Both the employee deferral and the County contribution to the Contra Costa County Deferred Compensation Plan under this provision, as well as any amounts deferred or contributed to the Contra Costa County Deferred Compensation Plan in accordance with any other provision of this contract, will be added together for the purpose of ensuring that the annual Plan maximum contributions as defined under IRS Code Section 457(b), or other tax qualified designated savings vehicle, are not exceeded.

C. Additional Contribution to Deferred Compensation Plan (pursuant to the funds referenced in Section 54 - Non-Healthcare/Non-General Wage Re-Opener):

The County shall provide a monthly deferred compensation contribution to eligible employees in the AFSCME, Local One bargaining unit who are enrolled in the County's deferred compensation program. Only permanent full-time or permanent part-time employees in a position designated at a minimum of twenty (20) hours per week who have been employed by the County for at least ninety (90) calendar days, will be eligible for the contribution. An employee will be considered enrolled in the County's deferred compensation program as long as they maintain a balance in such an account. Any newly hired employee who satisfies these requirements will also be eligible to receive this contribution on a go-forward monthly basis provided they open a deferred compensation account during the applicable year.

For the 2024 contribution only, the pro-rata amount for each employee will be determined by dividing \$229,000 by the number of eligible employees across the AFSCME Local One bargaining unit enrolled in the County's deferred compensation program on October 1, 2024. This contribution amount will be distributed proportionately on a monthly basis starting with the November 10, 2024 pay date, for the remainder of the 2024 calendar year.

For all subsequent years, the pro-rata amount for each employee will be determined for the applicable year by dividing \$229,000 by the number of eligible employees enrolled in the County's deferred compensation program on January 1. Individual contributions are to be distributed on a monthly basis among all eligible employees starting with the following February 10 pay date through the following January 10 pay date. The parties acknowledge that the amount of each employee's prorata share is subject to change

from year to year as the amount will be wholly dependent on the number of employees enrolled in the deferred compensation program at the time.

The contribution under this subsection will be added to any existing amounts already deferred or contributed to the Contra Costa County Deferred Compensation Plan for the purpose of ensuring that the annual Plan maximum contributions as defined under IRS Code Section 457(b), or other tax qualified designated saving vehicle are not exceeded.

The terms of this Side Letter are effective in the calendar year in which the Side Letter is executed and will be incorporated into the next MOU between the County and the Union. The Parties agree that this Side Letter resolves all re-opener negotiations related to Section 54 - Non-Healthcare / Non-General Wage Re-opener for the Public Employees Union AFSCME, Local One. Except as specifically amended or excluded by this Side Letter, all other terms and conditions of the MOU between Contra Costa County and PEU AFSCME, Local One (July 1, 2022 - June 30, 2026) remain unchanged by this Side Letter.
