- (k) Within thirty (30) days after the date on which fifty percent (50%) of the dwelling units in the Project are first occupied, the Borrower will submit to the Issuer (with a copy to the Majority Owner), and will cause to be recorded in the County Recorder's office, a duly executed and completed Certificate as to Commencement of Qualified Project Period in the form of Exhibit G hereto.
- (1) Money on deposit in any fund or account in connection with the Loan or the Funding Loan, whether or not such money was derived from other sources, shall not be used by or under the direction of the Borrower, in a manner which would cause the Tax-Exempt Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code, and the Borrower specifically agrees that the

investment of money in any such fund shall be restricted as may be necessary to prevent the Tax-Exempt Bonds from being "arbitrage bonds" under the Code.

- (m) All of the proceeds of the Tax-Exempt Loan and earnings from the investment of such proceeds will be used to pay Project Costs; and no more than two percent (2%) of the proceeds of the Tax-Exempt Loan will be used to pay issuance costs of the Bonds, within the meaning of Section 147(g) of the Code.

No portion of the proceeds of the Tax-Exempt Loan shall be used for an office unless the office is located on the premises of the facilities constituting the Project and unless not more than a de minimis amount of the functions to be performed at such office is not related to the day-to-day operations of the Project.
- (o) In accordance with Section 147(b) of the Code, the average maturity of the Tax-Exempt Bonds does not exceed 120% of the average reasonably expected remaining economic life of the facilities being financed by the Tax-Exempt Loan.

 - (q) The Borrower shall pay all of the Costs of Issuance.
- (r) The Borrower hereby incorporates herein, as if set forth in full herein, each of the representations, covenants and warranties of the Borrower contained in the Tax Certificate and the Loan Agreement relating to the Project.

- **Section 3. Qualified Residential Rental Project**. The Borrower hereby acknowledges and agrees that the Project is to be owned, managed and operated as a "residential rental project" within the meaning of Section 142(d) of the Code for a term equal to the Compliance Period. To that end, and for the term of this Regulatory Agreement, the Borrower hereby represents, covenants, warrants and agrees as follows:

- (a) The Project will be operated for the purpose of providing multifamily residential rental property. The Borrower will own, manage and operate the Project as a project to provide multifamily residential rental property comprised of a building or structure or several interrelated buildings or structures, together with any functionally related and subordinate facilities, and no other facilities, in accordance with Section 142(d) of the Code, Section 1.103-8(b) of the Treasury Regulations and the provisions of the Act, and in accordance with such requirements as may be imposed thereby on the Project from time to time.
- (b) All of the dwelling units in the Project (except for not more than one unit set aside for a resident manager or other administrative use) will be similarly constructed units, and each dwelling unit in the Project will contain complete separate and distinct facilities for living, sleeping, eating, cooking and sanitation for a single person or a family, including a sleeping area, bathing and sanitation facilities and cooking facilities equipped with a cooking range, refrigerator and sink.
- (c) None of the dwelling units in the Project will at any time be utilized on a transient basis or rented for a period of less than 30 consecutive days, or will ever be used as a hotel, motel, dormitory, fraternity house, sorority house, rooming house, nursing home, hospital, sanitarium, rest home or trailer court or park; provided that the use of certain units for tenant guests on an intermittent basis shall not be considered transient use for purposes of this Regulatory Agreement.
- (d) No part of the Project will at any time during the Compliance Period be owned by a cooperative housing corporation, nor shall the Borrower take any steps in connection with a conversion to such ownership or use, and the Borrower will not take any steps in connection with a conversion of the Project to condominium ownership during the Compliance Period (except that the Borrower may obtain final map approval and the Final Subdivision Public Report from the California Department of Real Estate and may file a condominium plan with the County).
- (e) All of the Available Units in the Project will be available for rental during the period beginning on the date hereof and ending on the termination of the Compliance Period on a continuous, "first-come, first-served" basis to members of the general public, and the Borrower will not give preference to any particular class or group in renting the dwelling units in the Project, except (i) not more than one unit may be set aside for a resident manager or other administrative use, or (ii) to the extent that dwelling units are required to be leased or rented in such a manner that they constitute Low Income Units or otherwise as necessary to comply with Section 6(a), (b) and (c), or (iii) to the extent required under any "extended low-income housing commitment" (an "Extended Use Agreement") applicable to the Project, or (iv) to the extent required by the provisions of any documents related to the provision of State or federal low income housing tax credits for the Project.
- (f) The Project site consists of a parcel or parcels that are contiguous except for the interposition of a road, street or stream, and all of the facilities of the Project comprise a single geographically and functionally integrated project for residential rental property, as evidenced by the ownership, management, accounting and operation of the Project.
- (g) The Borrower shall not discriminate on the basis of race, creed, color, sex, source of income (e.g. AFDC, SSI), physical disability, age, national origin or marital status in the rental, lease, use or occupancy of the Project or in connection with the employment or application for employment of persons for the operation and management of the Project.

- (h) No dwelling unit in the Project shall be occupied by the Borrower. Notwithstanding the foregoing, if the Project contains five or more dwelling units, this paragraph shall not be construed to prohibit occupancy of dwelling units by one or more resident managers or maintenance personnel any of whom may be the Borrower; provided that the number of such managers or maintenance personnel is not unreasonable given industry standards in the area for the number of dwelling units in the Project.
 - (i) The Borrower will not sell dwelling units within the Project.
- (j) Should involuntary noncompliance with the provisions of Section 1.103-8(b) of the Treasury Regulations be caused by fire, seizure, requisition, foreclosure, transfer of title by deed in lieu of foreclosure, change in a federal law or an action of a federal agency after the Closing Date which prevents the Issuer from enforcing the requirements of the Code and the Treasury Regulations as applicable to the Project, or condemnation or similar event, the Borrower covenants that, within a "reasonable period" determined in accordance with the applicable Regulations, it will either prepay the Loan or, if permitted under the provisions of the Loan Agreement, apply any proceeds received as a result of any of the preceding events to rehabilitate the Project to meet the requirements of Section 142(d) of the Code and the applicable Regulations.
- (k) During the Qualified Project Period, the Borrower shall submit a completed Internal Revenue Code Form 8703 or such other annual certification as required by the Code with respect to the Project to the Secretary of the Treasury on or before March 31 of each year (or such other date as may be required by the Code).

The Issuer hereby elects to have the Project meet the requirements of Section 142(d)(1)(B) of the Code.

- **Section 4.** Low Income Tenants; Reporting Requirements. Pursuant to the requirements of the Code, the Borrower hereby represents, warrants and covenants as follows:
- (a) During the Compliance Period, no less than forty percent (40%) of the total number of completed units in the Project shall at all times be Low Income Units. For the purposes of this paragraph (a), a vacant unit that was most recently a Low Income Unit is treated as a Low Income Unit until reoccupied, other than for a temporary period of not more than 31 days, at which time the character of such unit shall be redetermined.

In addition to the foregoing, the Borrower shall comply with the "Other Restricted Units" requirements of Section 14.b. of Exhibit A to the CDLAC Resolution, as required by Section 29(a), including the tenant income restrictions referenced after Section 7 of Exhibit A to the CDLAC Resolution.

