<sup>1</sup> All rates should be applied to all compensation (whether or not in Social Security) up to the applicable annual Gov. Code 7522.10(d) compensation limit.

# CONTRA COSTA COUNTY EMPLOYEES' RETIREMENT ASSOCIATION

## **SUBVENTION**

All rates are shown as a percent of payroll.

Employee contribution rates vary depending upon their tier and age at entry. To compute the exact subvention percent for each employee, do the following:

**Employee rate:** Decrease the employee's rate by the subvention percent (i.e. 25%, 50%, etc.).

**Employer rate:** Increase the employer's rate by a percent of the employee's decrease using the applicable non-refundability factor (found on Exhibits 1 through 11).

### **EXAMPLE FOR COST GROUP #3 LEGACY MEMBERS:**

If the subvention percent is 25%, and the employee's rate is 6.00%,

Employee rates should be decreased by 1.50% ( $25\% \times 6.00\%$ )

Employer rate should be increased by 1.44% ( $1.50\% \times 0.9592$ )

Please note that for PEPPRA members, subvention is generally not permitted. The standard under Gov. Code §7522.30(a) is that employees pay at least 50 percent of normal costs and that employers not pay any of the required employee contribution, but there are some exceptions. Gov. Code §7522.30(f) allows the terms (regarding the employee's required contribution) of a contract, including a memorandum of understanding, that is in effect on January 1, 2013, to continue through the length of a contract. This means that it is possible that an employer will subvent a portion of a PEPPRA member's required contribution until the expiration date of the current contract, so long as it has been determined that the contract has been impaired.

**CAUTION** – these rates are for employer subvention of up to one-half the member contribution under Gov. Code §31581.1, NOT employer pick-up of employee contribution rates. When an employer subvents, the contribution subvented is not placed in the member's account and is therefore not available to the member as a refund. For this reason, the employer pays the contribution at a discount (i.e. "Non-Refundability Factor").

Employer pick-ups of employee contributions are those made under Gov. Code §31581.2 and Internal Revenue Code §414 (h)(2) for the sole purpose of deferring income tax. These contributions are added to the member's account, are available to the member as a refund and are considered by CCCERA as part of the member's compensation for retirement purposes.

## **EMPLOYEE PAYMENT OF EMPLOYER COST**

There are several reasons why the attached contribution rates may need to be adjusted to increase the employee portion including the following:

Gov. Code §31631 allows for members to pay all or part of the employer contributions.

Gov. Code §31639.95 allows for Safety members to pay a portion of the employer cost for the "3% at 50" enhanced benefit.

Gov. Code §7522.30(c) requires that an employee's contribution rate be at least equal to that of similarly situated employees.

## CONTRA COSTA COUNTY EMPLOYEES' RETIREMENT ASSOCIATION

Gov. Code §7522.30(e) allows the employee contributions to be more than one-half of the normal cost rate if the increase has been agreed to through the collective bargaining process.

If you need to increase the employee contribution rate for any reason, you will need to adjust both employee and employer rates as follows:

Employee rate: Increase the employee's rate by the desired percent of payroll.

Employer rate: Decrease the employer's rate by a percent of the cost-sharing percent of payroll using the applicable non-refundability factor.

### EXAMPLE FOR COST GROUP #11 LEGACY MEMBERS:

If the required increase in the employee rate is 8.00%,

Employee rates should be increased by 8.00%.

Employer rate should be decreased by 7.83% ( $8.00\% \times 0.9788$ )

### PREPAYMENT DISCOUNT FACTOR FOR 2026-2027

Employer Contribution Prepayment Program & Discount Factor for 2026-2027 is **0.9707**

If you are currently participating in the prepayment program and wish to continue, you do not need to do anything other than prepay the July 1, 2026 through June 30, 2027 contributions on or before July 31, 2026. If you wish to start participating, please contact the Accounting Department at CCCERA by March 31, 2026.

The discount factor is calculated assuming the prepayment will be received on July 31 in accordance with Gov. Code §31582(b) in lieu of 12 equal payments due at the end of each month in accordance with Gov. Code §31582(a). The discount factor for the fiscal year July 1, 2026 through June 30, 2027 will be **0.9707** based on the interest assumption of 6.75% per annum. It is calculated by discounting each of the 12 equal payments back to the date that the prepayment is made and is the sum of the discount factors shown in the table below divided by 12. Each of the discount factors below is based on how many months early the payment is made.

| Payment Number                         | Number of Months<br>Payment is Made Early | Discount Factor |
|----------------------------------------|-------------------------------------------|-----------------|
| 1                                      | 0                                         | 1.0000          |
