Kristin Connelly, Clerk Recorder  
Registrar of Voters  
Contra Costa County Elections Office  
555 Escobar Street  
Martinez, CA 94553

Dear Madam:

Please be advised that the reporting of the 2024 elections results for Congressional candidates Maher/Costa District 21 and Duarte/Gray District 13 appear to be computer generated in each of the election updates reported on November 7th and on November 9th. The results are consistent with other Congressional candidates reporting patterns in the State of California. It is recommended that the results reported are investigated immediately as the current reporting is following a predictable vote count tabulation pattern that is consistent with an algorithmic result.

Thank you.

Sincerely,

A handwritten signature in cursive script that reads 'Liz Ritchie'.
