Governance Charter

Article I. Purpose

Section 1. Overview

This charter identifies the purpose, composition, responsibilities, and governance of the Contra Costa County Continuum of Care (hereinafter referred to as the CoC).

For the history and evolution of the CoC, including naming conventions, relationships to other bodies, and strategic plans, please refer to the Timeline in the Appendix.

Section 2. Background

The U.S. Department of Housing and Urban Development (HUD) sets specific responsibilities for communities that receive funds through the Homeless Continuum of Care Program (“CoC Program”) under the Homeless Emergency Assistance and Rapid Transition to Housing Act (HEARTH Act). HUD’s 2012 HEARTH Interim Rule at 24 C.F.R. Part 578 (Interim Rule) states that the CoC Program is designed to address homelessness through a coordinated community-based process of identifying needs and building a system of housing and services to address those needs. This system must include, at minimum, outreach, engagement and assessment; shelter housing and supportive services; and homelessness prevention strategies.

Under the Interim Rule, the CoC is established as the planning body responsible for meeting the CoC Program goals and ensuring the system includes the necessary resources for the community. The purpose of the CoC Program is to:

- Promote communitywide commitment to the goal of ending homelessness;
- Provide funding for efforts by nonprofit providers, States and local governments to quickly re-house individuals, including unaccompanied youth, and families experiencing homelessness, while minimizing the trauma and dislocation caused to those persons by homelessness;
- Promote access to and the effective use of mainstream programs by individuals and families experiencing homelessness; and
- Optimize self-sufficiency among individuals and families experiencing homelessness.

Article II. Structure

The CoC in Contra Costa is formally known as the Contra Costa County Continuum of Care.

- A. Function as the Collaborative Applicant and Administrative Entity designated by the CoC to apply for and administer program funds for the CoC;
