Re: Destination Weddings Programs on May 30, 2025, and September 26, 2025

To Whom It May Concern:

The County of Contra Costa has a comprehensive self-insurance program to cover its general, automobile, and professional liability exposure, as well as its obligations under the Workers' Compensation laws of California.

The County's self-insurance program provides for the legal defense of officials, employees, and volunteers pursuant to government Code Section 825 and for the payment of all sums that the County is obligated to pay by reason of liability imposed by law and arising from acts or failures to act, excepting punitive damages. This protection covers services performed by officers, employees, and volunteers within the scope of their official duties in accordance with the conditions of their employment or service.

The self-insurance program is funded to provide payment of claims. The County also has excess reinsurance with Public Risk Innovations, Solutions, and Management (PRISM) formerly CSAC Excess Insurance Authority.
