Background & Intent of Request for Proposal (RFP)

Contra Costa County's Office of Racial Equity and Social Justice (ORESJ) is seeking proposals from local agencies, organizations, and collaboratives to provide critical services that increase access to wellness, safety, and healing for African American communities across Contra Costa County. The awarded agencies will serve as the initial cohort of organizations to provide rapid response services within the African American Wellness and Resource Hub, a culturally-grounded countywide network of supportive services and resources that promote wellness, economic stability, and healing in vulnerable African American communities.

The goal of this RFP is to improve health and well-being outcomes for African American residents by investing in organizations that are embedded in, led by, and trusted by African American communities. Selected grantees will deliver direct services in collaboration with community-based providers and County departments and receive coordination, technical assistance, and capacity-building support from the contracted Implementation Lead Entity (see Section XX, Role of the Implementation Lead Entity). This collaborative approach builds on successful County models such as the Family Justice Alliance and the Reentry Success Network.

Across three years, from June 2026 to May 2029, ORESJ will annually award \$1,250,000 in Measure X funds to selected community-based organizations (CBOs) to expand their existing programs or develop new initiatives that build capacity, increase access, and improve health outcomes for African American residents.

Census Tract Focus

ORESJ identified twelve (12) census tracts in Contra Costa County with a significant African American population that fall under the 25th percentile of the Healthy Places Index (HPI), indicating that these areas are performing worse than the majority of census tracts across California.

These tracts are located within the cities of North Richmond, Richmond, Pittsburg, and Antioch.

To meet urgent resident needs and ensure accessibility, the rapid response services funded through this RFP must be located within and across the neighborhood sites that fall within the following census tracts of interests.

City	Census Tract(s)
Antioch	3071.02 3072.02 3072.05
North Richmond	3650.02
Pittsburg	3050 (Los Medanos) 3120 (Los Medanos)
Richmond	3730 3750 3760 (Iron Triangle) 3770 3790 3810

Priority Service Categories

Three grant cycles will take place between June 2026- May 2029. The total amount of funding for each year will be \$1,250,000, distributed annually. The County anticipates awarding up to ten (10) grants to community-based service providers in the following areas:

Service Area	Anticipated Allocation
Behavioral Health (1–2 grants)	\$250,000/cycle
Housing Support (1–2 grants)	\$250,000/cycle
Reentry Support (1–2 grants)	\$250,000/cycle
Preventative Health (1–2 grants)	\$250,000/cycle
Infant and Maternal Health (1–2 grants)	\$250,000/cycle

RFQ for Implementation Lead Entity

Background & Intent of RFP

Contra Costa County's Office of Racial Equity and Social Justice is seeking proposal submissions from local agencies/organizations/collaboratives seeks proposals from qualified entities to serve as the Lead Entity for the development and implementation of the African American Holistic Wellness & Resource Hub (AAHWRH).

This initiative builds upon the County's commitment to addressing racial inequities and improving outcomes for African American residents. The AAHWRH will ensure a culturally responsive, compassionate, and comprehensive response to the needs of vulnerable members of the African American community. It builds upon the success of prior County efforts and models such as the Contra Costa Family Justice Alliance (initially administered by Employment and Human Services Department) and the Reentry Success Network/Center (administered by the Probation Department).

**Contra Costa County
African American Holistic Wellness and Resource Hub
Ad Hoc Transitional Community Advisory Body (T-CAB)
BYLAWS**

I. NAME

The name of this committee is the Contra Costa County African American Holistic Wellness and Resource Hub Feasibility Study Ad Hoc Transitional Community Advisory Body ("T-CAB"). The T-CAB is governed by the California Ralph M. Brown Act ("Brown Act") and the Contra Costa County Better Government ordinance ("BGO").

II. AUTHORITY

The T-CAB was established by the Contra Costa County Board of Supervisors ("Board") on August 12, 2025 and is governed by these bylaws. The purpose and function of these bylaws are to provide structure and consistency around governance of its members and the regulation of its affairs.

III. PURPOSE

The purpose of the T-CAB is to carry out the following tasks related to the establishment of the African American Holistic Wellness and Resource Hub:

- a. Review and provide feedback on eligibility and selection criteria for Implementation Lead entity. The entity will coordinate the establishment of the African American Holistic Wellness and Resource Hub, a network of service provider partners.
- b. Review and provide feedback on eligibility and selection criteria for the Executive Director of the African American Wellness and Resource Hub. The Executive Director will report to the Board of Directors and work closely with the Community Council (see below).
- c. Review and provide feedback on eligibility and selection criteria for Board of Directors of the African American Holistic Wellness and Resource Hub. It is anticipated that the Board of Directors will be composed of thirteen (13) seats: six institutional seats and seven community seats, with Directors committing to serve at least one two-year term.

- d. Review and provide feedback on eligibility and selection criteria for Community Council. The Community Council will be an advisory body to the Board of Directors and AAHWRH leadership on ongoing concerns and issues within the local Black community and provide guidance around community engagement, improved service delivery, and innovative partnership opportunities.
- e. Review and provide feedback on eligibility and selection criteria for rapid response service providers. Rapid response service providers will deliver direct services in collaboration with County services, while receiving coordination support, technical assistance, and capacity building opportunities from the contracted lead entity. Services will aim to expand access to effective health and social service opportunities, strengthen navigation and service linkage processes, and improve health and well-being in African American and other vulnerable communities.
- f. Support outreach and recruitment efforts for interested and qualified candidates for all positions/roles described above

The T-CAB is a temporary advisory body with an anticipated timeline through August 2026. The Equity Committee may make recommendations to extend the timeline for this body's work. It is intended that the T-CAB will sunset once the Implementation Lead Entity is established and the Board of Directors and Community Council are established.

