

Applicant	Proposal Summary
Bridge Builders to the New Generation	College Career and Readiness Program. College and career readiness for 300 high school and middle school students through mentorship, field trips to colleges and career centers, workshops on essential skills, and an out-of-state tour to Historically Black Colleges and Universities. Antioch and Pittsburg.
Contra Costa Senior Legal Services	Medical-legal partnership to address social, legal, and medical needs of underserved older adults, e.g., evictions, public benefits, elder abuse. Countywide.
Hijas del Campo	Promotoras de Salud Program to address healthcare disparities affecting migrant and seasonal farmworkers in Contra Costa County. Far East County.
Lincoln	Antioch Schools Newcomer Inclusion Project: provide targeted services to newcomer families to increase their engagement with their children’s schools and education; increase connectedness to their new community and peers; and increase access to resources in support of improved wellness, family stability, and inclusion. Antioch
NAMI Contra Costa	Lifting Up the Voices of Those Most Harmed: Gather and empower black males aged 20-25 in each Contra Costa County region to engage in civic affairs affecting them. Countywide.
Oakland Tech Exchange	Library Tech Equity Connection to place high school and college students in paid technology internships at libraries and community sites for on-the-job tech sector training. Countywide.
RisingJuntos	50 community ambassadors to host outreach and focus groups about climate change, energy efficiency, and renewable energy and complete community-based assessment of residents' climate and energy needs. East County.
St. Vincent de Paul of CCC	Micro-loan program for low-income individuals and families in Contra Costa County, providing an alternative to high interest loans thereby reducing debt, increasing income and facilitating financial health. Countywide.
Support4Recovery	12-bed sober living program for Spanish speaking men and women; expands on the Round 1 Hispanic Outreach program. Countywide.
The Gemma Project	8-10 week in-custody re-entry behavioral health and life skills program for women to help break the cycle of intergenerational incarceration. Countywide.
