- Each resident from Bethel Island is allowed to dispose of 5 cubic yards of material. (Approximately a full size pick-up truck with an 8 ft x 5 ft bed. Material stacked 3 ½ feet high from the pick-up bed would equal 5 cubic yards.)
- Disposal service will accept any type of scrap metal (i.e. aluminum).
- **Residents will be required to unload their own debris into the dumpsters.** Volunteers will be on hand to assist the elderly. **No dump trailers allowed.**
- **Items are to be separated.** Separating your items before arrival will allow you and the rest of the community to move faster through the line. Your help in this is important!
