## Qualifications and Volunteer Experience

**Please explain why you would like to serve on this particular board, committee, or commission.**

---

I have a strong passion to improve quality of life in multiple areas of the underserved communities. I'm especially moved by the issues facing vulnerable children as I have personal experience with, growing up in the system, and overcoming multiple barriers to achieve success. My experience has equipped me with the most important and basic qualities including: empathy, critical thinking and being an advocate for both children and adults to ultimately serve to create much needed voice and path to improve the quality of life for underserved communities.

**Describe your qualifications for this appointment. (NOTE: you may also include a copy of your resume with this application)**

---

I'm very motivated, outspoken, charming, and straightforward, creative and most importantly humble. I have a lot of experience with most of these issues growing up in the system as a vulnerable former foster child who faced many barriers to become a wholesome adult. I am currently undergoing training to be a court appointed special advocate (CASA) and these commissions are aligned with both my values and passion. I have a lot to offer by means of understanding, and a unique perspective when it comes to making board changes. I am a leader in my community and have continued to break barriers in order to make the places I reside more inclusive for all citizens especially those who are underserved.
