

**RESOLUTION NAMING DECEMBER 21, 2026 NATIONAL HOMELESS PERSONS’
MEMORIAL DAY IN CONTRA COSTA COUNTY**

In recognition of the lives lost and the ongoing crisis of homelessness, the Contra Costa Board of Supervisors seeks to honor the memory of those who died without housing and to recommit to lasting solutions that affirm dignity, health, and housing for all.

WHEREAS, December 21, 2026 marks the first day of winter and the longest night of the year, symbolizing the hardships faced by individuals living without shelter; and

WHEREAS, the National Coalition for the Homeless and the National Health Care for the Homeless Council have designated December 21, 2026 as National Homeless Persons’ Memorial Day; and

WHEREAS, 14,245 individuals accessed homeless services in Contra Costa County in 2024—an increase of 40% from 2020, underscoring systemic housing challenges¹; and

WHEREAS, homelessness increases risk of illness, injury, and premature death, with non-elderly homeless individuals facing a mortality rate 3.5 times higher than their housed peers—comparable to housed individuals two decades older in age²; and

WHEREAS, dozens of Contra Costa residents experiencing homelessness lose their lives each year, and each loss underscores the urgent need for stable housing, health care, and community support; and

WHEREAS, drug and alcohol-related accidental deaths represented the highest cause of mortality in this group, followed by natural causes and other accidents⁴; and

WHEREAS, impending federal reductions to permanent housing programs beginning in 2027, coupled with projected cuts to Medicaid, SNAP and other essential health and stabilization services will disproportionately impact people experiencing homelessness, making it more difficult to access the broad range of care needed to maintain their health, engage in employment, and achieve housing⁵; and
