Chief Asst. County Administrator Eric Angstadt presented the staff report, proposed policy, and recommendations.

Vice Chair Andersen asked if this policy would help avoid past issues experienced with some Health Services Department facilities projects, to which Eric responded that it would and that he was currently developing an RFP for the care court and inpatient treatment facility projects. He also confirmed that Public Works Director Warren Lai and several others assisted with development of the policy.

Eric reported that for FY 24/25, 20 of 40 requested capital projects were approved to proceed. He noted the two levels of CAO review: capital planning (himself) and finance (Adam Nguyen). Projects were considered and prioritized in terms of need, urgency, cost and funding source, timing, and capacity to manage/implement the jobs. Some projects were moved up in priority if there was ability to bundle them with similar projects to achieve economies of scale. He also stated that Capital Projects' staff capacity had been increased in anticipation of the new policy and procedures, which attempt to funnel project requests through the annual budget process. He also reported that more robust project management software will be implemented to better support the entire process.

The Committee unanimously approved the proposed Capital Facilities Policy and directed staff to forward it to the Board on Consent.

Aye: Chair Burgis and Vice Chair Andersen

Result: Passed

5. CONSIDER the Mental Health Commission's proposed changes to its bylaws pertaining to attendance. (Julie Enea or Laura Griffin, Commission Chair)

Julie Enea provided background for the recommendation. Vice Chair Andersen advised that Proposition 1 will necessitate combining the Alcohol and Other Drugs Advisory Board with the Mental Health Commission (MHC) (or decommissioning those bodies and creating a new body), and that the Family and Human Services Committee would likely be working on that effort. Still, the IOC agreed that the proposed MHC bylaw amendments could move forward in the interim.

Jennifer Bruggeman advised that the MHC requires 8 attendees to achieve a Commission quorum, which is usually achieved. However, she said that MHC subcommittees have had more difficulty achieving a quorum due to their small size.

Vice Chair Andersen said the proposed amendments were important because they define what constitutes an excused absence and provides a procedure to report and recognize excused absences. This is especially important for Commissioners who have professional obligations, particularly involving travel, that prevents attendance at MHC meetings.

Tavane Payne urged the IOC to approve the amendments even if they will only be

operational for the remainder of the calendar year.

The IOC approved the proposed bylaw changes and directed staff to forward them to the Board on Consent.

Aye: Chair Burgis and Vice Chair Andersen

Result: Passed

6. The next meeting is currently scheduled for July 8, 2024.

Staff advised that CAO Senior Deputy Jason Chan would provide Committee staff support at the July 8 meeting.

7. Adjourn

Chair Burgis adjourned the meeting at 11:29 a.m.
