2. Please explain why you would like to serve on the Council on Homelessness and in the specific Council seat(s) you are applying for. (400 word maximum) *

As a dedicated employee of a housing authority for over 37 years, I have made it my mission to bring affordable housing to as many people as I can through the use of rental assistance and leveraging the rental assistance to actually create more affordable housing in partnership with non-profit housing developers. Sitting on the Council on Homelessness has given me added tools needed to do my job well and better understand the needs of the populations we serve. I want to continue to learn and grow my educational journey to provide affordable housing to the public and the COH can continue to help me be better at what I do.

3. Please briefly describe any personal or professional skills, experiences, volunteer work, or connections (such as affiliations with organizations addressing homelessness) that you would bring to the Council on Homelessness and/or the specific seat you are applying for. For example, you can talk about things like your experience getting services in the county, comfort with public speaking, experience working with unhoused youth, community activism, relationships with organizations, etc. (400 word maximum) *

I have 37 years of affordable housing experience bringing a compassionate and understanding ear to the households we serve. I have a deep knowledge of HUD regulations and operations that help maneuver a complicated housing world and have long-standing relationships with HUD staff at all levels of the agency. I have served on the Council on Homelessness for almost 10 years and have hope to continue to serve in my capacity as a Housing Authority senior manager.

4. Please identify your personal connections with homelessness by selecting one of the options below: *

- ☐ I am a person currently experiencing homelessness and living in a shelter or location not meant for human habitation (e.g., in a tent).
- ☐ I am a person who experienced homelessness within the past 7 years but is currently housed.
- ☐ I am a person who experienced homelessness more than 7 years ago but is currently housed.
- ☐ I am a family member of someone who has experienced homelessness
- ☒ I am none of the above but still invested in addressing homelessness in Contra Costa County.
- ☐ I would prefer not to respond

5. Unhoused people in Contra Costa County come from many different backgrounds in terms of race, ethnicity, culture, ability, age, sexual and gender identity, and immigration status. Please list and explain 3 reasons why certain groups might have a harder time accessing services than others. (400 words maximum) *

I think the main reason people have a hard time accessing services is generally because of lack of understanding of how to access housing. There is so much information out there but knowing how to navigate the information is a challenge. In addition, literacy issues continue to be a challenge more many and is partly responsible for the fact they are homeless to begin with. Language barriers can also interfere with access to housing services and programs because people are unsure of what things say in English or do not trust that what is being said is truthful or real. Immigration raids of late are another example of how people won't access services for fear of reprisal or deportation. This is just a small sample of reasons and we haven't even broached the issue of discrimination and racism that are prevalent in the housing world that keep people from being properly housed.

6. Please share and explain two (2) ideas to help Contra Costa County better support people who are unhoused and people at risk of being unhoused. Your ideas can come from your own experience receiving services, your work, and/or what you've seen in the news. (400 word maximum) *

I think more funding for shallow rental assistance programs that can either help people retain their housing in the face of increasing rents and avoid homelessness altogether would be very helpful for Contra Costa. In addition, greater emphasis needs to be placed on the issue of mental health and providing the services that are needed for people to actually KEEP the housing they eventually find or receive. So many times we see housing programs that get people housed only to have them evicted within weeks or months due to mental health issues that were not treated or diagnosed and facilitate the household's failure.

7. How many Continuum of Care (CoC), Council on Homelessness (CoH), or Youth Advisory Council (YAC) meetings have you attended in the past? *

- ☒ 3 or more meetings
- ☐ 1-2 meetings
- ☐ 0 meetings

8. The Council is committed to the Housing First approach, which means people can get into housing without needing to meet certain requirements like being sober, participating in a religious program, or having a job. In response, the Council has established this Guiding Principle: *Homelessness is first a housing issue, and necessary supports and services are critical to help people remain housed. Our system must be nimble and flexible enough to respond through the shared responsibility, accountability, and transparency of the community.*

Do you agree with the Housing First approach and Guiding Principle described above? *

- ☒ Yes
- ☐ No

9. Members of the Council are expected to attend standing monthly Council on Homelessness meetings which take place on the first Thursday of the month from 1 pm – 3pm in Martinez. Members are also expected to participate in at least one committee, which typically meet on a monthly basis.

Standing Committees (meet once a month or every other month)

- Equity Committee
- HMIS Policy Committee
- Oversight Committee
- PATH (Plan for Accelerating Transformative Housing) Committee

Ad Hoc Committees (meet on an as-needed basis for a limited time)

- Funding Committee
- Governance Committee
- Homelessness Awareness Month Committee
- Nominating Committee
- Point-in-Time (PIT) Count Committee

All Councilmembers are expected to attend meetings in person and can only attend virtually twice per calendar year under very narrow circumstances. Additionally, Councilmembers may miss up to two Council meetings per calendar year. Based on this information, please identify the level of commitment you can provide to the Council on Homelessness by selecting one of the options below: *

- ☒ I am available to attend the **standing monthly COH meeting** on the first Thursday of every month from 1pm to 3pm, and I am available to participate in at least one committee which would require attending a separate regular meeting.
- ☐ I am not available for the standing monthly COH meeting and/or I am not available to participate in at least one committee.
