS and MCAS measures, detailed in Table 1. These measures encompass critical aspects such as well care visits for children, immunizations, preventive screenings, and prenatal and postpartum visits.

8.4.1.1 Community Supports, Community Health Workers, Care Coordination, and Navigation with Social Services

In alignment with CalAIM, CCHP has expanded its service offerings aimed to address the comprehensive well-being of individuals. This broader spectrum of services includes doula services, community health worker assistance, care coordination services provided by CCHP's social workers and nurses, and community support services, covering a diverse array of needs for the homeless, individuals requiring long-term support, and those

managing chronic conditions that could benefit from specialized interventions such as medically tailored meals or asthma services.

Table 5 outlines the number of individuals who received these services in 2024. CCHP provided the following Community Support (CS) services for the first time in 2024: Personal Care and Homemaker Services, Nursing Facility Transition to Assisted Living Facility, Housing Deposits, Day Habilitation Programs, Environmental Accessibility Adaptations, and Nursing Facility Transition to Homes. In addition to the newly provided CS, CCHP significantly increased utilization of Medically Tailored Meals, Housing Transition/Navigation, Short-Term Post-Hospitalization Housing, and Housing Tenancy and Sustaining services in 2024 compared to 2023. CCHP Care Coordination Services and the number of unique members receiving CHW services also increased significantly in 2024 compared to 2023.

Table 5. Basic Population Health Services

Program	2023	2024	% Change
Community Supports	1,743	5,664	225.0%
Medically-Supportive Food/Medically Tailored Meals	600	3,384	464.0%
Housing Transition/Navigation Services	719	2,110	193.5%
Personal Care and Homemaker Services	-	228	-
Short-Term Post-Hospitalization Housing	84	180	114.3%
Housing Tenancy and Sustaining Services	105	130	23.8%
Nursing Facility Transition to Assisted Living Facility	-	95	-
Asthma Remediation	86	83	-3.5%
Housing Deposits	-	72	-
Day Habilitation Programs	-	33	-
Recuperative Care	48	27	-43.8%
Respite Services	-	21	-
Environmental Accessibility Adaptations	-	20	-
Nursing Facility Transition to a Home	-	8	-
CCHP Care Coordination Services	1,537	2,170	41.2%
Members Receiving CHW Services	920	2,038	121.5%
Doula Services	5	48	860.0%

8.4.1.2 Cultural and Linguistic Services

CCHP is dedicated to providing culturally and linguistically appropriate services, ensuring equitable healthcare access for its diverse membership. CCHP actively facilitates REAL data collection to identify health disparities and offers linguistic services to members in need. Through training programs, CCHP fosters cultural awareness and sensitivity among its staff and contracted providers. CCHP aims to prevent discrimination, educate stakeholders on

language services and cultural humility, offer technical assistance to providers, collaborate with community agencies, and address health disparities.

In 2024, CCHP conducted a Language Access survey incorporating supplemental CAHPS questions, revealing critical insights into member experiences with interpreter services, health promotion and communication efforts. This year's survey highlights significant opportunities for improvement, as seen by the decreases in member's ability to get an interpreter and increase in members' reliance on their family for interpreter services. The table below highlights key survey measures and compares results from last year's findings.

Table 6. Language Access Survey Results

Measure	RY 2023	RY 2024	Percent Change
General			
How often did you get an interpreter when you needed one?	81.4%	77.3%	-5.0%
How often did your personal doctor show respect for what you had to say?	94.5%	95.5%	1.1%
How often were instructions for health conditions easy to understand?	90.8%	91.5%	0.8%
How often did you use a friend or family member as an interpreter?*	18.9%	19.4%	2.6%
Rating of Interpreter			
Members who rated their interpreter positively	83.9%	83.8%	-0.1%
Health Promotion & Education			
Attended a health-related class online	2.6%	2.6%	1.1%
Attended a health-related class in person	3.4%	3.1%	-9.8%
Used the health plan website	6.6%	5.1%	-22.6%
Watched an online video about health	6.8%	13.1%	93.2%
I didn't do anything	27.3%	18.8%	-31.0%
Spoke to a health professional	31.3%	26.4%	-15.6%
Searched the internet for health information	43.5%	30.2%	-30.5%
Communication			
Email	38.8%	38.1%	-1.9%
Text Messages	24.1%	24.3%	0.7%
Mail Sent to my House	17.3%	16.4%	-5.4%
CCHP Website	7.4%	6.1%	-17.4%
In Person (Face-to-Face)	6.6%	4.7%	-28.3%
Voicemail/Phone Messages	2.4%	4.7%	97.2%
Materials With Large Text/Font Size	1.8%	1.4%	-22.2%
Online Video	1.0%	2.8%	176.1%
Social Media (Facebook, Twitter, Instagram)	0.6%	1.0%	66.7%
In Braille	0.0%	0.2%	100.0%

*Lower is better

Looking ahead to 2025, CCHP plans to further the understanding of members' SOGI information by analyzing the impact of the new SOGI data collection forms.

8.4.1.3 Wellness, Prevention, and Health Education

CCHP works with providers on getting members into primary care and addressing care gaps. Two main initiatives in 2024 were the creation of pediatric wellness letters to inform RMC members of overdue health maintenance topics and improving Fecal Immunochemical Test (FIT) kit return rates. In Q4, CCHP developed pediatric wellness letter reminders to mirror the adult birthday letters that are already in place for RMC members. In addition to a personalized letter detailing a child's overdue health maintenance topics, members and their caregivers will a handout detailing age-specific health information and resources. These letters are anticipated to go out in late Q1 2025. In the second half of 2024, CCHP and RMC identified RMC patients who had previously returned a FIT kit but were non-compliant in 2024. These members were mailed a second FIT kit and were encouraged to mail them in. The second FIT kit mailing resulted in an overall return rate of 26.1%.

Contra Costa Health Plan provides health education resources that meet the needs of members as identified in the Population Needs Assessment and other sources such as HEDIS, CAC feedback, and member surveys. CCHP ensures members have access to low-literacy health education and self-management resources in all threshold languages. Resources are available on the CCHP website and through providers. CCHP provides classes, articles, videos, interactive tools for self-management, and links to community resources. CCHP maintains a directory of resources online and publishes this as least annually in the member and provider newsletters. Additionally, CCHP sends out via mail and email a member newsletter three times a year covering a range of topics.

CCHP had previously identified the need for a more interactive, engaging, and mobile-friendly health education website and partnered with StayWell to implement the Krames Patient Education library. In Summer 2024, CCHP launched the overhauled healthed.cchealth.org website that includes a comprehensive library of interactive and dynamic health education resources, videos, interactive quizzes, animations, and personalized health content. The website launch was communicated to members and providers through the member newsletter, provider newsletter, provider network training, and was publicized at various provider meetings.

With the expansion of the Health Education team, CCHP was able to increase community engagement efforts. The Health Education team created health information flyers and developed CCHP branded materials for member outreach efforts. CCHP began to reinforce

existing relationships with FQHCs and in Q4 began resource tabling within partnering health centers. CCHP is looking to further strengthen our presence in the county by seeking out additional trusted community partners for outreach and education efforts, including the county library system.

8.4.1.4 Behavioral Health

CCHP assumes responsibility for mild to moderate behavioral health services for Medi-Cal members and comprehensive behavioral health services for commercial members. Collaborating with Contra Costa County Behavioral Health Services, CCHP triages patients to determine severity levels and delivers appropriate treatment. FQHCs in the community often handle triage and treatment for their members, with some offering embedded behavioral health services. Telehealth providers are contracted to augment access. Quality initiatives focus on HEDIS measures, outpatient behavioral health continuity, coordination of care, and practitioner availability. The Quality Council receives updates, with a Behavioral Health clinician actively participating.

To ensure compliance with SB1019, in 2024, CCHP developed the Non-Specialty Mental Health Services (NSMHS) Outreach and Education Plan. This plan was developed after a review of NSMHS utilization data and a comprehensive Population Needs Assessment (PNA) that elucidated where CCHP had the most opportunity for improvement. The NSMHS plan was presented to the CAC and the Equity Council to allow for members and providers to provide feedback on the plan. The final outreach and education plan includes outreach events at provider clinic locations, at county libraries, at local farmers' and open-air markets, and a new mental health specific e-newsletter.

In 2024, CCHP utilized the Agency for Healthcare Research and Quality (AHRQ) Experiences of Health Outcomes (ECHO) survey to gather feedback from members who had utilized behavioral health services. Overall, members' ratings of counseling and treatment were high, as well as clinician communication. Areas for improvement centered around educating members about different treatment options and members' abilities to obtain urgent treatment appointments.

8.4.1.5 Maternal Health

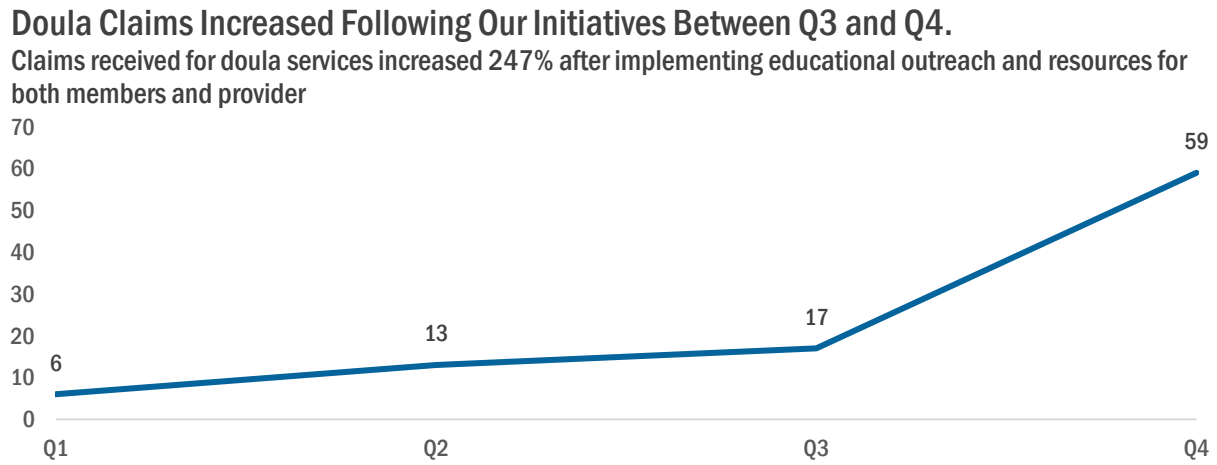

Through close collaboration with community partners and doula providers, CCHP has expanded its efforts to enhance maternal health education, member outreach, and provider support. While CCHP consistently performs well on maternal health quality measures, postpartum visit rates remain lower among African American members, highlighting a key area for improvement.

To address this, CCHP has implemented a range of health education and outreach initiatives aimed at increasing awareness of available benefits, their importance, and how to access them. These efforts include clinic flyers, educational brochures, a pilot maternal health e-newsletter, and a comprehensive guide to prenatal and postpartum services.

Recognizing the critical role doulas play in improving maternal health outcomes, CCHP has also strengthened provider support to expand and sustain its doula network. Initiatives such as doula office hours, joint operations meetings, and a dedicated doula provider manual have been introduced to foster collaboration and retention.

Since launching these initiatives in September 2024, doula claims have increased by 247% compared to previous quarters, reflecting significant progress in expanding access to doula care.

Figure 9. Doula Claims by Quarter, 2024.

8.4.2 Programs Addressing Chronic Disease

8.4.2.1.1 Food as Medicine

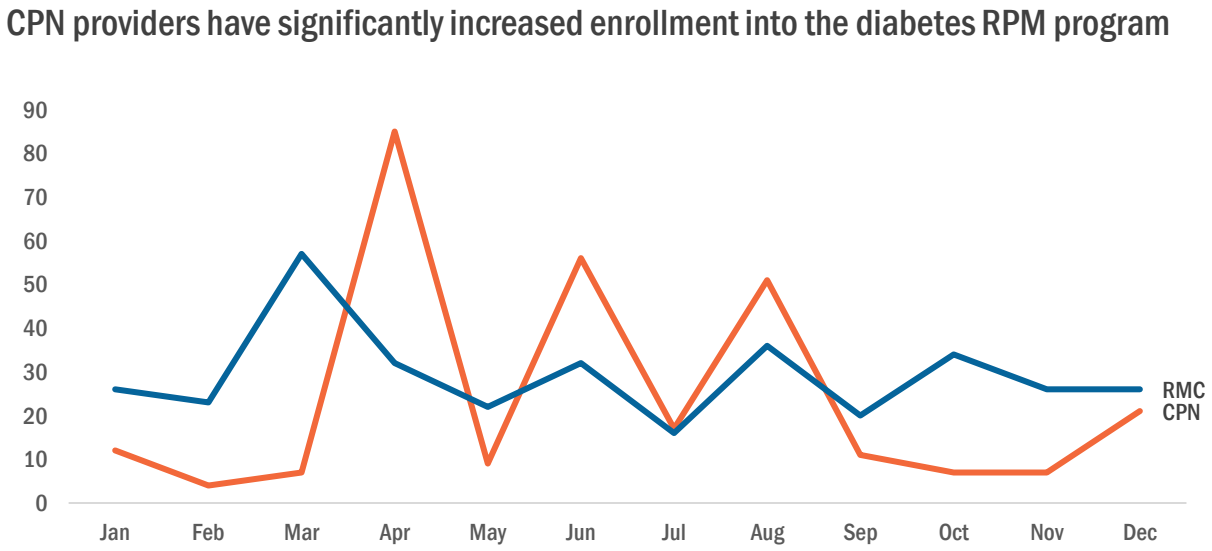

As part of the Community Supports, CCHP partners with 18 Reasons to provide the Food as Medicine (FAM) program, medically tailored foods for patients with diabetes, obesity or high-risk pregnancies. Members are sent weekly grocery deliveries and attend a cooking class with 18 Reasons and a medical provider. In 2024, 18 Reasons served 897 CCHP members and delivered over 15,000 boxes of groceries. CCHP supported outreach and enrollment into the FAM high risk pregnancy program by contacting 128 eligible patients, then referring 48 (37.5%) into the program and helping facilitate appointment scheduling for a subset of these patients. A propensity score analysis of FAM efficacy has demonstrated a 1.68-point drop in member A1c levels after participation, showing an effective intervention to improve members' health.

8.4.2.2 Remote Patient Monitoring for Diabetes and Hypertension

After completing a successful Performance Improvement Project, CCHP expanded our partnership with Gojji Pharmacy to provide remote patient monitoring for patients with uncontrolled diabetes. In 2023, CCHP built out infrastructure to prospectively identify and outreach eligible patients for referral to Gojji. CCHP also expanded eligibility to allow providers to refer any member with uncontrolled diabetes to the program.

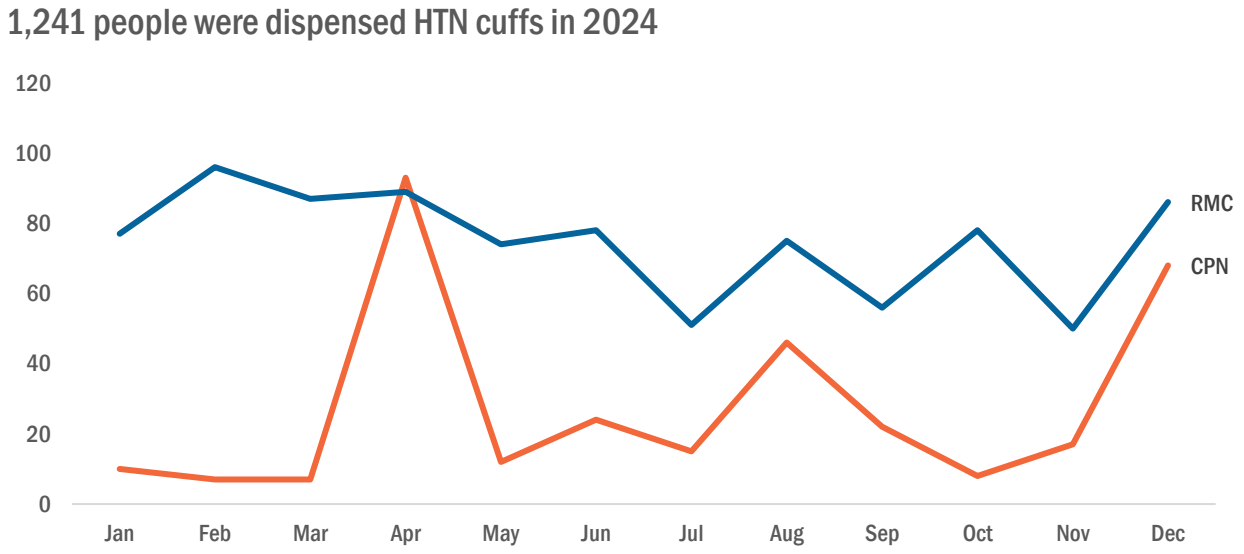

CCHP continued its partnership with Gojji Pharmacy to provide remote patient monitoring services for members with diabetes and/or hypertension. In 2024, CCHP contacted 2,030 members with uncontrolled diabetes and referred 493 (24.3%) RMC patients into the program, with 350 (71.0%) members ultimately enrolling. In addition to the 350 RMC member enrolled, CPN providers referred and ultimately enrolled 287 members, up significantly from the 38 enrolled in 2023. Since the program began in 2022, CCHP has enrolled 1,219 patients into the diabetes RPM program. A previous propensity score analysis on this program revealed that patients who participated in the program saw an average A1c decrease of nearly 16%. CCHP has also seen improvement in the HEDIS Diabetes HbA1c Poor Control (>9.0%) measure and performed at the 90th percentile in MY 2023.

Figure 10. Enrollment into the Diabetes RPM Program by Network.

In addition to the diabetes RPM, Gojji also offers a hypertension program. Currently, CCHP providers can enroll members by prescribing a blood pressure cuff and sending the prescription to be filled by Gojji pharmacy. In 2024, Gojji enrolled 1,241 members in the hypertension RPM program (Figure 11).

Figure 11. Enrollment into the Hypertension RPM Program by Network.

CCHP is undergoing contract negotiations to expand the data sharing agreement to allow for better tracking of patient outcomes.

8.4.2.3 Asthma Education and Remediation Services

Prior to 2024, CCHP utilized two grant-funded Community Health Workers (CHW) to provide Asthma Preventative Services (APS) and direct consumer remediation supplies. After the grant was successfully completed, CCHP contracted with a regional provider to offer these services to members via the APS benefit and CalAIM Asthma Remediation services. After the program transition, CCHP noticed a decline in the number of referrals for services, with only 18.5 members/month referred for services. The previous CCHP CHWs had access to the data structure to prospectively identify and recruit members with moderate to severe asthma, but after moving to the contracted provider recruitment into services relied on provider and case manager referrals. In order to increase the number of members served, CCHP conducted a PDSA in Q2 to increase referrals. The CCHP student intern conducted 52 outreach calls to 33 unique members who had a recent Emergency Department visit for asthma or who met the criteria for moderate to severe asthma. The student intern was able to make contact with 25 (75.8%) of the outreached members and 17 (51.5%) of all outreached patients received a referral. Overall, the number of referrals for CalAIM Asthma Services increased from an average of 18.5/month in the months preceding the PDSA to 35 referrals/month during the PDSA, an increase of 89.2%. CCHP expanded the contracted provider network in 2024 and now has two providers, demonstrating the continued commitment to ensuring capacity for these services.

In addition to the PDSA, CCHP has participated in the RMC Ambulatory Care Redesign project specifically focused on Alternative Care Models for patients with moderate to severe asthma. These patients will be contacted and invited to participate in a nurse-led asthma clinic to better address patient medication management and education. Recruitment for these clinics will be conducted by the CCHP Health Education Specialist and will begin in Q1 2025.

8.4.3 Care Management

CCHP prioritizes the needs of its most vulnerable members through two essential programs, Enhanced Care Management (ECM) and Complex Case Management (CCM). ECM, designed for the most complex patients offers community-based case management, offering personalized, in-person interactions. This program targets diverse populations with unique needs, including homeless individuals, those at risk for avoidable hospitalizations, individuals with severe mental illness and substance use, those with a history of incarceration, children with a welfare background, and adults transitioning from skilled nursing facilities. In 2024, the ECM expanded again to include pregnant and postpartum women who are subject to racial and ethnic disparities (Black, American Indian or Alaska Native, or Pacific Islander women). Recognizing the intricate needs of these members, ECM enrollment is for one year, with the option to extend based on individual requirements. In contrast, CCM supports higher and medium-risk members not served by ECM, providing chronic care disease management and episodic interventions. The fluid transition between ECM and CCM ensures comprehensive care management.

In 2024, CCHP made significant investments to direct qualified individuals to ECM, leveraging the robust data infrastructure discussed in the risk stratification section above. The implementation of automated authorizations streamlined service access. The capacity of ECM providers increased from eight to 23 by year-end, showcasing CCHP's commitment to expanding capacity. CCHP made a concerted effort to increase referrals to these new community ECM provider groups. CCHP stands out as one of the leading health plans in the state for ECM provision, surpassing others in overall ECM enrollment relative to assigned Medi-Cal lives.

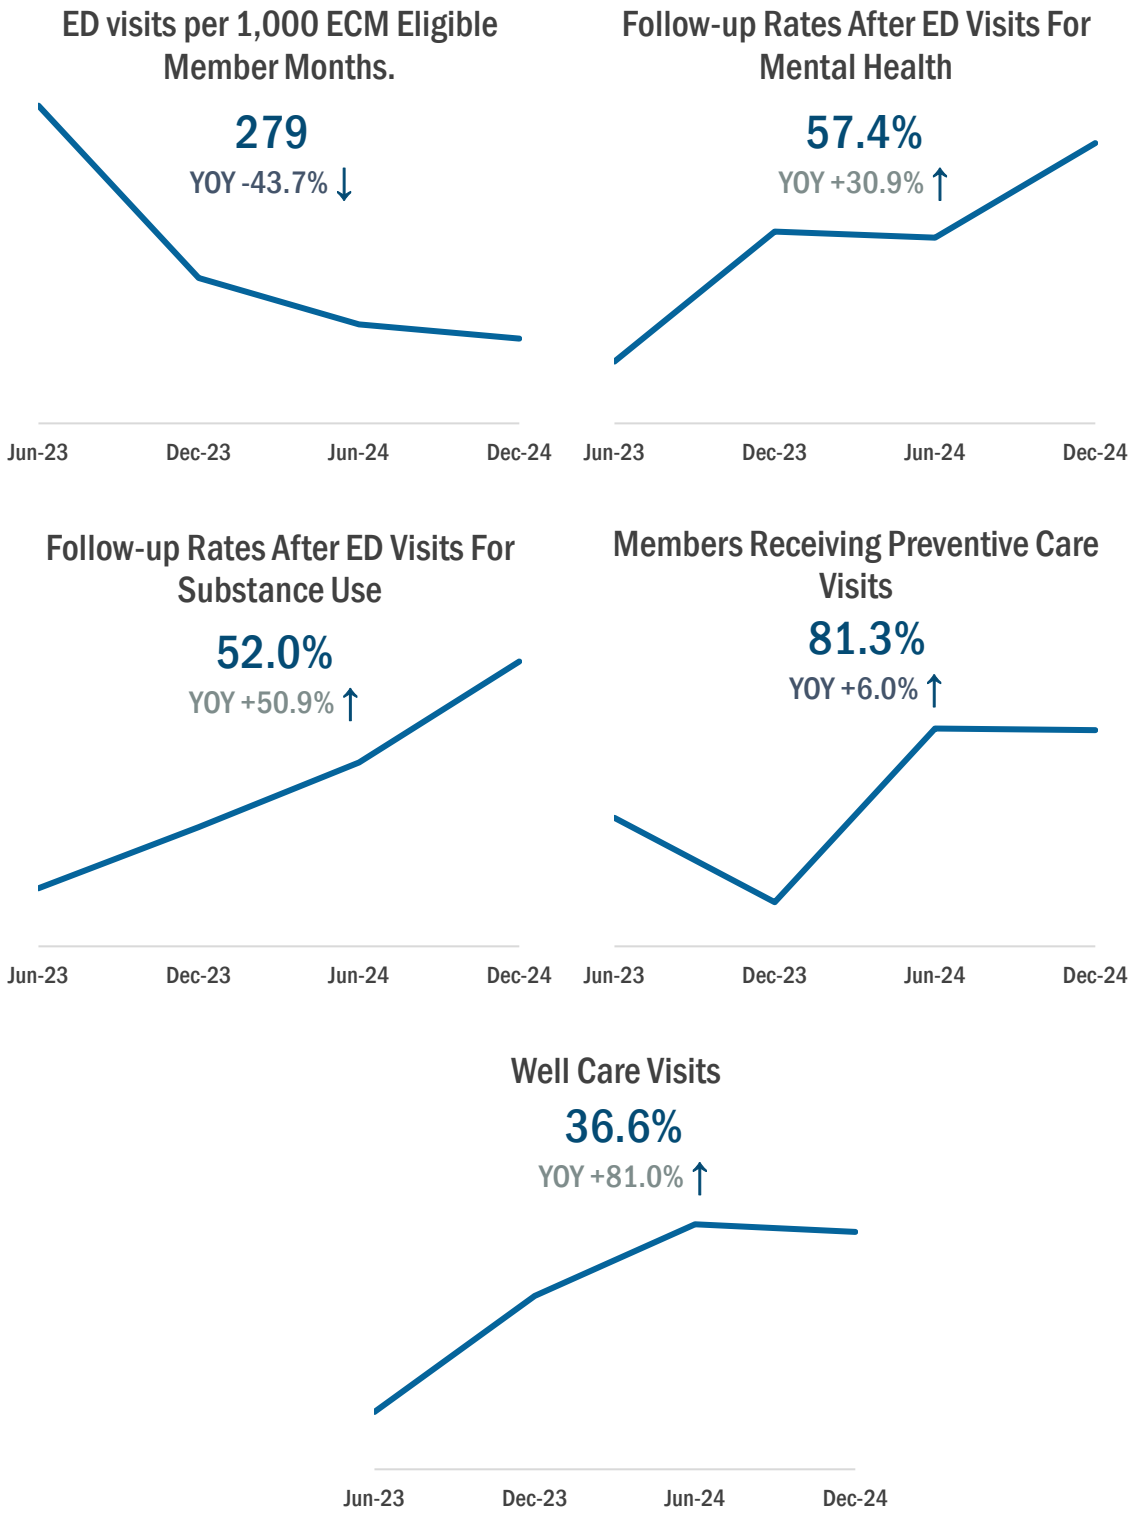

Table 7. Comparison of Enrollment in Care Management Programs

Care Management Program	2023	2024	% Change
ECM Population of Focus	6,488	7,706	18.8%
Adult High Utilizer	836	1,916	129.2%
Adult Homelessness Individual	1,081	1,707	57.9%
Adult SMI/SUD	806	1,595	97.9%
Child/Youth High Utilizer	453	1,278	182.1%
Child/Youth SED/CHR	138	510	269.6%
Adult Incarceration Transition	490	409	-16.5%
Adult LTC	30	321	970.0%
Child/Youth CCS/WCM	149	303	103.4%
Adult Homelessness Family	56	262	367.9%
Adult Nursing Facility Transition	30	215	616.7%
Child/Youth Homelessness Family	71	153	115.5%
Child/Youth Homelessness	30	138	360.0%
Child/Youth Welfare Hx	48	83	72.9%
Adult Birth Equity	-	41	-
Child/Youth Incarceration Transition	32	30	-6.3%
Child/Youth Birth Equity	-	18	-
Case Management	981	3,425	249.1%
Transitional Care Services	634	2,882	354.6%
Complex Case Management	200	400	100.0%
CCS Transitions	147	143	-2.7%

CCHP notably increased the number of members served in 2024 compared to 2023, especially for the Adult Long Term Care, Adult Nursing Facility Transition, Homeless Families with Adult CCHP members, and Unaccompanied Homeless Children populations of focus (POF). The RSS tiering discussed in 8.3 also lead to significant increases in Transitional Care Services and the number of members receiving Complex Case Management.

To assess impact of ECM, CCHP has begun trending several HEDIS measures for the ECM enrolled population: Emergency Department Visits/1000 Member Months, Follow-up for ED with Mental Health, Follow-up for ED with AOD, Adult Access to Preventive/Ambulatory Health Services, and Child and Adolescent Well Care Visits. Even with the Adult High Utilizer POF more than doubling in 2024, the number of ED visits per 1,000 ECM Eligible Member Months decreased over 43% at the end of 2024 compared to June 2023.The follow-up rates after ED visits for behavioral health reasons and the Adult Access to Preventive/Ambulatory Health Services increased as well. While there were notable improvements in the Child and Adolescent Well Care Visit rates, the rate for children receiving ECM is much lower than the overall CCHP average.

Figure 12. Select HEDIS Measures in the ECM Population.

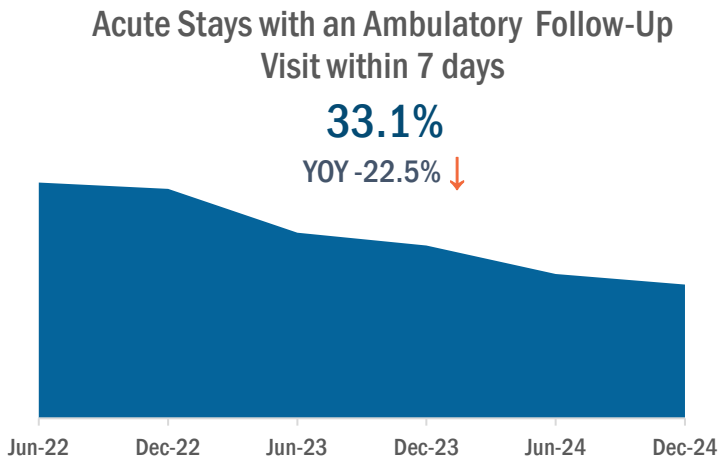

8.4.4 Transitional Care Services

Transitional Care Services (TCS) at CCHP focuses on facilitating the movement of members across different care settings, ensuring a smooth transition from hospitals to home-based or community settings. Essential services include comprehensive medication reconciliation upon discharge and post-discharge, linkage to a primary care appointment post discharge, review of discharge paperwork, and coordination of any post-discharge needs, which may include durable medical equipment, coordination of services, transportation, and other supports. High-risk individuals receive personalized care management, while low-risk individuals have direct access to coordination services.

In 2024, 2,882 members were successfully linked to a CCHP case manager for TCS, in addition to those members that had a pre-identified case manager through ECM or CCM at the time of discharge. This is an increase of over 355% compared to the number of members in TCS in 2023.

Throughout 2024, analyzed the DHCS Acute Stays with an Ambulatory Follow-Up Visit within 7-Days measure, which indicated 33.1% of individuals had an ambulatory visit within 7-days post-discharge. The identified barriers to achieving this target include timely identification of admissions, assigning a case manager promptly, and ensuring effective member engagement within a limited timeframe. To overcome these challenges and enhance efficiency, CCHP implemented auto referrals based on ADT feeds, as described in 8.3. After the implementation of these auto referrals in Q3, both the number of patients and the overall percentage of patients with a CM visit per quarter increased. CCHP will continue to trend these metrics over time and implement improvement activities as needed.

Figure 13. Acute Stays with a Timely Follow-Up Ambulatory Visit.

9 Patient Safety Activities and Projects

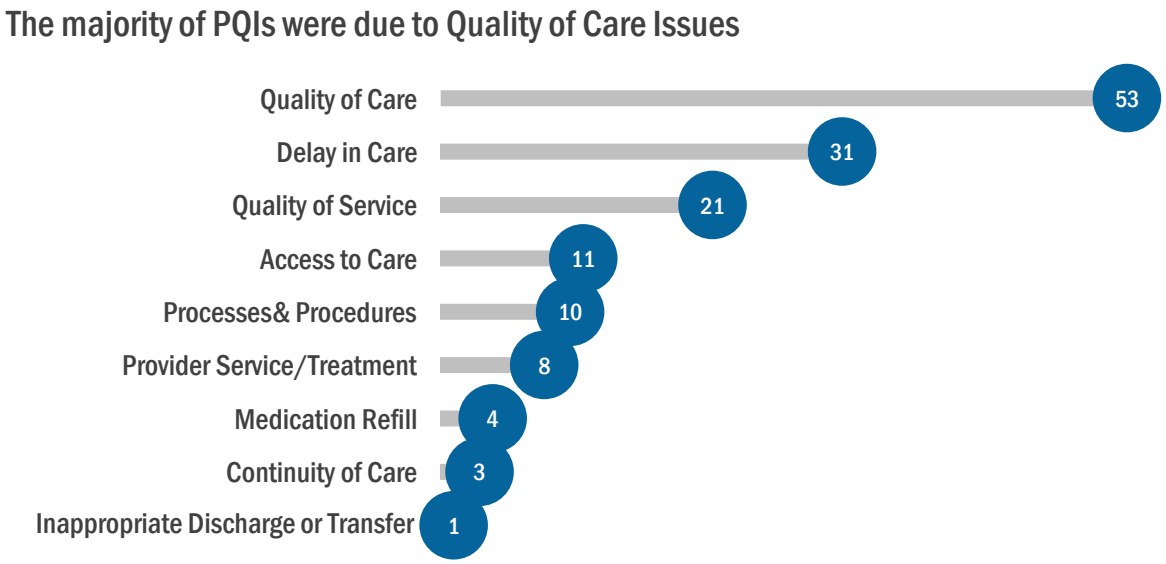

Patient safety is a top priority at CCHP, and various departments collaborate to address this critical aspect of healthcare. Routine reviews of data from sources such as grievances, appeals, access and availability metrics, claims, medical record review, HEDIS measures, satisfaction surveys, utilization and case management records, as well as studies on adherence to clinical guidelines, contribute to the identification of potential risks to members' safety. The findings from these reviews are regularly presented to the Quality Council, allowing for comprehensive oversight and continuous improvement in patient safety measures.

9.1 Potential Quality Issues and Provider Preventable Conditions

Any department, provider or member can identify and report a potential quality issue (PQI) which will then undergo an investigation and resolution. Additionally, a quality nurse reviews a report that identifies Provider Preventable Conditions (PPCs) according to diagnosis codes. All PPCs are entered in the system as a PQI and undergo an investigation. The PQI committee, consisting of the Chief Medical Officer, Medical Director, and Director of Pharmacy, evaluates and categorizes PQIs from level 0 (no confirmed issue) to level 3 (a significant concern). Level 3 PQIs prompt a Corrective Action Plan (CAP) and potential escalation to the Peer Review and Credentialing Committee (PRCC). Provider Relations further identifies any trends at the provider level where intervention is warranted. Trends, recommendations, and updates on PPCs and PQIs are provided to the Quality Council bi-annually.

During 2024, CCHP reviewed 264 cases, primarily referred through grievances, followed by utilization review. Of those cases 122 were determined to have no quality issue (level 0), 77 had minor issues (level 1), 48 moderate issues (level 2), and 17 presented significant quality issues (level 3). PQIs predominantly centered around Quality of Care. Through diligent follow-up, corrective action plans (CAPs) were initiated, empowering providers to enhance services and elevate overall care quality. All PQIs are protected under California Evidence Code 1157.

Figure 14. PQIs by Issue Type.

Compared to 2023, there was a slight decrease in PQI cases.

9.2 Pharmaceutical Safety

CCHP actively addresses pharmaceutical safety concerns through targeted over/under-use activities. These initiatives encompass the review of members with fifteen or more prescriptions, potential case management referrals, assessments of members with potentially unsafe medication regimens, and review of prescription trends to detect possible fraud, waste, and abuse. Proactive measures include notifying providers about medication safety issues and educating patients.

Throughout the reporting period, CCHP executed the outlined pharmaceutical safety activities to ensure the ongoing safety and appropriateness of medication regimens. For example, CCHP tracked, communicated with and provided education to 72 members being treated for Hepatitis C to ensure completion of therapy. Additionally, 74 letters were sent to providers alerting them of their patients who were currently taking the dangerous drug therapy combination of opioids and benzodiazepines. Continuous efforts in provider communication and patient education underscore CCHP's commitment to pharmaceutical safety, aligning with best practices in healthcare quality management.

9.3 Facility Site Review and Medical Record Review

CCHP prioritizes the adherence of primary care provider sites to local, state, and federal regulations to uphold patient safety standards. Stringent protocols ensure medical records comply with legal standards, documenting the provision of preventive care and effective

coordination of primary care services. Facility Site Review nurses conduct periodic full-scope reviews, addressing deficiencies through corrective action plans.

In 2024, CCHP completed 33 Facility Site Reviews, with 31 providers undergoing medical record reviews, totaling 381 records. This comprehensive assessment process identified areas for improvement, resulting in the formulation of 31 corrective action plans. Additionally, Physical Accessibility Review Surveys (PARS) were conducted for PCP sites, high volume specialists, ancillary providers, and community-based adult services providers, with 58 PARS completed during the year. The identified corrective actions and PARS contribute to an ongoing cycle of improvement, reinforcing CCHP's dedication to fostering a healthcare environment that prioritizes patient safety and regulatory compliance.

10 PROVIDER COLLABORATION

CCHP is dedicated to fostering collaborative relationships with provider stakeholders, including the CCRMC system, Federally Qualified Community Health Centers (FQHCs), Community Provider Network providers, Behavioral Health, Public Health, Skilled Nursing Facilities, Hospitals, and Community Support and Enhanced Care Management providers. Joint Operations Meetings (JOM) provide a platform for leadership discussions, facilitating communication across diverse entities. CCHP actively participates in the Safety Net Council structure, engaging with FQHCs and regional clinical consortiums. The commitment to collaboration extends to various operational, quality, and provider-focused meetings, underscoring the shared goal of enhancing healthcare quality and delivery.

In 2024, CCHP completed Joint Operations Meetings with hospitals, SNFs, ECM, and CS providers and established a new framework for JOM meetings with doula providers. Four quarterly provider network trainings and 2 newsletters successfully provided updates and a forum for direct community with providers. Regular round meetings occurred between the Utilization Management (UM) and Case Management teams and hospitals to refine member transitions and discharge processes. The Quality and Health Equity Department continued bi-monthly quality meetings with individual FQHC quality teams, emphasizing focused discussions on quality improvement activities. Over 20 dedicated meetings transpired, focusing on reviewing quality measures and crafting active improvement initiatives. To ensure alignment on quality improvement efforts, the CCHP Quality Program Manager also participated in weekly meetings with RMC Quality Incentive Pool (QIP) teams focused on pediatric measures.

In 2024, CCHP launched its Pay-for-Performance (P4P) program to directly support and reward providers who deliver high-quality care and improve patient outcomes. The P4P

program focuses on key areas such as preventive care, chronic disease management, and maternal and child health. This program aims to align provider incentives with high-quality care by rewarding those who meet or exceed established performance benchmarks. By linking financial incentives to the achievement of quality measures, CCHP seeks to enhance patient outcomes, promote efficient care delivery, and foster a culture of continuous improvement. The program supports CCHP's commitment to delivering exceptional healthcare by rewarding provider groups that excel in their performance and achieve superior results for their patients. In the first year, provider groups with more than 15,000 assigned CCHP patients are eligible for incentives; in 2025 CCHP will expand the program to include provider groups with more than 2,000 CCHP members.

In 2024, leveraging enhanced provider engagement, CCHP has successfully strengthened its coordination and service delivery to members through effective partnerships. The year was marked by structured engagements, strategic meetings, and proactive communications, fostering collaborative initiatives, transparent communication channels with providers, and a steadfast commitment to continuous quality improvement.

11 DELEGATION

Delegated activities at CCHP are governed by a comprehensive delegation agreement, defining specific functions and responsibilities assigned to delegated entities. After the transition to the county Single Plan Model, Kaiser Permanente is no longer in the CCHP network and therefore, there are no delegated entities for Quality functions

As a sister organization, CCHP had previously extended its delegation to CCBHS for utilization management. In 2024, CCHP resumed oversight for UM functions and no longer delegates this activity to CCBHS.

12 CONCLUSION

12.1 BARRIERS

In 2024, CCHP successfully completed and met a large majority of the ambitious goals and objectives outlined in the 2024 Quality Work Plan. There were, however, some barriers to successfully meeting all objectives in the year.

