GRANT DEED OF DEVELOPMENT RIGHTS
(Creek Structure Setback Area)

This Grant Deed of Development Rights is made by and between the Grantor, Alexander R. Mehran, as Successor Trustee under that certain Declaration of Trust established by Maryam R. Mehran dated May 5, 1992, and their successors and assigns ("Grantor") and the Grantee, Contra Costa County, a political subdivision of the State of California, and its successors and assigns ("County").

RECITALS

- A. On June 2, 2025, the Contra Costa County Zoning Administrator conditionally approved an application for a minor subdivision (MS24-00013) to subdivide an approximately 5.89-acre parcel located north of the intersection of Diablo Road and Alameda Diablo in the Diablo area, in the County of Contra Costa, State of California, into two residential lots.
- B. The subject parcel referenced in Recital A is owned by the Grantor.
- C. The East Branch of Green Valley Creek passes through the center of the parcel described in Recital A. The tributary, an unimproved earthen channel, will be referred to as the "Creek."
- D. Under County Ordinance Code sections 914-14.012, subdivision (a) ["Section 914-14.012(a)"] and 914-14.014, no permanent structures other than drainage structures may be constructed within, under or over any structure setback area of an unimproved earth channel located in a subdivision. Section 914-14.012(a) also requires the development rights for the portion of a lot within a structure setback area of an unimproved earth channel to be offered for dedication to the County.
- E. In accordance with County Ordinance Code section 914-4.012(a), Condition of Approval #35 of MS24-00013 (COA 35) requires development rights for the portion

of the subdivision within the structure setback area of the Creek to be conveyed to the County by grant deed.

- G. The area described in Exhibit A (the "Property") is the structure setback area authorized by COA 35. Exhibit A is attached hereto and incorporated herein by this reference.
- H. Grantor desires to evidence their intent and ensure that the obligations specified herein are covenants, conditions and restrictions that run with the land and are for the benefit of the County.

NOW, THEREFORE, for good and valuable consideration, including but not limited to the agreements contained herein, the receipt and sufficiency of which is hereby acknowledged, Grantor hereby grants to the County, and its successors and assigns, on the terms and conditions set forth below, all the Development Rights within, on, and over the Property.

1. **Recitals.** The recitals are intended to be and shall be part of this Grant Deed.
2. **Development Rights.** "Development Rights" are defined to mean and refer to the right to construct permanent structures on all or any portion of the Property.
3. **Negative Easement.** This Grant Deed of Development Rights is in the form of a negative easement, which shall run with the Property and shall bind the Grantor and any future owners of all or any portion of the Property. This Grant Deed is an agreement in writing affecting the title or possession of the Property.
4. **Development Restrictions.** Except for drainage structures, Grantor shall not construct permanent structures on any portion of the Property, and Grantor agrees that except for permits for construction of drainage structures, no building permits or other permits shall be issued for the purpose of constructing permanent structures on any portion of the Property. Grantor hereby waives and relinquishes any rights they might otherwise have to such permits.
5. **Covenants Running With Land.** This Grant Deed shall be binding on the parties hereto and the provisions hereof shall be covenants running with the land and shall inure to the benefit of and be binding on the heirs, successors and assigns of the Grantor and County, all of the Property and all other parties having or acquiring any right, title, or interest in any part of the Property.
6. **Remedies.** If Grantor violates any of the provisions hereof, the County shall be entitled to all rights and remedies available at law or in equity, including without limitation, an order enjoining the activity in violation hereof and an order requiring the removal of the improvements constructed in violation hereof. In addition, the County shall be entitled to an award of all expenses incurred by the County in pursuing such violation(s), including costs, interest, attorney's fees, and other litigation expenses.

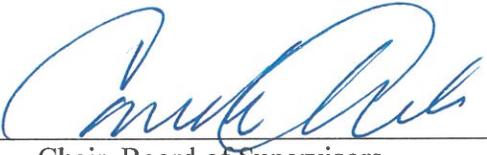

IN WITNESS WHEREOF, this Grant Deed of Development Rights is signed and executed this 16th day of September, 2025
