**Service Request #:** SR0025512

Dear EVERETT LOUIE :

Contra Costa Environmental Health (CCEH) has received a request for agency comment regarding the above referenced project. See below for our comments grouped by environmental health program:

- The proposed tenancy of a cannabis facility falls under CCEH's jurisdiction if it is located in unincorporated areas of Contra Costa County. Within the boundaries of incorporated cities, the city's local ordinances would apply. If located in unincorporated Contra Costa County, the applicant should contact CCEH for requirements regarding obtaining a valid health permit.
- Proposed cannabis facilities should abide by all state and local laws and regulations as related to cannabis production and sales.
- Proposed cannabis facilities must not sell or offer for sale vaping products and devices. The Contra Costa County Board of Supervisors approved an ordinance banning the sale of all vaping products and devices in the unincorporated areas of the County on November 12, 2019.

These comments do not limit an applicant's obligation to comply with all applicable laws and regulations. If the proposed project is subject to regulation by CCEH, the project tenant must apply for all applicable health permits. Should you have any questions, please do not hesitate to contact Environmental Health at (925) 608-5500 or [CoCoEH@cchealth.org](mailto:CoCoEH@cchealth.org).

Sincerely,