One of the more challenging barriers stemmed from the complex regulatory landscape coupled with the rollout of simultaneous ambitious initiatives by DHCS. Navigating through the requirements associated with the implementation of the Single Plan Model and additional CalAIM initiatives, as well as efforts to launch a Dual-Special Needs Plan proved

to be demanding. These project rollouts required meticulous execution amidst competing priorities while ensuring ongoing compliance with existing statutes and organizational goals.

A significant barrier that CCHP encountered was the large membership increase in 2024 due to Blue Cross exiting the market in Contra Costa. CCHP saw an influx of 36,124 new members in January 2024, about ten times as many new members in an average month. This large influx of members will likely impact MY2024 HEDIS rates as they meet measure specific continuous enrollment criteria.

Addressing access and availability concerns, CCHP is actively engaged in expanding the provider network to improve appointment availability, particularly in specialties facing significant impact. At the end of 2024, CCHP made a significant expansion with bringing on the Sutter specialties in network.; however, challenges persist due to shortages of providers willing to accept Medi-Cal rates, especially in certain specialties. CCHP remains dedicated to the ongoing development of its population health services, with a focus on expanding transitional care services and refining processes to facilitate effective linkage and navigation for individuals at critical junctures.

12.2 Overall Effectiveness

CCHP achieved 4.5 stars in NCQA's Health Plan Report Card, the highest rating given to Medi-Cal plans in California. This endorsement is a recognition of CCHP's commitment to quality and patient care.

One of the primary indicators of CCHP's success is improved patient outcomes. CCHP's efforts in preventive care, chronic disease management, and care coordination have contributed to better health outcomes and enhanced overall patient well-being as demonstrated by the 17 MCAS measures that achieved the 90th percentile ranking of all Medicaid HMOs nationally.

CCHP is also proud to report significant enhancements in the patient experience because of quality program initiatives. Patient experience scores improved on the CAHPS survey, with many measures increasing in percentile ranking.

Central to CCHP's quality program is the use of data-driven decision-making to inform our quality improvement efforts. CCHP has established robust data collection, analysis, and reporting mechanisms that provide actionable insights into our performance metrics, outcomes, and areas for improvement. By leveraging data analytics and performance

metrics, the quality department can identify trends, track progress, and make informed decisions to drive continuous quality improvement.

CCHP has fostered a culture of excellence, innovation, and continuous quality improvement throughout our organization and provider network. CCHP hosted regular quality meetings with provider groups to work together to identify improvement opportunities, develop solutions collaboratively, and ensure alignment with clinical priorities.

The successes achieved through CCHP's quality program reflect the dedication to delivering exceptional healthcare services and improving patient outcomes. By prioritizing patient-centered care, data-driven decision making, and a culture of continuous improvement, CCHP has made significant strides in enhancing the quality, safety, an efficiency of healthcare delivery.

A critical aspect of our success is the continuous evaluation of our quality improvement program resources. The addition of health education staff has allowed for greater outreach and engagement with members. With these additions, we believe our current resources are adequate. Our current quality improvement committee and subcommittee structure are robust, ensuring a comprehensive approach to quality initiatives. The addition of the Equity Council in 2024 provided an additional layer of insight to our quality improvement and health equity efforts and has provided meaningful feedback to drive improvement. CCHP's CMO and other Medical Directors provide meaningful practitioner engagement and leadership in the quality improvement program, with fruitful meetings and valuable input from providers. The active participation and leadership in the quality program played a pivotal role in achieving strong quality results. Through strategic oversight, clinical expertise, and engagement with key stakeholders, the CMO and physician leadership helped drive data-driven decision-making and fostered a culture of continuous improvement. This leadership ensured the successful implementation of evidence-based interventions, ultimately enhancing health outcomes and performance metrics. This collaboration has further enriched our quality initiatives.

As we reflect on the year, CCHP acknowledges the adequacy of our quality improvement program resources, the effectiveness of our committee structure, and the active practitioner participation and leadership. Looking ahead, the quality improvement program for the subsequent year will maintain its current structure, with no major changes planned for 2025. This decision is grounded in the success and positive outcomes witnessed in our current approach.

The effectiveness of CCHP's quality program is evident in improved patient outcomes, enhanced patient experiences, and the positive impact on key metrics. By fostering a

culture of excellence, innovation, and continuous improvement, we remain dedicated to delivering exceptional healthcare services and achieving meaningful improvements in patient well-being. Our commitment to patient-centered care, data-driven decision-making, and a culture of continuous improvement positions CCHP as a leader in enhancing the quality, safety, and efficiency of healthcare delivery.

13 2024 Quality Work Plan and Evaluation of Activities

2024 Quality Improvement and Health Equity Transformation Program (QIHETP) Work Plan

Item #	Program/Project Area	Goals and Objectives	Planned Activities to Meet Objectives	Evaluation of Activities
1. QIHETP Structure				
1.1	***QIHETP Program Documents***	By March 2024, approve annual quality program documents at the March JCC meeting. Evaluate quality program to ensure that resources and priorities reflect organizational missions and strategies.	Conduct annual evaluation of the QIHETP program and develop written 2022 QIHETP Evaluation	Met. CCHP reviewed and approved the annual quality documents at the February 2024 Quality Council Meeting and at the March Joint Conference Committee Meeting. The annual plan and priorities served as a focal point for meetings with providers throughout the year.
1.2			Develop annual 2023 QIHETP Program Description, incorporating structural changes identified in the evaluation	
1.3			Develop annual 2023 QIHETP Work Plan, including monitoring of issues identified in prior years that require follow -up.	
1.4	***Quality Council***	Ensure Quality Council oversight of CCHP's quality program through regular meeting schedule	Convene monthly Quality Council meetings. Convene a minimum of 8 Quality Council meetings annually	Met. CCHP convened 8 Quality Council meetings in 2024. Program documents and policies were reviewed and updated in a timely fashion. Attendance remained strong.
1.5		Ensure program governance of Quality Council meeting	Revise Quality Council charter; approval of program description, evaluation and work plan	

Item #	Program/Project Area	Goals and Objectives	Planned Activities to Meet Objectives	Evaluation of Activities
1.6		Ensure there are policies and procedures to meet regulatory and operational needs	Review CCHP policies annually and upon any new APL changes	
1.7	***Equity Council***	Ensure Equity Council oversight of the Quality Improvement and Health Equity Transformation Program through regularly scheduled meetings.	Implement the QIHETP work Plan and convene quarterly scheduled meetings	Met. CCHP convened 4 Equity Council meetings in 2024. Program documents were completed and presented at the Q1 meeting and policies were reviewed and revised as required.
1.8		Ensure program governance of Equity Council meeting	Create Equity Council Charter and ensure approval of program description, evaluation and work plan.	
1.9		Ensure there are policies and procedures to meet regulatory and operational needs to ensure health equity is woven into the fabric of the organization	Review CCHP Policies with a specific view of health equity annually and update policies per APL changes.	

Item #	Program/Project Area	Goals and Objectives	Planned Activities to Meet Objectives	Evaluation of Activities
1.10	***Community Advisory Committee***	Ensure community feedback and incorporate member input into CCHP Quality and Health Equity policies and procedures	Engage with community-based organizations and CCHP members through Quarterly CAC meetings.	Met. CAC meetings were revamped to be more interactive, with nine new members recruited in 2024. Four meetings covered the 14 required topics; additional topics such as benefits, transportation, and appointment scheduling were discussed based on member interest.
2. NCQA Accreditation				
2.1	***NCQA Health Plan Accreditation***	By January 2024, ensure CCHP staff are trained and survey ready for the 2025 Health Plan Accreditation survey.	Organize kick off meeting and identify department team members	Met. The CCHP Quality Department met and trained with all departments to ensure a successful 2025 Health Plan Accreditation survey. Regular meetings were held with various departments to collect survey deliverables, with a mock file review being completed. Policies were updated as needed.
2.2			Complete training on new standards, review standards and guidelines, develop project plan and timeline for submission of materials to be ready for the 2025 survey	
2.3		Ensure deficiencies identified during the 2020-2022 NCQA accreditation survey are corrected and update policies and procedures as they related to new 2024 and 2025 NCQA Standards	Modify internal processes and report formats for any "not met" or "partially met" areas	
2.4			Revise policies and procedures according to new NCQA standards and guidelines	

Item #	Program/Project Area	Goals and Objectives	Planned Activities to Meet Objectives	Evaluation of Activities
2.5	***NCQA Health Equity Accreditation***	By February 2024, identify NCQA Health Equity Accreditation survey and timeline.	As part of the NCQA Health Plan Accreditation, identify, the Health Equity Standards to be implemented	Met. CCHP scheduled the NCQA Health Equity Accreditation survey for Fall 2025. Staff were trained on standards and guidelines; policies and workflows were updated as needed.
2.6		Review NCQA Health Equity Accreditation 2024 standards	Complete training on health equity standards, review guidelines and develop project plan and timeline	
2.7		Program development of NCQA Health Equity Accreditation for implementation in 2025.	Create policies and procedures and systems to implement accreditation guidelines.	
3. Measurement, Analytics, Reporting, and Data Sharing				
3.1	**HEDIS Reporting and Quality of Clinical Care (DHCS, NCQA, DMHC)**	1. By June 15, 2024, report HEDIS MY2023 scores for NCQA Health Plan Accreditation, the DHCS Managed Care Accountability Set (MCAS), and the DMHC Health Equity and Quality Measures Set (HEQMS) 2. Exceed the 50th percentile for all MCAS measures and establish	Complete all annual HEDIS, MCAS, and HEQMS activities, including incorporating new measures and completing medical record abstraction.	Partially Met. CCHP achieved 4.5 stars in Health Plan ratings and high performance (over the 90th percentile nationally) in 17 MCAS measures. However, three MCAS measures were under the minimum performance level, lead screening, follow-up after ED visits for AOD, and topical fluoride application in children. CCHP began improvement projects on all three measures
3.2			Complete annual HEDIS MY2023 report, analyzing yearly trends and identifying areas for improvement. Incorporate report into Population Health Needs Assessment.	

Item #	Program/Project Area	Goals and Objectives	Planned Activities to Meet Objectives	Evaluation of Activities
3.3		performance improvement plan for those near or at risk 3. Prepare for transition to ECDS by identifying efficiencies in data system measurement 4. Align HEDIS measurements to quality improvement projects and strategic goals for 2024	Identify areas of opportunity for data systems and data sources for MY2024	in 2024 and will continue with these projects in 2025. Data system improvements included improving coverage tables, reviewing enrollment files, standardizing LabCorps and Quest data files, working on standard supplemental data templates for providers, and improving local mapping on the following measures: FUM, FUA, EED, PPC, BCS, CCS, TFL-CH.
3.4			Develop and implement improvement projects targeting at risk measures and those measures that align with other strategic goals of CCHP	
3.5	**CCHP Quality Measurement Infrastructure**	Create quality dashboard and quality monitoring program with feedback loop to providers to allow for ongoing tracking of all HEDIS MCAS measures, including measuring disparities, trends by year, and current rates	Maintain CCHP quality metric dashboard, updating to include rolling 12-month measurements for MCAS MPL measures	Met. CCHP updated the Quality Dashboard to include rolling 12-month measurements for MCAS MPL measures. CCHP can stratify measures by providers groups and rates are shared with providers during regularly held quality meetings. Panel reports, Gap in Care reports, and Children due for Lead Screening Reports that are updated daily are now available to providers on the provider portal, allowing
3.6			Create quality feedback mechanism for providers, which will share performance rates by provider group on CCHP priority measures and identify unique areas of opportunities	

Item #	Program/Project Area	Goals and Objectives	Planned Activities to Meet Objectives	Evaluation of Activities
3.7			Develop system of data sharing gap in care lists with CPN network to allow for ongoing quality improvement	CCHP to exchange data with providers in a secure fashion.
3.8	**Member Experience**	1. By June 30, 2024, gather, analyze, and highlight areas of opportunity using the CAHPS survey 2. Process 95% percent of grievances within required timeframes. 3. Develop member feedback channel through the Community Advisory Committee	Review and analyze CAHPS survey results trending results by year. Incorporate into Population Health Needs Assessment.	Met. CCHP completed and analyzed the CAHPS survey, behavioral health survey, interpreter services survey, and member experience surveys for the diabetes remote patient monitoring and asthma home remediation programs. These experience surveys were administered and results analyzed, with trending and comparison to benchmarks when available. The CCHP Medical Director regularly reported grievance data during Quality Council meetings and communicated that CCHP exceeded goals for grievance processes. The CCHP Quality Director presented and gathered input from the Community Advisory Committee during meeting throughout 2024. The input from the CAC was
3.9			Review and analyze the limited English enrollee survey	
3.10			Review and analyze behavioral health specific member experience surveys	
3.11			Develop report on MY2023 member experience	
3.12			Review and analyze grievance and appeals data according to NCQA methodology and review quality of service and quality of care. Complete annual report	
3.13			Develop survey tool for collecting member experience on population health programs	

Item #	Program/Project Area	Goals and Objectives	Planned Activities to Meet Objectives	Evaluation of Activities
3.14			Gather member input on member experience utilizing Community Advisory Committee. Incorporate into annual Population Health Needs Assessment, Impact Report, and Strategy	incorporated into the SB1019 workplan and other population health documents.
3.15	**Provider Experience**	Implement standard process for collected provider experience and identify areas for opportunity	Implement Provider Experience Survey	Met. CCHP sent out a provider experience survey at the end of 2024 utilizing a new vendor. Results have not yet been received at time of the evaluation report.

Item #	Program/Project Area	Goals and Objectives	Planned Activities to Meet Objectives	Evaluation of Activities
3.16	**Access to Care and Quality of Service (DMHC, DHCS)**	1.Review results of Provider Appointment Availability Survey and NCQA High Volume/High Impact specialists monitoring and develop and act on at least one opportunity for improvement.2. Implement quality monitoring program on timely access standards	Complete all access monitoring through surveys and secret shopper calls:*DMHC Provider Appointment Availability Survey*NCQA High Impact/High Volume specialists *OB/GYN and midwife providers survey on first prenatal appointment*Initial Health Appointment*After hour triage and emergency access*In-office wait time*Telephone wait times and time to return call*Call Center wait times*Shortening or Expanding timeframes*Skilled Nursing Facility placement	Met. Completed annual PAAS survey and additional monitoring activities as part of Annual Access report. CCHP met all urgent and non-urgent appointment standards for all lines of business, demonstrating improved performance compared to 2023. The report was submitted to DMHC and presented at May Quality Council and results were communicated back to provider groups.
3.17			Create comprehensive annual access report that identifies trends and identifies areas for opportunities	

Item #	Program/Project Area	Goals and Objectives	Planned Activities to Meet Objectives	Evaluation of Activities
3.18			Develop feedback loop to providers on their results from the annual PAAS/NCQA survey, providing education and timely access standards.	
3.19	**CalAIM Reporting (DHCS)**	Complete all DHCS CalAIM reporting deliverables and maximize incentive dollars available through continuous improvement in pay for performance measures	Complete the quarterly CalAIM Population Health Monitoring Reports, reviewing key KPIs on population health metrics	Met. CCHP completed all reporting in a timely manner and engaged in DHCS workgroup on PHM Monitoring KPI metrics to provide feedback on new methodology and specifications.
3.20			Complete the DHCS Incentive Payment Program reporting	
3.21			Complete DHCS quarterly CalAIM ECM-CS Quarterly Monitoring Reports, reporting enrollment and utilization of CalAIM services	
3.22			Develop measure specifications and compete the transition to JSON report for CalAIM enrollment reporting	
3.23	**REAL and SOGI Data**	Improve collection of race, ethnicity, preferred spoken and written language data collection	Input new member REAL surveys into ccLink	Met. CCHP developed a process for ingesting Race, Ethnicity, And Language (REAL) data from new member surveys and race/ethnicity 834 data into the
3.24			Develop process for ingesting race/ethnicity 834 data into ccLink	

Item #	Program/Project Area	Goals and Objectives	Planned Activities to Meet Objectives	Evaluation of Activities
3.25		Improve collection of sexual orientation and gender identity data	Modify new member packets to incorporate SOGI collection	EHR, ccLink. CCHP also developed a new SOGI form that was sent out to new members beginning in Q4.
3.26	**CLAS Reporting**	Ensure cultural and linguistic needs of population are being met by provider network	Conduct annual CLAS analysis of patient and provider population	Met. The results were presented at March Equity Council meeting.
3.27	**Encounter Data Validation (DHCS)**	Implement the encounter data validation study per the timelines and requirements from DHCS	Procure medical records and submit according to auditor's deadlines	Met. CCHP successfully completed the encounter data validation study with a 97.1% submission rate, higher than the state average of 90.6%. Omission rates for encounter data were consistently well under the 10% benchmark with high accuracy rates.
3.28	**Long-Term Care and Long-Term Support Services**	Develop quality measurement measure set that supports long-term care quality improvement and a systematic monitoring system for members with long term support services	Complete annual report on long term care and long-term support services	Met. The report was completed and presented at October Quality Council.
4. Performance Improvement Projects				

Item #	Program/Project Area	Goals and Objectives	Planned Activities to Meet Objectives	Evaluation of Activities
4.1	**Follow-Up After Emergency Department Visit for Mental Illness (FUM)**	Increase the percentage of members who complete a follow-up appointment within 30-days of an ED visit for mental illness. (Previously identified issue)	Conduct comprehensive analysis on FUM data to identify areas of opportunity; collaborate with Contra Costa Behavioral Health on improvement project	Met. CCHP conducted weekly meetings and ongoing collaboration with CCBH and the 2024 FUM rate is 54.5% (preliminary data). This puts CCHP above the minimum performance level of 53.8%. In addition to weekly meetings, CCHP enrolled in the IHI Behavioral Health Collaborative with CCBH and engaged with CCRMC QIP FUM/FUA Committee
4.2	**Follow-up for Emergency Department Visits after ED Visit Substance Use (FUA)**	Increase the percentage of members who complete a follow-up appointment within 30-days of an ED visit for substance use. (Previously identified issue)	Conduct comprehensive analysis on FUA data to identify areas of opportunity; collaborate with Contra Costa Behavioral Health on improvement project	Met. CCHP conducted weekly meetings and ongoing collaboration with CCBH on FUA, the rate increased from 32.31% in 2023 to 41.2% in 2024 (preliminary data). This 8.89%-point increase puts CCHP over the minimum performance level of 36.2%. (Percent change: +27.5%). In addition to weekly meetings, CCHP enrolled in the IHI Behavioral Health Collaborative with CCBH and engaged with CCRMC QIP FUM/FUA Committee

Item #	Program/Project Area	Goals and Objectives	Planned Activities to Meet Objectives	Evaluation of Activities
4.3	**Enrollment in Case Management after Emergency Department visit for Mental Health and Substance Use**	Increase the percentage of members who enroll in case management within 14-days of an ED visits for mental health or substance use. (Previously identified issue)	Develop workflow for authorizing and enrolling eligible individuals into case management after ED visit for mental health and substance use	Met. The rate of enrollment in case management of naive patients who visited the ED for mental health or substance increased from 0.9% in 2023 to 1.5% in 2024 (preliminary data), an increase of 0.6% points. (Percent change: +66.7%). CCHP implemented auto-referrals for patients in this population in late Q3.
4.4	**Blood Lead Screening**	Increase pediatric blood lead screening rates to exceed the DHCS MPL. (Previously identified issue)	Distribute lead outreach toolkit and lead education materials to providers	Not met. The preliminary 2024 data for LSC shows that the rate increased from 52.81% in 2023 to 63.0% in 2024. This increase of 10.19% points leaves CCHP just shy of the 63.8% target. (Percent change: +19.3%) Efforts to address this measure included outreach calls and mailers to patients due for screening.
4.5			Collaborate with providers with low lead screening rates to identify opportunities for improvement	
4.6			Increase provider awareness of lead testing options, including POCT and microcontainers	

Item #	Program/Project Area	Goals and Objectives	Planned Activities to Meet Objectives	Evaluation of Activities
4.7	**Well Child Visits in First 6 Months of Life**	Narrow the health disparities gap between Black/African American and Asian members	Identify regional and provider level disparities in WCV completion performance and develop targeted improvement project.	Partially met. The health disparities gap between Asian and Black members increased from a difference of 11.7% in 2023 to 17.3% in 2024 (preliminary data), a difference of 5.6% points (+47.9% increase). CCHP identified that the provider group with the most opportunity for impact on this metric was RMC and implemented an outreach campaign to target members who had not been seen by their PCP in over 12 months for outreach and direct appointment scheduling. CCHP also conducted outreach to members under 15 months of age who were out of compliance with the expected cadence of their WCV and connected the members' caregivers to the PCP appointment lines.

Item #	Program/Project Area	Goals and Objectives	Planned Activities to Meet Objectives	Evaluation of Activities
4.8	**Continuity and Coordination of Medical Care (NCQA)**	Improve continuity and coordination of member care between medical providers through at least 3 projects that meet NCQA standards.	Establish baseline report for projects and implement interventions	Abandoned. The NCQA requirements for QI3 & QI4 were revised and the resources to meet these requirements were incorporated into various improvement projects.
4.9	**Continuity and Coordination Between Medical Care and Behavioral Healthcare**	Improve continuity and coordination of member care between medical providers and behavioral health providers through at least 2 projects that meet NCQA standards.	Establish baseline report for projects and implement interventions	

Item #	Program/Project Area	Goals and Objectives	Planned Activities to Meet Objectives	Evaluation of Activities
4.10	**Monitoring and rapid improvement cycles**	Develop process for monitoring MCAS and HEDIS measures and conduct rapid improvement for measures that are dipping below expected rates.	Develop and monitor dashboard and deploy rapid improvement outreach efforts where needed for measures.	Met. CCHP continuously monitored the MCAS dashboards and began improvement efforts as needed for lead screening in children (LSC), topical fluoride for children (TFL), and well-care visits in the first 15 months of life (W30-015). Outreach efforts were also implemented for FIT kit completions to impact the COL measure. Outreach efforts were implemented at the Access Line for follow-up measures after ED visits for mental health and substance use (FUM & FUA).
5. Population Health				
5.1	**Population Needs Assessment and Community Health Needs Assessment**	Understand member needs and health to create a responsive population health program	Complete MY 2023 population needs assessment according to NCQA guidelines	Met. CCHP completed a population needs assessment and presented to the Quality Council. Additionally, CCHP

Item #	Program/Project Area	Goals and Objectives	Planned Activities to Meet Objectives	Evaluation of Activities
5.2			Develop cross functional team collaborating with Contra Costa County Public Health in preparation for the 2025 Community Health Needs Assessment and Community Health Implementation Plan	joined the cross divisional CHA and CHNA workgroup to participate in the CHA planning process. CCHP advised the CAC about the workgroup and encouraged them to participate in the planning process and to give the county input on its findings and activities.
5.3			Engage CAC as part of CHNA process by reporting involvement and findings, obtain input/advice from CAC on how to use findings from the CHNA to influence strategies and workflows related to the Bold Goals, wellness and prevention, health equity, health education, and cultural and linguistic needs.	
5.4	**Population Health Management Strategy**	Develop population health strategy in alignment NCQA and DHCS requirements, involving delivery system, county, and community partners	Complete PHM Strategy in alignment with DHCS and NCQA guidelines	Met. Completed PHM Strategy and submitted on time to DHCS.

Item #	Program/Project Area	Goals and Objectives	Planned Activities to Meet Objectives	Evaluation of Activities
5.5	**Population Impact Report and Evaluation**	Develop framework for evaluating CCHP's population health program and measuring impact to ensure programs are achieved desired outcomes	Complete PHM Impact and Evaluation report	Met. Completed PHM Impact and Evaluation report to assess the Population Health Program.
5.6	**Initial Screening Process**	1. Provide streamlined new member experience, with regards to HIF/MET, IHA, LTSS, and other assessments. 2. Develop a new member outreach workflow to maximize Initial Health Appointments and New member survey completion 3. Ensure system exists so members with positive screenings are identified for the appropriate services 4. Develop data system so screening questions are results are shared across providers	Implement electronic HIF/MET and LTSS screenings utilizing myChart questionnaires	Partially Met. 1. Met: All positive screenings are referred to CHW providers and the IHA report was updated to incorporate HIF/MET responses. 2. Not Met: Electronic HIF/MET and LTSS screenings utilizing MyChart has been deferred to when CCHP has an active DSNP.
5.7			Develop and implement workflows with community health workers for following up on positive screenings	
5.8			Develop reporting for on-going monitoring of HIF/MET	

Item #	Program/Project Area	Goals and Objectives	Planned Activities to Meet Objectives	Evaluation of Activities
5.9	**Initial Health Appointment**	Increase IHA completion rates. (Previously identified issue)	Conduct chart audits and give feedback and education to providers missing IHA elements	Partially Met. 1. Met: CCHP completed IHA audits and presented the findings at the May Quality Council.2. Not Met: IHA rates decreased slightly from 43.1% in FY22/23 to 42.8% in FY23/24. Text message and email reminders to complete the IHA were deferred.
5.10			Implement text message and email reminder for patients to complete Initial Health Appointment	
5.11	**DHCS Population Health Service/Risk Stratification, Segmentation, and Tiering**	1. Implement DHCS Population Health Service into existing workflows 2. Refine CCHP's risk stratification, segmentation, and tiering processes utilizing all available data sources	Implement DHCS Population Health Service based on forthcoming guidance upon service launch.	Met. No updates from DHCS regarding PHM Service
5.12			Modify RSS and Tiering and supporting workflows to incorporate the DHCS Population Health Services	
5.13	**Assessment and Reassessment**	Ensure annual assessment of Members with LTSS needs and CSHCN	Utilize custom assessment for SPDs and CSHCN and triage according to needs	Met. CCHP is currently utilizing the new custom assessment for new members to triage members with positive LTSS questions.
5.14		Ensure annual reassessment of Members with LTSS needs and CSHCN	Develop workflows to ensure annual reassessment of Members with LTSS needs and CSHCN	

Item #	Program/Project Area	Goals and Objectives	Planned Activities to Meet Objectives	Evaluation of Activities
5.15	**Ongoing Engagement with PCP**	1. Increase regular engagement with PCPs 2. Close Member gaps in preventative care	Develop disengaged member reports to identify population	Met. CCHP participated in and provided significant support for the Contra Costa Health Assigned Not Seen project. Outreach staff conducted over 5,000 calls to patients ages 0-17 who had fallen out of care for over 12 months; leading to over 600 appointments completed by patients at the end of 2024. Reports were developed to identify patients ages 0-3 who have fallen off of the Brighter Futures well visit periodicity schedule to easily identify members for outreach and engagement. Gap in Care reports at the provider level were also developed to allow providers to more proactively identify their panel and close care gaps.
5.16			Develop workflows to connect disengaged Members with PCPs & close care gaps	
5.17	**Closed Loop Referrals**	Understand closed loop referral guidelines and implement technical system to support regulations	Develop workplan for implementing closed loop referrals based on DHCS guidance	Met. CCHP is on track to implement closed loop referrals for ECM and CS on 7/1/2025 per DHCS guidance.

Item #	Program/Project Area	Goals and Objectives	Planned Activities to Meet Objectives	Evaluation of Activities
5.18	**Community Health Workers, Care Coordination, and Navigation with Social Services**	Implement social resources into health education workflows and support referrals to CHW services	Develop referral process for CHW services based on identified social needs	Met. CCHP implemented a referrals process to CHW providers based on identified social needs.
5.19	**Wellness and Prevention Programs**	Improve preventative health of members with regards to: healthy weight, smoking/tobacco, physical activity, healthy eating, managing stress, avoiding at-risk drinking, identifying depressive symptoms	Implement Health Education Krames to have dynamic website that offers self-management tools.	Met. CCHP launched the healthed.cchealth.org website in Q3. CCHP advertised the new website and the available tools to members in the Fall newsletter and to CCHP providers at the provider network training. Telehealth asthma classes were recorded and made available online. In person classes are in development.
5.20			Educate providers and staff on available new health education tools	
5.21			Develop in person and telehealth classes to be facilitated by CCHP Health Educators	
5.22	**Colorectal Cancer Screening**	Increase colorectal cancer screening rates	Send out FIT kits monthly to Members due for colorectal cancer screening	Met. CCHP increased COL rates from 47.97% in 2023 to 58.6% in 2024 (preliminary data), an increase of 10.6% points (percent change +22.2%). Outreach staff conducted over 2,600 calls to patients to encourage them to complete their FIT kit test.

Item #	Program/Project Area	Goals and Objectives	Planned Activities to Meet Objectives	Evaluation of Activities
5.23	**Chronic Disease Management**	Monitor Chronic Disease Management Programs	Monitor programs for the following chronic conditions: Diabetes, Cardiovascular Disease, Asthma, and Depression and identify any areas for improvement	Met. CCHP monitored activities in these programs and conducted PDSAs related to diabetes prevention and asthma education & remediation.
5.24	**Chronic Conditions: Diabetes Management Program**	1. Reduce number of CCHP members with uncontrolled diabetes 2. Increase the number of people enrolled in the Diabetes Prevention Program	Provide medically tailored people to patients with uncontrolled diabetes. Evaluate efficacy of MTM.	Met. In MY2023 CCHP achieved the 90th percentile for the Hemoglobin A1c Control (updated to Glycemic Status Assessment for Patients with Diabetes in MY2024) and was exceeding the target for the measure for MY2024, with an estimated GSD >9.0% of 31.8% (preliminary data). In 2024,
5.25			Continue expansion of remote blood glucose monitoring partnership with Gojji	

Item #	Program/Project Area	Goals and Objectives	Planned Activities to Meet Objectives	Evaluation of Activities
5.26			Conduct PDSA with DPP provider to increase referrals & enrollment of prediabetic Members	CCHP referred 493 RMC members to Gojji and 350 enrolled. CPN patients saw increased access to Gojji services, with 287 enrolling in Gojji's diabetes RPM program in 2024. CCHP increased referrals to the contracted DPP provider from 63 in 2023 to 169 in 2024, with 87 consenting to services and 29 completing at least one visit. CCHP conducted an outreach PDSA to help outreach to 21 referred members and complete the sign-up process.
5.27	**Chronic Conditions: Asthma Mitigation Program**	Reduce the number of CCHP members with acute asthma exacerbations that require emergency department visits and/or hospitalization	Complete Bay Area Healthy Homes Initiative (BAHHI) data collection and reporting	Partially Met. 1. Met: CCHP successfully completed BAHHI data collection and reporting in Q2. In 2024, 217 CCHP members were referred to the CalAIM Asthma Home Remediation Program, with 14 of those referrals coming direction from Quality outreach

Item #	Program/Project Area	Goals and Objectives	Planned Activities to Meet Objectives	Evaluation of Activities
			Expand referrals to Asthma Home Remediation CalAIM Programs	efforts. Inpatient hospitalizations for asthma decreased from 0.6 IP stays per 1,000 members in 2023 to 0.3 IP stays per 1,000 members in 2024 (difference: -0.3 visits, percent change: -50.0%). The average number of admissions per patient decreased from 1.4 per member to 1.2. 2. Not Met. ED visits for asthma increased from 5.6 visits per 1,000 members in 2023 to 7.7 visits per 1,000 members in 2024 (difference: +2.1 visits, percent change: +37.5%). The average number of ED visits per person remained unchanged at 1.3 visits per person.
5.28	**Maternal Health Outcomes**	Improve key maternal health outcomes across quality measures	Develop reporting metrics for Baby Steps	Met. CCHP continues to exceed the minimum performance level for the Prenatal and Postpartum Care measures and expects to continue performance in the highest percentiles. CCHP opened 118 members to the Baby Steps case management
5.29			Develop brochures for pregnant Members	

Item #	Program/Project Area	Goals and Objectives	Planned Activities to Meet Objectives	Evaluation of Activities
5.30			Increase the number of pregnant Members receiving Transitional Care Services (TCS)	program (now rebranded as Baby Steps) in 2024, compared to 41 in 2023. CM workflows and data reporting were updated and CCHP has enrolled at least 39 postpartum members in TCS. Additionally, in 2024 after targeted efforts, 47 CCHP members received 145 doula services in 2024 compared to 4 members receiving 26 services in 2023.
5.31	**Keeping Members Healthy: Gaps in Care**	Notify members of gaps in care for needed preventive services	Continue mailing adult birthday letters	Met. Over 90,000 letters were mailed to adult CCHP patients, with over 12,500 patients (14.0%) completing a health maintenance topic within 60 days of outreach. Pediatric wellness letters and health education handouts were developed during Q4 2024, with the goal of mailing the first letters by the end of Q1 2025.
5.32			Develop specific pediatric birthday letter that provider more specific information to members in terms of gaps in care	
5.33	**Health Education Materials and Resources**	1. Assure that members are provided health education materials and are informed on new community and	Publish member facing newsletter three times per year	Met. The CCHP Member Newsletter, Healthy Sense, was published in Spring, Summer, and Fall 2024. Printed copies

Item #	Program/Project Area	Goals and Objectives	Planned Activities to Meet Objectives	Evaluation of Activities
5.34		medical services.2. Develop comprehensive health education program	Develop health education plan, including the following: classes, provider-based strategy, direct patient outreach strategy, including triggering event notifications, community presence at CBOs, churches and school, and referral and request process for members, digital strategy for health education which may include email campaigns, care pathways, social media calendar, and health education council.	were mailed to each member household and email newsletters were sent to members with a valid email address on file. The CCHP Health Education team expanded from 1 Senior Health Education Specialist (SHES) to 2 SHES and 1 Health Education Specialist (HES). The HE Team has worked to develop virtual asthma classes, increased community presence at local FQHCs, and is continuing to expand our reach.
5.35	**Cultural and Linguistic Access**	Ensure systematic processes in place to promote cultural competency/health equity by making accessible: educational opportunities, current and up-to-date resources, and understanding of CLS needs.	Complete provider trainings and educate providers on interpretation requirements and resources, and reading level requirements	Met. Cultural & Linguistic Manager attended Provider Network Training in August 2024 to provide information on interpretation requirement, resources and reading level requirement. Instruction and resources for linguistic services were also sent to providers as needed.

Item #	Program/Project Area	Goals and Objectives	Planned Activities to Meet Objectives	Evaluation of Activities
5.36			Facilitate translation request of educational materials, website, forms, and other documents.	Met. Cultural & Linguistic manager facilitates and coordinates translation request and ensure materials are available in threshold languages.
5.37			Review CLAS grievances	Met. Cultural & Linguistic manager collaborate with Appeals and Grievance department to review all grievances related to discrimination and linguistic access; also reports these grievances to Equity Council quarterly.
5.38	**EPSDT / Medi-Cal for Teens and Kids**	1. Ensure coverage of and timely access to all medically necessary EPSDT services to correct or ameliorate defects and physical and mental illnesses and conditions. 2. Ensure Members <21 must receive all age-specific assessments and services required by MCP contract and AAP/Bright Futures periodicity schedule.	Create quarterly reporting to track and trend denials for Members <21 years old	Met. CCHP created a report to easily identify members ages 0-3 who have fallen out of compliance with the AAP/Brighter Futures periodicity schedule. The report is available on a real time basis to network providers via the EHR provider portal. Additionally, notifies members about their EPSDT benefits and services through the Member Newsletter and online at the cchealth.org website. CCHP has developed a
5.39			Create report to identify Members who are out of compliance with AAP/Brighter Futures periodicity schedule. Create workflows for outreach and education for identified Members.	

Item #	Program/Project Area	Goals and Objectives	Planned Activities to Meet Objectives	Evaluation of Activities
5.39		3. Ensure provision of Medically Necessary Behavioral Health Treatment. 4. Ensure compliance with all Case Management & Care Coordination requirements. 5. Inform Members <21 about EPSDT, including benefits of Preventive Care, services available under EPSDT, where & how to obtain these services, and that transportation & scheduling assistance is available. Must be provided annually or within 7 days of enrollment for new members. 6. Ensure all network providers completed EPSDT-specific training no less than every 2 years using DHCS materials.	Develop standardized process and procedures for annual notification to Members <21 years old	report to identify providers who are non-compliant with the DHCS EPSDT training, which is emailed monthly to relevant stakeholders for follow-up. CCHP conducted two email campaigns to non-compliant providers informing them of state requirements. Quarterly monitoring is in progress for all activities.
5.40			Develop report to identify providers who need to complete DHCS EPSDT training	

Item #	Program/Project Area	Goals and Objectives	Planned Activities to Meet Objectives	Evaluation of Activities
5.41	**Case Management Services**	Utilize RSS to identify individuals eligible for CCM, ECM, and other services and ensure eligibility for these services	Monitor automatic authorization pathways and utilize new and expanded data sources to expedite enrollment into ECM and CCM	Met. CCHP implemented automated referrals for SMI/SUD ECM and finalized the process for CCM auto referrals beginning in Q1 2025.
5.42	**Transitional Care Services**	Ensure all high-risk members receive transitional care services. (Previously identified issue)	Develop ADT feeds and supporting workflows to utilize ADT feeds, including automating referrals and incorporating ADT feeds into care pathways and monitoring reporting	Met. CCHP developed ADT feed reporting and incorporated it into Follow-up for ED measures. CareEverywhere is available on the ccLink Provider Portal so CCHP providers can view recent admissions. CCHP developed a process for high risk TCS members to be identified through ADT feeds and get automatically assigned a TCS care manager. The health plan implemented a dedicated phone number for low-risk members to contact for discharge care coordination that is placed into local area hospital discharge instructions.
5.43			Develop workflow to re-share ADT feeds with PCPs and ECM providers	
5.44			Develop oversight process on discharge planning process	
5.45		Ensure transitional care services support for low-risk members	Create dedicated phone number for member contact and support for low-risk members	
6. Patient Safety				

Item #	Program/Project Area	Goals and Objectives	Planned Activities to Meet Objectives	Evaluation of Activities
6.1	**Potential Quality Issues (PQIs)**	Review and resolve potential quality issues within 120 days	Issues CAPS according to leveling guidelines, report on trends. Modify ccLink workflow for ease of reporting	Met. CCHP met timeframes on all PQIs.
6.2	**Provider Preventable Conditions (PPCs)**	Review and investigate PPC through the PQI process	Capture all PPCs through accurate reports, Investigate all identified PPCs. Report to DHCS and track all confirmed PPCs, Provide education on PPCs for contracted network	Met. CCHP investigated all PPC. Education on PPCs was provided during quarterly network training.
6.3	**Over/under utilization - ED Use**	Develop a standard over-underutilization report and develop standards with how reporting is used to improve care	Define measures to track and identify areas of opportunity for improvement initiatives	Met. CCHP completed UM identified measures for standard O/U report. Included for July QC.
6.4	**Medication Safety**	Reduce concurrent prescribing of opiate and benzodiazepine	Provide quarterly reports to providers on patients that are co-prescribed opioids and benzodiazepines	Met. 74 letters were sent to providers alerting them of their patients who were currently taking the dangerous drug therapy combination of opioids and benzodiazepines/anti-psychotics.
6.5		Reduce concurrent prescribing of opioids and anti-psychotic medications	Provide quarterly reports to providers on patients that are co-prescribed opioids and anti-psychotics	

Item #	Program/Project Area	Goals and Objectives	Planned Activities to Meet Objectives	Evaluation of Activities
6.6		Antipsychotic, anti-depressant and mood stabilization prescriptions for children	Quarterly audits to determine if these medications that are being prescribed to children have a qualifying diagnosis	Met. CCHP completed quarterly audits.
6.7		Improve Hepatitis C medication adherence	Review HepC medication to ensure that members are fully completing their course of treatment	Met. CCHP tracked, communicated with and provided education to 72 members being treated for Hepatitis C to ensure completion of therapy.
6.8		Reduce number of members with 15 or more medications	Review CCHP members with 15+ prescriptions, develop personalized recommendations when appropriate and refer members to case management	Met. CCHP pharmacy reviewed medications and referred individuals to CCHP case management.

Item #	Program/Project Area	Goals and Objectives	Planned Activities to Meet Objectives	Evaluation of Activities
6.9		Ensure members can get their prescriptions filled after ED discharge	Audit Emergency Department discharges with prescriptions and confirm that individuals were able to fill their prescriptions; educate pharmacies on prescription benefits. Additionally, this quarterly audit will look for members with 4 or more ED visits in a 6-month period and refer them to case management.	Met. Completed ED visit audit and educated pharmacies on benefits.
6.10		Reduce prescription opiate abuse	Review potential unsafe prescriptions where members have multiple opiate prescriptions from multiple prescribers and pharmacies—refer to case management for potential follow up with members and providers	Met. Reviewed unsafe combinations and referred individuals to case management for review.

