Priority Service Applicant Category Amount Amount Requested Recommended

Cities Served Project Description

Maternal/Inf Health	•	Breast Friends Lactation and Support Services	\$100,000		Pablo, Pittsburg,	In the past, Contra Costa County has lacked access to African American lactation support. This project will bridge the gap in lactation care for African American pregnant and breastfeeding moms and families, prioritizing breastfeeding education, offering peer support, and addressing health disparities that most impact African American families.
		Black Girls Mental Health Collective Foundation	\$176,000	, ,,,,,,,	Pablo, Pittsburg,	A culturally responsive, trauma-informed program providing perinatal mental health support, maternal health provider training, and community engagement for African American mothers in Contra Costa County to improve mental wellness and reduce health disparities.

Behavioral Health	Healing Spot Counseling Center Inc.	\$176,000		Brentwood,	Healing Spot Counseling Center Inc. pvodies culturally reponsive mental health services for African American residents who face barriers accessing community support services. The comprehensive approach includes crisis stabilization, individual counseling, and group therapy, delivered by licensed clinicians of color who understand community trauma and needs.
	Equity for Black Women and Girls	\$176,000		Pablo, Hercules,	Sister Circles create safe spaces for Black women and girls to connect, share their experiences, and network. They address critical issues such as domestic violence and mental wellness, while fostering support, growth and community. These circles empower participants to heal and face challenges with resilience.
	NAMI Contra Costa	\$176,000	\$50,000		The "I'm a Winner!" Program is designed to improve outcomes for African American youth, utilizing a holistic, faith-based, affirmative strategy. Through partnerships with schools and faith centers to address disparities and eliminate the school-to- prison pipeline, the program acknowledges the harm experienced by students and their families and offers empowering tools in a safe environment.

Food/Housing	Grace Arms of Antioch	\$100,000	\$76,000	Antioch,	Grace Closet, Pantry and Grace House provide essential services to individuals and families facing financial challenges,
Insecurity					homelessness or food insecurity. These programs offer free food, clothing, and a supportive environment for those who are
				· · · ·	unemployed, underemployed or reliant on government assistance. Grace Closet serves the community bi-weekly, ensuring
				Concord	individuals not only receive basic necessities but also experience dignity and encouragement in difficult times.
	Genesis Church	\$176,000	\$50,000	Antioch	Genesis Grocery Share Program/Elevate provides fresh produce and groceries the under-resourced residents of Antioch.
					Groceries are distributed on site every Saturday and are delivered to the elderly on Fridays.
	The Black Neighborhood	\$174,000	\$50,000	Cities in East and	The Black Neighborhood's Holistic Wellness and Food Security Iniitiative provides food distribution, trauma-informed
				West County	healing workshops, and a community conference aimed at enhancing wellness, security, and recovery within African
					American communities, particularly those impacted by systemic violence and food insecurity in both East and West Contra
					Costa County.

Community Healing	Healthy Hearts	\$110,999	\$76,000	-	The Healthy Hearts Community Healing and Resilience project will provide support for community healing from polic trauma and poverty within the El Pueblo housing development, a historically black underserved community.
	Centered Care Wellness	\$152,971	\$50,000		Transforming Chronic Care Management for Veterans through Telehealth Innovation - Providing veterans with accessible, personalized telehealth services to manage chronic health conditions and improve overall well-being.
	Miles Hall Foundation	\$100,000	\$50,000		Miles of Connections, Healing and Belonging Community Outreach Services is a community-building initiative to engage Black residents across Contra Costa County. Leveraging their trusted relationships, The Miles Hall Foundation will foster participation, belonging and healing by promoting all of the African American Wellness Hub's critical services and ensuring the community knows how to access and benefit from them.

Youth Development	1Hundred Years Project	\$176,000	\$76,000	Cities in East	1 Hundred Years Enterprise is a credible messenger-led program to support positive youth development among justice-
				County	involved African American youth in Contra Costa County. Mentors with lived experience will provide intensive support for
					28 youth and their families.
	Genesis Church	\$176,000	\$50,000	Antioch	Peer to Peer Youth Trauma Healing Groups address complex trauma inflicted upon African Americna youth in small healing
					groups. These facilitated groups provide a safe space of transparency without judgement.
	Improve Your Tomorrow	\$176,000	\$50,000	Brentwood,	Pathways to Success at Libterty and Black Diamond High Schools will deliver culturally responsive mentorship and social
				Pittsburg	emotional learning to empower young Black men. This program fuses academic support, emotional wellness resources, and
					career guidance to address systemic challenges and build pathways to educational and personal success.