(b) No tenant qualifying as a Low Income Tenant upon initial occupancy shall be denied continued occupancy of a unit in the Project because, after admission, the aggregate Gross Income of all tenants in the unit occupied by such Low Income Tenant increases to exceed the qualifying limit for a Low Income Unit. However, should the aggregate Gross Income of tenants in a Low Income Unit, as of the most recent determination thereof, exceed one hundred forty percent (140%) of the applicable income limit for a Low Income Unit occupied by the same number of tenants, the next available unit of comparable or smaller size must be rented to (or held vacant and available for immediate occupancy by) Low Income Tenant(s). The unit occupied by such tenants whose aggregate

Gross Income exceeds such applicable income limit shall continue to be treated as a Low Income Unit for purposes of the 40% requirement of Section 4(a) hereof unless and until an Available Unit of comparable or smaller size is rented to persons other than Low Income Tenants.

- During the Compliance Period, the Borrower will obtain, complete and maintain on (c) file Income Certifications for each Low Income Tenant, including (i) an Income Certification dated immediately prior to the initial occupancy of such Low Income Tenant in the unit and a second Income Certification dated one year after the Low-Income Tenant's initial move-in date, and (ii) thereafter, an annual Income Certification with respect to each Low Income Tenant. In lieu of obtaining the annual Income Certifications required by clause (ii) of the preceding sentence, the Borrower may, with respect to any particular twelve-month period ending each February 1, deliver to the Administrator no later than fifteen days after such date a certification that as of each February 1, no residential unit in the Project was occupied within the preceding twelve months by a new resident whose income exceeded the limit applicable to Low Income Tenants upon admission to the Project. The Administrator may at any time and in its sole and absolute discretion notify the Borrower in writing that it will no longer accept certifications of the Borrower made pursuant to the preceding sentence and that the Borrower will thereafter be required to obtain annual Income Certifications for tenants. The Borrower will also provide such additional information as may be required in the future by the Code, the State or the Issuer, as the same may be amended from time to time, or in such other form and manner as may be required by applicable rules, rulings, policies, procedures, Regulations or other official statements now or hereafter promulgated, proposed or made by the Department of the Treasury or the Internal Revenue Service with respect to Tax-Exempt obligations. Upon request of the Administrator or the Issuer, copies of Income Certifications for Low Income Tenants commencing or continuing occupation of a Low Income Unit shall be submitted to the Administrator or the Issuer, as requested.
- (d) The Borrower shall make a good faith effort to verify that the income information provided by an applicant in an Income Certification is accurate by taking one or more of the following steps as a part of the verification process: (1) obtain pay stubs for the three most recent pay periods, (2) obtain an income tax return for the most recent tax year, (3) obtain a credit report or conduct a similar type credit search, (4) obtain an income verification from the applicant's current employer, (5) obtain an income verification from the Social Security Administration and/or the California Department of Social Services if the applicant receives assistance from either of such agencies, or (6) if the applicant is unemployed and does not have an income tax return, obtain another form of independent verification reasonably acceptable to the Administrator.
- (e) The Borrower will maintain complete and accurate records pertaining to the Low Income Units, and will permit any duly authorized representative of the Administrator, the Issuer, the Servicer, the Department of the Treasury or the Internal Revenue Service to inspect the books and records of the Borrower pertaining to the Project, including those records pertaining to the occupancy of the Low Income Units.
- (f) The Borrower will prepare and submit to the Administrator, on behalf of the Issuer, not less than annually, commencing not less than six months after the Closing Date, a Certificate of Continuing Program Compliance executed by the Borrower in substantially the form attached hereto as Exhibit C. During the Compliance Period, the Borrower shall submit a completed Internal Revenue Code Form 8703 or such other annual certification as required by the Code with respect to the Project, to the Secretary of the Treasury on or before March 31 of each year (or such other date as may be required by the Code).

During the entire Compliance Period, all tenant leases or rental agreements shall be subordinate to this Regulatory Agreement. All leases pertaining to Low Income Units shall contain clauses, among others, wherein each tenant who occupies a Low Income Unit: (i) certifies the accuracy of the statements made by such tenant in the Income Certification; (ii) agrees that the family income and other eligibility requirements shall be deemed substantial and material obligations of the tenancy of such tenant, that such tenant will comply promptly with all requests for information with respect thereto from the Borrower, the Issuer or the Administrator on behalf of the Issuer, and that the failure to provide accurate information in the Income Certification or refusal to comply with a request for information with respect thereto shall be deemed a violation of a substantial obligation of the tenancy of such tenant; (iii) acknowledges that the Borrower has relied on the statements made by such tenant in the Income Certification and supporting information supplied by the Low Income Tenant in determining qualification for occupancy of a Low Income Unit, and that any material misstatement in such certification (whether or not intentional) will be cause for immediate termination of such lease or rental agreement; (iv) agrees that the tenant's income is subject to annual certification in accordance with Section 4(c) and that if upon any such certification the aggregate Gross Income of tenants in such unit exceeds the applicable income limit under Section 4(b), the unit occupied by such tenant may cease to qualify as a Low Income Unit and such unit's rent may be subject to increase; and (v) agrees that a tenant's failure to cooperate with the annual recertification process required by this Regulatory Agreement is grounds for termination of the lease or rental agreement.

For purposes of this Section 4, no unit occupied by a residential manager shall be treated as a rental unit during the time of such occupation.

- **Section 5. Tax-Exempt Status of the Tax-Exempt Bonds**. The Borrower and the Issuer, as applicable, each hereby represents, warrants and agrees as follows:
- (a) The Borrower and the Issuer will not knowingly take or permit, or omit to take or cause to be taken, as is appropriate, any action that would adversely affect the Tax-Exempt nature of the interest on the Tax-Exempt Bonds and, if either of them should take or permit, or omit to take or cause to be taken, any such action, it will take all lawful actions necessary to rescind or correct such actions or omissions promptly upon obtaining knowledge thereof.
- (b) The Borrower and the Issuer will file of record such documents and take such other steps as are necessary, in the written opinion of Tax Counsel filed with the Issuer (with a copy to the Borrower, Servicer and Majority Owner), in order to insure that the requirements and restrictions of this Regulatory Agreement will be binding upon all owners of the Project, including, but not limited to, the execution and recordation of this Regulatory Agreement in the real property records of the County.
- **Section 6. Requirements of the Act**. In addition to the other requirements set forth herein, the Borrower hereby agrees that it shall comply with each of the requirements of the Act, including the following:
- (a) As provided in Section 52080(a)(1)(B) of the Act, forty percent (40%) or more of the completed residential units in the Project shall be occupied by, or held vacant and available for occupancy by, individuals whose income is sixty percent (60%) or less of area median income, within the meaning of Section 52080(a)(1) of the Act (it being acknowledged that (i) units required to be set aside for Low Income Tenants pursuant to Section 4(a) may be counted for purposes of satisfying the requirements of this Section 6(a) if the related Low Income Tenants otherwise satisfy the requirements

of this Section 6(a) and (ii) units with over-income tenants previously qualified as Low Income Tenants as may be counted as satisfying the requirements of this Section 6(a) to the extent provided in Section 4(b)).