Item #	Program/Project Area	Goals and Objectives	Planned Activities to Meet Objectives	Evaluation of Activities
6.11	**Facility Site Reviews**	Ensure PCP sites operate in compliance with all applicable local, state, and federal regulations, and that sites can maintain patient safety standards and practices.	Complete an initial Facility Site and Medical Record Review and the Physical Accessibility review Survey for newly contracted PCPs. Conduct periodic full scope reviews for PCPs. Complete corrective action plans for cited deficiencies.	Met. Completed all scheduled FSR, MRR, and PARs. Developed and tracked corrective action plans with providers.
6.12	**Medical Record Reviews**	Ensure medical records follow legal protocols and providers have documented the provision of preventive care and coordination of primary care services.	Conduct MRR of provider office in accordance with DHCS standards.	Met. Completed all scheduled MRR according to DHCS standards. Developed and tracked corrective action plans as necessary
6.13	**Clinical Practice Guidelines**	Review clinical practice guidelines with Quality Council and train providers on practice guidelines	Annually Review and approve Clinical Practice Guidelines at Quality Council	Met. The Clinical Practice Guidelines were presented and unanimously approved at the November Quality Council. The previously approved Clinical Practice Guidelines were distributed in the Q1 2024 Provider Bulletin and during the Q1 Provider Network Training.
6.14			Distribute and educate providers on Clinical Practice Guidelines during quarterly provider trainings and in quarterly newsletter	
6.15	**Long Term Care Facility Reviews**	Ensure members that were recently carved into Medi-Cal are receiving optimal care while they are in skilled nursing facilities	Develop monitoring plan for long term care facilities	Met. CCHP completed a long-term care monitoring report and presented it for review at October Quality council.

Item #	Program/Project Area	Goals and Objectives	Planned Activities to Meet Objectives	Evaluation of Activities
7. Provider Engagement				
7.1	**Provider training**	Conduct quarterly provider network trainings, increase attendance and satisfaction with trainings.	Develop and implement four Quarterly trainings covering a range of topics including regulatory changes/updates and topics that matter most to providers; solicit input from providers on agenda topics	Met. CCHP conducted 4 quarterly network trainings.
7.2	**Quality Provider Meetings**	Conduct quality meetings with provider groups to discuss quality measures and improvement plans	Meet with the largest provider groups on a regular basis to discuss quality topics	Met. CCHP met with all FQHC provider groups on a bimonthly basis throughout 2024.
8. Delegation Oversight				
8.1	**Delegation oversight**	Review credentialing and UM files to ensure Behavioral Health CMU is in compliance	Report out delegation oversight activities annually during Quality Council.	Met. CCHP completed the delegation oversight report and presented during February Quality Council meeting.

Quality Improvement and Health Equity Transformation Program Description 2025

2 INTRODUCTION

Contra Costa Health Plan (CCHP) is a federally qualified, state-licensed, and county-sponsored Health Maintenance Organization (HMO) serving Contra Costa County in the East Bay of the San Francisco Bay Area. Established in 1973, CCHP became the first county-sponsored HMO in the United States.

CCHP is a department within Contra Costa Health (CCH), the health services division of Contra Costa County's government. CCH integrates multiple departments that collectively support the health and well-being of the county's population. Other departments within CCH include:

- **Contra Costa Regional Medical Center (CCRMC),** a 166-bed public hospital, Level II trauma center that includes ten outpatient Federally Qualified Health Centers (FQHCs). CCRMC offers a comprehensive range of services, including a Cancer Care Program, and is home to a nationally recognized Family Medicine Residency Program.
- **County Behavioral Health Services**, which oversees specialty mental health and alcohol and other drug (AOD) services, carved out from Medi-Cal.
- **Community Health & Safety,** which houses a range of departments serving the entire county. The County Public Health Department operates a wide range of programs and services, including school health centers, health care for the homeless, case management programs, the Women, Infants, and Children (WIC) program, communicable disease control, HIV/AIDS Ryan White programs, family maternal and child health programs, and mobile clinics. Health, Housing, and Homelessness operates shelters, homeless street outreach, supportive housing, and other programs serving individuals experiencing homelessness. Environmental Health and HazMat focus on food safety, including restaurant licensing and inspections, as well as other public safety and environmental health initiatives such as hazardous materials (HazMat) management and response. Emergency Medical Services (EMS) provides oversight for prehospital care, ambulance services, and disaster preparedness.

All divisions of CCH, including CCHP, share centralized infrastructure for Human Resources, Finance, and Information Technology. This integrated structure enables collaboration and streamlines operations to support the mission of serving Contra Costa County residents.

According to the 2023 American Community Survey (1-year estimate) from the U.S. Census Bureau, Contra Costa County has a population of approximately 1.155 million residents. CCHP provides health insurance to roughly 270,000 members, covering over 20% of the county's population, including one-third of the county's children. Our membership is diverse and comprised of 42% Hispanic/Latino, 14.9% of White/Caucasian, 12% of Black/African American, 11.4% of Asian and 1.6% of more than one race. Language wise,

38% of CCHP members have preferred language other than English; besides English, Spanish is the most common preferred language at 28.6%, followed by Chinese (1.2%), Dari (0.9%) and Portuguese (0.75%).

Contra Costa Health Plan currently serves approximately 263,000 Medi-Cal members and is one of two Medi-Cal Health Plans serving the region.[1] CCHP serves over 85% of Medi-Cal members in Contra Costa County. Beginning in 2024, the Department of Managed Healthcare (DHCS) launched a new managed care contract and the managed care plan transition, in which members in various geographic regions were transitioned to new managed care plans. In 2024, Anthem Blue Cross left the Contra Costa service area and DHCS entered a direct contract with Kaiser Permanente. Previously, Kaiser Permanente was a delegate of CCHP.

CCHP also administers a commercial product for County employees, County retirees, and In-Home Support Services (IHSS) caregivers. CCHP covers approximately 6,500 commercial members with these product lines.

Starting in 2026, CCHP will be starting a new line of business for dually enrolled Medicare and Medicaid beneficiaries, a Dual-Special Needs Plan (D-SNP). CCHP has approximately 23,000 dual enrollees, and estimates that approximately 10% will enroll in the first year.

The CCHP provider network consists of Contra Costa Regional Medical Center and Health Centers and the Community Provider Network, which includes Federally Qualified Community Health Centers, contracted provider groups, and private practices.

The Quality Improvement and Health Equity Transformation Program (QIHETP) collaborates with Contra Costa Health divisions, CCHP internal departments, provider networks, and community-based organizations to facilitate safe, effective, cost efficient, equitable, and timely care to members. The Quality Council, a multi-disciplinary physician group, and the Equity Council, a group of community and provider stakeholders, guides the overall development, implementation, and evaluation of the quality and equity. The Joint Conference Committee was appointed by the Board of Supervisors to oversee the QIHETP for CCHP.

3 Program Purpose, Goals, and Scope

3.1 Program Purpose

CCHP is committed to the delivery of high-quality and equitable health care services to our culturally and linguistically diverse members. CCHP's Quality Improvement and Health Equity Transformation Program (QIHETP) is designed to measure, monitor, evaluate, and enhance the quality and safety of health care services, ensuring not only the equitable

[1] Kaiser Permanente is the other plan serving the Medi-Cal population, however, enrollment is limited to select populations according to Kaiser's direct contract with the California Department of Health Care Services (DHCS).

delivery of healthcare, but also promoting and achieving equitable health outcomes for all members.

3.2 Goals

The overarching quality and equity goals at CCHP are to:

- Achieve better health outcomes for members by closing gaps in care that are informed by evidence-based practice guidelines.
- Provide a robust population health management strategy to address the needs of members across the continuum of care services.
- Promote health equity and reduce disparities in care through a coordinated strategy with members, providers, and the community.
- Ensure patient safety by ensuring adequate and timely identification and investigation of issues.
- Improve the member experience of care, including timely access to care that is convenient and culturally competent.
- Avoid unnecessary utilization in the ED and hospital by investing in preventive care and coordinating care across settings.
- Stabilize or reduce health care costs by targeting the right resources to the patients who need them most.
- Optimize the provider experience through meaningful collaboration and reducing administrative barriers.

To achieve these goals, CCHP:

- Uses data from a variety of sources to identify areas for improvement in clinical care, member experience, and provider experience measures.
- Solicits input from our providers and members through various committees and provider meetings. This includes the Community Advisory Committee, Equity Council, Quality Council, and Joint Conference Committee.
- Collaborates with community-based organizations and providers in developing outreach and health education strategies.
- Establishes aims, measures, interventions, and improvement teams for Performance Improvement Projects (PIPs).
- Leverages technology and automation to establish proactive identification and outreach systems for services.
- Continuously monitors performance, sustain performance where targets are met, and develop an improvement strategy to address where performance falls short.
- Provide training and education to staff and providers to ensure all services provided are culturally and linguistically appropriate.

3.3 PROGRAM SCOPE

The QIHETP scope includes the provision of clinical care (medical and behavioral health) and service for all Medi-Cal and Commercial members. In partnership with CCHP departments, provider networks and facilities, community-based organizations, and Contra Costa Health (CCH) departments, the QIHETP Program encompasses all aspects of care and service including, but not limited to:

- Access to care
- Continuity and care coordination between primary care and specialty care, as well as primary care and behavioral health
- Developing and implementing a population health strategy
- Evaluating utilization, cost, and clinical trends
- Facility Site Reviews and ongoing monitoring to assess compliance with patient safety standards
- Health education
- Cultural and linguistic services
- Identifying and addressing health disparities through targeted performance improvement projects
- Identifying and addressing overuse and underuse of clinical services
- Addressing member appeals and grievances
- Ensuring excellent member experience with care and service outcomes
- Achieving NCQA Accreditation standards for the Medi-Cal product line
- Potential quality issues identification and resolution
- Preventive, chronic care and acute health care guidelines compliance
- Developing and educating on clinical practice guidelines
- Ensuring high provider satisfaction with CCHP services
- Quality measurement and implementing Performance Improvement Projects (PIPs) in underperforming measures

Healthcare settings within the Scope of Services include:

- Acute hospital services
- Ambulatory care services including preventive health care, family planning, perinatal care, and chronic disease management
- Ancillary services including, but not limited to lab, pharmacy, radiology, medical supplies, durable medical equipment (DME), and home health
- Behavioral health (mild/moderate and substance use disorder)
- Emergency services and urgent care
- Long-term care including skilled nursing facilities and rehabilitation care
- Specialty care and tertiary care providers

CCHP complies with applicable Federal civil rights laws and is responsible for ensuring that all medically necessary covered services are available and accessible to all members

regardless of race, color, national origin, creed, ancestry, religion, language, age, gender, marital status, sex, sexual orientation, gender identity, health status, or physical or mental disability, or identification with any other persons or groups defined in Penal Code 422.56, and that all covered services are provided in a culturally and linguistically appropriate manner.

4 Program Governance and Structure

4.1 Overview

Program governance and structure form the foundation of the program, ensuring effective oversight, accountability, and alignment with regulatory standards to meet the needs of members.

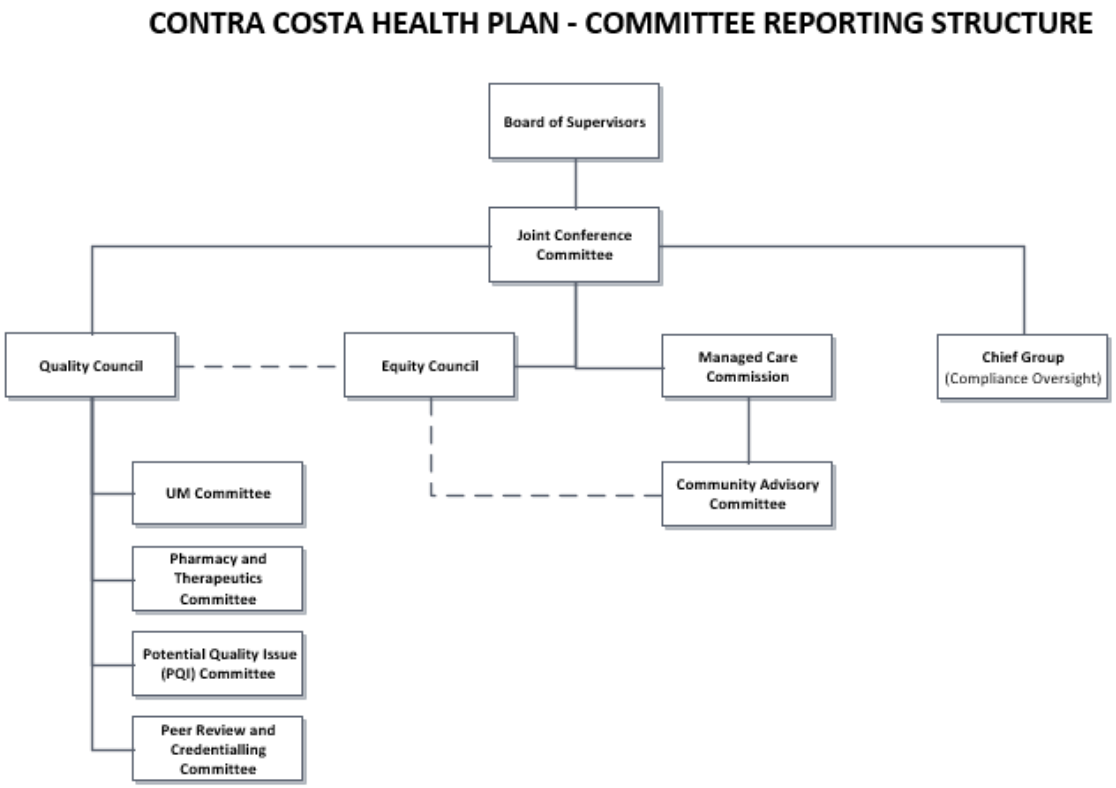

4.2 Program Governance

The Quality Council (QC) and the Equity Council (EC) are the principal committees for directing and overseeing quality, equity, and patient safety operations and activities for CCHP, including but not limited to, clinical and service-related performance improvement projects, access to care studies for medical and behavioral health, member grievances, potential quality issues, case management, utilization management, and oversight of delegated entities for utilization management and behavioral health. The Quality Council and Equity Council make recommendations to the Joint Conference Committee, which has been delegated the approval body for the Quality Program by the Contra Costa County Board of Supervisors.

As the governing body, the Joint Conference Committee gives authority to the Chief Medical Officer and the Chief Executive Officer of the Plan to ensure the QIHETP has the needed resources to meet its goals and to evaluate and monitor the program's progress toward reaching its goals. The CEO has authority over general administration of the Plan and reports to the JCC on the health plan's operations, including quality and equity.

4.2.1 Organizational Chart

Below is an organizational chart of the committee reporting structure.

4.2.2 Joint Conference Committee

The Joint Conference Committee (JCC) is one of the mechanisms by which the Contra Costa County Board of Supervisors exercises oversight of CCHP, including quality operations and activities. Two members of the Board of Supervisors are assigned to serve on the JCC. The other two JCC members are providers within the CCHP network, one representing CCRMC and one representing the CPN network. All meetings of the Joint Conference Committee are open to the public in accordance with the Brown Act. Responsibilities of the JCC include:

- Promote communication between the Board of Supervisors, the CCHP Quality Council, and CCHP administration.
- Assess and monitor the overall performance of CCHP and its contracted providers including, but not limited to, the quality of care and service provided to members.
- Review, evaluate, and make recommendations annually regarding modifications to the Annual QIHETP Program Description, Program Evaluation, and Work Plan.

- Receive, evaluate, and act on reports from the Quality Council and Equity Council on a quarterly basis or more frequently if needed. Any action taken by the JCC is subject to approval by the Board of Supervisors.

4.2.3 Quality Improvement and Health Equity Committee (QIHEC)

The California Department of Health Care Services (DHCS) requires all Medi-Cal managed care plans to establish a Quality Improvement and Health Equity Committee (QIHEC) to guide the integration of quality improvement and health equity efforts. Contra Costa Health Plan (CCHP) fulfills this requirement through the coordinated work of two complementary committees: the Quality Council and the Equity Council. Together, these councils support the continuous development, execution, and assessment of CCHP's quality and health equity initiatives.

The Quality Council, with a clinical focus, includes providers from various specialties and is responsible for overseeing clinical care, performance improvement projects, and member outcomes. The Equity Council expands membership to include community-based organizations, public health representatives, and other non-clinical stakeholders, alongside clinical participants, to address health disparities, review discrimination grievances, and promote equitable care across the member population. While each council maintains distinct membership to reflect their specific areas of focus, overlapping representation ensures alignment and coordination of efforts, fostering a comprehensive approach to improving both quality and equity in care delivery.

4.2.3.1 Quality Council

The Plan's Quality Council assists in oversight and assurance of the quality of clinical care, patient access, service excellence and patient safety of CCHP. The committee ensures that providers are involved in the planning, prioritization, and implementation of quality initiatives, as well as monitoring the care and service received by our members.

Responsibilities of the Quality Council include:

- Reviews, evaluates, and acts upon the reports of subcommittees.
- Reviews and approves the QIHETP Program Description, prior year's Annual Evaluation, and current Work Plan.
- Annually reviews, evaluates, and makes recommendations to the Board of Supervisors or the Joint Conference Committee on the status of contracted providers delegated for quality management, utilization management, credentialing, medical records, and member rights.
- Reviews reports concerning member grievances and potential quality and safety issues. The Quality Council investigates such occurrences and makes recommendations to the Credentialing Committee, Board of Supervisors and/or the Joint Conference Committee regarding resolution or implementation of any corrective action that may be required.
- Reviews reports regarding activities including, but not limited to: quality improvement projects, potential quality issues, population health management

programs, cultural and linguistic services, appeals and grievances, delegation audit scores and recommendations, access and availability reports, HEDIS quality measures, CalAIM updates, utilization review turn-around time and interrater reliability, and over/under utilization of clinical resources. The Quality Council evaluates these reports and makes recommendations to the Board of Supervisors and the Joint Conference Committee regarding implementation of any corrective action that may be required.

- Reviews and evaluates quality reports pertaining to medical, Pharmacy and Therapeutics, and benefit interpretation policy issues. The Quality Council makes recommendations to the Board of Supervisors and the Joint Conference Committee regarding trends and modifications to be implemented.
- Reviews and approves clinical practice guidelines at annually.

The Chair of the Quality Council is the Chief Medical Officer. The Co-Chair is the Director of Quality and Healthy Equity. The Quality Council meets eight times per year. A quorum is greater than 50% of voting member attendance. Voting members are the Chief Medical Officer and practicing clinicians in the provider network. The network clinicians participating in the Quality Council represent multiple specialties that align with the needs of our Medi-Cal population. Specialties that provide direct input into the Quality Program include a general surgeon, psychiatry, pediatrics, internal medicine, family medicine, OBGYN, and cardiology.

4.2.3.1.1 Subcommittees Reporting to Quality Council

The Pharmacy and Therapeutics (P&T) Advisory Committee report to Quality Council annually and meets at least quarterly to review pharmaceutical management activities. P&T keeps the Quality Council and provider networks abreast of pharmacy overuse/underuse, clinical projects, and pharmacy operations including authorization turnaround time (TAT), inter-rater reliability (IRR), activities related to fraud, waste and abuse, and other activities related to pharmacy management. P&T also reviews formulary changes, drug safety updates, recalls, pharmacy restriction and preference guidelines and generic substitution, therapeutic interchange and step therapy, and other pharmaceutical management policies.

The Director of Provider Relations presents updates from the Peer Review and Credentialing Committee (PRCC) to the Quality Council semi-annually. The Chief Medical Officer chairs the PRCC. Updates include summary data on the credentialing operations including number of providers credentialed and recredentialed, nonclinical provider complaints, and Facility Site Reviews performed including CAPS issued and completed. PRCC recommendations are submitted directly to the Board of Supervisors for approval.

The Chief Medical Officer or delegate chairs the UM Committee and minutes are reviewed at Quality Council. This committee oversees all outpatient and inpatient Utilization Management activities including the UM Program, UM Evaluation activities, UM Work Plan,

authorization TAT and IRR, and over/under utilization activities. Membership includes the Chief Medical Officer, Medical Directors, UM Director, UM Managers, UM Supervisors, and providers from the CCHP Provider Network. UM staff, Case Management Manager, and other department directors join on an ad-hoc basis. The committee meets at least every two months.

The potential quality issue (PQI) committee reviews all potential quality issues and levels cases. Voting members include the CCHP Medical Directors and Assistant Medical Directors. Nurses investigate cases and present to committee members who decide upon severity. The committee has oversight over PQI corrective actions.

4.2.3.2 The Equity Council

The purpose of the Equity Council is to provide oversight and collaboration with the CCHP Quality Improvement and Health Equity Transformation Program (QIHETP). The Equity Council reports to the Joint Conference Committee. CCHP's CMO is the committee chair, who works closely with the Director of Quality and Health Equity and the Cultural and Linguistics Manager on committee activities. The Equity Council meets four times a year and has representation from practicing network providers, community-based organizations, homeless services organizations, Contra Costa County Public Health, community health workers, and CalAIM providers.

Responsibilities of the Equity Council include oversight on the annual QIHETP annual plan, evaluation, and program description, overseeing activities surrounding National Committee on Quality Assurance (NCQA) Health Equity Accreditation, and ensuring all quality improvement projects and member surveys have a health equity lens, and reviewing appeals and grievances connected to health equity.

4.2.4 The Community Advisory Committee

Contra Costa Health Plan (CCHP) has a Community Advisory Committee (CAC) to ensure that its members have meaningful impact into CCHP's policies and decision making and are engaged as partners in the delivery of Medi-Cal Covered Services. CCHP utilizes the CAC to promote community participation within the areas of cultural and linguistic services, health education, and health inequities. CAC members identify and are advocates for health disparities that exist in the member population and discuss improvement opportunities for CCHP. CAC members work directly with the leadership of the operational departments within CCHP to receive oversight and direction. The CAC makes recommendations to the Board of Supervisors, County Health Services Director, and Chief Executive Office of CCHP.

4.3 Quality Improvement and Health Equity Structure

The quality improvement and health equity structure at CCHP is organized to ensure that all departments and key personnel work collaboratively to deliver high-quality, equitable care to our members.

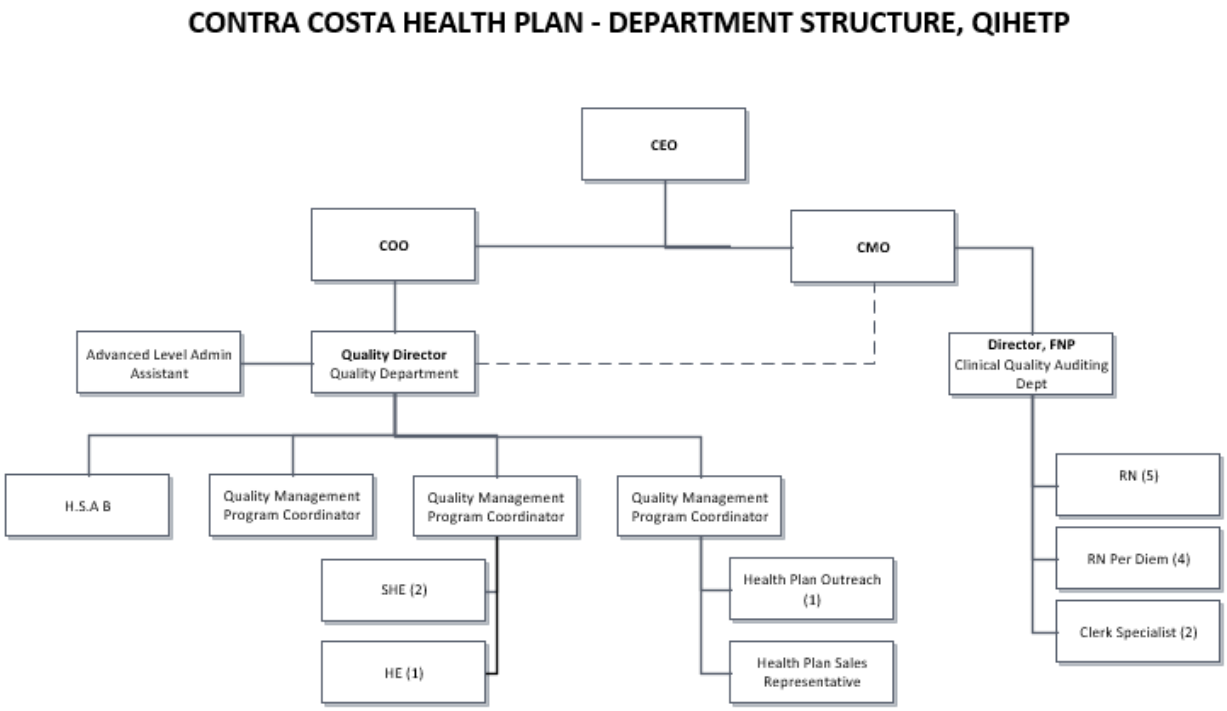

4.3.1 Key Departments Supporting Quality and Health Equity

The Quality and Health Equity Department and the Clinical Quality Auding (CQA) Department are the primary drivers of Contra Costa Health Plan's quality improvement initiatives. Together, these departments lead efforts to monitor, evaluate, and enhance the quality of care and services provided to our members. Their work encompasses quality measurement, patient safety, compliance, health equity, and strategic partnerships with other departments and providers to ensure continuous improvement.

The **Quality and Health Equity Department** is accountable for implementing quality measurement, quality improvement projects, health equity initiatives, cultural and linguistic services, health education, and population health management. Quality staff monitor quality indicators, implement, evaluate improvement activities, support CCHP leadership in strategic priorities, and collaborate with CCHP and CCH departments on the overall quality program. Additionally, the department ensures health equity is prioritized through the marketing strategy, policies, member and provider outreach, quality improvement activities, grievance and appeals, and utilization management. The Quality and Health Equity department collaborates with community-based organizations and develops targeted interventions designed to eliminate inequities. Population health management is a key aspect of the overall quality program, integrated into the Quality and Health Equity Department. Staff work together to achieve the shared goals of quality and population health initiatives. Both quality and population health report to the Director of Quality and Healthy Equity, with dotted line accountability to the Chief Medical Officer (CMO).

The **Clinical Quality Auditing Department** is responsible for patient safety initiatives at CCHP. This includes conducting all facility site reviews, medical record reviews, and physical accessibility reviews for primary care providers (PCP) and providers with specialties that are considered high-volume and/or high-impact. Responsibilities extend to investigating potential quality issues and provider preventable conditions and conducting ad hoc internal clinical audits. The team also conducts chart abstractions for HEDIS. This department reports to the Chief Medical Officer.

Below is an organizational chart of CCHP's quality and health equity department structure.

4.3.2 Supporting Departments in Quality

In addition to the Quality and CQA Departments, several other departments play vital roles in supporting Contra Costa Health Plan's quality improvement efforts. These departments, include both Clinical Operations departments and non-Clinical operations. Each contribute through their specialized expertise and programs to ensure comprehensive, coordinated, and member-focused care.

The **Utilization Management (UM) Department** is responsible for ensuring the appropriate use of healthcare services. This includes reviewing both medical necessity and appropriateness of care through pre-authorization, concurrent review, and retrospective analysis. The UM department also oversees the coordination of care across service areas and is involved in the monitoring over and under-utilization of health services. The department ensures that utilization practices align with the overall quality and health equity goals of the health plan, ensuring services are delivered efficiently, effectively, and equitably. This department reports to the Chief Medical Officer.

The **Behavioral Health Department** addresses the mental health and substance use needs of members. This department provides ensures behavioral health services are provided to members and staff facilitate transitions between carved-in and carved-out Medi-Cal services, collaborating closely with Contra Costa County Behavioral Health Services, which provided carved-out specialty mental health services and substance use services. Additionally, CCHP's Behavioral Health Department collaborates with primary care providers, school districts, and community organizations, and non-specialty mental health

providers, ensuring treatment is provided for members. By providing culturally sensitive and accessible care, CCHP works to reduce disparities in behavioral health access and outcomes, particularly for underserved communities.

The **Appeals and Grievance Department** is responsible for overseeing the formal process for handling member complaints, appeals, and grievances. The department ensures that all concerns are addressed promptly and thoroughly, and it plays an integral role in protecting member rights and improving member satisfaction. In addition to resolving individual issues, the department tracks trends in complaints and appeals, identifying opportunities for system improvements and enhancing the overall member experience and improving care quality.

The **Case Management Department** provides case management services and works closely with providers to ensure that high-risk and complex members receive the care and resources they need. This department helps to close gaps in care, manage chronic conditions, and provide a coordinated approach to treatment. It ensures members have access to the necessary healthcare services while also focusing on improving outcomes for vulnerable populations. The Care Management Department plays a crucial role in improving health equity by addressing disparities in access and outcomes for underserved groups and working on population health management with at-risk members and those needing care transitions.

The **CalAIM Department** at Contra Costa Health Plan plays a crucial role in connecting our most at-risk members to the services they need. This department works closely with Enhanced Care Management (ECM) and Community Supports (CS) providers to ensure that members facing complex health and social challenges are linked to appropriate, comprehensive care. By coordinating these services, the CalAIM Department helps to improve health outcomes and reduce disparities for vulnerable populations.

The **Member Services Department** is responsible for ensuring that members have a positive experience with the health plan. This includes providing support in accessing healthcare services, resolving complaints and grievances, and offering education on health plan benefits and services. Member Services plays a vital role in health equity by ensuring that all members, especially those from historically underserved communities, receive the appropriate support to navigate the healthcare system. They are also involved in outreach and engagement efforts to improve member satisfaction and involvement in their care.

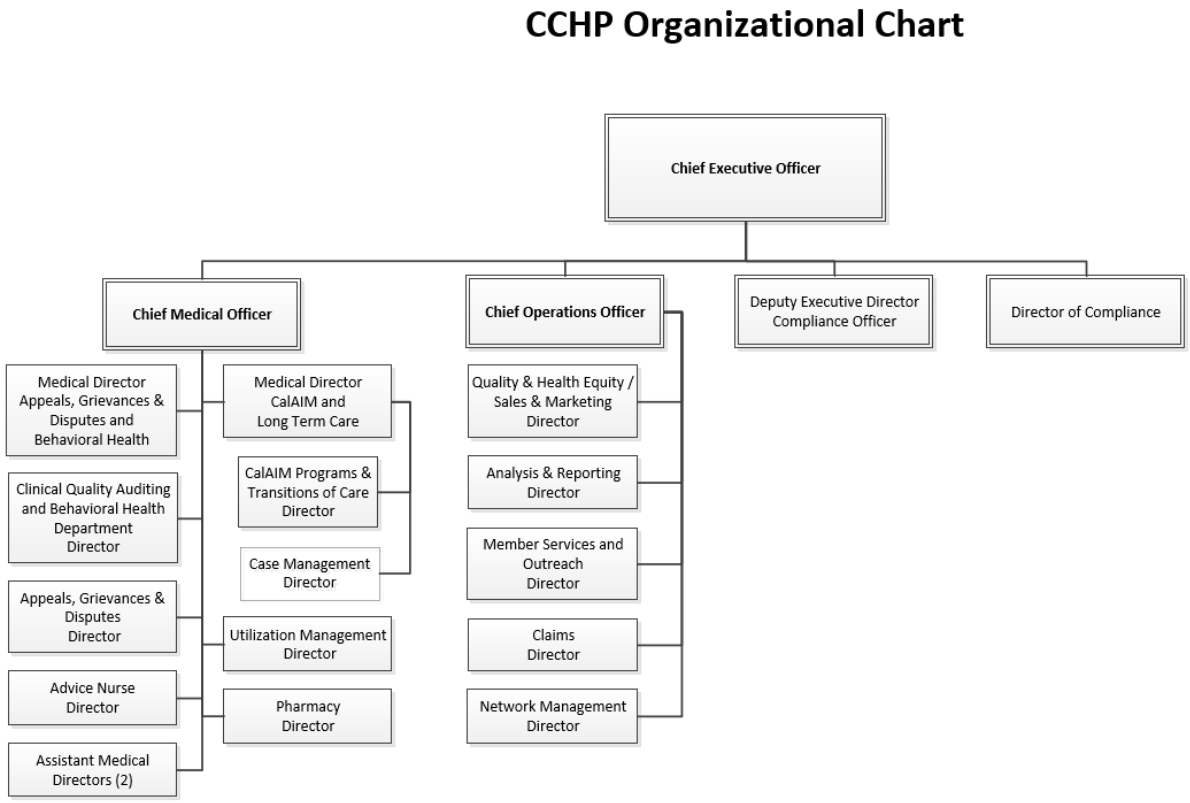

The **Provider Relations Department** serves as the primary liaison between Contra Costa Health Plan and our network of healthcare providers. This department is dedicated to building strong partnerships with providers, addressing their needs, and ensuring seamless communication. Provider Relations supports contracting, onboarding, and training, as well as assisting providers with operational issues to ensure they have the tools and resources needed to deliver high-quality care to our members.

The **Business Intelligence Department**, centrally located in Contra Costa Health Information Technology Department, is responsible for the collection, aggregation, and

reporting of health data to measure and track performance against quality indicators. This department provides aggregates data for HEDIS quality measures, develops dashboards, reports, and drives analysis that allow for continuous improvement and ensure the success of quality improvement initiatives. The team works closely with both clinical and operational departments to identify trends, monitor progress, and make data-driven decisions that can improve care delivery and address health disparities.

Each department collaborates closely to ensure the quality of care and health outcomes for all members, with a particular focus on eliminating health disparities and improving care for historically marginalized groups. This collaborative approach supports the overall mission of CCHP to provide high-quality, equitable care to its diverse member population.

Below is an organization chart of CCHP.

4.3.3 Key Quality Personnel

The key quality personnel at Contra Costa Health Plan (CCHP) provide leadership and expertise to drive quality improvement, ensure patient safety, and promote health equity efforts. These individuals oversee critical functions, including clinical quality, behavioral health, pharmacy, and equity initiatives, ensuring that CCHP delivers high-quality, equitable care to its diverse member population.

4.3.3.1 Chief Medical Officer

The Chief Medical Officer is the Chair of the Quality Council, Equity Council, Pharmacy & Therapeutics, Peer Review and Credentialing Committee, and Utilization Management Committee. The Chief Medical Officer provides oversight and guidance to the development of clinical guidelines, improvement projects, and other initiatives. The Chief Medical Officer makes determinations in potential quality issues, grievances and appeals and has authority over peer review. The Chief Medical Officer oversees all medical staff at CCHP, including the Medical Directors, medical consultants, and nursing.

4.3.3.2 Medical Director, Behavioral Health

The CCHP Medical Director oversees behavioral health services at CCHP. The Medical Director provides oversight and guidance on the provision of behavioral health services, utilization management of behavioral health services, and oversight of the partnership and collaboration with County Behavioral Health, which provides Special Mental Health Services and Alcohol and Other Drug program. The Medical Director is a member of the Quality Council and Equity Council. This position is an MD is psychiatry and reports to the CMO.

4.3.3.3 Director of Behavioral Health Services

Contra Costa County's Behavioral Health Services Director oversees Contra Costa's Specialty Mental Health, network of non-specialty mental health, and Alcohol and Other Drug treatment services. The County Behavioral Health Services Director is a member of the Quality Council and provides guidance and insight on all behavioral health aspects of the quality program at CCHP. This position is a PhD.

4.3.3.4 Director of Pharmacy

CCHP's Director of Pharmacy oversees pharmaceutical safety services, the development of formularies, pharmacy utilization review, and the oversight of CCHP's pharmacy benefit manager for the commercial line of business. The Director of Pharmacy is the co-chair of the Pharmacy & Therapeutics Committee. This position is a PharmD and reports to the CMO.

4.3.3.5 Director of Quality and Health Equity

The Director of Quality and Healthy Equity works closely with the Chief Medical Officer, the Quality Council, and Equity Council on developing, implementing, and evaluating the QIHETP activities. The Director of Quality and Health Equity is responsible for the oversight of the QIHETP work plan, population health management portfolio, and overseeing department staff. The Director of Quality and Healthy Equity reports to the Chief Operations Officer with a dotted line to the Chief Medical Officer.

4.3.3.6 Clinical Quality Auditing Director

The Clinical Quality Auditing (CQA) Director works closely with the Chief Medical Officer (CMO), the Director of Quality and Healthy Equity, the Appeals and Grievances Department, and with the Quality Council, on adopting, assessing, and implementing clinical quality

activities. The CQA Director oversees the clinical quality nurses. The CQA Director reports to the CMO.

4.3.3.7 Quality Managers

The QIHETP has Quality Managers responsible for the day-to-day management of the quality improvement and equity activities. One is responsible for the NCQA health plan accreditation. The second is responsible for population health management activities, administering quality improvement projects, member experience surveys, disease management programs, and overseeing CCHP's team of health educators. This person serves as CCHP's Qualified Health Educator for DHCS. The third serves as the Cultural and Linguistic Services Manager who is responsible for implementing all aspects of the Cultural & Linguistics program and cultural competency trainings according to state and federal regulations and providing technical assistance to providers to ensure provision of culturally sensitive and appropriate care to CCHP members. This position reviews member grievances with a health equity lens to identify any potential acts of discrimination against members. In addition, this position is responsible for successful implementation of all Equity Committee priorities as well as leading equity-focused improvement projects. These positions report to the Director of Quality and Health Equity.

4.3.3.8 Quality Nurses

Nurses in the clinical quality auditing department oversee Facility Site Reviews, Medical Record Reviews, Physical Accessibility Review Survey, HEDIS chart abstractions, potential quality issues, and ad hoc audits and oversight. The Quality Nurses report to the Clinical Quality Auditing Director.

4.3.3.9 Health Education Specialists

CCHP has two Senior Health Education Specialists and one Health Education Specialist that ensure that the health education program is responsive to members' needs. The health educators develop, implement, and evaluates the Health Education Program, which includes a range of health education resources and delivery modalities, and the position works internally with other departments to assess literacy levels of health education and member informing materials, including the member newsletter. The Senior Health Educator reports to the Quality Management Program Coordinators.

4.3.3.10 Health Services Administrator

The Health Services Administrator is responsible for management HEDIS reporting and access and availability reporting. This person conducts analysis and develops reports for CCHP's quality measures. This position reports to a Director of Quality and Healthy Equity.

4.3.3.11 Secretary Advanced Level

The Secretary Advanced Level is responsible for providing administrative support to the Quality and Equity Team. The Secretary organizes and takes minutes at the Quality Council and Equity Council meetings, provides administrative support to access studies, and

coordinates encounter data validation chart abstractions. The Secretary reports to the Director of Quality and Healthy Equity.

5 Quality Improvement, Equity, and Population Health Programs

5.1 Quality Improvement and Health Equity Program Planning

CCHP incorporates ongoing documentation cycles that applies a systematic process of assessment, identification of opportunities, action implementation, and evaluation. This documentation cycles includes: Quality Program Description, Quality Work Plan, and Quality Program Evaluation. These documents, along with the quality council charter, are reviewed annually by the Quality Council.

5.1.1 QIHETP Program Description

The Quality Program Description is a document that outlines CCHP's structure and process to monitor and improve the quality and safety of care to members.

5.1.2 QIHETP Work Plan

The work plan identifies the scope of the quality programs and defines activities to be complete in the program year. The work plan is developed annually after completing the Quality Program Evaluation from the previous year. The work plan includes objectives, planned activities, timeframe, and staff members responsible.

5.1.3 QIHETP Program Evaluation

The quality program evaluation includes an annual summary of all quality activities, impact the program had on member care, and an analysis of the achievement of goals, and an assessment of revisions.

5.2 NCQA Accreditation

5.2.1 NCQA Health Plan Accreditation

The quality and health equity department takes the lead on interpreting standards, identifying gaps, consulting with other department functions on closing their gaps, ensuring submission of appropriate and timely documentation, and providing general oversight and maintenance of the NCQA accreditation status. CCHP was granted its fourth full three-year Accreditation early in 2023. The next review is March 2026.

