FISCAL IMPACT

N/A

BACKGROUND

The CCHP Joint Conference Committee (JCC) is a subcommittee of the Contra Costa County Board of Supervisors. The JCC serves as a forum for oversight, coordination and communication between Contra Costa Health Plan (CCHP) and County leadership. The minutes from JCC meetings are prepared after each meeting, following standard governance practices. The minutes document the discussion, actions and direction provided at JCC meetings.

The Minutes from March 6, 2026, Joint Conference Committee meeting were prepared to accurately reflect meeting proceedings. The Committee is asked to review the minutes. And the Committee is asked to consider accepting the minutes. This request is consistent with established process. And it allows the Committee to maintain an official record of its activities.

CONSEQUENCE OF NEGATIVE ACTION

If the JCC does not accept this action, it could lead to noncompliance under the federal and state regulations.