- (b) The rental payments paid by the occupants of the units described in paragraph (a) of this Section (excluding any supplemental rental assistance from the state, the federal government, or any other public agency to those occupants or on behalf of those units) shall not exceed thirty percent of sixty percent of area median income, within the meaning of Section 52080(a)(1) of the Act.
- (c) The Borrower shall accept as tenants, on the same basis as all other prospective tenants, Low Income Tenants who are recipients of federal certificates or vouchers for rent subsidies pursuant to the existing program under Section 8 of the Housing Law. The selection criteria applied to certificate holders under Section 8 of the Housing Law shall not be more burdensome than the criteria applied to all other prospective tenants.
- (d) The Borrower shall ensure that units occupied as required by paragraph (a) of this Section are of comparable quality and offer a range of sizes and number of bedrooms comparable to those units which are available to other tenants.
- (e) As provided in Section 52080(e) of the Act, the Project may be syndicated after prior written approval of the Issuer. The Issuer shall grant that approval only after it determines that the terms and conditions of the syndication (1) shall not reduce or limit any of the requirements of the Act or regulations adopted or documents executed pursuant to the Act, (2) shall not cause any of the requirements in this Regulatory Agreement to be subordinated to the syndication agreement, or (3) shall not result in the provision of fewer assisted units, or the reduction of any benefits or services, than were in existence prior to the syndication agreement. The Issuer hereby acknowledges that this Section 6(e) does not apply to any syndication of federal tax credits for the Project.
- (f) Following the expiration or termination of the Qualified Project Period, except in the event of foreclosure and redemption of the Bonds, deed in lieu of foreclosure, eminent domain, or action of a federal agency preventing enforcement, units required to be reserved for occupancy pursuant to Section 6(a) shall remain available to any eligible household occupying a reserved unit at the date of such expiration or termination, at a rent not greater than the amount required by Section 6(b), until the earliest of any of the following occur:
- (1) The household's income exceeds 140 percent of the maximum eligible income specified in Section 6(a).
- (2) The household voluntarily moves or is evicted for "good cause." "Good cause" for the purposes of this section means the nonpayment of rent or allegation of facts necessary to prove major, or repeated minor, violations of material provisions of the occupancy agreement which detrimentally affect the health, safety, occupancy or quiet enjoyment of other persons or the structure, the fiscal integrity of the Project or the purposes or special programs of the Project.
 - (3) Thirty years after the date of commencement of the Qualified Project Period.
- (4) The Borrower pays the relocation assistance and benefits to tenants as provided in subdivision (b) of Section 7264 of the California Government Code.

- (g) Except in the event of foreclosure and repayment of the Bonds, deed in lieu of foreclosure, eminent domain, or action of a federal agency preventing enforcement, during the three years prior to expiration of the Qualified Project Period, the Borrower shall continue to make available to eligible households reserved units that have been vacated to the same extent that nonreserved units are made available to noneligible households.
- (h) This Section shall not be construed to require the Issuer to monitor the Borrower's compliance with the provisions of paragraph (f), or that the Issuer shall have any liability whatsoever in the event of the failure by the Borrower to comply with any of the provisions of this Regulatory Agreement.
- (i) The covenants and conditions of this Regulatory Agreement shall be binding upon successors in interest of the Borrower.
- (j) This Regulatory Agreement shall be recorded in the office of the County Recorder of the County, and shall be recorded in the grantor-grantee index to the names of the Borrower as grantor and to the name of the Issuer as grantee.
- **Section 7. Requirements of the Issuer**. In addition to other requirements set forth herein and to the extent not prohibited by the requirements set forth in Sections 4 through 6 hereof, the Borrower hereby agrees to comply with each of the requirements of the Issuer set forth in this Section 7, as follows:
- (a) All tenant lists, applications and waiting lists relating to the Project shall at all times be kept separate and identifiable from any other business of the Borrower and shall be maintained as required by the Issuer, in a reasonable condition for proper audit and subject to examination upon reasonable notice (which need not be in excess of three Business Days) and during business hours by representatives of the Issuer.
- (b) The Borrower shall not discriminate on the basis of race, creed, color, religion, sex, sexual orientation, marital status, national origin, source of income (e.g. AFDC and SSI), ancestry or handicap in the lease, use or occupancy of the Project (except as required to comply with Section 3(e)(ii), (iii) or (iv)), or in connection with the employment or application for employment of persons for the construction, operation, or management of the Project.
- (c) The Borrower shall not, at initial occupancy, permit occupancy in any unit in the Project by more than (i) two persons per bedroom in the unit, plus (ii) one person; and the Borrower shall at all times offer for rent the largest unit then available for the applicable household size (being one bedroom units for 2-3 person households, and two bedroom units for 4-5 person households). The foregoing, however, shall not apply to one unit in the Project occupied by or set aside for a resident manager.
- (d) The Borrower shall pay to the Issuer (i) through the escrow account established by the Title Company on the Closing Date the Issuer Issuance Fee and the Issuer Annual Fee for the period from the Closing Date to but not including November 1, 2026, and (ii) directly to the Issuer on each November 1, on and after November 1, 2026, the Issuer Annual Fee; without in either case any requirement for notice or billing of the amount due. In addition, the Borrower shall pay to the Issuer promptly following receipt of an invoice that reasonably identifies the relevant expenses and the amounts thereof, any out of pocket expenses incurred by the Issuer in connection with the Bonds, the

Project Note, the Indenture, the Loan Agreement, this Regulatory Agreement or any of the other Financing Documents, including but not limited to any costs related to the FOCUS Program.

- (e) The rent limits set forth in Sections 6(b) and 6(f) shall apply to all Low Income Units. In addition, the rental payments paid by Low Income Tenants for the Low Income Units shall not exceed Affordable Rents.
- (f) The Borrower will accept as tenants, on the same basis as all other prospective tenants, persons who are recipients of federal certificates for rent subsidies pursuant to the existing program under Section 8 of the Act, or its successor. The Borrower shall not apply selection criteria to Section 8 certificate or voucher holders that is more burdensome than criteria applied to all other prospective tenants, nor shall the Borrower apply or permit the application of management policies or lease provisions with respect to the Project which have the effect of precluding occupancy of units by such prospective tenants.
- (g) The Borrower shall submit to the Issuer: (i) rent rolls and other information required by the FOCUS Program on a quarterly basis, and (ii) within fifteen (15) days after receipt of a written request, any other information or completed forms requested by the Issuer in order to comply with reporting requirements of the Internal Revenue Service or the State.
- (h) The Borrower shall indemnify the Issuer as provided in Section 9 hereof and in Section 6.01 of the Loan Agreement.
- (i) The Issuer may, at its option and at its expense, at any time appoint an Administrator to administer this Agreement or any provision hereof and to monitor performance by the Borrower of all or of any of the terms, provisions and requirements hereof. Following any such appointment, the Borrower shall comply with any request by the Issuer to deliver to such Administrator, in addition to or instead of the Issuer, any reports, notices or other documents required to be delivered pursuant hereto, and to make the Project and the books and records with respect thereto available for inspection by such administrator as an agent of the Issuer.
- (j) The Borrower shall submit its written management policies with respect to the Project, if any, to the Issuer for its review, and shall amend such policies in any way necessary to insure that such policies comply with the provisions of this Regulatory Agreement and the requirements of the existing program under Section 8 of the Housing Law, or its successors. The Borrower shall not promulgate management policies which conflict with the provisions of the addendum to the form of lease for the Project prepared by the Housing Authority of Contra Costa County, and shall attach such addendum to leases for tenants which are holders of Section 8 certificates.
- (k) The Borrower shall screen and select tenants for desirability and creditworthiness at its discretion; provided, however, that the Borrower shall consider a prospective tenant's rent history for at least the one year period prior to application as evidence of the tenant's ability to pay the applicable rent.
- (l) At least six months prior to the expiration of the Qualified Project Period the Borrower shall provide by first-class mail, postage prepaid, a notice to all tenants in the Low Income Units containing (i) the anticipated date of the expiration of the Qualified Project Period, (ii) any anticipated rent increase upon the expiration of the Qualified Project Period, (iii) a statement that a copy of such notice will be sent to the Issuer, and (iv) a statement that a public hearing may be held by the Issuer on

the issue and that the tenant will receive notice of the hearing at least fifteen (15) days in advance of any such hearing. The Borrower shall also file a copy of the above-described notice with the Community Development Bond Program Manager of the Department of Conservation and Development of the Issuer.