5.2.2 NCQA Health Equity Accreditation

The quality and health equity department takes the lead on the NCQA Health Equity Accreditation which must be achieved no later than January 2026. In preparation for this initial accreditation, the cultural and linguistic manager with the other CCHP departments to ensure compliance on the health equity accreditation standards. Data will be stratified

to identify health disparities and work collaboratively with CCHP departments to implement targeted interventions and update policies and practices.

5.3 Measurement, Analytics, Reporting, and Data Sharing

CCHP in partnership with Contra Costa Health IT department has the technology infrastructure and data analytics capabilities to support goals for quality management and improvement actives. As an integrated health system, the centralized data infrastructure collects, analyzes, and integrates health plan data with clinical delivery system data and social services data to support quality activities. This integrated data warehouse allows for the collection of all quality performance data across the health plan and delivery system.

The Quality and Health Equity Department partners with our Business Intelligence team to collect HEDIS data annually for Managed Care Accountability Sets (MCAS), NCQA HEDIS Accreditation measures, and DMHC Health Equity and Quality Measure Set (HEQMS). This includes over 70 measures that cover clinical effectiveness, clinical resource utilization, access and availability, and member experience with care. CCHP utilizes a certified HEDIS engine for reporting. CCHP also contracts with a vendor to conduct the CAHPS survey. HEDIS data is stratified by race, ethnicity, language, provider network, provider and other key demographic variables to identify variations and opportunities to improve care and service. The Quality and Health Equity Department works with the BI and IT teams to develop and utilize dashboard and reports to evaluate performance and identify opportunities for improvement.

In addition to HEDIS reporting, CCHP regularly produces the following mandated reports: DMHC Timely Access to Care, Member and Provider experience, DHCS Encounter Data validation, DHCS Performance Improvement projects, and External Quality Review (EQR) reporting. CCHP also tracks internal quality metrics aimed at improving care and services for members. CCHP reviews the EQR technical report and evaluation recommendations to make improvements annually.

5.4 Performance Improvement Projects

5.4.1 Quality Improvement Framework

The Quality Program utilizes the Model for Improvement and PDSA cycles to continuously evaluate and improve care and services for our members. Our broader aims focus on improving health, member experience, health equity, and cost efficiency. Work is prioritized by:

- Regulatory requirements from DHCS, DMHC, and NCQA
- Data-driven by performance in in HEDIS and other quality metrics
- Findings from the Population Needs Assessment
- Data on PQIs, member grievances, internal member surveys, and access studies
- Assessment on value and impact on members

- Synergies with the delivery system to identify areas where combined health plan and delivery system collaboration can best achieve results.

5.4.2 Active Performance Improvement Projects

CCHP has at least two active DHCS statewide performance improvement projects and, if needed, smaller mandated pilot projects for measures below the state's minimum performance level. Additionally, CCHP identifies additional performance improvements in the work plan based on an analysis of quality data. Annually, CCHP reviews quality metric data, assesses measurement areas that need improved, and develops improvement projects to be added to the work plan. On an at minimum of monthly basis, CCHP reviews quality metric data and may modify the work plan to add additional performance improvement projects. CCHP identifies areas where there is a decline in performance level or CCHP is under the desired quality target. Quality staff conduct a root cause analysis and develop a plan to implement a performance improvement project.

5.5 Population Health Management

The work of population health is to maximize health by co-creating services with members and providers which deliver primary and secondary evidence-based interventions for the prevention and management of illness in our assigned population. In 2023, the Department of Health Care Services (DHCS) launched Population Health Management, a key feature of CalAIM. Population Health Management will establish a cohesive, statewide approach that ensures Medi-Cal members have access to a comprehensive program that leads to longer, healthier and happier lives, improved health outcomes, and health equity. This will be accomplished through the following initiatives:

5.5.1 Population Needs Assessment, Strategy, and Impact Report

Annually, as part of NCQA accreditation, CCHP conducts a comprehensive Population Needs Assessment uses available data sources to identify disparities and trends. CCHP utilizes the Population Needs Assessment to develop its Population Health Management Strategy, an annual document approved by the Quality Council that outlines the programs CCHP will implement to address the needs of the population. CCHP assesses the population health impact of the programs implemented in the strategy to determine the efficacy of programming and inform future programming. Population Needs Assessment is also used to identify priorities for Cultural and Linguistic Program.

CCHP also participates on the steering committee for Contra Costa County's Public Health Community Health Assessment (CHA) and Community Health Improvement Plan (CHIP). By aligning our Population Health Management Strategy with the overall needs identified in the CHA and CHIP, we ensure that our initiatives are responsive to broader community health priorities and foster collaborative, community-wide health improvements.

5.5.2 Gathering Member Information

Member data is fragmented between provider clinical systems, claims, and other administrative data systems, including social services. Screening questions to members are

often duplicative across settings. Leveraging its integration within the county delivery system, CCHP utilizes comprehensive data systems, integrating data from claims, clinical data, detention health, EMS, social services, homeless systems, and public health into one unified member record to co-locate this information for population health management activities.

5.5.3 Risk Stratification, Segmentation, and Tiering

CCHP employs a comprehensive approach to risk stratification, segmentation, and tiering by leveraging data from diverse sources. Utilizing claims and encounter data, DHCS-provided data, screening and assessments, electronic health records, referral and authorization data, behavioral health data, pharmacy data, utilization data, and social services data, including homelessness and criminal justice data, CCHP establishes the foundational data for its risk stratification and tiering methodologies.

This diverse dataset enables CCHP to create individual member records based on risk, segmenting them into different risk categories, and tiering based on acuity. The incorporation of a broad range of data points facilitates the identification of interventions and eligibility criteria, allowing for the triaging of individuals to services. CCHP regularly evaluates its risk stratification methods for potential biases to ensure equitable resource allocation across all populations.

5.5.4 Population Health Services

CCHP has established a comprehensive population health program aimed at promoting overall well-being and addressing the varying needs of our members. This program focuses on keeping healthy members well, offering self-management resources for individuals with well-controlled chronic conditions, and providing case management support to those with poorly controlled chronic diseases. For our highest-need members, we offer Enhanced Care Management services tailored to those with significant healthcare utilization. Case Management Services, including Complex Case Management and Transitional Case Management, are structured around risk stratification to ensure the most appropriate support for those with the greatest needs. Additionally, our basic population health services provide health education, wellness promotion, and preventive care for all members.

5.5.4.1 Cultural and Linguistic Services

CCHP prioritizes culturally and linguistically sensitive care for its diverse membership, and ensures all services provided are non-discriminatory and meet all state and federal requirements. CCHP Cultural and Linguistic Services (C&L) program aims to prevent discrimination, offering culturally appropriate care to all members, including those with limited English proficiency and diverse backgrounds. CCHP C&L program advocates and uses the application of national standards for Culturally and Linguistically Appropriate Services (CLAS) developed by the Office of Minority Health to health plan operations by providing effective, equitable, understandable, and respectful quality care and services that are responsive to diverse cultural health beliefs and practices, preferred languages, health

literacy, and other communication needs. To ensure members have access to cultural and linguistic services for effective communication during healthcare services, CCHP actively collects Race, Ethnicity, and Language (REAL) and sexual orientation and gender identity (SOGI) data to identify health disparities.

CCHP C&L Program coordinates and oversees all linguistic services to members, this includes 24-hour access to interpreter services, document translation, alternative format of information and ensures all critical materials are available in threshold languages. C&L Program provides annual training for staff and providers on health equity, communication skills, linguistic services, cultural competency, awareness and sensitivity. C&L program also develops and updates Diversity, Equity & Inclusion (DEI) training and Transgender, Gender Diverse, Intersex (TGI) cultural competency training, and ensures these trainings are incorporated within QIHETP goals. C&L program provides technical assistance to providers, collaborates with county health services and community agencies to reduce health disparities, and promptly responds to the cultural and linguistic needs of both providers and members. C&L program monitors cultural and linguistic needs and trends of CCHP's membership and works closely with Health Educators to ensure health education services meet the cultural and linguistic needs of our members.

In addition, C&L Program seeks community and member feedback through Community Advisory Committee, Equity Council, Population Health Assessment, member surveys and grievance monitoring to identify and prioritize opportunities for improving cultural and linguistic services.

5.5.4.2 Basic Population Health Management

Access, Utilization, and Engagement with Primary Care: CCHP ensures ongoing primary care access, member engagement, and strategies for non-duplication of services. The focus is on health equity, meeting National Standards for Culturally and Linguistically Appropriate Services (CLAS), and reporting on primary care spending.

Care Coordination, Navigation, and Referrals Across all Health and Social Services, Including Community Supports: CCHP guarantees access to needed services, partnering with primary care and other systems for effective care coordination, navigation, and referrals. Closed Loop Referrals are emphasized, ensuring coordination with various community resources.

Information Sharing and Referral Support Infrastructure: CCHP implements information-sharing processes and referral support infrastructure, complying with privacy laws and professional standards.

Integration of Community Health Workers (CHWs): CHWs are integrated into PHM, addressing various health-related issues. The new CHW benefit facilitates reimbursement for basic population health management services.

Wellness and Prevention Programs: Contra Costa Health Plan provides health education resources that meet the needs of members as identified in the Population Needs

Assessment and other sources such as HEDIS, Community Advisory Committee feedback, and member surveys. CCHP ensures members have access to low-literacy health education and self-management resources in all threshold languages. Resources are available on the CCHP website and through providers. CCHP provides classes, articles, videos, interactive tools for self-management, and links to community resources. CCHP maintains a directory of resources online and publishes this at least annually in the member and provider newsletters. Topics covered include health weight maintenance, smoking and tobacco use cessation, encouraging physical activity, healthy eating, managing stress, avoiding at-risk drinking, and identifying depressive symptoms.

Programs Addressing Chronic Disease: CCHP offers evidence-based disease management programs, focusing on improving member health and well-being. Key conditions, including diabetes, cardiovascular disease, asthma, and depression, are addressed through health education interventions, member engagement, and closing care gaps to enhance equity and reduce health disparities. Aligned with the Population Needs Assessment and Population Health Management Strategy, initiatives are tailored to the unique needs of diverse Medi-Cal populations, fostering collaboration with community programs and supporting overall health improvement.

Programs to Address Maternal Health Outcomes: CCHP works to improve maternal health outcomes, adhering to comprehensive perinatal service program standards.

PHM for Children: CCHP ensures ensure early and periodic screening, diagnostic, and treatment for children, meeting federal and state requirements, coordinating health and social services, and actively promoting preventive services. CCHP is developing MOUs with WIC providers, First 5 programs, and Local Education Agencies strengthen support for school-based services.

Behavioral Health: CCHP is responsible for mild to moderate behavioral health services for Medi-Cal and all behavioral health services for commercial members. For Medi-Cal, CCHP partners with the Contra Costa County Behavioral Health Services to triage patients to determine level of severity and to provide appropriate treatment. For members who are seen at FQHCs in the community, members are generally triaged and treated at those facilities. Some Community Health Centers are providing embedded behavioral health services, and CCHP contracts with telehealth providers to further expand access. Quality activities for behavioral health focus on HEDIS measures, continuity and coordination of care for outpatient behavioral health, measuring behavioral health practitioner access and availability, and conducting an annual satisfaction survey aimed at those receiving behavioral health services. Updates on the quality activities are provided to the Quality Council quarterly and a Behavioral Health clinician is a member of the Quality Council.

5.5.4.3 Care Management

Care management services are designed to meet the needs of the most vulnerable members. CCHP has two essential programs - Complex Care Management (CCM) and Enhanced Care Management (ECM), both integral to addressing the diverse needs of MCP

members. CCM, aligning with NCQA standards, provides extra support for higher- and medium-rising-risk members who are not covered by ECM. It offers chronic care coordination and interventions for episodic needs, emphasizing flexible eligibility criteria determined by CCHP. CCM includes a comprehensive assessment, care plan, various interventions, and basic population health management integration. Care managers, assigned to each member, ensure effective communication, and access to needed services, including Community Supports.

ECM, initiated in January 2022, is a community-based benefit addressing the clinical and nonclinical needs of Medi-Cal's highest-need members through intensive coordination. CCHP contracts with ECM providers, which include providers, county agencies and community-based organization. The ECM providers assign a lead care manager to each member for personalized in-person interactions. ECM eligibility is based on specific "Populations of Focus" criteria, rolled out in phases throughout 2022-2024. ECM and CCM operate on a continuum, with members transitioning from ECM to CCM as needed, ensuring comprehensive care management. DHCS monitors outcomes through quarterly reporting, evaluating and enhancing Populations of Focus definitions and policies over time to optimize the ECM benefit.

5.5.4.4 Transitional Care Services

The concept of care transitions encompasses the movement of members from one care setting to another, such as hospital discharges to home-based settings, community placements, or post-acute care facilities. Key responsibilities include services such as comprehensive medication reconciliation upon discharge and follow-up care by a provider. Individuals considered high risk are assigned a care manager upon discharge who coordinate transitional care services. Individuals considered low risk can access additional coordination services as needed by having a direct pathway to transitional care services.

5.6 Patient Safety Activities and Projects

Patient safety is addressed by multiple plan departments. Staff regularly review data from grievances and appeals, access and availability data, MCAS measures, satisfaction survey results, utilization and case management data, studies on adherence to clinical guidelines, and data from facility site reviews and chart reviews to identify areas of risk to members' safety. Data is presented regularly to the Quality Council.

5.6.1 Potential Quality Issues and Provider Preventable Conditions

Any department, provider or member can identify a potential quality issue (PQI) and forward it to the Clinical Quality Auditing Department for investigation and resolution. Additionally, a quality nurse reviews a report that identifies Provider Preventable Conditions (PPCs) and develops PQIs as necessary. The quality nurses investigate all cases and present these to the PQI committee, which consists of the Chief Medical Officer, Medical Director, and Director of Pharmacy. The committee reviews and assigns levels to all PQIs. PQIs with a level of 3 will receive a Corrective Action Plan (CAP) and may be forwarded to

the Peer Review and Credentialing Committee. Provider Relations further identifies any trends at the provider level where intervention is warranted. The PRCC uses data from facility site reviews, grievances, and PQIs. Trends, recommendations, and updates on PPCs and PQIs are provided to the Quality Council at least annually.

5.6.2 Pharmaceutical Safety

Pharmaceutical safety is also addressed through overuse/underuse use activities. These include: reviewing members with fifteen or more prescriptions and referring to case management if applicable, reviewing members with opioid prescriptions from multiple providers and/or pharmacies, reviewing members with potentially unsafe medication regimens, and reviewing prescription trends for potential fraud, waste, and abuse. Actions include notifying providers around medication safety and educating patients.

5.6.3 Facility Site Review and Medical Record Review

CCHP ensures that primary care provider sites operate in compliance with all applicable local, state, and federal regulations, and that sites can maintain patient safety standards. CCHP ensures that medical records follow legal protocols and provider have documented the provision of preventive care and coordination of primary care services. Facility Site Review nurses complete periodic full scope review of facilities and their medical records, and complete corrective action plans for cited deficiencies.

5.6.4 Clinical Practice Guidelines

CCHP reviews clinical practice guidelines annually through the Quality Council to ensure they reflect current, evidence-based standards of care. These guidelines are reviewed and approved by the Chief Medical Officer and the medical team, then distributed to all network providers to support consistent, high-quality clinical practices across the network.

5.7 Provider Collaboration

CCHP collaborates with provider stakeholders on improvement efforts. This includes the CCRMC system, Federally Qualified Community Health Centers (FQHCs), Community Provider Network providers, Behavioral Health, Public Health, Skilled Nursing Facilities, Hospitals, and Community Support and Enhanced Care Management providers. Joint Operations Meetings (JOM) provide a platform for leadership discussions, facilitating communication among diverse entities. CCHP actively participates in the Safety Net Council structure, engaging with FQHCs and regional clinical consortiums. The commitment to collaboration includes participation in various operational, quality, and provider-focused meetings, underscoring the shared goal of enhancing healthcare quality and delivery.

CCHP hosts quarterly provider trainings that cover updates on quality activities and provides an opportunity for providers to share their input on the Quality Program. Efforts to support quality also focus on building partnerships through committee and workgroup participation. CCHP regularly meets with internal departments and external agencies to collaborate on quality improvement initiatives.

Examples of these supports to our providers and partners are listed below:

- CCHP CEO and CMO attend regular Joint Operations Meetings with hospitals.
- CMO, Provider Relations, Case Management, and Quality staff conduct regular provider site visits.
- Community clinics meet quarterly as part of the Safety Net Council with attendance by the CCHP's Chief Executive Officer, CMO and Director of Quality and Healthy Equity. FQHC CMOs meet monthly with the CCHP CMO and Medical Directors. CCHP Director of Quality and Healthy Equity meets every other month with individual FQHCs sites quality teams, going over quality projects and areas of opportunity. Providers from the RMC and CPN networks are members of CCHPs Quality Council, chaired by CCHP's Chief Medical Officer and Quality Management Director (CMO).
- The Medical Director of Case Management and Long-Term Care hosts quarterly Joint Operations Meetings with CalAIM providers.
- CCHP Director of Quality and Healthy Equity attends the Ambulatory Redesign workgroup, Quality Incentive Pool (QIP) improvements meetings, Outreach Committee, and presents annually at the Patient Safety/Performance Improvement Committee at CCRMC.
- CCHP Medical Director of Behavioral Health meets regularly with County Behavioral Health Services and CCHP Director of Quality and Health Equity meet regularly with County Behavioral Health Services quality team to coordinate on quality initiatives.
- Senior leaders and practitioners from Behavioral Health Services attend CCHP's monthly Quality Council meetings.
- The Chiefs across all CCH divisions meet at least monthly to collaborate on CCH strategies including population management.
- Updates on CCHP's population management activities are communicated regularly to our Board, the Joint Conference Committee.

5.8 Delegation

Delegated activities are supported by a delegation agreement that define the specific functions and responsibilities for the delegated entities. CCHP does not delegate any quality and health equity or utilization management functions.

2025 Quality Improvement and Health Equity Transformation Program (QIHETP) Work Plan

Item #	Program/Project Area	Goals and Objectives	Planned Activities to Meet Objectives	Dates	Responsible Team
1. QIHETP Structure					
1.1	**QIHETP Program Documents**	By March 2025, approve annual quality program documents at March JCC meeting. Evaluate quality program to ensure that resources and priorities reflect organizational missions and strategies.	Conduct annual evaluation of the QIHETP program and develop written 2024 QIHETP Evaluation	January -February 2025	Beth Hernandez, Quality Director Jersey Neilson, Quality Manager
1.2			Develop annual 2025 QIHETP Program Description, incorporating structural changes identified in the evaluation	January -February 2025	Beth Hernandez, Quality Director Magda Souza, Clinical Quality Auditing Director
1.3			Develop annual 2025 QIHETP Work Plan, including monitoring of issues identified in prior years that require follow -up.	January -February 2025	Beth Hernandez, Quality Director Magda Souza, Clinical Quality Auditing Director
1.4	**Quality Council**	Ensure Quality Council oversight of CCHP's quality and health equity program through regular meeting schedule	Convene monthly Quality Council meetings. Convene a minimum of 8 Quality Council meetings annually	January -November 2025	Irene Lo, CMO Beth Hernandez, Quality Director Arnold DeHerrera, Administrative Asst
1.5		Ensure program governance of Quality Council meeting	Revise Quality Council charter; approval of program description, evaluation and work plan	January -February 2025	Beth Hernandez, Quality Director
1.6		Ensure there are policies and procedures to meet regulatory and operational needs	Review CCHP policies annually and upon any new APL changes	January 2025 - December 2025	Beth Hernandez, Quality Director
1.7	**Equity Council**	Ensure Equity Council oversight of CCHP's quality and health equity program through regular meeting schedule	Implement the QIHETP work Plan and convene quarterly scheduled meetings	March, June, September, December 2025	Irene Lo, CMO Hua Hsaun Liu, Quality Manager Beth Hernandez, Quality Director Arnold Deherrera. Administrative
1.8		Ensure program governance of Equity Council meeting	Create Equity Council Charter and ensure approval of program description, evaluation and work plan.	January 2025-December 2025	Irene Lo, CMO Beth Hernandez, Quality Director
1.9		Ensure there are policies and procedures to meet regulatory and operational needs to ensure health equity is woven into the fabric of the organization	Review CCHP Policies with a specific view of health equity annually and update policies per APL changes.	January 2025-December 2025	Beth Hernandez, Quality Director Hua Hsuan Liu, Quality Manager Irene Lo, CMO
1.10	**Community Advisory Committee**	Ensure community feedback and incorporate member input into CCHP Quality and Health Equity policies and procedures	Engage with community based organizations and CCHP members through Quarterly CAC meetings.	January 2025-December 2025	Belkys Teutle, Member Services Manager Cynthia Laird, Member Services Supervisor Hua Hsuan Liu, Quality Manager
2. NCQA Accreditation					
2.1	**NCQA Health Plan Accreditation**	By December 2025, complete NCQA survey submission for survey submission due date in December. Achieve re-accreditation by March 2026.	Complete submission materials on standards and guidelines according to project plan and timeline.	January 2025 - December 2025	Shari Jones, Quality Manager Beth Hernandez, Quality Director

Item #	Program/Project Area	Goals and Objectives	Planned Activities to Meet Objectives	Dates	Responsible Team
2.2	**NCQA Health Equity Accreditation**	By August 2025, complete NCQA survey submission for survey submission due date in August. Achieve accreditation status by December 2025.	Complete submission materials on standards and guidelines according to project plan and timeline.	January 2025 - August 2025	Shari Jones, Quality Manager Hua Hsuan Liu, Quality Manager Beth Hernandez, Quality Director
3. Measurement, Analytics, Reporting, and Data Sharing					
3.1	**HEDIS Reporting and Quality of Clinical Care (DHCS, NCQA, DMHC)**	1. By June 15, 2025, report HEDIS MY2024 scores for NCQA Health Plan Accreditation, the DHCS Managed Care Accountability Set (MCAS), and the DMHC Health Equity and Quality Measures Set (HEQMS) 2. Exceed the 50th percentile for all MCAS MPL measures and establish performance improvement plan for those near or at risk 3. Achieve 4.5 Stars on NCQA Health Plan Ratings. 4. Prepare for transition to ECDS by identifying efficiencies in data system measurement 5. Align HEDIS measurements to quality improvement projects and strategic goals for 2025	Complete all annual HEDIS, MCAS, and HEQMS activities, ensuring compliance with quality measurement regulatory agencies, including NCQA, DHCS, EQRO, and DMHC.	January 2025 - June 2025	Dustin Peasley, HEDIS Manager Shari Jones, Quality Manager Business Intelligence Analysts CQA Nurses
3.2			Complete annual HEDIS MY2024 report, analyzing yearly trends and identifying areas for improvement. Incorporate report into Population Health Needs Assessment.	July 2025 -September 2025	Dustin Peasley, HEDIS Manager Jersey Neilson, Quality Manager Beth Hernandez, Quality Director
3.3			Identify areas of opportunity for data systems and data sources for MY2025	July 2025 - August 2025	Beth Hernandez, Quality Director Dustin Peasley, HEDIS Manager Business Intelligence
3.4			Develop and implement improvement projects targeting at risk measures and those measures that align with other strategic goals of CCHP	March 2025 - August 2025	Jersey Neilson, Quality Manager Beth Hernandez, Quality Director
3.5	**CCHP Quality Measurement Infrastructure**	Create quality dashboard and quality monitoring program with feedback loop to providers to allow for ongoing tracking of all HEDIS MCAS measures, including measuring disparities, trends by year, and current rates	Maintain CCHP quality metric dashboard, updating to include rolling 12-month measurements for MCAS MPL measures	January 2025 - December 2025	Business Intelligence Beth Hernandez, Quality Director
3.6			Maintain quality feedback mechanism for providers, which shares performance rates by provider group on CCHP priority measures and identify unique areas of opportunities	July 2025 - September 2025	Beth Hernandez, Quality Director Jersey Neilson, Quality Manager
3.7			Maintain system of data sharing gap in care lists with CPN network to allow for ongoing quality improvement	January 2025 - December 2025	Beth Hernandez, Quality Director Jersey Neilson, Quality Manager

Item #	Program/Project Area	Goals and Objectives	Planned Activities to Meet Objectives	Dates	Responsible Team
3.8	**Member Experience and Quality of Service (NCQA, DHCS)**	By June 30, 2025, gather, analyze, and highlight areas of opportunity utilizing member experience surveys and grievances Develop member feedback channel through the Community Advisory Committee	Review and analyze CAHPS survey results trending results by year. Incorporate into Population Health Needs Assessment.	August 2025 - September 2025	Jersey Neilson, Quality Manager
3.9			Host internal CAHPS think tank to gather insights into member experience from cross-functional teams	July 2025 - August 2025	Jersey Neilson, Quality Manager
3.10			Review and analyze the limited English enrollee survey	August 2025 - September 2025	Hua Hsuan Liu, Quality Manager
3.11			Review and analyze behavioral health specific member experience surveys	October - November 2025	Jersey Neilson, Quality Manager
3.12			Develop report on MY2024 member experience	February - March 2025	Jersey Neilson, Quality Manager
3.13			Review and analyze grievance and appeals data according to NCQA methodology and review quality of service and quality of care. Complete annual report	February - March 2025	Jill Perez, Director of UM/AGD Jersey Neilson, Quality Manager Nicolas Barcelo, Medical Director
3.14			Develop survey tool to assess member experience with Case Management, conduct survey, analyze results	October 2025 - November 2025	Beth Hernandez, Quality Director Leizl Avecilla, Case Management Director
3.15			Conduct new member survey to assess comprehension of new member materials	April 2025	Jersey Neilson, Quality Manager
3.16			Collect member experience on population health programs	March 2025 - August 2025	Health Educators Jersey Neilson, Quality Manager
3.17			Gather member input on member experience utilizing Community Advisory Committee. Incorporate into annual Population Health Needs Assessment, Impact Report, Strategy as well as Cultural & Linguistic Program.	April 2025 - September 2025	Hua Hsuan, Quality Manager Jersey Neilson, Quality Manager
3.18	**Provider Experience**	Implement standard process for collected provider experience and identify areas for opportunity	Implement Provider Experience Survey. Incorporate feedback into annual access report.	August 2025 - September 2025	Dustin Peasley, Quality Analyst Terri Leider, Director of Provider Relations
3.19	**Access to Care and Quality of Service (DMHC, DHCS)**	Achieve at least 70% compliance for urgent and non-urgent appointments during Provider Appointment Availability Survey Implement quality monitoring program on timely access standards	Complete all access monitoring through surveys and auditing calls: *DMHC Provider Appointment Availability Survey *NCQA High Impact/High Volume specialists *OB/GYN and midwife providers survey on first prenatal appointment *Initial Health Appointment *After hour triage and emergency access *In-office wait time *Telephone wait times and time to return call *Call Center wait times	March 2025, June 2025, September 2025, December 2025	Dustin Peasley, Quality Analyst
3.20			Develop process for DHCS quarterly access monitoring	March 2025 - May 2025	Dustin Peasley, Quality Analyst
3.21			Create comprehensive annual access report that identifies trends and identifies areas for opportunities	March 2025 - May 2025	Dustin Peasley, Quality Analyst Beth Hernandez, Quality Director
3.22			Develop feedback loop to providers on their results from the annual PAAS/NCQA survey, providing education and timely access standards.	August - September 2025	Dustin Peasley, Quality Analyst

Item #	Program/Project Area	Goals and Objectives	Planned Activities to Meet Objectives	Dates	Responsible Team
3.23	**CalAIM Reporting (DHCS)**	Complete all DHCS CalAIM reporting deliverables and maximize incentive dollars available through continuous improvement in pay for performance measures	Complete the quarterly Population Health Monitoring Reports, reviewing key KPIs on population health metrics	February, May, August, November	Beth Hernandez, Quality Director
3.24			Complete DHCS quarterly CalAIM ECM-CS Quarterly Monitoring Reports, reporting enrollment and utilization of CalAIM services	February, May, August, November	Pasia Gadson, CalAIM Director Sara Levin, Medical Director
3.25			Complete the monthly JSON CalAIM reporting	January - December 2025	Tyler Heslinger, Business Intelligence
3.26	**REAL and SOGI Data**	Achieve 90% of race/ethnicity reporting for membership Improve collection of sexual orientation and gender identify data.	Input new member REAL and SOGI surveys into ccLink	January 2025 - December 2025	Student Interns Arnold DeHerrera, Executive Assistant
3.27			Develop baseline measurement for SOGI data collection and establish targets.	February - March 2025	Hua Hsuan Liu, Quality Manager
3.28	**CLAS Reporting**	Ensure cultural and linguistic needs of population are being met by provider network	Conduct annual CLAS analysis of patient and provider population	January - February 2025	Hua Hsuan Liu, Quality Manager
3.29	**Encounter Data Validation (DHCS)**	Implement the encounter data validation study per the timelines and requirements from DHCS	Procure medical records and submit according to auditors deadlines	February 2025 - June 2025	Arnold DeHerrera Shari Jones, HEDIS Manager
3.30	**Long Term Care and Long Term Support Services**	Develop quality measurement measure set that supports long-term care quality improvement and a systematic monitoring system for members with long term support services	Complete annual report on long term care and long term support services	May - July 2025	Eloisa Lopez-Valencia, Quality Intern
4. Performance Improvement Projects					
4.1	**Enrollment in Case Management after Emergency Department visit for Mental Health and Substance Use**	Increase the percentage of members who enroll in case management within 14-days of an ED visits for mental health or substance use. (Previously identified issue)	Develop workflow for authorizing and enrolling eligible individuals into case management after ED visit for mental health and substance use	March 2025 - December 2025	Jersey Neilson, Quality Manager Nicolas Barcelo, Medical Director ECM providers
4.2	**Well Care Visits in the First 15-Months of Life**	Narrow the health disparities gap between Black/African American and Asian members to 5%	Identify regional and provider level disparities in WCV completion performance and develop targeted improvement project.	March 2025 - December 2025	Jersey Neilson, Quality Manager Hua Hsuan Liu, Quality Manager
4.3	**IHI Improvement Projects**	1. Increase WCV in 18-21 year olds at Brighter Beginnings to MPL. 2. Increase FUM and FUA rates by 5% over baseline.	Complete IHI Child Health Equity Collaborative.	April 2025	Jersey Neilson, Quality Manager Hua Hsuan Liu, Quality Manager Health Educators
4.4			Complete IHI Behavioral Health Collaborative with CCBHS.	April 2025	Beth Hernandez, Quality Director CCBHS
4.5	**Blood Lead Screening***	Increase pediatric blood lead screening rates to exceed the DHCS MPL. (Previously identified issue)	Collaborate with providers with low lead screening rates to identify opportunities for improvement	January 2025 - December 2025	Jersey Neilson, Quality Manager Health Educators
4.6	**Topical Fluoride Treatment in Children***	Increase the percentage of member under 21 who complete Topical Fluoride Treatment by 5%. (Previously identified issue)	Conduct outreach to member who did not have tropical fluoride treatment in the last 12 months, develop and distribute dental benefits material.	January 2025 - December 2025	Jersey Neilson, Quality Manager Hua Hsuan Liu, Quality Manager

Item #	Program/Project Area	Goals and Objectives	Planned Activities to Meet Objectives	Dates	Responsible Team
4.7	**Disparities in Well Care Visits**	Reduce the disparity in well care visits for African American and Native Hawaiian/Pacific Islander children by reducing the gap to the 50th percentile benchmark by 50%.	Conduct regular outreach to African American and Native Hawaiian/Pacific Islander children who have not seen provider for over 12 months, and connect them to services they need.	January 2025 - December 2025	Jersey Neilson, Quality Manager Hua Hsuan Liu, Quality Manager
4.8	**D-SNP QIP Planning**	Identify QIP options for D-SNP based on eligible Medicare Population	Research quality measures for Medicare-only population and identify areas for opportunity upon D-SNP launch in 2026.	July 2025 - December 2025	Jersey Neilson, Quality Manager Beth Hernandez, Quality Director
4.9	**ED Workgroup**	Understand areas for improvement with regards to ED utilization	Convene workgroup to analyze ED utilization and identify areas for opportunity.	July 2025 - December 2025	Irene Lo, CMO Michael Cleary, Medical Director Beth Hernandez, Quality Director Jersey Neilson, Quality Manager
4.10	**Monitoring and rapid improvement cycles**	Develop process for monitoring MCAS and HEDIS measures and conduct rapid improvement for measures that are dipping below expected rates.	Develop and monitor dashboard, and deploy rapid improvement outreach efforts where needed for measures.	January 2025 - December 2025	Jersey Neilson, Quality Manager Beth Hernandez, Quality Director
			5. Population Health		
5.1	**Population Needs Assessment and Community Health Needs Assessment**	Understand member needs and health to create a responsive population health program	Complete MY 2024 population needs assessment according to NCQA guidelines	July 2025 - October 2025	Jersey Neilson, Quality Manager
5.2			Develop cross functional team collaborating with Contra Costa County Public Health in preparation for the 2025 Community Health Needs Assessment and Community Health Implementation Plan	January 2025 - December 2025	Lisa Demoiz, CCH Epidemiologist Ashley Kokotaylo, Public Health Beth Hernandez, Quality Director Jersey Neilson, Quality Manager Business Intelligence
5.3			Engage CAC as part of CHNA process by reporting involvement and findings, obtain input/advice from CAC on how to use findings from the CHNA to influence strategies and workflows related to the Bold Goals, wellness and prevention, health equity, health education, cultural and linguistic needs to identify and prioritize opportunities for improvement.	October - December 2025	Hua Hsuan Liu, Quality Manager
5.4	**Population Health Management Strategy**	Develop population health strategy in alignment NCQA and DHCS requirements, involving delivery system, county, and community partners	Complete PHM Strategy in alignment with DHCS and NCQA guidelines	July 2025 - October 2025	Jersey Neilson, Quality Manager Beth Hernandez, Quality Director
5.5	**Population Impact Report and Evaluation**	Develop framework for evaluating CCHP's population health program and measuring impact to ensure programs are achieved desired outcomes	Complete PHM Impact and Evaluation report	July 2025 - October 2025	Jersey Neilson, Quality Manager
5.6	**Initial Screening Process**	Provide streamlined new member experience, with regards to HIF/MET, HRA/LTSS, and other assessments. Develop an new member outreach workflow to maximize Initial Health Appointments and New member survey completion Ensure system exists so members with positive screenings are identified for the appropriate services Develop data system so screening questions are results are shared across providers	Monitor ongoing HIF/MET and HRA completion rate and follow-up for positive screenings	September - December 2025	Beth Hernandez, Quality Director Leizl Avecilla, Case Management Director Pasia Gadson, CalAIM Director
5.7			Implement electronic HIF/MET and HRA screenings utilizing myChart questionnaires	March 2025 - June 2025	Beth Hernandez, Quality Director Leizl Avecilla, Case Management Director

Item #	Program/Project Area	Goals and Objectives	Planned Activities to Meet Objectives	Dates	Responsible Team
5.8	**Initial Health Appointment***	Increase IHA completion rates. (Previously identified issue)	Conduct chart audits and give feedback and education to providers missing IHA elements	April 2025, October 2025	Magda Souza, FNP CQA Nurses
5.9			Implement text message and email reminder for patients to complete Initial Health Appointment	September - December 2025	Beth Hernandez, Quality Director
5.10	**DHCS Population Health Service/Risk Stratification, Segmentation, and Tiering**	Implement DHCS Population Health Service into existing workflow	Implement DHCS Population Health Service based on forthcoming guidance upon service launch.	July 2025 - December 2025	Beth Hernandez, Quality Director Bhumil Shah, Assoc Chief Information Officer
5.11	**Assessment and Reassessment**	Ensure annual assessment and reassessment of Members with LTSS needs and CSHCN	Utilize custom assessment for SPDs and CSHCN and triage according to needs	January 2025 - December 2025	Beth Hernandez, Quality Director
5.12	**Ongoing Engagement with PCP**	Increase regular engagement with PCPs Close Member gaps in preventative care	Utilized disengaged member reports and connect Members with PCPs & close care gaps	July - December 2025	Jersey Neilson, Quality Manager Health Educators
5.13	**Closed Loop Referrals**	Understand closed loop referral guidelines and implement technical system to support regulations	Develop workplan for implementing closed loop referrals based on DHCS guidance	June 2025 - December 2025	Pasia Gadson, CalAIM Director Business Intelligence
5.14	**Community Health Workers, Care Coordination, and Navigation with Social Services**	Implement social resources into health education workflows and support referrals to CHW services	Develop referral process for CHW services based on identified social needs	March 2025 - July 2025	Pasia Gadson, CalAIM Director
5.15	**Wellness and Prevention Programs**	Improve preventative health of members with regards to: healthy weight, smoking/tobacco, physical activity, healthy eating, managing stress, avoiding at-risk drinking, identifying depressive symptoms	Educate providers and staff on available health education tools	January 2025 - December 2025	Jersey Neilson, Quality Manager Health Educators
5.16			Develop in person and telehealth classes to be facilitated by CCHP Health Educators	February - December 2025	Jersey Neilson, Quality Manager Sofia Rosales, Sr. Health Educator
5.17	**Colorectal Cancer Screening**	Increase colorectal cancer screening rates	Send out FIT kits monthly to Members due for colorectal cancer screening	January - December 2025	Regional Medical Center
5.18	**Chronic Disease Management**	Monitor Chronic Disease Management Programs	Monitor programs for the following chronic conditions: Diabetes, Cardiovascular Disease, Asthma, and Depression and identify any areas for improvement	March 2025 June 2025 Sept 2025 Dec 2025	Jersey Neilson, Quality Manager Irene Lo, CMO Nicolas Barcelo, Medical Director Joseph Cardinalli, Pharmacy Director Beth Hernandez, Quality Director
5.19	**Chronic Conditions: Diabetes Management Program**	Reduce number of CCHP members with uncontrolled diabetes Increase the number of people enrolled in the Diabetes Prevention Program	Provide medically tailored meals to patients with uncontrolled diabetes. Evaluate efficacy of MTM.	January 2025 - December 2025	Sara Levin, Case Management Medical Director
5.20			Continue expansion of remote blood glucose monitoring partnership with Gojji	January 2025 - December 2025	Jersey Neilson, Quality Manager
5.21			Conduct PDSA with DPP provider to increase referrals & enrollment of prediabetic Members	January - March 2025	Jersey Neilson, Quality Manager Health Educators

Item #	Program/Project Area	Goals and Objectives	Planned Activities to Meet Objectives	Dates	Responsible Team
5.22	**Maternal Health Outcomes**	Improve key maternal health outcomes across quality measures	Develop brochures for pregnant Members	January 2025 - March 2025	Jersey Neilson, Quality Manager Health Educators
5.23			Increase the number of pregnant Members receiving Transitional Care Services (TCS)	January 2025 - December 2025	Leizl Avecilla, Case Management Health Educators Outreach Team
5.24	**Keeping Members Healthy: Gaps in Care**	Notify members of gaps in care for needed preventive services	Continue mailing adult birthday letters	January 2025 - December 2025	Jersey Neilson, Quality Manager Sr. Health Educators
5.25			Develop specific pediatric birthday letter that provider more specific information to members in terms of gaps in care	July 2025 - October 2025	Jersey Neilson, Quality Manager Sr. Health Educators
5.26	**Health Education Materials and Resources**	Assure that members are provided health education materials and are informed on new community and medical services. Develop a strong community presence.	Publish member facing newsletter three times per year	February 2025, June 2025, November 2025	Jersey Neilson, Quality Manager Sr. Health Educators
5.27			Conduct outreach events at health clinics, CBOs, and other relevant locations.	January 2025 - December 2025	Jersey Neilson, Quality Manager Sr. Health Educators
5.28	**Culturally and Linguistically Competent Care**	Ensure systematic processes in place to promote cultural competent care and health equity by providing linguistics services, educational opportunities, current and up-to-date resources, and understanding of CLS needs. Less than 20% of respondent in member experience survey state they use friends/family for interpreter. More than 95% of respondent in member experience survey indicate they get interpreter services when request one.	Complete provider trainings and educate providers on interpretation requirements and resources, and reading level requirements	January 2025 - December 2025	Hua Hsuan Liu, Quality Manager
5.29			Facilitate translation and interpreter services request of educational materials, website, forms, and other documents.	January 2025 - December 2025	Hua Hsuan Liu, Quality Manager
5.30			Ensure all CCHP staff complete Transgender, Gender Diverse, or Intersex (TGI) by February 2025.	January - February 2025	Hua Hsuan Liu, Quality Manager Otilia Tuitin, Compliance Manager
5.31			Ensure all CCHP staff and providers complete Diversity, Equity, and Inclusion (DEI) training by December 2025.	January - December 2025	Hua Hsuan Liu, Quality Manager Otilia Tuitin, Compliance Manager
5.32			Educate and advocate interpreter services to CCHP members.	January - December 2025	Hua Hsuan Liu, Quality Manager
5.33			Review, monitor and track all grievances related to discrimination, language access and trans-inclusive care.	January 2025 - December 2025	Hua Hsuan Liu, Quality Manager

