Re: agenda item concerning non-cooperation with ICE

Public Comment

I respect the Supervisors willingness to represent their constituents. I feel strongly about ICE, their campaign of terror, and inhumane actions which are encouraged at Federal level. This country was made great by immigrants, and known for upholding human rights everywhere. I oppose seeing a gang of thugs on our streets, given total immunity and hunting down residents with minor offenses such as risking their lives to come here and work for low wages.

Please enact a non-cooperation Ordinance (with stronger teeth than a policy). Respectfully