- (m) Notwithstanding Section 1461 of the Civil Code, the provisions of this Section shall run with the land and may be enforced either in law or in equity by any resident, local agency, entity, or by any other person adversely affected by the Borrower's failure to comply with the provisions of this Section.
- (n) The Borrower shall not participate in any refunding of the Bonds or the Loan by means of the issuance of bonds or other obligations by any governmental body other than the Issuer.
- (o) Each of the requirements of Sections 3, 4 and 6 hereof is hereby incorporated as a specific requirement of the Issuer, whether or not required by California or federal law.
- (p) The requirements of Section 6 and this Section 7 shall be in effect during the entire Compliance Period.

Any of the foregoing requirements of the Issuer contained in this Section 7 may be expressly waived by the Issuer in writing, but (i) no waiver by the Issuer of any requirement of this Section 7 shall, or shall be deemed to, extend to or affect any other provision of this Regulatory Agreement except to the extent the Issuer has received an opinion of Tax Counsel (with a copy to Servicer and Majority Owner) that any such provision is not required by the Act and may be waived without adversely affecting the exclusion from gross income of interest on the Bonds for federal income tax purposes; and (ii) any requirement of this Section 7 shall be void and of no force and effect if the Issuer and the Borrower receive a written opinion of Tax Counsel (with a copy to Servicer and Majority Owner) to the effect that compliance with any such requirement would cause interest on the Tax-Exempt Bonds to cease to be Tax-Exempt or to the effect that compliance with such requirement would be in conflict with the Act or any other State or federal law.

Section 8. Modification of Covenants. The Borrower and the Issuer hereby agree as follows:

- (a) To the extent any amendments to the Act, the Treasury Regulations or the Code shall, in the written opinion of Tax Counsel filed with the Issuer and the Borrower (with a copy to Servicer and Majority Owner), retroactively impose requirements upon the ownership or operation of the Project more restrictive than those imposed by this Regulatory Agreement, and if such requirements are applicable to the Project and compliance therewith is necessary to maintain the validity of, or the Tax-Exempt status of interest on the Tax-Exempt Bonds, this Regulatory Agreement shall be deemed to be automatically amended to impose such additional or more restrictive requirements.
- (b) To the extent that the Act, the Treasury Regulations or the Code, or any amendments thereto, shall, in the written opinion of Tax Counsel filed with the Issuer and the Borrower (with a copy to Servicer and Majority Owner), impose requirements upon the ownership or operation of the Project less restrictive than imposed by this Regulatory Agreement, this Regulatory Agreement may be amended or modified to provide such less restrictive requirements but only by written amendment signed by the Issuer, at its sole discretion, and the Borrower, and only upon receipt by the Issuer (with a copy to Servicer and Majority Owner) of the written opinion of Tax Counsel to the effect that such

amendment is permitted by the Loan Agreement and will not affect the Tax-Exempt status of interest on the Tax-Exempt Bonds or violate the requirements of the Act, and otherwise is in accordance with Section 22 hereof.

- (c) The Borrower and the Issuer shall execute, deliver and, if applicable, file of record any and all documents and instruments necessary to effectuate the intent of this Section 8.
- **Section 9. Indemnification; Other Payments**. To the fullest extent permitted by law, the Borrower agrees to indemnify, hold harmless and defend the Issuer and each of its officers, Supervisors, officials, employees, attorneys and agents (collectively, the "Indemnified Parties"), against any and all losses, damages, claims, actions, liabilities, costs and expenses of any conceivable nature, kind or character (including, without limitation, reasonable attorneys' fees, litigation and court costs, amounts paid in settlement and amounts paid to discharge judgments) to which the Indemnified Parties, or any of them, may become subject under or any statutory law (including federal or state securities laws) or at common law or otherwise, arising out of or based upon or in any way relating to:
- (i) the Indenture, the Loan Agreement, this Regulatory Agreement or any of the other Financing Documents and all documents related thereto, or the execution or amendment hereof or thereof or in connection with transactions contemplated hereby or thereby, including the issuance, sale, resale or remarketing of the Funding Loan;
- (ii) any act or omission of the Borrower or any of its agents, contractors, servants, employees or licensees in connection with the Loan or the Project, the acquisition, construction or operation of the Project, or the condition, environmental or otherwise, occupancy, use, possession, conduct or management of work done in or about, or from the planning, design, acquisition and construction of the Project or any part thereof;
- (iii) any lien or charge upon payments by the Borrower to the Issuer or the Servicer or any taxes (including, without limitation, all ad valorem taxes and sales taxes), assessments, impositions and other charges imposed on the Issuer or the Servicer in respect of any portion of the Project; the Issuer or Servicer will endeavor to give prompt notice to the Borrower of any such lien, charge, tax, assessment, imposition, or other charge but failure to give cush notice shall not reduce or negate in any way Borrower's obligations under this Section 9;
- (iv) any violation of the Loan Agreement or any environmental law, rule or regulation with respect to, or the release of any toxic substance from, the Project or any part thereof;
- (v) the defeasance and/or prepayment, in whole or in part, of the Funding Loan or the Loan;
- (vi) any untrue statement or misleading statement or alleged untrue statement or alleged misleading statement of a material fact contained in any offering statement or disclosure document for the Funding Loan or any of the documents relating to the Funding Loan, or any omission or alleged omission from any offering statement or disclosure document for the Funding Loan of any material fact necessary to be stated therein in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading; or

(vii) any declaration of taxability of interest on the Tax-Exempt Bonds, or allegations (or regulatory inquiry) that interest on the Tax-Exempt Bonds is taxable for federal tax purposes;

except to the extent such damages are caused by the willful misconduct of such Indemnified Party. In the event that any action or proceeding is brought against any Indemnified Party with respect to which indemnity may be sought hereunder, the Borrower, upon written notice from the Indemnified Party, shall assume the investigation and defense thereof, including the employment of counsel selected by the Indemnified Party, and shall assume the payment of all expenses related thereto, with full power to litigate, compromise or settle the same in its sole discretion; provided that the Indemnified Party shall have the right to review and approve or disapprove any such compromise or settlement. Each Indemnified Party shall have the right to employ separate counsel in any such action or proceeding and participate in the investigation and defense thereof, and the Borrower shall pay the reasonable fees and expenses of such separate counsel; provided, however, that such Indemnified Party may only employ separate counsel at the expense of the Borrower if in the judgment of such Indemnified Party a conflict of interest exists by reason of common representation or if all parties commonly represented do not agree as to the action (or inaction) of counsel.

In addition thereto, the Borrower will pay upon demand all of the fees and expenses paid or incurred by the Issuer in enforcing the provisions hereof.

The provisions of this Section 9 shall survive the final payment or defeasance of the Bonds and the Loan, and the termination of this Regulatory Agreement.

Nothing contained in this Section 9 shall cause the obligation of the Borrower to pay principal and interest on the Loan to be a recourse obligation of the Borrower.

The obligations of the Borrower under this Section are independent of any other contractual obligation of the Borrower to provide indemnity to the Indemnified Parties, and the obligation of the Borrower to provide indemnity hereunder shall not be interpreted, construed or limited in light of any other separate indemnification obligation of the Borrower. The Indemnified Party shall be entitled simultaneously to seek indemnity under this Section and any other provision under which it is entitled to indemnity.

Section 10. Consideration. The Issuer has agreed to incur the Funding Loan to provide funds to lend to the Borrower to finance the Project, all for the purpose, among others, of inducing the Borrower to construct and operate the Project. In consideration of the issuance of the Bonds by the Issuer, the Borrower has entered into this Regulatory Agreement and has agreed to restrict the uses to which this Project can be put on the terms and conditions set forth herein.