IV. **MEMBERSHIP**

The T-CAB will be composed of thirteen (13) members that each possess personal and professional lived experiences that reflect the needs, concerns and priorities of vulnerable African Americans in Contra Costa County. There will be a balanced representation of geographic, social, and cultural categories to ensure a broad and diverse spectrum of perspectives are included in all T-CAB deliberations and decision-making. All members of the T-CAB are appointed by and serve at the pleasure of the Board.

The T-CAB shall select a Chair and Vice-Chair for purposes of officiating meetings. The Chair shall preside at all meetings and shall proceed with the business of the Advisory Body in a manner prescribed in these bylaws and in the Advisory Body Handbook. If the Chair is not present at a meeting, the Vice Chair shall preside.

The T-CAB shall also have three (3) Alternate Members. Alternate Members are non-voting members of the T-CAB appointed by the Board of Supervisors that have all the duties, rights, and responsibilities of other Appointed Members, except voting privileges and they do not count towards a quorum. The Chair may designate an

Alternate Member to represent an absent Member. When an Alternate Member is designated to represent an absent Member, the Alternate Member has all the duties, rights, and responsibilities of the member they represent, including voting privileges and counting towards a quorum. The Alternate Member's designation to represent an absent Member shall apply only for the duration of the specific T-CAB meeting in which such designation occurs. In filling an unscheduled vacancy of a Member, preference shall be given to any Alternate Member with a consistent record of meeting attendance and participation.

The T-CAB may establish volunteer ad hoc working groups, comprised of fewer members than a quorum, in order to secure specific areas of expertise necessary to meet the objectives of the T-CAB.

V. CONFLICT OF INTEREST

To ensure there are no conflicts of interest, T-CAB members cannot have professional affiliations or close personal relationships with, or financial interests in any organizations or persons applying for and/or serving in any of the following capacities for the African American Holistic Wellness and Resource Hub: Implementation Lead Entity, Executive Director, Board of Directors and Community Council. No member shall participate as a member in any discussion or voting if doing so would constitute a perceived or actual conflict of interest, and in accordance with the California Political Reform Act of 1974 and Government Code section 1090 et seq.

Whenever a member has a personal or financial interest in any matter coming before the T-CAB, the member shall ensure that:

- a. The interest of such member is fully and publicly disclosed to the T-CAB; and
- b. The member is recused from discussing and voting on the matter after public identification of the conflict of interest has been provided.

No interested member may vote on or discuss the matter or be counted in determining the existence of a quorum at the meeting of the T-CAB at which such matter is voted upon. Any transaction in which a member has a personal or financial interest shall be duly approved by remaining members of the T-CAB not so interested or connected as being in the best interests of the T-CAB.

VI. QUORUM, VOTING AND DECISION-MAKING

All members will have an equal voice in the decision-making process. Each member is entitled to one vote.

- a. A quorum is established when seven (7) of the thirteen (13) T-CAB members are present.
- b. A vote of action approved by a majority of the T-CAB members present, unless otherwise specified herein, is required for the adoption of any option, resolution or order and to take any other action deemed appropriate to carry forward the objectives of the T-CAB.

VII. RESIGNATION

A member may resign from the T-CAB at any time by submitting written notice to the County staff ("Staff") at the Office of Racial Equity and Social Justice, which has been appointed by the Board to manage and support the T-CAB. The resignation will be effective upon receipt of the written request. Staff shall notify the Board as soon as possible regarding the vacancy.

VIII. FILLING VACANCIES

Vacancies will be filled as soon as practicable in accordance with Contra Costa County policies and procedures regarding filling commission vacancies.

- a. In the case of resignations and vacancies, the T-CAB is able to continue in its role and function as long as a quorum of seven (7) members is met; staff will work with all due diligence to fill the vacancy as soon as possible by working with the Equity Committee and the Board in identifying a replacement, while keeping the T-CAB apprised of progress with regular updates.

IX. MEETINGS AND ATTENDANCE

Members of the T-CAB shall attempt with all due diligence to attend all meetings. If any member of the Committee is unable to attend, they must make reasonable efforts to notify Staff prior to the meeting.

- a. T-CAB meetings will take place at a mutually agreed upon date and time, and will take place at the County Administration Building B at 1026 Escobar Street, Martinez, CA 94553, and may take place at other publicly accessible locations posted on the agenda. If a quorum is not available for a regular meeting, Staff may approve the cancellation of that meeting.
- b. Additional remote meeting locations throughout the County may be designated, as permitted by the Brown Act and approved by the Board. Regardless of the number of locations for any given meeting, a quorum of the T-CAB (i.e., 7 members) must participate at all meeting locations in accordance with applicable state law.

- c. The Brown Act permits individual members of the T-CAB to participate in committee meetings by teleconference for “just cause” or due to “emergency circumstances” when certain requirements are met. If any member must attend a meeting virtually (i.e., via Zoom) for a “just cause” or “emergency circumstance” reason, that member must notify Staff prior to the meeting. Members can use this option up to two times throughout the year. If a committee meeting takes place at multiple locations and less than quorum (i.e., 7 members) is at a single location, then no member will be able to use “just cause” or “emergency circumstance” and participate virtually.

X. AGENDA, ADDING ITEMS, URGENCY ITEMS, ORDER OF BUSINESS

- a. Members may add subjects for inclusion in the agenda so long as they notify the Chair at least one week prior to the meeting. Those subjects will be added to the agenda accordingly by Staff in consultation with the Chair, either as items that require discussion and action/approval or as informational items for review and acceptance.
