Qualifications and Volunteer Experience

Please explain why you would like to serve on this particular board, committee, or commission.

As a person who was sent to prison for a crime that I did not commit, and given the fact that the Richmond Cowboys were essential participants in the injustice meted out against me, I believe that I am the perfect example of someone who should be on this committee, board or commission. Also, given the history of racial bias against people of color within the community of Richmond California, it's imperative that I join in with others who may have been affected by racial bias so that not only do we reverse the discrimination, but also see that those practicing such are held accountable and true justice is served. This is why I would like to serve on this board.

Describe your qualifications for this appointment. (NOTE: you may also include a copy of your resume with this application)
