The County's legislative advocate will be at the July Committee meeting, the monthly report is attached.

### **SB1031 (Wiener) Connect Bay Area Act**

The Committee provided direction to staff at our last meeting regarding SB1031. Subsequent to that direction, the bill was paused at the request of the authors. The move was reportedly due to opposition from Santa Clara County/San Jose which included concerns about empowerment of the Metropolitan Transportation Commission, potential conflicts with existing sales tax mechanisms, and the amount of return-to-source.

### **4. Federal**

No federal report in July.