Item #	Program/Project Area	Goals and Objectives	Planned Activities to Meet Objectives	Dates	Responsible Team
5.34	**EPSDT / Medi-Cal for Teens and Kids**	Ensure coverage of and timely access to all medically necessary EPSDT services to correct or ameliorate defects and physical and mental illnesses and conditions. Ensure Members <21 must receive all age-specific assessments and services required by MCP contract and AAP/Bright Futures periodicity schedule. Ensure provision of Medically Necessary Behavioral Health Treatment. Ensure compliance with all Case Management & Care Coordination requirements. Inform Members <21 about EPSDT, including benefits of Preventive Care, services available under EPSDT, where & how to obtain these services, and that transportation & scheduling assistance is available. Must be provided annually or within 7 days of enrollment for new members. Ensure all network providers completed EPSDT-specific training no less than every 2 years using DHCS materials.	Monitor and trend denials for Members <21 years old	March 2025 June 2025 Sept 2025 Dec 2025	Jill Perez, Director of UM/AGD
5.35			Conduct outreach and education for identified Members who have fallen off of the pediatric well care visit periodicity.	January 2025 - December 2025	Jersey Neilson, Quality Manager Health Educators
5.36			Annual notification to Members <21 years old regarding EPSDT services	February 2025	Jersey Neilson, Quality Manager
5.37			Ensure and monitor bi-annual DHCS EPSDT training	February 2025	Heather Peang, Provider Relations Manager Jersey Neilson, Quality Manager
5.38	**Case Management Services**	Utilize RSS to identify individuals eligible for CCM, ECM, and other services and ensure eligibility for these services	Monitor automatic authorization pathways and utilize new and expanded data sources to expedite enrollment into ECM and CCM	January 2025 - December 2025	Leizl Avecilla, Case Management Director Pasia Gadson, CalAIM Director Sara Levin, Medical Director Beth Hernandez, Quality Director
5.39	**D-SNP CPIP Planning**	Develop comprehensive Chronic Care Improvement Program for D-SNP Population	Research regulatory requirements, conduct needs assessment of Medicare population, and develop comprehensive care improvement program.	March 2025 - December 2025	Irene Lo, CMO Beth Hernandez, Quality Director
5.40	**Transitional Care Services***	Ensure all high risk members receive transitional care services. (Previously identified issue)	Ensure high risk members receive referrals for transitional care services, utilizing automated referrals from ADT feeds as well as manual referral pathways.	March - May 2025	Leizl Avecilla, Case Management Director Sara Levin, Medical Director
5.41			Develop oversight process on discharge planning process	March 2025 - December 2025	Sara Levin, Medical Director Irene Lo, CMO
5.42		Ensure transitional care services support for low risk members	Provide phone number for low risk members to access transitional care services	January 2025	Belkys Teutle, Member Services Manager Cynthia Laird, Member Services Supervisor Hua Hsuan Liu, Quality Manager
5.43	**Non Specialty Mental Health Outreach and Education**	Conduct member outreach and education to inform of Non Specialty Mental Health Services	Streamline member information presented on cchealth.org website	January 2025 - June 2025	Jersey Neilson, Quality Manager Health Educators
5.44			Conduct outreach at Farmers' Markets, Open Air (Flea) Markets, and health clinic locations to inform members about NSMHS benefits.	January 2025 - December 2025	Health Educators
			6. Patient Safety		
6.1	**Potential Quality Issues (PQIs)**	Review and resolve potential quality issues within 120 days	Investigate and level all PQIs within timeframes. Issue CAPS according to leveling guidelines, report on trends.	January 2025 - December 2025	Maggie Souza, DNP - Clinical Quality Auditing Director

Item #	Program/Project Area	Goals and Objectives	Planned Activities to Meet Objectives	Dates	Responsible Team
6.2	**Provider Preventable Conditions (PPCs)***	Review and investigate PPC through the PQI process	Capture all PPCs through accurate reports, Investigate all identified PPCs. Report to DHCS and track all confirmed PPCs, Provide education on PPCs for contracted network	January 2025 - December 2025	Maggie Souza, DNP, Director Clinical Quality Auditing Department
6.3	**Over/Under Utilization**	Develop a standard over-under utilization report and develop standards with how reporting is used to improve care	Define measures to track and identify areas of opportunity for improvement initiatives	April - June 2025	Irene Lo, CMO
6.4	**Medication Safety**	Reduce concurrent prescribing of opiate and benzodiazepine	Provide quarterly reports to providers on patients that are co-prescribed opioids and benzodiazepines	January 2025 - December 2025	Joseph Cardinalli, Director of Pharmacy
6.5		Reduce concurrent prescribing of opioids and anti-psychotic medications	Provide quarterly reports to providers on patients that are co-prescribed opioids and anti-psychotics	January 2025 - December 2025	Joseph Cardinalli, Director of Pharmacy
6.6		Antipsychotic, anti-depressant and mood stabilization prescriptions for children	Quarterly audit to determine if these medications that are being prescribed to children have a qualifying diagnosis	January 2025 - December 2025	Joseph Cardinalli, Director of Pharmacy
6.7		Improve Hepatitis C medication adherence	Review HepC medication to ensure that members are fully completing their course of treatment	January 2025 - December 2025	Joseph Cardinalli, Director of Pharmacy
6.8		Reduce number of members with 15 or more medications	Review CCHP members with 15+ prescriptions, develop personalized recommendations when appropriate and refer members to case management	January 2025 - December 2025	Joseph Cardinalli, Director of Pharmacy
6.9		Ensure members can get their prescriptions filled after ED discharge	Audit Emergency Department discharges with prescriptions and confirm that individuals were able to fill their prescriptions; educate pharmacies on prescription benefits. Additionally, this quarterly audit will look for members with 4 or more ED visits in a 6 month period and refer them to case management.	January 2025 - December 2025	Joseph Cardinalli, Director of Pharmacy
6.10		Reduce prescription opiate abuse	Review potential unsafe prescriptions where members have multiple opiate prescriptions from multiple prescribers and pharmacies—refer to case management for potential follow up with members and providers	January 2025 - December 2025	Joseph Cardinalli, Director of Pharmacy
6.11	**Facility Site Reviews**	Ensure PCP sites operate in compliance with all applicable local, state, and federal regulations, and that sites can maintain patient safety standards and practices.	Complete an initial Facility Site and Medical Record Review and the Physical Accessibility review Survey for newly contracted PCPs. Conduct periodic full scope reviews for PCPs. Complete corrective action plans for cited deficiencies.	January 2025 - December 2025	Maggie Souza, DNP - Clinical Quality Auditing Director Facility Site Review nursing team
6.12	**Medical Record Reviews**	Ensure medical records follow legal protocols and providers have documented the provision of preventive care and coordination of primary care services.	Conduct MRR of provider office in accordance with DHCS standards.	January 2025 - December 2025	Maggie Souza, DNP - Clinical Quality Auditing Director Facility Site Review nursing team
6.13	**Clinical Practice Guidelines**	Review clinical practice guidelines with Quality Council and train providers on practice guidelines	Annually Review and approve Clinical Practice Guidelines at Quality Council	November 2025	Irene Lo, MD Quality Council
6.14			Distribute and educate providers on Clinical Practice Guidelines during quarterly provider trainings and in quarterly newsletter	January - March 2025	Irene Lo, CMO
			7.Provider Engagement		
7.1	**Provider Training**	Conduct quarterly provider network trainings, increase attendance and satisfaction with trainings.	Develop and implement four Quarterly trainings covering a range of topics including regulatory changes/updates and topics that matter most to providers; solicit input from providers on agenda topics	January 2025, April 2025, July 2025, October 2025	Irene Lo, CMO
7.2	**Provider Newsletters**	Provide regular communication to providers through provider newsletters	Provide quarterly provider newsletters covering a range of topics including regulatory changes/updates for providers	January 2025, April 2025, July 2025, October 2025	Provider Relations Compliance
7.3	**Quality Provider Meetings and Resources**	Conduct quality meetings with provider groups to discuss quality measures and improvement plans	Meet with the largest provider groups on a regular basis to discuss quality topics	January 2025 - December 2025	Beth Hernandez, Quality Director
7.4	**Value Based Payment**	Implement newly created VBP program with provider groups to improve quality measurement activities	Implement newly created VBP program with large provider groups to increase quality measurement rates.	January 2025 - December 2026	Beth Hernandez, Quality Director Terri Leider, Director of Provider Relations

Item #	Program/Project Area	Goals and Objectives	Planned Activities to Meet Objectives	Dates	Responsible Team
7.5	**Provider Portal and Panel Reports - Data Sharing**	Provider member level data on quality and gaps in cares to providers to assist in delivering needed services to members	Maintain daily update of provider portal with quality reports and gap in care reports. Implement new reports including well care periodicity schedules and admit, transfer, and discharge admittance data to providers on portal.	January 2025 - December 2025	Beth Hernandez, Quality Director
7.6	**Provider Site Visits**	Conduct site visits with provider to update on health plan operations	Conduct site visits with ten or more medical offices to open communication channel with providers.	January 2025 - December 2025	Irene Lo, Chief Medical Officer Beth Hernandez, Quality Director Fabiola Quintara, Network Management
7.7	**Training on Diversity Equity and Inclusion**	Ensure all providers are trained in DEI by December 31, 2025	Utilize newly developed DEI training and ensure providers receive training by December 31, 2025 and upon re-credentialing	January 2025 - December 2025	Hua Hsuan Liu, Quality Manager Heather Peang, Provider Relations
7.8	**Shared Decision-Making Aids**	Ensure all provider received evidence based shared decision making	Update website and provide evidence based decision aids to providers through regular communications	July 2025 - September 2025	Jersey Neilson, Quality Manager
			8. Delegation Oversight		
8.1	**Delegation oversight**	Assess whether delegation for quality and population health is necessary	Review activities to determine if delegation for quality or population is needed to enhance operations.	January 2025 - December 2025	Beth Hernandez, Quality Director Terri Leider, Director of Provider Relations

Elizabeth Hernandez, Quality and Health Equity Director
Date: June 6, 2025

Subject: Submission of 2025 Quality & Health Equity Program Description, 2025 Work Plan, and 2024 Quality & Health Equity Program Evaluation for Board of Supervisors Consent

Background

Pursuant to state and federal regulatory requirements and Contra Costa Health Plan's commitment to continuous quality improvement and health equity, the following key quality documents have been developed and updated for 2025:

- **2025 Quality & Health Equity Program Description**
- **2025 Quality & Health Equity Work Plan**
- **2024 Quality & Health Equity Program Evaluation**

These documents outline CCHP's ongoing efforts to improve access, care coordination, member satisfaction, and health outcomes, with a focused emphasis on addressing health disparities and promoting equity across all member populations.

Summary of Documents

- **2025 Quality & Health Equity Program Description**
  The 2025 Program Description outlines Contra Costa Health Plan's strategy to ensure high-quality, equitable care for its Medi-Cal members. It defines the structure, oversight, and operational foundation of the Quality and Health Equity Program, including the roles of governing committees and internal departments and staff. The program is grounded in regulatory and accreditation requirements from the Department of Health Care Services (DHCS) and the National Committee for Quality Assurance (NCQA), and it reflects CCHP's commitment to continuous improvement.

  The document describes how quality and health equity goals are set, how interventions are selected and tracked through the annual work plan, and how performance is measured across domains such as clinical quality, member experience, access, and health disparities. Special attention is given to identifying and addressing inequities across race, ethnicity, language, and geography, and to applying findings from the Population Needs Assessment, including specific strategies for data collection, stratification, and culturally appropriate health education.

The Program Description outlines how CCHP governs and implements its integrated approach to quality improvement, health equity, and population health. The program is anchored by a governance structure that includes the Quality Council and Equity Council, which provide oversight and direction. CCHP is actively pursuing NCQA Health Plan Accreditation and Health Equity Accreditation, and the program description reflects work aligned with both. The plan's measurement strategy includes robust data collection, reporting, and analytics across clinical quality, experience, and equity domains. A defined process guides the selection and implementation of performance improvement projects, based on impact, feasibility, and regulatory priorities. CCHP uses a population health framework that spans prevention, wellness, chronic condition management, maternal health, and health-related social needs. Patient safety is monitored through event tracking, credentialing oversight, and facility review processes. Provider collaboration is supported through peer review, feedback reports, coaching, and shared learning opportunities. The program also includes oversight of delegated entities to ensure they meet CCHP's quality and equity standards. Overall, the document establishes the foundation for advancing quality and equity across CCHP's services and populations in 2025.

- **2025 Quality & Health Equity Work Plan**
  This document outlines specific, measurable goals, initiatives, and timelines designed to advance quality and equity in care delivery. It includes targeted interventions based on prior performance evaluations and emerging health equity needs and includes the individuals at CCHP responsible for the activities.

  The work plan begins with the completion of the annual program documents, which includes the Annual Evaluation, Program Description, and Work Plan. These documents are reviewed by the Quality Council, which will meet monthly (at least eight times per year) to provide oversight and governance. The Equity Council, which meets quarterly, will continue implementing the work plan with attention to ensuring health equity is embedded into all aspects of CCHP's operations.

  The plan also prioritizes regulatory compliance and external accreditation efforts. CCHP will complete and submit its NCQA Health Plan Accreditation materials by December 2025, aiming for re-accreditation by March 2026. Concurrently, staff will work toward NCQA Health Equity Accreditation with a submission due in August and an expected accreditation status by year-end.

  Measurement and data sharing remain foundational to quality improvement efforts. By June 2025, the plan calls for the completion of Healthcare Effectiveness Data and Information Set (HEDIS) Measurement Year 2024 (MY2024) reporting, including Managed Care Accountability Sets (MCAS) and Health Equity and Quality Measure Set (HEQMS) compliance. Dashboards will be maintained and updated monthly to monitor key metrics. Targeted improvement projects will be launched for at-risk measures, and data will be shared regularly with provider groups via gap lists and performance feedback reports. HEDIS results, along with annual reports, will be incorporated into the Population Health Needs Assessment. Member and provider experience will be monitored through various surveys and feedback mechanisms. The team will analyze results from the Consumer Assessment of Healthcare Providers and Systems (CAHPS) survey, Limited English Proficiency surveys, behavioral health surveys, and grievance data, using these insights to inform population health strategies and improvement plans. In 2025, a new survey tool will be developed to evaluate the member experience with case management, while

community feedback will be solicited via the Community Advisory Committee to inform the Cultural & Linguistic Program and other key initiatives. Provider experience will also be assessed through a standardized survey and follow-up education on access and performance. Access to care will be monitored comprehensively through quarterly appointment availability surveys, telephonic access audits, and other timely access standards. Results will be compiled into an annual access report and shared with providers through an established feedback loop. CCHP will complete a comprehensive Cultural and Linguistic services report. Additionally, CCHP will maintain quarterly Population Health Monitoring Reports and complete a Long-Term Care quality report.

Performance Improvement Projects for 2025 address previously identified disparities and include efforts to increase enrollment in case management after emergency department visits for mental health and substance use, and to narrow the well-care visit gap between Black/African American and Asian children under 15 months. Additionally, we will complete the Institute for Healthcare Improvement (IHI) Child Health Equity and Behavioral Health Collaboratives and launch new interventions focused on blood lead screening and fluoride treatment.

Population Health activities for 2025 emphasize comprehensive assessment, segmentation, and engagement. The Quality team will complete a Population Needs Assessment in alignment with NCQA standards and will support Contra Costa Public Health in planning for the 2025 Community Health Needs Assessment. CCHP will strengthen screening and referral processes for new members, particularly for those with long-term services and supports (LTSS) needs, serious mental illness, and social risk factors. The implementation of electronic screenings and closed-loop referrals will improve coordination of care. To advance chronic condition management, the health plan is expanding programs for diabetes (including medically tailored meals and remote glucose monitoring), cardiovascular disease, asthma, and depression. Preventive health efforts continue through wellness education, Fecal Immunochemical Test (FIT) kit mailings, and targeted outreach.

CCHP maintains a strong focus on patient safety through structured quality auditing, medication safety initiatives, and site review oversight. All Potential Quality Issues (PQIs) and Provider Preventable Conditions (PPCs) are investigated and leveled within required timeframes, with Corrective Action Plans (CAPs) issued as needed. The plan tracks trends in over- and under-utilization, conducts audits on high-risk prescribing patterns, and promotes safe transitions of care for high-risk members. Facility Site Reviews and Medical Record Reviews ensure provider compliance with safety standards and proper documentation of care, while Hepatitis C treatment adherence and prescription access post-Emergency Department (ED) discharge are monitored to safeguard member health.

CCHP actively partners with its provider network to improve care quality and member outcomes. Engagement activities include quarterly provider trainings, newsletters, and site visits, along with structured quality meetings with major provider groups. Providers receive regular performance data via the Provider Portal, including panel reports and gap-in-care updates. The health plan supports clinical alignment through education on Clinical Practice Guidelines, Diversity, Equity and Inclusion (DEI) training, and shared decision-making tools. The new Value-Based Payment (VBP) program further incentivizes collaboration and continuous quality improvement.

- **2024 Quality & Health Equity Program Evaluation**
  The Evaluation provides a comprehensive review of CCHP's quality and equity performance during 2024, analyzing successes, areas for improvement, and lessons learned. It informs the development of the 2025 Work Plan and supports ongoing quality assurance and improvement activities. The evaluation examined activities implemented throughout the year, including review of committee structures, leadership engagement, resource adequacy, performance metrics, and effectiveness of programs.

  CCHP achieved strong outcomes in 2024, earning a 4.5-star rating on NCQA's Health Plan Report Card and exceeding the 90th percentile for 17 Medicaid MCAS measures, including well-child visits, maternal care, cancer screenings, and diabetes management. CCHP implemented several new initiatives, including a Value-Based Payment program, automated care management alerts using ADT feeds, and expanded data tools for providers via the CCHP Provider Portal. A maternal health redesign project led to an increase in doula services, and significant efforts were made to expand Enhanced Care Management and Community Supports.

  CCHP faced challenges from a sharp increase in membership due to the Anthem Blue Cross market exit, the demands of CalAIM and DSNP implementation, and ongoing provider shortages in key specialties. Despite these barriers, the program demonstrated measurable impact. Data-driven decision-making, strong medical leadership, and robust committee structures supported improvement efforts across the organization.

  The evaluation concluded that CCHP's current quality infrastructure—bolstered by the creation of the Equity Council and expanded Health Education team—remains effective and well-resourced. No major structural changes are planned for 2025. CCHP will continue building on this foundation to advance quality, access, and equity for its members.

Recommendation

It is recommended that the Joint Conference Committee review and endorse the 2025 Quality & Health Equity Program Description, 2025 Work Plan, and 2024 Quality & Health Equity Program Evaluation, supporting their submission to the Board of Supervisors for approval as consent items.

Next Steps

Following review and recommendation by the Joint Conference Committee, these documents will be submitted to the Contra Costa County Board of Supervisors for approval.

1025 ESCOBAR STREET
MARTINEZ, CA 94553

CONTRA COSTA COUNTY

Staff Report

File #: 25-2722 **Agenda Date:** 7/8/2025 **Agenda #:** C.109.

To: Board of Supervisors

From: Dr. Ori Tzvieli, Interim Health Services Director

Report Title: Contra Costa Health Plan Quality Improvement and Health Equity Committee (QIHEC) Activities Report (January - March 2025)

☐Recommendation of the County Administrator ☒ Recommendation of Board Committee

RECOMMENDATIONS:
ACCEPT the Contra Costa Health Plan (CCHP) Quality Improvement and Health Equity Committee (QIHEC) Quarterly Activities Report for Quarter 1 of Calendar Year 2025 in accordance with Department of Health Care Services (DHCS) contract requirements as presented to the CCHP Joint Conference Committee (JCC).

FISCAL IMPACT:
There is no fiscal impact for this action.

BACKGROUND:
As part of its Medi-Cal contract with DHCS, CCHP is required to implement and maintain a Quality Improvement and Health Equity Committee (QIHEC). The QIHEC is led jointly by CCHP's Medical Director (or designee) and CCHP's Health Equity Officer and must include participation from a broad range of network providers. The QIHEC is responsible for directing and overseeing all Quality Improvement and Health Equity program activities.

CCHP fulfills this requirement through the work of two standing councils: the Quality Council and the Equity Council. These two bodies together comprise the QIHEC, bringing both clinical and community perspectives to guide the integration of quality and equity efforts across the health plan. The councils oversee performance improvement projects, review member experience and clinical quality data, and recommend corrective actions as needed.

On a quarterly basis, CCHP is required to submit a written summary of QIHEC activities to its Governing Board, DHCS, and make these reports publicly available on its website. An accompanying staff report is included for reference.

CONSEQUENCE OF NEGATIVE ACTION:
Failure to accept the QIHEC Quarterly Report would prevent CCHP from meeting its contractual obligation with DHCS and impact CCHP's compliance standing.

Quality Improvement and Health Equity Committee (QIHEC) Quarterly Report

Report Period: January 1, 2025 – March 31, 2025

1. Meeting Dates and Main Topics Covered

January 14, 2025: Quality Council

- **CMO Update.** CCHP will become a Dual Eligible Special Needs Plan (D-SNP) in 2026, and work is underway on the application process. Additionally, as of January 1, 2025, CCHP has carved in foster youth from Fee-for-Service Medi-Cal, with a focus on ensuring continuity of care.
- **Advice Nurse** The Advice Nurse Director reported that the ANU handled over 168,000 calls in 2024, achieving a 2% call abandonment rate and an average answer time of under 60 seconds—an improvement from the 2-minute wait time in 2023. Approximately 25% of calls were resolved with home care solutions, while 18% resulted in ED referrals. Operational updates included personnel changes, improvement plans, and challenges. Strategies for reducing call wait times included offering nurses extra hours while working from home and having supervisors assist during peak call volumes.
- **Behavioral Health.** The Behavioral Health Department (BHD) continues to authorize and coordinate mental and behavioral health services, including those for Autism Spectrum Disorder (ASD). The department is expanding staffing to meet regulatory requirements and member needs. BHD consistently meets or exceeds 95% turnaround time standards for authorizations. The "No Wrong Door" policy ensures multiple access points for members seeking services. Challenges remain in coordinating Specialty Mental Health and Substance Use Disorder services due to system fragmentation. Efforts to improve care include a collaboration between CCHP, Behavioral Health Services (BHS), and local emergency departments to support post-discharge care. Additionally, BHD is preparing for increased demand for neuropsychological testing with the D-SNP launch and is working on school-based service initiatives through the Children and Youth Behavioral Health Initiative.
- **Facility Site Review (FSR), Medical Record Review (MRR), and Physical Accessibility Review Survey.** The Director of Clinical Quality Auditing reported that site reviews are conducted every three years, with improvements in 2024 focused on accessibility,

emergency preparedness, personnel training, and medical record organization. New review items include vaccine storage plans, validated screening tools for behavioral and developmental assessments, preventive screenings, and tuberculosis and lead screening requirements. To support providers, CCHP offers training resources, sample policies, and FSR/MRR tools, particularly for smaller practices

- **Quality Plan Updates.** The Quality Plan updates included a review of key activities and progress made in the past quarter. The team discussed ongoing initiatives to improve HEDIS performance, provider engagement efforts, and enhancements to population health management strategies. Work continues on the provider portal's quality reporting functionality, with a focus on finalizing panel and gap reports for broader distribution. Additionally, the Equity Council's collaboration with community partners remains a priority, ensuring alignment with health equity goals and outreach efforts.
- **Consent Items.** The Council reviewed and unanimously approved various reports and documents, including Quality Council and UM Committee minutes, quarterly reports, and interrater reliability results.
- **Policies and Procedures.** The Council approved 33 policy revisions covering Community Supports, ECM, grievances, maternal and infant health, immunizations, delegation oversight, and cultural and linguistic services. Key updates included policies on HEDIS data collection, external quality review, preventive health, REAL and SOGI data, blood lead screening, and population health management.

February 11, 2024: Quality Council

- **CMO Update.** CCHP is transitioning to a Duals Special Needs Plan (D-SNP) in 2026, with enrollment starting in late 2025. Efforts are focused on building an operational framework to enhance preventive care and service delivery. The Council will provide input throughout the process. Dr. Michael Clery and Dr. Nusrat Chaudhry were introduced as new Council members. Their membership was unanimously approved.
- **Clinical Operations.** The CMO provided an overview of clinical operations, including 2024 department evaluations and 2025 workplans. The Advice Nurse Unit (ANU) successfully managed a high volume of calls, maintaining a 99.4% satisfaction rate. Plans include improving interactions with certain member populations. The Appeals and Grievances Department has streamlined its processes, with upcoming goals focused on preparing for D-SNP and automating communication. The Behavioral Health Department has successfully insourced utilization management and is planning further improvements in coordination and school-based services. The CalAIM initiative expanded Community Supports offerings and strengthened the provider network, while Case Management plans to continue enhancing its programs and prepare for D-SNP and NCQA requirements. The Pharmacy Department has maintained excellent prior authorization turnaround times and is focused on transitioning to a new Part D plan. The Utilization Management team is developing tools to streamline the authorization process, with preparations for D-SNP ongoing.
- **Quality and Health Equity Program Description, Work Plan and Evaluation.** The Quality Director provided an overview of the 2025 Quality Program Description and Work Plan,

as well as the 2024 Program Evaluation. Highlights from the evaluation included a 4.5 out of 5 Stars rating, expansion of CalAIM services, and improvements in data sharing with providers. The 2025 Program Description remains similar to the previous year, with a continued focus on quality improvement, performance improvement, and population health. The 2025 Work Plan will prioritize NCQA accreditation, D-SNP preparation, patient safety, and provider engagement. The transition to a Pay-for-Performance program in 2025 will reward providers for quality outcomes, with phased implementation starting in 2024.

- **Quality PIP Update.** An update was provided on ongoing Performance Improvement Projects (PIPs), which are focused on areas such as well-child visits, case management after emergency department visits, and behavioral health. The PIPs are aligned with both DHCS and Institute for Healthcare Improvement (IHI) initiatives. Data was presented on the performance and next steps for each project, with a focus on improving care in these key areas.
- **Consent Items.** The Council reviewed and unanimously approved several documents, including the CCHP Quality Council Minutes, the Quality & Health Equity Program Description, Work Plan, and Evaluation, and the Advice Nurse, Behavioral Health, and Utilization Management Program Descriptions, Work Plans, and Evaluations.
- **Policies and Procedures.** The Council reviewed and approved several policies, including updates to non-specialty mental health services, case management program descriptions, and long-term care. Key updates included policies on timely access to care standards, cultural competency training for staff and network providers, and outreach and education for mental health services.

March 11, 2024: Equity Council

- **Executive Orders and Impacts.** The Chief Medical Officer provided an overview of recent federal executive orders impacting DEI policies, requiring the elimination of related programs and grants, and reshaping federal funding on gender issues. While a temporary injunction blocks parts of these orders, concerns about member care remain. NCQA issued interim guidelines for Health Plan and Health Equity accreditation, with finalized guidelines expected by August 2025. CCHP is preparing for mandated DHCS DEI and TGI training rollouts in 2025, but uncertainty remains.
- **DEI and TGI Trainings, NCQA Health Equity Accreditation.** The Quality Director provided updates on Health Equity initiatives, including the rollout of required Transgender, Gender Diverse, and Intersex (TGI) training, which began in late 2024 for CCHP staff. Provider training is pending state-level guidance. DEI training for staff is also underway, with 33.6% completion as of March 2025. NCQA accreditation updates include modifications to DEI reporting standards, with all necessary policies updated and provider directories revised.
- **Cultural and Linguistics Report.** The Equity Program Manager presented findings on Race/Ethnicity data, noting significant improvements in data capture, with the "Declined/Unknown" category decreasing from 17% in 2023 to 10.5% in 2024. CCHP serves a higher percentage of Latino and African American members compared to the

County population. The report also highlighted language preferences, with 63.7% of members selecting English, 29.4% Spanish, and 1.3% Chinese. The rollout of interpreter services and the "I Speak" cards is ongoing.

- **Quarterly and Annual Review: Grievances Related to Language Access and Discrimination.** A review of grievances related to language access and discrimination revealed a finding that CCHP had not submitted all required grievance data to DHCS. A Corrective Action Plan (CAP) is in place to ensure compliance, including updated procedures for processing discrimination-related grievances and a tracking mechanism for timely submission to DHCS.
- **Quality Measurement Review.** The review of HEDIS measurements revealed disparities in breast and cervical cancer screenings for Hawaiian/Pacific Islander populations and those with "Declined/Unknown" responses. Key opportunities for improvement include targeted outreach for these populations and culturally tailored messaging. Providers shared efforts in outreach and sensitivity training for specific language and cultural needs.
- **Consent Items.** The Equity Council Meeting Minutes for December 2024 were presented and approved unanimously.

2. Update on Quarterly Activities in QIHETP Program

Program Structure:

- Convened two Quality Council meetings and one Equity Council meeting.
- Quality Council approved annual program documents: Quality Improvement and Health Equity Evaluation, Program Description, and Work Plan.
- Convened March Community Advisory Committee (CAC), attended Managed Care Plan CAC Workshop to learn for other Health Plans and DHCS regarding CAC.

NCQA Accreditation

- Convened regular meetings with departments to collect survey deliverables.
- Collected and quality checked 96% of Health Plan Accreditation deliverables due in 2024 Ongoing collection of documents with incorporated consultant recommendations. Collected & quality checked 70% of Health Plan Accreditation deliverables due in 2025, preparing to finalize and submit completed documents for final consultant feedback. requirements.
- Completed external review of standards by consulting firm to ensure all documents are meeting requirements.
- Began compiling documents for Health Equity Accreditation and completed project plan for deliverable collection.

Measurement, Analytics, Reporting, and Data Sharing

- Completed MY2024 HEDIS tests runs and production runs with improvements such as automated LabCorps and Quest data, EHR supplemental data, and standardized community provider network supplemental data files.
- Completed successful audit with no findings by Advent and HSAG.
- Anticipate meeting the minimum performance level for all MCAS measures.

- Provider Portal data sharing increased to include overall rate calculations and well care visits due in the first 30 months.
- Fielded annual member experience CAHPS survey.
- Completed annual report on 2024 Member Experience.

Performance Improvement Projects

- Received a High Confidence rating for the External Quality Review (EQRO) Performance Improvement Project (PIP) submission to DHCS.
- Demonstrated improvements in the Follow-up after Emergency Department for Mental Health and Alcohol and Other Drugs measures with Contra Costa Behavioral Health through the Institute for Healthcare Improvement collaborative.
- Completed in-services with area Emergency Departments to discuss behavioral health referral patters.
- Conducted over 350 outreach calls to members ages 0-2 years due for well care visits.
- Conducted over 1000 outreach calls to members for Topical Fluoride Treatment
- Continued to conduct outreach calls for African American and Pacific Islander members assigned to RMC due for well care visits.
- Completed nearly 200 calls to members under two who are due for lead screening.

Population Health

- Launched Value Based Payment program with the eight largest Community Provider Network provider groups.
- All CCHP staff completed the Transgender, Gender Diverse, or Intersex (TGI) training, and completion and curriculum was submitted to DHCS.
- Rolled out Diversity, Equity & Inclusion Training to all CCHP staff, curriculum was reviewed and approved by DHCS.
- Conducted 2024 Cultural & Linguistic Program evaluation and analysis, preliminary results were shared with Equity Council and CAC for community feedback.
- Conducted member experience survey for linguistic services when contacting CCHP Member Services.
- Launched a comprehensive prenatal services brochure to educate members about prenatal services and resources.
- Launched e-newsletters focused on maternal health, children and families, and mental health.
- Conducted health education outreach at the Concord Library, including participating in Story Time focused on nutrition. Also conducted health education outreach events at network FQHCs.

Patient Safety

- Continued monitoring and investigating Potential Quality Issues, Provider Preventable Conditions, and medical safety incidents.
- Completed scheduled Facility Site Reviews and Medical Record Reviews.
- Publicized Clinical Practice Guidelines in newsletter and provider network training

Provider Engagement

- Completed EPSDT training with Providers and submitted training to DHCS

- Met with eight provider groups that are implementing the Value Based Payment program to discuss tool and resources available.
- Conducted quarterly provider network training sessions and quarterly network newsletter.
- Held five bi-monthly quality meetings with FQHC providers (Lifelong, La Clínica, Axis, Brighter Beginnings, Asian Health Services) focusing on specific rates and improvement projects.
- Partnered with Contra Costa Regional Medical Center in their Ambulatory Care Redesign improvement projects, joining the Population Health and Alternative Care Delivery workgroups.

To: Board of Supervisors

From: Beth Hernandez, Quality and Health Equity Director, Contra Costa Health Plan
Date: June 26, 2025

Subject: CCHP Quality Improvement and Health Equity Committee (QIHEC) Quarterly Activities Report, 2025 Q1

SUMMARY

The Q1 2025 QIHEC Quarterly Report reflects ongoing governance through two Quality Council meetings and one Equity Council meeting. The January and February Quality Council meetings focused on preparing for the launch of CCHP's Dual Eligible Special Needs Plan (D-SNP), oversight of departmental work plans, and review of clinical quality initiatives. The March Equity Council meeting addressed health equity accreditation requirements, federal regulatory changes, and key data on language access and member demographics.

During this quarter, CCHP advanced multiple components of its quality and health equity work plan. The plan completed a successful external review for NCQA Health Plan Accreditation deliverables to prepare for the 2025 survey date. Health Equity Accreditation work also began, with a project plan and initial document collection underway. The Healthcare Effectiveness Data and Information Set (HEDIS) reporting process showed key improvements, including enhanced data integration from major labs and community provider systems. CCHP also fielded the annual Consumer Assessment of Healthcare Providers and Systems (CAHPS) survey, completed annual member experience reporting, and passed two external HEDIS audits with no findings.

Additional activities included strong performance on Performance Improvement Projects (PIPs), with documented improvements in behavioral health follow-up rates and targeted outreach for pediatric well care, lead screening, and fluoride treatments. CCHP launched a value-based payment program with its eight largest provider groups and implemented required staff trainings as directed by DHCS. Outreach and health education efforts continued in community and clinical settings, guided by cultural and linguistic program evaluations and member feedback. Patient safety oversight, clinical guideline dissemination, and provider engagement efforts—such as provider trainings, network newsletters, and direct collaborations with Federally Qualified Health Centers—further supported quality care and equity goals.

MARTINEZ, CA 94553

CONTRA COSTA COUNTY

Staff Report

File #: 25-2723 **Agenda Date:** 7/8/2025 **Agenda #:** C.110.

To: Board of Supervisors

From: Dr. Ori Tzvieli, Interim Health Services Director

Report Title: CONTINUE EXTENSION OF EMERGENCY DECLARATION REGARDING HOMELESSNESS

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
CONTINUE the emergency action originally taken by the Board of Supervisors on November 16, 1999 regarding the issue of homelessness in Contra Costa County.

FISCAL IMPACT:
There is no fiscal impact for this action.

BACKGROUND:
On November 16, 1999, the Board of Supervisors declared a local emergency, pursuant to the provisions of Government Code Section 8630 on homelessness in Contra Costa County. Government Code Section 8630 requires that, for a body that meets weekly, the need to continue the emergency declaration be reviewed at least every 60 days until the local emergency is terminated. The Board of Supervisors last reviewed and continued the emergency declaration on May 13, 2025.

With the continuing high number of homeless individuals and insufficient funding available to assist in sheltering all homeless individuals and families, the emergency situation still exists and it is, therefore, appropriate for the Board to continue the declaration of a local emergency regarding homelessness.

CONSEQUENCE OF NEGATIVE ACTION:

To: Board of Supervisors

From: Ann Elliott, Human Resources Director

Report Title: Civic Calling Corporation (dba Holly, Inc.)

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Director of Human Resources, or designee, to execute a contract with Civic Calling Corporation, (dba Holly, Inc.), in the amount not to exceed $212,760 to provide platform access to its Job Design service for class specification management and compensation benchmarking services for the period of June 10, 2025, through June 9, 2028.

FISCAL IMPACT:
The cost for the service is within the Human Resources Department FY 24-25 budget and will be budgeted in subsequent years. 100% General Fund.

BACKGROUND:
Contra Costa County seeks to modernize its classification and compensation benchmarking processes across a workforce of approximately 11,000 positions spanning over 1,240 job classifications. After conducting research and considering the capabilities of various vendors, it has been determined that Civic Calling Corporation, (dba Holly, Inc.), is uniquely qualified to deliver these services. Holly's integrated solution offers advanced AI-driven classification, comprehensive compensation benchmarking, automated specification management, and robust policy analysis capabilities.

Holly's system will support Human Resources to meet the County goal of streamlining classification structures and determining salary market status. A single vendor covering classification, compensation, and policy analysis reduces administrative overhead and mitigates the risks of multi-vendor coordination. Holly delivers on-demand classification and compensation comparisons integrated with analysis of County policies, increasing efficiency in recruiting and retention efforts. Unlimited, fully customizable reports ensure all stakeholder groups receive the data needed to develop action plans. Built-in features for assessment of regulatory requirements related to classification and compensation ensures compliance and reduces administrative burden. With direct access to Holly's founding team, Contra Costa County can continuously tailor the platform to its evolving needs, ensuring maximum return on investment throughout the 3-year engagement.

CONSEQUENCE OF NEGATIVE ACTION:
Given the complexity, scale, and time-sensitive nature of this initiative, Holly is the only vendor positioned to deliver this depth and breadth of service. If this contract is not approved, the County will be unable to meet its goal of modernizing and consolidating its 1,240 classifications.

To: Board of Supervisors

From: Marc Shorr, Information Technology Director

Report Title: Purchase Order with DocuSign, Inc.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:

APPROVE and AUTHORIZE the Chief Information Officer, or designee, to execute a Purchase Order with DocuSign, Inc., subject to the Master Services Agreement dated December 17, 2020, in an amount not to exceed $280,000 for the purchase of eSignature Enterprise Pro licenses, Enterprise Premier Support, Advance Web Forms, and Quality Assurance Sandbox, for the period of July 15, 2025, through July 14, 2027.

FISCAL IMPACT:

The cost for this product is included in the Department's FY 25-26 budget; it will be charged to user departments through the Department of Information Technology's bill process. 100% User Departments.

BACKGROUND:

In response to the County's shelter-in-place order issued in March 2020, the County Administrator's Office, in collaboration with the Department of Information Technology, conducted a comprehensive assessment to determine the most effective means of continuing essential County operations in a remote environment. Following evaluation and discussion, DocuSign, recognized as an industry leader of electronic signature solutions, was selected to deliver the County's eSignature platform.

Subsequently, in December 2020, the County entered into an agreement with DocuSign to implement eSignature capabilities designed to streamline traditionally paper-intensive, manual signature processes. This solution facilitates the electronic routing, review, and execution of documents, enabling County departments to transmit professional service contracts and other official documents more efficiently and securely.

This purchase includes 32,000 envelopes to support our ongoing use of the DocuSign eSignature Enterprise Pro License. These envelopes will be used in conjunction with Premier Support, Advanced Web Forms, and the Quality Assurance Sandbox to enhance our digital signature workflows and ensure optimal performance.

The Master Services Agreement includes an indemnification from the County to DocuSign for claims based on the County's use of DocuSign or any alleged breach by the County of the Master Services Agreement, along with a limitation of liability that caps DocuSign's liability at the amount the County paid for the service related

to the claim in the twelve months prior to the event that triggered the liability.

This procurement is being executed as a sole source to maintain continuity of service and avoid disruptions to existing workflows. The sole source was approved by Purchasing on May 22, 2025.

CONSEQUENCE OF NEGATIVE ACTION:

If this is not approved, there will be a need to revert to manual signatures on County documents.

