He said there is only one speed limit sign in town. He further noted that a number of residents are concerned about impacts from the Field Semester Project, a boarding school to be located at the historic Port Costa school;

Janet Tatterson, Port Costa Community Alliance, spoke of concerns of the changes including rezoning that would come from the Field Semester Project, impacts to Carquinez Drive, the freshwater lake and the school;

Liz requested the Board reconsider certifying the March 5, 2024 primary election results and requested they consider changing to a paper ballot system.
