Contra Costa Homeless System of Care Annual Update

**Christy Saxton,
Director**

September 25, 2023

Workers need to earn **\$43.73/hour** to afford a 2-bedroom apartment in Contra Costa.

Cost of housing is the biggest factor in a community's rate of homelessness

2,372 people experiencing homelessness were counted in the 2023 Contra Costa PIT Count

Health, Housing and Homeless Services (H3) is committed to making homelessness short-lived and non-recurring by ensuring an integrated system of housing and support services for persons experiencing homelessness in Contra Costa County.

Over 7,700
households served
in 2022

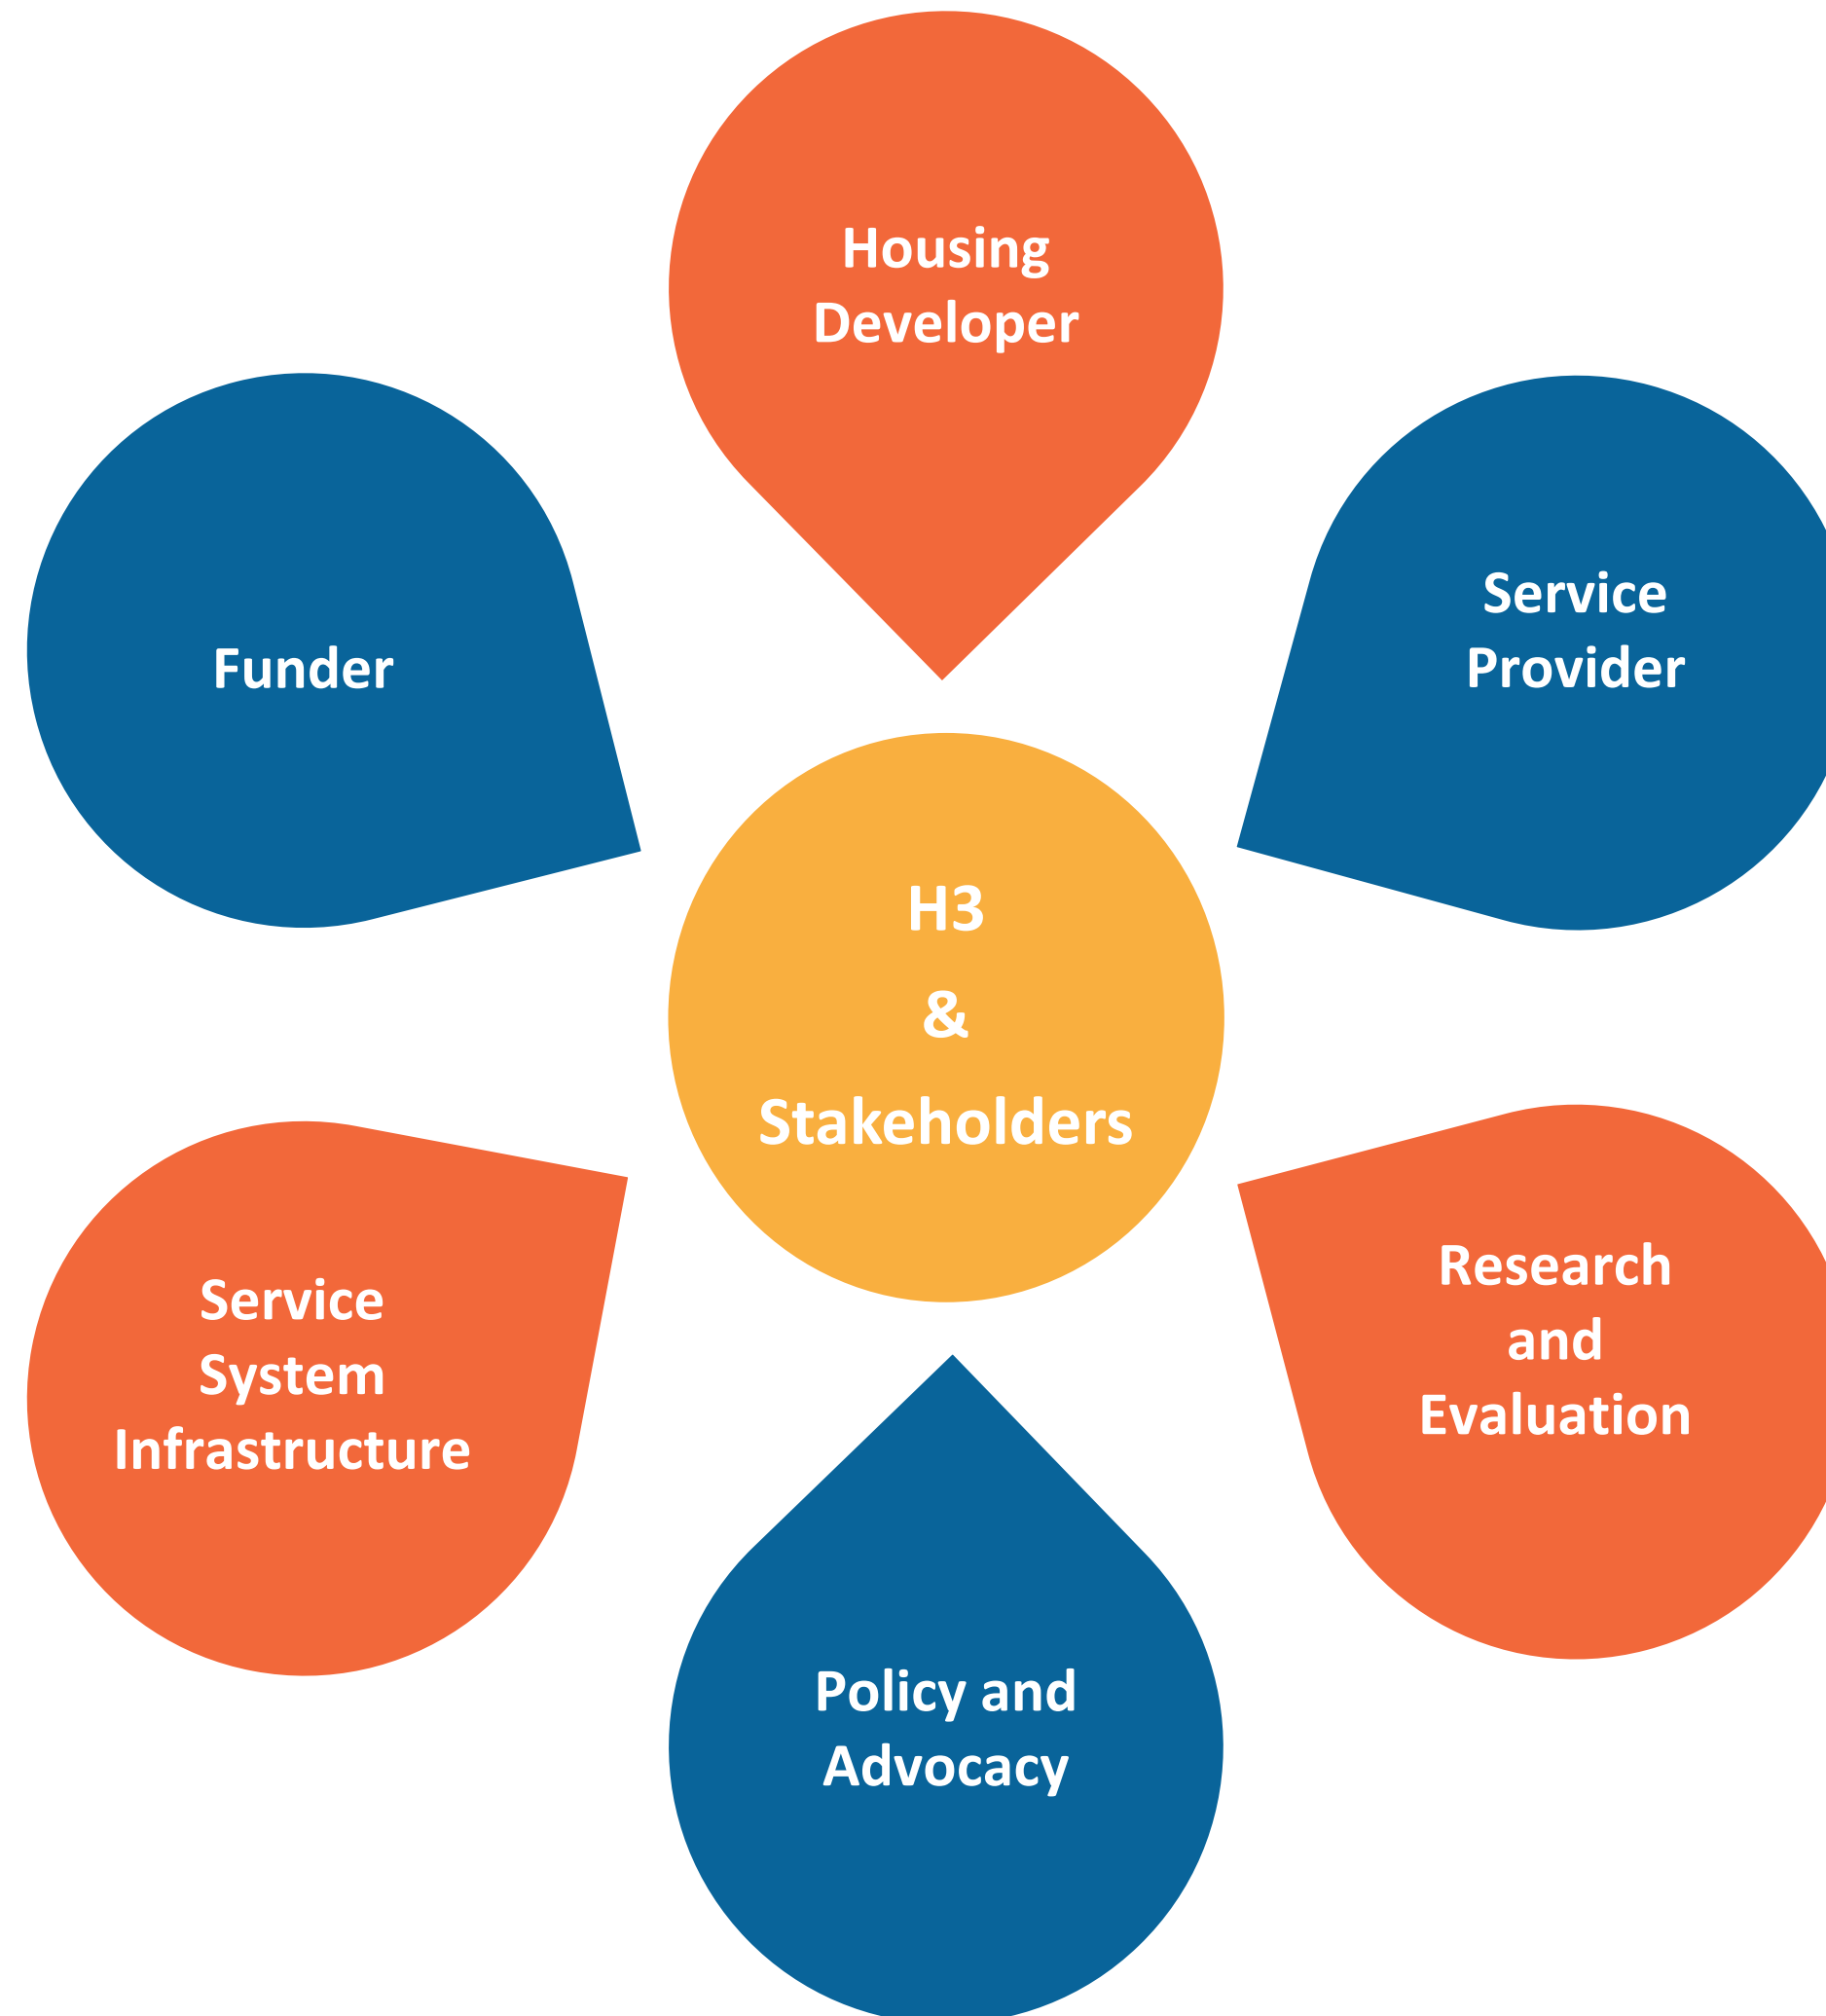

1,169 households
accessed
homelessness
prevention services

1,166 households
were served in
permanent housing
programs

96% of households
maintained housing
in Permanent
Supportive Housing