Report Title: Service Order Form with Nautilus Data Technologies

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:

APPROVE and AUTHORIZE the Chief Information Officer, or designee, to execute a Service Order Form with Nautilus Data Technologies in an amount not to exceed $79,000, subject to the September 19, 2023, Master Service Agreement with Nautilus, to provide data center services for the County's Disaster Recovery Site for the period of September 1, 2025, through August 31, 2026, and for annual periods thereafter in the absence of termination by either the County or Nautilus.

FISCAL IMPACT:

The cost of this product is included in the Department's FY 25-26 budget. 100% User Departments.

BACKGROUND:

The Department of Information Technology (DoIT) maintains and operates the County's primary data center, which provides critical services to the County that must be continuously available in the event of a natural disaster including earthquakes, fire, and floods. Acknowledging the essential nature of these services, DoIT successfully established a disaster recovery data center in September 2023 to ensure uninterrupted operations in the event the primary data center in Martinez becomes unavailable.

DoIT established several requirements for the County's Disaster Recovery Data Center. It must have geographic separation from the primary data center located in Martinez, it must guarantee a minimum of 99.99% uptime and availability, DoIT staff must be able to access the facility 24x7 to maintain County equipment, and it must be monitored and secured on a 24x7 basis. Beginning in October 2022, DoIT conducted an analysis of several possible locations that could meet the County's needs to serve as the County's disaster recovery site. These included data centers operated by the State of California, three neighboring county governments that met the geographic separation requirements for disaster recovery, and referrals for commercial datacenter providers utilized by other governmental organizations. After reviewing each option including fixed and variable costs, requirements the County would have to meet, uptime guarantees, and access requirements, DoIT identified the data center owned and operated by Nautilus as the preferred option. This selection was made based on low fixed monthly cost, guaranteed 100% uptime, independent 24x7 access to the data center for DoIT staff, County can install its own data circuits and not be restricted to the provider's

vendors and their costs, and no extra charge for escorted access into the data center.

The Nautilus data center is built on a floating barge that is permanently docked at the Port of Stockton (Port), in San Joaquin County. This provides the Nautilus data center with unique capabilities to withstand natural disasters including earthquakes, fire, and floods, that traditional land-based data centers cannot easily provide. Nautilus provides the County with the necessary space, electrical power, cooling, and security for the equipment the County installed for disaster recovery purposes.

This data center is classified as a Tier 4 data center that has no single point of failure that will provide the County with a data center that is guaranteed to have 100% uptime and availability, exceeding the County's requirement of 99.99% uptime. Additionally, the data center is monitored and secured by Federal Port Police on a 24x7 basis and DoIT staff has 24x7 access to the data center to maintain County equipment. The data center is currently used by other government organizations, including San Joaquin County and the United States Department of State.

With the disaster recovery data center now in place, the County is well-positioned to ensure the continuity of critical IT services and operations, even in the face of significant disruptions or emergencies.

The Master Service Agreement with Nautilus has a mutual indemnification provision which provides that each party will defend and indemnify the other for injuries or losses arising out of the performance of the agreement, along with a limitation of liability that caps Nautilus's liability to the amount the County paid in the twelve months prior to the event that triggered the liability.

The service order form for the term of September 1, 2025, through August 31, 2026, provides for Nautilus to house and provide access to the County's remote data recovery site. This site was established in September 2023, and the purchase is being made through a sole source to ensure continuity of service. The sole source was approved by Purchasing on September 6, 2024.

CONSEQUENCE OF NEGATIVE ACTION:

Without a disaster recovery data center, the County would be exposed to significant operational, financial, reputational, and security risks. The existing solution provides continuity, resilience, and assurance that the County can maintain vital services in the face of unexpected disruptions.

Report Title: Purchase Order with Taborda Solutions, Inc. for Tanium Endpoint Licenses and Enterprise Services

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Purchasing Agent, on behalf of the Chief Information Officer, to execute a purchase order with Taborda Solutions, Inc. in an amount not to exceed $1,260,000, for the two-year renewal of a subscription agreement with Tanium, Inc. for Tanium Endpoint Licenses and Enterprise Services, used to identify and remediate software vulnerabilities, subject to the terms of Tanium's March 1, 2022 TaaS (Tanium as a Service) Subscription Agreement, for the period July 15, 2025, through July 14, 2027.

FISCAL IMPACT:
The cost of this product is included in the Department's FY 25/26 budget. 100% User Departments.

BACKGROUND:
In 2022, the Department of Information Technology's Cyber Security division implemented Tanium Endpoint Licensing and Enterprise Services countywide (minus Health Services) as a comprehensive endpoint and application management platform that enables system administrators to efficiently manage, patch, and control applications within their environments.

As a critical security tool, Tanium enhances the County's cybersecurity posture by identifying software vulnerabilities and enabling rapid remediation, ensuring a secure and resilient IT environment.

Taborda Solutions, Inc was selected through RFP _F-Contr-0000000063 in 2025, to provide Tanium Endpoint Licenses and Enterprise Services for two (2) years, with the option for one (1) additional one-year renewal/extension.

Tanium’s TaaS (Tanium as a Service) Subscription Agreement contains an indemnification from the County to Tanium for any claim arising out of the County’s use of the licenses, and a limitation of liability capping liability at the amount of fees paid in the twelve (12) months prior to the act(s) giving rise to the claim.

CONSEQUENCE OF NEGATIVE ACTION:

If the purchase order is not approved, the County will discontinue use of Tanium and access to its system

managing, patching, and controls.

Report Title: Purchase Order with Midwest Tape, LLC for Hoopla Subscription through June 30, 2027

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
RESCIND Board Action of March 26, 2024, (C.54) which was for the term April 1, 2024, through June 30, 2025; and APPROVE and AUTHORIZE the Purchasing Agent to execute, on behalf of the County Librarian, a purchase order with Midwest Tape, LLC, in an amount not to exceed $1,000,000 for Hoopla, a digital resource platform, for the period April 1, 2024 through June 30, 2027, and for successive 12-month periods thereafter unless the agreement is terminated.

FISCAL IMPACT:
100% Library Fund.

BACKGROUND:
The Library Department is requesting approval of a purchase order with Midwest Tape, LLC, for Hoopla. Hoopla is a digital resource that offers Library patrons access to borrowing audiobooks, eBooks, comics, movies, TV, magazines, and music for any device. This service is specifically requested by the County Librarian to expand the Library's digital material offerings and to add digital music to its offerings.

The Terms and Conditions of the purchase order include limitation of liability and indemnification provisions, approved by County Counsel.

CONSEQUENCE OF NEGATIVE ACTION:
If the Purchase Order is not approved, the Contra Costa County Library will not have access to the digital materials offered by Midwest Tape, LLC's Hoopla products.

Report Title: Interagency Agreement with the Contra Costa County Office of Education

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the County Probation Officer, or designee, to execute an Interagency Agreement with the Contra Costa County Office of Education, in an amount not to exceed $558,876 to provide one-on-one academic support services for justice-involved youth or at risk of involvement for the period July 1, 2025 through June 30, 2026.

FISCAL IMPACT:
This is 100% funded by the Juvenile Justice Crime Prevention Act (JJCPA)

BACKGROUND:
Under this agreement, Contra Costa Office of Education (CCCOE) will provide 2.50 Full time Equivalent (FTE) Case Managers, and 0.50 FTE Case Manager Supervisor, to provide one-on-one academic support services for justice-involved youth or at risk of involvement in the juvenile justice system, ages 14-17 years old that are attending schools in Contra Costa County. CCCOE recognizes the need for intensive education case management for justice-involved youth to help them successfully complete high school, encourage college and career pathway involvement and provide pro-social supports that help youth become thriving members of their community. Case managers will help prevent youth from engaging in delinquent behaviors and work with parents/guardians to ensure educational goals are met.

CONSEQUENCE OF NEGATIVE ACTION:
Without this contract, the one-on-one academic support service will not be available to the justice-involved youth attending schools in Contra Costa County.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the County Probation Officer, or designee, to execute an interagency agreement with the Contra Costa County Office of Education, in an amount not to exceed $434,570 to provide student educational programs for youth enrolled in the Briones Youth Academy for the period July 1, 2025 through June 30, 2026. (100% State)

FISCAL IMPACT:
This contract is 100% funded by the Juvenile Justice Realignment Block Grant.

BACKGROUND:
Under the orders of Governor Gavin Newsom, California phased out the California Division of Juvenile Justice (DJJ) in 2021. This required youth to remain under the supervision of individual county juvenile halls instead of state youth prisons. The Probation Department created a new program called the Briones Youth Academy to serve these youth. Since July 2021, the Contra Costa County Office of Education has provided additional educational staffing to serve the students who have already received a High School diploma and who are enrolled in the Briones Youth Academy. The Probation Department would like to renew this contract with the Contra Costa County Office of Education to continue serving the youth in the Briones Youth Academy.

CONSEQUENCE OF NEGATIVE ACTION:
Without this contract, the educational programs will not be available to the youth enrolled in the Briones Youth Academy.

Report Title: State of California Office of Traffic Safety Grant

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:

APPROVE and AUTHORIZE the Contra Costa County Probation Officer, or designee, to apply for grant funding from the California Office of Traffic Safety, and authorize the County Probation Officer, or designee, to execute an agreement and accept funding in an amount not to exceed $509,000 for intensive probation supervisions for high-risk Driving Under the Influence (DUI) offenders with multiple DUI convictions from October 1, 2025 through September 30, 2026.

FISCAL IMPACT:

100% State revenue. No County match is required.

BACKGROUND:

The Probation Department has had a partnership with the Office of Traffic Safety (OTS) for more than 15 years. The support and assistance provided by OTS, coupled with strong working relationships with state and local law enforcement agencies, has allowed the Probation Department to closely monitor and rehabilitate clients. Reducing the traumatic impact that impaired driving causes across the community contributes to improving public safety. The safety of communities is a top priority. Intensive supervision programs hold DUI offenders accountable.

This grant will fund Probation Department personnel for an intensive supervision program for high-risk DUI offenders with multiple DUI convictions. The intensive program involves check-ins with probationers to make sure they are following court ordered terms of their probation. This includes conducting unannounced fourth amendment waiver home searches, field visits, random alcohol and drug testing, and ensuring those on probation are attending court ordered DUI education and treatment programs. The grant also pays for warrant operations targeting probation violations and DUI suspects who do not appear in court, officer training in Standard Field Sobriety Testing, distribution of DUI “Be on the Lookout” (BOLO) alerts, collaboration with courts and prosecutors to establish probation orders, and participation with local law enforcement on anti-DUI efforts.

CONSEQUENCE OF NEGATIVE ACTION:

If unapproved, Probation would not be able to accept funding from the State to provide intensive supervision for high-risk DUI offenders.

Report Title: Approve Budget Amendment No. BDA-25-00078 authorizing the transfer of appropriations for the Schroder Bridge Bearing Pad Replacement for $1,200,000 (Project 6X5240) (100% Measure X Funds)

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:

APPROVE Budget Amendment No. BDA-25-00078 to transfer appropriations from Facility Lifecycle Improvement, budget unit 0085 to Public Works, budget unit 0650 for the Schroder Bridge Bearing Pad Replacement project (6X5240) in the amount of $1,200,000.

FISCAL IMPACT:
100% Measure X funds.

BACKGROUND:

Measure X funds in the amount of $1,200,000 have been allocated for the engineering and construction costs associated with the replacement of existing bearing pads for the Robert I. Schroder Bridge. Funding was appropriated to Facilities Lifecycle Improvement, budget unit 0085 on 01/31/2025. Public Works Measure X allocations are being consolidated within Public Works budget unit 0650.

CONSEQUENCE OF NEGATIVE ACTION:

The Schroder Bridge Measure X funding will remain in Facility Lifecycle Improvement budget unit 0085 and will not be consolidated with other Public Works Measure X funding.

Report Title: APPROVE the Bethel Island Road Sinkhole and Culvert Repair Project and take related actions under CEQA

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:

APPROVE the Bethel Island Road Sinkhole and Culvert Repair Project and AUTHORIZE the Public Works Director, or designee, to advertise the Project, Bethel Island area. [County Project No. 0672-6U6253/ Federal Project No. ER-15J7(171), DCD-CP#24-25 (District III).

DETERMINE the Project is a California Environmental Quality Act (CEQA), Categorical Exemption, pursuant to Article 19, Section 15301(c) of the CEQA Statute and Guidelines, and

DIRECT the Director of Department of Conservation and Development (DCD), or designee, to file a Notice of Exemption (NOE) with the County Clerk, and

AUTHORIZE the Public Works Director, or designee, to arrange for payment of a $25 fee to DCD for processing, and a $50 fee to the County Clerk for filing the NOE.

FISCAL IMPACT:
Estimated Project cost: $851,000. 54% Federal Emergency Relief Funds, 46% Local Road Funds.

BACKGROUND:

The purpose of this project is to replace a failing culvert beneath Bethel Island Road with a new culvert and to repair the roadway. The existing culvert is 48-inch diameter corrugated metal pipe (CMP) culvert that will be replaced with a 54-inch diameter reinforced concrete pipe and two concrete flared ends. The culvert conveys water flows from an artificial drainage ditch. Full replacement would generally include excavation to the pipe depth, removal of the existing culvert, installation of the new culvert, trench backfill, placement of rock slope protection, placement of aggregate base and hot mix asphalt, and roadway striping. Excavations up to approximately 13 feet beneath the roadway are anticipated for the culvert replacement. All heavy machinery will be operated from the existing roadway. All equipment will be operated from the top of the ditch embankment.

CONSEQUENCE OF NEGATIVE ACTION:

Delay in approving the project may result in a delay in design and construction and may jeopardize funding.

Description of Nature, Purpose, and Beneficiaries of Project:

The purpose of this project is to replace a failing culvert beneath Bethel Island Road with a new culvert and to repair the roadway. The existing culvert is 48-inch diameter corrugated metal pipe (CMP) culvert that will be replaced with a 54-inch diameter reinforced concrete pipe and two concrete flared ends. The culvert conveys water flows from an artificial drainage ditch. Full replacement would generally include excavation to the pipe depth, removal of the existing culvert, installation of the new culvert, trench backfill, placement of rock slope protection, placement of aggregate base and hot mix asphalt, and roadway striping. The ditch in the immediate vicinity of the culvert replacement will be dewatered prior to construction. Excavations up to approximately 13 feet beneath the roadway are anticipated for the culvert replacement. All heavy machinery will be operated from the existing roadway. All equipment will be operated from the top of the ditch embankment.

At least one lane will remain open at all times and emergency vehicles will have access at all times. Real Estate transactions, including right-of-way acquisition, may be necessary. Utility relocation, temporary traffic control, and vegetation trimming and removal may be necessary. No night or weekend work is anticipated. Construction is anticipated to begin in summer of 2026 and take approximately 20 working days to complete.

Staff Report

File #: 25-2733 **Agenda Date:** 7/8/2025 **Agenda #:** C.123.

To: Board of Supervisors

From: Warren Lai, Public Works Director/Chief Engineer

Report Title: APPROVE and AUTHORIZE Advertisement for Construction Bids for Annual Job Order Contracts 028, 029, 030 and 031 (W4011C)

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:

(1) APPROVE the design and bid documents, including the plans and specifications for typical work, contract, General Conditions, Technical Specifications, and the Construction Task Catalog for Job Order Contracts (JOC) 028, 029, 030 and 031.

(2) AUTHORIZE the Public Works Director, or designee, to solicit bids to be received on or about August 6, 2025 and issue bid addenda, as needed, for clarifications of the bid documents, provided the involved changes do not significantly increase the construction cost estimate.

(3) DIRECT the Clerk of the Board to publish, at least 14 calendar days before the bid opening date, the Notice to Contractors in accordance with Public Contract Code Section 22037, inviting bids for this project.

(4) DIRECT the Public Works Director, or designee, to send notices by email or fax and by U.S. Mail to the construction trade journals specified in Public Contract Code Section 22036 at least 15 calendar days before the bid opening.

FISCAL IMPACT:

JOC work orders will only be issued when there is an approved project and funding. The contract value can reach a maximum of $6,210,000. The maximum contract value of $6,210,000 per annual JOC contract is lower than the maximum limit established through Public Contract Code Section 20128.5 (not actual appropriated dollars), and it is possible that the limit may not be reached. Having this limit allows for efficiency and flexibility in accomplishing work up to the maximum statutory limit.

BACKGROUND:

To be efficient in delivering projects, the County has employed a variety of project delivery methods. One such method is Public Contract Code Section 20128.5, which authorizes counties to award one or more individual annual contracts for repair, remodeling, or other repetitive work to be done according to unit prices. Once an annual contract is awarded, individual projects are then done through written job orders performed by the job order contractor at the unit prices bid for the annual contract. Such Job Order Contracting (JOC) is a project delivery tool that has been proven to reduce costs, save time, and increase productivity.

On March 1, 2024, the County executed a Consulting Services Agreement with The Gordian Group dba The Mellon Group to provide JOC program development and implementation services for various County projects. As part of the agreement, Gordian also develops and maintains a JOC catalog, also known as a "unit price book" that contains individual construction tasks for all aspects of the repair, remodeling, and other repetitive work including general conditions, driveways, parking lots, and other construction-related components.

Since November 2015, the Board of Supervisors has awarded JOC contracts to the lowest bidders, roughly on an annual basis, to work on repair, remodeling and maintenance projects countywide. With current JOC contracts awarded on July 9, 2024 (JOCs 025, 026 and 027) expiring over the next several months, we need Board approval to solicit bids for Job Order Contracts 028, 029, 030 and 031.

California Environmental Quality Act (CEQA) requirements will be determined and addressed on a project-by-project bases as projects occur. If annual JOC contracts are ultimately awarded under this solicitation, each will be a term of 12 months. The County reserves the right to award one or more of Job Order Contracts 028, 029, 030 and 031. The County is not required to award all four contracts and is not required to award any contract if the bid pricing is unfavorable.

CONSEQUENCE OF NEGATIVE ACTION:
The JOC program has been a valuable construction project delivery tool for projects. If JOC bid solicitation is not approved and authorized, the County will not have the resources to complete many deferred maintenance projects and other County construction projects involving repair, remodeling, and other repetitive work.

Report Title: APPROVE the Byron Highway Safety Improvements Project and take related actions under CEQA

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:

APPROVE the Byron Highway Safety Improvements Project (Project) and AUTHORIZE the Public Works Director, or designee, to advertise the Project, Byron area. [County Project No. 0662-6R4162 / State Project No. HSIPSL-5928(167), DCD-CP#23-28] (District III).

DETERMINE that this activity is exempt from the California Environmental Quality Act (CEQA) pursuant to CEQA Guidelines Section 15301(c).

DIRECT the Director of Department of Conservation and Development (DCD), or designee, to cause a CEQA Notice of Exemption (NOE) to be filed with the County Clerk and State Clearinghouse, and

AUTHORIZE the Public Works Director, or designee, to arrange for payment of a $25 fee to DCD for processing, and a $50 fee to the County Clerk for filing the NOE.

FISCAL IMPACT:

Estimated Project cost: $2,050,000. 64% Highway Safety Improvement Program (HSIP), 36% Local Road Funds.

BACKGROUND:

The purpose of this project is to provide roadway safety improvements. This project consists of installing edge line rumble strips, new lighting, and speed warning signs on an existing 1.3-mile segment of Byron Highway. The edge line rumble strips will be installed along the entire project segment; streetlights and speed feedback signs will be placed along an approximately 0.6-mile curved segment; the streetlights will be spaced approximately 200 feet apart along the sides of the road and connect with electrical conduit to two new service pedestals.

CONSEQUENCE OF NEGATIVE ACTION:

Delay in approving the project may result in a delay in design and construction and may jeopardize funding.

To: Board of Supervisors

From: Warren Lai, Public Works Director/Chief Engineer

Report Title: Participating Addendum with Global Rental Company, Inc.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Purchasing Agent, or designee, to execute, on behalf of the County, a Participating Addendum with Global Rental Company, Inc., in an amount not to exceed $3,000,000, for the distribution of rental equipment, products and services for use by Public Works Fleet Services, for the period of July 8, 2025 through June 8, 2028, under the terms of the Master Contract awarded by Sourcewell, and distributed through Global Rental Company, Inc., Countywide.

FISCAL IMPACT:
Product and service costs paid by Public Works Fleet Services (100% Fleet Internal Service Fund)

BACKGROUND:
Contra Costa County Purchasing Services is requesting approval of a Participating Addendum for rental equipment, products and services offered through Global Rental Company, Inc. Products are guaranteed through the master contract awarded by Sourcewell's Cooperative Program. Approval of the addendum between Contra Costa County and Global Rental Company, Inc., allows Public Works Fleet Services to obtain guaranteed pricing available through the Sourcewell contract, and offer substantial discounts off published list prices. This will allow the Public Works Fleet Division to purchase Rental Equipment, Products and Services at discount prices.

CONSEQUENCE OF NEGATIVE ACTION:
Without approval of this agreement, the County would be paying full price on equipment purchased.

PARTICIPATING ADDENDUM
for
Rental Equipment, Products, and Related Services

Participating Entity:
CONTRA COSTA COUNTY

Contractor: Global Rental Co., Inc.

This Participating Addendum ("Agreement") is made and entered into as of July 8, 2025 ("Effective Date"), by and between Contra Costa County, a political subdivision of the State of California, ("County") and Global Rental Co., Inc., an Alabama corporation, ("Contractor") whose principal place of business is 33 Inverness Center, Birmingham, AL 35242-7648. Contractor is a wholly-owned subsidiary of Altec Industries, Inc., an Alabama corporation. The County and Contractor are sometimes referred to herein together as the "Parties," and each as a "Party."

Recitals

Whereas, the Contractor provides rental equipment, products, and related services under a cooperative purchasing agreement, identified as Contract No. 040924-ALT ("Master Contract"), awarded by Sourcewell, a State of Minnesota public agency, following a competitive solicitation.

Whereas, the Master Contract is made available to public agencies nationally for participation. The County has determined that entering into a Participating Addendum that incorporates the Master Contract provides a benefit to the County, but that certain terms and conditions of the Master Contract must be modified to meet legal requirements that apply to the County, a political subdivision of the State of California. Although the Master Contract allows the purchase of fleet management services, the County's purchases will be limited to equipment, products, and ancillary services, but not fleet management or any information technology services.

Whereas, the Master Contract and the attachments thereto indicate that the Contractor may rely on any of its dealers or affiliated entities (collectively, "Affiliated Entities" and each an "Affiliated Entity") to satisfy Contractor's obligations hereunder. This Agreement provides that Contractor is solely responsible for ensuring its Affiliated Entities perform in accordance with this Agreement.

Agreement

Now, therefore, for good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, the County and the Contractor agree, as follows:

1. Term. The term of this Agreement begins on the Effective Date, and it expires on June 11, 2028, unless sooner terminated as provided herein. The Parties may amend this Agreement to extend the term by up to three additional one-year extensions, one extension at a time, provided that the term of the Master Contract is extended by at least the same amount of time. If the Master Contract is terminated prior to the expiration of the term of this Agreement, or any extension thereof, the Contractor shall continue to perform under this Agreement until the term of this Agreement expires, or until this Agreement is terminated, whichever occurs first.

2. Payment Limit. The County's total payments to Contractor under this Agreement shall not exceed $3,000,000 ("Payment Limit"). Nothing in this Agreement obligates the County to make any purchases, or any particular volume of purchases, under this Agreement. This Agreement is not exclusive, and the County expressly reserves its right to enter into other contracts for the

purchase of the same or similar equipment, supplies, and materials from other vendors. If the County issues any purchase orders to make purchases under this Agreement, the County will be responsible for ensuring that the sum of all such purchase orders does not exceed the Payment Limit.

3. Changes to the Master Contract. For purposes of this Agreement only, certain terms of the Master Contract are hereby amended, as follows, to satisfy requirements that apply to the County as a California public agency, and to reflect the County as the contracting party under this Agreement:

    a. Each reference in the Master Contract to "Participating Entity" and "Participating Entities" shall mean and include Contra Costa County.

    b. Section 10.A. (Audit) is amended, to read:

    "A. AUDIT. The County reserves the right to review books, records, documents, and accounting procedures and practices of the Contractor relevant to the County's purchases and payments during the term of this Agreement and for three (3) years following its expiration or termination. Following a request for such materials by the County or its auditor, the Contractor shall provide the County and its auditor copies of all requested materials within 30 days at the address designated by the County or its auditor. The requirements of this Section shall survive and remain enforceable for a period of three (3) years following the expiration or termination of this Agreement."

    c. Section 12 (Government Data Practices) is deleted and replaced with new Section 12 (Public Records), to read:

    "**12. PUBLIC RECORDS.** The County is a California public agency that is required to comply with the California Public Records Act (Cal. Gov. Code, § 7920.000, et seq.) and the County's Better Government Ordinance (Contra Costa County Ordinance Code, Division 25), discovery requests, subpoenas, and court orders. Notwithstanding anything to the Contrary in the Master Contract, this Agreement and all materials produced for or provided to the County under this Agreement will be disclosed upon request if the County determines the materials constitute disclosable public records under the California Public Records Act or under the Better Government Ordinance, or if the County determines the materials are responsive to a discovery request, subpoena, or court order."

4. Registration with California Secretary of State. During the term of this Agreement, Contractor shall remain register to do business in the State of California and shall remain in good standing with the California Secretary of State throughout the term of this Agreement. Contractor shall designate an agent for service of process in California who shall accept service of process on behalf of Contractor.

5. Order of Precedence. If there is any conflict between any terms of this Agreement, the Master Contract, or any purchase order issued under this Agreement to Contractor or any Affiliated Entities, the order of precedence for interpreting the Parties' obligations shall be: first, this Agreement; second, the Master Contract; and, third, any purchase order issued under this Agreement.

6. Termination. Notwithstanding anything to the contrary in the Master Contract, either Party may terminate this Agreement upon 60 days' advance written notice to the other Party.

7. Governing Law. Notwithstanding Section 14 (Governing Law, Jurisdiction, and Venue) of the Master Contract, or any other term of the Master Contract to the contrary, this Agreement shall be governed by and construed in accordance with the laws of the State of California, without regard to conflict of law principles; and any litigation to enforce or interpret this Agreement shall be filed and prosecuted in a state or federal court in California where venue is proper and that has jurisdiction over the parties to and the subject matter of the litigation.

8. No Joint Venture; No Third-Party Beneficiaries. At all times during the term of this Agreement, neither Party will function as or represent itself to be the other Party or its agent, and no officer, employee, or agent of one Party shall hold themselves out to be an officer, employee, or agent of the other Party. This Agreement does not create any rights or obligations between the Parties other than those expressly set forth herein; and nothing in this Agreement shall be construed as conferring any rights upon any third parties or any other person or entity other than the County and Contractor.

9. Affiliated Entities. Notwithstanding anything to the contrary in the Master Contract or in this Agreement, if any Affiliated Entity performs any of Contractor's obligations under this Agreement, or if the County issues a purchase order to an Affiliated Entity identifying the purchase is made pursuant to this Agreement, the Contractor shall be solely responsible for ensuring the Affiliated Entity performs in accordance with the terms of this Agreement, and Contractor shall be liable for any failure by the Affiliated Entity to perform in accordance with the terms of this Agreement. Contractor's obligations under this section shall survive the termination or expiration of this Agreement.

10. Amendment. This Agreement may be amended or modified at any time by mutual agreement of the Parties in writing.

11. Compliance with Laws; No Public Works Permitted. In the performance of its obligations under this Agreement, the Contractor shall comply with all local, State of California, and federal laws and regulations, including State of California wage and hour laws to the extent they are applicable to the work Contractor performs. Nothing in this Agreement authorizes Contractor to perform, and Contractor shall not perform, any services or work that would require formal or informal bidding under the California Public Contract Code. If any services provided by the Contractor require the payment of prevailing wages under the California Labor Code, the Contractor shall be

solely responsible for ensuring prevailing wages are paid in accordance with California law, and for satisfying all applicable requirements of the California Department of Industrial Relations.

12. Notices. Notices to the Parties shall be provided to:

Report Title: Contract with RTSF Petro Ventures, Inc. for Car Washing and Detailing Services, Countywide.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:

APPROVE and AUTHORIZE the Public Works Director, or designee, to execute a contract with RTSF Petro Ventures, Inc. in an amount not to exceed $600,000, to provide car washing and detailing services, for the period of September 1, 2025 through August 31, 2030, Countywide.

FISCAL IMPACT:

100% Fleet Internal Service Fund

BACKGROUND:

The Public Works Fleet Services oversees vehicle maintenance for over 1,700 vehicles. These vehicles need to be washed and cleaned regularly to maintain appearance, prevent damage, and improve the driving experience for our County workers.

In March 2025, the Public Works Department conducted a formal solicitation for car wash and detailing services. The Invitation for Bid was published on BidNet Direct #IFB-Contr-0000000004. RTSF Petro Ventures, Inc. d/b/a Super Station Car Wash was the sole and qualified vendor awarded the contract. The contractor offers automatic and hand car washes, as well as detailing services for cars, vans, and light trucks.

Fleet Services is requesting approval of a service contract with RTSF Petro Ventures, Inc. d/b/a Super Station Car Wash for the term September 1, 2025 through August 31, 2030, in the amount of $600,000.

CONSEQUENCE OF NEGATIVE ACTION:

If this contract is not approved, car washing and detailing services for County vehicles will no longer be available, which will impact functionality, maintenance, and safety requirements for County vehicles.

To: Board of Supervisors

From: Warren Lai, Public Works Director/Chief Engineer

Report Title: APPROVE Change Order No. 1 with Aztec Consultants, Inc. for Job Order Contract 026 and Change Order No. 1 with Mark Scott Construction, Inc. for Job Order Contract 027

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Public Works Director, or designee, to execute Change Order No. 1 with Aztec Consultants, Inc. (Aztec) for Job Order Contract 026 (JOC 026) and Change Order No. 1 with Mark Scott Construction, Inc. (MSC) for Job Order Contract 027 (JOC 027) to increase the payment limit for each contract by $2,750,000 to a new payment limit of $5,750,000, as allowed by Public Contract Code 20128.5, Countywide.

FISCAL IMPACT:
100% Various Funds. Job orders under Aztec's JOC 026 and MSC's JOC 027 are only issued when there is an approved project and funding.

BACKGROUND:
The County's Job Order Contracts (JOC) program has been a valuable construction project delivery tool since the program's inception in 2015. Central to the JOC program is that JOC contracts are performance-based, and as contractors perform well, they will be more likely candidates for consideration for future job orders.

On April 9, 2024, the Board authorized Public Works to solicit bids for job order contracts with maximum values up to $5,750,000 each. On July 29, 2024, job order construction contracts (JOC 026 and JOC 027) were awarded to Aztec and MSC in amounts to total not more than $3,000,000 for each contract rather than $5,750,000 for each contract. The lesser value was chosen for the contracts as a strategy to help minimize the contractors' bond expenses at least until such time that it became reasonably expectant that a larger contract value would be utilized.

At this time, taking into consideration work completed, started and anticipated, the current $3,000,000 limit on JOC 026 and JOC 027 is not sufficient. Change Order No. 1 for each contract will resolve the deficiency by increasing the value each contract to $5,750,000 in keeping with the Board's original authorization for Public Works solicit bids for job order contracts with maximum values up to $5,750,000 each. The $5,750,000 value will also remain below the maximum limit established through Public Contract Code Section 20128.5.

CONSEQUENCE OF NEGATIVE ACTION:
If the Change Orders are not approved, the County will be limited in its ability to select the best suited job order contractor for appropriate County construction projects involving repair, remodeling and other repetitive work. Certain projects which are well-suited for job order contracting will likely be delayed while Public Works evaluates and implements alternate project delivery strategies.

CONTRA COSTA COUNTY

Staff Report

File #: 25-2738 **Agenda Date:** 7/8/2025 **Agenda #:** C.128.

To: Board of Supervisors

From: Warren Lai, Public Works Director/Chief Engineer

Report Title: Amendment No. 1 with Accurate Poly Coatings, a California Corporation, Countywide.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Public Works Director, or designee, to execute a contract amendment with Accurate Poly Coatings, effective July 31, 2025, to increase the rates and extend the term through July 31, 2027, with no change to the payment limit, for on-call polyurea coating maintenance and repair services at various County sites and facilities, Countywide.

FISCAL IMPACT:
Facilities Maintenance Budget. (No fiscal impact)

BACKGROUND:
The Public Works Department Facilities Services Division is responsible for the maintenance and repairs of the showers and floors at the County detention facilities. These areas are in an unusual environment, with constant moisture, wear, and usage. Various materials have been used in the past to rebuild or replace shower units, only to have them decay and degrade, causing problems with surrounding areas. Polyurea (Line-X) is a product which has been successful in the repair and replacement of shower and bathroom units, which seems to withstand the wear and usage.

Government Code Section 25358 authorizes the County to contract for maintenance and upkeep of County facilities. Originally bid on BidSync #2111-514, Accurate Poly Coatings was the contractor awarded for these on-call polyurea coating services. The Public Works Department originally awarded a three (3) year contract for $2,000,000 with the term August 1, 2022 through July 31, 2025.

Facilities Services is requesting Amendment No. 1 to be approved, increasing the rates and extending the contract term an additional two years through July 31, 2027.

CONSEQUENCE OF NEGATIVE ACTION:
If this contract amendment is not approved, the contract with Accurate Poly Coatings will expire and their on-call polyurea coating maintenance and repair services will be discontinued.

To: Board of Supervisors

From: Warren Lai, Public Works Director/Chief Engineer

Report Title: Participating Addendum with Terex Utilities, Inc.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Purchasing Agent, or designee, to execute, on behalf of the County, a Participating Addendum with Terex Utilities, Inc., in an amount not to exceed $1,500,000, for the purchase of public utility equipment, related accessories, and supplies for use by Public Works Fleet Services, for the period of July 8, 2025 through December 27, 2025, under the terms of the Master Contract awarded by Sourcewell, and distributed through Terex Utilities, Inc., Countywide.

FISCAL IMPACT:
Product and service costs paid by Public Works Fleet Services (100% Fleet Internal Service Fund)

BACKGROUND:
Contra Costa County Purchasing Services is requesting approval of a Participating Addendum for public utility equipment, related accessories, and supplies offered through Terex Utilities, Inc. Products are guaranteed through the master contract awarded by Sourcewell's Cooperative Program. Approval of the addendum between Contra Costa County and Terex Utilities, Inc., allows Public Works Fleet Services to obtain guaranteed pricing available through the Sourcewell contract, which offers substantial discounts off published list prices. This will allow the Public Works Fleet Division to purchase public utility equipment, related accessories, and supplies at discount prices.

CONSEQUENCE OF NEGATIVE ACTION:
Without approval of this agreement, the County would be paying full price on the equipment purchased.

PARTICIPATING ADDENDUM
for
Public Utility Equipment and Related Accessories and Supplies

---

Participating Entity:
CONTRA COSTA COUNTY

Contractor: Terex Utilities, Inc.

This Participating Addendum ("Agreement") is made and entered into as of July 8, 2025 ("Effective Date"), by and between Contra Costa County, a political subdivision of the State of California ("County"), and Terex Utilities, Inc., an Oregon corporation ("Contractor"), whose principal place of business is 3140 15th Ave. SE, Watertown, SD 57201. The County and Contractor are sometimes referred to herein together as the "Parties," and each as a "Party."

Recitals

Whereas, the Contractor sells public utility equipment and related accessories and supplies under a cooperative purchasing agreement, identified as Contract No. 110421-TER ("Master Contract"), awarded by Sourcewell, a State of Minnesota public agency, following a competitive solicitation.

Whereas, the Master Contract is made available to public agencies nationally for participation. The County has determined that entering into a Participating Addendum that incorporates the Master Contract provides a benefit to the County, but that certain terms and conditions of the Master Contract must be modified to meet legal requirements that apply to the County, a political subdivision of the State of California.

Agreement

Now, therefore, for good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, the County and the Contractor agree, as follows:

1. Term. The term of this Agreement begins on the Effective Date, and it expires on December 27, 2025, unless sooner terminated as provided herein. The Parties may amend this Agreement to extend the term by one additional year, provided that the term of the Master Contract is extended by at least the same amount of time. If the Master Contract is terminated prior to the expiration of the term of this Agreement, or any extension thereof, the Contractor shall continue to perform under this Agreement until the term of this Agreement expires, or until this Agreement is terminated, whichever occurs first.

2. Payment Limit. The County's total payments to Contractor under this Agreement shall not exceed $1,500,000 ("Payment Limit"). Nothing in this Agreement obligates the County to make any purchases, or any particular volume of purchases, under this Agreement. This Agreement is not exclusive, and the County expressly reserves its right to enter into other contracts for the purchase of the same or similar equipment, supplies, and materials from other vendors. If the County issues any purchase orders to make purchases under this Agreement, the County will be responsible for ensuring that the sum of all such purchase orders does not exceed the Payment Limit.

3. Changes to the Master Contract. For purposes of this Agreement only, certain terms of the Master Contract are hereby amended, as follows, to satisfy requirements that apply to the County

as a California public agency, and to reflect the County as the contracting party under this Agreement:

a. Each reference in the Master Contract to "Participating Entity" and "Participating Entities" shall mean and include Contra Costa County.

b. Section 10.A. (Audit) is amended, to read:

"A. AUDIT. The County reserves the right to review books, records, documents, and accounting procedures and practices of the Contractor relevant to the County's purchases and payments during the term of this Agreement and for three (3) years following its expiration or termination. Following a request for such materials by the County or its auditor, the Contractor shall provide the County and its auditor copies of all requested materials within 30 days at the address designated by the County or its auditor. The requirements of this Section shall survive and remain enforceable for a period of three (3) years following the expiration or termination of this Agreement."

c. Section 12 (Government Data Practices) is deleted and replaced with new Section 12 (Public Records), to read:

"**12. PUBLIC RECORDS.** The County is a California public agency that is required to comply with the California Public Records Act (Cal. Gov. Code, § 7920.000, et seq.) and the County's Better Government Ordinance (Contra Costa County Ordinance Code, Division 25), discovery requests, subpoenas, and court orders. Notwithstanding anything to the Contrary in the Master Contract, this Agreement and all materials produced for or provided to the County under this Agreement will be disclosed upon request if the County determines the materials constitute disclosable public records under the California Public Records Act or under the Better Government Ordinance, or if the County determines the materials are responsive to a discovery request, subpoena, or court order."

d. Section 14 (Governing Law, Jurisdiction, and Venue) is deleted and replaced with new Section 14 (Governing Law), to read:

"**14. GOVERNING LAW.** This Agreement shall be governed by and construed in accordance with the laws of the State of California, without regard to its conflict of laws principles. Any litigation to enforce or interpret this Agreement shall be filed and prosecuted in a state or federal court in California where venue is proper and that has jurisdiction over the parties and the subject matter of the litigation."

e. The following sentence is added to Section 19.B. (Compliance; Licenses) of the Master Contract:

"The Contractor shall remain registered in good standing with the California Secretary of State and maintain an agent for service of process in California."

4. Order of Precedence. If there is any conflict between any terms of this Agreement, the Master Contract, or any purchase order issued under this Agreement, the order of precedence for interpreting the Parties' obligations shall be: first, this Agreement; second, the Master Contract; and, third, any purchase order issued under this Agreement.

5. Termination. Notwithstanding anything to the contrary in the Master Contract, either Party may terminate this Agreement upon 60 days' advance written notice to the other Party.

6. Governing Law. Notwithstanding anything to the contrary in the Master Contract, this Agreement shall be governed by and construed in accordance with the laws of the State of California, without regard to conflict of law principles. Any litigation to enforce or interpret this Agreement shall be filed and prosecuted in a state or federal court in California where venue is proper and that has jurisdiction over the parties to and the subject matter of the litigation.

7. No Joint Venture; No Third-Party Beneficiaries; Subcontractors. At all times during the term of this Agreement, neither Party will function as or represent it to be the other Party or its agent, and no officer, employee, or agent of one Party shall hold themselves out to be an officer, employee, or agent of the other Party. This Agreement does not create any rights or obligations between the Parties other than those expressly set forth herein; and nothing in this Agreement shall be construed as conferring any rights upon any third parties or any other person or entity other than the County and Contractor. Notwithstanding anything to the contrary in this Agreement, if Contractor relies on any suppliers, subsidiaries, distributors, or affiliated entities (including but not limited to Terex USA, LLC, Terex GmbH, and/or Terex Services) to perform any of Contractor's obligations hereunder, Contractor shall be solely responsible for ensuring they perform in accordance with the terms of this Agreement, and Contractor shall be liable for any failure to perform in accordance with the terms of this Agreement.

