Deputy Fisher noted that he does not have legal authority to enforce activities occurring on roads or highways. It was agreed that issues are typically tied to specific events at specific times and can be reviewed collaboratively by CHP and the Alamo deputy, with procedures determined by the officers on scene. No issues are anticipated.

Ongoing concerns were discussed regarding non-licensed contractors dumping leaves, branches, wood chips, and garbage at sites throughout the county. It was agreed that if Mr. Chapman is to provide materials at these locations, the wood chips should be spread immediately. The group also agreed to request clarification regarding the quality of the proposed wood chips to ensure they meet the stated standards before proceeding.