Section 11. Reliance. The Issuer and the Borrower hereby recognize and agree that the representations and covenants set forth herein may be relied upon by all persons interested in the legality and validity of the Bonds, in the exemption from California personal income taxation of interest on the Bonds and in the Tax-Exempt status of the interest on the Tax-Exempt Bonds. In performing their duties and obligations hereunder, the Issuer and the Administrator may rely upon statements and certificates of the Low Income Tenants, and upon audits of the books and records of the Borrower pertaining to the Project. In addition, the Issuer may consult with counsel, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by the Issuer hereunder in good faith and in conformity with such opinion. In

determining whether any default or lack of compliance by the Borrower exists under this Regulatory Agreement, the Issuer shall not be required to conduct any investigation into or review of the operations or records of the Borrower and may rely solely on any written notice or certificate delivered to the Issuer by the Borrower with respect to the occurrence or absence of a default.

Transfer of the Project. During the entire Compliance Period, the Borrower Section 12. shall not Transfer the Project, in whole or in part, without the prior written consent of the Issuer, which consent shall not be unreasonably withheld or delayed, if the following conditions are satisfied: (A) the receipt by the Issuer of evidence acceptable to the Issuer that (1) the Borrower shall not be in default hereunder or under any of the other Loan Documents in effect, or the transferee undertakes to cure any defaults of the Borrower to the reasonable satisfaction of the Issuer; (2) the continued operation of the Project shall comply with the provisions of this Regulatory Agreement; (3) either (a) the transferee or its Manager has at least three years' experience in the ownership, operation and management of similar size rental housing projects, and at least one year's experience in the ownership, operation and management of rental housing projects containing below-market-rate units, without any record of material violations of discrimination restrictions or other state or federal laws or regulations or local governmental requirements applicable to such projects, or (b) the transferee agrees to retain a Manager with the experience and record described in subclause (a) above, or (c) the transferring Borrower or its management company will continue to manage the Project, or another management company reasonably acceptable to the Issuer will manage, for at least one year following such Transfer and, if applicable, during such period the transferring Borrower or its management company will provide training to the transferee and its manager in the responsibilities relating to the Low Income Units; and (4) the person or entity that is to acquire the Project does not have pending against it, and does not have a history of significant and material building code violations or complaints concerning the maintenance, upkeep, operation, and regulatory agreement compliance of any of its projects as identified by any local, state or federal regulatory agencies; (B) the execution by the transferee of a document reasonably acceptable to the Issuer with respect to the assumption of the Borrower's obligations under this Regulatory Agreement and the other Loan Documents in effect, including without limitation an instrument of assumption hereof and thereof, and delivery to the Issuer of an opinion of such transferee's counsel to the effect that each such document and this Regulatory Agreement are valid, binding and enforceable obligations of such transferee, subject to bankruptcy and other affecting creditor's rights; (C) receipt by the Issuer of an opinion of Tax Counsel (with a copy to Servicer and Majority Owner) to the effect that any such Transfer will not adversely affect the Tax-Exempt status of interest on the Tax-Exempt Bonds; (D) receipt by the Issuer of all fees and/or expenses then currently due and payable to the Issuer by the Borrower under any of the Loan Documents; and (E) receipt by the Issuer of evidence of satisfaction of compliance with the provisions of Section 29(d)(i) related to notice to CDLAC of transfer of the Project.

It is hereby expressly stipulated and agreed that any Transfer of the Project in violation of this Section 12 shall be null, void and without effect, shall cause a reversion of title to the Borrower, and shall be ineffective to relieve the Borrower of its obligations under this Regulatory Agreement. The written consent of the Issuer to any Transfer of the Project shall constitute conclusive evidence that the Transfer is not in violation of this Section 12. Nothing in this Section shall affect any provision of any other document or instrument between the Borrower and any other party which requires the Borrower to satisfy certain conditions or obtain the prior written consent of such other party in order to Transfer the Project. Upon any Transfer that complies with this Regulatory Agreement, the Borrower shall be fully released from its obligations hereunder, but only to the extent such obligations have been fully assumed in writing by the transferee of the Project.

The foregoing notwithstanding, the Project may be transferred pursuant to a foreclosure, exercise of power of sale or deed in lieu of foreclosure or comparable conversion under any deed of trust without the consent of the Issuer or compliance with the provisions of this Section 12. The Issuer hereby approves the transfer of limited partnership interests in the Borrower to affiliates of the investor limited partner of the Borrower, including, without limitation, the transfer of membership interests in the Borrower from the investor limited partner and non-managing membership interests in the limited partner of Borrower.

During the entire Compliance Period, the Borrower shall not: (1) encumber any of the Project or grant commercial leases of any part thereof, or permit the conveyance, transfer or encumbrance of any part of the Project, except for (A) encumbrances permitted under the [Continuing Covenant Agreement] and the Loan Agreement, or (B) a Transfer in accordance with the terms of this Regulatory Agreement, in each case upon receipt by the Issuer of an opinion of Tax Counsel (with a copy to Servicer and Majority Owner) to the effect that such action will not adversely affect the Tax-Exempt status of interest on the Tax-Exempt Bonds (provided that such opinion will not be required with respect to any encumbrance, lease or transfer relating to a commercial operation or ancillary facility that will be available for tenant use and is customary to the operation of multifamily housing developments similar to the Project); (2) demolish any part of the Project or substantially subtract from any real or personal property of the Project, except to the extent that what is demolished or removed is replaced with comparable property or such demolition or removal is otherwise permitted by the Loan Agreement; or (3) permit the use of the dwelling accommodations of the Project for any purpose except rental residences.

Section 13. Term. This Regulatory Agreement and all and several of the terms hereof shall become effective upon its execution and delivery, and shall remain in full force and effect for the period provided herein and shall terminate as to any provision not otherwise provided with a specific termination date and shall terminate in its entirety at the end of the Compliance Period, it being expressly agreed and understood that the provisions hereof are intended to survive the repayment of the Bonds and of the Loan and the termination of the Loan Agreement.

The terms of this Regulatory Agreement to the contrary notwithstanding, the requirements of this Regulatory Agreement shall terminate and be of no further force and effect in the event of involuntary noncompliance with the provisions of this Regulatory Agreement caused by fire or other casualty, seizure, requisition, foreclosure or transfer of title by deed in lieu of foreclosure, change in a federal law or an action of a federal agency after the Closing Date, which prevents the Issuer from enforcing such provisions, or condemnation or a similar event, but only if, within a reasonable period, either (a) the Funding Loan is fully repaid, fully cancelled or fully forgiven, or (b) amounts received as a consequence of such event are used to provide a project that meets the requirements hereof; provided, however, that the preceding provisions of this sentence shall cease to apply and the restrictions contained herein shall be reinstated if, at any time subsequent to the termination of such provisions as the result of the foreclosure or the delivery of a deed in lieu of foreclosure or a similar event, the Borrower or any related person (within the meaning of Section 1.103-10(e) of the Treasury Regulations) obtains an ownership interest in the Project for federal income tax purposes. The Borrower hereby agrees that, following any foreclosure, transfer of title by deed in lieu of foreclosure or similar event, neither the Borrower nor any such related person as described above will obtain an ownership interest in the Project for federal tax purposes.