8. Amendment. This Agreement may be amended or modified at any time by mutual agreement of the Parties in writing.

9. Compliance with Laws; No Public Works Permitted. In the performance of its obligations under this Agreement, the Contractor shall comply with all local, State of California, and federal laws and regulations, including all State of California wage and hour laws. Nothing in this Agreement authorizes Contractor to perform, and Contractor shall not perform, any services or work that would require formal or informal bidding under the California Public Contract Code. If any services provided by the Contractor require the payment of prevailing wages under the California Labor Code, the Contractor shall be solely responsible for ensuring prevailing wages are paid in accordance with California law, and for satisfying all requirements of the California Department of Industrial Relations.

10. Notices. Notices to the Parties shall be provided to:

All notices shall be in writing and personally delivered, delivered by overnight carrier with delivery charges for next day delivery prepaid by the sending Party, or sent by First Class, certified mail return receipt required, U.S. Mail, with postage prepaid by the sending Party. A courtesy copy of a notice may be given by email, but giving a courtesy copy of a notice by email does not relieve the sending Party of its obligation to give notice to the receiving Party in the manner required by this Section. A notice given in accordance with this Section shall be deemed received by the receiving Party on (a) the same day, if personally delivered, (b) the next business day, if timely deposited with an overnight carrier and with delivery charges prepaid to ensure next day delivery, and (c) on the fifth day after mailing, if mailed by First Class, certified mail, return receipt required, U.S. Mail with postage prepaid. A Party may change its contact listed above by giving written notice to the other Party in any manner authorized by this Section at least five (5) days before the change becomes effective.

11. Successors and Assigns; Assignment. This Agreement shall be binding upon and inure to the benefit of the Parties and their successors and assigns. Except for assignments to an affiliate of Contractor, this Agreement may not be assigned by either Party without the express written permission of the other Party, which shall be within that Party's sole discretion to provide.

IN WITNESS, WHEREOF, the parties have executed this Participating Addendum as of the Effective Date.

CONTRA COSTA COUNTY

Staff Report

File #: 25-2740 **Agenda Date:** 7/8/2025 **Agenda #:** C.130.

To: Board of Supervisors

From: Warren Lai, Public Works Director/Chief Engineer

Report Title: Amendment to Consulting Services Agreement with ENGEO Incorporated, Countywide.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:

APPROVE and AUTHORIZE the Public Works Director, or designee, to execute a Consulting Services Agreement (contract) amendment with ENGEO Incorporated, effective June 20, 2025, to extend the term through June 21, 2026, for on-call geotechnical engineering services, with no change to the payment limit of $800,000, Countywide. (County Project No.: Various) (All Districts)

FISCAL IMPACT:

Work performed under this amendment is funded by local, state and federal funds for local road, flood control, and airport projects. (100% Various Funds)

BACKGROUND:

The Public Works Department is involved in various projects in the County that require geotechnical engineering services for road and flood control projects. ENGEO Incorporated is one of seven firms contracted in 2022 to provide geotechnical engineering services on an "on-call" basis as in-house expertise is not available.

On August 2, 2022, the Board of Supervisors approved an initial contract with ENGEO Incorporated, in the amount of $800,000 for geotechnical engineering services for the Public Works Department. The term of the agreement expires on June 21, 2025.

This Amendment will extend the contract term from June 21, 2025, to June 21, 2026, which is necessary for the continuation of on-call geotechnical engineering services through the completion of various projects which ENGEO Incorporated is currently providing geotechnical engineering services under task orders. Geotechnical engineering services for these projects are anticipated to be completed by June 21, 2026.

Government Code Section 31000 and 4525 authorizes the County to contract for services, including the type of geotechnical engineering services that ENGEO Incorporated provides.

CONSEQUENCE OF NEGATIVE ACTION:

Without approval from the Board of Supervisors, the_on-going projects that ENGEO Incorporated provides geotechnical engineering services for will experience delays and added costs as the County solicits for new professional services.

From: Warren Lai, Public Works Director/Chief Engineer

Report Title: Amendment to Consulting Services Agreement with Mark Thomas & Company, Inc., Countywide.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:

APPROVE and AUTHORIZE the Public Works Director, or designee, to execute a Consulting Services Agreement (contract) amendment with Mark Thomas & Company, Inc., effective June 24, 2025, to extend the term from August 16, 2025, to December 31, 2026, for on-call structural services, with no change to the payment limit of $800,000, Countywide. (County Project No.: Various)(All Districts)

FISCAL IMPACT:

Work performed under this amendment is funded by developer fees, local, state and federal funds for local road, flood control, and airport projects. (100% Various Funds)

BACKGROUND:

The Public Works Department is involved in various projects in the County that require structural engineering services for roads, flood control, and airport projects. Mark Thomas & Company, Inc. is one of eight firms contracted to provide structural engineering services on an "on-call" basis. The consultant may augment Public Works staff on an as-needed basis. They may be used as an extension of Public Works staff during busy times when extra help is needed or when in-house expertise is not available.

On August 16, 2022, the Board of Supervisors approved an initial contract with Mark Thomas & Company, Inc. in the amount of $800,000 for structural engineering services for the Public Works Department. The term of the agreement expires on August 16, 2025.

Amendment #1 added subconsultants to the contract while Amendment #2 revised the rate sheets.

This Amendment will extend the contract term from August 16, 2025, to December 31, 2026, which is necessary for the continuation of on-call structural engineering services through the completion of San Pablo Dam Road Storm Drain and Pavement Repair (1.2 Miles West of Wildcat Canyon Road) project, which Mark Thomas & Company, Inc. is currently providing structural engineering services under a task order. Mark Thomas & Company, Inc. was selected for structural engineering services of these projects through a

qualification-based selection in accordance with Caltrans Local Assistance Procedures Manual (LAPM). Structural engineering services for these projects are anticipated to be completed by December 31, 2026.

Government Code Section 31000 and 4525 authorizes the County to contract for services, including the type of structural engineering services that Mark Thomas & Company, Inc. provides.

CONSEQUENCE OF NEGATIVE ACTION:

Without approval from the Board of Supervisors, the on-going project that Mark Thomas & Company, Inc. provides structural engineering services for will experience delays and added costs as the County solicits for new professional services.

To: Board of Supervisors

From: Warren Lai, Public Works Director/Chief Engineer

Report Title: Amendment No. 1 with Otis Elevator Company, a New Jersey Corporation, Countywide.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Public Works Director, or designee, to execute a contract amendment with Otis Elevator Company, effective May 31, 2025, to increase the rates and extend the term through May 31, 2026, with no change to the payment limit, for on-call elevator maintenance and repair services at various County sites and facilities, Countywide.

FISCAL IMPACT:
Facilities Maintenance Budget. (No fiscal impact)

BACKGROUND:
The Public Works Department Facilities Services Division is responsible for the maintenance and emergency repairs to all County elevators. Elevator maintenance and repairs are performed by outside contractors. Otis Elevator Company performs maintenance, scheduled repairs, emergency repairs, component upgrades, and as-needed modernization to elevators.

Government Code Section 25358 authorizes the County to contract for maintenance and upkeep of County facilities. Originally bid on BidSync #2107-490, Otis Elevator Company was one of two contractors selected for these on-call elevator maintenance and repair services. The Public Works Department originally awarded a three (3) year contract for $1,000,000 with the term June 1, 2022 through May 31, 2025.

Facilities Services is requesting Amendment No. 1 to be approved, increasing the rates and extending the contract term an additional year through May 31, 2026. This amendment will also add clarifications regarding invoicing and material markup documentation and a special condition will be added to the contract regarding termination for inadequate service.

CONSEQUENCE OF NEGATIVE ACTION:
If this contract amendment is not approved, the contract with Otis Elevator Company will expire and their on-call elevator maintenance and repair services will not be available.

Report Title: Approval of County Parks Policy

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE Use of County Parks Policy as recommended by the Internal Operations Committee.

FISCAL IMPACT:
There is no fiscal impact for policy approval.

BACKGROUND:
The County Ordinance Code includes park use restrictions, hours of use, and required permits; however, there is not a comprehensive County policy that includes all park rules. At the June 10, 2025, Board of Supervisors meeting, the Public Works Director recommended a referral to the Internal Operations Committee (IOC) to develop the Use of County Parks Policy.

Staff researched other agencies' policies and brought a draft policy to the June 2025 IOC meeting for the IOC to provide direction on the proposed policy. Direction from the IOC included no changes to the proposed policy language. However, direction was given that all park policy signage include a QR code directing park patrons to a Frequently Asked Question (FAQ) page and to the park policy. The IOC requested that this item be submitted to the Board of Supervisors as a consent item.

CONSEQUENCE OF NEGATIVE ACTION:
Without approval of the new policy there will not be a policy governing County parks, leading to confusion for County staff and the public.

CONTRA COSTA COUNTY
Use of County Parks Policy

1.0 PURPOSE

The purpose of this policy is to provide rules and regulations for the use of County parks to ensure park visitor safety and preserve the parks.

2.0 POLICY

This policy covers all Contra Costa County-owned parks. The County Ordinance Code codifies additional park rules, many of which are referenced in this policy.

3.0 BACKGROUND

Parks are an important community resource providing green spaces that promote recreation and enhance the quality of life for the community and park users. Park policies must balance rules and regulations that preserve park benefits for present and future generations while acknowledging and respecting the public's use of parks for expressive activity.

4.0 RULES AND REGULATIONS

A. Hours of Use. No person may remain in a county park at any time between the hours of ten p.m. and six a.m. the following day. (CCC Ord. Code, Art. 1110-2.8.)

B. Prohibitions on Use.
   1. No person may consume or sell alcohol in a county park without prior written permission from the public works director. (CCC Ord. Code, Art. 1110-2.6.)
   2. No person may use tobacco, cannabis, or narcotics of any form in a county park. (CCC Ord. Code, Art. 1110-2.7.)
   3. Littering is prohibited. Only garbage generated from activities within a county park may be deposited in garbage, compost, or recycling bins within the county park. All garbage must be deposited in any available garbage, compost, or recycling bins. If no bins are available, or if all bins are full, visitors must remove their garbage from the park.
   4. No person may sell, offer for sale, or distribute to the public generally, any food or drink without prior permission and all required Environmental Health permits or other authorizations.
   5. No person shall operate a motor vehicle in a county park without prior written permission from the public works director, except authorized emergency or maintenance vehicles. (CCC Ord. Code, Art. 1110-2.4.)
   6. Use of skateboards, electric scooters, and ebikes is prohibited.
   7. Camping is prohibited.
   8. Nothing may be posted on county buildings, benches, trees, bulletin boards, or other areas within a county park without prior permission.
   9. Sound amplification is prohibited without prior permission.

DRAFT

10. Glass bottles, beverage glasses, and other breakable glass containers are prohibited.
11. Tumbling, re-bounding, jumpers, bounce houses, inflatables, and trampoline-like devices are prohibited.
12. Barnyard animals such as ponies or petting zoo animals are prohibited.
13. Dogs must be leashed while in a county park, using a leash that is no longer than six feet in length.
14. Dangerous dogs, as defined in County Ordinance Code, Chapter 416-18, are prohibited in county parks.
15. Tents, umbrellas, canopies, awnings, and other removable structures are prohibited without prior permission.
16. The use of stakes or other devices that pierce the turf or landscape areas is prohibited.
17. Open flames are prohibited except in designated barbecue areas. No outside barbecues or grills may be used without prior permission. All coals must be properly smothered and removed. Dumping of coals in garbage bins or on the ground is prohibited.
18. Explosives (defined in Health & Safety Code, Section 12000), fireworks (defined in Health & Safety Code, Section 12511) and firearms (defined in Penal Code, Section 12001), air guns, bows and crossbows, slingshots, paintball guns, blowguns, and throwing knives and stars, are prohibited in county parks.

C. Permit Requirements. Groups of 20 or more persons and organized sports leagues may use a county park only pursuant to a permit issued by the public works director. Use of a county park under a permit is subject to the terms and conditions of the permit, as well as this bulletin, and may incur costs to permittee for insurance, permits, and outdoor restroom and hand washing facilities. (CCC Ord. Code, Art. 1110-2.10.)

D. Unauthorized Commercial Activity During County Events. During a county-sponsored event held in a county park, no person shall conduct business, display merchandise, conduct any occupation or profession, or provide services in the county park except as may be authorized in advance by, and within the location designated by, the public works director.

E. Expressive Activity.
   1. Expressive activity includes all forms of speech and expression including the distribution of information, solicitation of funds, collection of signatures, and performances.
   2. The County is committed to providing the right to engage in expressive activity on public property as protected by both the United States

DRAFT

Constitution and the California Constitution. County parks serve as traditional forums for expressive activity.

3. Expressive activity may not obstruct the use of the county park or obstruct the safe flow of pedestrians through a county park or its surrounding walkways or streets.
4. Expressive activity may not block emergency ingress or egress to a county park.

F. Prior Permission. Any written request for prior permission or a permit required under this policy must be submitted to the Public Works Department at least 30 days prior to the activity for which permission or a permit is sought.

To: Board of Supervisors

From: Warren Lai, Public Works Director/Chief Engineer

Report Title: ACCEPT the 2025 Semi-Annual Report of Real Estate Acquisition Acceptances dated January 1, 2025, through June 30, 2025.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:

ACCEPT the 2025 Semi-Annual Report of Real Estate Acquisition Acceptances dated January 1, 2025, through June 30, 2025, approved by the Public Works Director for the acquisitions of any interest in real property where the purchase price for the real property interest did not exceed $100,000, III & V.

FISCAL IMPACT:

Various road and flood control funds covered costs related to staff time and purchase price. General Fund Capital reserves as part of the overall project budget for the East County Service Center project.

BACKGROUND:

Pursuant to the Contra Costa County, Ordinance Code 2024-20, Title 11, Division 1108, Chapter 1108-8.002, "The Board of Supervisors authorizes the Public Works Director, or his or her designated deputy, to perform all acts necessary to approve and accept for the County the acquisition of any interest in real property where the purchase price for the real property interest does not exceed one hundred thousand dollars ($100,000)." The Public Works Director shall submit a semi-annual report to the Board of Supervisors on each acquisition done pursuant to this section, including the interest acquired, its price, and the necessity for the purchase, which is described in the attached Semi-Annual Acceptance Report

CONSEQUENCE OF NEGATIVE ACTION:

The Board of Supervisors would not be informed of the acquisitions accepted by the Public Works Director pursuant to Contra Costa County Ordinance Code.

To: Board of Supervisors

From: Warren Lai, Public Works Director/Chief Engineer

Report Title: AWARD and AUTHORIZE the Public Works Director, or designee, to execute a construction contract for the Pinole Library System Upgrade Project, 2935 Pinole Valley Road, Pinole.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:

1. APPROVE the design, plans and specifications for the Project.

2. DETERMINE that the bid submitted by Quiring General LLC ("Quiring") complies with all requirements of the Project specifications, including the requirements of the County's Outreach Program.

3. WAIVE any minor irregularities in Quiring's bid.

4. FURTHER DETERMINE that Quiring submitted the lowest responsive and responsible bid for the Project.

5. DETERMINE that the bid protests submitted by M V P Construction LLC ("MVP") are without merit (as to Quiring) and moot (as to Arntz Builders Inc. and One Workplace Construction LLC dba Vantis); and, CONFIRM the rejection and denial of MVP's bid protest (as to Quiring), which protest was denied by the Public Works Department and appealed to and denied by the County Administrator.

6. DIRECT that, as a condition of contract award, Quiring and its subcontractors shall execute a Project Labor Agreement for this Project, as required by the Project specifications.

7. AWARD the construction contract for the above project to Quiring in the listed amount ($3,118,000) submitted in the bid, and DIRECT the Public Works Director, or designee, to prepare the contract.

8. DIRECT that Quiring shall submit two good and sufficient surety bonds (performance and payment bonds) in the amount of $3,118,000 each.

9. ORDER that, after Quiring has signed the contract and returned it, together with the bonds, evidence of insurance, and other required documents, and the Public Works Director has reviewed and found them to be sufficient, the Public Works Director, or designee, is authorized to sign the contract for this Board.

10. ORDER that, in accordance with the project specifications and upon signature of the construction contract by the Public Works Director, or designee, any bid bonds posted by the bidders are to be exonerated and any checks or cash submitted for bid security shall be returned.

11. ORDER that the Public Works Director, or designee, is authorized to sign any escrow agreements prepared for this Project to permit the direct payment of retention into escrow for the substitution of securities for monies withheld by the County to ensure performance under the contract, pursuant to Public Contract Code Section 22300.

12. AUTHORIZE the Public Works Director, or designee, to approve and order changes or additions to the work, pursuant to the Public Contract Code Section 20142, in amounts not to exceed $168,400 (i.e., $25,000 plus 5 percent of the contract award amount in excess of $250,000).

13. DELEGATE, pursuant to Public Contract Code Section 4114, to the Public Works Director, or designee, the Board's functions under Public Code Section 4107 and 4110.

14. DECLARE that, should the award of the contract to Quiring be invalidated for any reason, the Board would not in any event have awarded the contract to any other bidder, but instead would have exercised its discretion to reject all bids. Nothing in this Board Order shall prevent the Board from re-awarding the contract to another bidder in cases where the successful bidder establishes a mistake, refuses to sign the contract, or fails to furnish required bonds or insurance (see Public Contract Code Sections 5100-5107).

FISCAL IMPACT:
Estimated construction cost $3,118,000. $1,519,267 (49%) will be funded through the California State Library Building Forward Grant (SB 129), $1,087,373 (35%) will be funded through Measure X and Library Funds, $511,360 (16%) will be funded through the Bay Area Air Quality Management District (BAAQMD) AB836 Clean Air Center Fund.

BACKGROUND:
The Project will involve renovation of existing building systems at the Pinole Library located at 2935 Pinole Valley Road, Pinole to upgrade the heating, ventilation, and air conditioning (HVAC) system, roofing system, electrical system and interior lighting.

The facility is a 17,100 square foot building constructed in 1973. Three building systems are being addressed in this project for replacement and/or upgrades. The roofing system is primarily a built-up roof (BUR) installation with several metal standing-seam mansard roof elements. The roofing is from the original installation and has experienced leaks over the years. The mansard roof will be replaced in its entirety. The HVAC system will be completely replaced with an all-electric system that supports the County's sustainability goals and grant funding goals for providing a Clean Air Center for the City of Pinole. The existing system and its components have exceeded the manufacturer's projected useful life span and are showing signs of deterioration and excessive wear and tear. The electrical upgrades include installing a new higher capacity electrical switchboard and additional service outlets on the main library floor to serve public and future library needs. Interior lighting upgrades include replacing fluorescent fixtures to power efficient light emitting diode (LED) fixtures. The project also includes accessibility upgrades as triggered and required by Chapter 11B-202.04 of the 2022 California Building Code.

New site work will include relocated accessible parking spaces and parking lot modifications, sidewalks and pathways all designed to improve compliance with applicable accessibility standards.

On March 11, 2025, this Board approved the design and bid documents for the construction of the Project and authorized the solicitation of bids in accordance with Public Contract Code Section 22037.

On May 7, 2025, bids were received and opened by the Public Works Department and the bid results were as follows:

BIDDER	**BID AMOUNT**
Quiring General, LLC	$3,118,000
Arntz Builders, Inc.	$3,187,426
One Workplace Construction LLC d/b/a Vantis, Inc.	$3,265,000
MVP Construction, LLC	$ 3,270,000
CWS Construction Group Inc.	$3,744,000
Dowdle & Sons Mechanical, Inc.	$3,797,000

Public Works Department staff thoroughly reviewed the bids and determined that Quiring's bid is responsive and that Quiring documented an adequate good faith effort to comply with the requirements of the County's Outreach Program, as provided in the Project specifications. Staff recommends that the construction contract for this Project be awarded to Quiring, the lowest, responsible bidder, in the amount of $3,118,000, as listed in Quiring's bid.

On May 8, 2025, MVP, which submitted the fourth lowest bid at a price $152,000 higher than Quiring's, submitted three separate written bid protests to the County challenging, respectively, the bids of Quiring, Arntz, and Vantis (see Attachment A). MVP's bid protest as to Quiring challenged three items in Quiring's bid--the failure to list a qualified subcontractor for tile installation; the failure to list a qualified arborist for tree removal; and the failure to list an abatement subcontractor for lead compliance.

On June 6, 2025, after thoroughly reviewing and investigating MVP's bid protest against Quiring, Public Works sent a letter rejecting and denying that bid protest as without merit (see Attachment B). Public Works further found MVP's other two protests against Arntz and Vantis were moot.

On June 10, 2025, MVP filed an appeal to the County Administrator of the protest denial (see Attachment C). After reviewing the appeal, the County Administrator on June 18, 2025 determined that MVP's appeal had no merit and denied it, thus upholding Public Works' denial of MVP's bid protest (see Attachment D). The denial was further discussed in subsequent emails between MVP and the County Administrator's Office (see Attachment E).

CONSEQUENCE OF NEGATIVE ACTION:
Without the Board of Supervisors approval, the project will not be constructed; the electrical system will remain out of date and insufficient for modern power requirements in libraries, the lighting will not be energy efficient and aligned with the County's Climate Action Plan, and the parking lot may not meet accessibility standards.

Subject: Formal Bid Protest – Pinole Library Accessibility Upgrades Project

Bid Protest Against: Quiring General, LLC
Christian Guillen
cguillen@quiring.com
925.758.9388

M V P Construction LLC hereby submits this formal bid protest against the above-referenced contractor, Quiring General, LLC, the apparent low bidder for the Pinole Library Accessibility Upgrades project. This protest is made in accordance with the bid protest procedures outlined in the bid documents and the California Public Contract Code.

Grounds for Protest:

- • Failure to list a qualified Tile subcontractor. Per Section 093000 1.4 Quality Assurance, Installer qualifications: Experienced firm who has successfully completed tile installations similar in material, design, and extent to that indicated for Project for at least 5 years. They are unable to meet this requirement without the proper license. Quiring General, LLC does not have a C54 Tile License. They are also unable to get a Tile Council of North America, Inc. (TCNA) **Master Grade Certificate** and currently do not possess one. (Section 09 30 00). Without such certification, they are also unable to provide the ***manufacturers special warranty*** called out for materials and workmanship as noted in this specification. The only way a contractor is granted this certification is if they are properly licensed with this specialty license C54.

- • Failure to list a certified, licensed arborist for Tree Work as noted in Section 31 10 00 Site Clearing. None of their listed subcontractors hold a C-61/D49 Tree Service License. They also cannot self-perform this specialty work.
- • Failure to list an abatement subcontractor for lead compliance despite site survey showing lead presence in the existing roofing. Their listed demolition subcontractor Roldan Construction Inc. does not have an abatement/hazmat license and cannot perform this work as the listed subcontractor for demolition. See attached license details from the CSLB.

Legal Basis for Protest:

- • Public Contract Code §1103: All bids must be responsive.
- • **Business & Professions Code §7059: Contractors must have the appropriate specialty license to self-perform.**
- • **DeSilva Gates v. Dept. of Transportation (2015): Bidders must list all required licensed subcontractors for specialty scopes.**
- • Pacific Bell v. California CSLB (2003) 112 Cal.App.4th 1065: Misclassification or license substitution invalidates bid compliance.
- • **Great West Contractors v. Irvine USD (2010): Failure to list required specialty subcontractors renders a bid non-responsive.**
- • **MCM Construction v. City and County of San Francisco (1998) 66 Cal.App.4th 359: Listing violations are grounds for disqualification.**
- • **Valley Crest Landscape v. City of Davis (1994): Strict compliance with licensing and listing is mandatory.**

For the foregoing reasons, M V P Construction LLC respectfully requests that Quiring General, LLC's bid be deemed non-responsive and rejected. MVP remains ready and able to perform the work in full compliance with the specifications and applicable public contracting laws.

Sincerely,

Michael Vila
Owner/President
M V P Construction LLC
mvpcllc.com | O: 925.586.1478

Additional Grounds – Good Faith Effort Documentation:
Each bidder was required to submit Good Faith Effort documentation as part of their bid. This documentation reveals that the protested bidders failed to obtain bids or list subcontractors for the respective specialty trades outlined in our protest (e.g., tile, tree removal, and abatement). This omission demonstrates that they had no subcontractor

bids in hand at the time of bid submission. Accordingly, their failure to list required subcontractors was not due to scope value falling below the ½ of 1% threshold per Public Contract Code §4104, but because they lacked bids altogether and also cannot self-perform this work.

The attempt to now retroactively produce subcontractor bids in response to this protest undermines the integrity of the Public Contract Code and directly conflicts with established law, including DeSilva Gates and MCM Construction, which affirm that mandatory listing requirements must be satisfied at the time of bid. Work that is specialty licensed, not incidental, and materially present in the bid specifications must be supported by a listed subcontractor.

Subject: Formal Bid Protest – Pinole Library Accessibility Upgrades Project

Bid Protest Against: One Workplace Construction LLC dba Vantis
Vince Medrano
vmedrano@vantis.net
559.432.2800

M V P Construction LLC hereby submits this formal bid protest against the above-referenced contractor, One Workplace Construction LLC dba Vantis, the third low bidder for the Pinole Library Accessibility Upgrades project. This protest is made in accordance with the bid protest procedures outlined in the bid documents and the California Public Contract Code.

Grounds for Protest:

- • Failure to list a qualified Tile subcontractor. Per Section 093000 1.4 Quality Assurance, Installer qualifications: Experienced firm who has successfully completed tile installations similar in material, design, and extent to that indicated for Project for at least 5 years. They are unable to meet this requirement without the proper license. Vantis does not have a C54 Tile License. They are also unable to get a Tile Council of North America, Inc. (TCNA) **Master Grade Certificate** and currently do not possess one. (Section 09 30 00). Without such certification, they are also unable to provide the ***manufacturers special warranty*** called out for materials and workmanship as noted in this specification. The only way a contractor is granted this certification is if they are properly licensed with this specialty license C54.

- • Failure to list a certified, licensed arborist for Tree Work as noted in Section 31 10 00 Site Clearing. None of their listed subcontractors hold a C-61/D49 Tree Service License. They also cannot self-perform this specialty work.
- • Failure to list a glazing subcontractor for skylight scope, which requires specialized license and warranty compliance per Specification 086000 Skylight. This project also falls under a Project Labor Agreement and only those with a C17 Glazing Specialty license can perform this work.
- • Failure to list subcontractor for asphalt paving; Vantis holds only a B license and may not self-perform C-12 trade work and does not have an A License to self perform this work. Furthermore, this is not incidental work. There is over 3,000 SF of Asphalt work that needs to be performed.

Legal Basis for Protest:

• Public Contract Code §1103: All bids must be responsive.
• Business & Professions Code §7059: Contractors must have the appropriate specialty license to self-perform.
• DeSilva Gates v. Dept. of Transportation (2015): Bidders must list all required licensed subcontractors for specialty scopes.
• Pacific Bell v. California CSLB (2003) 112 Cal.App.4th 1065: Misclassification or license substitution invalidates bid compliance.
• Great West Contractors v. Irvine USD (2010): Failure to list required specialty subcontractors renders a bid non-responsive.
• MCM Construction v. City and County of San Francisco (1998) 66 Cal.App.4th 359: Listing violations are grounds for disqualification.
• Valley Crest Landscape v. City of Davis (1994): Strict compliance with licensing and listing is mandatory.

For the foregoing reasons, M V P Construction LLC respectfully requests that One Workplace Construction LLC dba Vantis's bid be deemed non-responsive and rejected. MVP remains ready and able to perform the work in full compliance with the specifications and applicable public contracting laws.

Sincerely,

Michael Vila

Re: Your Firm's Bid Protest Letters
Pinole Library Accessibility Upgrades Project
Project #WH 433A

Our office has received and reviewed your 5/8/25 letter protesting the low bid submitted by Quiring General LLC ("Quiring") on the above project, which bid was $152,000 lower than your firm's bid. We have also reviewed your 5/8/25 letters protesting the second bid submitted by Arntz Builders Inc. ("Arntz") and the third bid submitted by One Workplace Construction LLC dba Vantis ("Vantis"). As explained below, your firm's bid protests must be denied because the objections stated are all invalid as to Quiring and are moot as to Arntz and Vantis.

In your letter protesting Quiring's low bid, you raised the following objections:

(1) Quiring's failure to list a qualified tile subcontractor and failure to have a TCNA Master Grade certificate (Sect. 09 30 00).

(2) Quiring's failure to list a certified, licensed arborist for tree work (Sect. 31 10 00), the failure of Quiring's listed subs to hold a C-61/D49 specialty license, and Quiring's inability to perform this specialty work.

(3) Quiring's failure to list an abatement subcontractor for lead compliance despite the site survey showing lead presence in the existing roofing and the failure of Quiring's listed demolition subcontractor (Roldan Construction) to have an abatement/hazmat license.

(4) Quiring's failure to obtain bids or list subcontractors for tile, tree removal and abatement.

Having carefully reviewed Quiring's bid and GFE documentation and the grounds listed in your bid protest against their bid, here is our analysis and determination:

(1) Quiring has a valid Class B General Building Contractor license, as required in the project specifications (Notice to Contractors, Div. A-1). That was the only contractor's license required to bid on this project. Per Business & Professions Code Sect. 7057, a B license holder like Quiring is legally qualified to self-perform all contracting work, including tile work, or at its option can subcontract portions of the work. If a prime contractor does not list a subcontractor for any work exceeding one-half of one percent of the bid, the prime contractor is required to self-perform that work and is legally qualified to do so (Public Contract Code Sect. 4106).

In this case, Quiring did not list a tile subcontractor but, in their response to your bid protest, stated that the tile work did not exceed one-half of one percent and that listing was not required. Our department has investigated this matter and agrees with Quiring that listing of their tile subcontractor (KZ Tile) was not required because of the quote amount (less than one-half of one percent). However, even assuming that listing was somehow required, Quiring would be legally qualified to self-perform tile work under their B license and is qualified to do so. (See Business & Professions Code Sect. 7057 and Public Contract Code Sect. 4106.)

As for the TCNA Master Grade certificate (see Sect. 09 30 00), that certificate pertains to the tile materials, not to the tile installer. Therefore, your argument that Quiring or its tile subcontractor does not have a TCNA certificate is irrelevant and invalid.

As a legal basis for your bid protest, you cited two statutes and five legal decisions. We have reviewed all of the authorities cited in your bid protest and most of them involved different situations not relevant to the situation here with Quiring's low bid. The *DeSilva Gates* case actually supports Quiring's bid because it involved a bid protest against the low bidder's failure to list a fencing subcontractor and later clarification that listing was not required because the work did not exceed one-half of one percent (i.e., the same issue you are attempting to fault Quiring for).

(2) As in #1, Quiring's B license was the only one required for this project and Quiring is qualified with that license to self-perform all contract work on this project, including tree removal work or, at its option, could subcontract that work. (See Business & Professions Code Sect. 7057 and Public Contract Code Sect. 4106.) Actually, tree removal was included in the quote from Magellan Construction Inc., one of Quiring's listed subcontractors who has an A license. Nothing in Sect. 31 10 00 or elsewhere in the project specifications required that Quiring or its subcontractor hold a C-61/D49 specialty license to perform tree removal work.

As for listing of an arborist, that is normally a licensed professional, not a subcontractor. So, listing would not be required. Even assuming that this project would require the use of an arborist, which is just conjecture, Quiring would likewise be qualified with its B license to self-perform that work or to subsequently hire an arborist when and if the need appears. (See Business & Professions Code Sect. 7057; Public Contract Code Sects. 4106, 4109 & 4110.)

(3) Although the site survey mentions the presence of lead, it also states that the concentration of lead in the roof paint is below EPA and Cal-OSHA thresholds for special handling. Given these facts, no listing of an abatement contractor was required and Quiring or its listed subcontractor could legally perform any required demolition of the roof, even though they do not have an abatement license. Should it later turn out unexpectedly that lead abatement work is required, Quiring could self-perform that work using personnel with an abatement license or could hire an abatement subcontractor at that time. (See Business & Professions Code Sect. 7057; Public Contract Code Sects. 4106, 4109 & 4110.)

(4) For the County's Outreach Program, the project specifications required that bidders score at least 75 points for their GFE documentation. Quiring complied with that requirement by achieving 90 points. As part of its GFE, Quiring did obtain and provide copies of bids for tile work (KZ Tile) and tree removal work (Magellan Construction Inc.). Your argument that Quiring was required as part of its GFE to obtain bids or list a subcontractor for abatement work is incorrect and invalid.

For the sake of argument, even if Quiring's bid had any of the irregularities alleged by your firm, these would at most be considered minor irregularities that gave no actual competitive advantage to Quiring, that could easily be waived by the Board of Supervisors, and that do not require rejection of Quiring's low bid.

Keep in mind that the County is required by statute to award to the lowest responsible bidder, which in this case is $152,000 less than your firm's fourth-place bid. (See Public Contract Code Sects. 22032(c) & 22038(b).) The County appreciates your firm preparing and submitting a bid for this and other County projects but we cannot ignore that your bid protests would result in the County and its taxpayers paying at least $152,000 more for this project.

As for your bid protests against the second bid submitted by Arntz and the third bid submitted by Vantis, the County is not currently considering contract award to either Arntz or Vantis. Therefore, those bid protests are moot at this time. Should our department later recommend award to Arntz or Vantis, we will consider the merits of your protests against those bids at that time.

Based on the above, our department has determined that your firm's bid protests are without merit or moot and are denied. Having thoroughly reviewed and evaluated the bids submitted, we have also determined that Quiring is the lowest responsible bidder, having fully complied with all project requirements, including the Outreach Program (GFE) requirements.

Should your firm disagree with our denial of your bid protests, you may appeal it in writing to Monica Nino, County Administrator, 1025 Escobar St., 4th Floor, Martinez, CA 94553 (see Instructions to Bidders, Sect. 9.C.6). Your firm's appeal must be received at that address no later than 5:00 pm on June 12, 2025, and must describe in detail all facts and arguments on which your firm relies.

It is anticipated that the contract will be awarded by the Board of Supervisors at its meeting on June 24, 2025, which begins at 9:00 a.m. If your firm disagrees with the denial of your bid protests, you may appear at the Board meeting to comment on this matter. Any comments to the Board will be limited to the facts and arguments set forth in your firm's bid protests.

Very truly yours,

Re: MVP Bid Protest Appeal - Pinole Library Accessibility Upgrades Project

Dear Ms. Nino:

I represent MVP Construction, LLC ("MVP") the lowest responsive bidder for the Contra Costa County's ("County") Pinole Library Accessibility Upgrades Project ("Project").

On May 8, 2025 MVP submitted to the County in accordance with the Project specifications its protest of the bid ("MVP Protest") submitted by Quiring General, LLC ("Quiring"). (Exhibit 1 hereto.) On June 6, 2025 Jeffrey K. Acuff of the County delivered to MVP a written response advising that MVP's bid protest was denied. (Exhibit 2.)

In accordance with the Project Instructions to Bidders, Sec. 9.C.6, MVP submits its appeal of the County's denial of MVP's May 8, 2025 bid protest.

LEGAL STANDARDS

Public Contract Code §20162 provides:

> When the expenditure required for a public project exceeds five thousand dollars ($5,000), it shall be contracted for and let to the lowest responsible bidder after notice.

In *DeSilva Gates v. Dept. of Transportation* (2015) 242 Cal.App.4th 1409, 1417 the Court explained:

> "A bid is responsive if it promises to do what the bidding instructions require." (*MCM Const., Inc. v. City & County of San Francisco* (1998) 66 Cal.App.4th 359, 368.) Thus, a responsive bid must conform to the public agency's specifications for the contract. (*Bay Cities Paving & Grading, Inc. v. City of San Leandro* (2014) 223 Cal.App.4th 1181, 1188 (*Bay Cities Paving*).)

Womble Bond Dickinson (US) LLP is a member of Womble Bond Dickinson (International) Limited, which consists of independent and autonomous law firms providing services in the US, the UK, and elsewhere around the world. Each Womble Bond Dickinson entity is a separate legal entity and is not responsible for the acts or omissions of, nor can bind or obligate, another Womble Bond Dickinson entity. Womble Bond Dickinson (International) Limited does not practice law. Please see www.womblebonddickinson.com/us/legal-notice for further details.

In *Valley Crest Landscape v. City Council of the City of Davis* (1994) 41 Cal.App.4th 1432, 1438 the Court held:

> whether a bid is responsive can be determined from the face of the bid without outside investigation or information.

DISCUSSION

In the MVP Protest, MVP protested Quiring's bid that it was not responsive on the following grounds:

> 1. Failure to list a qualified Tile subcontractor. Per Section 093000 1.4 Quality Assurance, Installer qualifications: Experienced firm who has successfully completed tile installations similar in material, design, and extent to that indicated for Project for at least 5 years. They are unable to meet this requirement without the proper license. Quiring General, LLC does not have a C54 Tile License. They are also unable to get a Tile Council of North America, Inc. (TCNA) Master Grade Certificate and currently do not possess one. (Section 09 30 00). Without such certification, they are also unable to provide the manufacturers special warranty called out for materials and workmanship as noted in this specification. The only way a contractor is granted this certification is if they are properly licensed with this specialty license C54.
>
> 2. Failure to list a certified, licensed arborist for Tree Work as noted in Section 31 10 00 Site Clearing. None of their listed subcontractors hold a C-61/D49 Tree Service License. They also cannot self-perform this specialty work.
>
> 3. Failure to list an abatement subcontractor for lead compliance despite site survey showing lead presence in the existing roofing. Their listed demolition subcontractor Roldan Construction Inc. does not have an abatement/hazmat license and cannot perform this work as the listed subcontractor for demolition.

The County's response failed to show that the face of Quiring's bid showed that it was the lowest responsive bidder.

Tile Specifications. In the Project specifications, the County required that the contractor have completed "tile installations similar in material, design and extent to that indicated for Project for at least 5 years." Quiring's bid fails to show that it has the requisite experience required in the specifications. The County's response only cites that Quiring is licensed to self-perform that work. However, the County specified both licensing *and* experience requirements. The County's response fails to show how Quiring can fulfill both requirements. The County's response admits that Quiring did not list a tile subcontractor.

In addition to lacking the required license and TCNA certification, Quiring's bid fails to meet the mandatory specification requiring a 15-year special manufacturer's warranty for tile installation (Section 09 30 00). The subcontractor it identified for this work, KZ Tile, submitted a written proposal (see Quiring subcontractor bid submissions for good faith) that expressly states:

> Does not include special 15-year manufacturer warranty per project manual.

The face of Quiring's bid submission shows that it would not provide the required spec deliverable.

Tree Removal. In Section 31 10 00.3.2 (Site Clearing) the Project specifications required that the contractor perform tree removal work. Contra Costa County Code §816-6.6002 and City of Pinole Code Ch. 17.96 specify that such work may only be performed by a C-49 licensed contractor and overseen by an ISA Certified Arborist per CCR §832.49. Quiring's bid and list of intended subcontractors fails to identify any contractor holding those requirements (Quiring does not.) The County's response admits that neither Quiring nor it's intended subcontractor, Magellan, hold the required license but concludes that no such specialty license is required. The specifications require that the work be performed in accordance with all applicable laws, statues ordinances. The City ordinance requires that this specialty work be performed by a properly licensed subcontractor.

Lead Abatement. The specifications require that the Contractor perform the needed lead abatement work for the Project. The County's response admits that neither Quiring nor any listed subcontractor holds the proper license.

CONCLUSION

As shown above, MVP's bid protest should be granted because the face of Quiring's bid shows it failed to provide a bid that met the specifications for the Project. MVP requests that the County award the Project to MVP, the lowest responsive bidder.

Very truly yours,

Womble Bond Dickinson (US) LLP

Subject: Formal Bid Protest – Pinole Library Accessibility Upgrades Project

Bid Protest Against: Quiring General, LLC
Christian Guillen
cguillen@quiring.com
925.758.9388

M V P Construction LLC hereby submits this formal bid protest against the above-referenced contractor, Quiring General, LLC, the apparent low bidder for the Pinole Library Accessibility Upgrades project. This protest is made in accordance with the bid protest procedures outlined in the bid documents and the California Public Contract Code.

