Qualifications and Volunteer Experience

Please explain why you would like to serve on this particular board, committee, or commission.

I am passionate about supporting workforce development initiatives that create equitable opportunities for individuals to gain meaningful employment and achieve economic stability. Serving on the Workforce Development Board would allow me to contribute my experience in program administration and community engagement to help shape strategies that address local labor market needs. I am currently working with the California Department of Rehabilitation, where I have served for almost 28 years assisting Californians with disabilities in obtaining and retaining employment while maximizing their ability to live independently. This experience has given me a deep understanding of the challenges faced by job seekers and the importance of collaboration between employers, educators, and community organizations. I believe this perspective will be valuable in advancing the mission of the Workforce Development Board and ensuring inclusive workforce solutions for our community.
