**REVIEW AND APPROVE PRIOR MEETING MINUTES**

The Record of Actions for March were reviewed and approved unanimously.

**PUBLIC COMMENT (5 minutes/speaker)**

The meeting was attended by ten engaged and articulate community members. A primary point of discussion involved the reporting protocol for unauthorized refuse disposal along the Route 680 access and egress points.

One proactive resident provided video footage of a suspected dumping incident; however, the vehicle was identified as an unmarked truck belonging to Chris Chapman's company. It was clarified that the company is currently distributing clean wood chips and aims to complete spreading within a 24-hour window.

AIA: Rick Leiting provided an update on the Alamo Plaza Farmer's Market, noting its exceptional performance throughout the winter season. The market, characterized by its high-quality produce and live music, has become a staple of community engagement. Based on this momentum, Mr. Leiting anticipates continued growth and increased attendance as we transition into the spring and summer months. Save the date for the annual Alamo Plaza Car Show, which is officially scheduled for Thursday, September 10th.

The annual Alamo Easter Egg Hunt at Livorna Park was held with high attendance and significant success. This year, an energetic group of local youth collected 3,000 candy-filled eggs in a record time of 8 minutes and 13 seconds. The event was well-received by the community and remains a highlight of the spring season.