Grounds for Protest:

- • Failure to list a qualified Tile subcontractor. Per Section 093000 1.4 Quality Assurance, Installer qualifications: Experienced firm who has successfully completed tile installations similar in material, design, and extent to that indicated for Project for at least 5 years. They are unable to meet this requirement without the proper license. Quiring General, LLC does not have a C54 Tile License. They are also unable to get a Tile Council of North America, Inc. (TCNA) **Master Grade Certificate** and currently do not possess one. (Section 09 30 00). Without such certification, they are also unable to provide the ***manufacturers special warranty*** called out for materials and workmanship as noted in this specification. The only way a contractor is granted this certification is if they are properly licensed with this specialty license C54.

- • Failure to list a certified, licensed arborist for Tree Work as noted in Section 31 10 00 Site Clearing. None of their listed subcontractors hold a C-61/D49 Tree Service License. They also cannot self-perform this specialty work.
- • Failure to list an abatement subcontractor for lead compliance despite site survey showing lead presence in the existing roofing. Their listed demolition subcontractor Roldan Construction Inc. does not have an abatement/hazmat license and cannot perform this work as the listed subcontractor for demolition. See attached license details from the CSLB.

Legal Basis for Protest:

- • Public Contract Code §1103: All bids must be responsive.
- • **Business & Professions Code §7059: Contractors must have the appropriate specialty license to self-perform.**
- • **DeSilva Gates v. Dept. of Transportation (2015): Bidders must list all required licensed subcontractors for specialty scopes.**
- • Pacific Bell v. California CSLB (2003) 112 Cal.App.4th 1065: Misclassification or license substitution invalidates bid compliance.
- • **Great West Contractors v. Irvine USD (2010): Failure to list required specialty subcontractors renders a bid non-responsive.**
- • **MCM Construction v. City and County of San Francisco (1998) 66 Cal.App.4th 359: Listing violations are grounds for disqualification.**
- • **Valley Crest Landscape v. City of Davis (1994): Strict compliance with licensing and listing is mandatory.**

For the foregoing reasons, M V P Construction LLC respectfully requests that Quiring General, LLC's bid be deemed non-responsive and rejected. MVP remains ready and able to perform the work in full compliance with the specifications and applicable public contracting laws.

Sincerely,

Michael Vila
Owner/President
M V P Construction LLC
mvpcllc.com | O: 925.586.1478

Additional Grounds – Good Faith Effort Documentation:
Each bidder was required to submit Good Faith Effort documentation as part of their bid. This documentation reveals that the protested bidders failed to obtain bids or list subcontractors for the respective specialty trades outlined in our protest (e.g., tile, tree removal, and abatement). This omission demonstrates that they had no subcontractor

bids in hand at the time of bid submission. Accordingly, their failure to list required subcontractors was not due to scope value falling below the ½ of 1% threshold per Public Contract Code §4104, but because they lacked bids altogether and also cannot self-perform this work.

The attempt to now retroactively produce subcontractor bids in response to this protest undermines the integrity of the Public Contract Code and directly conflicts with established law, including DeSilva Gates and MCM Construction, which affirm that mandatory listing requirements must be satisfied at the time of bid. Work that is specialty licensed, not incidental, and materially present in the bid specifications must be supported by a listed subcontractor.

M V P CONSTRUCTION LLC

Under penalty of perjury under the laws of the State of California, I hereby certify that the foregoing is true and correct to the best of my knowledge.

Signed: _____

Re: Your Firm's Bid Protest Letters
Pinole Library Accessibility Upgrades Project
Project #WH 433A

Our office has received and reviewed your 5/8/25 letter protesting the low bid submitted by Quiring General LLC ("Quiring") on the above project, which bid was $152,000 lower than your firm's bid. We have also reviewed your 5/8/25 letters protesting the second bid submitted by Arntz Builders Inc. ("Arntz") and the third bid submitted by One Workplace Construction LLC dba Vantis ("Vantis"). As explained below, your firm's bid protests must be denied because the objections stated are all invalid as to Quiring and are moot as to Arntz and Vantis.

In your letter protesting Quiring's low bid, you raised the following objections:

(1) Quiring's failure to list a qualified tile subcontractor and failure to have a TCNA Master Grade certificate (Sect. 09 30 00).

(2) Quiring's failure to list a certified, licensed arborist for tree work (Sect. 31 10 00), the failure of Quiring's listed subs to hold a C-61/D49 specialty license, and Quiring's inability to perform this specialty work.

(3) Quiring's failure to list an abatement subcontractor for lead compliance despite the site survey showing lead presence in the existing roofing and the failure of Quiring's listed demolition subcontractor (Roldan Construction) to have an abatement/hazmat license.

(4) Quiring's failure to obtain bids or list subcontractors for tile, tree removal and abatement.

Having carefully reviewed Quiring's bid and GFE documentation and the grounds listed in your bid protest against their bid, here is our analysis and determination:

(1) Quiring has a valid Class B General Building Contractor license, as required in the project specifications (Notice to Contractors, Div. A-1). That was the only contractor's license required to bid on this project. Per Business & Professions Code Sect. 7057, a B license holder like Quiring is legally qualified to self-perform all contracting work, including tile work, or at its option can subcontract portions of the work. If a prime contractor does not list a subcontractor for any work exceeding one-half of one percent of the bid, the prime contractor is required to self-perform that work and is legally qualified to do so (Public Contract Code Sect. 4106).

In this case, Quiring did not list a tile subcontractor but, in their response to your bid protest, stated that the tile work did not exceed one-half of one percent and that listing was not required. Our department has investigated this matter and agrees with Quiring that listing of their tile subcontractor (KZ Tile) was not required because of the quote amount (less than one-half of one percent). However, even assuming that listing was somehow required, Quiring would be legally qualified to self-perform tile work under their B license and is qualified to do so. (See Business & Professions Code Sect. 7057 and Public Contract Code Sect. 4106.)

As for the TCNA Master Grade certificate (see Sect. 09 30 00), that certificate pertains to the tile materials, not to the tile installer. Therefore, your argument that Quiring or its tile subcontractor does not have a TCNA certificate is irrelevant and invalid.

As a legal basis for your bid protest, you cited two statutes and five legal decisions. We have reviewed all of the authorities cited in your bid protest and most of them involved different situations not relevant to the situation here with Quiring's low bid. The *DeSilva Gates* case actually supports Quiring's bid because it involved a bid protest against the low bidder's failure to list a fencing subcontractor and later clarification that listing was not required because the work did not exceed one-half of one percent (i.e., the same issue you are attempting to fault Quiring for).

(2) As in #1, Quiring's B license was the only one required for this project and Quiring is qualified with that license to self-perform all contract work on this project, including tree removal work or, at its option, could subcontract that work. (See Business & Professions Code Sect. 7057 and Public Contract Code Sect. 4106.) Actually, tree removal was included in the quote from Magellan Construction Inc., one of Quiring's listed subcontractors who has an A license. Nothing in Sect. 31 10 00 or elsewhere in the project specifications required that Quiring or its subcontractor hold a C-61/D49 specialty license to perform tree removal work.

As for listing of an arborist, that is normally a licensed professional, not a subcontractor. So, listing would not be required. Even assuming that this project would require the use of an arborist, which is just conjecture, Quiring would likewise be qualified with its B license to self-perform that work or to subsequently hire an arborist when and if the need appears. (See Business & Professions Code Sect. 7057; Public Contract Code Sects. 4106, 4109 & 4110.)

(3) Although the site survey mentions the presence of lead, it also states that the concentration of lead in the roof paint is below EPA and Cal-OSHA thresholds for special handling. Given these facts, no listing of an abatement contractor was required and Quiring or its listed subcontractor could legally perform any required demolition of the roof, even though they do not have an abatement license. Should it later turn out unexpectedly that lead abatement work is required, Quiring could self-perform that work using personnel with an abatement license or could hire an abatement subcontractor at that time. (See Business & Professions Code Sect. 7057; Public Contract Code Sects. 4106, 4109 & 4110.)

(4) For the County's Outreach Program, the project specifications required that bidders score at least 75 points for their GFE documentation. Quiring complied with that requirement by achieving 90 points. As part of its GFE, Quiring did obtain and provide copies of bids for tile work (KZ Tile) and tree removal work (Magellan Construction Inc.). Your argument that Quiring was required as part of its GFE to obtain bids or list a subcontractor for abatement work is incorrect and invalid.

For the sake of argument, even if Quiring's bid had any of the irregularities alleged by your firm, these would at most be considered minor irregularities that gave no actual competitive advantage to Quiring, that could easily be waived by the Board of Supervisors, and that do not require rejection of Quiring's low bid.

Keep in mind that the County is required by statute to award to the lowest responsible bidder, which in this case is $152,000 less than your firm's fourth-place bid. (See Public Contract Code Sects. 22032(c) & 22038(b).) The County appreciates your firm preparing and submitting a bid for this and other County projects but we cannot ignore that your bid protests would result in the County and its taxpayers paying at least $152,000 more for this project.

As for your bid protests against the second bid submitted by Arntz and the third bid submitted by Vantis, the County is not currently considering contract award to either Arntz or Vantis. Therefore, those bid protests are moot at this time. Should our department later recommend award to Arntz or Vantis, we will consider the merits of your protests against those bids at that time.

Based on the above, our department has determined that your firm's bid protests are without merit or moot and are denied. Having thoroughly reviewed and evaluated the bids submitted, we have also determined that Quiring is the lowest responsible bidder, having fully complied with all project requirements, including the Outreach Program (GFE) requirements.

Should your firm disagree with our denial of your bid protests, you may appeal it in writing to Monica Nino, County Administrator, 1025 Escobar St., 4th Floor, Martinez, CA 94553 (see Instructions to Bidders, Sect. 9.C.6). Your firm's appeal must be received at that address no later than 5:00 pm on June 12, 2025, and must describe in detail all facts and arguments on which your firm relies.

It is anticipated that the contract will be awarded by the Board of Supervisors at its meeting on June 24, 2025, which begins at 9:00 a.m. If your firm disagrees with the denial of your bid protests, you may appear at the Board meeting to comment on this matter. Any comments to the Board will be limited to the facts and arguments set forth in your firm's bid protests.

Very truly yours,

Jeffrey K. Acuff

Pinole Library Bid Protest

Tile Warranty Deficiency – MVP Construction LLC

Missing Tile Warranty = Noncompliant Bid

- Required by Spec (09 30 00):
- - 15-Year Special Manufacturer's Warranty

- Quiring's Listed Subcontractor (KZ Tile) States:
- "Does not include special 15-year manufacturer warranty."

Legal Impact of Warranty Omission

- - Facial non-responsiveness
- - Not curable after bid submission
- - Violates MCM Construction (1998)
- - Violates Public Contract Code §1103

Conclusion and Request

- - Cannot be waived
- - Bid is incomplete and must be rejected

- MVP Construction:
- - Includes TCNA-certified subcontractor
- - Provides full warranty
- - Is under budget and fully compliant

Re: Your Firm's Appeal Letter
Pinole Library Accessibility Upgrades Project
Project #WH433A

This responds to your June 10, 2025 letter, in which your firm appealed the Public Works Department's denial of the bid protest filed by your client (MVP) against the low bid submitted by Quiring General, LLC (Quiring) on the above project. Having carefully reviewed your client's appeal, as explained below, I have determined that all points raised by MVP are without merit and, therefore, the appeal is denied.

In your appeal letter, MVP has made the following objections to Quiring's low bid:

(1) Failure to list a tile subcontractor; failure of Quiring to have a C54 Tile specialty license; inability of Quiring to get a Tile Council of North America, Inc. (TCNA) Master Grade Certificate; inability of Quiring to provide the manufacturer's special warranty for materials and workmanship [***new point first raised on appeal***].

(2) Failure to list a certified, licensed arborist for Tree Work; failure of listed subcontractors to have a C61/D49 Tree Service specialty license.

(3) Failure to list a lead abatement subcontractor despite a site survey showing lead presence in roofing; failure of listed demolition subcontractor (Roldan Construction Inc.) to have an abatement/hazmat specialty license.

(4) Failure of Quiring to have 5 years' experience with tile work; inability of Quiring and its listed subcontractor (KZ Tile) to provide the 15-year special manufacturer's warranty for tile

installation; failure of KZ Tile to include 15-year warranty in its sub-bid [***new points first raised on appeal***].

Having reviewed MVP's original bid protest, Public Works' denial letter, your appeal letter, the authorities cited, and other pertinent materials, here is my determination of the points raised in MVP's appeal:

(1) As recognized in your appeal letter, Quiring did receive a sub-bid from a tile subcontractor (KZ Tile). Quiring was not required by law to list KZ Tile because the sub-bid was less than one-half of 1% (see Public Contract Code Sect. 4104). According to CSLB records, KZ Tile has a valid C54 specialty license. Between Quiring's B license (the only one specified for this project) and KZ Tile's C54 license, there is no issue with the licensing for the tile work.

As for the TCNA certificate, that's a certificate required for the tile materials to be used on this project, not a certificate that Quiring or KZ Tile is required to possess (see Sect. 09 30 00). The allegations that Quiring and/or KZ Tile do not have 5 years' experience with tile work and will be unable to provide the required certificate and 15-year warranty have been raised for the first time on appeal, which prevents them from now being considered. Nevertheless, even if these allegations could now be considered, they are purely speculative and MVP has provided no documentation showing that Quiring and/or KZ Tile has insufficient experience with tile work or will be unable to provide the required certificate or warranty. By comparison, the sub-bid from MVP's tile subcontractor (Frost Tile) does not mention the required certificate or warranty and does not show that Frost Tile has sufficient experience and will be able to provide the required certificate and warranty. Thus, MVP is attempting to fault Quiring for something speculative that MVP itself did not comply with.

(2) If required for the work, an arborist is a consultant, not a subcontractor that would need to be listed. Quiring intends to protect all pertinent trees on this project, will not be removing them, and will not have to hire an arborist. Even if tree removal were required, the A license of Quiring's listed subcontractor (Magellan Construction) and/or Quiring's B license would cover that work. As for MVP's allegation that an arborist will be required on this project, that is purely speculative and MVP has provided no documentation showing that an arborist will be required.

(3) Although the site survey mentions the presence of lead in paint, such lead is below regulatory limits and would not require the hiring of a lead abatement subcontractor. MVP's allegations to the contrary are speculative and unsupported. Quiring has informed the County that any required paint removal will be done by their listed subcontractor (Roldan Construction, Inc.), which has a valid B license and various specialty licenses covering such demolition work.

(4) See #1 above.

(5) In your June 10, 2025 appeal letter, you cited various legal authorities for MVP's appeal, including statutes and cases. The cited authorities generally do not support MVP's position or are not relevant to the facts of this project. For example, Public Contract Code Section 20162 applies to cities, not to the County. Also, none of the cited cases (*DeSilva Gates, MCM*

and *Bay Cities*) are really relevant to MVP's position that Quiring's bid must be rejected because of alleged subcontractor issues. In fact, in the DeSilva Gates case, the court held that the low bid (DeSilva Gates) was improperly rejected because of a protest that a subcontractor was required to be listed but wasn't—the same issue that MVP is trying to fault Quiring for here.

(6) Similar to Section 20162, Sections 22032(c) and 22038(b) require award to the lowest responsible bidder. In this case, the County has properly determined that Quiring is the lowest responsible bidder, which requires that the contract award be to Quiring, at a savings of $152,000 for the County and its taxpayers over the 4th-place bid submitted by MVP.

For the sake of argument, even if Quiring's bid had any of the irregularities alleged by MVP, these would at most be considered minor irregularities that affect small portions of the work, that gave no actual competitive advantage to Quiring, that could easily be waived by the Board of Supervisors, and that do not require rejection of Quiring's low bid.

Based on the above, I have determined that MVP's appeal is without merit, that Public Works' denial of MVP's bid protest was correct, and that MVP's appeal must be rejected and denied. The Public Works Department has reviewed and evaluated the bids submitted and determined that Quiring is the lowest responsible bidder, having fully complied with all project requirements, including the Outreach Program requirements. Accordingly, they plan to recommend that the contract be awarded to the low bidder at the Board of Supervisors meeting on ***June 24, 2025***, which begins at 9:00 a.m. If MVP still disagrees with the rejection and denial of its bid protest and appeal, you and/or MVP may appear and address the Board at that time.

Sincerely,

Eric Angstadt

Importance: High

Mr. Eric Angstadt,

In your letter you said the following:
"Nevertheless, even if these allegations could now be considered, they are purely speculative and *MVP has provided no documentation showing* that Quiring and/or KZ Tile has insufficient experience with tile work or will be unable to provide the required certificate **or warranty."**

In the bid submission including your teams review of the Good Faith Documentation and this email sent to your team regarding Quiring General.

We did provide proof that the Tile subcontractor KZ Tile and Quiring will not be able to provide the special warranty for workmanship and tiles, yet this was ignored. They specifically stated that this was excluded in their bid, reviewed by your team. (see attached)

It is clear as day and why is the County choosing to ignore this material fact and evidence.

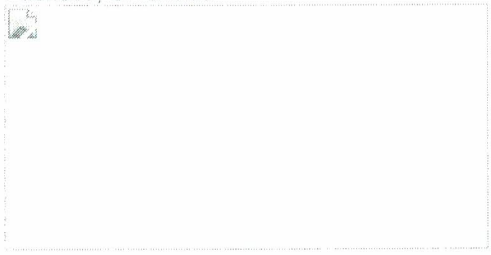

This was already provided and this matter about warranty is not new, it was stated clearly in our bid protest.
Our bid submission did not exclude such warranties nor did our subcontractors make statements like KZ tile on the bid submitted and that were reviewed by the County.

Again, see attached proof and what your team has already reviewed and chose to ignore. KZ Tile specifically stated that this excluded. This was also sent to Jeff Acuff on 06.06.2025 in an email as a response to initial county bid protest response, before the appeal was sent. Why is the proof being ignored now?
Public entities may not waive material requirements stated in bid documents.

It should also be noted that a check was provided for all three protests and by County admission, only reviewed one and profiting on a contractors bid protest submitted timely.
Is it the practice for the County to make money on bidding contractors in a public works bid?

"Monica, please provide this email and attachments as a Public Comment and an appeal for the BOS Meeting where this will be on the agenda."

Subject:	Pinole Library Accessibility Upgrades - Tiling bid Submission - KZ Tile
Date:	Friday, June 6, 2025 9:32:26 AM
Attachments:	Pinole Library Accessibilty Upgrades Proposal - KZ Tile.pdf

Good morning Mike,

Thanks for reaching out.
Please consider KZ Tile's bid for the Pinole Library project to be **$13,860.00.**

Includes an allowance for waterproofing patching as needed; with no warranty or performance guarantee.

Does not include special 15 year manufacturer warranty per project manual, as all work is patching only.

Excludes any backing install, or demo/repair of existing tile/grout/membranes, etc.
New tile install only.
Any additional floor prep/leveling is TBD after subfloor conditions are verified.

Please see attached proposal for expected scope details, and let me know if you have any questions.

Thank you,

Jeffrey Ramirez

Subject: RE: Response to Appeal - June 18, 2025 - MVP Response - Public Comment

Mr. Vila,

Our office disagrees with your statements about the tile warranty and sub-bid from KZ Tile. That sub-bid was reviewed and considered as part of our response to MVP's appeal. Actually, the KZ Tile sub-bid and the sub-bid you got from Frost Tile are similar. Neither sub-bid says anything about the subcontractor's experience with tile work. KZ Tile's sub-bid excludes the warranty in a standard exclusion and Frost Tile's sub-bid does not list the warranty under the work to be performed, thus indicating that they are not going to provide the warranty. In any event, these sub-bids and issues were not ignored but rather were thoroughly reviewed and considered by Public Works and our office.

Our office also reviewed and considered the sub-bids from Magellan Construction and Mountain Enterprises, both of which list the removal of 3 trees and say nothing about an arborist. We also reviewed and considered the sub-bids from Roldan Construction and AMG, both of which cover roofing and other demolition work and exclude hazardous materials (e.g., lead above regulatory levels).

As stated in our letter denying your appeal, we believe that MVP is trying to attack Quiring's low bid for alleged subcontractor issues that also apply to MVP's 4th-place bid and that MVP has not shown that rejection of Quiring's bid is justified or legally required. At this point, MVP's appeal has been fully reviewed and responded to. Should you or your attorney have further comments on this matter, you may address them to the Board of Supervisors at their June 24, 2025 meeting.

It is too late for me to include the email you sent in the Board's packet for June 24. I am sending your email to the Clerk of the Board and it will be distributed to the Board before the meeting on June 24th, 2025.

As for the bid protest fee paid by MVP, your protests against Arntz and One Workplace Construction were evaluated and responded to as being moot. In handling MVP's 3 bid protests, the County expended much more in staff costs than the bid protest fee paid by MVP. We disagree that the County is making money on bidding contractors, as stated in your email. That's simply not the case.

Sincerely,

Eric Angstadt
Chief Assistant County Administrator
Contra Costa County

Report Title: Disposal of Surplus Vehicles and Equipment

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
DECLARE as surplus and AUTHORIZE the Purchasing Agent, or designee, to dispose of fully depreciated vehicles and equipment no longer needed for public use, as recommended by the Public Works Director, Countywide.

FISCAL IMPACT:
No fiscal impact.

BACKGROUND:
Section 1108-2.212 of the County Ordinance Code authorizes the Purchasing Agent to dispose of any personal property belonging to Contra Costa County and found by the Board of Supervisors not to be required for public use. The property for disposal is either obsolete, worn out, beyond economical repair, or damaged beyond repair. The surplus list includes Unit 9136 that was sold at auction on April 4, 2025 for $2,500.00.

CONSEQUENCE OF NEGATIVE ACTION:
Public Works would not be able to dispose of surplus vehicles and equipment.

Report Title: Qiagen LLC

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Purchasing Agent, or designee, to execute on behalf of the Sheriff-Coroner, a purchase order with Qiagen LLC, in an amount not to exceed $181,814, and ACCEPT a Terms and Conditions for validation services, preventative maintenance, extended warranty and repairs for the automated sample handling systems used in extraction and purification processes during DNA analysis in the Office of the Sheriff Forensic Services Division, for the period March 8, 2025 through May 4, 2027.

FISCAL IMPACT:
Approval of this request will result in up to $181,814 in contractual service expenditures and will be funded 100% by the General Fund.

BACKGROUND:
Qiagen LLC manufactures the EZ2 Connect FX, an automated sample handling system, and the MiSeq FGx Sequencing System. Both technologies are integral components in DNA analysis in the Office of the Sheriff Forensic Service Division's crime laboratory. The Qiagen EZ2 Connect FX robotics provides the crime laboratory with the ability to use validated automated extraction techniques which ensure that accreditation requirements are maintained and access to the CODIS databank in compliance with FBI mandates. The MiSeq FGx allows the crime laboratory to provide genetic genealogy services which can assist with developing investigative leads in cold cases for the criminal justice system.

Qiagen LLC will provide certified field service engineers to perform preventative maintenance and repairs for the EZ2 Connect FX at the Office of the Sheriff. Qiagen LLC will also provide qualified application and support personnel to provide installation, training and validation services for the MiSeq FGx.

The department is seeking approval of this retroactive contract due to unintentional oversight caused by the substantial number of new contracts the Office of the Sheriff is currently handling.

The Terms and Conditions include a limitation of liability and indemnification from the County to Qiagen, LLC.

CONSEQUENCE OF NEGATIVE ACTION:
If the Board does not approve, the Office of the Sheriff Forensic Service Division's laboratory will be out of compliance with maintenance of equipment or the use of new equipment, which will result in the inability to provide timely DNA services to law enforcement agencies in Contra Costa County.

Report Title: Peregrine Technologies, Inc. MOU

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Sheriff-Coroner, or designee, to execute a Memorandum of Understanding (MOU) with Peregrine Technologies, Inc. authorizing the sharing of law enforcement data with all law enforcement agencies within Contra Costa County via the Peregrine platform for the purpose of law enforcement planning, response, analysis, criminal identification and apprehension, and inter-agency collaboration, which may be terminated at any time, with or without notice, by either the Office of the Sheriff or Peregrine.

FISCAL IMPACT:
Approval of this request will result in no fiscal impact.

BACKGROUND:
The Office of the Sheriff utilizes numerous inter-agency and intra-agency data sources for patrol and custody operations management, crime prevention, investigations, data analysis, officer wellness/resilience, oversight reporting and responses to public records requests. The Peregrine Technologies, Inc. system breaks down silos and supports robust inter-agency and intra-agency collaboration and information sharing. It provides a single source to retrieve data from CAD, RMS, historical records, ATIMS, evidence, LPR, RIPA data, specific data streams from ARIES and more.

Peregrine Technologies, Inc. has demonstrated a solid satisfaction track record and many agencies in the county are already customers today. All Contra Costa County law enforcement agencies who are also Peregrine customers are sharing the appropriate identified data. For those agencies, Peregrine software has been critical in several investigations, apprehensions, and trends for crimes and incidents across jurisdictional boundaries.

This MOU is subject to the previously approved contract between the Office of the Sheriff and Peregrine Technologies, Inc.

CONSEQUENCE OF NEGATIVE ACTION:
If the Board does not approve, the Office of the Sheriff will be limited in its ability to analyze crime trends and

identify and apprehend criminals that commit crimes throughout Contra Costa County.

Report Title: Cellebrite Inc.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Purchasing Agent, or designee, to execute on behalf of the Sheriff-Coroner, a purchase order with Cellebrite Inc., in an amount not to exceed $69,043, and ACCEPT an End User License Agreement to provide the Office of the Sheriff Investigations Division with cell phone forensic software, for the period July 1, 2025 through July 31, 2026.

FISCAL IMPACT:
Approval of this request will result in up to $69,043 in contractual service expenditures and will be funded 100% by the General Fund.

BACKGROUND:
Cellebrite Inc. is the industry standard for lawfully accessing and collecting digital data. Their track record is unparalleled and nearly every law enforcement agency uses their software. The cell phone forensic software from Cellebrite Inc. provides detectives at the Office of the Sheriff Investigations Division with tools to access and extract encrypted or inaccessible data from locked Apple and Android smartphones or mobile devices. This type of software allows the Office of the Sheriff to conduct thorough investigations, gather evidence efficiently and empowers the detectives with the tools they need in this digital age.

The End User License Agreement includes a limitation of liability.

CONSEQUENCE OF NEGATIVE ACTION:
If the Board does not approve, the Office of the Sheriff Investigations Division would not be able to access or extract encrypted or inaccessible data from mobile devices, which could result in potential loss of evidence and operational inefficiencies.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Purchasing Agent, or designee, to execute on behalf of the Sheriff-Coroner, a blanket purchase order with Bay Alarm Company, in an amount not to exceed $100,000, and ACCEPT a Terms and Conditions to provide intrusion alarm services for the Office of the Sheriff, for the period November 1, 2024 through December 31, 2030.

FISCAL IMPACT:
Approval of this request will result in up to $100,000 in contractual service expenditures and will be funded 100% by the General Fund.

BACKGROUND:
Bay Alarm Company provides a variety of services, including burglar alarms, fire alarms, live 24/7 video monitoring, professional installation and the ability to control systems remotely.

Bay Alarm Company provides services to multiple divisions within the Office of the Sheriff. The services they provide law enforcement agencies are aimed at reducing false alarms and improving response times to actual emergencies.

The Terms and Conditions include a limitation of liability and indemnification from the County to the contractor.

The department is seeking approval of this retroactive contract due to an administrative delay caused by the substantial number of new contracts the Office of the Sheriff is currently handling. The contractor has continued to provide services in good faith.

CONSEQUENCE OF NEGATIVE ACTION:
If the Board does not approve, multiple divisions within the Office of the Sheriff will not have access to intrusion alarm services, video monitoring and the ability to control systems remotely.

Report Title: Critical Reach, Inc.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Purchasing Agent, or designee, to execute on behalf of the Sheriff-Coroner, a blanket purchase order with Critical Reach, Inc., in an amount not to exceed $20,000, and ACCEPT a Terms of Use for APBnet software used by the Office of the Sheriff for real-time digital data sharing, for the period January 1, 2025 through December 31, 2027.

FISCAL IMPACT:
Approval of this request will result in up to $20,000 in contractual service expenditures over a 3-year period and will be funded 100% by the General Fund.

BACKGROUND:
Critical Reach, Inc. is a non-profit organization that provides technology services to law enforcement agencies in California and nationwide. They are known for pioneering digital data sharing between law enforcement agencies.

Their primary service is the APBnet software, which is used by the Office of the Sheriff, facilitates real-time sharing of photo bulletins and alerts for various situations including Missing Children, Wanted Persons, Dangerous individuals, and Other Critical Events.

The Terms of Use include a limitation of liability and indemnification from the County to the contractor.

The department is seeking approval of this retroactive contract due to an administrative delay caused by the substantial number of new contracts the Office of the Sheriff is currently handling. The contractor has continued to provide services in good faith.

CONSEQUENCE OF NEGATIVE ACTION:
If the Board does not approve, it would result in significantly slower information sharing, hinder interagency collaboration, compromise Office Safety and Public Safety and decrease investigative efficacy.

To: Board of Supervisors

From: David O. Livingston, Sheriff-Coroner

Report Title: Radio IP Software, Inc.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Purchasing Agent, or designee, to execute on behalf of the Sheriff- Coroner, a purchase order renewal with Radio IP Software, Inc. in an amount not to exceed $29,664 to provide standard ongoing support renewals for license plate reader software for the Office of the Sheriff, for the period August 1, 2025 through July 31, 2026.

FISCAL IMPACT:
Approval of this request will result in up to $29,664 in contractual service expenditures and will be funded 100% by the General Fund.

BACKGROUND:
Radio IP Software specializes in delivering innovative Mobile Virtual Private Networks (also known as Mobile VPN or MVPN) and mobile security solutions to small and large enterprises, as well as military, public safety, utilities, transportation, and government agencies with mission-critical or business-critical communication requirements. Its solutions provide mobile, secure, and real-time access to a wide range of applications and networks. Radio IP Software supports all IP and non-IP networks and delivers seamless connectivity and robust security.

Radio IP is a critical part of the Sheriff's Office's operations. The Department uses radio IP to allow private, encrypted connections between the mobile data computers (MDC) in the patrol vehicles and the Sheriff's Office's network. It allows access to software systems and data, such as Automated Report Writing System (ARS) and CAD, which are essential to the job function of the deputies. The service/support allows for assistance with technical issues, should they arise, and minimizes any downtime we may experience if they do.

The Terms and Conditions of Sale include a limitation of liability.

CONSEQUENCE OF NEGATIVE ACTION:
If the Board does not approve, the existing support will expire, leaving the Sheriff's Office without technical support for the Radio IP software, creating a potential public-safety hazard in the event of an issue that prevents

deputies from access to the network.

Staff Report

File #: 25-2760 **Agenda Date:** 7/8/2025 **Agenda #:** C.145.

To: Board of Supervisors

From: David O. Livingston, Sheriff-Coroner

Report Title: Dell Technologies Inc.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Purchasing Agent, or designee, to execute on behalf of the Sheriff- Coroner, a purchase order with Dell Technologies Inc., in an amount not to exceed $28,234, and ACCEPT a Commercial Terms of Sale for server and storage array support for the Office of the Sheriff, for the period April 01, 2024 through August 31, 2026.

FISCAL IMPACT:
Approval of this request will result in a one-time expenditure of $28,234 and will be funded 100% by the General Fund.

BACKGROUND:
Dell Technologies Inc. provides the Dell PowerEdge FX2. The Dell PowerEdge FX2 is a modular infrastructure platform that combines compute and storage capabilities within a 2U rack-mountable chassis. It allows for flexible scaling of resources, with the ability to mix and match compute and storage sleds to suit different workload requirements. The Dell Compellent Storage Center is a storage area network (SAN) designed for enterprise-level data storage. It utilizes a "Fluid Data Architecture" to manage data at a granular level, providing real-time system intelligence and automated data movement. This allows for efficient storage utilization, automated tiered storage, simplified replication, and faster data recovery.

The Office of the Sheriff has been using the FX2 servers and Dell Compellent storage arrays to host its critical data and applications. The FX2 servers and Compellent storage arrays are reaching the end of their life. The existing maintenance and support for both have expired and must be renewed.

The Commercial Terms of Sale include a limitation of liability and indemnification from the County to Dell Technologies, Inc.

This purchase will be made through a third-party vendor. Payments for this purchase order are to be made payable to Dell’s third-party reseller, Pivot Technology Services Corp. dba Computacenter or Computacenter United States Inc.

The department is seeking approval of this retroactive purchase order due to an administrative delay caused by the substantial number of new contracts the Office of the Sheriff is currently handling. The contractor has continued to provide services in good faith.

CONSEQUENCE OF NEGATIVE ACTION:
If the Board does not approve, the existing hardware will not be supported or eligible for updates. Any hardware failure of the device could cause unavailability or failure of mission-critical services provided by the Office of the Sheriff. Lack of firmware updates could expose the SO network to potential cybersecurity threats. This could result in possible agency downtime that would affect multiple entities within the county, including other police departments and first responders.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Purchasing Agent, or designee, to execute, on behalf of the Sheriff-Coroner, a purchase order with VWR International, LLC in an amount not to exceed $53,601, to provide BioHoods Freezers and for forensic evidence processing and storage for the Office of the Sheriff Forensics Division, for the period January 1, 2025 through December 31, 2025.

FISCAL IMPACT:
Approval of this request will result in up to $53,601 in contractual service expenditures and will be funded 100% by the Department of California Highway Patrol Cannabis Tax Fund Grant Program for FY2024-2026.

BACKGROUND:
VWR International, LLC offers reliable and efficient scientific equipment that is necessary for processing forensic blood and urine samples and storage of reference materials. VWR supplies BioHoods which are used when performing the analysis of blood and urine samples. VWR also supplies Freezers that are used to store reference standards that are used in the analysis of blood and urine samples.

The Office of the Sheriff would like to purchase BioHoods and Freezers for its Forensics Division. The Terms and Conditions of Sale include a limitation of liability and indemnification from the County to the contractor.

CONSEQUENCE OF NEGATIVE ACTION:
If the Board does not approve, the Office of the Sheriff Forensics Division's laboratory will be unable to replace aged equipment, which will impact the ability to complete the analysis of samples and increase the amount of time to provide Toxicology results.

Report Title: POST Emergency Vehicle Operations Course Contract

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Sheriff-Coroner, or designee, to execute a contract with California Commission on Peace Officer Standards and Training (POST), to pay the County an amount not to exceed $232,500 to provide Emergency Vehicle Operations Course instruction, for the period July 1, 2025 through June 30, 2026.

FISCAL IMPACT:
Approval of this request will result in the Office of the Sheriff receiving up to $232,500 in revenue from the State of California. This is fully budgeted in Fiscal Year 2025/26 with expenditures being fully offset by the costs recovered from the per student fee. There is no County cost.

BACKGROUND:
The Office of the Sheriff's Law Enforcement Training Center provides State Commission on POST approved Emergency Vehicle Operations Course (EVOC), required by POST, for qualified law enforcement personnel. POST provides funding on an annual basis for agencies that present this training. The contract allows the Office of the Sheriff's Law Enforcement Training Center to initially train 155 students at an initial cost of $1,500 per student. This contract includes full indemnification of the State of California.

CONSEQUENCE OF NEGATIVE ACTION:
If the Board does not approve, the Office of the Sheriff will not be able to provide or be reimbursed for the services outlined in the contract.

Report Title: EAN Services, LLC (Enterprise Rent-A-Car)

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Purchasing Agent, or designee, to execute on behalf of the Sheriff-Coroner, a purchase order with EAN Services, LLC in an amount not to exceed $120,000, and ACCEPT a Subscription and Rental Agreement to provide car rental services for the Office of the Sheriff Investigations Unit, for the period May 1, 2025 through April 30, 2026.

FISCAL IMPACT:
Approval of this request will result in up to $120,000 in contractual service expenditures over a 1-year period and will be funded 100% by the General Fund.

BACKGROUND:
EAN Services, LLC provides car rental services for the Office of the Sheriff Investigations Division. Rental cars are sometimes required during investigations and surveillance. EAN Services, LLC allows for the exchange of vehicles as many times as needed and without any additional fees being incurred.

The subscription agreement includes a limitation of liability and indemnification from the County to the contractor.

CONSEQUENCE OF NEGATIVE ACTION:
If the Board does not approve, it would result in a lack of car rental flexibility, which could lead to higher costs, limited vehicle options and potential delays during investigations.

Report Title: Equifax Information Services LLC

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
APPROVE and AUTHORIZE the Purchasing Agent, or designee, to execute on behalf of the Sheriff-Coroner, a purchase order with Equifax Information Services LLC, in an amount not to exceed $25,000, and ACCEPT a Terms of Use for access to credit reports by the Office of the Sheriff Professional Standards Division, for the period July 1, 2025 through June 30, 2028.

FISCAL IMPACT:
Approval of this request will result in up to $25,000 in contractual service expenditures over a 3-year period and will be funded 100% by the General Fund.

BACKGROUND:
Equifax is a global data, analytics, and technology company, primarily known as one of the three major credit reporting agencies in the US. Founded in 1899 as Retail Credit Company, it has evolved into a major player in financial decision-making, providing comprehensive insights to businesses and individuals.

All potential candidates applying for the Office of the Sheriff go through an extensive background process, including a credit check. Equifax Information Services LLC allows the Backgrounds Unit of the Office of the Sheriff Professional Standards Division to obtain credit and financial information for all potential candidates applying for a job.

The Terms of use include a limitation of liability and indemnification from the County to the Contractor.

CONSEQUENCE OF NEGATIVE ACTION:
If the Board does not approve, the Office of the Sheriff Backgrounds Unit would be unable to obtain credit and financial information for applicants in the hiring process. If this information is not obtained, the Backgrounds Unit would be unable to satisfy or meet the California Peace Officer Standards and Training (POST) requirements and industry standards.

File #: 25-2749 **Agenda Date:** 7/8/2025 **Agenda #:** C.150.

To: Board of Supervisors

From: Joshua Zebley, County Veterans Services Officer

Report Title: Submission of Grant Application #10168460 in the amount of $750,000 (annually) to the Veterans Health Administration- Office of Mental Health and Suicide Prevention. Grant ID-CA-SSG-3478-26.

☒Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:
AUTHORIZE the Veterans Service Officer to submit an application for the Staff Sergeant Parker Gordon Fox Suicide Prevention Grant Program to the Veterans Health Administration, Office of Mental Health and Suicide Prevention to pay County in an amount not to exceed $750,000 per year for the period July 1, 2025 through June 30, 2028.

FISCAL IMPACT:
If approved, this grant could result in an annual amount not to exceed $750,000. There is no County match required for this action.

BACKGROUND:
The Staff Sergeant Parker Gordon Fox Suicide Prevention Grant Program (SSG Fox SPGP) enables VA to provide resources toward community-based suicide prevention efforts to meet the needs of Veterans and their families through outreach, suicide prevention services, and connection to VA and community resources.

Congress has authorized $174 million to be appropriated to carry out the SSG Fox SPGP, a three-year community-based grant program that provides resources to community organizations serving certain Veterans and their families across the country. Organizations can apply for grants worth up to $750,000 and may apply to renew awards from year to year throughout the length of the program. Grants will be awarded to organizations that provide or coordinate suicide prevention services for eligible individuals at risk of suicide and their families that qualify, including:

- Outreach to identify those at risk of suicide
- Baseline mental health screening for risk (required of all grantees for participants ages 18+)
- Education on suicide risk and prevention to families and communities
- Provision of clinical services for emergency treatment
- Case management services
- Peer support services
- VA benefits assistance for eligible individuals and their families
- Assistance with obtaining and coordinating other benefits provided by the federal government, a state or local government, or an eligible entity
- Assistance with emergent needs relating to health care services, daily living services, personal financial

planning and counseling, transportation services, temporary income support services, fiduciary and representative payee services, legal services to assist the eligible individual with issues that may contribute to the risk of suicide, and childcare
- Nontraditional and innovative approaches and treatment practices, as determined appropriate by VA
- Other services necessary for improving mental health status and well-being and reducing the suicide risk of eligible individuals and their families as VA determines appropriate

CONSEQUENCE OF NEGATIVE ACTION:
The County will not receive funding to assist in the reduction of suicide rates among Veterans in Contra Costa County.