Notwithstanding any other provision of this Regulatory Agreement, this Regulatory Agreement may be terminated upon agreement by the Issuer and the Borrower, with the consent of CDLAC, upon

receipt by the Issuer of an opinion of Tax Counsel to the effect that such termination will not adversely affect the exclusion from gross income of interest on the Bonds for federal income tax purposes and is otherwise permitted under the Act. Upon the termination of the terms of this Regulatory Agreement, the parties hereto agree to execute, deliver and record appropriate instruments of release and discharge of the terms hereof; provided, however, that the execution and delivery of such instruments shall not be necessary or a prerequisite to the termination of this Regulatory Agreement in accordance with its terms.

Section 14. Covenants to Run With the Land. Notwithstanding Section 1461 of the California Civil Code, the Borrower hereby subjects the Project to the covenants, reservations and restrictions set forth in this Regulatory Agreement. The Issuer and the Borrower hereby declare their express intent that the covenants, reservations and restrictions set forth herein shall be deemed covenants running with the land and shall pass to and be binding upon the Borrower's successors in title to the Project; provided, however, that on the termination of this Regulatory Agreement said covenants, reservations and restrictions shall expire. Each and every contract, deed or other instrument hereafter executed covering or conveying the Project or any portion thereof shall conclusively be held to have been executed, delivered and accepted subject to such covenants, reservations and restrictions, regardless of whether such covenants, reservations and restrictions are set forth in such contract, deed or other instruments.

Section 15. Burden and Benefit. The Issuer and the Borrower hereby declare their understanding and intent that the burdens of the covenants set forth herein touch and concern the land in that the Borrower's legal interest in the Project is rendered less valuable thereby. The Issuer and the Borrower hereby further declare their understanding and intent that the benefits of such covenants touch and concern the land by enhancing and increasing the enjoyment and use of the Project by Low Income Tenants, the intended beneficiaries of such covenants, reservations and restrictions, and by furthering the public purposes for which the Bonds was issued.

Section 16. Uniformity; Common Plan. The covenants, reservations and restrictions hereof shall apply uniformly to the entire Project in order to establish and carry out a common plan for the use of the site on which the Project is located.

Section 17. Default; Enforcement. If the Borrower defaults in the performance or observance of any covenant, agreement or obligation of the Borrower set forth in this Regulatory Agreement, and if such default remains uncured for a period of 60 days after notice thereof shall have been given by the Issuer to the Borrower (with a copy to Servicer and Majority Owner), or for a period of 60 days from the date the Borrower should, with reasonable diligence, have discovered such default, then the Issuer may declare an "Event of Default" to have occurred hereunder; provided, however, that if the default is of such a nature that it cannot be corrected within 60 days, such default shall not constitute an Event of Default hereunder so long as (i) the Borrower institutes corrective action within said 60 days and diligently pursues such action until the default is corrected, and (ii) in the opinion of Tax Counsel, the failure to cure said default within 60 days will not adversely affect the Tax-Exempt status of interest on the Bonds. The Issuer shall have the right to enforce the obligations of the Borrower under this Regulatory Agreement within shorter periods of time than are otherwise provided herein if necessary to insure compliance with the Act or the Code.

Following the declaration of an Event of Default hereunder, the Issuer may at its option and subject to the provisions of the Indenture, take any one or more of the following steps, in addition to all other remedies provided by law or equity:

- (i) by mandamus or other suit, action or proceeding at law or in equity, including injunctive relief, require the Borrower to perform its obligations and covenants hereunder or enjoin any acts or things that may be unlawful or in violation of the rights of the Issuer hereunder;
- (ii) have access to and inspect, examine and make copies of all of the books and records of the Borrower pertaining to the Project;
- (iii) take such other action at law or in equity as may appear necessary or desirable to enforce the obligations, covenants and agreements of the Borrower hereunder; and
- (iv) order and direct the Borrower in writing to terminate the Manager and to select a replacement Manager meeting the requirements hereof within 60 days of such written direction, and to notify the Issuer in writing of the identity of the replacement Manager and certify that such replacement Manager satisfies the requirements hereof.

The Borrower hereby agrees that specific enforcement of the Borrower's agreements contained herein is the only means by which the Issuer may fully obtain the benefits of this Regulatory Agreement made by the Borrower herein, and the Borrower therefore agrees to the imposition of the remedy of specific performance against it in the case of any Event of Default by the Borrower hereunder.

It is acknowledged and agreed by the Borrower and the Issuer that one of the primary purposes of this Regulatory Agreement is to preserve the exclusion from gross income for federal income tax purposes of interest on the Tax-Exempt Bonds. The Trustee and the Servicer are hereby declared intended third party beneficiaries of this Regulatory Agreement and shall be entitled to enforce the provisions hereof in the event of any default hereunder.

The Issuer hereby agrees that cure of any Event of Default made or tendered by any partner of the Borrower shall be deemed to be a cure by the Borrower and shall be accepted or rejected on the same basis as if made or tendered by the Borrower.

Section 18. [intentionally omitted].

Section 19. Recording and Filing.

- (a) The Borrower shall cause this Regulatory Agreement and all amendments and supplements hereto and thereto, to be recorded and filed in the real property records of the County, and in such other places as the Issuer may reasonably request. The Borrower shall pay all fees and charges incurred in connection with any such recording.
- (b) The Borrower and the Issuer will file of record such other documents and take such other steps as are reasonably necessary, in the opinion of Tax Counsel, in order to insure that the requirements and restrictions of this Regulatory Agreement will be binding upon all owners of the Project.
- (c) The Borrower hereby covenants to include or reference the requirements and restrictions contained in this Regulatory Agreement in any documents transferring any interest in the Project to another person to the end that such transferee has notice of, and is bound by, such restrictions, and, except in the case of a foreclosure or comparable involuntary conversion of the Security Instrument), whereby the Trustee becomes the owner of the Project, to obtain the agreement from any transferee to abide by all requirements and restrictions of this Regulatory Agreement.

Section 20. Payment of Fees. Notwithstanding any prepayment of the Loan and discharge of the Loan Agreement, the Borrower shall continue to pay (or, to the extent allowed under the Code, shall prepay the present value at such time of) the fees of the Issuer as provided in this Section 20, unless such prepayment is made in connection with a refunding of the Bonds.

The Borrower agrees to pay to the Issuer (i) the Issuer Issuance Fee, which shall be paid on or before the Closing Date, (ii) the Issuer Annual Fee, which shall be payable commencing on the Closing Date and annually on each November 1 thereafter, and continuing throughout the Compliance Period, and (iii) within 30 days after receipt of request for payment thereof, all reasonable out-of-pocket expenses of the Issuer (not including salaries and wages of Issuer employees) related to the Bonds, the Loan, the other Financing Documents and the Project and the financing thereof, including, without limitation, legal fees and expenses incurred in connection with the interpretation, performance, enforcement or amendment of any documents relating to the Project, the Bonds, the Loan or any of the other Financing Documents.

In the event that the Qualified Project Period terminates prior to the termination of the Compliance Period (other than by reason of the issuance of refunding bonds), and provided that the conditions of this Section are satisfied, the Borrower shall thereafter and for the remainder of the Compliance Period pay to the Issuer annually in advance an amount equal to \$5,000.00. Notwithstanding the foregoing, any foreclosing lender, its successors, assigns, nominees or a third party purchaser at foreclosure shall not be obligated under this Section following a foreclosure or deed in lieu of foreclosure; provided, however, that the preceding provisions of this sentence shall cease to apply and the requirements contained in this Section shall be reinstated if, at any time subsequent to the termination of the provisions of this Section as the result of the foreclosure or the delivery of a deed in lieu of foreclosure or a similar event, the Borrower or any related person (within the meaning of Section 1.103-10(e) of the Treasury Regulations) obtains an ownership interest in the Project for federal income tax purposes. The full Issuer Annual Fee shall continue to be payable unless and until the Issuer has confirmed receipt of all amounts then due and payable in arrears by the Borrower to the Issuer in connection with the Loan, at which point the Issuer Annual Fee shall become effective.

