

Attachment A: Staff Recommended Opportunity Zone 2.0 Census Tract Nominations in Order of Preference

California can nominate 25% of the State's Opportunity Zone 2.0 (OZ 2.0) Eligible Census Tracts to the Federal Government. The State has provided guidance to local government agencies to prioritize census tracts that align with State and Regional economic development goals, including initiatives such as the Green Empowerment Zone (GEZ) or the Association of Bay Area Governments (ABAG) Priority Production Areas. The County has prioritized census tracts that are entirely or partially located within the unincorporated area of Contra Costa County.

OZ 2.0 Census Tracts - Staff Recommendation

● Staff Recommended Census Tracts, in Order of Preference