If the Borrower fails to make payment of the Issuer Annual Fee for a period of two consecutive years or more, the Issuer may, in its sole discretion, declare the total amount of the Issuer Annual Fee through the end of the Compliance Period immediately due and payable, such amount to be discounted at a rate equal to the then current market rate for U.S. Treasury obligations of a maturity equal to the remaining term of the Compliance Period.

Section 21. Governing Law; Venue. This Regulatory Agreement shall be construed in accordance with and governed by the laws of the State applicable to contracts made and performed in the State. This Regulatory Agreement shall be enforceable in the State, and any action arising hereunder shall (unless waived by the Issuer in writing) be filed and maintained in the Superior Court of California, County of Contra Costa.

Section 22. Amendments; Waivers. (a) Except as provided in Section 8(a) and 29(e) hereof, this Regulatory Agreement may be amended only by a written instrument executed by the parties hereto or their successors in title, and duly recorded in the real property records of the County, and only upon receipt by the Issuer of an opinion from Tax Counsel (with a copy to Servicer and Majority Owner) that such amendment will not adversely affect the Tax-Exempt status of interest on the Tax-Exempt Bonds and is not contrary to the provisions of the Act.

- (a) Anything to the contrary contained herein notwithstanding, the Issuer and the Borrower hereby agree to amend this Regulatory Agreement to the extent required, in the opinion of Tax Counsel, in order that interest on the Tax-Exempt Bonds remains Tax-Exempt. The party requesting such amendment shall notify the other party to this Regulatory Agreement of the proposed amendment, with a copy of such proposed amendment to Tax Counsel and a request that Tax Counsel render to the Issuer an opinion as to the effect of such proposed amendment upon the Tax-Exempt status of interest on the Tax-Exempt Bonds. This provision shall not be subject to any provision of any other agreement requiring any party hereto to obtain the consent of any other person in order to amend this Regulatory Agreement.
- (b) Any waiver of, or consent to, any condition under this Regulatory Agreement must be expressly made in writing.

Section 23. Notices. Any notice required to be given hereunder shall be made in writing and shall be given by personal delivery, overnight delivery, certified or registered mail, postage prepaid, return receipt requested, or by telecopy, in each case at the applicable Notice Address specified in the Indenture, or at such other addresses as may be specified in writing by the parties hereto. Unless otherwise specified by the Administrator, the address of the Administrator is the same as the address of the Issuer.

Unless otherwise specified by CDLAC, the address of CDLAC is:

California Debt Limit Allocation Committee 915 Capitol Mall, Room 311 Sacramento, CA 95814 Attention: Executive Director

The Issuer, the Administrator, CDLAC and the Borrower may, by notice given hereunder, designate any further or different addresses to which subsequent notices, certificates or other communications shall be sent. Notice shall be deemed given on the date evidenced by the postal or courier receipt or other written evidence of delivery or electronic transmission; provided that any telecopy or other electronic transmission received by any party after 4:00 p.m., local time of the receiving party, as evidenced by the time shown on such transmission, shall be deemed to have been received the following Business Day.

A copy of each notice of default provided to the Borrower hereunder shall also be provided to the investor limited partner of the Borrower at the Notice Address set forth in the Indenture.

The Borrower shall notify the Issuer and the Administrator in writing of any change to the name of the Project or any change of name or address for the Borrower or the Manager. The Borrower shall further notify CDLAC in writing of any event provided in Section 29(d) hereof.

- **Section 24. Severability**. If any provision of this Regulatory Agreement shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining portions hereof shall not in any way be affected or impaired thereby.
- **Section 25. Multiple Counterparts**. This Regulatory Agreement may be executed in multiple counterparts, all of which shall constitute one and the same instrument, and each of which shall be deemed to be an original.

Section 26. **Limitation on Liability.** Notwithstanding the foregoing or any other provision or obligation to the contrary contained in this Regulatory Agreement, (i) the liability of the Borrower under this Regulatory Agreement to any person or entity, including, but not limited to, the Issuer and its successors and assigns, is limited to the Borrower's interest in the Project and the amounts held in the funds and accounts created under the Indenture or the Loan Agreement, or any rights of the Borrower under any guarantees relating to the Project, and such persons and entities shall look exclusively thereto, or to such other security as may from time to time be given for the payment of obligations arising out of this Regulatory Agreement or any other agreement securing the obligations of the Borrower under this Regulatory Agreement; and (ii) from and after the date of this Regulatory Agreement, no deficiency or other personal judgment, nor any order or decree of specific performance (other than pertaining to this Regulatory Agreement, any agreement pertaining to any Project or any other agreement securing the Borrower's obligations under this Regulatory Agreement), shall be rendered against the Borrower, the assets of the Borrower (other than the Borrower's interest in the Project, this Regulatory Agreement, amounts held in the funds and accounts created under the Loan Agreement and the other Loan Documents, any rights of the Borrower under the Loan Agreement and the other Loan Documents or any other documents relating to the Loan or any rights of the Borrower under any guarantees relating to the Project), its partners, successors, transferees or assigns and each of their respective officers, directors, employees, partners, agents, heirs and personal representatives, as the case may be, in any action or proceeding arising out of this Regulatory Agreement, the Loan Agreement and the other Loan Documents or any agreement securing the obligations of the Borrower under this Regulatory Agreement, or any judgment, order or decree rendered pursuant to any such action or proceeding, except to the extent provided in the Loan Agreement.

Section 27. Third-Party Beneficiaries. The Administrator, the Trustee, the Servicer, and CDLAC are intended to be and shall each be a third-party beneficiary of this Regulatory Agreement. The Administrator shall have the right (but not the obligation) to enforce, separately or jointly with the Issuer, the terms of this Regulatory Agreement and to pursue an action for specific performance or other available remedy at law or in equity in accordance with Section 17 hereof. CDLAC shall have the right (but not the obligation) to enforce the CDLAC Conditions and to pursue an action for specific performance or other available remedy at law or in equity in accordance with Section 17 hereof, provided that any such action or remedy shall not materially adversely affect the interests and rights of the owner(s) of the Bonds. Pursuant to Section 52080(k) of the Act, the requirements of Section 6 may be enforced either in law or in equity by any resident, local agency, entity, or by any other person adversely affected by the Borrower's failure to comply with the requirements of that Section.

Section 28. Property Management. The Borrower agrees that at all times the Project shall be managed by a property manager (i) approved by the Issuer in its reasonable discretion and (ii) who has at least three years' experience in the ownership, operation and management of similar size rental housing projects, and at least one year's experience in the ownership, operation and management of rental housing projects containing below-market-rate units, without any record of material violations of discrimination restrictions or other state or federal laws or regulations or local governmental requirements applicable to such projects (the "Manager"). The Borrower shall submit to the Issuer from time to time such information about the background, experience and financial condition of any existing or proposed Manager as the Issuer may reasonably require to determine whether such Manager meets the requirements for a Manager set forth herein. The Issuer reserves the right to conduct periodic reviews of the management practices and of the Manager to determine if the Project is being operated and managed in accordance with the requirements and standards of this Agreement. The Borrower agrees to cooperate with the Issuer in such reviews.

If the Issuer determines in its reasonable judgment that the Project is not being operated and managed in accordance with one or more of the material requirements or standards of this Regulatory Agreement, the Issuer may, subject to any applicable provisions of the Loan Agreement, deliver notice to the Borrower (with a copy to the Servicer) requesting replacement of the Manager, which notice shall state clearly the reasons for such request. The Borrower agrees that, upon receipt of such notice, it shall within 60 days submit to the Issuer a proposal to engage a new Manager meeting the requirements of this Section 28. The Issuer shall respond within 30 days to such proposal or such approval shall be deemed given. Upon receipt of such consent or deemed consent, the Borrower shall within 60 days terminate the existing Manager's engagement and engage the new Manager. If such proposal is denied by the Issuer, the Borrower agrees that upon receipt of notice of such denial, it shall within 60 days submit to the Issuer, a proposal to engage another new Manager meeting the requirements of this Section 28, subject to the Issuer's consent pursuant to the terms hereof.

- **Section 29. Requirements of CDLAC**. In addition to other requirements set forth herein and to the extent not prohibited by the requirements set forth in Sections 4 through 6 hereof, the Borrower hereby agrees to comply with each of the requirements of CDLAC set forth in this Section 29, as follows:
- (a) The Borrower shall comply with the CDLAC Resolution attached hereto as Exhibit E and the CDLAC Conditions set forth in Exhibit A thereto (collectively, the "CDLAC Conditions"), which conditions are incorporated herein by reference and made a part hereof.

The CDLAC Conditions include those referred to in Section 7 of the CDLAC Conditions relating to "AMI" as used therein, tenant's incomes and unit occupancy assumptions. The Borrower will prepare and submit to the Issuer, not later than February 1 of each year, until the Project is completed, and on February 1 every three years thereafter until the end of the Compliance Period, a Certificate of Compliance II for Qualified Residential Rental Projects, in substantially the form required or otherwise provided by CDLAC from time to time, executed by an authorized representative of the Borrower. The Certificate of Compliance II for Qualified Residential Rental Projects shall be prepared pursuant to the terms of the CDLAC Conditions. Additionally, the Borrower will prepare and submit to the Issuer, a Certificate of Completion, in substantially the form required or otherwise provided by CDLAC from time to time, executed by an authorized representative of the Borrower certifying among other things to the substantial completion of the construction of the Project. Following the submission of the Certificate of Completion, the Borrower will prepare and submit to the Issuer, not later than February 1 every three years thereafter until the end of the Compliance Period, a California Tax Credit Allocation Committee Project Status Report or equivalent documentation in substantially the form required or otherwise provided by CDLAC from time to time. Compliance with the terms of the CDLAC Conditions not contained within this Regulatory Agreement, but referred to in the CDLAC Conditions are the responsibility of the Borrower to report to the Issuer.

(b) The Borrower acknowledges that the Issuer and the Administrator will monitor or cause to be monitored the Borrower's compliance with the terms of the CDLAC Conditions. The Borrower acknowledges that the Issuer will prepare and submit to CDLAC, not later than March 1 of each year until the construction of the Project is completed, and on March 1 of every three years thereafter until the end of the Compliance Period, a Self-Certification Certificate in the form provided by CDLAC. The Borrower will cooperate fully with the Issuer in connection with such monitoring and reporting requirements.

- (c) Except as otherwise provided in Section 13 of this Regulatory Agreement, this Regulatory Agreement shall terminate on the date 55 years after (i) the date on which at least fifty percent (50%) of the units in the Project are first occupied, or (ii) the date on which the Project is otherwise placed in service.
- (d) The Borrower shall notify CDLAC in writing of: (i) any change in ownership of the Project, (ii) any change in the Issuer, (iii) any change in the name of the Project or the Manager; (iv) any material default under the Indenture, the Loan Agreement or this Regulatory Agreement, including, but not limited to, such defaults associated with the Tax-Exempt status of the Tax-Exempt Bonds, and the income and rental requirements as provided in Sections 4 and 6 hereof and the CDLAC Conditions; or (v) termination of this Regulatory Agreement.
- CDLAC shall have the right, but not the obligation, to deliver revised CDLAC Conditions to the Borrower after the Closing Date at any time that are not more restrictive than the original CDLAC conditions; provided however, that: (i) any changes in the terms and conditions of the CDLAC Conditions prior to the recordation against the Project in the real property records of the County of a regulatory agreement between the Borrower and the California Tax Credit Allocation Committee ("TCAC Regulatory Agreement") shall be limited to such changes as are necessary to correct any factual errors or to otherwise conform the CDLAC Conditions to any change in facts or circumstances applicable to the Borrower or the Project; and (ii) after recordation of the TCAC Regulatory Agreement, any changes in the terms and conditions of the CDLAC Conditions shall be limited to such changes as are necessary to conform Items 1, 6, 7, 10, 11, 12, 14, 15, 16, 18, 19, 20, 21, 22, 23, 24, 25, 26 and 37 of the CDLAC Conditions to any change in terms and conditions requested by Borrower and approved by CDLAC. The Issuer may, in its sole and absolute discretion, require that the Borrower enter into an amendment to this Regulatory Agreement reflecting the revised CDLAC Conditions, which amendment shall be executed by the parties hereto or their successor in title and duly recorded in the real property records of the County. The Borrower shall pay any costs and expenses in connection therewith and provide CDLAC with a copy of that recorded amendment reflecting the revised CDLAC Conditions.

Any of the foregoing requirements of the CDLAC contained in this Section 29 may be expressly waived by CDLAC, in its sole discretion, in writing, but (i) no waiver by CDLAC of any requirement of this Section 29 shall, or shall be deemed to, extend to or affect any other provision of this Regulatory Agreement except to the extent the Issuer has received an opinion of Tax Counsel that any such provision is not required by the Act or the Code and may be waived without adversely affecting the exclusion from gross income of interest on the Bonds for federal income tax purposes; and (ii) any requirement of this Section 29 shall be void and of no force and effect if the Issuer and the Borrower receive a written opinion of Tax Counsel to the effect that compliance with any such requirement would cause interest on the Bonds to cease to be Tax-Exempt or to the effect that compliance with such requirement would be in conflict with the Act, the Code or any other State or federal law.

- **Section 30. Limited Liability of Issuer**. All obligations of the Issuer under this Regulatory Agreement are limited obligations, payable solely and only from Loan proceeds and other amounts derived by the Issuer from the Loan or otherwise under the Loan Agreement.
- **Section 31.** Conflict With Other Affordability Agreements. Notwithstanding any provision in this Regulatory Agreement to the contrary, in the event of any conflict between the provisions of this Regulatory Agreement and any other agreement that imposes affordability

requirements on the Project, including those referenced in Section 3(e) hereof, the provisions providing for the most affordable units, with the most affordability, in the Project shall prevail, so long as at all times the requirements of Section 2, 3, 4, 6, 7 and 29 of this Regulatory Agreement are in any event satisfied. Notwithstanding the foregoing, a breach or default under any agreement referenced in Section 3(e) hereof shall not, in itself, constitute a breach or a default under this Regulatory Agreement.

Section 32. Annual Reporting Covenant. No later than January 31 of each calendar year (commencing January 31, 2026), the Borrower, on behalf of the Issuer, agrees to provide to the California Debt and Investment Advisory Commission, by any method approved by the California Debt and Investment Advisory Commission, with a copy to the Issuer, the annual report information required by section 8855(k)(1) of the California Government Code with respect to the Bonds. This covenant shall remain in effect until the later of the date (a) the Tax-Exempt Bonds are no longer outstanding or (b) the proceeds of the Tax-Exempt Bonds have been fully spent.

[REMAINDER OF PAGE INTENTIONALLY LEFT BLANK.]

IN WITNESS WHEREOF, the Issuer and the Borrower have executed this Regulatory Agreement by duly authorized representatives, all as of the date first above written.
